Monthly Pains -**A New Sensation**

Navy Extends ROC Application To April 2

pective applicants for the Navy's Reserve Officer Candidates pro gram, known as the "ROC" plan, has been announced by the Eighth Naval District Headquarters, New

The old deadline of March 19 for processed applications to be eccived at New Orleans has been extended to April 2. The program is open to qualified male and fe nale students now in freshman redited junior and senior colleges and universities.

A candidate must be a membe of the Naval Reserve at the time of application, and spends two mmer periods of Navy training each of six weeks duration, to ommission after graduation from the college of his choice.

There is no ruling now in effect which prevents a prospective ROC applicant from joining the volunteer (inactive) Naval Reerve in a non-drill pay status to become eligible for applications according to the ROC program director at New Orleans.

he number of applications which will be accepted for consideration Applications are accepted an processed by Inspector-Instructor ers; Commanding Officers of Organized Reserve units, and of Volunteer Electronic Companies. Any Naval activity can direct an (UP)-Support for proposals to interested party to the nearest of abolish the RFC snowballed in these application centers,
