## Orion N. Lewis New Methodist Minister

Rev. Orion N. Lewis became the pastor of the First Methodist Church here on January 5, to fill the position left vacant by the transfer of Travis B. McNair to Bandera, Texas.

The minister and his family moved here Thursday from Woodboro, Texas where he served as pastor of the First Methodist Church for two years and seven months.

Rev. Lewis entered McMurry College in Abilene as a ministerial student in June of 1950. He received his seminary work from Perkins School of Theology of Southern Methodist University in Dallas.

Before entering the ministry, Rev. Lewis was graduated from Henrietta M. King High School at Kingsville, Texas. He served with the U. S. Air Force in San Antonio, Africa and the China-Burma-India theatre from September 1941 until January 6, 1946 as a clerk in Chief of Operations office. He was discharged from the Air Force with the rate of Technical Sergeant.

After he was discharged from the Air Force, he farmed for one year near McAllen and then worked for St. Clair Foods Company as maintenance superintendent. He served as pastor of the Faith Methodist Church in Hamlin and the Cokesbury Methodist Church in San Antonio before going to Woodboro.

Rev. Lewis married the former Miss Dorothy Lou Reynolds of McAllen in 1942 at San Antonio. Mrs. Lewis has a bachelor of science degree from T. W. C. at Denton. She has taught school in Lapryor, San Antonio and Woodboro.

Rev. and Mrs. Lewis have three school aged children, Judy Marie, 13, in the 8th grade; Ernie Lee, 11, in the 6th grade and Glenda Fay, 8, in the second grade in the Robert Lee School.

## Two Silver Men Are Promoted

J. D. Gilbert and Oliver W. Newell, employees of Sun Oil Jameson Gas Plant Corporation at Silver, have been promoted to higher responsibilities with the Sun Company's Gas Department, effective January 16.

J. D. Gilbert, employed by Sun Oil Gas Department since 1947, has been promoted to Plant Superintendent of Sun's gas plant at McComb, Mississippi. He has been plant foreman at the Jameson Gas Plant at Silver since March 9, 1949.

Oliver W. Newell has been promoted from the position of distillation operator to plant foreman of the Jameson Gas Plant at Silver. He will succeed Gilbert.

Gilbert moved to Silver in March of 1949 from Delhi, Louisiana, to help in construction of the gas plant and in installation of the equipment. He is married and has one daughter, Betty, who is a senior at Colorado City High School. The Gilbert family has been residing at Tubb Camp in Silver.

Oliver Newell came to Silver with his family in June of 1949 to help in the construction and installation of the Jameson Gas Plant.

He is a graduate of Dartmouth with a B. A. degree in economics. He began his employment with the Sun Company in June of 1949. He moved to Silver from Longview, Texas.

Mr. and Mrs. Newell have three children: a daughter, Mrs. Andy (Beth) Prather of Gallup, New Mexico; a son, Bill, who is a senior at Colorado City High School; another daughter, Susan, who is in the eighth grade at Silver.

Mrs. Newell is employed as a first grade teacher at Silver. The Newell family reside in Tubb Camp.

## MRS. JIM HARALSON IS BRIDGE CLUB HOSTESS

Mrs. Jim Haralson was hostess for the Tuesday Bridge Club this week.

The high winner in the games was Mrs. Curtis Blair, and Mrs. Cumbie Ivey Jr. won second high.

During the business session of the meeting, Mrs. Raymond McCutchen was elected president. Mrs. Eddie Good was elected vice president.

Guests that attended the meeting were Mrs. Frank McCabe, Mrs. Bruce Clift and Mrs. Marvin Simpson, Jr.

The next regular meeting will be held in the home of Mrs. Cumbie Ivey, Jr.

## Veterans Of World War I To Organize

Veterans of World War I will organize a Coke County barracks at a meeting set for Thursday night of this week at 7:00 o'clock at the court house in Robert Lee.

Roger Q. Evans of Baird, commander of the Texas department, will be present and explain the purposes and aims of the national organization of veterans of 1917-18.

The WWI group does not compete or take the place of other veterans societies, and does not interfere with memberships in The American Legion or Veterans of Foreign Wars.

