## YANKS FIGHTING TO HOLD TAEGU

### Bulldogs Meet Tough Eagles Friday, There

**NEW MEXICO TEAM LOST ONLY TWO MEN FROM LAST YEAR'S**

The Ranger Bulldogs will have its hands full when it meets the Hobbs, N. Mex. Eagles Friday, there.

But Ranger Coach O. C. (Stubby) Warden refused to be scared or let his team be scared by the fact that the Hobbs team lost only two men off its undefeated, untied state championship eleven last year.

The 8 p. m. game will pit a split-T formation, played by Ranger, against a single-wing, unbalanced either to the right or to the left.

Coach Warden figures that the Hobbs eleven will try a lot of passing and he admits his boys will. "We play a lot of the same kind of football."

Hobbs is a much larger town than Ranger and as a result the Ranger opponents have a lot more boys to choose from.

The Hobbs line is heavy and there's plenty of weight in the backfield—a 185-pound fullback by the name of Bark; a fast wing-back by the name of Green; a 20-year-old married blocking back by name of Paul Hudson, and 165-pound QB Allison.

The quarterback on the Ranger team is 190-pound left tackle Bill Young. With defensive left guard H. V. Davenport, standing five-feet ten inches at 185 pounds next.

In the backfield there's 175-pounders Fullback Floyd Woods, Right Guard J. L. Barnes and Right Halfback Billy Simpson.

In practice the Ranger team looks good. But there's some weaknesses left in the line as far as solid blocking goes.

If they see the protection, Quarterback Weldon Cunningham, QB Jimmy Cole at 126 and 132 pound respectively should get off some good passes to Receivers Jimmy Cantrell, Herbert Williams, Jimmy Comacho and Billy Simpson. Simpson also, does some passing.

The following 22 boys will leave at 6 a. m. Friday to travel to Hobbs.

Probable Starters		
Pos.	Name	No. Wt. Ht.
RE	H. Williams	29 160 6-1
RT	Hummell	33 170 6-5
RG	Barnes	39 175 5-10

### Fifty Examined Today From Local Board

Fifty Eastland and Stephens county men were sent to Abilene for pre-induction physical examinations from the local draft board this morning, Mrs. Jewell Reeves, board clerk, reports.

The board has also received its first call for induction, Mrs. Reeves said. The call is for the latter part of September.

No other calls for men for pre-induction examinations have been received by the board, she said.

The men sent today make a total of 150 sent from the local board for pre-induction.

**TANKS PUSH WAY THROUGH BURNING VILLAGE**—An American tank, long-barreled gun ready, pokes its way cautiously through a burning village in South Korea. Many small towns, changing hands many times during the course of the heavy fighting, are being wiped out by artillery fire and air attacks. (NEA Telephoto by Ed Hoffman, Staff Photographer).

### Pep Rally Set On Main Tonight

Ranger High School will hold a pep rally at 7:30 p. m. Thursday in front of the Gholson Hotel. The band will play for the rally, called to cheer the Bulldogs for Friday's meeting with the Hobbs, N. Mex. Eagles.

### Former Hospital Superintendent Gets New Job

Miss Anna Belle Kinney, registered nurse, has been named consulting and superintendent of the new Wood's county hospital.

Miss Kinney was superintendent of the Ranger General Hospital from 1928 to 1948. A Woods county paper commented as follows on her Ranger work: "She made a very notable and worthy record in that institution."

The officers of the Wood county hospital said that they feel the Wood's institution will have a very able and capable head, an excellent nurse and fine business head.

Miss Kinney will assume the superintendency on October 1. She will be in charge of purchasing equipment and employing hospital personnel.

### Navy To Raise Benevolence

WASHINGTON, Sept. 7 (UP)—The Navy will raise the hospital ship Benevolence which was rammed and sunk by a freighter four miles off San Francisco on Aug. 25, a Navy spokesman said today.

The latest to pay dues are the following: Ranger Auto Parts, E. L. Martin and Sons, H. C. Henderson, Ashman Grocery, Killingsworth Hardware, Wilson Guest and C. E. May, Jr.

More work is being done today on getting the lights ready. They should be ready to turn on the latter part of this week or the first part of next week, E. F. Arterburn, quarterback, said.

### Marine Recruiter To Be In Eastland

Marine Sgt. W. E. Norton, recruiter for the Marines, will be in Eastland each Wednesday from 12 noon until 2 p. m. at the post office building for the purpose of interviewing young men who desire to enlist in the Marine Corps.

Men between the ages of 17 to 28 are eligible for enlistment.

Enlistments may be made for three or four years, or for the duration.

Norton said that all men accepted will be sent to Dallas for physical examination and to San Diego, Calif. for basic training.

The Marine Corps is now accepting married men and men with dependents, but physical and mental standards remain the same.

### School Days

## RANGER JUNIOR COLLEGE HAS 15 PER CENT INCREASE OVER LAST YEAR'S ENROLLMENT

Ranger Junior college, revamped and separated from the Ranger independent school district, showed a 15 per cent increase in enrollment.

