Year Rain Total Hits 6.6 Inches

Good rains in April have brought the Bronte total for the year up to 6.6 inches. The city had received only .3 inch for the year until April but 6.3 inches this month have made things look better for the Bronte area. These figures were supplied to the Enterprise by Dave Seibold, official rain gauger for The Enterprise.

Good rains were received earlier in the month, then a 1/2 inch fell Monday night. Seibold reported 1.1 on Wednesday and Thursday.

Other measurements reported to The Enterprise for this week include 1.7 inches by Joe Ash east of town; .9 inch by L. W. Dunkin to the northwest; 1 inch by Imogene Griffin at her place on the south side of the river.

Seibold said his records showed Bronte received no rain during January and February, but got a drizzle of .2 on March 2 and another of .1 inch on March 23. But April has been better with 6.3 inches.

Mr and Mrs. Carroll Robbins and Mrs. Helen Kirkland spent the weekend in San Antonio visiting Mrs. Ollie Hogue. While there they took in the annual Battle of the Flowers in the Alamo City.

Bronte was first in the Class B Division, followed by Roscoe, 2nd, and Santa Anna, 3rd. In Class A Bangs was first, Roscoe, second; Robert Lee 3rd; Class AA, Comanche, first, San Saba, 2nd and Llano was third.

An All-Star Stage Band was named for each division. Those from the Class B group included the following Swinger members: Lana Webb, alto sax; Tonya Teschen, dorf, tenor sax; John Heaner, trombone; Bobby Taylor, trumpet; Leah Barbee piano.

Judges for the festival were Harris Brinson of ASU; Dave Tennock of ACU; and Bobby Bingham of Eastland High School and formerly of Bronte.

Forthcoming Events

Other events on the schedules of the Bronte Bands will be the Munday Band Festival on May 1 and the Fifth Grade and Junior High Bands of Bronte will participate.

The Swingers will enter the Ballinger Band Festival Tuesday, May 4, and perform at 11 a.m.

The annual Spring Concert will be May 11 at 7 p.m. in the school auditorium.

Director Louis Thornton said the Stage Band Festival was very successful and the Bronte School Bands have had a most successful year.

INSUR-MATION

WALDON MILLICAN
FARM BUREAU INSURANCE, 453-2812

My son has a motorcycle which he rides only on lots, fields, etc., never on public roads. Is any insurance necessary?

Yes. Coverage is necessary regardless of where a motorcycle is operated. A person is legally liable for his own actions... whether on public roadways or private property. For insurance and liability coverage, motorcycles fall into the automobile category. The basic automobile policy is utilized. However, primary rating for the cost of the insurance is based on weight, engine size and use. Therefore, a small dirt-type bike would take a much lower rate than larger motorcycles such as those used on the highways.

PATRONIZE OUR ADVERTISERS

IF YOU WANT TO ELECT Gov. Ronald Reagan, President YOU MUST

1. Vote in the Republican Primary on Saturday, May 1st —and
2. Vote for Each of the Four Delegates pledged to Governor Reagan:

IN CONGRESSIONAL DISTRICT 21, MARK YOUR BALLOT FOUR TIMES AS SHOWN BELOW:

- PHILIP R. (PHIL) PYNDUS
delegate for Ronald Reagan
- DOROTHY DOEHNE
delegate for Ronald Reagan
- ARTHUR SEELIGSON, JR.
delegate for Ronald Reagan
- HELENE RANDOLPH MOORE
delegate for Ronald Reagan

Four Delegates pledged to RONALD REAGAN will be on the ballot of every one of Texas' 24 Congressional Districts in the May 1 Republican Primary.

Since each district is entitled to four delegates to the Republican National Convention in Kansas City, that means that every voter in Texas will have the opportunity to vote four times for RONALD REAGAN on May 1.

In most districts, voters will be choosing between delegates pledged to Reagan and delegates pledged to Ford. . .

THE ONLY WAY A TEXAS VOTER CAN EXPRESS HIS PREFERENCE FOR RONALD REAGAN TO BE THE REPUBLICAN PRESIDENTIAL NOMINEE IS TO VOTE IN THE REPUBLICAN PRIMARY AND MARK HIS BALLOT FOR EACH OF THE FOUR DELEGATES LISTED AS PLEDGED TO REAGAN.

Under terms of the Bentsen Primary Bill, it is not possible to cast one vote for an entire REAGAN slate. Each delegate must be elected individually, so each voter is entitled to vote once for each of the four delegates pledged to REAGAN in the 21st Congressional District.

Delegates for each presidential candidate will be listed consecutively and identified with the name of the candidate they are pledged to support.