In addition to looking after the welfare of World War I veterans and their widows, the organization sponsors an important program against communism and urges more emphasis on teaching patriotism in our public schools.

Commander Evans is serving his second term as department commander, and has had wide experience in veterans affairs and politics. A former member of the state legislature, he was a candidate for governor a few years ago.

Films will be shown at the Thursday night meeting and officers are to be elected for the new Coke County barracks. World War I veterans and their wives from all over the county are invited.

Texas had 212 local WWI barracks last year with 8,300 members. A goal of 15,000 members has been set for 1961.

Leon Thomas of Ballinger, membership co-chairman for the 21st district, has been in the county this week acquainting WWI veterans with the state and national organization.

## Robert Lee Superintendent Attends Meeting

Hervey Latham, superintendent of Robert Lee schools, returned this week from a three day meeting of the Mid Winter Conference of Texas School Superintendents at Austin.

Latham stated that many subjects, affecting Texas School Districts were discussed, but the main subject that is of immediate interest to Robert Lee is the curricular changes that will affect the school. Effective next September, the Robert Lee School District will have a "guidance and counseling program."

Latham said that this program will be put into practice to help students in selecting their occupations, their courses of study and the colleges, or universities, for which they are best suited.

He also stated that many more curricular changes will be made in the future.

## R. H. SIMS ILL

Mr. Robert Hugh Sims of Bronte was admitted to Coke County Memorial Hospital Monday. At first thought to be suffering from a heart attack, Mr. Sims was found to have a severe case of pneumonia, after thorough examinations. Sims is owner of Butane Service Company of Bronte and Robert Lee.

Mrs. Fred Smith of Robert Lee is recovering in Coke County Memorial hospital where she underwent major surgery Saturday.

## School Will Close For Stock Show

Hervey Latham, superintendent of Robert Lee School, announced this week that the Robert Lee Schools will close for the annual Coke County 4-H and F. F. A. Fat Stock Show that will be held at the Robert Lee Show Barn Monday, January 16. The show will begin at 8:30 and the sale of the animals will start at 3:00 p. m.

More than 45 girls and boys will show approximately 220 animals at the annual event.

Prize money of \$550 and 200 awards will be presented to the top animals exhibited.

Five breeding animals and five fat animal champions and reserve champions will be selected from the sheep, cattle and swine exhibited by the boys and girls from over the county. Judging the show will be H. A. "Swede" Hanson.

4-H entries expected to be on exhibition at the show are as follows:

Another highlight of the day's activities will be the noon barbeque served by the members of the Coke County Home Demonstration Council. The lunch will be served at the Coke County Recreation Hall, and the price will be \$1.00 for the adults and 50c for children.

## City Awards Contract to Abilene Man

The City Commission awarded a \$750.00 contract to Paul L. Hathorn, owner of Texas Water Tank Co. of Abilene at a meeting Tuesday night to clean and repaint the Robert Lee 50,000 gallon water tank.

Hathorn will scrape the old paint off the water tank and will examine the reservoir for leaks. If repairs are required, Hathorn will make repairs at a price of \$2 per lineal foot for seam welding and 40c per rivet that needs welding and 40c per pit that needs repaired.

The repair work is scheduled to begin the latter part of this week. It is expected to take 9 or 10 days to complete the job.

Dr. J. D. McDaniel was reappointed as city health officer for two years by the City Commission at the meeting.

PICTURED ABOVE is Joe Devcich, a native of New Zealand and brother of Mrs. A. V. Hughes of Robert Lee. Devcich recently visited Robert Lee while en route on a world tour.

## 3 Inch Rain Helps Farms And Ranches

What old timers are calling "the finest rains in a long time" fell over this area the latter part of last week. About three inches of moisture was received in this area.

The rain fell on top of what was already considered a good underground season, as the county and surrounding territory have been receiving moisture at frequent intervals during the fall.

Farmers say that one has to dig pretty deep now to find dry dirt and that most fields are still too wet to work.

In addition to supplying a good underground season, the latest rain will help small grains and pasture land.

