

TRAIL OF BROKEN GLASS

Vandals Inflict Heavy Damage At High School

BY CLETA WILLIAMS
Star News Editor

A vandal or vandals invaded Friona High School sometime Monday night and left a path of general destruction throughout the offices and gymnasium of the school, according to Friona Police Chief Bill Denney.

Denney said janitors at the school discovered the vandalism at 6:30 a.m. Tuesday and called Raymond Cook, high school principal. The school principal notified the Friona Law Enforcement Center and Parmer County Sheriff Charlie Lovelace was called from Farwell.

Sheriff Lovelace and Chief Denney found that the intruders had entered the school from the north side through a dressing room and their first stop was the gymnasium. Ceiling speakers were damaged where the vandals had pulled ladders under them in order to reach the high speakers.

From there, they wreaked their destruction on the girls' dressing room and the teacher's office before making a tour through the cafeteria where they left another trail of destruction.

MACHINES DESTROYED

Coke and candy machines were not to escape the trail of destruction and Chief Denney said he thought the machines would be a total loss.

Breaking glass in doors, and in some instances, kicking locks from doors, the vandals broke into the school principal's secretary's office and inflicted damage there before breaking into the counselor's office and leaving it in a shambles, according to the school principal.

Typewriters were damaged, papers strewn around, glass

broken and office equipment tossed around.

THOUSANDS IN DAMAGE

Early estimates set the damage at hundreds and possibly thousands of dollars as the vandals made their way to the office of Alton Farr, superintendent. More damage was inflicted in his secretary's office and the intruders apparently did not enter the office of the school superintendent. The combination lock and hinges of a vault were tampered, although it was not opened.

In the office of Porter Roberts, school tax collector, a calculator was heavily damaged and a transistor radio and billfold taken.

FLAGS STOLEN

An oddity was that three flags were apparently taken by the night intruders. Three 4x6 foot flags, two American flags and a Texas flag, were apparently taken along when the vandals left the school. Chief Denney has asked that anyone seeing such flags in the possession of any person call the Law Enforcement Center so it can be checked out.

TIRE TOOL USED

Used to inflict much of the heavy damage was a tire tool, according to investigating officers, also a screwdriver. The tire tool was used to pry on doors, smash windows, picture frames and glass, prying on the vault and smashing office equipment. Tools were also used to rip and tear seats and backs on chairs and couches throughout the building. Desk drawers were yanked from the desks and their contents strewn.

FIELD FLOODED

As perhaps a parting gesture, the high school intruders turned on the water at the football field and the field was flooded. Cook said he had left the school at approximately 9:40 p.m. Monday night and an adult education class had left before 10 p.m. Around 10, the

VANDALISM RAMPAGE...Desk drawers in the office of the secretary to Alton Farr, superintendent at Friona Schools, were yanked out and dumped with the contents strewn during a rampage by vandals at the high school sometime Monday night.

TAMPHERED SAFE AT HIGH SCHOOL...Friona Police Chief Bill Denney shows part of the dial which was knocked from the door of a vault at Friona High School Monday night. Although vandals knocked off the dials and tampered with the hinges, the vault remained unopened.

Star Wins PPA Award

The Friona Star won four awards at the annual Panhandle Press Assn. convention last weekend in Amarillo.

"Star Lites," the regular column written each week by publisher Bill Ellis, won the first-place plaque in the column-writing division of the annual newspaper contest.

Other awards won were the second-place citation in the best Special Edition category; and third place awards in "Best News Pictures" and "General Excellence."

Wes Izzard, editor and author of the daily "A to Izzard" column in the Amarillo Daily News, was in charge of the column judging.

"It was a tough job. There are a number of good column writers in the Panhandle. However, we chose 'Star Lites,' by Bill Ellis of Friona. Bill has the flair for writing a good column. 'Star Lites' is sparkling and witty," Izzard commented.

In the best Special Edition division, the Star was edged out by its "sister publication," the Bovina Blade, whose entry was its annual Bulltown Days edition.

Friona's entry was its annual Maize Days edition of 1972. The paper's other awards, in "General Excellence" and "Best News Pictures," came in divisions which have been won by the local newspaper in former years.

Bob Hamilton of Iowa Park, who judged the news picture contest commented, "In the March 23 issue was a good feature pic on a water sprinkler with an unusual angle."

He also commented on the good storm damage shots in the June 15 issue and the shot of the singer in the July 27 issue of The Friona Star.

HAVING JUST gone through the traumatic experience of paying our taxes for 1972, we were intrigued this week by a pamphlet from the Texas Association of Taxpayers, to which we undoubtedly belong, having just mailed in our "dues."

The pamphlet is arguing, and rightfully so, against any new state taxes. It pointed out that the average American spends two hours and 34 minutes of his eight-hour working day earning the money to pay his combined local, state and federal taxes.

That, my friend, amounts to 32 per cent of the taxpayer's time. Small wonder that most Americans believe it's time to hold the line on taxes.

"If the taxpayers make their voices heard against new or increased taxes, government has no choice but to search for economies," states the spokesman for the Texas Assn. of Taxpayers. Right on, TAT!

IF THE WEATHER such as we had this weekend holds out, there should be many acres planted in this area this week.

We're keeping our fingers crossed that we've had the last spell of winter, but realizing full well that Easter Sunday is this coming Sunday, and we would be due the traditional "Easter Storm."

What we're hoping is that the weather got the calendar confused and sent the Easter storm two weeks early this year. This would really please several farmers in our area if this would be the case.

Although being tired of winter and the umpteenth snows we've had since last October 31, farmers across the area are very thankful for the good general moisture that has been received here up to now.

Biggest majority of the farmers will be able to plant their crops without the necessity of pre-watering. This will not only be a big time and money-saving bonus to the farmers, but will also be one less time farmers will have to tap our depletable water table.

With the water level going down year by year, this is of prime consideration to residents hereabouts.

ON THE SUBJECT of water, and its depleting status, area leaders in Water, Inc. got a bad report last week from the Bureau of Reclamation study findings, which showed that the project is "economically unjustifiable."

A.L. Black of Friona, president of Water, Inc., stated that the findings were not unexpected. But Black says he feels that the standards used to evaluate the project were not adequate. Proposals for changing the standards are currently being adopted, and this could possibly have a bearing on the commission report.

Black joins other leaders in the water import project in urging that area leaders continue to band together and work on behalf of the import program. "We could just roll over and play dead—but I don't believe the people of this area will do that," he says.

ARNOLD E. PAULSON, executive director of the National Organization for Raw Materials (NORM), was a speaker at our press convention last weekend in Amarillo.

Paulson quoted some startling facts that gross and net farm income has increased much slower during the past 22 years than has the national average income.

Mr. Paulson says our country could experience a famine at any time, and if it does, the deficient stockpiles of agricultural commodities would be woefully lacking.

He says the cost of the Water Import plan should be measured in terms of this area's ability to produce enough food to feed the entire nation, if necessary.

Paulson quoted the following rhyme, which he says describes the current status of the nation's economy:

"If your outgo exceeds your income; your upkeep will be your downfall."

DARLENE HARPER

CAROL REEVE

CARL EVANS

CARL EVANS THIRD

Darlene Harper, Carol Reeve Tops

Friona High School Principal Raymond Cook has released the names of the three top students in the 1973 graduating class. Valedictorian is Darlene Harper, with a four year academic grade average of 96.35.

Darlene is the daughter of Mr. and Mrs. Clifton Harper and was also valedictorian of her eighth grade graduating class in 1969.

She spent four years in the band and was in the all-region band during her junior year. A member of the National Honor Society for three years, Darlene serves as president this year; she is also president

of the Foreign Language Club; class treasurer-secretary this year; an SFC representative; was in third place in the district in shorthand; received a rating of I in UIL ensemble; West Texas math contestant; regional shorthand participant and District science contest participant.

Carol Reeve, daughter of Mrs. Fay Reeve, is the 1973 salutatorian with a four year average of 95.00.

She spent four years in the FHS band and served as president during her junior year. This year, she is vice president of the band; first

chair, all-region band, I division on solo and ensemble and the 1973 John Philip Sousa Band award winner; elected by student body as Best Citizen during her junior year, she was named Young Person of the Year by the Chamber of Commerce during this year. Also, she served as a

IOLA NELSON

CAROL WALDROP

Friona State Bank In Two Promotions

Robert Neelley, president of Friona State Bank, this week announced promotions for two bank employees.

Mrs. Jack (Iola) Nelson has been promoted to the office of assistant vice president. Mrs. Tommy (Carol) Waldrop has been named secretary and receptionist, at Mrs. Nelson's former station.

Mrs. Nelson has been a Friona State Bank employee for 14 years. She has served as a secretary for a number of years, and also has held the office of assistant cashier. Her new duties will include processing inter-bank credit applications, participations, certificates of deposits, retirement fund and employee insurance.

The longtime bank employee attended North Texas State College in Denton and Plainview Business College.

When the Social Security Administration was first established in Baltimore, Maryland, Mrs. Nelson assisted in setting up numbers and other related details. She later was transferred to the Amarillo office of the Social Security Adm.

She and her husband Jack are parents of two sons, Rex and Roger, both graduates of Friona High School and Texas Tech University. Rex is a design engineer for Charles Machine Works at Perry, Oklahoma, and Roger is manager of a soybean farm near Portland, Arkansas.

(Continued on Page 2)

Friona Credit Union Points Out Strengths

Officials of the Friona Texas Federal Credit Union, in light of the closing last week of a credit union in Amarillo, issued statements assuring members and customers of the local credit union that ours is on a sound, stable footing.

"Friona Texas Federal Credit Union is continuing to enjoy a steady, healthy growth. This credit union is federally chartered, and is protected by the National Credit Union Administration, which insures each individual account up to \$20,000," stated Ray Landrum, president of the board of directors.

The Amarillo credit union

which was closed last week was of a state charter, and was not affiliated with the NCUA.

Because of the publicity given to the closing of the Amarillo institution, and the resultant publicity, it was thought that customers of Friona Texas Federal Credit Union needed to be assured of the strength of their credit union.

"Our financial statement as of March 30 showed that the Credit Union had assets of \$1,008,313.59. We had \$46,971.83 in reserves," stated Geneva Williams, treasurer. The FTFCU offers account insurance equal to that of any bank, it was pointed out.

MBP In Operation

Missouri Beef Packers is 'on again' this week, with a scheduled reopening due Wednesday morning. All employees, except those in the fabrication department have been notified to report for work Wednesday morning, according to local plant manager, Jim Kofford.

Kofford said the plant would be on a regular kill schedule and all beef killed will be shipped, although it will not be broken down and boxed in the fabrication department.

He also informed the Friona Star that the Rockport, Mo. plant has reopened and is operating on a full schedule.

