SHOOTIN' STRAIGHT

By DE WITT LAMB

One Buck out of Every Ten

Mrs. Ollie McCormick should have some kind of medal for outstanding work in the war effort. Not only does she and her husband put over 10 per cent of their income into War Bonds and War Savings Stamps, but her neighbors say Mrs. McCormick has combed the vacant lots and weed patches in the vicinity of her husband's small shop with a rake and has salvaged enough scrap rubber to invest in several more dollars' worth of War Savings Stamps. Her energies thus directed have been the means of inspiring others, some of whom belittled her patriotism at first, to bestir themselves in behalf of our government. An effort now is being made to procure one of the 10 per cent Victory Buttons for Mrs. McCormick, a reward she richly deserves. Incidentally, the 10 per cent buttons that were sent to Dimmitt, if any, were lost in transit—splendid recognition of this community's oversubscribing its bond quotas every month.

Getting hold of the wheel of an automobile does funny things to the politeness, courtesy, and consideration of some folks. It's a difficult thing to describe, or to understand. Bill Roberson, local Conoco Oil Dealer, had spent many weeks and some money on a plot near his office creating a green lawn and had it all parked in for everyone to enjoy, when along came a herd of trucks, thoughtless car owners, or what have you, and in a few days just about ruin the pretty plans of a good and patriotic citizen. Bill was mad; in fact, he was just about ready to shoot somebody with a load of black-eyed peas when we disarmed him and sold him this ad. for a cup of coffee. Which means that if the depredations to the Conoco garden continue the coffee is "on us."

The free show given at the Rio last Saturday was a "bouncer," in every way. The only "ticket" required for admission was a piece of scrap rubber. When all the mothers in town counted the missing rubber nipples and the "lost" garden hose and hot water bottles the sum total was more than 200 pounds of litter on the sidewalk at the theater front. The idea is a good one, and ought to be "stretched" to cover several more Saturdays.

With three governors running for the Senate, Jesse James after the treasury job (we hope) and a group of about 80 other Texans scampering around for a place at the capitol, the fellow who paid a poll tax is about to get his money's worth this year.

BOOTHE BUILDS WAREHOUSE TO HOLD GRAIN

Boothe Elevator Company has a new warehouse under construction in Dimmitt, near its big plant in the eastern part of town. The new building will be 50 feet wide and 110 feet long. It is expected to be ready for use in 10 days or two weeks. Mr. Boothe said yesterday his firm realizes the acute shortage of shelter space for the bumper crop of grain that has just been harvested and he is doing everything possible to meet the emergency. Every square foot of floor space at the plant, even to the bag room, has been brought into use, and in addition to this, vacant buildings in other parts of town and even outside the town, have been rented for storing the grain which can not be handled at the elevator. Many farmers have piled their wheat on the ground in open weather, rather than sell at prevailing market prices which, this week ranged around 90 cents a bushel, with an upward trend. These growers are building their own storage, or taking advantage of the government's supply of ready-made bins, and it is expected that before many weeks the storage problem will be solved with the friendly help of the elevator interests, the government, and the farmers.

Lloyd Ward of Memphis has accepted the job as meat cutter, and has been placed in charge of the market at the M-System Grocery. Ward has taken the place of Bob Glenn, who resigned to enter the fighting services.

Rev. Ural S. Sherrill, pastor of the Methodist Church here, has returned from Rising Star, in Eastland County, where he was engaged for a week or more in conducting a revival meeting for the Methodist congregation. He reports a successful campaign, and seemed pleased with his experiences there.
Texas' outlook for reaching its Food for Freedom goals is bright, despite the labor shortage.

INVEST IN VICTORY!

