

### Star Lites

By Bill Ellis

OUR COMPLIMENTS to Betsy Cook and her staff for one of the finest Maize Queen's pageants we have had the pleasure of watching.

The talent by Randy and Sherry Talley was a real bonus for all of those attending. It is a feather in Friona's cap to be able to claim Sherry, since she was born here. You can readily see why she won the title of Miss Hereford, and did a good job of competing in the Miss Texas contest.

And, on the subject of talent, it was our personal opinion that the talent portion of the Maize Queen contest is getting better all the time. The talent acts this year showed more originality, and this, we would believe, makes a hit with the judges.

It was a little warm in the auditorium, and this was a little bit of a detraction for those of us trying to recover from the flu, but that is one of those things you have to grin (or sweat) and bear.

The queen entrants did a fine job, and all are to be congratulated. We never cease to be amazed at the talent we "discover" that certain girls have when it comes down to the Maize Queen contest. Some of the girls we've known practically all of their lives, and yet they surprise us when they come down to the competition.

Good job, everyone!

++ ++ ++  
**THE STRIKING TACTICS** by teams in the National Football League are not only causing headaches for the owners and fans of the NFL teams, but they are bothering us as well.

Last week's Friona Star football contest contained the game between the Patriots and Jets, in which the Patriots pulled their now-famous strike. In the case of that game, we just threw it out, and didn't count it one way or the other.

We jokingly told one contestant that it's kinda like the tie games, which theoretically a fan can pick if they want to buck the odds. Now, apparently, there is a new dimension where the pros are concerned. Fans may have to be given the option of writing "strike" in the blank for the pro teams, if they predict that a certain game will end up with one or the other teams refusing to play.

We put up with strikes by some of our larger companies and industries, but somehow the strike tactics don't seem to fit the athletic world.

It's comforting to know that we can plan to see all of the Friona Chieftain games this fall. As far as we know, the Chieftains don't plan a strike during the current season, although no vote on the subject has been taken; so perhaps we'd better not say for sure.

++ ++ ++  
WE WERE PROBABLY the only ones in the audience Thursday night who could properly appreciate Leesa Mercer's skit in the queen's contest. Leesa was the one who dressed as a cockroach, and was supposedly writing a weekly column for the New York Sun.

Leesa referred to the problems involved, and all the worry that goes with the responsibility of writing a column for a newspaper. She also referred to "pacing back and forth" while attempting to get inspired.

There is a lot of truth to what she said in the skit. We just got back from some of that pacing. We went out to the refrigerator and got a Coke. Maybe it will help us get inspired for the rest of the column.

++ ++ ++  
SEVERAL FOLKS have said some nice things about our Maize Days special issue of last week, and we appreciate the compliments. In this business, if you ever hear something nice, in place of "Why'd you spell it that way?" you feel like retiring while you're ahead.

We were very proud of the edition, from several angles. We thought the

were great. We're looking forward to more stories and photos out of Jan in the future.

Several have commented on the series of "Remembering" features, by Bill Brooks of Big Spring. These were tailor-made for our Maize Days issue. We plan to continue running one of the features each week for our enjoyment.

Also, we thought our student photographer Hal Blackburn did a fine job in photographing the Maize Queen entrants. Hal is developing into a good photographer.

We appreciate the good support of our advertisers who made this issue possible. And the support of our readers. You're a good group!

++ ++ ++  
WE'VE JUST heard about the tightest man in Friona. When his wife had her tonsils removed, the doctor remarked that she should have had them out when she was a child. So the old boy promptly sent the hospital bill to his father-in-law.

12 PAGES

TOP THREE....The top three contestants in the Maize Queen contest Thursday are shown above.

Left to right are Genie Nelson, first runnerup; Maize Queen Nell Fulks, and second runnerup Julie Johnson.

The girls were picked from a field of 28 contestants. (Photo by Hal Blackburn)

## Nell Fulks Named 1975 Maize Queen

Nell Fulks, 17-year-old daughter of Mr. and Mrs. J. Vonne Fulks, was named "Maize Queen" for 1975-76 in the annual pageant Thursday night at the Friona High School Auditorium.

