

## FIRST MONTH JUST CLOSED

### SUPT. T. J. YOE MAKES REPORT TO SCHOOL BOARD.

Discusses Many Questions of Interest to Citizens of Canyon.—The Training School.

To the Honorable Board of Trustees, Canyon Independent School District.

Gentlemen:

I have the honor to submit to you the following report of the condition of the schools of this city for the month just ended:

No. of pupils of scholastic age enrolled; male 144, female 166, total 310.

No. pupils over scholastic age enrolled; male 3, female 9, total 12.

No. pupils under scholastic age enrolled; male 9, female 9, total 18.

Average daily attendance of scholastics; male 106, female 138, total 246.

Average daily attendance of overers; male 2, female 6, total 8.

Average daily attendance of unders; male 7, female 7, total 14.

Average daily attendance of all ages; male 117, female 157, total 274.

Total number of cases of tardiness, 72.

Total number of visitors, 40.

Amount of tuition collected from unders, \$9.84.

I feel that I should be falling short of my duty if I did not publicly commend both teachers and pupils for the excellent start made in the work of the year. It is no easy task to harness the vagrant energies of a three-month vacation and settle down to the routine of schoolroom duties, and yet in the majority of cases, this has been done without loss of time and with comparatively little friction.

In order on the grounds and rooms has been good, considering the unfinished condition when school opened. I fully trust that both pupils and patrons will aid us in the observance and enforcement of the simple regulations of the school; the pupils by cheerful obedience to the just requirements of the teachers, and patrons by active co-operation and sympathy at home.

No parent has the moral right to deprive his child of the benefits of an education. Better far that the child should suffer some seeming present injustice than that his future be blighted by a too-often blind acceptance of his story of school-room happenings. This is a simple matter of justice—that the teacher may present his side of the question as well as the child. And, this can best be accomplished in a joint interview of parent, teacher and superintendent. If all parents will heed this suggestion during the year the best interests of the school at large will be conserved and possibly the future usefulness of the child saved to the state.

### TRAINING SCHOOL DEPARTMENT.

May I be allowed to say a word with reference to the Training School Department of the Normal and Public Schools? This department of the Normal school work is too vital to its needs and too much fraught with possible good to the children of Canyon to call forth any plea on my part for its creation or existence. But may I not plead for the kindly patience and active support of every patron and friend of edu-

cation to aid us in the solution of the many problems which such an organization and relation of the two schools must bring about?

If at all times the result to be achieved, with reference to the work of your child, is not apparent, remember that back of the plan and the child stand earnest, competent and thoughtful men and women, who are giving to this question their best efforts and study. The question of the training school, in connection with our normal schools, is too new a field—alas! in Texas—to be summarily dismissed or condemned. Surely an organization which has so long existed in other states, and proved itself of benefit to all concerned, cannot be of itself an idle whim or venture. Canyon should enjoy the proud distinction that within her borders an institution should be found whose thoughtful leader has had the courage of his convictions to make the innovation in Texas by establishing this—the most vital adjunct of the professional training of our teachers. This not a plea for existence but for justice.

### REPORTS.

At the end of each month report cards will be given all pupils of the grammar school department, and at the end of each quarter (45 days), the high school section will receive their reports.

If the work of any pupil in the high school falls below the requirements for promotion in any subject a statement to that effect will be mailed to the parent at the end of each month. This is to keep the parent informed at all times of the work of his child. If such a statement is not received it is an evidence of the fact that passable work, at least, is being done by the pupil. Upon receipt of this report, the parent is urged to come and consult with the teachers and superintendent, as to what can best be done. Of course, a continued failure to do the work of any grade is sufficient reason why the child should be put back where it can do its best and this will be done when other means have failed. The schools exist for the good of the child. His position in the school is determined by his preparation and ability to do the work of his grade and not by the pride of his parents in their desire to see him merely "make grades," at the expense of thoroughness.

Of course no child can do the work of the school and attend parties or socials during school nights: I am sure the parents of Canyon will keep us in this.

### WANTED: A PIANO AND LIBRARY.

A generous, progressive board under the leadership of a thoughtful, conservative president, has provided for many of the material wants of the school. But something had to be left to the efforts of teachers, pupils and Mothers' Club. We are trying to enlist the support of all these in the purchase of a piano for the auditorium and much needed reference books for the library.

We hope to see every mother who has a child in school and is interested in that child, at the organization of the Mothers' Club Friday, October 13th.

Below will be found a list of the pupils making the highest average in attendance, deportment and scholarship for the month just closed:

Second grade—Eunice Service, Alice Prichard.

Third grade—Edward Wray, Zecie Hicks.

Fourth grade—Leons Ashby, Marie Chesser.

Fifth grade—Ora Thompson, Ethel Rives.

Sixth grade—Lawson More-

## FINE CROSSINGS FOR THE SANTA FE

### RAILWAY IS DOING GOOD ON ROAD IN CANYON.

Balasting Gang has now Reached City Limits and Making Road Bed very Fine.

Some of the prettiest work ever seen in railway road building is to be found on the Santa Fe tracks in Canyon and the best crossings ever seen on any railway are to be found in the corporate limits of Canyon where the railway company has a large gang of Mexicans at work fixing the road bed up in general.

The gang has been working down the line and this week reached Canyon on their mission of beautifying the roadbed. A long train of cars is kept busy operating between the gravel pit in the canyons and the scene of action on the road. The gravel is hauled out from the pit and dumped on the road bed and it is the work of only a few hours until the gravel has been crushed, packed, smoothed and rounded along the side of the ties and rails, making a very beautiful piece of work.

In Canyon, the gang has made crossings that are said by many citizens to be the most beautiful they have ever seen on any railroad in any part of the United States. Rocks are laid regularly from the road bed out over the culvert to the distance desired for approach, and gravel is then packed solidly in the leadway, the rocks on top being literally pulverized. The effect is that when the crossing is completed, it is a work of beauty and durability.

The company is also having all weeds cut and burned.

The company is to be congratulated on the good work done on the road bed upon the crossings which it is putting in.

land, Groves Kilbourne.

Seventh grade—Prudie Prichard.

First Year High School—Ada Terrill.

Second Year High School—Edith Cousins.

Third Year High School—Bina Cochran.

Fourth Year High School—Mabel Rogers.

