

AN ASSOCIATED PRESS story in Wednesday's Lubbock Avalanche-Journal quoted the bureau of reclamation as saying that the plan to divert water from the Mississippi River to the High Plains would "cost more than it would be worth."

If this area should fail to get a future water supply, and these millions of acres have to go back to dryland, so that the nation's farms might someday not be able to produce enough food to feed the ever-growing population, we might hope that the person making the above statement might see the day when he would stand in a soup line, and find they had run out before he got to the front of the line.

Unfortunately, this probably won't be the case, since hopefully this drastic condition will not happen in our lifetime. However, it might happen in the lifetime of one of the bureau member's children. Then, that child might have to admit, "Yes, my daddy once said the proposed water project to the High Plains would cost more than it would be worth."

WHO CAN SAY how much a project may be worth? If it assures our nation of a continuing supply of food and fiber, what kind of a price tag can you put on the project?

By the same token, one might say that any efforts to drill oil in Alaska to pipe to the contiguous 48 states might "cost" more than it would be worth.

But if it's the dead of winter, and the fuel oil supply has been exhausted, how much would a gallon of fuel be worth? To a freezing person, quite a bit.

MAYBE THE Mississippi River project is "unfeasible," as the bureau of reclamation has declared. But perhaps there are other possibilities which bear exploring, one of which might be the answer to the problem.

But to dismiss the matter solely on a dollars-and-cents basis, without even knowing what the water itself might be worth, is a bit premature, we believe.

The bureau of reclamation, indeed, the nation as a whole, needs to be made aware that the declining water supply is not merely a problem for West Texas. It is a problem for the entire nation, to say nothing of other sections of the world, which import a large portion of goods from this area.

Yes, it's even a problem for the members of the bureau of reclamation, if they would but consider the broader aspects of the situation.

EVERYONE WE HAVE seen this week has a bad cold, or flu, or sore throat, sniffles, or something.

We're wondering if this is the first results of people going along with the President's recommendation to turn the thermostats down six degrees. If so, we suspect the American Medical Association of being in cahoots with the President on this recommendation. Certainly our hospital has been a crowded place for the past several days.

Well, it was just a suspicion...

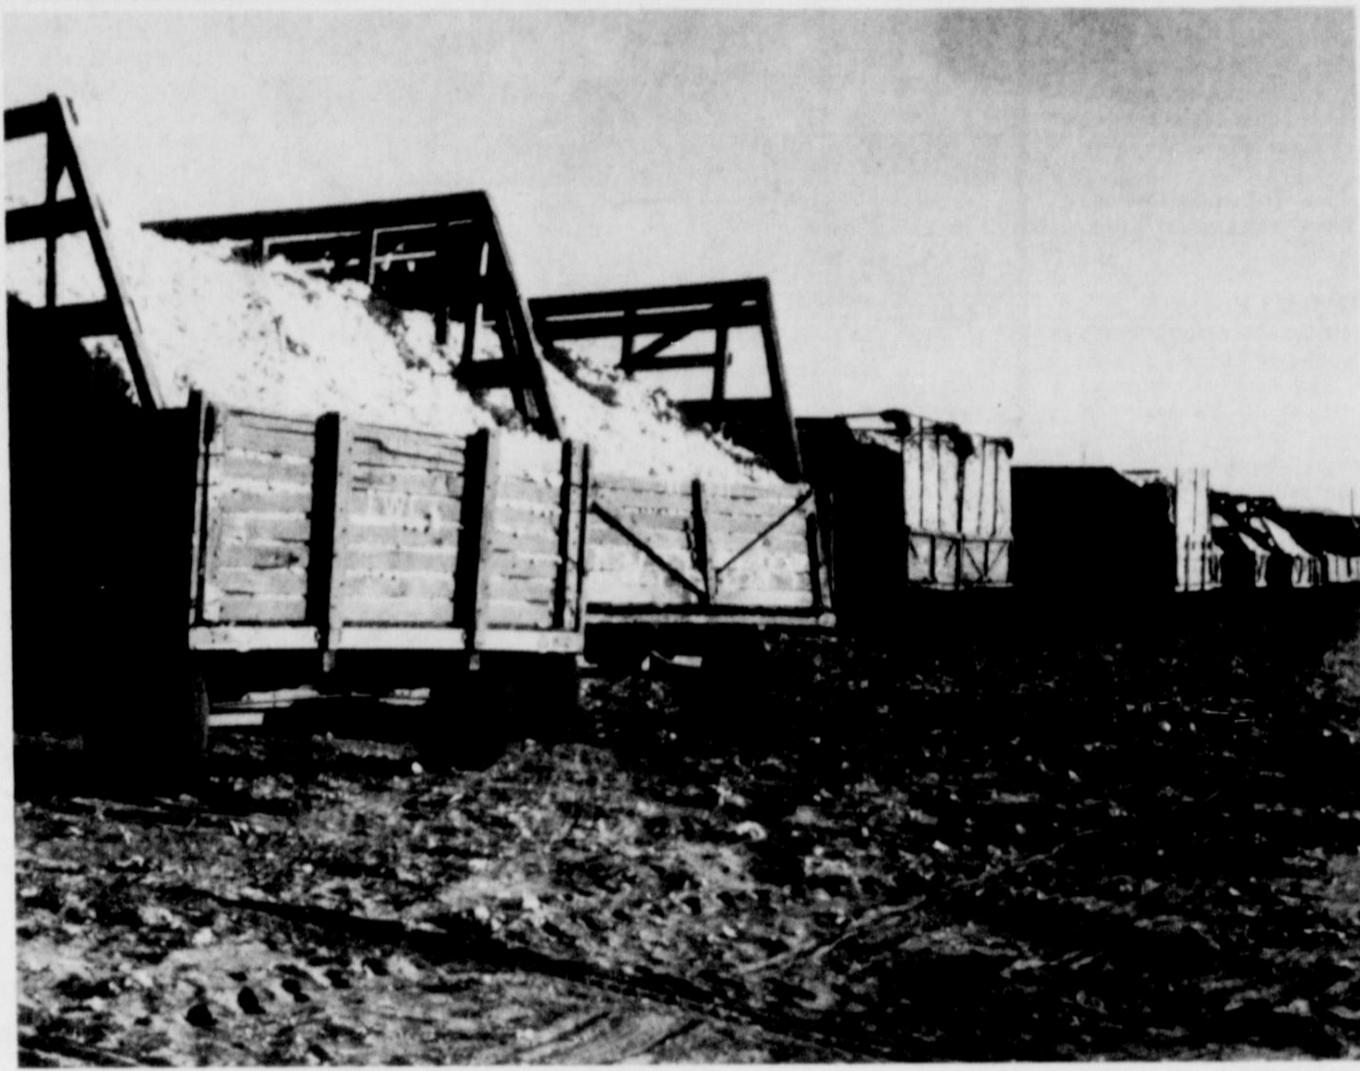

PRIOR TO THE start of basketball, the Booster Club was instrumental in securing new scoreboards for the high school gymnasium. Friona State Bank and Pioneer Cattle Order Buyers went together to purchase the new clock scoreboards, which are located on each end of the gymnasium.

What we're leading up to is the fact that Thursday night in the opening round of the local tournament, Friona's first home game and first opportunity to use the scoreboards, they really got a workout.

The Chiefs rang up a total of 110 points, only one short of the school record, and the Squaws scored 80 points, which is one of the higher scores a girls team has ever registered. That's an average of 95 points by the two local teams in their opening tournament games.

Friona fans are used to having good girls teams to watch, but it looks like they

(Continued on Page 6)

COTTON HARVEST...Cotton trailers began stacking up at Friona Farmers Co-op Gin this week, as the cotton harvest reached its peak. Blessed by excellent harvest weather, harvest passed the halfway mark this week, and gin manager Tom Byars said

Friday another 10 days might wind up the harvest, weather permitting. While the yield isn't quite up to expectations, the turnout and grade has been good, and cotton prices are much better than they have been in several years. [Star Photo]

TWO NEW PARTNERS

Ownership Change Noted Locally For Friona Motors

A change in the ownership structure of Friona Motors, Parmer County's Ford dealership, was announced this week.

Cordie Potts, a partner in the business since it was opened in Friona in May of 1958, has sold his half of the business to Troy Young and John Baxter. Oscar Baxter, the other original partner, retains his half interest in the company.

Young has served as sales manager of the business for the past three years and will continue in that capacity. No other changes are anticipated in the company, Young says.

Oscar Baxter, in discussing the change, said "We have enjoyed our association with Cordie Potts as a business partner, and we wish him well."

Potts extended his best wishes to the new part owners and also thanked the residents of this area who had traded with Friona Motors during the time he was associated with the business.

"We plan to continue offering the same friendly service that we have in the past, and we look forward to continuing to serve our many friends in this area," Young said.

Friona Motors, besides being

the Ford dealer for Parmer County, offers sales and service on the Open Road line of recreation vehicles, Penton motorcycles and DonaHue trailers.

The company is an official inspection station, and features a complete parts and service department. C.H. Veazey is Parts and Service manager, and has been with the company for six years. Robert (Preach) Collier, head mechanic, has been with the company since before it was a car dealership. Other employees of the service department include Martin Drager, James Bentley, and Dale Bentley.