Miss Fulks, a senior at Friona High School, has light brown hair and blue eyes. She presented a reading entitled "Respect Takes Teaching," calling for respect for the American flag, as her talent act.

First runnerup in the contest was Genie Nelson, daughter of Mr. and Mrs. Grady Nelson, a senior at FHS. Second runner-up was Julie Johnson, daughter of Mr. and Mrs. Leroy Johnson, a senior.

Miss Nelson, a blonde with green eyes, did a routine using her original water color paintings in a mock "art show" as her talent act. She proved to have considerable talent in the art field, as well as stage presence.

Miss Johnson, a brown-haired green-eyed beauty, presented a saxophone jazz medley, and showed the audience why she has earned all-state band ratings with her music.

Others chosen in the top ten list of the contest included Paula London, who performed a pantomime to "Love Will Keep Us Together," Leesa Mercer, who did a comic routine as a cricket who wrote a column for the New York Sun.

Also, Cindy Lundy, who twirled flaming batons to a march tune and Denise Shipp, who did a lovable imitation of the accident prone Charlie Chaplin.

Also, Iris Stephenson, who performed an original reading and song tying in Maize Days with the Bicentennial; Pam Veazey, who did an interpretative dance in sailor costume to "Let Me Go Home," and Lisa Edelman, who performed a piano solo entitled "Banjos."

Providing entertainment for the audience during the "break" periods were Sherry and Randy Talley of Phillips.

Sherry sang "Stop and Smell the Roses," "To God Be the Glory," a medley of "Look Away, Dixie Land" and "Battle Hymn of the Republic." Randy performed "Laughter in the Rain" and "Rhinstone Cow-

boy." The two teamed up for a duet on their closing number, "God Bless America," more than appropriate for the Bicentennial theme.

Providing a backdrop for the contest was a full-color American flag, painted by Linda Cord and Dianne Tatum.

Keith Ingram of KICA radio, Clovis, served as master of ceremonies, and kept the contest moving with timely remarks and appropriate jokes.

During the singing of the National Anthem at the beginning of the program, a group of five boys served as living statues, portraying the raising of the flag on Iowa Jima. Doing a very effective job were Danny Campbell, Bobby Zetsche, Davy Carthel, Kent Miller and Keith Pryor.

For the opening number, all 28 of the contestants marched onto the stage, singing "You're a Grand Old Flag."

Betsy Cook was chairman of the Queen's Contest. Committee members were Raye Jene London, Carolyn Carson and Sue Beene.

## Mules Display Aerial Tricks

The Muleshoe Mules placed the damper on the football portion of Friona's Maize Days celebration, making off with a 26-12 win over the Chieftains Friday night at Chieftain Field.

The game marked the second season win for the Mules, against a loss to Olton. For the Chiefs, it was their first loss, after winning their opener and being idle last week.

"I think the week layoff definitely hurt us, and our inexperience showed up. I had said we'd have to play error-free ball to beat Muleshoe, and we didn't do it," Coach Mike Garrison said.

Muleshoe took advantage of our mistakes. We didn't make the right play at the right time. I was disappointed in the number of mistakes we made. We didn't execute on offense like I thought we could, and we broke down on defense at bad times," Garrison continued.

The Chieftain mentor added that he thought the Chiefs had the character to bounce back, in spite of the loss. "We're not down on the kids, and hope the fans aren't," he concluded.

A bright spot in a losing cause was fullback Davy Carthel, who scored a touchdown and rushed for 132 yards in only eight carries. Davy also had another 42-yard run erased due to a penalty, and earlier had a 50-yard kickoff called back due to a clipping penalty.

Red flags haunted the Chieftains all night. Their opening drive was foiled by two red flags, and all during the game it seemed that the flag would fly just at the worst possible time for Friona.

The Mules took advantage of an early Friona mistake, to take a 6-0 first quarter lead. Kent Miller

fielded a Muleshoe punt on the run, and was hit head on by a Mule tackler. Kent lost the ball, and got "his bell rung" in the process, missing the rest of the game.

