

THE RANGER TIMES

37TH YEAR

RANGER, TEXAS, TUESDAY, MARCH 13, 1956

PRICE FIVE CENTS

Column One

The boy unhesitatingly up to his father. "Dad, here is my report card," he said, "and here also is an old one of yours that I found in the attic."

U. S. Senator Price Daniel announced Monday night that he was ready and willing to run for Governor but left the final decision concerning his candidacy to the people of Texas.

After stating his platform on a state-wide radio and television network, he asked Texans to write him whether they thought he should run for Governor or remain in the Senate for the next two years. He said that he would be guided by the response received and that he would be back to report on that response and to announce a definite decision on Monday night, March 26.

Daniel said, "For my own part, I am ready and willing to make this race, but I must leave the final decision to you, because I am presently fulfilling a contract which has two more years to run. I not only need your approval before seeking a change in that contract, but I need to know whether enough of you are willing to condone my campaign while I finish my duties in the present session of Congress."

In one of his reasons for preferring the change from Senator to Governor, the Senator said, "I am convinced that certain out-of-state leaders of the ADA, the NAACP, and other pressure groups are going to make their greatest effort this year to win the governor's office for a candidate of their choice. In my opinion this would set Texas back 10 to 20 years. Conservatives, middle of the roaders and liberals alike—if you believe in local self-government—must unite to keep the Governor's office in the hands of the people of Texas, he said."

It's no great wonder that some vacation spots in the state, with Lake Leon being no exception, are attempting to attract state and out-of-state motorists.

A check on the 1955 Texas Tourist Industry, released this week by the Texas Highway Department, shows that 9.9 million out-of-state tourists visited Texas last year, an increase of 1.2 million persons over 1954.

In cash value the tourist industry ranks next to the state's annual cotton crop, with cotton listed at \$700 million and tourists at \$412 million for the year just past. Annual expenditures in 1955 were set by the Highway Department at \$276 million. By 1955 this figure had increased by \$136 million. During the same period the number of tourists had increased from eight million to 9.9 million.

Also, in the political spotlight, C. T. Johnson, who ran against Lieutenant Governor Ramsey in 1954 and who since then has been pushing civil and criminal action in connection with Ramsey campaign advertising, announced Saturday that he will make a second try for the office.

The 45-year-old Austin insurance man and building contractor said he wants to have a part in "bringing the Texas Senate back to a position of wholesome respect."

ON PURPOSE—She did it herself and scared herself silly. Model made this crayfish with aid of a new do-it-yourself kit for fishermen. Some 21 varieties of lures and a total of 200 fishy tidbits can be fashioned from material in each kit. Synthetic goodies for underwater denizens were first displayed at a New York City sports show.

Easter Seal Campaign Begins In County

The blue and red Easter seals, to raise funds for the benefit of crippled children, were mailed to residents of Eastland County Saturday.

Those who did not contribute to the Crippled Children's Society through the United Fund or Community Chest organizations have been asked to make donations.

The campaign, an annual effort staged shortly before Easter, is a means of reaching those who did not contribute through some central agency.

Funds are used by the Society to give assistance to crippled children who otherwise would be denied treatment and such assistance as braces, wheelchairs, and other help. More than 90 percent of the funds remain in the state and the remainder is spent for a nationwide program of education.

The numerous services provided throughout the Crippled Children's Society are doing much toward preparing children to lead useful, and happier lives.

Andrew Peck, Ex-Eastlander, Buried Monday

Funeral services were held at 2 p.m. Monday at Hamner Funeral Chapel for Andrew J. Peck, 90, of Kilgore, formerly of Eastland.

The rites will be conducted by Minister Austin Varner of the church of Christ. Mr. Peck was a member of that institution.

Palbearers were Waverly Masengale, Ben Matthews, Gordon Seahoun and Dewey Webb.

Surviving Mr. Peck are four sons—Ware Peck of Aransas Pass, Floyd Peck, John Peck and Jasper Peck, all of Houston; two daughters, Mrs. C. T. Cooper of Kilgore and Mrs. Francis Ellis of Houston. He also leaves six grandchildren and four great-grandchildren.

