## In this corner, with COLLINS

ONE GOOD THING about all the cold weather the past few days is the fact that the pecan and fruit orchards can benefit. Continuous freezing weather for 72 hours will kill many, many of the assorted bugs and beetles and millers that attack the trees and their fruit in spring and summer.

WHAT WERE THE top news stories of 1967? Editor and Publisher Magazine listed the biggest stories of the past year as follows: The war in Viet Nam. Hong Kong riots. Red China's cultural revolution.

Stalin's daughter defects to the U. S. Three U. S. astronauts and one Soviet killed in space capsules.

American presidents meet at Punta del Este. Tanker Torrey Canyon goes aground in English Channel. Civil upheaval in Greece.

Adam Clayton Powell denied House seat. Senator Dodd censured. Arab-Israeli war.

LBJ and Kossygin in Glassboro summit. Detroit, Newark riots mark worst summer of racial violence.

DeGaulle calls for "free Quebec" in Canadian visit. Hurricane Beulah ravages Texas.

Cassius Clay dethroned. Che Guevara killed by Bolivian troops. Negroes elected mayors of Gary and Cleveland.

Britain devalues pound. Lisbon floods kill hundreds. President moves McNamara to World Bank.

Senator McCarthy opposes LBJ for Democratic nomination. Greece - Turkish crisis over Cyprus.

First human heart transplant. Social ferment in U. S. — hippies, drugs, crime increases and so forth.

U. S. decides to build limited anti-missile defense. New strides in space, including U. S. Surveyor-Lunar orbiter shots.

LBJ seeks tax increase. Bridge collapses at Point Pleasant, Ohio.

NEW RESIDENTS in Ranger since Jan. 1 are Mr. and Mrs. C. B. Croft who live at 214 South Marston. Mr. and Mrs. Croft moved to our city Jan. 1. They lived in El Paso before moving here. They are also former residents of Oiden.

CONGRATULATIONS to Mrs. Bertha Hazard for being named "Grand Prize Winner" in a nationwide contest by Montgomery Ward. She received a \$500 Savings Bond for her sales efforts.

RECEIVING A \$500 Savings Bond from George Kloss, manager of the Montgomery Ward & Co. store in Ranger is Mrs. George (Bertha) Hazard. She was named recently as winner of a nationwide contest sponsored by the Montgomery Ward Company.

## Mrs. Geo. Hazard Named "Grand Prize" Winner

Mrs. George (Bertha) Hazard of Ranger, has been notified by J. D. Garrett, National Sales Manager of New York for Montgomery Ward, of her winning the "Grand Prize" of a \$500 Savings Bond. The contest was conducted by Montgomery Ward's Back-to-School Sale. Mrs. Hazard had a 96.7 per cent increase in her quota.

Effective Feb. 1, 1968 MAIL SUBSCRIPTION PRICES GOING UP

A 23% increase in newspaper postage rates this month, plus several others in the past few years along with rising newsprint and other costs, forces us to make adjustments in subscription prices by mail. Effective Feb. 1, 1968, mail subscription rates will be advanced as follows:

Rural routes and in-county by mail ... per year \$4 City mail routes and post office boxes in town and elsewhere in Texas by mail ... year \$6 Outside of Texas by mail ... year \$7

You are invited to renew your subscriptions, even though they may not be now due, at the old rates prior to Feb. 1. You can be sure that we appreciate our readers; that we will try harder to make our newspaper a good mirror of this community; and that we are yielding very reluctantly to the pressures of increasing postage and production costs.

## Fall Exams To Start Friday At RJC

Final examinations for the fall semester at Ranger Junior College will begin Friday morning as scheduled, according to Dean R. B. Golemon.

## Golemon Named All-State Q-B

Quarterback Tom Golemon, the sparkplug of Ranger's regional championship football team, was the Big Country's only first-team selection on the Class A all-state team selected by the Texas Sports Writers Association.

However, two of Golemon's Ranger teammates and a pair of other Big Country performers won berths on the second Rudy Mendoza, and hard-hitting linebacker, Andy Hamilton, represent the Bulldogs on the second team.

Keith Gosselin of Goldsmith, a guard who excelled on defense, and Ken Gregory of Coahoma, a halfback, were selected with his offensive feats during the season, were 80th named to the second team on defense.

Golemon received all but 1 first-team vote in the balloting and his 88 points were second only to halfback Edd Lee Renfro of Somers who polled 91 in making the all-state team for the second straight year.

Golemon who led Ranger to a 12-1 season in which the Bulldogs sent to the state quarterfinals before falling to Clifton 10-0 completed exactly half of his passes, 84 of 168 for 1217 yards and 15 touchdowns during the year. He also rushed 91 times for 398 yards.

Class A champion Tidehaven and Plains each placed two men on the first offensive team and Clifton had a player on both teams.

Mike Jessup and End Clifton Thomas on the offensive unit while Plains' two selections were lineman tackle Dan Field and guard Bill Taylor. Clifton placed center Bobby Golden on the offensive team and back Rocky Rummel on the defensive unit.

Joining Golemon, Renfro and Jessup in the first-team backfield was Mike Bagley of Seagraves the team favored to win the title until falling to Clifton in the semifinals.

Final Rites Are Held For Mrs. Sula Walton

Mrs. Sula Jane Walton 93 resident of Ranger since 1899 died at 1:50 p. m. Tuesday in Western Manor Nursing and Convalescent Home following a lengthy illness.

Funeral was held at 2:30 p. m. Wednesday in Second Baptist Church with the pastor Rev. Chas. J. Bush assisted by Rev. Lee Fields pastor of Eastside Baptist Church officiating. Burial was in Alameda Cemetery under the direction of Killingsworth Funeral Home.