Mrs. Oscar Baxter has been company bookkeeper for the past 14 years, and Mrs. Troy (Gladys) Young has been bookkeeper-receptionist for the past three years.

Oscar Baxter and Cordie Potts formed a partnership in 1958, purchasing McKillip Motor Co. of Farwell, the county Ford dealership. They moved the business to Friona that same year, where it has continued to operate.

Official announcements by the two parties to the transaction may be found on

NEW PARTNERS...Troy Young, left, and John Baxter this week announced they had purchased one-half interest in Friona Motors from Cordie Potts. Oscar Baxter, who has

been a partner with Potts in the concern since 1958, will retain his interest in the business. [Star Photo]

ONE-POINT BULGE

Contest Gets Tight, Close Finish Looms

Having led by two to three points in recent weeks, Hank Outland went into the final week of the Friona Star's Cotton Bowl football contest with the narrowest of leads—just one point.

Outland scored an 11 on the 12th week of the contest, but runnerup Mary Priest came up with a 13, to pull to within one point. And in third place, Jeff Peak also had a 13, and was only two points back entering the contest's last week of games.

So—the contest could quite possibly go down to the last game on the schedule, which will be a Monday night professional game between Miami and Pittsburgh, before a champion is decided.

As was the case with several of the contestants, Outland was dealt a blow by the high school playoff games, missing three of the four high school games on the slate. He missed the Hereford-Caprook, Vega-Hale Center and Floydada-Littlefield matches. His other miss was Missouri-Kansas.

Everyone again received an "X" on the contest blank for the Ohio State-Michigan game seen on national television, which ended in a 10-10 tie.

Claiming the weekly prize money were three contestants who tallied scores of 14—only one true miss besides the tie game. They were Gene Strickland, John Frazier and Bobby Drake.

Strickland claimed first place and the \$5.00 prize by missing the Atlanta-New York Jets score by only three points. Strickland picked the score at 30-21 favoring Atlanta, when the actual score turned out to be 28-20.

Frazier nailed down second place, being only nine points off on his tie-breaker guess of 33-24. Drake was third, picking the score at 21-14, which was 13 points off.

Strickland and Drake each

missed by picking Dallas over Miami, in addition to missing the tie game. Frazier's only miss besides the tie was in picking Missouri over Kansas, another game that bothered the majority of the contestants.

The Thanksgiving holiday contest week proved to be a popular one, with 130 entries, four more than entered the previous week. The general trend is for less entries each week as the contest nears its conclusion.

DRIVE STARTED...Modern Study Club has begun its "Project Christmas Card" drive, with a goal of raising \$3,000 for a fire alarm system for Parmer County Community Hospital. Members of the project committee, Nellie Pearl Shelton, left, and Gerry Taylor, right, hold one of the boxes which have been placed at Friona businesses for the collection of money.

Bogus Bills Are Floating

Friona residents are warned of the bogus \$20 bill scheme which has been passed in neighboring towns.

The bill is a \$1 bill with the four corners cut off and the corners of four \$20 bills attached to it. The bill can readily be spotted, as Washington still appears in the center, and the words "One Dollar" are below his picture.

Any attempts at passing the altered bills should be reported immediately to the authorities.

pages 6 and 7 of this issue.

IN TOURNAMENT WIN

Red-Hot Chiefs Score 110 Points

The only question in Thursday night's opening round tournament game for the Friona Chieftains was not whether they would win or not, but whether they would score 100 points on their first use of the new scoreboard in the FHS gym.

Temperatures

Date	Hi	Low
November 24	60	32
November 25	60	24
November 26	52	26
November 27	57	31
November 28	46	17
November 29	62	20
November 30	70	33

No precipitation.

The team accomplished the feat, with several points left over, smashing the visiting Springlake-Earth Wolverines, 110-39.

In the preliminary game, the Squaws had coasted to an impressive 80-58 win over the Springlake-Earth girls.

When the Chiefs hit the 90 mark with over five minutes remaining in the game, the fans began to clamor for 100 points, so the Big Red obliged.

Gene Strickland's jump shot from the side made the count 99-35 with 3:03 left to play, but he missed the free shot that would have made it an even 100. However, Dale Parsons put the team over the century mark for only the third time with a jump shot from the corner with 2:37 remaining, for a 101-35 lead.

The 110 points fell just one shy of the school record of 111 scored in this same tournament two years ago against Nazareth. Only other time a team scored over 100 was back in 1966 in a 110-40 win over Olton.

Parsons was the high point man for the Chieftains with 26 points. The team put up a

phenomenal 89 shots from the field, making 47 of them, 53 per cent. They hit 16 of 30 free shots, for just a "fair" night at the line, or the total would have been even higher.

After four games, the Chiefs were averaging 87.8 points per ball game. The defense also has looked impressive, as outside of their "off game" at Tulia the team has allowed an average of 44 points per game.

Friona was to play Farwell in the tournament's second round on Friday, and if they get past the Steers as they will be favored to do, they would meet the Morton-Lubbock Estacado winner in the tournament finals Saturday night.

Is Area Worth Saving? Program Sets Subject

"IS THE HIGH PLAINS WORTH SAVING?"

That question will be answered at a special four-county public meeting Tuesday, December 4 at the Bull Barn in Hereford.

This special three-hour seminar is being sponsored by the Deaf Smith County Water Association in cooperation with Water, Inc. and features top speakers.

The meeting starts with a free barbecue featuring Sen. Jack Hightower as the speaker. Following the luncheon, a special two-hour program begins featuring Dr. James Osborn, a renowned agricultural economist—Jim Valiant, noted researcher in Ogalla Aquifer recharge—Robert

Liveley, a conservation and water use expert—and A.L. Black, President of Water, Inc. Master of ceremonies for the seminar is Sen. Max Sherman, Amarillo.

The theme of the seminar is "Is the High Plains Worth Saving?", and a most enlightening program is guaranteed.

Black will make the concluding address, entitled "The High Plains Is Worth Saving, and How We Will Do It."

Valiant will speak on the topic of "aquifer recharge studies." Dr. Osborn's speech will deal on the economics of imported water, and Liveley discuss "conservation of water."

There is no charge for the program, and the public is invited and urged to attend.

ALL "LIT UP"...The Friona Chieftains really gave the new scoreboard a thorough tryout in their first chance to use it Thursday, running up a near-record 110 points in their 110-39 romp over Springlake, proving that every digit on the clock works perfectly. Friona State Bank and Pioneer Cattle Order Buyers bought the new scoreboards [See Page 5].

Friona Flashbacks

... from the files of the Friona Star

30 YEARS AGO—DECEMBER 3, 1943

The weather during a part of the past week has been just what our people have been wishing for, as the light rains on Wednesday and Thursday of last week and the snow that fell during Thursday night and Friday have given us a nice amount of moisture. The fall of moisture has been estimated as ranging from a half inch to an inch, and seems to have covered the entire county.

Word was received at the Star office Wednesday that 2nd Lt., Claude Grober, of Oklahoma Lane, was slain in battle, somewhere in the Pacific.

25 YEARS AGO—DECEMBER 3, 1948

Approval of a \$760,000 Rural Electrification Administration loan to the Deaf Smith Electric Cooperative Inc. will provide Parmer County with an additional 35.8 miles of new rural electric line construction. In announcing the REA's sanction of the loan Monday, Mr. T.W. Roberson, Cooperative board of director's president, said work on the new lines would be pushed as soon as material and labor could be obtained.

The new home for our City Library, which will be in the American Legion Hall, is rapidly nearing completion. Miss Elda Hart has consented to serve as librarian. She said that the library should be moved within the week if all goes as planned.

20 YEARS AGO—DECEMBER 3, 1953

Something different in the way of Christmas entertainment for the community, is to be presented at the high school auditorium on the night of December 24. "A Christmas Fantasy" is to be presented by the local college, high school and grade school students. Proceeds from this will go to start a swimming pool fund for the community.

Friona Postmaster Leo McLellan urges early mailing of Christmas packages. Packages should be wrapped carefully and mailed as soon as possible, as the Christmas rush is expected to be the greatest yet.

15 YEARS AGO—DECEMBER 4, 1958

Members of Friona's Future Farmers of America Junior Farm Skills team will compete in the Area I Contests to be held in Plainview at 10:30 a.m. Saturday. These boys won the district contest at Muleshoe during November. Boys which make up the team include Jim Carl Lillard, Reggie Hays, Johnny Miller and Floyd Reeve. The boys will be shooting for a chance in the State Leadership Contests which will be held at Sam Houston State College in Huntsville.

Goose Ramey of Dimmitt was guest speaker at the meeting of the Friona Lions Club at Ladies Night held Monday night in the school cafeteria. The Trebelaires entertained with a number of Christmas Carols.

10 YEARS AGO—DECEMBER 5, 1963

Porter V. Roberts, manager of the Friona Chamber of Commerce and Agriculture announced that the Chamber would sponsor a Christmas lighting contest.

Paul A. Mohr is the new pastor of Friona's Union Congregational Church. Mohr comes to Friona from Albuquerque, N.M., where he was pastor of the Church of the Good Shepherd. He has had two other pastorates in Riesel and Marion, Texas.