Three Injured In Car Crash Monday

A five-year-old boy, was hospitalized and his father and mother were treated for minor lacerations and bruises at Ranger General Hospital Monday morning following a two-car collision one mile east of the Ranger city limits at Ranger Hill, on U. S. Highway 80.

Most seriously injured was David Lee Deresaugh, 5-year-old son of Mr. and Mrs. John Willis Deresaugh, 1108 Burlington, Dal-

Loyal Democrats Set Area Meet At Stamford

The Loyal Democrats of this area are holding a meeting in the Windsor Hotel at Stamford from 2 to 5 p.m. Saturday, March 17, and all true Democrats from all counties around are invited, a spokesman said here today.

The meeting is called a "workshop" and a play showing how the people of a community can conduct a precinct convention so that true opinions of the public can be reflected will be given.

The Executive committee of the Democratic Advisory Council meets the same day in Abilene, and a short address by Bryon Skelton, State Chairman of the Council, will be heard.

Dallas Perkins, who is in charge of the Taylor County Office of Loyal Democrats, at Abilene urged a large attendance by a free voters.

As It Looks From Here

Burleson Confirms That U. S. Air Strength Lags Behind Russia

By Omar Burleson, M.C. 17th District, Texas

WASHINGTON, D. C. — The House of Representatives... approved several of its Appropriations Bills during this last week. It's pretty difficult to look at every item for which money is to be spent. One, however, is interesting to note. The Appropriations Committee approved the sum of \$3,998,775 for operating expenses

AIR CONDITION ANY CAR—3 HOURS Reg. \$400 with 4-cyl. compressor and electric clutch. SPECIAL Only \$299 Don Pierson Olds - Cadillac Eastland

of the White House for the coming fiscal year. Bear in mind this is for operating expenses only and has nothing to do with repairs, upkeep, etc.

Just why its costs this sum of money to run the White House I do not know, but obviously it is expensive.

You May Have Noticed... that in recent months the Democratic Party has been referred to as the "Democratic Party" by some of the top Republican leaders. An official of the Republican high command, and a member of Congress, has sent the word out to his colleagues suggesting they use this term in referring to their opposition.

Personally I do not care for this sort of label. Those who use it in this respect use it in disrespect.

If the last two letters of "Democratic" are to be chopped off, I suppose it would be in order to resort to the "eye for an eye" attitude and chop off the first two letters of "Republican" and leave "Publican."

The Bible (Luke 19:18) mentions the "Publicans" as wicked politicians who got rich off the poor by making false accusations against their opponents.

Personally I had rather stick to the name given the Democratic Party by Jefferson (and his principles too) and let the name of the party of Hamilton remain as it has always been. Everyone would be happier if everybody just stuck to the issues.

Surplus Farm Commodities... are always a problem any way we look at it. On the other hand, in the light of certain possibilities, they could be the greatest blessing any people ever had.

A recent study reveals that in the event of an atomic war, we might quickly face starvation.

Assuming our transportation system could still be operated after an attack, we have on hand just enough corn to last for 3 months; enough wheat and cotton to last 13 months; enough rice and rye for 7 months; and enough butter for 30 days. Oats would last 24 days and soy beans for 29 days.

The Treasury Department is preparing for such possibilities by storing money in different locations. (Continued on Page Two)

BOATS & MOTORS Evinrude, Lone Star, Cadillac, Cieraft Boats L & J SUPPLY CO.

VENUSIANS, MAYBE?—Could be. More plausibly, they're law-abiding young visitors from Venice—not Venus. The lads are riding a "Flying saucer" car on a Ferris wheel set up near the famed Arch of Peace in Milan, Italy.

Brady, Tarleton Take Gorman Meet Honors

Brady High School and Tarleton State College at Stephenville, took top honors at the Third Annual Indian Trail Track and Field Meet that was sponsored jointly by Gorman High School and Ranger Junior College at Gorman Saturday.

Brady competing against a record-breaking 35 high school entry list easily took honors with 41 points over Winters, the second-place contender, who amassed only 21 points.

Coleman pulled in third with 11 points and Ballinger grabbed the fourth slot with 10 points.

Point surges in the college division were more closely divided. Tarleton accumulated 44 1/2 points, Cisco had 30, Howard County took third place with 29 and Ranger Junior College finished with 27 1/2 points.

