

RURAL FIRES, and who should pay the bill for fighting them has come under much discussion since the Friona City Council set in motion a new ordinance.

The ordinance would prohibit the city continuing to fight the fires, unless the county comes across with a better arrangement for compensation on rural calls than it has had in the past.

Much of the conversation going on locally is to the effect that the city is trying to discriminate against its farm neighbors, and pointing out that the farmer and feeder's success helps make the city.

THIS IS NOT THE issue as we see it. The point is that Friona's fire department, like those in many other counties, has for years been called upon to make runs into the country to fight fires, and the department has always gladly responded.

The county, which carries a continual bank balance in the hundreds of thousands of dollars, has been paying each of the four county "departments" a total of \$750 per year for fighting the rural fires.

Friona receives \$750.00; the same is received by Bovina, Farwell and Lazbuddie. It is reported that Lazbuddie indeed has a fire truck, which isn't always in working condition. But the Lazbuddie department receives \$750.00 per year, just like Friona and Bovina, whose fire departments end up fighting most of the fires in the Lazbuddie precinct.

PRECINCT ONE, it has been pointed out, has around 45 per cent of the tax base in the county. This estimation was made a few years ago—it may even approach 50 per cent at the present, since Precinct one contains Missouri Beef Packers, four sizeable feed yards and a mammoth feed manufacturing plant.

The Friona precinct would be tickled to death to just receive one-fourth of the money expended by the county. Whenever services are needed in this precinct and are requested from the commissioner's court, the answer is almost always the same—they just can't afford the services.

Whenever Precinct One attempts to get any paving work done, it is accomplished only after a bitter struggle during which this precinct practically has to threaten to secede from the county if it isn't done. Witness the Highway 214 project.

Commissioners from Precincts two, three and four, and apparently the county judge as well don't seem to be too bothered by the fact that road improvements are needed in Precinct 1, whether it pays 45 per cent of the taxes or not.

They don't seem to be too bothered by the fact that City of Friona residents have during the past 13 years, paid through their taxes over \$35,000 to fight rural fires which by rights should have been reimbursed from the county coffers.

CITY OFFICIALS aren't asking the rural residents or rural businesses to pay extra in order to receive fire protection. They merely believe that this precinct should receive its fair share of the taxes that have already been paid by these residents and business concerns (and industries).

Fire protection, it seems to us, falls under the list of reasonable services which a county owes its citizens, and is not really asking a great favor.

It occurs to us that city residents need to be just as concerned with the matter as the rural folks. After all, city residents pay county taxes also, although we can't put our finger on a lot of benefits that they ever get out of these taxes that go to the courthouse.

It behooves rural and city residents alike to contact their commissioners and county judge and let them know their thinking on the matter, if they believe the county should adjust its payments upward—sharply—on the rural fire calls.

Residents of Precinct 1 shouldn't have to fight and scratch and plead for every dollar that is returned to the precinct for services needed. But since it does—then let's fight and scratch and plead!

WITCHES AND SKELETONS ROAM COUNTRYSIDE...As the wicked witch crosses the moon on her brand-new broomstick and the skeleton throws his arms wide in a special Halloween greeting, Halloween again arrives here Wednesday, October 31. Grinning pumpkin faces surround the "Great Pumpkin" as youngsters get ready to Trick or Treat and the

Halloween-Spook Carnival slated for Tuesday evening, October 30, at the old McCaslin Lumber Co. Building on 10th and Main. Admission is only 10 cents for everyone and the ESA Sorority is sponsoring the celebration this year. Varied booths will be open for everyone's enjoyment during the evening, starting at 6 p.m.

SURVEY HERE

Researchers Advocate Consumer Education

Dr. Tom Harper and Dr. Bill Semmelbeck, both of the West Texas State University School of Business, met with Friona Retailers and interested individuals Thursday night to reveal results of a recent survey conducted by research teams from the WTSU School of Business.

Dr. Semmelbeck reported that both consumers and retailers had been surveyed and interviewed and questioned about "Consumer Buying Habits In The Friona Area." He said 100 persons in Friona, a random sampling of all income brackets and ethnic groups, had answered questions relative to their buying habits and how and where the income dollar is spent.

The two researchers generalized as they were emphatic in statements that their position was not to make decisions for retailers in the area, but merely were suggesting ways of improvement for local retailers to keep the consumer dollar in Friona.

Reasons given interviewers

for shopping out of town were for the most part for better price and better selection, with better selection overshadowing prices with the greater percentage of persons interviewed.

It was reported that no noticeable difference was denoted in the percentage of high or low income persons shopping in Friona or out of town.

One major suggestion by the researchers was a Retail Merchant's Association to provide additional advertising, consumer education and promotion.

"People need to be shown, through varied types of advertising, that they may not be saving much by shopping out of town," commented Dr. Semmelbeck. "Most people are apparently convinced that prices and selections are better out of town and retailers need to make a concentrated effort to show people they actually can save by shopping at home."

He cautioned retailers to be aware of prices in other towns so they can talk competitively

to potential buyers.

Retailers were also advised to have special promotions and advertise special buys during Easter and Christmas, two times of the year that are major buying times for consumers.

The researchers also suggested that retailers take a long look at their line of merchandise and perhaps think about dropping one or two price ranges and have a better [Continued on Page 5]

Bank Deposits Here Show Modest Gain

Deposits at Friona State Bank as of October 17 showed a 5.3 per cent gain over a corresponding statement a year earlier, it was revealed this week.

Total deposits on October 17 were \$15,286,686.45, compared to \$14,514,536.42 a year earlier, a net gain of \$773,150.

Total Assets, meanwhile, jumped from \$16,198,991.93 to \$20,376,741.89. This was an increase of \$4,177,750, or 25.7 per cent over the October, 1972 figures.

Amount of money on loan also showed an increase, from \$10,791,285.34 to \$15,304,045.11. This amount increased by \$4,512,760, or a whopping 41.8 per cent.

The modest increase in deposits comes before much of the 1973 farm crops have been sold. The big bank statement of the year usually comes at the end of the year, December 31 statement.

STUDYING SURVEY...Tom Harper, left, of the West Texas State University School of Business and Dale Cary, president of the Friona Chamber of Commerce and Agriculture, study the recent survey results on "Consumer Buying Habits In Friona." Results of the survey were made public during a meeting at Friona High School Cafeteria last Thursday night.

PERFECT ENTRY...Frank Truitt, left, is handed a sign with the Number 16, indicating that Truitt correctly picked all 16 games in the Friona Star's football contest. Truitt's was the first perfect entry among 1370 entries to date to correctly pick all 16 games.

LITTLEFIELD, 35-19

Cats Claw Chiefs - Take District Lead

Take away two fumbles which led to easy Littlefield touchdowns, and the Friona Chieftains might be all alone atop the District 3-AA standings today.

But the fumbles did happen, and Littlefield took advantage for a 35-19 win that gave the Wildcats a 2-0 record and the inside track toward the district title.

Friona held the Wildcats following the kickoff and forced a punt, that went to the Friona nine.

On the first play from scrimmage, Dale Parsons fumbled, and Littlefield gobbled up the ball at the Chieftain 12.

In three plays, Littlefield had a TD, with the quarterback going seven yards, and after the kick, Friona was trailing, 7-0.

But Friona didn't roll over and play dead. Ted King fielded the kickoff on his eight, headed to the west sidelines and sped 80 yards before being downed at the Littlefield 12.

The fired-up Chiefs punched the ball across in six plays. It took a fourth-down sneak by Clay Bandy to keep the drive alive at the Littlefield two. From there, King sliced across, and Davy Carthel's kick tied the score at 7-7.

Midway through the second quarter, Littlefield cranked up on a 70-yard, 12-play drive that gave the Wildcats the lead again. A high snap foiled the kick, but the visitors led, 13-7.

Toward the end of the half, the 'Cats got the ball. Pat Henderson broke loose on a 73-yard touchdown run with 1:05 left in the half. The Wildcats ran for two points, netting a 21-7 halftime lead.

The Chiefs started the second half just like the first. Parsons ran the kickoff out to the 27, but again fumbled, and the Wildcats recovered.

It took four plays this time, but Littlefield made the break count, increasing their lead to 28-7 as Henderson dashed 18 yards with a pitchout.

Later in the quarter, Friona took over at the Wildcat 46 following a short punt. Parsons hit Gene Strickland on the halfback pass, a 44-yard scoring play. Friona's try for two points running failed, but the score became 28-13.

Friona held the Wildcats and took over following a punt at their own eight. Carthel and Bandy gave the team vital first downs as they moved out of the shadow of their own goal-post.

As the quarter changed, the drive almost stalled at the Littlefield 23. But on fourth

down, Bandy was being rushed when he saw David Hutson open in the end zone, and threw a strike for the TD. Bandy was stopped just shy of the goal-line on the PAT try, but Friona had trimmed the margin to 28-19.

