WELCOME VISITOR — One of three new signs which were painted by Cecil Cox as a joint project of Bronte's two Lions clubs and the Jaycees. Two of the signs have been erected, one on the Robert Lee highway and

the other on north Highway 277. Plans are to erect the other sign on south 277. The three civic organizations paid for the material for the signs, and Cox donated his talent and labor.

Methodist School Set For Next Week

Annual Vacation Bible school will be held next week at First Methodist Church with classes being planned for each age group. Classes will be held from 9-11 a.m. each morning Monday through Friday. Refreshments will be served each morning.

Joy Lynn Wilkins is director of the school and Mrs. George Thomas is song director.

Working in the beginners department will be Mmes. Bill Luckett, LeDrew Arrott and Eugene Halamicek. Mrs. R. C. Lasswell, Mrs. James Golson, Dee Ann Percifull and Kathy Kiker will be in charge of the primary department.

Mrs. Roy Hallmark and Mrs. Martin Lee will work in the intermediate division and Mrs. A. S. Masterson and Mrs. Elmer Hurley will be in the Junior High group.

All children of the community are invited to attend.

AD-LIB-BEN

A number of Bronte Longhorns we know have been keeping in shape this summer, and won't they be glad they have next Monday when Coach Cecil Toliver starts putting his charges through their paces? It's a pretty big job to whip up a football team in three weeks, and those who are in shape will have a much easier time of it.

Prospects for the Longhorns should be pretty good this year. Only three lettermen were lost to graduation last spring, and some of those guys who were freshmen last year should have grown quite a bit and may be a little tough this season.

The next best thing to a really good woman is a really good natured one.

Remember back when Bureaus were pieces of furniture?

A person should work eight hours a day and sleep eight hours a day; however, the two periods should not coincide or even overlap.

Good resolutions and babies crying in church are a lot alike — they should both be carried out immediately.

ANDRA COOPER IMPROVED

Andra Cooper, 13-year-old daughter of Mr. and Mrs. Dick Cooper of Bronte, is reported improving in Clinic Hospital in San Angelo. She received a crushed foot Sunday, July 29, when a golf cart overturned with her, catching her foot beneath it. Her father said Tuesday that she had been taken into surgery three times for repair of the damage and that she is now doing well.

Deadline Tuesday On Reserve Seats

Local football patrons are reminded by the school this week that next Tuesday, Aug. 15, is the deadline for claiming the reserve seats they had last year. After then, the reserve seats will go on sale on a first come, first served basis.

Mrs. Clark Glenn, school secretary, said this week that she feels a number of persons want their tickets back but have neglected to call and reserve them.

The reserve seats are \$5.00 for the four home games scheduled this year.

Plans Being Made For Junior Rodeo

Plans are moving ahead for a Junior Rodeo Aug. 19 in the Bronte Roping Arena. The affair is being sponsored by the Coke County Roping Club. Young persons up to age 19 are urged to participate.

Two divisions of competition will be set up for the rodeo. Youngsters who are 13 years old and under will compete in a junior division, while those 14 through 19 will compete in the senior division. Several events are scheduled in each division.

Best all-around boy and girl will be named in each division.

Boys and girls who wish to enter the competition should see one of the members of the Roping Club.

Play Nights are held each Tuesday at the arena, and all young people who are interested in rodeo activities are invited to participate. A club member said the Play Nights are for everyone, not just those who plan to enter the rodeo.

SOROSIS CLUB PICNIC

Members of the Sorosis Club and their families will have a picnic Friday night at 7:30 p.m. in the park. All are urged to attend.

Jaycees To Take Charge Of Labor Day Barbecue

Concrete plans were begun this week for Bronte's annual Labor Day Barbecue. Bronte Jaycees have agreed to accept sponsorship of the event. The annual celebration usually draws about 1,000 persons to the park to enjoy the

food, fellowship and program.

Martin Lee, president of the Jaycees, said this week that the organization will be glad to take charge of the big feed but "we will need help from a lot of people to put it over."

Coke Tournament Set For Labor Day

Coke County's annual March of Dimes Golf Tournament will be held on Labor Day this year. It will be held at the Bronte course, and local duffers will put forth a mighty effort to recover the trophy which was taken by Robert Lee last year.

The tourney, to determine the county champion, was started several years ago as part of the annual March of Dimes Drive in the county. It was originally held during January to coincide with the Dimes Drive, but cold weather has forced the golfers to move the contest back several months.

Clyde Lee, tournament director, said this week that he felt the Labor Day date would be ideal, since the annual barbecue is held the same day. "It will give us

a chance to entertain our friends from Robert Lee after the tournament is over, and most everybody will have a holiday, so we should have a record number of entries," he said.

The tournament usually raises from \$100 to \$200 for the Dimes Drive.