Tommy Davis of Grandbury broke his old record set last year in the 440-yard run with a time of 52.5 seconds. He set the meet record last year at 53 seconds.

L. Fincher and Cooper of Diamond Hill also set meet records in the pole vault when they both cleared the bar at 11 feet and three inches.

Dave Byerly of Coleman, set a new record in the mile run as he paced the distance in 4:45.7.

J. D. Hanson, who holds the meet's 220-yard hurdle record at the Gorman meet in the high school division, picked up a first in the event for Ranger Junior College. He set the record in 1953 while a student at Eastland High School.

J. T. Daffern of Olden Is Dead At Age of 87

J. T. "Uncle Billy" Daffern, 87, of Olden, passed away at the home of his daughter, Mrs. Pearl Park, at Goree, Texas, at midnight Monday. It was learned here this morning "Uncle Billy" had lived at Olden from 1941 to 1954 and has a number of relatives in that community today.

Funeral services will be held at 10 o'clock Wednesday morning at Goree, and graveside services will be held at 3 o'clock that afternoon at Lingerville, where he will be buried.

"Uncle Billy" is survived by his wife, Mrs. Jane Daffern, his daughter, Mrs. Park, and three sons, E. L. Daffern of Hilton, Oklahoma, R. V. Daffern of Muenster, and E. V. Daffern of Wichita Falls. He has 13 grandchildren and 21 great grandchildren.

Emergency Paving Of Lake Road Sought

A delegation from the Ranger Chamber of Commerce will request a hearing before the State Highway Commission on their next meeting at August to ask that the paving of the road from Ranger across Lake Leon be handled as an emergency project.

The Eastland Chamber of Commerce has consented to join Ranger in requesting the hearing and also in joining that paving of the road be completed as soon as possible.

The Ranger Chamber of Commerce will base their request on the fact that Lake Leon is becoming a recreation area and that dust on the road now makes travel practically unbearable.

Also the road would serve as an outlet to farmers and ranchers who use the services of the Ranger Peanut Co. and the mohair center here.

Proposals to have the stretch of road paved were decided upon at a meeting of the highway committee of the Ranger Chamber of Commerce Monday.

Pairings Set In Country Club Golf Tourney

Dan Cruse, a Junior at Ranger High School recently posted a 78 score to lead four flights of golfers over the Country Club greens in the annual City Golf Tournament.

Qualifying rounds ended Sunday and pairings were announced for the playoffs.

Big event of the tournament will be a match between Dr. W. L. Downtain and T. C. Wylie. Both had an unofficial score of 64 in the qualifying round.

Pairings in the four flights: First flight: Dan Cruse 78 vs Henry Martin, 80; Boone Yarbrough, 80 vs Earle Pittman, 81; Jim Townsend, 79 vs John Wylie, 81; Johnny Bates, 80 vs C. D. Beck, 82.

Second Flight: John Hagaman, 83 vs Pete Brasher, 88; Bill Niska, 84 vs C. E. May, 90; Jim Galey, 84 vs Odie Kelly, 89; Lee King, 86 vs Harold Barrett, 84.

Third Flight: Jim Littlefield vs Wayne Jowers; A. J. Becker vs Tommy Warford; Al Larson vs Dave Rosen; John Swinney vs Noel Kim.

Fourth Flight: Elmer Norris vs Flake Turner; Clyde Reid vs Tommy Huling.

Present at the meeting were Morris George, chairman; W. F. Croager, Dave Pickrell, Marion Williams, A. N. Larson and R. V. Galloway.

The Chamber of Commerce has taken previous steps in bringing about quick paving of the road but as yet none of the measures have been approved by the Highway Commissioners.

Earlier this year the Chamber of Commerce asked that the road be considered in the same contract with the continuation of Farm Road 2214 to Farm Road 670 which runs from Ranger to Gorman.

The group that pointed out that inasmuch as the four-mile project already approved, is rather short to be profitable to a contractor, and that the four mile stretch already approved and that therefore the group was asking that the roads be built simultaneously.

Each commissioner in the county is allowed approximately two miles of new farm-to-market road construction in his precinct each year. They are naturally hesitant to relinquish their improvements to another precinct.

