#### Lions Have The Corporal and His Jeep to Lunch

If any one is planning on having Cpl. C. K. McPherson, the dapper Bond delivery man from Camp Wolters, for dinner, be sure and have the front door widened to accomodate the jeep he drives, for the corporal and the jeep are insep-

That's what the Lions Club carned Thursday, Brann Garner invited the corporal to the club luncheon and not only did he accept the invitation but he brought his jeep right in the front door of the Paramount Hotel and parked it at the head of the luncheon

Later at the request of Paul MacDonald, who was in charge of the program for the day, members of the club in turn enjoyed a ride in the incredible jeep.

Joe Dennis, vice-president of the club, presided at the meet ing and introduced W. F. Creager, chairman for the War Loan Drive in Ranger, and a guest at the luncheon spoke briefly on the drive. Miss Imogene Minton, Pianist for the club, who has been away for the summer months was present at the meeting and accompanied a singing led by C. J.

Other guests at the meeting were Don L. Shelby, now manager of Montgomery Ward and Company in Ranger, and Mrs. John Ducker.

#### President Asked To Raise Price of Crude Oil

OKLAHOMA CITY, Okla., Kerr appealed to President Roosevelt Thursday to use his influence to get the price of crude oil increased at least 35c a barrel.

Kerr's wire to the President

Harold L. Ickes has recommended a 35c crude price increase and I believe it should be increased at least that much immediately."

Governor Kerr, an independent oil man in private life, told his press conference that for helps five years it has cost \$2 a barrell to find oil reserve.

and produce the oil. Because of the check against a price increase, Kerr asserted, Oklahoma's oil explorations have dropped considerably resulting in a production decrease of 80,000 barrels daily for the inst two years.

little pygmy medicine man who a long time." side of a delirious American.

Zaman Khan's knowledge of psychology was crude, yet shrewd. Had he been within arm's length of the Niam-Niam, he would have bullied and threatened him, even bullied and threatened him, even busten him with the kurbash. But distance was the little sayage's distance was the little savage's safety. Therefore, flattery was indicated; and most flattering and which was drowning in a snim-mering wave of stars, shot through with a huge, zodiacal light.

ul-satisfying was the drum mes- Yet, clanking and wheezing, the sage which called the pygmy greatest amount a peer whom the trees obeyed and the rocks and the winds, called the pygmy ground. It plunged forward enthusiastically, like a sentient being, which was as keen to the individual to the winds where in the pygmy ground. It plunged forward enthusiastically, like a sentient being, carried the winds and the winds, called the pygmy ground. It plunged forward enthusiastically, like a sentient being, carried the winds and the winds, called the elephant in mating time, wiser than the owl, and as much to be feared as the swamp buffalo.

The Niam-Niam being that the Niam-Niam being the Niam-Niam being that the Niam-Niam being that the Niam-Niam being the Niam-Niam being that the Niam-Niam being the Niam-Niam being that the Niam-Niam being the Niam-Niam being that the Niam-Niam being the Niam-Niam being that the Niam-Niam being the Niam-Niam being that the Niam-Niam being that the Niam-Niam being the Niam-Niam being that the Niam-Niam being that the Niamuld the Niam-Niam, being generous and great-hearted. steering-wheel as she had never

saving a man's life? I guess there's

pitched laughter; was out of the Zaman Khan followed; and The medicine man's shrill mirth

would the Niam-Niam, being also generous and great-hearted, do his best for the foreigner whose fate resied in the hollow of his hand? Would he, furthermore, send back of drum talk a description of the location of the nearest jungle path connecting with the hut where the sick man lay? He, Zaman Khap, who was dispatching this metrage and was the medicine man's most devoted slave, knew that the knowledge of these jungle trails was a secret ore, festricted to the mighty ones among the bush folk. So he gaye steering-wheel as she had never done had never done before.

On through the night. A short rest. Then on again.

A look at the tank. Plenty juice—thank God! And more petrol, in tins, stowed away in back.

Both the girl and the man were silent. Their hopes and prayers ran parallel. Then, finally, the edge of the jungle; and a pygmy lead to him. Then, after a minute or two—as men ccunt time—that seemed an eternity, he heard her voice, hisky and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tremulcus laugh: "You know—if you were a gentice and with a tre