Mrs. Meryle Massie, a member of the Northside HD Club in Friona, was chosen as "Homemaker of the Week" by the Farm and Home staff.

5 YEARS AGO—DECEMBER 5, 1968

Fire destroyed the home and belongings of the Ray Rando family Tuesday at noon. The Randos, who have six children, lived on the Phipps home place six miles north and two west of Friona. He is employed by E.G. Phipps. The cause of the fire was undetermined.

The Lazbuddie Longhorns won their bi-district game over Groom last Friday, 26-6, to advance to the class B regional finals against Throckmorton this week. This was the 15th consecutive win for the Longhorns over a two-year period.

Letters to the Editor

Dear Bill,

Did you know that Friona has a very active Riding Club? In January of this year we purchased the rodeo arena from the old J.C.'s. A new water well was completed, new bucking chutes were built and the arena was repaired in general.

In May we sponsored a very successful Junior Rodeo with three performances. In June we participated in the annual Pioneer Days Parade in Clovis and won second place trophy. We journeyed to Canyon and entered in the Palo Duro Rangers open playday, our very first, and some members won ribbons.

In July, we rode in Muleshoe's annual Fourth of July parade and won second place. We also were a part of Farwell's annual Border Town Days parade and placed second.

In addition to this we held an open playday in our arena which was a great success. Many members of United Sheriff's Possee and Riding Clubs from Hereford, Canyon and Amarillo came to participate and help our club get started in playday activities. After this our club held a playday one night every week throughout the summer and was greatly enjoyed by all.

In August, we went to Bovina for their annual Bull Town Days parade and won a very nice first place trophy.

We also participated in Hereford's Seventy Fifth Diamond Jubilee parade and won a very nice first place plaque.

This same month we attended an open playday at Hereford Riders Arena and several of our members won ribbons, even our share of first places.

In September we rode in our own Friona Maize Days parade. We also sold tickets on a very

nice roping saddle that was given away at the drawing, and held a very successful trap shoot.

We were invited to other parades and activities at Tulia, Littlefield, Earth and Amarillo but some were conflicting dates.

We hold our meetings the first Saturday night of each month and at our meeting for November we met at K Bob's in Hereford and steak was enjoyed by all. In our business session we voted to plan another rodeo for next spring.

We go on trail rides from time to time. We have been to the old Escarbada Ranch House and have ridden on the Seamount Ranch out at Shirley Smiths on Frio Draw, also on the Hollis Horton Ranch at Running Water Draw. We have been to Palo Duro Canyon for an overnight ride and some members have been to the Breaks near San Jon, N.M.

We have offered the use of our arena to the High School Rodeo Club and the 4-H Horse Club has been using it some.

Our goal is to improve our arena and build stalls and pens for rentals so that more people, especially the young people of our community can have an opportunity to own a horse and come join us in work, fun and fellowship.

Floyd L. Rector
President

Sincerely Yours

By Rev. Albert Lindley

WELL, HERE WE ARE in the midst of something else—the else of which I'm not quite sure.

I couldn't help but feel a little something when I heard the suggestion of the President that the gas stations close from 9 on Saturday night to midnight, Sunday.

People have already approached me about this cutting down on their church attendance [with tongue in cheek]. Ha! I helped them see they had missed the point.

And in case you are under this delusion, this was not cutting out travel over Sunday as some of the European countries are presently doing but just not selling gas on Sunday, which will simply mean you can only travel a half a tank distance and then use the other half to get back home....

There has already been a big run on gas cans and containers for the purpose of being able to carry extra gas for longer trips. Trips of necessity can get the gas, this would be for the week-end travelers for fun....

The Fire Chief in Amarillo has already started a campaign to discourage that because of the greatly increased danger of carrying containers of gas in the car.

Nope, you Sunday boaters are in for some long home-bound weekends....Now that's where the Pastor kinda grins...I already have a few that I sneer at over that very thing—I probably wouldn't be that "unloving" except they sneered at me when they would leave for the weekend—knowing how badly I wanted to go and couldn't. Ha! Revenge! Revenge! And it took the President to bring it off....

I think it only right that I have been given some credit about my relationship with the "Creator of the Winds," especially when the wind puts some of the Sunday boaters off the lake....More than once I have received credit for that little move....Ha!

Well, back to our dilemma. What are you going to do without gas?

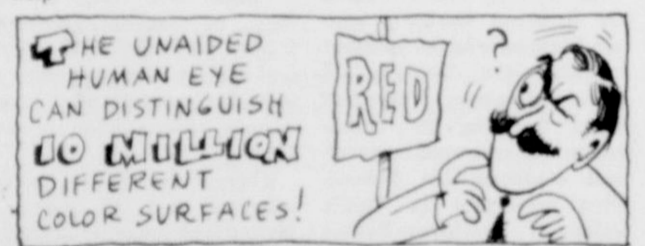

It seems like the bicycle is really coming in to prominence again, for the long overlooked glory it should maintain....

The trouble now is that winter is upon us (so I'm told) and if your bike is like mine, the heater doesn't function too well....So okay, they said we would all have to sacrifice some so this may be a part of that....I just wonder if a guy has come up with snow/mud chains for bicycles, yet?

To close may I say in all sincerity, if we will remain faithful to our concerns and continue with our American heritage of strength, as was the case of our forefathers with their many problems, I feel that we too, can overcome this and ride it out. It will necessitate every person's willingness to help—to not "horde the sugar" and to work together as we pull out of the mess.

Pointing fingers of accusation and refusing to "go along" with the needs surely will not help the situation.

I really believe we can do it and with a minimum of trouble—so, come on and let's see just what we can really do to help—

The Truth Will Make You Free

Terry Brown, Minister Sixth Street Church of Christ

"Take heed, and beware of all covetousness; for a man's life does not consist in the abundance of his possessions." [Luke 12:15]. Jesus said these words to a multitude, just before he told the story of the rich fool.

"The land of a rich man brought forth plentifully; and he thought to himself, 'What shall I do, for I have nowhere to store my crops?' And he said, 'I will do this: I will pull down my barns, and build larger ones; and there I will store all my grain and my goods. And I will say to my soul, Soul, you have ample goods laid up for many years; take your ease, eat, drink, be merry.' But God said to him, 'Fool! This night your soul is required of you; and the things you have prepared, whose will they be?' So is he who lays up treasure for himself, and is not rich toward God." [Luke 12:16-21].

This man had forgotten three things. [1] He forgot completely about others. Read his words. He uses "I" six times, and he uses "my" five times. His neighbor may have been saying, "What shall I do, for I have no grain." But he was too busy to notice, because he was building new barns. [2] He forgot about death. What did he have to take with him from this life? Nothing! What did he leave behind? Big barns, full of grain. [3] He forgot that a man is more than what he owns. Riches are based on one's relationship with God.

In our world of abundance, we must recognize that a man's life does consist in more than the abundance of his possessions. Have you found the key to the abundant life? His name is Jesus!

Mrs. Zieschang Rites Slated

Services were set for 10:30 a.m. Saturday in Immanuel Lutheran Church of Rhea for Mrs. Roy Zieschang, 61, of Rhea, who died about 9 a.m. Thursday in Parmer County Community Hospital.

Officiating were the Rev. Duane Kirchner, pastor, with burial at 4 p.m. Sunday in City of Taylor Cemetery under direction of Parsons-Ellis Funeral Home.

Survivors include her husband; a son, Curtis of Thorndale; a daughter, Peggy Minzmaymer of Austin; two sisters, Mrs. Marie Ellis of San Antonio and Mrs. Clara Zieschang of Thorndale; a brother, Max Leschler of Thrall; and four grandchildren.

Trap Shoot Is Scheduled

A trap shoot, sponsored by the Bovina-Friona Knights of Columbus, will be held Saturday and Sunday, according to a spokesman from that organization.

The event will begin at 2 p.m. each day and end at dark. Cash prizes will be awarded in all categories.

The shooting range is located three miles east of Bovina, south of U.S. Highway 60. Directional signs will be posted.

How many real friends do you have?

AT MEETING County Involvement In CPMH Center Told

Parmer County residents were brought abreast of the work being done, with particular emphasis on the local county's involvement, at the Central Plains Mental Health Center of Plainview at a dinner meeting last Monday night in Friona.

Bill Dillard, executive director of the center, gave the report. The meeting was attended by some 25 county residents.

The center serviced a total of 40 people last year from Parmer County, Dillard said, and it was indicated that more could have been serviced if those needing the help knew about the center.

The possibility of establishing an "Outreach Center" in Parmer County by the center was discussed. If this came about, staff members from the Plainview center would in all likelihood spend a day each week at the local center.

There are currently four such centers in operation at the present time, at Tullia, Muleshoe, Dimmitt and Littlefield. For these centers, a child psychologist and a marriage and family counselor calls at the center on a certain day every week.

"We are not a Plainview

They Don't

Some people speak from experience. Others, from experience, don't speak.

-Antenna, Great Lakes, Ill.

Sometimes it's profitable to turn down a bargain.

Center.' We are just as responsible to the people of Parmer County as those in Hale County," stated Dillard, pointing out that the center was established by the Mental Centers Act of 1967.