The key to a REAGAN victory in Texas is for every person who wants RONALD REAGAN for PRESIDENT to vote in the Republican Primary on May 1, 1976.

The term "furniture" first came into use around the legislature to describe members who, by virtue of their ineffectualness or stupidity, were indistinguishable from their desks, chairs and inkwells. It is now used, casually and more generally, to identify the most inconsequential members.

I SINCERELY WANT YOUR VOTE

Here Are the Reasons Why:

- I have written 5 different brochures for the people of District 63.
- Have discussed on several occasions the problems facing our Highway Department with State Highway personnel and have got proposals to be made in the next legislative session to help Texans continue driving on good highways.
- Have visited Coke County 14 different times throughout this campaign and will continue to work for the people of Coke County.
- I have been in contact with several doctors and will continue searching for a doctor until one is found for Coke County.
- I believe I can get legislation passed that will lower our utility costs.
- Will work for a program to bring water into West Texas for our farm and ranch land. I have farming interests and will work for agriculture.
- Will work for constructive legislation today for the benefit of our children tomorrow.
- I will work at the state level with U. S. Representative Bob Krueger on de-regulation of gas.
- I will again work at the state level to get passage of the Curtis-Burleson Bill. This will raise exemptions from \$60,000 to \$200,000 on inheritance tax.
- YES, I will do more for the citizens of Coke County than just visit a couple of times in a two year period, and send papers to county libraries. This is not good representation.

REDDY'S HELPFUL TIPS

- ★ Your air-conditioner will operate inefficiently if filters are not cleaned regularly. Dirt and lint, collected on the filters, restricts air flow to the coils. Clean filters every two weeks.
- ★ Let nature help you save energy by shading your home with trees and shrubs to help cut down on summer cooling costs. Draw draperies against afternoon sun.
- ★ Remember to keep outside doors, windows, and fireplace dampers closed. If you have window units, close the heating vents near the floor, as cool air falls and can escape through vents.

EUTERPEAN CLUB HAS PROGRAM ON GREAT WOMEN OF TEXAS

By Mrs. Rockey Thompson

The Euterpean Club held its regular monthly meeting last Thursday afternoon in the home of Mrs. Josie Hipp. Mrs. Bobbie Barrett, president, presided and conducted a short business meeting. Mrs. C. B. Smith, incoming president, named the following members to serve on the yearbook committee: Mrs. Elna Sweet, Mrs. Gracie Spence and Mrs. Bobbie Barrett.

The program, "Influential Women of Texas," was presented by Mrs. Smith and Mrs. Hipp.

Mrs. Hipp gave a short biography of Elizabeth Temple Lewis, who, with her husband, John R. Lewis, operated the Lewis Ranch near Blackwell in the 1890s. They were the first to raise purebred Herefords in the county. They were the grandparents of Jennings Lewis, who still ranches west of here.

