FRIONA'S UNITED FUND drive kicks off here Monday, and drive officials are urging all residents to do their part to assure that the drive reach its goal.

The UF drive has had trouble meeting its goal in recent years, and this year's goal is \$1400 above last year's figure. But the officials are optimistic that the goal will be met.

"If the residents of the area give in proportion to the area's wealth, we should have no trouble making our goal of \$8500," says B. K. Buske and Charles Caudill, co-chairmen of the drive.

Three new agencies are included in the drive this year, which means that many less fund drives. If we can ever get all of the various drives to join the United Fund, then it will make the business of charitable drives much simpler.

++++

PERHAPS YOU HAVE been hearing about the cutbacks being suffered by the Texas Highway Department and its divisions throughout the state.

The cutbacks affected the Highway Department's maintenance headquarters at Bovina, according to foreman Weldon Moody.

So far, the Parmer County maintenance office has lost two men from its present staff of 17 which were charged with maintaining a vast network of 263 miles of paved roads in the county. One of the men was given forced retirement, and the other will be let go at the end of this month.

The two Parmer County employees were among 55 which the Lubbock district of the Highway Department lost during the massive layoffs which were announced across the state.

Moody said that the THD employees being let go ranged all up and down the scale, from resident engineers and maintenance foremen to maintenance men. One employee in this district who was severed lacked only five months having completed the required 30 years for retirement purposes.

Some of the resident offices were combined, such as at Floydada, where the resident engineer's office was combined with that at Plainview, and at Lamesa, which was combined with Brownfield.

Some of the county maintenance offices were combined. Thus far, Parmer County has been spared this fate, and the Bovina office will remain intact.

An idea of the impact that the local maintenance office has on a community can be seen in the fact that the Bovina office puts around \$17,000 per month back into the local area's economy.

Besides the loss of manpower, Moody points out that the reduction in work force comes on the heels of an announced budget cut for his office amounting to around \$2,000 per month.

The reduced budget, along with the inflated costs involved with road maintenance, makes you wonder how things will work out. Expenses have gone up—cost of materials and parts have more than doubled in many cases.

The highway department's cutback has been blamed on inflation, and the drop in gas consumption due to the higher prices. The department's operating revenue comes directly from the amount of taxes received from the sale of gas.

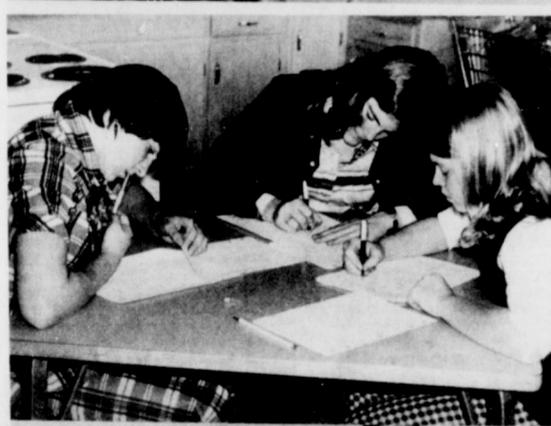

"We have always operated with an increasing use of gas from the driving public. But suddenly we are faced with a decrease, and our budgets have been trimmed," Moody explains.

The Bovina foreman says that highway department budgets are set through September of 1977, so that everything is pretty well set through that date. After that, no one knows what will happen.

Highway Department official, speaking recently to the Texas County Judges and Commissioners Association, predicted that the cutbacks in the THD's budget will ultimately result in the department operating merely for maintenance purposes in our state. That would mean no new highway construction.

Texas has probably as fine a system of highways and roads of any state in the union. But it will be hard to keep this claim if the state is reduced to only taking care of what it has—and on a reduced budget at that.

"We don't know what the answer would be to the THD's money problems. But we don't believe that our state can afford to let its road system decline to the level of some other states we've travelled in."

TEST TIME...This past week was quarter test week in Friona, and students had to get serious during the week. Shown taking or preparing to take tests are six Friona High

School students. At the top are Pam Veazey and David Gowens. In the center panel are Varla Welch, Kim Frye and Vickie Smiley. At the bottom is Susan Garner.

Clark Maintains Two-Point Lead

The leaders maintained their "status quo" during the tenth weekend of the Friona Star's annual fall football contest.

Jack Clark, the front-runner for the past several weeks, scored a 14, to maintain a two-point lead over his two closest competitors.

Clark has compiled a score of 152, representing 77.9 per cent correct predictions on the total possible games. Don Fortenberry matched Clark's 14, and Bobby Drake scored

second two points off the lead. Mike Gowens, who had been tied with Fortenberry for second place, had a 13 for the week, and dropped a point back in third place at 149. Movelda Fortenberry was another contestant who picked 15, and her grand total of 148 ties her with Dan Carthel in fourth place.

Three weekends remain in the contest counting the current one, and 60 total points are yet to be earned, so the outcome of the grand prize race is anything but settled. The additional games on this year's contest slate gives trailing contestants the opportunity to gain ground, even in the latter stages of the competition.

For the week, three contestants had the exceptional score of 17, and they split up the weekly \$20.00 prize money.

Kay Nuttall claimed the \$10.00 first prize, by missing the Friona-Dimmitt tie-breaker score by eleven points. Mrs. Nuttall had missed the Phillips-Dalhart game, Penn State-North Carolina State (probably the game most missed during the week) and West Texas State-New Mexico State.

Alesia Tucker was awarded the \$6.00 second prize money, also picking 17 games correctly, and missing the tie-breaker score by 13

Dalhart, Colorado-Oklahoma State, and Green Bay-Chicago.

Another youngster, Koty Kothmann, won third place and \$4.00, with his score of 17. His only three misses were the Penn State-North Carolina State, Georgia-Florida and Houston-Pittsburgh games. But Kothmann was 31 points off on his score prediction, which kept him from placing higher.

Six contestants correctly picked 16 games. They were C.H. Veazey, Patsy Bandy, Joyce Broyles, Jeff Peak, Kevin Wiseman and Charles Hamilton.

Another 19 contestants had fifteen games right, 53 correctly picked 14, 36 had the score of thirteen, 23 picked twelve games correct; 10 contestants had the score of eleven, and 14 more had ten or below.

United Fund Drive Kicks Off Monday

The Friona Area United Fund will officially kick off its 1975 drive at a breakfast Monday morning, November 17 at the Friona Girl Scout House.

UF leaders and other civic leaders will hear an address by I.R. (Dick) Bynum of Amarillo at the 8 a.m. kickoff breakfast.

Bynum, who is tour manager for Continental Trailways of Amarillo, has had an active civic career in Amarillo. He is on the Amarillo Chamber of Commerce's tourist and convention committee and sports committee.

Bynum is past president of the Downtown Lions Club, was named "Lion of the Year" in 1969. He is past president of the Greater Southwest Music Festival.

The Amarillo civic leader also has been associated with the Hi-Plains Eye Bank, American Cancer Society and has been a volunteer worker for the United Way Campaign in Amarillo for the past several years.

B.K. Buske and Charles Caudill, co-chairmen of Friona's 1975 United Fund Drive, are optimistic that the goal of \$8,500 will be raised within a week of the kickoff date.

The 1975 goal exceeds the 1974 goal of \$7,100 by some 20 per cent. Three agencies have been added for the 1975 drive.

"In 1974, Friona gave an average of \$1.32 per capita to the United Fund Drive. That turned out to match the statewide average. Since ours is one of the richest areas in the state, we should be able to give much more than just the average," Buske stated this week.

United Fund officials plan to canvass the Friona business district on Monday and Tuesday, check the individual contributors and then canvass the residential part of town on Thursday and Friday.

"Employees are urged to give their contribution at the time the businesses are contacted, and this will save calling on them at their places of residence," Buske stated. He said it would be helpful if those contributing as individuals during the business contact will give the UF worker their names and addresses. This will help the UF officials eliminate calling twice on the same people.

Bob and Terry Welch are chairmen of the rural portion of the Friona Area United Fund Drive. They are to make a big push toward completion of the rural drive during the week of November 17-21.

The UF drive officials are planning a coffee meeting for Saturday, November 22 at the Girl Scout House. They hope that the meeting can be a "victory coffee."

"We plan to finish the drive in a week's time and not have to go back to anyone," says Caudill, who like Buske is optimistic that the goal will be met and exceeded for 1975. "When a person gives \$10.00 to the drive, they need to realize that this amounts to \$1.00 for each agency, and that they are saving being contacted ten different times," he pointed out.