Our boys can take the War to the enemy, if we back them up with ships and tanks and guns! But that takes money! Help your Government to put the tools of war into the hands of our soldiers by purchasing War Savings Bonds and Stamps. And remember . . . just one Bond can't lick the Axis any more than just one gun! It takes millions of Americans buying War Savings Bonds and Stamps every day!
Bonds cost \$18.75 and up . . . and they pay you back one-third more in only 10 years! Stamps cost 10¢, 25¢, and up . . . soon total the price of a Bond if bought regularly.
Help our boys on the fighting fronts wherever they may be! Buy War Savings Bonds as an investment for yourself and your country.

Boy Scouts Honor Richard Hastings

Joe Richard Hastings, Senior Patrol Leader of the Dimmitt Boy Scout Troop, received a signal honor last week when he was selected by the Camping Committee of the South Plains Council of the Boy Scouts of America to attend the Philmont Scout Ranch, near Cimarron, New Mexico, for two weeks, without cost.

Only eight boys from the 20 counties of the Council were thus chosen. Transportation costs, meals, and lodging quarters will be provided, without charge, in exchange for work which will be assigned to the boys. Joe Richard, a Life Scout, was selected because of his age and experience and leadership qualities. He has been a Scout for five years and holds the highest rank ever attained by a Dimmitt troop member.

Scoutmaster C. A. Farley was selected as the leader of this group of eight Scouts. He will be in full charge of the Patrol en route to and from camp and during the period at camp will supervise the work of the Patrol. Farley is well acquainted with the Philmont Scout Ranch, having been there previously. However, this will be the first time that a Dimmitt Scout ever has attended.

Philmont Scout Ranch is primarily a high adventure wilderness camp for groups of Senior Scouts. It is a camper's paradise of 127,395 acres in the Rocky Mountains of New Mexico. It is the gift of Mr. Waite Phillips to the Boy Scouts. Scoutmaster Farley and Joe Richard will leave with the other members of the Patrol on Sunday, July 19, from Lubbock by bus and will return August 3.

Mrs. W. D. Duree is visiting her mother, Mrs. Ida Ballenger, in Tulia. She expects to return home Saturday.

Absentee Voting To End Tuesday

Considerable interest is being taken by many of the candidates and others to get absentee ballots in the hands of absent parties, and to many of the absent soldier boys, for the Democratic primary, July 25. Several parties who are going to be absent already have voted absentee ballots at the Clerk's office. The deadline for absentee voting is July 21. Ballots sent in must bear postmarks not later than June 20. Men in the armed services are eligible for a vote, if they have paid their poll taxes.

LIONS WILL ROAR RIGHT ON

President Claude Mixon of the Dimmitt Lions Club presided over a special meeting of directors and officers of his organization last week, at which time the personnel of standing committees was chosen for the ensuing club year. Members of four committees were announced as follows:
Membership: T. A. Singer, Ward Golden, Bob Collins.
Program: Earl Harrison, Monroe May, and John Tate.
Major Activities: Bill Siamon, John Horner, Ernest Harmon.
Boys' and Girls' Activities: R. A. McCollum, Ozro Stephens, LeRoy Waters.
The president will announce the membership of other committees next week.
New officers of the club, who took over at the first meeting in July, are: Claude Mixon, president; LeRoy Waters, vice-president; Jack Gregory, Lion Tamer; Monroe May, Tail Twister; Clarence Bearden, secretary.
Bearden was re-elected. Mixon succeeds T. A. Singer. All the new officers will be formally inducted later at a Ladies Night and formal installation ceremony.

SEVENTEEN VOTING PLACES MAKE READY

Castro County has 17 voting precincts. The poll list for the county shows 1,289 qualified voters, to which may be added those not required to pay poll tax because of age and other exemptions. Those elected at the last Democratic primary as precinct chairmen, each of whom will serve in his voting precinct as manager of the primary on July 25, together with the number of the voting precinct, its community name, and the number of poll tax receipts in each, is published below for the information of candidates and voters:
Precinct 1, Dimmitt, Roy Smith, 41 votes.
Precinct 2, Dimmitt, Joe Hastings, 110 votes.