## SAC CHOIR TO GIVE CONCERT

The San Angelo College A Cappella Choir, under the direction of Mr. Eldon Black, will present a concert at the High School Auditorium Thursday night, January 12, at 7:30.

There will be no admission charge for the concert, which will last approximately an hour and a half. A variety of numbers and soloists will be presented.

Robert Lee is fortunate to be one of the five schools of West Texas to be chosen for the concert, and an excellent presentation of good music will be made. All are invited to attend.

## TEACHERS ENJOY HOLIDAYS

During the holidays, several of the high school teachers visited relatives and friends. Some of them went hunting, and of course, there are those who ate Christmas dinner.

Mr. Hervey Latham, superintendent of Robert Lee school, and his family, visited Texarkana and Noodle. He also went deer hunting, but unfortunately, didn't get a deer.

Mrs. Frank Coalsen spent most of the holidays hunting, and she visited in Snyder. She also visited her mother at Blackwell.

Mr. Dale Hamby journeyed to Austin where he visited his relatives.

Mr. Garland Davis took no trip, but went deer and quail hunting, played chess, ate extensively, and enjoyed himself immensely.

## BASKETBALLERS SPLIT

The Hi-Liters thumped their Christoval opponents in a 61 to 24 basketball game Tuesday, January 3, in the gym, while the Steers were downed 41 to 72.

In the girls game, Jenell Jeffery sunk 29 points to win high point honors. In the two district games already played Jeffrey has made 51 points. Betty Tinkler sank 13 points, while Brenda Cowley put in 8 points Tuesday night.

In the boys game Curtis Higginbotham rolled up 18 points, while James Harmon put in 13 points.

Before the two high school games, the freshmen and eighth graders scrimmaged with the eighth graders taking that contest 8 to 7.

## CAST CHOSEN FOR PLAY

Mr. Garland Davis, one act play director, chose the one act play cast Friday, January 6, in the high school auditorium.

The cast was chosen for John M. Houston's "Strange Road." Robert Lee High School will enter the play in the coming Interscholastic League contests.

The cast members are:  
 Barbara Gray, Mrs. Talbot  
 Brenda Cowley, Mrs. Kaden  
 Glenda Blair, Annie  
 Tommy Allen, Alan.

## Rattlin' Off at the Mouth Loses Friends

By BRENDA McDORMAN

If biologists are right in their assertion that there is not a perfect man today on the face of the globe, a lot of personal opinions here and there will have to be altered. Indeed, an average person would be shocked at the number of people each day who claim that they are the only perfect person on the earth in one way or another.

Some people come right out and say what they think. One girl I know constantly brags about her achievements when she actually doesn't have to much to be brag-

## BASKETBALL TOURNAMENT ENTERED OVER HOLIDAYS

During the Christmas Holidays, December 29 and 30, the Steers and Hi-Liters participated in the Coahoma Invitational Basketball Tournament.

The Steers were defeated 46-36 by their first opponent, Roscoe. Joe Roe made 21 points for the Steers.

The Hi-Liters suffered a similar loss to Coahoma with a score of 31-51. Carol Hester was the high point player for the Hi-Liters with 11 points.

Highland eliminated the Steers Saturday, December 30, by a margin of 36-34. Again, Joe Roe was topscorer with 15 points.

Bronte edged the Hi-Liters 42-41, thus eliminating them from the tournament. Jenell Jeffery scored 21 points for Robert Lee.

ging about. But don't tell her. It might hurt her feelings. Let her find out for herself that when she brags she loses friends. Each time a bragging remark is made, one of her friends begins to wonder why she ever started running around with her. After two or three more remarks similar to the first one, the friend finally agrees with the little voice inside her that says, "Kid, this is the wrong pal for you."