Dr. G. C. Boswell, president, said that the school had enrolled a little over 500 students in day and night classes.

The school's music department has been enlarged, buildings have been painted and several additions have been made to the faculty.

The school was separated recently from the independent school district when Dr. Boswell gave up his presidency of schools in order to devote full time to the college. G. E. Rush was made superintendent of schools.

The Ranger high school enrolled 196; the junior high 130. Hodges Oak Park school—grammar—showed a slight decrease in enrollment from 279 in 1949 to 250 as of today.

Young School, grammar, enrolled 166. Figures were not available for last year's enrollment in either the high school, junior high or Young school.

### More Pay Dues In Quarterback Club For Lights

Several more Quarterback club members have paid dues.

Funds raised by the payment of dues will be used to defray the expenses of erecting lights at the football stadium.

The latest to pay dues are the following: Ranger Auto Parts, E. L. Martin and Sons, H. C. Henderson, Ashman Grocery, Killingsworth Hardware, Wilson Guest and C. E. May, Jr.

More work is being done today on getting the lights ready. They should be ready to turn on the latter part of this week or the first part of next week, E. F. Arterburn, quarterback, said.

### Marine Recruiter To Be In Eastland

Marine Sgt. W. E. Norton, recruiter for the Marines, will be in Eastland each Wednesday from 12 noon until 2 p. m. at the post office building for the purpose of interviewing young men who desire to enlist in the Marine Corps.

Men between the ages of 17 to 28 are eligible for enlistment.

Enlistments may be made for three or four years, or for the duration.

Norton said that all men accepted will be sent to Dallas for physical examination and to San Diego, Calif. for basic training.

The Marine Corps is now accepting married men and men with dependents, but physical and mental standards remain the same.

## UN Force Leaves Waegwan Bastion Reds Don't Let Up

### Pizen, Sicken And Die, Boy Writes Farmer

TEXARKANA, Sept. 7 (UP)—A half-pint Negro boy rubbed where it hurt today after his \$10 extortion attempt dissolved into just another trip to the wood shed with his father.

A farmer received a rudely scrawled note directing him to leave \$10 in a mail box or else "Pizen, Sicken and die."

The note was signed ominously, "The Dark One."

The farmer failed to "sicken," but did call in FBI agents who nabbed "The Dark One" when he showed up at the designated mail box. The culprit was 12.

Federal charges were filed, but dismissed when the youth was turned over to his father "for woodshed punishment."

The youngster got his idea from reading a comic strip.

By Earnest Hobercht, United Press Staff Correspondent  
TOKYO, Friday, Sept. 8 (UP)—American and South Korean defenders, squeezed into an area about half the size of Connecticut, set up new lines only seven miles from Taegu today in the face of the greatest sustained Communist drive of the war.

Taegu was within range of enemy artillery fire from both west and north.

The entire 50-mile Northern front had burst into action. United Press Correspondent Robert Bennyhoff reported from Kyongju, 17 miles below fallen Pohang, that the Reds had launched a heavy attack shortly before midnight seven to eight miles north of Kyongju.

Bennyhoff reported intense small arms fire and fighting across the rice paddies and rugged mountains which line both sides of a dry river bed three miles south of Angang. It is at that point on the eastern end of the northern front that the Americans and South Koreans have set up their new defenses lines.

The defenders had been anticipating a new Red drive down the valley, as soon as they could regroup after last week-end's successful attack which threw the South Korean Capital division out of Kigye and Angang.

Waegwan, 12 miles northwest of Taegu, was abandoned. Heavy mortar and artillery fire was reported all along the 100-mile front, hinting at new enemy blows.

Taegu, former provisional capital and a vital communications center, now was menaced on at least three sides.

Front dispatches said that up to two Communist regiments with about 6,000 men had reentered the United Nations defenses between Yongchon and Kyongju. They were stabbing far behind the defense lines, and were reported in a position to envelop Taegu from the rear or encircle the American and Korean Republican troops below Pohang, on the east coast. The vital Taegu-Pusan highway apparently had been cut.

U. S. 1st Cavalry units began their withdrawal Tuesday night and completed it last (Thursday) night.

It was a heart-breaking retreat for the Americans after their bloody but unsuccessful fight to capture a height (hill 518) northeast of Waegan which dominates the entire sector.

United Press Correspondent Robert Vermillion reported from the flaming northern front that the cavalrymen had to fight their way through North Koreans behind them to reach their new lines.

The new line is west of the Taegu-Tabu road and behind old American positions along the Naktong river.

Blocking the First Cavalry's retreat had been enemy possession of a hill described on military maps as hill 464. But the cavalrymen cleared it, and also succeeded in eliminating a road block south of Tabu. On Thursday, however, the Reds again were trying to cut the road with mortar and machine-gun fire from a hill 1,000 yards to the east.

