Plowboys Next For Steers

NICE KITTY— This Siamese cat and rattlesnake had each other at a standoff when they were discovered near the home of Mrs. Reba Roberts in the Edith community. The snake

was killed and Gaylon Pitecock, son-in-law of Mrs. Roberts, holds the reptile while the cat makes a closer examination. The snake was about five feet long.

Coke Exhibit Set For Oct. 16-17

The Coke County Exhibit, which is an annual event sponsored by the Home Demonstration Clubs and HD Council, will be held Oct. 16 and 17 in the Recreation Center in Robert Lee. The Coke County Historical Survey Committee is cooperating sponsor.

The exhibit is open to anyone in the county and to former residents to show antiques; historical items such as pictures, old news articles and books; horticulture such as plants, cut flowers and vegetables; Christmas decorations; scrapbooks; in-

teresting collections such as Indian artifacts, dolls, bottles; arts; crafts; paintings; clothing items made at home; canned foods; needle work; and handwork of all kinds and anything that might be interesting to the public.

All items should be brought to the Recreation Center Friday, 9 a.m. to 12 noon, and the Exhibit will be open to the public from 1 to 6 p.m. Friday and from 9:30 a.m. to 4 p.m. Saturday.

The exhibit is open to the public. There is no charge to exhibit articles or to visit.

Anyone having questions may contact Mrs. Fay C. Roe, Mrs. R. L. Page or Mrs. Lowell Roane in Robert Lee, or Mrs. C. E. Arrott, Mrs. Zell Moore or Mrs. J. C. Boatright in Bronte.

Coke 4-H Awards Program Is Set

National 4-H Week will be observed in Coke County by having the Annual Awards Program to give recognition to members who completed one or more special activity or project.

Gordon C. Creel, head of the Biology Department at Angelo State University, will be the speaker for the annual event which will be held Monday, Oct. 5. The program will be held in Robert Lee School cafeteria with a covered dish supper beginning at 7 p.m. The program will follow the supper.

Eighty awards and year pins will be given to boys and girls who completed projects and special activities. Adult Leader awards and special entertainment also will be part of the program.

All 4-H members and their families are invited and urged to attend.

Mr. and Mrs. John Delk of Houston were recent guests in the home of Mr. and Mrs. John Fenley. Mrs. Delk is a niece of Mr. Fenley and spent a week visiting here.

Jimmy Killam Seriously Hurt In Pickup Wreck

Jimmy Killam, 35, of Robert Lee was seriously injured Sunday when his pickup went out of control on a rain-slick highway and turned over several times.

He was taken to West Coke County Hospital where he is receiving treatment for a broken pelvis, a hip injury and multiple bruises and lacerations. He is reported to be recovering satisfactorily. Killam is employed by Ivey Motor Co.

The accident occurred about 6 p.m. just south of the county line on Highway 208 in Tom Green County. Killam was returning to Robert Lee from San Angelo. His pickup was completely demolished. It is believed that he was thrown from the vehicle while it was rolling.

The accident was investigated by Highway Patrolman Ivey Daniel of San Angelo.

More Rain Falls During Weekend

More rains fell in the Coke County area over last weekend with the highest fall being reported from the Graham Valley community, northeast of Robert Lee, with 4½ inches.

Robert Lee was just about on the short end of the stick with .69 inch. An area south of town had 1.4 inches, while Sanco community reported 1.2 inches.

Silver had .8 inch, .71 inch was reported east of town, while Edith community had .6 inch.

All the rain of the past few weeks has done a remarkable job of wetting the soil but most places have experienced little runoff. Consequently, lake water is still at a low point. Robert Lee is particularly in need of a heavy rain on the Mountain Creek Reservoir watershed.

Communications Film Shown At BCD Meeting

Jack Shelley and Jack Goss of General Telephone Co. were in charge of the program at Tuesday's meeting of the BCD. The men showed a 30 minute film entitled "Hello, Let Me Talk to the Oven."