If the road can be obtained on an emergency basis, none of the commissioners would be penalized as far as their future allotments are concerned.

Ex-Countian Is Laid To Rest In Cisco Monday

Funeral was held Monday at the East Cisco Baptist Church for Mrs. Lucinda Evelyn Stovall, 90, former resident of the Nimrod community, who died at the home of her daughter, Mrs. W. W. Stoneham, Dallas. Services were conducted by the Rev. C. L. Casey and the Rev. Tex Culp, both of Cisco.

Burial was in Oakwood Cemetery.

She was a native of Alabama and a member of the Primitive Baptist Church.

Survivors are four sons, Roy of Westaco, Leonie of Stanton, S.C. of Houston and H. L. of Dallas; two daughters, Mrs. Fred Drake and Mrs. W. W. Stoneham, both of Dallas, 29 grandchildren and 22 great-grandchildren.

County Orchards Hit Hard By Cold Front

Most orchard crops in Eastland County appeared ruined for the third consecutive year by freezing weather, as an icy cold front held the area in its grip during the last two days.

Only little hope was held for tender peach and pear and apricot trees that were not blackened Monday after the temperature dropped to 26 degrees last night.

Monday morning's low, however,

was 25. Sleet and rain accompanying the front measured .26 inches here over the two day period.

Temperatures stayed below the freezing mark nearly all day Monday with the exception of two or three hours Monday afternoon when the ice thawed out temporarily.

The weather here Monday night was not quite as severe as weathermen had predicted. A temperature of about 15 degrees had been forecast here when a new cold blast was forecast but veered to the east.

Winds were expected to shift to the south today and drive the cold weather from the area. Temperatures in the mid-70s are expected Wednesday.

Sidewalks and streets in Ranger were glazed with a coating of sleet early Monday morning and again during the afternoon. Rain later in the afternoon failed to freeze however, during the temporary thaw period.

Traffic accidents were limited during the two-day blast, with only one accident of major importance being reported in the county. A two-car collision at Ranger Hill Monday morning injured three persons.

Fruit trees in some sections of the state possibly escaped as serious damage as first anticipated with temperature forecasts Monday. In most places, orchardists felt that the temperature would have to hold as low as 25 degrees to render the trees a total loss.

With the exception of the panhandle, temperatures did not range that low in most parts of the state last night.

Some of the moisture that accompanied the cold Monday may have lessened the damage on some crops and some late blooming peaches may miss heavy damage.

However in this area, peach blooms were reported blackened but no estimate of the damage was available today.

Weather Reports

Cloudy to partly cloudy, becoming a little warmer late Tuesday. Generally fair and warmer Wednesday. High Tuesday 45-50. Low Tuesday night 35-40. High Wednesday near 70.

T. P. Simpson Funeral Rites Are Conducted

Funeral services were held Sunday afternoon at Pleasant Hill for T. P. Simpson, 79, who died in Rising Star Hospital of a heart attack.

Mr. Simpson was born in Georgia Nov. 3, 1876. He lived in Young County for 40 years before moving to Eastland County about six years ago. His home was on a farm 11 miles north of Rising Star on the Cisco highway. Mr. Simpson was a member of the Baptist church.

Lone Star's New Gas Transport On Duty

Lone Star's biggest and newest gas transport, with 40 percent more carrying capacity than previous units in the Stargas transport fleet, hauled its first load of propane from the RCF plant near Ranger to Denton recently.

At the wheel was Bill Gallup, one of the two veteran Stargas drivers assigned to keep the big unit rolling between five Lone Star gasoline plants and bulk storage stations in South, East and Central Texas areas.

The new fleet unit carries a net propane capacity of 6,503 gallons. Other units in the fleet average only 3,700 gallons of propane. According to Field Foster, Stargas Department manager, the transport can haul as many gallons in two round trips as the present smaller units do in three at the same approximate operating cost per mile and is equally as flexible in travel and handling.

Foster said that the company expects to add more similar units to its Stargas fleet this year.

Lone Star gasoline plants have been equipped with larger facilities to serve the new transport, in addition to off-system bulk buyers who may eventually add similar transports to their fleet operation.