Elsewhere on the northern front, the South Korean 6th division threw back an attack on its right sector, west of Yongchon. Delayed front reports said the attack cost the Reds 1,000 men in dead or wounded.

The South Korean 8th division was attacking to the east northeast against the North Korean 15th division from a point four miles north of Yongchon. Yongchon, about midway between Taegu and Pohang on the Taegu-Pohang highway, still was in Allied hands. The enemy took it once but lost it.

American B-26s struck at an enemy tank concentration at dusk Wednesday, just west of Uihung, 20 miles north of Taegu. The Air Force said that of 21 tanks sighted in the area, three were knocked out and many damaged.

In the last two days, American Fighters and bombers have claimed 61 Communist tanks destroyed or damaged.

## Highway 80 Bidding Set

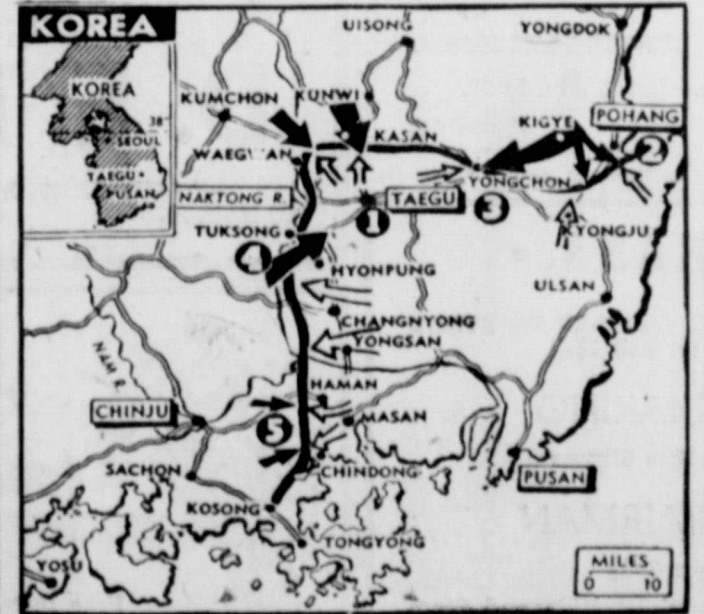

The Eastland-Cisco link of Highway 80 will be included in the September letting by the Texas Highway Department, E. M. Pritchard, resident engineer, has announced. Advertising for bids on the project will begin Friday.

The letting of the project was assured when District Attorney Elzo Been filed condemnation suits for the deeds which could not be secured otherwise.

Two suits were filed. Other property owners agreed to a purchase price.

The new highway is to be a divided four lane road. Much of the present highway will utilized in the building of the new road. A similar strip will be built alongside the present road where possible. Some of the curves in the road will be taken out.

"ROCKET AHEAD" With Oldsmobile Oldsmobile Motor Company, Eastland

**REDS CLOSE IN ON TAEGU**—Red columns drove on Taegu (1) from north and southwest after capturing vital Pohang (2). United Nations forces recaptured Yongchon (3), after it fell to invaders. Major threat to Taegu came in 1st Cavalry sector. As Allies fell back several miles from Kasan. Another Red column from vicinity of Tak-song (4) pushed within 8 miles of the city. Yongsan-Masan sector (5) remained relatively quiet, with U. S. 2nd and 25th Divisions making some advances and stopping light enemy probing attacks. (NEA Telephoto).

### Photographer Takes Pancakes Not Cheesecake

By Laura Etz  
 United Press Staff Correspondent  
 CHICAGO, (UP)—A man who has photographed everything from pancakes to cheesecakes said today he'll take the pancakes.

Pretty girls come and go, said Harry Shigeta, but good food goes on forever.

Shigeta, who has been taking pictures for 45 years and earns as much as \$2,000 a shot, said human beauty standards change too fast for him.

"You take a picture of a girl and it's gorgeous. Five years later her hair is out of style, her lips are the wrong shape—look at a few pictures of the old silent screen stars," he said.

A stack of pancakes will look as good in a picture 20 years from now as it does today. The same goes for a good steak, he said.

Shigeta even will take a cold dish of icecream over a girl model, although he said food often is more difficult to photograph.

A well-trained model won't melt under hot lights, for example, but ice cream will. Beer loses its foam and a slice of ham discolors quickly.

**TOTE TRICK**—Taking a tip from the native Koreans, Pic Benjamin J. Aslin uses a native pack to carry barbed wire on his back to the front lines somewhere in South Korea. NEA-Acme Photo by staff correspondent Ed Hoffman.)

ch, so the outside will be signed in the right places while the inside stays rare and juicy looking. Salads and vegetables are painted

with oil to make them appear dewy-fresh. During the wartime shortage of coffee, Shigeta used a brew of

potassium permanganate and potassium cyanide from the photo lab. Unfortunately, there's no substitute yet for eggs or pancakes,

and sometimes photographers make two dozen batches before one turns out perfectly. They use a cold thick molasses, so the pic-

ture can be shot while the "maple syrup" is still running down the pancakes.

