

Enrollment At Local Schools Passes 900 Mark

Without benefit of the usual fall increase due to transient labor, enrollment at the Lockney schools passed the 900 mark last week and now stands at 941, according to a report from school officials Tuesday.

The enrollment is broken down by schools as follows:
High school—240.
Junior High—216.
Elementary school—450.
Colored school—35.

Very few, if any of the present enrollment comes from families of transient laborers, school officials said. The transient laborers have not come into this section as yet in any quantity and the schools enrollment is practically all from families of permanent residents of the district. It is expected that later in the fall the enrollment will shoot up when laborers start flocking to this area to help in the cotton harvest.

This is the largest normal enrollment in the schools history as far as The Beacon could determine. Last year the first of school enrollment was about 850 and the previous year it ran about 860.

Shorthorns, B Team Play Floydada Here Thursday Night

The Shorthorn and Longhorn B teams will play similar Floydada teams on Mitchell-Zimmerman Field here Thursday evening. Coach Rudy Haile said Wednesday.

The Shorthorn, or Junior High team, will play at 6:30 and the B teams will play immediately following. No charge will be made and local fans are invited to attend.

The starting line-up for the Shorthorns will probably be as follows:

Jackie Calahan, center; Wayne Griffith and Van Reese, guards; Steven Handley and Jimmy Colson, tackles; Max Marble and James Hall Ferguson, ends; Billy Carl Race, Kenneth Calloway, C. D. Fitzgerald and Joe Davis, backs.

Probable starting line-up for the B team will be:

Kelly Harrison, center; Coy Kidd and Joyce Paschal, guards; Lonell Hays and Johnny Hanst, tackles; Jay Kemp and Donald Farish or Larry Jarrett, ends; Gene Handley, quarterback; Cliff Hardy, Arley Pinner and David Frizzell, backs.

The B team won over Abernathy B team last Thursday night at Abernathy 12-0 but the Shorthorns lost their game to the Abernathy grade school 19-7.

Griffiths Are Moving To Plainview

Mr. and Mrs. W. J. (Jake) Griffith, residents of this community all their married life, are moving to Plainview where they have purchased a home at 2206 West 12th. The Griffiths farm home, northwest of Lockney will be occupied by the daughter and family, Mr. and Mrs. Bob Davis and Carol.

Local Teachers All TSTA Members

Lockney school system has 100% of its teachers as members of the Texas State Teachers Association, according to information received here this week.

This is the second consecutive year that the schools here have been 100% in this respect.

F. U. PAYNE IS ILL

F. U. Payne is seriously ill in Medical & Surgical Hospital here. He became ill at church Sunday night and was taken to the hospital where he is being treated for internal hemorrhaging. Several of his brothers and sisters are here at his bedside.

R. E. PATTERSON ILL

R. E. Patterson was taken to a Plainview hospital Thursday of last week where he is being treated for a severe asthmatic condition. Although still very ill, his relatives report that he seemed a little better Wednesday.

DR. N. E. GREER ILL

Dr. N. E. Greer suffered a light stroke at his home here Sunday and has been in the Lockney General Hospital this week. Relatives said that he was some improved Wednesday. He has been in ill health for several years.

Longhorns Face Dimmitt Bobcats Here Friday

The Lockney Longhorns will play the highly-rated but yet unproved Dimmitt Bobcats on Mitchell-Zimmerman Field here Friday night of this week. It will be another busy night for the local gridsters although local fans and coaches do not believe that Dimmitt has near as good a team as Hale Center.

The Bobcats won over the Longhorns last year after the local team led until the middle of the fourth quarter. This year revenge for that upset will be uppermost in the minds of the Longhorns and they will be out for blood.

The Dimmitt team defeated Silverton last Friday 31-0, proving that they do have a good team. The Bobcats are rated to win their Class A district and word from that school shows the team to have 11 lettermen back from the 25-man squad of last season. Eight men were lost from the starting squad of last season, but he still thinks he will have a pretty tough team to beat. The Bobcats scored four touchdowns against Silverton in the first half and coasted through the remainder of the game.

One Edgar Dennis, halfback for the Bobcats, was the big noise last week scoring four of his teams five touchdowns.

The Bobcat starting lineup lists eight seniors, and team weights averaging 167 pounds according to their program.

Coach Rudy Haile made some changes in the Longhorn lineup this week. Major changes were shifting of Weldon Jones from the backfield back to a tackle position and shifting Marion Cross back to center, a position he played last year.

Coach Haile told the Lockney Quarterback Club Tuesday night that he was "well pleased with the way the Longhorns played against the salty Hale Center team," but that he believed the shifting of these players back to positions they were accustomed to playing would strengthen the team.

The Longhorns lost one man on injuries the past week. Jim Bob Reynolds, reserve tackle, suffered a broken bone in his foot and will be out of the game for four or five weeks.

Haile's starting line-up against the Bobcats Friday night will probably be as follows:

Center, Marion Cross; Guards, Don Hollums, Clifton Williams, Dan Griffith or Johnny Hanst; tackles, Weldon Jones and Jimmy Rankin; ends, Doyle Crouch, Doyle McAda, Donald Farish or J. W. Dippery; backs, Charles Vaughn, quarterback; Paul Ray Williams, Bucky Duval, Clifford Hardy or Gene Handley.

"Some of the boys looked good," Coach Haile said, "and we hope to show you still a better performance Friday night."

The game will be called at 8 p. m.

Gas Line Plans May Be Ready Soon

Plans for an extension of lines for irrigation purposes by the Pioneer Natural Gas Company in the area northwest of Lockney may be ready soon, according to information given Charlie Boedeker recently. Mr. Boedeker said that C. I. (Stoney) Wall, president of the firm told him that the plans would probably be ready about the first week in October.

When engineers complete the plans then farmers of the area will be contacted to determine their intentions toward getting on the line, Mr. Boedeker said.

Lone Star Community Singing Sunday

The Lone Star community singing will be held at the school auditorium Sunday afternoon starting at 2 o'clock, according to J. H. Hall, president.

A number of outside singers are expected among them being the Afton Quartet. All singers and lovers of music are invited to attend, Mr. Hall said.

Bishop Martin Will Dedicate Church

Bishop W. C. Martin of Dallas will participate in dedication services for the Lockney Methodist Church sanctuary, set for 3 p. m. September 26, it was announced this week by the pastor, Rev. Burgin Watkins.

Entire indebtedness on the structure, completed some two years ago, has been paid, the pastor said.

The day of September 26 has also been set aside for a homecoming for former members and friends of the church. Plans are not complete as yet but will be announced next week, Rev. Watkins said.

Mrs. J. Williams Is Buried Here

Mrs. John H. Williams, 73 years of age, was buried in the Lockney cemetery Wednesday afternoon after funeral services held at the First Baptist Church here. Officiating at the services were Rev. A. L. Shaw, Rev. C. J. McCarty and Rev. Glenn Wilson.

Mrs. Williams passed away at her home in Hale Center Tuesday morning about 10 o'clock. She had been helping Mr. Williams clean a chicken house, relatives said, when she decided to return to the residence. Mr. Williams heard her call and when he arrived at the house she told him that she was very ill. He called a doctor but she passed away within 10 minutes after being stricken. Death was attributed to a heart attack.

Mrs. Williams was born Carrie Esther Durham July 23, 1881 at McGregor, Texas. She was married to J. H. Williams at Bailey, Oklahoma on November 24, 1898. The family moved to Texas in 1910 and came to Lockney in 1914 where they lived until 1950 when they moved to Hale Center. Mr. Williams followed the plumbing trade here and was city water superintendent for a time.

Mrs. Williams was a member of the Hale Center Baptist Church. She was known as a devoted Christian, wife and mother. Survivors include her husband, three daughters, Mrs. E. V. Nigh of Hale Center, Mrs. N. A. Curry, Dimmitt and Mrs. James Curry, Kress; one son, Johnny Williams of Portales, N. M. Also surviving are 16 grandchildren and 6 great-grandchildren; one sister, Mrs. Vandora Bell, Albuquerque, N. M.