With time running out, Friona took to the air, with Bandy hitting Dale Cleveland on a fine 17-yard pass play to the 41. However, a fourth-down gamble failed with three minutes left, and Littlefield took over.

The Wildcats got yet another score, this one from three yards out. This ran the score to 35-19, the final margin.

Bandy hit Parsons on an apparent 32-yard gain with a minute and a half left, but a holding penalty erased the gain. On the next play, Littlefield intercepted and that was the ball game.

After being outgained, 206-32 yards in the first half, Friona came back to dominate the second half, 193-104 in yardage. The Wildcats led in first downs during the opening period, 11-3, but Friona led, 11-6 in the last half.

King led Friona rushers with 62 yards followed by Bandy's 53.

Merchants To Meet Thurs.

A re-organizational meeting for the Friona Retail Merchants Assn. has been called for Thursday, November 1, by the local Board of City Development.

All merchants in Friona, along with utility managers, etc., are urged to attend the meeting.

Anyone interested in boosting Friona is invited to attend.

United Fund Drive Hits 59% Of Goal

Friona's United Fund drive had raised \$4425.36, or 59.8 per cent of the 1973 goal, chairman Byron Hardgrove said this week.

The totals do not include any of the rural contributions, and only two-thirds of the city's zone chairmen.

CONTEST REMINDER

Friona State Bank reminded this week that they still had a few of the Christmas plate kits available for those wishing to enter their contest. Deadline for returning the entries is November 9. More details, Page 2.

FOR PRACTICE...Dale Parsons catches this pass from Clay Bandy late in the game, but this one was called back. Littlefield defender is quarterback Terry Bryson. The 'Cats won, 35-19.

First Perfect Score Recorded By Truitt

After grading 1370 contest entries for 1973, the Star's contest editor finally dug up one with all 16 games right the past week. It belonged to Frank Truitt, and was the first perfect entry in the contest this year.

Just for good measure, Truitt picked the Friona Chieftains to beat Olton on the tie-breaker game, although he didn't need that one to collect the weekly first prize money of \$5.00.

Pointing up the good scores for the week, four contestants had scores of 15, the first time there had been scores at that plateau, either, F.G. Crofford, Hank Outland, Jr., C.H. Veazey and Albert Johnson of Farwell were the contestants scoring 15.

Crofford gained the second-place money of \$3.00, being 17 points off on the tie-breaker, and Outland was third, being 22 points off. Veazey and Johnson were both 25 points away on their guesses, tying for fourth.

Outland's 15 shot him into the undisputed lead in the

grand prize race, with a score of 82 after seven weeks. Eugene Ellis is alone in second with a score of 81. Mary Priest and Mary Pryor are tied for third with scores of 80.

Contestants are still bunched

close behind the leaders, so it's still anyone's guess who the winner will be, with five weeks remaining after this week's entries are received.

Leading contestants are-- [Continued on Page 7]

'Fall Back' For An Extra Hour Of Sleep

Sunday morning you can "fall back" into bed for another hour of sleep as effective at 2 a.m. Sunday will be the official time change for fall and winter months. Central Standard Time will be in effect for six months.

Clocks are generally turned back at bedtime and everyone enjoys an extra hour of sleep until the last Sunday in April when clocks are again turned forward for spring and summer months.

Turning the clocks back will give an extra hour of daylight in morning hours with the process being reversed in the summer.

Since the adoption of Central Daylight Time, no objection has been voiced to the fall time change, but outdoor theatre owners and others have objected to the later summer hours.

Sincerely Yours

By Rev. Albert Lindley

HAVE YOU EVER TAKEN the time to trace a practice that you and I participate in daily which we refer to as the hand-shake?

You know, really, that's one of those things that was dreamed up by a right handed man. I really believe it to be for right handed people....

I heard that the practice really got started when back in the pre-dark ages (before most of us) the custom caught on as an indication that there was no hidden weapon. It would be difficult to hold a weapon and shake hands at the same time...it was not only a gesture of good will to show you were unarmed but you also forced the other guy to reveal his intentions in a hurry. (Probably more than one got beheaded while he stood there with his hands outstretched, ha.)

Now you see, this didn't work for left handed people. They could shake your hand and still use their left hand to hold some skull crushing weapon.

That's when it was felt that left handed people were not to be trusted. Isn't that ridiculous? Yet, that's how it was, growing up to be humanity.

We have been through alot in the last few days and it seems that we still have alot more to go through, what with all of the shake-up in Wash. D.C.

THESE ARE TIMES when we think we've done it all—we are told history repeats itself and that we've been through things like this before but I sure don't remember them.

Now, what do these two things have to do with each other? Well, I'm not sure unless it would be to say I suppose you can't really trust a man just because you are holding his hands....

Seems like there was a guy named Judas who got up from the dinner table and rushed off to perform some little task....

We really have to decide how we are going to approach our relationship with everyone else....Are we going to trust a man until he proves untrustworthy, or do we not trust anyone until that person proves to be trustworthy?....

Think that one over. Everyone of us approach every new situation or relationship with one attitude or the other...whether we are left handed or not....

Trust is still the name of the game, I think. To be sure, you may get burned—or even beheaded a time or two, but what a tragedy to never be able to trust anybody...all those wonderful missed opportunities for good relationships with our fellow-beings....

Treasurer's Report

Report of Benna Felts County Treasurer of Parmar County, Texas, of Receipts and Expenditures from July 1st to Sept. 30th, 1973, inclusive:

Table with financial data: JURY FUND, ROAD AND BRIDGE FUND, GENERAL COUNTY FUND, PERMANENT IMPROVEMENT FUND, RIGHT OF WAY FUND, LATERAL FUND, SOCIAL SECURITY FUND, FARM TO MARKET FUND, FED/REVENUE SHARING FUND, RECAPITULATION.

THE STATE OF TEXAS COUNTY OF PARMER Before me, the undersigned authority, on this day personally appeared Benna Felts, County Treasurer of Parmar County, who being by me duly sworn, upon oath, says that the within and foregoing report is true and correct.

Benna Felts, County Treasurer Sworn to and subscribed before me, this 8 day of Oct., 1973. Doris Darby, Notary County Court, Parmar County, Texas.

Letters to the Editor

The Friona Star, Box 1057, Friona, Texas.

To The Editor:

Someone mentioned to me yesterday that I should write a letter to the paper—and since I had been considering it—I decided today would be my day. I feel that several items need to be discussed and those who know me, know that I say what I think (I'm not always right but—)

Item: This Newspaper Granted, Clea, you are entitled to your opinion just as each of us is—but, for one do not like getting the Star on Sunday, or Monday, or Tuesday, or is it Saturday?

Those of us who have city mail delivery, and those who have rural mail delivery sure would like to get the Star before the following issue is due to be printed. It is my understanding that one of the reasons why the publication day was changed was so that employees of the paper could have off on the Monday Holidays. For those lucky enough to have all those Monday Holidays—I say more power to them.

But, as you well know the Post Office is also closed on those Monday Holidays, which means that those of us who get city and rural delivery of our mail do not get our paper until Tuesday. And I feel that if some one wants to write a letter and remain anonymous (in print) then I think it is their constitutional right to remain so. As for the other changes in the Star, I don't particularly like them either. I wasn't especially crazy about the way things were BEFORE but I have to admit I liked it better than the AFTER. I wish that you would stay as I really feel that some compromises could be worked out to the betterment of all concerned, but I do wish you the best of luck, even though, I, for one disagree with most of your policies.

Item: The Fire Department Why can't part of the Revenue Sharing Funds be used as compensation to the Fire Department for calls out side the city limits? I doubt that the County Commissioners are really all that concerned about what goes on in Friona and the surrounding area. Does not the County also receive a portion of the Revenue Sharing Funds? Can these Funds be used for this purpose? There just has to be a solution to this problem as those in the rural areas need fire protection as much or more than we city dwellers do. If we did away with our feed yards, our ranches, our farmers, and various and sundry other rural businesses we would have no need of a Fire Department at all because there wouldn't be enough people left in our town to require one.

