

ROAMING THRU RANGER WITH RON... By Ronald Waters

EASTLAND COUNTY has set a pattern that the rest of the state will probably follow, in the county pecan show. Oscar Schaefer of the Cook Community dropped by the office the other day to tell us that the rest of the state would be urged to follow our example.

At the same time, he indicated that the county pecan show would be held only in Cisco or Ranger. It would be well to alternate towns each year, so that Cisco could host the show this year and Ranger next.

There seem to be a very good possibility that Cisco will host the 1960 state convention.

Eastland County has had two out of three State Pecan Queens a very good average we must say. For story, see this page.

BAD BLUNDERS DEPT.—During the last week or so more blunders were made than over any similar period. No one feels worse about errors than the editor or reporter who is responsible for them. A few of the honest errors are listed below.

W. J. Sipes was not listed on the ticket sales committee of the Chamber of Commerce banquet, and F. P. Brasher, Sr., was not mentioned as the chairman of the reception committee.

C. Bullion, who is to speak the annual Chamber banquet, spoken before the Life Insurance Management Association on a national-wide program. Previously stated "association," failed to specify WHICH association.

Charles White was a high-point man for the Bulldogs "B" team, and not his brother, Gene (in the Cisco game).

A story stated that the "Pups" would play Cisco. They actually played Eastland.

We didn't mean to "step on anyone's toes" by quoting comparative figures from the CISCOPRESS (on utility meters, Tuesday). Several think that the figures for Cisco and Eastland include meters outside the city limits of these towns and, therefore, are not true comparisons (since Ranger's figures were for the city limits only). We intend to find out definitely and to let you know.

But Roaming Ron certainly did slip in forgetting that the theme of this column for this year is Progress and optimism. He promises to be more careful in the future.

NEXT MONTH is a perfect month, made up of exactly four weeks and exactly 28 days. It starts on a Sunday and ends on a Saturday.

February is always a delightful change from the usual four-and-one-half week month, which is so confusing. Most people have trouble remembering whether the current month has 30 or 31 days.

A solution to the confusion would be 13 calendar months of 28 days each, with each month set just as February is this year. Each date would always fall on the same day, so July 4 would always be observed on a Wednesday and Christmas would always be observed on Wednesday, too.

Similar proposals have been made, from time to time. Only difficulty is that the year would have 364 days, and the calendar makers would have little to do.

Hula-Hoop
By J. L. Ciemmer
What is that stack of multicolored plastic rings? The hula-hoop has now become the national craze. It seems that everybody has hula-hoops. The children twist hula-hoops for fun. The older folks twist them for exercising and figure trimming. Twirled around the hips and knees, the hoops are also twirled around the necks and hands. Those people who cannot whirl the hoops are amazed at the dexterity of those

Evangelist Will Speak Sunday

A hillbilly fellowship, sponsored by the Youth Crusade, will follow regular services at the First Baptist Church this Sunday at 7:30 p.m.

Featured speaker is George Havens, evangelist who formerly acted in Hollywood.

Born in Texas in 1920, Havens went to Hollywood in 1940 where he was a stunt cowboy and daredevil rider. Taking part in about 100 movies, he sang, played the guitar and danced throughout America.

Havens was in show business until 1950 when he began his evangelistic work. He has spoken throughout Canada, Mexico, Cuba and this country.

He has worked with Stuart Hamblen, and is a former cowboy singer for the Grand Ole Opry, and Pee Wee King and his Lucky Stars in Hollywood.

W. O. Dawson Wins Trip

Three supervisors of the Palo Pinto Soil Conservation District in this area recently attended the State Convention of the Texas Soil Conservation Districts in Abilene.

Attending the meeting were Mr. and Mrs. W. O. Dawson of Ranger, Mr. and Mrs. Bill Sanders of Strawn and Mr. and Mrs. A. L. Cranford of Perrin. About 450 were present for the convention.

Dawson won an expense-paid trip to the National Convention of Soil Conservation Districts at Houston, Feb. 1-5. Sanders and Cranford plan to accompany Dawson. Expenses will be paid by the supervisors.

In a Thursday meeting of the group, plans were made to select the outstanding farmer or rancher for 1958. Ten conservation agreements were reviewed and approved by supervisors.

In other business, Bill Sanders was appointed by the board to investigate the surplus equipment grant and 1,200 annual reports were approved for printing.

