

Longhorns to meet Petersburg in bi-district tilt Friday

By JIM STEIERT
News Editor

Lady Luck bent down and kissed the Hart Longhorns Friday night to send them into the state football playoffs for the second time in Hart High School history. The Horns last went to the playoffs in 1972.

HART WON the right to advance to the playoffs Friday on a coin toss with Springlake-Earth and Vega. The three teams were locked in a tie for first place in District 3-A with identical 4-1 district marks, and the toss gave Hart the right to represent District 3-A.

The Horns will meet Petersburg, District 4-A champion, at 8 p.m. tomorrow (Friday) at Plainview High School stadium for the bi-district championship.

If they win Friday night, they'll meet the winner of the Memphis-Stinnett game for the regional championship.

HART'S bi-district opponents, the Petersburg Buff-

loes, finished the regular season with a 9-1 record and a 6-0 mark in district play. The Longhorns handed the Buffs their only regular season defeat in a close, hard-fought contest earlier this season when Danny George hit Randy Finch on a spectacular last-minute scoring strike for a hard-earned 12-7 victory.

The Buffaloes haven't forgotten that defeat and will be out for revenge tomorrow night.

Longhorn coach Lonnie Phillips is quick to admit the Horns have their work cut out for them.

"EVEN though Petersburg's not large, they're a very scrappy team and they play very good fundamental football," said Phillips. "Their quarterback, Keith Biggers, is an excellent runner and passer and we must stop him. Petersburg also has a fine kicker in Felix Martinez, who can kick field goals from the 30. Martinez keeps a team in the hole with his great punting," he added.

The Buffaloes run from an I formation with a few variations. Hart enters the bi-district bout with an 8-2 regular season record, with losses to Friona of District 3-AA and Vega.

The Longhorns sport outstanding offensive balance with a corral full of fine backs and receivers.

Gilbert Rodriguez, Terry Hill, Randy Finch, Jimmy Smith, Donald Robinson, Lester Aven and Barry George are all workhorses in the Hart backfield.

All have impressive yards-per-carry averages: Rodriguez-5.3; Hill-5.2; Finch-6.9; Smith, four games-5.14; Robinson, two games-7.9; Aven-7.2; and George-5.9.

IN ADDITION, George, Danny Carson and Finch have equally impressive records as pass receivers.

Carson has hauled in aeri-als for 107 yards and two touchdowns for a 15.2 yard-per-catch average.

George has a 44.1 yard per

reception average and three TD's and Finch has a 21.1 average and two TD's, one of them for the game-winning score against Petersburg earlier this season.

Hart's senior quarterback Danny George has completed 28 of 73 passes for 527 yards and seven touchdowns, a 19.5 yards per completion average. His sophomore brother, Kerry, has been limited action at quarterback but has completed two of five aeri-als for 83 yards and

two touchdowns, a 41.5 yard average.

Though the backfield is loaded with talent, it is the offensive line that has the job of making the breaks for the Horns. Linemen Kent Irons, Freddie Mancias, George Hernandez, Dean Hill, Jesse Perez and Mario Martinez have a big job ahead of them tomorrow night.

"We just had to grind out all our yardage against Petersburg in our first game with them this

year," said Phillips. "We hope to open the game up and throw some this time instead of waiting to start passing. Petersburg made most of its yardage against us on outside sweeps in the first game and we'll have to defend the sweeps because I'm sure they'll use them again."

Phillips pointed out that the Longhorn secondary, hampered by injuries and inexperience most of the season, is finally coming around.

"At this point, we're as

healthy as we've been all year, so we should be in good shape for the game," said Phillips.

The Longhorns have already learned that although Petersburg is a smaller team than many others Hart has played this season, the Buffaloes are quick, very aggressive, and never quit.

"WE ARE going to have to play well in every aspect of the game and avoid mistakes in order to win this one," said Phillips.

"It has taken dedication and hard work on the part of every member of this team to get this far, and we'll have to have this same great effort on the part of everyone to continue."

In its first trip ever to the state playoffs in 1972, Hart defeated New Deal 28-13 in bi-district play, before falling to Clarendon in the regional championship 21-6.

The Longhorns are hopeful Lady Luck stays with them as they seek to better that mark.

Corn, milo yields down

By JIM STEIERT
News Editor

Castro County's long-delayed corn and milo harvest is rapidly drawing to a close under ideal weather conditions, but a long dry summer, followed by an extended period of wet weather this fall has taken its toll on grain yields.

FARMERS busy finishing up the work of getting out their grain will probably find their yields are at least 1,000 pounds per acre under last year's figures when they settle up at the elevator.

Bill Gregory of Castro County Grain Co. estimates that yields will average 6,000 to 6,500 pounds per acre on the corn received at his facility.

"Yields are off 1,000 to 1,500 pounds per acre on most of the corn we've received, and the milo is averaging around 5,000 pounds, well under the normal figure of 6,500 pounds," said Gregory.

Gregory reported that the quality of the milo he has received is "not too good" with test weights running light, ranging from 48-55 pounds per bushel. A normal test weight is about 56-58 pounds.

J. R. BROWN of Flagg Grain reported that milo yields in the Flagg community are ranging from 5,500 to 6,000 pounds per acre, with a few fields yielding as high as 7,000-7,500 pounds per acre.

"The corn yields are about 1,000 pounds per acre under last year's, but the milo yields are off even more in proportion to the corn," said Brown.

He estimated that corn harvesting in the Flagg area is 95 percent completed while milo harvesting is 85 to 90 percent complete.

"Very few fields of milo have tested at the normal 56-58 pounds, in fact, some have

Sunnyside Lions set shoot Saturday

The Sunnyside Lions Club will host a turkey shoot Saturday at 2 p.m. south of the Sunnyside gin.

THE SHOOT will be fired with shotguns and shells will be available.

Turkeys and hams will be awarded as prizes.

SHATTERED DREAM—This was the agonizing scene along the Dimmitt sideline in the final minute of the district championship game against Olton Friday night. Cheerleader Kim Phillips tearfully urges the Bobcats on, after they had had to give the Mustangs an easy touchdown in return for a desperate

fourth-down gamble. Teammates who had raced through the season undefeated until this moment look on—some sobbing, some dry-eyed but morose—as the clock runs out with Olton leading, 28-14.

Wilkinson rites conducted Friday

Funeral services were held Friday in the First United Methodist Church of Dimmitt for M. J. Wilkinson, 69, a Dimmitt resident for 35 years.

REV. LENNOL Hester, pastor, officiated.

Mr. Wilkinson died Nov. 13 in Plains Memorial Hospital, following a lengthy illness.

Born in Arlington, he had been a resident of South Hills Manor nursing home here.

Survivors include a daughter, Peggy Fulfer of San Antonio; two sons, Everett of Groom and Space under the US Navy in Japan; three sisters, Mrs. Jeannie Staton, Mrs. Dovy Lay and Mrs. Louella Maxwell, all of Dimmitt; and a brother, George, of Salome, Ariz.

Burial was in Castro Memorial Gardens under the direction of Dennis Funeral Home.

Thanksgiving meal set at Nazareth

The Christian Mothers Society of Nazareth will hold its annual Thanksgiving dinner Sunday at the Nazareth Community Hall.

THE DINNER will be held from 11:30 a.m.-2 p.m. Turkey, dressing and all the trimmings will be served.

Admission will be \$2 for adults, \$1.50 for children 12 and under and 50 cents for preschoolers.

Booster Club to meet tonight

The Dimmitt Athletic Booster Club will meet tonight (Thursday) at 8 o'clock in the Dimmitt High School cafeteria.

ELECTION of officers will be held.

Sava announces early dates for mailing Christmas items

Bill Sava, officer in charge of the Dimmitt Post Office, has announced dates by which residents of the Dimmitt area should deposit Christmas mail for delivery to foreign and domestic points.

"WE URGE everyone to get their Christmas items mailed early to make sure they arrive in plenty of time for Christmas," said Sava.

Residents should deposit mail to the points indicated by the following dates:

Nov. 25: Surface mail and Space Available Mail (SAM) to Armed Forces in Canada, Greenland, Labrador, Newfoundland and the Azores;

Nov. 27: Parcel Airlift (PAL) mail to Armed Forces in Belgium, Denmark, England, Finland, France, Germany, Greece, Italy, Norway, Netherlands, Portugal and Spain; PAL mail to Armed Forces in Antarctica, Australia, Burma, Indonesia, Japan, Korea, New Zealand, Okinawa, Philippines, Taiwan, Thailand and Vietnam;

Nov. 30: PAL mail to Armed Forces in Canada, Greenland, Labrador, Newfoundland and the Azores;

Dec. 1: Airmail greetings and parcels to Armed Forces in Belgium, Denmark, England, Finland, France, Germany, Greece, Italy, Norway, Netherlands, Portugal and Spain; PAL mail to Armed Forces in Antarctica, Australia, Burma, Indonesia, Japan, Korea, New Zealand, Okinawa, Philippines, Taiwan, Thailand and Vietnam;

Dec. 5: Surface parcels to Canada and Mexico;

Dec. 7: International surface greeting cards to Canada and Mexico;

Dec. 9: Airmail greetings and parcels to Armed Forces in Canada, Greenland, Labrador, Newfoundland, the Congo, Liberia, and the Azores; international air parcels to Africa, the Near East and the Far East;

Dec. 10: Surface parcels to Canada and Mexico;

Dec. 11: Airmail greetings and parcels to Armed Forces in Belgium, Denmark, England, Finland, France, Germany, Greece, Italy, Norway, Netherlands, Portugal and Spain; international air parcels to Europe, South and Central America;

Dec. 14: International air parcels to Canada and Mexico; international air greeting cards

[See MAILING, Page 8]

Last rites held for M. G. Layman

Funeral services were held in the Rose Chapel of Gilliland-Watson Funeral Home in Hereford for M. G. Layman, 95, a former Castro County resident.

REV. BILL Dunning of Pawhuska, Okla. officiated.

Mr. Layman died Nov. 13 at the Westgate Nursing Home in Hereford.

Born Dec. 25, 1878 in Roanoke, Va., he married Clara B. Hancock in 1900. She preceded him in death in 1951.

Mr. Layman farmed in the Jumbo community before moving to Hereford, where he was a longtime resident. He was a member of the Assembly of God Church.

SURVIVORS include five sons, D. L. and C. L. of Hereford, Ernest of Dalhart, Eddie of Amarillo and James of Dimmitt; four daughters, Blanche Smith of Long Beach, Calif., Sue Taylor of Del Norte, Colo., Beulah Cargo of Graford and Meta Wederbrook of Hereford; two brothers, Walter, of Henderson and Sam of Hereford; a sister, Molly Eberhart of Louisiana; 28 grandchildren; a number of great grandchildren and four great-great grandchildren.

Burial was in Dreamland Cemetery in Canyon under the direction of Gilliland-Watson Funeral Home.

Suzan Sanders winner of Cotton Bowl ducats

Suzan Sanders of Canyon captured the grand prize of two tickets to the Cotton Bowl and \$50 in prize money in the Dimmitt Athletic Booster Club's football contest.

JEANETTE Hampton and Bill Sanders tied for second place in the guessing game.

In the final week of the contest, Jodie Minnick won first place honors as he guessed 11 games correctly and missed the Monterey at Hereford tiebreaker by eight points.

Services conducted for G. J. Behrends

Funeral services were held Tuesday in the First United Methodist Church of Dimmitt for George J. Behrends, 76.

REV. LENNOL Hester, pastor, officiated.

Mr. Behrends died Monday in Plains Memorial Hospital following a 14-day illness.

Born in Iowa, he had been a Dimmitt resident for many years. A retired trucker, Mr. Behrends was a member of the First United Methodist Church, the Dimmitt Masonic Lodge and Woodmen of the World. He was active in the Dimmitt fire department.

Survivors included his wife, Myrtle; two daughters, Mrs. Evelyn White of Houston and Mrs. Phyllis Gene Allen of Goodwell, Okla.; and two brothers, Andy and Henry, both of Dimmitt.

DIMMITT firemen served as active and honorary pallbearers.

Burial was in Castro Memorial Gardens under the direction of Dennis Funeral Home. The Dimmitt Masonic Lodge conducted graveside Masonic rites.

DHS Band dinner slated Saturday

The Dimmitt High School Bobcat Band will hold its Thanksgiving dinner Saturday from 5:30-7:30 p.m. in the South Elementary cafeteria.

TURKEY AND all the trimmings will be dished up by the band parents.

Admission is \$2.25 for adults and \$1.50 for children under 12.

Polly Simpson took second place as she picked 11 games correctly but missed the tiebreaker by 15 points.

NINE contestants picked 10 games correctly in the final week of the contest.