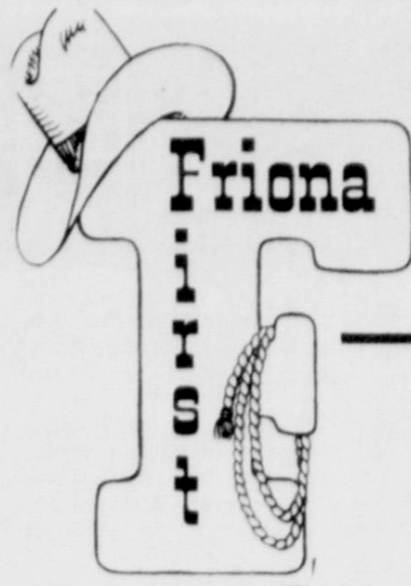

The center presently has a staff of 50. Approximately 900 patients entered the program this year, requiring over 100,000 patient hours by the staff. A total of 1,380 patients were treated at the center during the past year.

Dillard pointed out that the MH/MR center has programs for teenagers, young married couples, families beginning to experience marital problems, middle-aged people who are becoming depressed by their age, and people who are on the verge of becoming alcoholics.

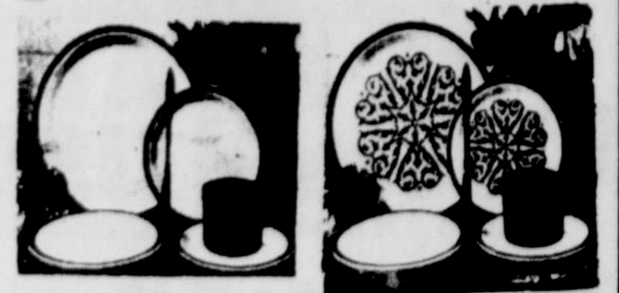

It was stated that the center was becoming more and more involved with patients with problems involving alcohol. This one problem is apparently seen more than any others by staff members at the center.

Dillard was introduced by Baker Duggins of Friona, counselor for the Friona School system, and a Parmer County trustee for the MH/MR center. Also present were Mrs. Gilbert Kaltwasser of the Rhea community, Mrs. J.T. Gee of Friona; and Mrs. Richards of Lazbuddie, all of whom are trustees for Parmer County on the CPMH center board.

Also attending from Plainview was Joe Meador, on the executive staff of the center. Representing Parmer County, which helps sponsor the center, was Judge Archie Tarter and commissioner Tom Lewellen.

CARDS OF THANKS

To Friends and Loved Ones.
I want to thank each and every one who has said a prayer in my behalf since I was in and out of the hospital from the first of July until now. Especially I want to say and asking God to be with us, there is very little we can do. Thanks so much for the food that has been brought to us, the cards and letters I have received. I will always remember you all in my prayer. I know I can never repay you dear ones but if I can be of help to you please let me know.
Thanks very much.
Mr. and Mrs. David Moseley 9-1tp

Area's Water Value Increases Steadily

Irrigation water is increasing in value. With prices increasing for farm products and more land being brought into production, water is more important than ever in the farming operation. With the energy shortage becoming so important many producers are deciding tailwater systems may be more important to them than another well would be.

Leo Bails of Hub believes his newly installed tailwater pit will be one of his most important investments this year. He believes that reclaiming his tailwater and possible not working his wells so hard

will increase the life of the wells.

Jim Roy Daniels and Everett McBroome of Lazbuddie believe that not only will the tailwater system prolong their irrigation water supply, but the tailwater is cheaper than well water.

Now is the time to install tailwater pits. Most crops are harvested and prewatering hasn't begun, so dirt contractors can work and not have to deal with water while working.

For good information on size and location of tailwater pits contact the Soil Conservation Service in Friona.

SCOREBOARD DONORS...Friona School Superintendent Alton Farr is shown thanking Redge Priest (center) and Robert Neelley, left, whose companies donated new clock-scoreboards for the Friona gymnasium. Priest represents Pioneer Cattle Order Buyers, and Neelley represents Friona State Bank, each of whom purchased a scoreboard.

SS Rep. Answers Pending Question

"We are beginning to have inquiries about whether or not Medicare will pay for acupuncture treatment," Gerald Schlaeppli, social security Field Representative, stated today. "At the present time, Medicare reimbursement for acupuncture as an anesthetic, or as an analgesic, or for other therapeutic purposes may not be made.

"Although acupuncture has been used for thousands of years in China and for decades in parts of Europe, it is a new agent in the United States and little is known about its effectiveness. Even in those

areas of the world where it has been widely used, its mechanism is not known.

"Three units of the National Institutes of Health have been designated to assess and identify specific opportunities and needs for research in connection with the use of acupuncture for surgical anesthesia and relief of chronic pain. Until the pending scientific assessment of the technique has been completed and its effectiveness established, there will be NO Medicare reimbursement for acupuncture," Schlaeppli emphasized.

Farmers Urged To Use SCS Programs

Farmers in the Farmer County area who bring additional land into crop production in 1974 are being urged to use sound conservation practices.

Herb Evans, district conservationist for the U.S. Soil Conservation Service at Friona, said conservation measures not only protect the soil from erosion but also increase production.

"Some people are predicting farmers will bring several thousand acres of former 'set-aside' acreage back into

crop production in Texas in the next year," Evans said. "This is considered to be the best and quickest way to check food price increases.

"But it's also the quickest way to increase dust storms, sediment pollution, and other erosion problems unless sound conservation measures are installed," Evans pointed out. "There is a lot of land in our Farmer County Soil and Water Conservation District which can be used for cropland safely if managed properly," Evans said. "Yet there are other soils

which are so susceptible to blowing or washing that they should never be used for crop production."

Ulcerous Source

Doctors agree that stomach ulcers come from something you hate, not from something you ate.

Star Lites . . .

[Continued from Page 1]

may get a double-feature this year when they go to the games. Coach Ray DeBord's Chieftains are off to a fast start, and they're shooting for the best-ever season in basketball, with their sights particularly on the district title.

But winning district in this league is no easy matter, what with teams like ever-tough Dimmitt, and Morton, which went to state the last two years as the competition.

Friona Resident Was Buried Here

Services for Hugh Buckner, 70, of Friona, were held at 3 p.m. Thursday in First United Methodist Church here. The Rev. Albert Lindley, pastor, and the Rev. Bill Watson, pastor of the Buchanan Street Methodist Church of Amarillo, officiated at the rites.

Burial with masonic grave-site rites were held in Friona Cemetery under direction of Parsons-Ellis Funeral Home. Buckner died about 11 a.m. Tuesday in Parmer County Community Hospital. Buckner, a member of the Friona Masonic Lodge, was a

member of the First United Methodist Church. He was a retired owner and operator of a local grocery store. Survivors include a son, Cliff of Muleshoe; a sister, Mrs. Mary McKay of Chico; a brother, E.E. Gene Buckner of Fort Worth; and three grandchildren.

Eighth Graders Down Muleshoe

Friona's eighth grade girls beat Muleshoe in their opening game last Monday, 25-8. Betty Randy was high point for Friona with 11 points. Linda Nelson scored eight, and Cindy Cleveland scored six.

FRIONA	8	14	21	25

Cast Member Is Grad

The South Plains College Players and the Delta Psi Omega Fraternity will present a dramatic adaptation of the children's play, "Rumpelstiltskin," as a pre-Christmas offering.

Performances are slated at 7 p.m. on Friday, Nov. 30; 2 p.m. on Sunday, Dec. 2; and at 7:30

p.m. on Monday, Dec. 3. Carleen Schlenker of Friona will portray the Daughter and Queen. She is a 1972 graduate of Friona High School. The play will be under the direction of Helen Roberts, assistant professor of speech at SPC. There will be an admission charge of 10 cents.

Announcing

We have purchased Cordie Potts' interest in Friona Motors. Oscar Baxter is retaining his half-interest in the company. No major changes are anticipated in the business, which will continue under the management of Troy Young.

It has been a pleasure for us to have been associated with Cordie Potts in business, and we wish him well.

In the meantime we plan to offer you only the best in sales and service at Parmer County's Ford Dealership.

The Cream

IN BASKETBALL

1973 Chieftains Expect To Be Improved Team

Coach Ray DeBord thinks the 1973-74 Chieftain basketball team can definitely be contenders for the title in always-tough District 3-AA this season.

The Chiefs have three players returning who were starters a year ago, plus another letterman who saw considerable action and averaged ten points a game.

Although losing all-state performer Johnny Bandy, plus starters James Bartlett and Willie Bailey, the team has a good nucleus back from the squad that started slowly but finished with a flourish in an 18-11 season record.

Starters returning are juniors Dale Cleveland and Gene Strickland, who averaged 10.4 and 8.4 points per game last season. Dale Parsons, who was a starter for Olton last winter, brings a 12.6 average to the team.

Kent Patterson, a tough rebounder who played in several of the team's games last season and averaged ten points, is off to a fine start in early games.

The team has good size, with Cleveland at 6-4, Patterson at

6-3 and Strickland at 6-2.

Other players include seniors Bill Fallwell, Trip Horton and Bobby Lewellen, up from the B team, Gary Land, Clay Bandy, and Ted King. Horton, 6-3, and Land give the team added heft under the basket.