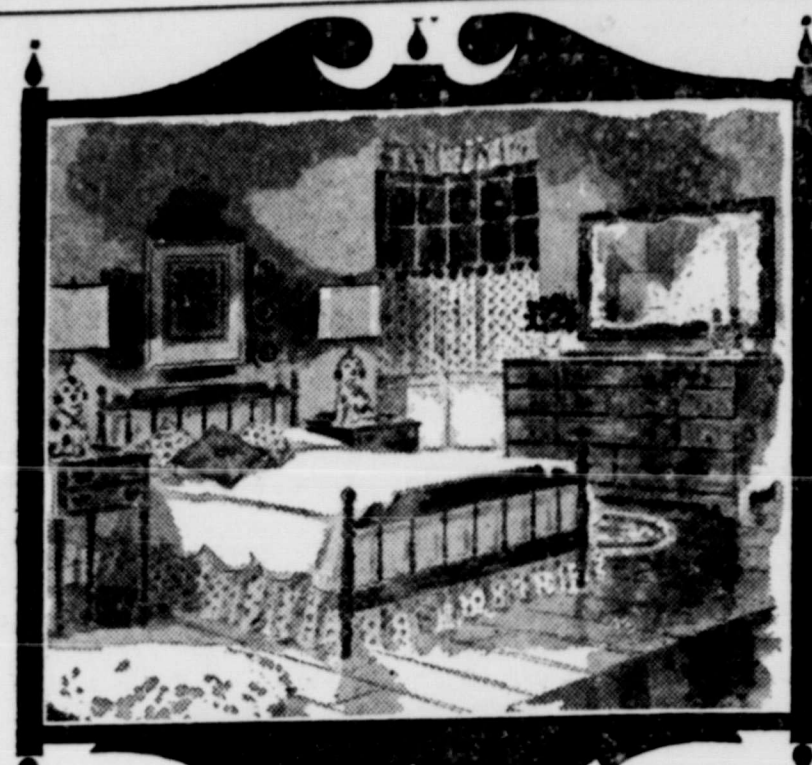

Some people merely hint at the fact that they consider themselves perfect. They may never come right out and say that they think they are the grandest person on this earth, but it doesn't take long for an average mind to figure out what they're hinting. In fact, most of these hints are downright disgusting. Take one girl I know, for instance. She said, "Brigitte Bardot would be much more attractive if she had my eyes. Not that I'm bragging or anything, but I do think that my most attractive feature is my eyes. Now Brigitte is beautiful and all that, but can't you just picture her with my eyes? Why, she'd be the next Miss Universe!" Well, now it didn't take long to figure out just what Miss X was thinking, but when I heard a similar line from a boy about how much better-looking Tab Hunter would be with his physique — well, I decided it was time I made some poor fool realize how disgusting they are to others.

Most people have a little bragging streak in them, and it isn't seldom that you hear someone make a bragging remark, but it is the ability to constrain yourself

from bragging that makes a boy or a girl desirable for a friend. Let's face it, kids. There isn't a perfect person on the face of the globe, and we might as well tell ourselves that it's the truth.

## ● Important news for new-car buyers— THE '61 CHEVY BRINGS JET-SMOOTH TRAVEL DOWN TO EARTH

This is the Impala Sport Coupe—just one of 20 Jet-smooth Chevies!

### HERE'S WHAT GIVES CHEVY ITS JET-SMOOTH RIDE—

- Full Coil suspension—Chevy's one of the few cars with a coil spring at every wheel. Precision-balanced wheels—For smoother rolling with less vibration. Sound-hushing insulation—Sheet metal is carefully insulated against drumming and vibration. 51 built-in "shock absorbers"—Cushion the chassis against shock and shake. Live rubber body mountings—Extra-large butyl rubber cushions that further isolate the ride from the road.

Better just circle your dealer's block the first time you try a Jet-smooth '61 Chevy. Get anywhere near an open highway and he's liable never to see you again.

What we mean, Chevy's ride whets your yen to travel. Wins you over with its delightful coil-spring smoothness, its hushed comfort and light steering. You find yourself feeling sorry for people who buy higher priced cars, thinking they have to pay premium prices for a luxury ride.

That may have been true at one time, but not any more. Chevrolet's ride, its roadability, just doesn't take second place to anybody's. Drive one soon and see.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

## Your County Agents Report

### Agriculture News By STERLING LINDSEY

We are not considered to be in one of the better pecan producing areas, at least not on a commercial basis. L. Hatley did pretty well with the trees in his yard this year any way. Many of you probably noticed the large tree in his front yard — how heavily loaded it was with pecans. Mr. Hatley stated that he harvested 200 pounds of pecans from the larger tree and another 200 pounds from the smaller, younger trees around his house.