Those picking over 100 games correctly this season included: Bullet Adams, 105; June Sutton and Mike Bryant, 104; Polly Simpson, 103; Shirley Adams, Roxie Loudder and Edna Follis, 102; and Kenneth Cleveland, 101.

Turkey shoots set for weekend

The Dimmitt Volunteer Fire Department and the Easter Lions Club will hold turkey shoots this weekend, giving the county's shotgunners a good chance to bring home their Thanksgiving meal.

SATURDAY, the Easter Lions will hold their shoot from 1:30 p.m. until dark. The shoot will be held in downtown Easter, across from Easter Grain Co. The Lions will have shells available. Proceeds will go to Girlstown USA.

Dimmitt's VFD will hold shoots both Saturday and Sunday from 2 p.m. until everyone is through or dark.

The Dimmitt shoot will be held at the trap range at the northwest corner of the Dimmitt airport, and shells will be available.

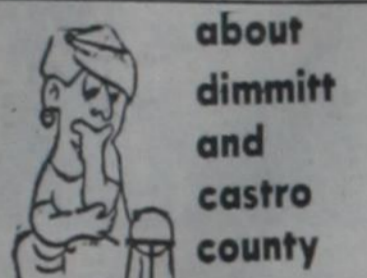

Proceeds will go to the Dimmitt VFD.

News deadlines are stepped up for Thanksgiving issue

The News will be observing a stepped up schedule next week due to the Thanksgiving holiday, going to press a day early.

ALL LOCAL news items should be turned in at the News office by 10 a.m. Monday to assure their appearing in the Nov. 28 issue.

The News will be mailed Tuesday afternoon instead of the normal Wednesday date.

by b. m. n.

Locally it's not such a bad year. The Bobcats won nine of ten football games, we have had ample rain to get a fine wheat crop up and growing, and since the rain stopped the corn and milo harvest is coming along nicely. A few more weeks of pretty weather and the crops will all be harvested then some good snows would be welcome. During the bad winter weather sports go inside where it is comfortable to watch the Bobcats and Bobbies add to the collection of basketball trophies.

Dimmitt merchants have put out their Christmas merchandise, and scattered throughout this issue of the News are advertisements inviting the people of the area to take advantage of the opportunity to buy quality merchandise at reasonable prices. We have some of the finest stores in West Texas, or anywhere for that matter, and it would appear to be bad judgment to burn expensive gasoline to make out of county shopping excursions in quest of Christmas merchandise, or for any other commodity. Another advantage of trading at home is that you are more apt to get courteous treatment when making exchanges because of size, color, etc.

I guess one advantage of not knowing much, especially about involved problems, you are apt to come up with simple solutions. Now this thing we have got going that has been [See DIMMITT, Page 8]

Sheffy's chatter

Crop harvesting keeping local residents occupied

By MYRTLE SHEFFY

Everyone I talk to says "I am working" - cutting maize, corn, worrying about the cotton.

Football and school activities have kept the town busy. "No news from them."

Don Blankenship, the speech teacher, had a forensic tournament going in Dimmitt last weekend.

Don tells me that 350 students from 19 towns came to Dimmitt Saturday. They had 51 judges and 11 were students from Abilene Christian College. These students and Mr. Blankenship were Sunday dinner guests of Jack and Myrna Miller and son Brent. Here they are: Foy Jackson, Kerry Deis, David Byrun, Blair Francis, Joyce Stevens.

And Mr. and Mrs. Carlos Calvert and son Greg were Sunday hosts to these folks: Cliff Willis, Thom Lemmons, Lesa Kelly, Nam Arnold and Wayne Gurley. And Lee Cole came with the group from ACC to visit his parents Mr. and Mrs. L. V. Cole.

DOROTHY Hopson and Mearle Morgan went to Muleshoe for the Baptist WMU Council on Women's Work. They met at the Corral Restaurant. The Morgan twins, Rickey and Randy, are farming near Bovina now. They are batching, doing their own cooking. I bet Mamma Mearle takes pies and cakes over, don't you?

Pauline Armor of Oklahoma City is a guest in the home of her sister Mrs. Ruby Maples this week. They say we eat and talk mostly.

Mrs. Helen Ambrose and Mrs. Dick Boggs, both from Marlowe, Okla., were weekend guests of Troy and Claudine Langford. Mrs. Boggs is the mother of Claudine.

Robin and Jamie Burckham of Stratford and Nicole Jones of Amarillo visited their grandparents Mr. and Mrs. L. V. Cole and Nicole also visited the other grands, the E. M. Joneses.

Mr. and Mrs. Dewey Powell have been to Leslie, Ark. visiting their daughter Pat and Hays Hutcherson who have recently bought a place there. The Powells will probably make a few trips while in that area.

A. W. SCRUGGS of Oklahoma City is here for a visit with his sister Lottie and Ray Bearden.

Candy Barrington of Lamesa is here for a visit with her grandparents Mac and Esther McRee. She is almost as pretty as her mother Connie who

finished school in Dimmitt. Don and Vicki Golden and children of Muleshoe were Sunday dinner guests of his parents Ward and Oleta. They also visit her folks Charles and Betty Vaughn and Don's twin brother Ron and Delores.

Mrs. David Honea and daughters Lis and Shari of Dumas were recent weekend visitors from her parents C. A. and Oleada Hance and sister Martha and Jake Isaacs and Jeff.

Rita and Stanley McDaniel are the proud parents of a little baby boy born in a Plainview Hospital last Thursday, Nov. 14. His name is Shad Wyatt. Mr. and Mrs. John Womack are the maternal grandparents and Mr. and Mrs. Lloyd McDaniel of Boise City, Okla. are the paternal grandparents. Mrs. Ethel Womack is the great grandmother.

Rev. and Mrs. Mike Goodwin of Festus, Mo. were here last week to visit his parents P. O. and Frances Goodwin and family and her sister Mrs. Lynn Polson and family. Mike pastors a Baptist church at Festus.

MAXINE Tidwell served a late in the afternoon turkey dinner to her bridge club. Ceal says rice stuffing, salad, those good fruit tarts. Guests were Virginia Gilbreath, Margaret Wilson, those two who high score, Ceal Carlile, Helen McLean, Reba Touchstone, Jeanie Miller, Edna Riley.

Katy and Swain Burkett went to Pampa to be with her sister who is very ill.

Our sympathy goes to the Wilkinson family on the death of Monty Wilkinson, his son Everette of Groom, another son Coyce is in the service in Japan, his daughter Peggy and Major Kenneth Fuller of San Antonio and the children. Mrs. Troy Maxwell, Mrs. H. V. Stator and Mrs. Dovie Lay are his sisters. There are many more relatives. The family met at their mother's house Mrs. Faye Cline and M. L. Cline. The funeral service was at the Methodist Church with Rev. Hester officiating. Ann Touchstone was soloist. Many years ago Monty worked with the Precinct 2 Commissioners on the road machinery.

Clint and Mae Cox went to Houston last week to visit kin. They came home then were called back to San Angelo to attend the funeral service for Mae's brother F. H. Anderson. I met recently Wendy Voit and her husband David. They have a new baby. The Mr. is with the Amstar plant. Wendy taught first graders before the baby came and another teacher I am just meeting is Ruby Fay Bell.

THE METHODIST Dinner and Bazaar was a big success. The last 20 people didn't get turkey. We are sorry. Just fed so many. We saw friend Sarah Northern of Amarillo and her friends Stella Beard, Willie Carder, Leah Roth. They were here for the bazaar, also visiting Donald and Katy Wright and Dorothy Wright. You remember Sarah is the niece of the Ramey twins. Other people I met at the church were Mr. and Mrs. Paul Deetz of Desdemona, here for a visit with Mr. and Mrs. John Farris. John is with our school. The Fred Aax's were down for dinner. Probably 400 people ate with us.

Floyd and Nell Copeland went to Oklahoma City to visit her sister. They stopped off at Lawton and Altus. The sister is Mrs. Harmon. The other kin

are the O'Neils.

We were having dinner at a drive in one day and we met Patricia Elliott who works in the ASCS office. Her husband Don is a city policeman. They live at 801 S.W. 5th Street and attend church with the Bedford Church of Christ, as do Wanda and Calvin Riley. Wanda is with Amstar and Calvin with Easter Grain. They say no kin to the Ray Rileys.

Ken Patterson and his friend Lisa, both pre-medical students at Texas Tech, were weekend guests in Dimmitt, Ken with his dad Durward and Lisa with Betty Boothe.

THE FRIDAY Bridge at the Country Club was fun with Brenda Andrews as hostess. She brought a banana nut cake, salad and things for the lunch. Others playing were Martha Jo Hyman, Bobbie Dameron, Betty Boothe, Josie Bradford, Jeanie Johnson, Jan Querze, Rosalie Gilbreath, Carol Lane, Cletha George and Dorothy Elder. I played until Betty Dennis could get there.

These games are fun even when you don't get good hands or mis-play what you do have. Mildred Sheffy, Ruth Wynne, Mildred Fuhrmann, Mabel Caffey, Judy Watson, Mary Pagett, off of Hereford, and members of the Deaf Smith-Castro Counties Legal Secretaries Association are attending the seventh annual seminar in Austin Saturday Nov. 23 co-sponsored by the State Bar of Texas and the Texas Legal Secretaries Association. Their husbands are accompanying the ladies, all compliments of the law firm for which they work. The seminar will be in the LBJ Library.

The Deaf Smith-Castro Counties Legal Secretaries are sponsoring an art and gift show in the Heritage Room of the Deaf Smith County Library, Sunday, Nov. 24 from 1 to 6 p.m. Contributors are the Olton Art Guild and the Nazareth Art Guild. Olton Art Guild will have oil paintings. Maxine Struve and Ira Mae Wathall of Olton are members of that Guild. Other guest artists are Travis McPherson, the Sheriff of Deaf Smith County, Mildred Sheffy and Tim Gearn has metal sculpture. The Nazareth Art Guild will have all types of gift items, as well as paintings. This will be a good place to do your Christmas shopping. The commissions received will be used to further the educational and civic projects of the chapter.

I AM JUST hearing about the marriage two weeks ago of Edna Follis and Tom Sanders of Springlake. Tom works with John Deere Implement in Earth. Edna has been with the ASC office here for several years. Her mother Mrs. Follis is now living in Decatur looking after a shop for her sister. Mr. Follis passed away several years ago. Jessie Ebeling is Tom's sister. Guests in Jessie's and Jack's home Sunday were their children Kenny and Lou Ann Ebeling and Dee Ann of Amarillo, son Danny of Lubbock. He is in the construction

work now building the new Hotel Hilton, and Bobbie is teaching history at Texas Tech Lubbock and working for his Masters Degree. Busy family.

Es and Kate Noble were hosts at Sunday dinner at the Colonial Inn Restaurant for their children E. B. and Evelyn and Jerry and Barbara Noble and sons Roger and Rodney of Lubbock.

The Hospital Auxiliary Ladies will serve a buffet dinner with a bazaar of Christmas gifts at the Lamar Fellowship Hall in the First United Methodist Church Friday, Dec. 6. Mark your calendar. The girls have had several workshops making pretty things.

SOMEONE quoted this little rhyme to me Sunday so I could remember the difference between a Swede and a Norwegian. Here it is: "1000 Swedes ran through the weeds, chased by one Norwegian." Chet Braafladt didn't say this, but he is Norwegian by ancestry.

Debbie Mobbs and son Shon are staying with her parents Ruth and Delbert Timmons while her husband Andy is at boot camp in Ft. Polk, La. That is a hot place, I hear.

I went to the Nazareth Art and Craft Show Sunday with daughter-in-law Mildred Sheffy. We saw several of our town folks, Geneva Schaeffer and daughter Jackie Byrnes, Mary Flynt and Karon, Mrs. Charles Rickard and Mrs. Delbert Timmons, Mrs. Braafladt and Joan Thrasher. The Nazareth ladies were serving coffee and cake. Mother Kemp had a 94-year

birthday last Thursday. She lives at South Hills Manor. Her daughter Willie Fe Hestor of Clovis came over to visit her mother and Louise Kemp.

Elvis and Joy Barker spent Friday, Saturday and Sunday in Erick and Sayre, Okla. visiting their parents Mrs. Ida Barker and Mrs. and Mrs. Jack Lamm and other relatives.

Art Cano moved from Lubbock to Dimmitt and is a new mail carrier. Art's wife is Erminia and one child, a two month old boy. They attend Father Chen's church.

Beral Hance and Mary Edna Hendrix were in Lubbock Sunday afternoon to attend a concert at Monterey High School. They also visited the Kent Hances and Seralyn Hodges.