The new \$10,000 transport trailer, which is pulled by an International Harvester sleeper cab tractor, is expected to save its cost in about a year due to its increased hauling capacity.

Hydraulic driven pumping equipment, piping, hose and connections, fittings for the transport tank trailer, the fifth wheel, built-in-ton boxes, etc., were installed on the unit by the central garage at Ranger.

Built in the Master Tank and

Article in Reader's Digest Reveals Jittery Pre-Menstrual Tension Is So Often a Needless Misery!
 Do you suffer terrible nervous tension—feel jittery, irritable, depressed—just before your period each month? A startling article in READER'S DIGEST reveals such pre-menstrual tension is needless misery in many cases!
 Thousands have already discovered how to avoid such suffering. With Lydia Pinkham's Compound and Tablets, they've so much happier, less tense as those "difficult days" approach!
 Lydia Pinkham's has a remarkable soothing effect on the source of such distress. In doctors' tests, Pinkham's stopped . . . or strikingly relieved . . . pain and discomfort of 3 out of 4 women got glorious relief!
 Taken regularly, Pinkham's relieves the headaches, cramps, nervous tension . . . during and before your period. Many women never suffer—even on the first day! Why should you? This month, start taking Pinkham's. See if you don't escape pre-menstrual tension . . . so often the cause of unhappiness.
 Get Lydia E. Pinkham's Vegetable Compound . . . or convenient new Tablets which have blood-building iron added. At druggists.

Burleson-
 (Continued From Page One)
 tions in case we should suddenly lose access to our normal currency supply. If it is important to store money in safe places, it would seem equally or more important to insure an available food supply under some protected method of a food stockpile.
 Testimony of High Military Authorities . . . confirms the report that this Country is lagging behind Soviet Russia in production of long-range jet bombers.
 Our current output of B-52 bombers is only four per month. The Soviets are producing 12 per month. We are supposed to be able to produce 17 B-52's per month after another year and a half. It is expected the Soviets will reach a peak output of 25 per month considerably sooner.
 It is authoritatively reported that the Soviets are already testing a ballistic missile of 1500-mile range. No comparable ballistic missile has yet passed the drawing-

board stage in this Country.
 There is little doubt that Russia is ahead of us in the best type of bombers and in fighter planes that must intercept bombers.
 Defense expenditures have been reduced, but for the domestic side, we have the highest peace-time budget in history.
 General Nathan Twining says we still retain greater atomic power than the Soviet Union, but he added, "as of now." "As of now" may be all right, but what about two years, three years, or four years from now when it may be too late to catch up, and the Soviet air lead is decisive?
 "A wrong-doer is often a man that has left something undone—not always he that has done something."

PULLETS and PROFITS grow together when you feed RED CHAIN GRO-MO
RED CHAIN GRO-MO
 RED CHAIN Gro-Mo is a special feed designed for pullets, pullets bred for intense egg production after the bird becomes an egg producer. Its inherent egg-laying capacity cannot be improved. The bird can only be managed, or maintained as a layer. But as a pullet that bird can be developed to utilize to the fullest its native egg-laying ability.
 RED CHAIN Gro-Mo is a 20% protein feed, which permits greater use of RED CHAIN Alcom or oats. It is rich in fish and milk growth factors. Gro-Mo is fortified and perfectly balanced with vitamin and mineral needs. It provides the necessary nutrients for continued healthy growth, and the protection and development of inherent egg-laying capacity.

Cattle Holding Fairly Steady; Hogs Up Some

Cattle held generally steady this week in major cattle markets over the nation while hogs, in some classes were up as much as \$50.

Fort Worth — Calves steady, good and choice steers and yearlings 15.00-18.00; cows 11.50-12.50. Good and choice calves 16.00-19.00; good and choice stock steers calves 17.00-19.00; good steer yearlings 18.00 down; Hogs

50-75 higher; choice 13.75-15.25. Sheep steady. Good to choice slaughter lambs 17.00-18.00; ewes 7.00-18.50.