This group includes some of the best returning talent

Friona has ever had to start the season.

"It's the best material I've had since I've been coaching," says DeBord, who coached district champion teams at Spur prior to coming to Friona.

"We will have a great bench to fall back on—which is a great asset," DeBord added.

DeBord praised the team's attitude, which he termed "great." "They don't mind working. This year's team is a scrappy bunch. I think they'll stay with almost anyone," he predicted.

Coaching the team on defense is Larry Dyess, the junior varsity team.

Basketball Results

FRESHMAN BOYS

FRIONA 12 32 46 66
Muleshoe 8 13 21 26
Neill 3-1-7; Broadhurst 6-2-14; Felder 1-0-2; Randolph 3-0-6; K. Martin 3-1-7; Blackburn 4-6-14; Patterson 5-0-10; Ingram 1-0-2; Broyles 1-0-2; Mears 1-0-2.

JUNIOR VARSITY

FRIONA 15 26 30 44

Clark 7-2-16; King 1-0-2; Hutson 2-3-7; Welch 1-0-2; Peters 6-0-12; Carthel 2-1-5.

FRIONA 16 23 29 43
Muleshoe 10 14 16 28
Clark 7-10-24; King 2-1-5; Hutson 4-0-8; Welch 2-0-4; Smith 1-0-2.

7th Grader Score Win

Friona's seventh grade Braves won their opening basketball game of the season over Muleshoe November 26, by a score of 41-22.

The Braves never trailed in the game, and dominated both scoring and rebounding.

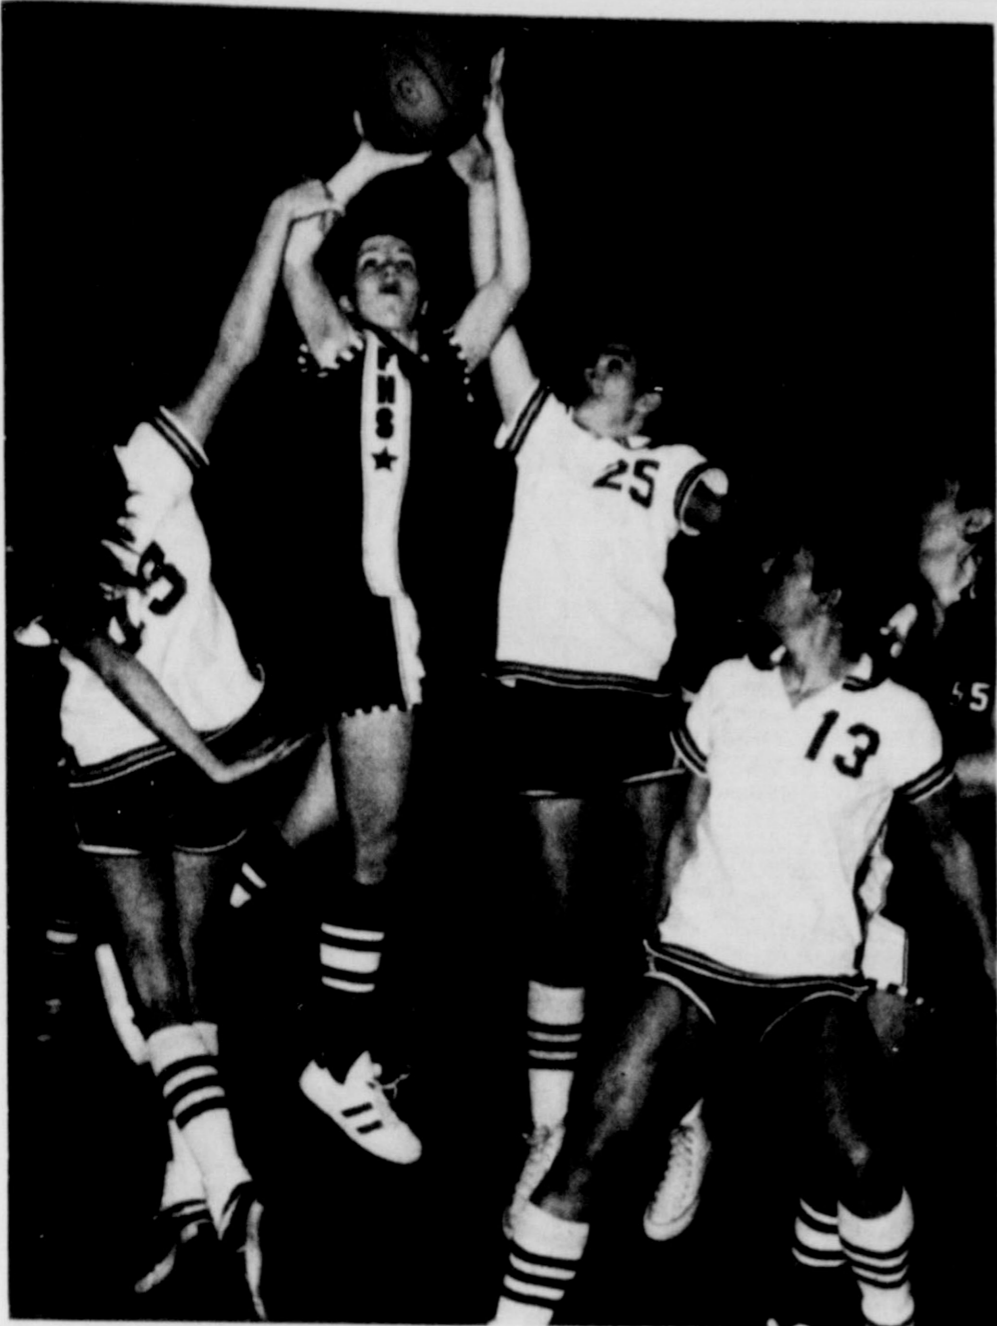

Friona 7th 13 20 29 41
Muleshoe 7th 2 9 15 22
Kevin Kothmann, 18; Chris Barnett, 8; Mike Hutson, 6; Randy Patterson, 4; Ky Graham, 2; Tony Melugin, 2; Toby Strickland, 1.

Apology-

Our apologies to the Friona Squaws for our lack of coverage on their early games.

Due to schedule conflicts, we have not caught the scorebook at the time we needed it. We'll try to catch up next week.

Complete tournament results, for both boys and girls, will be included in next week's edition of the Star.

UP FOR TWO....Terri Fallwell goes high for a jump shot against two Springlake defenders in tournament action here

Thursday, Friona player at the right is Kay Cochran. The Squaws coasted to an 80-58 win, to advance in their own tournament.

POST 2-1 MARK

Chiefs Average 80 Points After Three

Friona Chieftains suffered their first loss of the season at Tulia Monday night, 74-72, but rebounded on Monday with an 83-46 win at Muleshoe. Having downed Farwell 86-47 in their opener, the Chiefs have averaged 80 points while compiling a 2-1 season mark.

Inability to hit the "percentage" shots was cited as costing the team its first loss on Monday. Friona led by as much as 12 points in the early part of the game, and Tulia never had more than a three-point lead, but unfortunately for Friona, the Hornets held the lead at the buzzer, by two points.

At Muleshoe on Tuesday night, the team was red hot on its field goal shooting, hitting 33 of 56 attempts [59 per cent], in smashing the Mules, who had been picked to finish high in the District 1-AAA race.

Friona raced to a 35-22 first

half lead, and increased that to 58-28 entering the last quarter.

The team had five players scoring in double figures in the Muleshoe game, led by Kent Patterson's 15. Bob Lewellen was next with 13.

In the Tulia game, Dale Cleveland had a hot night with

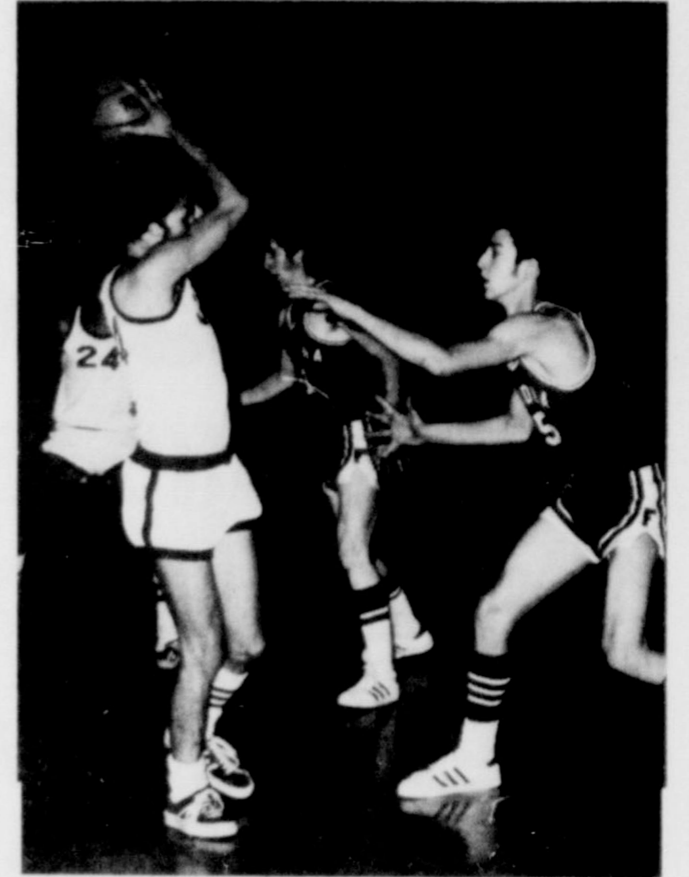

28 points and Gene Strickland chipped in with 19. The division in scoring gives you an idea as to the team's scoring balance this year.