Florene Leinen spent the weekend in Amarillo with her children Kathy and Terry Hill and Brent.

WINONA Bunch was honored Sunday evening after church in Fellowship Hall of the First Baptist Church for 8 1/2 years as church secretary. About 150 friends were served punch.

coffee and cake from a table covered with a red bandana cloth. The same material was used in other decorations and in a basket with turned out to be a basket of money.

The Book Club met in the Rhoads Memorial Library Wednesday with a book review by Mrs. Rena Whitten of Edmondson, who was the guest reviewer of Mrs. J. R. Brown.

The book was a small fun compilation of essays by Edna Jane Bahr, "Everybody Wins, Nobody Loses," mostly the things every wife and mother [See CHATTER, Page 13]

Water Inc. begins membership drive

Workers in the 1974 Water, Inc., Membership Drive have launched an intensive new member campaign in Castro County. The effort is a part of an area-wide membership drive and is aimed at swelling the regional organization's membership by more than 1,200.

"THE THEME of this year's

membership drive, 'Action Today for Water Tomorrow', is more than an empty phrase," said Bob Caddell, who heads the campaign in the local area. "Although we in Water, Inc., are doing all that is possible to speed up implementation of the project to import water into the area, the fact remains that a long lead time is required, and if we wait until our wells run dry, it could well be too late," he said.

Water, Inc., activities include work with state and federal agencies, coordination of efforts with other water organizations and public education. Its finances are derived entirely from membership dues. Its membership represents a cross-section of the area it serves (West Texas and Eastern New Mexico) and its activities are directed toward solving future water problems for the entire area.

NEW FABRIC blends of cotton and wool take advantage of the best characteristics of each fiber, Mrs. Becky Culp, area clothing specialist, Texas Agricultural Extension Service, reported. The warmth of wool and the comfort of cotton create a pleasing, attractive balance for wearers.

Soil survey brochures available from SCS

How soil surveys can help is the subject of a new set of color brochures available from the USDA Soil Conservation Service.

THE LEAFLETS are designed to describe uses which can be made of soil surveys by nine different groups including homebuyers, builders, developers, land use planners, land appraisers, farmers, ranchers, construction engineers, and others.

District Conservationist N. A. Bryson of Dimmitt said single copies of the leaflets are available free from his office.

Soil surveys have been made on about 120 million acres of land in Texas as part of the National Cooperative Soil Survey. Additional land is being mapped at the rate of about 5 million acres per year.

The surveys are made by SCS soil scientists who examine the soil acre-by-acre. They record depth, percent sand or clay in each layer, acidity or alkalinity, wetness, flood hazard, and other features by soil name symbols on aerial photographs. After a county survey

is completed, the survey is published for public use.

BRYSON SAID the survey for Castro County is published. Soil survey information for all the land in the county is available at the Dimmitt SCS office.

Soil surveys can be interpreted to determine suitability of soil for home sites, building foundations, septic tank filter fields, gardens, cropland, trees, parks, fill material, and other uses.

They also can be used to predict depth to bedrock; location of sand, gravel, or caliche deposits; corrosivity to metal pipelines; shrink-swell hazards; and dozens of other features.

Bryson urged anyone interested in soil surveys to contact his office for a free leaflet explaining how surveys can be used. If making your request by mail, specify your business or special interest so you will receive the leaflet designed for you.

THE DIMMITT SCS office is located at 218 East Bedford. The mailing address is P.O. Box 38, telephone number 647-4324.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

The Dimmitt Book Club honored several organizations at their November meeting by inviting them to attend a book review held at the Rhoads Memorial Library. Mrs. Rena Witten of Edmonson reviewed the book "Everybody Wins, Nobody Loses", by Edith Jane Bahr. Mrs. Witten was reviewing for Mrs. Mary Jo Brown who has donated this book to the library. Refreshments were served from a beautifully decorated table by Leora Little, Gladys Leeth and Shirley Wise to approximately 65 people.

ANOTHER popular book in the library is "Total Woman"

Mortgage Life Insurance

Call:
Kent Birdwell
116 E. Jones St.
Phone 647-3427

by Marabel Morgan, who was disappointed in her marriage and she delved into every book she could find with advice on marriage — including the Bible. Her discoveries brought overwhelming success in her own marriage and she decided to share them with other women in a marriage enrichment course. Through this "Total Woman" course many more women experienced the same fantastic results! Now, Marabel Morgan's amazing discoveries as well as her own experiences and those of her students have been gathered together in this very practical guidebook — one which will enable every woman to revitalize her life and marriage.

There have been several in to use the microfilm reader here in the library—Madge Robb, Teeny Bowden, Naomi Brown, Ann Oldham, Helen Oldham, Mrs. Granville Martin, Mrs. William Moss, Bob Huckabay and Robert Duke. The Genealogical Society donated this microfilm reader to the library but it is here for the public to use.

SHIRLEY Schacher, Shirley Goolsby and Melba Sanders read several stories to 26 boys and girls at the Children's Story Hour last Friday afternoon. Mrs. Sanders took the older children into the meeting room and they acted out their stories. It sounded like they were having lots of fun but we were too busy with the little ones to look in on them. One of the helpers tried three coats on one little girl when it was time to go home but she kept saying it was not her coat. Finally her sister told us she didn't wear a coat. Last week one mother took several children with her and they started home when one little girl said they had left a little girl. So you see we have lots of experiences at Children's Story Hour—but we also have fun! We are having a few new ones attend.

DATING of meats is only a guideline—not a guarantee, Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, advises. Many factors besides time influence the keeping quality of meat. Temperatures during storage and handling are more critical to the keeping quality of meat than time, she says.

Competition has created another use for those bank credit cards; buying groceries at your neighborhood chain supermarket. Chains have resisted the bank credit cards, which have become an established part of all other retail operations. Chain grocery stores were a natural for credit cards because they are the biggest cash and carry business around. Profit margins are low in the chain grocery field (less than 1½%) so the chains weren't anxious to give up any of what little profit there was. The bank credit cards charge the retailer an average of 3% of volume, but the grocery chains have worked this service charge down to ½ of 1%.

SUPERMARKETS are also interested in the bank credit cards because the losses in personal check kiting are huge. The cost of handling checks also runs into big administrative and financial costs because of the time employees have to spend running down the check passer, writing letters and trying to collect on the bum checks. Getting rid of the rubber check problem is a big plus for the credit cards because there are no bad check losses under the arrangement with the banks. Funds also process faster with the credit cards. This can make a big difference in the profit or loss of a supermarket.

Another intriguing reason for supermarkets going to credit cards is the average charge transaction of \$19 compared with \$8.50 when a customer forks over hard cash. A Phoenix, Arizona chain finds the average credit card transaction is three times that of the average cash purchase. Not all grocery chains are going to the credit cards. The trend is only a "ripple" now but could become a river quickly.

DPS checks 10 October accidents

The Texas Highway Patrol investigated 10 accidents on rural highways in Castro County during the month of October, 1974, according to Sergeant J. R. Smith, Highway Patrol supervisor of this area. THESE crashes resulted in five injuries. The rural traffic accident summary for this county during the first ten months on 1974 shows a total of 90 accidents resulting in one death and 52 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for October, 1974, shows a total of 502 accidents resulting in 19 deaths and 215 persons injured as compared to October, 1973, with 664 accidents resulting in 31 deaths and 377 persons injured. This was 162 less accidents, 12 less killed, and 162 less injured in 1974 at the same period of time.

The 19 traffic deaths for the month of October, 1974, occurred in the following counties: three in Hale; two each in Haskell, Lubbock, Palo Pinto, Wise; and one each in Clay, Briscoe, Hall, Ochiltree, Oldham, Roberts, Swisher and Wheeler.

Stretch dollars for Thanksgiving
Make Thanksgiving a time for thanks — thanks that your food dollar covers your basic nutritional needs without stretching it to the breaking point, one foods and nutrition specialist advised this week.

“SINCE MEAT takes the largest portion of your food dollar, a comparative shopping trip is a good idea,” Frances Reasonover with the Texas Agricultural Extension Service, pointed out. The specialist suggested you consider the number of servings you will need and the number of servings per pound you can expect from each of the products you're comparing — turkey and ham, for example. “You can expect two and a half servings from one pound of ham with bone in, but three servings from a pound of boneless ham.”

“One pound of whole fresh turkey yields two servings per pound, while one pound of turkey breast or boneless turkey roast gives three servings,” Miss Reasonover pointed out. NUTRITION WISE, turkey and ham are comparable. Both are good sources of protein — but pound for pound, turkey has a little more protein and less fat than ham. This may be a consideration if you are on a special low-fat diet, she noted.

Recipes are available at Extension office

By IRENE KEATING
We do have a good supply of our holiday recipes now. Come by and get a copy. They were selected because of a small amount of sugar and for good nutrition. We'll all be better off if we eat less sweets this year anyway.

ing and I know you're all busy. We'll all be thankful for this year's harvest (when it is finally completed.) All of you "do-it yourselfers" are in for a treat these next six weeks. "You Can Do It!" is a series of home care and repair programs to be seen on Channel 4 KAMR TV in Amarillo. Cindy Kidwell hosts the program which begins at 1 p.m. this Saturday, Nov. 23 with "Shock of Your Life" and covers electrical repairs. If you'll call me or come by and "enroll" in the series you will receive a set of publications that support the TV series and are an excellent home reference.

NEXT WEEK is Thanksgiving

Other subjects to be covered in the series are Cleaning on a Shoestring, Faucet Fixits, Toilet Tuneups, Wise Up-Tighten Up, and Carpet Care.

TEXAS is expected to produce almost 70,000,000 bushels of corn this year off 775,000 acres.

Breast cancer film is shown Sunday at Hart

By SHIRLEY HALL
The film "Breast Cancer, Where We Are", was shown in the library at Hart High School Sunday. Mrs. L. C. McLain was narrator and hostesses were members of Hart's Chi Psi Chapter of Beta Sigma Phi.
THERE WERE about 40 ladies present to view the film by the American Cancer Society which showed the correct way to perform breast self-examination.
Breast cancer is the number one killer among women today and according to Dr. Arthur Holleb of the ACS about 95% of all breast cancer is discovered by the women themselves. He strongly recommends that women of all ages perform the simple monthly self-examination in addition to regular clinical checkups.

Breast cancer seems most prevalent in women of about 35 years of age, but those under 35 can and do develop it. With each added decade of age the chances of cancer of the breast are much greater. Also for women in the high rate category (in which their mother or sister has had breast cancer) mammography and thermography techniques are available for very early detection. These are x-rays of tissue and heat pattern tests respectively which can pinpoint a small hidden tumor even before it is large enough to detect otherwise.
ACS continues to stress the importance of early detection and treatment of all types of cancer, but in the breast cancer area, self-examination is still one of the largest contributing factors to saving lives.

Here are week's best food buys

Turkey prices are much lower than they were last year. Mrs. Gwendolyn Clyatt said this week.
"PRICE dips are due to this year's good turkey crop and very high cold-storage holdings," the consumer marketing information specialist with the Texas Agricultural Extension Service, said.
However, if turkey still doesn't fit the holiday food budget this year, consumers can choose turkey parts—or switch to another entree entirely, Mrs. Clyatt added.
Choices include chicken, ham, or certain beef cuts.
"A variety of steaks, chuck, rib and rump roasts—and ground beef—are meat market features."
Commenting on Thanksgiving vegetables, the specialist said sweet potatoes will reach their peak in time for the holiday, and white potatoes—at much lower prices than last year—are in abundant supply.
"Broccoli and Brussels sprouts are now in their peak season, and bulk turnips and rutabagas are readily available."
"CARROTS, cabbage, squash and dry yellow onions are other economically priced selections."
"Also, cranberries are abundant—with prices near or slightly below last year's levels."
Holiday fruits include tangelos, with 40 percent of that crop coming to market this month. However, tangerine supplies won't peak until December, the specialist said.
Mrs. Clyatt termed Texas grapefruit flavor "delightful" this season and reported a supply increase—"buy it by the bag," she added. Grapes, bananas, oranges and pineapples are other good fruit choices.

from refrigerated cases—also, read labels carefully for grade and size.
"Medium-size eggs are likely to be close to large-size in price. Larger sizes are the better buy, if there's less than a seven-cent price spread (per dozen eggs) between one size and the next smaller size in the same grade."
CONSUMER WATCH-WORDS: "Waste" is the villain that breaks the holiday food budget.
If turkey is the Thanksgiving choice, usually there will be enough meat left over for one or two special turkey dishes.
Also, simmer the bones for soup stock.

Guards sparkle as Bobbies win opener

Dimmitt's guards staged a defensive blitzkrieg against Frenship's forwards Tuesday night as the Bobbies won their season basketball opener, 42-27, before the home crowd.