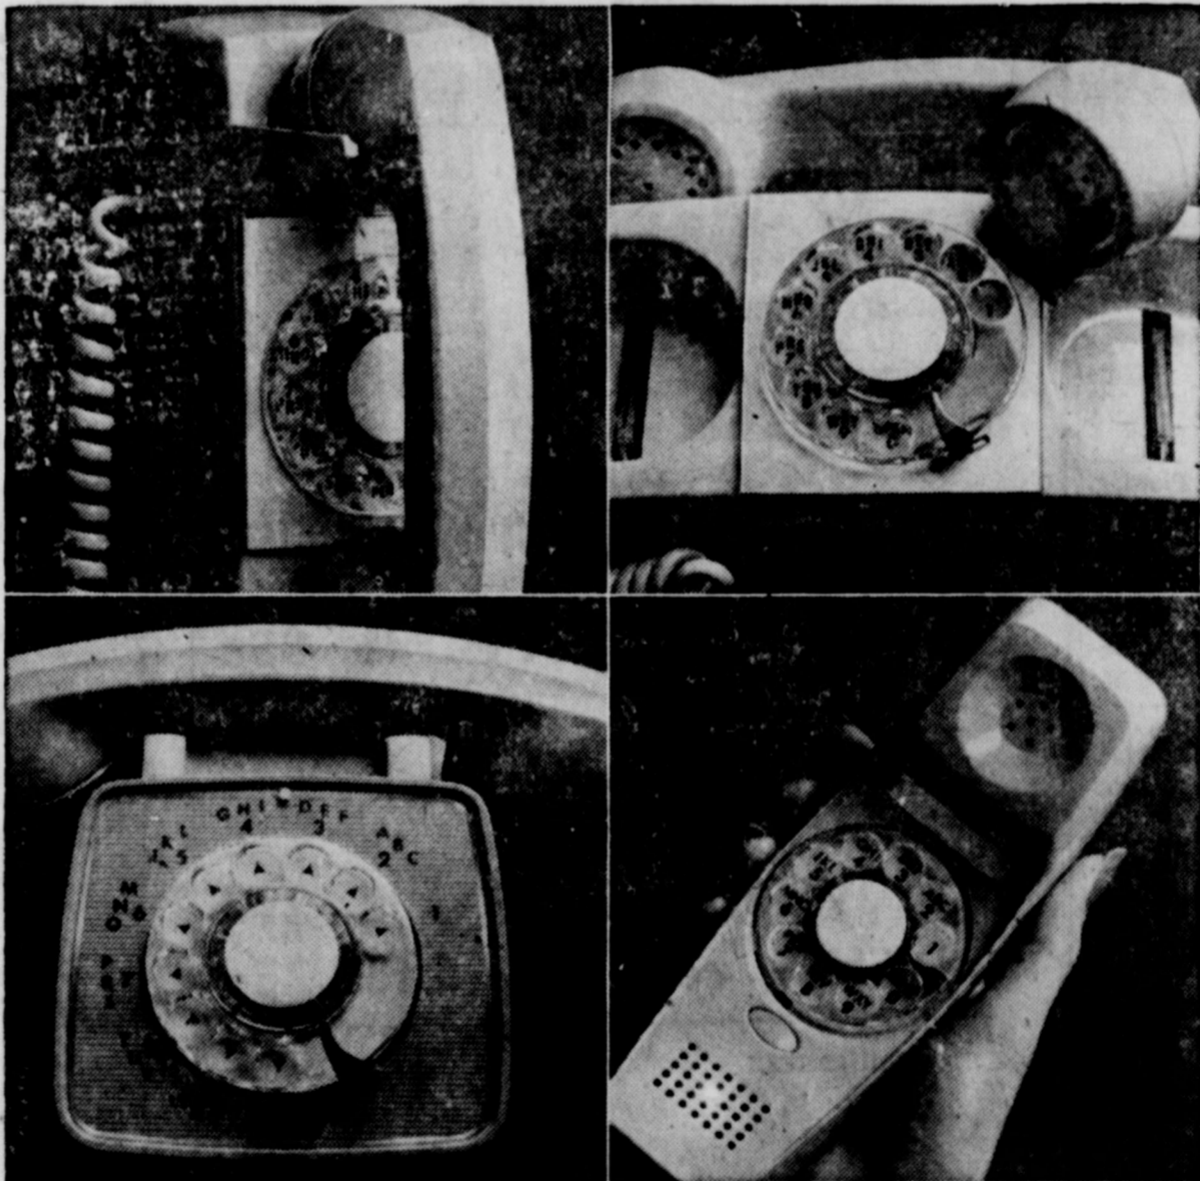

Mrs. Hipp also presented the life of Margaret Temple Houston, wife of Gen. Sam Houston. Mrs. Smith presented the story of Suzanne Dickinson, the "Lady of the Alamo," and told the story of Molly Bailey, the "Circus Queen of the Southwest," during the Civil War.

Mrs. Hipp also told the story of Cynthia Ann Parker, a young white girl who was captured by and lived most of her life with the Indians.

Refreshments were served to Mrs. R. Q. Spence, Charlie Mae Wells, Marie Romine, Barrett, Jennings Lewis, B. R. McCarley, Sweet and Smith and Miss Bert Smith.

Next meeting will be in the home of Mrs. C. B. Smith on May 20. Mrs. Lewis will give the program.

AN OPEN LETTER TO THE PEOPLE OF THE 21ST DISTRICT.

Two years ago you gave me one of the greatest opportunities for service that could be given to any person--that of representing you and our part of Texas in the U.S. Congress. When I sought this high office I pointed out that I would be only one of 435 Congressmen, and that I could promise no specific legislative accomplishments. I pledged, instead, only my hardest efforts to work in Washington for all the people of this broad District, to have my door open to them, to remember the people who had sent me there, not to forget them. I have tried to do that, and I hope, in the process, to have made some small contribution toward re-establishing the trust of our citizens in this great nation.

In this work, I have sought to keep before me, above all, my responsibility not just to vote for the most comfortable, or the most politically popular policy today, but for the policies that will strengthen the long-range goals of the American people, and make this a better land for the next generation. I am an American, a Texan, and a Democrat, in that order--proud to be all three, but convinced that America should be put above state or party in our considerations.

I deeply appreciate the privilege of representing you in Washington, and hope to be worthy of your support on May 1st so that I can continue to represent you there.