The UF officials point out that every cent contributed goes into the United Fund coffers, and nothing whatever is used for administrative costs. There are no local salaries, or other expenses paid out of the local UF drive.

The Friona Star donates considerable space to publicize the drive, and this week a number of businesses are paying for ads to promote the effort.

Other businesses also contribute to the effort. Friona State Bank pays for the kickoff breakfast. Rockwell Bros. Lumber donated the attractive sign located in front of the Post Office.

Money donated to the United Fund

Dick Bynum

is administered by the UF board of directors. The UF is non-political and has no religious ties. Funds are used for the benefit of local residents.

Ten agencies will benefit from the local United Fund drive this year, in addition to the local emergency

fund. Three of the agencies are new to the drive.

Added were United Cerebral Palsy, for \$760; the Friona 4-H Club for \$200; and Texas Mental Health for \$50.00.

The above trio joins the following

(Continued on Page 9)

WORK BEGINS...Two workmen are shown near the Friona Nursing Home site, as work was getting underway on paving the streets adjacent to the home. Work on the actual Nursing Home has been

delayed while approval was being secured to add a basement to the proposed plans. City officials said Friday the approval was fairly certain, and construction is expected to move rapidly.

County Ranks 3rd In Farm Income

Parmer County ranked third in the state in farm marketings in 1974 with a total from crops, livestock and government payments of \$159,990,000, according to a report issued by the Plains Cotton Growers, Inc., for the 25 counties represented by the Lubbock-based organization. A statewide report from the Texas Crop and Livestock Reporting Service was used as the source.

The state leader in farm marketings for this past year was Hidalgo County, with a total of \$203,121,000. Ranked second was Deaf Smith County with a total of \$165,651,000.

Castro, Hale, Lubbock, Lamb and Swisher counties finished in the fourth through eighth positions respectively.

Total receipts in Parmer County for 1974 fell slightly short of the 1973 figure of \$160,193,000.

Parmer County topped the 25-county Plains area in the 1974 crop receipts with \$93,052,000 and was second in livestock receipts with \$65,153,000. In the Plains area, Hale County was second in crop receipts, Castro was third and Deaf Smith fourth. In livestock receipts, Deaf Smith was first, Parmer second, Castro third, Swisher fourth, Hale fifth, Lubbock sixth and Lamb seventh.

Cash receipts from farm sales in 1974 in the 25 High Plains counties were \$1,430,947,000. The figure was down from a high of \$1,799,103,000 in 1973 sales.

Donald Johnson, PCG executive vice president, pointed out "the facts in this report emphasize the tremendous wealth that is agriculture in this area. The figures are even more impressive when it is considered that agriculture is the world's only source of new wealth."

Figures are cash marketings for the calendar year and should not be confused with the crop year value of sales. The 1974 calendar year cash receipts result from some marketings of 1973 crops sold in 1974 as well as marketing of 1974 production, and 1973 receipts include the sale of some 1972 production.

Temperatures

Date	Hi-Low
Saturday, November 8	77-41
Sunday, November 9	87-35
Monday, November 10	64-26
Tuesday, November 11	61-26
Wednesday, November 12	69-23
Thursday, November 13	49-23
Friday, November 14	65-28

PRIZE WINNER...Kay Nuttall, right, accepts a check for \$10.00 from Carol Ellis of the Friona Star. Mrs. Nuttall was one of three

contestants correctly predicting 17 of 20 games last week, and won first place with her tie-breaker score.

REMEMBERING... Pet Funerals

By BILL D. BROOKS

Most people had pets when they were growing up. The pets were cared for, loved and often came to be like members of the family. Cats and dogs were the most common but anything could be a pet. There were ducks, white rabbits, cotton tails, squirrels, hamsters, roosters, possums, even skunks (sans glands). Pets were made of such things as turtles, horned toads, frogs, crickets, gold fish, mice and snakes. A child can love just about anything that's lovable and some things that parents would just as soon not see them love.

But with all things that have life, death is certain. Few things in this life bring more sorrow than the death of a loved one and, to a child, his pet is very much a loved one. I remember a scene long ago of two boys with tear-filled eyes digging a hole out in the orchard. They were burying their loved one, a dog, that had been run over by a car. The dog was carefully wrapped in the blanket he always slept on. He was placed in the hole. Standing there looking down, it seemed as though something should be said.

PET FUNERAL

But nothing seemed right, nothing was said. Sniffles could be heard. The hole was covered over. I suppose you could call that a funeral, if a funeral is paying tribute to one you love.

Pet funerals weren't always as simple as the boys with their dog. One boy made a big production of the occasion when his ground squirrel died. Julian invited several of us kids over to his house for what we learned was to be Speck's funeral. The grave had been prepared along with a velvet lined shoe box for the casket. A flat, white sand stone was to be used for the grave

marker. He had lettered SPECK on it with a red crayola and outlined each letter with green.

Two boys were selected to be pallbearers. They slowly walked out of the garage and down to the graveside where he were standing. Slowly they circled the grave once with the casket open for us to view the body. The girls mourned and we stood reverently by the casket. The casket was broken by Julian saying, "Anybody for a game of tag?" SLAP! You're it! Julian didn't let stuff bother him very long but he could really do things up right when he set his mind to it.

gathered here. "We sang a few lines of 'When the role is called up yonder.' Actually it was just the chorus 'cause that's all we knew. We each took a hand full of dirt and sprinkled it over the casket and then Julian took his shovel and finished covering it up. The grave stone was set in place and we all stood there for a minute thinking about ole Speck. The silence was broken by Julian saying, "Anybody for a game of tag?" SLAP! You're it! Julian didn't let stuff bother him very long but he could really do things up right when he set his mind to it.

Letters To Editor

San Antonio, Texas
November 5, 1975

Dear Sir,
We would like to express our appreciation to the people of Friona for their care and consideration of our brother, Patrick Conroy, while

he was hospitalized in Friona. If it were not for the generosity of the people of Friona, a hospital would not have been available to treat him after his accident.

We would further like to extend our thanks to each and every nurse for their help and personal interest in caring for Pat; to Rev. David Blum for the hours he spent with Pat, even though he was a total stranger; to Dr. Alexander for his most expert and constant care; and to anyone else who helped in any way toward Pat's recovery.

Although we will probably never have reason to come to Friona, we will always hold a place in our hearts for the friendly, giving, people of Friona. Once again, thank you, from all of us to all of you.

Sincerely,
Mr. and Mrs. F. J. Conroy
Morris, Minnesota
Mr. and Mrs. John F. Conroy

Friona Flashbacks

...from the files of The Friona Star

45 YEARS AGO—NOV. 21, 1930

The Magnolia Petroleum company is building a new filling station on the corner opposite the Friona State Bank which is expected to be finished and in operation the latter part of next week.

Work on the building of the new \$60,000 school house for the Friona independent school district was started Thursday by Contractor J.L. Landrum, who will push construction to an early completion.

40 YEARS AGO—NOV. 15, 1935

Report from the Wheat Allotment Committee is to the effect that the wheat farmers are going strong for signing the applications for contracts. It appears that all the old signers are coming back and many new ones who had not signed the former contracts are filing their applications.

35 YEARS AGO—NOV. 22, 1940

Since Saturday of last week, Friona can boast of having a real bowling alley, probably the first of the kind that has ever been in operation here. The recreation center is under the management of Mr. and Mrs. Horace Dorsey, formerly of Bovina, and they state that their business will be conducted to entertain spectators and bowlers.

At a regular meeting of the County Commissioners Court, Monday, a petition for a bond election to be held for the purpose of issuing bonds for the building of Highways "86" and "214" across Parmer County, and signed by an adequate number of voter citizens of the County, was presented. By a unanimous action of the Court, the petition was granted and an election has been called for December 21st.

25 YEARS AGO—NOV. 16, 1950

Friona and the surrounding agricultural area will have the services of a full-time, professional manager of its chamber of commerce and agriculture beginning next week. Negotiations were completed Tuesday night by the board of directors of the re-activated organization to employ J.A. Romich of Nocona, Texas, as the first manager of such an enterprise here. Mr. Romich signified his intention to arrive tomorrow or next day ready to begin an immediate work program.

20 YEARS AGO—NOV. 18, 1955

Thieves early Tuesday morning broke into the Villa Cafe in Friona, getting off with an estimated \$245 haul of cash and small merchandise items. Petty cash in amount of \$31.20 was taken, together with cigarette machine inventory of \$152.70, plus cigars, cigarettes and miscellaneous items. Entrance was made through a rear door, with use of a glass cutter being evident in removing a segment of glass enabling unlocking of the door from the inside. Merchandise was scattered about, the cigarette machine broken open, a music box damaged in unsuccessful attempt to enter the cash compartment, and most cabinet drawers in the cafe were opened.

