NEAR RECORD VOTE

Lewellen Breezes To Re-Election

This week is an open date week for the Friona Chieftains, and as it turns out, the open date will afford many of the team's ardent fans a chance to go to Littlefield to see if Olton can upset the Littlefield Wildcats and put both Olton and Friona back in the running for the district title.

We know of a number of Friona fans who will be at the game. We had looked forward to a Friday night "off," but kickoff time Friday will undoubtedly find us at Littlefield, so we can see the results firsthand.

"This is a gunny game," Coach Bob Owen said this week. "Friday, Friona fans will be rooting for Olton in their game against Littlefield. If they win, the next week they're going to be rooting for Morton to beat us," he said.

A former Friona resident, Reid Lewis, was "written up" recently by the Greenville, S.C., newspaper for his heroic acts in saving the life of a small child during a fire.

Lewis, who is the son of Mr. and Mrs. Nelson Lewis of Friona, formerly was a partner in a television business locally. Following is the newspaper account:

Decisive action on the part of a 28-year-old maintenance man at St. Francis Community Hospital Friday night may have saved the life of a tiny girl in a burning house.

Reid Lewis, who works the 4 p.m. to midnight shift, gave this account of what happened: "I walked out to my car at the same time a lady worker was leaving the hospital and she said: 'What's burning?'"

"I looked over toward the old St. Francis hospital building next door and saw flames that I thought were coming out of it.

"So I ran back into the hospital and pulled the fire alarm and then ran over to the old hospital building. By the time I got close to the fire I realized it was not the hospital but a two-story house across the street.

"By the time I got into the yard I could hear children screaming and hollering inside and in a few seconds two older children came out of the front door of the house. But I could hear children still crying in the house and I saw one small child come to a window on the first floor.

"I helped her open the window and then helped her climb out and then I saw that there was another child—a little girl about three years old—standing behind her.

"This baby turned around and ran back into the house toward the fire, so I climbed in the window, went over to where she was standing, crying, I picked her up and brought her outside.

"Somebody said there weren't any more children in the house; there weren't any more kids screaming, and I was beginning to feel sick from the smoke I'd inhaled so I went back over to the hospital, and they said I'd better stay a day for observation."

Near-record numbers of voters turned out in Friona Tuesday, to help re-elect President Richard Nixon and Commissioner Tom Lewellen of county precinct number one.

Lewellen won re-election in a landslide over challenger Forrest Osborn, 838-432.

The commissioner had an edge of 711-397 in Friona, and had overwhelming margins at his home box of Black, 47-14, and Lakeview, 48-8. He also won the absentee box, 32-13.

A total of 1145 voters turned out in near-perfect weather for the election. Although the early lines and steady stream of voters seemed destined to set an all-time mark, it actually missed by one voter the number which voted here in the presidential election of 1968.

Friona added to President Nixon's landslide, going for the Nixon-Agnew ticket, 921-172. Local voters also went for John

Tower over Barefoot Sanders, 744-379, and surprisingly gave Republican gubernatorial candidate Hank Grover a 16-vote edge, 564-548.

Maurice Angly, candidate for state treasurer who apparently lost his bid to unseat longtime treasurer Jessie James, was favored in Friona, 643-445.

Countywide, the turnout amounted to 2930 voters, which was 216 less than the number voting in 1968. This was surprising, particularly in light of the additional number of eligible young voters, the extended registration date, etc.

Nixon-Agnew won the county vote, 2304 to 495 for McGovern-Shriver. The county also went for Tower, 1817-1015, and for Briscoe in the governor's race, 1490 to 1326 for Grover.

Angly won the county plurality, 1442-1239.

In amendment voting, the county went against number one (legislative pay raise), against number four (constitutional revision), against numbers nine, ten, 11, 12, 13 and 14, being heavily against the raise in salary for the lieutenant governor and house speakers.

Amendments favored were two (abolishing hospital district), three (paid JPs), five (tax exemptions for veterans), six (tax exemptions for elderly on homesteads), seven (equality under the law) and eight (four-year terms for state officers).

Briscoe led voting at Bovina, Farwell, Oklahoma Lane, Lakeview, Black, and the absentee box, 89-41.

Grover had his narrow 264-248 margin in Friona, and also carried Lazbuddie, 129-119, and Rhea, 44-25.

McGovern, although soundly beaten in every box, had his best support at Bovina, where 120 voters went for his ticket, to 336 for Nixon.

The voter turnout amounted to 70 per cent of the registered voters countywide, and 74 per cent in Friona.

A complete box-by-box breakdown can be found elsewhere in this issue.

Store Sets Open House

Carrol's, which specializes in printing, office supplies and gift items, will hold its grand opening this Friday and Saturday, November 10 and 11.

Carrol and Don Gatlin, owners of the new business, invite everyone in the Friona area to stop by the company's location, 601 Main, and register for free gifts which will be given during the opening.

Grand prize drawing, for a spinning wheel planter for the ladies and a desk set for a man, will be held at 5 p.m. Saturday.

Temperatures

Day	Hi	Low
Thursday	48	19
Friday	62	29
Saturday	65	30
Sunday	68	41
Monday	72	40
Tuesday	63	33
Wednesday	61	35

Moisture: .02 on Nov. 5.

VOTING LINE... Shown is the line that developed throughout the day at the Friona voting precinct on Tuesday. Despite the great start, which found some folks standing in line 30 minutes to vote when the polls opened, the total fell one voter short of Friona's all-time record voter turnout.

Richard Nixon John Tower Dolph Briscoe Tom Lewellen

FOOTBALL GUESSING

Leaders Hold Positions

Andrea Wilkins and Jerry Hinkle remained 1-2 in the Friona Star's football contest, after the ninth week of football predicting.

Miss Wilkins holds down first place with a score of 106, two better than Hinkle, after both posted scores of 111 in last week's contest.

Coming up to tie for third place were Keith Blackburn and Roy Rector, who had scores of 14 for the week. They are tied with Joyce Broyles with scores of 105 for nine weeks.

Fred (Judge) Barker, who was standing in third place, had the misfortune of forgetting to turn in his entry blank and dropped out of immediate contention.

The contest has four more big weeks to run, and contestants have 66 potential points yet to earn, including a pair of "bonus" games on Thanksgiving Day. So—it's still anybody's ballgame at this point.

In the weekly contest, three of the 162 contestants entering the ninth week had scores of 14, and they took the three weekly cash prizes.

Keith Blackburn took first place and \$5.00 on the basis of his Friona-Dammit score prediction. He had the score at 20-7, which was only eight points away.

Albert Johnson of Farwell took the \$3.00 second place check, missing the game score by nine points. He had predicted Friona, 30-0.

Roy Rector was third, guessing the score at 18-7, and was only ten points away. The top three contestants won their prizes by just a point in each instance.

All three of the top contestants missed the same two games: Dalhart and Stratford and Arkansas vs Texas A&M,

two commonly missed games. Only ten contestants correctly picked Texas A&M to beat Arkansas, and only 41 picked Stratford over Dalhart.

Ten contestants had scores of 13, barely missing out on a tie for first place. Most of these missed the Bovina-Kress game, as only 45 contestants went for the winning Bovina eleven.

Those getting 13 games correct were Lucy Beth Hinkle, Forrest Harding, Dana DeBord, Johnny Bandy, Bill Nichols, Jessie Morales, Mrs. Albert Johnson, Patrick Pace, Frank Truitt and Mrs. H.A. Seight.

A total of 28 contestants correctly picked 12 games, and another 51 had scores of 11. Thirty-six picked ten games and 22 had nine correct.

Annual Drive Begins Monday

Mrs. Ralph Shelton and Mrs. James McLean are again co-chairmen of the 1972 Multiple Sclerosis Campaign in Friona, Texas. "We feel honored to head the Chapter's appeal this year. The Society's stepped-up research program gives renewed hope for our local M.S. patients—families and friends," states Mrs. Shelton and Mrs. McLean.

"This hope is made possible by your support to this drive," Mayor Raymond Fleming has declared the week of November 12-18 as Multiple Sclerosis Week in Friona.

A M.S. worker will call on you during this week—"Be anxious to answer this appeal for our M.S. friends," is the request of the co-chairmen.

HOPES STILL ALIVE

Chiefs Idle Friday; Eyes On Olton-Cats

Although the Friona Chieftains have an open date this week, they still have a big game on Friday.

That game is the Littlefield-Olton contest at Olton, which will either wrap up the district title for the Wildcats, or give both Friona and Olton new life in district play.

The Chiefs received one boost last Friday when Morton tied Littlefield, 7-7. That left Friona only a half-game behind the Wildcats, and the district title flame at least was not extinguished.

The situation now is this (a combination of "ifs" it would take to get Friona back in the running for the district title):

If Olton beats Littlefield Friday, and Friona can beat Morton in its last game November 17, then Friona would clinch a tie with Olton, which plays Dammit in its finale. Friona would then represent the district on the basis of its win over the Mustangs here in the district opener.

