

In this corner, with COLLINS

WE WERE over at the high school gym Tuesday afternoon and saw Coach Charlie Smith and Coach DeWitt Jones showing the high school boys the new equipment that will be used to help them get in shape. The new equipment helps to build muscles and helps to strengthen the arms and legs. The equipment will certainly come in handy for the track season and for the football boys next fall.

DON'T FORGET to go out to the basketball game here Thursday night. The Range-Ann's of the College will be playing the Flying Queen of Wayland College. This will be a good game as the teams are well matched.

THE LOCAL Lions Club members are reminded of the regular meeting to be held at noon Thursday at Bryan's Steak House. Lion Avery Sullivan will be in charge of the program. Lion Bill Marslander will discuss the City Sales Tax proposal.

JUST A NOTE to remind you that January 31 is the deadline to get your voter certificate. This is an important year for elections and you must have a receipt in order to vote.

You may get your certificate at the Chamber of Commerce office in Ranger.

A TOURIST stopped at a general store in the back country, and noticed an old-timer rocking lazily and holding a short piece of rope in his hand.

The tourist sauntered over to him and asked, "What have you there?"

"This is a weather gauge, sonny," replied the old-timer. "How can you possibly tell the weather with a piece of rope?"

"Real simple, sonny. When it swings back and forth, it's windy; and when it gets wet, it's raining!"

THERE MAY BE many changes and innovations during the year of 1968.

But for the most part, there (Continued on Page 2)

Sublett Running For 2nd Term As County Sheriff

L. E. (Lefty) Sublett, Eastland County sheriff, has announced that he will be a candidate for re-election in the 1968 election. He is now serving his first term.

Before his election in 1964, he had served four years as first deputy in the department, and prior to that had served five years on the Cisco city police force as radio telephone dispatcher. Sublett is a member of Bethel Baptist Church. He also has membership in the Southwestern Law Enforcement Assn.

Sublett said he had filed his notice of candidacy with the Eastland County clerk and had presented the papers to the Eastland County Democratic chairman.

In making the announcement, he said, "I appreciate the cooperation of all the people and law enforcement officers of the county during my years spent in the sheriff's department. I would like again to thank the voters for the large majority vote in 1964, by which I was elected sheriff. I pledge myself and my department to carry on the law enforcement work in Eastland County to the very best of our ability."

103 YEARS EXPERIENCE — The six women here retired last week at Eastland's Hollywood - Vassarrette plant, and between them they amassed a total of 103 years of service at the sewing plant.

From left, they are: Mary Walker of Carbon, 20 years service; Ina Jordan of Eastland, 19 years; Ada Tankersley of Morton Valley, 15; Ruby Walker of Cisco, 18 years; Nina Hastings of Eastland, 20 years; and, front, Nettie Berry of Caroon, 11 years.

6 H-V PLANT EMPLOYEES RETIRE WITH 103 YEARS

Six employees of Hollywood Vassarrette retired Dec. 31, with a total of 103 years of service for the company. They are Nettie Berry, Carbon, who has over 11 years of service; Ina Jordan, Eastland; Ruby Walker, Cisco; Ada Tankersley, Morton Valley; Mary Walker, Carbon; and Nettie Berry, Carbon.

These employees have seen Hollywood Vassarrette start out in the old Mulberry Street Building with a handful of employees, expand into three plants in downtown Eastland and then be consolidated in the new, modern building on North College Street. There are more than 225 employees at this time.

Hollywood Vassarrette came to Eastland in November of 1946. These employees who have more than 19 or 20 years of service remember that the rate of pay at that time was 40 cents per hour or \$16 per week. No income tax, and the social security was only one per cent.

A silver plaque with the length of service and the employee's name was presented to each of the retiring employees Wednesday afternoon in ceremonies at the Eastland Plant by V. Dennis Valentine, Plant Manager. Don Viergever, production Sewing Superintendent from Paris, and former manager of the Eastland Branch expressed his appreciation to them.

City Sales Tax Election Re-Set For February 13

A City Sales Tax election, originally scheduled for January 9 in Ranger, has been re-set for Tuesday, February 13, 1968, to comply with legal regulations, according to Mayor Morris Newham.