15 YEARS AGO—NOV. 17, 1960

The Calvary Baptist Church has started construction of the new educational unit which will be used for the elementary and married young people departments. The Building Contract was awarded to R.L. Fleming Construction of Friona. The contract calls for construction of a brick veneer 32x9 ft. unit to be finished in 9 days. The church hopes to occupy the unit by Jan. 1.

10 YEARS AGO—NOV. 18, 1965

The Friona Chieftains who captured the championship of District 3-AA by winning the games

they weren't supposed to win, host Denver City's Mustangs tomorrow night and once again they are cast in the familiar underdog's role. The bi-district clash puts the surprising Chiefs, picked to finish third in district, against undefeated, untied Denver City, which has been ranked as the top team in the state for the AA classification at times during the year.

5 YEARS AGO—NOV. 19, 1970

The City of Friona passed a resolution to join the Panhandle Regional Planning Commission at a "routine" session of the city council on Monday. City Manager A.L. (Jake) Outland explained that the role of the PRPC was to coordinate efforts to solve the problems of the area, and to allow each governing body to have a part.

Margaret Caldwell

Rites Held Sat.

Funeral services for Mrs. Margaret Caldwell, 87, were held Saturday afternoon in the First United Methodist Church of Bovina. Rev. Howard Marcom, pastor, Rev. J. B. Fowler of Amarillo, a former pastor, and Cecil Bunch, minister of the Bovina Church of Christ, officiated at the rites. Burial was in the Bovina Cemetery under direction of Parsons-Ellis Funeral Home of Friona.

Mrs. Caldwell died Friday in Parmer County Community Hospital in Friona. She had been in ill health the past several months.

Born in 1888 in Oklahoma, Mrs. Caldwell moved to Bovina in 1925. She and her husband, E. T. who died in 1945, operated a grocery store and

the post office here for a number of years. Mrs. Caldwell had also taught piano for 70 years. A long-time member of the Methodist Church, Mrs. Caldwell was active in United Methodist Women and was a former member of the Bovina Woman's Study Club.

Survivors include two sons, George Caldwell of Amarillo and Ed Caldwell of Garland; a daughter, Miss Rita Caldwell of Bovina; and four grandchildren. Mrs. Caldwell was preceded in death by her husband and two sons, Richard in 1932 and Willis in 1939.

Pallbearers were Bob Caldwell, Ken Caldwell, Bruce Caldwell, John Caldwell, Bill Caldwell and Gerald Caldwell.

LEGAL NOTICE

ORDINANCE NO. 501
AN ORDINANCE DEFINING THE TERM "PARKING AREA" AND PROVIDING THAT CERTAIN ACTS AND CONDUCT OF PERSONS IN SAID PARKING AREA SHALL BE UNLAWFUL AND PROVIDING A PENALTY THEREFOR.

person;
(2) Use loud, obscene, vulgar, indecent language, swear, curse, yell or shriek in such a manner calculated to disturb the person or persons present or nearby;
(3) Throw any object capable of causing bodily harm or property damage at another person or property with intent to injure or damage;

(4) Congregate with another person or persons or loiter after entering the premises, and willfully refuse to leave after having been notified to leave by the owner or the person in possession and control of the premises or his agent.

Section 4: It shall be unlawful for any person to throw or deposit any trash, litter, or other waste on a parking area.

Section 5: Any person who violates any provision of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than \$25.00 nor more than \$200.00.

Section 6: If any provision, sentence, sub-section, clause, phrase or word of this ordinance or the application thereof of any person or circumstance is held invalid, such holding shall not affect the validity of the remaining provision of this act, and the City Council hereby declares that it would have passed the remaining portion irrespective of such validity.

PASSED AND APPROVED THIS THE 10TH DAY OF NOVEMBER 1975.

What We Could Do
Right now, without learning a new thing from the research laboratories we could save over 100,000 additional lives this year from cancer, if everyone got the American Cancer Society's message about the importance of early diagnosis and prompt, proper treatment, and had regular health checkups.

CARDS OF THANKS
I am no longer connected with Hi-Plains Feed Yard as of Nov. 13, 1975. Due to my health I have resigned. I wish to thank all the customers that fed cattle with us during my nine years. I hope you will continue to feed cattle at Hi-Plains Feed Yard. Respectfully,
Earl Elam 7-1tc

We have suffered a great loss. Our mother and grandmother has gone from our family circle, and we miss her. But the All Wise Master had a larger place of service for her. So she entered it according to his will. We do not weep for her. We weep for ourselves because we are lonely. Thank you for your prayers, cards, flowers, food, visits and love have helped make our deep sorrow a bit more easy to bear, and we want to thank you. May God richly bless you for every act of kindness. Sincerely,
The Family of Mrs. Eva Roberson

Skin cancer, the most common form of cancer in America and at the same time the most curable, can often be easily treated in a doctor's office, says the American Cancer Society.

LEGAL NOTICE

ORDINANCE NO. 500
AN ORDINANCE MAKING IT UNLAWFUL TO DRINK, CONSUME, OR POSSESS FOR THE PURPOSE OF DRINKING OR CONSUMING, ANY ALCOHOLIC BEVERAGE ON ANY STREET, ALLEY, PARK OR PARKING LOT WITHIN THE CITY OF FRIONA, TEXAS, MAKING POSSESSION OF AN OPEN OR BROKEN-SEAL CONTAINER EVIDENCE OF ILLEGAL POSSESSION, PROVIDING FOR SEIZURE AND ARREST WITHOUT WARRANT FOR VIOLATIONS OF ORDINANCE, CREATING PENALTY OF FINE NOT TO EXCEED \$200.00 FOR EACH VIOLATION, AND PROVIDING EFFECTIVE DATE.

WHEREAS, the City Council finds that the consumption of alcoholic beverages in public places within the City of Friona has become a public nuisance and an encouragement to vandalism and littering, all of which is damaging to the public peace and welfare. NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FRIONA, TEXAS:

I. It shall hereafter be unlawful to drink, consume or possess for the purpose of drinking or consuming any alcoholic beverage on any public street, alley, park or parking lot within the city limits of the City of Friona, Texas.

II. Possession of an opened or broken-seal container, containing any alcoholic beverage, shall be prime facie evidence that the possession is for the purpose of consumption. Such possession need not be exclusive to a violation of this Ordinance.

III. Any alcoholic beverage possessed in violation of this ordinance is declared to be an illicit beverage and may be seized without warrant to be used as evidence of a violation of law, and any person in possession thereof may be arrested without a warrant.

IV. Any person violating this act, upon conviction, shall be fined a sum not exceed Two Hundred Dollars (\$200.00).

V. This ordinance shall become effective immediately upon publication of notice hereof as required by law. APPROVED AND PASSED THIS THE 10TH DAY OF NOVEMBER 1975.

A.L. Black Honored At Texas Tech Fete

A.L. Black of Friona was one of three persons honored with an "Outstanding Agriculturist Award" by Texas Tech University at the 48th annual Pig Roast sponsored by the Texas Tech Agricultural Council at Lubbock on November 6.

Also honored at the annual event was O.J. Barron, Jr., owner-operator of the Spur Headquarters Ranch and "Big Ed" Wilkes, farm director for radio station KFYO in Lubbock since 1962.

The three awards bring to 23 the number of area agriculturists that have been honored since Texas Tech instigated the practice.

Black, farmer and agri-business leader, was born and raised in Curry County, New Mexico, and moved to Parmer County, Texas, in 1944.

Presently, besides farming and cattle feeding, his business interests are Vice President of Friona Industries, and Chairman of the Board of Directors of Friona State Bank.

He was Supervisor of Parmer County Soil and Water Conservation District for thirty-two years, serving as Chairman of the Board for over one-half of this time; served as a Director and President of the State Soil and Water Conservation District Association; Past Director to the National Association of Conservation Districts; is serving on the National Association of Soil and Water Conservation Districts, and is

A. L. BLACK

a Trustee of High Plains Research Foundation.

Mr. Black is Director of Texas Cattle Feeders Association, and is now serving on the Environmental and Science Committee of American National Cattle Raisers Association.

He is past President of Water, Inc., and is serving as Advisory Director at present; is a Director of the West Texas Water Institute; is Past Director of the West Texas-New Mexico Sugar Beet Growers; and is a member of the Texas Water Development Board. He was chosen by Progressive Farmer magazine as "Farmer of the Year in Texas" in 1968.

