Bean Guessing Contest Provoked Much Interest

The bean guessing contest pulled off at S. M. Conner's store last Saturday was an interesting affair. They had a gallon jar full of beans, about half of which were what some of us call "butter beans" and the other half "free-hollies."

The amount of beans in the jar was 2547. The closest guess which won the 15 lbs. of pink beans, was 2560 by my wife's second son, whom we christened 'Felix' followed up with the second prize, 10 lbs. of pink beans won by Mrs. Pearl Schooley, youngest sister to Mrs. G. E. Davis, who guessed 2561; third prize, Roy Little of Sweetwater, who drives the Jo-Boy candy wagon, guessed 2500. The 4th prize winner was Mrs. G. E. Davis, who guessed 2599 and got the beans in the jar.

Some 200 or more people guessed at it and the guesses ranged from 250 to 5000.

Judge Frank Dickey of Bailinger was here Saturday on business.

High School News

In the foot ball game played between Robert Lee and Sterling City high school teams Thanksgiving Day, the Robert Lee boys won by a score of 32 to 0. The little Steers just walked, or rather ran away with this big victory.

Following is the record of the season: Games played, 6 won, 4; lost, 2; touchdowns, 15.

P. T. A. Meets

The P. T. A. met Nov. 22. There were about fifteen members present and an interesting number was rendered. The P. T. A. decided at this meeting to give the money in their treasury to the school for the purpose of buying library books. This sum amounted to seventy-two dollars and will help greatly in buying the necessary books.

Bronte News Notes

BY MRS. FRANK KEENEY

Quite a large acreage near town has been leased for oil recently and the report is that a test well will be put down in the near future. The leases are bringing one dollar per acre with a fifty cents renewal.

The Union community put on a program in connection with a box supper at the school building last Friday evening, which was well attended. The boxes were auctioned by Lenus Beatty to the highest bidders and brought a considerable sum which will be used in making improvements toward bettering the school.

The members of the Methodist church remembered their new pastor, Rev. C. O. Hightower and family, in a substantial way on Wednesday evening. After prayer meeting at the church they proceeded to go to the parsonage where they indulged in a "pounding" service. A large number were present and the pastor's larder was well filled.

The Rev. J. J. Kellam of Dallas preached at the 11:00 o'clock hour at the Baptist Church Saturday to a well filled house. His theme was "Christ's World Program," which he delivered in his usual interesting manner.

The first outletting got out on their new mimeograph machine by the pupils and teachers of the school was distributed the last of the week. A magazine subscription campaign was put on a few weeks ago and enough money was raised in this way to buy the machine. Supt Hardy hopes by this means to keep the patrons in touch with the school life and work of the children.

Society

Mr. and Mrs. Ed Rawlings entertained a few relatives and friends with a Thanksgiving luncheon. Turkey with all the accessories was served to Mr. and Mrs. A. J. Rawlings, Mr. and Mrs. A. J. Rawlings, Jr. and Mr. and Mrs. T. C. Price.

A wedding of interest to their many friends was that of Miss Edna Earle Harvell and Mr. Claude Gentry which took place Thursday afternoon at four o'clock at the Baptist Pastorium, Rev. R. D. Dewese officiating. Both bride and groom are members of well known and highly respected families and the good wishes of a large circle of friends go with them. They will live on the farm east of town.

Mrs. Albert Rawlings, Jr. entertained the Woman's Progressive Club at a regular meeting Wednesday afternoon. Many of the members were kept away because of the inclement weather but those who

went report a very pleasant afternoon. Mrs. O. H. Willoughby led the study class and Mrs. W. J. Gideon gave the special number, which was a discussion of the life and work of an American artist, Bombay.

It was decided at this time that the Club would present their play, "Sophronia's Wedding" on the 14th of this month. After an enjoyable contest, a two-course repast was served to Mesdames O. H. Willoughby, Clint Duncan, Floyed Bridges, Clint Wilkins, J. D. Leonard, Will Gideon, I. M. Cumble, Fred McDonald and W. C. McDonald.

The Home Motor Co., its employees and their families enjoyed the seventh annual Thanksgiving banquet, which was spread in the salesroom of the company.

Members of the Idlewild Lot-to Club were guests of Miss Louvenia Knierim, the Club secretary, last Thursday afternoon.

The decorations were in keeping with the Thanksgiving idea. Autumn flowers and leaves made the rooms attractive, and same theme was carried out in the table appointments, favors, etc. High honor went to Mrs. Frank M. Ditto and she was given a lovely water bottle filled with bath salts. Miss Myrtle Luttrell won second honor and received an imported hanging vase. The guest prize, a hand embroidered linen handkerchief, went to Mrs. A. F. Landers, Jr.

A dainty salad course was served to Mesdames R. P. Edmondson, Chas. Baker, Frank Ditto, Ernest Ivey, A. F. Landers; Misses Una Ott, Athalie Wallace and Myrtle Luttrell.

Will Give Program

The Baptist W. M. S. will put on a program Sunday morning at the 11 o'clock service at the Robert Lee Baptist church. This is the annual Foreign Mission and Lottie Moon program combined and will be well worth hearing. Special music and songs will be attractive features.

You are cordially invited to be present at this service. You cannot afford to miss such an opportunity as this time to gain information and get a vision of the work already done and the great field of service yet to be reached.

The Label of Quality.....

When the gift boxes are opened on
Christmas morning, will they bear the
mark of quality that instantly sets them
apart from all the rest.

The Baker-Hemphill label, whether on
a twenty-five cent handkerchief or a
three hundred dollar fur coat means one
and the same thing---the best value
obtainable for the money.