Shigeta admits it's taking unfair advantage of the housewife. "She has to use real food and gets just one chance to make it look like the ads," he said.

## Girl Scouts Having Outings

The Girl Scouts have been active in outdoor events for the past several weeks and all of the girls have taken part in at least one of the outings and several have been present at all of them.

The events started on July 25 with a swimming party and watermelon feast at the Willows Park.

A weiner roast was held August 1, at the Haganman Lake and on August 8, a scavenger hunt was held with the girls meeting back at "The Little House" for refreshments.

The girls hiked to Winslet Springs at 6 a.m., August 15 for an outdoor breakfast. Bracelets were made and plans for an all day cook out was discussed.

They rode out to the Girl Scouts Camp on Dr. P. M. Kaykendall's ranch, August 28, and held an all-day cook out with each girl having her part in the chores of food gathering, firebuilding, cooking, cleaning up or being hostess.

On September 5, the girls met at the Methodist Church to finish their bracelets and to play games. A party will be held at 4 p.m., September 12, at the Methodist Church for all Scouts, Brownies and girls who are interested in becoming either a Scout or Brownie.

A special invitation has been extended to all seven year old girls who are now eligible to become Brownies.

Mr. and Mrs. M. E. Lee, Jimmy and Phil, who have been living in Merkel, have returned to make their home here. Jimmy will leave soon to enter Texas Tech at Lubbock.

## Mrs. Deffebach To Be Guest Speaker At Luncheon

Mrs. Vernon Deffebach will be the guest speaker at the covered dish luncheon of members of the Women's Society of Christian Service of the First Methodist Church of Eastland, which is to be held at noon, Monday, September 11, in the fellowship room.

## Ladies Of Country Club To Have Party

The Ladies of the Country Club will meet at 2 p.m., Friday, at the Clubhouse for bridge and canasta. Hostesses will be Mmes. Saunders Gregg, Ardell Kirk, and John Thurman.

## Personals

Mr. and Mrs. Roy E. Payne have received word that their niece, Mrs. James E. Craig of Paris, Texas, has been stricken with polio. She is being treated at the Griffith Memorial Hospital in Paris. She and her husband have been recent visitors in Ranger.

Mrs. James Field and daughter, Kathryn of Eastland, and Mrs. Thomas Pittman of Roswell, New Mexico have been visiting relatives here. They are formerly of Ranger.

Billy Griffin left today for Lubbock where he will enter Texas Tech College.

Mrs. Con Hazard left today for Galveston to attend the American Legion State Convention.

## Boyce House Gives You Texas

By Boyce House

In 1903, George C. Murrell joined the Sulphur Springs fire department. On Jan. 1, 1950 he retired as chief but is still a member of the department and is fire marshal of that city.

Murrell saw the equipment change from the old horse-drawn hose cart to three large American LaFrance fire trucks. The News-Telegram (Eric Bygones, editor) several years ago related some of the veteran firefighter's experiences.

He recalls a fire that broke out at night and lasted for hours. The flames started in the old Elks Hall on Connally street. Four buildings on the south side of the street were destroyed and wind swept the flames across to destroy two buildings on the north side of the street. Surrounding buildings were kept soaked in water to prevent spread of the fire and Chief Murrell was standing near a partitioned wall with his hose trained on one of the nearby structures when the wall caved in.

The closest call that he ever had, however, was when the old mill burned. He and another fireman, Kirk Kellog, were on the ground holding a line through a doorway in the second story. Suddenly the high wall tottered and fell. In that fleeting instant when he saw the wall leaning toward him, Murrell called, "Step Forward." Spectators screamed as the two firemen killed, but when the dust and smoke cleared away, there they stood, unharmed.

When Murrell saw that they did not have time to clear the pathway of the wall, he gave the signal to move forward so that as the wall fell, they were in line with the doorway and so the wall passed over them and they didn't receive even a scratch.

A judge said to a jury: "You have been out for 36 hours. Have you reached a verdict?" A juror exclaimed, "We haven't even elected a foreman yet! There are six Democrats and six Republicans on this jury."

Billy Doolin, famous old-time outlaw, escaped from jail by telling a joke and then, while the guard was doubled up with laughter, grabbed his pistol. History does not tell what the joke was.

GO TO CHURCH SUNDAY

## Messiah Calls For Help To Feed Mexicans

HARLINGEN, Sept. 7 (UP)—Businessman F. Ferree, the "Wetbacks' Messiah," pleaded today for bread and beans to fill the hungry stomachs of thousands of Mexican farm workers who came here in search of employment on U. S. farms.

Some 2,000 to 5,000 braceros poured into this lower Rio Grande valley city when they heard the processing center, closed for the last seven months would be reopened.