Preceding her in death were one daughter, Mrs. Beulah McAda of Lockney, and a son, Guy Williams.

Palbearers were her grandsons, Billy McAda, Doyle McAda, Jimmy Curry, Wayne Curry, Bob Williams, Ted Williams, Merlin Hinderliter, Billy Joe Barton.

Funeral services were held at 10 o'clock at the First Baptist Church here. Burial was in the Lockney cemetery.

Funeral services were held at 10 o'clock at the First Baptist Church here. Burial was in the Lockney cemetery.

Republicans Attend State Convention

Attending the state Republican convention this week are Mr. and Mrs. Joe Holt, Mr. and Mrs. George Webster, Mr. and Mrs. Lloyd Wofford, all of Lockney and Mr. and Mrs. Starks Green of Floydada. The convention is meeting at the Will Rogers Memorial Auditorium in Fort Worth. Sessions began Tuesday of this week.

Mr. Holt and Mr. Green are delegates to the state convention while Wofford and Webster are alternates.

The state convention has a total of 1597 delegates and approximately the same number of alternates were expected to attend.

LAWAUNA IS BETTER

Lawauna Ann Taylor has been improving steadily, according to her parents, Mr. and Mrs. Geo. Taylor, and walked several steps with help Monday. She is able to use her hands and arms to some extent now. Lawauna has been enrolled in school at the polo center at the Plainview Hospital where a special teacher is employed.

Lawauna has received numerous cards, flowers, letters and gifts for which she and her parents express their heart felt appreciation.

Pioneer Jeweler Found Dead Sat.

W. M. (Uncle Billy) Martin, a pioneer jeweler of Lockney, was found dead at his home in northwest Lockney where he lived alone last Saturday morning. He had died from a bullet wound in his forehead and a 22 calibre rifle was lying between his legs. Justice of the Peace J. J. Harris returned an inquest verdict that he died "from gunshot wounds self inflicted."

Uncle Billy was last seen late Friday afternoon when L. M. Honea called at his home to visit him. Mrs. J. D. Wood also called to see him Friday afternoon and other friends had visited with him during Friday and the previous day. He had been very despondent lately, and had been careful to tell his friends where he left his will and other details pertaining to his personal affairs.

Funeral services were held Sunday afternoon at 3 o'clock at the Carter Funeral Chapel conducted by Thomas McDonald, local Church of Christ minister. Interment was in the Lockney Cemetery under the direction of Carter Funeral Home.

Palbearers were Barry Barker, Leonard Finley, Derrill Wood, Bill Rigdon, Clyde Stapp, L. M. Honea.

R. W. James, a neighbor, found the body about 9 a. m. Saturday when he went to inquire about Mr. Martin. A physician was called and he estimated that he had been dead since about midnight.

Sheriff Earl Cooper, Deputy Ray Hardin, County Officer Olan Poteet and Justice of the Peace J. J. Harris went to the scene and made the investigation.

The only written paper left was the will in which Uncle Billy directed the disposition of his property, which included some money in the bank, an old car and his household furnishings. W. H. Counts of Lockney was named executor of the will.

Mr. Martin was the last of his immediate family. Mrs. J. D. Wood called a cousin of the deceased man, Mrs. Jessie Jacques in Wichita, Kansas, but she was unable to attend the funeral services due to her age. Mrs. Jacques told Mrs. Wood that Uncle Billy had a number of other distant cousins but that they were scattered and all old and probably not able to attend the services.

Mrs. Jacques asked Mrs. Wood to express their appreciation to the people of Lockney for the many kindnesses extended to Uncle Billy and for notifying her.

Uncle Billy was born near Fulton, Kentucky, March 7, 1879. He and other members of the family moved from that place in 1891, living at several different places before establishing a home at Marble Falls, Texas. His father passed away sometime before 1913 when the family moved to Lockney to live. Uncle Billy established a jewelry store and repair shop here, remaining in that business for several years, then moving to California. He soon returned to Lockney however and reopened the store. He remained in the jewelry repair business until 1943 when failing eyesight forced him to retire.

His mother died in 1918. In later years his sister, Miss Mollie Martin, married Wash Nichols, a pioneer of this area and father of Dr. E. O. Nichols Sr. of Plainview. He continued to make his home with them until Mr. Nichols passed away.

His sister passed away January 10, 1949, leaving Uncle Billy all alone. On August 27 this year he suffered a heart attack and was very ill for some time but had recovered his health to some extent. Friends said that he had become very despondent, fearing that he would eventually become a burden on his friends.

Uncle Billy was a friendly, congenial man and had many friends here. His death came as a great surprise and brought sorrow and regret to those who knew him.

Floyd County Fair Will Open Today at Floydada

Court Plans To Re-Allocate Taxes

The Floyd County Commissioners Court will ask voters approval of a plan to reallocate county taxes within the near future, County Judge Ralph C. Johnston said Wednesday. The move will not affect the present tax rate since it will be unchanged but will take some money away from certain funds and allocate it to a different fund.

The election will probably be held on November 2nd, same date of the general election and a road bond vote, Judge Johnston said.

The plan now is to reduce the tax rate for the permanent improvement fund and the jury fund and increase it on the general fund and the road and bridge fund.

Two-Way Radio Considered

The Court has been looking at two-way radio sets and will probably buy one this week for the sheriff's department, Judge Johnston said. The Sheriff's department has been asking the Court for such a set for some time.

Petitions are being circulated this week asking the Court to call an election to vote on a proposed three hundred and some-odd thousand dollar bond issue to pay for right-of-way for a 4-lane highway through the county. The court will probably issue an order for the election the first week in October.

Floyd "United Chest" Plans Proceeding

Plans are proceeding for the organization of a Floyd County United Chest after a meeting of Lockney and Floydada people at the Plains Theatre here last Thursday night.

W. E. Garrett of Floydada presided over the meeting. Representatives of several civic clubs and prospective participating agencies were present.

The group voted to instruct committees from the Lockney Chamber of Commerce and the Floydada Chamber of Commerce to meet on Thursday night of this week and nominate 21 directors of the chest, with nomination to constitute election for the remainder of this year.

The group also voted the adoption of a constitution and by-laws and made plans to get the chest in operation in October if possible.

Glenda Hardin Is Improving This Week

Glenda Hardin, 12-year-old daughter of Mr. and Mrs. E. M. Hardin of the Providence community, is in the polo ward at Plainview Hospital suffering with what attending physicians told members of the family was a combination of polio and encephalitis. The girl is improving this week, having passed the critical stage Sunday. She has some paralysis, the family said but doctors are hopeful that she will not be permanently affected.

She has been ill since last Friday when she entered the polo ward. She is a student in the Lockney schools.

Hammond & Co. Plan Frozen Food School

Hammond & Company, local International Harvester dealers, are planning a frozen food demonstration to be held Wednesday of next week, Sept. 22 starting at 2:30.

A food expert from International Harvester will be present to explain and demonstrate ways to lower food costs through the use of home freezer units and easy ways to prepare food for freezing. She is Miss Claudette Hohl.

Owners of all kinds of home freezer units are invited to attend, Mr. Hammond said, or those who have none. Everyone will be welcome.

The first annual Floyd County fair will get underway today at Floydada. Fair committees have been putting in long hours in preparation for the opening and the fair is expected to be one of the best county fairs to be held in this area.

Thursday is Kids Day at the fair and prices on rides will be reduced from 1 to 6 p. m. The Lockney High School band and the Floydada High School band will both be present and play concerts after 4 p. m.

Radio Station KFLD will broadcast from the fair grounds from 2 to 6 p. m. both Thursday and Friday.

Entertainment on Friday will include the roping and cutting horse contest between members of the Tulla Roping Club and the Floydada Roping Club. This show will begin at 2:30 p. m. Jackpot roping and the first round of the cutting horse contest will be seen Friday.

Also The Amarillo Maverick Club Tumbling team will perform for the fair guests at 8:15 p. m. Friday.

At 11 a. m. on Saturday Jack Huddle and Homer Logan of TV Station KQUR, Lubbock, will present a 30-minute program and the same two will appear again at 4:30 p. m. Saturday. At 2:30 p. m. Saturday the finals of the roping and cutting horse contests will be held. Trophies will be awarded at this time.