19 Grass Fires Have Occurred

A total of 19 grass fires this month have occurred in the Ranger area, most of them caused from burning trash in open barrels, according to Charlie Isbell, fire chief.

In a 21-day period, the fires have averaged close to one a day.

Firemen answered five alarms Monday, making runs to grass fires in the area.

The first fire took place at 12:50 p.m. on Highway 80 west, near the city limits. Before the fire was completely extinguished, firemen rushed to a grass-land fire about seven and one-half miles south of Ranger, at 1 p.m. Between 20 and 30 acres of grass were damaged in the blaze, Isbell said.

A third fire occurred in an alley near Travis St. at 3:15 p.m. Monday. Another grass fire took place at Rusk and Mesquite Sts. at 4:57 p.m., and a few minutes later firemen were called west on Highway 80 to another blaze which occurred at 5:12 p.m.

Isbell again urged local and area people to be more careful about burning trash. All containers for trash should contain a protective lid for safer burning, he added.

March of Dimes Drive Is Fast Gaining Momentum

Mavs Down Bulldogs; Ballinger Game Set

Ranger fans saw the Bulldogs give the Eastland Mavericks a hard fight in a District 7-AA basketball tilt Tuesday night, before the locals succumbed 40-51.

As a result of the game, Eastland now holds a 1-2 district record while the Bulldogs are looking for their first district win (with a 0-3 record).

In the "B" game Eastland ran away with the game, defeating the locals 54-22.

The Bulldogs went back into practice Wednesday and Thursday, preparing to meet the Ballinger Beacrats in another home contest, set tomorrow night in the Recreation Building. The "B" game is scheduled to start at 6:30 p.m. to be followed by the "A" squad match at 8 p.m.

Ballinger suffered a defeat at the hands of Cisco, an undefeated team in district play and the favorites to take the title, while Winters surprised Coleman Tuesday night.

In other district games tomorrow, Cisco will tangle with Coleman while Eastland plays Winters.

"A" Game
In a see-saw battle during the first half, neither Eastland nor Ranger could manage to get above a two-point lead. At the end of the first period, the score was tied at 8-all. At the half the Mavericks were in front 18-16. At the end of the third the visitors had increased their lead to 34-27.

Ranger narrowed Eastland's lead down to three points several times in the third and fourth period, but never could gain enough momentum to pull out in front. The 11-point margin was the most that the Mavericks ever gained.

High-point man for Eastland was Larry Hollis, guard, with 19 points. Hollis had over twice as many points as runner-up Otis Green, center, with nine points.

Earnest Stephen, at center, led the Bulldog pack with five field goals and one free throw for 11 points. Dean Richey, forward, and Jerry Beard, guard, were second with 10 points each. Lee King got seven points.

"B" Game
In the first match, the Ranger team failed to score in the first while the Eastland squad pulled out in front by 14 points, dominating the rest of the game. At the half, it was 32-7; at the end of the third, the score was 43-14.

John Wilson led the scoring race with 14 points, including four free throws. Don Wilson was second with 10 points. Mickey Garner

Pups Will Play Cisco, Then Enter Tourney

After defeating the Eastland Dogies, the junior high school pups are ready to take on Cisco's Midget team in two basketball tilts tonight in the Recreation Building at 6 p.m.

A busy schedule will follow, as the Pups travel to Santo Friday afternoon to participate in a junior high school tournament. They are paired with Palo Pinto in the first game at 5 p.m.

Ranger will be paired with Rock of Santo (depending upon winners) if they win, Saturday noon; or at 10 a.m. Saturday, if they lose.

Tournament play will continue up to Saturday night.

Coach Frank Bevers will play three new basketballers in the tournament. They are Ray Cartwright, Windell Ingram and Bobby Galoway.

Expected to start for the Pups are J. B. O'Shields and Gene White, forwards; Charlie DeLos Santos, center; Johnny Wells and Jimmy Hogan, guards.

The "B" game will start off the night, and the "A" game will follow.

Rebecca Graham Is New Pecan Queen of Texas

Rebecca Graham, who was named earlier as Eastland County Pecan Queen, will be crowned State Pecan Queen at the state convention of Pecan Growers in Fort Worth next July.

Oscar Schaefer, president of the Eastland County Pecan Growers Association, said he was recently notified of Miss Graham's selection by C. E. Smith of Rising Star, a member of the board of directors of the state association.