CONSUMER ORNAMENT

Getting Maximum Value

How can you be more sure you're getting the most for your money when you shop? Little clues may tell you a lot. For instance, if the rolls in a restaurant are fresh, it's an indication that the meat and fish are also first rate. If a store shows sufficient concern for its customers to accept their credit cards, it probably watches out for the customers in other ways, too.

Many people prefer not to carry large amounts of cash and they like the financial freedom that credit cards, such as the American Express Card, offer.

Most quality retailers see the credit card much as they do their heating, rest rooms and lighting, as a customer service that's part of doing business.

In fact, many merchants accept credit cards because their customers demand that they do. People carry credit cards because they provide written records of all purchases and because they provide great financial flexibility. They are also a safe, secure way of carrying a lot of money.

Basically, the kind of stores that cater to customers this way are the ones to take your custom to.

Rites Held For J.Q. Finney, 69

J.Q. Finney, 69, a farmer active in the affairs of his community, died last week in a Lubbock hospital after an illness of three weeks.

Funeral services were at 2 p.m. Thursday in First Baptist Church of Plainview. Officiating were Dr. Carlos McLeod, pastor, and Dr. W. Neil Record, development advisor of Wayland Baptist College. Burial was in Plainview Memorial Park by Wood-Dunning Funeral Home.

A resident of 1801 Floyddada St., Plainview, Finney was born August 23, 1906 in Red Springs and moved from there to Kress in 1918. He lived in Kress until 1932 when he moved to Edmonson.

Finney was a former school trustee for the old

J.Q. FINNEY

Running Water School. A member of First Baptist Church in Plainview, he served as Sunday School superintendent of the Edmonson First Baptist Church while a resident of Edmonson.

Finney moved into Plainview in 1952. He and the former Una Mae Copelin were married May 24, 1930 in Portales, New Mexico.

Surviving are his widow; two sons, Jake Finney of Plainview and Robert E. Finney of Muleshoe; one daughter, Mrs. Steve Messenger of Amarillo, a former Friona resident; two sisters, Mrs. Guy Cherry of Woodland, Calif. and Mrs. A.D. Moore of Kress; and eight grandchildren.

Painters decorate the

The Electric Heat Pump - The "Most" in Year 'Round Comfort Conditioning

If you're thinking about the comforts of electric heating and air conditioning, consider the advantages of the electric heat pump.

• **ONE UNIT** comfort-conditions your home all year long with no seasonal equipment changeovers.

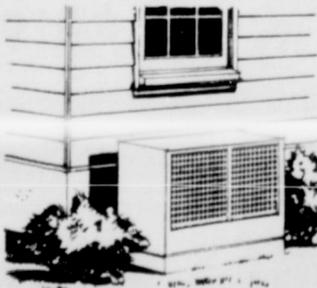

• **AUTOMATICALLY**, it reverses itself between heating and cooling.

• **INSTALLATION** is a simple job since only one unit is involved.

• **SAFE**. Unlike flame operations, there are no fumes, pilot lights or storage tanks.

• **ECONOMY**. It uses less electricity than separate electric furnace and air conditioning systems.

Electricity is too important to waste. Contact Deaf Smith Electric for money saving, electric efficiency hints.

COMPOSTED FEEDLOT MANURE IS BETTER

Composted Feedlot Manure From Our Stockpiles Offers These Advantages Over Freshly Scraped Manure.

- ★ One Step Closer To Availability Of Plant Nutrients.
- ★ Weed Seed Problems Are Substantially Reduced When Manure Is Stockpiled And Allowed To Compost Before Application.
- ★ Composted Manure Is More Granular And Spreads More Uniformly Than Freshly Scraped Manure.
- ★ Lower Moisture Content Makes Composted Manure A Better Bargain Than Freshly Scraped Manure.

HOW MUCH IS COMPOSTED MANURE WORTH ?

10 Tons Of Composted Feedlot Manure Per Acre Will Yield Approximately

- 320 UNITS OF NITROGEN (AT 1.6% N)
- 300 UNITS OF PHOSPHORUS P₂O₅ (AT 1.5% P₂O₅)
- 340 UNITS OF POTASSIUM K₂O (AT 1.7% K₂O)

Total Value In 10 Tons Of Composted Manure At Estimated Commercial Fertilizer Cost °

320 UNITS OF N AT \$1.19 PER UNIT	\$38.08
300 UNITS OF P ₂ O ₅ AT \$1.95 PER UNIT	\$58.50
340 UNITS OF K ₂ O AT \$.05 PER UNIT	\$17.00
	\$113.58

° Does Not Include Application Cost Of Commercial Fertilizer

CHIEFS FALL, 7-6

Controversial Call Nets Dimmitt Win

Friona's football luck continued bad last Friday night at Dimmitt, when the hometown Bobcats eked out a 7-6 decision.

The Bobcats won after a controversial two-point conversion attempt by the Chieftains in the last two minutes of the game was ruled no good.

The conversion attempt has been the object of much discussion since the game, with Friona coaches and officials not so upset by the fact that it was ruled no good as they were in the manner in which it was called.

It was several seconds after the play had been stopped before the ruling was made, and when it was, it came from the umpire, who was behind the play.

"It seems to me that the linesmen should have been on top of the play, and should have made an instant call," said Coach Mike Garrison.

Friona's big chance was set up by a tremendous defensive play late in the game that gave the Chieftains the ball at the Dimmitt five. Kenny Stowers pounced on a Dimmitt fumble at the Bobcat five, to make Friona's touchdown a possibility.

The Chieftains moved in to score in two plays, with hard-charging Glen London going over from the one. Only 1:39 showed on the clock when London crashed over for the score.

Following a time out, Davy Carthel got the call on the point try running, as Friona went for the win rather than the tie. Carthel hit the same hole that had paid off for the TD. After several seconds of pushing back and forth, they finally decided that the conversion try was no good, and that was the difference in the game.

The call was so long in coming that Coach Garrison went onto the field to find out about it, and Friona was penalized 15 yards for a personal foul on the kickoff.

Aside from the fumble recovery that set up the Friona score, the Chieftains never had a threatening drive. "It was our poorest game from an offensive standpoint in several games, but the defense played a superior game," Garrison said.

Friona did have one apparent drive going early in the final quarter when sophomore fullback London gained 29 yards in three consecutive plays, (9, 11 and 9) to move the ball from Friona's own 15 out to near midfield.

However, the Chieftains then elected to go to the air, and had a pass intercepted by Dimmitt at midfield to put an end to that threat.

Friona held, forced a punt, and again moved to midfield before a clipping penalty pushed the team back to their own 35. This caused Friona to have to punt, and David Barnett got off his best kick of the night—a 50-yarder inside the Dimmitt 20. A clipping call against the Bobcats set them up in hazardous field position at their two, and two plays later the big fumble happened, giving Friona its golden opportunity.

The two teams played on near-even terms during the first half, which ended in a 0-0 tie. Dimmitt had threatened on the first play of the second quarter, when Thompson Mayberry got loose around left end and sprinted 49 yards before being stopped from behind at the Friona 25. The Chieftain defense dug in to hold, and Friona took over on the 26.

Friona's best scoring shot came late in the first quarter, after a roughing the kicker call against Dimmitt gave Friona a break and allowed to keep the ball at midfield. London ran 18 yards on a draw play a moment later, moving the ball to the Bobcat 35.

London gained nine yards in three tries, as the ball went to the 26, but on fourth down, Keith Martin was hit behind the line and Dimmitt took over.

Some good pass defense, particularly by Bobby Zetsche, kept Dimmitt from scoring in the first half. Twice Zetsche batted passes away from Mayberry at the last moment. Once, the speedy Bobcat was in the end zone when Zetsche denied him six points with a timely defensive play.

Friona tried a gamble in the third quarter that backfired and led to the Dimmitt score.

Facing fourth and one from their own 31, the Chieftains were given the green light. Friona's punting game had been less than spectacular to this point, having one punt blocked and another partially blocked. But London and Martin did not make the handoff cleanly, causing a fumble, and Dimmitt recovered at the 32.

The Bobcats took advantage of the break, scoring in only five plays. Larry Bossett got the touchdown from 20 yards out, and the high floating kick was barely good. The score came with 4:40 left in the period.

Zetsche returned the kickoff to the Chieftain 39 for good field position, but on the first down play,

Dimmitt broke through to nail Kelvin King for a nine-yard loss, and Friona had to punt on fourth down.

