#### Walk with WAVE Leads to Hospital

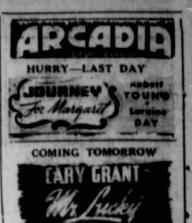

(UP)- Pvt. Harry Kowa! had walked and walked and asked his sergeant for a bandage because his GI shoes had rubbed his an-

The sergeant told him to report to the dispensary to make

sure he was "fixed up right." The examining doctor at the lispensary, however, told Kowal that he had varicose veins and advised an operation. Assured of only 10 days' hospilization, he decided to take the treatment.

But, when the medical officer nade an examination at the hospital, he found a hernia which needed immediate attention Kowa! ended up by spending two months in bed.

How did Kowal get a sore ankle in the frist place? It was not from marching. He reported a Wave had "just about walked him to death."