Item: Grocery Stores While I was at it I decided that this item needed to be "stirred" once again—I can not understand why grocery prices in Friona are so very much out of line with grocery prices in the area cities. I have been told that one reason is because the local stores give "stamps"—so would the local grocers reduce their prices if "stamps" were discontinued? I wonder. Also, I have been told that another reason for the higher prices here is due to the "uncollectable" accounts that the local stores have. In case some one didn't know it "bad debts" are a Deductible Business Expense and I wonder on this point? I've also heard the story that it takes more wear plus gasoline on your vehicle to stop for groceries elsewhere but this is an "empty" reason—so we buy more gasoline from our local stations (their prices are comparable to stations in other cities—right?) which, as long as gasoline is not rationed, benefits their business. In this argument it is just a matter of who you are paying for the privilege of shopping some where else, isn't it? AND, you can buy a lot of gasoline for the 10 to 15¢ saving on groceries that can be had by buying some where besides Friona. And, as for the EXPENSIVE survey that the Chamber of Commerce had taken—BIG DEAL—I would have given them one for nothing—until the businesses of Friona become more competitive with the area cities they might as well forget about keeping the business "AT HOME." The one business in Friona that I have found IS competitive with any area business is the Variety Store. You can actually buy more items for LESS at our local Ben Franklin store than in any

comparable store in any area city that I have shopped in. BUT, they lose alot of their business because when people go out of town to buy groceries they also buy variety store items at the same time. I am sure that there are other businesses in Friona that are comparable too and I am not trying to say that there isn't—My main gripe is in relation to grocery prices in Friona when I know for a FACT are not comparable and when people can not afford to buy groceries here—then all of the businesses in Friona are hurt. Until this ONE problem is solved—as I see it—the people will continue to take their business out of Friona.

Item: The Highway 214 Project Ho-Hum, still waiting for that, aren't we? It is my understanding that if we would contact our County Judge (Arenie Tarter) preferably in writing about this that he could do more to get this "mess" taken care of than any one else. I wonder how much thought the Courthouse in Farwell gives to ANY project in Friona? Of course they are SUPPOSED to represent the entire County but some of us, who have had dealings with the Courthouse in Farwell really wonder whether Judge Tarter is in command or if some other person "runs" the Courthouse. BUT, if this is what it would take to get this project going then I would suggest that each of us get a letter written to Judge Tarter right away. As most of all of you know, this "project" needs to be done soon as the road I speak of is very dangerous and has been "put off" long enough.

Sincerely, Thelma Watkins

Friona Star, Inc. Friona, Texas. Atten: Letters To The Editor

Hello Bill: Most of the local folks are in sympathy with our Fire Dept. in that we realize the increasing cost of maintaining and operating the equipment is terrific. Also, the feeling is unanimous in that we have the finest Volunteer Firemen and facilities available anywhere. However, I have one question regarding the proposed City Ordinance #481.—When someone that lives a couple of miles beyond our City Limits telephones for help and says their home is on fire, then whom is to shoulder the responsibility of saying "No"? That is, if the Ordinance is approved, then some man or woman on the receiving end of the telephone will be saying: "I am sorry, but your home will have to continue burning because our City Ordinance #481 prohibits our fire equipment from going beyond our City Limits." (???)

In knowing the City Councilmen and Firemen as I do, I cannot believe that anyone in dire need of their assistance will be turned down—no matter what the cost and especially if the equipment is sitting idle at the time of need. Of course, I could be wrong, but if not, then why go to all the trouble of putting another Ordinance on the Books if it appears to be obsolete or non-applicable from the beginning?

I feel that Ordinance #481 is not the solution to the problem, but will only accentuate and complicate matters for the Fire Department and City. Thank you.

Sincerely, Dale Smith

Friona School Lunch Menu Week of Oct. 29-Nov. 2 MONDAY—enchilada casserole, buttered corn, hot rolls-butter, lettuce and tomato salad, chocolate pudding and milk. TUESDAY—steak, mashed potatoes, hot rolls-butter, English peas, brownies and milk. WEDNESDAY—rito pie, pinto beans, cornbread-butter, buttered greens, banana nut cake and chocolate milk. THURSDAY—macaroni and cheese, green beans, hot rolls-butter, pickled beets, apricot obbler and milk. FRIDAY—potato chips, hamburgers, lettuce, tomatoes, pickles, pork and beans, fruit salad and milk.

Dear Editor: May I take this public means to voice my feelings about the vandalism that is occurring in our city cemetery.

Last Tuesday I drove out to the cemetery to the gravesites' of my two sons. I was horrified to find that the flowers had been stolen from the monument and dirt put in the marble vase. Had the dirt been left in the vase, gotten wet and a hard freeze happened, the vase most likely would have been damaged to the point of having to be replaced.

I know almost everyone that has lived in Friona very long has some loved one buried in our cemetery, and therefore, has a personal interest in seeing that the expensive memorial monuments be cared for. Perhaps, we as concerned citizens could make a united effort to see that something be done.

I am aware that the cemetery is out of the city limits and cannot be policed by our city law enforcement, but the city owns the cemetery and some one must take responsibility for it.

Sincerely, Janice Thompson

Blood Pressure Clinic Stated

The Friona Jaycee-ettes will sponsor a free blood pressure clinic at the Jaycees building at the corner of Seventh and Main on Saturday, November 3.

Two nurses from Parmar County Community Hospital will administer the clinic from 2-4 p.m. on that day. Mrs. Don Dennis, president of the Friona Jaycee-ettes, said the clinic will be available to everyone, and especially urges all persons over 25 to take advantage of the free clinic.

DURING HALLOWEEN

Prescribe Caution For Ghosts, Goblins

Apples, cookies, candy, cider, and donuts seem to be right along with the witches, ghosts, ghouls, and goblins of Halloween. The goodies are treats-payments in lieu of tricks. Or are they?

Wednesday evening the annual pilgrimage begins for the long anticipated treasures. Will it be "trick or treat?" or, trick or treatment? For many children it is an evening of great fun and adventure, but for some it can turn into a night of tragedy and sorrow.

Each year, far too many children are injured and killed Halloween Eve by motorists unable to see them darting unexpectedly into the street. Others are badly burned as their costumes are ignited by flames from lighted candles and lanterns. These tragic situations could be avoided if parents would observe rules of good sense and safety.

Use only bright costumes. A white-sheeted ghost is more easily seen by a passing motorist than a black-clad witch. But even brightly clothed children may be hard to distinguish as the evening darkens so fluorescent strips which would make them even more visible, is suggested.

Insurance companies advise that you do not allow children to carry lighted candles, or lanterns, or any type of open flame. Many children have been burned in past years when their costumes, often made of extremely flammable material, caught fire. A flash-light would be easier to carry, and would also make crossing the street safer.

Be sure to chaperone all children who would not normally be allowed outside alone at night. Younger children should be out only in the early evenings. The discreet presence of an adult can stop a problem situation from developing.

A major problem each Halloween is children who have been cut, drugged, or poisoned. Apples and cup cakes can have razors hidden in them. Any kind of non-commercially pack aged edible can have drugs or other poisonous ingredients added to them. Be very careful that gum, candy, and other snacks are securely wrapped, and that the wrapping has not been opened and resealed. It is best to trick or treat in your neighborhood.

Keep a light on in front of

your house so that there is no danger of children being injured by walking into objects or holes they cannot see in the dark. If there is a pet in the household, keep it away from the door.

Children enjoy putting on make-up as part of what they use. Cheap make-up can in many instances cause complexion problems for youngsters or hurt their eyes.

Finally, when your child goes out for the evening, make sure you know where he or she is going and what time he or she should return.

Halloween can be a real treat for everyone. One way to insure it is to follow these simple rules of safety. The result will be an enjoyable and safe evening for children and parents alike.

Safety on Halloween is not a magic act.

Planning your work is good, but doing it is much better.

Your church is still open every Sunday, if you hadn't noticed.

Sweepstakes Award--\$50.00 Plus Trophy FRIONA STATE BANK

Early Christmas Mailing Urged

This year, as in the past, the Secretary of Defense and the Postmaster General jointly urge the public to mail Christmas packages early to members of the United States Armed Forces overseas.

In information released by the office of the Secretary of Defense this week, pointers were given for mailing Christmas packages in order that gifts will be received by Christmas.

Packages mailed by regular mail or Air Mail must not weigh more than 70 pounds or be more than 100 inches in length and girth combined.

When mailing by SAM (space available mail), packages that weigh less than 15 pounds and are less than 60 inches in length and girth combined can be sent at ordinary postage rates and receive air transportation from

the east or west coast on a space available basis.

For one dollar more than surface rates, packages may be parcel airlifted (PAL) from one's local Post Office to overseas areas. Packages must weigh more than 30 pounds or be less than 60 inches in length and girth combined.

General information included in the article states that all packages should be wrapped and tied well; print both mailing and return address clearly and include the serviceman's identification number in the address; perishable food items and flammables (matches, lighter fluid, etc.) may not be mailed; make sure the APO or FPO numbers include all five digits; and it is recommended that the mailing address and return address be included inside the package.

Services Held Saturday For Herring Baby

Graveside rites for the infant daughter of Mr. and Mrs. Tim Herring of Friona were held Saturday afternoon in Parmer County Memorial Park. Parsons-Ellis Funeral Home of Friona was in charge of arrangements.

The infant was stillborn Friday night in a Lubbock hospital.

Survivors include the parents, and grandparents, Mr. and Mrs. D.C. Herring of Friona and Mr. and Mrs. Norvell Strawn of Bovina; and a great-grandmother, Mrs. J.W. Roberts of Friona.