Schaefer said that Miss Graham was named State Pecan Queen at the state show, last month, on the basis of points won by Eastland County pecan growers who exhibited in the show. County pecans took top honors, gaining more points than any other county. The show earned 116 points in the show, San Saba County was second with 113.

Officials at Texas A & M College notified Smith that Miss Graham would be crowned by the president of the state association during the Fort Worth convention.

An Eastland High School senior, the Pecan Queen is the daughter of Mr. and Mrs. E. L. Graham. She is the second Eastland county girl to win the honor. Anna Little of Rising Star was the 1958 State Pecan Queen. Only three queens have been selected.

Schaefer also announced that the association has raised sufficient funds for erecting a fence and two signs at the original Burkett pecan tree, located on Highway 80 near Putnam. Construction is now underway, he said, on the Callahan County project.

Pecan growers and others in the county contributed funds for the project.

Bert S. Fuller, Humble Employee, Taken by Death

Funeral services for Bert S. Fuller, a retired telegraph operator for Humble Pipe Line Co., will be held at 2 p.m. Friday in the Hamner Funeral Home Chapel with Rev. W. E. Hallenbeck, pastor of the Church of God, officiating.

Mr. Fuller, a resident of Eastland for the past 18 years, died Tuesday night in Eastland Memorial Hospital. He made his home at 613 West Moss.

Born June 22, 1873 in Elsie, Mich., he married Alice Myrtle Merrison Oct. 24, 1910 in Wichita, Kan.

Survivors include his wife; three sons, Rolland Bert Fuller of Carrollton, George Melvin Fuller of San Diego, Calif., and Jerry Ross Fuller of Decatur, Ala.; two daughters.

Mother's March Set Here Next Thursday

Ranger's March of Dimes drive is gaining momentum and the program will soon be ready to roll ahead at "full steam".

Two activities are planned in connection with the drive this week, and the Lions' Pancake Supper and Mother's March are set next week.

Saturday will see Sub-Debs helping the March of Dimes to roll along, by selling peanuts on the streets of Ranger all day. Saturday night will see a benefit basketball game between the Ranger Volunteer Firemen and the Ranger Independents. Proceeds from both events will go towards the current drive.

Last Saturday the Sub-Debs helped to "kick-off" the project with a bake sale that gained \$34. Now they are ready to enter the second project, selling peanuts for the drive.

Members of the 1947 Club made plans for the annual Mother's March in a Tuesday meeting, setting Thursday, Jan. 29, as the date of the march, beginning at 6:30 p.m.

City Manager Les Crossley said that the city fire siren will sound at that time, officially opening the march. The siren will be a signal for local people to turn on their porch lights.

Captains were named and territories assigned in the Tuesday meeting of the 1947 Club. Mrs. James Townzen, chairman of the Mother's March for the club, has asked that captains call her by Friday (tomorrow) for a list of workers assisting in the drive.

Several workers will be assigned by each of the captains.

Benefit Game
A brisk benefit basketball battle should attract a large crowd of fans to see the Ranger Independents and the Ranger Volunteer Firemen pair off in the Recreation Building this Saturday night at 7 p.m.

Clyde Reid is coaching the volunteers, playing their first basketball game of the season, and Ronald Carroll is managing the Independents.

Volunteer donations for the March of Dimes will be made by those attending the game.

Expected to start for the Independents are Steve Lee and Rayburn Hogan at forward; Dale Cozart, center; Jerry Wharton and B. H. King at guard.

Other players include Carroll, Rod Carter, Randall Hoover, Charles "Toad" Tibbels, and Benny Gailey (playing his first game this season).

Expected to play for the firemen are Reid, Louis Com, Arthur Comacho, Joe Comacho, Jack Gibson, Aaron Howton, W. P. Hatfield, Ed Willingham, Alonzo Stevens, Jerald "Shorty" Varner, George Reighley, J. D. Barker, Paul Fonville and Clayton Kuhlman.

Other Plans
Other plans for the March of Dimes drive include the Pancake Supper, to be staged by the Ranger Lions, Saturday, Jan. 31, beginning at 6:30 p.m. in the college cafeteria.

Free transportation will be provided from the Golsen Hotel to the cafeteria for those attending the affair.

Planned at Ranger College is a road block, to take place on a date to be announced later, with college students participating in the March of Dimes. The road-block has been staged here for several years.