When questioned about the Plainview plant in view of the tornadic damage in that area

early Sunday morning, Kofford said the Plainview plant was not hit by the tornado, which inflicted heavy damage nearly a mile from that operation.

He added that the plant in Plainview is operating, although it is indirectly affected by the more than \$3,000,000 in damage during the Sunday storm. Plainview plant officials told Kofford of the heavy damage to the Jimmy Dean Pork Sausage plant nearly a mile from the plant and that operations had stopped there.

"As of now," concluded Kofford, "we will be operating, but no definite decision has been reached about the plant here. The workers will report Wednesday, but we will just have to wait and see what happens from week to week."

Cattleman Offers To Change Jobs

In answer to Dr. John T. Dunlop, director of the Cost of Living Council, who proposed that cattlemen be forced to send their cattle to market, C.C. Naegle, Parmer County cattleman, sent Dr. Dunlop the following telegram:

"To Dr. John Dunlop-Cost of Living Council-Washington, D.C.

"I offer you my interest in cattle on feed, Parmer County Feedlot, Bovina, Texas, at my cost. When the government tells me I have to sell cattle to a non-existent market at a loss, it's time to get out of the cattle business and get a government position. I'll even take a job.

"Please advise what jobs are available in Washington, D.C.

"P.S. If I get the job I want you to guarantee me that I can buy my house, car, clothes, utilities, cigarettes, booze, boat, camper, fishing gear, etc. for less than cost. With a 40 hour work week instead of 60-70, I should have time to spend all that money and buy my steaks from you at less than cost also. Please advise by return wire.

"An ex-cattle feeder, C.C. Naegle"

PUBLISHER GETS ADVICE FROM OLD-TIME NEWSMEN...Bill Ellis, right, publisher of the Friona Star, listens to advice from two old-time newsmen at the annual meeting of the Panhandle Press Association in Amarillo last weekend. Offering sage advice were B.M.

Nelson, left, of Dimmitt, long-time publisher of the Castro County News, and center, Wes Izzard, long-time Amarillo newsman and writer of the 'A to Izzard' column in the Amarillo Globe-News.

Sincerely Yours

By Rev. Albert Lindley

I TRUST you won't think I'm misusing this spot today to express this word of necessity but I often write on what is happening and this is—

In a few days we will observe the Christian day of Easter. This has often been used as a good excuse to get off for awhile, to go visiting, or to just laze around—much like Christmas.

With this approach we miss much of its significance and it is just a time for Easter eggs and pretty clothes.

Don't let it be that way with you. Think on its significance, practice its message and live with its Object as your Master.

Easter can just be a lazy day, or it can be a "day of days" for you.

My hope would be that it might be the first of many that will be your new purpose and direction.

Hosanna!

He can still be yours...

Friona Flashbacks

...from the files of the Friona Star

45 YEARS AGO—APRIL 20, 1928

Wheat in the vicinity of Friona has reached the stage where its existence as a crop is a matter of days, and if rain does not come very soon it is estimated that very little wheat will be grown here.

Some farmers have already given up hope for their crop and are planning to turn their cattle onto the fields in order to get some pasture value from it.

35 YEARS AGO—APRIL 22, 1938

The Friona High School was represented in the District Meet last Saturday by Price Brookfield and Martin Todd. This brought the Friona High School up to third place in the meet.

30 YEARS AGO—APRIL 16, 1943

While on the streets recently we met with the rumor that it is probable that our two modern cafes may close their doors to the public before long. Not from choice, but from necessity arising from the fact that their limited amount of 'ration points' are not sufficient to allow them to secure enough food to meet the demands of their customers.

25 YEARS AGO—APRIL 16, 1948

About 150 business men and farmers assembled at the Grade School Auditorium Wednesday night to hear the report of the committee on permanent organization, or the temporary board of directors make its report on the work so far accomplished toward the permanent organization of a chamber of commerce for Friona and community.

20 YEARS AGO—APRIL 16, 1953

With five schools participating in the District 10-B track meet at Friona last weekend, Friona took top honors with 74 points total, followed by Farwell with 39 points. Other schools entering were Bovina, Vega and Adrian.

10 YEARS AGO—APRIL 18, 1963

The Friona Planning and Zoning Commission postponed action Tuesday on a proposed headquarters for a new labor association which wants to be located in Friona.

Nineteen citizens were present at the Tuesday meeting, objecting to the location of the labor association headquarters in their part of the city.

DOES YOUR BROOM LOOK LIKE THIS?...Boss Lion Porter Roberts says that if your broom is getting to be in sad shape and you need a new one, or a mop, or other household wares, the Friona Noon and Evening Lions will be holding their annual door-to-door broom sale the evening of Monday, April 23.

Lions Sell Home Products

The Friona Evening and Noon Lions Club will conduct an all-out drive on Monday, April 23, to sell quality blind-made products to residents and local businesses, according to an announcement made today by Porter Roberts and Ronald Smiley.

The articles are all manufactured by blind workers in the Lighthouses for the Blind which are located throughout the state of Texas.

The entire membership of the Lions Club has been organized to supply friends and neighbors with this quality merchandise delivered right to their homes. Every household can use some type of household cleaning aid and every item sold helps some blind person to help himself.

Sales of blind-made products held by the Friona Lions in previous years have been most successful and the Lion leaders

PROMOTIONS

(Continued from Page 1)

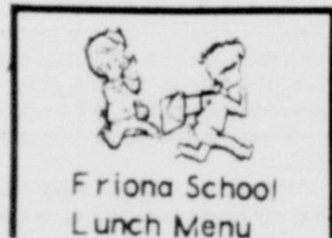

Mrs. Nelson is a member of Friona United Methodist Church, and serves as Memorial Chairman of the local American Cancer Society unit.

She was honored by the Friona Chamber of Commerce as the city's "Most Courteous Employee" in 1967.

Mrs. Waldrop has been employed by Friona State Bank since last August. She is being promoted from the bank's bookkeeping department. She attended Clarendon College and Texas Tech University, where she was a business administration major.

She was employed by Allied Finance Company while living in Lubbock, and was head cashier and bookkeeper for the company for two years.

Mrs. Waldrop's husband Tommy is junior high girls basketball coach. Their son Colby is 14 months old.

Friona School Lunch Menu

Week of April 24-27
TUESDAY—pizza, buttered corn, crackers, cabbage slaw, chocolate pudding and milk.

WEDNESDAY—hot tamales, pinto beans, corn bread and butter, mixed greens, apple cobbler and chocolate milk.

THURSDAY—mashed potatoes, barbecued chicken, hot rolls-butter, buttered carrots, banana pudding and milk.

FRIDAY—hot dogs, potato chips, mustard, pork and beans, cookies and milk.

STAR LITES

(Continued from Page 1)

WE WERE FLATTERED last weekend to learn that our column was chosen the "best" among those entered by editors and publishers of newspapers in the Panhandle for the annual newspaper contests.

The award will always mean a lot to us, since the judging of the contest was headed by Wes Izzard, the dean of Panhandle newsmen. We have been a longtime admirer of Izzard, whose daily column appears in the Amarillo Daily News.

We have stated before that Wes Izzard's radio newscasts on KGNC were our earliest introduction to the "news."

We appreciate the honor, and will endeavor to live up to it.

this Easter... Let us all rejoice together, united in strength and hope, to celebrate the glory of

Easter—the message of love, rebirth, renewal. This is a time of

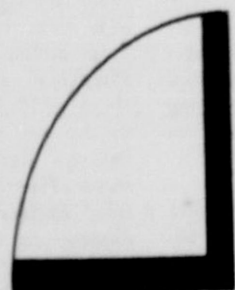

faith and trust... a season when all things are possible. Let's

think on that and pray for peace: within ourselves, especially...

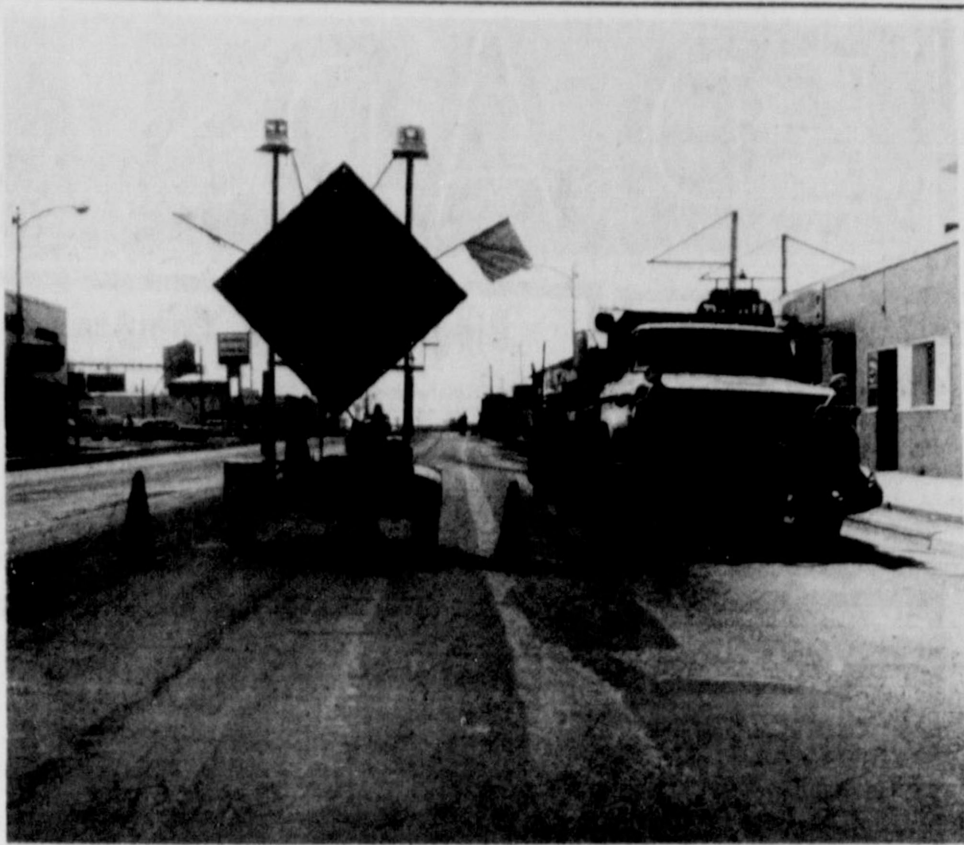

and then between neighbors and nations. Let's put our heads

and hearts together for warmth, wisdom and brotherhood

among men. May the spirit of Eastertide shine in all our lives.

