FLOYD COUNTY INTERSCHOLASTIC LEAGUE MEET TO BE HELD IN LOCKNEY MARCH 30, 31 THIS YEAR, PLANS HAVE BEEN OUTLINED

March 30 and 31 were the dates set for the Floyd County Interscholastic League meet this year, in a meeting of the Interscholastic league held in Lockney Saturday morning at the Lockney High School building.

The meet will be held in Lockney this year, following a long time plan of alternating between Floydada and Lockney. Friday, March 30 will be literary day and Saturday, March 31, will be athletic day.

General plans for the annual meet were completed but details of the program for the two days are yet to be completed. Price Scott, county superintendent, said that the program would be in the main a duplicate of those in former years.

On a motion made by A. D. Cummings, superintendent of schools at Floydada, seconded by Winfred Fowler, of Irick, it was voted to hold play ground ball and tennis eliminations in Lockney on Saturday, March 24. First games will start at 9 o'clock.

Winners of playground ball in the elimination contest of the four divisions, on March 24, will play the finals not later than March 27, weather permitting. Games will be played on some neutral court by agreement. If winners cannot agree on a neutral court the finals are to be played at Lockney.

This year the use of gloves in playground ball to the catcher and first baseman will be permitted, with this change being optional. A regulation 14 inch outseam ball will be used. Preliminary games will be 7 innings and final games will be 9 innings, it was further decided in plans for playground ball.

Bural basketball Feb. 10 February 10, was the date set for the rural basketball tournament to be held at Lockney. Aiken, Lakeview, Irick, Lone Star, Cedar, Center and Sterley will probably enter teams in the tournament.

Floydada and Lockney will start a two-out-of-three game series on February 12 to determine the Class A champions. The first game will be played at Lockney and the second at Floydada. If a third is necessary the place will be selected by agreement.

District elimination in basketball will be held February 23, 1934. Winners of class A, B, and rural schools will play to determine the county winners, who will enter district play.

Choral singing and high school declamation contests are to be held Thursday night, March 29, at the Lockney auditorium, according to plans outlined.

Several Changes Outlined Changes agreed upon by the league, which included the elimination of several contests, were made during the session.

Sub-Junior declamation, Ward school tennis, ward school senior track, senior declamation and volley ball, were the events eliminated from the county meet this year.

The league bulletin will be followed as regards story telling. It was recommended that schools entering picture memory contests order the standard size sets from Practical Drawing Company, Dallas. These sets are 3 1/2 by 4 1/2 uncolored and are the kind that will be used during the county meet.

The league bulletin will be followed in the running of the track events, but the points will be counted by class division, A. B. and C, was another decision.

J. W. Jones, of Lockney, is director general of the league meet this year. Price Scott, county superintendent, is director of rural schools. Sixteen of the entire group of 18 directors were in attendance at the meeting Saturday morning from ten to twelve o'clock.

MRS. M. J. POPE IMPROVED Mrs. M. J. Pope, of Lockney, who has been in the Smith & Smith Sanitarium undergoing treatments for a strained knee had recovered sufficiently that she was dismissed this week.

Whirlwinds Defeated By Estacado Quintet In Game Tuesday Night

Floydada High School's Whirlwinds were defeated Tuesday night in a basketball game by the Estacado high school Steers. A large crowd was in attendance at the game played at R. C. Andrews Ward gymnasium.

Tonight the Whirlwinds meet the Plainview high school Bulldogs in a last game at the Andrews Ward gym.

"What A Thrill" People Say After Riding In New Plymouth Automobile

"Some thrill that ride," is one of the many pleasing compliments paid to Finkner Motor Company on the new Plymouth car with air cushion wheels, that take the bumps out of the road.

Salesmen of the Finkner Motor Company were kept busy Tuesday and Wednesday of this week taking people for a ride, but not the kind of ride that you don't come back from. Everyone seemed to enjoy the sensation of riding without a-jolt or bump.