The film was a highlight of things to come in the field of communications, and showed gadgets which will be commonplace in future years and into the 21st century.

Goss showed the film and explained changes and improvements which will be enjoyed by future generations. He also gave a short history of electronic communications which began in 1832 with the invention of the

telegraph by Samuel F. B. Morse. The telegraph laid the groundwork for both wire and wireless communication as we know it today.

Goss brought out that this country is made up of communicating people and said so many telephone calls are made, if it were not for the dial system, it would take a labor force of every woman alive to handle the calls. He also pointed out that without modern facilities, telephone service would be so expensive, only the rich could afford it.

Goss said his company now has 65 telephones installed in cars in the San Angelo area. Point-

ing out thing to come, he said push button phones are coming, and three dimension phones and television and video phones are not too far in the future. He predicted that by the year 2000 a person can call anywhere in the world for 50 cents. In contrast, he said the first cross country call in 1915 cost \$22.00 and today would be less than \$1.00.

Besides the phone company representatives, Robert Morris and Cab Calloway of National Engineering Co. of Austin were guests of Mayor Wilson Bryan. President George Newby presided.

Wall Too Much For Steer B Team

By Ronnie Baker

The Robert Lee B team was outclassed again as Wall beat them with many of the same ballplayers that play our A team earlier. Wall had an open date for their A team, so they threw them in against our younger boys.

The Steer B team looked good considering the competition, with Randy Flanagan and Tim Milligan getting many tackles on defense. The other younger boys didn't back off though and stayed right in there.

ALEXANDER FAMILY NEW RESIDENTS IN ROBERT LEE

Mr. and Mrs. Eugene Alexander and four children are new residents of Robert Lee. They moved here last Thursday from Kingsland where they operated a laundry. Mr. Alexander was also engaged in construction work.

The couple has three school age children: Pruda who is a sophomore, Diane, a fifth grader, and Garick is in the first grade. They have a six-week-old baby girl, Julia Kay.

Mr. and Mrs. Alexander were born and reared near Carlsbad, Texas, and he is a brother of Mrs. Fred McCabe Jr. of Divide Route.

Mr. and Mrs. John L. Bruton, Paula and Patty of Midland spent the weekend here visiting their parents, Mr. and Mrs. Ralph Garvin and Mrs. E. O. Higgins. Other guests in the Higgins home Sunday were Mr. and Mrs. Frances L. Smith of San Angelo.

last week from Clyde. At the same time the Steers were holding Wylie to almost no gain in a 14-0 game at Wylie.

Dopesters feel that a game with Roscoe will be a little more exciting for the Steers than last week's deal. However, the Steers should be able to take Roscoe, particularly if the defense is clicking like it was last Friday night.

Last Week's Games

Teams of District 9-A more than broke even last week with four wins, one tie and one loss.

Sonora, the No. 1 Class A team in Texas, slipped by powerful Reagan County of Big Lake, 7-6; Mason outdid Junction, 12-6; Menard went over Early, 26-6; Robert Lee whipped Wylie, 14-0; Bangs tied Santa Anna, 0-0; and Eldorado lost to Llano, 33-6.

This Week's Schedule

District 9-A teams will play the following schedule this weekend: Bangs will host Early; Eldorado will host Iraan; Mason will go to Brady; Menard will host Santa Anna; Robert Lee will go to Roscoe; and Sonora will be at home to meet Ozona.

Lions to Install House Numbers

Members of Robert Lee-Silver Lions Club announce they will install house numbers Saturday morning.

Club members recently conducted a sale of the numbers and will install the numbers for purchasers. The Lions will meet at 9 p.m. in front of West Way Grocery to get their assignments. Lion Freddie White is in charge of the project.

GRADY COULTER NEW DEPUTY AT BRONTE

Grady L. Coulter was scheduled to take over as deputy sheriff at Bronte today (Thursday). Sheriff Melvin Childress announced that Coulter would succeed Jesse Parker, who is resigning the position. Parker is county commissioner-elect from precinct 2.

