## Bulldogs Point For Championship

### WHAT'S... COOKING?

By NORMAN WRIGHT  
\* Aside from considering one unimportant, minor little matter this week, such as the election, Ranger people are going all out in their speculations about the Football Game Friday night between the Bulldogs and the Coleman Bluecats for the District 7-AA championship. Of course, if Ranger should beat Coleman the Bulldogs have still got to face tough Winters, but everybody concedes that the championship will be decided this week at Coleman.

We were talking to the Ballinger sportswriter last Friday night and nothing would suit Ballinger any more than for Ranger to give Coleman the walloping of a lifetime. In fact, anybody that can beat Coleman has Ballinger's support, also Winters' support. But this sportswriter told us that as fine a club as the Bulldogs are, he does not think they will ever beat the Bluecats.

He said Coleman had four men in the backfield that were greased blue streaks. He said they had four Benji Lipseys back there, and you know what Benji Lipsey, of Cisco, is.

But for some strange reason, we do not share this sportswriter's opinion about Coleman, and we believe the Bulldogs definitely have a chance, and even more than a chance. Let's look carefully, and searchingly at the record. In the first place, here is Coleman's record for the season:

Coleman 34	Anson	0
Coleman 13	Brownwood	26
Coleman 13	C. Plains	40
Coleman 13	Brady	20
Coleman 6	Stanford	40
Coleman 27	Crane	0
Coleman 37	Ballinger	13
Coleman 19	Winters	7

In looking at those top six non-conference games it can be seen that every time Coleman played a team that was any team at all, they got beat, and beat bad. They were only from Anson and Crane, two very small and weak schools.

Ballinger is the only school in the conference that both Coleman and Ranger have played, Coleman winning from the Bearcats 37-13, and Ranger winning from them 28-7, playing under heavy wraps.

Coleman rushed against Ballinger for 274 yards, whereas the Bulldogs rushed against the same team for 390 yards, 124 yards more. Ballinger made 166 yards rushing against Coleman and they made only 99 yards rushing against Ranger. Ballinger had one man, their fullback Wesley Stokes, who rushed 131 yards by himself against Coleman, and against Ranger, brother Stokes made only 14 yards.

In trying to compare the two teams on the basis of their performance against Ballinger, there is no comparison at all. Ranger played rings around them, while more or less toyed along with Ballinger.

There is another thing to consider. When you get right down to it, and if the score is a close one, Ranger might possibly win the game on kicking extra points, alone. Look back over that Coleman record. All of those odd scores indicate that a lot of extra points were missed. A boy named Dale Byerly is the goal kicker for Coleman, and in the Coleman-Ballinger game he missed five out of six tries. In the Coleman-Winters game, he missed two out of three tries. He kicked only two goals following Coleman's last nine touchdowns.

Faul Hinds of Ranger, seldom misses a goal. He kicked four out of four against Ballinger, and five

R. B. WALLACE

### Pontiac Agency To Open Friday

A brand new Pontiac Agency and a new business for Ranger will be opened here Friday at the corner of Pine & Rusk Streets by H. M. Bagwell and R. B. Wallace.

The opening will coincide with the first formal showing of the new 1957 Pontiac automobiles, at which time the owners of the new business wish to welcome hundreds more moisture than any other nearby point in this section of West Texas. Nearest thing to it was 1.20 at Rising Star, 1.03 at Breckenridge and 1.00 at Cisco. All other neighboring points got less than an inch.

The rain seemed to have got heavier as it moved from West to East, beginning with .50 at Abilene and winding up with 2.14 at Dallas.

Farmers and ranchers have said the rain "was just right for small grains." However, as it fell slowly over the 24-hour period and there was little run-off and the stockponds, which were dry, benefitted very little.

### Boswell Dairies Announce Plans For Local Route

Charles Stanford of Cisco has been named local route salesman for Boswell Dairies' new division covering the Ranger, Eastland and Cisco trade area, it was announced by L. A. Boswell, vice-president.

A native West Texan Stanford was formerly associated with a produce firm the past seven years.

"We are happy to expand the distribution system for our products throughout this trade area," said Mr. Boswell. The expanded distribution system will be serviced from the division office located at 305 Ave. D in Cisco.

