

Yellowhammers Blanks Bulldogs 20-0

Bulldogs Fight Gallantly But Fail to Tally in Opener

The Ranger Bulldogs fell victims to a 20 to 0 defeat Friday night at Rotan.

Story In Figures		Rotan
9	First Downs	13
63	Yards Rushing	356
135	Yards Passing	46
10 of 26	Passes Comp.	2 of 7
2	Passes Intercepted	0
2 for 23.3	Punts	1 for 35
0	Fumbles lost	3
3 for 25	Penalties	4 for 30

The Bulldogs failed to get their running game to work to supplement their passing attack. The boys put up a good fight but couldn't contain the outstanding Todd Baugh and Brittin Bradley who had a good night carrying the pigskin.

First Quarter
Ranger received the opening kickoff with Bill Stuart taking the ball on the Ranger 15 and returning it to the 25. The Bulldogs made a first down when Anderson hit Dean Richey with a pass, but failed to keep the drive going. Anderson had to punt out from his own 45 yard line.

Rotan made one first down but failed to go and had to return the punt. Ranger had a pass intercepted on second down, but recovered a Rotan fumble, then had another pass intercepted and Rotan

took over to go all the way on the next drive, with Donald Godrum scoring on a pass play from Baugh.

Second Quarter
Neither team could get a sustained drive started in the second quarter. The entire quarter was played near the center stripe with the ball changing hands five times.

Third Quarter
Rotan took over in the third with a drive down to the Bulldog 35 yard line where they had fourth down and four to go. Baugh elected to go for the down and made it on a four yard drive. On first down Bradley went 35 yards for the second score. It was Bradley again on the conversion, with a run play carrying him over for two points. With five minutes gone in the second half the score was Rotan 14, Ranger 0.

The third quarter ran out with neither team being able to move the ball and get a drive started.

Fourth Quarter
The fourth quarter saw the only drive by the Bulldogs for the game. Early in the fourth quarter the Bulldogs recovered a Rotan fumble on the mid-field stripe. Passes to White and Stuart set up a first down on the 15 yard line. Anderson then hit Richey on the 2 for another first. The Yellowhammers then set up a goal line defense that the Bulldogs could not puncture. Two ground plays and two passes failed to score for the Bulldogs.

That was the final turning point of the game. The Rotan boys took over on the 7 yard line and drove to the 19 where they bogged down with fourth down and nine to go. Baugh then pulled the biggest gamble of the night when he faked a punt and went up the middle for 35 yards. This set up the third and last touchdown. Baugh passed to David Baugh who went to

the five. And in two plays Todd Baugh went over for six points. The conversion failed and Rotan kicked off to the Bulldogs with 45 seconds to go. The Bulldogs completed two passes which took them down to the 48 yard line when the time ran out.

Without a doubt Todd Baugh and Brittin Bradley of Rotan were the outstanding players of the game.

Bulldogs who made a good showing were Jim Robinson and Homer Montgomery in the Ranger line while Bert Young and Tommy Ford did some good work from the linebacker positions on defense. Anderson was throwing the ball real well but the receivers were having trouble holding the ball. White, Richey and Stuart made some fine catches, but were not consistent enough to keep a drive in progress.

Richard Roby, who has had less than a week in the backfield, looked promising on the ground attack.

There was a good crowd from Ranger out to witness the opener, considering the distance from Rotan.

New Licenses Required To Hunt and Fish

AUSTIN — "Don't ruin your hunt by overlooking the game laws," warned the Director of Law Enforcement, Texas Game and Fish Commission. "Before taking your gun from the rack, be sure you know all laws concerning game in your particular area."

"Old hunting licenses expired August 31. Be sure to have your new licenses on you when you go out to hunt. Check your gun for a plug. Only three shells, including one in the chamber are allowed in it by law."

"Don't hunt on a piece of property unless you have permission from the owner or person in charge of it. Don't fire near a home or in a direction that might endanger some person, house, or even livestock."