No pupil notably deficient in either attendance or deportment will be accorded this mention.

If these reports from time to time serve the purpose of keeping the patrons in touch with the strivings and needs of the schools, their purpose will have been accomplished. A cordial invitation is extended to all to visit the school.

Respectfully submitted,  
THOS. J. YOE.

### Church Social.

At the Methodist church Monday night the Baraca and Phila-thea classes and the Epworth League were hosts to the young people of the church and the Normal students. After a get-acquainted program, a short musical program was rendered. Ice cream and cake were served as refreshments.

### Cutting Millet.

All over the country the millet crop is being cut and baled. The farmers report that the yield of this year's crop is exceptionally good. Many farmers are reporting 2 to 3 tons per acre and the price per ton is around \$10.

## Which Shall We Have?

### THE TOWN OF NO GOOD

My friend, have you heard of the town of No Good  
On the banks of the river Slow,  
Where the Sometime-or-other scents the air  
And the soft Go-easy grow?  
It lies in the valley of What's-the-use,  
In the province of Let-er-slide;  
In the home of the reckless I Don't care,  
Where the little Give-it-ups abide.  
The town is as old as the human race,  
And it grows with the light of years;  
It is wrapped in the fog of the idler's dreams  
Its streets are paved with discarded schemes  
And sprinkled with useless tears.

### THE TOWN OF SOME GOOD

My friend, have you heard of the town of Some Good  
On the bank of the river Work,  
Where the noise of the hustle fills the air  
And high ambitions lurk?  
It lies in the valley of Nows-the-time,  
In the province of No-delay;  
It's the home of the careful ever alert,  
Where the big stick-to-it stay.  
The town is as young as the day before,  
And it grows in the darkest years;  
It is wrapped in sunshine of successful dreams  
And praises are sung to its honest scheme  
And echoed in Joyous cheers.

## NEW FORMS FOR TAX COLLECTORS

### STATE AUTHORITIES WILL TRY TO DETERMINE NUMBER OF VOTERS.

New Methods are being Employed in Order to Eliminate Fraud.—Uniform System.

That the state officials will do all in their power to eliminate frauds in state elections hereafter is shown by the large number of new forms that are being sent out by the comptroller to the tax collectors regarding the issuing of tax receipts. In the past the method employed was more or less in the hands of the tax collector, but now monthly reports are required by the state officials on four different blanks, and the collector is required to make affidavit to his reports on tax receipts and exemptions granted.

The four new forms issued are: number of poll taxes received; exemptions granted; number collected found upon collector's supplemental roll; those that appear upon the assessor's roll. The collector is required to send to the comptroller every month a list containing the results obtained on these four forms to which affidavit must be made.

The attention of the collector is also called to the clause in the Terrell election law which says that exemptions shall not be issued to men over 60 years of age except in towns over 10,000.

With full reports from each county in the state, it ought to be possible hereafter for the state officials to readily find the precincts where frauds are being practiced, and to a great extent eliminate the same. It is a step in the right direction.

Come to Canyon to live.

### FOURTH CUTTING OF ALFALFA.

C. R. McAfee's Alfalfa Turns out 4 Bushels Seed to Acre—Selling \$9 per Bushel.

Preparations are being made by the alfalfa raisers for the fourth cutting of their crops. From every hand comes the report that this cutting will even excel the record breaking third cutting, which was the best in years. The weather has been very favorable this month for growing alfalfa and the raisers will have a fine fourth harvest.

C. R. McAfee is threshing his third cutting and reports that on one of his 25 acre fields there was a yield of 100 bushels or 4 bushels per acre. The seed will sell at \$9 per bushel, making \$36 per acre for seed besides the straw from this cutting and the other four cuttings of hay. The hay is now selling at \$14 per ton and has yielded over a ton to the acre at every cutting.

### New Crossing.

The Citizens Lumber Company has just completed improvements at their yards in the way of a new cement walk and fine crossing from the street to the yards. The crossing is made of cement and is put in very strongly. The company has also done a very good job cutting and burning the weeds around their yards.

### Birthday Surprise.

A birthday dinner was given yesterday noon by Mrs. J. E. Winkelman in honor of Mr. Winkelman's birthday. The dinner was given as a surprise and worked out fully to the desires of the hostess, as upon coming home Mr. Winkelman found the guests in the parlor playing 42. A three course dinner was served. Covers were laid for Drs. Ingham and Griffin, Messrs. Winkelman, Terrill, McAfee and Warwick.

## ATHLETICS FORM IN ASSOCIATION

### GOVERNING BOARD COMPOSED OF MANAGERS OF TEAMS.

Members of Athletic Association Composed of Students, Faculty and Others Approved.

The students of the Normal have organized themselves into the Athletic Association of the West Texas State Normal College, the purpose of which is to govern and direct the various athletic features of the school. This organization was perfected last week and all athletic activities of the school has been placed into their hands.

The officers of the organization are as follows:

L. N. George, president.  
Miss Jessie Secrest, vice pres.  
R. D. Morley, secretary.  
Prof. J. G. Miller, treas. and gen. mgr.

Odus Turner, mgr. football.  
Miss Anne Thomson and J. G. Holden, mgrs. basket ball teams.  
G. H. Morley, mgr. tennis.

The manager of the baseball team has not been elected as yet.

The members of the association are divided into two classes, active and associate. In the first class are the students and faculty members. In the second are others who are approved by the governing board.

The fees are: to the active members, \$1 initiation fee and 25c per quarter; to the associate members, \$1 per month. This fee admits the members to all the use of all the grounds and equipment of the association.

The colors of the association are white and maroon. To all those who make the first team in any athletic line will be awarded an emblem of WT, made of white on a maroon background. Any other member may wear the emblem in maroon on white background.

Mr. Miller says that within a few days the gymnasium will be fixed up in good shape. A large amount of equipment was purchased last year which has never been put in place. When all completed the gymnasium will be by far the best in this section of the country.

### Book Club Next Week.

The second program of the Ladies' Book Club will be held at the court house on next Wednesday. The study of Shakespeare's Hamlet will be continued. The following is the program:

Roll Call—Noted actors who have played Shakespeare.

Summary of events which lead up to the play.—Mrs. Hutchings.

Lesson—Act 1, scenes 1 and 2.

How does the atmosphere of the first scene give us the tone of the whole.—Mrs. Miller.