Boswell Dairies is a family-owned concern that started in the sale of dairy products in Fort Worth in 1900. It has been active in producing, processing and distributing of dairy products continuously since that time.

One of the largest and most modern milk processing and ice cream manufacturing plants in Texas is maintained by Boswell's in Fort Worth. Other distributing divisions in addition to the Ranger-Eastland-Cisco office are located at Weatherford, Cleburne and Corsicana.

### Good Turn-Out Going to Polls At Press Time

At press time today it was indicated that a good turn-out of voters was going to the polls in Ranger to register their preferences on National, State, County and Precinct Candidates, and on the eight constitutional amendments.

It was not possible to get any sort of a count that would give a possible trend of the election. However, as a matter of interest to its readers, the Times will publish in Thursday's issue a chart showing complete returns from all the boxes in Eastland county. This chart will be prepared from the returns as sent in to the county seat, and will be unofficial, of course, until properly certified.

### Called Meet To Organize Garden Club

A called meeting has been announced for 3:00 p.m. Thursday at the Community Club House for the purpose of organizing a Civic Garden Club. All men and women in Ranger interested in such an organization are urgently requested to be present.

Many homeowners signed cards at the 1920 Club Civic Banquet last Thursday night indicating a desire to organize a Garden Club in Ranger, and all these people are requested to be present.

Purpose of the meeting is to organize, elect officers and appoint committees so that work can be got under way, as much of next Spring's beauty must be started in the winter months.

It is hoped that a large crowd will be present.

### New Trash Cans On Main Street

Brand new all-steel silver-painted trash cans have been placed in handy locations up and down Main Street this week and the city requests everyone to aid in keeping the street clean by dropping their trash into the cans, instead of on the sidewalks or in the gutters.

It is pointed out that no matter where you are standing, it will be only a few steps to a trash can if you have something to throw away, so please use the cans. A man has also been put on duty with a push-cart to keep main street litter picked up.

### Gas Company Hunts Leak

The Gas Company has dug a long, deep ditch in the alley South of Crawford's Rexall Drug this week trying to find the spot where gas is leaking from a main. Earth is wet four feet down.

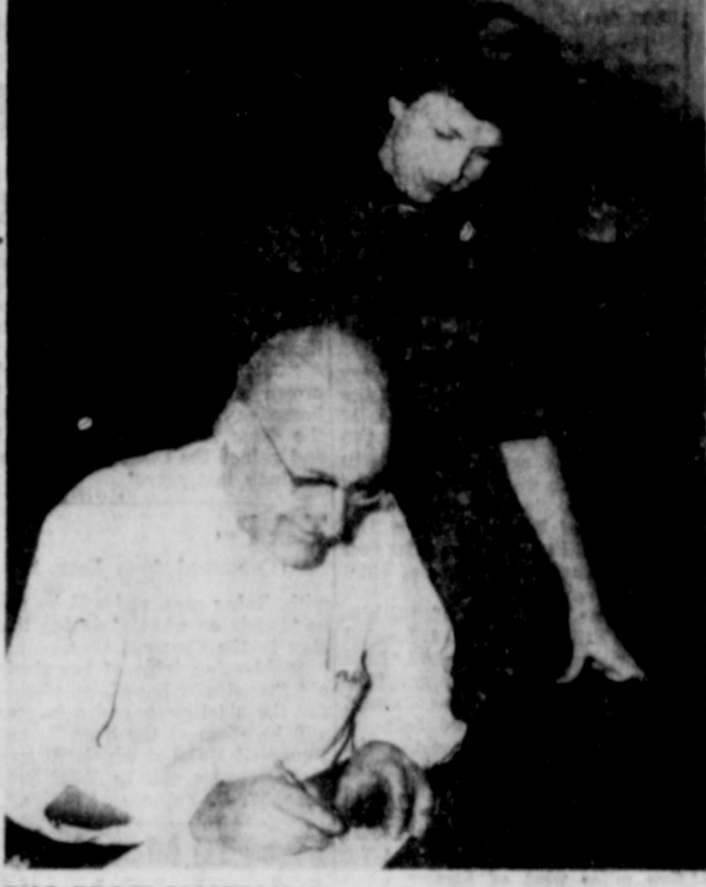

Capt. Marc A. Moore

### Marine Officers To Visit Ranger Junior College

Marine Corps Officer Programs offer commissions only to college graduates. Members of the Platoon Leaders Class train during two six-week summer training periods and receive a commission upon graduation. Seniors and graduates may apply through the Officer Candidate Course and be offered a commission after completion of a ten-week training course. Training as a Marine Corps Pilot is also available through both of these programs.