In the 1934 Plymouth are the many modern features that definitely turn the trend of automobile building to comfort and dignity as well as economy.

Some of the new improved features are: Automatic clutch, free wheeling, air cushion wheels, more powerful engine, finer and more comfortable upholstery.

Commissioners Court Orders Fences Moved Back On Highway 28 West

An order to notify all parties, landowners along Highway 28 West from Floydada to Hiale county line to move back fences, was passed in a meeting of the Floyd County commissioners court Monday of this week.

In further business of the court an order was passed to have property owners or their agents to kill the prairie dogs on four tracts of land in Floyd County. Landowners or agents to be notified to kill the dogs are: Bob Muncy on 480 acres, W. M. Massie, on 160 acres, Richard Stovall, and J. B. Downs, Plainview, agent for Earl T. Purcell.

Mrs. Maud Merrick, county treasurer, was authorized to transfer \$126.90 from commissioners precinct No. 4 to commissioners precinct No. 1 and to transfer from the road and bridge funds to the following commissioners as follows: Precinct 1, \$1,000.00, Precinct 2, \$1,000.00, Precinct 3, \$1,000.00, Precinct 4, \$1,000.00.

On motion and second the court ordered two bills to the amount of \$35.00 paid for the county health work.

MRS. FRANK KLEBOLD LED MISSION STUDY FOR METHODIST MISSIONARY SOCIETY

Lubitsch Puts Four Leading Stars In Film

Three of Hollywood's most important romantic stars, Fredric March, Gary Cooper and Miriam Hopkins together with Edward Everett Horton, than whom there is no funnier, play the leading roles in Paramount's film adaptation of Noel Coward's sensational stage success, "Design for Living" which opens Saturday midnight and runs Sunday and Monday at the Palace Theatre.

The picture was directed by Ernst Lubitsch from the screen play written by Ben Hecht, author of many Broadway stage hits including Front Page.

"Design for Living" concerns itself with the romantic entanglements of three sprightly, light hearted artists. The triangular romance has its inception in a Parisian spring, and winds its hilarious path through London and New York before it reaches its bombshell conclusion.

Irick School District C. W. A. Project Gets Committee Approval

A project submitted to the state C. W. A. committee and given approval, from the Irick School District in Floyd County calls for general repair of school buildings, grounds and equipment.

A grand total of \$691.00 was allowed by the Civil Works Administration on the project. \$463.20 will be the labor payroll and \$227.80 will be expended for materials. The Irick School District project has not been started as yet due to the fact that the county allotment, under C. W. A., provisions has been taken up on other projects. Work is expected to be started soon.

Another project was submitted to the Floyd County Civil Works Committee, through Burl Bedford, county disbursing officer from the McCoy School District. The project calls for repairing of buildings, grounds and equipment. Total cost asked is \$495.55. \$373.90 is the C. W. A. labor payroll indicated.

Other Projects Advancing Other Civil Works Administration projects, now underway in Floyd County, are advancing rapidly. A total of \$3,579.47, was paid out on wages and salaries at the last pay period which closed Thursday night, of last week.

A total of 324 men, which includes foremen and supervisors, were being employed in Floyd County at the close of last pay period.

Projects underway, number of people employed and total payroll, at the last pay period were: Lockney sewing relief, 50 women, \$486.00 total labor; Court house project, Floydada 20 men, \$305.30 labor; Precinct 2, Harris commissioner, 43 men, \$483.85, payroll; Precinct 3, Woods commissioner, 2 projects, 54 men, \$545.77 total; Floydada streets and alleys, 46 men employed, \$586.45 payroll; Precinct 1, Cummings commissioner, 20 men, \$124.66 payroll; County Health Project, 12 men, \$154.79 payroll. Clerical help in both Lockney and Floydada offices amounted to \$95.00. One project in Precinct 4, Bloodworth commissioner, had not started.

