Citizens of Tomorrow

Children of Mr. and Mrs. Bob Wrinkle are Kerry, 6 years old, and Kristi, 19 months.

Lori is the 18 month old daughter of Mr. and Mrs. Carl Bloodworth of Silver.

Beer Petitions Being Circulated

Petitions are circulating this week to call an election to legalize the sale of beer for off-premises consumption in Justice of the Peace Precinct 1 of Coke County. Several petitions were issued by the county clerk's office after an application was received which had been signed by at least 10

qualified voters of the precinct. The law on the issuance of the petitions specifies in Article 666-32 of the Texas Penal Code that the petitions must be issued by the county clerk after presentation of the signed application.

In order for the election to be called the petitions must be returned within 30 days after date of issuance and signed by at least as many registered voters as would amount to 25 per cent of the total vote cast in the last general election for governor of the state.

Justice Precinct 1 has the same boundaries as Commissioner Precinct 1 had before the resetting of commissioner precinct lines a few years ago. It includes all of Robert Lee, Silver and Sanco, plus considerable rural area.

The petitions were dated April 3.

Notes From The Oil Field

Schkade Brothers Drilling Co. of Abilene filed application to re-enter to 1,700 feet an abandoned wildcat 13 miles southwest of Robert Lee in Coke County.

It is No. 1 Florrie Burrus, located on an 877 acre lease. Site is 1,100 feet from the north and 2,300 feet from the east lines of Section 5, Block Z, D&SE Survey.

The venture was plugged in 1971 at 7,525 feet as Texas American Oil Corp. No. 1 Burrus.

District Track Meet Saturday

Robert Lee cindersmen will compete in the district UIL track meet Saturday at Eldorado.

The team scored 12 points last Saturday in the Mason track meet to come in 7th. Junction Eagles won the meet with 114 points.

Placing for Robert Lee were: Johnny Wolfe, tie for 5th in high jump at 5-8; Bill Rowaldt, 4th in pole vault with 10.7; Rudy Abalos, 6th in 220 dash, in a time of 23.75; Harvey Wink, 4th in the mile run at 4:43.2; and the mile relay team, 6th with a time of 3:40.6. Relay team members are Randy Flanagan, Alex Costilla, Lyn Sockwell, Rudy Abalos and Daryl Copeland.

Mrs. Pearl Schooley was released from Bronte Hospital last Tuesday.

EDITORIAL

You hear a lot these days about "throw the rascals out" in state government elections.

Ordinarily that's a sound program — provided you know who the rascals are.

This year, a lot of innocent officials are about to get hit by the same tomatoes thrown at those not so innocent.

One of these, we fear, is Lt. Governor Ben Barnes, who is asking promotion to Governor as top step in a very natural political ladder.

Barnes has not been linked in any way with the so-called "scandals" in the state capitol. He has planned for years to make this race for Governor and has kept his record clear.

He has the best qualifications of any in the race and should not be turned down because some of his colleagues made mistakes.

Ben Barnes has shown ability as a member of the House of Representatives, as Speaker of the House for four years and as Lieutenant Governor and presiding officer of the Senate for four years.

He has the proven leadership the Governor's office needs.

This newspaper is proud to endorse his candidacy.

2381 Vehicle Tags Sold by Deadline

A total of 2381 vehicles had been registered in Coke County for 1972 as the deadline passed April 1. County Tax Assessor-Collector O. B. Jacobs said there were 1230 tags sold for passenger cars; 515 for commercial pickups; 295 for farm pickups; 160 trailers; 115 farm trailers and 66 miscellaneous vehicles.

Friday, March 31, was the final day to drive with old license plates.

A large write-in vote figured in two of the three elections held here Saturday, but failed to defeat the candidates listed on the ballots.

A total of 407 votes were cast in the election to name three directors to the board of West Coke County Hospital District. J. D. Harmon led the ticket with 325 votes. J. E. Quisenberry Jr., incumbent, received 277 and the

Surprise Freeze Nips Green Stuff

An unexpected spring freeze surprised residents of Robert Lee and this area early last Friday.

The temperature fell to around 27 early Friday morning and to around 30 on Saturday morning and the area was covered with heavy frost. Tender vegetation and many fruit tree blooms were either killed or set back.

An unseasonable low moving through Northwest Texas was blamed for the cold weather.

It was reported that the area received .2 inch of moisture along with the cold.

Oldtimers say that only once or twice can they remember a freeze that came after the mosquitoes started leaving out, which is usually a sure sign of spring.

YOUTH MEETING SET SUNDAY AT SILVER

A non-denominational youth meeting will be held at Silver Baptist Church Sunday, April 9. All young people in the area are invited to attend.

Lonnie Bloodworth will be the speaker and Mr. and Mrs. Don Hill of San Angelo will be in charge of the music. Candy Smith of San Angelo will be guitarist.