I have seen larger trees — two or three times as large as Mr. Hatley's, produce more pecans, but I have never seen a tree that small produce as many pounds of pecans.

Americans ate well in 1960, according to the United States Department of Agriculture. The national average consumption was 1488 pounds. Dairy products led the intake with 414 pounds consumed per person. Fruits and vegetables and meats were third. That averages slightly over 4 pounds per day per person consumed — and we still have surpluses. The production is still ahead of the consumption on most of the basic agricultural commodities.

Look for cattle prices to ease downward in 1961 say the economists. Production is building up, and likewise slaughter is expected to increase in 1961. The present expansion cycle or build up in breeding animals should continue to increase, they say, but at a slower rate than in the previous three years, indicating we are nearing the peak buildup of the present upward trend.

The Texas Farm and Ranch Safety Council offers the following suggestion as a New Year's Resolution — "I will strive at all times to protect my family from accidents by setting a good example of safe living and by teaching all members of my family the principles of safety and see that accident hazards in the home and on the farm or ranch are removed or corrected." They further challenge us to make 1961 the safest year ever.

### Home Demonstration By CAROLE L. HOOPER

I certainly enjoyed my holiday vacation. I spent most of it in Abilene with my family, but I did visit friends in Dallas over New Year's weekend.

Since I've had a few days to recuperate from award programs, Christmas parties, etc., I'm ready to begin the new year. I do hope it will be a happy, prosperous one for each of you.

I am meeting with the home demonstration clubs this month with a demonstration on window treatment. You non-club readers are welcome to attend the meetings of any of the clubs in your neighborhood. Following are the dates of the club meetings: Bronte Jr., Jan. 10—a.m.; Robert Lee, Jan. 12—a. m.; Friendship, Jan. 12—p.m.; Green Mountain, Jan. 17—p.m.; Bronte, Jan. 18—p.m.

I'm planning to have two clothing workshops in basic construction in February. Any of you who are interested in attending a workshop (one will be held on each side of the county) should attend the planning meeting which will be January 19.

The planning meeting in Robert

Lee will be in my office at 10 and at Bronte at the school house at 2. Those of you who attend and complete one of these workshops will be eligible to attend the advanced workshops scheduled for the fall.

Do any of you have trouble with the children dropping their towels on the bathroom floor? Try hammering a few gripper-type snaps at each end of the towel, then hang them like old fashioned roller towels over the towel bar. This gives security to the towels which can be snapped off in seconds for laundering.

### GREEN MT. H. D. CLUB

Members of the Green Mountain Home Demonstration Club were presented a questionnaire entitled "What Is Your Civil Defense I. Q.?" at the Tuesday meeting that was held in the home of Mrs. Rolla Page.

Mrs. Floyd Harmon presided during the business session. The next meeting will be held Tuesday, January 17, in the home of Mrs. Finis Harmon.

Recent guests in the Finis Harmon home were Mr. and Mrs. John Bates of Breckenridge and Mr. and Mrs. A. P. Emberling of New London, Texas.

in the auction sale that followed the show.

The animals made champions by the judge, H. A. "Swede" Hanson, of San Angelo, were outstanding and should bring more glory to their owners in other shows coming up.

Frankie Blair, son of Mr. and Mrs. Jim Blair of Robert Lee, dominated the swine division. Frankie exhibited the champion and reserve champion market hogs and also the top two animals of the breeding swine show.