City Commissioners are expected to act Friday afternoon on the proposal to designate receipts from parking meters and parking violation tickets towards the March of Dimes. This plan was in effect last year on a Saturday.

Captains
Captains and territory assignments made in the meeting of the 1947 Club are listed below, with names of the captains given first:

Mrs. Earl Pittman, Calvin Lipkin — Highway 80 and Hunt St.
Mrs. Marshall Jolly and Morris George — Main St. to Alice and Eastland Hill to Marston.
Mrs. W. P. Watkins and F. P. Brasher, Jr. — Mountain View to Lulu and Main to Wayland Rd.
Mrs. Judson Hardy and Ray Lilley — Highway 80 to Apple and Blackwell Rd.

Medical Society Hears Panel At Lone Cedar Meet

Members of the Five-County Medical Society heard a panel discussion concerning multiple injured persons, presented by three medical doctors from Fort Worth, at a meeting in the Lone Cedar Country Club Tuesday night.

Following the dinner at 7:30 p.m., the men attended the panel discussion while members of the women's auxiliary elected officers for the year.

Dr. W. B. Adams of Abilene, president of the Texas Heart Association, outlined the program of the heart association before the group. Dr. W. P. Watkins of Ranger introduced the speakers.

Officers, elected in the auxiliary meeting, include Mrs. Harold Bulgerin of Eastland, president; Mrs. M. A. Treadwell, Eastland, vice president and Mrs. Bill Brogden of Gorman, secretary-treasurer. They will take office in May.

Mrs. Jim Whittington of Eastland, president, presided over the auxiliary meeting.

Members of the panel, speaking before the medical doctors, were Dr. Fred Rehfeldt, Dr. John Patterson and Dr. John McBride.

A total of 38 people attended the meetings, including representatives from Ranger, Eastland, Cisco, Breckenridge, Baird and Albany.

No Changes In Conservation Program Listed

Conservation practices, under the 1959 agricultural conservation program, will be the same as in 1958, Emmett Powell, manager of the Eastland County Agricultural Stabilization and Conservation office, announced this week.

"As in the past the county office is offering a pre-measurement service on cotton acreage," Powell stated. "The cost to the producer will be \$10 for the first plot plus \$4 for each additional plot. Final date for application is April 15. If a producer is interested, we will be glad to aid in determining approximate acreages from photographs."

Powell said the ASC office should be notified if there have been any changes in the farm operation for 1959 such as change of owners or operators.

Powell also said that now is the time to apply for new grower allotments.

"If you are not interested in an old peanut farm," he explained, "and have had two years of experience within the last five years growing peanuts and depend on the farm for a living, you may be eligible for a new grower allotment."

He also said about the same requirements are necessary for a new grower cotton allotment, except that experience is not required.

NOTICE TO VEHICLE OWNERS
Title A Prerequisite To Registration
The "Texas Title Act", which became effective on October 1, 1958, provides, with named exceptions, that a certificate of title is a prerequisite to registration. Section 63 (b) reads as follows:
"The Department or any agent thereof shall not after the 1st of January, 1962, register or renew the registration of any motor vehicle, unless and until the owner thereof shall make application for and be granted an official certificate of title for such vehicle or present satisfactory evidence that a certificate of title for such vehicle has been previously issued to such owner by the Department. Provided, however, this shall not apply to automobiles which were purchased new prior to January 1, 1956."
In order that the terms of the above law and, also instructions from the Texas Department may be complied with, it will be necessary for this office to require that the certificate of title and the 1958 license receipt be presented before the 1959 license plates can be issued. You should check now to see whether or not you have your title certificate. If it has been lost you should contact this office to secure the proper forms to be used.

This office has also been instructed to not recognize a title receipt (Form 31) as evidence that title has been issued unless such receipt has been issued within the last thirty (30) days prior to your application for plates. If Title has not been issued within this period of time, there is a possibility that it has been rejected by the State Highway Department.
A Notice To All Commercial Vehicle Owners, By The State Highway Department
"We have established certain standards governing the empty weight of commercial vehicles. As the Tax Collectors Reports are received in our office, each license receipt will be checked for minimum empty weight and carrying capacity. Each registration that does not meet the minimum weight requirements will be investigated by our office or the Department of Public Safety. We will contact the owner and advise him to contact the Tax Collectors office immediately for additional weight to be issued. The law grants us the authority to cancel the owners title, if the proper registration fee is not paid. It should be remembered that empty weight cannot be lowered from the weight shown on the title and registration receipt unless supported by a scale ticket, regardless of the chart."