"Hunting from a public road is prohibited by law and it's illegal to shoot from a moving vehicle. These are laws that have been in existence for quite a long time," said the director.

He then reminded hunters that many of the birds taken during the hunting season will have tags on their legs. "These tags should be returned to the Game and Fish Commission with information telling when and where the bird was killed."

He then warned hunters not to forget the changes in the waterfowl regulations. "If they can't be found in print," he said, "check with the warden in your area; he'll be more than happy to help you."

Grim Prediction Is That 31 Will Die On Highways

Thirty-one persons are due to die on Texas highways during the three-day Labor Day weekend and the grim roster could easily double you could be one of the 31.

That's the fact that faces Eastland County citizens this weekend and City Police, the Highway Patrol and the Sheriff's Department have all urged extra careful driving.

Col. Homer Garrison Jr. said the official prediction — which is seldom far off — should "serve as a challenge to all Texans to make a concerted effort to stem the tide of highway tragedy next weekend."

He pointed out that during the Labor Day weekend last year there were 30 traffic deaths, one more than the Department had predicted. He noted, however, that the forecast for the 1959 Fourth of July holiday—26 fatalities—turned out to be accurate.

"We would like to make a special appeal to the citizens of Texas to consider the facts about holiday driving and do their utmost to reduce the tragedy of death, suffering and economic loss next weekend," Garrison said.

"Department of Public Safety patrolmen and all other law enforcement officers in our State will do everything in their power to make the streets and highways safer by removing lawless drivers—but the statistics prove the main job is up to the individual behind the wheel."

He cited the following facts and figures on last Labor Day weekend, compiled by N. K. Woerner, Manager of Statistical Services:

Of the 30 traffic deaths in the State, 26 occurred in rural areas as the result of 18 accidents.

Ten of the 18 rural fatal accidents involved drivers who had been drinking.

Two of the three rural pedestrian accidents involved pedestrians who had been drinking.

Seven of the 10 drivers who had been drinking in rural fatal accidents were exceeding the legal speed limit.

Thirteen of the 18 rural fatal accidents involved only one motor vehicle.

In 12 of the 13 rural fatal accidents involving only one car, the drivers had no "other driver" to blame. In the other case, a pedestrian-victim was at fault.

Fourth Traffic Fatality of 1959 Occurred Friday

Labor Day weekend got off to a fast start Friday night with Eastland County's fourth traffic fatality of the year.

William Lee Cain, 23, of Marshall died in the Ranger General Hospital about midnight Friday following injuries received in a traffic accident one and one-half miles west of Ranger.

Cain was driving a truck tractor or for Pallette Delivery Service out of Shreveport, La. The truck was leased to U. S. Van Lines.

The accident occurred at 6:30 p.m. on the Colony Creek bridge. The truck hit the bridge abutment and plunged off the embankment, crushing the truck. The driver was taken to the Ranger hospital after the accident.

Highway patrolmen out of Eastland investigated the accident and gave the report.

Miss Ruth Miller Receives Music Scholarship

Miss Ruth Miller, who graduated from Ranger High School in 1958, and entered Ranger College that year, has received a music scholarship from Ranger College for 1959-60.

Miss Miller was in the college chorus and played with Maxine Vandergriff in a Duo-recital last year. She was also in the Christmas recital and the college Christmas show.

She served as an officer in the Masqueurs Club and was treasurer of the Deb Club. She was also a cheerleader at the college.

Miss Miller has studied music for six years. She took piano lessons in college from Mrs. Al Lotzspeich. She is assistant pianist at the Second Baptist Church.

She was elected "Most Beautiful" at Ranger College last year. Majoring in Elementary Education, she plans to attend Jordin Simmons University after completing studies at Ranger College.

As I Meet Ranger

By Gene Townsend

There has been a lot of shooting the past few days, from all sections of the countryside. The comment that has been heard more than any other is the fact that the doves are not cooperating this season. Those birds that have been so gentle and trusting all summer have suddenly become very wild and suspicious. That is a peculiar thing about wild things. They know just the date that the season opens, and on that date they change their entire attitude. They change their schedule of activities, their feeding localities, and their sleeping hours and places. And who said "stupid animals"!