Services will be at 11 a.m. and 3 p.m. with lunch served at noon at the church.

third member elected to the board was Finnell Smith who received 260 votes.

Others included incumbent Jim Herford, 148; Jack Mathews, 129; Sam Williams, 99; John H. Fenley, 28.

School Trustees Elected

Foy Askins, with 285 votes, and D. J. Walker Jr., incumbent, with 220 votes, were named to the Robert Lee School board of trustees. Also on the ballot were Sherman Williams, who received 81 votes, and Allan Rowaldt, who received 72.

Mrs. Roy Tinkler received a large write-in vote of 61. Others included Mrs. R. L. Flanagan, 23; Lewis Heuvel, 5; Mrs. Glen Womack, 3; and Truman Hines, Dale Brown, Raymond McCutchen, Mrs. Dale Wojtek and Fred Beatty, 1 each. A total of 383 ballots were cast.

Adams Elected Mayor

S. E. (Skinny) Adams was elected mayor with 102 votes. A total of 288 ballots were cast in the city election. Receiving write-in votes were Dale Brown, with a big 82; O. H. Campbell was not far behind with 70; Robert Vaughn got 17; John Conley, 2; and A. E. McCoy, 1.

Jimmy Bell received 224 votes and Royce Hood, 221, to fill the two vacancies on the city council. They were the only two candidates listed on the ballot. Write-ins included Dale Brown, 9; Jesse Eads, 6; Vaughan Davis and Curtis Walker, 3 each; Pete Smith and O. H. Campbell, 2 each. Receiving 1 write-in vote for the alderman jobs were Bob Vaughan, Chism Brown, Evah Mahon, Truman Hines and Keith Hood.

Literary Contests April 15 at Menard

Robert Lee contestants will enter the district UIL literary meet Saturday, April 15, at Menard. Both high school and junior high divisions will be held there.

Local entrants in the junior high division include: oral reading Jim Craig, Mary Lackey, Walter Flowers and Debra Reed; spelling and plain writing, Marissa Johnson and Virgilla Streng; ready writing, Mary Lackey, Marissa Johnson and Mike Walker; and number sense, Mary Lackey.

High school contestants include: debate, Mandy Harmon and Becky Large and Richard Guerrant and Ricky Mashburn; poetry interpretation, Craig Bessent, Connte Service and Marilyn McBroom; prose reading, Gary McDaniel, Kathy McCutchen, Marvin Simpson and Terry Kinsey; ready writing, Jamie Craig, Jo Neil Ross, Patricia Chacon; spelling and plain writing, Mary Donley, Elizabeth Bickley, Rosanna Boykin and Phyllis Duncan; number sense, Edwin Lindsey, Bill Rowaldt, Harvey Wink and Ginger Salmon; slide rule, Mary Lee McCoy, Harvey Wink and Ricky Wilks; type-writing, Patricia Chacon, Kathy Prince and John Balderas; shorthand, Mary Donley, Debra Hinnard and Marsha Brown.

Sanco Homecoming Set

Decision to carry on the Sanco Homecoming for the 18th year was made by unanimous vote in a meeting last Thursday night at Sanco. This year's event will be held Saturday and Sunday, June 3 and 4.

The group voted to continue largely along the same lines as before, with the addition of a business meeting Saturday night, June 3.

In announcing this, Ulmer Bird chairman, said, "The great part of the financing of both the homecoming and cemetery has been done by those from elsewhere attending the homecoming. We feel they should hear a report, which will be given by the secretary-treasurer, and have a voice in the organization that spends their money."

The chairman discussed tentatively a plan for setting up an organization that would be capable

of perpetuating itself. It would be composed of residents and former residents of Sanco and the descendants of both, conditioned upon each making a contribution in the form of work or money to the funds of the association. Those meeting these qualifications would be voting members at a meeting to be held annually, probably at the homecoming. The proposal will be presented to the June 3 meeting.

At the June 4 program, fifth generation descendants of parents who lived at Sanco will be recognized and have an opportunity, where possible, to participate in the program. Along with these, special appreciation will be given all young people up through the teen years, and they have a special invitation, the chairman said.

Offer of Mr. and Mrs. Eddie Derrick to act as cemetery cus-

todians for one year was tentatively accepted. The chairman, with T. C. Creighton of Christoval and Bryan Gartman of Sanco, were given authority to ease the cemetery well and pay for it out of cemetery funds, if the committee finds it needed.

Creighton was named to work with Bird as master of ceremonies and to bring the devotional. Mrs. Mary Jo Pentecost was appointed to select and read scripture passages relating to the Christian home, children and parents. Harvey Reid is to arrange music for the Sunday program. Mrs. Ruth McCutchen is to secure a pianist and Nolan Pentecost is to have charge of buying meat and the barbecue.