London, with a spectacular second half, netted 113 yards rushing for the night to claim individual rushing honors. Both teams had eight first downs, and Dimmitt led in total yardage, 221-153.

Carthel excelled on defense, getting 13 unassisted tackles and 16 assisted stops. The game was a hard-hitting affair, played in near-perfect weather, especially for the time of year.

STILL BUDDIES...Gene Strickland, left, a member of the Wayland Baptist College junior varsity, and Dale Cleveland, who is on the Amarillo College team, met as opponents for the first time last Saturday night at Amarillo. A large

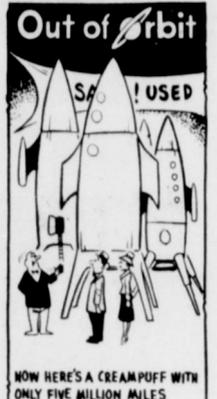

delegation of Friona fans were on hand at the AC Gym to watch the game. The two former Friona Chieftains saw considerable action. Strickland scored eight points and Cleveland six in the contest.

Oops!!

In our "Oops" department, the star owes an apology to David Gowens, a senior member of the Friona Chieftains. David was not present when the senior group picture was made that we printed last week, and inadvertently his name was omitted from the list of seniors.

Also, in a recent report, we called Sandy Peters a freshman, but Sandy is a sophomore and has played on the JV all year.

Our apologies to these two players.

Junior Varsity Tops Littlefield

Friona's Junior Varsity Chieftains wound up their 1975 season on a winning note Thursday at Littlefield, coming from behind for a 13-12 win.

The win gave the Chieftain JV a final season record of 7-1, their only loss being 20-7 at the hands of Tulla in a game at the Hornets' home field.

Thursday's game was marred by an injury to Chieftain quarterback Todd Bandy, who sustained a broken collarbone during the fourth quarter.

Littlefield took the lead in the first quarter, driving 49 yards for a touchdown. The extra point kick failed, for a 6-0 score.

The Wildcats made it 12-0 in the second quarter, aided by a 34-yard pass play.

Friona got on the scoreboard in the third quarter, the second time they had the ball. Friona drove 49 yards. Mark Lunday got the touchdown from the Littlefield 13. Friona's extra point kick looked good, but officials ruled it was wide.

After Bandy's injury early in the fourth quarter, Clint Mears came in and connected with Cliff McLellan on a 39-yard pass play good for six points. Edward Castillo's kick could not be denied this time, and the Chieftains took a 13-12 lead.

The Friona JV then held on for the win.

School Passes "No Bias" Statement

The Friona School Board has adopted a statement of compliance relating to Title IX of the Education Amendments by the Department of Health, Education and Welfare.

The statement was approved at the regular monthly meeting of the Board of Trustees this past Monday night.

The statement guarantees that no person shall be excluded from any educational program or activity on the basis of sex.

In other business, the board appointed an 11-member textbook committee for selection of textbooks to be used next school year. The committee will specifically select textbooks for spelling and math, grades one and two, and bilingual social studies, grades one and two.

Members of the committee are Decimae Beene, Linda Fithen, Mary Merrell, Wana Brewer, Kay Hinton, Faye Smith, Patsy Gresham, Jeanne Moseley, Cecil Maddox, J. T. Gee and Superintendent Tom Jarboe.

Porter Roberts, tax assessor and collector, reported that taxes collected during October amounted to \$121,772.65, or 16.9 per cent of the tax roll. This compares to collections of 18.4 per cent through the same date in 1974.

Bernard Gowens of the accounting firm of Brown, Graham and Company gave a report on the audit for the 1974-75 school audit. The board accepted the report as presented.

Three sealed bids had been received on a 1964 Dodge school bus which was advertised by the school district. However, it was the feeling of the board that the bus would be worth more to the district as a spare bus than selling at the highest bid of \$579.00. Thus, all bids were rejected.

The board approved a request from Mrs. Marion Williams to be released from her contract as of December 31. Mrs. Williams plans to move to Stratford, where her

husband will be engaged in farming.

The complete text of the statement of compliance that was adopted follows:

Statement of Compliance

Title IX of the Education Amendments of 1972 and subsequent regulations of the U. S. Department of Health, Education, and Welfare became effective on July 21, 1975. Title IX specifically states:

"No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

The regulations instruct school districts to disseminate a policy statement of intent to comply. The following policy statement is submitted:

"The Friona Independent School District will not discriminate because of race, color, religion, sex, or national origin, in the education programs or activities which it operates, including employment therein."

Grievance Procedure

The primary purpose of this procedure is to provide for prompt and equitable resolution of student and employee complaints alleging any action which would be prohibited by Title IX regulations.

Level One

The resolution of a grievance through free and informal communications as close as possible to the point of origin is encouraged. A student with a grievance may first air it with the principal. An employee with a grievance may first take it to his/her immediate supervisor or principal.

Level Two

In the event the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, within ten (10) days he/she may file the grievance in writing to Mr. Tom

B. Jarboe, Supt., Friona Independent School District, Box 607, Friona, Texas 79035 (Phone 247-2281). Within ten (10) days from the receipt of the grievance, the Superintendent shall arrange a conference with the aggrieved or render a written decision.

Level Three

In the event the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, within ten (10) days he/she may write the Superintendent, Friona Independent School District, Box 607, Friona, Texas 79035, and request a hearing before the Board of Trustees of the district. Arrangements will be made for such a hearing and it will be placed on the agenda to be heard within thirty (30) days of the receipt of such a request.

Level Four

If the aggrieved person is not satisfied with the decision of the Board, he/she may appeal their ruling through another administrative avenue, including the Texas Education Agency and the Department of Health, Education and Welfare, or through judicial procedure.

United Fund Drive Starts In Friona

(Continued from Page 1)

agencies (1975 budget figures are included): Boy Scouts \$2,000; Girl Scouts \$2,000; American Red Cross, \$1200; Salvation Army \$900; Friona Emergency Fund \$465; American Field Service \$750; Texas Community Service \$50.00 and U.S.O. \$125.00.

The drive officials urge every resident of the Friona area to dig deep when the UF representative calls upon them.

Pioneer Declares Dividend

The Board of Directors of Pioneer Corporation (formerly Pioneer Natural Gas Company) declared a regular quarterly dividend of 30 cents per share at their meeting held today in Amarillo. The dividend is payable December 4, to stockholders of record on November 20.

Consolidated net income for the company's third quarter operations amounted to \$7,904,677. For the first nine months of 1975, consolidated net income was \$20,478,396.

In discussing the results of the third quarter, K.B. "Tex" Watson, Pioneer President said, "Due to abnormally wet and cooler weather in Pioneer's service area during the summer, the amount of gas sold for irrigation was much less than normal. Volumes sold for irrigation in the third quarter were in excess of six billion cubic feet below 1974. Substitute sales were contracted mostly effective in the third quarter, but also extending into the fourth quarter. The increment on these sales will offset the decline in the expected net operating revenue from irrigation sales."

Watson pointed out that the substitute sales also will ease operating problems resulting from the reduced demand and the minimum purchase commitments in gas purchase contracts.

It was announced at the meeting that the stockholders of Geo Industries Inc., had approved the exchange of the assets of Geo for Pioneer Corporation stock. Finalization of this transaction is expected within the next 10 days and the activities of Geo will be carried on by a wholly-owned subsidiary of Pioneer Corporation, Pioneer Uranium Inc., with headquarters in Grand Junction, Colo.

FRIONA UNITED METHODIST CHURCH

SPEAKER
Rev. Mr. Ted Dotts
Pastor, St. John's United Methodist Church

MUSIC LEADER
Mrs. Ted Dotts

Sunday - Thursday
Evening
Services
7:30 p.m.

DAILY SCHEDULE

- ★ "Prayer and the Psalter" - 7:00 a.m. Breakfast Meetings Monday - Thursday
(Breakfast Served By Various Sunday School Classes)
- ★ "The History, Doctrines, and Organization of the United Methodist Church"
- ★ Monday - Thursday - 12:00 Noon Luncheon

(The noon luncheons will be served by various Church School classes, and individuals attending these luncheons are also asked to bring a covered dish to supplement the luncheons.)

Other Special Opportunities

- ★ Sunday Night November 16 - Bell Choir, Hereford United Methodist Church
Bob McFarland, Minister of Music, Soloist

Gayla Self Named To "Who's Who"

The complete biographies of 42 students at South Plains College will be listed in the 1974-75 edition of "Who's Who Among Students in American Junior Colleges."