Jackie and Hazel Dean Offield, son and daughter respectively of Mr. and Mrs. J. W. Offield, underwent operations for tonsils at the Smith & Smith Sanitarium Saturday.

Application is to be made soon to the Civil Works Administration for funds to pay for labor for wrecking the old East Ward school building and for labor and material for the construction of a new building in Floydada.

A special called meeting of the board of trustees of the Floydada Independent School District was held Monday night, at which time plans and specifications were accepted on a new building. L. B. Maxey, A. D. Cummings and J. B. Houston were appointed as a committee to complete details of the plans and to form an application to send to the C. W. A. government agency.

Ed Brown, of the school board, and L. G. Mathews were selected by the board to be sent to Austin to present the plans before the state C. W. A. and ask for funds to carry on the project.

It is expected that the details of plans will not be complete and ready for submission at Austin before next week.

Use State Aid County Plan In further business of the board it was voted to follow the state and county plan as to penalty and interest on 1933 after January 31, 1934, and same action will apply to other delinquent taxes.

Vouchers issued to the janitors and secretary since September 1, 1933 will be taken up without interest, it was decided on another motion made.

A motion made last meeting, with reference to fire insurance on school buildings being divided between three local insurance agencies, was withdrawn and it was voted to divide insurance between the three local agents and the Federal Hardware and Implement Mutual Insurance Agency.

W. E. Grimes Announces Candidacy For Office Of County Attorney

To the Voters of Floyd County: I take this method of announcing my candidacy for the office of County Attorney, subject to the action of the Democratic Primary.

I was admitted to the Bar of Texas in February, 1930, and though I have continued to teach school most of the time since, I have devoted a part of the time to the active practice of law. Have practiced in all of the grades of court represented in Floyd County. I am now Principal of the Sterley School, but as soon as school is out, I will strive to see every voter in the County, personally. Being fully qualified under the law, and desiring to enter exclusively into the practice of law, if elected, I will strive to the very best of my ability to discharge the duties of the office in an efficient way.

Your vote and influence will be deeply appreciated.

Sincerely yours, W. E. GRIMES. (Political Advertisement)

Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is the best laxative for everybody. Senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It has the average person's bowels as regular as clockwork in a few weeks' time.

You can always get Dr. Caldwell's Syrup Pepsin at any drugstore, ready for use. Member N. R. A.

Dr. Brown, State Health Officer, Warns Against the Needless Exposure of

Austin, Texas, January 17.—Measles is again prevalent in Texas, according to Dr. John W. Brown, State Health Officer. After the epidemic of this disease last year, it was thought there would not be so many cases this year, but the numbers of reports received leads Dr. Brown to warn against the needless exposure of children to measles.

Special care is required during the convalescent period. Complications at this stage, with end results of kidney trouble or impairment of sight or hearing, can easily take command. Obviously, everything should be done to avoid such a possibility.

Contrary to the foolish notion of many parents, it should be quite unnecessary for children to contract this disease. Youngsters, especially in tender years, can easily be kept from measles contacts, that is, if parents of measles victims fully realize their obligation not only to their own child, but to other children also.

It is a regrettable fact that so many adults view the isolation of the so-called minor ailments with indifference. Nothing is further from the facts. The isolation not only keeps people in, but keeps others out. Its sole purpose is to reduce the possibility of contagion to a minimum.

More cooperation on the part of citizens in this connection undoubtedly would result in less measles with their accompanying devastating efforts. The next time measles is prevalent in your locality, weigh well the attitude you assume both toward the disease and the quarantine against it. Conceivably, it may save your child's life. The State law requires all cases kept out of school 21 days.

New Horizons Are Ahead

The pioneering spirit in industry is never so well expressed as in the progressive development of electric power.

Since the generating and distribution of such power forms the very basis upon which rests the development of industry in the mass, the expansion problems of the nation's business induce similar problems in that basic business which serves them. Rather it would be better to say that electric power development . . . that the electric power industry must seek and find new horizons upon which business will some day build.