The state law that permits cities to levy a one cent sales tax was enacted by the Legislature last year. A complete announcement concerning the Feb. 13 election will be made soon, Mr. Newham said.

Sig Faircloth Is Named President of Association

Members of the West Texas Cutting Horse Assn. voted unanimously to re-elect Sig Faircloth to his fourth term as association president and Bobby Cotten to his eleventh term as secretary-treasurer during their annual membership meeting recently.

The group named Don McDonald to serve during 1968 as vice president.

The meeting was held during a barbecue sponsored for the group of about 200 members and guests by Laskey's Western Wear of Achesie, Lubbock and Fort Worth. It was held in the Sweetwater National Guard Armory.

The membership presented Faircloth a large trophy in appreciation for his work the past three years. In reporting to the group, Cotten said a total of 1,387 horses had been worked during the association contests during the past year.

Cisco Takes Bulldogs In 3 Games Tues.

The Ranger High School basketball team were defeated Tuesday night in the college gym by one Cisco Lobos.

In the first game the "B" team of Ranger was defeated by the "B" team of Cisco by the score of 60 to 56. The game went into double overtime. High scorers for the Bulldogs were Floyd Parks with 12 points, Lewis Webb with 14 points, and Richard Williams with 15 points.

In the girls' game the Cisco girls defeated the Ranger girls by the score of 50 to 21. High point scorer for the Ranger team was Donna Johnson with 10 points. High point girl for Cisco was Mulligan and Brown each with 10 points.

The varsity team of Ranger was defeated by Cisco in a close battle as the final score was Cisco 46 and Ranger 42. Leading scorer for the Bulldogs was Tom Orens with 15 points and Tom Golemon with 14 points. High point man for the Lobos was Eddie Cozart with 15 points and James Linebarger with 13 points.

The next home game for the Bulldogs will be Jan. 16 when they meet the Baird Bears on the court at the Junior College in Ranger.

Voter Registration To End on January 31

Voter Registration in Eastland County is now in last month of time period for registering to vote in 1968 elections.

Deputies have been appointed at the following places in the County to register voters.

Every person age 21 years and up must register in order to vote in 1968.

More than 3,700 voters have registered since registration period began Oct. 1st.

There are many more to register and we urge everyone who has not already registered to do so as quickly as possible.

You may register at the Tax Office in the Court House in Eastland or at any of the above named stations or send in the application forms by mail. Tax Assessor-Collector Edgar Altom has announced.

Survey of County's Soil Is One-Fourth Completed

On schedule and about a fourth complete is the Standard Soil Survey being made of Eastland County through the Soil Conservation Service, USDA, in cooperation with Texas Agricultural Experiment Station, reports Survey Chief Joe Moore.

These soils are droughty. Water and fertilizer rapidly leach below plant root depth.

Started about three years ago by late Ed Harris, the survey of this county's soil is scheduled to be completed by the end of 1971, Moore says. About 50 per cent of the counties in Texas are currently working on soil surveys and approximately 20 per cent have been completed, he said.

When the soil survey is completed over all of Eastland County it will be published in book form giving an inventory of the different soils and their locations in the county. Each soil will be described, giving its capabilities and limitations.

Assisting with the local project is Freddy Coburn, who has been on the job here for the past three years. Moore, a Comanche County native who has been with SCS for 12 years, came to Eastland in October of 1966, when Mr. Coburn, who was in charge of the survey, became ill.

Cooperators with the upper Leon Soil and Water Conservation District have soils information as a part of their Conservation Plan.

W. F. Haynie Final Rites Held Tuesday

W. F. (Frank) Haynie died at his home, 1111 Oddie St. Sunday morning after an illness of four months.

Range Anns To Play Flying Queens Thursday

The Ranger Junior College Range Anns will hit the hardwood Thursday night after the Christmas and New Year's holidays.

Funeral was held at 2 p.m. Tuesday in Killingsworth Funeral Home Chapel with the Rev. K. C. Edmonds, Baptist minister, officiating. Masonic graveside rites were held in Evergreen Cemetery.

The Range Anns will be playing the National Champions, the Flying Queens from Wayland College of Plainview. The Flying Queens have a 5-0-1 record and the Range Anns have a 4-0 record for the season. The game will be played at 7:30 p. m. in the local college gym.