FRIONA STATE BANK

EXTENSIVE PAVING REPAIRS... This sight has greeted Farmer County residents who ventured to Friona all this week, as extensive street and highway repairs are underway to repair winter damage. Main Street in Friona has had extensive repairs and resurfacing during the week, with the members of the Texas Highway Department repairing one block at a time. Workers are filling holes, tarring and putting new gravel on the roadway.

Taylor Announces New Service Here

George C. Taylor, owner of Taylor Construction Co. of Friona, this week announced a new business and service for the Friona area.

"Seal-Flex of Texas," a liquid plastic roofing process, has been established. The company will have offices in Friona, Amarillo and Lubbock.

"Seal-Flex" uses an elastomeric plastic process. It is seamless, waterproof and longlasting, according to Taylor.

The liquid plastic can be used to cover any roof, he says, including metal, composition shingles, wood shingles, tar and gravel, asbestos shingles, slate, fiberglass, concrete and mobile homes.

The company will work on any type of roof, whether it be residential, commercial, industrial or institutional.

"Seal-Flex" is a cold application that can be made in any temperature, and without the mess of hot pots.

"Seal-Flex" has a heat-reflecting quality that effectively reduces air conditioning costs, and is non-combustible, Taylor says.

The liquid plastic can be used to renew the present color of a roof, or to change the color to suit exterior trim. It is available in a variety of colors.

Taylor invites inquiries and will be happy to give free estimates. Further information is included in his advertisement in this issue of the Star.

Grand Opening Sale Extended

Second Week

Western Auto's Grand Opening Sale in Friona has been extended an additional week, according to Fidel Madrid, owner.

"We were very pleased with the response we had last week to our Grand Opening, so we decided to extend the sale an additional week, for the benefit of those who have not been able to take advantage of the special prices," Madrid said.

While in the new Friona Store, which is located at 519 Main Street, customers are invited to register for one of the three big prizes which are to be given away at the end of the grand Opening promotion.

Prizes include a vinyl three-way recliner, valued at \$69.95; a colonial doll house and a Ride-a-Roo kangaroo-type bouncing ball.

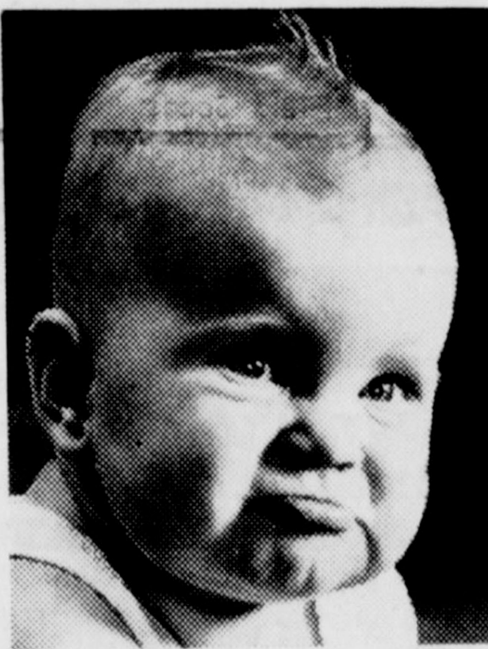

The special prices being offered can be found in a special eight-page advertising supplement to this issue of the Star.

Jaycees At Work Forum

The Friona Jaycees brought home the travel trophy last week when they and the Jaycee-ettes attended a work forum at Canyon.

Following a supper and Chinese auction, the Jaycees heard Rick Clayton, National vice president. The Friona Jaycees were entertained by the Canyon wives with a special program.

Attending from Friona were Mr. and Mrs. Albert Cupell, Mr. and Mrs. Paul Galyon, Mr. and Mrs. Don Dennis, Mr. and Mrs. Ernest Mingus, Mr. and Mrs. Billy Peek, Mr. and Mrs. Leslie Fithen, Glen Stevens, Kenneth Baker, Gary Thompson and Bobby Ray.

Cancer Topic Of Discussion

Dr. Paul Spring was guest speaker at the Jaycee-ette meeting Monday, April 16, at the Friona State Bank. He discussed, "Detection and Treatment of Breast Cancer." Mrs. Don Gatlin, program chairman, presented a film, also cancer-related, to the group. Mrs. Ernest Mingsu and Mrs. Gatlin were co-hostesses and Mrs. Fidel Madrid was a guest. Members were Mrs. Paul Galyon, Mrs. Don Dennis, Mrs. Charlie Bell, Mrs. Billy Peck and Mrs. Leslie Fithen. Also discussed was the upcoming officer installation banquet to be held in May. Officers recently chosen, who will be installed, include Mrs. Don Dennis, president; Mrs. Ernest Mingsu, vice president; Mrs. Don Gatlin, secretary; and Mrs. Wayne Tunnell, treasurer. Named to the board of directors were Mrs. Paul Galyon, Mrs. Charlie Bell and Mrs. Leslie Fithen, and Mrs. Albert Cupell was named state director.

YOU ASKED, where did all the body go?...Laundry finishes put it back in the clothes.

The natural look is great, and no one can deny that soft clothes, light makeup and comfortable shoes took little time to be accepted. But there comes a point where naturalness can give way to sloppiness. Just as limp hair still needs a body permanent for the natural look, limp clothes still need some body.

Gone are the days of high, stiff collars and cuffs and yard wide crinolines. Gone, too, is the bother of cooking starch. But starch itself has not outlived its usefulness, says the Soap and Detergent Association, and fabric finishes have been added for modern fabrics.

Although built-in body is a finishing feature in many of today's fabrics, wear and washing can break down original finishes over a period of time, causing the fabric to become limp. Starch or fabric finish restores crispness and body to fabric and improves its appearance. At the same time, they enhance soil resistance by coating the fibers so that the dirt particles will not become embedded.

Starches are derived from vegetable sources and are available in dry, liquid or spray form. The dry and liquid forms must be mixed with either hot or cold water before use, thus requiring time in preparation.

However, these forms are the least expensive, and they can be used directly in the washing machine for large starching jobs or in a basin for spot starching.

A newer development is the spray fabric finish. Made of synthetic resins, a fabric finish creates a light body on a garment as opposed to the firm crispness of a spray starch. Fabric finishes are especially suitable for synthetics, because they are effective when used with the recommended lower ironing temperatures.

The majority of consumers today are casting their votes for the convenient spray types. With just a "psst" of the can, all over or spot finishing adds instant body as you iron.

For best results with spray starches and finishes, shake the can well before application, hold the can upright while spraying, spray lightly and evenly over the desired area. Avoid saturation of the fabric with a spray starch which can lead to flaking and stickiness. Heavier stiffness can be obtained by multiple light sprayings. Allow starch moisture to be absorbed for a moment before ironing to avoid buildup on the iron. Spray and iron dark-colored garments on the wrong side. Before storing the spray can, remove the spray button and rinse it well with water to prevent clogging.

Lutheran Church Sets Easter Celebrations

Rev. Duane Kirchner of the Redeemer Lutheran Church has issued an invitation to everyone to three special church services this weekend commemorating Easter. The services will be a Good Friday Tenebrae, Easter Sunrise and an Easter celebration.

On Friday, April 20, at 8 p.m., a Tenebrae service will be used at Redeemer Lutheran, 13th and Virginia in Friona. Rev. Kirchner explained that this service is centered around the Seven Words of the Cross and the church will become progressively darker during the service, which signifies Jesus' death.

On Easter morning, Sunday, April 22, at 6:30 a.m. a sunrise service will be held at Redeemer Lutheran. This service will center around Easter hymns and an Easter message. A breakfast will be served after the service.

Also on Easter morning, at 10 a.m., an Easter celebration will be held at Immanuel Lutheran Church in the Rhea Community. An instrumental music ensemble consisting of Beverly Schueler, Stephanie Schueler, Gary Schueler, Glenn Schueler and Carleen Schlenker will add to the festive nature of this particular service, added the pastor.

BANNER HERALDS EASTER SPIRIT...Rev. the spirit and enthusiasm of the Easter season. and Mrs. Duane Kirchner of Redeemer The banner was made by Velma Schlenker, Lutheran Church show a banner constructed by Karen Jarecki, Lorraine Jarecki and Peggy the Love Circle Women of the church to show Kirchner.

Sutan gives guaranteed performance against grass weeds in corn

Grass weed control so good it's guaranteed—that's what you get using Stauffer's Sutan herbicide, liquid or granular. You stop tough nut-grass, fall panicum, wild cane, foxtails, and many other persistent weeds. Performance of Sutan is guaranteed, when used by label directions, or Stauffer will replace it. Just register purchase with us, leave a check strip, and notify Stauffer within time limit. Get the best... see us for Sutan.

Language Group Tours

Ten Friona High School students and two sponsors plan a tour in Mexico during Easter vacation. The group left Tuesday and will return to Friona on Monday, April 23, following a visit to several cities in Mexico.

Carl Evans and Foreign Language President Darlene Harper said the organization had worked and saved for two years in order to have the necessary funds for the educational and sightseeing tour.

Their itinerary called for the group to spend the first night in Presidio before leaving Wednesday for interior Mexico. They planned to board a train at Ojinaga, Mexico for Chihuahua. From Chihuahua, the group will go by train to Los Moches for three days, before returning to Friona.

Sponsors are Mrs. Johnny Johnson of Hereford and Miss Joy Morton. Other students making the tour will be Mark Shackelford, Gary Mingus, Kyle Shelton, Donna Harper, Kay Cochran, Marie Russell, Cindy Barnett and Linda Morris.

A&M Muster Set Saturday

Former Students of Texas A&M in Parmer County will Muster April 21 to mark the passing of comrades and honor them.

The 7:30 p.m. meeting will be held at Clara's Spur Restaurant in Texico, New Mexico, reports Muster Chairman Mack Heald.

The Aggie Muster began April 21, 1903 and has been held annually ever since—wherever A&M former students might find themselves on that day. Aggies have mustered on board ship, in foxholes on the battlefield, in the Swiss Alps, in airplanes, and on Corregidor shortly before the Japanese captured the island in World War II. More than 350 Musters will be held around the world this year, including many

in Vietnam and doubtless in prison camps. For some A&M former students, this will be their last Muster.

The ceremony is the same in every location. Former students pay their respect to those who are absent. When the names of the honored dead are called from Muster rolls, a friend of the deceased answers, "Here."

The program ends with a poem—

"...Softly call the Muster
Let comrade answer—Here
Their spirits hover around us
As if to bring us cheer.
Mark them present in our hearts
We'll meet some other day.
There is no death, but life
etern
For old friends such as they."

Anniversary Reception Honors W. O. Browns

A reception in the Community Room of Friona State Bank from 3 to 5 o'clock Sunday evening honored Mr. and Mrs. W.O. (Jack) Brown, 1508 West Fifth Street.

Hosts were Mr. and Mrs. Matt Brown, 603 Greene, Mr. and Mrs. Steve Brown of Canyon, and Gloria Brown of Lubbock.