New Regulations Affect Our Credit

If you are going to owe money for any goods you buy during July, or earlier, you'd better pay up before the 11th day of August. If you don't, the account will be "frozen," which is a polite way of saying you cannot buy anything else on credit until things have been straightened up in full. It's all due to regulations of the government requiring charge purchases be settled for no later than the 10th of the month following the month of purchase. Stores and other dealers have no choice in the matter, and both dealer and customer are liable to federal penalties for violation of the regulation. A few exceptions are noted, but your merchant friends can explain these.

COTTON BLANKETS NEEDED BY RED CROSS WORKERS

The Castro County Chapter of the American Red Cross is asking for cotton blankets that are worn thin, and for bedspreads that are frayed at the edges, where these are not particularly needed in the homes. Red Cross workers say they can use the good parts of the articles, instead of cotton in making quilts for hospital use for the armed forces of our own country. The Red Cross here also needs scraps of cotton for piecing quilts. Those having any materials of the kind mentioned above are asked to leave it at the Red Cross work room, Dimmitt.

Mr. and Mrs. Percy Shepard took their daughter, Miss Ollene, back to Lubbock last Sunday, following her visit here over the week-end. Accompanying them also were Mrs. Dave Shepard, Misses Virgie and Thelma Shepard, Miss Frances Sweett.

Congratulations are being extended to Mrs. Snipes, who has been made manager of the Rio Theater, who plans for a daily show.

SEEKS COUNTY OFFICE

Mrs. Ola Murphy, well known as our local librarian, widow, and farm owner, is a candidate for the office of County and District Clerk, Castro County.

Parade to Feature Vacation Bible School Opening

The First Baptist Church of Dimmitt is planning a Vacation Bible School for the benefit of the young folks of the community. All the boys and girls between the ages of four and 16 are urgently invited to attend the school. The school will start with a registration at the Baptist building Friday, July 17, at 9 a. m. Following the registration, the boys and girls will parade through the town. The regular sessions of the school will be conducted at the building from 8:30 to 11:30 a. m. each morning, Monday through Friday, from July 20 to 31, inclusive.

Miss Chism Passes Away at Clovis

Funeral services were conducted here Monday for Miss Ida Mae Chism, 19, who died the previous day in Memorial Hospital, Clovis, New Mexico. Miss Chism had been making her home in Clovis for some time. She had been ill since the first of this year. A number of relatives in Dimmitt survive, including the parents, Mr. and Mrs. J. H. Chism, several brothers and sisters, and a host of friends. Services here were in charge of Rev. Temple of the Baptist Church and Rev. Williams, Methodist minister.

COTTON QUOTA PENALTY RATE FIXED AT 8 CENTS

The cotton marketing quota penalty rate (for cotton marketed in excess of the farm marketing quota) is eight cents a pound for the 1942-'43 marketing year, it is announced this week by the government. The cotton loan rate will not be set until August 1. Loans will be made by the CCC at 85 per cent of parity price on August 1, which is the beginning of the marketing year, and is expected to be approximately 16 cents a pound.

ACUTE INTEREST IN CAMPAIGN SPROUTS UP ALMOST OVERNIGHT

Candidates for political office in Texas face the first hurdle in a Democratic Marathon Saturday week, the 25th. On that date the voters will thin out the large number of aspirants to a "stand" so that on the second primary date in August choosing of nominees to be elected in the November general election will be made simpler. The first primary ballot, sample copies of which have been distributed already, bear the names of 81 candidates who seek to fill 28 official positions. These range from United States Senator down to County Commissioners. In addition, there are four positions left blank to be written in by the voters. These are county and precinct party chairmen, and peace justice and constable, since no candidates for these offices qualified. Castro County has six offices to fill, not counting the four commissioners, peace justices, constable, and party executives. Four of the 16 county candidates are women. Four candidates are running for reelection unopposed. Due to war conditions, transportation problems, and to crop yields, public interest in the campaign, at least until a few days ago, has been almost nil. Six of the state candidates are from Houston, five from Fort Worth, six from Austin, seven from Dallas, and one from San Antonio. Election returns will be gathered here on election night, as usual, and announced at the court house. Results should become known in most of the county and local races before midnight.