### Men's Prayer Meeting.

Men's Prayer Meeting at the Baptist church, Sunday, Oct. 8, 2:00 p. m.

Subject—Resistance of Temptation, Proverbs 1:10-19.

Every man, young or old, invited. Come prepared to take a part and make this meeting worth while.

### 3-8 Inch Rain.

Canyon was visited last Saturday by a 3-8 inch rain. Rains in every direction were reported which will help much in sowing wheat.

# THE GREAT Majestic Range

## THE WORLD'S BEST

It is made from the very best malleable and charcoal irons. It will stand the very severest test that can be made or that has ever been made by any range dealer, it matters not when, where or how. THE MAJESTIC will stand them all.

The Majestic will consume less fuel and last longer than any other range. It is lined throughout with Genuine Asbestos and not with imitation asbestos which has to be placed between two pieces of steel to make it stay in place. The lining is guaranteed not to fall down or give away.

This range can be equipped with a 15 gallon solid copper, nickel plated, reservoir which can be attached with water front or water back with boiler at any time.

The Majestic is fully guaranteed in every way, it matters not how, that any range has ever been guaranteed and we are here with you to make good what we claim for the Majestic, giving you the best range for a reasonable price. We don't ask you to give us a signed order which is collectable by some unknown party whether or not your Range comes up to what was claimed for it.

Come and see THE MAJESTIC RANGE for yourself and let us show and tell you what we claim for it and then judge for yourself before you are persuaded to buy some other range which is claimed to be better than some unknown and irresponsible party.

# BUSINESS MEN'S POPULAR VOTING CONTEST

## Diamond Ring, Organ and Other Valuable Articles Given away by Certain Canyon Firms.

A number of enterprising business men of Canyon have interested themselves in giving away absolutely FREE, a beautiful Diamond Ring, Gold Watch, Organ and other handsome gifts. The organ is to be given to the organization receiving the greatest number of votes and the diamond ring and other articles to individuals from time to time, receiving the greatest number of votes.

The plan is a novel one and commends itself to the public, there being no outlay on the part any one other than the people who are doing this to stimulate cash trade, and at the same time bestow valuable gifts that will be permanent advertisement for them.

Briefly stated the plan is this: Each firm that is interested in the contest is provided with voting tickets, and for ten cents worth of goods purchased or work done, issues a ticket entitling the holder to one vote. The ticket can be voted for the church, school, lodge or club and any individual of the purchaser's preference.

A 10 cent purchase entitles holder to one vote, 20 cents to two votes, \$1.00 to ten votes, \$5 to 50 votes and so on. Tickets can only be had from firms who have secured an interest in contest and on cash purchases. Number of votes on each ticket should be made with ink or indelible pencil. No charge whatever is made for tickets. You vote for the organization and individual of your choice on each ticket. Each week the votes will be counted and the standing of contestants announced in the RANDALL COUNTY NEWS. A disinterested committee will be selected to count the votes. At the close of the contest, February 24th, 1912, the organ will be awarded the organization having received the greatest number of votes, and the diamond ring to the individual receiving the greatest number of votes from beginning to end of contest.

The following firms will supply tickets free of charge on lines of goods mentioned and explain all about the contest:—

- Turk & Armstrong Dry Goods Co.,** Dry goods, Notions, Clothing, Shoes and Millinery.
- Stewart & Ballard, Staple and Fancy Groceries.** Everything good to eat.
- Thompson Hardware Co.,** Shelf and heavy Hardware, Stoves and Ranges, Implements, Buggies, Wagons, Windmills, Harness and Saddles.
- Cassles Drug Co.,** Drugs, School Books Stationery, Diamonds, Cut Glass Watches and Jewelry.
- The Randall County News,** Subscriptions and Printing.
- S. A. Shotwell & Co.,** Coal, Grain, Field Seeds and Hides. Phone No. 4.
- Bishop's Place,** Confectioneries, Best of Candies, Ice cream, Cold drinks and Fine cigars.
- Canyon Lumber Co.,** Sash, Doors, Blinds and all kinds of Building Material.

REMEMBER—That you can get tickets ONLY at places above mentioned, that all tickets voted will be kept until close of contest and will be subject to investigation at any time, insuring a fair contest. No lady connected with any firm in contest will be permitted to enter contest as a candidate, and no salesman is permitted to solicit votes from customers. The News is the only paper giving votes.

### FIVE HANDSOME SPECIAL GIFTS

- FIRST SPECIAL GIFT**—Is a pretty umbrella for the lady getting the most votes by Oct. 24th 6 p. m.
- SECOND SPECIAL GIFT**—Is a magnificent necklace and locket for the lady getting the most votes between Oct. 24, and Nov. 24, 6 p. m.
- THIRD SPECIAL GIFT**—Is a splendid pearl handle carving set for the lady getting the greatest number of votes between Nov. 24, and Dec. 24, 6 p. m.
- FOURTH SPECIAL GIFT**—Is a Ladies Gold Watch for the lady getting the greatest number of votes between Dec. 24, and Jan. 24, 6 p. m.
- FIFTH SPECIAL GIFT**—Is a beautiful Cut Glass Water Set, consisting of pitcher, 6 glasses and a reflector, for the lady getting greatest number of votes between Jan. 24, and Feb. 24, 6 p. m.

**DIAMOND RING AND ORGAN**—Lady getting the most votes from beginning of contest to close of same will be awarded the diamond ring, and the organization having the greatest number of votes secures the organ. Keep in mind that you can enter the contest at any time and have just as good opportunity to get some of the special gifts as those already in the contest. The ladies securing these special gifts will not be dropped from contest but will continue until close. All votes count for the ring and organ.

**Voting Box, Diamond Ring, Watch, Umbrella, Necklace and Locket and Cut Glass Water Set at Cassles Drug Co. Organ to be at Turk & Armstrong Dry Goods Co. Fine Carving Set at Thompson Hardware Co.**

# STILL LEADER

Texas continues to lead the procession of her sister states in the matter of acreage, tillage, variety of crops and production. The Panhandle leads all Texas and with the steady increase of new and sturdy citizens, the opening up of virgin lands to plow and successful cultivation, will show a magnificent gain with each succeeding year.