Matt Brown is the son of the honored couple and Steve and Gloria Brown are grandchildren.

The serving table was centered with an arrangement of spring flowers in a silver urn, which also held pink candles. The tiered cake was decorated with pink flowers, green leaves and topped with love birds under a canopy. It was baked by Mrs. Steve Brown.

The scalloped table cloth of white with a white net under cloth was decorated with pink satin ribbon bows. Crystal and silver serving sets completed the table setting.

Cake, punch, nuts and mints were served by Mrs. Matt Brown, Gloria Brown and Mrs. Tally Murray of Byers, Texas. Special guests were Mr. and Mrs. Earl Hibdon of Friona; Mr. and Mrs. Lee Smith and Myndi Bettes of Odessa; Herman and George Brown, both of Byers, Texas; Mr. and Mrs. Luther Hall, Muleshoe; Mr. and Mrs. Larry Golden and sons, Colt and Chad, of Plainview; and Ron Altman, Amarillo.

W.O. Brown and Flossie Hibdon were married April 15, 1918 in Duncan, Oklahoma. After his return from World War I, the couple filed on land in New Mexico and later moved to California.

They moved to Friona from Hayward, California, following their retirement a few years ago. They are active members of Sixth Street Church of Christ and Mrs. Brown is a member of Friona Woman's Club. The Browns also participate in the Golden Age activities.

About 150 persons signed the guest register.

Mr. and Mrs. W.O. Brown

Jaycee-ettes Host Egg Hunt

An Easter Egg hunt at the home of Mrs. Albert Cupell, president of the Friona Jaycee-ettes, was sponsored by the Jaycee-ettes for Mrs. Beene's first grade class.

Refreshments were furnished by the Jaycee-ettes and the Friona Jaycees donated 100 eggs.

A "view egg" was presented the child who found the most eggs with chocolate bunnies given for second and third prizes.

President elect Mrs. Don Dennis and Mrs. Don Gatlin were co-hostesses, assisted by Mrs. Larry Lodholm.

***** Frionans Hospitalized Out-Of-Town *****

Mrs. A.S. Curry is hospitalized in St. Anthony's Hospital, Amarillo.

Mrs. Edith Bloxom is a surgical patient in Presbyterian Hospital Center, Room 733, Albuquerque, New Mexico.

Steve Struve, who underwent heart surgery last week in Methodist Hospital, Lubbock, will possibly be released by the weekend.

GIRLS STATE REPRESENTATIVE...Mrs. Sam Williams, president of the Friona American Legion Auxiliary, presents a check and brochure to Carolyn Gore, daughter of Mr. and Mrs. Lewis Gore, who was named Girl's State delegate for this year. Looking on at right is Beverly Bailey, daughter of Mr. and Mrs. Bill Bailey, who was named alternate to Girl's State.

Rev. Norman W. Grigsby To Conduct Mission Here

The Friona United Methodist Church will conduct a New Life Mission under the leadership of Rev. Norman W. Grigsby, who is current pastor at Dumas, First Church.

The New Life Mission will begin with the Sunday morning service on April 29th and will conclude with the evening service on Thursday, May 3rd.

Bob Owen is the general chairman of the upcoming event. Other chairmen are: Lewis Gore, attendance chairman; Herb Evans-groups committee; Mrs. Ted White-youth; Mrs. James Andrews-worship and music committee; H.K. Kendrick-finance; and Ernest Osborn, head of the arrangements committee. Baker Duggins and Darrell Simpson are co-chairmen of the penetration committee.

There will be a family breakfast each morning at 7

a.m. in Fellowship Hall, Monday through Thursday. There will be a Youth Forum each evening, prior to the service, led by the visiting Missioner, Rev. Grigsby.

There will be an informal reception on Sunday night, following the evening service, in Fellowship Hall. Each week-day evening following the service, there will be a 30 minute semi-structured discussion, for all wishing to attend.

On Wednesday night, April 25th, prior to the beginning of the New Life Mission, everyone is invited to a prayer service in the sanctuary, immediately following Choir practice. There will be a special communion service on Saturday night, April 28 in preparation for the mission.

The minister, Rev. Albert Lindley, is and has been conducting each Sunday even-

ing, a study on "The Teachings of Jesus" in preparation for this series of meetings.

Everyone is cordially invited to attend.

Style Show Highlights Black Study Club Meet

What's New For Spring was the theme of a style show, which highlighted the Thursday afternoon meeting of Black Study Club in the home of Mrs. Lois Weatherly. Easter colors and motifs were used in decorations.

Models were Pattijon Talley, Janice Hayes, Diane Hamilton, Karene Hart, Carol Bavousett, Hope Mays, Beverly Schueler, Mrs. Harry Lookingbill, Mrs. Ellis Tatum, Holly Tatum and Wendy Tatum.

Mrs. Gene Welch presented a travelogue of a recent trip to Chicago for the opening exercise. Roll call was answered with "What's news in fashions."

Plans were made for a workday at Girlstown. All club members and anyone else who is interested in going to Whiteface to assist with chores at the home, are asked to meet at the home of Mrs. Ellis

Tatum, 610 Arrah, at 8 a.m. Thursday, April 26.

Mrs. Tatum will also accept any gift anyone wants to send to Girlstown.

The Easter theme was also carried out in the buffet, which was served by the hostess. She served sandwiches, chips, dips, nuts, Easter candy and punch.

Home Life Is Meeting Theme

Theme of the Wednesday, March 28 meeting of Friona Woman's Club was "Home Life." The quotation used was "A house without a woman and freighth is like a body without a soul or spirit."

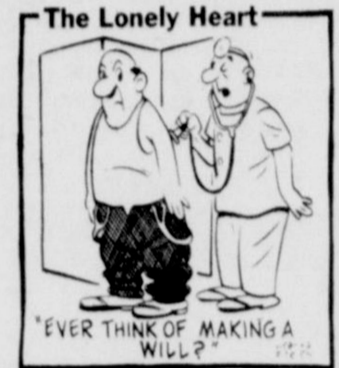

Roll call was answered with a favorite Bible verse. The devotional was presented by Mrs. Joe Moyer. Mrs. Mabelle Hartwell presented "Home Environment," and Mrs. E.S. White presented "Religion and Ethics."

Mrs. E.S. White, pianist, presented "Bless Be The Tie That Binds."

Following a library report by Mrs. Ethel Bengler, club members voted to donate \$25 to Friona Public Library.

The local show barn and community center and gifts to Girlstown were discussed.

Mrs. Clyde Hayes and Mrs. V.R. Jordan, hostesses, served refreshments to 17 members.

EASTER

APRIL 22, 1973

Matthew 28:1-9 & Mark 16:1-20

from The LIVING BIBLE

Early on Sunday morning, as the new day was dawning, Mary Magdalene and the other Mary went out to Jesus' tomb.

Suddenly there was a great earthquake; for an angel of the Lord came down from heaven and rolled aside the stone and sat on it. His face shone like lightning and his clothing was a brilliant white. The guards shook with fear when they saw him, and fell into a dead faint.

Then the angel spoke to the women. "Don't be frightened!" he said. "I know you are looking for Jesus, who was crucified, but he isn't here! For he has come back to life again, just as he said he would. Come in and see where his body was lying. . . . And now go quickly and tell his disciples that he has risen from the dead, and that he is going to Galilee to meet them there. That is my message to them."

The women ran from the tomb, badly frightened, but also filled with joy, and rushed to find the disciples to give them the angel's message. And as they were running, suddenly Jesus was there in front of them!

"Good morning!" he said. And they fell to the ground before him, holding his feet and worshipping him.

Still later he appeared to the eleven disciples as they were eating together. He rebuked them for their unbelief—their stubborn refusal to believe those who had seen him alive from the dead.

And then he told them, "You are to go into all the world and preach the Good News to everyone, everywhere. Those who believe and are baptized will be saved. But those who refuse to believe will be condemned."

When the Lord Jesus had finished talking with them, he was taken up into heaven and sat down at God's right hand.

And the disciples went everywhere preaching, and the Lord was with them and confirmed what they said by the miracles that followed their messages.

REVEAL ENGAGEMENT...Mr. and Mrs. Filimon Antillon of Friona announce the engagement and approaching marriage of their daughter, Guadalupe to Humberto Robles, son of Mr. and Mrs. Domingo Robles of Juarez, Mexico. The couple will exchange wedding vows at 3 p.m. Saturday, April 28, at St. Ann's Catholic Church in Bovina.

CYNTHIA DIANE HUTSON...Mr. and Mrs. Leland Hutson announce the engagement and approaching marriage of their daughter, Cynthia Diane, to James Weldon Weatherly, son of Mrs. Lois Weatherly and the late Clyde Weatherly. The couple plans to exchange wedding vows at 5 p.m. Friday, July 6, at Friona United Methodist Church. Wedding invitations are not being mailed locally, but friends of the couple are invited to attend.

Jim Baxters Host Antique Club Meeting

Friona Antique Club met Monday evening in the home of Mr. and Mrs. Jim Baxter. A brief business session followed the roll call. Present officers, Tommy Jones, president; Dick Habbinga, vice-president; Mrs. Leo Bails, secretary-treasurer; and Mrs. Jim Baxter, reporter, were chosen to continue in their same positions during the coming year. Mrs. Dick Habbinga presented several selections on an antique organ.

Convention Delegates Present Club Program

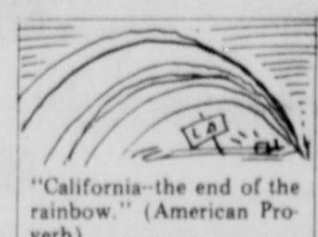

Highlight of the Wednesday afternoon meeting of Friona Woman's Club at Federated Club House was presentation of a report of the Caprock District Convention, which was held in Lubbock, by Mrs. Ethel Bengner and Mrs. Mary Dixon, delegates. Mrs. Charles Russell presided over the business session. Needs of Friona Public Library were discussed. Club members are interested in securing a copy of "Attractive and Interesting Sites of Texas," for the library and Mrs. Dixon volunteered to purchase it.

Five Club Members Attend State Meeting

Three members and two sponsors of the Friona Health Careers Club attended the 19th Annual Convention of the Texas Association of Careers for Health on April 14-15 at the Inn Of The Six Flags in Arlington. During the convention Pam Wilcox was named as a correspondent from the Western Panhandle area to the State Organization and Mrs. Paul Spring was chosen regional chairman for the Western Panhandle for the coming year. Highlights of the trip included a box supper and visit to Six Flags Over Texas, a campaign rally and election of state officers and a luncheon, which included a film narrated by Dr. Margie Peschel, Health Careers Chairman to the Texas Medical Association, enumerating the newer opportunities opening in the allied health fields.