Farmer Outlines Stubble Harvest

A.L. Reznik has brought to the attention of the Friona Star, a new method of utilizing field stubble without burning.

He has watched the operation in Colorado and said it could be incorporated in this area through the use of common farm implements.

Reznik states that this roll method could remove the milo and corn stubble from the field so the farmers can start fertilizing and prepare sooner instead of grazing stubble with wheat through the winter months.

The new method of rolling stubble into bales that are said to be compact, added Reznik, and will tend to shed all moisture and can be moved with a conventional front end tractor and loader. He said one bale will go in a pickup for emergency feeding or three on a cotton trailer or in a truck.

He estimates an approximate saving of around \$50 per acre and cited instances where he states a lot of food value stubble is burned.

Reznik had visited with Gilbert Scheuler near Waverly, Colo. and watched the operation of rolling stubble into round bales. He said the bales are tied with twine and weigh around 3,000 pounds each.

On the day Scheuler was loading rolled bales onto trailers, Reznik said he was hauling the bales to local feed yards on a pickup goose-neck trailer.

Reznik said he thought local farmers could utilize the Colorado operation for additional feed, money and savings.

At Home In Parmer County

Jana Pronger

THE JARS of vegetables, fruits, preserves and the like would have filled a long grocery store shelf. Home canned they were, and the product of Amarillo homemakers.

The occasion was a good fair, sponsored by the Expanded Nutrition Program of Amarillo. Some 150 women exhibited products which they had learned to process from ENP nutrition aides throughout the year, according to Carolyn Osborn, director.

The event attracted service agency representatives and others who came to review the results of work by limited income homemakers.

A total of 1,387 homemakers have been enrolled in the Expanded Nutrition Program in the past three years, said Mrs. Osborn. Currently, 258 of these receive ENP weekly training sessions conducted by aides. Eighty group meetings are held each month, in addition to regular home visits by the aides.

The Expanded Nutrition Program in Texas is sponsored by the Texas Agricultural Extension Service. The program is nationwide with 54 metropolitan counties in Texas receiving the free service. The ENP director said that

through the program, limited income homemakers and youth learn the principles of nutrition, food preparation, meal planning, food buying (including food stamp planning), food storage, sanitation and money management.

"When hired," she said, "the aides receive three weeks of intensive training followed by weekly two-hour training sessions to keep up to date on nutrition and food preparation.

"The objectives of ENP," she noted, "are to help the homemaker plan and serve nutritious meals for the family on a limited budget."

The ENP Office is located at 1416 West 8th, Room 102. Other staff members are Dorothy Fletcher, ENP Adult Assistant, Sue Dugger, ENP Youth Assistant, Judy Cates, Charlene Edwards, Batsine McAfee, Erika Williamson and Marsha McGehee.

The Amarillo office opened in March, 1970. The Food Fair is an annual event.

Hereford To Host December Seminar

Plans have been announced for a Four-County Water Seminar in Hereford Dec. 4. Theme of the seminar is "Is the High Plains Worth Saving?" and speakers will include authorities in agricultural economics, legislation, Playa lake modification and re-charge and conservation practices.

The seminar gets underway with a luncheon in the Bull Barn and Hereford and area civic clubs have been invited to attend along with businessmen and agriculturalists from Deaf Smith, Parmer, Castro and Oldham counties.

The Deaf Smith County Water Association is being joined by Water, Inc. County Units in each of the four counties in sponsorship of the seminar. Charles Hoover, Hereford, president of the Deaf Smith County Water Association, is planning chairman.

Although a study of the Mississippi River Import Plan, a proposal to bring water to the High Plains, was found to be economically unjustified when calculated under traditional standards for evaluating water resource development projects, Water, Inc., directors have called for a restudy based on

new evaluation standards which become effective Oct. 25. The seminar will deal with import proposals and "conservation measures needed to stretch out available water supplies until such a time as an import projects is implemented," Hoover said.

Rep. Clayton Named To New Committee

Representative Bill Clayton of Springlake, Texas, has been named to the executive committee of the National Legislative Conference.

The National Legislative Conference is the organization representing 7,600 State Leg-

islators and their staffs across the country. The executive committee serves as the policy-making body for the NLC between annual meetings of the organization held each August.

The first meeting of the NLC executive committee was October 19 in Denver, Colorado. The executive committee members heard reports on recent developments in NLC services in federal-state relations and state services and reports of NLC standing committees including the Federal-State Relations Committee, Committees on Legislative Ethics and Campaign Financing, Legislative Improvement and Modernization, Legislative Security, Training, Science and Technology and Reapportionment.

The agenda also included discussions of a seminar for legislative leaders planned for December in Washington, review of NLC grant proposals, progress of interorganizational merger of the three national legislative organizations, review of the 1973 annual meeting in Chicago and plans for a 1974 annual meeting in Albuquerque, New Mexico.

Ohio House Minority Leader Charles Kurfess is president and Tennessee Comptroller William Snodgrass, chairman of the National Legislative Conference.

News Editor Takes Post At Farwell

Cleta Williams, news editor of the Friona Star since last April, has resigned her position at the newspaper effective this week.

Mrs. Williams has accepted a similar position with the State Line Tribune in Farwell, beginning on Monday.

No replacement for Mrs. Williams has been announced by publisher Bill Ellis.

FARM COSTS ON INCREASE
Farmers' incomes have gone up less than 8% in the past 20 years, while the prices they pay have gone up by over 50%.

Survey Results

(Continued from Page 1)
selection of merchandise in a particular range instead of attempting to stock a little of everything.

They also stated that advertising really pays off and said that without advertising, a particular retail business becomes "the best kept secret in town."

"People are your business," said Dr. Semmelbeck, "and the more you let them know what you have and have a particular special to show them, they will respond."

Friona Chamber of Commerce and Agriculture President Dale Cary spoke briefly following the seminar as conducted by the two researchers and invited questions from the approximately 35 persons at the meeting.

Cary commented, "Retail trade should grow as fast as the potential," as he cited the estimated one and three fourths million dollars that is spent by consumers out of town each year.

He also said now would be a good time to really push the "Friona First" slogan which was adopted by the Chamber of Commerce and Agriculture.

Cary also told the group that complete copies of the survey results would be available for study in several places in Friona including the CoC office and City Hall. Interested individuals were invited to study the survey and see how they could help improve the image of shopping in Friona.

Hearings Scheduled For Feed Lots

A public hearing will be held in Conference Room C of the Municipal Building in Amarillo on November 1 to consider applications for initial waste control orders from four panhandle area cattle feedlot operators. The hearing will start at 10 a.m.

The Polan Grain and Cattle Corporation of Hereford is asking for a permit pertaining to a variable amount of rainfall runoff water containing wastes from a 13,500-head capacity feeding operation located approximately six and one-half miles southwest of Hereford. The 40 acres of pens are located in the drainage area of a playa lake in the Red River Basin,

and the liquid waste is to be disposed of by irrigation on 420 acres of cropland. Solid waste will be spread on 120 acres of company land as well as area farms. There is to be no discharge to the surface waters of the state.

Ted McWhorter, also of Hereford, and operator of an 800-head capacity cattle feedlot approximately two and one-half miles southwest of the city limits of Hereford, proposes to retain feedlot wastewater runoff from three and a half acres of pens in an earthen retention pond and dispose of the waste by irrigation of 320 acres of cropland and pastureland, with no discharge to the

surface waters of the state. Solid waste will be disposed of by applying it to the same acreage as a fertilizer and soil amendment.

H & H Cattle Company of Gruver, operating a 1,200-head capacity feedlot a half mile south of the township of Gruver, is applying for a permit to contain rainfall runoff water from the feedlot pens in retention basins and utilize it for irrigation. There is to be no discharge to the surface waters of the state.

A permit is being sought by Lipscomb County Feeders of Booker for a 2,000-head capacity feedlot located two miles east of Booker.

Judge Euler In School

Friona Justice of the Peace Frances Euler attended a three day advanced seminar for Justices of the Peace in Amarillo last week.

With the new legislative requirements, Judge Euler joined other Justices of the Peace in the seminar at the Holiday Inn to study the New Penal Code for Texas.

Beginning Wednesday morning, the school concluded Friday.

Cropland Aid Is Available

The Parmer County Soil and Water Conservation District wants Parmer County farmers to know there is technical help available for conservation problems.

The new farm program will have farmers making new and different plans for their cropping systems.

Some farmers plan to "break out" additional land. Technical help is available to farmers on irrigation problems, erosion problems, and other conservation and environmental problems.

The Soil Conservation Service in Friona has a competent staff of technicians and would like to encourage Parmer County farmers to request assistance for problems they may encounter farming the increased acreages called for under the new farm program.