Mule quarterback Carey Sudduth tossed a pass to end Ruben Gonzales on the first play. Gonzales had worked his way in behind the Chieftain defenders and caught the ball at the goal line. Extra point kick was wide.

Rolando Caballero showed a nifty punt return for the Chiefs early in the second quarter, going 40 yards up the sideline and giving the Chiefs field position at the Muleshoe 35.

The team drove in for the score. Glen London ran 34 of the yards in three plays, and quarterback Keith Martin ran it over from the one. After a penalty put the ball on the one, London ran across for two points, and Friona had an 8-6 lead with 8:19 left in the half.

Muleshoe bounced back. The Mules drove 63 yards, with Sudduth hooking up with Gonzales again on a 26-yard scoring bomb. Friona blocked the kick, but the visitors led, 12-8.

It was at this point that Carthel had his 50-yard kick return which was nullified by offsetting penalties. Friona would have had the ball at the Muleshoe 30.

Even then, the Chiefs drove to the Muleshoe 23, before losing the ball on downs. Halftime found the Mules nursing their 12-8 lead.

The second half started out on a bad note, with the Chiefs being penalized 15 yards for not being on the field. Things went from bad to worse when on the second play Friona fumbled and the Mules recovered on the Friona 17. On the

(Continued on Page 7)

### FOOTBALL CONTEST

## Jack Clark Wins, Takes Over Lead

Jack Clark was the winner of the second week of the Friona Star's football contest, and in so doing, took over first place in the overall standings.

Clark and Ron Cain were the only two contestants from a field of 217 which entered the second week's grid guessing event to correctly pick 16 of the games.

Eighteen was the top score possible, due to the Canyon-Borger tie game, and the New York Jet-New England "strike" game, which was thrown out.

Clark earned the weekly first prize of \$10.00 with his prediction on the score of the Texico-Lazbuddie game. He pegged the score at 14-0, Texico, missing by only six points. The actual score came out 8-0, Texico. Cain picked the score at 6-6, and was eight points off on the score.

Cain was awarded the weekly second prize of \$6.00.

Third prize went to John L. Baxter, one of 15 contestants correctly picking 15 games. Baxter was only three points off on his tie-breaker score, guessing it at 11-0, and that earned him a check for \$4.00.

LITTLE MISS...Stephanie Reed, center, was crowned as "Little Miss Friona" during the pageant here Tuesday. First runnerup was Kathy

Williams, left, and Stormi Upton, right, was second runnerup. (See story, elsewhere in this issue)

### TO LEWELLEN

## Contract Awarded On Nursing Home

Contract was awarded for construction of the Friona Nursing Home at the second bid opening Monday, September 15.

Lewellen Construction Co. of Friona was successful bidder on the project, submitting a bid of \$214,900.

The only other bid received on the second round was by Averitt and Company of Lubbock, whose bid was \$382,977.

Lewellen's bid was within the bond issue amount of \$350,000. The local bidder had not submitted bids on the first round of bidding, when Averitt was low bidder at \$435,000. There were originally four bidders, ranging from the \$435,000 to \$514,000.

However, due to the low bid amount exceeding the bond issue as much as it did, the City Council was obliged to reject the bids and re-submit the issue. The council met with the board of governors from the nursing home and considered a 31-point proposal for reducing the cost of the project.

The bidding does not take into account paving around the project or utility extension costs. A contract for extending utilities was awarded in August, in the amount of \$13,837. The paving is expected to cost

the neighborhood of \$37,000. City Manager Jake Outland said he was of the opinion that the city could earmark its annual \$10,000 budget item for street improvements for the project. Also, it is hoped that some money can be saved from the original estimate for financing.

## Ribbon Ceremony Set For Bridge Tuesday

A ribbon cutting ceremony, to officially open the new bridge across Frio Draw on Highway 214, is scheduled for Tuesday, September 23 at 10:30 a.m.

The ceremony will be held atop the center of the overpass.

"The completion of the bridge culminates years of efforts on the part of city and county officials, as well as highway department officials," stated City Manager A.L. (Jake) Outland this week.