Then after all of this is changed—there is the problem of hitting the game after you find it. I don't know what it is, unless the quality of shotgun shells are not as good as they used to be, but something is sure wrong, maybe it's the gun I have been using. Anyway the limit of ten doves is sure getting hard to fill. There is one thing for sure, if the old phrase of "practice makes perfect" is right, by the end of the season I should really be getting good. I have had a lot of practice the past few days, about another week of practice and I am going to see if I can hit some of those doves.

The coaches out at Ranger College have planned a practice scrimmage with Tarleton College for Saturday afternoon. The boys out there are shaping up pretty good. Coach Puryear said that they were practicing a new formation. It is the scattered "T" with two coaches in movement. But seriously the teams are looking real good. They have a lot of spirit and desire. I am sure that they are going to do real well this year.

Mrs. W. T. Hagar who lives on Apple Street called a few days ago and said that their cow had twin calves. This is fairly a rare thing in cattle. I can only recall having seen two sets of twin calves before. I am sure that you would see an interesting sight if you would drive out there and see the twins.

Notice where the Odd Fellow Hall across the street from the Times office is getting a new interior face lifting. The Hall is beginning to show quite a bit of improvement with the new coat of paint which is being applied. The Rebekahs are supplying the materials for the job. They are going to have a real nice meeting place when the job is completed.

Work is going right along on the paving job out at the college. It looks like the job may be completed early next week. It will sure be an improvement when it is completed.

Jerry Price has done a real fine job of decorating down at Lilly's Drug Store. He has the two school colors combined to make a very attractive display behind the counter. There is a football goal post decorated with the two colors and the two teams scheduled are displayed on the top of the shelves. "Real nice."

County Peanut Acreage Totals 25,887 Acres

A total of 25,887 acres of peanuts were planted this year in Eastland County and 2,881 acres of cotton were planted.

Those figures were released today by Emmett Powell, county office manager of the Agricultural Stabilization and Conservation committee. Powell said the figures reflect final measurement reports.

John Hagaman Distinguished Student At A&M

John L. Hagaman, son of Mrs. Leslie H. Hagaman of Ranger, has been named as a Distinguished Student at Texas A & M College.

Hagaman was named among the students who were registered for 15 or more hours and established a grade point ratio of 2.25 or better and had no grade below that of "C" at Texas A and M College for the spring semester of 1959. He is a graduate of Ranger High School, and was an outstanding student and athlete while attending school here.

Hagaman is majoring in Agriculture Engineering and will be classified as a Junior at A and M this fall.

Gospel Meeting At Eastside Church of Christ

The Eastside Church of Christ on Strawn Road and Young Street in Ranger is planning a gospel meeting to begin on September 7 and runs through September 13.

Clyde O. Moore, Evangelist from Lufkin will be the speaker for the revival.

Services will start nightly at 7:30 p.m. The meeting will feature plain Bible lessons, congregational singing and Bible questions given Bible answers.

American Legion Postpones Monday Meeting

The American Legion Auxiliary of Carl Barnes Post No. 69 will not hold the regularly scheduled meeting Monday night because of the Labor Day holiday. The meeting has been postponed to the next regularly scheduled meeting night.