Sincerely,

ROBERT KRUEGER

JAMS, JELLIES JUST AS GOOD WHEN MADE WITHOUT THE SUGAR

By Fay C. Roe
County Extension Agent

Jam and jelly don't have to be "forbidden fruit" to people on sugar-restricted diets. Just use artificial sweetener instead of sugar when making them, Mrs. Fay C. Roe, County Extension Agent, suggests.

Diet jams and jellies must be refrigerated or frozen unless they are made by the long boil method. And storing them in the freezer keeps the natural color and flavor of Texas strawberries, peaches or dewberries at peak quality. Leave at least one-half inch head space

Fresh strawberry jam can be made to suit special dietary requirements. To prepare fruit for jam, sort and wash fully ripe fruit. Remove any stems or caps. Crush the fruit.

For jams, the method of combining ingredients varies with the form of pectin used. Powdered pectin is mixed with unheated crushed fruit, and liquid pectin is added to the cooked fruit and sweetener immediately after it is removed from the heat.

Cooking time is one minute at a full boil. Full boil stage is reached when bubbles form over the entire surface of the mixture.

She noted that jams made without added pectin or gelatin require longer cooking than those with added pectin. Cook the mixture to a temperature of 221 degrees.

If making the jam without pectin or gelatin and a thermometer isn't available, just cook the product until it has thickened slightly. Allow for additional thickening as the product cools. Jams made without sugar tend to be thinner than those made with the addition of sugar. Also, when preparing jams, be sure to stir constantly to prevent scorching the fruit.

Strawberry Jam with Pectin
1 quart clean strawberries
1 3/4 oz. packaged powdered fruit pectin
Red Food coloring as desired

3.4 teaspoons artificial sweetener
1 tablespoon lemon juice

Crush the strawberries in a one and one-half quart sauce pan. Stir in artificial sweetener, food coloring, powdered pectin and lemon juice. Bring to a boil and boil for one minute. Remove from heat. Continue to stir two minutes. Pour into freezer containers, cover and freeze. Thaw before serving. Store in the refrigerator after opening. One tablespoon provides five calories.

Jams made by the long boil method require another procedure. You may follow tested recipes for jams made by a long boil method without the addition of pectin, she said.

Cook the fruit with liquid sweetener until jam is of desired consistency. Substitute two table- spoons of liquid sweetener for each cup of sugar called for in the original recipe. Pour the boiling hot jam into clean, hot jars and seal each jar as soon as it is filled.

For making strawberry jam by the long boil method, take four cups of crushed strawberries, eight tablespoons of liquid sweetener. Measure crushed strawberries in to kettle. Add sweetener and stir well. Boil rapidly, stirring constantly until the mixture thickens. Fill and seal containers. Process in boiling water bath for five minutes. One tablespoon provides 10 calories.

**Important for Women
PLEASE READ**

DEAR LADIES:

I am asking the women of my district for their support, and to give them a better knowledge of my views.

I do not believe, as my opponent believes, visiting with a few groups and sending a few documents to county libraries, which they would receive anyway, is representing the people. Our main industries in this district are agriculture, cattle and oil. These industries produce employment for our citizens and support our businesses and schools. Every citizen in this district plays an important role towards the betterment of our district and our state.

Constructive Legislation is what we need — we have not received it in the past. What we do TODAY should be for the betterment of our young people TOMORROW. This can be obtained by working for passage of a bill that would allow exemptions to be raised from \$60,000 to \$200,000 on the inheritance tax. As for Women's Rights, I believe that every woman has the right to receive equal pay for the job she chooses and is qualified to perform. My opponent is chairman of a committee to establish a bureau for the Status of Women. As you know, bureaus result in too many rules and regulations. In talking this over with many women, I find they do not want a ridiculous bureau of this type. I have contended during this entire campaign that our country was formed on the basis of free enterprise and not bureaucratic monopolistic views. If we do away with our unneeded bureaus and agencies, we will cut the cost of our Government and help put the Government back into the hands of the people.

All of a sudden two years later (three weeks before the election) my opponent has become concerned about the price of natural gas. Why wasn't he concerned with this when he voted in the last session?

Yes, I believe I can accomplish more than just visiting with a few groups and sending documents to libraries. I will help to keep and upgrade the quality of our education for our children, help to save the taxpayers' dollars, and help to insure our senior citizens the social security to which they are entitled. I will help find doctors for our counties in this district that need them, as I have been asked to do. I will bring a suitable water program to West Texas.

You CAN have strong representation in our State Capital. Your vote and influence will be appreciated.

Thank you,

Bill Atwood Jr.