Students interested in receiving a commission in the Marine Corps Reserve or obtaining information on their present military training obligations should contact the team while it is in the city, it is

### Future Homemaking Girls Having Big Week In Ranger

The Ranger High School chapter of the Future Homemakers of America are in the middle of a big week in this city as the period Nov. 4-10 has been officially declared FIA Week in a proclamation signed by Mayor pro tem Addie Williams.

The FIA girls began their week-long program Sunday by having ministers of each church in the city offer a prayer for FIA members and their activities.

On Monday, posters, exhibits and displays telling about the FIA and its activities were put up all over town. Tuesday, today, was set aside as the day to take food and flowers to the hospitals and to visit patients.

On Wednesday, the FIA Girls will sponsor a clean-up campaign on the school grounds and inside the school rooms. Also on Wednesday, which has been set aside as "Have No Grip Day," a n d "Courtesy Day," the girls will sponsor an assembly program at the high school.

Thursday will be "Family Day" at which time the Future Homemakers will cook family meals, and a Family Fun Night will be held in each FIA home. A special grace will be said at supper in each FIA home Thursday night.

Friday, each member of the FIA will attend the football game in Coleman where the Bulldogs will battle it out with the Coleman Bluecats for championship of District 7-AA.

Saturday, a bake sale has been planned for downtown, and Ranger citizens are cordially invited to attend the sale and take home some of the delicious cakes and other things that will be offered.

The purposes of the Future Homemakers of America are as follows:

1. To promote a growing appreciation of the joys and satisfaction of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in home economics.

### BOY SCOUT DIS'T MEET TO BE HELD AT RANGER

Ranger will be the scene of the annual meeting of the Boy Scouts of America, Northeast District, which comprises the counties of Erath, Comanche, Eastland, Stephens and Woodson.

The meeting will be held on November 19 at the First Methodist Church of Ranger where a banquet will be given for over 200 Scout leaders and friends of scouting, who will hear Dr. Guy D. Newman of Brownwood, president of Howard Payne College, deliver the principal address. Other activities will be presented by Cub Scouts, Boy Scouts and Explorer Scouts.

Reservations for the dinner are being made through unit committee chairmen or through the attendance committee, which includes Sam Cleveland and Paul A. Cuyus of Stephenville; Joe Henderson of Dublin; Glenn McAffrey of Garman; Arthur DeFebach and John Bates of Ranger; Dr. J. C. Whittington of Eastland; Dr. H. C. Brown of Cisco, and Jack Merrill and Jodie Baker of Breckenridge.

Reports of activities of this year will be made, and election and installation of officers for 1957 will be conducted.

Dr. Whittington of Eastland will be Master of Ceremonies.

### John Dillinger Car On Display By Police Dep't

The personal car of John Dillinger, slain gangland kingpin, will be on display here Thursday at the corner of Austin and Main Street under sponsorship of the police department. A small charge will be made to view the bullet-proof vehicle.

The car is a 16 cylinder 1931 Cadillac and weighs 9,144 pounds. It's engine has smoke and tear gas generators, and a device to spray tanks on the road to stop apprehenders. The body is made of bullet-proof steel and all glass is bullet-proof, with ports through which machine guns could be fired. It's speed is 100 mph.

Capt. Rob't W. Lewis

### Local Railroad Men to Join T&P "Party"

The "Seniority Specials," Texas & Pacific Railway Company's annual excursion trains operated for its two veteran retired employee groups, will start rolling again on Nov. 7, from Marshall to New Orleans, this time, and the railroad has announced several men from the Ranger area who have been assigned pullman car space for the trip.

Among those announced are J. A. Stewart of Ranger, W. L. Baker of Olden, E. A. Hatten of Eastland, R. W. Moore and C. W. Schaeffer of Cisco, and several more from such areas as Clyde, Baird and others.