Coach Bob Owen this week expressed optimism that Friona would get the "assist" from Olton. "We're keeping all of our fingers crossed. They're definitely capable, and they might be in better physical condition than Littlefield," the Chieftain mentor said.

Owen pointed out that Littlefield's backfield was slightly crippled up in their game against Morton, a result of the bruising battle with the Chiefs the previous week.

"J.E. Johnson, their leading scorer, played very little, (Lerner) Lewis, (Pat) Henderson and (Terry) Bryson were also slowed, and Bryson (Littlefield's quarterback) was banged up again in the Morton game," Owen said.

The game at Littlefield Friday will be equally as big for Olton as it will for Friona and Littlefield, as an Olton win coupled with a Friona loss to Morton would send the Mustangs into the playoffs.

"The ironic thing is that if there's that word again—if we had beaten Littlefield, we would have the playoff spot clinched this week, regardless of the outcome the rest of the way," Owen lamented, expressing the sentiments of all of the Friona fans.

The Chieftains, meanwhile, will use the open date to try to shake off wounds suffered in district warfare.

However, one starter, Mark Walters, sustained a broken leg bone against Dammit, and will miss any further action this year.

"Mark was a big asset to the team. He wasn't very big to be playing guard (135 pounds), but he was quick. He was a pleasant surprise to us this year," Coach Owen said. Walters is one of the senior players on the Chieftain team.

Pause and Reflect

By Nelson Lewis

This is being written Monday night. We have no way of knowing how the "elections" will come out.

But we do know that no matter how the political ball bounces we have internal problems that must be solved.

Not the least of these is the pitiful plight of the majority of our Indian population.

As of tonight they are still in command of the building in Washington, D.C., that houses the Bureau of Indian Affairs. They claim it is their building. Maybe it is, but that does not give them the right to destroy it or its furnishings.

If any minority group in the country has a just cause to complain it is these aboriginal Americans.

No matter how brightly we shine the shield of democracy we must remember that Europeans with superior weapons overpowered these people and robbed them of their homes.

If there is a black spot in our historical background it is our treatment of these original Americans.

Ravaged by our diseases, whiskey, and starvation, the "vanishing American" has every right to complain—but it should be done within the framework of existing regulations.

We are born into a society—not of our own creation nor perhaps to our liking—but it's the only one we have.

If any good can come from a study of broken treaties, one sided deals and "reservation life" it will be a valuable lesson that we modern Americans had better learn—and quick!

Under the all-powerful bureaus in Washington the average American citizen will soon fare no better than the most despised reservation Indian.

When Big Brother tells you how long you may work, what salary you may get, how much you pay for this or that, how much of your earnings you may keep, which books your children may read and study, which schools they shall attend, then you will understand what the Indians are battling against.

We might very well take a page from their history and wake up to the creeping paralysis of the "do gooders" while we still have some semblance of respectability and independence.

When our 200th birthday occurs in 1976 let's try to have no citizen regarded as "second class"—especially the ones wronged by greed and politics!

LETTERS TO EDITOR

Dear Sir:

I want to express a personal word of thanks to the news media people of Texas for their fair presentation and their support of Amendment #1 (pay raise for legislators) on November 7, 1972, ballot.

This year completes my 8th year in the Legislature. I was defeated in the May Primary, and therefore felt that I might render a further service to the State and to future legislators by heading up a committee of "Lame Ducks" to push for passage of this amendment. This we did as the "All for One Committee."

The fine cooperation of all news media people makes me

feel that Amendment #1 has an excellent chance for passage. A change of salary from \$400 to \$700 per month is certainly not too much when one considers the responsibility and work load carried by each legislator at this time.

I will not belabor the points of merit for Amendment #1, but will repeat a sincere word of "Thanks" for the almost unanimous support given to Amendment #1 by the news media of Texas. Future legislators will certainly be indebted to you for your efforts, regardless of the outcome of the vote on this issue.

Sincerely,
Delwin L. Jones

Sincerely Yours

By Rev. Albert Lindley

As of this moment I am one of the unpressured Americans because it is about 9:10 a.m. on Tuesday, November 7, and I have just voted.

Winner or not, I have listened, and listened and listened and have now cast...

I grin in the knowledge of the millions of people who yet must vote across our land—amendments—Judges—Sheriffs—Governors—Commissioners—Commissioners—and even a President. I suppose I should really be more thoughtful and realize that there will be many who can and won't—which of course recalls to mind the millions in our world who would like to have the opportunity and can't...

By the time you read this, the votes will be counted—many charges of miscount—calls for recount—and the such will be rocking around our country, some legitimate and some not—but the General Election of 1972 will be complete, unless something happens that I don't know about yet...

I noticed an editorial cartoon in the Lubbock Avalanche-Journal today depicting people lined up at the voting booth and the caption reading, "Where passing the buck stops."

We have our responsibility and we live in a land where we have the opportunity.

I should hope that we will equally realize that sending a man or woman or person to the government job doesn't resolve our responsibility—on any level.

Would you think me too presumptuous to cash in on you as a captured audience and lift up this prayer that has great meaning at this time?

"Almighty God, our heavenly Father, bless our country that it may be a blessing to the world. Keep us from hypocrisy in feeling or action. Grant us sound government and just laws, good education and a clean press, simplicity and justice in our relations with one another, and, above all, a spirit of service which will abolish pride of place and inequality of opportunity; through Jesus Christ our Lord, Amen."

—Book of Worship—

From Around The Country

GETTYSBURG, S.D., POTTER COUNTY NEWS: "Just what is the density of our inflated dollar? Three Harvard professors took the dollar to task in a recent research problem: Based on the dollar being worth 47 cents in buying power in 1970, they figure by 1990 it will be worth approximately 6 cents in honest to goodness buying power. I guess when the dollar inflates down to a big fat 'zero,' we'll all return to the forest to fight the squirrels for whatever nuts are left on the trees!"

WANTAGH, N.Y., SEAFORD CITIZEN: "We often wonder if parents take the time to warn their children of the dangers of shoplifting and vandalism. Quite often young people decide they are out to defy the 'establishment' by setting out to steal or destroy. Not only are they in danger of ending up in jail, but also, of finding themselves with a police record because they did something on a dare or a thrill. Parents should check on articles brought into the home, to be sure they have not been taken out of a store without permission. The saying, 'Where are your children tonight?', holds true more than ever. Trust; but know what is going on!"

NAPOLION, OHIO, NORTHWEST-SIGNAL: "I reckon it's a good thing that outer space is infinite. Man has not been aware of his ability to litter the vast area to a saturation point, but you gotta give him credit for trying. 'Tis said that already man has a couple thousand discarded devices floating in the heavens."

By Nelson Lewis

This is being written Monday night. We have no way of knowing how the "elections" will come out.

But we do know that no matter how the political ball bounces we have internal problems that must be solved.

Not the least of these is the pitiful plight of the majority of our Indian population.

As of tonight they are still in command of the building in Washington, D.C., that houses the Bureau of Indian Affairs. They claim it is their building. Maybe it is, but that does not give them the right to destroy it or its furnishings.

If any minority group in the country has a just cause to complain it is these aboriginal Americans.

No matter how brightly we shine the shield of democracy we must remember that Europeans with superior weapons overpowered these people and robbed them of their homes.

If there is a black spot in our historical background it is our treatment of these original Americans.

Ravaged by our diseases, whiskey, and starvation, the "vanishing American" has every right to complain—but it should be done within the framework of existing regulations.

We are born into a society—not of our own creation nor perhaps to our liking—but it's the only one we have.

.....

If any good can come from a study of broken treaties, one sided deals and "reservation life" it will be a valuable lesson that we modern Americans had better learn—and quick! Under the all-powerful bureaus in Washington the average American citizen will soon fare no better than the most despised reservation Indian.

When Big Brother tells you how long you may work, what salary you may get, how much you pay for this or that, how much of your earnings you may keep, which books your children may read and study, which schools they shall attend, then you will understand what the Indians are battling against.

.....

We might very well take a page from their history and wake up to the creeping paralysis of the "do gooders" while we still have some semblance of respectability and independence.

.....

When our 200th birthday occurs in 1976 let's try to have no citizen regarded as "second class"—especially the ones wronged by greed and political

LETTERS TO EDITOR

Dear Sir:

I want to express a personal word of thanks to the news media people of Texas for their fair presentation and their support of Amendment #1 (pay raise for legislators) on November 7, 1972, ballot.

This year completes my 8th year in the Legislature. I was defeated in the May Primary, and therefore felt that I might render a further service to the State and to future legislators by heading up a committee of "Lame Ducks" to push for passage of this amendment. This we did as the "All for One Committee."

The fine cooperation of all news media people makes me

feel that Amendment #1 has an excellent chance for passage. A change of salary from \$400 to \$700 per month is certainly not too much when one considers the responsibility and work load carried by each legislator at this time.

I will not belabor the points of merit for Amendment #1, but I will repeat a sincere word of "Thanks" for the almost unanimous support given to Amendment #1 by the news media of Texas. Future legislators will certainly be indebted to you for your efforts, regardless of the outcome of the vote on this issue.