Livestock Judging

Judging of livestock at the fair will be held Friday. Swine will be judged at 9:30 a. m., dairy cattle at 1:00 p. m. and beef cattle at 2:30 p. m. Nearly \$400 in prizes have been posted in the cattle division. Dean Walls is superintendent of this department.

Some 76 divisions have been named in the agriculture exhibits and more than \$100 in prize money is offered in this department. Chester Mitchell of Lockney is superintendent of the department and Chester Carbel is his assistant.

The women's department of the fair allows exhibits for all kinds of fancy sewing, knitting and crocheting. Prizes amounting to more than \$300 are offered in this department. Mrs. M. J. McNeill is director.

In the canned fruits and vegetables division, some 37 divisions are offered with prizes amounting to about \$65. Mrs. Quentin Adams of Aiken is superintendent of this department.

A youth department allows entries in both sewing and canning. Around 45 divisions are named here with prize money totaling approximately \$40. Mrs. H. F. Jackson is superintendent.

Mrs. H. E. Musser's Father Dies Thurs.

James Raymond Smith, father of Mrs. H. E. Musser of Lockney, died at 2 p. m. Tuesday at his home in Groom. Mr. Smith had lived at Groom a number of years moving there from McLean. His death was sudden and attributed to a heart attack.

Funeral services were scheduled for 10:30 a. m. Thursday at the Groom Baptist Church where he was a member. Members of the Musser family left Tuesday to attend the services.

Survivors include his wife, one son, one daughter, one brother, one sister, nine grandchildren and one great-grandchild.

Stanley Conner At Baylor Medical

Stanley Conner is now located in Houston where he began school Monday as a student at the Baylor College of Medicine. He says his first day in gross anatomy was very exciting.

He writes that now Rush Week is over he is permanently settled at Phi Chi house since he chose to join that fraternity. He also sent his subscription for the Beacon.

department in which there are 31 divisions with \$60 in prize money.

In the Flower department 37 divisions are provided with no prizes offered. Mrs. O. G. Glassmoyer is superintendent.

Community Exhibits

Displayed within the three big tents are exhibits from various communities in the county. These include exhibits from Harmony community, Erick community, the Lockney Home Demonstration Club, South Plains Community, Sandhill Community, McCoy community, the Lockney FFA chapter, the Floydada FFA chapter and the Floyd County Soil Conservation Service.

Outside commercial exhibits have been arranged by Martin & Company and Hammond & Company, International dealers, Latra Implement Co., Witkowski Implement Company, Kings Tractor & Implement Co., Mordel Chemical Co., McDonald Implement Co., Gifford-Hill & Western, Spears Auto Co., Stansell-Collins Co. and Lockney Implement Co., John Deere dealers, Floydada Implement Co., Baker-Barrett Plow Co., Handley Shop & Pump Co.

Commercial exhibits within the tents include Luke's Blacksmith Shop, National Alfalfa Co., Floyd County Farm Bureau, France Baker Cotton seed, Paff Sewing Center, Sims Radio and TV, Builders Mart, Boren Hardware.

Hill's Greater Shows, a big carnival has been operating at the fair grounds all week to round out the entertainment feature.

Board Policies Outlined In 33-Page Booklet

The Board of Trustees of Lockney Independent School District have issued a 33-page booklet outlining policies of the board regarding the operation of the local school system. Copies of the book have already been put into the hands of school employees and will be distributed to school patrons as they ask for them. Supt. W. C. Irons said. The issuance of a booklet on policies is a common practice among larger school districts.

The book on policies lists the number of trustees, the manner for electing them, their qualifications, officers of the board, duties of the officers and other members of the board and their responsibilities.

Policies regarding meetings are outlined, including the transacting of business, also complaints of employees, school discipline, public relations, use of school facilities, health requirements, enrollment and tuition, school buses and organizational activities.

Under personnel policies, the booklet discusses principles governing teacher selection, prerequisites to teacher service, selection of school personnel.

Under salary schedule the discussion topics include salaries to be paid each group of school employees, also sick leave and professional meetings.

Selection of custodians, bus drivers and cafeteria workers is also discussed.

Under administrative organization the duties and responsibilities of the superintendent are discussed, as is those of the tax assessor-collector, the principals, duties of teachers, of the school nurse, school secretary, policies of accounting for the school secretary, policies on purchasing procedure, policies of budgetary control, policies concerning travel allowance and extra bus trips, and concludes with policies on athletics.

The book is the first to be published by this school district but apparently fills a need in the operation of the local school system. Those interested in securing a copy of the book should contact local school authorities.

Longhorns Fall To Hale Center

Statistics

	Lockney H. C.	Hale Center
First downs	5	13
Yards gained	89	283
Yards lost	42	1
Passes comp.	1 of 5	4 of 6
Yards passing	48	74
Yards penalties	15	65
Fumbles lost	0	1

The fighting but inexperienced Lockney Longhorns lost a football game to a veteran Hale Center team Friday night 41 to 6. The local boys hit hard and put up a fight but they were no match for the hard-running pigskin-wise Owls.

The Longhorns couldn't do much offensively although they did scratch out six first downs and made on score on a long pass. The local lads were obviously nervous and lacked the poise and confidence of their more experienced opponents. The Owls didn't hurt the local team much through the line but on end sweeps they practically had their own way. They also completed four out of six passes, two of them for touchdowns.

The Longhorns showed possibilities of developing a very potent offense. They worked their plays smoothly for the most part despite the hard-charging Hale Center line and made several nice gains although they couldn't gain consistently.

The game had very few fumbles for a first game of the season. The Longhorns recovered one fumble by the Hale Center team, the only time the ball changed hands by a fumble during the entire game.

The Owls received the game-opening kick-off, returned to their own 47, made a first down on the 26 in two plays, another on the 11 and then drove over for the score from the 4. Marvin Jones made the touchdown. Try for point wasn't good, the only one missed all night by the Owls. The Longhorns returned the kick-off to their own 20, made 5 in two plays, were penalized 5, had a pass incomplete and Hale Center returned the kick to the Longhorns 25 but were penalized to the 50 for clipping. They made first downs on the 28, on the 7 and Tom Craddick drove over for the score on the third attempt. McBeth kicked the point for a 13-0 score.

The Longhorns brought the ball back to their own 30 on the kick. Weldon Jones drove to the 41 for a first down. Paul Roy Williams added another first down on the Hale Center 47 but here the drive died and the Longhorns had to kick.

Starting the second quarter, the Owls began another drive from their own 32, but Johnny Hansi, reserve guard for the Longhorns, pounced on an Owl fumble on his own 41. The Longhorns couldn't gain and the kick

was returned to the Lockney 34. Two passes were incomplete so Harold Hoffman, quarterback, circled right end for the score. McBeth kicked the point. Score 20-0.

The Longhorns brought the ball back to their own 37 after the kick-off. Bucky Duval made 6 and Williams 3, then an attempted pass and fumble lost 14. The Owls returned the kick to their own 42 as the half-time whistle blew.

The Longhorn Band performed nicely during the half-time period. Their formations represented several kinds of hats with appropriate music to emphasize each. The band's performance, both in music and formation, was very pleasing to the local audience.

The Longhorns took the ball on their own 20 after the kick-off had rolled into the end zone. They made 1. Hale Center was penalized 5, and then Weldon Jones cut through tackle for a first down on the Hale Center 44. The locals lost 4 and Quarterback Charles Vaughn dropped back and threw a long pass to Bucky Duval who caught the ball in the clear and kept going for the touchdown. Attempting to sweep end for the point failed and the score was 20-6.

The Owls returned the kick to their own 41, made a first down on the Longhorns 41, then Hoffman passed to a big end, Monte Lee for a first down on the 9. Hoffman then passed to James Dollar for the score. McBeth kicked the point and the score was 27-6 and the end of the third quarter.

The Longhorns returned the kick-off to their own 37 but couldn't gain, lost 9 on a fumble and the Owls returned the kick to their own 49. A pass made 11, and then Jones circled left end for a touchdown. McBeth kicked the point. Score 34-6.