Here on the South Plains the Texas Utilities Company is constantly looking ahead to meet the further power requirements of South Plains Industry. A surplus of power will always be available, therefore, for the expanded industrial needs of this region.

THE ROOSEVELT ROSE
First Quilt Named in Honor of a President Since Lincoln

Revival of quilt-making by American women has been given fresh impetus by the quilt pictured above, which was designed by Ruth E. Finley, author of "Old Patchwork Quilts and The Women Who Made Them", in honor of the President. Presentation to Mrs. Roosevelt was made at the White House by Good Housekeeping, in the January issue of which Mrs. Finley describes the pattern. The quilt is called "Roosevelt Rose".

The "Roosevelt Rose" is an applied quilt in an "all-over" raised design—a reversion to the gorgeous bas-relief patterns of Colonial America, but made without the tedious old-time labor of "stuffing" or "padding". The quilt presented to the President is a riot of magnificent color. A great variety of brilliant calicoes were used for the flowers of the wreath against a background of black sateen. The quilt is lined and corded with lip-stick red.

1934 Brings Elections For All Officials In Texas—Constable to Governor

The political calendar for 1934 set the date for the first primary on July 28 of this year.

With much interest in the political situation, it appears that candidates are going to begin announcing earlier than usual, and that there will be a "healthy crop" in Floyd County. Here are the dates which should be kept in mind by the voter and the candidate:

Jan. 31—Last day to pay poll tax.

Feb. 12—Election judges appointed by Commissioners' Court.

April 1—On or before this date tax collectors furnish county election boards with list of poll tax payers and exemptions.

June 4—On or before this date, candidates for party nominations for state and district offices shall file applications for places on primary ballot.

June 6—On or before this date, candidates for party nominations for offices to be filled by voters of a single county or a portion thereof and candidates for county chairmen shall file legal applications with the county chairman for places on ballots.

June 18—County executive committees meet at county seat to determine by lot the order of names on primary ballots, estimate the cost of printing the official ballots and other expenses incident to the holding of the election, and appropriate the cost among the various candidates (except candidates for state offices); name a sub-committee of five members to make up the ballot; decide whether the nomination of county officers shall be by majority or plurality votes. If the committee fails to decide, then the nomination shall be by a plurality of the votes cast. (Run-off for state or district offices is mandatory if no candidate receives a majority.) (Arts. 3108 and 3117R. S.)

June 25—On or before this date candidates must pay ballot fees.

June 28—First day to file first statement of campaign expenses.

July 3—Last day to file first statement of campaign expenses.

July 8—First day for qualified voters, who are away from county of their residence, to make application for absentee ballot.

July 9—Subcommittee appointed June 18 shall meet and make up official ballot for primary.

July 16—First day to file second statement of campaign expenses.

July 18—Last day for qualified voters who are away from county residence, to make request for official ballot to vote absentee ballot.

July 20—First day any qualified voter within county expected to be absent election day may appear before county clerk and vote an absentee ballot.

July 20—Last day to file second statement of campaign expenses.

July 23—On or before this date tax collectors shall deliver to the chairman of the county executive committee list of qualified voters in each precinct in the county, arranged alphabetically and by precincts.

July 24—Last day for one within county expected to be absent election day to vote absentee ballot.

July 28—Primary election day, also precinct convention day (Election open from 8 a. m. to 7 p. m., except in counties over 150,000; it is open from 7 a. m. to 7 p. m.)

July 28—Third and final statement of campaign expenses in first primary may be filed. Last day allowed August 7.

August 1—Presiding judges of election which make returns first primary on or before this date to county chairmen.

Aug. 1—Not more than 30 days nor less than 25 days before second primary, first statement of campaign expenses must be filed. This is the last day for that statement.