Sincerely,
Delwin L. Jones

Sincerely Yours

By Rev. Albert Lindley

As of this moment I am one of the unpressured Americans because it is about 9:10 a.m. on Tuesday, November 7, and I have just voted.

Winner or not, I have listened, and listened and listened and have now cast...

I grin in the knowledge of the millions of people who yet must vote across our land—amendments—Judges—Sheriffs—Governors—Commissioners—and even a President.

I suppose I should really be more thoughtful and realize that there will be many who can and won't—which of course recalls to mind the millions in our world who would like to have the opportunity and can't...

By the time you read this, the votes will be counted—many charges of miscount—calls for recount—and the such will be rocking around our country, some legitimate and some not—but the General Election of 1972 will be complete, unless something happens that I don't know about yet...

I noticed an editorial cartoon in the Lubbock Avalanche-Journal today depicting people lined up at the voting booth and the caption reading, "Where passing the buck stops."

We have our responsibility and we live in a land where we have the opportunity.

I should hope that we will equally realize that sending a man or woman or person to the government job doesn't resolve our responsibility—on any level.

Would you think me too presumptuous to cash in on you as a captured audience and lift up this prayer that has great meaning at this time?

"Almighty God, our heavenly Father, bless our country that it may be a blessing to the world. Keep us from hypocrisy in feeling or action. Grant us sound government and just laws, good education and a clean press, simplicity and justice in our relations with one another, and, above all, a spirit of service which will abolish pride of place and inequality of opportunity; through Jesus Christ our Lord. Amen."
—Book of Worship—

From Around The Country

GETTYSBURG, S.D., POTTER COUNTY NEWS: "Just what is the density of our inflated dollar? Three Harvard professors took the dollar to task in a recent research problem: Based on the dollar being worth 47 cents in buying power in 1970, they figure by 1990 it will be worth approximately 6 cents in honest to goodness buying power. I guess when the dollar inflates down to a big fat 'zero,' we'll all return to the forest to fight the squirrels for whatever nuts are left on the trees!"

WANTAGH, N.Y., SEAFORD CITIZEN: "We often wonder if parents take the time to warn their children of the dangers of shoplifting and vandalism. Quite often young people decide they are out to defy the 'establishment' by setting out to steal or destroy. Not only are they in danger of ending up in jail, but also, of finding themselves with a police record because they did something on a dare or a thrill. Parents should check on articles brought into the home, to be sure they have not been taken out of a store without permission. The saying, 'Where are your children tonight?', holds true more than ever. Trust: but know what is going on!"

NAPOLÉON, OHIO, NORTHWEST-SIGNAL: "I reckon it's a good thing that outer space is infinite. Man has not been aware of his ability to litter the vast area to a saturation point, but you gotta give him credit for trying. Tis said that already man has a couple thousand discarded devices floating in the heavens."

HELPING HAND?

GLENN ARTHUR REBBER of Friona has been admitted to the Southwestern State College School of Pharmacy in Weatherford 1, Okla. His parents are John Rebber, Seagraves, Tex., and Mrs. Joyce Wells, Friona. Before being accepted by the School of Pharmacy, Rebber completed two years of pre-professional college work. After three years of professional studies he will be awarded the bachelor of science in pharmacy degree.

CHECKMATES—Tiny checks adorn this two-piece knit in a cotton blend. An embroidered yoke and ruffles set off the angel top that's worn over flared slacks. By Carter's.

MANLY—Prescribed wear for the most dapper of chaps: the Norfolk jacket handsomely cut in herringbone-printed cotton corduroy. It's by Chips 'n Twigs.

THE BLAZER'S BACK—And it goes to a fashionable new length in this dashing design by Gunter for Project 2. In Crompton's luxurious cotton and rayon velvet, it's worn over matching short pants.

HARVEST RESUMES. . . . A week of open weather has allowed farmers in the Friona area to resume harvest operations, and work approached peak proportions, as farmers took advantage to attempt to get the crop out.

PROJECT WINNERS. . . . The winners in Cub Scout Den 2's fire engine contest are shown above. From the left are first place winner George Salas, second place winner Jimmy Floyd and third place winner Doug Moyer. The boys built the toy engines, which were judged by members of the Friona Volunteer Fire Department.

Jaycees Set Turkey Shoot

The Friona Jaycees are sponsoring a Turkey Shoot on November 18 and 19 at the Trap House near Benger Air Park. Shooting will begin at 1 p.m. each day of the Saturday and Sunday affair.

Mr. and Mrs. Ron Davenport and sons, Winfield and Wade, spent the weekend visiting his parents, Mr. and Mrs. Jack Davenport in Trinidad, Colorado.

When you cook cauliflower, cabbage and the like, eliminate at least some of the odor by putting a piece of bread in the pot while the vegetable is cooking.

Get more juice from citrus fruits by heating the lemons, oranges or grapefruit in the oven for just a few minutes before extracting the juice.

To Be Flame Resistant Carpet Now Required

For extra-fluffy mashed potatoes, fold a stiffly-beaten egg white into the mashed potatoes just before serving.

"Today's consumer knows whether or not she's playing with fire when it comes to carpet."

"On April 15, 1971, it became illegal to manufacture carpets larger than 24 square feet, or hall and stair carpets longer than six feet, that aren't flame resistant." "These standards were set by the National Bureau of Standards in the U.S. Department of Commerce."

A flame resistant carpet won't burn more than three inches in any direction from a fire source in a draft-protected environment. Eight specimens from one carpet are tested, and seven must pass the test.

The fire source is a "timed burning tablet" which is really a methamphetamine pill. The 9" x 9" carpet specimens are placed in a special draft-free chamber for the test. The pill is placed on the traffic surface of the carpet and ignited.

The specialists explained that all carpets and rugs having a fire retardant treatment or those made of fibers which have had a fire retardant treatment are to be labeled with the letter "T." Manufacturer's compliance with the standard doesn't guarantee the carpet or rug won't burn. The standard is intended only to eliminate carpets that can be ignited by small flames such as matches, cigarettes or fireplace sparks.

"The standard doesn't apply to 'one-of-a-kind' carpets or rugs, such as antiques, an Oriental or a hide." "It also doesn't apply to carpet manufactured before April 15, 1971. So until old inventories are sold, you may not be able to buy fire retardant carpets."

After December 28, 1971, rugs less than 24 square feet or runners less than six feet must have a label stating that they don't pass federal tests for flammability and therefore may be hazardous.

"Check the label on new carpet to find out if it's flame resistant. It could keep your home just a bit safer."

"Unhappy here, Wiggins?"

HINCKLEY, ILL., REVIEW: "A little item from the tragic flood in Rapid City, S.D. caught our eye. . . People in the higher portions of the city opened their homes to the homeless. To coordinate such efforts the radio stations broadcast emergency announcements. One family opened the doors of their home, along with their hearts with a rather unusual but pointed statement, 'the icebox is full'. Those four words are certainly not very poetic, and will surely not go down among the great quotations. Could you imagine, however, the chord they must have struck with somebody, whose entire worldly possessions had been destroyed. Maybe it is time for us to check and see if the 'ice box is full.' If it is, then it is time for us to stop complaining."

Mrs. Nelson Is Winner

Mrs. Jack A. Nelson of Friona was declared the winner in the drawing conducted recently by the Christian Book Store of Hereford.

Mrs. Nelson is to receive a copy of the "Living Bible," which is one of the store's best-sellers at the present time.

Manager James Hull (inset)

SERVED BY REC

Area Beef Production Feeds 9,000,000 People

Deaf Smith Electric Cooperative, Inc. is a vital cog in the area's tremendous cattle industry.

"We furnish electricity to feed lots that supply enough beef to feed over 9,000,000 people on a year-around basis," states James Hull, manager of the cooperative.

This figure is only about 2.5 million short of the current population of the state of Texas, but the production is growing all the time.

Deaf Smith Electric currently serves some 30 large commercial feedlots in this area, as well as numerous elevators, feed mills, gins, and other agri-business installations.

"There has not been a new feed lot built in our area in the last year or so, but in this period, the existing yards have added pen space equivalent to three or four new large feed yards," Hull points out.

Hull said that an "average" feed yard's power demands were equivalent to those of a small community.

Deaf Smith Electric Cooperative serves a four county, 4700-square mile area including the counties of Castro, Deaf Smith, Oklahoma and Parmer.

According to Hull, probably the fastest-growing area in the cooperative's service area is the Friona area.

The "REC" serves approximately 6,500 customers, with some 2,700 miles of power lines. When the cooperative began in April of 1937, it had only about 50 miles of energized lines, serving 128 farms which included 26 irrigation wells.

Today, there are approximately 1700 irrigation wells which derive their power source from the cooperative, which was organized in order to bring power and electric lights to the

farm homes of this region—a bold undertaking 35 years ago.

Bucking the national trend, the number of rural meters served by Deaf Smith Electric Cooperative has continued to increase slightly in recent years. This is due not only to the addition of the industries pertaining to cattle, but also to the new homes which have been built on the fringe areas of cities.