Palibearers were Wilbur Overstreet, E. E. (Bud) Blackwell, Lynn Gentry, Jack Rogers, Ben Freeman and Shirley Brown.

Born Dec. 30, 1874, in Fulton Miss. she was the former Sula Jane Melton. She married John T. Walton Oct. 18 1896 in Clarksville. He died April 3 1957. Survivors include one son, Dan Walton of Chaney community; two daughters, Mmes. F. E. Ferrell of Ranger and Lela Lockhart of Sweetwater; two half-brothers, Luther and Bird D. Melton both of Odessa; 12 grandchildren, 24 great-grandchildren, 11 great-grandchildren and several nieces and nephews.

## Warmup Due After Icy Seige; City Schools Expect To Resume Classes

Things were gradually getting back to normal in Eastland County after the Big Blizzard of '68 began to run its course at mid-week.

School officials were optimistic about the return to classes Thursday morning after three days of closed schools because of ice and dangerous roads.

A civil trial, originally scheduled for Monday in 91st District Court, finally got underway Wednesday morning after two days of postponement due to bad weather.

Fog and intermittent drizzle were lingering in the area through Wednesday, but the mercury was due to climb to 35 to 40 degrees during the day, as countians looked for some relief from the blanket of sleet and ice over the area.

A Pacific front is due to move into the state late Thursday which is expected to bring warmer temperatures.

The weatherman promised relief from the second worst storm of the winter here as temperatures were forecast to reach the low 40s sometime Wednesday. A warming trend was welcomed after four days of sub-freezing weather. The low Tuesday night was to be in the 30s and the high Wednesday was predicted to be in the 50s.

City police reported several minor accidents. Gene Abbott, manager of Lone Star Gas Co., reported that the gas lines were operating under full capacity but that no trouble has been reported in keeping full pressure to all houses and business firms.

Texas Electric Service has had no power failures because of ice on power lines, according to the local manager.

Charles Wilson, manager of Southwestern Bell Telephone Co., reported that the company doesn't expect any out-of-service conditions because of ice on the lines, but added that if the wind gets up, there would be difficulty because the lines are heavy with ice. He added that construction has begun on the mobile phone tower on the Scranton road. The tower fell during the recent ice storm.

CLEARING A PATH — One of many scraping sidewalk paths in this area during the ice storm was Johnny McDaniel, County Courthouse employe, here making a safe trail on the North side of the Courthouse. Johnny, son of Mr. and Mrs. J. L. McDaniel of Carbon, also attends junior college. (Staff Photo)

## Bulldog Banquet Set for Jan. 13

Ranger Bulldogs promise less fight and more appetite and fans promise less noise and more poise as the two groups meet at Lone Cedar Country Club for their annual banquet Saturday evening.

The menu consists of foods bearing tantalizing titles unknown to even the most fastidious gourmand served in a setting conducive to enjoyment.

When 250-pound Dave Manders all-pro center for the Dallas Cowboys is introduced by District Ten Coach of Year Charlie Smith it will be a meeting of two "football greats" a factor in highly successful ticket sales which ended Wednesday. Add to this music rivaling that of Herb Alpert, rendered by Ranger's own Junior College "Tijama Brass" plus other features to round out a pleasant experience for the large number expected to attend according to a spokesman for Bulldog Mothers Club sponsors of the event.

Parents are asked to call the Superintendent's office if their child has not been enumerated by the third week in January. Census forms will be prepared in the office of the superintendent and will be sent home for signing by the older child in the family attending school.

The object of the census is to record the names of all living children who will be 18 years of age on or before Sept. 1, 1968, and who will not be 18 before that same date. This will include the name of students who will enroll in the first grade next September.

State aid to schools is based on pupils enumerated on the census. This is usually about \$86 per student.

Supt. Clark asks the cooperation of all parents in the census. He further asks that if a patron knows a neighbor who will have a child in the first grade next year but who has no family kin in school to either call Supt. Clark's office or have that family check with the school.

Children who have birthday between Sept. 2, 1969 and Sept. 1, 1962, should all be on the census even if married or in service.

WAY OF LIFE

AUSTIN — Texas' veteran land program, derailed since late 1965, is back on the track again.

According to Land Commissioner Jerry Sadler, sale of \$30,000,000 in bonds is slated for Dec. 19. Bonds are expected to be delivered around Jan. 25. Money then will be available to buy land for state veterans.

At the Nov. 11 election, Texans voted favorably for a constitutional amendment authorizing sale of an additional \$20,000,000 in bonds for the program. Amendment also expanded the program to include veterans who served in Viet Nam, as well as Korea and World War II. Ex-servicemen have spent \$242,000,000 to buy 3,000,000 acres of land under the program since it was first authorized in 1946.

Qualified veterans now can borrow up to \$10,000. Minimum amount of land that can be bought is 15 acres. Maximum interest rate on bonds is four and a half per cent. Purchasers of land have 40 years to repay state loans. A five per cent down payment and about \$150 in legal and appraisal fees is necessary to close a loan.

Col. Homer Garrison Jr., Texas Department of Public Safety director, estimates that 55 persons will die in traffic accidents over the Christmas weekend, and 45 on New Year's weekend.

All highway patrolmen will be on duty as much as possible during the Dec. 22-25 danger period. Some 250 men from other uniformed services will aid in patrol duty. Similar "death watch" will be kept Dec. 29-Jan. 1.

Texas Safety Association, Texas Highway Department, Texas Motor Transportation Association, Texas Railroad Association and Texas Association of Broadcasters are cooperating.