The Baker-Hemphill label is known by
every one in West Texas. Regardless of
price, it has, for over twenty years, held
undisputed leadership as the symbol of
quality.

There is a personal tribute---a sugges-
tion of thoughtfulness---a mark of dis-
tinction---a proof of personal consid-
eration---appreciated by everyone, when a
Christmas gift bears the name of Baker-
Hemphill's.

If it is better to give than to re-
ceive, it is still better to give the
best.

The Outstanding Chevrolet of Chevrolet History

- a Six in the price range of the four!

Since the announcement of The Outstanding Chevrolet of Chevrolet History, tens of thousands of people have placed their orders for this sensational new car! Never before has any new Chevrolet ever won such tremendous public acceptance in so short a time! The new Chevrolet six-cylinder valve-in-head motor is an engineering masterpiece. Not only does it develop 32% more power than any previous Chevrolet motor . . . not only does it offer sensationally increased speed and faster acceleration—but it provides this amazing performance with such outstanding economy that it delivers an average of better than 20 miles to the gallon of gasoline!

This spectacular performance and economy have been achieved as a result of the greatest group of engine advancements that Chevrolet has ever announced—typified by a new heavier crankshaft . . . new carburetor, with venturi choke and automatic accelerating pump . . . new camshaft . . . automatic rocker arm lubrication . . . gasoline pump and filter . . . semi-automatic spark control . . . and hot spot manifold.

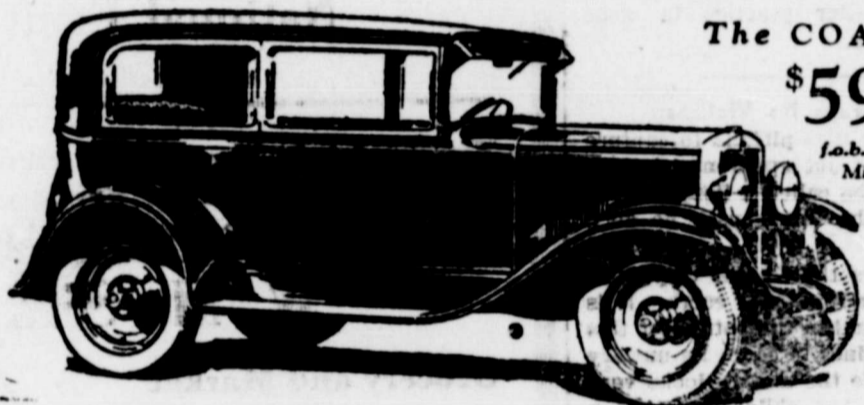

The marvelous new bodies by Fisher are designed for distinctive beauty and style as well as exceptional comfort and safety.

Come in and learn the full and significant story of this greatest of all Chevrolets!

Notice

All persons take notice that after the 10th of December, 1928, the Simpson pasture south of Sanco, about three miles, will be posted and poison put in said pasture for the purpose of killing wolves and other varmints that are killing sheep in said pasture. After said date keeg your dogs out.
C. W. Blair, Manager.

Origin of Hand-Shaking

Shaking hands is almost entirely an American custom, but like so many other American customs, has a European origin. It developed as an extension of the custom of Freemasons to give their hands in comradeship when they meet.

Flood of Blood

The black natives of the Naga hills of Assam live under the tyranny of a system of demons called Nats, who are thought to be present everywhere and who control or influence every act of those miserable people. These gods are all-powerful. In order to propitiate them there must be a constant flowing of blood. When it is not possible to sacrifice the lives of those neighboring tribes upon whom they make war, they find a flood of blood by taking the lives of their own people and the women of the tribes must supply the blood with their lives. Great Britain exercises some supervision over this country and is at this time battling with the problem of preventing this terrible orgie. It has already been successful in discouraging similar practice in some other localities.

Ant Traps Its Victims

The ant-lion digs pitfalls to capture its prey. It is not apparent why the insect should be called a lion, because the king of the forest uses no such device.

The pit, says the Kansas City Star, is made in sand or loose earth. It is cone-shaped, and in the bottom of this the "lion" reclines to catch its unwary victims. While the mother looks very harmless, yet her children are such unruly rascals that naturalists say were they to be left alone at birth the first to hatch would eat his brothers, so the mother is obliged to segregate the eggs.

Robby to the Rescue

Robby's mother had made a present of a toy shovel and sent him out in the sand lot to play with his baby brother. "Take care of baby, now," said his mother, "and don't let anything hurt him."

Presently screams of anguish from baby sent the distracted parent flying to the sand lot.

"What has happened to the baby?" she cried, trying to quiet the wailing infant.

"There was a fly biting him on the top of his head and I killed it with the shovel," was the proud reply.

Hawk Defended Nest

A California hawk in defense of its nest viciously attacked a man who attempted to touch it. The man, a Los Angeles gas and electric company line-man, was working in a tower on power lines near Saugus when he noticed the hawk's nest and shoved it over with his hand the better to do the work he was on. The bird attacked so viciously that the man lost hold and fell from the tower. He broke one leg, fractured two ribs and sustained numerous minor cuts and bruises.

Wait and See

"I hear you are not going to marry Mr. Newcomer after all. Why is that?"
"Oh, father thinks his position isn't good enough and mother thinks he is too old for me. My aunts think he is too good-looking to make a satisfactory husband, and my Uncle Jim says he has heard rumors about him. My cousins tell me he is a flirt, and I—"

"Yes, and you—what do you think about it all?"
"Oh, I think I ought to wait until he asks me."

Distinguished Title

The name "Universal Doctor" was applied to Thomas Aquinas, and also to Alain de Lilla.