Hull became manager of the cooperative in April of 1969, following the retirement of Leo Forrest, manager for almost 25 years.

Executive Assistant is Sam Morgan, longtime employee of the cooperative.

Dick Montgomery is Manager of Area Development. In his capacity, Montgomery works closely with the agri-business segment of this area, and also serves as a consultant to possible new additions to the area's industrial community.

Deaf Smith Electric Co-op currently employs 42 people, two of whom live in Parmer County (Bovina), in the capacity of servicemen.

Sloan Osborn of Friona is president of the cooperative's board of directors, and has served on the board for over 30 of the organization's 35-year history.

Other current members of the board include Raymond Higginbotham, vice president, Tom Draper, secretary-treasurer, Raymond Annen, A.W. Anthony, Jr., Eldred Brown and Noel Gollehon.

Many cooperatives across the country are building new buildings, but Deaf Smith Electric Cooperative's board felt that the co-op had adequate space, and it would be more economical to remodel.

Work has been virtually completed on the cooperative's expansion and remodeling program, which added several hundred square feet to the headquarters building on East Highway 60 in Hereford.

Included in the expansion is a new meeting room, the Medallion Room, which seats 100 people, available for the use of clubs and groups in the area. The room is furnished with complete kitchen facilities.

The interior and exterior of the original building have been completely remodelled. The cooperative plans to host an open house in the near future so that the public may view the building.

The cooperative avoids the extra investment of operating by purchasing its power supply wholesale from Southwestern Public Service Co., having only recently signed a new 10-year contract for power with that company.

The co-op was established on the basis of two per cent government loans through the Rural Electrification Administration. However, electric cooperatives have now established their own bank, paying regular bank rates for its loans, and is becoming less dependent on government loans for its financing.

A testimony of the successful operation of the cooperative is seen in the fact that it has returned in excess of \$1.5 million to its members since 1951.

One problem facing power companies in some sections of the country—power shortage—is not a threat here, Hull points out. "In our area, we have all of the power we need, and this should be the case for many years to come," he says.

FOURTH-QUARTER SPURT

Bandy Ballies FHS Past Dimmitt, 27-6

For three quarters of playing time last Friday, it appeared that the after-effects of the Littlefield game might cost the Friona Chiefs another victory, as the team struggled with a 7-6 lead.

But injured Johnny Bandy came in to rally the sleeping giants to 20 fourth period points, and Friona breezed to a 27-6 win over their old rivals from Dimmitt.

Bandy, who had suffered an injury against Littlefield, started on defense, and the recommendation prior to the game was for him not to play on offense. However, when the situation became critical in the second half, Bandy was sent in, and the results soon appeared on the scoreboard.

Clay Bandy, the sophomore all-purpose utility man for the team, opened the game at quarterback. Although it was not Clay's fault, the team was not anywhere approaching the sharpness displayed the previous week at Littlefield. Some fans had feared this type of let-down, after the vital loss to the Wildcats.

The team was sluggish, slow-starting and ingeneral not ready to play at the outset of the game.

Bearing this out was the fact that Dimmitt, with statistically the weakest offensive team the Chiefs have faced, drove for a touchdown after taking the opening kickoff. No other team—Muleshoe and Littlefield included—had been able to do that this season against the Chiefs.

Friona had apparently stopped the drive at their own 35 when Dimmitt punted the ball on fourth down. But a roughing the kicker penalty against the Chiefs gave the Bobcats new life, and they took advantage. Dimmitt quarterback Terry Powell went in from the eight five plays later, and his kick was just a shade wide, sending the visitors into a 6-0 lead, and giving the Bobcats momentum.

The drive consumed seven minutes of the first quarter.

Most Friona fans will admit that luck was on the side of the Chiefs during their first offensive series. Clay Bandy, who had recovered his own fumble on the first play, pitched out to Scott Lillard on second down. Lillard bobbled the ball, then finally corralled it, and headed around left end. Somehow, the Bobcat defensive timing was thrown off, and Lillard, once he passed the line of scrimmage, was off to the races. He went 69 yards untouched for the tying touchdown.

Kevin Wiseman, who has not missed an extra point kick in district play, booted this one true, and Friona took a 7-6 lead, which probably helped stem the fired-up Bobcats somewhat. Dimmitt had enjoyed its lead for only 55 seconds of clock time.

The Bobcats drove to the Friona 27 in the second quarter, but Powell's pass went through his receiver's hands on fourth down.

Friona's lack of offense was seen in the fact that besides the touchdown, the Chiefs had only one other first down in the first half—and that came about by a 15-yard penalty against Dimmitt. The Bobcats had a 9-2 lead in first downs at that point.

Things went from bad to worst as the third quarter began to unravel. Ted King took the kick out to the 25. On third down, Bartlett appeared to have the first down made, but fumbled as he was hit, and Dimmitt recovered at Friona's 33.

Powell caught the Chief's defense napping with a 25-yard pass to set the 'Cats up with a first down just outside the Friona 10.

Albert Ewing, the big full-back, almost lost the ball as he went around left end, but it bounced right for him, and it was an eight yard gain to the two. This was on second down.

The Chief's line was faced with a big challenge, as Dimmitt had two plays to make either a first down inside the one, or a score. The defense came through, as a measurement on fourth down found the ball about a foot short, and the Chief's offense took over.

At this point, with the team backed up to its goal-line, Johnny Bandy was inserted into the lineup on offense. He responded, guiding the team to three first downs, out to their own 40, before an intercepted pass stopped the drive.

Friona returned the favor a few minutes later, when Clay Bandy stole a Powell pass and ran it 21 yards to the Dimmitt 41.

But it was into the fourth quarter before Friona could add any points to its lead. Dimmitt had been backed up to its three yard line, and Friona took over after a short punt at the Bobcat 33.

Louis Lee burst through to the Dimmitt 17, almost getting away for the score. Lee made another first down to the four, and then James Bartlett took it in. Lee's number was called on a running try for points, and the little scabback was stopped just inches short, and Friona's lead was 13-6.

Next time Friona got the ball, Lee broke loose again. This time he found himself in the se-

condary, and easily sprinted 68 yards for one of his patented TD runs. A bad snap resulted on the PAT try, and Wiseman grabbed it up and tried to run it over. He was stopped just short of the goal, but Friona's lead was 19-6.

The Bobcats were forced to the air, and this proved to be their final undoing.

Ted King got in front of a Powell pass at the Dimmitt 35. He batted the ball in the air, finally got control of it, and it was simply a matter of dashing up the west sideline for the score, as no one touched him.

Bandy (Johnny) passed to Bartlett for two points, and the scoring was completed for the

night, with 3:33 left to play. However, the Chiefs threatened once more, blocking a Dimmitt punt at their 17. The reserves gave it a try, with Lillard moving the ball to the Dimmitt three, but the clock ran out at this point.

Lillard's 94 yards rushing was just two short of his total for the season. Used only as a reserve previously, Scott averaged 15.7 yards per carry on six tries Friday. Lee was the leading rusher, with 99 yards and a 14.1 average.

The win was Friona's sixth over Dimmitt in the past ten years, but only the tenth for FHS against 26 losses to the Bobcats since 1930.

NOW—LOOK OUT, GOAL... Louis Lee is shown after taking a 12-yard pass from Johnny Bandy in last week's Dimmitt clash. Lee was the team's leading rusher with 99 yards, edging out Scott Lillard who had 94. Both had long touchdown runs.

Morton Really Plays Against The Big 'Uns

By DON HENRY

There's something about the big ones that bring out the best in Morton's Indians. Smoke signals out of the reservation indicated nothing much out of the ordinary a month ago when Muleshoe moseyed in with an undefeated record. But that came to a halt when the Indians won their first game of the year, 27-20.

And last week, Littlefield, the District 3-AA leader after disposing of challenger Friona 21-14, came over, only to run into a major ambush. The Wildcats escaped with a 7-7 tie, and coach Jerry Blakely considered himself fortunate to get that. Now, Littlefield still is the district leader but the lead is down to a half-game, and the season will either end or move into the playoff phase this week.

Littlefield, with a 2-0-1 record, plays its final regular season game against Olton Friday night. A win would send it to the playoffs, but an Olton win... The ifs can extend rest of the year. Outside of Littlefield, rest of the league does not end the regular season until Nov. 17, and the final outcome may not be decided until then, should the Wildcats lose this week. But, a Littlefield win and the final week of play will be strictly to make it official.

Last week, Morton scored in the first period and led until the final four minutes when Littlefield put on a determined drive and scored the matching touchdown. And Larry Hibratschik's extra point kick brought the tie.

Quarterback Ted Thomas got Morton's TD on a 37-yard quarterback sneak, and Littlefield's clincher was a one-yarder by Pat Henderson with only 3:06 left on the clock.

In the other game last week, Friona broke open a close game with 20 points in the final period to outlast Dimmitt 27-6.

"The tie will go down as a tie this year," said Wildcat coach Blakely. "We voted to go that way at a meeting about the first of the school year."