The Longhorns returned the kick to their own 33, couldn't gain and Hoffman took the kick and returned it all the way but the play was nullified by a 15-yard clipping penalty against the Owls, setting them back to their own 24. A pass was good for a first down on the Hale Center 41, then Dollar broke loose around left end but was finally pulled down on the 19 by light

weight Jerry Williams, a freshman reserve who had just come into the game. However Hoffman swept the other end for the score on the next play and McBeth ran the point over after a bad pass from center.

The Longhorns returned the kick to their own 25, Williams made 9, and then a first down on the 36, the Longhorns were penalized 5 and lost 8, and the kick was returned to the Longhorns 42 but Hale Center was penalized back to their own 37 on a clipping penalty. They made 8 as the game ended.

Some of the Hale Center players were related to local people. James Dollar, halfback for the Owls is the son of Harrell Dollar of the Irick community and Marvin Jones, fullback on the same team is a brother to Mrs. Donald Johnson of the Lone Star community.

Commissioners Court Adopts County Budget

The Floyd County Commissioners Court, in a recent meeting, adopted the 1955 budget for this county, which included operating expenses, debt service, upkeep of buildings and machinery, salaries and other expenses. The approval followed a public hearing on the budget at which two persons appeared.

The 1955 budget was some \$20,000 less than that of 1954. Total expenditures were set at \$191,067.29.

Total valuations for the county were listed at \$14,927,130. The tax rate is set at \$1.28. The assessed valuations are some \$39,000 higher than 1954, but the tax rate is 14c lower than 1954 thus cutting the expected tax revenues by \$20,000.

The county debt includes \$18,000 in bonds dating back to 1931, and bearing 6 percent interest; \$416,000 of the 1948 road bond issue, and \$176,000 of the 1949 court house bond issue.

The operating fund rate is 95 cents divided into these separate accounts: jury fund 15 cents, road and bridge fund 15 cents, special road and bridge fund 15 cents, general 25 cents and permanent improvements 25 cents.

For interest and sinking funds levies of 25 cents for road bonds and 10 cents for court house bonds and sinking fund have been made. The only fund to show a material increase in the budget is the pauper care and pensions, increased from \$5,000 to \$9,000.

Bob Reeves showed some of his slides from Japan Sunday night after BTU service. He had arrived home during the week from El Paso where he had been stationed since his arrival from Japan a few weeks ago. Everyone enjoyed seeing the beautiful missionary homes, schools, and buildings around Okayama and Fukuoka, and a glimpse of another of our boys, Mac Smitherman, who is also stationed in Japan.

How New Trop-Artic Can Double Engine Life

Some motor oils give good protection at low temperatures. Other oils are effective at high temperatures. But new Trop-Artic all-weather motor oil gives protection at all temperatures... from below zero to 180 degrees!

This explains why Trop-Artic is so much better than ordinary motor oils at preventing engine wear... so much better that it can even double engine life. Trop-Artic lets you start easier... saves you gasoline... saves 15% to 45% on oil consumption.

Phillips 66 Trop-Artic is the first all-weather oil which has proved it meets the highest standard ever established for automobile motor oils... the Mil-0-2104 Supplement I test. You can't buy a better oil for your car!

Exclusive! Phillips 66 Flite-Fuel

FLITE-FUEL is the new gasoline with the added super aviation fuel component Di-isopropyl.

FLITE-FUEL gives you increased power, higher anti-knock quality and greater economy. You get the benefits of controlled volatility plus the clean burning qualities resulting from use of high purity components. Get Phillips 66 FLITE-FUEL for your car!

Speaks to Lions
 Murrell R. Tripp, mayor of the City of Lubbock and president of the Western Fire & Indemnity Co. of that city, spoke to the Lockney Lions Club in their regular meeting Monday evening of this week. The meeting was held at the grade school cafeteria.

Mr. Tripp told members of the club that in order to reduce automobile insurance rates the number of accidents must also be reduced below present levels and jury verdicts and settlements must be held to fair and reasonable amounts.

"Insurance rates for bodily injury," Mr. Tripp said, "are made up of (1) the frequency of accidents; (2) the severity of injuries; and (3) the size of jury verdicts and the size of settlements which are based upon the jury verdicts.

Mr. Tripp said, "The motor vehicle code violator seems to be set apart by the public in a class by himself. The general public, as well as some lower court judges, look upon him as an offender who merely contributes to the motor vehicle code violation records — records of death and injury in the state — and needs only to be as lightly punished as possible; as a contributor to the City and Country treasuries throughout the state, must not be made to see the error of his ways. He is an offender, not a culprit, and he helps to provide the millions of dollars which accumulate in the courts from motor vehicle violation cases each year. So with no stern hand laid against him, merely a slight withdrawal from his bank account, he goes on his way and offends again."

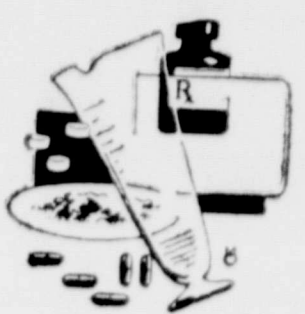

The insurance executive said, "We must stop looking light of motor vehicle violations. If Texas is to be taken off the spot as one of the worst States in the Nation from the standpoint of danger on the highways, justice must be handed out by all of our courts. This means that the defendants of the future in a motor vehicle violation case will know that if found guilty, or if he pleads guilty he will receive punishment that will not only deter him in his highway driv-

as you have filled out an application. If you are here only temporary, a guarantor or deposit is required.

The Home Demonstration Club will have a booth in the Floyd County Fair and we hope for good exhibits of grains, cotton and other farm products in the main exhibit tent. Mrs. Skeet Thornton, Mrs. George Beedy and Mrs. George Weast are in charge of the fair exhibits from our community.

Mr. and Mrs. Dalton Thompson are the proud parents of a baby girl born Friday evening, Sept. 10 in Plainview. She has been named Pamela Sue and weighed six lbs., five oz. The Thompsons have two boys, and we congratulate them on the arrival of a daughter in their home.

The W.M.U. meets Wednesday of this week at the Center Church for an all day "Week of Prayer" program and South Plains will present Thursday program at the meeting. Other meetings at the home church this week are Brotherhood on Monday night, prayer and auxiliary meetings on Wednesday evening. The church is proud of a new sign outside the door which was put up the past week.

Mr. and Mrs. Paul Snodgrass left Monday morning for Telephone, Texas near Bonham, where Mrs. Snodgrass will stay for some time with her father, T. J. Welch. He had a slight stroke last week, making it impossible to bring him here as she first planned.

Mr. and Mrs. H. L. Marble are looking forward to having their son, Don, home for ten days on Wednesday of this week. He will be on furlough from Fort Bliss, El Paso and will be going on to New York after his leave is up.

The Farm Bureau held its meeting at South Plains Tuesday evening at 8 p. m. last week with Chester Carthel, Mr. Puckett, and others officiating. Several farmers attended the get acquainted meeting and it is hoped many more will become interested in the Farm Bureau.

Saturday afternoon the Home Demonstration held its council meeting at the court house and attending from here were Mmes. L. T. Wood, Grigsby Milton and Murray Julian who gave an account of the last day at the State THDA meeting which she attended in August. Mrs. Norrell and Mrs. Spears gave accounts of the

meeting in Dallas, after which Mrs. Field and Mrs. Wilson served a refreshment plate of fruit salad, sandwiches, cookies, and lemonade to the following club members, Mmes. L. T. Wood, Skeet Thornton, George Beedy, Gilbert Bean, J. D. Webb, John Key West, Paul Snodgrass, Murray Julian, Walter Wood, Grigsby Milton, H. L. Marble, John Smitherman, I. H. Parks, Arby Mulder, Bryant Higginbotham, Bryan Karr, R. G. Dunlap, Sylvian Kinnibrugh, Ernest Smitherman, J. P. Taylor and guests. Mrs. Mel-nouff from Benkleman, Neb., Mrs. G. W. Fields, Mrs. Willie Moore, Mrs. Castle, new residents of South Plains, and Mrs. Elmer Biggs of Lockney. The next club meeting will be at the home of Mrs. George Weast with Mrs. Arby Mulder co-hostess on Sept. 22.