Hart H. D. Club Holds Meeting

The Hart Home Demonstration Club met Tuesday afternoon, July 7, at the home of Mrs. C. C. Rice. Members present: Mrs. Homer Garrison, Mrs. Ben O. Smith, Mrs. Earl Stewart, Mrs. V. F. Lemons, Mrs. Frank Bauman, Mrs. Rafoard Davis, Mrs. Hubert Maples, Mrs. Glen Maples, Mrs. Logan Sears, Mrs. Ray Jones, Mrs. M. V. Nash, Mrs. Bill Reed, Mrs. Forbus, Miss Florine Rice, and the hostess. The club was happy to enroll five new members. They are Mrs. Fred Hankins, Mrs. Claude Hutcherson, Mrs. George Davis, Mrs. Hubert Wells, and Mrs. S. C. Hutcherson. Mrs. Olan Rice, Miss Myrtle Frances Jones, 10 children, and our most capable agent, Miss Ava Grindstaff, were visitors. Club members brought sugarless recipes and exchanged them with other members. Miss Grindstaff demonstrated the making of deserts in season, without using sugar. She also demonstrated prune whip and pineapple delight. Refreshments of sugarless cookies, prune whip, pineapple delight, and punch were served. The next meeting of the club will be an all day meeting, with Mrs. Homer Harrison as hostess, on August 4.

Mr. and Mrs. Glenn Hickman went to Portales, New Mexico, last Sunday, after Glenna Lyn, who had spent the past week visiting Betty Joyce Easter. They were accompanied on the trip by Mrs. McDermitt and J. R., who visited with Woodie at Clovis.

NOTICE

To My Friends in Castro County:

Due to transportation difficulties, I will not be able to see all of you personally. I am taking this means of soliciting your consideration of my candidacy for reelection to the office of County Treasurer. I am very grateful for your support in the past, and may I ever prove worthy of your confidence in the future.

Sincerely, FAYE E. HOLLAND. (Paid Political Advertisement)

"As a nation, Americans haven't been fighting this war—not by a long shot," said Life recently. "A comparative handful of boys and officers have been fighting bravely and eagerly. But at home the fighting hasn't even begun."

The United States has been shelled by enemy warships. It is completely possible that, before long, the United States may be attacked from the skies.

E. C. Nelson

Judge E. C. Nelson is a candidate for Chief Justice of the Court of Civil Appeals. This is one of the highest judicial offices in our State, one that demands the most thorough training and the widest possible experience. Judge Nelson has attended and graduated from the leading universities and law schools in our country, giving him an educational background of the highest order.

He taught school for five years before entering the legal profession, and served two years in the United States Army during World War I, fourteen months of his service being in France.

He has had a well-rounded legal experience. He has been a licensed attorney for more than 22 years. He has practiced law in all of our courts and has been judge of all courts of record up to the Court of Civil Appeals. As an appellate judge, he will be able from his own experience, to review a case from the standpoint of both the practicing lawyer and the trial judge. He is now District Judge of the district composed of Potter, Randall, and Armstrong Counties, and his record as a trial judge is one of the best in the State.

Judge Nelson is 51 years old, just the right age to undertake the work of an appellate judge. He is old enough for maturity, experience and judgment, and young enough for the years of hard work the position requires.

The size of the district has made it impossible for him to see all the people, but he solicits the vote and influence of all our citizens. (Political Adv.)