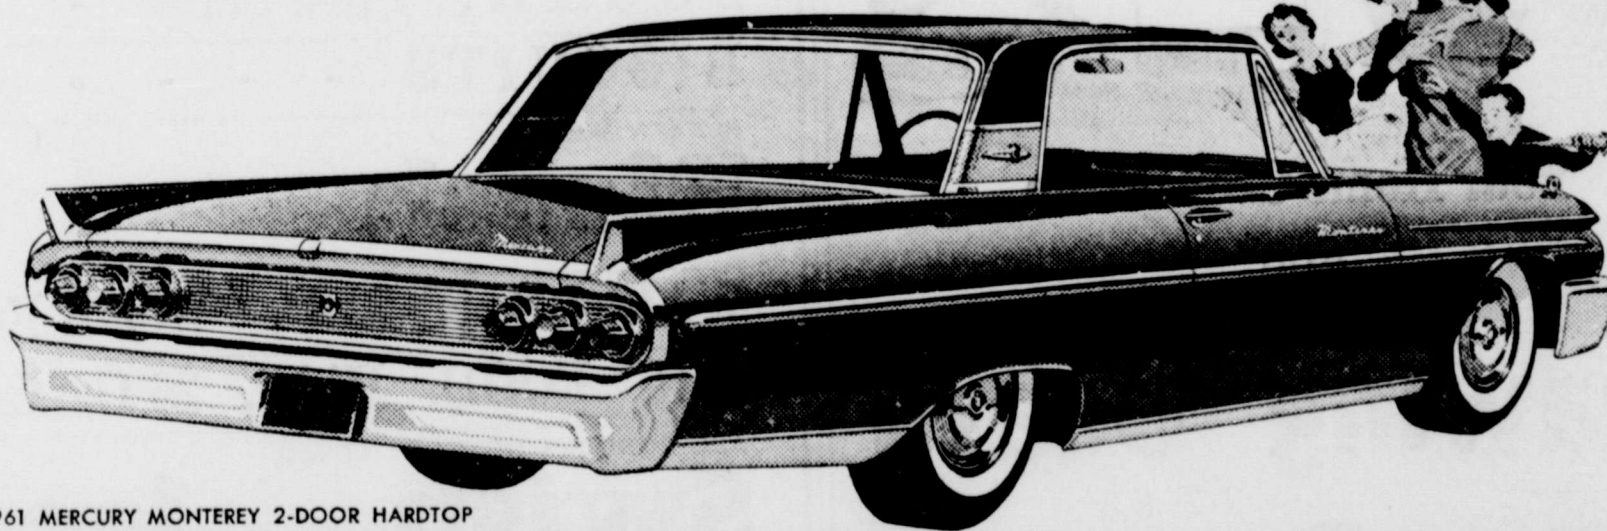

Honors in the beef cattle division were better distributed. Darrel Pitcock, son of Mr. and Mrs. Teddy Pitcock of Sanco, showed the champion steer, a 927 pound hereford bred by the Bridwell Hereford Ranch of Wichita Falls.

David Drennan, son of Mr. and Mrs. Charlie Drennan, exhibited an angus steer bred by his father to the reserve championship. Robert and Kay Wink, children of Mr. and Mrs. L. E. Wink, exhibited the champion and reserve champion breeding cattle. Robert's heifer was a shorthorn purchased from Edward Perkins of Evant while Kay's came from Amos Oliver, a shorthorn breeder at Belton.

Bobby Blaylock of the Lometa community won top honors in the tough fine wool division. Bobby's first place light weight fine wool lamb from his father's flock was made champion of the fine wool show. Dick Waldrop, son of Mr. and Mrs. Glen Waldrop of Green Mountain, exhibited his first place heavy weight fine wool lamb.

Now for the first time...

1961 MERCURY MONTEREY 2-DOOR HARDTOP

**TRADITIONAL MERCURY COMFORT** Only Mercury has Cushion-Link Ride (standard on Monterey and Meteor 800)—a unique suspension system that absorbs jolts and jars that come through to you in other cars. It "gives" backward and forward as well as up and down. And Mercury has a longer wheelbase (120 inches) and greater weight (up to 241 pounds heavier) than other cars in its price range. Result: you enjoy a smooth, solid, steady big-car ride you'd expect to pay much more for. There's plenty of stretch-out room in Mercury, too—even more rear seat hip, shoulder and head room than in last year's spacious Mercury. Wider doors and more trunk space, too.