Girl Scouts Report

During this year Girl Scout Troop 166 members have worked on challenges for work on the Cadette requirements. The girls have also worked on badges at home. They worked on "The Challenge of Social Dependability." To pass this challenge, the following steps were taken—Your health and good looks play; your know how as a hostess; and your technique as a guest. Two parties were given. One was for pre-school age children and the other was for teenagers. These girls also served cookies and punch after the neighborhood Girl Scout Program. The other challenge was "the challenge of emergency preparedness." Their skills and knowledge went to work in the areas of First Aid, communications, comfort in a crisis and enterprise in entertainment. For part of this challenge secret orders were given to the

"California—the end of the rainbow." (American Proverb)

MR. AND MRS. MELVIN MORRIS
Couple United In Home Ceremony

Miss Vicki Rue Robinson and Melvin Don Morris were united in marriage in a ceremony at the home of the bride's parents on Friday, April 6, at 7:30 p.m. Rev. H.D. Hunter read the double ring vows before an arched candelabra holding blue tapers, accented with daisy palms, greenery and ribbon. Parents of the couple are Mr. and Mrs. James Robinson of Route Three, Muleshoe and Mr. and Mrs. Arnis Morris of Muleshoe. Musical selections were provided by Theresa Seaton, organist. Attending the bride as maid of honor was Debbie Burch of Lazbuddie. Brenda Scott of Muleshoe was bridesmaid. They were attired in light blue Empire - style dresses accented with multi-colored embroidery on the bodices and tie tacks. They carried bouquets of white carnations, yellow roses and blue fiji mums. Serving as best man was James Morris of Duncan, Okla., brother of the groom. Groomsman was Gary Morris of Friona, cousin of the groom. Candelighters and ushers were Skip Magby of Muleshoe, cousin of the groom, and Jimmy Robinson of Lazbuddie, brother of the bride. Given in marriage by her father, the bride wore a formal, Empire-style gown of white organza over satin fashioned with a stand-up collar and A-line skirt. The long, cuffed sleeves were Chantilly lace and seed pearls. The bride carried a cascading bouquet of white carnations, yellow roses and blue fiji mums. A reception followed the ceremony. The serving table, covered with a beige linen cloth accented with blue embroidery, was centered with a crystal epergne holding blue fiji mums, white daisy palms, white carnations and blue candles. The tiered wedding cake was decorated with stairways of blue flowers and white candles. Presiding at the serving table were Mrs. Derrill Jennings of DeKalb, Mrs. Richard Hawkins and Mrs. Buddy Embry, sisters of the bride; and Mrs. James Morris of Duncan, Okla., sis-

ter-in-law of the groom. Guests were registered by Mrs. Bill Russell of Muleshoe. Following a wedding trip to El Paso and Juarez, Mexico, the couple will be at home at 611 Ashland, Friona. Mrs. Morris is a 1970 graduate of Lazbuddie High School and a 1972 graduate of South Plains College at Levelland. Morris graduated from Muleshoe High School in 1967 and from Texas Tech University in Lubbock in 1971. He is employed by Hi-Pro of Friona. Out of town guests attending the ceremony included Mr. and Mrs. Richard Magby of Pickens, Okla., grandparents of the groom; Mr. and Mrs. James Morris, Chandra and Brent of Duncan, Okla., brother of the groom; and Mr. and Mrs. Derrill Jennings and Jonessa of DeKalb, sister of the bride.

Jacksons Have Baby Girl
Mr. and Mrs. Fred Jackson Jr., 705 12th Street, Shallowater, became parents of another daughter at Littlefield Hospital, Monday, April 9. She was named Stephanie Gayle. Stephanie Gayle's sister, Jacquelyn Juanell, is two. Her grandparents are Mr. and Mrs. Fred Jackson Sr., Dimmitt, and Mr. and Mrs. E.P. Woodruff, Friona. Great-grandparents are Mr. and Mrs. John Allen Sr. and Mr. and Mrs. E.W. Woodruff, all of Friona. Mrs. Elenore Reid of Winnsboro, Texas is her great-great-grandmother.

BOARD IS NAMED
One hundred ten Lazbuddie School District voters went to the polls recently and named Marvin Mimms, Wayne Clark and incumbent Elvis Powell to the board. Powell received 72 votes; Mimms, 63; Clark, 59; Ray Precure, 53; Billy Weir, 46 and Marshall Williams, 14. Raymond McGehee, Alfred Hicks and Jerry Don Glover each received a write-in vote.

Surprise Housewarming Honors Clyde Woodards

About fifty residents of the Hub Community surprised Mr. and Mrs. Clyde Woodard and children, Shea, Shayne and Shannel, with a housewarming Thursday evening. The Woodards have recently completed a remodeling project. Assorted cookies were served with nuts, mints, punch and coffee. Host couples were Mr. and Mrs. Leroy Johnson, Mr. and Mrs. Bearl Dean Broyles, Mr. and Mrs. Jimmy Mabry, Mr. and Mrs. Gene Brito, Mr. and Mrs. Olan Turner and Mr. and Mrs. Odis Elder. Others attending were Mr. and Mrs. Jerry Fancher, Mr. and Mrs. Walt Mabry, Mr. and Mrs. Eugene Ellis, Mr. and Mrs. John Baca, Mr. and Mrs. Dewey Bateman, Mr. and Mrs. Virgil Young, Mr. and Mrs. Edgar Walters and Mr. and Mrs. Troy Sharrock. Also Mr. and Mrs. B.O. Elder, Mr. and Mrs. M.T. Hukill, Mr. and Mrs. Leo Ruzicka, Mrs. Ralph Robinson, Mrs. Larry Fairchild, Mrs. Joe A. Walters, Mrs. John Hand, Mrs. Dee Clark and Mrs. Jerry London. Also Mr. and Mrs. Jack Tomlin, Mrs. J.V. Bouldin and Mr. and Mrs. W.S. Ingram, all of Friona.

MARILYN HUME...Mr. and Mrs. R.W. Hume, 906 Maple, have announced the engagement and approaching marriage of their daughter, Marilyn, to Brian Burns, son of Melvin Burns of Farwell and Mrs. Joe Aldridge of Sacramento, California. The couple plans to exchange wedding vows at 8 p.m. Friday, April 20, at Calvary Baptist Church. Wedding invitations are not being mailed locally, but relatives and friends are invited to attend.

CowBelles Meet In Friona

A constitution and by-laws for the Riata CowBelles were presented at a meeting in Friona Thursday. The articles were accepted by club members. The National CowBelle Convention will be held Wednesday, April 25, at the Lubbock Country Club. Representatives from the Riata CowBelles will be attending the convention. Next meeting of the Parmer County group will be at 8 p.m. May 10 at First State Bank of Bovina Community Room. "Anyone interested in the promotion of the beef industry is invited to join the Riata CowBelles," says Mrs. Sonny Jones of Bovina, an officer in the organization. "Membership is open to women in related industries such as real estate, seed companies, chemicals, machinery, loan agencies, shop owners and many others related to the beef industry. We need support in the county and would welcome new members."

Son Added To Phipps Family

The newest addition to the family of Mr. and Mrs. Tex Phipps of Farwell was named William Matthew. He was born at 11:55 a.m. Friday, April 6, in Clovis Memorial Hospital. Maternal grandparents are Mr. and Mrs. W.W. Barksdale of Dallas. Mr. and Mrs. C.M. Phipps, Friona, are the paternal grandparents. Paternal great-grandparents are Mr. and Mrs. Charlie Phipps, Muleshoe. William Matthew is the first son for the couple. They have one daughter, Karen, who is 3½.

The Truth Will Make You Free

Terry Brown, Minister Sixth Street Church of Christ

The Sixth Street Church of Christ is a group of people drawn together by a common faith in Jesus Christ for worship and service. It is a free fellowship, in that only those are members of it who choose to be. Its members wear no name but that of Christian. Yet we do not claim to have attained to everything this name represents.

We are a free, independent, self-governing congregation under Christ alone as Head, with no denominational affiliation or earthly headquarters, though we recognize a particular closeness to other Churches of Christ. We are free to study, teach and work as our conscience directed by the Bible leads us. We deplore the denominational divisions of today and pray for the time when all professed Christians shall divest themselves of all humanly devised barriers and come into the unity of the faith that is in Christ.

We carry on our work and worship as we understand the Scriptures to teach. According to apostolic precedent, we celebrate the Lord's Supper each Lord's day. Our music is the praise of our lips without mechanical accompaniment. Our prayers, largely spontaneous, are intended for power, and not just as a part of the program. The proclamation of the word of God is given a prominent place, for we believe that in Christian worship God always speaks, and that we must be attuned to hear. Our giving is liberal and proportionate, symbolic of the dedication of all that we have and are. The entire worship program is planned, but not rigid.

Acceptance into the congregation is by baptism or by transfer of membership of a baptized believer from another congregation. Those not Christians are taught to believe in Jesus Christ with the whole heart, to repent of their sins, confess their faith in the Lord, and be buried with Christ in baptism for the remission of their sins, just as men were taught to do in New Testament times. Baptizing believers alone, we do not practice infant baptism. And, as baptism instituted by Jesus and practiced by the early Church was immersion, symbolizing both the death, burial, and resurrection of Christ, and the death of the believer to self and sin, his burial of the old man, and his resurrection to new life, that is our practice also.

We do not exist merely for selfish purposes, but to follow Him who came to minister and to give His life a ransom for many. To the extent we can, we help in mission work and benevolence.

Our marching orders are the Lord's worldwide commission. Our hope is His everlasting Kingdom and the resurrection of the dead. Our message is "Jesus Christ and Him crucified" (1 Cor. 2:2).

MYERS HONORED... Bill Myers, right, and his family were honored with a reception following church services at First Baptist Church last Sunday. Myers, who has served as minister of music and education for the church since August of 1971, left this week for a position of minister of education with a church in San Antonio. Curtis Murphree, chairman of the church board, presents Myers with a gift.

Jaycees To Hold Easter Egg Hunt

Attention, all kids between the ages of one and 10!!! The Friona Jaycees have you in mind this weekend when they will sponsor an Easter Egg Hunt at the city park Saturday morning.

Don Dennis is chairman for the hunt which will be held at the park at 10 a.m. and grand prizes will be awarded in three age groups.

One division will be for one through three year olds; the second division for four through

six years and the third division will be for the seven through 10 year olds.

Prizes will also be given for the youngster who finds the most eggs, according to Glen Stevens, internal vice president of the Jaycees.

All youngsters throughout the area will be invited and you should bring your parents along to watch you try to bring home the most eggs and the special grand prize for your age group.