GUARDS Kerry Broderson, D'Wan Goldsmith and Karen Hutto held the Tigerette forwards to less than seven points per quarter and didn't allow a single field goal in the third frame.

The Bobbie guards stole the ball 12 times during the game, with Broderson collecting six and Hutto and Goldsmith spearing three apiece. They did well in the rebound department too, with Goldsmith and Broderson grabbing five each and Hutto coming down with three.

Meanwhile, Beth Cleveland sank 16 points to lead Dimmitt's scoring as the Bobbie forwards averaged 51 percent on their field shots.

THE OPENING game victory was a sweet one for the Bobbies' new coach, Sam Nichols, who used all 11 girls on his varsity squad during the game.

"The guards' outstanding defensive game was the main difference," Nichols said, "but I was proud of our forwards'

shooting, too. And I was real pleased also with the help we got from our bench. They came in when we needed them and really helped us out, both on offense and on defense."

It was the first loss for the Tigerettes of District 5-AA, who had won their season opener last week.

Broderson received a sprained ankle in the game, "but hopefully, she'll be ready to play by Friday," Nichols said.

IN THE girls' B-team contest, freshman forward Mimi Salinas—playing in her first regulation game—racked up 24 points as the B-Bobbies defeated Frenship, 48-32.

Friday night the Bobbies will travel to Muleshoe for a 6:30 test against the potent Mulettes, who are 2-0 so far this season.

The Mulettes of District 1-AAA have one of the top guards in the region in Belinda Throckmorton, who is an all-Panhandle Plains pre-season pick. "And they're tall," Nichols said. "They can start a team averaging 5-8 or better."

647-3123 For Printing

Bobcats' opening game is 86-84 barn-burner

The Levelland Lobos, pre-season favorites in District 1-AAA, needed a pair of last-minute free throws to defeat Dimmitt's ambitious Bobcats in an 86-84 barn-burner at Levelland Monday night.

THE BOBCATS overcame a five-point deficit to take the lead at 84-83 with less than a minute to go. But Levelland converted a Dimmitt foul into a three-point play for the victory. The Bobcats got one more chance for a winning shot, but it rimmed out just before the buzzer ended the high-scoring fracas.

Even Bobcats scored in the

Drunk drivers to be sentenced to go to class

Starting in January, drunk drivers here will have to go to class.

THE "D.W.I. CLASS," to be held at the Mental Health Outreach Center, will teach the effects of a DWI conviction on the person's law-enforcement records, family, employment status, etc.; will show the statistical hazards of drunk driving; and will try to help the person find out why he felt he needed to drink.

Roy Alexander, outreach director for the Central Plains Center, said the program already is underway in Plainview, where those who plead guilty or are convicted of driving while intoxicated are referred to a class lasting six to eight weeks. Results so far are encouraging, Alexander said.

Legal secretaries hold meet Nov. 12

Barbara Wheat was elected secretary of the month at a meeting of the Deaf Smith-Castro County Legal Secretaries Association Nov. 12 in the new library building in Hereford. **MRS. WHEAT** serves as secretary for Burkett & Ross of Dimmitt.

Following a short business meeting, Rex Easterwood, a Hereford attorney, served as moderator for a workshop on the new family code.

The code was passed by the last session of the Texas Legislature and went into effect Jan. 1. Easterwood covered sections on forms and practice for divorce and annulment, adoptions, suits affecting the parent-child relationship and juveniles, all in light of the secretary's responsibilities in the preparation of the papers.

Hostesses for the meeting were Mildred Fuhrmann and Mabel Caffey. Those attending from Dimmitt were Patti Cartwright, Clara Vick and Audrey Bussey.

opening game. "There wasn't much slack between the first five and the second five we used Monday night," Coach Kenneth Cleveland said. "You couldn't tell any difference in points or play. I think that's going to be one of our real strong points this year."

WAYNE McKEE led Dimmitt's scoring with 14 points, followed by Jim Birdwell and Craig Williams with 12 each and Johnny Hampton with 10. Levelland also won the boys' B-team game, 52-55. Keith Crum led Dimmitt's scorers with 19 points, while Jerry Schaeffer was credited with handling the ball well against Levelland's press.

Community services to be Wednesday

Community Thanksgiving services will be held Wednesday at 7:30 p.m. at the First United Methodist Church. The interdenominational service is open to all county residents.

Genealogists to hold meet tonight

The Castro County Genealogical Society will have a salad supper tonight (Thursday) in Rhoads Memorial Library with the wives and husbands of all members as special guests.

The supper will be held at 6:30 with a meeting following. New officers will be elected. Members should bring a salad, your surnames, dates and states you are researching.

Kiwi Fruit Has Potential

An odd-looking fruit that looks non-edible promises to provide American consumers a nutritious new taste treat and American farmers a lucrative new crop.

It's kiwi, known to some as the Chinese gooseberry. Native to Asia, the fruit was first produced commercially in New Zealand where it was named "kiwi" after the country's national bird.

About the size of a hen egg, it has a brownish skin with a covering of short, stiff hairs. When peeled and sliced, kiwi fruit has a green flesh that becomes a cream shade at the center. Its taste is described as a combination of strawberry, rhubarb, and pineapple.

The fruit has a higher Vitamin C content than citrus, is rich in iron, and its enzymes reportedly aid in digestion.

While most of the kiwi fruit now being sold in this country is imported, an estimated 300 growers planted about 2,000 acres of kiwi vines in California last year. Culture of kiwi plants is similar to that of grapes.

Consumer acceptance, with demand far outstripping supply, is stimulating new interest in the plant as a potential crop for the western United States.

More about Corn yields . . .

[Continued from Page 1]
tested below 50 pounds," he added.

ED WOODARD of Bruegel & Sons Elevators reported that corn yields are a little better west of Dimmitt, with some yields averaging in the 8250-8700 pounds per acre range.

"These yields are exceptional this year, but we had one really exceptional yield of 9,683 pounds," said Woodard. Farmers Grain Co.'s Aubrey Myers reported that both corn and milo harvesting in the Hart area is nearly completed.

"Milo yields are 1,500 to 2,000 pounds light compared to last year, and the corn is about 1,000 pounds light. With a killing frost, we could be through with harvest by Saturday," said Myers.

Another week to ten days will be required to close out the corn harvest in the Nazareth area according to Kenneth Slough of the Nazareth branch of Dimmitt Agri-Industries. "CORN YIELDS are running 1,500 to 2,000 pounds per acre under last year, and milo is at least 1,000 pounds per acre under last year," said Slough. "The milo isn't too bad south of Nazareth, but it's in rough shape north of Nazareth where it was so dry during the summer," he added.

A portion of this year's crop has been left lying in the fields due to borers, high winds and prolonged wetness. Some corn farmers have suffered field losses as high as 1,500 pounds per acre, despite their best efforts to pick up the fallen stalks.

Despite lower yields and high field losses, county farmers can be thankful for the clear sunny weather which has finally allowed them to salvage a major portion of their grain crops.

Last year was an exceptional year yieldwise for both corn and milo and county farmers are aware of that fact.

They are even more aware that this year's losses could have been far more severe had not the weather improved.

More about About Dimmitt ...

[Continued from Page 1]
roughly defined as inflation in one area of the economy, and recession or depression from another standpoint. That's really getting things pretty well messed up. I don't believe there is any complicated solution that will straighten out the mess that the national economy is in, or that will get the World Football League out of its predicament. We have got to the point where some simple measures must be applied: like getting the interest rate down and loosening up the money bags again so that construction of homes and other needed facilities can get underway, people who do that kind of work are in need of jobs; like putting our anti-trust and price-fixing laws to work so that the price of basic commodities, such as fuel, fertilizer, sugar, anti-freeze, etc., can be purchased by an average income family; like putting wage and price controls on things that people buy, and leave them there until big business and big labor come to their senses. This business has become too complicated for computers and college professors, it is time for some simple measures.

RESEARCHERS investigating odor control methods must first have a good method of measuring odors, contends the agricultural engineer specializing in livestock waste management. And, the legal process of regulating odors in Texas could also be simplified.

Presently, odor nuisance complaints and litigation are based on emotional judgments and monetary damage claims rather than on scientific evidence that odors are intolerable, says the specialist. "By contrast, a reliable method of odor measurement would enable air pollution control agencies to establish odor criteria. Such an odor intensity standard could benefit both livestock feeders and the public by possibly eliminating the expense of odor nuisance suits."

Through odor measurement, the actual need for an odor control program could be determined, says Sweeten.

Another application of odor measurement would be to help determine how far new feedlots should be located outside of populated areas.

"WE NEED to be able to predict odor intensities downward from a feedlot under various design and operating conditions," points out the engineer. He lists several ways of

Feedlot odor control hinges on measurement

"The success of future livestock and poultry feeding operations may depend on their ability to control odors economically," says Dr. John Sweeten with the Texas Agricultural Extension Service. "And the key to controlling odors hinges on the ability to measure them."

Another approach is to measure concentrations of some of the 45 different odorous gases emitted from livestock manure. However, odorant concentrations do not necessarily reflect odor intensity as detected by the human nose.

"Control of odors from feedlots can only come about through increased research on odor measurement systems and odor abatement programs," contends Sweeten.

measuring odors. One way is to measure the amount of "clean" air it takes to dilute odorous air so that odors can barely be detected. A portable air dilution device called a scentometer is helpful in enabling engineers to pinpoint the main source of feedlot odors.

Another approach is to measure concentrations of some of the 45 different odorous gases emitted from livestock manure. However, odorant concentrations do not necessarily reflect odor intensity as detected by the human nose.

"Control of odors from feedlots can only come about through increased research on odor measurement systems and odor abatement programs," contends Sweeten.

Perez receives diploma at AC

Santos Perez Jr., a patrolman with the Dimmitt police was among 20 officers representing Panhandle area law enforcement agencies who received diplomas acknowledging they have completed the education required for certification as a law enforcement officer in Texas at ceremonies held in Amarillo recently.

PEREZ COMPLETED a six-week training session at the Amarillo College West campus.

The graduation ceremony was held Nov. 7 at Sutphen's Barbecue in Amarillo. State Senator Max Sherman delivered the graduation address.

WE'RE PROUD OF OUR BOBCATS

To the Dimmitt Bobcats and their coaches, Deane Wright, Travis McMinn, Alton Fields and David Land: We congratulate you on your fine season and the great games you played.

When you do your best and get licked, that's no sin. All of us have ups and downs in our lives. What's important is to pick yourself up and go again. You gave 100% in all your games, you never did quit, and you represented your school and community with distinction. With the precedent you set this year, we're looking forward to next year.

ICE-BREAKER—Dimmitt tackle Harold Love [right] beats the referee in signaling the first touchdown of the District 3-AA championship game here Friday night. In center of photo, Robert Mayberry has just punched through the tough Olton line to put the Bobcats ahead,

6-0. The Mustangs came back to take an 8-6 lead in the second quarter, however, and went on to post a 28-14 victory for the right to go into the state playoffs. Both teams finished the regular season with 9-1 records.

Nazareth

Order of St. Francis meets

By MRS. AGNES BROCKMAN

The Third Order of St. Francis met Sunday for their annual meeting. They choose two needy families to help during the Christmas season. They also had a discussion on the Holy Year coming up in 1975. They plan to have their Christmas Mass and supper in the home of the Frank Hoeltings.

THE TONY Gerbers celebrated their 45th wedding anniversary at the Legion Hall Saturday. All their children and brothers and sisters were present for the occasion.

Mrs. Paul Venhaus left Sunday for Guyton, Okla. to be with her daughter who had a baby girl.

Mrs. Regina and Ellen Steffens went to Slaton last week to see Mr. Steffens who is quite ill in the hospital there.

Mrs. Sybil Steffens went to Slaton last week Saturday to attend a wedding of one of her relatives.

THE BABY boy of Mr. and Mrs. Acker was baptized Sunday and was named Heath Edward. Sponsors were Mr. and Mrs. David Schulte. After the Baptism they had dinner at the Clarence Schultes.

Mr. and Mrs. David Ehly and family from Amarillo visited relatives in Nazareth Sunday.

The Nazareth Art Club sponsored a Craft and Art Show at the Cafetorium Sunday. A nice crowd attended and lots of wonderful paintings, homemade pillows, aprons, handbags and all sorts of other things were on display. Also homemade bread, cakes, rolls, candies and many other things were also for sale.

