

As I Meet Ranger

By Gene Townsend

The Ranger Bulldogs took a sound defeat at the hand of Rotan last Friday night, but in the game I saw the promise of much improvement in the months to come. The boys played the entire ball game. They never gave up even after they were behind. The lack of experience showed at every turn of the game, but it was mistakes that can be corrected. We have a good young ball team and time will show an improved team.

The High School band put on a fine show at the half time activities. The marching and a d movement showed the hours of practice that have been put in by the band in the past few weeks. I see right now that Ranger is going to make a real showing with their band this year.

Down at Tarleton Saturday the 1959 Rangers put on a pretty good show. They tied Tarleton in score but they beat them in every department, including fumbling the ball away. They scored two touchdowns and fumbled away about three more. It looks like they will be showing some promise of a good team, with another week of practice. They will open the season this coming Saturday against Paris.

Everyone has no doubt heard the traffic accident report for the state of Texas over the Labor Day weekend. I don't know the final count, but it is way up in fatalities. It prompts me to print this article brought in by Mrs. H. C. Croom. It is a letter to the editor of a newspaper. It is called "Please, My Child!"

Last week my daughter, who is six years old, started to school. She wore a dark blue dress with white collar. She had on black shoes and wore blue gloves. Her cocker spaniel, whose name is Scout, sat on the front porch and whined his canine belief in the folly of education. She waved goodbye and started off to th of learning.

"Tonight we talked about school. She told me about the girl who sits in front of her—the girl with the side who makes funny faces. She told me about the teacher, who has eyes in the back of her head—about the trees in the school yard, and about the big girl who doesn't believe in Santa Claus. We talked about a lot of things—tremendously vital, unimportant things, then we studied spelling, reading and arithmetic—and then to bed. She is back there now—back in the nursery—sound asleep, with Princess Elizabeth (that's her doll) cuddled under her arm. You people wouldn't hurt her, would you? You see, I'm her dad! When her doll is broken or her finger is cut or her head gets bumped, I can fix it—but when she starts to school, when she walks across the street, then she's in your hands.

She's a nice little girl. She can run like a deer and darts about like a chipmunk. She likes to ride horses and swim and hike with me on Sunday afternoons, but I can't be with her all the time—I have to work to pay for her clothes, her education, so please help me look out for her! Please drive carefully, please drive slowly past the school and intersections—and please remember that children run from behind parked cars. "Please don't run over my little child!"

County Group Will Study Sonic Booms

An Eastland County delegation will be guests of the Strategic Air Command and Convair Division of General Dynamics Corp. for a three-day indoctrination program Sept. 27-29.

The invitation was extended by Gen. Thomas S. Powers, commander in chief of the Strategic Air Command.

"The sounds of progress, important as they might be, can be disturbing at times to an individual or to a community," Gen. Powers said. "This is especially true if the importance of these sounds is not understood by the individual or the community as a whole. One sound which falls into this category is that of a sonic boom—a repercussion created when present-day, high speed jet aircraft exceed the speed of sound."

Gen. Powers said that the group would tour Strategic Air Command headquarters at Offutt Air Force Base, Neb., Carswell Air Force Base and the Convair Division plant in Fort Worth.

Transportation from Carswell AFB to Offutt AFB will be provided by VC-97 Stratocruiser.

Attending the program from Eastland County will be Cyrus B. Frost, Jr., mayor of Eastland; Tom Wilson, president of the Eastland National Bank; Onas Dick, publisher of the Eastland Telegram; Wilson Guest, vice president of Commercial State Bank, Ranger; Joe Dennis, publisher of the Ranger Times; Lester Crossley, general manager of First Federal Savings and Loan Association, Ranger; B. A. Tunnell, president of Ranger Chamber of Commerce; J. W. Sitton, publisher of the Cisco Press; John H. Webb, mayor of Cisco; Wilson Magnusson, president of the Cisco Lions Club; R. L. Ponsler, president of the Cisco Chamber of Commerce and James McCracken, president of the First National Bank, Cisco.

pany this year. The Ranger Peanut Company purchased 9,052 pounds of peanuts from White Thursday. The peanuts were grown on the L. M. Miller farm, between Kokomo and Staff Communities. The field of peanuts measured 13 acres a n d averaged 23.20 bushels per acre. White received a good grade on the peanuts. They graded 69 percent sound mature kernels, 7 percent other kernels, 76 percent total kernels. There was 4 percent foreign material, 2 percent shelled kernels and 9 percent moisture. The peanuts were planted April 29, and were harvested August 29, by O. J. Rose.

The field of peanuts brought \$188.00 per ton, which is Government Loan price. The total amount paid for the crop was \$848.21, plus the \$25.00 premium for the first crop.

T. C. Wylie, Manager of the Ranger Peanut Company, said "the prospects for the peanut crop this year looks good due to the rains that we have had." He went on to say that the county average for last year was 32 bushels per acre. The early peanuts this year will not measure up to that average, but the later crop should since the rains of the last few days should help them a lot.