The situation turned critical yesterday as the braceros, most of them broke and hungry, milled around the processing center. All available officers were called out to police the area. Ferree pressed out limited supplies of food to the hungry horde.

Sixty-four braceros were cleared through the center for employment on a Mississippi plantation. Most of the remainder bedded down under the stars last night after an abandoned labor camp near here proved too small.

Almost 800 other workers were to be processed today for employment on Mississippi farms. Ferree made a public plea for food donations. The Red Cross said it planned no assistance because no disaster existed, and mayor Hugh Ramsey and city manager R. J. Brule labeled the problem one for the national government.

Two bankers donated 20 loaves of bread Tuesday, but none was available yesterday. Ferree handed out 600 gallons of canned vegetables to the braceros.

"We need a thousand loaves of bread a day for them," said Ferree. He added that 1,500 gallons of food donated by the Harlingen canning company should supply enough vegetables for a few days.

"Several of the workers told me they had not eaten for three days," he said. "I'm the only one who ever helped them."

Housewives pitched into the effort to collect food for the workers.

One bracer, 40-year-old Benito Solis, fell from a fence Monday night as he watched a baseball game and suffered a broken knee. However his plight was not noticed until yesterday, when he was finally picked up and hospitalized.

"I called to several people as they passed," he said, "but none stopped."

Mrs. O. G. Lanier and Gilbert visited over the holidays with Mr. and Mrs. Walter Pruitt and Mr. and Mrs. Paul Bray and children of Fort Worth.

Mr. and Mrs. Raymond Hart of Jackboro are visiting Mrs. Hart's mother, Mrs. Eutaria Glenn.

## Your Health

AUSTIN, (Special)—A puny little parasite no more than a quarter inch long when it's full grown can turn a champion weight lifter into an anemic cream puff.

Even while it's still a baby, this pernicious parasite can make a wheezing weakling out of a top field hand, and turn a stout boy's muscles to the texture of soft butter.

It's a hookworm. State Health Officer Geo. W. Cox, with understandable disdain, puts the finger on it as the cause of so-called toe itch, dew itch, ground itch, and summer scratch.

Says he: "All these itches are provincial ways of saying hookworm."

Dr. Cox says his department has been waging a ten-year battle against hookworms in Texas, and that deep inroads have been made into its natural habitat, especially in eastern and southern sections. Health experts know what it is and how it gets into the human body, but the big job is in convincing people that they ought to do something about it.

Hookworms live a double life, the health official says, half in the intestines of a human being and half in the soil around an open pit privy. The female lays eggs while attached to the intestines.

Eggs pass from the body and hatch within 24 hours. Then the young worm lies in wait for the first unsuspecting barefoot person—usually a youngster, to come by. It pierces the foot skin and slowly inches its way deeper and deeper into the body until it reaches the intestinal tract where the cycle starts again.

"It is a disease," Dr. Cox says, "that stunts the growth of children, causes skin discoloration, loss of weight, and anemia." Severe infestations often cause a morbid craving for such things as chalk or dirt, he adds.

But it's easy enough to control—merely by building properly designed sanitary pit privies or septic tanks; that, and wearing shoes.

A good many children in various rural sections have had light infestations all their lives, and have never known what it means to feel entirely well.

Relieves Distress of MONTHLY FEMALE WEAKNESS. Also Helps Build Up Red Blood! Do female functional periodic disturbances make you suffer pain, feel so nervous, irritable—at such times? Then try Lydia E. Pinkham's TABLETS to relieve such symptoms. Pinkham's Tablets are also very effective to help build up red blood in simple anemia.

PORT WORTH, Sept. 7 (UP)—Cattle 1800. Fully steady to stronger. Few good lightweight slaughter yearlings 28.00-30.00, common and medium slaughter steers and yearlings 22.00-27.50, one string medium steers about 6 loads at 26.50. Beef cows 20.00-22.50, canners and cullers 14.00-20.00. Sausage bulls mostly 19.00-24.50. Few 25.00. Medium to choice stocker steer yearlings 25.00-29.00, stocker cows 23.00 down.

Cattle 1300. Fully steady, some stockers strong. Good and choice slaughter calves 26.00-30.00, load of 544 lb creek calves 30.00. Common and medium 20.00-25.50, culls 18.00-20.00. Good and choice stocker calves 29.00-31.50.

Hogs 800. All classes fully steady with Wednesdays average. Good and choice 190-260 lb barrows and gilts 23.00 to mostly 23.25, few 270-300 lbs 22.00-23.00, 150-180 lbs 21.00-22.75. Sows 17.00-20.00. Feeder pigs 20.00 down.

Sheep 300. Fully steady. No slaughter spring lambs offered. Few medium and good yearling wethers 21.00-22.00. Cull to medium aged ewes 12.00-13.50. Few good aged wethers 15.00. Good feeder lambs 25.00-50. Feeder yearlings scarce.

"I'm Buster Brown,  
I live in a shoe!  
This is my dog, Tige...  
Look for him there, too!"