Mary Prine was named to invite a special music group for Saturday night and Reid will lead the singing.

Austin — State lawmakers polished off billboard control and primary election finance legislation in a three day special session—and added far reaching procedural reform rules for good measure.

They will be back to work in June on budget and tax matters.

In their "mini-session," the legislators—many anxious to get back to the campaign trails—logged these accomplishments:

* They provided for emergency state financing of the May and June primary elections and set aside \$2 million to pay the bills. Another long term primary finance measure will be necessary next year.

* They moved to meet federal highway beautification requirements by outlawing billboards within 660 feet of major highways and providing for screening of junkyards. The measure will cost the state about \$5 million a year in

condemnation costs for five years. But it will prevent a \$24 million loss of federal highway construction funds for non-compliance with regulations.

* Both House and Senate adopted joint rules including sharp limitations on powers of conference committees to write new legislative matters without majority permission.

* The House also accepted rules installing a limited seniority system for committee assignments, reducing the number of committees from 46 to 25 and providing for electronic recording of House and committee proceedings.

* Legislators also made Texas the eighth state to ratify a proposed federal constitutional amendment guaranteeing equal legal rights for women.

Highlight of the opening day was election of Rep. Rayford Price, 35, of Palestine as new speaker of the House. Price won 77-65 over Rep. L. Dewitt Hale of Corpus Christi. He succeeds Rep. Gus Mutscher of Brenham who resigned after his conviction for bribery conspiracy.

ALLOWABLE ADJUSTED — Texas Railroad Commission decided to hold the oil allowable for the big East Texas Field to 66 per cent during April instead of the 100 per cent fixed for the rest of the state.

An increase for the East Texas Field was postponed pending completion of a study.

Chairman Byron Tunnell said the nation has "far too much at stake in East Texas" to risk reservoir damage through excessive production rates.

For the first time since 1948, the Commission fixed a 100 per cent production factor for this month.

COURTS SPEAK — Major sections of Texas vagrancy laws were held unconstitutional by the State Court of Criminal Appeals which said the act makes it a crime to be unemployed or poor.

Texas Supreme Court declined to order two aspiring candidates' names placed on the May primary ballots. One failed to post a filing fee or petition of candidacy. Another was refused a ballot po-

sition because he was already a member of a utility district board.

The High Court set for May 10 a hearing on an appeal involving the City of Amarillo's power to tax a Masonic Lodge building and three lots owned by the order.

INSURANCE HEARING PUT OFF — A scheduled March 29 hearing by the State Insurance Board on a proposed increase in home insurance was indefinitely postponed amid talk of compromise.

Board Chairman Larry Teaver sought a year's delay in applying a rating factor providing for rate additions due to inflation and rising construction costs. He had been out-voted by two other Board members on postponing use of the inflation factor.

"The Board is taking a thorough look at all of the factors involved with rating and working toward solutions to complex and complicated problems that arise when considering rate adjustments," Teaver said.

Teaver contended the Board's refusal earlier to suspend the inflation trend factor would cost Texans an additional \$27 million in premiums next year, when a \$14 million reduction could have been made under his own recommendations.

TRAFFIC TOLL REVEALED — A total of 3,594 persons died in Texas motor vehicle accidents during 1971, according to Texas Department of Public Safety tabulations.

DPS Director Col. Wilson E. Speir said the death toll represents a one per cent increase over 1970, when 3,560 died on the streets and highways.

Speir noted that vehicle miles driven increased from 68 billion in 1970 to more than 70.7 billion for 1971—a four per cent rise in driving. At the same time, the number of licensed Texas drivers rose by nearly 324,000 to a total of almost seven million.

The death rate per 100 million miles of travel actually decreased three per cent from 5.2 in 1970 to 5.1 in 1971, Speir said. The death rate in 1966 was 6.2. Of the 3,594 deaths in 1971, 2,184 occurred on rural roadways and 1,410 in urban areas. There were 2,993 fatal accidents and 394,166 total accidents last year. Speeding and driving while intoxicated were listed as primary violations in fatal mishaps.

FIRE ANT ON RAMPAGE — Imported fire ants are migrating from East Texas to the Dallas-Fort Worth area and south as far as Corpus Christi, warns State Agriculture Commissioner John C. White.

The fire ant is now found in 55 Texas counties and infests 16 million acres, White reported. He said future of the only bait used to control the ants — Mirex — is pending before the Environmental Protection Agency. The Agriculture Department now distributes the bait to designated officers in infested areas.

Short Snorts
Comptroller Robert S. Calvert estimates \$711.1 million in general revenue will be available for certification toward 1973 budgeting.

Texas Civil Liberties Union filed suit to knock out the one year-six months state-local residency requirement for voting.

The Federal Pay Board authorized retroactive per diem allowances for state employees from Sept. 1 to Nov. 14, 1971.