BOBCATS ARE IMPRESSIVE

Tough Dimmitt Looms As Obstacle Friday

It will be out of the frying pan and into the fire for the Friona Chieftains next Friday, when they travel to Dimmitt to meet the rugged Bobcats in their third District 3-AA game. Dimmitt's 5-2 season record includes losses only to tough Littlefield in their district opener, 18-15, and to Dalhart, the District 1-AA favorite, 12-0. Otherwise, the Bobcats downed a good Muleshoe team, 16-0, and potent Lockney, 28-7. Dimmitt also bombed Farwell, 38-0, and Springlake, 45-0. Six of Dimmitt's seven opponents have also been met by the Chieftains.

Dimmitt stands 0-1 in district play. The Bobcats had an open date on Friday, after opening with the 18-15 cliff-hanger at Littlefield the preceding week, which was Littlefield's homecoming game.

The Bobcats are boasting one of their strongest teams in

recent years. They have been sparked by speedy Robert Mayberry, a 5-10 165-pound junior, who has run the 100 in 9.8. Mayberry was injured early last year, and did not play when Friona downed Dimmitt, 27-6.

Mayberry was recovering from a sprained ankle when the 'Cats met Littlefield, and may not have been at peak condition. However, he has had two weeks to recuperate, and no doubt will be healthy when Friona visits.

Schedule Changes Due For 1974 Chieftains

Re-alignment by the Interscholastic League, and the bi-annual district alignment was held the past week.

No changes were proposed for Friona's District 3-AA, with

Quarterbacking the Bobcats is junior Brad Sanders, a 150-pound junior. The 'Cats have both tackles back from 1972, 215-pound Kyle Bruslon and 175-pound Dean Smithson. Travis Hampton, a 155-pound end, also returns, as does center Lance Lowdy and guards Roger Underwood and Shannon Truelock.

Dimmitt was blessed with nine offensive and nine defensive starters from 1972.

Against Littlefield, the Bobcats had the ball at their

opponents' nine-yard line when time ran out. Dimmitt was playing for a last-second field goal which would have tied the game, but did not have a time out that they thought they had left, and the clock ran out before the field goal could be attempted.

Had the score been tied, the teams were tied in penetrations, and Dimmitt had a big lead in first downs, 22-15, which would have been the next yardstick in determining the winner.

Dimmitt leads this longtime series, 26-10-1, with six of Friona's wins coming during the past ten games.

"It will be a tough game. Mayberry will definitely be the fastest back we've seen this year. We'll have to stop their option play and outside stuff," says Coach Bob Owen in relation to the game.

the same five teams to compose the district for the next two years—Friona, Dimmitt, Littlefield, Olton and Morton.

However, a drawing for the open date gave Friona the first open date in the district schedule, October 18. For the past two years, Friona's open date was the third week of district play, or prior to the final game of the season.

Because of re-scheduling made necessary by changing of other districts in the area, Friona's non-conference schedule for 1974 and 1975 will take on a new look, according to Coach Bob Owen.

It appears that Lockney, Springlake and Bovina, three teams who have been regulars on the Chieftain schedule, will not be on the 1974 schedule. Added as new opponents have been class AA Tulia, and class A Hart.

Other non-conference games had been scheduled against Farwell, Muleshoe and Dalhart.

The Chieftain coaches were still looking for a sixth non-conference game, for September 13, replacing Bovina. Mustang officials scheduled Happy in the slot they had been playing Friona, and the two schools could not get together on another date.

Coach Owen hopes to be able to release the 1974 schedule within the next week.

LEGAL NOTICE

THE STATE OF TEXAS
To: LARRY W. ROBERSON,
Respondent

Greeting:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 19th day of November 1973, at or before ten o'clock A.M. before the Honorable District Court of Parmer County, Texas, at the Court House of said County in Farwell, Texas.

Said Plaintiff's Petition was filed in said court, on the 3rd day of October A.D. 1973, in this cause, numbered 3531 on the docket of said court, and styled, LUPE M. ROBERSON, Petitioner, vs. LARRY W. ROBERSON, Respondent.

The names of the parties to the cause are as follows:

Lupe M. Roberson is Petitioner and Larry W. Roberson, is Respondent.

A brief statement of the nature of this suit is as follows, to wit:

Petition by Petitioner for a divorce from Respondent dissolving the bonds of matrimony heretofore existing between Petitioner and Respondent.

as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 3rd day of October A.D. 1973.

Attest:
Dorothy Quickel, Clerk,
District Court, Parmer County,
Texas.

OFF TO RACES...Ted King is shown in the midst of his 80-yard kickoff return which set up Friona's first touchdown Friday night. King was caught at the Wildcat 12, but

scored moments later to tie the game at 7-7. Littlefield won the important District 3-AA contest, 35-19 to take the lead in district play.

[Staff Photo]

Freshman Chieftains Scuttle Ranchers 34-0

Riding a 20-point third quarter outburst, the Friona Freshman Chieftains roared to a 34-0 win over the Boys Ranch Freshmen at Boys Ranch Thursday.

Friona grabbed an early lead when Kelvin King ran 28 yards for a TD in the first quarter. PAT failed, and Friona led at halftime, 6-0.

The fireworks started in the third quarter. Leslie Broadhurst intercepted a pass and ran it back 18 yards for a TD (Friona 12-0) King scored again,

on a 45-yard run. Keith Martin passed to Rusty Patterson for two points (Friona, 20-0).

Finally, Martin scored on a quarterback sneak for the third score of the quarter and a 26-0 Friona lead.

Just to add frosting to the cake, Clint Mears scored on a 3-yard quarterback sneak. Sammy Felder ran for two points and the final margin of 34-0.

The win was the third for the young Chieftains this fall.

B-Chiefs Victims Of Canyon's Eagles 25-0

Friona's B-team lost only its second game of the year Thursday night, when the Canyon Junior Varsity scored a 25-0 win in a game played at Chieftain Field.

The visitors took a 6-0 halftime lead, scored again in the third quarter, and twice in the fourth.

The B-Chiefs had only four first downs in the game, as they simply could not get their offense rolling. All of their first downs came in the first half, without a single one during the final half of play.

Three of these came on the team's only serious drive in the first quarter, when two runs by Robin Baize, and a pass to Rolando Caballero moved the ball to midfield. However, the team fumbled at this point, and never could get a sustained drive going.

The loss left the team with a 4-2-1 season record, with an open date next Thursday.

Hargrove scored to give the Steers a 7-0 lead, but it didn't last.

With just 16 seconds left in the first half, Bovina struck back, when quarterback Willard threw a five-yard strike to end Roy Hartzog, capping a 67-yard drive.

A two-point conversion was successful, giving Bovina an 8-7 lead. It also served to fire up the Mustangs, who dominated second-half play.

Lazbuddie Falls To Happy, 62-6

Lazbuddie's Longhorns, who had scored their first season victory last week against Nazareth, found Happy's Cowboys a mite tougher Friday, and the visitors exploded for a 62-6 victory.

Eighth Grade Loses Heartbreaker, 6-0

Friona's eighth grade Braves lost a heartbreaker at Dimmitt Tuesday, 6-0 when the hosts stopped a Friona scoring bid and drove 93 yards in the final quarter for the game's only score.

It was a tough defensive game, with both teams stopping the other several times in the game.

Braves' lineman Koty Kothmann turned in some good defensive plays. He recovered

two Dimmitt fumbles for Friona. One of the fumbles stopped a Dimmitt scoring threat at the Friona six.

Friona led in first downs, 9-5, with three of Dimmitt's first downs coming on the late-game winning drive.

The Braves biggest threat came late in the third quarter on an 11-yard run by Raul Braillif, a face mask penalty against Dimmitt, an 11-yard run by Terry Wilcox, and five-yard gains by Edward Castillo and Braillif to the Dimmitt nine.

However, Dimmitt's defense stiffened, and on a fake field goal attempt on fourth down from the 12, Braillif was brought down at the Dimmitt seven to end the threat.

Dimmitt then set out on its winning drive, which also used up most of the fourth and final quarter, scoring with just 2:44 left in the game.

Bovina Rocks Rival Steers For 1st Win

The Bovina Mustangs made their first 1973 win a big one Friday by clubbing rival Farwell, 33-7 in a game at Bovina.

Five different players scored for the Mustangs, who spotted Farwell a 7-0 lead before rolling up almost 400 yards total offense.

Scoring were Roy Hartzog, Ray Martinez, Billy Shelby, Bryan Fillpot and Dennis Willard. Fillpot's 76-yard run was the longest scoring play.

The win left Bovina at 1-6 for the season and 1-2 in district play. Farwell dropped to 1-7 and 1-3.

Farwell's only score came as a result of a high Bovina punt which went straight up and was caught by a Farwell lineman who lugged it to the one-yard line. One play later, Kevin

7th Graders Lose, 12-0

Friona's Seventh Grade Braves fell to Dimmitt's Seventh graders, 12-0 in a game played at Dimmitt Tuesday.

The two teams played to a scoreless tie through three quarters, but in the fourth quarter the hosts scored a pair of touchdowns for the win.