Unique in the realm of railroading, some 450 T&P oldtimers once more will be traveling as guests of their railroad on these all-expense-paid rolling reunions.

The air conditioned trains will be parked in New Orleans' Union Passenger Terminal, complete out the vote.

The Ranger Good Citizenship Committee was making house to house telephone calls today to get out the vote.

### Definitely Have Chance Against Coleman

By NORMAN WRIGHT  
The Ranger Bulldogs have their work cut out for them this week. Between now and Friday night they have got to devise ways and means of beating Coleman for the District 7-AA championship, and that is quite an assignment.

It is not an impossible one, though, and over in the "What's Cooking" column, if you care to read it, we tell you why we think Ranger has more than an even chance with the Bluecats.

This so-called Whistle Stop that the sportswriters on the big dailies tagged the Bulldogs with has suddenly become a tremendous and formidable road block, and the experts are beginning to change their tune. Before it is all over with, they may be denying they ever said it.

Of course, we don't want to be counting our chickens before they are hatched, because even if Ranger did pull an upset and beat Coleman, the Bulldogs still have to beat the Winters Blizzards, and that club is by no means a push-over. It is generally conceded, however, if the Dogs get by Coleman they'll get by Winters. If Coleman wins Friday night, they're in, as only weak and battered and injured Cisco would stand in their way.

Ranger will go into the game Friday night the underdog but everybody's favorite. Ballinger will be pulling for the Bulldogs just as principal; they're for anything or anybody that can beat Coleman. Winters, while playing Ballinger, will be pulling for the Bulldogs because a Bulldog win over Coleman is their only chance of staying alive in the conference, hoping in the meantime, that they can beat Ranger the following week.

While Coleman has scouted Ranger all season long, especially in the last two games, and more especially in the Ballinger game when most of the Coleman squad was on hand, Ranger has been doing a little scouting herself. Coach Boone Yarbrough isn't going into the game blind by any means. The Dogs know what they are up against and they know how to prepare their defense. The only thing is, do they have enough speed?

Coleman has speed to burn in the backfield, and if those boys get into the open, the matter of catching them is almost out of the question. They must be contained somewhere in the vicinity of the line of scrimmage and that is where the bulldog line, the finest in the conference, is going to have to rise and shine this week as they never have before, if they hope to cut down the Bluecat attack. This is going to be one game where it is power vs. speed, and anything can happen.

With a backfield consisting of Paul Hinds, David Wharton, Jerry Basha and Gerald Sporey, among others, and a couple of fine ends in Boone Yarbrough, Jr. and Jerry Cantrell, the Bulldogs have a wonderful touchdown factory of their own, and we expect to see the Maroon and White from end to end and from back to front come up with some entirely new tricks this week that the scouts haven't seen yet, and we confidently expect the Bulldogs to do some scoring of their own before the game is over.

It is entirely within the realm of possibility that the Bulldogs can win this game and they should have the support of every fan in town who can possibly make the trip to Coleman. It is only 76 miles and what seems to be a very short 76. You drive 36 to Baird and turn south and then another 40 miles to Coleman. And mind you, the road turns at Baird before you get into town. Don't make the mistake we did and miss it.

Some of the people at Ballinger last week remarked to us that Ranger had the biggest crowd of visitors in their stadium that ever followed a football team there, and that fact alone can get a long way in bringing a victory to a ball club. Let's hope that even more people prepare to help in the week, to make the trip to Coleman.

### Cisco Midgets To Play Ranger Tuesday Night

The Cisco Junior High School Midgets will journey to Ranger tonight (Tuesday) to play the Ranger Junior High School team at Bulldog Stadium. Game time is scheduled for 7:30 o'clock.

The Midgets have had a successful season so far this year, taking their fourth straight win last Tuesday night from Eastland, and they have won each game by decisive scores.

Ranger is out to upset their winning streak, and everybody is invited to come out for the game.

### Lone Star Gas Announces New Appointments

J. A. Bates of Ranger has been appointed to the newly created post of departmental superintendent of the gasoline department of Lone Star Gas and Lone Star Producing Co., it is announced. W. A. Robinson succeeds Bates as West Texas district superintendent to supervise operations of gasoline plants at Gordon and Pueblo and those in the Ranger-Breckenridge area.