The Art Club would like to thank everyone who came and participated in the bazaar. The door prize of a letter holder was won by Leonida Durbin. In the other drawing Lester Backus won first prize of the afghan which was donated by Lucille Drerup; second prize of the money tree was won by Sister Immaculata. It was donated by Rose Birkenfeld. The TV turtle was won by Mrs. A. G. Lincecum of Kress. It was donated by Rosemary Wilhelm as third prize. Fourth prize of a lady's billfold was won by Dorothy Kleman. It was donated by Mrs. Kathryn Stevens.

Guests of C. B. Wilhelm and relatives were Clarence Drilling

from Wuakoma, Iowa and Frank Drilling from Cresco, Iowa.

MR. AND MRS. Charles Bowen and family of Plainview visited relatives in Nazareth Sunday. We were very happy to see their daughter who had recently had surgery in Houston looking so well and able to be out again.

The Christian Mothers Society is having its annual Thanksgiving Dinner at the community hall Sunday, Nov. 24. Turkey, dressing and all the trimmings will be served. Everyone is invited.

Max Acker returned home last week from San Antonio where she visited her son and family the Tom Ackers. She also spent some time in Dallas visiting the Kenneth Ackers.

The Frank Hoeltings are leaving this week to visit Sister Jean Heiman at Houma, La. for a few days, and on their way back will stop in Dallas and spent Thanksgiving with Diane Norris and family.

Cyril Brockman and James Wilhelm attended the Turkey Shoot in Bovina Sunday.

County graduates to join in march

Vickie Wilhelm, a Nazareth High School graduate and Jean Foster and Becky Miller, Hart High School graduates will join the 240-piece West Texas State University Band Saturday when it "makes history," marching 20 miles from Canyon to Amarillo.

THE LONGEST such march recorded for any band, their effort will qualify West Texas State for a listing in the Guinness "Book of World Records" and hopefully raise enough money to send the WTSU Symphonic Band to California. Approximately \$20,000 is needed to send the band to perform before the prestigious College Band Directors National Association Feb. 5 in Berkeley, according to Gary Garner, director.

The WTSU group was selected from nationwide competitive tape situations to be one of six bands to perform before the association.

Garner said that each student will have to raise approximately \$150 by seeking sponsors to pay any amount they wish per mile.

THOSE WISHING to support the band trip may mail contributions to Box 784 in Canyon.

The estimated four hour march will begin at 10 a.m. Saturday and will culminate with a concert in Amarillo's Plaza Shopping Center.

Easter 4-H's plan awards banquet, party

By ANNETTE THOMASON

The Happy Helpers 4-H Club of Easter met Nov. 12 to discuss plans for the awards banquet and Christmas party to be held Dec. 5.

THE BANQUET will be held at 7 p.m. in the Easter Community Building. An outstanding 4-H boy and girl will be

presented awards along with the adult leaders.

Club members also made plans to begin food show projects. Food show leaders are Mrs. Pauline Adams, seniors; Mrs. Lana Downing, juniors; and Mrs. Mary Behrends, beginners.

The food show project will be finalized Jan. 18 with a bake-

off.

Amy and Laura Downing reported on receiving checks from the Tri-State Fair for their entries in the culinary division.

Amy Downing received a check for \$3.50 for first place in green beans and second place in corn and carrots.

Laura Downing received \$1.50 for first place in carrots.

MEMBERS of the club entomology class presented the program, showing insect displays and giving detailed reports on certain insects. Those presenting the program were Tammy Behrends, Laura and Amy Downing and Royce Thomason.

Others attending the meeting were Vonda Richards, Annette Thomason, Kyrene Behrends,

On the go

Mrs. Flora Stanford is home from a trip to Houston where she visited her children. She also has been to Albuquerque to visit her son Paul and family.

Ramonda and Darena Young, Pam, Wanda and Lori Fieldman, Billy and Pat Salazar, Terry and Sandy Harkins, Shelly Fry, and Brent, Tori and Jenness Self.

Bobcat dreams shattered as Olton takes 28-14 win

By JIMMIE CHAPMAN

Dimmitt's dream of an undefeated season and post season play came to a sudden stop Friday night at Bobcat Stadium as the Olton Mustangs' stingy

defense stalled Dimmitt's ground attack and ran away with a 28-14 win, the District 3-AA Championship and a playoff spot in Bi-District play against the Lockney Longhorns. IT WAS the last game for 15 Dimmitt seniors and the loss left them with a 9-1 season record, their best season since 1957 when the Cats ended with a 9-1-1 record. The Bobcats had a chance for the best record during regular season in history going into the game, but the Mustangs from Lamb County had too many horses to run at a small but tough-at-times Bobcat line.

Robert Mayberry, Dimmitt's all-state candidate who was a questionable starter until game time due to a knee injury, played the whole game, but the stout Olton defense allowed him only 50 yards on 18 carries while he was thrown for 13 yards in losses.

Glen Johnson, Olton's workhorse, ran with the ball 28 times for a total of 132 yards, but the talented junior tailback did get credit for the one yard that Olton lost in the game. Olton's blocking was superior for the game and the total of one yard lost on the ground against a supposedly tough Bobcat line was shocking to the home fans. Several times the Dimmitt defense threw Olton for losses but they did not go into the records because penal-

STRETCHING IT—Dimmitt halfback Robert Mayberry lunges for the midfield stripe and a first down while leaving three Olton tacklers strung out behind him in the fourth quarter of the District 3-AA championship game Friday night. At right, tackle Harold Love appears ready to give Mayberry a push. Mayberry

played his final game with a painful sprained knee and was only at half speed, but still made his presence known with runs such as this one. Olton won the game, 28-14, and the district championship that went with the victory.

ties nullified the plays.

Dimmitt got on the scoreboard first late in the first period after Robert Horton recovered a Mustang fumble at the Dimmitt 44 yard line. It took the Cats 10 plays to move the 56 yards to paydirt. Mayberry ran the last five plays, picking up short yardage every time and finally going over from the one yard line on a third down play.

GLEN JOHNSON, who also played an outstanding defensive game, came charging through and blocked Rick Wright's try for the extra point and the Cats held a 6-0 lead with 3:05 left in the first quarter.

Travis Hampton has intercepted a Parker pass early in

 O—Alcorta 1 yard run.
 D—Calhoun 42 yard pass from Lawson, Sanders ran points.
 O—Johnson 6 yard run.

the game to stop Olton's first drive and Horton's recovery of the fumble stopped another. Olton also stopped Dimmitt's first drive early in the first quarter when quarterback Brad Sanders lost six yards on fourth down and Olton took over at its own 32 yard line.

On the first play after Dimmitt's kickoff following the TD, Olton's quarterback Parker found Scott Roberson in the open with a pass play but the flanker let the ball go between his arms. He had completely fooled the Bobcat secondary and had clear sailing for the score. Olton kept the drive going until two plays before the end of the first quarter, when Lance Loudder intercepted a pass from Parker at the Dimmitt 45 and ran it back to midfield as the first quarter ended.

After an exchange of fumbles, one by Mayberry and one by Johnson, Olton got the ball on the Dimmitt 39 yard line when Robert Calhoun's punt went for only 12 yards. It took the Mustangs eight plays to score. On the first try, Johnson was thrown for the only loss of the night, a one yarder. Then Parker picked up nine and Joe Alcorta picked up four in two carries. Johnson ran with the ball three straight times to put the ball at the 11-yard line and with 3:43 left in the first half, Alcorta swept over right tackle for 11 yards and a touchdown. Johnson rammied over the two extras on a run and Olton was out in front 8-6.

DIMMITT took the kickoff from its own 40 yard line to the Olton 32 on short yardage plays plus a pass from Sanders to Mayberry for 16 yards, but a 15 yard penalty hurt the drive and with only 25 seconds left in the half, Parker intercepted a Sanders pass at the Olton 28 and the half ended with Olton leading 8-6.

Dimmitt received the second half kickoff and moved into Olton territory on runs by Mayberry and Gene Veals. Olton recovered a Veals fumble at the Olton 42 yard line. It took the Mustangs 11 plays, most of them by Parker, but one fourth down run of seven yards by Johnson, to put the ball at the Dimmitt one-yard line. It took Parker two tries at the line but he finally managed to score on a quarterback sneak. Johnson again ran over the extras and Olton led 16-6 with 5:11 left in the third period.

After the kickoff Dimmitt failed to punt on fourth down

made in the third quarter.

AT THE start of the final period, Dimmitt had the ball at its own 27 and with Horton and Mayberry carrying and Lawson completing two short passes, the Cats moved the ball to the Olton 42. On second down Lawson hit Calhoun with a bullet pass across the center and Calhoun carried the remaining 35 yards for the 42-yard scoring play. Sanders carried the ball for the extras and the lead was cut to 14-22 with 9:22 left.

Taking over the ball on the Dimmitt 37 after holding Olton on downs and Allcorn's 27-yard punt, Dimmitt had a chance for a drive that would tie the game. On second down Kevin Workman intercepted a Sanders pass and Olton had the ball at the Dimmitt 37. The Mustangs moved the ball to the Dimmitt 14 yard line before they were forced to give it up when Mayberry knocked Johnson out of bounds short of a first down.

Two Dimmitt passes went incomplete and Mayberry was caught for no gain. The Cats faced fourth and ten from their own 14 with only 3:38 left in the game. Dimmitt had no choice but to go for broke. A tie would have been of no value to the Cats because Olton was ahead in penetrations 4-2 and also led in the first downs department. The Cats had to score twice and they knew it and they gambled and lost when Sanders was thrown for an 8 yard loss back to the six yard line. Olton scored on the first play for the "cheap" TD when Johnson ran the six yards for the score. Alcorta tried for the points but was stopped at the one yard marker and Olton was in the lead 28-14 with 3:24 left in the game.

Dimmitt got the ball on a short kickoff at its own 28, but could get only to the Olton 28 before the Cats had to give it up on downs and Parker ran

three quarterback sneaks for no gain to run out the clock and send Olton home with a 28-14 victory.

Outside of Mayberry's totals, Veals was 5 for 23, Lawson 5 for 17, Sanders 4 for 3, Horton 6 for 10 and Thompson Mayberry got 25 yards on 7 carries. Robert Mayberry caught 3 passes for 24 yards, Travis Hampton two for 9 and Calhoun one for 42.

DIMMITT had 15 seniors who wore the purple and white for the last time on the gridiron. They are Brad Sanders, Travis Hampton, Robert Mayberry, Gene Veals, Cliff Parker, Robert Horton, Lance Loudder, Dusty Dobbs, Rick Wright, Shannon Truelock, Larry Duke, Harold Love, Randy Porter, Robert Calhoun and Kenny

Smith. It has been a good season for the Bobcats and they went down to defeat trying to score instead of giving up and punting. Coach Deane Wright and his staff are to be commended for the output of the boys. They were picked at the start of the season to finish up around second or third place but knocked pre-season favorite Friona out last week and ended up 9-1 and in second place.

A footnote: Olton's entire starting lineup returns next season and both Dimmitt and Olton have beaten the Bi-district foe Lockney this season.

Mayberry's final total yardage rushing for the season was 1093 yards in 117 carries.

Who gave Dennis Smith the equipment to keep your phone working?