Altar Society Plans Annual Turkey Meal

Members of St. Ann's Altar Society made final plans for the society's annual Turkey Dinner in November at a meeting Monday afternoon at Parish Hall of St. Ann's Catholic Church.

The dinner will be held Sunday, Nov. 4, at the Parish Hall. A country store with homemade goods will be featured and door prizes will be given. A women's show will be raffled off with tickets priced at 50 cents each.

The group voted to send two delegates to the Diocesan Council of Catholic Women Convention in Amarillo Oct.

30-31. November assignments include Mrs. Martha Koelzer, laundry; Mrs. June Klimek, Mrs. Eunice Schilling and Mrs. Mary Mesman, church cleaning; Mrs. Klimek, Mrs. Liz Jesko and Mrs. Koelzer, offeratory; and Mrs. Matilda Baca and Mrs. Mike Rizeska, hostesses.

Refreshments were served to 10 members of the society by Mrs. Mary Rose Brito and Mrs. Mesman.

Father John Coppinger closed the meeting with a prayer.

Rebekah Lodge Hosts Out Of Town Guests

During the regular meeting of the Friona Rebekah Lodge No. 308 on Monday, October 15, the Hereford and Dimmitt lodges joined with the Friona Lodge in a school of instruction conducted by the District Deputy President Lauretta Brookfield.

Dimmitt Lodge No. 54 Jill Riethmeyer Pledges Sorority

Beverly Jill Riethmeyer, daughter of Mr. and Mrs. W.R. Riethmeyer, is among 43 'Zeroes' pledging Zeta Rho social club during the fall semester at Abilene Christian College. Zeta Rho is ACC's newest club, having been re-established this year.

A 1972 graduate of Friona High School, Jill is currently a sophomore physical education major at Abilene Christian College.

presented the colors and Hereford Lodge No. 228 gave instructions on voting. Friona deputy, Katie Smith, presented the duties of elective officers and Mrs. Brookfield gave a paper on the privileges of being a member of the Rebekah Lodge.

Friona Noble Grand Jessie Sisk presented Mrs. Brookfield a corsage of red rose buds in appreciation of help extended during Mrs. Sisk's term of office and an illness.

Attending the meeting from Dimmitt were Jimmie Pinner, Ocie Bolton, Lois Waggoner and Gail Nelson. From Hereford were Susie Curtsinger, Faye Brownlow, Alta Davis, Edna Mathis, Erma Loving, Beatrice Cox, Ola Hacker, Helen Sowell and Ada Hollabaugh.

The Friona Lodge social committee acted as hostess for a salad supper following the instructional meeting.

CowBelles Elect New Officers

Riata CowBelles held a salad supper and business meeting at Pioneer Cattle Order Buyers Inc. in Friona on October 11 and named new officers.

With 16 members attending the meeting named president by re-election was Mrs. Lee Britting; Mrs. Cap Naegle, Bovina, first vice president; Mrs. Tex Phipps, second vice president; Pat Martin, secretary-treasurer; Dusty Jones, historian; Edwina Davenport, beef promotion chairwoman and Mary Priest, beef for Father's Day.

Named to publicity were Judy Phipps for Farwell, Dixie Carson, Bovina and Sheryl Weatherly, Friona.

Mrs. Jewel Avent of Tulla was chosen State CowBelle of the Year.

As major project of the year, the state CowBelles decided to select a sister city in another part of the country for beef promotion work.

It was reported that three members of the Riata CowBelles attended the Fall State Convention in Abilene. They were Dusty Jones, Sue Naegle and Karen Britting. Mrs. Jones was chosen state recording secretary.

STAY AWAKE ITCHING? Let doctor's formula stop it.

Zemo speeds soothing relief to externally caused itching of eczema, minor rashes, skin irritations, non-poisonous insect bites. Desensitizes nerve endings. Kills millions of surface germs, aids healing. "De-itch" skin with Zemo, Liquid or Ointment. Quick relief, or your money back!

Home Arts Club Made Decorations

Members of the Home Arts Club met last Thursday in the home of Lorene Outland with Christmas Decorations as a project. Demonstrated were hand made Christmas decorations as presented by Lavonia

Hand. Mrs. Hand demonstrated making the decorations and had several completed decorations on display.

Following a covered dish luncheon members made felt Christmas tree decorations.

They planned the next meeting for November 15 in the home of Velma Senlenker and the art of making draped Christmas figurines will be demonstrated by Helen Potts.

Special guests at the meeting were Mrs. Mary Dixon, Mrs. Floyd Senlenker and Mrs. W.C. Wilkerson, sister of Mrs. Ida Adams.

Members present were Mrs. Ida Adams, Mrs. Jewell Barry, Mrs. Bessie Boatman, Mrs. Topsy Farr, Lola Goodwine, Mrs. Lavonia Hand, Mrs. Pearl Johnson, Mrs. Camille Laceywell, Mrs. Rozella Landrum, Mrs. Lorene Outland, Mrs. Helen Potts, Mrs. Velma Senlenker, Mrs. Irene Shirley and Mrs. Ona Patterson.

Adult Typing Classes Slated

Amarillo College will be offering adult typing classes this fall at Friona High School, with Diane Morgan as instructor.

Registration for the night classes will be Monday, October 29, at 7:30 p.m. in Room Two at FHS.

Tuition for the 45-hour course will be \$15 and credit will count toward college.

Mrs. Morgan may be contacted at 247-2878 for further details.

Youngs Tour Scenic Sites In New Mexico

The Troy Young family took a two day vacation trip to New Mexico last weekend touring Carlsbad Cavern and the 'beach' at Carlsbad during their stay.

Jan Young said it was the second time the family had toured the Caverns, and this time, the tour was unguided and photography was allowed in all phases of the Cavern.

They also visited a museum at White City, which is near the Cavern entrance and visited Presidential Park at Carlsbad. Included at the park is a beach, swimming area, playground and a steamboat.

The Youngs went swimming in the Peros River and watched people boating and skiing. Jan said it was an unusual feeling to be swimming in late October.

**Mrs. Parr Feted
With Bridal Shower**

Mrs. Kim Parr, the former Co-Ce Lewis, was honored with a bridal shower last week in the home of Mrs. D.L. Carmichael.

Hope Mays registered guests at a small registration table offset by a green and white floral arrangement.

**FRIONANS
HOSPITALIZED
OUT-OF-TOWN**

Doyle Elliott is a patient at High Plains Baptist Hospital, Amarillo.

T.E. Wood is hospitalized at Methodist Hospital, Lubbock.

Mrs. Minnie Dickson is a patient at High Plains Baptist Hospital, Amarillo.

Nanette Fallwell is a medical patient at High Plains Baptist Hospital.

Johnny Claborn is a surgical patient at Osteopathic Hospital, Ft. Worth.

Refreshments were served by Dorothy Johnston, Gail Graham and Susie Jarecki from a table laid with white linen and centered with an arrangement of green carnations and white spider mums. Featured were a crystal punch service and pewter coffee service.

Hostesses included Mrs. Sterling Graham, Mrs. Florian Jarecki, Mrs. Ethel Bengier, Mrs. Travis Stone, Mrs. George Frye, Mrs. Tom Lewellen, Mrs. Aubrey Rhodes, Mrs. Jim Johnston, Mrs. Wana Brewer, Mrs. D.L. Carmichael, Mrs. W.S. Ingram, Mrs. Delton Lewellen, Mrs. Doyce Barnett, Mrs. Joe Lewellen, Mrs. T.A. Kelley, Mrs. Johnny Mars, Mrs. W.M. Hicks and Mrs. Harrell Mays.

Mrs. Kim Parr

**Girl Scouts Name
Council Delegates**

Friona Neighborhood Girl Scout Council hosted an area luncheon meeting last week with 12 local leaders from Friona and others leaders from Bovina and Muleshoe attending the meeting.

Retta Hand, Jinx Snead, and Terry Sue Carthel were named delegates to attend the annual Caprock council on November 12. Board member representative is Geneva Riethmayer.

Taran Terrell, field advisor from Lubbock advised the Brownies will begin using the Girl Scout Law and sign of three fingers instead of the former Brownie Promise of two fingers.

A new company will provide Girl Scout cookies and they will still be sold for \$1 a box. The annual Girl Scout cookie sale will be held in February.

It was also reported that on November 19, Brownies and Girl Scouts will begin the annual Girl Scout calendar sale. Friona's Girl Scout House now has a telephone and the

number is 247-3678. A survey was conducted on future programming, including camping, training leaders, council events and other services and new games and songs were taught.

Janet Woodard also conducted a class on a new craft in this area, handcrafting an "Eye of God."

**Ed Whites Have
Weekend Guests**

Visiting in the Ed White home last weekend were a sister of Mrs. White, Mr. and Mrs. Ernest McIntosh of Topeka, Kan. and the McIntosh's daughter and family, Mr. and Mrs. Oliver Catterson of Chanute, Kan.