Panhandle alfalfa is now being fed out in the less fortunate districts of other states which have suffered from drouth and heat. During the coming fall and winter Panhandle Kafir corn and Milo maize will acquire new markets in different sections of the country. Their excellence as a balanced ration for all kinds of stock will be demonstrated in heretofore new territory, the markets thus acquired will be permanent and will broaden as their superiority as an all-round feed is recognized. Many of our Randall county farmers are now planting Milo maize on the same ground from which they have just taken a crop of oats or wheat and will realize a second substantial dividend from their land. Our forage crops will help to supply the deficiency in the hay crop of other states and need only this opportunity for a trial in order to be given high rank in that class of feed.

The torrid wave which recently held sway over the Middle West and East, taking heavy toll in the lives of babies and adults, was tempered by our altitude and cooling showers into the most favorable growing weather for crops. Contrary to the general opinion of those not familiar with our climate, that our geographical location is conducive of extreme summer heat, the Government records for eighteen years show our average temperature for the months of June, July and August was 74.2 degrees and each year a larger number of people come to the Panhandle to enjoy the delightful summer.

Our climate is particularly favorable for diversified farming and stock raising, our soil is rich and productive, our rainfall ample in normal seasons, an inexhaustible supply of pure water is obtainable at a reasonable depth.

I have a number of choice farms in Randall and adjoining counties, improved and unimproved, and at the figure at which they can be bought now are certain to prove a most profitable investment.

### SPECIAL DAYS.

Custom For Years Past is Still Carried Out.

As has been the custom for years, the State Fair of Texas, as assigned special days to various organizations and societies, providing two large and spacious auditoriums for their convenience and special use, in which to hold conventions and hear lectures upon various educational subjects, etc.

The Fair Association has just issued their calendar for 1911, which is as follows:  
**SATURDAY, OCT. 14.**  
Opening Day, Children's Day, Anthropological Day.

Opening Day has always been devoted to the school children, all under twelve years of age being admitted free and all over twelve at half price, 25 cents.  
**SUNDAY, OCT. 15.**  
Sacred Concert Day.

Sacred concert will be given in the Coliseum morning, afternoon and night by Thavius' Band, with vocal solos by four of the most noted artists in the land.  
**MONDAY, OCT. 16.**  
Press Day.

The first Monday has always been devoted to the entertainment of the Press representatives, from all sections of the country, and the entire Fair Park is turned over to them and their ladies for their special entertainment. Every courtesy will be extended and nothing will be left undone for their comfort and pleasure.  
**TUESDAY, OCT. 17.**  
Confederate Day, Kansas Day and Reunion of K. S. A. C. Alumni Association.

Details of Confederate day and its special features to be published later.  
**WEDNESDAY, OCT. 18.**  
Mothers' Congress Day, Brotherhood of American Yeoman Day, With Uniform Drills by Lady and Gentlemen Members of the Order.

**THURSDAY, OCT. 19.**  
Dallas Day, Retail Merchant's Day, Women's Forum Day, Spanish War Veterans' Day.

On this day every institution in the city of Dallas closes its doors and every officer and employe may attend the Fair and by their attendance make it a record breaker.  
The Retail Merchants' Association of Texas will also meet in convention in the Auditorium No. 1, and advices received from W. M. Morgan, president of the association predict a rousing attendance. The ladies of the Women's Forum will be exclusive in Auditorium No. 2, and have prepared an elaborate program and entertainment. The Spanish War Veterans will also gather on this day to meet old comrades and enjoy the many features of the Fair.

**FRIDAY, OCT. 20.**  
Kid-Key Day, Austin College Day, Milford College (T. P. C.) Day, Georgia Day.

Kid-Key Alumni and students will attend in a body and hold their exercises in Auditorium No. 2. Austin College and Milford College will meet in Auditorium No. 1. This will also be Georgia Day and all Georgian-Texasans will gather for a jolly reunion and royal good-time.  
**SATURDAY, OCT. 21.**  
Drummers' Day, Sacred Harp Day, Polytechnic College Day.

Drummers' Day has always been an eventful one, and on this day every knight of the grip lays aside business and samples with the one purpose of having a good time with their thousands of friends from every point of the compass. None know better how to do this than they, and the Fair Association is preparing an enthusiastic welcome.  
The Sacred Harp Societies will convene on this day in Auditorium No. 1, which will be specially arranged for their exclusive use and convenience. Messrs. J. J. Simmons and R. C. Ayres, the capable members of the arrangement committee, have attended to every detail and prepared to care for double the attendance of 1910.  
**SUNDAY, OCT. 22.**  
Sacred Concert Day, Sacred Harp Day.

**MONDAY, OCT. 23.**  
G. A. R. and Relief Corps Day, Pine Art Day, Tuesday, Oct. 24, Boys' Corn Club Day, Boys' and Girls' Hog Club Day.

This day will be devoted to the entertainment of the farmer boys and girls and a rousing program has been arranged. The Boys' Corn Club now has a membership of 20,000 in Texas, all of whom are very enthusiastic over the good time in store and it is expected that the full membership will attend.  
The Boys' and Girls' Hog Club, while only organized this year, is making wonderful advancement with reported membership of over 2000 enthusiastic pig raisers, all determined to produce prize winners that will be the envy of their fathers and the older breeders.  
**WEDNESDAY, OCT. 25.**  
Kaufman County Day, Texas Cotton Seed Crushers' Day, Hardware and Implement Dealers' Day.

This is always a great day and the population of Kaufman county turns out en masse and comes to the Fair on special trains. Nothing out sickness can keep a Kaufmanite at home on this day. The Cotton Seed Crushers, whose annual product is valued at over \$10,000,000 meet for a good time, to get better acquainted and further their friendly relations. The Hardware and Implement Dealers' do the same and mingle with the many exhibitors of new lines in the vehicle and implement building on the implement plaza and in the Good Roads department.  
**THURSDAY, OCT. 26.**  
Woodmen of the World, Good Roads Day.

That this will be a gala day is fully assured, as the great success of Woodmen Day last year is still fresh on the mind of every one. There will be uniform camps in attendance from every section of the state. Intricate drills will be given on the large plaza in front of the Exposition building, after which ranks will be broken and they enjoy the many features of the Fair.  
**FRIDAY, OCT. 27.**  
Southern Methodist University Day, Dallas Fen Women's Day.