Last year, the district followed a statistical formula in breaking ties, and it was this method that Littlefield used to gain a co-championship with Floydada and a trip to the play-

offs in 1971. Had this policy been in effect this year, Littlefield would have won Friday's game, by a 4-1 penetration edge.

As it was, "we were fortunate to get a tie," said Blakely. "Morton played well. We had a good defensive effort, but we showed a lot of character in coming back at the end."

"We got after them," said Morton coach Doug Reed. "With the tie, there are dozens of ifs but we feel we're still in it, if old Olton can beat them next week."

"The big play, I think, came in their touchdown drive, when we had them on third and 23 in their own end of the field, and they completed a long pass for about 30 yards. That let them get loose, then we got a 15-yard penalty which helped. Then, they tried to pass and the quarterback (Terry Bryson) ran it all the way to the 2."

"We made some costly errors, but we were tickled to death to be in the ball game with them. Our cornerbacks led the defense. Jimmy Harvey and Ted Thomas had about five unassisted tackles and about eight assists each."

In addition to the Littlefield-Olton game, Morton will be at Dimmitt. Friona, now second with a 2-1-0 record, is idle. If Littlefield wins, it can start watching District 4-AA for its bi-district foe. In that league, Floydada and Tullis are the leaders and they play Nov. 17.

Eighth Graders Fall To Morton Team, 14-6

The eighth grade Braves were defeated by the Morton eighth graders in a game here last Thursday, 14-6. The defeat left the Braves' record at 3-3 for the year.

The Morton team, which has lost only once this season, took the lead on the first play of the second quarter, after driving 68 yards to score. A kick was good, leaving Morton ahead by 7-0.

In the second quarter, a Friona punt was killed on the Morton one-yard line. Morton ran the ball out to the 15, and then apparently had an 85-yard scoring play, but the play was erased by a penalty.

Keith Martin returned the second half kickoff to the Friona 33, and the Braves began a scoring drive. Behind the running of Lester Aven, Martin, Kelvin King and a pass from Leslie Broadhurst to Sammy Felder, the Braves moved downfield.

Facing fourth down and two yards to go from the Morton 22, Clint Mears connected with Sammy Felder on a pass good for six points. A passing try for points went incomplete, and Friona trailed by one, 7-6.

A series of pass interceptions in the fourth quarter found Morton getting the better end of the deal, running one back to the Friona 11, and then going in for a TD. Another PAT kick made the final score Morton 14, Friona 6.

Contest Scores

(Following are the results of games included on last week's football contest):

- Caprock 23, Tascosa 14
- Muleshoe 27, Levelland 12
- Perryton 19, Canyon 12
- Panhandle 24, Phillips 12
- Stratford 14, Dalhart 12
- Bovina 17, Kress 0
- Vega 32, Farwell 0
- Nebraska 33, Colorado 10
- Texas A&M 10, Arkansas 7
- Baylor 42, TCU 9
- Texas 17, SMU 9
- Notre Dame 42, Navy 23
- Texas Tech 10, Rice 6
- San Diego St. 37, WTSU 6
- UCLA 23, Stanford 23
- Washington 35, NY Jets 17

(And here is how the contestants picked 'em)

- *Tascosa 115, Caprock 47
- Muleshoe 151, Levelland 11
- Perryton 141, Canyon 21
- Panhandle 123, Phillips 39
- *Dalhart 121, Stratford 41
- *Kress 117, Bovina 45
- Vega 102, Farwell 60
- Nebraska 149, Colorado 13
- *Arkansas 152, Texas A&M 10
- *TCU 100, Baylor 62
- Texas 155, SMU 7
- Notre Dame 162, Navy 0
- Texas Tech 149, Rice 13
- San Diego 131, WTSU 31
- UCLA 149, Stanford 13
- Washington 94, NY Jets 68

Travel SAFETY

When you're driving down the highway on a long trip, it's easy to become almost hypnotized by the white stripe or the taillight of the car ahead. Keep your reactions sharp and ready to deal with emergencies by shifting your focus occasionally, and don't drive too long without a break.

If you're taking medicine for a chronic ailment, ask your doctor for an extra copy of the prescription before you start out on a trip abroad. Explain the circumstances fully, so he'll write the prescription in a form that's recognized internationally. This will save precious time if you lose your medicine.

ROCKWELL BROS & CO. "LUMBERMEN"

CAGED BOBCAT... The Friona defense has this Dimmitt Bobcat pretty well cornered in an action shot from last Friday's game. Clay Bandy (10) and Mike Martin combine to stop Dimmitt's Florence Acevedo. Coming up to help is Rudy Aguirre (30).

Seventh Graders Take Third Victory, 16-12

Morton's seventh grade came to Friona Thursday, November 2, and Friona's seventh graders took a 16-12 win.

The win left the Friona team with a 3-2-1 record for the year, with two games to play. The team goes to Muleshoe on November 9 and to Littlefield November 14.

Friona drove to the Morton 29, before a penalty halted the drive. However, on the next play, Eddie Brailiff covered a Morton fumble, and Friona had the ball at the 20.

On the first play of the second quarter, Raul Brailiff went in for the touchdown, from 16 yards out, and Terry Wilcox ran for two points to send Friona into an 8-0 lead.

Morton took advantage of a Friona punt that hit a Friona

lineman and bounced backward. The young Indians picked up the ball and ran it in for the TD. The PAT try failed, and Friona held an 8-6 lead at the half. Brailiff recovered another Morton fumble in the third quarter, and two plays later he ran 35 yards to Morton's 30, and Wilcox got the team's other touchdown from the eight. Faking a kick, Brailiff went in for another two points, and Friona led, 16-6.

Morton drove 75 yards for their other touchdown in the fourth quarter. A try for points was halted, and the score was 16-12. Friona had to hold a determined Morton drive on their own two to keep the visitors from coming from behind late in the game.

Chiefs Eying Olton-Littlefield.

(Continued from Page 1)
Johnny Bandy, who did not start against Dimmitt due to a kidney infection which had hit him after the Littlefield game, is almost recovered, and Coach Owen said he would take it easy this week in order to fully recuperate by the following Friday.

INSIGHTS INTO PSYCHOLOGY

IN MANY HOMES bedtime is bedlam time. TO AVOID THIS AND YOUR CHILDREN'S MOTHER OR FATHER SHOULD TALK THEM INTO BEDTIME SHOULD BE USED HOW SUIVATE. CONVERSATION WITH EACH CHILD CHILDREN THEN BEGINS TO LOOK FORWARD TO BEDTIME AS A TRULY EDUCATIONAL EXPERIENCE.

Ability To Work Together Is Christ-Like Attribute

Read John 13:31-35

A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. (John 13:34)

Christians throughout the world, from many nations, can speak one language in common--the language of Christian love.

About two years ago nationals and missionaries met to reorganize our Bible Institute. Our new director made this statement: "We will not speak in Aymara or in English, but only in Spanish." In similar meetings in former years it has been the practice for the Aymaras to speak among themselves in Aymara and for the missionaries to do likewise in English. But now, we were all to speak only in Spanish, a language which could be understood by either group.

The staff of our Bible Institute is equally divided between Aymaras and missionaries from the United States, under the leadership of an Aymara director. In our love for one another, we have made Spanish our common language. Our work has gone forward with the Lord's blessing upon it.

PRAYER: Father, we thank Thee that we can be workers together with Thee and with our fellow Christians. Help us to love them with love like Christ's for us. Help us daily to speak the language of love. In Jesus' name. Amen.

THOUGHT FOR THE DAY: The language of Christian love is bringing the worldwide community of believers closer together.

**On The Farm
In Parmer County**
MACK HEALD
County Agent

The first cotton sample of the 1972-73 season was classed September 14, 1972, by the USDA's Agricultural Marketing Service Cotton Classing Office in Lubbock, W.K. Palmer, Officer-in-Charge, reported that only 1,191 cotton samples from the current crop had been received through Friday, November 3rd.

This compares to a total of 1,757 samples at this time last year.

Most of this early cotton has been harvested in Dawson, Lynn and Gaines counties but first bales have been harvested over the entire area.

The seasonal classing offices at Brownfield and Levelland are expected to begin receiving samples for classification on Monday, November 13th.

Most of the early harvested cotton has been long staple cotton which was machine picked and hail damaged and chemically defoliated cotton which was stripped.

Quality of this early cotton varied widely depending on the condition of the fields at the time of harvest.

Grades of these first bales have been predominantly Middling and Strict Low Middling. Staple length has averaged approximately one inch and micronaire of most cotton has been in the premium range of 3.5 to 4.9.

Price quotations on the Lubbock market for cotton in the premium micronaire range of 3.5 to 4.9 ranged from the low for low grade, short staple cotton to \$27.50 per bale over the low for high grade, long staple cotton.

Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities were: Middling 31/32-23.05, Middling 1"-24.25, Middling 1-1/16-27.50, Strict Low Middling 31/32

For best value in detergents, choose one with a high phosphate content; no substitute is as good as phosphate for gently cleaning out the dirt. A good brand name is your best assurance of a high phosphate content.