Ten Degrees Is Official Reading Here

The mercury took an icy dip to 10 degrees here Thursday morning and was standing at 13 degrees at 8 a.m.

The 10 degree reading was the second coldest report of the year. The temperature dropped to five degrees here earlier this month.

Not much change in temperatures, with gradually warmer weather due Friday is the local forecast.

Wednesday morning's low here was 13 degrees. That came on the heels of a 78 degree reading Tuesday afternoon.

Lone Cedar Luncheon Club Officers Are Elected at Meeting Wednesday

The Lone Cedar Luncheon Club was organized Wednesday, January 21, at 2 p.m.

Officers for the coming year are: president, Mrs. Ben Hamner, Eastland; vice president, Mrs. A. N. Larson, Ranger; and secretary-treasurer, Mrs. Luther McCrea, Cisco.

Mrs. Aaron Robinson was appointed chairman of the entertainment committee. The president appointed a publicity chairman from each town: Mrs. W. A. Leslie, Eastland; Mrs. Aaron Robinson, Cisco; Mrs. Glynn Kirk, Gorman;

and Mrs. Calvin Lipkin, Ranger.

The club will meet at 1 p.m. on the first Friday of each month for luncheon and games. The first meeting will be February 6. The ladies who were not at the meeting and who are eligible to join are asked to contact Mrs. A. N. Larson no later than February 1 if they desire to attend the first luncheon. All members not able to attend a luncheon must cancel by Wednesday at 5 p.m. preceding the Friday luncheon or they will be charged. Refreshments were served to the forty ladies attending.

The Great Crippler Arthritis Pains Plague Millions Of Americans in All Age Groups

By WILLIAM S. CLARK, M.D.
Director of Medical Care, The National Foundation

Despite the prevalence of arthritis, most people are uninformed or misinformed about it. Here are three facts they usually don't know:

- Children sometimes have it. In fact, the disease plagues all ages from the infant to the very old.
- Causes and cures are mainly unknown. There are no "miracle" drugs. Diet neither starts nor stops it. Expensive remedies and devices are often no more helpful than the simplest and most economical ones.
- Nevertheless, there is hope for the arthritis sufferer and he need not despair. Aspirin and hot baths relieve pain. Systematic exercises under proper supervision reduce stiffness and restore joint movement. By early treatment crippling can be prevented. By the same techniques of rehabilitation used on polio patients, those disabled can, in most cases, be returned to useful life.

In this first of three articles I shall tell what arthritis is. The second will discuss what can be done about it; the third will outline hopes and prospects for the future.

Arthritis, a name popularly given to a group of related rheumatic diseases, is one of the oldest ailments known to man. It afflicted prehistoric animals. It cruelly plagued the Egyptians, Greeks and Romans.

The Greatest Crippler
Today in the United States arthritis or rheumatism tortures, cripples and deforms more people than any other illness. Nobody knows the number of its victims but estimates range from 11 to 30 million. Though few cases are fatal, homes are disrupted, businesses wrecked, careers ruined.

Because of arthritis and the rheumatic diseases an estimated 320,000 Americans are so disabled that they can no longer work. The resultant loss to the nation in working hours and production, cost of maintaining victims and decrease in income taxes tops a billion and a half dollars a year.

Yet despite the magnitude of this disease and its costly ravages, the United States has only about 400 arthritis clinics, mainly in large cities. Only 700 beds are specifically set aside for it in hospitals. Research funds are woefully inadequate and the number of young doctors and researchers recruited as specialists is far below the need.

A New Impetus
The entry of the National Foundation originally for Infantile Paralysis) into this field gives hope for a tremendous new impetus in research, treatment methods and the training of additional skilled manpower. Since it was the National Foundation that conceived, organized and financed with March of Dimes funds the research that led to the Salk vaccine and a whole galaxy of vital breakthroughs in medical science, we may expect its grantees to make important discoveries concerning the cause, cure and prevention of arthritis.

Arthritis is primarily a disease of the joints. Usually chronic (i.e., long lasting), it is apt to flare up and subside unpredictably. There are many kinds of arthritis. They commonly attack the connective tissues of the joints, often causing inflammation, swelling, pain, deformity and crippling of the fingers, hands, arms, shoulders, legs, feet or spine. Some forms of arthritis result in fever, general weakness, loss of appetite and weight. In addition to the joints, the heart, lungs, blood vessels, kidneys, muscles, skin and eyes may likewise be affected.