Other weekend visitors for the Whites were their daughter, Mrs. Verney Roberts of Amarillo, and sons, Raymond White and Pete White of Stratford and Richard White of Dumas.

**High School Releases
Honor Roll Names**

Friona High School has released the first honor roll for the 1973-74 school term. Included are the following:

ALL A'S: Linda Anthony, Beverly Bailey, Mary Beth Bennett, Gregg Collier, Cathy Cunningham, Lisa Edelman, Snera Finley Hume, Carolyn Gore, Diane Hamilton, David Hardgrove, Trip Horton, Teresa Ingram, Jeanine Jarboe, Cinda Johnson, Dorothy Johnston and Joe Jones.

ALL A'S WITH TWO B'S: Jerri Bengie, Danny Campbell, Debra Carlton, Donette Carlton, Rolando Castaneda, Phillip Duggins, Bill Fallwell, Nell Fuls, Tamela Hassenpflug, Jon Jones, Teddy King, Jimmy Maynard, Mike McManaman, Ross Miller, Jim Murpree, Gary Self, Mark Snackelford, Gene Strickland, Pattijon Talley, Snerri Thorn, Pam Wilcox, Mitchell Wiseman, Jim Young, Debra Anderson and Richard Anderson.

A'S WITH THREE B'S: Diane Bennett, David Barnett, Renee Charles, Patti Crump, Melodi Dixon, Charles Fleming, Donald Gustin, Debra Hudson,

Bob Lewellen, Sheryl McPherson, Karen Merrell, Tonna Morgan, Janice Peak, Phillip Schueler, Alonzo Strickland and D'aun Wilson.

A'S WITH FOUR B'S: Carol Carr, D'aun Carthel, Ricky Johnson, Junny Lanier, Cindy Lundy, Loren Martin, Vicki Pryor, Gary Stone and Robin Taylor.

A'S WITH FIVE B'S: Joe Menefee.

**Bovina Hosting
Ex-Students**

Bovina's Ex-Student Association will host the Ex-Student Social of the year following the Bovina Homecoming game with the Kress Kangaroos on Friday, November 2.

Ex-students will meet in the Bovina High School Cafeteria following the game for a pie supper.

Gametime is 7:30 p.m.

**Lay Witness
Mission Set**

Cotton Moore of Dallas will be Mission coordinator at a Lay Witness Mission at the United Methodist Church of Friona on November 9-11.

More information on the Mission will be in the next edition of the Friona Star.

LIBRARY CORNER

Frequent visits to the local library provide good reading material for all members of the Ray Dean Fleming family. "I'm glad my children like to read so whenever they need to choose another book," said Mrs. Jan Fleming.

Kipi Fleming is in the fifth grade and likes science and mystery books. "I like the Bobsey Twins series, Nancy Drew mysteries, and Happy Hollister books because they are mostly about children," Kipi said. "I like science because I would someday like to be a doctor." Her favorite book is "The Mystery of the Ghost Bell." Kipi is reporter for Scouts, interested in the piano and organ and plays the flute in the band.

Karla is in the fourth grade and is also musically inclined, playing the organ and piano and composing some melodies of her own. She lists "Charlotte's Web" and "The Scientist and the Doctor" as her very favorite books. A biography of Louisa M. Alcott was another book she enjoyed.

Reese is the second grader in the family and likes any books about Peanuts and the Dr. Seuss Books. He also likes to read the books in the children's section about presidents of the United States. Football, baseball, and summer swimming take up lots of Reese's time but he does like football and

baseball on television too! At age four, Patches is the youngest member of the Fleming family and he likes going to the library with everyone else and he gets him a book while he's there. Preferably a book with pictures that tell a story. Probably Peanuts is his favorite. Patches likes football on television and can tell you all about his hero, Bob Lilly.

Books about historical events interest Ray Dean, father of the preceding four. He also reads books on ancient history and astronomy, and enjoys football with the rest of the clan along with golf and fishing.

Jan Fleming is busy with her family and school activities but particularly mentions that she chooses biographies to read and especially enjoys reading about women who have been successful and accomplished great things.

Friona Public Library welcomes families of readers.

Girl Scout News

**GIRL SCOUTS
TROOP 457**

Girl Scout Troop 457 met Tuesday afternoon to work on "My Community Badge."

A special guest will discuss 'Early Friona' at the next meeting of the Scout Troop.

**The Truth
Will Make
You Free**

Terry Brown, Minister Sixth Street Church of Christ

Paul compares the church in the New Testament to a human body. Christ represents the head of that body, while the body itself is made up of many members. The many members are all connected to the head, Jesus, just as all the members of a human body are connected to the head. This connectedness represents the unity that is to exist within the church. Paul does not say that all of the members are to be exactly alike. Rather, each member performs his unique task (as within the human body), and each member is needed and necessary. [I Cor. 12:12-27].

Our own human bodies would not serve us very well if the whole body did only one thing. But God designed our bodies so that the hands, feet, eyes, mouth, and ears do different things. The church is this same kind of body with members performing diverse functions. Preaching, teaching, service, exhorting, and contributing are some of the different tasks mentioned by Paul [Rom. 12:3-8].

This analogy of the church as a body describes the nature of the church. The church is a unity. All the individual members of the church must be connected to the head, Christ. By being connected to the head, one automatically becomes a part of the body [Christ's church]. Paul tells how, "For by one Spirit we were all baptized into one body" [I Cor. 12:13]. So, we are baptized into the body of Christ, and we then become concerned about the other parts of that body.

Being a member of Christ's body [His church] is absolutely necessary. This is the only way that we can connect ourselves to the Head [Jesus].

**"Those Boys At Consumers
Really Do Know How To
Treat A Lady's Car."**

... And that's not all sweetie! We also know how to treat pick-ups, tractors, grain trucks, jalopies and mini-bikes. We can furnish you with tires, batteries, shocks, gas, oil and accessories... all at the lowest prices in town. What more could a girl ask?

**FRIONA
CONSUMERS**

A FREE PRESS...THE PEOPLE'S CHOICE!

Sure, it's idealistic. It's also practical. For how can a people govern themselves if they don't know what's going on? Freedom of speech is a mockery unless you know what you're talking about. Your own personal freedom depends on freedom of information. That's why a free and fearless press is one of our Constitutional rights.

Newspapers: Foundation for a Free Choice

The FRIONA ★ STAR

Community Needs In Friona Outlined By Study Club

Public affairs with emphasis on local needs was the topic for the regular meeting of Modern Study Club last week. "Love Is ...Community Improvement," was introduced with a devotion by Nellie Pearl Shelton who used the Twenty-third Psalm.

Winfred Hurst's topic was "Community Needs In Friona." Club members and local citizens had been interviewed concerning our most outstanding needs.

The survey pinpointed the **Sides Named**

'Top' Student

David L. Sides of Farwell, a 1972 graduate of Friona High School, has earned "Distinguished Student" rating at Texas A&M University, announced Registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must have earned at least a 3.25 grade point ratio (out of a possible 4.0) during the most recent grading period.

"The Distinguished Student" ranking is limited to 10 percent of TAMU's undergraduate enrollment.

Sides, a pre-veterinary medicine major, is the son of Mr. and Mrs. Billy B. Sides of Route 1, Farwell. The Sides moved approximately 3 years ago.

Friona Women's Club Hears 4-H Students

Members of the Friona Women's Club met Tuesday in the women's clubhouse with the theme of the meeting "Our American Heritage and Citizenship."

Giving the American Creed was Mrs. Joe Moyer and roll call was answered with "An Interesting Fact About 4-H."

"Our Trip to 4-H National American Heritage and Citizenship Short Course" was the theme of the talk given by special guests Karene Hart and Holly Hart. They attended the special meeting in Washington, D.C. during the past summer.

Mrs. G.E. Reed was hostess for the meeting, with 10 members present.

The annual Thanksgiving meeting for the Friona Women's Club will be on November 14 at the clubhouse.

following—Indoor theater and nursing home. "Parmer County is the only county in Texas without a home for the aged," reported Mrs. Hurst.

A third need pointed out was improved relationships in the county between Farwell, Bovina and Friona.

School needs suggested an air-conditioned auditorium to accommodate 1,200, and better community support of all phases of school activities.

A radio station, parks and recreation areas (possibly near the new showbarn at Reeve Lake), street repairs, new library building, mowing of vacant lots, razing of all run down buildings and a facelift—paint and cleanup campaign were other suggestions.

Blind corners caused by shrubbery at some intersections, also dogs running loose, and a few other things were included in suggestions made by those interviewed.

Special music for the program was given by Kim and Kyle Barnett. Kyle played the guitar and accompanied Kim as they sang "Joy To The World" and "Sunday Morning."

During the business session, announcements were made that the Community Service Commission would serve the kick-off breakfast for United Fund Workers.