-22.30, Strict Low Middling 1"-23.50, and Strict Low Middling 1-1/16-25.00.

Prices paid farmers for cottonseed ranged from \$42 to \$50 per ton and averaged \$46 per ton.

It's partly up to hog producers whether the hog production industry must go through the profit wringer again or can maintain reasonably profitable market prices. The hog outlook is quite favorable through the first eight months of 1973; then prices will be determined largely by the size of the 1973 spring pig crop.

This year is shaping up as the all-time best price and profit year which could spell gloomier times ahead. Historically, the hog industry has not been able to withstand prosperity. Following a year of good prices, sow farrowings are typically increased over the next 12 to 24 months until supplies become burdensome and prices drop to unprofitable levels.

The market can possibly withstand a 5% increase in December through May farrowings and another 5% increase in the June to November 1973 crop without a sharp drop in late 1973-early 1974 prices. If farrowings are much larger, profit margins by late 1973 will be poor.

In general, the hog outlook is quite favorable for the rest of 1972 and into the third quarter of 1973. Pig crop estimates for the February-to-May period indicate that the volume for the rest of this year should run at least 6% to 7% below last year. A sizeable gilt and sow holdback for 1973 farrowing could reduce slaughter a bit more.

Basic demand conditions should continue strong this fall, especially in view of further improvement in economic activity. Nevertheless a seasonal pickup in marketings will cause prices to trend lower.

Looking at 1973 market prospects, intended farrowings point to at least some reduction in slaughter supplies during

4-H AWARDS

Gold Star Girl Award Goes To Holly Hart

Parmer County 4-H'ers from Farwell, Oklahoma Lane, Lazbuddie, Friona, Bovina and Rhea were honored Saturday night at the County 4-H Achievement Banquet in Bovina School cafeteria and auditorium.

Highlight of the evening was the announcement of Parmer County Gold Star Boy and Girl. The awards went to Holly Hart of Friona and Scotty Gilliam of Oklahoma Lane. The presentations were made by Mrs. Sue Farris, District Extension Agent from Amarillo.

Carrie Haseloff of the Oklahoma Lane 4-H Club was master of ceremonies for the banquet in the cafeteria. After dinner, Stephanie Schueler of Rhea 4-H gave the invocation. Bruce Kaltwasser of Farwell 4-H Club led the group in the pledge of allegiance, and Cheryl Whitecotton of Bovina 4-H Club led the 4-H pledge and motto.

Jacquelyn Langford of Farwell 4-H Club introduced several guests. Karene Hart of Friona 4-H Club gave a presentation on the highlights of the 4-H year.

Mark Haseloff of Oklahoma Lane introduced the banquet sponsors and presented them with welcoming plaques on behalf of the county's 4-H clubs.

Mary Beth Bennett of Friona 4-H Club recognized Parmer County's 4-H leaders and presented them with certificates. Farwell, Oklahoma Lane and Lazbuddie leaders

most of the January-to-June 1973 period. Possibly, the first quarter 1973 prices of barrows and gilts on the Midwest interior markets will start at a \$25 to \$26 per hundredweight range then work down to a \$23 to \$24 range.

Prices are likely to weaken still more during April, then show seasonal strength and reach the \$25 to \$26 level at the Midwest markets by July. After that, the outlook depends largely upon the size of the 1973 spring pig crop.

recognized were Mr. and Mrs. Leon Langford, James Craig and Mesdames Hurschel Harding, Hubert Gohlke, Gilbert Kaltwasser, Walter Kaltwasser, Charles Turner, Truman McKillip, Walter Hughes, Bill Whitesides, Wayne Clark, Mike Hinkson, C. C. Matthews, Keith Menefee, A. H. Haseloff and Dalton Mimms.

After the leaders were recognized, the group adjourned to the auditorium where Mack Heald and Jana Pronger, Parmer County Extension Agents, presented 4-H awards.

Year pins were presented to some 71 4-H club members.

The 1972 county winners in state and national award programs were as follows:

BEEF - National - Karene Hart, Friona; Jacquelyn Langford, Farwell; Bruce Kaltwasser, Oklahoma Lane; and Jeanette Gilliam, Oklahoma Lane County - Diane Bennett, Friona; Gary Don Schueler, Rhea; Scotty Gilliam, Oklahoma Lane; and Vickie Gilliam, Oklahoma Lane.
CLOTHING - National - Carrie Haseloff, Oklahoma Lane; Susan Mimms, Lazbuddie; Evelyn Hart, Friona; and Mary Lou Roberts, Oklahoma Lane County - Peggy White, Farwell.

FOOD AND NUTRITION - National - Cheryl Gohlke, Oklahoma Lane; Karen Mimms, Lazbuddie; Annette Langford, Farwell; and Yolanda Martin, Oklahoma Lane.

HOME IMPROVEMENT - Mary Beth Bennett, Friona; and Lisa Darby, Farwell.

HORSE - National - Terri Clark, Lazbuddie; County - Angela Matthews, Lisa Menefee and Judy Lust, Lazbuddie.

DAIRY - Teddy Mesman, Oklahoma Lane.

RIFLE - Boyd White, Farwell.

SHEEP AND GOAT RAISERS AWARD - National - Holly Hart, Friona; County - Mark Foster, Lazbuddie; Donald Gustin, Rhea; and Mike Southward, Friona.

SWINE - David Harding and

Holly Hart

Dwight Green, Farwell.

COUNTY DRESS REVUE - Deborah Harding, Farwell; Diane Bennett, Friona; and Linda Gohlke, Oklahoma Lane.

The 1972 District Award trophies went to Linda Gohlke, Diane Bennett and Deborah Harding, Dress Revue; Annette Langford, Terri Boling, Jacquelyn Langford and Deborah Harding, Food Show; and Cheryl Whitecotton, Bake Show.

Method Demonstration winners recognized were Annette Langford, Food Nutrition, Jr.; Jacquelyn Langford, Food Nutrition, Sr.; Tommy Mesman and William Martin, Poultry, Jr.; Cheryl Gohlke and Billy Roberts, Poultry, Sr.; Yolanda Martin and Linda Gohlke, Horse; Deborah Harding, Housing and Home Furnishing; Mark Foster, Greg Moseley, Rayburn Wenner, Danny Howard and Randy Smith, Share The Fun; and Ronald Powell and Michael Mimms, Farm

and Ranch Management.

Glendale Jones, Friona Woodsmen of the World representative, presented 4-H Fair trophies to Holly Hart, Friona, Clothing; Cheryl Gohlke, Oklahoma Lane, Baked Goods and Canned Goods; Evelyn Hart, Friona, Agriculture; and Karene Hart, Friona, Vegetables.

The Danforth "I Dare You" Youth Awards went to Karene Hart of Friona and Steven Kaltwasser of Oklahoma Lane. The awards are sponsored by Ralston Purina Company of Kansas City, Mo.

Glen King, manager of Muleshoe Chamber of Commerce, presented Carrie Haseloff and Mark Haseloff of Oklahoma Lane with the Outstanding Girl and Boy awards.

Dwain Nance, representing Custom Farm Services, presented the Texas Plains Key Award to Karene Hart, Friona. Bruce Kaltwasser, Oklahoma Lane, gave the benediction.

**At Home In
Parmer County**
Jana Pronger

Since mobile homes seem to have been appearing lately in this area and high winds are a major problem, I thought you might be interested in this information from Texas A & M Housing Specialists:

Operation Anchor-Safe, a nation-wide effort to eliminate wind damage to mobile homes, has been launched by the Mobile Homes Manufacturers Association (MHMA).

Like other types of housing, mobile homes are subject to damage from storms and high winds. Operation Anchor-Safe is geared to provide mobile home owners and buyers with information to eliminate damage and injury from these winds.

The mobile home industry has begun nation-wide effort to encourage every state to adopt legislative requirements for mobile home anchoring. Presently, manufacturing firms are required to build their mobile homes to an established standard which provides minimum specifications for the home's body and frame construction as well as plumbing, heating and electrical systems.

The national association's Land Development Division urges mobile home developments across the nation to make necessary arrangements for anchoring. Those residing in mobile home communities should urge resident managers to make these same arrangements available to tenants.

While the purpose of anchoring is safety, mobile home owners will also realize savings in insurance premiums plus an increased resale price.

Four basic criteria for maximum mobile home protection are: construction according to the American National Standard Institute's Standard for Mobile Homes; site improvement according to minimum requirements; proper blockage and set-up on the mobile home site; and proper anchorage to the home site.

MHMA's land development division has prepared suggest-

ed engineering drawings and anchoring instructions, pending appropriate testing and adoption of anchoring criteria.

Interested developers and consumers can secure this information by sending a stamped eight-cent, self-addressed long envelope, plus 25 cents to Operation Anchor-Safe, MHMA, Box 56066, Chicago, Illinois, 60656.