A list of nominations, compiled by an SPC committee, recently was approved by the national office of "Who's Who," located in Tuscaloosa, Alabama.

Gayla Self of Friona was among the "Who's Who" nominations. She is the daughter of Mr. and Mrs. Max Self of Route 2, Friona.

Farrs Have Baby Girl

Mr. and Mrs. Randy Farr of Hereford are the parents of a baby girl born Sunday, November 9 in Northwest Texas Hospital in Amarillo.

She was named Bethany Allison, and weighed five pounds, fourteen ounces and was nineteen inches long at birth.

Grandparents are Mr. and Mrs. Alton Farr of Friona, Dr. and Mrs. Karl F. Roehrig of Dallas. Great-grandparents are Mr. and Mrs. W.L. Lewis of Ridgeland, Miss. and Mrs. E.L. Farr of Vernon, Texas.

Reunion Set

November 28

For OL School

A reunion of all ex-teachers, ex-students and families who lived in the old Oklahoma Lane School District will be held at 6 p.m. Friday, Nov. 28, in the Fellowship Hall of the Oklahoma Lane United Methodist Church.

Local ex-students and residents are requested to bring cookies for the event, according to Mrs. Harold Carpenter.

For further information concerning the reunion, interested persons may contact Mrs. Carpenter or Mrs. Leon Billingsley.

DE STUDENT OF WEEK....Roblin Renner has been chosen as this week's Distributive Education "Student of the Week." Roblin is a

senior at Friona High School and serves as D.E. president. He is employed at Friona Country Club.

Carol Reeve Named Junior Class Favorite

Carol Reeve of Friona has been named Junior Class Favorite this fall by fellow students at McMurry College in Abilene.

Carol was publicly named to the title at McMurry's November 7 Homecoming festivities. Students elected the favorites by secret ballot earlier under auspices of McMurry Student Government.

She is the daughter of Mrs. Fay Reeve of Friona. The McMurry student is a 1973 graduate of Friona High School.

Miss Reeve is a junior majoring in physical therapy. School activities include band, cheerleader, totem beauty, totem staff, member of T.J.P. social club, president of Wah Wahtaysee service organization.

Methodists Schedule Preaching Mission

Friona's United Methodist Church has scheduled a Fall Preaching Mission for November 16-20, it was announced this week by church officials.

Rev. Ted Dotts, pastor of St. John's United Methodist Church of Lubbock, will be the speaker for the series of services. Mrs. Ted Dotts will serve as music leader.

Services will be held at 7 a.m., 12 noon and 7:30 p.m. daily.

The breakfast meetings, entitled "Prayer and the Psalter" are scheduled Monday through Thursday at 7 a.m. Breakfast will be served by the various Sunday School Classes.

A noon covered dish luncheon will also be served at the church on Monday through Thursday, with classes likewise taking turns providing the meal.

Evening services are scheduled at 7:30 p.m., Sunday through Thursday.

A special occasion will be on the

MRS. TED DOTTS

REV. TED DOTTS

opening day of the services. Hereford's United Methodist Church will bring its bell choir, under the direction of Bob McFarland, who will also serve as soloist.

The history, doctrines and organization of the United Methodist

Church will be the basis for the week's messages.

Church members and others in the community are extended a cordial invitation to attend the series of services, according to Rev. Bobby McMillan, pastor.

Mr. and Mrs. E.S. White, Sr.

Whites Honored On 50th Anniversary

The children of Mr. and Mrs. Edward S. White Sr. honored the couple with a Golden Wedding Anniversary reception in the Community Room of Friona State Bank from 2 to 4 p.m. Sunday, November 9.

The serving table was covered with a white lace cloth over white satin. The satin scalloped ends were tied with gold satin ribbon bows with streamers. The centerpiece was an arrangement of gold mums, daisies and greenery in a gold candelabra with matching candles.

A four tiered cake with white and gold colored decorations and topped with an arrangement of daisies and crystal and silver serving pieces completed the table setting. Napkins were lettered "Ed and Fern, 1925-1975" in gold.

Cake, punch, coffee, nuts and mints were served by Mrs. L.R. White, Mrs. Fay Reeve, Mrs. Lillian McLellan, Mrs. Floyd Brookfield, Mrs. G.E. Reed, Mrs. Thelma Jones and Mrs. Lillie Taylor.

Host couples were Mr. and Mrs. Roy Campbell, El Paso; Mr. and Mrs. Robert Holder, Fort Worth; Mr. and Mrs. V.H. Roberts, Amarillo; Mr. and Mrs. Edward White Jr., Friona; Mr. and Mrs. John R. Cannon, Dumas; Mr. and Mrs. Raymond White, Stratford; Mr. and Mrs. W.C. Hinds, Canyon;

Mrs. Lois Milligan, Lubbock; and Richard White, Willard, New Mexico.

Guests were registered by Mrs. John Bengner and Mrs. J.L. Shaffer.

Relatives, besides the hosts, signing the register were Bobby and Eddie Holder, Fort Worth; John, Larry and Sami White, Friona; Pete White, Stratford; Pam and Kyle Hinds, Canyon; and Mr. and Mrs. Lee Roy Oliver, Dumas.

Also Mr. and Mrs. David Campbell and Marc and Mrs. Audrey Black and Kellie, El Paso; Mr. and Mrs. Earnel White, Fort Lauderdale, Florida; Mrs. Eula Coker and Mrs. Ethel Scott, Arcadia, Florida; Mr. and Mrs. Ernest McIntosh, Topeka, Kansas; and Mr. and Mrs. Oliver Catterson, Chanute, Kansas.

Also Mr. and Mrs. Roy Allen, Preston, Kansas; Mrs. Rose Hale, Perryton, Texas; Mrs. Maurine Russell, Eureka, Kansas.

Also Steve Roberts, Mr. and Mrs. Ronald Allen, Mr. and Mrs. Ronnie Martin and Mrs. Darlene Davis, Amarillo.

Other out-of-town guests were Walter Key, Amherst; Mr. and Mrs. Claude Bradley, Melrose, New Mexico; Mr. and Mrs. O.T. Patterson, Amarillo; Mr. and Mrs. J.P. Sims, Hereford; Jean Crawford and Del Nolte, Lubbock.

Town Talk

By June Floyd

Phone 247-3681

With Your News Item

Several of us are hospitalized this week. Mrs. Della Daniel of 1002 West Sixth Street is a surgical patient at St. Anthony's Hospital in Amarillo. Ann Martin, who lives at 1202 Euclid, is a patient at M.D. Anderson in Houston.

Jan Hammock, the daughter of Tommy and Barbara Hammock of Plainview, is also a patient at M.D. Anderson. The Hammocks are former residents of Friona.

Hardy May is a surgical patient at Deaf Smith Hospital in Hereford, and John Burrow is a medical patient at Lubbock's Methodist Hospital.

Cecil Sisk is a surgical patient at Veterans Hospital in Amarillo and should be coming home next week.

Earl Elam will be entering High Plains Baptist Hospital soon and will be having leg surgery. He will have a rather lengthy recovery time and has had to resign his job at Hi-Plains Feed Yard.

Bonnie Fallwell, the sophomore daughter of Mr. and Mrs. Buddy Fallwell, had knee surgery at St. Anthony's in Amarillo this past Friday and was able to come home Monday.

Bonnie is the last of the basketball playing Fallwells. For many years now, we've had Fallwell girls contributing to the successes of the Squaws.

First LaNora and Jimmie Sue played back in the late forties or early fifties. Then Linda and Hazel, who are nieces of LaNora and Jimmie Sue, played in the sixties. Terri added her bit to the sport in the seventies and now Bonnie is following along. Terri and Bonnie are younger sisters of Linda and Hazel.

Frances, who is the mother of these four, reported Thursday that Bonnie's doctor hasn't advised her yet about her future playing. However, her condition at this time is good. She's at home in a cast and on crutches.

Nellie Pearl Shelton of Nellie Jane's and Wahleah Beck of The Main Place attended a spring and summer apparel market in Amarillo Monday.

The Wednesday afternoon auto-graph party honoring Nelson Lewis upon publication of his first book, "Death Stalks The Valley," was very well attended.

Upon second thought, maybe this isn't his first book. He served as the author of "A History of Parmer County" last year.

"Death Stalks The Valley" is definitely Friona produced. Bobby Wied, local artist and teacher, did

the cover.

Our congratulations go to both these talented men.

Mr. and Mrs. Marvin Weese of Rolla, Kansas, were Sunday afternoon guests in the home of Mr. and Mrs. Glenn Floyd.