MSC also plans to cooperate with the ESA sponsored Halloween Carnival on October 30. Members were reminded to bring articles for the booth.

The club collect repeated in unison closed the meeting. Hostesses were Fern Awtrrey and Bobbie Wilson and special guests included Mrs. Wesley Barnett, Kyle and Kim.

Love Circle Plans Bookstore Sale

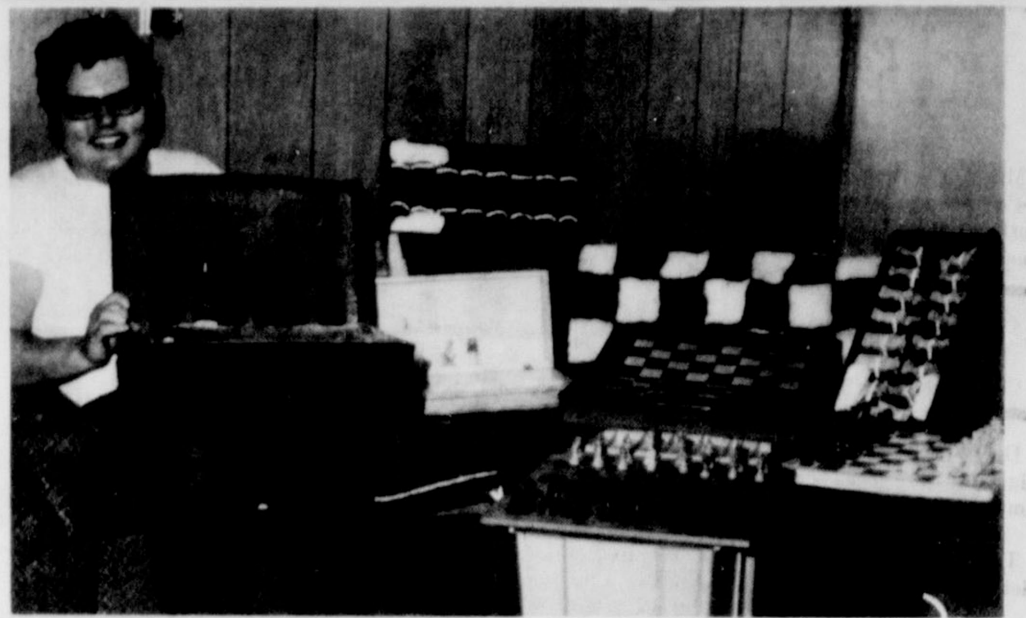

Love Circle of Redeemer Lutheran Church held their monthly meeting last Monday night.

Members discussed and planned a five day Christian Bookstore in connection with the Christian Bookstore, in Hereford.

The Bookstore will feature gift items and literature from various publishers, all denominations including Spanish literature.

Also planned by the Circle is an Advent Banner. The banner with an advent wreath and large Christ candle features the theme "The King of Kings is Drawing Near."

Attending the meeting were Delphine Wied, Karene Jarecki, Lorraine Jarecki, Letha Senueier, Peggy Kirchner, Velma Senueier and Terie Outland.

CHESS, ANYONE?...Ross Thomas, who has lived in Friona for almost two years, collects chess sets. He modestly proclaims that he is only 'learning' chess, although he has a number of beautiful sets and does intense study in the several books on chess strategy located in his library. Ross has sets of

handcarved wood from Italy, a beautiful agate set, including agate board, other carved stone sets, lead chess players and a large, shag rug type with oversize pieces as well as other wood sets. Although he works long hours at Missouri Beef Packers, he is an avid chess player when time permits.

World Community Day Scheduled Friday

Church Women united in Friona have been asked to join all women of the Friona area to celebrate World Community Day on Friday, November 2, at 10 a.m. at St. Teresa's Catholic Church. On this day, according to Evelyn Ball, church women will gather in over 2,000 communities to express concern for nearby neighbors and for global neighbors as they explore the theme "Where In The World Is My Neighbor?"

The program for World Community Day 1973 has been designed to focus on those communities in our nation and the world in which numerous groups, under the stress for change and in the search for identity, have banded together in "enclaves" for mutual protection and security," she added.

Mrs. Ball continued, "In facing the injustices which breed the fears and tensions that lead to polarization, concerned Christian women will seek ways to breach the walls that separate and isolate. Since 1942, World Community Day has been sponsored by Church Women United to emphasize responsible corporate action for justice and

Paula London Is Hurt In Car Wreck

Friona teenager Paula London was injured Friday night in a one-car accident at 901 West Fifth Street in Friona.

Miss London was injured when the car in which she was riding collided with a tree in the yard of Mrs. Viola Treider. She is hospitalized at Parmer County Community Hospital, and was in good condition Saturday morning.

The main feature of the day's celebration will be the worship service patterned on the style of the medieval 'mystery plays.' Based on the Parable of the Good Samaritan, this modern morality play will take the form of a pilgrimage in which the participants will identify with the roles of the Pilgrim, Samaritan, and Traveller. Highlighted through the voices of the travellers will be the special concerns of the aging, single women, migrants, prisoners, draft resisters, blacks and other racial groups in our own nation, minorities in all countries, American military and business personnel on overseas assignments, and political refugees who have fled from their countries.

BEST BIB—Cotton moves to the head of the class in a school-girl fashion that's set off with a ruffled and embroidered bib front. Super soft and comfortable, it's a Shutterbug design.

Love, Your Kids

CHAIR BEDS FOR HOSPITAL....Following a concentrated effort by members of the Progressive Study Club, two chair-beds have been presented Parmer County Community Hospital in Friona for use in patient rooms. Members sold tickets on a money doll, and Dr. Loyd Shackelford, who won the doll, gave the money back to the Study Club to be

used toward purchase of the chairs. Purchase price of the two chairs was more than \$430. Pictured here are Mrs. Bob [Pam] Dorris, seated on the chair-bed, and Mrs. Tom [Martha May] Pruitt, who is a member of the Study Club. Both are employees of the hospital.

Shop In Friona

Installation of newly elected officers in the Bovina-Friona VICA (Vocational-Industrial Clubs of America) chapter will be at 7:30 p.m. Saturday at La Plata Beauty School in Hereford.

Installing the officers will be members of the Amarillo VICA chapter. Sponsor of the

Bovina-Friona group is Mrs. Lois Kayser of Hereford.

Officers include Krystal Agee of Friona, president; Sylvia Castello of Bovina, vice president; Stella Delgado, Bovina, secretary; Laquita Graham, Friona, treasurer; Debbie Mills, Bovina, reporter; Mona Read, Friona, reporter; Susan Garza, Bovina, parliamentarian; and Hilda Garza, Bovina, sergeant-at-arms.

Other members of the Parmer County chapter are Elida Collins, Sylvia Meza and Deania Owens of Bovina and Diane Woodruff and Sandi Fulk of Friona.

Bovina Church Sets Dinner

St. Ann's Catholic Church of Bovina will host their 13th annual turkey dinner in St. Ann's Parish Hall in Bovina on November 4.

Price per plate will be \$2 and serving will be from 11:30 a.m. to 2 p.m.

Featured on the menu will be turkey and dressing, mashed potatoes, giblet gravy, green beans, cranberry sauce, cabbage slaw, hot bread, peach cobbler and coffee or tea.

THE 'OTHER' PICKUP IS COMING WATCH FOR IT IN FRIONA

WELCOME TO FRIONA

Jerry Tyson, who recently moved to Friona from Lubbock, is Friona's Newcomer of the Week. Mrs. Tyson, a native Texan, is presently doing general office work with Parmer County Implement Company. She is the mother of one son, Michael [Mike], 16, who is a sophomore at Friona High School. The Tysons are Baptist and reside at Stevick Trailer Park.

When Love Enters Your Life It Can Change Completely

Read Matthew 13:31-35

"The kingdom of heaven is like a mustard seed, the smallest of all seeds; a man takes it and sows it in his field, and when it grows up it is the biggest of all plants. (Matthew 13:31-32, TEV)

Visiting the giant meteorite crater in Arizona, I was amazed as I viewed first the surrounding landscape of strewn rocks and then the crater itself, 570 feet deep and more than three quarters of a mile across.

One of my first thoughts was how big was the meteorite that created this crater on the nearly solid rock of this Arizona plain. How amazed I was to learn that the estimated size of the meteorite was eighty feet in diameter! I thought, too, of the tremendous speed of the impact, with vivid evidence of it still to be seen at least twelve thousand years later.

Traveling homeward, I thought about God's way of doing things in the life of man. I remembered that as a teen-age boy I had received encouragement from a friend to accept Jesus Christ into my life. The impact of that encouragement became a penetrating force because of the Holy Spirit. I accepted Christ, and He made a difference in my life that will last even into eternity.

PRAYER: Heavenly Father, help me to do some of those deeds and say some of those words that can change lives and last a lifetime. Amen.

THOUGHT FOR THE DAY
The impact of love can change lives.