Texas has received the American Automobile Association's Award of Merit for its outstanding pedestrian safety performance, as reported in National Pedestrian Safety Inventory for 1967.

SHORT SNORTS

Secretary of State John L. Hill expects to resign about Jan. 20 to run for governor.

Governor Connally says he plans to serve out his term as governor and has no prospects for high government or private appointment.

Connally still insists no increase in state sales tax rate will be necessary to raise the money the state government must have in the 1968 special session.

Attorney General Martin has held that county tax assessor-collectors must deposit tax funds in county depository at least weekly, pending

transfer to the county treasurer, and are subject to lawsuit if they don't.

Glenn Biggs, administrative aide to Speaker Ben Barnes, will join National Western Life Insurance Co. on Jan. 1 as vice-president in charge of development.

Texas Aeronautics Commission has set Dec. 18 for hearings on the application for a new airline linking Dallas-Fort Worth, Houston and San Antonio at passenger rates 20 per cent below current levels.

Major repairs to highway bridges damaged by Hurricane Beulah are among some \$15,500,000 in highway projects being bid on this week.

New Lower Rio Grande Valley Development Council received a \$6,500 state regional planning grant for Cameron, Hidalgo and Willacy County planning projects.

State Banking Board approved Central Park Bank, San Antonio, and El Paso Valley Bank.

Desdemona Man Dies In Highway Mishap Sunday

Joe Donald Buckley, 31, of Desdemona, died about 2 a.m. Sunday in a one-car accident about three miles south of the Highway 80-16 intersection. He was traveling on Highway 16 toward Desdemona, and was alone in the car.

Funeral was held at 2:30 p.m. Monday in the First Baptist Church of Desdemona with the Rev. Robert Jeffrey, pastor, officiating, assisted by the Rev. Darrell Dossey. Burial was in Desdemona Cemetery.

He was born March 23, 1936 in Gorman. He was employed by Lone Star Gas Company and was a member of the Baptist Church.

Survivors include his father, R. O. Buckley; his grandmother, Mrs. Pearl Hobbs of Eastland; two sons, Lester Joe and William Conrad, both of Desdemona; a daughter, Penny of Desdemona; two brothers, Jerry of Desdemona and James of Graham.

Final Services Held On Monday For Albert Neie

Funeral services for Albert Edward Neie, 81, were held a 2:30 p. m. Monday in Higginbotham Funeral Home Chapel in Rising Star. Mr. Neie, a long-time resident of Route 1, Rising Star, died at 1:30 a. m. Saturday in Graham Hospital in Cisco.

Rev. Mart Agnew, Baptist minister from Cisco, officiated, and burial was in Salt Tank Cemetery in Frio County.

Survivors include two daughters, Mrs. H. L. Sims and Mrs. Homer Green, both of Rising Star; one brother, W. H. Neie of Alpine; and five grand children.

County Friends Launch 'Stella Gann Fund'

Friends of Mrs. Roy (Stella) Gann of Eastland have started a "Stella Gann" fund to help defray medical expenses. It has been announced here.

Mrs. Gann, a cancer patient at Eastland Memorial Hospital, is a county native, daughter of Mr. John Potter of Cisco, and the late Mrs. Potter.

Learning that she had breast cancer on July 3, 1967, she underwent surgery at the Eastland Hospital in August, and has had extensive treatment both here and at the M. D. Anderson Clinic in Houston. She and her mother were both admitted to the local hospital on the same day and her mother died some four weeks later.

After being released from

the hospital here, Mrs. Gann spent six weeks at the Houston hospital where she had treatment, and then was back in Eastland hospital for four weeks. She was home some three weeks before being readmitted here, on New Year's Day, and she hopes to be released again soon.

Her husband, Roy Gann, owns and operates Roy's Repair Shop in Eastland. He is the son of Mr. and Mrs. Walter Gann of West Main St. They both are well known throughout the county.

James Reid of Eastland National Bank has volunteered to serve as treasurer for the Stella Gann Fund, and contributions may be mailed to him there, P. O. Box 391.

Buy Bonds where you work.

They do.

Why do our servicemen buy U.S. Savings Bonds? Their reasons are the same as yours and mine: saving for the future, supporting freedom. And because they're fighting for freedom, maybe servicemen see the need more clearly than many of us. Buy Bonds. In more than one way, it makes you feel good.

New Freedom Shares

Now, when you join the Payroll Savings Plan or the Bond-a-Month Plan,

you are eligible to purchase the new type U.S. Savings Notes — Freedom Shares — as a bonus opportunity. Freedom Shares pay 4.74% when held to maturity of just four-and-a-half years (redeemable after one year), are available on a one-for-one basis with Savings Bonds. Get the facts where you work or bank. Join up. America needs your help.

# Mr. and Mrs. McNabb Note 50th Anniversary

Mr. and Mrs. Clark Mc-Nabb, Sr., were honored on wedding anniversary with an

open house at the LaCasa Community Club House between the hours of 2 and 5 p. m. Sunday, Jan. 7. Hosts were B. C. McNabb Jr., and Messrs. and Mmes. Tools, Bost. G. M. Graham, Melvin Truesdell and Carson McNabb.

Hosts and honorees received guests and directed them to a table where granddaughters presided at the special Anniversary registry. A white lace cloth over gold covered the refreshment table where granddaughters served the three-tiered white and gold wedding cake and punch.