Sandra Taylor Receives Music Scholarship

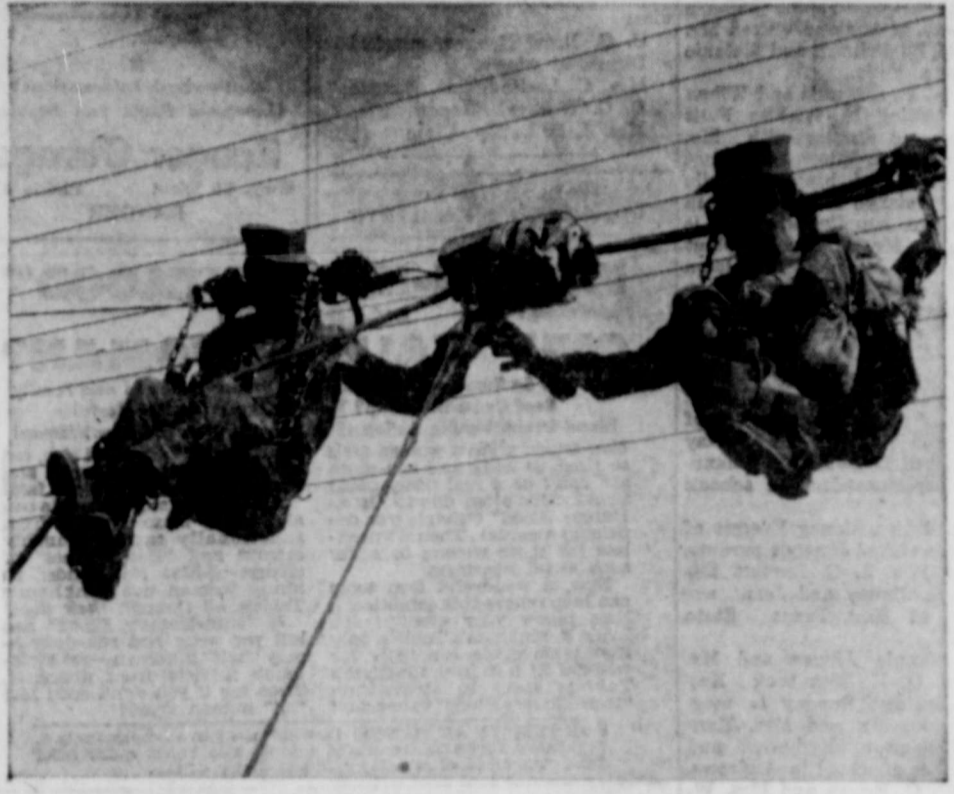

Sandra Lynn Taylor, better known as "Sandy", is the daughter of Mr. and Mrs. Andy Taylor, 413 Pershing, Eastland, has received a music scholarship to Ranger College.

A 1959 graduate of Eastland High School, she ranked third in her class for four years work. She was a member of the Eastland High School band for three years and a majorette for the organization during her junior and senior years. She attended the Woody Woodward Twirling School at the summer sessions held at Odessa College in 1957 and 1958. She also studied twirling under Mrs. Howard Gill.

Miss Taylor was a member of the Eastland High School Girls Trio last year, was cast in the Junior and Senior plays of her class, and served as school reporter during her senior year.

Her interests in music, dancing and writing come second only to her desire to work toward helping make the Rangemans the top girls precision drill group in this area.

The Trade Fair will occupy more than half the floor space of the General Exhibits Building, largest exhibition hall at the fairgrounds.

SUNDAY DEVOTIONAL

LET GOD BE WITH YOU
By J. C. Atkins, Pastor
Church of God, Old Strawn Rd.
"Lo, I am with you always, even unto the end of the world." Matthew 28:20.

Abraham was a man with a goal in mind when he left home, native land, Father, Mother, and kinned to begin his life's journey. He traveled without aid from anyone except God. His goal was the "city which hath foundations, whose builder and maker is God." Abraham walked with God and was therefore called the friend of God and became the Father of the Faithful.

There comes to each life the time that the person must leave parents and home to walk out into the world on his own journey. From this moment on, he will live by his own decisions whether he succeeds or fails.

God has set before us a blessing and a curse. We choose which we will receive: a blessing for obeying God; a curse for disobeying God. God will offer us a choice. A machine or robot does its work well, but there is no good, because the machine has no opportunity to do evil. A man can do good in the Lord, because he has the capacity to do evil. This is the only "good" humanity has: the rejection of evil-doing and the acceptance of the will of God.