J. R. Dugan, Jr. has been appointed assistant superintendent of gasoline plants. Ellis Gregory has been promoted to senior foreman of the tank car shops. N. E. Landers has been given additional work as supervisor of structure maintenance crew.

## Two New Eastland County Wells Are Being Drilled; Area Activity Up

Two new wildcat tries have been staked in Eastland County, and oil activities in surrounding counties also has seen new action this week.

In Eastland County, the No. 1 J. T. Watson is being drilled by George W. Keith, et al, of Wichita Falls 990 feet from the south line and 3630 feet from the east line of Section 37, Block 4, H&TC Survey, seven miles northwest of Eastland on a 200-acre lease in the north central part of the county. It is an east outpost to an old marginal producer. Proposed depth is 3800 feet with rotary.

Drill Well Oil Co. and R. B. Morris, et al, also of Wichita Falls, are drilling the No. 1 Sam S. Powers. Location is 330 feet from the north lines of the G. W. Dakan survey, three miles north of Desdemona on a 53-acre lease. The try is three miles north of the old Desdemona field. Elevation is 1460 feet and proposed depth is 3500 feet.

Three new tries have been staked in Stephens County. The first is the No. 1 C. H. Compton, a wildcat being drilled by McElroy Ranch Co. of Midland. The well spots 2310 feet from the south line and 330 feet from the west line of Section 7, Block 7, T&P Survey, three miles south of Eolian of a 405 acre lease, two miles southwest of the Eolian Caddo area, and one-half mile west of a 3709 failure. Proposed depth is 4100 feet to the Caddo said with rotary.

Another Stephens County try is the No. 5 Molly Pratt. Being drilled by Ira-Lee Drilling Co. of Lubbock, the well is located 170 feet from the north line and 830 feet from the west line of Section 1022, TE&L Survey, two miles southeast of Elaville on a 100 acre lease. Elevation is 1120 feet with proposed depth listed at 4500 feet.

Cheyne Oil Corp. of Wichita Falls is drilling the No. 1 Donnell as a wildcat in Section 62, EBB & C Survey, four miles north of Crystal Falls in Stephens County. Proposed depth is 4700 feet.

In Palo Pinto County, the No. 4 Swenson Estate is being drilled by Falco Oil Co. of Ranger. The try is 300 feet from the north line and 166 feet from the east line of the BBB&C Survey A-73, five miles west of Strawn on a 295 acre lease. Proposed depth is the No. 2-A L. E. Seaman Estate being drilled by Henry L. Seale and James P. Lohan of Brecken-

ridge. The try is located in Section 1, TS&S Survey A-1339, five miles north of Brad. Proposed depth is 5000 feet.

A Callahan County try is being drilled by J. A. McGee et al of Abilene. The well is the No. 1 G. A. Brown and is located in Section 2283, TE&L Survey, three miles east of Putnam. Proposed depth is 1000 feet with casing tools.

In Shackelford County, G. E. Kadane and Sons of Wichita Falls are drilling the No. 1 W. H. Green "J." The try is in Section 29, BAL Survey, nine miles southeast of Albany. Proposed depth is 4500 feet.

R. F. Collier of Breckenridge is drilling the No. 14 W. Y. Davis as a regular field try in Shackelford County. The try is in Section 19, Block 13, T&P Survey, 18 miles west of Albany. Proposed depth is 1700 feet with casing tools.

With Coleman missing all their points after touchdown, this, alone, might be the one deciding factor. But the speed of that Coleman backfield cannot be underestimated in their ability to manufacture touchdowns. The h a 1 blue-streak quartet consists of Quarterback Charles Winstead, Left Half Jimmy Norris, Right Half Tommy Alsop and Fullback Dale Lewis. Against Ballinger, Norris sped for three touchdowns and one of them was on a 57-yard run. He made a 50-yard run against Winters. Fullback Ballinger and another two against Winters. Those lads need only a 1-inch start and they're gone, slippery as eels.