A large centerpiece of gold and bronze chrysanthemums complimented appointments of crystal and silver. Gifts were displayed on a table covered with a white lace cloth and graced with a floral arrangement, matching that of the refreshment table. Mr. McNabb is a native of

Stephens County. Mrs. McNabb was born in Travis County, coming with her parents, Mr. and Mrs. A. M. Smith to Stephens County when she was five years of age. Clark and Myrtle had known each other since early childhood and in 1917 they began

“going steady.” It was on Sunday afternoon, Jan. 6, 1918 in the home of her parents, that they were united in marriage with the late Rev. Harry Littleton performing the ceremony. Mrs. McNabb re-

calls that she was wearing a blue serge dress, a material high in fashion in those days. The honeymoon trip was short - just over to the home he had prepared and a continuation of work that had to be done what with cattle to be fed and water to be hand-drawn from a well to slake what seemed to be their constant thirst.

Then came spring with wheat and other feedstuffs to be planted and cultivated. Mrs. McNabb says she was never a “field hand” because there were numerous household chores and, as years went by, the care of three daughters and two sons. These grew to adulthood and now the couple points with the usual ancestral pride to their 15 grandchildren and 10 great-grandchildren.

Except for a short residence in Abilene, the couple has lived in the LaCasa Community, living in Ranger now but making daily trips to tend the cattle on the farm. The warmth of friendship did much to dispel the wintry chill of Sunday afternoon as friends from Mineral Wells, Lubbock, Abilene, Strawn, Caddo, Breckinridge and Ranger called to make the occasion a pleasant and never to be forgotten memory.

## Ask Uncle Sam

(Editor's note: Below are questions now being asked at draft boards. The answer's are by Col. Morris S. Schwartz, State Selective Service Director, 209 W. Ninth St., Austin, Texas 78701. He will welcome your question.)

Q—I'm a college student. My draft board deferred me in Class II-S Nov. 25, 1966, until Nov. 1, 1967. I've been told that, because of this, if my wife and I should have a child, I could not be deferred for the child because I was placed in Class II-S. Is this correct?

A—It is not. The board took classification action before July 1, 1967. If the board takes action after July 1, 1967 to classify you again in Class II-S, then you may not be deferred thereafter in Class III-A as a father.

Q—Is there any written material available about appeals?

A—A pamphlet, "Taking Appeals from Selective Service Classifications," is available without charge at State Selective Service Headquarters, or at draft boards.

### Six RHS Band Students Are Named To All-Region Band

The "Spirit of Ranger," the Ranger High School Band under the direction of Richard Helmcomp, places six students on the All-Region Band Saturday, Jan. 6 in Eldorado. Eleven members of the band from Ranger competed with over 400 students from 34 high schools in Region 7.

Band students will advance to All-Area tryouts. Of these 30, two will be from Ranger, Lewis Pounds and Jimmy Watkins. They will be in Irving Jan. 20 for All-Area tryouts which is the second step to All-State. Should they make All-Area, they will automatically be placed on the All-Region Band.

Only tryouts left will be in Austin Feb. 8 for chairs. Regardless of the chair they make in Austin, they will be a part of the All-State Band a spokesman said.

All-State Band takes place during the Texas Music Educators Association Convention Feb. 8, 9, and 10 in Austin. The students, at the All-Region meet spent Saturday morning trying out for chairs and those that were fortunate enough to make the band practiced Saturday afternoon under the direction of Dean Killion, band director of Texas Tech. in Lubbock.

A concert was presented Saturday night featuring Mr. Killion and the All-Region Band.

Other Ranger band students competing in the contest were Jerry Franklin, French horn, Teresa Dudley, alto saxophone, Darla Jean Franklin, baritone, Bernie Yancey, cornet and trumpet. All these students are to be congratulated for the amount of time and hard work, and effort required to learn the terrifically hard music for the tryouts. Each student made an excellent showing and represented Ranger well.

Other schools represented in the All-Region Band and number of students placing were: Stephenville, 9; Brady, 8; Breckenridge, 8; Comanche, 8; Clyde, 8; Cisco, 7; Winters, 7; Ranger, 6; Lampasas, 6; Hallinger, 5; Eastland, 3; Goveville, 2; Lake View, San Angelo, 3; Mason, 3; Brownwood, 2; Burnet, 2; Coleman, 2; Dublin, 2; Goldthwaite, 2; Hamilton, 2; Llano, 2; Marble Falls, 2; Ozona, 2; Sweetwater, 2; Cross Plains, 1; Schen, 1; and San Saba, 1.

Ranger students and their director were deeply impressed with the cordiality and friendliness extended to them. They were guests in the homes of Eldorado residents Friday night and many of the hosts were present for the concert and complimented the students on their fine behavior.

### Rites Are Pending For Mrs. Keller

Mrs. Mybelle Keller died at 12:40 a. m. Wednesday Jan. 10 in Ranger General Hospital following a long illness.

Funeral arrangements are pending at Killingsworth Funeral Home.

### Briefly Told

Mr. and Mrs. Buck Wallace have returned from Prville, Ala., where they enjoyed a visit with relatives.

Mr. and Mrs. Boyce Bryan and daughters of Ralls, Mr. and Mrs. A. C. Upton of Corpus Christi and Mr. and Mrs. John McKeel of Kim of Gulfport, Miss., have returned to their homes following a visit in the home of Mrs. Gorman Morton.

Rev. and Mrs. Gary Shoemaker and son, who spent the holidays in Ranger have returned to Fort Worth where he is a student in Bible School of Divinity, T.C.U. They return to Ranger each weekend for services at First Christian Church.

Mr. and Mrs. Burl Hinson of Fort Stockton and Mr. and Mrs. Burl Hinson of Pecos were weekend guests in the home of Rev. and Mrs. Avery Sullivan.

Mr. and Mrs. Leonard Pounds and Lewis were recent guests of relatives in Odessa and Fort Stockton.