That's mighty sound advice, mother! Always look for Buster Brown and Tige in your children's shoes. It means that you're getting the finest footwear any youngster's feet ever wore! Our fall selection is very complete and you can depend on our expert fitting. Won't you bring your children in today for new fall Buster Browns?

Ferguson Says

Stalin Thinks US Will Collapse If It Can Be Isolated From World

By Harry Ferguson  
UP Foreign News Editor

Joseph Stalin believes—or at least hopes—that Russia can conquer the United States without firing a shot. The Communists contend the collapse of a capitalistic country like the United States is inevitable and that their role in history is to speed the day.

That is what is behind today's headlines from Washington, Moscow and Lake Success. That's what all the shouting is about in connection with the shooting down of a Russian bomber off the west coast of Korea by a U. S. Naval task force. Russia wants to isolate the United States. She wants to separate us from our friends and allies, cut off our foreign trade and then wait for things to go so bad that the American Communist party will be swept into power.

In the past few days the sequence of events has gone like this: A Russian bomber made hostile motions at a U. S. task force which sent up fighters that shot down the Red plane. The body of a Russian Lieutenant was fished out of the water. Yesterday the Kremlin sent a note around to our embassy in Moscow. It referred to the shooting down of the Russian plane as a "crime" and demanded indemnity. Alan Kirk, our ambassador in Moscow refused to accept the note, insisting that any protest should be made to the United Nations rather than the United States. In short, Kirk had no intention of allowing the Kremlin to make this a war between the United States and the Korean Communists rather than the United Nations and the Korean Communists. Jacob Malik, Russian delegate to the U. N. Security Council, put the note before the council, but objected to discussion of it on the grounds that it was an affair between Russia and the United States and no concern of the United Nations.

Malik and everybody else connected with Soviet Russia will keep right on ignoring the fact that the United States is only one of several U. N. nations arrayed against the Korean Communists. Our diplomats will keep right on insisting that this is a war—or rather a "police action"—between

the United Nations and the North Korean Communists. Warren Austin, American U. N. delegate, summed it up when he said yesterday in connection with Malik's contention that this is purely an American-Russian issue: "We know this particular claim has been made in regard to all U. N. acts in Korea, not beginning with June 25, but away back in 1947."

The reason Russia wants to isolate the United States and pin the blame of "aggressor" is that she considers us the biggest obstacle to the Communist conquest of the world. Our aid to Europe probably prevented the Communists from seizing the governments of Italy, France and Greece. And we hold over Moscow the constant and dreadful threat of the Atomic bomb.

Stalin is not the inventor of the theory that he can isolate a big capitalistic country and let it fall of its own weight. It has been part of the Communist creed for years. But he is still working at it at every opportunity. On the day he becomes firmly convinced that we are not going to become friendly and alone in a hostile world and that we are not going to collapse of our own weight—look out. World War III will be here.

**Palm Just Borrowed**  
PORTLAND, Ore. (UP)—The Cosmopolitan Club has its palm tree back. The club manager told police a young man went to the second floor patio of the club and left with a 7-foot palm tree. Two days later the man called a taxicab driver to a service station handed him the palm and told him to deliver it to the club.

Mr. and Mrs. Herbert Love and children of Big Springs are visiting Mrs. Love's parents, Mr. and Mrs. Aaron Bell.

Chrysler Night At Dixie Drive-In

Thursday night is Chrysler night at the Dixie Drive-In theatre, the management has announced. Chrysler night is being given through the cooperation of Blevins Motor Company of Eastland. Those owning a Chrysler may obtain free tickets to Thursday's show from Blevins Motor Company.

Tickets will be good for the Friday night show also. Each lady entering the drive-in in a Chrysler auto will be presented a carnation from Wittrop's Flower Shop.

Dr. Laubach Is Ft. Worth Speaker

Dr. Frank C. Laubach will speak at First Methodist Church in Ft. Worth on September 26th, at 7:30 p. m.

Dr. Laubach, author, educator and missionary for thirty four years, is best known for his simple system of instruction for adult illiterates by phonetics, picture-word-syllable charts, and for "each one teach one" method originated in 1930. He is the author of "The Silent Billions Speak", "Toward a Literate World", and "Teaching the World to Read."

He is being sponsored by the Fort Worth General Ministers Association, and the public is cordially invited.

Gasoline, Battery, Wrenches Stolen

A thief or thieves took a tractor battery, several wrenches and some gasoline from a farm near Rising Star this week, Sheriff J. B. Williams said yesterday.

Williams said the goods were taken from the farm of Carl Bowers.

U. S. coins are minted at Philadelphia, San Francisco and Denver.

From where I sit... by Joe Marsh

Squint's Drumming For Fair Play!

Squint Miller's mighty proud of the lot he owns that fronts on River Road—one of the prettiest spots around here.

He's been in a stew about it lately, though. Seems that trash-dumpers take one look at his property, stop their car or truck, and out goes a load of rubbish, spilling all over his place and the roadside, too. Wouldn't that make you mad?