Tornado Claims

Residents' Kin

Three year old Kevin Lewellen, relative of several Friona residents, including Mrs. T.A. Kelley, Tom Lewellen, Joe Lewellen and Delton Lewellen, lost his life in an early morning tornado in Plainview Sunday.

He was snatched from the arms of his father, Chris Lewellen, and killed in a hail of flying bricks as the family attempted to reach a nearby storm shelter to escape the tornado which first settled down southwest of Plainview at 4:14 a.m. Sunday.

Kevin was one of two persons killed in the tornado which left an estimated \$3-4 million dollars damage in its wake as it cut an eight mile path across residential and industrial sections of the city.

Also killed was David Bryant, 30, editor of the Plainview Herald, who was killed when the vehicle he was sitting in was picked up and slammed down in a field. Bryant was a member of a civil defense group and had gone out as a "spotter" when the potential severe weather was reported

by the National Weather Service in Lubbock.

Mr. and Mrs. Chris Lewellen were hospitalized in Plainview with fractures and contusions and Mrs. Rita Bryant, wife of the dead newspaper editor was also hospitalized with contusions and lacerations.

Friona native Wayne Houlette decided to keep a puppy which had been acquired by the family after it barked enough to alert the Houlette family to the approaching tornado and gave them time to seek shelter in the basement of their demolished home.

The Houlettes were not injured in the tornado which inflicted heavy damage to their home.

Funeral services for Kevin Christopher Lewellen were held at 2 p.m. Tuesday at the First Presbyterian Church in Plainview with burial in Plainview Memorial Park.

A native of Plainview, he is also survived by his grandparents, Mr. and Mrs. A.E. Lewellen and Mr. and Mrs. J.Q. Long, all of Plainview.

Lazbuddie School To Be Dismissed

Lazbuddie School will dismiss at regular time Thursday for a two day Easter vacation, according to school officials.

School at Lazbuddie will resume at regular time on Tuesday, April 24.

REC Slates Annual Meet

"A 60,000 HEAD FEEDLOT consumes 5,490,000 bushels of milo a year and 49,410 tons of hay. It costs a whopping \$219,600 for medicines and veterinary services during the year. It requires 3,018 twenty-ton loads to move the cattle from the feedlot and a minimum of 1,098 loads to bring in replacement cattle. It requires 8,335 truck loads to handle the 104,700 tons of grain and 2,472 truckloads are required for the 50,100 tons of hay required. This kind of activity means a constant stream of vehicles in and out of the feedlot all day long. It means that the mill must operate 24 hours a day preparing feed for cattle which must put on about three pounds a day to show a profit. It means a lot of office help, a lot of telephone calls, a lot of activity that means a great deal to our community.

Since the introduction of commercial cattle feeding in our community just a few years ago we have seen the price of milo become strong and cattle prices have been firm. The feedlots in Ochiltree and Hansford counties consume most of the milo grown in the two counties and this means that the milo farmer is growing grain for the cash market rather than for government subsidy program as in years past. We are in the midst of a drastic change in our agriculture picture, and the cattle feeding revolution is actually just getting started."

I read this item in another newspaper and thought it brought out a good point. It gives an example of a 60,000 thousand head feedlot. Parmer County has one operating northwest of Friona, plus others scattered over the county making a total of 220,000 head capacity. Therefore the situation in Perryton could be magnified over 3 times to fit Parmer County. That means more grain and hay consumed, more fuel to operate trucks and equipment, more electricity, more employees, etc. It means that Parmer County is one of the top five agriculture counties in Texas every year. And that means a higher standard of living for everyone, businessman, banker, retailer and farmer. Sure food is high, but we still spend only 18-20 percent of our income on food, as compared to 58 percent in the U.S.S.R., 32 percent in West Germany, 35 percent in Japan and 37 percent in Italy. USDA choice beef is still the best buy in the world and will be consumed by other nations if we can supply them. However, it seems a shame to export all of the good beef and force ourselves to eat ground round and Vienna Sausages.

Here is another little item that tells it like it is. ORGANIZED CONFUSION—Livestock are animals that are being bred and raised in the country to keep the producer broke and drive the buyer crazy.

Livestock are born in the spring, mortgaged in the summer, pastured in the fall and given away in the winter.

They vary in size, color and weight and the man who can guess the nearest weight and market grade is called a livestock buyer by the packer, a robber by the rancher, and a poor businessman by the banker.

The price of livestock is determined in Chicago and goes up after you have sold and down after you have bought.

One packer sent a buyer to Chicago to watch the livestock market in action and report back. After a few days of penetrating study, he wired back to this effect—"Some say the market will go up, and some say it will go down. I say the same. Whatever you do will be wrong. Act at once."

It's A Girl For Taylors

Mr. and Mrs. Ron Taylor of Grand Prairie became parents of a baby girl Monday, April 2. She was named Becky LaDawn and weighed 7 lbs. 1 oz.

Becky LaDawn is the first daughter for the couple. She has one brother, Jason Lance, who is two.

Maternal grandparents are Mr. and Mrs. Roy M. Miller of the Lazbuddie Community.

Mr. and Mrs. James Taylor, Friona, are the paternal grandparents. J.L. Taylor, also of Friona, is the paternal great-grandfather.

VISITOR HERE

Charleen Wenig of San Diego, Calif., is spending Holy Week in the home of Rev. and Mrs. Duane Kirchner.

The 35th annual meeting of the Deaf Smith Electric Cooperative, Inc., patrons and their families is scheduled for Thursday of next week, April 26, at Hereford's Bull Barn.

Deaf Smith REC serves the rural areas of Parmer, Deaf Smith, Castro and Oldham counties.

A free barbecue meal will be one of the highlights of the yearly session with serving to begin at noon, according to James Hull, manager of the cooperative.

Registration begins at 11 a.m. Prizes will be awarded at a drawing that afternoon.

Election of members of the board of directors will be during the afternoon business session. Sloan Osborn of Friona is running for re-election as Parmer County's representative. Osborn is currently president of the association. Melvin Sachs is the other nominee for Parmer County. Running for a position as Castro County's representative

are Noel Gollehon and Al Gibbs. Tom Draper is the nominee from Deaf Smith County.

A report of the past year's business of the cooperative will be given and distribution of capital credit checks will be made. The cooperative has paid out over \$1,600,000 in capital credit checks since 1951, according to a spokesman at the REC.

An invitation to the public to attend the meeting is extended in an advertisement in this week's issue of The Blade.

"Helping Texas Grow"

LITTLE DRIBBLER ALL-STARS...Practice has been underway for the Friona Little Dribbler All-Stars who will compete, as host team, in a tournament beginning in Friona tonight, Thursday. Members of the team are back row, left to right, Chris Barnett, Randy Patterson, Jeff Peak, Kevin Kothmann and Mike Hutson; front, left to right, Gary Schueler, Phillip Veazey, Kirk Frye, Toby Strickland, Jimmy Evans and team manager, Ky Graham. Coaches are Kenneth Neill and Alton Peak.

**LITTLE DRIBBLER TOURNAMENT
AMERICAN DIVISION
THURS.-SAT. APRIL 19-21**

**Little Dribbler
Tournament Set**

Friona Little Dribblers will host the Region I Tournament for the American Division today, Thursday, through Saturday night.

Kenneth Neill and Alton Peak are coaches for the Friona Little Dribblers All Star team and team members include Chris Barnett, Randy Patterson, Jeff Peak, Kevin Kothmann, Mike Hutson, Gary Schueler, Phillip Veazey, Kirk Frye, Toby Strickland, Jimmy Evans, with Ky Graham, manager.

The Friona team will be in competition with teams from Bovina, Dimmitt, Hart, Farwell and Springlake.

First game is scheduled for 5:30 p.m. today and the finals will be played at 7 p.m. Saturday.

**Lazbuddie Star
Is Rick Seaton**

With 38 schools competing, Rick Seaton of Lazbuddie became a double winner in regional competition to win a berth for the state track meet at Austin. He tied a record set by Lazbuddie's Charles Lee in 1970 at 14.6 in high hurdles for first place in that event and had 50.6 in intermediate hurdles for another first place.

Of the teams competing, Lazbuddie finished fourth with team totals of 32 points. First place winner, Loraine, had 42 points.

**McGehee
Brings Home
Track Win**

Farwell hosted an Invitational Track Meet for Girls last Thursday with eight teams participating. Scoring high for Lazbuddie was Jenny McGehee, who was first in shot put at 31.6 and second in discus with a distance of 97-3/4.

Jenny is the daughter of Mr. and Mrs. Raymond McGehee.

**Girl Thinclads Set
For Regional Meet**

Friona girls' thin clads will be represented at the Regional meet in Abilene on April 27-28 following the district meet at Olton last Wednesday.

Qualifying for regional competition was the mile relay team and Sharon Smith, discus thrower.

Members of the mile relay team who won first place at the district meet last week were Lucinda Aguirre, Terry Patterson, Sharon Smith and Paula London. They had a time of 4:16.6. Alternate Teresa Ingram will also make the regional meet.

Sharon Smith won first at district with her distance of 92.1 1/2 with the discus.

Among the other 11 teams in competition at Olton were representatives from Dimmitt, Olton, Littlefield, Idalou, Roosevelt, Lubbock Cooper, Floydada, Ralls, Post, Abernathy and Slaton. Olton won the

meet and Friona was in fifth place with 47 1/2 points.

Paula London was second in the 440-dash with a time of 63.6; Darla Rhodes was fifth in hi-jump; the 440-sprint relay team was fifth with team members Lucinda Aguirre, Darla Rhodes, Paula London and Terry Patterson; and the 880-relay team was fifth with team members Lucinda Aguirre, Sharon Smith, Darla Rhodes and Terry Patterson.

Seventh and eighth grade girls from Friona participated in the District meet at Olton with 11 other schools.

The eighth grade girls finished in fourth place in the events.

Students placing included Sheri Rector, fourth, high jump; Janice Peak, second, 220-dash; Jason Widner, fourth, 440-dash; Linda Lee, sixth, 440-dash; Ethel Rodriguez, second, 660-yard run; the team

of Linda Lee, Sheri Rector, Jason Widner and Janice Peak, third in 440 relay; team of Linda Lee, Sheri Rector, Jason Widner and Janice Peak, again third in 880 relay and Melodi Dixon, Dorothy Aey, Diane Bennett and Shasta Hadley, fifth in the mile relay.

Friona's seventh grade girls placed fifth in competition, also against 11 other schools. Placing in the 660-yard run were Betty Randa, first; Rhonda Parsons, third and Denae Vera, fifth. Shelia Hadley was fourth in 80 yard hurdles; Paige Osborn, first, 220-dash; Diane Clark, sixth, 440-yard dash.