We congratulate Mr. and Mrs. Leighton Teeples on the birth of a baby daughter, Wanda Gail, born Wednesday morning, Sept. 8 weighing seven and a half pounds. Sherlene and Dwight, other children of the Teeples, are delighted with a new baby sister.

Mrs. J. B. Thames and Mary-anna as well as Mike from Lubbock arrived on Friday to spend the week end here with their husband and father and brother, Joe Rex. She is working at present at the Zales Jewelry store in Lubbock.

We are sorry to report that Walter Wood was painfully hurt Friday afternoon when he and L. T. Wood were working about the binder, and the binder was accidentally tripped with the kicker striking him across the chin. The wound required several stitches. Mr. Wood is recuperating at his home now.

Other people ill and confined to their homes over the week end were Yvonne Karr and Dock Jones. Mr. and Mrs. Ben Kearnes were present at church Sunday night the first time she has been out since her serious operation. Many farmers have started their binders and combines this week and with the harvest getting help lined up for the cotton gathering which will soon begin, all our community is indeed busy. Don't forget your fair and we hope our part of the county is well represented with cotton and grains as well as garden stuff.

Terry Julian and Early Joiner spent the week end in Abilene visiting relatives. Early went on to Houston on a business trip while Terry returned home Sunday night.

Mr. and Mrs. Grigsby Milton went to Amarillo Tuesday on a business trip.

TO WEST TEXAS STATE
Rosemary McDonald was accompanied to West Texas State in Canyon Sunday where she moved into Randall Hall for the fall term. She was accompanied to Canyon by her mother, Mrs. J. R. McDonald, brother, Hiram McDonald of Orange, Texas and sister, Mrs. J. M. Mayfield, of Levelland.

Mr. and Mrs. Fred Beall and baby of Amarillo spent Saturday night and Sunday here visiting his parents, Mr. and Mrs. Walter Beall.

WHY? WHY? WHY?

It is such a little word, yet she uses it so often . . . particularly when she is alone, and thinking to herself. For it seems, then, as if there are so many questions and so few answers.

She tells herself that she isn't unhappy. She is young and attractive, has a family and friends, and enough material things to satisfy her wants. Yet there is something lacking, something that makes her restless when she should be at peace, enjoying the bounty of some of the best years of her life. Why, she asks herself. Why?

The answer is a simple one. There is something lacking in her life . . . there is a void. She hasn't found the basic faith that can answer her questions. She needs the spiritual background that the Church alone can give her. And until she finds this—she will still be asking, "Why?"

Do you ask yourself "Why?" too?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Lanham-Tunnell Vows In Home Rites

The Rev. G. A. Elrod, pastor of the First Baptist Church, Silverton, officiated at the double ring ceremony performed Sunday, Sept. 5 uniting in marriage Miss Peggy Don Lanham and Larry Tunnell.

The service was read in the home of the bride's parents, Mr. and Mrs. Lenton Lanham of Rock Creek community. Mr. and Mrs. Clyde Tunnell of Silverton are parents of the groom.

Vows were exchanged before a lustrous white satin background banked with palms, baskets of pink gladioli and candelabra with pink tapers. White satin wedding rope completed the setting.

A piano prelude of "Always," "Oh Promise Me," "Thine Alone," "Wonderful One," "Indian Love Call," "As Sweet Mystery of Life," "I Love You Truly" and "Traumerel" was offered by Miss Roberta Garrett, who also played the traditional wedding marches and accompanied Miss Molly June French who sang "I Love Thee" and "The Lord's Prayer" as a benediction.

Given in marriage by her father, the bride wore a ballerina length gown of silk crystalline and nylon lace over taffeta and crinoline. Her cloche was of pink velvet with seed pearls and lily-of-the-valley entwined. She carried a white Bible topped with a white orchid and feathered carnations.

Mrs. Jack Harris served her sister as matron of honor. She wore a teal blue faille suit adorned with rhinestones. Her corsage was of pink feathered carnations.

Frances Tunnell and Edith Garrett lighted the candles. Richard Tunnell served his brother as best man.

Mrs. Lanham, mother of the bride, was dressed in melon colored lace with navy accessories. Her corsage was of white feathered carnations.

Mrs. Tunnell, mother of the bridegroom, wore navy lace with black accessories and a corsage of white feathered carnations.

At the reception which followed the bride's table was laid with a pink linen cloth and centered with a three-tiered wedding cake and a pink memory candle.

The couple left for a wedding trip to New Mexico. For traveling the bride chose a navy cotton suit with navy and white accessories. Her corsage was a white orchid.

Mr. and Mrs. Tunnell will be at home at 2309 9th St., Lubbock.

Mrs. Tunnell is a graduate of Floydada High School and attended West Texas State where she was a member of Pi Omega.

Mr. Tunnell, a graduate of Silverton High School, will be a senior at Texas Tech where he is majoring in business administration. He is now employed with the Cone Grain Company in Lubbock.

HOW TO BUILD A STORAGE BIN

A tilt-out storage bin as illustrated here is easy to make. Each bin is built to the dimensions required from 3/4 in. plywood reinforced at the corners with three-cornered wooden cleats. Back, sides and bottom are assembled and joined with glue and nails or screws. The front panel is attached with glue and finishing nails. The bin is then hinged at the lower end. The front panel may be painted to match the kitchen walls or trim.

Minute Editorials

Draw nigh unto God and He will draw nigh unto you.—James 4:8.

TODAY MARKS the opening of the first Floyd County fair in many years. Citizens from all parts of the county have spent many hours of labor preparing for the fair and trying to make an attractive and successful one. Our guess is that it will be surprisingly good. As far as agricultural exhibits and community exhibits go it should be a good one since this is the garden spot of the state agriculturally speaking (and not excluding the Rio Grande valley). Commercial exhibits, entertainments and attractions will add to the fair and bring people from miles around. We're sure that no one is going to be disappointed.

"WE THINK THIS FALL is going to be better than last fall" is the expression The Beacon men hear around town quite frequently. Various reasons are given. Of course crops are better production expenses have been less in most cases, labor is expected to be more plentiful. Local business houses are ready, we presume, to take care of the fall rush, and we trust the farmer is ready to house the hands he will need to gather his crop. We all need to be ready for harvest is just around the corner.

FOOTBALL PLAYERS REACT TO PUBLIC
 Football season will open here Friday night and, for the first time in several years, the Whiteface squad indicates prospects for an outstanding season. They may possibly even turn out to be of championship calibre. People are naturally discussing the Whitefaces. This is good, because they are our team. Coach L. E. Russell, a sage veteran of the gridiron, may have a slightly different outlook on the matter, however.
 "Please give the boys a pat on the back when they make a good tackle, throw a good block or play their hearts out," pleaded Russell this week when he addressed one of the civic clubs, then he added: "They remember the bad things; besides, we give them plenty of trouble about the mistakes they make." Russell

warned however, not to go so far as to create a "bunch of swelled heads."—Hereford Brand.

PAPER WELCOMES PUBLIC OPINION

Newspaper Staff Members are often asked: "Do you actually agree with that letter — or that story — you printed?"

Readers seem to think that the editor, or the reporter agrees with or approves of whatever he prints or writes. If he writes that it rained, supposedly he approves of it having rained.

Particularly, some readers get the idea that the editors of a newspaper must necessarily approve of the contents of any letter published, or any other signed article in the newspaper.

Such is no more true than it is that the bus driver approves of your destination just because he drives you to it.

A newspaper basically reports facts — as they are — not as the editor's would like them to be. In addition, many newspapers open their columns within practical limits to columnists who state their own opinion, and to readers who air their views on any subject.

In this way, the newspaper serves somewhat as a public forum, and as a means of public expression as well as a source of public information.

Whether the editors agree with the point of view expressed is of no import. What is important is that we offer the opportunity of public expression to our readers, asking only that they stay within bounds of good taste and good sense — and show responsibility by signing their letters.