Last night Squint dropped by the house. Over a friendly glass of beer, he tells me what he's done. "I put a couple of empty oil drums

out there," he says, "with a big sign reading: 'If you must dump trash—use these—I like to keep my property clean!'"

From where I sit, Squint's sign should make any would-be roadside trash-dumpers pretty darned ashamed of themselves. Now and then some folks just have to be reminded that they ought to have as much regard for their neighbors' rights as they do for their own.

Joe Marsh

CASE OF the BROKEN CONNECTION by STACK

... AND I'LL ARRIVE AT THE STATION ON THE... THAT'S FUNNY I WAS CUT OFF

Many Thousands of folks have been helped whose systems were deficient in Vitamins B1, B2, Niacin, and Iron. HADACOL can help you, too, if you suffer from stomach distress, nervousness, insomnia, aches and pains of benefit, or a general run-down condition, caused by such deficiencies. Let HADACOL help you as it has helped others all over the country. Even hundreds of doctors are now recommending HADACOL to their patients suffering from such deficiencies.

That's the kind of product you want—that's the kind you should buy and that's the kind you should start taking NOW!

Give remarkable HADACOL a chance to benefit you. Remember, you have nothing to lose. HADACOL will make you feel great after the first few bottles you take, or your money will be refunded. Only \$2.25 for Trial size; Large Family or Hospital size, \$3.50.

—Adv.

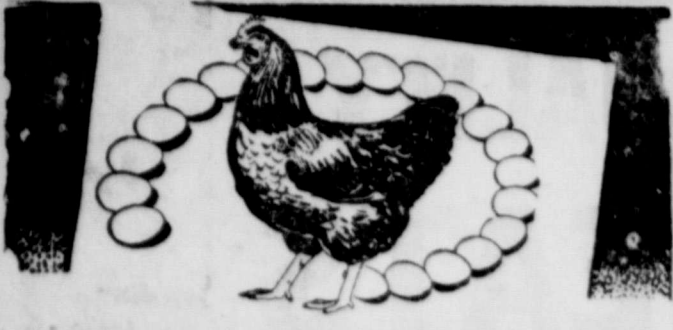

Mrs. Darline Evans, 1612 Jefferson St., Kansas City, Mo., says she has made her family the happiest in the middle west. It wasn't long ago when Mrs. Evans said she was very cross with her whole family but now her disposition has changed entirely. She started taking HADACOL after she found her system was deficient in Vitamins B1, B2, Niacin, and Iron.

Here is Mrs. Evans' own statement: "Before I started taking HADACOL I was very nervous and irritable—in fact, I made my family's life miserable. I wasn't able to sleep nights—I would just toss and toss all night. I had no appetite at all—eating food to me was just a chore. I know I was the most miserable person in Kansas City. Then I heard about how other folks were getting marvelous results from HADACOL. After the first bottle of HADACOL I was able to rest easy—now I have taken over 4 bottles of HADACOL, I have a wonderful appetite and what is so absolutely marvelous is that I am not the least bit nervous. I just can't praise HADACOL enough."

## Fraley Says Art Larsen, Bad Boy Of Courts, Has What It Took To Beat Flam

By Oscar Fraley  
United Press Sports Writer  
FORREST HILLS, N. Y., Sept. 6 (UP)—Blond Art Larsen, a sly San Francisco southpaw, was the only person who wasn't surprised today that he won the national amateur tennis championship—and he wasn't bashful about reminding the net fathers for leaving him off the Davis Cup team.

A jittery young man filled with war-born superstitions which he acquired as a 17th cavalry machine gunner in Europe, Larsen three years ago promised himself that he would win the national within five years.

"If you don't do it by then, you never will," he explained after his 6-3, 4-6, 5-7, 6-4, 6-3, upset victory over favored Herbie Flam of Beverly Hills, Calif., on the famed Forrest Hills center court yesterday.

So the good conduct soldier who has been a bad boy of the courts, went out and fulfilled his ambition ahead of schedule after forms had held as Margaret Osborne Dupont of Wilmington, Del., won the women's crown for the third straight year with a 6-3, 6-3 win over Doris Hart of Jacksonville, Fla.

Then the 25-year-old Larsen, son of a California highway patrolman, proceeded to unload on the net fathers who had ignored the performance chart by picking Ted Schroeder and Tom Brown to defend the Davis Cup. They lost it to Australia, 4 to 1.

"They made a mistake" insisted the five-foot, nine-inch, 150 pound Dane. "They should have picked a team from the record, then they would have picked me along with Herbie Flam, Gardner Mulloy and Vic Seixas."

## Arkansas Loses Shoes At Miss America Meet

By Harman W. Nichols  
United Press Staff Correspondent  
ATLANTIC CITY, N. J., Sept. 7 (UP)—All sorts of things happened yesterday at the Miss America pageant.