Coulter is the son of Mrs. John Wright of Bronte and is married to the former Diane Casey, daughter of Mr. and Mrs. Turney Casey of Robert Lee. They have four sons.

Coulter has served on the San Angelo police force for the past five years.

JUNIOR HIGH LEADERS FURNISH DOGIE SPIRIT

Robert Lee Junior High Dogies have a spirited cheering section when they meet their opponents in rough and tumble football games.

Head cheerleader for the junior high gang is Theresa Perciuff, an eighth grader. She is assisted by Sutsan Wallace and Anna Kay Rowoldt, eighth graders, and Sheila Roberts and Rosa Sanchez, both seventh graders. Cheri Baker, an eighth grader, is alternate cheerleader.

Mrs. Donald Mauldin is sponsor for the junior high pep squad.

The Dogies will play Roscoe tonight (Thursday) at 6 p.m. at the local field.

Austin — A fight is brewing over the proposed constitutional amendment to set the maximum limits on tax assessments of farm, ranch and timber land.

An amendment (No. 3) on the Nov. 3 ballot would authorize the Legislature to provide a uniform method of assessment for lands, based on their capability to support livestock raising, or farm and forest crop production.

A 15-member special committee headed by State Sen. Wayne Connally of Floresville has completed the last of 11 hearings over the state on this measure. Its tentative report summarizing testimony favoring the amendment will be presented before Nov. 3. Committee's recommendations to the Legislature will be delayed until next year.

"Agriculturists are saying they can no longer operate if taxes continue to increase as they have in recent years," Connally told

newsmen. "When land on one side of a barbed wire fence is assessed at \$1,000 an acre, and the same land on the other side of the fence at \$150 an acre, somebody is going to cry."

An earlier amendment (1966) which had the same general purpose is "unworkable," say proponents of Amendment No. 3. Present provisions apply only to individual land owners, exclude timberlands and owners who earn less than half their income from their farm property.

Texas State Teachers Association is opposing the new amendment on grounds that it "could virtually destroy the tax base of many school districts" and open the door to favors for other groups.

Connally maintains the proposal would not result in major revenue loss statewide and that the legislature would have to appropriate supplemental funds to districts suffering income decline.

REFUNDS ORDERED — Texas Insurance Board has directed insurance firms to refund premiums collected from local governments for unnecessary property damage coverage.

Legislature last year made official agencies liable for death or injuries caused by employees in negligent use of vehicles and other motor-driven equipment. Thereafter, they began buying

insurance policies to protect them.

Board order referred to statements by Sen. Oscar Mauzy of Dallas that 86 school districts and 16 counties had to pay nearly \$60,000 in premiums for property damage insurance they did not need in order to get needed liability policies. Requirement by companies, Board said, is a violation of insurance rating laws. Governmental units must make a specific request for refunds.

CITY SALES TAXES UP — Local option sales taxes in 420 cities brough municipal governments more than \$35 million for the second quarter of this year.

That is an increase from \$30.9 million the first quarter.

Tax is calculated and refunded to cities by Comptroller Robert S. Calvert on a quarterly basis.

Biggest yield was to Houston, which received \$7.2 million for the second quarter. Dallas received \$5.6 million, San Antonio \$2.2, Fort Worth \$1.9 million, Austin \$1 million, El Paso \$1.1 million, Corpus Christi \$787,565, Lubbock \$663,752, Amarillo \$558,284, and Beaumont \$555,288.

MEXICANS BUY TEXAS STOCK — Mexico groups have purchased about \$112,000 worth of cattle and 1,200 head of sheep and goats from Texas ranchers for developing better breeding stock.

John C. White, Texas Agriculture Commissioner, said two other groups from across the border will soon complete negotiations for buying 480 hogs and 80 Holsteins cows valued at about \$70,000. Agriculture Department publishes a state livestock directory in English and Spanish to aid in locating types of stock sought by buyers.