Prison Rodeo Opens In October In Huntsville

HUNTSVILLE — A star-studded cast, including dancing cowboys and entertainers, plus a host of the nation's topflight television and recording artists will headline the 28th Annual Texas Prison Rodeo in the prison's \$11 million stadium each Sunday in October beginning at 2 p.m.

To get the 1959 rodeo series off to a flying start will be "Big Jim" Arness, the popular Marshal Matt Dillon of the TV series "Gunsmoke" along with Johnny Cash, whose country tunes are known from coast to coast. They appear on Oct. 4. On two successive Sundays, the world's wildest rodeo turns the spotlight on Dale Robertson and Tommy Sands on Oct. 11, and Steve McQueen and Johnny Horton on Oct. 18.

Robertson, star of TV's "Tales of Wells Fargo," and Sands, "singing sensation, were just a few of the crowd-pleasers during the 1958 Rodeo.

McQueen has moved up on the entertainment ladder as star of the TV series "Wanted — Dead or Alive" while Horton is a byword since his recording, "The Battle of New Orleans" has taken the nation by storm.

For the fourth and final Sunday performance on Oct. 25, prison rodeo officials say they are working diligently to obtain the personal appearances of at least personalities.

"With nearly 12,000 inmates in need of rehabilitative services," said H. H. Coffield of Rockdale, Chairman of the Texas Board of Corrections and its Rodeo Committee, "We are doing everything possible to attract more people to this thrilling and unusual two-hour show."

Coffield reminded the public that net proceeds from rodeo ticket sales go to the prisoners' welfare fund for services not furnished by the State Legislature. This year's rodeo will also feature for the first time a barrel race contest for girls; the Texas Range Riders of Houston; the Pasadena Mounted Square Dance Team; and the Austin County Sheriff's Posse Square Dance Team as outside attractions to round out the show.

Officials pointed out that there are plenty of good reserved seats available for each performance. They are priced at \$2.40 and \$4.40, tax included, and can be obtained by writing Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order.

1959 MAJORETTES—The 1959 Ranger High School Band Majorettes which did a fine job Friday night in leading the band at Rotan are left to right: Sandra Halbrooks, Sue Cantwell, Rita Sipes, Linda Drennen, Sarah Johnson and Donna Drennen. Lirida Drennen has been selected to be the drum major of the Ranger Band. These girls are all first class twirlers, which you noted Friday. (Photo by Capps Studio).

CONSTIPATED? Medical reports show how folks over 35 can establish regularity

After 35, irregularity often becomes a problem. What you need is something that aids nature and helps establish regularity. Such an aid to regularity is the daily use of SERUTAN. Here's medical evidence: A group of men and women took SERUTAN daily under medical supervision. In case after case SERUTAN, taken daily, helped establish regularity. So, for real relief from constipation after 35, try SERUTAN, powder or granular. "Read it Backwards"

I GIVE YOU TEXAS

By BOYCE HOUSE

Bristol is on the Virginia-Tennessee line. The boundary is a white mark down the center of a main street. As to jurisdiction, I was told that if a Virginia officer could chase him all the way to the Pacific Ocean, just so he could keep the car in sight.
East Tennessee is beautiful. It was my first view of the region (this was the summer of 1958) which was the home of Bob Taylor, the fiddling governor, humorist and spellbinder, who was fond of saying that the mountains of East Tennessee were so tall that a boy could stand tiptoe on one and tickle the feet of the angels as they went winging over. (For the statuary-minded, the actual height is around 4,000 feet.)
There is a great difference between the inhabitants of East Tennessee and those of Middle and West Tennessee. The dwellers in the mountains did not own slaves and they were pro-Union. After the Civil War, the East Tennesseans voted strongly Republican. It used to be said that in Memphis that the votes were held back in East Tennessee until the returns from the rest of the State were in and it was seen how many votes were needed! It was true that the returns were slow in being reported but it took time for the election judge to ride a mule over the mountains from the county seat from which the results could be telegraphed.

Chauncey M. Depue, after-dinner speaker, Senator and railroad president, in "My Memories of Eighty Years" says of James A. Garfield:
"He happily carried with him amid all the struggles and disappointments, as well as successes, in the making of a career, the buoyant, hopeful, companionable and affectionate interests which characterized him."

mining camps of California, he felt the influence of the free-and-easy humor about him in such extent that touches appeared in his writings at the time. For instance, he told of a man who became a stagecoach robber. A doctor (Stevenson said) to whom the man went, told him to take something — so he took the express company's money box.

Mrs. Herman Neil Van Geem

Miss Mary Elizabeth Barefield Becomes Bride of Neil Van Geem

Miss Mary Elizabeth Barefield, daughter of Mr. and Mrs. Elton E. Barefield of 208 Ave. K, Del Rio, became the bride of Herman Neil Van Geem, son of Mr. and Mrs. Henry Edwards Van Geem of 1601 West Main, Eastland, Saturday night at 7 in the First Presbyterian Church in Del Rio.