Miss Arkansas lost her shoes, Miss Alaska took down with a cold—and a couple of gals showed up in identical evening gowns and one of 'em had to go back home and do a quick change.

In the preliminary judging, Miss California, Joanne Durant, took the trophy for bathing suit competition. The little gal from San Diego wowed the judges in a chartrouse suit. There was a surprise in talent preliminaries when for the first time in history of the pageant a comedian won.

That was Miss Rene Dianne Roy, all dolled up in an orange taffeta. She put on a take-off of how to put on cosmetics. It was a good example of how a Miss America shouldn't look or act—except Miss Connecticut made it click. She caught the eyes of the judges while she was at it.

But to get back to things more important—like Miss Arkansas—Mary Jennings—losing her shoes.

We'll pass by Miss Alaska catching cold and the two gals showing up with the same color dresses. On the shoes, it was a kind of Cinderella deal—really—unprogrammed.

They were golden slippers. Mary arrived in Atlantic City for the big show with two pairs of shoes, to prove to one and all that they wear that sort of thing in Arkansas these days.

Jaroslav Drohny, the exiled Czech; Brown, the Davis cupper, and the top-ranking Flam.

That made him the first left-handed champ in 20 years and, while a lot of people may think he is left-handed in more ways than one, nobody could deny that his fancy little fellow was the best of the amateur lot—whether the net fathers liked it, or not.

Where she made her mistake was taking one pair off to rest her pinkies during rehearsal. She got up and walked off without 'em. Suddenly finding herself without shoes she became a little frantic. The cops were called. Everybody in Arkansas was advised of the tragedy. The press bureau of the pageant was in an uproar.

The story has a happy ending, fortunately.

Mary Kougy, an alert member of the press bureau who was put on the trail, found the slippers—under the chair where Miss Jennings had left them.

Today we have some more of the same in the pageant. One third of hopefuls compete in bathing suits, another third in evening gowns, division and the rest strut before the judges with what talent they have.

The smart money boys are still betting their rent money on Yolande Betse—Miss Alabama, who has a lovely voice for opera—Miss California, Joanne Durant, and Miss Chicago, Marjoria Adams.

Me, I like 'em all—including Illinois, Miss Katherine Kleinschmidt. We're from the same state.

She's from Granite City, Ill., and we're practically neighbors.

## Tigers Have Best Schedule In American

By Carl Lundquist  
United Press Sports Writer  
NEW YORK, Sept. 6 (UP)—Managers Casey Stengel of the Yankees and Steve O'Neill of the Red Sox had one thing in common today as they prepared to battle each other—they agree Detroit has the best break in the schedule in the American League stretch run.

Both Stengel and O'Neill think their clubs are going to come roaring in and win the flag, but that schedule advantage the Tigers definitely enjoy began to assert itself again last night, Detroit, which has more games (25) left to play than either Boston or New

York, and therefore enjoys a greater winning potential, also has games at home and more games against second division teams.

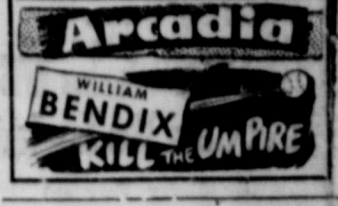

The Tigers gained half a game on the leading Yankees by beating the St. Louis Browns, 7 to 4, and now are only 1½ games behind again.

The Tigers, who still have 13 of their remaining 25 games with second division teams, had a fond goodbye to the Brownies for awhile last night, combing their pitchers for 16 hits as Hoot Evers set the pace with four singles and two runs driven in.

The fourth place Indians, who still have less ground to make up in the American than the second place Dodgers in the National League, moved to within 4½ games of the top-dog Yankees by winning a 10-inning 3 to 2 decision from the White Sox.

In the National, the muscle-flexing New York Giants whizzed to within 2½ games of the second place Dodgers as they topped them, 8 to 5, in 10 innings, enabling idle Philadelphia to go 7½ games in front for their widest margin of the year.

The Giants, who are out to take

second place from the Brooks, put over their winning run on a double by Wes Westrum, they scored two more for insurance on another two bagger by Don Mueller.

The Cardinals ended a seven-game losing streak and knocked the slumping Cubs into seventh place by winning a 4 to 2 decision. Gerry Staley pitched six-hit ball and Stan (who else?) Musial drove in three runs with a homer and double. Bill Howerton produced the fourth Cardinal run with another homer.

All other major league teams were idle.

Yesterday's star—Hoot Evers, the durable left fielder of the Detroit Tigers, who despite a lame wrist got four hits and drove in two runs in a 7 to 4 victory over the Browns.

**FALL CHICKS**  
PLACE YOUR ORDER NOW

There is a heavy demand for Fall chicks; since poultry is our cheapest meat. So give us your order now; so we might fill your order at the time you want your chicks.

- Red Chain Broiler
- Gro-Fat Granules will assure you a quality fryer. See us, your local hatchery
