Eliminate washday's hardest job . . . carrying clothes to and from the clothesline. Switch to an Electric Clothes Dryer and let electricity do the job . . . automatically! All you do is put in freshly-washed clothes, set the controls and your Electric Dryer does the rest. You can relax or busy yourself with other things while your clothes dry sunshine-fresh in clean, gentle, electric heat. You save hours of ironing time, too, because electrically-dried clothes have fewer wrinkles and no "clothespin ears" to iron out.

If your home should burn, 9:00 Dough Re MI 6:30 Jr. Understand. it is still going to cost you a lot more than you probably think it will to rebuild it or buy a new house.

burns down -

Don't keep thinking about what your house cost you in the first place, maybe years ago. Building costs and home values have risen greatly in recent years. Think: how much would it cost me to du-

plicate it tomorrow?

If you are like the average home owner, you are still probably way under-insured and should talk to us mighty soon (maybe this minute) about increasing the amount of your fire insurance coverage.

CHANGE IX At 1:01 A. M. March 20

At 1:01 a.m. Sunday, March 20, Ranger's new dial telephone

system goes into operation. All telephone numbers will change.

DIAL SYSTEM MEANS PROGRESS. We've tried to introduce the dial system as smoothly as possible for you. And, in the long run, it will mean better service for you and all other telephone users in Ranger. The new system will provide more numbers which are needed for telephone expansion. and will be part of the nationwide program to

increase the speed and efficiency of your long distance service.

USE YOUR DIRECTORY. Be sure to find the new numbers in your new DIAL directory, which will be delivered prior to the change, before you call. To save time in finding the numbers you call frequently, enter them in your new telephone call list.