Keep telling us what you think — but don't insist that we agree with you. — El Cajon (Cal.) Valley News.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

Sept. 18, 1924
 Lockney has excellent prospects for a bountiful harvest in cotton and feed this year. Tuesday the first two bales of cotton were placed on the market here.

During the electrical and rain storm last Thursday afternoon a mule team belonging to O. D. Wofford was struck by lightning at his place northeast of town and instantly killed. Mr. Wofford, accompanied by his wife and two babies were in the field gathering maize when the rain storm came up. The family got into the wagon and started to the house. Mr. Wofford, who had hold of the reins, was shocked when the lightning struck the mules but Mrs. Wofford and the children were unaffected.

Jim Sparks and Lester Phillips have purchased the interest of Mr. Russell in the Russell Taylor Shop and have assumed management of the shop. Mr. and Mrs. Henry Solomon who have managed the shop have moved to Floydada.

H. J. Mathis, living 4 1/2 miles south of Lockney, brought in the first bale of cotton for the 1924 season Tuesday morning. It contained 1380 lbs. of seed with 425 pounds of lint. The cotton sold on the streets for 22 1/2 cents per pound and a premium of \$50 making the bale bring a total of \$154.40. J. W. Mullins brought in the second bale Tuesday afternoon.

Among the school children in

the county will be the following faculty members, Erick, Albert Bond, principal, Mrs. Albert Bond; Pleasant Valley, Vernon Shaw, principal, Mrs. Vernon Shaw; Muncy, Mrs. Ruby Muncy, principal, Miss Artie Hough; Alton, J. M. Parsons, principal, Miss Roy Riley, Mrs. J. M. Parsons; Sunset, G. D. Tate, principal, Mrs. E. C. Nelson Jr., Mrs. Vera Snodgrass; Sand Hill, Olin S. Miller, Miss Ola Hanna, Miss Glenna Smith, Mrs. Cella Ross; Center, Mrs. J. P. Looney, principal, Miss Vera Meredith; Lone Star, A. A. White, principal, Miss Lillie Wingo, Mrs. Ruby Merrick; Roseland, J. B. Allen, principal, Mrs. C. H. Brown, Miss Anna Sims; Liberty, Mrs. Floyd Phegley, principal, Miss Helen Collier; Prairie Chapel, L. A. ... principal, Miss Ethel ... H. H. Nicholas, Miss Thelma Thompson; Providence, H. A. Allgood, principal, Miss Aline Ballard.

September 18, 1942
 The Lockney Longhorns open the season this afternoon at 3:30 against Memphis High at the local field. On the team are seven lettermen from last year's team. The backfield is well taken care of with Clinton Mitchell, Johnny Parrack, Joe Norman and Milton Zimmerman as returning lettermen. Lettermen in the line are Leonard Harper, Delbert Dagley and J. C. Colvin. Other members saw act on last year, though they did not letter.

Thacher-Suits vows said—Miss Joan Thacher and Gordon Suits, both formerly of Plainview, were married in Chicago recently in the chapel of the Fourth Presbyterian Church. The bride is the daughter of Mrs. Nell Thacher of Dallas and Walter Thacher of Plainview. The bridegroom's parents are Mr. and Mrs. A. A. Suits of Plainview, formerly of Lockney.

W. C. Stricklands On Vacation Trip

DeJuan Strickland and Sharinne Strickland have just returned from a vacation spent with their parents, Mr. and Mrs. W. C. Strickland at Onida, South Dakota. While there the family saw the world famous Passion Play of the Blackhills at Spearfish, South Dakota. They also took a trip through Wyoming and into Canada. They drove through the Shoshone Canyons and Big Horn Mountains in Wyoming, toured Yellowstone National Park where they saw moose, deer, bear and buffalo. One bear got his head and paws in the car window and scared the occupants very badly. From Yellowstone they went through Montana up to the Moose Jaw National Park in Canada.

Sharinne has returned to Southwestern Bible Institute at Waxahatchie for her second year and DeJuan will enroll at Wayland College, Plainview for the first semester.

CARD OF THANKS

We are deeply grateful for the many kindnesses, both known and unknown, shown us by friends, relatives and acquaintances at the death of our loved one. Your sympathy, kindness and understanding has helped us to bear our grief and we will ever be grateful to you. May God bless each of you in our prayer.

Mrs. Hugh Carroll and family.

Floydada Imp. Popular Massey-Harris Dealer

No review of the agricultural interests of this trade territory would be complete without mention of Floydada Implement Co. who are dealers for MASSEY-HARRIS Farm Implements and tractors, which are particularly adapted to farming conditions in the South Plains. The New-Big MASSEY-HARRIS Combine has 45 worthwhile improvements — there's nothing like them in the field. Be sure and see it at Floydada Implement Co. and you will be convinced it is indeed superior to any combine you have seen.

Floydada Implement Co. will make you an attractive trade on a new Combine, Tractor or other Massey-Harris farm equipment, with a liberal allowance on your old machine.

With the large feed grain crop this year there will be a shortage of grain storage. Floydada Implement Co. can make immediate delivery on a GUARDIAN All-Steel Galvanized Grain Bin. Let your grain storage bill pay for a bin of your own — 1250 and 2150 bu. bins are now available and Farm Storage Facility Loans have been extended another year — through June 30, 1955. You can now borrow up to 80% of the cost of a new GUARDIAN All-Steel Galvanized Bin from your bank, or direct from the ASC County Committee — 4 years, at 4% interest.

Floydada Implement Co. extend an invitation to residents of this area to come in and discuss their farm machinery, grain storage or implement repairs with them. They have a Service Department that repairs all makes of tractors and farm machinery and will give you a first class job. This concern features MASSEY-HARRIS Farm Implements, Good Service and Courteous Treatment and merits the patronage of the residents of this area.

Andy Taylor Trucking Co. Rates High

Well known throughout the South Plains is Andy Taylor Trucking Co., 300 S. W. 7th Street in Plainview who specializes in local and long distance hauling of Livestock, Farm Products, including Grain, Hay, Cotton and Cotton Seed as well as Pipe, Farm Equipment and general heavy hauling.

This popular hauling contractor maintains a fleet of fully insured trucks, his operators are thoroughly experienced and see that their load is transported safely and in the shortest possible time. They also are buyers of grain and will pay you fair market prices for your feed grain crop if you will phone them at 4-4849 in Plainview. Those who have used the trucking service and sold their grain to Andy Taylor Trucking Co. are loud in their praise for the good service and fair treatment that they have received. They are always glad to quote rates on trucking without obligation.

Each year the trucking business throughout this country has shown increased business. The trucking companies not only answer a great transportation problem but employ many people and pay large sums in taxes which are used to build and maintain our highways. We are glad in this review edition to compliment Andy Taylor on the splendid service his trucking company renders and recommend him to our readers throughout the South Plains.

Ranger 5th Wheel Wagon is Answer To Farmer's Need

The Southwest Wheel, Inc., 1501 E. Broadway in Lubbock are distributors in the Southwest section of the United States of truck, trailer and agriculture equipment such as farm wagons and trailers as well as axles and parts. Also tractor rims and dual rims.

H. L. ROGERS
H. L. Rogers, manager of the Lubbock branch has been with the company 19 years and opened the Lubbock branch, Sept. 2, 1952.

In discussing this equipment, Mr. Rogers stated: "The Ranger Wagon line has become very popular in farm use. The Ranger is available in both automotive and 5th wheel steering, but 5th wheel type is by far more popular as it eliminates whipping and wobbling and in addition to turning shorter, can be towed at higher speeds. It is ideal for use with cotton strippers and will carry tremendous loads. The 76" track Ranger 5th wheel wagon will straddle two rows, carries load more steadily by reducing side sway."

The Ranger 5th wheel wagon equipped with L. new Level Load coil spring axles were introduced to farmers in this area last fall in limited quantities. The performance of this wagon is amazing in that it glides smoothly down the roughest road, eliminating bouncing and shock to the bed and tires. It completely does away with side swaying on top heavy loads and pulls much easier, and without jerking the car or pick-up towing it. Farmers using this remarkable wagon declare they can save enough on bed maintenance and tire replacement to pay the difference in cost, if they are able to pull it faster.