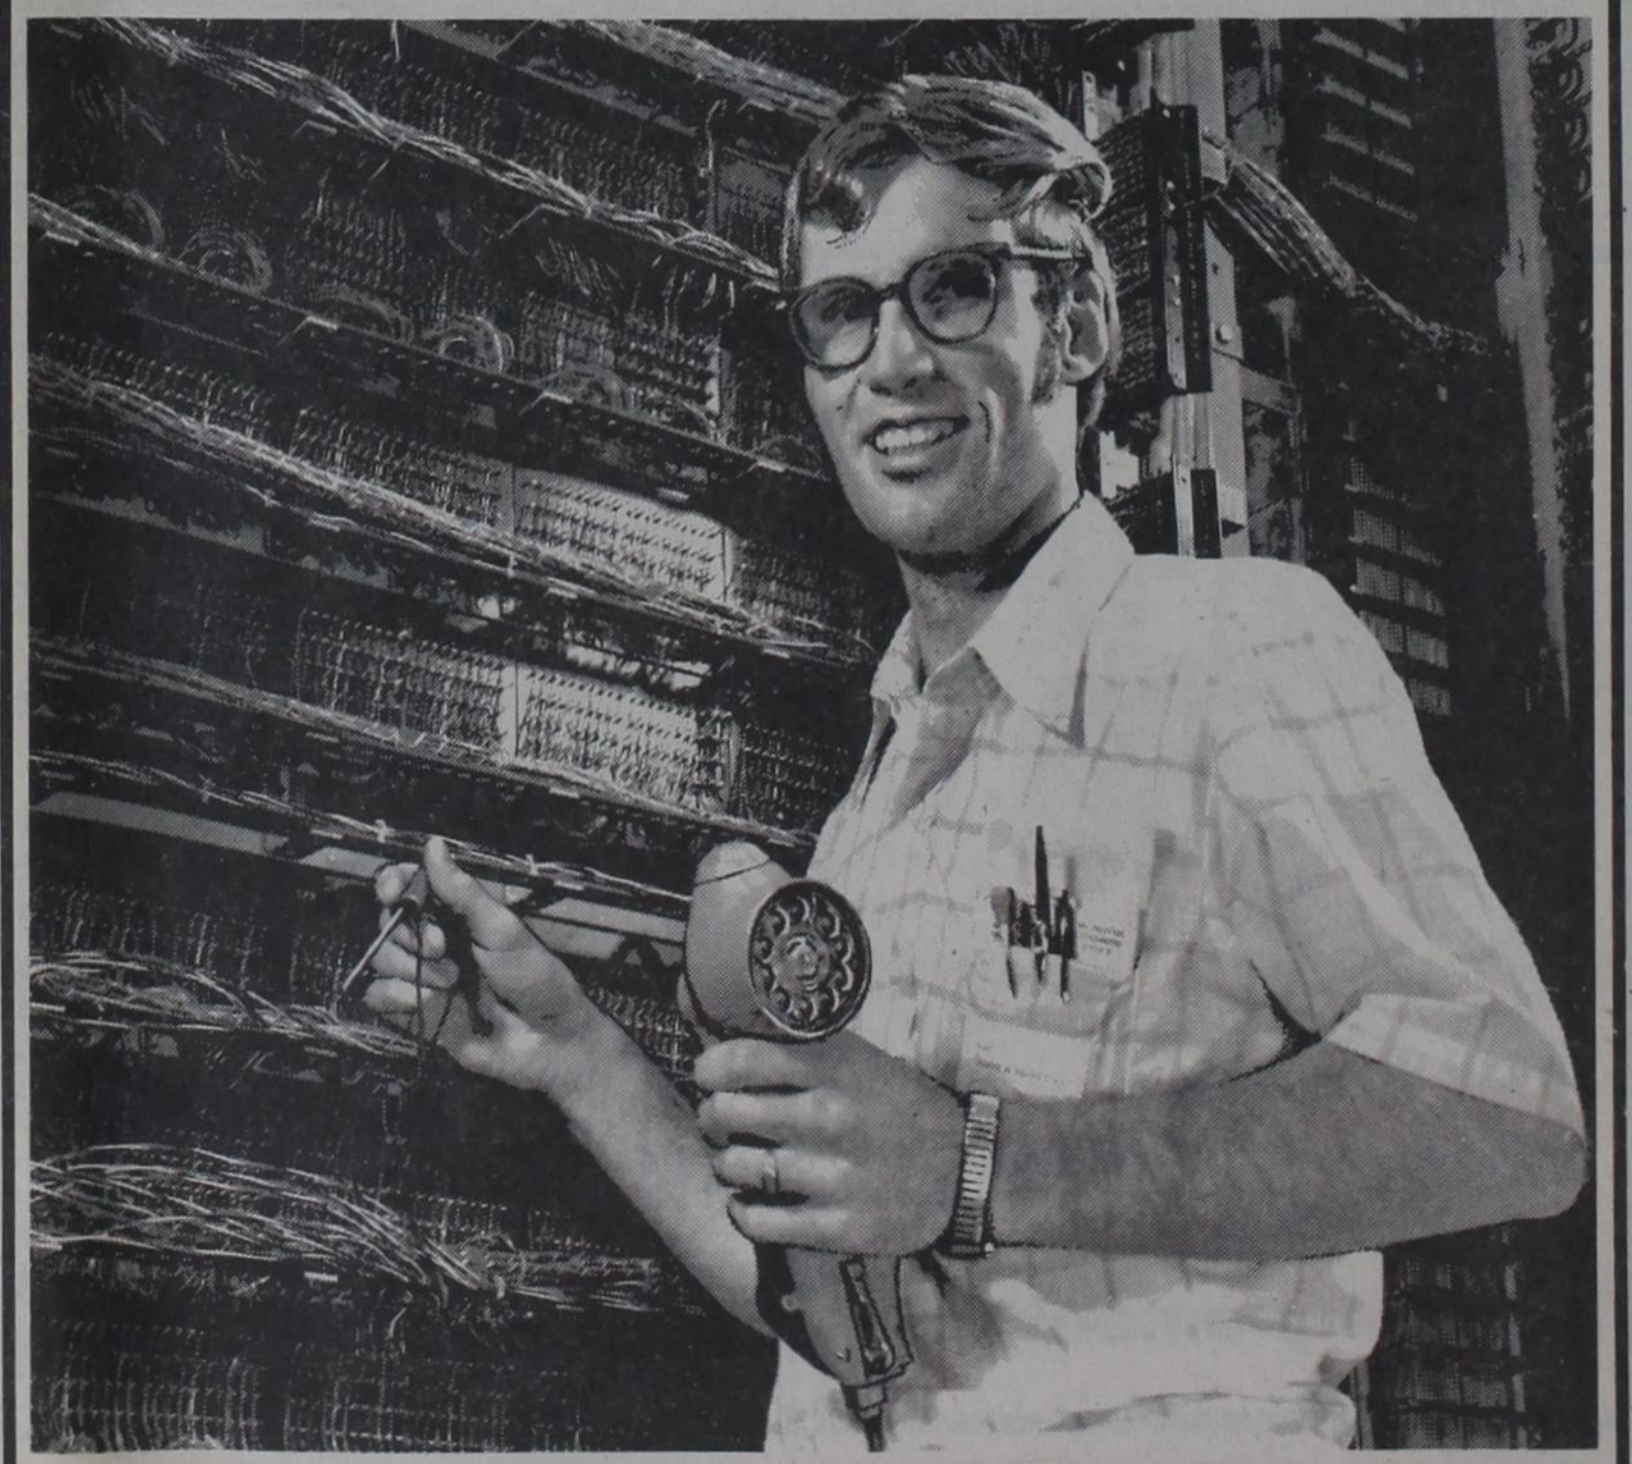

Continental Telephone did... with your help.

Your telephone service is a vital part of your daily life you can take for granted because Continental people, like Dennis, don't.

Each telephone number represents a unit in the "frame"—a complicated maze of vari-colored wires in a CTS Central Office. A central office equipment maintenance man, Dennis not only wires new customers into the system but also checks all connections to assure all phones function properly. He also installs electronic equipment that lets you dial direct and save the delay of going through an operator.

Continental Telephone reinvests customer revenues into training, materials and equipment to carry out our scheduled program of improvement everywhere. Modern maintenance—part of the CTS goal of providing you the best possible service at lowest rates.

Existing Energy + Electricity = Economical Heating & Cooling

THE ELECTRIC HEAT PUMP

Today's answer to saving energy while still enjoying a comfortable climate in your home... the HEAT PUMP!

The heat pump is a simple machine... it pumps heat.

Pumps heat "out" of your home in the summer...

Pumps heat "in" to your home in the winter...

Does both jobs with only one unit... in a clean, efficient and economical manner. The heat pump is more than 100% efficient at the point of use. Call us this week for a free electric home heating survey... and ask about the Heat Pump... the bright star in the galaxy of electric heat.

The Future Is Electric!

Down Bovina 41-6, win coin toss

Horns take double victory Friday night

By PAT STEIERT

The Hart Longhorns closed out their regular season Friday night at Hart as they handed the Bovina Mustangs a 41-6 drubbing, but the win on the gridiron wasn't the only one for the Horns Friday night.

SPRINGLAKE, Vega and Hart all took wins Friday and the District 3-A race ended in a three-way tie. Hart won the coin toss to determine which team will represent District 3-A in the state playoffs, and will meet Petersburg in bi-district play. The game will be played tomorrow (Friday) at 8 p.m. at Bulldog Stadium in Plainview.

Friday night's game started off as a scoring race, but Hart's defense adjusted and took advantage of Bovina miscues to run away with the game. The win upped Hart's season record to 8-2 and its district mark to 4-1.

Terry Hill proved virtually unstoppable for the Horns as he broke tackles to score three touchdowns. Randy Finch and Barry George both gathered in aerials to score for the Horns and Gilbert "Rod" Rodriguez, who had been hampered by a hip pointer in several previous games, proved he was back as he ran for good yardage and racked up a TD.

Dennis Willard scored the lone touchdown for Bovina.

NEITHER team played well defensively during the early going in the contest. Bovina began a drive from its 23 following the opening kickoff as Pony quarterback Willard launched a passing attack, throwing strikes to his receivers for 17 and 11 yards. The Ponies marched 77 yards in 14 plays and Willard pushed in from the one for the score.

Ray Martinez attempted the extra point but a bad snap from center resulted in Bovina's Alton McCormick being dropped back at the Hart 41. With 6:12 remaining in the first period, Bovina led 6-0.

The Longhorns took over at their 30 following the kickoff and the Maroon Machine cranked up for a long night of point production. The Horns drove 70 yards in nine plays for their first score with Hill, Finch and Jimmy Smith grinding out big yardage behind the blocking of the offensive line. Hill's five yard plunge capped the drive and Danny George added the extra point to give Hart a 7-6 lead with 3:05 remaining in

Here's Hart's school menu

Here are the school menus for Hart Schools Nov. 25-27.

Monday - Macaroni with beef, cheese wedge, blackeyed peas, harvard beets, apple cobbler, cornbread, milk and butter.

Tuesday - Turkey and dressing, giblet gravy, cranberry sauce, green beans, fruit cup, yeast rolls, milk and butter.

Wednesday - Burritos, scalloped potatoes, cole slaw, Jello, hot rolls, butter and milk.

Thursday and Friday - Thanksgiving Holidays.

BACK IN ACTION—Hart's Gilbert "Rod" Rodriguez showed Longhorn fans he's back at full speed in Friday night's Hart-Bovina game at Hart as he ran for long gains and tallied a touchdown in Hart's 41-6 win over the Mustangs. Rodriguez suffered a hip pointer in the Hart-Kress game in mid-October and the

injury limited his performance in several games. Here Rodriguez eludes Bovina's Alton McCormick on his way to a long gain. The Longhorns will meet the Petersburg Buffaloes tomorrow [Friday] at 8 p.m. at Bulldog Stadium in Plainview in Bi-District action.

the first quarter.

The Maroon Gang recovered a Bovina fumble at the Mustang 33 shortly after the ensuing kickoff. Using the remainder of the first period the Horns moved goalward. A holding penalty set Hart back to the 43, but Danny George got the yardage back in one play as he hit brother Barry at the Bovina 17 with a 27 yard pass. Two plays later Hill crashed through the Pony line and rambled to the two. Hill got the call again, broke tackles, and smashed into the endzone. The try for extras failed and Hart led 13-6 with 11:56 remaining in the half.

THE TEAMS exchanged punts following Hart's kickoff, and the Maroon Gang recovered a Pony fumble at the Hart 40.

Hart capitalized on the turnover and drove to paydirt in nine plays with the aid of a face-masking call against Bovina. Rodriguez, Hill and Danny George led the way for the Horns.

Hill broke loose and scored his third TD of the night from the 9, and George's kick gave the Horns a 20-6 lead with 2:43 remaining in the half.

The Maroon Gang forced a

Bovina punt and Hart's Kerry George lit a fresh fire under the Longhorns with a brilliant 55-yard punt return. The Horns set up a wall down the sideline and George made his way to the Bovina 4 behind outstanding blocking.

RODRIGUEZ scrambled to the Bovina one, but penalties forced the Horns back to the Bovina 20. Danny George made up for the lost yardage with a 20 yard scoring strike to Finch with only 30 seconds remaining in the half. Terry Hill bulled through the Bovina defensive line for two to give Hart a 28-6 lead at the half.

Hart drove to its 47 following the second half kickoff, but the Ponies recovered a Longhorn fumble there.

Bovina's Clint Cox broke through the Hart defense and Hart's Donald Robinson saved a TD as he dropped Cox at the Hart 15. The Ponies drove to the Hart 10, but the Maroon Gang rose to the occasion and stopped the Pony drive to take over on downs.

The Maroon Machine then cranked out a 90 yard scoring drive in 10 plays with the aid of a piling-on call against Bovina. JIMMY Smith, Hill, Finch and Rodriguez all toted the ball

on the drive, with Rodriguez smashing in from the four for the score. With 5:32 left in the third period, Danny George booted the extra and Hart led 35-6.

Bovina went to the air from its own 24, but the Longhorn secondary was alert, and on third down Lester Aven intercepted a Willard pass at the Bovina 40.

Hart scored an apparent touchdown on a pass from Danny George to Barry George, but a penalty nullified the score and set Hart back to the 24. McCormick picked off a George pass at the 15 to end the drive.