Outland expressed an invitation to the public to attend the ceremony. In addition to Mayor R.L. Fleming and other city officials, other dignitaries expected to attend

furniture and kitchen equipment.

Delton Lewellen, contractor, said he expected to begin dirt work and filling operations within the next week on the project.

The project is expected to take approximately 270 days according to

include George C. Wall, Jr., district engineer for the Lubbock District, State Highway Department; Judge Paul Fortenberry and the Parmer County Commissioners.

Also, former judge Archie Tarter of Lazbuddie; Rhea Bradley, resident supervising engineer, THD, Littlefield; O.L. Crain, Lubbock, former District 5 engineer; Sam Pinson, executive vice president, Austin Bridge Co., Dallas, and officials of the Boswell-Crafton Construction Co., contractors on the road portion of the project.

Representatives of the news media, both local and from the area, are also being invited.

# REMEMBERING...

By BILL D. BROOKS

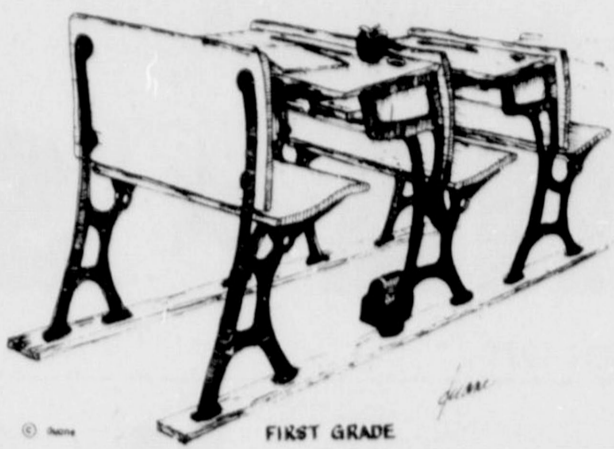

## First Grade

My mom took me to my room the first day. Good thing, too, I probably couldn't have found it by myself. The school was big, a maze of hallways, big rooms and dusty trophy cases. A friend of mine a year older than me had told me there were over seventy-five students in that school in the twelve grades and I believed it when I saw the building. My teacher seemed nice enough that day. She smiled at my mom and asked me if I had all my supplies. I held out my big chief tablet and cigar box of used-up crayons but she didn't take them. She told me to take the desk in the third row, four seats back.

The desks were made of heavy black cast iron and had wooden tops and seats, complete with carved initials, ink stains and scratches. There was a groove in the top for pencils and a big round hole. I learned later the hole was for an ink bottle, though we

weren't allowed to have one. Traditionally, the bottles were used to dip pigtales into and our teacher wasn't going to have any of that. The desks were all hooked together with wooden runners and the front of my desk was the back of the next one. Joel sat in front of me. He seemed nice enough. One day I looked down and discovered my shoes were wet. Joel didn't think about going to the toilet soon enough.

None of us liked to go to the toilet. It was the outdoor type and was very dirty and smelly. Older kids sometimes gave little ones trouble out there. They would threaten to drop you into the hole or throw your books or lunch down there or other things just as bad. There was never any toilet paper in the toilets and that made matters worse. One kid's mother made him carry some with him all the time in his hip pocket. We kidded him about it but we used to borrow from him

when there was a real emergency.

Our room had big high windows but they were too high off the floor for us to see outside. Kids might be distracted from the learning process if they could see outside. The teacher furnished our pencils. They were big fat ones with no eraser. We weren't allowed to sharpen them, she took care of that for us.

We did get to dust erasers once, though. The black-board erasers were clogged with chalk dust and the teacher sent three of us boys out to dust them. We pounded them on big flat rocks out behind the

building. But there were so many we got to goofing off and started dusting each other. Covered with chalk dust, we looked up to find the teacher, hands on hips, glaring at us. That was the last time we got to dust erasers but the first of many times we got paddled.

I either learned enough that year to go on to second grade or the teacher just wanted to get rid of me. I was glad, though, because second graders were big kids and they got to do what they wanted. They got to pick the desk they wanted. They could keep a notebook with real notebook paper and they even got to sharpen their own pencils.