Two great killers are tension and mental strain; avoid them even at great cost.

MR. AND MRS. JACK ELDON WHEELER

Ruth Jones Is Bride Of Eldon Wheeler

Ruth Jones, daughter of Mr. and Mrs. Gilbert E. Jones, Lockney, became the bride of Jack Eldon Wheeler, son of Mr. and Mrs. J. A. Wheeler of Hart, Texas in a double ring ceremony solemnized in the sanctuary of the First Baptist Church here Friday, September 3 at 5 o'clock.

Rev. R. E. Wiley, pastor, read the vows as the couple stood before an altar centered with a white wrought iron arch entwined with queen's wreath and flanked with candelabra and tall baskets of pink and white asters and snapdragons. The isles were marked with white satin streamers and bows.

Mrs. John A. Munselle played a prelude of nuptial music and accompanied Patty Adams as she sang "I Love You Truly." "The Lord's Prayer" formed the musical background for the

benediction as the couple knelt at the altar. Traditional wedding marches were used for the processional and recessional.

Entering on the arm of her father who gave her in marriage, the bride was attractive in white organdy designed with a fitted bodice featuring a high neck, Peter Pan collar and short sleeves. Tiny self covered buttons extended down the front to the point of the inspired waistline. The full gathered skirt was ballerina length. Her fingertip veil of nylon net and lace was caught to coronet of seed pearls. She carried a white Bible topped with pink rose buds showered with satin streamers.

For something old she carried a Bible belonging to Mrs. John A. Munselle which she carried at her own wedding. Blue was a garter, new was her wedding costume, borrowed was a hand painted handkerchief imported from Japan belonging to Mrs. Munselle. The handkerchief marked the scripture found in Ruth 1-16, "Entreat me not to leave thee, or to return from following after thee, for whither thou goest, I will go." For luck she wore a penny in her shoe.

Attending the bride as maid of honor was Betty Vernon. She was dressed in pink organdy ballerina length frock fashioned like that of the bride. She carried a bouquet of white carnations showered with pink streamers.

Candlelighters were Norma Jean and Nina Vernon. Their dresses were of pastel shades of organdy designed like that of the bride and maid of honor.

Mrs. Jones, mother of the bride, wore a navy blue suit with pink accessories and a corsage of white carnations. Mrs. Wheeler, mother of the groom, was dressed in a grey two-piece dress, black accessories and wore a corsage of white carnations.

Attending the groom as best man was Tom Perry Jr., of Olton. Ushers were Orval Jones, brother of the bride and Don Vernon.

Reception At a reception held in the church parlor immediately following the ceremony the refreshment table was laid with ecru lace over pink and centered with an arrangement of pink asters in a crystal bowl. Accenting one end of the table was a three-tiered wedding cake topped with a miniature bride and groom. Frankie Sparkman served the cake and Mary Richards presided at the crystal punch service. Dorothy Hewitt secured names for the register.

For a wedding trip to points in Louisiana and Mississippi the bride chose a powder blue suit of light weight wool flannel. Her accessories were pink and black and her corsage was of pink rose buds.

Norman, Oklahoma, Sept. 7.

In a ceremony read by the Rev. E. F. Hallock, father of the bride, Miss Ardelle Hallock of Lubbock, Texas, became the bride of Hardy Smith Clemens of Lubbock.

Parents of the couple are the Rev. and Mrs. Hallock of Norman, and Mr. and Mrs. H. P. Clemens, 3507 36th St., Lubbock.

The Rev. Mr. Hallock was assisted by the Rev. C. A. Roberts of Fort Worth. The ceremony was read in the Norman First Baptist Church.

An altar was formed by woodwardia greenery, lighted by candelabra of ice blue tapers. Pews were marked with white aisle posts holding blue candles tied with blue satin bows.

Musical Prelude

Mrs. Howard Oliphant, organist, and Mrs. Tink Townsend, violinist, provided the musical prelude and also music during the ceremony. Mrs. Frank White sang "O Perfect Love," "I Love Thee" and "Seal Us O Holy Spirit."

Given in marriage by a brother, Roger W. Hallock of Oklahoma City, the bride wore a waltz-length dress of ice-blue illusion over taffeta. The portrait neckline of pleated illusion was outlined by scallops of Chantilly lace. Short sleeves were completed by illusion mitts, and the skirt featured fan-shaped motifs of pleated illusion centered with Chantilly lace, applied in tiers.

Her tiered veil was attached to a velvet cap, and she carried a bouquet of a white orchid surrounded by blue delphinium, stephanotis and lilacs-of-the-valley.

Mrs. Roger W. Hallock was matron of honor, and wore a blue antique taffeta waltz-length dress. The portrait neckline was designed with tiny tucks and buttoned down the front. She carried a bouquet of red roses and English ivy.

Jan Mead of Lubbock was flower girl, wearing a dress identical to that of the matron of honor. Her wristlet was of red garnet roses and she carried a

Mrs. Wheeler is a 1954 graduate of Lockney High School. Mr. Wheeler is a graduate of Olton High School and attended Howard Payne College in Brownwood two years. After Sept. 12 the couple will be at home on a farm near Hart, Texas.

H. P. Clemens attended his son as best man. Ushers were Bill Mead of Lubbock; Roy Bass of Lubbock; E. J. Tarbox of Fort Worth, Texas; Bill Burton of Fort Worth, Texas; and Lyndal Bingham of Spur, Texas. Candles were lighted by Mead and Bass.

The wedding reception was held in Hallock Hall of the church.

Following a wedding trip, the couple will be at home at 3316

with brown and pink accessories. Her corsage was a white orchid.

The bride attended the University of Oklahoma. The bridegroom is a graduate of Texas Tech where he was a member of Kemas fraternity. He is now a Baptist minister.

The bridegroom is a former resident of Lockney, having lived here about eight years while his father was superintendent of schools.

THE SUPERIORITY OF SPIRITUAL WEAPONS

It is true that the New Testament church is, from a comparative standpoint, weaker in numbers than human organizations. But God has never placed the primary emphasis on numbers. A small minority with unconquerable convictions can uproot the errors of a great majority who lack such convictions. It is true that from the standpoint of money, political power and social influence the New Testament church does not rank with human organizations. But these are in no sense the weapons that are most essential.

After saying all that can be said about the strength of man-made religion and the numerical weakness of the New Testament church, this fact still remains: The New Testament church is built upon the unshakable foundation of eternal truth. The church is not bed-ridden with human creeds; it is not weighted down with any human ecclesiastical system of government. It owes no allegiance to any human leader. It is not obligated to apologize for any human practice nor to defend any human doctrine.

Error, however firmly entrenched, cannot long stand against truth, if truth is properly presented. All the forces of evil cannot prevail against the forces of righteousness, if the forces of righteousness are brought to bear in all their might. The carnal weapons of Satan cannot survive the offensive power of the sword of the Spirit, if the sword of the Spirit is effectively wielded. Darkness cannot prevail when the light is made to penetrate.

Those who are inclined to be pessimistic may counter: "Even though these things are true, human religion has been here a long time, and error has held sway for centuries." Certainly. And why? Because we have made little use of the weapons that God has placed in our hands, and much of the use that we have made of the sword of the Spirit has been unskilled and ineffective. Instead of preaching the gospel we have been content to keep it to ourselves and for ourselves. "We have the truth," we have boasted—and sometimes in a way that has given the impression that we feel we are the only ones who are entitled to it. Instead of propagating the truth, we have sat on it. Perhaps in our indolence we have been expecting it to hatch. We have been asleep at the switch.

But, thank God, we are awakening! The past fifteen years have demonstrated in many places what God's people can do when they set their hearts and hands to the carrying out of the God-given mission of the Lord's church.—Selected.