This will be an eventful day for Dallas and all Texas, as it is expected to break ground and lay the corner stone of several buildings of this great educational institution. Every bishop of the entire church will be in attendance. Exercises will be held at the college grounds beginning at 10 o'clock a. m., and in the afternoon will be held in the great Coliseum in the Fair Grounds, commencing at 8:30 sharp and closing at 5:30 o'clock. It is the intention to run special trains on all of the railroads from every section of the state.  
**SATURDAY, OCT. 28.**  
Woodrow Wilson Day, Governor Woodrow Wilson of New Jersey, by special invitation, will speak in the Coliseum at 8:30 p. m.

**SUNDAY, OCT. 29.**  
Closing Day.

Come to Canyon to live.

## IN YOUR HOME IN OCTOBER

Flowers frosted; fire feels fine;

Outdoors bleak and cold—

But inside, warm colored draperies, a snug comfy dining room to greet you when you step inside the door.

Tell you what, these are the REAL evenings inside. Put in the cosy warm colored rug you've been wanting. It takes the chill from the room.

Add an extra easy chair now; or the new book-case. Something to make you feel glad, as you walk crisply home these evenings—glad you're going there.

You'll find it pays to buy it now not only because of the low prices, but because you can, with your credit here, enjoy the new bit of furnishings while you pay for it—a little at a time.

**THE INTERURBAN.**

The interurban published in the last issue of the News caused no little comment among the citizens of Canyon, but there was hardly enough enthusiasm aroused in order to take definite steps. There was a feeling on the part of most of the men that they had enough other business to look after and were not in position to put money in such a large enterprise. Others thought that it was merely a newspaper "story" and passed it up as such.

But here are the facts of the case. Canyon and Amarillo are letting go one of the greatest possible drawing cards for the two towns if this interurban is not built. It will mean the immediate improvement of the canyons as an excellent amusement and outing park, and will mean a very liberal increase in population for both places. The man promoting the interurban tells of many people coming from east Texas during the past summer but on account of having no amusement places went on to Colorado Springs where such parks are to be found. This gentleman is acquainted with conditions in Colorado Springs and says that if the line was built and the canyon developed there would be nearly as great attractions here for the summer tourists as there are at the Springs. A number of tourists means a great deal of money to be spent, and it also means that a great number of people will come here, see the good country and decide to make this their home.

Some object to the proposition from Canyon's standpoint saying that Amarillo will get all the benefit. That is absurd. This line would open up a place of amusement for Canyon as well as for Amarillo and in this way would attract more student to the Normal than ordinarily would come to our smaller town. The cost of living in Canyon is less than in Amarillo and hence there are a large number of tourists who would prefer to make Canyon their headquarters rather than Amarillo. Proportionally Canyon will be more largely benefited.

Some object saying that the cost will be so great. That part will be looked after easily as the promoter has in view parties who would take up the proposition with a very little help from each town. The line would be a paying proposition from the start and with a little effort this gentleman thinks it can be built.

It is up to the people of Canyon to start something right away. The promoter says we can get the line if the right effort is put forth. Who will start the ball to rolling?

**THE MOTHERS' CLUB.**

There was a meeting of the Mothers' Club last Friday at the school building, but only five ladies were present. Can it be possible that only five women in Canyon are interested in the welfare of the children of our town? Can it be possible that all of the remaining mothers in Canyon have not at heart the welfare of their children in the public schools? We hardly believe this to be the case, but that it was an oversight on the part of the mothers that they did not attend the meeting. The mothers of Canyon are in a position to do wonderful work in assisting the teachers in the training of the children of Canyon. It is not only their duty to assist the public school teacher in every

way possible, but it should be a very great pleasure so to do.

The next meeting of the club will be held at the school building on Friday, Oct. 13, and it is desired that every woman in Canyon who has the interest of the children at heart should be present. It matters not whether the woman has a child in school or not, or whether she is even a married lady. The invitation included EVERY woman in the city. And Supt. Yoe makes the invitation still broader, by inviting every man in the town to join the club and assist the teachers in their work with the children. The object of the club is a worthy one and should meet the hearty cooperation of every Canyon citizen.

Editor Harper, of the Amarillo Daily Panhandle, took a mighty hot shot at Senator W. A. Johnson in last Thursday's issue. Mr. Harper claims that the senator broke confidence with the dollar dinner committee in speaking upon the subject of prohibition when the dinner was supposed to be in the nature of a get-together meeting after the fierce struggle Amarillo has gone through for the past number of years. Mr. Harper also assails the senator for the defeat of the Amarillo charter in the legislature. These two circumstances we are not acquainted with, as we did not attend the dinner nor were we in the state during the session of the legislature, and hence do not know fully the steps taken. However, during the last days of the legislature a number of senators acted like a lot of school boys playing "hide and go seek," and Senator Johnson was in the gang. This is the first time we ever knew that the legislature was a state's play ground, to which a number of men were sent on state pay to act the fool. It matters not what kind of bills were before the senate, these men should have stayed by the guns and fought rather than running cowardly away. Every man's constituent would have thought the more of him for making an honest fight and having lost than by running away to dodge the issue.

The Normal college will spend between \$1000 and \$1200 this fall in new sidewalks on the campus. There are yet a number of lots where sidewalks have not been built by the citizens of the town. To keep up with the procession the city officials ought to see to it that every property owner is required to put in their walks, and the city ought to get busy with their crossings. There is not one crossing from the public square to the Normal. Wherein is the necessity of sidewalks if the city is not going to put in her crossings?

Italy and Turkey are at war. Before the close of the clash nearly every nation in Europe will be involved in some manner or other. Constantinople has been the bone of contention for years, and the Turk has held it because every other nation was afraid its neighbor might get possession of the city. It will be a hotly contested affair and may result in quite a war.

Madero was elected president of Mexico last Sunday. We have most everything going on in the United States on Sunday, but so far have never tried to hold elections. In view of the fact that this is the first time for forty three years that the Mexicans have had a chance to vote, it looks as if they might have taken a day other than Sunday.

A large number of our exchanges, especially the Hereford Brand, persist in calling the local Normal college, "The North-west Texas State Normal Col-

Thomas H. Ball has announced as a candidate for the toga of Senator Bailey. Mr. Ball was the prohibition leader in the recent state-wide campaign and will make a strong race in the campaign next year.