**DICK BROWN** in the MASON (MICH.) NEWS....In the next three or four weeks the roads leading to colleges will be packed with youngsters on their way to college. They will be joined by the high school group lining up for the school buses. There is a warning that all these students should heed.

**There is nothing magic about education. There is no foolproof guarantee of success included in a college or high school diploma.**

There is no reason for every high school graduate to expect, deserve or need to go to college.

**The fact is that we live in an era when everyone needs an education. By education we do not necessarily mean formal schooling at the college level. We mean the development of the ability to perform meaningful and needed labor.**

Getting any kind of a job in these days of economic bind is tough but it is next to impossible for those with no trained and marketable skills.

**The formula for success in this day is simple. Find a line of work which you are capable of doing, which you like and for which there is a demand...and acquire the reputation of being a reliable, conscientious, loyal worker.**

Follow this formula and you can write your own ticket, even in this suppressed labor market in which we find ourselves.

Without this formula the most learned, educated college grads—those with degrees coming out their ears—can get nowhere.

**Learning, both formal and informal, both at the college level and the skilled trades, isn't automatic. It isn't instant success unless the knowledge gained is put to good use, unless there is a demand for the knowledge.**

Too many of today's high school grads are pressured into heading for college campuses when they should be eyeing the trades.

As someone once said, **"The society which scorns excellence in plumbing as a humble activity and tolerates shoddiness in philosophy because it is an exalted activity will have neither good plumbing nor good philosophy. Neither its pipes nor its theories will hold water."**

**PAUL DURHAM** in the DIBOLL-FREE PRESS....Who is we—On at

least two different occasions this newspaper had editorially supported this nation's trade with other countries, including the Soviet Union. Although we feel there should be some control on exports such as the big wheat sales, we still feel that there is merit in selling surpluses. For one thing, it makes farming worthwhile for our grain farmers.

This must be the way some farmers feel, too. Here is a recent article from the Farmland News titled "Who's We?"

Rep. John Y. McCollister (R-Neb.) has a point.

"I find it incredible that some people can stand up and say that 'we' should not sell our grain to the Soviet Union," he says.

**We? Whose grain is it anyway? Is it the longshoremen's grain? The government's grain?**

For the government to interfere and prevent sales would be outright confiscation, he says—without compensation, without a hearing, without so much as an apology.

**Increasingly, we encounter the kind of logic that regards the nation's crops as public property, to be disposed of by the government. The outrage of other independent businessmen were they subjected to this same reasoning can only be imagined.**

Pointing out that our farmers have produced a huge surplus of grain and that its sale is saving the taxpayer millions of dollars in storage costs, in addition to giving our balance of trade a badly needed boost, seems to have no effect at all. Reminding critics that the slipshod handling of the 1972 sale to Russia has been replaced by careful planning, full disclosure and hard bargaining doesn't help either. One wonders if anyone can seriously believe that the best interest of consumers requires rock-bottom commodity prices and a liberal sprinkling of farm bankruptcies.

It's ironic that farmers, virtually the only true independent businessmen left, are subject to such intense attempted regulation of the sale of the products.

"We" American consumers, usually with the encouragement of our legislators, do seem to regard the wheat field and corn fields as "ours."

**Do "we" plow until midnight,**

worry over fertilizer shortages, and take "our" losses when hail or drought destroy crops? Where are "we" when it's time to buy the fertilizer, cut the wheat and pay the mortgage?

Even in socialist countries, McCollister points out, where the government owns the means of production, it does not destroy individual property rights or repeal the law of supply and demand. Yet the leaders of some segments of organized labor and their friends in Congress presume to do just that.

## Little Miss Winners Are Named

Stephanie Reed, 6, daughter of Mr. and Mrs. Carter Reed of Friona, was crowned "Little Miss Friona" here Tuesday night in the first of several major activities for the annual Maize Days celebration.

First runnerup in the contest was Kathy Williams, daughter of Mr. and Mrs. Larry Williams. Second runnerup was Stormi Upton, daughter of Mrs. Martha Upton.