Sen. Barbara Jordan of Houston is new state senate president pro tempore—the first black woman in the U. S. chosen to such a post. Senator Jordan was elected unanimously by her fellow citizens, and was described by those who spoke in her behalf as "a great lady."

Spruce Up the Hearth

It happens every year. Warmer weather comes and the call of outdoors is irresistible. Chances are the temperature will be well on the sunny side when you notice the uncleaned fireplace that kept things cozy this past winter.

Spread newspapers by the hearth and take out those chunks of logs. Scoop ashes into bags and discard. Finish preliminaries by vacuuming any remaining ash dust.

Give fireplace brick and hearth a good scrubbing with thick suds applied with a stiff brush. Rinse and let dry. If possible, take the screen and fireplace tools outside for a thorough cleaning. Use a scrub brush and plenty of lather to shine things up. Rinse with a hose, or dip the tools in a pail of water and pour the rest over the screen. This could be a good cleanup project for children.

If the tools are made of solid brass they will benefit from buffing with metal polish. Steel and wrought iron don't need any extra treatment, but might be wiped with a cloth dampened with vegetable oil.

After cleaning, select an interesting large container to fill with seasonal fresh flowers and leaves or arrange with artificial varieties. For example, an early

American theme can be carried out with a brass or copper coal scuttle, medium sized milk can or an old pickling crock. A contemporary flair can be achieved with a wicker basket or by covering a large potato chip can or plastic waste basket with a mod design adhesive backed vinyl. A large, but squat vase is suitable with traditional decor and the Mediterranean motif is carried out with scrolled wrought iron containers.

When using cut flowers and leaf branches, they and the water have to be replaced from time to time and the container washed. Besides being easier to change and clean, a glass or metal vase to hold the water and arrangement may be necessary to use with some decorative containers that have open work or are not waterproof. In any event, use florists' tape, clay or frogs to secure the arrangement.

Place the arrangement on the hearth in front of the fireplace, to one side, or even in the fireplace itself, replacing the usual log grate. Such flowering brings the outdoors in and adds a colorful freshness to a room.

Food Briefs

Why is cheese used in casseroles sometimes tough and stringy? High temperatures and long cooking cause fat to separate, and the result is tough cheese. Add the cheese during the last half hour of cooking for best results.

Be imaginative, and use tomato juice, meat stock or bouillon for marinating lower grades of meat.

Remember, egg whites hold air when beaten. The more sugar added to beaten egg whites, the longer the cooking time required to reach a thick or firm stage.

Surface skin forms when milk's heated in an uncovered pan. It's due to a drying out of fat, minerals and protein on the surface. The skin holds steam in, causing milk to foam and boil over. Prevent this skin formation by using a lid or stirring the milk.

Don't use whipped butter as a substitute for butter in a recipe since the shortening power isn't the same for unwhipped butter.

Making a meat loaf? Handle ground meat as little as possible, because excessive mixing gives a firm, seemingly less tender food.

Broiling a steak? Remember that high heat coagulation occurs rapidly on the exposed surface of meat leaving meat crisp and brown on the outside. Time the steak to fit your taste.

RESIDENCE REQUIREMENT EASED ON TEXAS VOTING

The decision of the United State Supreme in the case Dunn vs. Blumstein has invalidated Texas laws which require more than 30 days residency in the state or locality in order to be eligible to vote, a letter from Secretary of State Bob Bullock stated.

The Texas law has now been enjoined by a federal court in the case of Whatley vs. Bullock which was dated March 31, 1972.

Persons who have resided in the state and locality for 30 days and have been registered for 30 days prior to the election in which they wish to vote are now eligible to vote in state and local elections, Bullock said, and persons entering the state may register to vote immediately upon their arrival.

Bullock called attention that deadline for registration for those who wish to vote in the May 6 Primary Election was at the close of business Wednesday.

Cancer Crusade Now in Progress

The annual educational and fund raising Crusade of the American Cancer Society opened April 1 against a background of the fight against cancer rating high national priority.

"We want to wipe out cancer in your lifetime, is the motivating theme," explained Mrs. Gene R. Baker, chairman of the Coke County unit of the American Cancer Society. "We will be asking everyone to back up this goal with an annual health checkup and a generous check when our volunteers come around."

Pointing out that there is more concern about cancer than ever before among Americans, Mrs. Baker said the 1972 Crusade will seek to involve the many Americans who are careless or forgetful of the need for regular health checkups.

Plans for the 1972 Crusade include nationwide distribution of 45,000,000 leaflets urging women to go for Pap tests for uterine cancer.

Although a nationwide Gallup study showed a gradual increase in the percentage of people who do get checkups—from 57 per cent in 1963 to 62 per cent in 1970 — there was a slowing down in the rate of increase of those who went for specific cancer tests.