Chicago — Hogs steady to 25 higher; 190-270 lb. 12.25-12.75. Cattle steady to 50 lower; prime steers 22.50-25.00; choice and prime heifers 19.25-20.00; good to high choice 15.50-19.00; cows 11.00-13.00; choice yearling stock steers 19.50. Sheep 50 higher; good to prime woolled lambs 19.50-21.50; ewes 5.50-8.50.

IN DALLAS FRIDAY

Mrs. Isetta Smith spent Friday in Dallas on business.

"Very Popular" At Ranger Drive In

Orson Bean, left, and Tommy Noonan are reacting excitedly to the charms of beautiful silver blonde Sheree North, Broadway musical stage star in her first big Hollywood assignment in "How To Be Very, Very Popular," Cinemascope farce at the Ranger Drive In Theatre Wednesday and Thursday. Bean is also new to films, a recent hit on television, the stage and in night clubs. Betty Grable, Bob Cummings and Charles Coburn also star in the Twentieth Century-Fox frolic.

Stew Of Distinction For St. Pat's Day

Everyone's talking about it, and everyone's doing something about it—so don't pass up this opportunity to try this "Stew of Distinction." Made with lamb, this meal in-one-dish is a special favorite with people of Irish ancestry, says Reba Stagger, home economist.

So even if your name doesn't have that typical Irish lilt of a Colleen Murphy or a Patrick O'Toole, give your family this special treat on St. Patrick's Day, March 17th.

A Stew Of Distinction

- 1 1/2 pounds lamb for stew, cut in 1 1/2-inch cubes.
- 2 tablespoons lard or drippings
- 3 cups hot water
- 4 carrots, cut lengthwise
- 1 stalk celery, small, cut in 4-inch pieces
- 6 medium potatoes, halved
- 1 1/2 teaspoons salt
- 1/8 teaspoon pepper
- 2 tablespoons chopped parsley

Brown the lamb in lard or drippings. Add hot water, cover and simmer slowly for 1 1/2 hours. Add the carrots, celery, onions and potatoes, season. Serve the lamb in the center of a large chop plate surrounded by the vegetables, arranged neatly. Sprinkle the meat with the chopped parsley. Thicken the cooking liquid for gravy. Yield 4 to 6 servings.

WEEKEND GUESTS

Mrs. P. C. Long and Clayton Long had as their weekend guests, Mr. and Mrs. Rex C. Outlaw of Dallas, Judge and Mrs. W. Outlaw of Sweetwater, and Mrs. E. W. Outlaw of White Deer.

VISIT IN RANGER

ATTENDING MEETING IN DALLAS

Mrs. Ralph Perkins is in Dallas attending the State WMU Executive Board meeting.

County Stock Show Planned For March 30-31

Beef and dairy cattle, hogs, sheep and goats will be exhibited in the annual Eastland County Livestock Show, held primarily for youth of the county, and which will be staged at the barn of the sponsoring Eastland County Livestock Raisers Association Friday and Saturday, March 30 and 31.

Represented in the show will be the FFA chapters of Eastland, Ranger, Cisco, Olden, Carbon and Rising Star and, perhaps, also, Gorman and Desdemona. Numerous 4-H clubs from over the county also will participate.

The stock must be in its stalls and pens by 11 a.m. the first day.

Judging will take place the second day.

Don Hart of Eastland in charge of the catalogue, said that it will be distributed next week. Prizes are cash and ribbons.

C. M. McCain, Eastland, is the show's general superintendent and Boyd Hilley of Gorman is president of the stock association.

SUNDAY GUESTS

Rev. and Mrs. Ralph Perkins had as their guests Sunday, Mrs. Perkins' sister, Mrs. Bea Brace, another sister and family, Mr. and Mrs. C. W. Johnson, Linda and Ann, all of Abilene.

WEEKEND GUESTS

Mr. and Mrs. W. H. Gay, Jr. and children, of Kermit, Johnny Gay of Denton, and J. W. Gay of Jacksonville were weekend guests of Mr. and Mrs. W. H. Gay, Sr.

D. R. Webb In Fire School Of U. S. Navy

Attending the Navy's Fire Control Technician School at the Naval Training Center, San Diego, Calif., is Donald R. Webb, seaman apprentice, USN, son of Mr. and Mrs. Raymond Webb of 402 W. Sadona st., Eastland.