Ralph and Juanita Taylor spent last weekend with their son, Mike, in Kansas City.

Mike, a 1971 graduate of Friona High School, is a student at a hair styling school there.

Mr. and Mrs. Lee Gibson and children, Mitch and Tresha, spent the weekend with Mr. and Mrs. Thomas Gibson and children, who live on a farm near Copeland, Kansas.

Thomas and Lee are brothers and Mrs. Thomas Gibson is the former Fay Scales, daughter of Mr. and Mrs. C.C. Scales.

If Steve and Susie Carmichael Knox of Lubbock aren't "the best educated kids in the block," they should rank near the top soon.

Susie, who is a 1967 graduate of Friona High School, and the daughter of Mr. and Mrs. D.L. Carmichael, holds a bachelor of science degree from Texas Tech University.

She is also the new owner of a master's degree from the same university. She recently received a master of science degree in speech pathology and audiology and is employed as a speech pathologist by the Regional Education program for the deaf in Lubbock.

Steve, who grew up in Hereford, is working on a doctorate in electrical engineering with a nuclear fusion emphasis. His bachelor's and master's degrees are both from Texas Tech.

Our neighborhood has two new residents—or soon will have. Calvin Martin was married October 19 to Ann Smith and they are our across the street neighbors.

Then, as soon as utility connections are made, Janice Richards, one of our high school teachers, will be moving into a mobile home between the Bill Denneys and Dennis Auburgs.

Darlene Denney, youngest daughter of Bill and Esther Denney, has been at home several weeks

recuperating from injuries received in an accident involving a horse.

She has been on crutches and has improved to the extent that she has returned to her job at Northwest Texas Hospital in Amarillo.

There's a need for happy folks, Folks who are kind and true. There's a need for cheery smiles, Faith and a helping hand, too. Today we need all the goodness That anyone can gladly give. And the goodness will be repaid As long as the giver may live.

Lazbuddie 4-H's

Meet In Jesko Home

Five Lazbuddie Rookies in 4-H Foods and Nutrition boys and girls have been meeting in the home of their adult leader, Mrs. Pete Jesko.

Wednesday, November 5 the group learned how to measure liquid and dry ingredients accurately. Dry measuring cups were used to measure flour after it was sifted first. Mrs. Jesko showed how much more flour would have been used in the Butterscotch Brownies they prepared and baked if flour had not been sifted before measuring. Brown sugar was firmly packed for measuring in the dry measuring cups.

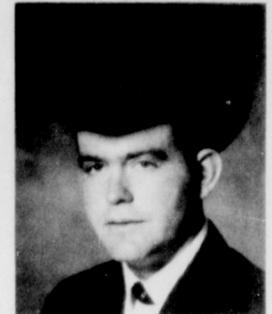

Liquids were measured in glass liquid measuring cups so that the accurate amount could be seen at eye level. Standard measuring spoons were used to measure the baking powder and vanilla and leveled off with a knife.

Rookies Launa Brockman, Maureen Jesko, Dean Mason, Mark Lust and Frank Jesko also studied how to read and follow a recipe. Different baking pans were measured so proper sized pans would be used in recipes.

Friday, November 7 the Foods Rookies visited a grocery store where they observed different forms of carrots and other foods available as canned, frozen, dehydrated and fresh. Weights and costs of cans and packages were compared.

Panned carrots were prepared by the 4-H boys and girls as the cooking rules for vegetables were observed. Launa, Maureen, Sean, Mark and Frank then studied how to store foods safely to prevent food spoilage. Bad bacteria grows and multiplies with food, moisture and warmth.

Further lessons will include how

MIKE HAND finished a six weeks basic certification course in law enforcement at Amarillo College on Friday, November 7. A banquet was held at Sutphen's Barbecue in Amarillo. The course is required by state law to be an officer. Mike's wife, his father, L.R. Hand and Friona's Chief of Police Bill Denney and his wife attended the banquet.

Mrs. Clark

Presents

Devotional

Black Study Club met Thursday, November 6 in the home of Mrs. T.A. Kelley.

Roll call was answered with a favorite Bible verse. A devotional program was given by Mrs. Clark Andrews of Friona.

Plans were made and the date set for the annual Thanksgiving dinner. The dinner will be held Sunday, November 23. The annual house-cleaning-work day for the Black Community Center will be November 20.

Guests attending the meeting were Mrs. Andrews, Mrs. Bob Essary of Black and Mrs. Earl Harkins.

Members present were Mrs. Kelley, Mrs. Ethel Bengner, Mrs. Helen Fangman, Mrs. Emma Elmore, Mrs. Travis Stone, Mrs. Gene Welch, Mrs. Harry Lookingbill, Mrs. Bill Carthel, Mrs. Lois Weatherly, Mrs. Charles Hamilton, Chad and Chris, Mrs. Troy White and Vacsia and Mrs. Roscoe Ivie.

FRIONA INDEPENDENT SCHOOL DISTRICT

Statement Of Revenues And Expenditures By Major Categories For The Year Ended August 31, 1975

	General Operating Fund	Designated Purpose Fund	Interest & Bonded Debt Fund	Totals
Total Revenues:				
Local and Intermediate Sources	\$ 531,695.43	\$ -0-	\$146,154.89	\$ 677,850.32
State Sources	924,183.93	16,584.64	-0-	940,768.57
Federal Sources, Transfers, & Non-Revenue Receipts	2,028.90	-0-	-0-	2,028.90
TOTAL REVENUE	\$1,457,908.26	\$ 16,584.64	\$146,154.89	\$1,620,647.79
Total Expenditures:				
Instruction Service	\$ 999,336.73	\$ 14,204.02	\$ -0-	\$1,013,540.75
Instructional Resources				
Media Services	14,872.96	4,359.73	-0-	19,232.69
School Administration	62,686.73	-0-	-0-	62,686.73
Guidance & Counseling Services	30,315.23	-0-	-0-	30,315.23
Health Services	9,336.66	-0-	-0-	9,336.66
Co-Curricular Activities	66,205.02	-0-	-0-	66,205.02
General Administration	73,676.26	141.00	133,088.30	206,905.56
Plant Maintenance & Operation	122,712.09	-0-	-0-	122,712.09
TOTAL EXPENDITURES	\$1,408,584.26	\$ 18,704.75	\$133,088.30	\$1,560,377.31
EXCESS REVENUE OVER EXPENDITURES	\$ 49,324.00	\$ (2,120.11)	\$ 13,066.59	\$ 60,270.48

The above figures are extracted from the school district's annual audit report.

(1) The designated purpose fund had \$339.53 cash in bank at August 31, 1975 and is not over-expended. This \$2120.11 was recorded in Revenues for the preceding year, but was expended during current fiscal year ended August 31, 1975.

for her copy. On the left is Rita Stephenson. Bobby Wied, second from the left, provided artwork for the book.

Dian Anthony Makes Trip To Arizona

Dian L. Anthony, a West Texas State University senior from Friona, was one of 10 students participating in a biology field trip to southern Arizona Oct. 22-26.

The students who are members of a plant ecology course, travelled to Tucson to visit the Arizona-Sonora Desert Museum which features live animals and plants.

Under the direction of Dr. Robert Wright, WTSU biology professor and co-sponsor Raymond Stone, the group made several expeditions into the desert and mountain regions of Arizona.

The ecology-oriented students also travelled to the Santa Catalina Mountains, the Jornada Experimental Ranch, and on the return trip, the New Mexico University Ranch.

Mrs. Anthony is the daughter of Mr. and Mrs. Herbert Day of Friona.

CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation.

For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots. **VALLEY**

Bi-Centennial Highlights Meeting

The Bi-Centennial theme was used at the Progressive Study Club meeting on Tuesday, November 11 at 8 p.m.

Meditation was given by Mary Echols. Rhonda Parsons entertained with a piano solo entitled, "Brian's Song." Roll call was answered by members with your favorite moment in American history.

Linda Warren was welcomed as a new club member.

"200 Years," a program on American history was given by Nelson Lewis, county historian.

Refreshments were served by Lois Norwood and Jeannette Maurer to thirteen members and guests, Johnnie Walters and Nelson Lewis.

Impress yourself while you express yourself.

Why not treat yourself right. When you've got something pleasant to say, say it on a phone that's a pleasure to use. The Styleline extension telephone.

It's our newest model and it shows it. It's up to date, feels right and looks great.

To make it easier to use, we've put the dial in the handset so it's always at your fingertip.

And, there's even a recall button beneath the dial so you don't have to hang up to hang up.