Relay teams placing were Rhonda Parsons, Paige Osborn, Johna Thorn and Diane Clark, fifth, 880 relay; Shirley Milloy, Carla Polk, Paige Osborn and Kathy Martin, third, 440 relay and Cindy Cleveland, Shelia Hadley, Johna Thorn and Linda Nelson, fourth, mile relay.

**BUZZIN'
BENGER**

"GREENBUG"

The greenbug is doubtless the most destructive of the aphid that attacks wheat, barley, oats and maize in our country.

The greenbug is a very serious pest in our wheat at the present time. The spread of greenbugs cannot be foreseen by the multiplying of greenbugs.

The greenbug is capable of multiplying at temperatures as low as 40 degrees Fahrenheit, whereas its enemy bug, such as the ladybird, aphid lions, and the braconid wasp can only thrive at temperatures above 65 degrees.

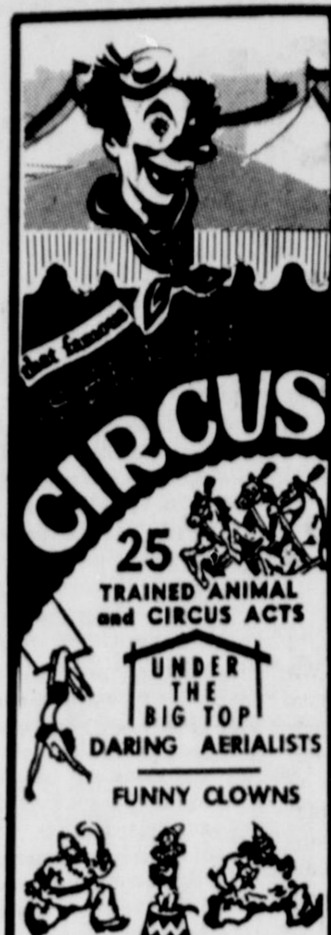

You can see that during winter months the greenbug can multiply and thrive without much interference from Mother Nature.

In our area, greenbugs remain active and produce living young throughout the year.

Sometimes we have to rely on chemical control to save our crops from destruction by insects.

Call Benger Aero Spraying for a field check, and if your crops don't need spraying, we will tell you. If they do need attention, we have the know-how and manpower to serve you.

Study Urges Mercy Deaths For Nation's Ailing Towns

Population Relocation Suggested

(as appeared in The Sunday Denver Post)

WASHINGTON — (AP) — A presidential commission recommends that the government help some small towns to a merciful death instead of pumping in more money to avert the inevitable. It also says that the flow of illegal immigrants has created problems of significant proportions.

The commission proposes the establishment of "growth centers" — medium-size cities — to provide job and housing opportunities for small-town people who would otherwise migrate to glutted metropolitan areas.

Commission Report

"Many places have simply outlived their economic function," said the Commission on Population and the American Future. "The purpose of future investment in such areas should be to make the decline easier to bear rather than to reverse it."

The commission, headed by John D. Rockefeller III, made the proposals in the third and last part of a final report to the President and Congress.

The first part set out the commission's belief that continued population growth is undesirable. The second recommended abortion-on-demand and contraceptives for people of all ages as part of reordering views on education, child-bearing and child-rearing.

"The types of growth centers envisioned are expanding cities in the 25,000 to 350,000 population range whose anticipated growth may bring them to 50,000 to 500,000," the commission said.

Illegal Immigration

"Migration from declining areas is frequently ill-directed. It often involves a lengthy move to a distant city, with all the difficulties of adjustment. A superior approach may be to create new jobs nearer to or within the declining rural areas."

The concluding report stressed that "the nation

welcome and plan for a stabilized population," and urged greater efforts to halt illegal immigration. It also recommended a federal agency to develop coherent population policies.

The report noted that "immigrants are now entering the United States at a rate of almost 400,000 a year." If that rate remained the same and all families had an average of two children "then immigrants arriving between 1970 and the year 2000, plus their descendants born here, would number 15 million at the end of the century." That would account for almost one-fourth of the total population increase for the period, the study said.

The commission was split over legal immigration levels. But the majority felt the current level should be maintained for humanitarian aspects and "because of the contribution which immigrants have made and continue to make to our society."

But it called the entry of illegal immigrants "a major and growing problem," estimating that one or two million people enter the country unlawfully each year. It urged Congress to consider the situation immediately and pass legislation which will impose civil and criminal sanctions on employers who hire illegal immigrants.

The commission noted that historically the cities in the United States have provided social and economic advancement to the deprived, but "this process has not worked well for the blacks." It said institutional racism has been more pervasive and persistent than earlier forms of ethnic discrimination.

"Resistance to a geographically open society may not be as universal as newspaper headlines imply," the study said. "According to the commission's survey only 26

per cent of Americans believe that racial integration in the suburbs is proceeding "too fast" and 60 per cent thought it was "too slow" or "just right."

Federal agencies could do much to promote housing integration, even without new legislation, by simply changing administrative practices, the commission said.

"An additional means for pursuing these objectives," the report said, "might be the establishment of institutions which could buy housing in white suburbs and subsequently rent or sell them to ethnic and racial minorities."

As part of such a program, the commission recommended development of more extensive programs to equip black and other deprived minorities for fuller participation in economic life.

The study also called for improvements in timeliness and quality of data collected with respect to birth, death, marriage and divorce, noting that population research is hampered by a delay of at least two years in publication of such data.

It also urged a strengthening of the Office of Population Affairs in the Department of Health Education and Welfare and creation of a national Institute of Population Sciences, a Department of Community Development, an Office of Population Growth and Distribution and a congressional Council of Social Advisers.

The report concludes:

Does this country want to continue to invest its resources simply in meeting more demands for more services, more classrooms, more hospitals, more housing, more roads, more everything?

"Or should we concentrate our energies and resources on improving the quality of such services and extending them to those for whom such quality is at best a hope rather than a fact."

Attention All Area Counties

Civic Leaders, Chamber of Commerce, Businessmen, Clergy, Educators Members of the professions, Employees and Labor.

HERE'S NEW LIFE FOR YOUR COMMUNITY!

"A \$10 Million Industry For Your County"

No Investment Required.
No Increase In Taxes.
No New Public Facilities or Utilities Needed.

Increased Per Capita Income Guaranteed.

Increased Wages For Business.
Increased Wages for Labor.

More Money For Local Churches.

Better Schools.
Better Hospitals.
Better Community.

A strong, healthy business climate guaranteed without additional costs to local business, or additional expense to the local community.

Everyone benefits... Everyone gains. Stop the loss of population. Creates better jobs.

ITS A LIFE SAVER FOR YOUR COMMUNITY

This \$10 Million industry will cost you nothing more than a little of your time to study the program — and — in your moral support.

I know this sounds almost too good to be true, but this \$10 million industry will almost double the per capita income for everyone living in your county. In fact, it will bring the per capita income of your county up to par with the national average.

This \$10 million industry is not exaggerated, it's a minimum. Thousands of communities all over America are spending (from thousands to hundreds of thousands of dollars) trying to attract new industries with only the fraction in rewards this one will bring. Furthermore, this industry can become a reality — not only to your county, but to every county in the United States.

This mighty industry — the sleeping giant — is called Agriculture. It's that area outside your community that hasn't had a pay raise in the past fifteen years. It's the largest industry in the United States, but its sick and its dying, because rural businessmen, civic leaders, clergy, educators and labor haven't realized its the well that provides the community with its standard of living.

Because of our failure to recognize the value of agriculture and the great im-

fact it has on our own standard of living — we have ignored it. As a result our own standard of living has reduced itself to about one half of the national average. Agriculture is being liquidated and our communities with it, because we as businessmen have been sleeping longer than "Rip Van Winkle."

If we as businessmen, civic leaders, church leaders, educators, members of the professions, labor and employees in rural communities would wake up and support the largest industry in America — our life line to prosperity — rather than watch it die, we could all enjoy the fruits of life and that God intended all of mankind to enjoy. How can we call ourselves businessmen and at the same time sit idly by and watch the well run dry that provides our community with its wealth? We are all trying to attract new industry and let the largest industry in America liquidate itself. There is a \$10 million sleeping giant in our own back yard, if we only have foresight enough to support it.

An Open Letter to The American People

A TROUBLED ECONOMY

The economy of the United States and the rest of the Free World is experiencing the most crucial economic and monetary crisis of this century. All of these national and international problems can be traced directly to unsound economic theory based upon Monetization of Debt, rather than Monetization of Real Wealth (Raw Materials) to build and develop a solvent national and world economic system.

EXPLOITATION OF HUMAN RACE

Most of the problems such as war, poverty, depressions, inflation, and social disorders, that confront the people of the world can be traced to these unsound economic policies which have been the result of theory not based upon facts; and the selfish practice of the human race to exploit one another by expecting to buy goods and services below their rightful value.

ECONOMIC SOLUTIONS ARE POSSIBLE!

A future world peace cannot be built on the same old foundation of economic exploitation. Freedom cannot be won, or given, to human beings that are forced to labor for less than \$30 cents per day. Neither can we, or any other nation, expect to have a very great amount of world trade with three fourths of the population of the world with a wage level so low that it will not prevent starvation.

NEW WEALTH - THE KEY

The United States does not have to experience the horrors of inflation, the dangers of depression, or war. It does not have to have unemployment, or build prosperity on debt, or a welfare system. The United States can regain its rightful place among the nations of the world in establishing an equitable world monetary system, and economy, that will bring about the world prosperity that must precede all other efforts in maintaining a permanent peace, and dignity, for all mankind throughout the world.

COMMON SENSE POLICIES NEEDED

After making an extensive study of the records of the national economy, we have arrived at a formula that can be used to determine in advance our national income, employment, etc., with accuracy, and guide us in preventing the collapse of our nation's economy, and wipe out the dangers of another major world war. A recurrence of such conditions could mean the loss of our present form of government which would make it impossible for the United States to help a struggling world back to a foundation of peace, not to mention caring for itself.

These conditions do not have to happen, or exist. Inflation, depressions and unemployment can be avoided, providing we base our economic premise upon sound common sense economic policies based upon the record of the nation, instead of some Utopian Theory that has never worked, and never will work.

PRODUCTION TIMES PRICE = INCOME

We must remember that wealth is production. We must also realize that if our production of wealth is properly priced in terms of dollars, we will create the earned income to maintain a solvent economy.

THE HISTORY OF THE AMERICAN Enterprise System has been the envy of the world. The productive capacity and out-put of the United States in reaching a trillion-dollar economy is a story of mystery and fact. The American enterprise system has become the most productive system the world has known, and provided the highest standard of living for most of its people than any other system in the history of civilization.

TODAY, THIS MIGHTY productive system is facing one of the most serious monetary crisis in its history. The nation is faced with problems such as hungry people, too much food, people living in slums with unemployment, and too many building materials to clear our slums. This just does not make sense.