Mr. and Mrs. Ben Robinson have returned from Austin where they were guests in the home of their son, Kenneth Huff and family. While there they attended the wedding of their granddaughter Kathy Huff.

Mr. and Mrs. Dick Jones have returned from Fort Worth where they visited Mr. and Mrs. Harlan Phillips. Friends of Mr. Phillips will rejoice to learn that he is home from the hospital and able to be around the house on crutches and is anticipating an early and complete recovery.

### Questions Give Information On City Sales Tax

Questions and answers regarding the proposed city sales tax were prepared by the Texas League of Municipalities to provide information about the proposition. Some of them were as follows:

Q — What are some of the items which are exempt from the 1% City Sales Tax?

A — Among many other exempt items are included: cigarettes and cigars, automobiles, water, telephone, telegraph, meals served to patients in hospitals, meals sold by a church, food products which are not prepared for eating, prescription medicines, cement, alcoholic beverages (unless included on meals), gasoline, and farm machinery.

Q — Who can vote on the tax?

A — Any REGISTERED voter in the City - A simple majority is required to put Sales Tax into effect.

Q — Why should local business men favor the City Sales Tax?

A — Poor City services mean poor business - while well financed and efficient municipal services attract new people to live and trade in the City. More people mean more business and a more active economy.

Q — Will a local sales tax hurt business?

A — NO - The experience of cities in other States has proved that a sales tax will not hurt retail business in a community. Rather, a clean attractive and well run city attracts people, makes it grow and makes business better.

Q — Why should a resident property owner favor this type of tax?

A — Proper police and fire protection will protect the property owners investment in his home and high quality streets, parks, and other municipal facilities provide a suitable environment in which to live. The money to provide these services must be derived from some source, which has to this time, been primarily property taxes.

Q — Why should a city dweller who rents his residence favor the local sales tax?

A — For one matter, the person who rents enjoys the same services available to the property owner - For another, if it is necessary for a city to raise property taxes, the increased cost of this tax will be passed along in the form of higher rent charges.

Q — Will a local sales tax cause a particular hardship for low income families?

A — A sales tax has more elements of equality than any other type of tax, and this is particularly true in Texas since so many essential items are exempt from the sales tax.

### First Baptist Men Meet For Breakfast Jan. 6

The monthly breakfast meeting for men of First Baptist Church was held at 7 a. m. Saturday, Jan. 6 in the church dining area.

Following the meal, president Felton Boushler conducted a short business meeting. Program chairman Wayne Mathews introduced Mrs. Jesse W. White who presented and discussed "Some Christian Distinctives."

Next meeting is scheduled for Saturday, Feb. 3.

### Nelda Dobbins, Edward Howton Exchange Wedding Vows Dec. 29

Nelda Jane Dobbins and Aaron Edward Howton exchanged marriage vows at the altar of North Side Baptist Church in Weatherford at 7:30 p. m. Friday, Dec. 29.

She is the daughter of Mr. and Mrs. L. D. Dobbins of Weatherford; Mr. and Mrs. Aaron E. Howton Jr., also of Weatherford are parents of the bridegroom.

A single archway flanked by baskets of flowers and half-moon candelabra formed the background before which the Rev. Joe Griffith read the double ring vows. Mrs. Charlie Brown, organist, presented traditional nuptial music and accompanied Mrs. Bill Miller who sang "The Lord's Prayer" and "The Wedding Prayer."

Matron of honor was Mrs. Richard Fowler. Mrs. Roger Warren was bridesmaid; bridesmaids were Brenda and Peggy Howton, sisters of the bridegroom and Rhonda Bigham, all of Weatherford. Brenda and Marena Dobbins, nieces of the bride, lighted candles; Donna Dobbins was flower girl.

Attending the bridegroom as best man was his cousin, Willie Cantwell of Ranger. Groomsmen were Pat Dobbins, brother of the bride, Johnny Cantwell, cousin of the groom, Calvin Berry and Jerry Pucket. Ring bearer was Terry Dobbins of Duncanville, nephew of the bride.

Presented in marriage by her father, the bride wore a formal gown of peau de soie. The empire bodice was studded with sequins and sea pearls. The bell skirt and matching wide-train was trimmed with lace appliques re-embroidered with crystal sequins and pearls. Her floor-length veil of illusion was attached to a crown of pearls and crystals. A single strand of pearls, gift of the bridegroom's sister, was her only jewelry. She carried white roses, centered with a single orchid.

Matron of honor wore an empire gown of pink chiffon over pink crepe. A pillow of pink brocade held matching veil of illusion. She carried a bouquet of carnations in shades of pink and wine. Bridesmaids' formal gowns featured bodices of pink brocade and skirts of wine asteen. Headresses matched that of matron of honor and bouquets were pink carnations. The pink brocade frock and head-dress of the flower girl matched those of bridesmaids.

A reception followed in the Fellowship Hall of the church. Members of the houseparty included Mrs. Mack Dobbins of Weatherford and Lynn Dobbins of Llanocville, sisters-in-law of the bride; Gwen Cook registered guest and DeLise Dobbins, niece of the bride, handed out rice bags.

The bride is a 1967 graduate of Weatherford High School where she was a six-year member of band and twirler for three years. She is now employed by the Weatherford Democrat. The bridegroom, a 1966 graduate of Weatherford High School, is currently enrolled at Weatherford College and in September will enroll at Texas A&M University to complete study toward a degree in Animal Husbandry.

### Rev. Tribble Directs Study At First Methodist

In spite of cold weather, approximately 70 persons attended evening services at First Methodist Church on Sunday.