A good crowd attended the event, sponsored by the Friona Jaycees-Ettes at Friona High School Auditorium.

The contestants appeared in play wear and dressy outfits, carrying a maize stalk symbolic of "Maize Days." Each one was interviewed by James Stanfield, contest master of ceremonies.

Stanfield, a Ciovis radio personality, entertained with several country and western songs, including one of his originals. He has written some 40 country and western numbers.

Members of the Friona Thespian Troupe, sponsored by Joy Morton, also entertained. The Thespians helped backstage and handled the ushering duties.

Nineteen contestants took part in the pageant. It was the third annual "Little Miss Friona" contest sponsored by the Jaycees-Ettes.

## Friona Flashbacks

...from the files of The Friona Star

### 45 YEARS AGO—SEPT. 19, 1930

The town of Friona and surrounding country will have opportunity next week to gather together under the leadership of Capt. C.S. Nusbaum, noted lecturer on the subject of civic affairs, and under his guidance and advice will be able to ascertain the better ways of community cooperation.

### 40 YEARS AGO—SEPT. 20, 1935

This Friday evening is to give Friona a new experience—that of watching football played under floodlights. Also for the first time, the gridiron has been completely sodded in grass. There have been 22 boys working out for football, of which only six or seven have any previous experience. Farwell will be the opponent in the first game.

### 35 YEARS AGO—SEPT. 13, 1940

George McLean, Republican county chairman for Parmer County, is making an effort to have Wendell Wilkie's special train stop for a minute or two as it passes through Friona on next Tuesday afternoon. The time will be somewhere near 2 p.m. McLean hopes to have him appear on the rear platform of the train as it passes through so those unable to go to Amarillo to hear him speak may at least see him if they desire.

### 30 YEARS AGO—SEPT. 14, 1945

The new White's Auto Store on Main Street, under the management of C.A. Turner, will be ready to open its doors to the public for regular business on Saturday of this week,

according to Mr. Turner. Turner, who will continue to live at his farm home, has been dividing his time between the store work and the erection of his warehouse in the rear of the store.

### 25 YEARS AGO—SEPT. 14, 1950

The Parmer County Fair is scheduled this weekend in Friona, with activities on Thursday, Friday and Saturday. Wendol Christian of Oklahoma Lane is president of the County Fair Association. Other members of the board of directors are Dan Ethridge, secretary; Levi Johnson, A.L. Hartzog, John Getz, Virgil Teague, Floyd Schlenker, Jim Schaffer and Clyde Hays.

### 20 YEARS AGO—SEPT. 16, 1955

Queen of the Parmer County Fair, held last weekend in Friona, was Miss Sally Osborn, sponsored by Parmer County Implement Co. Second place went to Miss Janice Oliver, sponsored by Piggly Wiggly of Friona and third place winner was Doris Harriman, sponsored by the Waits Machine and Pump Company of Farwell.

### 15 YEARS AGO—SEPT. 15, 1960

Joy Ingram was crowned queen of Friona's Fourth Annual Maize Days Celebration last weekend, as sophomores at Friona High School swept the first three places. Sharon Reeve and Janet Buckley were her attendants. An estimated 4,000 people were served helpings of barbecue on Saturday to climax the

celebration on Saturday.

### 10 YEARS AGO—SEPT. 16, 1965

Funeral services for J.W. (Uncle John) White, founder of the Friona Star and longtime civic leader, were conducted at Friona's Union Congregational Church last Sunday. White was 97.

A field of 26 girls will vie for Maize Queen honors tonight in the annual queen's contest. Sandra Beene will relinquish her crown to one of the young ladies at the conclusion of the contest.

### 5 YEARS AGO—SEPT. 15, 1970

A new serviceman for Southwestern Public Service Company in Friona is Curtis Butler. He replaces Kenneth Gabehart, who recently moved from Friona. Butler, who has 19 years of experience with the company, comes to Friona from Canyon, where he was a line foreman. He was with the electric company there for 11 years.