Survivors include his wife, one son and daughter-in-law and three grandchildren, all of Evansville, Ind.; two brothers, J. P. of Whitney and Floyd of Odessa; one sister, Mrs. M. E. Pickens of Odessa; several nieces and nephews.

Saturday night, Jan. 6, the Rangers will travel to Oklahoma to play the team of Cameron Junior College. On Monday night, Jan. 8, the Rangers will be playing on their home court as they take on the Wranglers of Cisco Junior College.

Mr. Haynie was an employee of Marathon Oil Co. for 32 years, retiring five years ago. He was a member of First Baptist Church, Masonic Lodge 738 and Order of Eastern Star.

Friday night, Jan. 5, the Rangers will play Navarr Junior College here. This will be a make-up game which was previously scheduled for Dec. 21. The game was called off because of bad weather.

Funeral Services Set Thursday for Mr. Fitzgerald

Funeral services for Perry F. Fitzgerald will be held at 11 a. m. Thursday in the Eastland Church of Christ with Stuart Love, minister, officiating. Graveside rites will be held at 3 p. m. Thursday in Avoca under direction of Arrington Hamner Funeral Home.

There will be a preliminary game at 7 p. m. between the Ranger High School Bulldogs and the Albany Lions. The college game will play following the high school game.

Mr. Fitzgerald, 94, died at 6 p. m. Tuesday in Eastland Memorial Hospital.

Only General Admission tickets will be sold according to Coach Ron Butler.

He had been a resident of Eastland for a year. His wife was Harriet M. Tomlinson Aug. 13, 1893 in Ardmore, Okla.

Survivors include one son, Fred Fitzgerald; five daughters, Mrs. Ethel Robbins of Glen Rose, Mrs. Lora Deans of Avoca, Mrs. Leona Bussey of White City, N. M., Mrs. Bessie Harley of Iruan, Mrs. Pearl Warner of Eastland; 19 grandchildren, 34 great-grandchildren and three great-great-grandchildren.

Desdemona Man Buried In Rites Held on Tuesday

Jesse Joe Sparkman, 62, of Desdemona died Monday morning in De Leon Hospital, following a brief illness.

Funeral was held Tuesday afternoon at the First Baptist Church of Desdemona, with the Rev. Darrell Dossey officiating, assisted by the Rev. Robert Jeffrey, Burial was in the Desdemona Cemetery.

Born Aug. 6, 1906 in Hood County, he married Elisha Abernathy Dec. 22, 1927 in Eastland. He was an operator for the Mobil Oil Company and a member of First Baptist Church in Desdemona.

Survivors include his wife; one son, Homer Joe Sparkman of Stephenville; three sisters, Mrs. Lawson Kemp of Goldthwaite; Mrs. Elmer Hughes of Comman, and Mrs. Edward Houser of Weatherford; and five grandchildren.

Edgar Altom To Seek Re-Election To Tax Position

Eastland County Tax Assessor-Collector Edgar Altom has authorized this newspaper to announce that he has filed as a candidate for reelection in the May Democratic election.

Mr. Altom is seeking his second term as assessor-collector, having been elected in the election of 1964. He had previously worked in the tax office from 1955 until he ran for the position. He was in charge of making the tax roll for the county from 1957 until 1964.

He had earlier been with the tax office from 1937 until 1945.

Mr. Altom announced that he filed Tuesday with the Eastland County Democratic Party Chairman.

Mr. Altom said that he will issue a formal statement regarding his candidacy at a later date.

RECORD SIZE BUCK? — Mrs. J. M. Smith of N. Walnut St., Eastland, proudly displays the 190 8-point buck that she killed in South Texas recent. Entered in a San Antonio newspaper's Big Buck Contest, it was the heaviest recorded to date from South Texas area and it just might win a new rifle for Mrs. Smith. Mr. Smith, who also got smaller deer on this six-week hunt, held the far record with a 10-point, 160-lb. buck until Mrs. Smith made this kill.

GI Insurance Dividend Will Be Paid Soon

WACO - Veterans holding GI insurance policies will receive \$223 million in dividends during 1968, Jack Coker, Manager of the Veterans Administration Regional Office in Waco said today.