Following a tasty "chili supper" served by the Methodist Men's Club, three classes, children, youth and adult, assembled to begin a series of ecumenical study, "That the World May Believe." Largest in number was the adult group with 30 present to hear the pastor, Rev. Tom Tribble who, in the absence of Mrs. Jas. P. Morris, directed the study.

At 6 p. m. Sunday, Jan. 14, members of the Woman's Society of Christian Service will serve the meal. Groups will again meet for classes with George Kloss directing adult study. At 7:30, all will assemble in the sanctuary where Rev. Robert Winton, pastor of St. Rita's Catholic Church, will bring the message.

The congregation of First Christian Church, with the pastor, Rev. Gary Shoemaker, will join this group for study and worship each Sunday evening during the month of January.

This is an important period in the life of our church and we want to share it with all who will attend, said a spokesman.

### Elders, Deacons Dinner Guests Of Beauchamps

Elders and deacons of Mesquite and Rock St. Church of Christ and their wives were guests of Minister and Mrs. Gary Beauchamp for dinner in their home following the evening worship hour last Sunday.

Following the meal, the group enjoyed a delightful fellowship hour which featured singing of favorite hymns.

Guests were Messrs. and Mrs. E. E. (Bud) Blackwell, Richard Tucker, Holcomb Greer, Herman Cupp, L. R. Greer, Bill Parnell, Buck Wallace, and Paul Riffe.

Following a trip to San Antonio, the couple is at home, 212 Russell St. in Weatherford.

### Look Who's New

Mr. and Mrs. Ardie Beck of Oxford Miss. announce the birth of a son Adon Lee weight eight pounds 13 ounces born Thursday Jan. 4 in an Oxford hospital.

Maternal grandparents are Mr. and Mrs. Sam Stecker of New York; paternal grandparents are Mr. and Mrs. Calif. Paterson great-grandparents are Mr. and Mrs. Charlie Beck Sr. of Ranger. The couple has a daughter Laura age two and one-half years.

### Homemaking Classes Of RHS Has Set Jan. 27 For Banquet

Homemaking classes in Ranger High School have been busy with varied activity during recent weeks.

Major project of first year class was a faculty breakfast served recently. The buffet-style menu included orange juice, grilled bacon, scrambled eggs, homemade strawberry jam, biscuits, cinnamon buns and coffee. Approximately 45 persons were served between 7:30 and 8:15 a.m.

Final kitchen projects for first and second year classes are nearing completion while the third year class is completing a unit in home nursing.

Dates for the annual "Beau Banquet" is Jan. 27; details to be announced.

The annual meeting of Area IV groups is to be held in Stephenville in February. It has been announced that Ranger students are in line to furnish talent for the all-state meeting to be held in the spring.

### Packages May Be Mailed By Air To Service Men

Packages up to 80 pounds for American military personnel served by Army and Fleet Post Offices overseas now can be sent by air transportation at special low rates, the local postmaster pointed out today.

### LUNCHROOM REPORTS GIVEN BY RANGER PUBLIC SCHOOLS

The Ranger Public Schools lunchrooms served 4,820 students, meals in December or an average of 344 meals per day for 14 school days. Of this number 473 meals were served free to students unable to pay.

The lunchrooms do have a sufficient bank balance so that no increase in the cost of meals will be necessary this year.

"Area residents using this new airtel service will get much faster delivery on parcels to military personnel overseas." He said the airtel is available on a space-available basis upon payment of the domestic parcel post surface rate plus a flat \$1 fee.

This is identical with December a year ago as to daily average eating.

The opening cash balance for December was \$2,516.25. Federal reimbursement for milk and meals was \$543.22 for earlier months. Childer paid \$1,507.93 and other cash income was \$282.34 making a total income in December of \$4,851.74 including balances from previous months.

Postal patrons can get the airtel service on packages mailed to all military personnel at APO and FPO addresses overseas, and in Alaska, Hawaii and Puerto Rico, the postmaster noted that the new airtel also applies to parcels mailed back to the States by servicemen from these military post offices.

The students consumed 10,012 half pint cartons of milk during the month, of which a little less than half was included with the meal and the remainder was purchased either at excess or extra at soon at four cents a carton.

Closing actual cash balance Dec. 31 was \$2,705.06 with the Federal government owing the lunchrooms \$1,969.34. This means a net worth Dec. 31 of \$4,274.40.

Parcels on which the \$1 fee is paid get air transportation all the way from here to the port of embarkation, and from there to the overseas base. Postal patrons formerly had to pay air parcel post rates to get similar service.

The lunchrooms spent \$1,242.98 in December for food, \$153.84 for labor and \$204.52 for all other expenses for a total of \$2,146.68.

Income for December was \$2,185.11 or a net profit of \$38.43.

The postmaster pointed out, however, that it is not always to the mailer's advantage to use the airtel service. On some light packages air parcel post rates may be lower than the airtel charges.

Postal patrons should check with the Post Office for information on the best way to mail parcels to servicemen overseas.

### Engagement Is Announced

The new airtel service went into effect Jan. 7. It was authorized under the postal rate bill signed into law Dec. 16 by President Johnson.

Chaplain and Mrs. Jasper C. Massegel of Fort Leard Wood Mo. announce the engagement and approaching marriage of their daughter Mary Caroline to Johnny Louie Wyatt son of Mr. and Mrs. Johnny L. Wyatt of Rochester.

The postmaster explained that the regular postage on parcels mailed to servicemen overseas is based on the distance the package is mailed within the United States. No charge is made for carrying the package between the U.S. port and the overseas base.

Wedding vows will be exchanged at 10 a. m. Saturday Jan. 20 in the chapel of First Baptist Church in Abilene with Rev. Charles Massegel brother of the bride reading the vows and Mrs. Massegel attending the bride as matron of honor.