SCS News

Now is the time to start planning and planting windbreaks. Windbreaks planted on the south and west sides of fields and buildings will protect areas from prevailing winds. North windbreaks will protect areas from drifting snow and provide good protection for livestock. Some benefits of windbreaks are:

- increased crop yields by reducing evaporation
- blow-out protection of crops from wind
- reduced loss of livestock during severe winds and blizzards
- reduced feed requirements for livestock in winter
- provides food and shelter for wildlife
- reduced home heating costs in winter
- prevents wind erosion of top soil
- beautification of eyesores such as waste treatment areas (sanitary landfills and sewer farms)
- increased sale value of land

The Parmer County Soil Conservation Service Office at 614 Euclid Ave., Friona has helpful tips on preparation, seeding and care of windbreaks.

For continued viewing pleasure, home craftsmen and gardeners should protect their eyes against the dangers of sawing, paint chipping, grinding, hedge trimming and tree pruning. Companies like American Optical offer do-it-yourselfers special safety goggles and glasses to protect eyes against all types of house and garden hazards.

WATER IMPORT PROJECT STUDIES NEARING COMPLETION

Water, Inc., officials expect the big push for imported water for West Texas and Eastern New Mexico to go into high gear during 1973. The impetus will come from three federal agencies filing final study reports on the proposed West Texas-Eastern New Mexico Water Import Project.

"For several years now, we have worked closely with the Mississippi River Commission, the Corps of Engineers and the Bureau of Reclamation," said Bill Clayton, Water, Inc., executive director. "Their studies are nearing an end and soon the fate of the project will depend on our effectiveness in selling the state and the nation on the wisdom of the project's implementation," he added.

The Mississippi River Commission is completing a study on the availability of water for transfer outside the river basin. Already, enough is known of the commission's findings to strike a spark of optimism. The commission has disclosed that there is indeed water in the river surplus to all foreseeable needs within the basin. That surplus is expected to be available however, only during three or four high-flow months each year. Texas officials had hoped for a longer pumping period each year, but are generally agreed that they can live with the commission's findings. It means simply that more off-river storage space must be provided.

The commissioner's report based on a seven-year study which had full funding from congress, is the key to the feasibility of the import project.

Studies by both the Corps of Engineers and the Bureau of Reclamation have been more of an academic nature, albeit just as important. The Corps has studied possible canal routes from the point to take on the Mississippi to the Twin Lakes area north of Dallas. The Bureau has done a similar study from Twin Lakes west to the High Plains and has designed a distribution system for the High Plains. Both Corps and Bureau studies have detailed canal and other conveyance facility sizing as well as designating possible routes.

All three studies are due to be handed over to Congress before July, 1973.

"It is in the best interests of every individual living on the High Plains to give support to implementation of the import project," Gaston Wells, Water, Inc., president of Dumas said. "Through support of Water, Inc., each individual's voice can speak with a voice of unity," he said.

Water, Inc., is in the midst of its annual membership drive. More than 2,200 persons have already joined the area organization, and officials have set a goal of 3,000 by the end of this year's drive.

FRIONA STATE BANK

Mrs. Bobby Jordan Is Shower Honoree

A miscellaneous bridal shower in the Community Room of Friona State Bank from 3 to 5 p.m. Saturday was a courtesy for Mrs. Bobby Jordan of Abilene.

The refreshment table was covered with a white lace cloth over pink satin and centered with a pink and white floral arrangement.

Cake, punch, nuts and mints were served.

Hostesses were Mrs. Glyn Hamilton, Mrs. Hop Lewis, Mrs. David Grimaley, Mrs. Curtis Murphree, Mrs. Ray Murphree, Mrs. Rudolph Ren-

ner Jr., Mrs. Eugene Ellis, Mrs. Army Armstrong, Mrs. Tommy Jarecki, Mrs. Melvin Hassenpflug and Mrs. J.P. Sims.

Mrs. Jordan's mother, Mrs. John O. Brown of Rotan, was a special guest.

Other special guests were Mrs. Marvin Jordan and Mrs. V.R. Jordan, who are the mother and paternal grandmother of the honoree's husband.

Out-of-town guests were Mrs. Ira Oliver, Snyder; Mrs. Freddy Fields, Plainview; and Mrs. Milton Ward, Hereford.

Local JC Women Form Organization

The wives of local Jaycees met in the home of Mrs. Paul Galyon on Monday evening and voted to affiliate with the state Jaycee-ette organization. This organization is composed of the wives of Jaycees. A constitution was adopted and officers were elected.

Those holding office will be: Mrs. Albert Cupell, president; Mrs. Leslie Fithen, vice-president; Mrs. Larry Taylor, secretary; Mrs. Wayne Tumell, treasurer; and Mrs. Paul Galyon, state director.

Co-hostesses with Mrs. Galyon were Mrs. Larry Taylor and Mrs. Wayne Tumell.

Jaycee-ettes from Hereford

are extending the club. Those attending the meeting from the Hereford club were Mrs. Bill Johnson, state director; Mrs. John Bunch, Mrs. Dan Warrick and Mrs. Larry Bean.

Those in attendance from Friona were Mrs. Billy Peek, Mrs. Ernest Mingus, Mrs. Don Dennis, Mrs. Wayne Tumell, Mrs. Larry Taylor, Mrs. Paul Galyon, Mrs. Albert Cupell and Mrs. Leslie Fithen.

The next meeting will be held on Monday, November 13 at 7:30 at the Friona State Bank.

All wives of Jaycee members are invited to attend by Mrs. Albert Cupell, president.

FRIONA COED TO MARCH IN PARADE... Pat Nichols, left, and Veronica Reyes of Lockhart are members of the South Plains College women's drill team, the Tex-Annis, who will perform on October 14, when they march during halftime activities at the SPC Homecoming game in Taxan Dome. Miss Nichols is the daughter of Mr. and Mrs. Glen D. Nichols, 608 Arcah, and a 1972 graduate of Friona High School.

Mrs. Robert Neelley To Review Book

"Leave It To Miss Annie," by Georgia Tucker Smith, will be reviewed by Mrs. Robert Neelley at Friona Public Library at 10:00 a.m. Wednesday, November 15.

Mrs. Carl Fairchild, librarian, invites everyone in the area to attend.

The writer's father was a pioneer doctor in Hooker, Oklahoma and Elkhart, Kansas, and filed on land in the Oklahoma Panhandle.

"Leave It To Miss Annie," is the rollicking authentic story of pioneer days in the Panhandle of Oklahoma, where Mr. Willie, a Kentucky bred

doctor filed on a claim and his good wife, "Miss Annie," who found her home changed into a combination hotel and hospital.

The humor, which is fresh and down to earth, predominates the story, but back of it one can sense the strength of character, courage and faith required to build a new country.

The lives of these two pioneers are symbolic of all those who are the backbone of our nation and helped make it the great nation it is today.

Refreshments will be served.

Sanders Students To Display Art

Local art students of Phyllis Sanders will be presented in an art show at the Splatter Shack this Sunday afternoon from two to four p.m.

Those displaying works will be Beth Thompson, Letha Turner, Pearl McLean, Juanita Wright, Janice Thompson, Kathryn Blackburn, Annie DeLozier, Sally Cocanougher, Billy Vaughn, Sue Procter, Jimmie Taylor, Juanda Reeve, LaQuita Dodson, Bonnie Brandt and Lavonia Head.

Paintings are done in oils and

consist of landscapes, seascapes, still life and portraits. Phyllis Sanders is a former resident of Friona, now residing in Seamore, where she and her husband Jay have the Sanders Gallery. Mrs. Sanders teaches art in her studio there. The Sanders family lived in Friona for 17 years. He was employed by the Soil Conservation Service. They have three sons, Ted, Tom and David.

The public is invited to attend this showing of Mrs. Sanders' students.

Mrs. Raymond Cook Is Hostess

Delta Kappa Gamma met at 9:30 a.m. Saturday in the home of Mrs. Raymond Cook, 1501 West Seventh Street. Co-hostesses with Mrs. Cook were Mrs. Lois Miller, Mrs. Wana Brewer, Mrs. Baker Duggins and Mrs. Byroa Hardgrove.

Mrs. Martha Bates presided over the business meeting.

Special music was presented by Mrs. Lois Miller.

Changing culinary trends in music and changing mores were discussed by a panel composed of Mrs. Brewer, Mrs. Duggins, Mrs. Cook, Mrs.

Rummage Sales Are Concluded

Mrs. J.G. McFarland presided over the Monday morning meeting of Farmer County Community Hospital, which was held in the Sun Room of the hospital.

An announcement was made of the conclusion of the fall rummage sales. Other money-making projects were discussed. Fifteen members were present.

The regular meeting for December was cancelled.

Hardgrove and Mrs. Miller. Other Friona members present were Mrs. Ernest Osborn, Mrs. Frank Truitt, Mrs. Coleman Moseley, Mrs. Fay Reeve and Mrs. Ethel Beniger.

Refreshments were served by the hostesses.

Boy Born To Former Frionans

Joseph Marcus is the name of the baby born to Mrs. Abel and Dora Covarrubias chose for their third son.

He was born at 12:28 a.m. in University Hospital, Lubbock and weighed 7 lbs. 2 ozs.