Aug. 5—Qualified voters outside the county of their residence expecting to be absent on election day shall arrange to vote absentee ballot in the same manner as required in first primary under date of July 8.

Aug. 7—Final statement of campaign expenses in the first primary

election must be filed on or before this date.

Aug. 15—First day for absentee balloting by those within county of residence but expect to be away on day of election.

Aug. 15—Last day for those outside the county of residence to make requests for absentee ballot.

Aug. 21—Last day to vote absentee ballot by those within county of residence but expecting to be absent election day.

Aug. 25—Second primary election day (runoff), also district convention day.

Aug. 29—On or before this date presiding judges shall make returns to county chairmen.

Sept. 1—County executive committees meet and canvass returns of second primary election.

Sept. 4—On or before this date final report of campaign expenses must be filed. State convention day to announce platforms of principles and nomination.

A MEMORIAL

Dear, sweet Esther has gone to rest
No more she will suffer here
She will live with God forever blest,
She will have no pain nor fear.

Her body, all drawn with pain,
Is resting calm and still;
We will never see her form again,
It was God's holy will.

For days and days she suffered,
No rest she had at all
But now she rests so sweetly
No tears there fall at all

Her form just like dear Jesus
With beams of glory shine
She sings God's praise so sweet
In that heavenly home sublime

On Sunday night last
She said that she must go
She called her husband to her
Her body trembled so

She told him that she loved him
She gave him a sweet embrace
And, Oh, the terrible suffering
You could see it on her face.

She left a dear old father
A darling mother, too,
And than a dear, good husband;
O Lord, do help them too.

She left some dear sweet brothers
Some precious sisters too
They loved their sister dearly
She has gone and left them all.

But I hope some day in the future
When your trials of life here are done
You will meet dear, sweet Esther
In that Eternal home.

When I stood there by her casket
And looked on her sweet face
With flowers all around it
They beamed with heavenly grace.

The flowers numbered friends and
loved ones
Of heaven they seemed to tell
How dear, sweet little Esther
Would there forever dwell.

But flowers that bloom here on earth
They wither and soon blow away
But the flowers that bloom up in
heaven
Will there forever stay.

Dear father and mother: you kept
her
For eighteen years here with you;
So bow in humble submission
You soon will follow too.

Then Oh, what a happy glad meeting
When we will meet in the sweet
by and by
We will meet to part, no never
We will live for ever on high

To all her friends and loved ones,
That I have not mentioned here;
I hope you will meet dear Esther
In heaven with her appear.

And now to those dear good neighbors,
You were so good and kind,
I pray God's richest blessings
Will for ever around you shine.

And, when this life is ended
And you pass from earth away,
May you meet dear sweet Esther
With her in heaven stay.

Now all these lines I have written
In memory of one so dear
Let us bow in humble submission
And offer up a prayer.

That some day we will meet her
In glory over there.

Where no family chains are broken
No vacant seats at all
But all be joy and gladness
And glory shines on us all.

Women Revive Handiword of Enduring Beauty

The recent enthusiasm for quilting has manifested itself in an interesting revival of a historical custom—that of naming a new quilt pattern for a Presidential administration. And the new "Roosevelt Rose," designed and made by Ruth E. Finley has been presented to Mrs. Roosevelt at the White House.

The first quilt named in honor of a President was "Washington's Own." The "Dolly Madison Star," "The Harrison Rose," "Jackson's Victory," and "The President's Wreath" and many other patterns, still popular, also commemorated administrations and high spots in our national life. Abraham Lincoln was the last President to have a nationally known and

undying quilt pattern named after him, although one more was named for an occupant of the White House. This was "Mrs. Cleveland's Choice."

"Here the record stops," according to Mrs. Ruth E. Finley, an authority on quilts, author of "Old Patchwork Quilts and the Women Who Made Them," who describes the Roosevelt Rose quilt in the January Good Housekeeping. "Quilts and quilt-making went completely into the discard. Presidents came and went. Two wars were won. Change followed change. Electric lights, the telephone, the phonograph, the automobile, plane, radio, the 'talkies' have all become, since the eighteenthies, the familiars of every day.