Both teams exchanged the ball on a series of turnovers. Late in the fourth period the Ponies fumbled and Hart re-

covered at the Bovina 40. ON FIRST down sophomore quarterback Kerry George dropped back, then threw deep to Barry George for a 40-yard scoring strike. Mario Martinez's try for the extra failed, and Hart led 41-6 with 2:24 remaining in the game.

The Horns held off Bovina's last minute desperation attempts to score as the game ended.

Hart enters the Bi-District playoff for the second time in three years tomorrow (Friday). The Horns will meet the Petersburg Buffaloes at Bulldog Stadium in Plainview. Game time is set for 8 p.m. The Horns defeated Petersburg 12-7 with a last-minute score earlier this season, so the Buffs will be out to avenge the loss.

CECIL HOELTING
... Familiar face, new location

Cecil Hoelting now associated with Powell Auto Parts & Supply

Cecil Hoelting, who has been in the auto-parts business 15 years in Dimmitt and Nazareth, is now associated with Powell Auto Parts & Supply.

A native of Nazareth, Hoelting was in the auto-parts business in his hometown seven years, and has been in the same business in Dimmitt for the past eight years.

When he isn't busy dispensing the parts needed to keep the cars and machinery running here, Hoelting is active in civic and church work. He's a member of the Holy Family Church, the Nazareth American Legion Post, the Catholic Order of Foresters and the Community Hall Committee, and is secretary-treasurer of the Nazareth Volunteer Fire Dept.

In his spare time, he enjoys golf and fishing. Hoelting's military service included 18 months in Germany with the First Infantry Division in the early 1950s.

With car prices and driving costs going up steadily, Hoelting and Buck Powell have these tips to help you save money on your driving:

•Instead of replacing worn-out parts with new ones, use factory-rebuilt parts. For in-

stance, you can save \$15 to \$25 on a Champion factory rebuilt carburetor or on a factory rebuilt distributor. You can buy either the new ones or the rebuilt ones for any model car at Powell Auto Parts & Supply.

•Generally you'll save money in the long run by using the proper spark plugs, tune-up parts, batteries, filters and replacement parts that were made for your car, because you'll get better efficiency with these manufacturer-specified parts. Powell Auto Parts & Supply carries complete lines of General Motors parts (Delco and AC) and Ford parts (Motorcraft).

•You'll get the best value by sticking to name-brand products that have proven their dependability through the years. Powell Auto Parts & Supply stocks such brand-name products as AC, Champion, Delco, Motorcraft, Willard, Perfect Circle, STP, Maremont, Black & Decker, Monroe, Champlin, Firestone and Gates.

When you need auto parts, tools or lubricants, see Cecil Hoelting or Buck Powell at Powell Auto Parts & Supply, 114 N. Broadway.

15—LEGAL NOTICES
TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF ALVIS FRANKLIN SHARP, DECEASED:

Notice is hereby given that original Letters Testamentary upon the Estate of Alvis Franklin Sharp, Deceased, were issued to Irene Margaret Sharp on the 18th day of November, 1974, by the Clerk of said Court, in Cause No. 1380, in the County Court of Castro County, Texas, designated as the Estate of Alvis Franklin Sharp, Deceased, which cause is still pending, and the said Irene Margaret Sharp now holds such letters. All persons having claims against said estate are hereby required, as provided by law, to present same within the time prescribed by law to the said Irene Margaret Sharp. The residence and post office address of Irene Margaret Sharp is Route N, Box 47, Tulia, Texas.

WITNESS my hand this 18th day of November, 1974.
—IRENE MARGARET SHARP
Independent Executrix of the Estate of Alvis Franklin Sharp, Deceased.
15-7-1tc

15—LEGAL NOTICES
CITATION BY PUBLICATION THE STATE OF TEXAS
TO: Connie G. Flores
Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County at the Courthouse thereof, in Dimmitt, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 16th day of December A.D. 1974, to Plaintiff's Petition filed in said court, on the 29th day of October A.D. 1974, in this cause, numbered 4016 on the docket of said court and styled IN THE MATTER OF THE MARRIAGE OF JESSE FUENTES FLORES AND CONNIE G. FLORES AND IN THE INTEREST OF JESSE FLORES, JR., JOE FLORES, AND CONNIE FRANCES FLORES, Children.

A brief statement of the nature of this suit is as follows, to-wit: DIVORCE as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Dimmitt, Texas, this the 29th day of October A.D. 1974.
Attest: Zonell Maples, Clerk
District Court
Castro County, Texas
By Joy Jones, Deputy

SHEFFY'S

[Continued from Page 2]

The Friends of the Library were the honored guests for all the work they have done for the new library that is one year old Nov. 13. Of course Dimmitt has had one for many years in the courthouse. Mrs. Frank Easter was librarian a long time. Mrs. John Merritt, president of the Book Club, mentioned several people who deserved honor: Mrs. James Horton, president

of the Friends, Jack Miller and his board who planned and worked hard. Mrs. Perry who gave \$100,000 to help. Mr. Elmer Youts was at the meeting as was Noel Gollehon who represented the City Commission. Coffee, hot punch and cookies were served from a pretty table with yellow mums arranged in a wooden bucket. Hostesses were Mrs. E. R. Little, Mrs. Gladys Leeth and Mrs. Frank Wise.

MRS. HORACE Carlile is in the Plains Memorial Hospital for treatment. I also saw Glover Frazier who had a bad case of laryngitis, and the man in the room was cut and hurt by a tractor accident.

Mr. Granddad Gunn is very ill at Plains Hospital.

Irene Keating had a meeting Monday morning on making people aware of the danger of heart trouble. Do not overeat. Do take exercise but don't get too tired.

Roy Meacham is in the hospital, brought in Monday. He has a heart problem. Mrs. Shorty Hance, Mrs. Sid Sheffy and Mrs. Charles Wales are on the heart health committee with Mrs. Keating.

We're Proud of You!

You have just completed the most successful football season Dimmitt High School has had since 1960, with the best won-lost record of any Bobcat team in the last 17 years.

And in addition to having a winning season, you represented your school and your community with honor, both on and off the field. We are proud of you!

We wish to publicly thank you for being 100-percenters . . . for being Bobcats! We were glad to sponsor this booster page during the season.

By DON NELSON

The deer and turkey hunting season opened Saturday throughout most of Texas. However, the season in Castro County doesn't start until this Saturday. This information is courtesy of the Texas Parks & Wildlife Dept.'s 1974-75 Hunting and Fishing Guide.

YOU ARE hereby warned that the limit on deer in Castro County this year is one mule deer buck and one whitetail buck. On turkey, the county's limit is one gobbler or one bearded hen.

I certainly hope you didn't make the mistake of shooting any deer or turkey in our county before opening day. I apologize for not getting this information to you sooner.

If you get your deer and turkey early Saturday and have the rest of the day free, you can legally shoot 10 squirrels in Castro County. But leave the antelope alone—the season on them ended Oct. 1, and was by special permit only.

A FEW TIPS on deer hunting in Castro County:
 Remember that we're in a fuel crisis (according to the gas-pump prices), so don't do an excessive amount of driving. Remember, you stand just as good a chance of bagging your deer or turkey close to town as you do 20 miles away.

Deer like to sun themselves during the daytime in the brush and breaks just below the skyline on the western slopes. So keep a sharp eye on the higher elevations, around irrigation wells.

Since the irrigation wells aren't running right now, the deer will be coming down to water at dawn and dusk, so stalk the playa lakes at these times of day. And don't overlook the stock tanks, but regarding others selling houses bought under the GI Bill to request releases when purchasers assume loans on homes bought with GI loans.

The VA issued 9,270 releases in fiscal year 1973, and has given 57,300 over the years. The GI loan program was established shortly after World War II.

"THERE'S a good reason for obtaining a release," Jack Coker, VA Regional Director, explained, "since without it, the seller could be held financially liable should the purchaser default on mortgage payments."

It was noted that as last fiscal year ended (June), some 8.5 million veterans and servicemen had received home loans valued at \$105.2 billion since the inception of the program. More than half, or 4.5 million loans, have been repaid.

VA grants releases provided the veteran's loan is current, the prospective purchaser agrees to assume the veteran's liabilities and the purchaser is a good credit risk with sufficient income to meet assumed mortgage payments.

Coker pointed out, however, that a release does not automatically restore GI loan eligibility the veteran used to purchase the home being sold. Under the law, veterans may qualify for restoration if VA has been relieved of liability and if the property was disposed of for what is described as "compelling reasons."

So as soon as a purchaser agrees to assume the loan on a home, the veteran should apply for a release from the VA office which guaranteed the loan.

member that deer don't have white faces or long tails. In our county, it's easier to set up a deer-stand than to walk them up.

BUILD A pinewood fire the night before and stand in the smoke so that your body and clothes take on the odor. Then, if the deer crosses downwind from you and catches your scent, he'll think it's a forest fire instead of a deer hunter, and will come out in the open instead of trying to evade you.

Don't try to burn your deer out by setting fire to a field. It's unsportsmanlike. Besides, the guys are still combining, so burning the field could be hazardous to your health.

Before hunting deer or turkey anywhere in Castro County, always get permission from the land owner first. If he runs you off, it's probably because he's had bad experiences with hunters before. If he lets you hunt deer on his land, ask him to notify Sheriff Jack Cartwright of your whereabouts, and the number in your hunting party, so he'll know how many white jackets to bring out.

THE OLTON Mustangs. Dimmitt Bobcats and Friona Chieftains—who finished 1-2-3, respectively, in District 3-AA football this year—had a combined season record of 26 wins and four losses. Since three of those four losses were to each other in district play, that's almost as close to a perfect record as you can get. Olton and Dimmitt finished with 9-1 marks while Friona was 8-2.

These three teams, among them, had a record of 17-1 against non-conference foes. That single loss was Olton's, to state-ranked Floydada.

On the basis of these three teams' fine showings this year, I'm willing to admit that ours was one of the strongest Class AA districts in the state this season.

FOR THE Mustangs, it's all frosting on the cake from now on. They should make it at least to the regional finals (since they've already beaten their bi-district opponents by two touchdowns this year), and I'd like to see them go all the way, because now they're representing the Bobcats and Chieftains as well as themselves.

For the rest of us, it's on to the basketball court. And did you know that Dimmitt, Morton and Friona have produced the regional basketball champions nine of the last 10 years?

"THE GODFATHER," for which NBC-TV paid \$10 million for a one-time showing, was originally rated R. But they were able to get its rating down to a qualified G by editing out just 36 seconds of nudity and dialogue, and by tossing in a "no offense" disclaimer for the ethnics among us.

Which proves again the inadequacy of the rating game. "The Godfather" should have been rated O-positive.

LIVESTOCK BUYERS

Can you qualify to buy cattle, hogs and sheep? Do you have a farm background and enjoy working with livestock? Livestock Buyers make a good living...have a secure future...and enjoy what they're doing!

If you have a sincere interest in becoming a Livestock Buyer, write today with your personal background. Include: name, age, address & phone number. A personal interview will be arranged in your area.

Services held for Mrs. Zelma Jackson

Services were held Wednesday at the Date Street Baptist Church in Plainview for Mrs. Zelma Jane Jackson, 73, of Plainview, mother of Wayne Jackson of Dimmitt.

REV. RICHARD Gresham, pastor, officiated.

Mrs. Jackson was found dead at her home by members of her family Sunday. Glen Stone, justice of the peace, is withholding a ruling pending an autopsy.

Born in Roger Mills, Okla., Mrs. Jackson moved to Snyder in 1927 and to Plainview in 1968. Her husband preceded her in death.

Other survivors include four daughters, Mrs. H. N. Smith of Plainview, Mrs. Juel Slaughter of Long Beach, Calif., Mrs. Max George of Happy Union and Mrs. James Harrison of California; four sons, Wiley, Henry, James and Earl, all of Plainview; a sister, Mrs. Hattie Guymon of Phoenix, Ariz.; 39 grandchildren and 30 great-grandchildren.

Burial was in Plainview Memorial Park under the direction of Lemons Funeral Home.

IT IS estimated that Texas will produce 295,000,000 bushels of sorghum with harvest about 60 percent complete.

DIMMITT SCHOLAR HONORED—Dr. William F. Bennett, top, associate dean, Texas Tech University College of Agricultural Sciences, watches as Bob Hudgeons, right, of American State Bank, Lubbock, congratulates Bob Duke of Dimmitt. Duke is the 1974-75 recipient of a \$150 American

State Bank scholarship. He is the son of Mr. and Mrs. Roger Duke of Dimmitt. Duke was among the student recipients of more than \$25,000 in scholarships to be honored at the 47th annual Pig Roast of the College of Agricultural Sciences.