Dividends will be paid on the anniversary dates of the policies with dividend payments beginning Jan. 1.

For approximately four million World War II veterans, their National Service Life Insurance dividends will total \$208 million. The average payment will be \$52. The 1967 dividend totaled \$196 million. Individual payments averaged \$46.

The dividend for some 190,000 World War I veterans with United States Government Life Insurance will total \$15 million, with payments averaging \$79. The 1967 dividend also totaled \$15 million but averaged \$3 less.

While dividends will vary according to play, age and amount of insurance coverage, Coker pointed out that veterans who converted their GI insurance to permanent plans will get higher dividends in 1968 because of increased interest earnings on reserves. Modified life insurance policies will not share ninex year dividend since premium rates for 212,000 veterans holding these policies are so near actual costs that no surplus has accumulated.

About half of the four million World War II NSLI policies are "Permanent plan", Coker said. By contrast, all but 2,500 of the USGLI policies held by 190,000 World War I veterans are permanent plans.

The 1968 dividend will make the 19th straight year in which an annual dividend has been paid on NSLI policies. It will also bring to approximately \$7.2 billion the amount of dividends paid on NSLI policies since 1957.

Dividends were first paid on USGLI policies in 1919. Since that time, and including the 1968 payment, about \$700 million in USGLI dividends have been paid.

State Capital NEWS

By Vera Sanford

AUSTIN—State crackdown on loan abuses in the home improvements field is steadily widening.

Consumer Credit Commissioner Frank Miskell issued show cause orders against 16 home improvement firms and 16 individuals, alleging they are lending money at illegal interest rates.

Orders applied to firms in Houston, Dallas, San Antonio, Kingsland and Fort Worth.

"These cease and desist orders were but the initial step which will be followed by other legal actions as part of our comprehensive program to protect Texas consumers from abuse in the field of home improvement contracts," Miskell said.

Companies and personnel were directed immediately to stop any activity in violation of Texas' Regulatory Loan Act or new Consumer Credit

Code. Practices complained of include cash advances on home improvement loans (primarily for debt consolidation) as an inducement for contracts at interest rates over 10 per cent. Some interest rates, an aide to Miskell said, range from 18 to 24 per cent.

A Houston finance company has filed suit in district court here, challenging Miskell's authority under the Regulatory Loan Act to regulate its purchases of discounted notes executed by homeowners to improvement contractors.

Texas' 81-year-old Constitution, as a result of Nov. 11 elections, has six more amendments.

Voters approved all six proposed amendments.

Also, as a result of the general election, Texas has a new Republican senator, 35-year-old Dallas lawyer Ike Harris. Republicans are in run-off races with Democrats next month in all six districts which have House vacancies. Two of the districts are in Houston, one in Austin, one in the Rio Grande Valley, one in Wharton and Matagorda Counties and the other in Bailey, Cochran, Hockley, Terry and Yoakum Counties of West Texas. GOP candidates led November voting in all but the Valley district.

Public Welfare must furnish monthly reports containing names of those seeking aid to blind to the Department of Public Safety so their drivers licenses can be promptly revoked under a new law. Opinion said 1941 law prohibiting disclosure of welfare applicants no longer applies in this particular case but does apply in other situations.

Department of Public Safety, Martin concluded in another opinion, has authority granted by the Legislature this year to purchase land for subdistrict headquarters in El Paso which already has a suitable building to house operations located on it. Legislature appropriated funds to buy property and construct subdistrict headquarters.

Voters in seven local elections on Nov. 14 expressed their opinion on a one-per cent city sales tax. The result: six cities approved it, and one city turned it down.

Approval came from Alpine, Georgetown, Granger, Hughes Springs, Marfa and San Marcos. Tax was turned down in Laikin.

That brings to 34 the number of cities which have approved the tax. Only three have rejected it. At least 100 more are expected to vote on the question before the end of the year.

Short Snorts
Agriculture Commissioner John C. White is in Viet Nam as special observer for U. S.