"Today we are saving one out of three cancer patients, but with our present knowledge we could save one out of two if only people were alert to the warning signals, the safeguards against cancer and the need for the regular checkup," Mrs. Baker said. The safeguards, such as avoiding excessive sun, stopping cigarette smoking and others, will be stressed during the Crusade for year-round vigilance.

"We will use the Crusade this year to remind the public that there are 1,500,000 Americans today who are cured of cancer and that the number could be increased if everyone would try to protect himself from cancer," said Mrs. Baker.

Robert Lee BCD Items of Interest

Bill Allen presided for the Tuesday noon meeting of the BCD, with a variety of subjects being discussed. Sixteen members and one guest, Richard Dodson, were present.

First item of business was the need for someone to cater the BCD meals, since Froggy's Cafe has been closed and can no longer cater the meals. A committee was appointed to study the possibilities and to bring a report next week.

G. C. Allen mentioned that since spring is here, some thought should be given to getting out

Firemen's Aux. Being Organized

Robert Lee women who are interested in reorganizing the Volunteer Firemen's Auxiliary are completing plans for a meeting to be held at 7:30 p.m., Monday, April 17.

A spokesman for the group said this week, "The need for reorganization is great. The purpose of the organization will be to help the Volunteer Firemen to raise funds to pay for badly needed equipment and to be prepared to assist the firemen in case of any emergency which might arise, such as a disastrous fire, tornado, etc."

Any woman who is interested in the town and surrounding area will be eligible to become a member and is invited and urged to attend the organizational meeting.

District HD Meet Held Last Week

"Stairway to Progress" was the theme of the District VII Texas Home Demonstration Spring Meeting held in San Angelo last Wednesday. The annual meeting was held in the Houston Harte Student Center on the ASU Campus.

Mrs. J. C. Boatright, Coke County THDA chairman, served as chairman of the Credentials Committee.

Appearing on the day long program were Mrs. Pat Attaberry; Don Abel; Mrs. W. E. Kimrey; Mrs. E. G. Nix; Miss Vera Adams; Lt. Forrest L. Bailey of the San Angelo Police Department; Mrs. A. E. Hodges, State THDA president; Miss Claudia Williams, State Home Demonstration Agent; and 4-H'ers Marilyn Zuehlke and Linda Spieler of Tom Green County.

Mrs. Harold Preston, District director, was presiding officer for the day.

During the business session it was voted to charter a bus to the state meeting to be held in September in Houston, give \$100 for District 4-H activities, and elected Mrs. W. R. Miller of Llano County as director for 1973 and 1974.

Schleicher County extended an invitation for the 1973 planning meeting.

Attending from Coke County were Mrs. Fay C. Roe, Extension agent; Mrs. R. L. Page, Home Demonstration Council chairman; Mrs. C. E. Arrott; Mrs. James Arrott; Mrs. Gene Halamicsek and Mrs. Boatright.

Mr. and Mrs. Turney Casey were weekend guests in the home of Mr. and Mrs. Mike Casey in Odessa. Recent guest in the Casey home was his brother, Troy Casey of Baytown. Easter weekend guests of the Casey were their grandsons, Nelson, Turney and Layne Coulter of Bronte, and the Mike Caseys.

some publicity on vacations, sports, fishing, etc., in and around Lake Spence. He said some advertising should be done in local and surrounding newspapers.

Mrs. S. E. Adams announced that indebtedness on the Mountain Creek Golf Club house has been paid off. Money was borrowed from the bank and several double payments were made, so the note was paid off in advance of the date due, she said.

Supt. Jimmy Bickley announced that the high school and junior high boys track teams will be involved in the district track meet at Eldorado this weekend. The girls track team will enter a practice meet in Big Spring.

Final proofs on the new Robert Lee brochure were shown and approved by the group. The brochure will now go to the printers and should be ready in the near future.

Lake E. V. Spence Fishing Report

The weekly fishing report from Lake E. V. Spence, as compiled by the Colorado River Municipal Water District, shows:

Five Odessa firemen last week reported a catch of 132 channel catfish averaging nearly two pounds. In the party were Bob Newport, Harold Smith, Robert Brown, Danny Urias and Steve Theesfield.

Also, Steve and E. Theesfield weighed in four black bass up to four pounds.

Mrs. J. E. Hollis of Robert Lee reported catching 16 crappie averaging a pound.

Last week, Hubert Heller, Odessa, landed a four pound striped bass, one of several of this species caught at the lake. Most of the new fish have been running around four and five pounds. He also boated 20 white bass which he weighed in at the Edith Store.

Thursday, R. G. Phillips and a friend hooked several black bass with the largest going at 4 1/2 pounds.

Robert Lee BCD Items of Interest

Bill Allen presided for the Tuesday noon meeting of the BCD, with a variety of subjects being discussed. Sixteen members and one guest, Richard Dodson, were present.