As a man goes through life, he is governed by many types of authority. He leaves home and is no longer responsible to his parents for the time he gets home at night. He finishes school and is no longer responsible to his teachers for homework assignments.

But he will always be responsible to God for everything he does. There is one authority which no human can ever shed: the will of God for that life. This authority can never be shed because God is Sovereign and God is Eternal.

You, regardless of who, what, or where you are, you are the climax of God's creative powers. For this reason, the climax, the most important part of your life should be your relationship with God.

Submission to the will of God for your life gives you more than responsibility; however, it gives you comfort. Wasn't your life easier when your parents made all your decisions for you? God does not promise that walking with Him will make your life easier. He does promise that it will be the best life for you and that He will always guide you. There will be times in your life when there will be no person to whom you may turn for comfort and help, but you will always be able to call upon God and know that He is near you.

Even as Abraham, you must make a journey of life. You may travel the way of rejecting God and be cursed throughout eternity. You may be a "gadabout" on this road of life, never sure of what you're doing and often losing the way. You may also walk with God and seek the "city which hath foundations, whose builder and maker is God."

This road is not smooth all the way, but you need not falter, for your Guide is one who has been there before. Jesus Christ knows and understands all type trouble or sorrow you could ever have. He is always there, always interested in you.

As you read this poem, won't you think of God? Not only as the authority in your life, not only as the Saviour of the world, but as (Continued on Page Two)

331 ENROLLED FOR OPENING TERM

For 331 students of Rising Star schools vacation was over and another school year had begun this week. That was the total number registered by Monday, Aug. 31, when the "books took" again and the High and Elementary schools swung into full schedule of classes.

The number is about on par with the enrollment level of the past few years.

One hundred and eight students registered in the High School and 223 at the Elementary School.

Mesquite & Rusk Church of Christ

Loyd Bryant, minister

Loyd Bryant, minister of the Mesquite and Rusk Church of Christ, gives the following schedule of services for Sunday, Sept. 6.

Bible classes will begin at 9:45 a.m., followed by the morning worship hour at 10:45. The Young People's class will meet at 6 p.m. The evening worship service begins at 7.

Mid-week classes will begin at 7:30 p.m. Wednesday. "A Knock at the Door" will be the theme of the message Sunday morning. The Sunday evening sermon topic will be "Despising the Soul."

All are cordially invited to attend all the services of the church.

Christian Science

Man's God-given dominion over disease and enslavement will be stressed at Christian Science services this Sunday.

Accounts of spiritual dominion to be read from the Bible include Christ Jesus' healing of the "woman having an issue of blood twelve years" (Luke 8) and Paul's healing of Eutychus who "fell down from the third loft, and was taken up dead" (Acts 20). The Lesson - Sermon is entitled "Man."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read this passage: "The enslavement of man is not legitimate. It will cease when man enters into his heritage of freedom, his God-given dominion over the material senses" (228:11-13).

The Golden Text is from Genesis (1:26): "God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."

GO TO CHURCH SUNDAY

Don't cover yourself just part way

Insurance protection should be complete—not patchy.

You don't buy half an umbrella or one boot—or roof only one room of your house.

The primary purpose of insurance is to worry-proof your life. You chip a minor sum into a kitty each year to protect yourself against major losses by fire, accidents, law suits, theft, etc.

So make it your business to protect yourself ALL OVER, from every angle. It is OUR business to show you how.

Wesleyan Guild Holds Initial Meet Wednesday

The first of a series of Wesleyan Service Guild meetings was held Wednesday evening in the Methodist Church Parlor. The chairs were arranged in a friendly circle and the table was attractively laid in white cloth centered with an autumn arrangement of flowers.

Mrs. Charles Marshall presided and opened the meeting with the Guild Prayer. She inspired the members with her zeal and this closing statement: "The doors of the church swing open. Let us, as Christians let our lives swing out likewise."

Mrs. R. P. Haun, program chairman, gave a summary of the yearbook and distributed them among those present. The theme for the year is "There's A Light Upon the scriptures pertaining to the theme and concluded with this thought: 'There's a light upon the mountains; may the light bless you abundantly, filling your heart to illumine the entire world.'"