Mrs. Hudson Of Seagraves Dies In Fort Worth

The sister of Alvin Kincaid of Cisco, Mrs. Viola Hudson of Seagraves, died in Fort Worth Tuesday, Dec. 26. Funeral services were held at 2 p. m. Friday, Dec. 29, in Seagraves Church of Christ with burial in Seagraves Cemetery. Mrs. Hudson was the former Viola Kincaid, daughter of Mr. and Mrs. Hugh A. Kincaid,

State Department to review food and fiber aid programs and recommend better usage of U. S. farm tools and agricultural shipments.

J. Harrell West of Bishop received Texas Farm Bureau's Distinguished Service Award.

State Bar is pushing for a juris doctor (J. D.) degree for Texas lawyers instead of bachelor of laws.

Texas Hospital Association announces plans for spending at least \$1,000,000 over the next five years on programs to interest young people in careers in more than 200 professional and paramedical fields.

Robert N. Magourik, a veteran state parks official, has been named superintendent of the Eisenhower State Park on Lake Texoma near Denison.

Sr., prominent Texas ranching family. She was visiting in the home of a niece at the time of her death.

Mrs. Hudson was born at Gail in Borden County on March 17, 1891, and married John T. Hudson of Plains, Texas, in 1917. He died in 1946.

Survivors include two sons, J. T. Hudson, Jr., of Hobbs, N. M., and Wyndal Hudson of Bay City, Michigan; three sisters, Mrs. R. H. Whitaker of Coleman, Mrs. Tom Stewardson of Santa Anna, and Mrs. Tom Benton of Yucaipa, Calif.; two brothers, Alvin Kincaid of Cisco and Paul Kincaid of La Junta, Colo.; eight grandchildren and one great grandchild. A son preceded her in death during World War II.

Any Way You Look At It —

... there seems to be no way of escaping the on-rushing tide of casualties and loss of properties connected with moving vehicles. It was the highest in history last year, and with an expected increase in transportation facilities each year, we can expect more of the same. All of which leads us up to the suggestion that insurance won't save your life or keep your car out of the garage, but it will help pay the bills. Insofar as automobiles are concerned, most people are already adequately insured. Are you?

Color Photo Now Needed When You Renew Driver's Licenses

AUSTIN—Col. Homer Garrison Jr., director of the Texas Department of Public Safety, reminded Texans today that a color photograph becomes a standard part of all drivers' licenses issued after Jan. 1, 1968.

"The change makes it necessary for all drivers to renew licenses in person at one of our Department offices," Garrison said, "and we have been working toward setting up a procedure that will not cause excessive delay when a person comes to us to renew a license."

Garrison explained that the change in license was incorporated into law by the last

legislature. "Renewal notices will be mailed to each driver, just as always," Mr. Garrison said.

"However, under the new procedure, each driver must take the renewal notice to the nearest DPS office. There he will be given a standard vision test, sign the renewal notice and step in front of our camera. The picture will be snapped and a receipt will be issued to enable the person to drive until he receives his new license in the mail."

Garrison explained that about 250 full-time license offices would be in operation over the state to service license renewals. Issuance of new

licenses will also be conducted in many of these new offices as well as at offices already established.

There are currently over 5,800,000 licensed drivers in Texas and about 2,500,000 licenses are renewed annually. To facilitate the process all licenses after Jan. 1 will be renewed to expire on the birthday of the licensee. If the person holds a license ending in an even number, it will be renewed for a four year term; if the license ends in an odd number, it will be renewed for two years the first time they for four years each time thereafter. The cost to the driver remains the same per year.

The new license will be approximately 2 1/8 inches wide by 3 3/8 inches long, or about the same size as a standard credit card.

"We anticipate fairly large crowds at many of our offices," said Garrison, "and we hope to be able to give each person completely satisfactory service. We look forward to making many new friends."

Mrs. J. C. Johnson and sons, among the millions of persons we have been serving by mail before now."

We received a letter this week from Mr. R. H. Nelson, State Compliance Supervisor, stating that he would retire on Dec. 31, 1967. Mr. Nelson was District Supervisor for Eastland County for several years before taking the state office job and I know a number of Eastland countians will regret his departure. Mr. Nelson was a real friend to the peanut farmers and will long be remembered for his faithful service to ASCS.