But where are the quilts designed to record them? No pattern distinctive enough to be more than locally known commemorates what must for years remain the height of romance—Lindbergh's Flight! No great quilt is called "Fourteen Points for Peace."

However, Mrs. Finley's research has revealed that handwork and handicrafts are always revived in times of depression. When money is least plentiful, creative arts flourish, and in the darkest time of our history, women have created handwork of the most enduring beauty.

With the new leisure today, women are turning to the old arts; quilt-

Maynard Saves Girl From Death in Stampede Of 250 Horses

Ruth Hall, playing opposite Ken Maynard in his Universal starring western, "Strawberry Roan," which will be seen at the Palace theatre next Saturday was saved from serious injury and possibly death during the making of the picture by Maynard, it has been revealed.

According to the script, Miss Hall was to take her place in a gully and face 250 stampeding horses racing down upon her. The horses were supposed to split apart. Maynard was to stand just behind her.

Maynard, watching the horses, saw that they were frightened as they raced down the gully and were not opening up to make a passage for Miss Hall.

He jumped in front of her, waved his hat and fired his revolver, and in this way drove them apart. The opening wasn't very wide even then. The horses brushed against Maynard, bruising his shoulders, while Miss Hall stood behind him, protected.

Of course, the scene was retaken. In "Strawberry Roan," Maynard is his usual whirlwind self, fighting Harold Goodwin, a horse-rustling ranch foreman, subduing the wild strawberry roan, winning a ranch and the beautiful Miss Hall. In the cast with him, in addition to Miss Hall and Goodwin, are William Desmond, a western favorite, Frank Yaconelli, the rhyming cowboy, Charles King, James Marcus and Jack Rockwell.

CORN HOG PRODUCTION ADJUSTMENT PROGRAM TO BE DISCUSSED MONDAY

Geo. L. Fawver, chairman of the county committee on the government Corn - Hog Production Adjustment program, has called a mass meeting of hog and corn raisers to be held Monday afternoon, January 29, at 1:30 o'clock in the court house.

Details of the Corn-Hog Production adjustment program were given in a meeting held Tuesday in Lubbock, which was attended by the members of the Floyd County Corn-Hog adjustment committee and Glen A. Lindsey, county agent.

Those attending the Lubbock meeting, where an official of the Agricultural Adjustment Administration was present, from Floyd County were: Geo. L. Fawver, chairman; Sam E. Brewer, of Blanco; Herman B. King, of Lockney and George F. West, of South Plains.

Questions Answered

Mr. Fawver gives the following information in answer to questions as to evidence of 1932-33 production:

Question—What evidence of 1932 and 1933 production is required of a contract signer?

Answer—Sales receipts, weight tickets, signed statements of persons or agencies buying, selling or consigning hogs, farm account records, and any other documents which the producer may have available which prove his claim to hog or corn production. The producer who does not have such evidence may not receive his first payment as promptly as others, and his figures will be subject to closer scrutiny.

To be eligible to join the program any one must have sows to farrow as many as three litters of pigs each year. Payment will be made on 75 percent of pigs farrowed during the years 1932 and 1933 at \$5.00 per head, the remaining 25 percent is the amount of reduction that must be made. The payments will be in three groups, less operating expense of the campaign.

"We are expecting around 500 contracts to be signed in this county," Mr. Fawver said.

IRA D. GAMBLE DIED LAST NIGHT FROM HEART ATTACK. HAD BEEN ILL

Ira D. Gamble, aged 60 years, died last night at 7:30 o'clock from a heart attack. He had been ill for several days with "flu" and had been in the Smith and Smith Sanitarium, but had been up for two days.