First item of business was the need for someone to cater the BCD meals, since Froggy's Cafe has been closed and can no longer cater the meals. A committee was appointed to study the possibilities and to bring a report next week.

G. C. Allen mentioned that since spring is here, some thought should be given to getting out

some publicity on vacations, sports, fishing, etc., in and around Lake Spence. He said some advertising should be done in local and surrounding newspapers.

Mrs. S. E. Adams announced that indebtedness on the Mountain Creek Golf Club house has been paid off. Money was borrowed from the bank and several double payments were made, so the note was paid off in advance of the date due, she said.

Supt. Jimmy Bickley announced that the high school and junior high boys track teams will be involved in the district track meet at Eldorado this weekend. The girls track team will enter a practice meet in Big Spring.

Final proofs on the new Robert Lee brochure were shown and approved by the group. The brochure will now go to the printers and should be ready in the near future.

Firemen's Aux. Being Organized

Robert Lee women who are interested in reorganizing the Volunteer Firemen's Auxiliary are completing plans for a meeting to be held at 7:30 p.m., Monday, April 17.

A spokesman for the group said this week, "The need for reorganization is great. The purpose of the organization will be to help the Volunteer Firemen to raise funds to pay for badly needed equipment and to be prepared to assist the firemen in case of any emergency which might arise, such as a disastrous fire, tornado, etc."

Any woman who is interested in the town and surrounding area will be eligible to become a member and is invited and urged to attend the organizational meeting.

District HD Meet Held Last Week

"Stairway to Progress" was the theme of the District VII Texas Home Demonstration Spring Meeting held in San Angelo last Wednesday. The annual meeting was held in the Houston Harte Student Center on the ASU Campus.

Mrs. J. C. Boatright, Coke County THDA chairman, served as chairman of the Credentials Committee.

Appearing on the day long program were Mrs. Pat Ataberry; Don Abel; Mrs. W. E. Kimrey; Mrs. E. G. Nix; Miss Vera Adams; Lt. Forrest L. Bailey of the San Angelo Police Department; Mrs. A. E. Hodges, State THDA president; Miss Claudia Williams, State Home Demonstration Agent; and 4-H'ers Marilyn Zuehlke and Linda Spieler of Tom Green County.

Mrs. Harold Preston, District director, was presiding officer for the day.

During the business session it was voted to charter a bus to the state meeting to be held in September in Houston, give \$100 for District 4-H activities, and elected Mrs. W. R. Miller of Llano County as director for 1973 and 1974.

Schleicher County extended an invitation for the 1973 planning meeting.

Attending from Coke County were Mrs. Fay C. Roe, Extension agent; Mrs. R. L. Page, Home Demonstration Council chairman; Mrs. C. E. Arrott; Mrs. James Arrott; Mrs. Gene Hallamick and Mrs. Boatright.

Mr. and Mrs. Turney Casey were weekend guests in the home of Mr. and Mrs. Mike Casey in Odessa. Recent guest in the Casey home was his brother, Troy Casey of Baytown. Easter weekend guests of the Casey were their grandsons, Nelson, Turney and Layne Coulter of Bronte, and the Mike Caseys.

Lake E. V. Spence Fishing Report

The weekly fishing report from Lake E. V. Spence, as compiled by the Colorado River Municipal Water District, shows:

Five Odessa firemen last week reported a catch of 132 channel catfish averaging nearly two pounds. In the party were Bob Newport, Harold Smith, Robert Brown, Danny Urias and Steve Theesfield.

Also, Steve and E. Theesfield weighed in four black bass up to four pounds.

Mrs. J. E. Hollis of Robert Lee reported catching 16 crappie averaging a pound.

Last week, Hubert Heller, Odessa, landed a four pound striped bass, one of several of this species caught at the lake. Most of the new fish have been running around four and five pounds. He also boated 20 white bass which he weighed in at the Edith Store.

Thursday, R. G. Phillips and a friend hooked several black bass with the largest going at 4½ pounds.

SPARKS FAMILY GATHERING HELD AT ROBNRT LEE

Ten of the 11 children of Luther Sparks and their families held a camp-out and family gathering in Robert Lee the weekend of March 24-26.

Attending were Mr. and Mrs. Lloyd Sparks and children of Spring Valley, Calif.; Mr. and Mrs. Cornell Doff and family and Mr. and Mrs. Marion Luther and family, all of San Angelo; Mr. and Mrs. Joey Jones, Mr. and Mrs. Gary Jones and family, Mr. and Mrs. David Drennan and children, and Mrs. Etta Tracey and Charles, all of Sterling City; Mr. and Mrs. Eddie Evans and family of Beeville; and Don and Terry Sparks of the home.

The decision of the United State Supreme in the case Dunn vs. Blumstein has invalidated Texas laws which require more than 30 days residency in the state or locality in order to be eligible to vote, a letter from Secretary of State Bob Bullock stated.