Joseph has two older brothers, Michael, who is eleven, and Paul, who is five.

His grandparents are Mr. and Mrs. Matilde Martinez of Friona and Adela Covarrubias of Lubbock. Great grandmothers are Mrs. J.A. Martinez of Friona and Mrs. Monica Cantu of Corpus Christi.

Mrs. Covarrubias and sons visited in Friona Tuesday of this week.

Mr. and Mrs. Covarrubias lived in Friona before moving to Lubbock.

Young Homemakers See Painting Demonstration

Mrs. Ernest Osborn and Mrs. Dale Gober, homemaking teachers in Friona High School and advisors of the Friona Young Homemakers, presented a rub out painting demonstration at the Thursday afternoon meeting of the organization.

Each member and guest attending the meeting participated in the program.

Roll call was answered with completion of the statement, "My husband's best quality is..."

The devotional was presented by Mrs. Calvin Dozier.

A report on the Halloween Carnival was made. The inclement weather caused several changes in plans for the carnival.

Several organizations planning to sponsor booths were unable to do so, so no admission was charged and no door prize was given.

Bertha Flores was presented a glass canister filled with jelly beans for having the closest guess on the number of beans.

Mrs. Eric V. Rushing was accepted as a new member of the club.

Guests present were Mesdames Jimmy Grimsley, Doyle Cummings, Dalton Caffey, Carroll Gadin, George Rushing, Tom Jarecki and Wayne Rhodes.

Refreshments of hot punch and cake were served by the hostesses, Mrs. Patrick Pace and Mrs. Mickey Wilson.

Friona Places Fourth In Forensics Tournament

Students of Friona High School placed fourth in an invitational Forensics Tournament at Lubbock Christian College Saturday.

Davey Hill placed second in persuasive speaking. This event had 70 speakers. He also placed third in original oratory, which had 38 speakers.

Hope Mays and Gary Stone placed fifth in duet acting with 25 teams participating.

High schools entered in the tournament included Friona, Big Spring, Bovina, Brownfield, Coronado and Escabado, both of Lubbock, Dalhart, Denver City, Hereford, Lamesa, Midland Lee, Lubbock Christian, Meadow, Midland, Muleshoe, Panhandle, Springlake-Earth, Sudan, Olton and Othman.

There were no final rounds. There were two rounds of individual events and three rounds of debate. Winners were determined by ranks in the rounds and speaker points.

Janet Mingus Listed In Who's Who

Janet Mingus, who is a 1969 graduate of Friona High School and a senior music education major at McMurry College, Abilene, was one of the 26 students who were listed in Who's Who Among Students in American Universities and Colleges.

These students are nominated by the faculty of each college and screened by the Student Association Government on campus, using the criteria set up by Who's Who in American Universities and Colleges, Tuscaloosa, Alabama, which covers four areas: scholarship, leadership, service and character.

Miss Mingus is the daughter of Mr. and Mrs. Lloyd Mingus, Route 3, Friona.

Coffee Honors New Resident

Mrs. Madel Aday, who recently moved to 807 Prospect from Olton, was honored with a coffee in her home Friday morning.

Hostesses were Mrs. Joe Talley and Mrs. Johnny Mars.

Mrs. Bob Knight, Friona, and Mrs. Percy Parsons, Olton, both daughters of the honoree, greeted guests with their mother.

Coffee, spiced tea, doughnuts and coffee cake were served by the hostesses.

Guests were Mrs. William Young, Mrs. Floyd Millican, Mrs. O.C. Rhodes, Mrs. Reeta Agee, Mrs. Spencer Hough, Mrs. Sam Mears, Mrs. Curtis Butler, Mrs. Lee Britting, Mrs. Jim Johnston and Mrs. Cleatus Rhodes and sons, Kebbie and Kyle.

NANCY LOUISE EVANS

Wedding Plans Announced

Herbert S. Evans of Friona, has announced the engagement of his daughter, Nancy Louise, to Jack W. Maz, Jr., son of Mr. and Mrs. Jack W. Maz, Sr. of Reading, Pennsylvania.

Miss Evans is a 1969 graduate of Memphis High School, Memphis, Texas. She is currently completing requirements for a Bachelor of Science in mathematics and will graduate from Texas A&M University on December 9.

Maz is a 1967 graduate of Mt. Penn High School. He graduated from Texas A&M University with a Bachelor of Business Administration in Management in 1971 and is presently employed by Consolidated X-Ray Corporation of Dallas, Texas.

They were accompanied to the meet by Joy Morton.

E. S. Whites Visit Relatives

Mr. and Mrs. E.S. White Sr. returned home recently after spending ten days visiting relatives and sightseeing in New Mexico, Arizona and California.

Their first stop was in Albuquerque, where they visited their youngest son, Richard White.

They then drove through the Painted Desert and Grand Canyon and stopped at Needles, California, for a visit in the home of Mr. and Mrs. Hiram Hamm, Hamm is Mrs. White's brother.

In Barstow, California they were guests in the home of Mr. and Mrs. Ronald Hamm and family.

In the Los Angeles-San Diego area they visited Sea World, the San Diego Zoo and several other places of interest.

Enroute home they visited in the home of Mr. and Mrs. Roy Campbell and son David. Mrs. Campbell is their daughter.

Fourth Son Born To Barnett's

Mr. and Mrs. Wesley Barnett became parents of a baby boy at 4:30 p.m. Wednesday, November 1 at Farmer County Community Hospital.

He was named John David and weighed 6 lbs. 3 ozs. John David has three brothers, Chris, Kyle and Ricky, and one sister, Kim.

His grandparents are Mr. and Mrs. F.W. Barnett of the Black Community and Mr. and Mrs. J.G. McFarland, Friona.

Mr. and Mrs. F.E. McMurry of Alamogordo, New Mexico, are the great-grandparents.

Health Club Has Guest Speaker

The Health Careers Club of Friona High School met Thursday, November 2. Mrs. Mary Murphree, the head of the Texas TB Association, from Amarillo, talked to the group on tuberculosis.

Those attending the meeting were Mrs. Paul Spring and Mrs. Tommie Mercer, sponsors, Donna Lewellen, Pam Wilcox, Patti Crump, Jana Robinson, Holly Hart and Mona Reed, Kyle.

Plans Made For Annual Dinner

During the Thursday business session of Black Study Club, which was presided over by Mrs. Harry Lookingbill, plans were made for the annual community wide Thanksgiving dinner, which will be held in the Community House.

Plans included a work day, which will be for the purpose of cleaning the Community House on Thursday, November 16.

Plans were also made for contributing \$40 to Gristown, U.S.A.

Roll call was answered with, "How I met my husband."

Mrs. Lee Britting, who was a special guest, outlined plans, purposes and goals of the Cow Belles.

An appropriate fall reading was presented by Mrs. T.J. Presley.

Refreshments of party sandwiches, chips, dips, pumpkin pie with whipped cream, coffee and cold drinks, were served by the hostess, Mrs. Johnny Mars, in whose home the club met.

Other members present were Mesdames Clyde Hays, Glyn Hamilton, Helen Fangman, Lois Weatherly, Teddy Fangman, Rosco Ivie, Tommy Tatum and daughters, Wendy and Holly, and Ellis Tatum.

Christa Britting was also a guest.

Mrs. C. Bennett

Honored Monday

A layette shower in the home of Mrs. Marion Fite Monday evening honored Mrs. Carroll Bennett.

Decorations were in baby colors. Refreshments of cookies, nuts, mints, coffee and hot spiced punch were served by the hostesses, Meadanes Fite, Richard Vaughan, Dave Thompson and Diana Franks.

Special guests were Mrs. Helen Fallwell, mother of the honoree; Mrs. M.P. Bennett, who is her mother-in-law; and Mrs. Leon Hart, who is her husband's maternal grandmother.

It's A Boy For

O. L. McMurtreys

Mr. and Mrs. O.L. McMurtrey became parents of a baby boy at 2:00 p.m. Tuesday, October 31. He was named Robert Bryce and weighed 8 lbs. 8 ozs.

Bryce has two brothers, Claude and Darrell, and one sister, Rachel.

His grandparents are Mrs. R.C. Scout, Lawton, Oklahoma; Odie McMurtrey, Davis, Oklahoma; and Mrs. Alma Lang, Achille, Oklahoma.

Mrs. McMurtrey and Bryce have been dismissed from the hospital.

Local Ranchers Buy Herefords

Several local cattlemen attended the fifth annual Colby Conkright & Son-C Bar Ranch Hereford Production Sale between Hereford and Vega Thursday.

J.W. Gannon, who lives in the Lazbuddie Community, paid \$1,100 for a coming two year old son of C Bar Real Prince Domino 16.

Joe Kuther, who runs cattle in the Boodeg area, was also a buyer.

CASUAL—Fall sportswear takes on a Western slant with a soft touch. Stevens' ribless cotton corduroy is deftly shaped into an abbreviated yoke-back jacket and Western-cut jeans. Pseudo-suede trim gives novelty treatment to the waistband, pockets, and lapels of the easy-going jacket. It's by Darwood.