Before entering the service in September 1955, he attended Tarleton State College, Stephenville.

Navy fire control is the system of directing the gunfire of ships' main and anti-aircraft batteries and the control of torpedo launching.

Technicians are taught the repair and maintenance of the equipment for fire control.

The Basic Value of your Home—

... is not so much in the location, the cost of the improvements, nor the fertility of the soil, but in its title. Without the security which a good title guarantees there could be little or no value left. The abstract is a written history of the title and is the only means yet devised whereby imperfections may be discovered and curative processes made possible. So when you buy real estate be careful—be sure of the title behind it.

Country Echoes Mrs. Bill Tucker

March — that month which is nearly always unpredictable and which came in with rather mild aspects — may have Leonine qualities ere it comes to a close. We know a neighbor who has postponed painting his house for a time more favorable. We are speaking of Ernest Broome.

Mrs. J. O. Jackson and three of Mr. Jackson's sisters, visiting him from out of the state, where visitors Monday afternoon in the Broome home.

It seems that if Indian Mountain folk are to be on the map, so to speak, they need to give this reporter names and activities of everyone. We think they will like such publicity.

We know that readers of any home news column, especially those in other counties and states, feel it is keeping track of home-folk.

We call to witness Mrs. R. A. Shockley of Midlothian, the former Mary Underwood, who is known to Indian Mountain and Duster oldtimers and those around a permanent landmark, Oakland Cemetery.

Our nomination for teen-ager superb is our young neighbor, Jerry Iley. A student in Gorman high, member of the FFA chapter, who also attends church and Sun-has unique qualities of a perfect home builder, taking interest in keeping house, helping care for his mother, who has been ill several years, and helping his father with the farming operations and livestock raising.

Jerry attended a skating party with a group of his friends at Cle-

co Friday and assured us he learned to keep rolling.

Our hats off to a fine young lad who never complains of his status of keeping rather closely at home most of the time.

We understand Mrs. Lee Anglin has been helping care for her invalid father, Mr. Stephens, at the home of a daughter in DeLeon. One of these days we'll get around to visiting the Anglin home.

Early Sunday morning a group of men and dogs — must be "houn-dawg men" — parked and unloaded into our field for what turned out to be a rabbit hunt with greyhounds. Two races were made with at least 7 or 8 dogs converging on Mr. Rabbit, who didn't have a chance. The other one got into the brush safely.

Our poach, if he could talk, most likely would say, "The nerve of those in other counties and states, feel it is exciting while it lasted."

Listening to our groceryman who was "raised" in this neck of the woods, you are made to wonder why he left it. After the first rain which fell after our moving into the community the answer was plain — mud.

Is wheel fatigue getting you down?

ENGAGEMENT ANNOUNCED—Mr. and Mrs. C. B. Pruet announce the engagement and approaching marriage of their daughter, Carolyn, to George A. Reynolds, Lieutenant junior grade, Naval Air Station, Corpus Christi, Texas. His parents are Dr. and Mrs. C. H. Reynolds of Roscoe, New York.

SOCIAL CALENDAR

March 13
The Willing Workers Sunday School class of the First Methodist Church will have a covered dish luncheon Tuesday at 7:00 p.m. at the church. Each member is to bring a salad or vegetable. Hostesses will be Mrs. Arthur Deffenbach, Mrs. C. I. Wolford and Mrs. C. E. May, Sr.

March 14
The New Era Club will meet Wednesday with Mrs. J. L. Turner,

and Mrs. W. W. Mitchell as co-hostesses. The book review will be given by Mrs. W. A. Lewis.

The Dutch Club will meet Wednesday in the home of Mrs. E. F. Arterburn with Mrs. Hooper of Eastland and Mrs. Jess Weaver as co-hostess.

Postponed — The Young School P.T.A. meeting will be postponed until March 20. There will be no change in the program.

March 15
The 1920 Club will meet in the home of Mrs. T. J. Anderson at the regular time Thursday afternoon. The program is entitled "Easter in Jerusalem."

The American Association of University Women will meet Thursday. "Texas in Literature—A Survey", will be given by Mrs. James P. Morris.