Jurors Are Called For District Court

Four civil cases are on the docket for the August term of 51st District Court which will convene Aug. 21, with Judge Joe L. Mays presiding.

Petit jury notices were sent out this week to 38 prospective jurymen.

Sheriff Melvin Childress said there is a possibility that a DWI case will also be heard, but he was not sure about it.

Civil cases on the docket include the following:

Ennis Favors of Stephenville vs. S. E. Adams of Robert Lee, a trespass to try title suit. Frank Dickey of Robert Lee is representing Adams and Richard W. Davis of San Angelo is Favors' lawyer.

Sammy Moser vs. Liberty Mutual Insurance Co., is an insurance compensation case. Lawyers are Perry Barber of Colorado City for Moser and W. A. Griffis of San Angelo for the insurance company.

R. C. Patterson vs. T. T. (Red) Oliver, formerly of Oak Creek Lake, is a personal injury suit. Tom Sneed of Odessa is representing Patterson.

Another insurance compensation suit is styled John H. Beard vs. Fidelity & Casualty Co. of New York. Marvin Hanz of San Angelo is representing the plaintiff and W. A. Griffis of San Angelo is representing the insurance company.

Five other cases have been pending on the docket. Two of

Rites Friday For Mrs. Mary Clark

Funeral services for Mrs. Mary Clark, 84, will be held at 5 p.m. Friday in the Bronte Church of Christ. Burial will be in Fairview cemetery under direction of Williams Funeral Home.

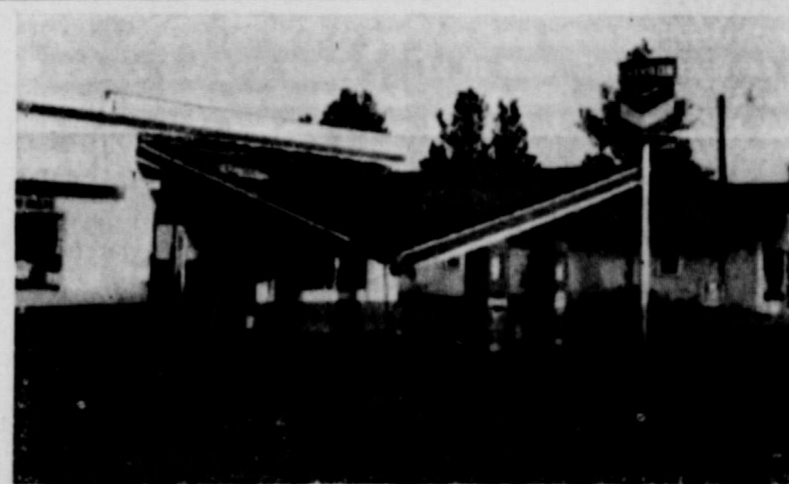

Mrs. Clark died at 1 p.m. Tuesday at the home of her son, John Clark, here. She had been ill for a long time.

She was born in Llano County May 28, 1883 and was married to Henry Hayden Clark Jan. 5, 1905. She moved to Bronte in the early 1940s and lived at Blackwell a number of years. Mr. Clark died in 1937.

She is survived by two sons, John Clark of Bronte and M. L. Clark of Tacoma, Washington; seven grandchildren; 27 great grandchildren; four great-great grandchildren; two nieces, Mrs. Henry W. Taylor of National City, Calif. and Mrs. Harvey Winters of Fresno, Calif.; and a nephew, Dannis Cloud of Selma, Calif.

She was a member of the Church of Christ.

Grandsons will be pallbearers.

SAGGING ROOF — This is how the front of L. L. Webb's service station looked after one of the supporting posts was hit by an oil field truck last Wednesday night. The huge truck, owned by J. H. Marks Trucking Co. of Odessa, was carrying a

big compressor when the driver pulled over to stop. A projection on the compressor hit the post. R. B. Sims was driver of the truck. Webb has the corner propped back up now, but said he would like to do some more work on the station.

It is expected that the two Lions Clubs and Volunteer Fire Department will help with various jobs involved in making the day a success.

An added attraction this year will be the annual Coke County Golf Tournament for the March of Dimes. The match is held each year between Bronte and Robert Lee golfers to decide the county champion, with the March of Dimes benefitting from the money raised. Further information on the tournament may be found in another story in this week's Enterprise.

The Labor Day Barbecue is held each year with Bronte merchants, organizations and individuals footing the bill. Its purpose is to draw citizens of every part of the community together at one time, and as an expression of appreciation to everyone for patronage of Bronte's business firms. Everyone is invited to attend the affair.

The annual celebration has grown from a rather small beginning several years ago to a crowd of 1,000 or more.

Lee called for the cooperation of everyone in the community in making this year's affair a success.