The Texas law has now been enjoined by a federal court in the case of Whatley vs. Bullock which was dated March 31, 1972.

Persons who have resided in the state and locality for 30 days and have been registered for 30 days prior to the election in which they wish to vote are now eligible to vote in state and local elections, Bullock said, and persons entering the state may register to vote immediately upon their arrival.

Bullock called attention that deadline for registration for those who wish to vote in the May 6 Primary Election was at the close of business Wednesday.

Cancer Crusade Now in Progress

The annual educational and fund raising Crusade of the American Cancer Society opened April 1 against a background of the fight against cancer rating high national priority.

"We want to wipe out cancer in your lifetime, is the motivating theme," explained Mrs. Gene R. Baker, chairman of the Coke County unit of the American Cancer Society. "We will be asking everyone to back up this goal with an annual health checkup and a generous check when our volunteers come around."

Pointing out that there is more concern about cancer than ever before among Americans, Mrs. Baker said the 1972 Crusade will seek to involve the many Americans who are careless or forgetful of the need for regular health checkups.

Plans for the 1972 Crusade include nationwide distribution of 45,000,000 leaflets urging women to go for Pap tests for uterine cancer.

Although a nationwide Gallup study showed a gradual increase in the percentage of people who do get checkups—from 57 per cent in 1963 to 62 per cent in 1970 — there was a slowing down in the rate of increase of those who went for specific cancer tests.

"Today we are saving one out of three cancer patients, but with our present knowledge we could save one out of two if only people were alert to the warning signals, the safeguards against cancer and the need for the regular checkup," Mrs. Baker said. The safeguards, such as avoiding excessive sun, stopping cigarette smoking and others, will be stressed during the Crusade for year-round vigilance.

"We will use the Crusade this year to remind the public that there are 1,500,000 Americans today who are cured of cancer and that the number could be increased if everyone would try to protect himself from cancer," said Mrs. Baker.

PERSONALS

Mr. and Mrs. Gene Baker spent Sunday visiting in Odessa with their daughter and her family, Mr. and Mrs. Dick Denman.

Beverly Shandley of Odessa spent the Easter holidays here visiting her parents, Mr. and Mrs. Ray Shandley.

Mr. and Mrs. John Doggett of Midland visited Saturday with her parents, Mr. and Mrs. Sloan Boone. They came to pick up their children, Fatima, Rodney and Renee who had been staying with their grandparents while their father was hospitalized.

Mrs. Marilyn Dressell and Mike Simmons of Albuquerque, N. M. were Easter holiday guests in the home of her parents, Mr. and Mrs. Horace Scott Jr.

Lane Beaty of Cisco Junior College spent the Easter holidays and spring break at home with his parents, Mr. and Mrs. Fred Beaty. They were guests Sunday in the home of Mr. and Mrs. Elmo Crowder at Snyder. Others at the Crowder home were the Beaty's daughter and her family, Mr. and Mrs. Jim Crowder and Lee Anne of Midland.

Weekend visitors of Mr. and Mrs. Javan Vosburg were Mr. and Mrs. Buddy Vosburg of San Angelo, Mr. and Mrs. Steve Rives, Jim Franks and Rita, all of Abilene.

Weekend guests of Mrs. Elsie Latham were her daughter-in-law, Mrs. Virginia Latham and Monette of Denton, and Mrs. Jan Farris and girls of Levelland.

An Open Letter To The People Of Texas

Dear Voter:

I'm a candidate for attorney general of Texas because I believe it's time for a change in the office.

Crawford Martin is seeking a fourth term. It's the first time in the history of Texas an attorney general is running for a fourth term.

Campaigns should be run on the issues and I don't like to inject personalities and personal relationships into a political campaign. But, the relationship between Frank Sharp and Atty. Gen. Crawford Martin cannot be swept under the rug.

The new book about the Texas stock fraud scandal, "Texas Under a Cloud," tells about that relationship. On page 128 the book says:

"Atty. Gen. Crawford Martin, ... got some free newspaper publicity when it was revealed in October, 1971, that he received a 'stock tip' from Frank Sharp — while Martin and his family were Sharp's ranch guests late in 1969 and again at Sharp's Houston office early in 1970.

"Sharp was trying personally to sell National Bankers Life stock to Martin, although the attorney general said that Sharp never mentioned the possibility of Sharps-town Bank loans to buy the stock.

"Martin said that he turned the stock offer down because it would have cost too much, because NBL was in 'shaky' condition, and because he did not buy 'speculative' stocks.

"He did not comment on the ethical aspects of a state official's accepting a stock tip of that sort — perhaps, because Martin, as attorney general, had ruled in favor of Sharp on a key legal issue about Sharps-town State Bank only two and one half years before Sharp made the stock offer to Martin.