The Rev. Mr. M. H. Applewhite officiated at the double ring ceremony. The church was decorated with a single large basket of white gladiolas and large white mums and many tiered candle arbors.

The bride, given in marriage by her father, wore a gown of peau de soie fashioned with a pointed bodice which featured a Chantilly lace bodice with scoop neckline encrusted in seed pearls. The long sleeves ended in points over the hands. The full skirt had appliqued motifs of lace and pearl embroidery and extended into a chapel train.

The French illusion veil was elbow length and was held in place by a crown fashioned of Chantilly lace leaves and seed pearls.

She carried a white orchid encircled with white roses.

Mrs. John Vernon Nyfeler of Austin was the Matron of Honor. The Bridesmaids were Miss Frances Van Geem, sister of the groom, of Eastland, Miss Shirley Marie Hassell of Houston and Mrs. Perry

Steele, Jr. of Comstock. The junior Bridesmaid was Miss Martha Rose Jarvis of San Antonio. They all wore dresses of Romance Blue peau de soie fashioned with scoop neckline and a softly pleated skirt. They carried bouquets of white mums and blue oem ooms.

Henry Edwards Van Geem Jr. brother of the groom, acted as best man. The groomsmen were Frank Estes Martin Jr. of Ft. Worth, William Eldridge Barefield, brother of the bride, of Cleburne and Charles Collins of Eastland.

Mrs. Guy Schrier played the traditional wedding music and Mr. Ralph Pasley was the soloist.

The bride's mother wore pink lace with white accessories and a corsage of white roses. The groom's mother wore blue lace and a corsage of white roses.

The reception was held in the Fellowship Hall of the First Presbyterian Church. The table was laid in white satin. White gladiolas and mums formed the center piece. Crystal candle arbors held 12 white candles. Miss Jonella Robertson and Mrs. Glenn Warner alternated at the 5-tier, round, all white wedding cake topped by a miniature bride and groom. Mrs. Keith Mallek and Mrs. Byron

Byars alternated in serving at the crystal punch bowl.

The bride's book table was laid in white satin and held a bud vase with blue poms and white tulle leaves. Mrs. William Barefield, sister-in-law of the bride, and Miss Barbara Nell Ridgway presided at the book. Miss Gayle Pauley and Miss Martha Jarvis passed out the miniature rice bags at the reception.

Members of the houseparty were the Meses Jack Fokes, A. M. Schrueter, C. B. Bushager, A. N. Ogden, John Charlton, John Repeto, B. A. Pollard, Guy Schrier, Ralph Pauley, O. H. McFlee, H. C. Basse, W. K. Gooding and Miss Althea Jones.

The bride left for the wedding trip wearing a lavender silk. Her shoes and bag were black and her gloves and hat were white. She wore a white orchid on her shoulder.

The bride received a Bachelor of Business Administration in Business Education from the University of Texas, June 6, 1959. She was treasurer of the Pi Omega Pi (National Honorary Business Education Fraternity). She was secretary of the Senior Class Business School, Secretary of BBA Council and a member of the Cap and Gown.

The groom received a Bachelor of Science in Electrical Engineering from the University of Texas, June 6, 1959. He is a member of the Institute of Radio Engineering. He is now employed as an electrical engineer for Texas Electric Service Company in Wichita Falls.

Mr. and Mrs. Henry Edwards Van Geem were present for the wedding.

Everybody's Fond Of Fondue
Fast becoming an American supper classic is the Swiss cheese dish known as fondue. For after the game, for Sunday night supper with the family, for a hearty snack between the movies and bedtime, fondue is a winner.
This mixture of melted cheese, evaporated milk, and seasonings is nourishing enough for a thrifty family main dish. The evaporated milk makes it smooth and creamy, as well as doubly high in food value.
Traditionally, everyone at the table eats fondue from the same dish. Each dips up the sizzling cheese mixture on a piece of bread speared on a long fork. But fondue tastes just as good made in a saucepan or double boiler on the range and poured over hot toast or heated patty shells.
Recipe:
1 tall can (1 1/2 cups) evaporated milk
1/2 pound (2 cups) grated Swiss or American cheese
2 tablespoons flour
1/2 teaspoon salt
1/2 teaspoon butter
1/2 teaspoon caraway seeds, optional
Heat evaporated milk over boiling water. Toss cheese and flour together until evenly combined. Add flour-cheese mixture to the heated milk and continue cooking until cheese is melted. Add salt, nutmeg and caraway seeds, if desired; stir until smooth. Serve over toast or dunk bite size pieces of French bread, speared on a fork, into the fondue. Yield: 6 to 8 servings.

When You Buy Real Estate—
... you not only buy the land and all that's attached to it above and below, but some kind of a title, good or bad. The abstract is a written history of the title and is the evidence of your security or insecurity. Since security is the basis and measure of all values, the abstract becomes the most important factor in every real estate transaction. That may be the reason why most careful buyers require an abstract.