CASTRO FARMERS TEST VARIETIES OF TOMATOES

Three Castro County farm families are conducting tomato variety experiments in cooperation with the Southern Great Plains at Woodward, Oklahoma, according to M. U. May, County Farm Agent. The families doing this work are Mr. and Mrs. E. J. Wilhelm, Nazareth; Mr. and Mrs. Orbin Nowell, Big Square; and Mr. and Mrs. R. A. Axtell, Sunnyside.

Each of these families was sent tomato seed of the Bison, Denmark, Porter, and Rosana varieties. These seeds were planted and later the plants were transplanted in the gardens. Up to this time no definite results are evident, May said, as the vines are not yet fruiting, however the Denmark variety shows promise of being an earlier fruiting at the Wilhelm farm than any of the others.

This experiment should prove of value to Castro County gardeners, as the plantings are located in different sections of the county and will give the farmers an opportunity to plant the best adapted varieties for Castro County.

Castro County was fortunate in being selected by the U. S. Experiment Station to carry out this practical experiment and no doubt in the future the county will be given an opportunity to do other practical experimenting in cooperation with the Experiment Station, May said.

This is a part of the county's work in the Food for Victory program, as conducted by the local county and home demonstration agents and will be one factor in helping Castro County meet its food production goal this year.

CLOSE EMPLOYMENT OFFICE

F. A. Wells, district supervisor of the United States Employment Service, with offices in Amarillo, visited Dimmitt last Saturday to look over the local office and direct its further operation, if this was found needful.

After a number of calls he decided the harvest work was so nearly finished the temporary setup here might easily be dispensed with, so the office here was closed. B. H. Mauldin, who was in charge here was transferred to another territory.

Mr. Wells was accompanied here by R. S. Craign of the Corpus Christi office.

LAST WEEK—

We had a shower of rain Monday afternoon, but most of the farmers were able to start their harvest work again Tuesday afternoon.

Rev. Jess Blessingame filled the pulpit here Sunday, and was the dinner guest of the Cades.

Mr. and Mrs. Tracie Tucker of Joplin, Missouri, and Mrs. L. E. Tucker and grandson of Plainview were Sunday-school and church visitors Sunday. They spent Saturday night in the R. A. Ferguson home, and Sunday with Mrs. E. F. Sadler.

Mr. and Mrs. H. F. Bridges and John visited Mr. and Mrs. T. J. Bridges of Olton Sunday. Mr. Bridges was feeling so better.

Mr. and Mrs. Privett spent Sunday with Mr. and Mrs. R. A. Ferguson.

Dean Morgan spent last week with his grandmother Hacker in

Plainview, and returned Tuesday.

Mr. and Mrs. Pete Johnson spent Monday night with her folks at Plainview.

Mrs. Hubert Wiley returned home from the Littlefield hospital much improved.

Mrs. John W. Turner was called to Amarillo to the funeral of her brother, Mr. Ollie Burch, last week, who died suddenly on his tractor in the north part of this community. We extend our sympathy to the entire family.

'GENE WORLEY GOES BACK TO CONGRESS

At the Request of President Roosevelt

Congressman Eugene Worley sent word last week from a far-away port in Australia that he would return to Washington in compliance with a directive issued by the President, calling all members of the House and Senate who are on war duty, back to Congress.

It will require a few weeks for 'Gene to reach American shores, but as soon as he does he will head straight for his district to talk over the war situation with you before resuming his duties in Washington.

'Gene has been aboard a U. S. Aircraft Carrier at Pearl Harbor and off the Coast of Australia for the last six months. He volun-

teered his services to his country when he voted for war—just like he told you he would. He did what his predecessor, Marvin Jones, did in World War I, and what Senator Tom Connally did in 1917.

When he enlisted in the Navy in January, 'Gene said he would return to Congress when the President called him, and he is keeping that promise, too. He will return with a vast amount of first-hand knowledge of this war that will be helpful in shaping our future course.

'Gene will not be back in time to ask you for your vote, but his friends ask you for him.

Let's Make it a Landslide for Worley this Time