CHIEFS 20 35 50 72
Tulia 16 33 50 74
Patterson 4-3-11; Parsons 3-0-6; Cleveland 13-2-28;

Lewellen 3-0-6; Strickland 9-1-19; Bandy 1-0-2.

CHIEFS 18 35 58 83
Muleshoe 9 22 28 46

Patterson 7-1-15; Parsons 5-0-10; Cleveland 3-0-6; Lewellen 5-3-13; Strickland 4-4-12; King 0-2-2; Land 1-2-4; Horton 2-0-4; Bandy 2-1-5; Fallwell 4-4-12.

CHIEFTAIN DEFENSE....Although the Friona Chieftain offense has been making most of the noise, averaging 87.8 points in their first four games, the defense has been good, too. Here, Gene Strickland [foreground] and Bobby Lewellen [background] are shown closely guarding their opponents in the Springlake game, which was won by the Chieftains here Thursday, 110-39, in a near scoring record for the Chiefs.

ANNOUNCING!

We Have Sold Our Interest In Friona Motors To John Baxter And Troy Young.

We Wish For Them And The Ford Dealership Continued Success.

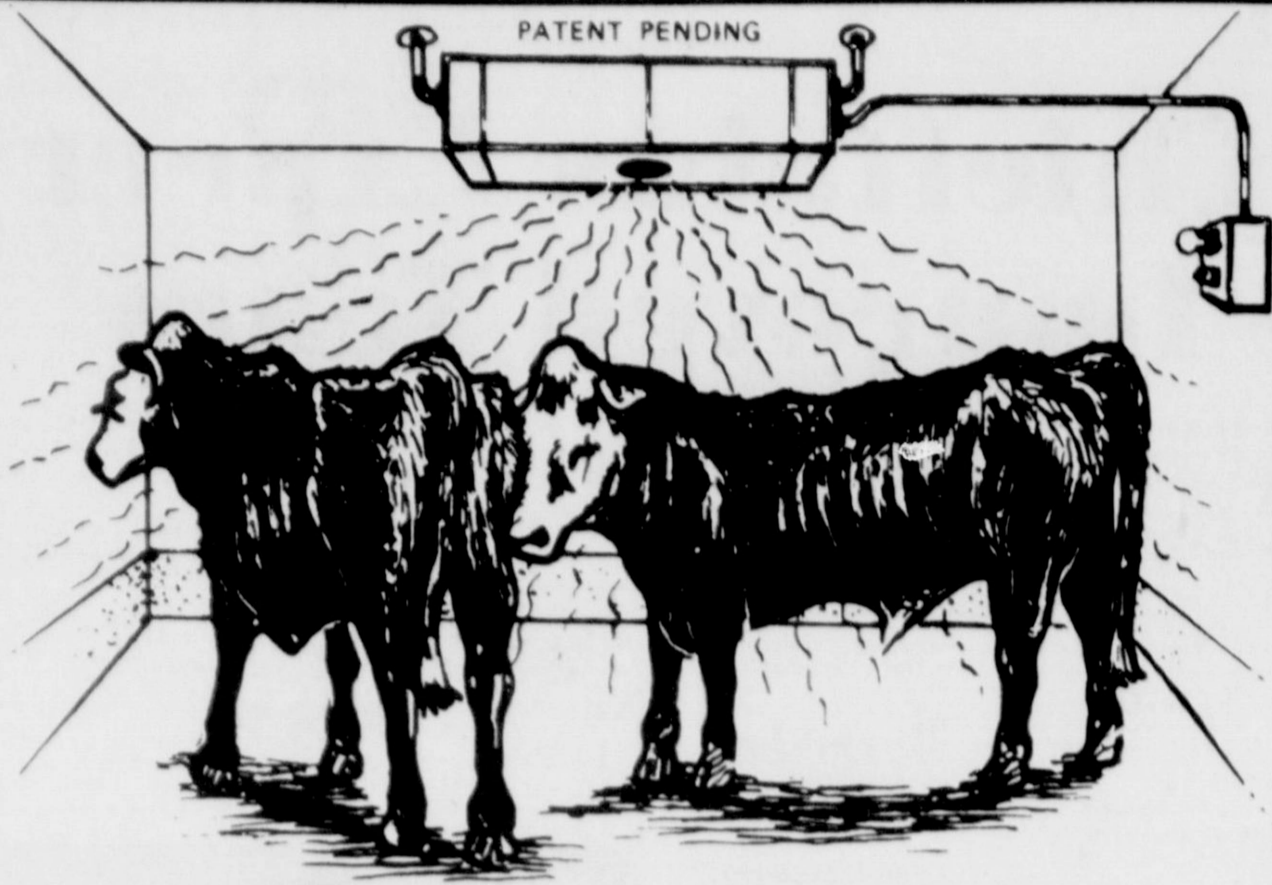

THANK YOU

We Want To Take This Opportunity To Thank Our Many Friends And Customers For Your Business For The Past 15 Years.

We Hope You Will Continue To Favor Friona Motors With Your Automotive Business

RODNEY DUNNAM

New Loan Officer For Credit Union

Rodney Dunnam is the new assistant loan officer at Friona Texas Federal Credit Union.

Dunnam, 22, is a native of Big Spring, and comes here after serving as assistant manager of the Big Spring Education Employees Federal Credit Union for the past 13 months.

The new Friona resident was field representative for the First National Bank of Big Spring for 18 months prior to being with the Teachers' Credit Union.

He attended Howard County Junior College in Big Spring.

Dunnam and his wife Louise are Baptists. They are at home at 912 Virginia. They have a two and one-half year old son, Louis.

The addition of Dunnam to the local Credit Union's staff is further evidence of its growth.

"Beginning January 1, the Credit Union will play 5-1/4 per cent interest on shares, which

will be compounded quarterly," states Geneva Williams, treasurer.

She cited the recent addition of Data Processing to the Credit Union as making the quarterly dividends possible.

"The changeover to data processing has required a new education program for our members, who were accustomed to sending or bringing in their passbooks. This is no longer necessary," Mrs. Williams points out.

Assets of the Friona Texas Federal Credit Union currently stand at \$1,224,483.75. Shares, as of October 31, stood at \$971,677.95. The Credit Union officials expected shares (savings) to top the one million mark by the first of January.

Spring is a virgin, Summer a mother, Autumn a widow, and Winter a step-mother. -Polish Proverb.

NEW EMPLOYEE...Added to the staff of Friona Texas Federal Credit Union is Rodney Dunnam, seated. Dunnam is the new assistant loan officer for the Credit Union. Geneva Williams, Credit Union treasurer, is shown with Dunnam.

THREE WEEKENDS

1973 Pheasant Season Runs 16 Days

An extended 1973 pheasant season in Parmer County begins Saturday, Dec. 8, and continues through Sunday, Dec. 23, a 16-day period which includes three weekends.

In past years, the county has had a nine-day season which included two weekends. By extending the season seven days, a third weekend is included in the season.

Announcement of this year's season was made last week by Jack Patterson, president of Parmer County Game Management Association.

Patterson commented this week that the pheasant population is again considered good, and that hunting should be somewhat easier this year than the past two seasons.

Although hunting the popular game bird is difficult enough in good years, bagging the colorful cock the past two seasons was even more difficult because the grain sorghum crop had not been completely harvested and a major percentage of the grain stubble had not been shredded.

The situation is completely reversed this year, with 100 per cent of the grain sorghum crop in the elevators and a large percentage of the stubble either shredded or burned off. Thus, there will be less cover than normal for the birds to find cover.

The limit will be the same as it has been in years past—two cocks per day and four in possession. Head and feet of the birds must be left with the carcasses.

Hens are not legal game.

Parmer County has attracted state-wide attention with its pheasant season in the past few years. Numerous out-of-town, and even some out-of-state hunters normally make an appearance to join in the hunt.

Patterson says the details of the annual tailfeather contest in the county have not as yet been worked out, but he expects the rules to be similar to last year. Cash prizes of \$30

were given for the longest tailfeathers in contests at Bovina, Friona and Farwell. Three places are paid, \$15, \$10 and \$5, in each community with a plaque then being presented the overall county winner.

Tailfeather contest headquarters in Friona will be Friona Consumers.

Gary Hicks was the tailfeather champion in Friona last year, and also claimed the county title for Friona for the first time. Hicks' winning entry measured 25-1/16 inches.

Placing second in the Friona contest was Buddy Wiseman, whose feather entry was 24 inches long. Fred Ferguson had the third longest entry, at 23-7/8 inches.

Hunting was considered good last year as the pheasant population continued to increase with reports that the birds were populating areas of the county where they had not been seen previously.

Water, Inc. Kicks Off Member Drive

A membership kickoff breakfast for Water, Inc. in Parmer County was held Tuesday morning at Bovina Restaurant.