**TRADITIONAL MERCURY VALUE** There's extra value in Mercury's engine choice—all the way from the Super-Economy "6" (Mercury's first "6") to the powerful Marauder V-8's. And even the top-performing V-8's deliver up to 15% better gas mileage. There's extra value in Mercury's seven self-servicing features. From self-lubricating chassis to self-adjusting brakes, they save you money every mile you drive. Everywhere you look, the 1961 Mercury offers you traditional Mercury values. Now, for the price most people pay for a new car, you can own a Mercury. Take your pick of Mercury's three great series and drive it today!

Recent guests of Mr. and Mrs. A. B. Sheppard were Mr. and Mrs. Ira Koskie of Abilene and the Tyrus Davis family of Silver.

Census blanks will be sent from the school by students to care for those now enrolled in school. If you know of anyone not having children in school at the present time, but who will have a beginning student next year, please call the school office (453-3911) and give Mrs. Wojtek the name so a census blank can be filled in and sent for a signature.

## Examinations Be Given

Mid-Term examinations will be given on Thursday and Friday of this week to students in the Robert Lee Schools. Students with more than two absences and those students with failing Six Weeks Grades will be required to take the examinations.

In the junior and senior high school, study halls and physical education classes will not meet, but students will be required to attend their lecture classes for an hour before being dismissed. School will be dismissed on Friday at 2:30.

There will be no school held Monday, January 16, because of the Coke County Livestock Show which will be held that date in Robert Lee.

### ELEMENTARY NEWS

Mrs. Powell's second grade room has a new student, David Balderas. David moved here from Lubbock.

The second graders returned to school with much enthusiasm and began taking down Christmas decorations. Some of the second grade girls brought their dolls they received for Christmas. Sheri Pitcock brought her talking doll. One of the things the doll will say is, "Please dress me."

Second graders who will have birthdays this month are Christie Roach, Sheri Pitcock, and James Smith.

All of the first six grades reported they had a nice Christmas and enjoyed the holidays.

### HOMEMAKING CLASS TOURS CUMBIE IVEY JR. HOME

Thursday, December 22, the Homemaking III class and a few F. H. A. members, accompanied by Mrs. Hervey Latham, toured the new home of Mr. and Mrs. Cumble Ivey Jr., which is located in the northwest section of Robert Lee.

The girls were shown the interior and the exterior of the dwelling, while Mrs. Ivey pointed out the good and bad aspects of the house.

Among many other specific details, she explained how to furnish the rooms so that they would appear well balanced and how to arrange wall decorations.

### NEW YEAR'S DANCE HELD IN RECREATION HALL

Saturday night, December 31, a New Year's dance was held in the recreation hall for all high school and ex-students of Robert Lee High School.

Refreshments consisted of punch and cookies.

Sponsors for the dance were: Mrs. J. E. Quisenberry, Mrs. C. R. Mayfield, and Hugh Lewis, Jr.

Some of the girls had to close their eyes when they passed and others just laughed, but in time the hair will grow back and the boys will look like their old selves again.

miles between lubrications

30,000 is the most famous number of the year. It's every '61 Ford owner's license to save. How can Ford do it? Conventional chassis lubrication fittings have been replaced with metal plugs that help protect each lubrication point against abrasive mud, dirt and dust. And then, for only about \$4 and about 20 minutes your Ford is ready for another 30,000! This is just one of the many ways the '61 Ford is built to take care of itself. Your Ford Dealer can show you more.

#### HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

**Lubricates itself**—You'll normally go 30,000 miles between chassis lubrications (which cost only about \$4.00 and take about 20 minutes) because Ford has replaced conventional grease fittings with a sealed-in lubrication system.

**Cleans its own oil**—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers . . . trapping more dirt than any other type of filter made.

**Adjusts its own brakes**—New Truck Size brakes adjust themselves—*automatically*.

**Guards its own muffler**—Ford mufflers are double-wrapped and aluminized to last three times as long as ordinary mufflers.

**Protects its own body**—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

**Takes care of its own finish**—Just wash and clean Ford's new Diamond Lustre Finish and it continues to glisten like new. It *never* needs waxing.

Only **FORD** is beautifully built to take care of itself