# LEGAL NOTICE

**PUBLIC LEGAL NOTICE**  
THE STATE OF TEXAS  
COUNTY OF PARMER

KNOW ALL MEN BY THESE PRESENTS:

THAT the Commissioners Court of Parmer County, Texas, has determined in its discretion that it is advisable to make a lease or leases for mineral development of County School Lands belonging to Parmer County, Texas, situated in Gaines County, Texas, and such Commissioners Court does hereby give notice of its intention to lease the following described land for such purpose; to-wit:

All of the interests owned by Parmer County in and to the oil, gas and other hydrocarbons in and under; and that may be produced from labor 22, 11, 19 & 20, League 317, Parmer County School Lands, Gaines County, Texas.

The Commissioners Court of Parmer County, Texas, will receive and consider bids for such mineral lease as such Court may determine to make at the next regular term of such Court to be held at or after 10:00 o'clock a.m. of the second Monday in October, 1975; that is, the 13th day of October, 1975, at the Courthouse of Parmer County, Texas, in Farwell, Texas. On said date and at said place the Commissioners Court of Parmer County, Texas, will receive by Public Auction and consider upon public hearing any and all bids submitted for the leasing of said lands as hereinabove described and in the discretion of such Court will award the lease to the highest and best bidder submitting a bid therefor, provided that if, in the judgment of such Court the bids submitted do not represent the fair value of such leases, such Court in its discretion may reject same and again give notice and call for additional bids. The form of lease to be awarded pursuant to the successful bid is exhibited with the Resolution of such Court providing for receipt of such bids adopted on the 5th day of September, 1975 and may be inspected in the Office of the Clerk of said Court.

Labors 11, 19 and 20 are under an oil and gas lease which expires September 14, 1975. In the event the lease is extended by drilling or production, Labors 11, 19 & 20 will be withdrawn on the date of the sale.

WITNESS OUR HANDS and the Seal of said Court of Farwell, Texas, this 5th day of September, 1975.

## Cannon Sets Open House September 27th

Cannon AFB's annual "open house" has been scheduled for Saturday, Sept. 27.

Highlighting the event will be a performance of the Air Force demonstration team, the Thunderbirds. The aerobatics of the Thunderbirds are scheduled to begin at 3 p.m. on the 27th and will continue until 4 p.m. The Thunderbirds have presented precision aerial maneuvers throughout the world, demonstrating the capabilities of modern aircraft and the exacting professional skills required to fly and maintain high

performance airplanes. They fly the T-38 "Talon," a highly reliable supersonic aircraft which at one time held 12 world records. The T-38 is also economical to operate and maintain, an important factor in view of the continuing energy shortage and a principle reason why it was selected for use by the Thunderbirds.

The Cannon open house will also host a performance of the Army's elite paratrooper demonstration team, the Golden Knights. Their performance is scheduled to begin at 2:10 p.m. the day of the open house. An Air

Force Security Police dog show from Little Rock AFB, Ark. is also scheduled that day for noon.

Other activities planned for the Cannon open house are: a Bicentennial parade featuring floats to be put together by different Cannon AFB units, a firefighting demonstration, a Clovis

High School band concert and a flyover of F-111D aircraft from Cannon AFB.

Open houses are traditionally held annually by Air Force bases to give the American public a chance to view the equipment, people, skills and professionalism required by the Air Force to fulfill its mission. Open

houses also give people living near an Air Force base a chance to better understand the mission of that base.

National 4-H Week is October 5-11. This year's theme: "4-H '76... Spirit of Tomorrow."

## Governor Proclaims United Way Months

Governor Dolph Briscoe has officially declared the months of September, October and November as "United Way Campaign Months," it was announced here this week.

"This is the governor's way of stressing the importance of a United Way or United Fund drive, and pointing out how important it is to the communities across our state," said B.K. Buske, local United Fund chairman for 1975.

In his proclamation, Briscoe said "In Texas we share with all Americans a unique tradition of voluntary assumption of responsibility for the conduct of community affairs. Concerned citizens have always banded together to meet human needs. To deal with such needs through joint action, the United Way has evolved.

"It is the mission of the United Way to unite entire communities in meeting these human needs and to provide a vehicle through which concerned citizens can fulfill the American dream of providing for a more satisfying life for all.

