one series of downs that didn't get anywhere, and then punted. Ranger took over on their own 29 and Hinds streaked 71 yards this time to the promised land and kicked another goal making it 21-0 and that is how the score stood at the end of the half.

The Bulldogs chalked up all

kinds of first downs in the third period but the only scoring done anybody was the Bearcats touchdown. Wharton carried the colors for the final Ranger score in the fourth, going over from the 10 on a power play and Hinds converted once again, making the final score 28-7.

The fourth period also saw the Bulldogs do one thing for the first time in district play this year-they punted. They didn't have to punt, particularly, but Hinds evidently figured that maybe they had better get in a little practice in this department and

booted the ball out for 34 yards. The Ranger stands were comfhad followed a team to Ballinger any time this year, the Ballinger folks said. The game was played in downright cold weather and on a slicky field that had seen a rain earlier in the day