Dale Cary, manager of the Production Credit Assn. office in Friona, was named county membership chairman.

It was reported that at the present time, Parmer County barely has the number of members required to maintain a county director in the parent organization. A county's membership must be at least 100 to merit a director, and at the present time, membership totals 102, Cary said.

The goal is to exceed 150 members, which would qualify the county for another representative on the Water, Inc. board. At the present time, Ellis Tatum is the county director. A.L. Black of Friona is chairman of the board of Water,

WANT FORMER MEMBERS

"We have the names of some 70 former members of Water, Inc., that we need to have back as paid up members. There is still a lot of work that needs to be done toward the water importation program. We have made a lot of progress toward this end, and we do not want to forfeit what has already been accomplished," Cary stated.

The membership chairman said that dues, which amount to 10 cents per irrigated acre per year, or five cents per dryland acre (minimum, \$25 per year), may be paid to him in Friona, or to Joe Jones at the Security State Bank of Farwell; Jerry Wright of the First State Bank of Bovina, or Robert Neelley at Friona State Bank. Other Water, Inc. officials will also take dues.

Deadline for paying dues, to count toward the county director, is December 15.

Water, Inc. activities center around obtaining supplemental water for the area.

Water, Inc. is a non-profit, membership-based organization and membership dues are tax deductible as a business expense.

Littlefield District Introduces Program

General Telephone Company has selected Littlefield District as their location for a new repair procedure according to Rad Richardson, Littlefield District Manager.

The new repair procedure was implemented Monday, November 26, and customers reporting trouble during normal working hours will be asked additional questions by the repair clerk or service personnel of the Telephone Company, Richardson said. The District Manager said this new

trouble reporting procedure will assist the Telephone Company Repair Service in determining the exact cause of the customer's problems and is designed to improve the time required to clear their trouble.

The entire Littlefield District, which covers Amherst, Anton, Bovina, Earth, Friona, Littlefield, Muleshoe, Olton, Spade, Springlake, Sudan and Witharral will be included in this procedure, Richardson said.

School Activities Junior Varsity Tops Mules

December 3-8
December 3-7—Seventh, Eighth and Ninth Grade basketball games with Olton, 5:00. Girls play there, boys play here.

Parmer County Teacher's Meet, Bovina, 6:30 p.m.

December 4—Varsity basketball games with Tulia, here, 6:30 p.m.; "B" Girls and Boys, 4:00 p.m.

December 6—Young Homemakers meeting, High School Cafeteria, 4:00 p.m.

December 7—Varsity basketball games with Vega, here, 6:30 p.m.; "B" Girls and Boys, 4:00.

December 6-7-8—Girls play in the Muleshoe basketball tournament.

Friona's Junior Varsity visited Muleshoe Tuesday and won, 43-30.

Friona took the lead with four seconds gone on the clock with a basket by Kevin Welch. Muleshoe came back and tied the score at 6-6 and 8-8 then Friona took a lead they never lost with 4:12 left on the clock in the first quarter.

The longest lead of the game was 13 points which they held five times. Everyone from Friona played. David Clark was high point with 24 points making 10 of 12 free throws.

Friona 16 23 29 43
Muleshoe 10 14 16 30
David Clark 7-10-24; David Hutson 4-0-8; Dee King 2-1-5; Kevin Welch 2-0-4; Ray Smith 1-0-2.

Christ Gives Everyone Of Us Equal Access To His Graces

Read Luke 18:10-17

Whether we are Jews or Greeks, whether slaves or free men. . . one Holy Spirit was poured out for all of us to drink. (I Corinthians 12:13)

I was walking through the woods and over the rock ridges near our summer place. It was a bright morning in early summer, and I paused to thank God for the peace, the solitude, and all the natural loveliness about me.

Then suddenly I saw myself as a beggar squatting on a street corner. The sun was hot and the loose, ragged cloth about my shoulders gave little protection. Someone threw me a crust of bread.

No longer did it seem proper to thank God for what I had, for the beauty, peace, and privacy I enjoyed. To do so was to thank God that I was not like other men, who in truth were my brothers. It was more fitting to thank Him for what did matter--that I was like them in the capacity to love God and to entertain His spirit within.

That was really all I had to be grateful for, and I knew it was everything.

PRAYER: Heavenly Father, teach us a humble thankfulness free from gloating, and help us test our lives by Thy spirit. For Jesus' sake. Amen.

THOUGHT FOR THE DAY
In Christ all have equal access to spiritual graces.

Double Ring Ceremony Unites Amarillo Couple

Beverly Ann Pelton became the bride of Kelley Don Magee in a double ring ceremony on November 21, 1973.

She is the daughter of Mr. and Mrs. Gilbert Pelton, 3605 Nebraska in Amarillo. He is the son of Mr. and Mrs. W.G. McDonald, 3806 Teckla in Amarillo.

The vows were exchanged in the First Presbyterian Church in Amarillo. Dr. Winfred Moore, pastor of the First Baptist Church, officiated over the ceremony.

Dianna Pelton, Amarillo, sister of the bride, was the maid of honor. Bridesmaids were Janis Magee, sister of the groom, and Karen Frey, both of Amarillo.

Keith Pelton and Teresa Pelton, brother and sister of the bride, were candlelighters. The feminine attendants wore blue crepe dresses with blue wide brim hats. They wore white carnation corsages.

W.G. McDonald, Amarillo, brother of the groom, was best man. Ushers were Roy Welsh, Don Friddell, Terry Ward and Lon Conner, all of Amarillo.

Traditional wedding selec-

tions were presented by Ann Fomby, soloist, and she was accompanied by Mrs. Margaret Skinner, organist.

The bride was presented in marriage by her parents.

She was attired in a floor-length wedding gown of white lace over satin. She wore a floor-length veil edged with flower appliques. Her corsage was made of white carnations and gardenias. She carried her corsage over a White Bible with flowing blue streamers.

Her mother wore a mint green colored dress with mint green gardenia corsage.

The bridegroom's mother wore a dress designed with a green velvet bodice and beige sheer skirt. She wore white gardenias enhanced with beige ribbon.

Following a wedding trip to Phoenix, Arizona, the couple will live in Amarillo.

The bride and groom are both graduates of Tascosa High School in Amarillo. He is employed by Pantex in Amarillo.

Mr. and Mrs. John Allen, Sr., of Friona, are great-grandparents of the bride.

Mrs. Kelley Don Magee

Foreign Country Is Topic For Meeting

Friona Women's Club held its regular business meeting in Friona Women's Clubhouse.

The program for the meeting was interesting facts about the country of Germany. The members reviewed the "Travogue of West Germany on Religious Crusade" to add to this educational program.

Mrs. Clyde Hayes gave the invocation. Roll call was answered with a Bible verse or educational quote by each member present.

Mrs. Doyce Barnett spoke on "My Experience in Germany, the Country and the People."

Mrs. Pete Buske and Mrs. Barnett showed slides on mission work done in Germany.

Mrs. V.R. Jordan was hostess at the meeting.

One guest, Mrs. Davenport, a cousin of Mrs. W.O. Brown, was present.

The next meeting of the club will be their Christmas program. They will meet December 12 at the Clubhouse.

Youths Made Trip To Red River, N.M.

The Senior High Youth of the Friona United Methodist Church made their annual trip to Red River, N.M. over the Thanksgiving holidays for the purpose of once again attacking snowy slopes with skis.

This year they invited guests to go along with the adult sponsors, there were 65 in all.

Skiiing is the project and with the fellowship and quiet times of meditation, the trip has become an outstanding experience in the year's activities.

The money raised in the "Spook House" endeavor at Halloween is used for this purpose.

The group left Thursday morning, November 22 and returned on Sunday afternoon.

Those making the trip are: Linda Anthony, Beverly Bailey, Carol Bavousett, Renee Charles, Tami Shelton, Nell Fulks, Carol Gore, Teresa Ingram, Marilyn Jones, Connie Lindeman and Pam Lindley.

Also, Lesa Mercer, Myrna Phipps, Carol Reeve, Joe Cunningham, Philip Duggins, Carl Evans, Charles Fleming, Larry Gore, Cris Ingram, Joe Jones, Johnny Jones, Danny Simpson, Gary Rector and Loren Walters.

Guests attending were: Jerri Bengé, Kay Cochran, Tena Day, Diane Day, Sarah

Gammon, Hope Mays, Kena Moore, Sheri Thorn, Cindy Gammon, Cris Beck, Phil Brock, Gary Stone, Noel White and Terry Thompson.

Sponsors are Bob and Maxine Owen, Billy Joe and Tommy Mercer, A.W. and Irene Anthony, Jr., Tommy and Wanda Jones, James and Vernell Cunningham, Lewis and Elizabeth Gore, Floyd and Eva Lou Rector, Peggy and Albert Lindley, Dorothy and Dub Ingram.

J. Claborns Have A Boy

Mr. and Mrs. Jobey Claborn of Fort Worth became the parents of a baby boy Wednesday morning, November 21.

He was born at 10:27 a.m. and weighed 9 pounds 3 1/2 ounces. He was named Jackie Riley II.

Grandparents are Mr. and Mrs. J.C. Claborn, Friona and Mr. and Mrs. Jimmy Buckley of Dimmitt.