Mr. Gamble was a long time resident of Floyd County, having moved here in 1901, from Ellis county, near Ennis, Texas. He was born in Marshall County, Alabama, and as a lad moved to Ellis county.

Surviving are three children: Miss Erin Gamble, of Canyon, John Gamble and Miss Mary Gamble, of Chicago. Mrs. Gamble died in 1921. Two brothers and one sister also survive. They are: O. A. Gamble, of California; A. N. Gamble, of Lubbock; and Mrs. H. M. Terry, of Clark county, near Gainesville. Another brother, Jake Gamble, died Monday, January 8, of this year at El Centro, California.

Mr. Gamble was well known in Floyd County. He had engaged in the real estate and cattle business for a number of years.

Funeral services had not been made complete at the time of going to press late last night.

Mrs. S. E. Brewer and little daughter, Patricia, returned Saturday from Shawnee, Oklahoma, where they visited several days with her mother, Mrs. C. L. Shepherd and other relatives. Her sister, Miss Hazel Shepherd, returned with her for a visit with Mrs. Brewer and her aunt, Mrs. Will Snell.

Miss Evelyn Beck, who attended school last semester in Plainview, has entered Floydada High School. She joins her parents who recently moved here from Crosby county.

Mr. and Mrs. Wesley Bannister, of Wellington, Texas, visited in Floydada Saturday and Sunday with Mr. and Mrs. Leo Cothorn. Mrs. Cothorn and Mrs. Bannister are sisters.

Mr. and Mrs. J. E. Mitchell and daughter, Miss Marie, and Mrs. Jay Mitchell visited in Hale Center Sunday with Mrs. A. H. Dubose.

Mr. and Mrs. F. S. Truett, of Fringo, spent Saturday and Sunday visiting in Floydada with Mr. and Mrs. W. I. Canaday and other friends.

Mr. and Mrs. Leon Noel, of Ralls, visited in Floydada Sunday with Mr. and Mrs. Edd Johnston and Mr. and Mrs. Glad Snodgrass.

Eleven Texans Die Each Day From Tuberculosis Say State Health Office

Austin, Texas, January 22.—Dr. John W. Brown, State Health Officer, stated that slightly more than eleven Texans die each day from tuberculosis. In other words, over four thousand persons died of this disease last year.

In these days of economic stress, when the seeds of disease are being sown in the bodies of undernourished children, the prevention of tuberculosis is more necessary than ever. Tuberculosis formerly held first place as a cause of death; it now ranks third in Texas, while for the country as a whole it ranks seventh. Pneumonia was the only communicable disease that caused more deaths last year than did tuberculosis.

Tuberculosis has been known for centuries and constant search for a specific cure has been the goal of doctors for many years. However, no medicine, yet discovered, will cure this disease. The treatment consists of rest, proper food, fresh air, and proper medical supervision.

The greatest loss of life from this disease is between the ages 20 to 40 years, and its economic cost to families and the State is enormous. Tuberculosis can be arrested if found in its early stages, therefore, the State Department of Health urges that every one not feeling up to par should go to their family physician for a complete physical examination. In this way early beginnings of tuberculosis or other disease may be discovered in their early curable stage.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

But they can't do it. They only cause the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. Buy at drug stores.

FLOYD COUNTY'S 1934-35 COTTON PROGRAM GETS WELL UNDERWAY

The 1934-35 Agricultural Adjustment Administration Cotton Program for this county is well underway, being conducted by the Floyd County Cotton Production Control Association and Glen A. Lindsey, county agent.

Educational and instructional meetings were held last week in practically every community in Floyd County. Community committees have started their duties of signing up farmers on the 1934-35 cotton plan.

"We do not know exactly how many farmers have signed up for Floyd County as we have not had a report from the community committees," Glen A. Lindsey, county agent said this week.

Mrs. Luther Fry returned Sunday from Mineral Wells, where she had been with Mr. Fry who is receiving treatments for rheumatism. Mr. Fry's condition was unimproved at the time.