The News at Canyon has recently moved into its own brick building with a view to the convenience and comfort of those who make the News. Shake!—Pick-Ups in Ft. Worth Record.

Mr. Taft, as president of the United States, is having a sumptuous time on his tour, but Mr. Taft, as candidate for re-election is being bumped rather freely by the progressives.

As election time draws nearer the high cost of living does not decrease the number of men who are willing "to serve the people at a salary far below living expenses."

Every poultry raiser should be a member of the Randall county Poultry association. Get into line for a big show just before Christmas.

Between Taft and Bryan, Champ Clark seems to have his hands full. He is continually mixed up with one or the other.

It is the Panhandle climate that makes California jealous.

Why not have a trans-continental race between the aviators and Weston. We'll bet on Weston.

Another flood likened to the Jamestown flood occurred in Pennsylvania Saturday. Over 800 lives were lost.

Congressman Morris Shepard is another aspirant to Bailey's position as senator. The game is growing warmer.

It is probable that Italy will have Turkey even before Thanksgiving.

**THE PARAGRAPHER.**

So many things "probably" will happen.

October 18 is the meeting of the poultry association.

We need farmers on fewer acres and better farming.

A fool is most a fool because he knows not that he is a fool.

The man who prays right will see to it that his example is right.

A boy doesn't have much stomach trouble, considering his efforts to acquire it.

Have you announced to succed Bailey? Better get in the game and be popular.

There is no doubt about being cordially invited if one is expected to pay when he gets there.

Be in Canyon Oct. 18 to attend the meeting of the poultry association. Very important business.

The News has a new line of card and invitation type. Come in to see it. It is very fine for

calling cards and all kinds of announcements.

It takes some speakers quite awhile to get started, but stopping is the really difficult achievement.

Many wagon loads of alfalfa are coming into town daily. This has been a banner year for alfalfa in Randall county.

Randall county will have a big poultry show this year. Be at the meeting Oct. 18 in order to hear all the plans discussed. We want every poultry raiser to be present.

S. V. Wirt is certainly a useful citizen. He is not only cutting weeds on his own lots, but also his neighbor's. It would be a good thing if some of the property owners should get the fever.

The grand jury of Potter county says that the water in Amarillo is not pure on account of the neglect of the water company. Come to Canyon where the city water is properly looked after by the city.

As the harvest proceeds, the farmers are finding that they estimated the crops far below their real value. The yield this year is much above the expectation of all. The Panhandle has certainly been blessed this year with its abundant harvest.

According to the Dallas News of last Friday, T. C. Jennings, of this city, has been selected by Commissioner of Agriculture Ed R. Kone, as a delegate from this county to the good road convention to be held at Dallas, Oct. 26. We hope Mr. Jennings will go

and tell them something about Panhandle roads.

If the Panhandle was farmed intensively instead of extensively, the produce of our section would be enough to feed the nation. We should look at the old countries as an example of farming. There the farmer has only an acre or so and makes big money from it, while here in the Panhandle each farmer tries to see how many acres he can cultivate rather than how much he can raise on a few acres.

Practically every town on the Plains is having a trades day at least once a month. At that time special prizes are given for the best agricultural displays and for numerous athletic stunts. The merchants make special inducements in certain lines for the day only. Now why not something of the kind in Canyon this month. Let someone take the matter in charge and push it through. Since the reunion fell by the way, we ought to have some sort of celebration.

Flour for \$1.00 per sack will go at The Leader till the 15th. All off after that date. Get busy.

The missionary sermon, which was announced for next Sunday at the Methodist church, will be postponed until one week from Sunday.

George Cook went to Dallas Tuesday where he will undergo an operation for appendicitis. Mr. Cook is the son of County Commissioner W. S. Cook.

Hunts Quality Hand Peeled California Canned Fruits to be had at THE LEADER. It

S. M. Downing was in the News office Tuesday to renew relations for another year. Mr. Downing came here three years ago from Oklahoma and says he is well pleased with the country. He reports good crops this year. He says that he has raised millet every year, excepting this year and says that it also makes a good yield.

E. H. Elliston, of Hereford, passed through the city Wednesday on his way home from central and eastern Texas. He says that the Panhandle looks by far the best of any country he has passed through.

"The Final Settlement," which is booked for the opera house tonight, comes very highly recommended. They have played in a number of large towns and has never failed to please. A good house will see the play in Canyon tonight.

For the convenience of our customers we have enstalled a New Phone. Call us on 201 or 183. It

The improvements at the Supply store were completed this week and the clothing and millinery departments moved to their new quarters. The store looks mighty good after having these improvements made.

In this issue of the News, on page three, will be found the first of a series of ads which will be run by the Leader. This popular store will make special offers each week in their space. Watch for them. It is worth your while.

"Advertising is no good" said the man in old clothes, "It never helped me none." The millionaire merchant smiled, "that is because you tried it, John, as the Indian tried the feather bed. An Indian took a feather, placed it on a plank and slept on it all night. In the morning he growled: 'Paleface say feather heap soft. Paleface heap big fool, ugh.'"

**MOVED**

We have moved from the east side of the square to the Mercantile building on the southwest corner of the square, formerly occupied by the Star Grocery. We invite all our old former customers to call on us in our new quarters and extend a hearty welcome to those who have not traded with us, but are seeking a grocery store which handles only the best and freshest goods to be found on the market

Also remember that we are the only grocery store in the city giving votes in the business men's contest. For every ten cents purchase at our store you are entitled to one vote. We hope the contestants will keep our store in mind in their effort to get some of the special prizes.

**STEWART & BALLARD**

Jas. Hood returned Tuesday from Amarillo where he has been on the petit jury of the federal court. Mr. Hood acted as juror on three cases while in court. He has been absent from the city two weeks.

The only grocery store giving votes in the business men's contest is STEWART & BALLARD

John G. Hoyt, president of the Hartford Life Insurance company, and vice president of the Missouri State Life, is in the city on matters of business. He is inspector of lands for both companies and is here to make a number of loans on Randall county lands.

What have you to offer in exchange for equity in my 1140-acre farm known as the Keller Farm 1 1/2 miles from Canyon; incumbered for \$20,000.00. Must be sold at once. John S. Holmes 30 N. Dearborn St. Chicago Ill. 22t4c

The Leader has found it necessary to install a second phone in their store to care for the business. When you find 183 busy you may call 201. The management is well pleased with the large increase in their business the past month and have added this phone to insure prompt attention to all. They will install another phone in a short while if these two will not take care of the business.