ATTORNEY GENERAL RULES — Atty. Gen. Crawford Martin has held that a profit or non-profit corporation may perform solid waste disposal services — garbage collection — for local governments.

Martin also held that the House and Senate may pay the State Building Commission, under contract, for building repair and remodeling services at the state capitol, where a multi-million dollar project is underway.

MOPAC KILLS EAGLE — Railroad Commission approved an application of the Missouri Pacific Lines to cancel the Texas Eagle, one of three remaining trans-Texas passenger trains.

Eagle connected Laredo, on the border, with St. Louis—via San Antonio, Austin, Palestine and Texarkana. Trains were promptly ordered discontinued, although opponents of the cancelled service can appeal to courts. Commission said it had no choice but to allow cut-off of a train found unprofitable. MoPac said it was losing more than \$500,000 a year on the service.

National Association of Railroad Passengers charged MoPac deliberately shrank passenger revenue "by neglect and disdain." MoPac operated once - daily trains northbound and southbound.

TEACHERS MAP PROGRAM — Texas State Teachers Association, which won a long-term pay raise from the legislature last year, has a seven-point legislative program for 1971 which will require no major new state spending.

At the same time, teachers are looking over a proposed new code of ethics and standard practices which includes a flat pledge not to engage in strikes or organized work stoppages.

Much interest is being shown in the foods classes being held in Bronte and Robert Lee for recipients of donated foods. Attendance grew following the first class — last Thursday 24 were in attendance.

Mrs. Margaret Martin, neighborhood aide, is assisting with the classes. The class this Thursday, Oct. 1, will be on bread and cereals. Thursday, Oct. 15, will be devoted to fruits and vegetables and then on the following four Thursdays, meals and "specialty" foods will be prepared.

We are having fun and the ladies who have attended have had fun, learned and received many new and good ideas for using the donated foods in different ways. Baked custard using reconstituted milk and egg mix was the "specialty" last week!

This is pear preserving time so I want to share an old family recipe for delicious pear preserves with you.

Wash, peel, core and slice pears. Be sure to keep peeled pears in water that has had some vinegar added to keep them from darkening until they are ready to cover with sugar.

To make preserves, use one part sugar to two parts sliced pears. (I use a sauce pan to measure—1 sauce pan of sugar to two sauce pans of sliced pears.) Let set overnight if possible and then cook slowly, stirring often to keep from sticking and burning. When pears become clear or transparent and a

bright reddish amber color and syrup is thick they are done. Lower fire as much as possible just to keep the preserves boiling hot and put into clean sterilized jars and seal.

Note: If time does not permit setting overnight, you may add just enough water to keep the pears from burning and begin to cook slowly and continue as above. Crushed pineapple and lemon slices or juice may be added for variety. Add pineapple and lemon slices as pears just begin to change color and continue as above.

Coke County 4-H Club members will be well represented Saturday, Oct. 3, in San Angelo at the District VII 4-H Council meeting. The program will be held in St. Luke's Methodist Church from 3 to 9 p.m.

Coke County 4-H'ers Sheri Pitcock, Linda Blair and Edwin Lindsey will give reports on the Youth Conference on Natural Resources attended this summer.