"Martin's ruling had the effect of increasing the bank's capitalization dramatically and thus its ability to make large loans, ultimately giving Sharp the financial resources he used in the manipulations charged by the SEC."

As you know, hundreds of Texans lost their life savings because of Sharp's stock manipulations and it probably wouldn't have happened but for Atty. Gen. Martin's legal opinion.

Don't you agree, it's time for a change in the office of attorney general of Texas?

Just so you'll know what you'd be changing to, I'd like to tell you a little about John Hill. I'm a native Texan, grew up in Wink and Kilgore, was national debate champion at Kilgore Junior College and graduated from the University of Texas Law School. I served in the Navy during World War II, practiced law (much of the time in courtrooms) in Houston, and was secretary of state from 1966 to 1968.

I certainly would appreciate your support.

It is time for a change.

OMAR BURLESON

Congressman

Washington — After three days of debate the U. S. House of Representatives last week passed a bill on environmental protection with a price tag of \$24.6 billion. Knowledgeable estimates indicate that the cost will soar to \$35 billion before the provisions are fully implemented.

The Environmental Protection Agency, created to administer the program already has over \$2 billion appropriated to it and has yet to really get off the ground. To use these sums of money they will have to spend as if it were going out of style.

Of course everyone is for cleaning up and preserving our environment. The effort should have been started in an orderly way long ago but since present conditions didn't get that way overnight, corrections and remedies can't be made to work overnight either.

The experts have yet to agree on the many approaches to curing the problem. Wide disagreement exists on what pollutes our air and water and about what should be done. For instance, not long ago certain phosphate detergents were blamed and condemned. A few weeks later other experts said not so.

Another example is the emissions from leaded gasoline. Last year the administration proposed a \$4.00 per pound tax on lead to eliminate its use for octane support in gasoline. Something called aromatics was to take the place of lead to maintain the octane level until automobile engines can be built to run efficiently on low octane fuel. This was supported by a group of "experts," but another group of seemingly qualified scientists came along and found, after research and testing, that aromatics are more polluting than lead.

The goals for a clean and wholesome surrounding are indeed laudable. Conditions in some places in the country are deplorable and to some degree or other threaten human and animal life. There should be both scientific and common sense efforts at eliminating these useless hazards. It can be done without squandering billions of dollars and doing needless injury to property and industry. Money alone is not going to clean up our surroundings.

While inflation continues to eat away at the economy, some things being proposed can have no other effect than increase the price of things to pay for costs of meeting required standards. Just as safety requirements for automobiles, some of which have dubious value, run up the price, so will some of the demands on industry increase costs of many products we all have to buy.

The annual budget of the federal government has committed to it 72 per cent in uncontrolled costs. In other words, the Congress has discretion over only approximately 28 per cent of total expenditures. One of the best examples of fixed spending is the \$22 billion interest on the public debt. And so on and on the legislative branch has abdicated its responsibility over the purse strings. Our friend, Congressman George Mahon, chairman of the Appropriations Committee, agrees that those of us who claim fiscal responsibility can protect our credibility only by opposing the procedures followed in the measure passed last week. It further adds to spending over which the Congress has no control.

The bill as passed does not permit a year-to-year appropriation, as is the case in most all other programs. There is no annual review of whether the program is working or whether it needs more or less money. A lump sum of \$24.6 billion is provided for a three year period with little or no control by the Congress which is responsible for these purse strings of this nation. With a public debt of \$423 billion; a \$23 billion red ink balance last year; a prospect of at least \$26 billion minus for the coming 1973 fiscal year, this sum is added in sort of a panic atmosphere because to oppose any part of it is inviting condemnation by those who say if you are not galloping full speed ahead, and in the dark in many aspects, you are not for a healthy environment.

It is easy to spook and stampee under these circumstances and that is apparently what happened last week—the vote: 380 for, 14 against.

Visiting in the home of Mr. and Mrs. A. J. Roe Jr. during the Easter holidays were Mr. and Mrs. James E. Brown of Lubbock and Mr. and Mrs. A. J. Roe III of Waco. The family spent Friday and Saturday on a camping trip to Lake Amistad.

Let's put government into hands we can depend on

When scandal rocks our state government, as it has for more than a year, it is time for Texans to take the reins of government and place them once again into the hands of an honest, capable man. This is a time when Texans need a man to believe in. A man like Dolph Briscoe. His successful experience in business and agriculture, his work in government to provide farm-to-market roads and to eliminate the screwworm have

proven him a man Texans can depend on when solutions are needed. His unquestioned reputation for honesty and integrity stand him head-and-shoulders above his opponents. Never has Texas been offered such unacceptable candidates for the office of governor. And never has Texas so urgently needed a man like Dolph Briscoe. May 6, elect Dolph Briscoe governor.

elect DOLPH BRISCOE governor

A man Texans can believe in.