There is no question about it, though, Ranger has one of the finest defensive records of any club in the loop. Nothing can even come close to matching Ranger in the number of yards they have given up. The Bulldogs just don't give up yardage. What the line doesn't stop, there is a line-backer right on the job to see that the offensive backs don't travel very far. Ranger, though, is short on all around speed and it will have

## What's Cooking—

(Continued from Page 1)

out of seven against Cisco, for a total of nine out of 11 tries, missing only two.

We are not roaching those Bulldogs by a million miles, but if we were Hoone Yarbrough, and that Coleman game looked like it was going to be close, we would pull Paul Hinds back there and collect ourselves three points on a field goal every chance we got.

With Coleman missing all their points after touchdown, this, alone, might be the one deciding factor.

But the speed of that Coleman backfield cannot be underestimated in their ability to manufacture touchdowns. ## First 10 Months Driest In History In Ranger Area

The first 10 months of 1956 in the Ranger, Eastland, Cisco, Abilene area have been the driest of any similar period since the Abilene Weather Bureau started keeping records for this area back in 1885, which was 71 years ago.

According to the Weather Bureau, it is even drier now than it was back in 1917, the second driest year. At the end of October of 1917 the rainfall totaled 10.68 inches, while at the end of October this year the rainfall total was only 8.34 inches. Total normal rainfall for the first 10 months of a year for this area is supposed to be 20.16 inches, so we're 11.82 inches, almost a foot, short.

Only about 1.91 inches of rain fell in the Ranger area last month compared to a normal of 2.57 inches, and the largest amount, about .82 of an inch, didn't fall until the morning of Oct. 30.

## WOMEN WHO COOK ELECTRICALLY KNOW

**Electric Cooking is THRIFTY!**

Fast, efficient electric cooking helps you save in many ways! With accurately-controlled electric heat, meats and other foods cook with a minimum of shrinkage, giving you more servings per pound. Oven cooking... and top-of-the-range cooking, too... can be automatically controlled to eliminate costly cooking failures. And clean electric heat saves on kitchen cleaning and redecorating expense. It costs only about 3c per meal to enjoy the cleanliness, accuracy and carefree convenience of modern electric cooking. Try it... you'll love it!

**MINIMUM SHRINKAGE MEANS MORE SERVINGS PER POUND**

The accurately measured and controlled heat of an electric oven permits cooking meats the recommended low-temperature way for minimum shrinkage, less drying out and loss of flavorful juices.

For a full measure of cooking pleasure... **COOK ELECTRICALLY!**

See your favorite electric range dealer soon for the model that's exactly right for your family's needs and budget. You'll find electric cooking one of the nicest things about living better... electrically!

## WESTERN RANCH DINNER

Delicious! Bakes in just one pan!

- 1 frying chicken (2 1/2-3 lbs.)
- 1 No. 21/2 can cling peach halves
- 1 1/2 cups Pet Evaporated Milk\*
- 1 package Ballard OvenReady\* Biscuits
- 1 cup flour
- 2 teaspoons salt
- 1/4 teaspoon pepper
- 1 teaspoon paprika
- 1/4 teaspoon poultry seasoning (if desired)
- 1/2 cup shortening
- 1 cup water

\* Registered trade names At the dairy case  
Dip cut-up frying chicken in 1/2 cup Pet Milk, roll (or shake in a bag) in mixture of flour and seasonings. (Set aside remaining flour mixture for gravy.) Melt shortening in 13x9-inch pan. Add chicken, skin side down. Bake uncovered in hot oven (425°) until tender, basting occasionally. (Average cooking time 40 to 50 minutes.) Turn chicken and move to end of pan. Arrange drained peach halves on chicken. Open can of Ballard OvenReady\* Biscuits. Separate and put in other end of pan. Bake 15 minutes, until biscuits are brown. Remove peaches, chicken and biscuits to hot plate. For gravy: Blend 3 tablespoons of set-aside flour mixture with pan drippings. Gradually stir in water. Boil and stir 2 minutes. Stir in 1 cup Pet Milk. Heat but do not boil. Add salt, pepper to taste. Serves 4.

MRS. CHARLES D. CAMPBELL

### Charles D. Campbell Exchanges Wedding Vows With Houston Girl

Miss Rita Hruby became the bride of Charles D. Campbell at 10:00 a.m. Nov. 3 in a ceremony read by the Reverend O'Malley in The Shrine of The True Cross in Dickinson.