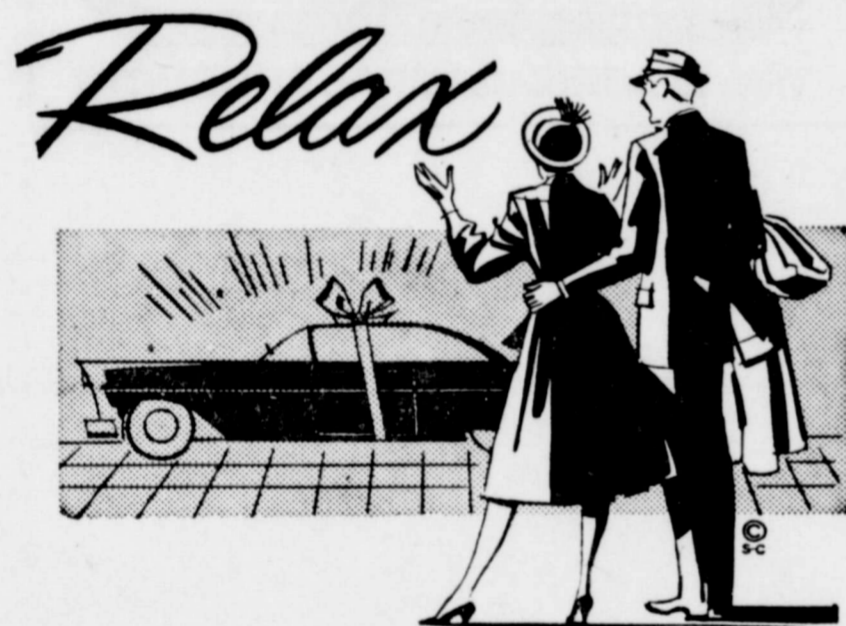

Deone Derrick, 4-H Council chairman, will report on 4-H activities completed and planned for Coke County.

Several adult leaders, Mr. Lindsey and I plan to attend.

EDWARDS PLATEAU GROUP TO MEET

The ninth annual meeting of the Edwards Plateau Historical Association will be held in the Richardson-McCulloch County library, Brady, Saturday, Oct. 3, at 10 a.m., with George Stoeppler, president, presiding.

A program on area history will be presented in the morning and there will be displays of old Swedish relics and barbed wire in the afternoon. Area residents have an invitation to attend.

Steers Simplify Bulldogs

By Ronnie Baker

Steers 14, Wylie 0

The definition of simplify is the state of being simple, freedom from exertion, in a plain manner, without sense or affection, plain formality, non-difficult, absolute without exception.

If this does not make sense, think about it. It is human nature when things are easy, you take it easy, you don't attack your work with the zeal of hard work. That's what the Steers were faced with against the Wylie Bulldogs. They moved the ball so easy at times that simplicity was just second nature. The bumble bee defense was something else though. They stung the Bulldogs so quick and so often that the offense played 85 plays, compared to only 35 for the defense.

The middle of the line was just near perfect as they held the Bulldogs in check continually. It will be decided next week if this game was good for the boys or not, as they face a tougher, bigger unit. **HOOK 'EM, STEERS!**

First Quarter

The Steers received the opening kickoff at the 10 yard line and Mike Mumford returned to his 32. On first play, Marshall Millican burst the middle with an 18 yarder to the 50. The front wall of Pat Lewis, Sid Burns, Donny Mauldin, Mike Conley, James Fields and at the ends, Bob Wolfe and Ernest Herford, continually opened holes for the backs as the Millican boys, Danny Percifull and Mumford racked up four 1st downs to the 4 yard line. The Steers hit on 2 plays to the half-yard line and Mumford sneaked over

for the TD. Extras failed and it was 6-0.

The Steers kicked off with the return to the Wylie 41. The Bulldogs got minus yardage with Herford throwing them for a loss and they punted to the Steer 35 with a return to the Wylie 48. The Steers marched again as they made firsts at the Wylie 37, then the 26. But as they burst the middle for a good gain they fumbled at the 10 and Wylie recovered.

The Steers held at the 16 and Wylie punted to the Steer 48 from where Mike Mumford returned to the Wylie 6. There was beautiful blocking on the play which enabled Mumford to reach that point. The Steers ran two plays without any gain and a fixe-yard penalty set them back to the 11. Mumford then, on 3rd and goal, kept and rolled to the left and scored again for the Steers. The extras failed again and the score was 12-0. Fields kicked off to the 32 as the quarter ended.

