Stacey Jameson Got to Talk with Santa Saturday

### Kids Enjoy Santa's Visit

A big crowd of children and adults were on hand to greet Santa Claus last Saturday afternoon as he rode into Robert Lee on the city's big red fire truck. Santa greeted all his little friends who were present and had sacks of candy for each of them.

The annual Christmas party, sponsored by the Robert Lee BCD took place at 2 p.m. Saturday as the Stompin' Steer Band led the parade downtown and Santa followed on the fire truck. Also taking part in the parade were several Brownie and Cub Scouts.

Robert Lee merchants provided money for the candy and other expenses of the Christmas party as a token of appreciation to all resi-

### Palmers to Have 50th Anniversary

Mr. and Mrs. A. R. Palmer will be honored with a reception Sunday, Dec. 22, from 2 to 4 p.m. in observance of their 50th wedding anniversary. The celebration will be held in the Fellowship Hall of the Robert Lee Baptist Church and all friends and relatives of the couple are invited to attend.

Mr. and Mrs. Palmer were married Dec. 23, 1924, in Brownwood by the Rev. Charles S. McClung, pastor of the Mercury Baptist Church. They worked in the Mercury Post Office some 14 years before moving to Brownwood in 1943.

In Brownwood he worked for Continental Trailway Bus Co. for 18 months, for Brownwood City Bus Co. for nine years and for the City of Brownwood for nine years.

He retired in 1943 and the couple moved to Robert Lee.

The Palmers have one son, Charles H. Palmer, four grandchildren and two great-grandchildren, all of Laredo.

dents of the area for their patronage and friendship. These merchants still have a good supply of Christmas gifts and invite everyone to continue shopping in Robert Lee until their Christmas lists are completed. All types of gift items are available in Robert Lee stores. One item being pushed this year is gifts of meat, poultry and dairy products which are being promoted by the Texas Department of Agriculture and the Texas Farm Bureau as a help in relieving the economic plight of farmers and ranchers who produce the products, and also as a help to recipients who may be caught in the inflation spiral.

All Robert Lee merchants will appreciate the patronage of everyone in the area.

**CONSERVE AND SAVE**

DISHWASHER SAVER-TIPS

A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.

Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.

Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.