It's so handy calling's

GATLIN LAND CO.
ADAMS DRILLING

You can use blackboard chalk to mend nail holes in plaster walls. Just drive the piece into the hole and cut off flush with the wall.

SCS Report

The oil business in Parmer County by all appearances is really booming. You can see slush pit smoke from horizon to horizon.

This would be great if it were true. Oil brings money and security to a community. Stubble burning does not.

What are the advantages of stubble burning? At best the advantages are doubtful. It is a sign of a passing method of agriculture. The old generally accepted method used burning as a practice to make cultivation and land preparation easier. It was supposed to cut down on fertilizer rates and herbicide rates.

Crop residues contain soil nutrients that can be released for plant food.

They provide cover for pheasants. They provide an insulating layer on the ground to trap and preserve moisture. This means less irrigation to make a crop.

Crop residues also do another interesting thing. They add organic matter to the soil. Organic matter is the secret to soil tilth. Without it the soil gets to the point that it seals over and water will not penetrate it.

What actually happens when stubble is burned? It destroys all these good things. It also makes the environment pretty unbearable for those downwind from the burning fields. Smoke not only has caused accidents in the county, but it has cost some families money for doctor and medical bills.

There is relief however—new cultural practices are making the old obsolete. Burning residues is a thing of the past for many progressive farmers in Parmer County.

They have tried and liked the new and coming method of managing residues.

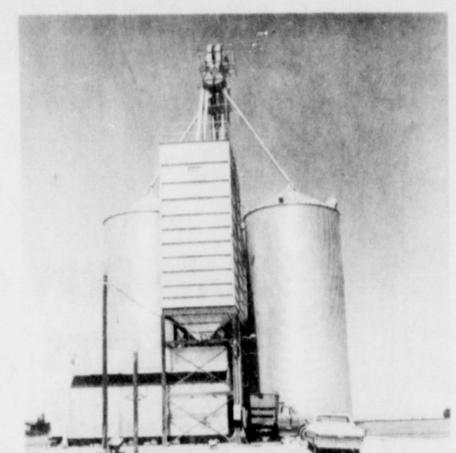

Maybe we won't have to hold our breath much longer. For information on the advantages of crop residue management contact the Soil Conservation Service in Friona.

If you were to make a plot of our annual growth rate, it would show a one-to-one correlation with our economic growth. That energy consumption and standard of living are inexorably tied together is true not only for the United States but for the whole world.

Our domestic reserves of oil are limited, and our reserves of gas are being rapidly depleted. Those who have studied the fuel situation often agree that conservation can only go so far and that the answer lies in using more nuclear power and coal.

Today, there are 55 operating nuclear plants generating a total of 8 per cent of our electric power. Interestingly, many major areas such as Chicago and Boston rely on nuclear power for 30 per cent of their electric power.

For Rent

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time.

other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

Criminal Cases Are On District Docket

Criminal cases will be on the docket when District Court convenes at Farwell on Tuesday of next week. Sheriff Charlie Lovelace said early this week that some 30 cases were pending, including 13 indictments which were returned by the Parmer County Grand Jury last week, and some unfinished cases carried over earlier.

A total of 113 petit jurors have been summoned for duty during the week. Those who have been summoned include:

Tuesday, November 18
Jerry Lee Smith, Wayne T. Schilling, Bruce Billingsley, Ben Rejino Jr., Glendon Sudderth, Keith Menefee, Doyle Johnson, Mrs. Diane Baize, Leo R. Berend, Lowell Booser, John L. Mitchell and Curtis Parker.

Also, Kathleen W. Plumb, Tom O'Brian, Fidencio Guzman, Mrs. Kenneth McGehee, Mrs. Jimmie Campbell, James L. Brown, Mrs. Melborn Jones, Billy R. Nazworth, Mrs. Dale McCuan, Royce B. Keck, A.A. Allen and Kenneth W. Neill.

Also, Mrs. Arthur C. Nittler, B.W. Turner, Mrs. Hubert H. Elliott, Cynthia Fay Barrett, Samuel F. Webb, Fred Barker Jr., Eddie Lynn Winegeart, Marilyn Winegeart, Edith Blair, O.W. Adams, Dale L. Cary and Mrs. A.H. Haseloff.

Also, David Fields, Lillian Clark, Darrell P. Mason, Mrs. Wayne A. Jones, Mrs. Norvin Preston, Travis S. Hancock, Mrs. G.W. Crain, Mary E. Priest, Mrs. George Patterson, Mrs. Myrtle Withrow, Barry

Williams and Mrs. Carol Tucker. Also, Elton R. Venable, Mrs. Jenny Mitchell, Vivian Ham, Mrs. Pershing Busbice, Blayne Dee Baxter, John C. Gaede, Mrs. Tommy Taylor, Mrs. Jessie Wolmon, Dewayne Estep, Joe A. Schilling, W.H. Sudderth and Jim Roy Daniel.

Also, George A. Frye, Charles A. Morrison, Jimmie Heard, Mrs. Odie White, Mrs. Joe A. Sears, Mrs. A.S. Grubbs, Lewis Tharp, James E. Curtis, Terri Edwards, Barbara Defoor, Jon Mack Roden and Mrs. Brenda B. Pace.

Wednesday, November 19
Ben Finch, Miss Greta Paul, Mrs. E.H. Bradshaw, Oakley D. Stevenson, Mrs. A.W. Gober, DeWitt Precure, Mrs. Charles F. Hall, John Baca, Jarrell Wright, Marilyn Joy Hinkson, Mrs. Robert D. White and Mrs. Reeta Agee.

Also, Davis Gulley, W.S. Ingram, Mrs. Vickie Burch, Mrs. Phil R. Jones, J.W. Jones, Mrs. Van E. Nichols, Eddie Brian Smith, Asa G. Smith, Troy Christian, Roy G. Clements, Mrs. L.B. Hambricht and Mrs. Gil DeLeon.

Also, Mrs. Zoe Clary, Mrs. Mitchell Henderson, Mrs. Linda May, Elmer Scott, Billy R. Wishire, Carl Schlenker, Jesse T. Coburn Jr., James Craig and Mrs. Mike Riethmayer.

Also, Johnie Horn, W.T. Perry, Mrs. Delton Lewellen, Mrs. Harold Stovall, Leslie Rushing, Mrs. O.O. Dale, Mrs. J.L. Shaffer and Jack Smith.

All For A Paper

The man sent his little boy over to borrow a copy of the home paper from his neighbor. In his haste the little fellow ran over a hive of bees and in 10 minutes he looked like a warty squash.

His cries reached his father who ran to his assistance, and failing to see a barbed wire fence, he ran into it and broke it down. The blow took a handful of flesh from his body, and ruined a \$20 pair of pants.

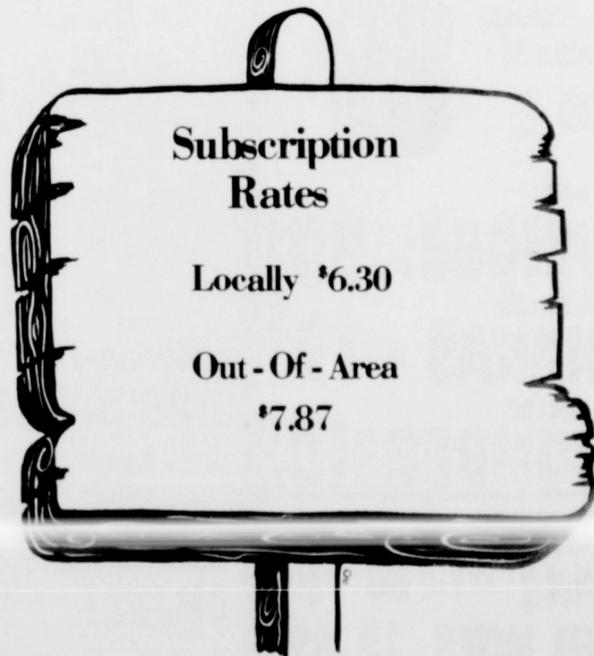

The cow took advantage of the gap in the fence and got in the corn. Hearing racket outside, the wife ran out, upsetting a five-gallon churn of cream into a basket of kittens, drowning them, and in her haste lost a \$200 set of false teeth.

During the excitement the eldest daughter ran away with the hired man. The dog broke up 10 settings of eggs, and the calves chewed the sleeves off seven shirts.

The baby, left alone, crawled through the cream into the parlor and ruined a \$300 rug.

"It is cheaper to have the paper delivered," says the old farmer, "and I will from now on."

Don't let this happen
to you.