Longhorn Practice To Start Monday

Bronte Longhorn football practice will begin Monday, Aug. 14, with two sessions planned each day from then until the start of school.

Coach Cecil Toliver said all boys who want to play football this year should be on hand Monday morning at 8 a.m. Evening practice sessions will begin at 6:30 p.m.

Bronte's first scheduled game this season will be Sept. 8 when the Longhorns go to Bangs. The first home game will be Sept. 15 with the Robert Lee Steers. A complete schedule was run in last week's Enterprise.

Shoe Salesman Coming

Toliver said representatives of two sporting goods companies will be here Friday, Aug. 11, at 6 p.m. He said any boy who wants to buy a pair of football shoes should be on hand at that time.

Local Youth Choir To Sing In Angelo

The Bronte Youth Choir will sing tonight (Thursday) at the Trinity Methodist Church in San Angelo during revival services there, which begin at 8 p.m. All youth of the community are invited to sing with the group. Boys are asked to wear white shirts and ties.

Bronte young people will meet at 6 p.m. at First Methodist Church to rehearse and then go to San Angelo. Transportation will be furnished. Tommy Walter will direct the choir and several other adults will accompany the group. This choir has been invited to sing in Abilene in November.

About 45 young people made a recent trip to McCamey when they sang a special number for a community revival there.

BAND REHEARSALS TO START MONDAY

School will start next week for some members of the Bronte Longhorn Band. Band director Russell Fuller has called a meeting of band offices for 9 a.m. next Monday, Aug. 14, at the school. On Wednesday, Aug. 16, the trumpet section will rehearse at 2 p.m. with full band rehearsals on Thursday and Friday, Aug. 17 and 18.

Beginning Monday week, Aug. 21, through the start of school, marching practice will be held at 8 a.m. and playing practice will be held at 2 p.m. each day, Monday through Friday.

Fuller urged all band members to be present for the rehearsals and the meetings in which they are involved.

I am Thankful... for good health, and for the food that I

have each day. I am thankful for those near and dear to me that I can love, and in turn love me. I am thankful for the freedom of my nation, and that I can worship as I please. I am thankful that God loved me so much, that he provided a way for my salvation. I am thankful that he is a forgiving Father. I am thankful that I can attend Church and worship my Lord each Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Jaycee Writes Challenge To Members

(Editor's note: The following article was written by a member of Bronte Jaycee Chapter. It is quite challenging, we thought, and was intended to recruit more members for the local chapter and awaken present members to the opportunity the organization offers them.)

To the Young Men of Bronte: I am sure you are all aware of

the fact that Bronte has had a Junior Chamber of Commerce for the past five years. Young men of Bronte! This is not a club where you can get away from home a couple of nights a month, nor is it a place for personal glorification. Our Junior Chamber is a place where by working, learning and meeting together, we can produce a better town in which

to raise and educate our children, a better state in which to live, and best of all a free nation to be proud of.

Our organization teaches leadership training through personal participation. The reason for this is: one never knows when he may be called upon by his community, state or nation to help govern and lead its people. When this moment arrives, will you be capable enough to follow through? There is no use saying that you don't care, because of the fact that you are a free American living in a Democracy proves that you do care.

Young men of Bronte — I challenge you to join the Jaycees and work for your community's future.

If you are interested, meet with your local Jaycees on Aug. 21, 1967. Time and place will be posted next week.

Weekend visitors of Mr. and Mrs. H. C. Murtishaw at their Oak Creek Lake home were Mr. and Mrs. D. E. Garvin of Grand Falls and Mr. and Mrs. C. F. Sharp and Cliffie of San Angelo. Mrs. Murtishaw's father, P. A. Roberts, who has been visiting here the past two months, moved Wednesday to a retirement home in San Angelo. Mr. Roberts is in ill health, and prior to coming here, was in the Veterans Hospital at Kerrville.

"Section 49-e. The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Seventy-Five Million Dollars (\$75,000,000). The bonds authorized herein shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, provided, however, that the bonds shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds, shall not exceed four and one-half percent (4½%) interest per annum; they may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

"Such fund shall be used by said Parks and Wildlife De-

This Section shall not be construed as a limitation of powers delegated to counties, cities or towns by any other Section or Sections of this Constitution."

School Audit In This Paper

A statement of receipts and expenditures for the various funds used in operating the local schools is being published in this week's Enterprise. Period covered by the audit is from the year which ended Aug. 31, 1966. The audit was compiled by Harold V. Simpson, Certified Public Accountant of Austin.

The audit is being published as required by state law. Texas law provides that any unit of the state with taxing powers must publish such audits.

School officials said they hope all citizens of the area will study the table, as it shows where school money comes from and where it is spent.

A table showing the bonded indebtedness of the school is also being run.