Mrs. Taylor Smith gave the Pledge Service and distributed the pledge cards. Mrs. Carl Elliott outlined the Bible course and the Mission Study course for the year. A social hour followed with Mrs. Marshall at the punch bowl. Delicious cookies and frosted punch were served to Mesdames D. E. Frazer, Joe Anderson, Harold Durham, Joe Stephen, Ruth Poe, Herring, Taylor Smith, Carl Elliott, Charles Marshall, R. P. Haun and Miss Loretta Morris.

The next meeting will be Wednesday evening, Sept. 16 when a program on "Stewardship" will be given.

Miss Mary Ann Reese to Become Bride of Charles Williamson

Mr. and Mrs. Travis Reese of Olden have announced the engagement and approaching marriage of their daughter, Miss Mary Ann Reese, to Charles A. Williamson of Alamogordo, N. M. The couple are planning a September wedding. Miss Reese graduated from Olden High School as valedictorian of the class. In high school, she served as editor of the annual and school paper. She won the Home-making State Award in 1957. Miss

Reese was also queen of Olden High School. After attending Tarleton State College and Ranger College, she is presently employed by Foxworth - Galbraith Lumber Company in Alamogordo, N. M. Mr. Williamson is supervising electronics engineer with National Telephone Computing Corporation.

First Baptist Church

Students and new families coming to Ranger will find a cordial welcome at the First Baptist Church, and Christian fellowship in each department of the church. You are invited to hear "Working for Jesus," the pastor's theme Sunday morning as the membership prepares for the Labor Day weekend. Rev. Ralph Perkins, pastor, said, "Only in free countries are people permitted to labor and earn a livelihood. Only nations with Christian citizenship are free nations."

Sunday morning the church will elect an entire corps of departmental Sunday school superintendents and Training Union directors. Special music will be provided by the choir, under the leadership of Lee Russell.

Sunday school meets at 9:45. Classes are available for every age group, beginning with the children in the nursery and through the older adult groups.

In the Training Union, which meets at 7 p.m., personal training is given to each group. The pastor's message at the evening worship service will be another in a series of talks on "Highlights of the Bible." This week he will speak on "The Courageous Prophet of God," taken from the book of Daniel.

At every service of the church, a Nursery is provided for babies and small children.

Brotherhood To Meet Tuesday at First Baptist

The Brotherhood of the First Baptist Church will meet Tuesday evening, Sept. 8, at 7:30 in the lower auditorium. Refreshments will be served during the evening, according to social chairman Charles Murr.

President John Usery urges the men of the church to be present at this meeting. The agenda includes plans for officers for the new church year, the Laymen's week and program in October, and installation of new Brotherhood officers. Plans to attend the state Brotherhood convention in Austin September 28, 29 will also be discussed. Since the Brotherhood sponsors the Royal Ambassadors and Scout Troop No. 15, the leadership of the boys will have a major part of the business session.

The Brotherhood has completed many projects during the year. President Usery has led the men in a newly organized scout troop, the gravelling of the new parking lot, and sending Royal Ambassadors to Lueders encampment. The men were host to the Association Brotherhood meeting on two occasions, when several hundred men attended the services. Benevolence and local welfare has been a great part of their year's activities. The men were active in the spring revival, and will have a heavy responsibility for the fall revival.

The present officers include: president, John Usery; vice president, Lem Rushing; secretary, D. C. Singleton; activities vice president, Herman Stroud; Royal Ambassador leader, Wilson Watson; scout master, Dwaine Dennis; assistant scout master, Aaron Howton; chairman of troop committee, H. S. Shockey; chairman of evangelism, J. B. Houghton Sr.; chorister, W. E. Herweck; pianist, Miss Anice Locke; social chairman, Charles Murr and Jim Blair; chairman of the parking lot committee, Royce Phillips; and his committee, Tom Lang and Jess White.