The County ASCS Committee, consisting of R. G. Lyerla, Chairman, Charles Little, Vice-Chairman, Paul Norris, regular member and I attended a two day district ASCS meeting in Dallas on Dec. 14 and 15. Mr. R. T. Price, Chairman of the State Committee was in charge of the meeting. Programs for 1968 were discussed. Mr. W. Lewis David, State Executive Director for ASCS, J. M. Hendricks, Personnel Chief, Leonard Williams, Training Officer, and Don Watson, Production Adjustment Specialist, were on the program. A most interesting program was presented.

LOOKING At Agriculture

By GILBERT MEREDITH

(This is one of a series of articles dealing with agricultural programs in Eastland)

The annual Grass tour sponsored by the Eastland County TAP Committee was held on Dec. 13. It looks like every time the tour has been scheduled for the past two years either rain or cold weather interfered. The weather on Dec. 13 was 27 degrees with mist and sleet. In spite of this weather a total of 14 persons attended. We were most grateful for the attendance and especially for the business people that attended. Mr. E. E. McAlister was tour leader and had the tour route planned well. Mack always does a good job in planning this annual tour. We look forward to a larger crowd next year with a little better weather.

December 20 was the final date to report cover crop practices to be eligible for federal Cost-share. About \$35,000 in cost-share will be paid for this practice to Eastland County farmers. About 700 farmers participated in the practice.

The "rosy cheeks, white beard, and jolly round belly" of Santa Claus came from the poem "The Night Before Christmas." Author of the famous poem, Dr. Clement Moore, modeled Santa after an old Dutch gentleman.

Local Governments Have Wide Authority In Clean Air Law

"Probably the most important new feature in the present (clean air) law is the authority vested in local governments to take an active role in air pollution control work."

This statement is one of many emphasized in a recent analysis of the Clean Air Act of Texas, 1967, compiled by officials of the Texas Air Control Board, which is available to anyone interested in the Act.

Charles R. Barden, executive secretary to the Air Board, said the analysis was made to clarify misconceptions stirring in some quarters over the Act, and is meant to give clear picture that the new Act is a much-improved law over the old one of two years past, that it will work toward the benefit of local residents for cleaner air and that its enforcement procedures can and will be carried out.

The analysis report points out that "from the standpoint of local governments, this (authority) enables them (local governments) to establish and prosecute their own air pollution control programs, in addition to enforcing the State program."

"This is very beneficial from the State's standpoint," the report adds, "because it has the effect of directly complementing and supplementing the air pollution control effort on the part of this Board."

The report also stresses that the record of the Air Control Board "reflects that the Board has given primary consideration to the protection of the health and welfare of the people of this State, tempered with recognition of the fact that emission controls on the agricultural, commercial, industrial and other ac-

other points to the final portion of the analysis which states "it is the opinion of this agency that the Clean Air Act of Texas, 1967, represents a considerable improvement over the former law and provides a very adequate legal basis for carrying out effective air pollution control programs for all areas of the State."

Further, the term "undesirable levels" of pollutants is now defined in line with the standard definition of air pollution recommended by the Public Health Service of the U. S. Department of Health, Education and Welfare.

"It is our view," stated the report, "that this strengthens the air control program by eliminating certain phrases which were contained in the definition in the 1965 Act."

In answer to critics of the state legislation who claim the law fails to give local officials enough authority to act against firms guilty of air pollution, Barden said:

"It is spelled out in the Act that local governments are authorized to bring civil action within their own air control programs. A local government (an incorporated city or town or a county) may go on public or private property to make inspections and may bring enforcement actions under the Act."

"A city may also adopt its own air pollution control ordinances if they are consistent with the Act and the Board's regulations and orders."

Barden said authority is also given to local governments to enter into cooperative agreements with each other for air pollution inspections and enforcement, technical aid, educational services and transfer of money between agencies for certain air pollution control activities."

Barden also pointed out that the Board is well aware that a certain portion of the law—Section 6 (C)—is restrictive as to air pollution control in some situations, but he fur-

LVNA Plans Meeting In Eastland Jan. 8th

The Licensed Vocational Nurses Association, Division 64, will meet at 7:30 p. m. Monday, Jan. 8, at the Conference Room of the Eastland Memorial Hospital.

All members were urged to attend.