The two most prevalent types are osteoarthritis and rheumatoid arthritis. Together they account for 70 per cent of all arthritis victims.

Persons Over 60
Osteoarthritis is the milder of the two. Some 80 to 90 per cent of all persons over 60 are afflicted by it in greater or lesser degree. A so-called "degenerative disease" due to aging, it results from wear and tear of joint surfaces. The ends of the fingers and the weight-bearing joints—back, hips and knees—are most commonly involved. Men engaged in heavy physical labor, like farmers and industrial workers, are especially prone to it. The disorder usually begins in the third decade of life, but injury or abnormal use of a particular joint

Baker, who also read a poem, "Can We Measure." The program theme was from Matthew 7:1, "For with what judgment ye judge, ye shall be judged; and with what measure ye mete, it shall be measured to you again." Mrs. Howard Sutton was in charge of the program.

STOCK MARKET REPORTS

By Ted Gouley

FORT WORTH — Major markets across the nation started off with curtailed receipts this week. In a few spots winter storms curtailed movement, but the principal reason seemed to be farmer's resistance to the lower prices that followed last week's deluge of livestock.

At Fort Worth cattle and calves got off to a fully steady start in most cases, with the exception of fat cows and bulls, with the fat cows 50 cents to \$1 lower and bulls 25 to 50 cents off.

Calves were steady, fed steers and yearlings were stronger and stocker cattle and calves reflected unabated demand at strong prices.

Good and choice slaughter steers and yearlings cashed at \$25 to \$27, some around 1,000 pound steers at \$27 and a few light yearlings reaching \$28. Plain and medium butcher cattle sold from \$17 to \$25.

Fat cows cleared at \$18 to \$20, odd head to \$21 and canners and cutters drew \$12 to \$18.50. Bulls drew \$18 to \$22.50.

Good and choice slaughter calves sold from \$25 to \$29, and medium and plain butchers sold from \$22 to \$25, with cull and common sorts at \$16 to \$22.

Medium and good stocker steer calves cleared at \$26 to \$32.50, a few higher. Stocker steer yearlings cashed at \$29 downward.

WSCS Meets for Continuation of Study on Isaiah

The Women's Society of Christian Service of the First Methodist Church met Monday afternoon, January 19, for a continuation of the study on Isaiah, conducted by Mrs. Lively Brown.

Mrs. G. O. Strong gave the opening prayer. Mrs. A. J. Ratliff, president, presided over the business meeting.

Mrs. Brown gave an introduction to the first and second chapters in the textbook and stressed the importance of Isaiah and his call.

Mrs. Stanley McAnelly brought the worship center, which consisted of a loaf of bread and a lighted candle before a portrait of Jesus.

Mrs. R. E. Johnson presented the devotionals, taken from the 6th chapter of Matthew. The group sang "Open My Eyes That I May See."

Rev. Lively Brown taught the lesson on Isaiah and discussed Isaiah's call from God and the dedication of his life after he had been redeemed.

Verses from the book of Isaiah were read by Meses. Roscoe Hopper, Strong, B. H. Peacock, A. J. Ratliff, James Ratliff, D. T. Wier, James Townzen, Floyd Killingsworth, C. E. May Sr., E. H. Mills, Beverly Dudley, Jr., and Lois Pyffe.

Mrs. McAnelly gave the closing prayer.

VISIT IN MIDLAND

Dr. and Mrs. Marshall Jolly and children spent the weekend in Midland visiting Mr. and Mrs. Ronald Pruet.

Bible Conference At Bethel Church To Begin Sunday

A Bible Conference will begin Sunday at the Bethel Baptist Church in Eastland.

The Conference will continue through Jan. 28. Rev. Ed Crow will be Bible preacher, Rev. James Fleming will be Bible teacher and Ed Wiggins will conduct singing.

The Gospel of Mark will be stressed during the Conference, Rev. Fleming said.

Services will begin at 7:30 p.m. on Monday, Tuesday and Wednesday, and at 7 p.m. on Sunday.

Three awards will be given out during the meeting "in appreciation for visitations during the Conference." There will be a Bible, a \$5 gift certificate and a \$2.50 gift certificate.