Miss Hruby, 3619 Garrett, Houston, is the daughter of Mr. and Mrs. Fred Hruby of Dickinson, Campbell, 1014 Bartlett, Houston, is the son of Mr. and Mrs. Charles A. Campbell, 1848 Heather Lane, Dallas, and formerly of Ranger.

The bride, given in marriage by her father, wore an exquisite gown of chantilly lace and tulle over satin, an original design by Arden. It was created with an Elizabeth collar embroidered in

bridal jewels, sculptured lace bodice fastened with small covered buttons and long bridal sleeves ending in petal points at the hands. The voluminous lace skirt featured a deep tulle flounce applied into handkerchief points of the skirt and extended into a floor sweep.

Her fingertip veil of silk illusion was held in place by a Queen of Scots headdress. She carried a white prayer book topped with white orchids surrounded with blue lace and staphenotis.

Mrs. Herbert Muehr, sister of the bride, was matron of honor and Miss Elizabeth Hruby, cousin of the bride, was bridesmaid. Both wore formal dresses in shades of blue, fashioned with an off the shoulder neckline and cap sleeves. The semi-princess lines of the skirt extended into a bouffant floor length skirt.

They wore accessories of matching colors and carried nosegays of white pom poms surrounded with blue lace.

Charles A. Campbell served his son as best man. John Sergeant was groomsmen and Herbert Muehr and Robert Hruby were ushers.

A reception was held immediately following the ceremony in the parish hall. The following were in the house party: Mmes. Zark Cartwright, Robert Hruby and Edith Weiss.

After a wedding trip to New Orleans the couple will make their home in Houston.

Mrs. Campbell is a graduate of Dickinson High School and at present is executive secretary at T. J. Bettes Company, Houston. Her husband is a graduate of Ranger High School, Ranger Junior College and received his BBA degree from North Texas State

### Ervin Family Reunion Held In Goldthwaite

Misses Abbie and Ruth Ervin and J. P. Ervin of Goldthwaite were hosts recently for a reunion of their brothers and sisters. Those present were Mr. and Mrs. C. D. Ervin, Mr. and Mrs. O. R. Ervin, J. R. Ervin and J. H. Ervin, all of Ranger; Mrs. L. R. Hendry, Mrs. Mae McMillon of Coleman, and Mr. and Mrs. O. S. White of Temple.

Others present were: Mr. and Mrs. J. R. Eudy, Mrs. B. Cline and Carolyn of Coleman, Miss Mary Sue White of Temple, and Mr. and Mrs. C. T. Wilson of Goldthwaite.

### Olden Couple Celebrate Their 69th Anniversary

Mr. and Mrs. L. S. Hamilton celebrated their 69th wedding anniversary Saturday at their home in Olden with their family visiting them.

The couple was married Nov. 3, 1887 in Washington County, Missouri.

### VISITS FROM DE LEON

Mrs. Abbie Frasier and daughter, Ruby, of De Leon visited Mrs. Onis Littlefield Friday.

### SPEND WEEKEND IN AUSTIN

Mr. and Mrs. A. W. Dooley spent the weekend in Austin with their son, Donny.

Avoid snagged curtains by covering the end of the curtain rod before threading it on a curtain. Use the finger of an old glove or transparent tape for an "end" cover, suggests Better Homes & Gardens.

### HOSPITAL NEWS

Patients in the West Texas Clinic are: Mary Gomez, Mittie Tugh, D. E. Pulley, Tom Rawls of Ranger and Audrey Hood of Gorman.

C. A. Dooley and L. A. Hooper are new medical patients in the Ranger General Hospital.

College. He is now employed by General Motors Corp., Chevrolet Motor Division, Houston.

### Not So Far From Here—

... we know of an improved farm for sale at a reasonable price. There are ten children in the family and the father is dead testate passing his interest to the widow now a non-compos-mentis. One of the boys is missing, believed to be in the penitentiary, with a wife and several minor children residing on the farm. One other child, an adult female, married a citizen of another country and is living abroad incognito. Who will make us an offer for this farm without an abstract?