Parcels on which the \$1 fee is paid get air transportation all the way from here to the port of embarkation, and from there to the overseas base. Postal patrons formerly had to pay air parcel post rates to get similar service.

Friends of the couple are invited to attend.

There is no charge for this special airtel and overseas parcels weighing up to five pounds will continue to receive this service, the postmaster said.

## NEWSPAPERS TO COOPERATE IN VOTER REGISTRATION

This week marked the opening of a statewide newspaper campaign organized by Secretary of State John L. Hill to promote voter registration in Texas. One feature of the

registration drive is the publication of an application form in the county tax assessor-collector, who acts as the registrar of voters. The form is printed in today's paper, and publication will be repeated each week during January. The deadline for registration is Jan. 31.

Hill has organized the registration drive in his capacity as chief election officer of the state, a title which the Texas legislature conferred on the Secretary of State last year, along with placing upon him important new responsibilities in the administration of the state's election laws. In commenting on the drive, Hill said that one of his purposes is to publicize new laws affecting voting rights, which otherwise might go unnoticed by the average citizen.

One of the new laws enacted in 1967 makes registration necessary, for the first time in Texas history, for persons over 60 years old who live in rural communities and towns under ten thousand population. Heretofore, persons over 60 were required to register only if they lived in a city having more than ten thousand inhabitants. Many tax-assessor-collectors have expressed a fear that lack of information concerning this new requirement will bring about disfranchisement of many elderly voters through their failure to register.

In order to vote in statewide elections, a person must meet following qualifications on the day of the election: he must be over 21 years old and must be a citizen of the United States; he must have resided in Texas for one year immediately preceding the election; and he must have registered for the voting year in which the election is held. In order to vote in local elections (county, school district, etc.) he must also have resided in the county for

six months immediately preceding the election. Residence in the city for six months is required for voting in a city election.

A new law enacted in 1967 permits voters who move from one Texas county to another within the period of six months preceding an election to vote on statewide offices and issues if they have lived in the state for a year. Formerly, a voter was totally disfranchised for a six-month period following removal to another county unless the county from which he moved was in the same congressional, legislative or judicial district as the county to which he moved. A constitutional amendment adopted in 1965 authorized enactment of the new legislation.

The Texas election Code enumerates "idiots and lunatics, and all persons convicted of any felony except those restored to full citizenship and right of suffrage or pardoned" as classes of persons who are not qualified to vote.

Texas voters must register annually. The 1968 voting year will begin on March 1, 1968, and will end on Feb. 28, 1969. The registration period for the 1968 voting year began last Oct. 1 and will end on Jan. 31, 1968. Any citizen of Texas who now possesses the necessary qualifications for voting or who will attain them by Feb. 28, 1968, may register during the current registration period.

Except for three limited classes of voters, all persons wishing to vote at any time during the 1968 voting year must register by the Jan. 31 deadline, even though they may not yet possess full qualifications for voting. The only registration permitted after Jan. 31 is (1) by persons who move into Texas after Oct. 1, 1967, (2) by persons who become 21 years old after Jan. 31, 1968, and (3) by former aliens who are naturalized after Jan. 31, 1968. The first and second classes may also register during the regular period. Registration certificates issued to persons not yet qualified to vote are marked to show the date on which they will become qualified.

Any person eligible to register

# THE GORDON SPOT

By DeMarquis (Dee) Gordon  
Eastland County Extension Agent

During the winter we are not normally concerned with insects but this is the time of year to control scale insects on fruit trees.

Scale is one of the most destructive pests of fruit trees. Damaging infestations develop before growers are aware of the insect's presence, because of the small size of the insects.

They are tiny orange, sac-like insects beneath light gray

anti-waxy coverings. The round coverings of the full-grown females measure 1-16 inch in diameter. The scale are usually found on the bark, but may also get on leaves and fruit.

One of the first symptoms of scale infestation is a decline in the trees' vigor, characterized by thin, yellow foliage. If the scale are not controlled the leaves fall from the limbs, cracking and bleed-

ing of the limbs occur, and the fruit trees in Eastland County showed symptoms of scale infestations during the past year.

Now is the time to effectively control scale. Fruit trees should be sprayed now with a dormant oil spray. It takes 3-4 pint of 97 percent miscible oil in three gallons of water or four gallons of 97 percent miscible oil in 100 gallons of water. The miscible oil can be purchased at most farm supply stores.

It would be a good idea to spray all your fruit trees between now and Feb. 1st with the dormant oil.

There were some growers who had trouble with brown rot on fruit last year. This was especially true with apricots. The best control for brown rot on fruit is a spray containing microfine wettable sulfur. This should be sprayed on the tree during the pink bud stage, again at bloom stage, and again when 75 per-

cent of the petals have fallen. For more information on controlling fruit and nut insects and disease come by, call or write my office for a copy of the Texas Guide for Controlling Insects and Diseases on Fruits and Nuts.

Copies of the 1968 edition of the Farmer's Tax Guide are now available in the County Agent's Office. They are published by the Internal Revenue Service and are free to the asking.

The guide explains provisions of the tax law applicable to farmers, in everyday language. Many examples are used to show how the rules apply to farming situations.

Feb. 15 is the deadline for farmers to file their 1967 Federal income tax return and pay any tax due. However, you can file an estimated income tax return on form 1040-EZ and pay the estimated tax by Jan. 15 and wait until April 15, 1968 to file your Federal income tax return on form 1040.

For the convenience of farmers in Eastland County we are planning a farmer's Income tax school for Feb. 3 in Eastland. Mark your calendar now so you can be sure to attend. More information on the place and time of the meeting will be given later.