Great-grandparents are Mrs. Mary Coke, Dimmitt and Mr. and Mrs. Lewis West of Hereford.

The mother is the former Janet Buckley.

CYNTHIA FAYE BARRETT...Mr. and Mrs. Monty Barrett of the Oklahoma Lane Community announce the engagement and approaching marriage of their daughter, Cynthia Faye [Cindy] to Joe Bradburn, son of Mr. and Mrs. George Bradburn of Clovis, N.M. Also, Karene Hart, Coy Jameson, Cinda Johnson, Dorothy Johnston, Gary Land, Ronald Land, Pam Lewellen, Clint Means, Jim Murphee, Dale Parsons, Terri Patterson and James Perea.

Also, Glenda Reeve, David Renner, Annette Reznik, Donna Ruzicka, Chris Sanders, Beverly Schueler, Gayla Self, Mark Shackelford, Garvin Thorn, Jatun Widner, Debbie Wilkerson and Mitchell Wiseman.

Rev. L. C. Roots Accepts Position

Rev. L.C. Roots has accepted the pastorate of the First Baptist Church of Bevien Springs, Michigan.

He was formerly the Associate Pastor of the Pleasant Ridge Baptist Church in Lubbock, Texas.

His present address is 214 N. Kimmel, Bevien Springs, Michigan, 49103.

They are the parents of four children. They are Ruthetta, Rachel, Timothy and Thomas.

Baptist Board Elects Trustee

Curtis W. Murphee, member of the First Baptist Church in Friona, was elected as a trustee on the Board of Wayland Baptist College, Plainview, Texas.

He was elected to this position on the Texas Baptist board during the annual meeting of the 2-million-member Baptist General Convention of Texas.

A's with 1 B. They were: Linda Anthony, Hal Blackburn, Randy Boeckman, Kim Bryant, Debra Carlton, Arthur Castaneda, Rolando Castaneda, Kay Cochran, Tena Day, Debra Dorrell, Bill Fallwell and Nell Fulks.

Also, Laquita Graham, Brent Hall, Diane Hamilton, Holly Hart, Tamela Hassenpflug, Janice Hayes, Trip Horton, Debra Hudson, Teresa Ingram, Jeanine Jarboe, Joe Jones and Teddy King.

Also, Bob Lewellen, Keith Martin, Linda Martin, Ronnie McLellan, Roger McNeely, Sammy McNeely, Janice Peak, Dusty Peters, Kyle Shelton, Pam Veazey, Becky Walker and Pam Wilcox.

Those having A's with 2 B's included: Debbie Anderson, David Barnett, Ronald Bates, Blayne Baxter, Brad Beene, Leslie Broadhurst, Kathy Calder, Patti Crump, David Gowens, David Hutson, Susan Jarecki and Ricky Johnson.

Also, John Jones, Marilyn Jones, Jimmy Lanier, Ossie Mae Lee, Paula London, Amal Malouf, Amanda Mason, Hope Mays, Darla McClellan, Mike McManaman, Tonna Morgan and Kent Patterson.

Also, Myrna Phipps, Vicki Pryor, Roy Don Rector, John Seright, Denise Shipp, Danny Simpson, Gene Strickland, Pattijon Talley, Kevin Welch, David Whitaker, Paul Wyly and Jan Young.

Students making A's with 3 B's were: Dorothy Aey, Richard Anderson, Clay Bandy, Diane Bennett, Donnette Carlton, Davy Carthel, Renee Charles, Larry Dean, Phillip Duggins, Susan Garner, Gail Graham and Phillip Hand.

Also, Julie Johnson, Pamela Lindley, Jimmy Maynard, Paul McNeely, Kent Miller, David Ramos, Jackie Rando, Darla Rhodes, Gary Self, Audrey Sprouse, Sherri Thorn and Johnnie Walters.

A's with 4 B's were: Chris Beck, Danny Bentley, Charles Fleming, Roy Juarez, Genie Nelson, Gary Rector, Phillip Schueler, Robin Stanfield, Hector Travera and Joe Walters.

Carol Carr had 5 B's and the rest were A's.

FRIONA COED BEAUTY FINALIST... Miss Carolyn Murphee, left, daughter of Mr. and Mrs. Curtis W. Murphee, Friona, was named second runner-up in the Miss Wayland Baptist College pageant recently.

On the first night of the pageant she was named preliminary talent winner. Winner was Miss Joan Jeter, center, sophomore from Hale Center. Miss Jo Pearce, freshman from Texico, N.M., was first runner-up.

Eighteen Students On All-A Honor List

Eighteen students made the All-A Honor Roll which was released for Friona Junior High School this week by Tom Jarboe, principal.

Making the All-A list in the eighth grade were Perry Church, Jay Jarboe, Bryan Johnston and Terry Wilcox.

On the seventh grade list were Chris Barnett, Fred Garza, Jan Mason, Tony Melugin and Donna Rector.

Sixth graders making All A's were Kyle Barnett, Sharla Duggins, David Fleming, Joel Hight, Sarah Mears, Tony Melugin, Dana Miller and Tera Simpson.

One fifth grader made the top honor list. She was Kipi Fleming.

Eighteen other students made A's with one B. They included:

SEVENTH GRADE—Teresa Clark, Tami McMasters, Julie Owen, Pat Reznik and Rieky Taylor.

SIXTH GRADE—Kimber

Britting, Milon Dixon, Jamie Fulks, Josie Jalomo, Joe Malouf, Charity Mays, Rod Owen, David Porter and Pepper Weatherly.

FIFTH GRADE—Victoria Chavira, Jeffery Fairchild, Margaret Ramirez and Janette Reed.

Another 29 students had A's with two B's. These were:

EIGHTH GRADE—Dan Nazworth, Linda Nelson, Diane Westbrook and Holly White. SEVENTH GRADE—Linda Bates, Christy Lundy, Renae Monroe, Charlene Seale, Vickie Smiley, Criss Wyly and Sherrie Shavor.

SIXTH GRADE—Tammy Anderson, Janice Coffey, Shae Dodson, Marie Escalante, Mark Fancher, Pat Fortenberry, Alex Garza, Diana Glover, Steve Pennington, Debbie Taylor and Burk Vestal.

FIFTH GRADE—Cindy Alexander, Loy Hayes, Larry Jalomo, Becky Jones, Tim Mercer, Robert Ortiz and Dana Smith.

ENMU Lists Friona Grad In Who's Who

Donnie Carthel was listed in the Who's Who in American Colleges and Universities at Eastern New Mexico University, Portales, New Mexico.

Donnie is a graduate of Friona High School. While attending school here, he lettered in track three years and played on the Chieftain football team four years.

He was captain of the 1973 Eastern New Mexico team and was listed on the Dean's List as

"most valuable player." As a member of Sigma Alpha Epsilon fraternity, he serves as president and treasurer of that organization.

He will graduate in May from the university where he is majoring in P.E. and has Math as a minor.

His parents are Mr. and Mrs. Bill W. Carthel, Friona. His wife, the former Cindy Phillips of Farwell, teaches school in the Bovina Schools system.

FREEZONE IS FOR CORNS THAT HURT.

Why fool around with painful corns, when Freezone can help you remove them. Try it. You'll see. In just days, the corn will be gone. The hurt will be gone. Painlessly. No dangerous cutting. No ugly pads or plasters. Drop on Freezone—take off corns.

COMET COMING...The Moody Planetarium of the Museum of Texas Tech suggests that amateur astronomers may find these charts useful in locating the Comet Kohoutek during December and January. The comet will be seen in the morning sky in December as it approaches our sun, then in the evening sky in January, as it departs. At the present time the comet may be seen in the due southeastern sky one hour before sunrise, and resembles a blurred star. Astronomers predict that the comet will reach spectacular proportions, and be well visible to the naked eye, one of the first comets in almost a century which will be visible to most people of our planet.

Farmers Union Drafts New 1974 Policies

An 11 member resolutions committee has completed its work on a draft of the 1974 policy statement for the Texas Farmers Union. The Program Committee of the state-wide general farm organization meeting in Waco last week, has combined the key issues which will be debated at the state convention in Lubbock, December 7-8.

Several of the principal resolutions deal with the proposed new Texas Constitution. Other resolutions which are expected to spark floor debate at the convention include the farm organization's position on the impeachment of President Nixon, the administration of the 1973 Farm Program, revamping of peanut and rice commodity legislation, state regulation of utilities and the Farmers Union's stand on the one dollar a bale check-off

for cotton research and promotion.

The farmer and rancher delegates will also take a look at proposed plans for rural zoning, state property taxation and environmental restrictions on the use of agricultural chemicals.

Members of the Program Committee who have developed the program draft from county resolutions and who will present the recommendations to the Lubbock Convention are: Co-Chairmen: Jerry Blacketer, Trenton, and Mrs. Delores Starr, Cisco; John Denton, Axtell; Bobby Tolliver, Merkel; Adrian Taylor, Ralls; Jerry Solomon, DeLeon; Mrs. Marilyn Samuelson, Manor; Freddie Vanderburg, Pampa; Joe Rankin, Ralls; Dwight Holub, El Campo; August Fryszak, St. Lawrence.