OUR PROBLEM HAS NOT been one of overproduction, but under consumption resulting from loss of buying power in the market place.

AS AN EXAMPLE: Agriculture alone has been underpaid over \$800 billion over the past 20 years. Over \$75 billion underpayment in 1971. Think of the schools, churches and share of local government this lost income would have supported during this period. Rural America had no problem supporting its public institutions when agricultural prices were at full honest parity, nor our larger towns, cities and Metropolitan areas.

THE NATION is experiencing horrors of inflation in the midst of recession; and the economists are baffled in licking these problems.

THE UNITED STATES has enjoyed the highest level of Gross National Product, highest wage averages in history, but the problems increase. The economists have employed every formula in the book except that of restoring honest prices for raw materials, especially agriculture.

THERE WILL BE NO solutions to our economic dilemma until agricultural and other raw material prices are restored to full 100% of honest parity. If not, the nation will continue to experience the horrors of uncontrolled inflation, poverty for the masses, and unlimited expansion of debt, interest and taxes -- then economic collapse.

ALL NEW WEALTH COMES FROM THE LAND, SEA, & AIR OUR RAW MATERIAL PRODUCTION

The value of this new wealth is nothing more, and no greater than, the price the nation is willing to pay itself for its New Wealth production. Whenever raw material production, in any form, whether it be agriculture, fossil fuels, minerals from our mines, fishing, or timber from our forests, is brought into being -- "this is the New Wealth that has been added to everything mankind had before." New Wealth can only come from something that was non-existent before, and its real value is nothing more than the price society pays for that new wealth in terms of dollars.

LOSS OF NATIONAL NEW WEALTH INCOME

Whenever new wealth is underpaid in terms of monetary dollars, then the nation as a whole is forced to substitute excessive debt expansion in lieu of the lost earned income resulting from the underpricing of that New Wealth.

NATION BANKRUPTING ITSELF

For the past twenty years or more, the nation has been Monetizing Debt Expansion to cover up the shortage or loss of New Wealth resulting from the underpricing, and underpayment, of our raw material production, mostly agriculture! As a result, the nation has been bankrupting itself by mortgaging all of its assets, substituting fiat money, and a fiat economy, thus creating the illusion we have basked in the sunshine of prosperity.

FANTASTIC DEBT SYSTEM

Unless the nation is willing to pay the horrible price of another depression, and possible collapse of our economic system, it then becomes mandatory that the people who believe in peace and prosperity, under a free democratic society, based upon a private enterprise system, do something immediately, to alert, and challenge the folly of our New Economic Theories which have been responsible for creating the most fantastic debt expansion system the world has ever known.

UNBEARABLE

The United States must change its policies. This nation must return to economic balance. If not, the price civilization will undoubtedly pay at some future date is almost unbearable to think about.

If the people who believe in our Private Enterprise System and who want to retain this form of economic freedom, will not alert themselves, rise up, and do something to preserve that system, WHO WILL! Apathy and complacency will surely win a trouncing victory for Giantism, the Conglomerate Structure, which in the final analyses will end up with government absorbing them.

A NEW ORGANIZATION

We have just recently formed a new organization called the National Organization for Raw Materials, Inc. "NORM".

This organization should have rightfully been called an organization for the restoration of NEW WEALTH through proper and equitable prices for our nation's raw material production.

DIVIDE AND CONQUER

We realize the nation has more organizations today than the system can afford. We know that the nation is over-organized. WHY? Most organizations spring up to divide and conquer people, split them so wide that each group seems to be working against themselves, rather than for the best interests of the nation as a whole.

THE PURPOSE OF THIS ORGANIZATION IS RESEARCH, EDUCATION AND PUBLIC INFORMATION.

The National Organization for Raw Materials, Inc. (NORM) has but one purpose in mind. We have but one goal, one ambition, one objective . . . a Sound National Economy that will finance itself through the proper creation of new wealth to sustain the system.

ECONOMIC BALANCE MUST BE RESTORED.

Unless economic balance is restored to our national economy through an equitable pricing system for all raw material production, and the opportunity for common people maintained to own their own farms, ranches, their own independent units of business, the system will fall. Private Enterprise must be retained for the common people of this nation. When the opportunities and incentives are lost for common people to play the game, then the system no longer has any meaning or purpose.

SOUND BUSINESS PRINCIPLES

Therefore, our overall goal is to retain, protect and strengthen our system of private enterprise, for people, not the GIANTS alone, who would control the economic destiny of the world. It is our soul and purpose to rebuild a strong and solvent national economy based upon sound business principles with economic justice for every segment of society.

GREATEST UNTOLD STORY IN AMERICA TODAY

We are in dire need of your help. We need financial support to get our story told to the nation. We need financial help so our story, "the greatest untold story in America today" can reach the key figures in government, business, industry, clergy, labor, etc. We have made fantastic inroads already as individuals. Now through the united efforts of a strong and influential organization, we "MUST, and we CAN" get this job accomplished.

YOU ARE THE KEY TO OUR SUCCESS OR FAILURE

YOU, your friends, your neighbors, who strongly believe in our Free Society, our Independent System of Family Owned Enterprises are the Key to our success or failure. We need your HELP NOW. We need your support, both financial, and in people numbers power. We plead with you to send us a contribution immediately so your dollars can go to work protecting your American Heritage.

TIME IS OUR WORST ENEMY

Please fill out the membership blank attached, get your check or money order in the mail today. Time is our worst enemy. Time is running out. We need all the support we can muster TODAY. Make your investment which is necessary to insure, as well as assure your economic security, and your own personal pride in knowing that you have invested in a program that is dedicated to the preservation and perpetuation of a free, independent private enterprise economic system, for your children and grandchildren.

Cut along dotted line -- Fill out application -- Mail to address below:

"NORM" . . . NATIONAL ORGANIZATION FOR RAW MATERIALS, INC. . .

YES, I DEFINITELY WANT TO SHARE A PART IN HELPING TO RESTORE A SOLVENT NATIONAL ECONOMY. I want to Stand Up and be Counted as one Proud American willing to invest in the prosperity of my country, and HELP PRESERVE AND STRENGTHEN the Independent structure of Private Enterprise.

Thirty Two Students Make Honor Roll

According to a release from the office of John R. Cook, principal of Friona High School last week, thirty two students were listed on the All A Honor Roll for the fifth six weeks period.

They were Carol Bavousett, Dale Parsons, Beverly Schueler, Neil Fulks, Terri Patterson, Cindy Barnett, Gary Stone, Lisa Edelman, Gary Mings and Carolyn Gore.

Also Gayla Self, Debbie Benge, Donna Lewellen, Katie Lewellen, Cindy Gammon, Kevin Wiseman, Annette Reznik, Elsie Aguirre, Willie Bailey, Darlene Harper and Donna Harper.

Also Robert Jackson, Susan Martin, Carolyn Murphree, Kay Cochran, Sarah Gammon, Trip Horton, Beverly Bailey, Terri Williams, Sylvia Hernandez, Ronald Land and Debbie Wilkerson.

Other students making the honor roll and their grades were as follows—

A'S WITH 1 B

Jeanine Jarboe, Pattijon Talley, Pam Wilcox, Sharon Smith, Roy Juarez, Vandra Nichols, Mary Beth Bennett, Yolanda Pedroza Barker, Mike Martin, Connie Lindeman and Teresa Bingham.

Also Carl Evans, Silvia Flores, Holley Stephenson, Tena Day, Carol Reeve, Tim

Boeckman, Joe Jones, Gary Land, Bob Lewellen, Mark Shackelford and Patti Crump.

A'S WITH 2 B'S

Diane Hamilton, Hope Mays, Becky Walker, Mitchell Wiseman, Cathy Cunningham, Nanette Fallwell, Paula London, Donette Carlton, Amanda Mason, Jose Mejia, Lisa Taylor, Kevin Welch, Patricia Phipps and David Renner.

Also Dickey Garner, Danny Newton, Johnny Bandy, Matt Garth, Jayson Grimsley, Hal Blackburn, Pam Lindley, Audrey Sprouse, Danny Campbell, Chris Sanders, Gregg Collier, Shera Finley Hume and Cindy Hutson.

A'S WITH 3 B'S

Dorothy Johnston, Marilyn Jones, Dee King, Chuck Rector, Myrna Phipps, Sherri Thorn, Kenneth Stowers, Glenda Reeve and Deborah Anderson.

Also David Barnett, Jerri Benge, Bob Clark, John Jones, Mike McManaman, Kyle Shelton, Debra Carlton and John Seright.

A'S WITH 4 B'S

David Blackburn, Tamela Hassenpflug, Debra Hudson, Jimmy Murphree and Leesa Mercer.

A'S WITH 5 B'S

Karen Merrell, Cece Lewis, Denise Carnes and Loren Martin.

Mrs. Franklin Bauer

Mrs. Bauer Buried Here

Funeral services for Mrs. Franklin Bauer, 46, of Everton, Missouri, were conducted from Immanuel Lutheran Church in the Rhea Community at 2:30 p.m. Monday.

Dorothy Marie Schueler was born in the Rhea Community. She was the daughter of Herman Schueler and the late Mrs. Schueler, who were pioneer residents of that community.

After her graduation from high school and Northwest Texas Hospital School of Nursing, Miss Schueler returned to Friona and was employed by Farmer County Community Hospital.

Following her marriage to Franklin Bauer of Happy, she moved back to her native community and lived there until August of last year.

She died at 8:45 a.m. Wednesday in St. Vincent Hospital in Monett after a long illness.

Survivors include her husband, two sons, Dwayne and Steven; and two daughters, Rhonda and Carla; her father, one sister, Mrs. Carl Schlenker of Friona; and three brothers, Walter and Herbert Schueler, both of the Rhea Community and Gilbert Schueler of Alamosa, Colorado.

Officiating minister was the Rev. Dwayne Kirehner, Friona. Pallbearers were Glen Harrelson, Richard Vaughn, Norman Taylor, Billy Sifford, Ron Dixon and Shirley Smith.

Burial was in the Rhea Cemetery with Parsons-Ellis Funeral Home in charge.

Freemans Attend Funeral

Farmer County Deputy Sheriff and Mrs. Garland Freeman attended funeral services in Winters Tuesday for Joe Frank Albro, 32, assistant chief of police at Muleshoe.

Albro was killed near Sweetwater late Sunday afternoon when he lost control of his motorcycle while trying to pass a truck. Albro was thrown under the truck, and apparently died instantly.

A former Liquor Control Board agent stationed at Lubbock and Muleshoe, the officer resigned to become the assistant chief at Muleshoe two years ago.

Area survivors included his wife, Rita; and two daughters, Melissa and Brandye, both of the home in Muleshoe.