Second Quarter

The Steers held the Bulldogs for a short gain and Wylie punted to the Steer 45. The Steers started a march again as they made firsts at the Wylie 44, the 32 and the 16 yard lines. Then at the 10, they fumbled again and Wylie recovered. Wylie lost yardage again and they punted to their own 33.

The Steers rolled again with a 1st at the 20 and at the 10, then simplicity set in and Wylie held at the 1 yard line. On the 1st down for Wylie Mike Conley and James Hood broke through and threw Wylie behind the goal for a safety. The score was 14-0.

Wylie kicked off with no return to the Steer 48. Wylie stopped the Steers and they punted

to the Wylie 5 with a return to the 20. Three plays later the half ended.

Third Quarter

Wylie kicked off to start the second half, with the ball going into the end zone. The Steers started at the 20 and moved for 1st downs at the Steer 32, again at the 46, and again at the Wylie 31, on good runs by Waldon Millican and Danny Percifull. At the Wylie 22 the Steers bogged down and Wylie took over. The Steers held and Wylie punted to the Steer 15, with a return to their 44. Steers were penalized to their 27 and Wylie held for little or no gain. James Fields punted to the Wylie 44. Wylie made their first 1st down of the game at the Steer 32. They drove for another at the 22. Then they went to the air and Waldon Millican intercepted at the 20, returning to the Steer 31. The Steers struck quick and Mike Mumford went 25 yards to the Wylie 44. The Steers made another 1st at the 29 and the ball was on the 24 as the quarter ended.

4th Quarter

The Steers made a 1st at the 15. At the 10, the Steers sputtered and Wylie held on downs. The Steers then held Wylie at the 10 and Wylie punted to the Steer 21. But the Steers fumbled the ball right back to them at the 21. The Steers held them for no gain and Wylie punted to the Steer 46. The Steers made a 1st at the Wylie 39, then again at the 28. The Bulldogs held the Steers again at the 21. Wylie got knocked loose from the ball at the 15 with Mike Conley recovering at the 15. Again the Steers can't move and were content to hold Wylie as the game ended.

Now all your U.S. Savings Bonds pay higher interest.

Now it's official.

Now one of the safest investments in the world brings you new and higher returns.

Now your U.S. Savings Bonds pay the highest interest in history: a full 5 per cent when held to maturity of 5 years and 10 months. (4% the first year; 5.20% thereafter to maturity.) Previously, these Bonds earned you only 4 1/4% if you held them for seven years.

The new interest began June 1, 1969. So all of the Bonds you own, no matter when you bought them, have been collecting higher interest since that time.

Those Bonds are still replaced if lost, stolen or burned.

You can still buy them through Payroll Savings or the Bond-a-Month

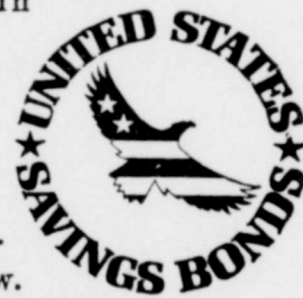

plan.

Regardless of your other investments, can you think of any easier, better, or safer way to build a nest egg for yourself?

It's nice to know that you are doing a little something for Uncle Sam, too. The \$52 billion in U.S. Savings Bonds now outstanding in the hands of millions of Americans go a long way toward keeping your country financially strong.

There never was a better time to take stock in America.

There's a man at the place where you work who can start you on the Payroll Savings Plan right now.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

HERE'S A FREE OFFER THAT REALLY HOLDS WATER

You can get one 12-oz. Regal glass free with a gasoline fill-up, 8-gallon minimum, at Southside Enco Service in Robert Lee.

This fine Regal glassware by Anchor Hocking comes in beautiful avocado green, and each glass has a delicate swirl pattern. Looks expensive, costs you nothing. You'll be proud to use them when company calls, or to brighten your family meals.

Stop at our station today and start your collection of this attractive glassware.