**Rusk-Trowbridge.**

At the Southern Hotel in Canadian on Friday morning, Sept. 22, 1911, at 10 a. m., the marriage of Mr. R. A. Rusk and Miss Etta N. Trowbridge was solemnized. Rev. Burnett of that city performed the ceremony which united in the holy bonds of wedlock two of the most promising young people of Randall county.

The bridegroom is the son of Mr. and Mrs. R. M. Rusk, whose home is near Ceta. Young Rusk better known as "Bud" was born and reared in this community, hence, he needs no commendation.

The bride is the charming and accomplished daughter of Mr. and Mrs. T. S. Trowbridge, who came to the Plains about three years ago from Illinois and who now reside in four miles of Ceta. During her residence here the young lady has won for herself a host of friends who join the writer in wishing this most splendid young couple a long and blissful voyage across the blissful sea of matrimony, which we trust will never be intercepted by any of life's tempestuous storms. But may their little bark anchor safely in that harbor where waves never dash high. A Friend.

**Normal Notes.**

A new well is to be dug on the campus soon to augment the water supply.

Contracts have been let providing for installation of a sub-irrigation system for the grounds and the Agricultural Department's experimental farm.

Mr. Kitchell of Columbus, Ohio an intimate friend of Pres. Cousins and Prof. Stafford was a visitor of the Normal Wednesday.

The Senior class organized last week and the following officers were elected for the fall term: Wash Storms, pres.; R. A. Stewart, vice pres.; Miss Mary Applewhite, secretary; Miss Emily Parsell, treas.; Miss Beatrice Houston, class reporter. An excellent class spirit was manifested which if continued will insure a pleasant and profitable year.

Supt. Byrd of the Amarillo City schools, was a visitor at the Normal Saturday.

#### POULTRY MEETING SOON.

Important Matters to be Attended to at Meeting of Association on October 18.

At the meeting of the poultry association which will be held at the court house on Wednesday, October 18, much important business regarding the December show will be taken up and definite arrangements made. It is the desire of the officers that every poultry raiser in the county be present at that meeting in order that all the rules governing the show may be generally discussed and that all may understand them.

This week cards are being sent out by President H. E. Muldrow regarding the number of chickens, ducks, geese and turkeys raised in the county during the past year. It is hoped that those who have poultry and did not receive a card will make application to Mr. Muldrow for the association is anxious to find out the exact amount of poultry being raised in the county. The association is trying to determine on a better means of handling poultry in the county so that it will mean money to the raiser. Hence, the filling out of these cards will in the end mean money in the pocket of the poultry raiser.

**Averts Awful Tragedy.**

Timely advice given C. Wil-  
 loughby, of Marengo, Wis., (R.  
 No. 1) prevented a dreadful tra-  
 gedy and saved two lives. Doc-  
 tors had said her frightful cough  
 was a consumption cough and  
 could do little to help her. After  
 many remedies failed, her aunt  
 urged her to take Dr. King's  
 New Discovery. "I have been  
 using it for some time," she  
 wrote, "and the awful cough has  
 almost gone. It also saved my  
 little boy when taken with a se-  
 vere bronchial trouble. This  
 matchless medicine has no equal  
 for throat and lung troubles.  
 Price 50c and \$1.00. Trial bottle  
 free. Guaranteed by Cassles  
 Drug Co.

**SAID SOMETHING.**

On board an ocean liner were a  
 lady and gentleman, accompanied  
 by their young hopeful, aged six, and,  
 as is usually the case, the parents  
 were very sick, while little Willie  
 was the wellst thing on board. One  
 day the parents were lying in their  
 steamer chairs hoping that they  
 would die, and little Willie was play-  
 ing about the deck.  
 Willie did something of which  
 his mother did not approve, so she  
 said to her husband: "John, please  
 speak to Willie." The husband,  
 with the little strength left in his  
 wasted form, looked at his son and  
 heir and feebly muttered: "How'dy  
 do, Willie."

**Is the World Growing Better?**

Many things go to prove that  
 it is. The way thousands are  
 trying to help others is proof.  
 Among them is Mrs. W. W.  
 Gould of Pittsfield, N. H. Find-  
 ing good health by taking Elec-  
 tric Bitters, she now advises  
 other sufferers, everywhere, to  
 take them. "For years I suffer-  
 ed with stomach and kidney  
 trouble," she writes. "Every  
 medicine I used failed till I took  
 Electric Bitters. But this great  
 remedy helped me wonderfully."  
 They'll help any woman. They're  
 the best tonic and finest liver  
 and kidney remedy that's made.  
 Try them. You'll see. 50c at  
 Cassles Drug Co.

**SAFETY IN AERIAL TRAVEL.**

Eventually, I believe, travel will  
 be as safe in the air as with the auto  
 on land. We are gaining greater  
 control over the air craft every day.  
 Air travel will be extremely popular, too,  
 for you will never be troubled with  
 bad roads and you will be in no dan-  
 ger of collisions. I believe that the  
 aeroplane will reach the practical  
 stage before long. With a perfect  
 motor to develop greater horsepower,  
 the length of the flight will only be  
 limited by the lifting power of the  
 machine, and the larger the aerial  
 surface resisted the greater will be  
 the lifting power. It is only a ques-  
 tion of time before the perfect aer-  
 oplane motor will be found.—Colum-  
 bian Magazine.

No one has ever made a salve,  
 ointment or balm to compare  
 with Bucklen's Arnica Salve.  
 It's the one perfect healer of  
 Cuts, Corns, Burns, Bruises,  
 Sores, Scalds, Boils, Ulcers, Ec-  
 zema, Salt Rheum. For Sore  
 Eyes, Cold Sores, Chapped  
 Hands or Sprains its supreme.  
 Unrivalled for Piles. Try it. Only

**GIVING BOILED WATER SPARKLE.**

Many times, especially at this time  
 of year, the physician feels com-  
 pelled to order that the drinking  
 water in the house be boiled before  
 using, since it is unsafe to use it  
 otherwise; but boiled water seems so  
 flat and tasteless that people are apt  
 to dislike it exceedingly.  
 If such water, after it is boiled, is  
 cooled in a refrigerator and then  
 shaken up in a bottle half filled, it  
 will be aerated, or filled with air and  
 will have the fine, fresh, sparkling  
 appearance of water newly drawn  
 from the well.