The Red Cross First Aid Class will meet Thursday, March 15 at 1:30 p.m. in the basement of the First Baptist Church. Dr. R. E. Headlee will lecture on "Dressings and Bandages" and "First Aid For Common Medical Emergencies."

Mrs. J. A. Bates will set a time for a practice session on application of dressings and bandages. The public is invited.

IN DALLAS

Mr. and Mrs. Nick Crawford and Mr. and Mrs. Morris Newnam are spending a few days in Dallas.

Woman's World
society, clubs, churches

Flatwood H. D. Club Entertained By Mrs. Boone

The Flatwood Home Demonstration Club members were entertained by Mrs. Lillian Boone Tuesday afternoon at her home on South Bassett street.

Mrs. Boone is a sister of Mrs. Beulah Turner, immediate past president of the club and though she is not a member, she had the members as guests at her home for this meeting.

Mrs. Annie Cooper, consumers education chairman, reported on a meeting at the county agent's office. Reports of this meeting will be sent to the clubs later.

Mrs. Beulah Turner moved that the club give \$3 to the Red Cross. The Civil Defense program was discussed.

Mrs. Wylie Harbin was in charge of recreation which included a "True or False" contest on friendship.

Mrs. W. M. Grieger, president, presided and Mrs. Bessie Bennett, secretary, read the minutes.

Present were Meses. Turner, Cooper, Harbin, Grieger, Bessie Bennett, Annie Palmer, Henry Wilson, C. M. McCain, Annie Cooper, May Turner, members; and two guests of the club — Mrs. Minnie Foster of Odessa and Mrs. Lillian Boone, hostess.

First Baptist Wed. Services Announced

Wednesday evening services at the First Baptist Church will be on regular schedule with Choir rehearsal at 6:30 p.m. and the Sunday school program at 7:15, and prayer and praise service at 8 p.m.

The Choir is working on the Easter music and each member of the choir needs to be present for each rehearsal.

Sunday school officers and teachers need the information, instruction, and inspiration that comes from the Superintendents and departmental officers and teachers meeting for the program of the week and for the plans for the following Sunday. Teachers in many departments are having the lessons taught. Other departments are studying departmental books and making plans for their particular group.

The prayer meeting hour is given to song, praise and Bible study. The book of Isaiah is being studied. Bring your Bibles and come worship with us each Wednesday evening at 8 p.m.

The Nursery is open for the little ones at each service.

First Baptist Training Union Announcements

The Spring Training Festival, conducted in the First Baptist Church here, was well attended and an enrollment of 167 with well over 100 awards. The Training Union Department on Sunday evening had a high attendance of 161. This is the highest attendance in well over a year.

New life was felt in all departments. Adult I, those under thirty-five years of age, are off to a good start. Mrs. Bill Swink is the director. Mrs. Bill Knighton associate and Mr. Richard Van is the newly elected president. Adult II went to the third Union, this was not a new Union organized but a reorganization. Mr. Wayland Jowers is serving as president pro-tem. This is the Challenger Union.

The F.P.C. Union has Mr. G. B. Rush as president.

The Ambassador Union was not affected and continues to serve in a splendid way. Mr. Lewis Green was elected to serve as Associate Director in charge of the "Ruby Anniversary of T. C. Gardner". This year will close the 41 years of service of our Training Union Secretary, T. C. Gardner.

Miss Anice Locke was elected as Director of Adult II Department of Training Union.

Mr. Wayland Jowers is Associate director, Mr. Lee Russell Choir Director, and Mrs. Wayland Jowers, pianist.

There is now a place for everyone in Training Union. All adults should be in a Union or working with the children in a union.

... a word about our NEW CHECK-R-MIX SERVICE

Our new Check-R-Mix Service Department offers you more than just grinding and mixing. We use your grain as a base for a scientifically balanced ration—one that will do the job right for you. This is possible because we use Micro-Mixed Purina Concentrates to balance your grain, on formulas supplied by Purina Research.

These Purina Concentrates are the key that can unlock the many extra values of home grain. You can be sure they contain the right growth boosters, for they are built and backed by Purina—a leader in the feed industry for more than 60 years.

So bring in a load of your grain. Let us show you how this new Check-R-Mix Service works. It's our way of helping you get the most out of your grain. Stop by soon.