Programs available on heart disease

Cardiovascular diseases—diseases of the heart and circulation—are the leading causes of death and disability in the nation. They afflict more than 27 million children and adults and kill more than a million Americans annually. That's a city about the size of Dallas.

IF YOU or your club would like to learn more about cardiovascular diseases and the positive steps of prevention, contact a member of the local Heart Association Public Education Committee. Members are Mrs. C. A. (Leada) Hance, 647-3384, Mrs. Sid (Myrtle) Sheffy, 647-2533, Mrs. Charles (Lois) Wales, 647-5643, or Mrs. Max (Irene) Keating, 647-3455 or 647-5219, chairperson.

There are movies that can be ordered if you ask for them several weeks in advance. Heart diseases can be reduced if you know what steps to take.

15—LEGAL NOTICES

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF RUTH HART HAMM, DECEASED

Notice is hereby given that original Letters Testamentary for the Estate of Ruth Hart Hamm, Deceased, were issued on November 13, 1974, in Cause No. 1373, pending in the County Court of Castro County, Texas, to Cecil Mulkey Hamm, Independent Executor.

The residence of such Executor is Randall County, Texas, and the Post Office address is 3513 Bryan, Amarillo, Texas, 79109.

All persons having claims against this Estate which is currently being administered are required to present them within the time and in the manner prescribed by law.

—s- CECIL MULKEY HAMM Independent Executor, Estate of Ruth Hart Hamm, Deceased 15-7-1tc

Mr. and Manuel Catano of Dimmitt are the parents of a boy, Salbando Catano. Born Nov. 11, he weighed 6 pounds, 1 1/2 ounces.

It's a boy for Mr. and Mrs. Quincy Hawkins of Hart. Named Jeremy Lee, he was born Nov. 19 and weighed 6 pounds, 5 ounces.

OUT OF TOWN
Mr. and Mrs. Gerald Davis are the parents of a son born Nov. 3 at High Plains Baptist Hospital in Amarillo. He weighed 6-lbs., 7-oz. and has been named Bradley Ross. Maternal grandparents are Mr. and Mrs. Bob Mooney of Dimmitt.

DJHS gridders close out season

Dimmitt Junior High teams closed out their season last week. Dimmitt's 7th graders fell to Olton 24-0 to close with a 1-6 season mark.

Dimmitt's 8th graders downed Olton 32-0 to end the season with a 5-2 record.

"Yes! I said 15%!"

THE CLOSER YOU LOOK, THE BETTER WE LOOK

This Makes Sense

About New Cars:

The prices on new cars are up for 1975, throughout the industry. All of us knew they would be, because of increasing costs of basic materials. And 1975 new-car prices could go even higher.

About Used Cars:

As the new-car prices have appreciated, so have the prices on USED cars. In fact, the book prices on some models of used cars have gone up by about the same proportion as the prices on new cars.

About Trading:

Put these facts together. New-car prices are as low as they'll ever be, and your present car is worth as much now as it will ever be. So if you're planning to trade for a new car, you'd be smart to do it now.

Morrison Gin gets first cotton

By TEENY BOWDEN

For the Reach Out "Celebration Sunday" emphasis 99 attended Sunday School with 22 of that number visitors and prospects. The goal set for the attendance was 115. Several of the regular members were absent. A large percent of those attending stayed for the noon meal and fellowship together. The adult women's class went to the home of their teacher Mrs. Roy Phelan so she could be a part of those attending.

MORRISON Gin received its first bale of cotton Thursday. Bob Ott brought in the first few bales this week.

Mrs. Mack Turner underwent minor surgery in Plains Memorial Hospital in Dimmitt Tuesday morning, was dismissed Thursday morning and returned to her classes Friday morning. Rev. Turner was also dismissed Thursday morning.

Mrs. Bill Morgan was admitted to the Littlefield Hospital Tuesday afternoon and underwent minor surgery Wednesday morning. She was dismissed Friday.

Gerald Graham was dismissed from High Plains Baptist Hospital in Amarillo Wednesday.

MRS. NOAH Spencer has been with her father, V. E. Bearden of Hart, in Central Plains General Hospital in Plainview much of this week. He is holding his own, but remains in serious condition.

Mr. and Mrs. Cliff Brown returned home from the Bahamas Monday. They toured

the island of New Providence by taxi and by glass bottomed boat, did some beachcombing, wading and shopping as well as sightseeing. From the top of the water tower they could see all of the city of Nassau. The relaxed atmosphere, tropical beauty and mild climate made it a wonderful vacation spot. The trip was sponsored by Elanco instead of Tide as previously reported.

Mr. and Mrs. Noble Armstrong flew to Houston last Sunday and spent the week with hew nephew, Mr. and Mrs. Kenneth Ray Griffin and children.

FLOYD IVEY and Mokey Ivey of Olton hunted at Broadus, Mont. Wednesday through Saturday. They brought home their limit of deer. Elk season had closed. Mrs. Ivey spent Wednesday and Wednesday night in Amarillo with her sister Mrs. Jewel Barnard. She and Paula Sue Ivey of Olton visited in Lamesa with Mr. and Mrs. Curtis Pruitt and Dawn Thursday through Saturday.

Mrs. John Gilbreath, Mrs. Embree Roy Sadler and Mrs. L. B. Bowden attended the board and general meeting of Plains Memorial Hospital Auxiliary Wednesday morning in the Dimmitt hospital.

The Dimmitt Bobcats lost their first game of the season Friday night to Olton 14-28. Robert Calhoun caught a 46-yard pass to make the second touchdown for the team.

THE Springlake-Earth Wolverines won their game with Farwell 15-7 and were in a three-way tie with Hart and Vega. They lost the chance to play in the playoffs to Hart on the toss of a coin.

The Springlake-Earth "B" team, 8th grade and 7th grade teams all lost their games with Farwell Thursday night.

Rev. and Mrs. M. D. Durham of Lubbock visited with Mr. and Mrs. Roy Phelan last Saturday. Mrs. E. R. Brown of Lubbock also visited with Mrs. Phelan while she was staying with Lee and Lynn Brown.

Several from the community attended the Springlake-Earth senior play Tuesday night. Steve Morgan, David Carr and

Edwin Fulfer were part of the cast.

THE LIONS Club met Monday night for their regular meeting.

Mr. and Mrs. Earl Phelan of Fieldton, Mr. and Mrs. Hal Morris of Plainview, Mr. and Mrs. Bill Dean of Halfway, Mr. and Mrs. Boyce Morgan of El Paso, Wauline Lilley and Pauline Tate of Plainview, Mr. and Mrs. Loyd Morris of Tulia, Mrs. Grady Epperson and G. B. Duncan of Dimmitt were visitors in the home of Mr. and Mrs. Roy Phelan this week.

Mrs. L. B. Bowden had charge of the Wednesday night prayer service in the absence of the pastor. Steve Morgan and Lee Brown had charge of the R.A. meeting.

Mrs. Carl Dean Carson and Mrs. Bob Ott took the Mission Friends to put on their program for Mrs. Roy Phelan Thursday afternoon. The children were Cinamon Cox, Chanin Ross, Laura Sadler and Donna Starnes.

The G.A.'s met for their weekly meeting after school Thursday afternoon with Mrs. Gale Sadler and Mrs. John Seiver leaders.

MRS. CLIFF Brown, Lee and Lynn visited in Lubbock Saturday night with Mr. and Mrs. Bud Woodward while Mr. Brown attended an Elanco meeting.

John Seiver was honored with a birthday dinner last Sunday in his home. Mr. and Mrs. John Seiver Sr. of Hereford, Mr. and Mrs. Ronald Ott and family of Hereford and Mr. and Mrs. Milburn Haydon helped him celebrate.

Greg Lay of Dimmitt stayed with his great grandmother Mrs. John Spencer Friday afternoon while his parents Mr. and Mrs. Chuck Lay attended the funeral services of M. J. Wilkinson, an uncle of Chuck's. Mr. and Mrs. M. H. Fowlkes of Lubbock and Mr. and Mrs. C. J. Fowlkes of Rockport visited Friday and had dinner with Mr. and Mrs. Embree Roy Sadler and Mrs. Pearl Sadler.

MRS. MERDELL Rogers, Elanor Suddeth and John and Carl, and Mrs. Carmaleta Bar-

nett, Bart, Stacy and Lori, all of Olton, visited after the ball game Friday night with Mr. and Mrs. John Gilbreath, Coiby, Matt and Hal.

Mr. and Mrs. Hershel Wilson and Daneen attended a lay witness renewal in Lubbock Saturday night.

Mrs. Lillian Carson made a business trip to Big Spring this week.

Mr. and Mrs. Bill Ott of Hereford visited Thursday night with Mr. and Mrs. John Seiver, Billy and Brooke.

Mrs. Lillie King came home from her visit in Amarillo with relatives Monday.

BRENDA Lefevere was home from Tech for the weekend and was in the Sunday morning services.

Mr. and Mrs. Fred Mulkey of Hereford visited Saturday afternoon with Mr. and Mrs. Floyd Ivey and Mokey Ivey after they came in from their hunt.

Mr. and Mrs. C. J. Fowlkes of Rockport visited Sunday afternoon with Mr. and Mrs. Embree Roy Sadler, Mrs. Pearl Sadler, Mr. and Mrs. Gale Sadler and girls, and Mr. and Mrs. Eulless Waggoner.

Mr. and Mrs. Ercell Keeler of Hale Center visited Saturday afternoon with Mr. and Mrs. Embree Roy Sadler and Mrs. Pearl Sadler.

MR. AND MRS. Buford Newton of Denver City spent the weekend with their daughter Mr. and Mrs. Carl Dean Carson and attended the Sunday morning services with them.

Mr. and Mrs. Herman Wilson of Amarillo were visitors in the Sunday morning services, had dinner at the church and spent the afternoon with Mr. and Mrs. Roy Phelan.

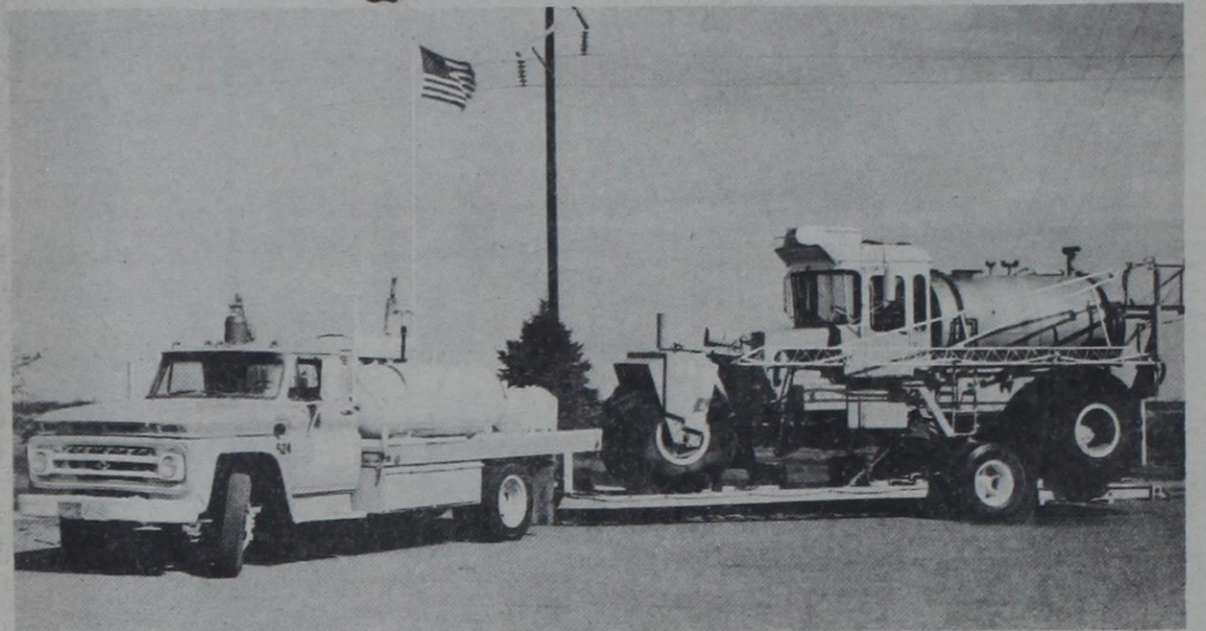

Mr. and Mrs. Hershel Wilson and Daneen attended the church services in Ropesville Sunday night to see a nephew baptized after the regular services.

Mrs. John Ledgerwood, Debbie and Johna of Frio visited in the morning services and had dinner at the church with Mr. and Mrs. Lee Bradley and family, and spent the afternoon with them.