## Sea Foods Are 'Good Buys' For Dinner Tables

AUSTIN — Sea foods on the market today are a far cry from the salt cod upon which the fishing industry was founded, according to Bill Schwartz, sea food marketing specialist for the Texas Parks and Wildlife Department.

Schwartz says there are 24 commercial species of fish and shellfish marketed in the United States today, and more than 50 of these species abound in Texas waters.

"When you are looking for variety," says Schwartz, "fishing products give you more choice than any other food group. You can buy fish fresh, frozen, canned, oiled, salted, smoked and packaged in convenience packs."

"Fish," he goes on, "are one of our most nutritious and nutritious foods. They are an excellent source of high quality proteins since an average serving supplies the daily requirements for an adult as well as the minerals and vitamins necessary for good nutrition."

According to Schwartz, marine fishes are especially rich sources of iodine (required for the proper functioning of the thyroid gland), containing 50 to 200 times as much of this essential element as any other food.

He says that since fish are among the most economical protein foods which can be served, housewives will find sea foods easy on the pocketbook.

"The preparation of fish is simple and never requires special equipment," according to Schwartz. "You can cook fish in a truly amazing variety of ways. There are baked fish, broiled fish, grilled fish, plancked fish, poached fish, boiled fish, steamed fish, and the ever-popular fried fish."

## LOOKING At Agriculture

By GILBERT MEREDITH

(This is one of a series of articles dealing with agricultural programs in Eastland)

We received word this week that the lease and sale of peanut allotments will apply for the 1968 and 1969 crop years. The acreage for transfer shall not exceed 50 acres per farm and is limited to transfer within the county. Leases may not exceed 5 years. Receiving farms need not have a peanut allotment. The transfer of acreage will be made on a per acre basis based on the

production of the farms involved. In other words a reduction in the number of acres for acres transferred from a low yield farm to a high yield farm would be made. Detailed instructions and forms for making the transfer are not available at this time, but we expect to receive them by the middle or last part of January.

Watch for a additional information of this matter from this office. We expect the final date to be not earlier than April 1, 1968 for completing the sale or transfers.

1968 County ACP Handbooks were mailed to 932 Eastland farmers and ranches on Dec. 28. Complete practice specifications and cost-share rates

are included in the Handbook. Producers interested in any conservation practice is reminded that a request must be filed in the county office beginning the practice. Special attention is directed to two new practices. The first new practice is the new irrigation reservoir practice which is applicable to old cropland. The ponds are for the interception of wells and are not for the impoundment of runoff water. We believe that this practice will be most beneficial in conserving irrigation water from worn water wells.

Federal cost-share is 10 cents per cubic yard of dirt moved. The second practice is aerial control of mesquite which was used on a limited scale in 1967. We believe that this

practice will be most effective and reasonable in price in 1968. Federal cost-share is \$1.50 per acre which is 50 percent of the cost of the practice.

A limited number of handbooks are available and will be furnished upon request to persons not receiving a handbook.

I would like to point out that through the ACP all persons share in the cost of protecting our most vital asset our soils and water.

A reminder that Jan. 15 is the final date to file an application for a new grower cut-off allotment. Jan. 31 is also the final date to file application for payment under the wool and mohair programs.

# READ 3 TO 10 TIMES FASTER

## HERE ARE THE FACTS

Evelyn Wood reading Dynamics absolutely guaranteed to at least triple your reading efficiency, or will refund the entire tuition fee. Fair enough? Actually, most of our 300,000 national graduates have increased their reading speeds over 6 times; and perhaps more importantly, comprehension improved 12%. The improved reading skills have helped students to make better grades and business and professional people to gain a competitive edge. Our graduates find reading more enjoyable, thus increasing the pleasures of reading.

### RAPID READING IN THE WHITE HOUSE

The late President Kennedy invited Evelyn Wood to the White House to teach Reading Dynamics to members of his staff. To date, over 300,000 people have taken the course. They include senators and congressmen, businessmen, professional people of all type, housewives and junior high, high school and college students... busy people from every walk of life... people who must read — and study — but didn't have sufficient time before enrolling in the Reading Dynamics program.

### NATIONAL LEADERS PRAISE COURSE

SENATOR TALMADGE, Georgia: "... the greatest single step which we could take in educational progress. It would be worth a million-dollar appropriation."

SENATOR PROXMIER, Wisconsin: "... one of the useful educational experiences I ever had. It compares favorably with my experiences at Yale and Harvard."

### WHAT AREA GRADUATES SAY

Eugene A. Shooter, insurance agent, increased reading speed from 218 to 963 wpm: "Reading Dynamics enabled me to get all my work out of reading matter."

Pat Lee, student and housewife, increased reading speed from 378 to 2143 wpm: "This will help me with all the reading I will have to do in English Literature and history."

Ann McCracken, student, increased reading speed from 328 to 4285 wpm: "A very helpful course... I recommend it to prepare for college."

Eva Lee Craik, teacher, increased reading speed from 354 to 1465 wpm: "I enjoy reading more now... the emphasis upon concentration is good."

Bill Hartz, attorney, increased reading speed from 283 to 1200 wpm: "It has added a number of hours to each day, plus better understanding overall."

Herbert Krampin, bank cashier, increased reading speed from 238 to 800 wpm: "Will be beneficial in my business reading; also I can now read a number of books I've never had time for."

### COMPLETE READING IMPROVEMENT PROGRAM

Even though Reading Dynamics students do achieve extraordinary reading speeds, much emphasis is placed on building comprehension and retention, as well as on developing highly effective study techniques.