Well, here is the Lariat once more, and here we are, the Lariat staff. We're going to try to put out a good paper this year, but we'll need your help as most of us are rather inexperienced in journalism work. I think that we have a staff who will work hard to present each week's news completely, clearly, and in an interesting manner. You'll see some familiar columns such as the Whozit, sports and write-ups of other school activities, but there will be new faces behind them. Stick with us and we will try to put out a school paper that you can be proud of. Here we go so wish us luck!

School Absentees

When a pupil misses school for any reason, it will be necessary for him to bring a written excuse from his parents telling why he didn't attend school. It is left up to Mr. Smith's judgment as to what shall be done about an unexcused absence, but a plan has been worked for pupils having legitimate excuses. For each day that the pupil misses, he is to report for three days from 12:25 to 12:55 p. m. to the make-up room 207. The make-up room has been established for the students benefit as it gives the student an opportunity to make up any work that he has missed. In case a pupil does not complete his make-up work in the allotted time, he will be required to report to the make-up room each day until he has done it. With everyone's cooperation this plan should be successful.

Band News

By Smiling Sam
 Bang! There's the gun sounding the half and here is Smiling Sam to describe the half-time activities for you. Howdy, folks. This is Smiling Sam, your half-time announcer, giving you a step by step description of the Lockney Longhorn Band, under the able direction of Elmer Stinson, in their half-time activities. And here comes the band, marching from the north end of the field, playing "The New Age March." The band is led by drum major, Franklin Sprudell, and following close behind are the majorettes: Neil Cunyus, Sunnie Lawson, Clara Lee Smith, Oddie Mae Rogers, Eddie Lynn Hammonds, and Darla Allison. The band is marching to the south end of the field and is making a counter-march. They have marched to the forty-yard line and have halted. The drum major gives a whistle signal and the band plays "Where Did You Get That Hat?" Another whistle is given and the band is forming a top hat. In this formation they are playing "For He's A Jolly Good Fellow." Now the band is forming a derby hat and is playing "The Bowery." Another whistle and a cowboy hat is formed. "Red River Valley" is played in this formation. The band now forms into a military hat and plays "American Patrol." A big long whistle is given and the band returns to band formation. Two whistles are given and the band steps forward playing "The New Age." At the north end they do a counter-march and march past the stands to the south end of the field, where they are marching off in single file. Well, folks, that was the Lockney Longhorn Band and this is Smiling Sam hiding you all the best of luck until next week when I'll again be broadcasting the half-time activities from Mitchell-Zimmerman football field.

First Pep Rally Held

Yea! Longhorns, Fight! Fight! rang out last Friday in the high school auditorium as the first pep rally of the season was held. Claude Brown, Bob Miller, Kenneth Cook, and all L. H. S. students were giving their whole-hearted support to the Longhorns. The cheer leaders did a fine job of leading the enthusiastic group and the band also played very well. Everyone showed the Longhorns that they are backing them all the way. Yea Longhorns! Sgt. at Arms — Nelson Wolford, Reporter — Larry Hammit.

Lockney Scores Once In First Game

By Buck and Bucky
 The first game of the season was lost to the Hale Center Owls 11 to 6. The Longhorns were driven back in the first quarter, but came back and drove the Owls to the 20 yard line the second quarter. Lockney scored only once with a pass thrown by Charles Vaughn to Bucky Duvall in the third quarter. Outstanding players were: James Dollar, Hoffman and Dalton for Hale Center; Duvall, Weldon Jones, Pat Williams, Johnny Banst, Marion Cross and Jimmy Rankin for Lockney. Friday night the Longhorns meet Dimmitt in Lockney. Back the Longhorns!

Library Rules

Mrs. Elvin Lyon, high school librarian, stressed the following library rules: Magazines, encyclopedias, and dictionaries are to be checked out for only one period at a time and are not to be taken from the library. The study hall teacher should see that these are turned in ten minutes before the period ends. Fines will be charged when these rules are not observed or when the articles have been abused. Other rules concerning the library will be published later.

FHA Chapter Meeting

By Rita Griffith

The F. H. A. Officers met Sept. 3 to make plans for the regular Chapter meeting which was held Sept. 6. The officers worked out some of the finance activities for the coming year which were approved by the members. They are: Hobo Day, September 18, a bake sale by taking orders, sponsor the Serenaders of Lubbock and possibly The Country Road Show. The F. H. A. will have the concession stand at the football game October 1st. At the Chapter meeting a program of talent was given by some of the F. H. A. girls. Included in the program was a trio by Joan Harris, Barbara Hays and Eldora Boone; a dance by Jimmie Holt, a quartet by Kay Golden, Gail Rucker, Hope Cox and Loy O'Brien, and a reading by Rita Griffith.

Mrs. Irons, the sponsor, talked to the group about important events of the year, some of which were: the Area Meeting which is to be in Amarillo March 5, the State Meeting that is to be held in Galveston April 21, 22 and 23, the degree work that the students will be doing this year, and national F. H. A. week that will be the first week in November.

The meetings were presided over and adjourned by the president, Edna Morris.

Pep Squad's New Look

This year the pep squad consists of about seventy-five girls led by five peppy cheerleaders: Jan Mathis, Frankie Hardy, Barbara Jo Hayes, La Juan Henderson, and head cheerleader, Betty June Jackson. These cheerleaders look very attractive in their new uniforms which consist basically of wool turtle-neck sweaters and felt skirts. The pep squad girls wear white v-necked sweaters and maroon corduroy skirts. The girls carry maroon and white pom-poms. Their sponsor is Mrs. Troy Ingram who, among other things, has helped the pep squad improve their marching ability.

GO TO CHURCH SUNDAY.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, SEPT. 16, 1954

Red Roses To You

Since the Red Rose is the official F. H. A. Flower, the members of this organization wish to send a large bouquet of them to our Superintendent, W. C. Irons, and to our School Board Members: F. C. Baccus, Clark Harris, Ernest Tannahill, Homer Bartram, Robert Lee Smith, Oscar Golden and Frank Brown for making it possible to have the Homemaking Department included in the remodeling program of the High School.

The one time Living-Dining room area that had to be used for a class room before building the Junior High, has been restored and refurbished. This is a much needed area for our work and will certainly be used. The old swing seats have been replaced with oak chairs to match the tables in the sewing lab. The walls of the Homemaking Department, as well as the entire High School wear a fresh coat of paint.

Thanks also go to Mr. Brewer,

the F. F. A. sponsor for making the cornice boards for our windows, to Mrs. Irons for making draw drapes for the living and dining rooms, and to our custodians for their labor in our part of the decoration program. Lockney F. H. A. Members.

Welcome New Teachers

The faculty and the student body are very happy to welcome to L. H. S. Mr. and Mrs. Troy Ingram, Mr. Rudy Haile, and Mrs. H. D. Cain, the science teacher. We are glad you chose Lockney as your new home, and here's hoping you'll be very happy here.

The 1954 estimated yield of Texas cotton is 212 pounds an acre. This compares with 233 pounds an acre from the harvested acres last year. Dry, hot weather can still cut this year's crop.

ATTENTION, CAR OWNERS!

CONCERNED ABOUT AUTO INSURANCE RATES?

Consult your local STATE FARM agent and inquire about the PARTICIPATING POLICIES issued by STATE FARM. SUBSTANTIAL DIVIDENDS have been paid to Texas policy-holders year after year, cutting their insurance costs considerably.

FW&D Aids In Clean-Up At Sterley

The Fort Worth & Denver Railway recently sent a crew of workmen to Sterley to work over the waste disposal system at their apartment house there. The system had been too small, residents of the community said, and was creating a health hazard. The crew spent two weeks on the system, enlarging and improving it, and it is now adequate to take care of the needs.

Residents of the community enlisted the aid of officials of the Lockney Chamber of Commerce in calling the need for repairs to the attention of the FW&D officials, it was reported. When it was called to their attention, work was begun immediately on the improvements.

A community-wide spraying campaign at Sterley has also helped to eliminate flies and reduce chances for disease, residents of that community report.

VISIT RELATIVES HERE

A. C. and Mrs. Clarence W. Herd Jr. arrived Tuesday night from Sheppard Airforce Base, Wichita Falls to visit Mrs. Herd's parents, Mr. and Mrs. John Chandler and family.