Lame back is one of the most  
 common forms of muscular

**THOUGHT HE WOULD MATURE**

How Senator Depew Disposed of the  
 Objection to Lurton as Supreme  
 Court Justice.

When the president sent the name  
 of Mr. Justice Lurton to the senate  
 for confirmation as a member of  
 the Supreme court of the United  
 States there was some talk in the  
 senate judiciary committee on the  
 age of Mr. Lurton, which was sixty-  
 five, says the Saturday evening  
 Post.

Somebody went to Senator Depew  
 of New York, who is a member of  
 that committee, and said: "Senator,  
 will Mr. Lurton be confirmed?"  
 "I think so," replied the senator.  
 "Is there any opposition?"  
 "I have heard some objections."  
 "On what grounds? Isn't he a  
 good lawyer?"  
 "Yes."  
 "And a good judge?"  
 "Yes."  
 "And isn't he of good moral char-  
 acter?"  
 "The very highest."  
 "Well, then, what is the objec-  
 tion?"  
 "His age."  
 "His age? How old is he?"  
 "Why, he is sixty-five."  
 "Sixty-five?" said the senator  
 aged seventy-six. "Well, that may  
 be an objection, but I think he will  
 mature."

**Gives Aid to Strikers.**

Sometimes liver, kidney and  
 bowels seem to go on a strike  
 and refuse to work right. Then  
 you need those pleasant little  
 strike-breakers—Dr. King's New  
 Life Pills—to give them natural  
 aid and gently compel proper  
 action. Excellent health soon  
 follows. Try them. 25c at Cas-  
 sles Drug Co.

**FAILURE.**

"I never have my umbrella up  
 when it's raining?" said the chronic  
 grouch, "unless it's raining money."  
 "And in that case," said the wise  
 guy, "you wouldn't have sense  
 enough to turn it upside down."

You are not experimenting on  
 yourself when you take Cham-  
 berlain's Cough Remedy for a  
 cold as that preparation has won  
 its great reputation and exten-  
 sive sale by its remarkable cures  
 of colds, and can always be de-  
 pended upon. It is equally val-  
 uable for adults and children  
 and may be given to young chil-  
 dren and with implicit confidence  
 as it contains no harmful drug.  
 Sold by all dealers.

**SATISFIED.**

"There's one thing I like about a  
 mosquito," said Farmer Cornstossel.  
 "What's that?"  
 "He knows how to be an ultimate  
 consumer without kickin'."

Don't trifle with a cold is good  
 advice for prudent men and wo-  
 men. It may be vital in case of  
 a child. There is nothing better  
 than Chamberlain's Cough Reim-  
 edy for coughs and colds in  
 children. It is safe and sure.  
 For sale by all dealers.

**DIFFERENT VIEWPOINT.**

"Well," sighs the man with the  
 wash tie, "now that the aeroplane is  
 becoming popular the women won't  
 spend so much money for automo-  
 bile hats and veils."  
 "No," growls the man with the in-  
 growing mustache. "but they'll blow  
 in just as much on silk stockings  
 and high laced shoes."—Judge.

Biliousness is due to disorder-  
 ed condition of the stomach.  
 Chamberlain's Tablets are es-  
 sentially a stomach medicine, in-  
 tended especially to act on that  
 organ; to cleanse it, strengthen  
 it, tone and invigorate it, to regu-  
 late the liver and to banish bil-  
 iousness positively and effectual-  
 ly. For sale by all dealers.

The best plaster. A piece of  
 flannel dampened with Cham-  
 berlain's Liniment and bound over  
 the affected parts is superior to  
 a plaster and costs only one tenth  
 as much. For sale by all deal-  
 ers.

**NATURE'S WARNING.**

**Canyon City People must Recognize and Heed It.**

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlings and sediment. Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills. To ward off Bright's Disease or diabetes. Doan's have done great work in Canyon City. R. T. Holton, of Canyon City, Texas, says: "I used Doan's Kidney Pills when living in San Antonio and Wolf City and they did me a world of good. I took this remedy for lameness across my kidneys and other symptoms of kidney complaint and in view of my satisfactory experience, I can strongly recommend it. I never neglect an opportunity to advise its use."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

**Crops are being Harvested.**

The row are being harvested and from all sides come the reports of an excellent yield. The binder and headers may be seen in every direction and during the day many loads of grain are brought into town. The passing loads show that the heads this year are long and well filled. The farmers generally are well pleased with the results of this year's work and are planning on a much greater acreage for the coming year.

**The Gall of Some People!**

The News is in receipt of two columns of free advertising sent by a "guy" down at Austin, and attached is a note saying that if the material is used, to please forward \$1. If the News used all of the free advertising matter sent to them in any one week, we would have to enlarge to twenty four pages, and when it comes to paying \$1 for the use of this "stuff," we very heartily object. The country newspaper is often taken as an "easy mark" but this fellow is the limit.

**The Special Train**

The Santa Fe demonstration train visited Canyon yesterday morning as per schedule and fully two thousand people visited and inspected the train. The public school children was allowed to come before school, and the Normal was dismissed the first period in order to let the students see the novelty. The train was highly appreciated, and showed fully the great progress made in railroading during the past thirty years.

**Missionary Meeting.**

The Woman's Home Missionary Society of the M. E. Church South held their regular meeting Oct. 3. The attendance was good and the meeting very interesting. The second week in Oct. was chosen as the week of prayer. The following are the subjects used and the leaders of same for the week:

Tuesday—Praise and Consecration, Breuard Institute, Mrs. I. C. Jenkins.

Wednesday—Home Mission quiz, Administration quiz, Mrs. F. M. Wilson.

Thursday—A bugle call, A call to silent prayer. Mrs. B. A. Stafford.

The money raised through the week of prayer this year shall be directed to building a chapel and class rooms at Breuard Institute at Breuard, N. C. Twenty thousand dollars will be needed. Rev. L. A. Webb will preach a sermon on the Missionary Work, Sunday, Oct. 15 instead of Oct. 8 as hrs been announced. Press Reporter.