The governor's memorandum continued "The local United Way organization is more than a

combined agency fund raising program. It has a legitimate and overriding concern for people, the problems they face and the means for resolving them.

"Therefore, I, as Governor of Texas, do hereby designate the months of September, October and November, 1975, as 'United Way Campaign Months,' in Texas, and urge all people of our state to work in and contribute generously to the campaigns in their local communities."

## For Rent

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time.

Our rates are reasonable. You can include freight, installation, pump...

other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

# Chiefs Brace For Tulia Encounter

The "toughest opponent to date" looms as Friona's football foe this week, when the Chieftains visit Tulia to battle the tough Tulia Hornets in an 8 p.m. game Friday.

One of the top-ranked teams in the area and mentioned in state rankings, the Hornets began their season by zapping Olton, 11-8. The Mustangs had been rated fourth in the state for class AA teams prior to the game.

The Hornets blanked another District 3-AA outfit, Morton, 22-0 in their second game.

"They will be by far the toughest team we'll have played to date, and will be quite possibly the toughest we'll play all year," said Friona Coach Mike Garrison.

Garrison said that in fullback Monte Cannon and tailback Raymond Williams the Hornets have two of the best runners in this part of the country.

Fans should remember both of these players from last fall. Williams was also a standout in basketball, and will be remembered from his court play in two games against Friona last winter.

"Tulia is aggressive. They have a lot of physical talent," Garrison said.

Friona was still licking its wounds from injuries and illness suffered during the team's open date last week. Guard Kenny Stowers, the mainstay of the Chieftain line, spent most of the week in the hospital with a virus.

Stowers was expected to rejoin the team on Monday. He might be able to play in the Tulia game, if he regains his strength in time.

Lineman Joe Menefee underwent a cartilage operation on his knee, and will be out of action for some time. Garrison said he might be back in action by district play.

Outside linebacker Manuel Hernandez, who suffered a severely sprained ankle, should be back in action for Tulia or at least the following week.

Tulia returned a whopping 20 lettermen from its 1974 team, which although finishing at 5-5 ended in a three-way tie for the District 4-AA title with Lockney and Floydada.

In the battle here a year ago, the two teams staged a defensive war which Friona managed to win 6-0. Neither team was able to complete a sustained drive, and Friona's score came after the Chieftains recovered a fumble at the Hornet 19 caused when a Chieftain defender jarred the ball loose on the attempted second half kickoff runback.

Tulia coach Earl Miller terms Williams an all-state candidate, and rates 195-pound tackle John Mays in the same category. "John should be one of our leading offensive linemen and one of our outstanding defensive players. He was our leading blocker last season," Miller stated earlier this year.

In addition to his football and basketball honors, Williams is the state's class AA quarter-mile champion. He has gained all-district honors twice, and has been a starter for four years in high school.

Fullback Cannon gained over 700 yards rushing as a junior, and was the team's second leading tackler on defense.

Tulia leads the all-time series, 11-4. The two teams had not met for 13 years prior to last year's renewal of the rivalry that began in 1933. The Hornets had won the last seven games between the schools when competition was terminated in 1961. The two schools were district mates for a number of years.

## Mules Top Chiefs..

(Continued from Page 1)

first play, Sudduth raced in almost untouched, and the lead became 18-8. A pass try for two points failed.

The Chieftain fans didn't have time to begin feeling sorry for the home team. On the first play following the kickoff, Carthel hit through the line, raced for the sideline and outran his defenders 67 yards to the goal line. A running try for points failed, but the score became Muleshoe 18, Friona 14.

Both teams had scored touchdowns in only 1:12 of clock time in the second half!

Late in the quarter, Friona recovered a Muleshoe fumble deep in their own territory. However, the team had another untimely 15-yard penalty which backed the Chiefs up to their 11. On fourth down in punt formation, the ball was centered over punter David Barnett's head and out of the end zone for a two-point safety, and Muleshoe's lead grew to 20-14.

The score stayed at this point for a long time, with both teams making defensive stands. The Chiefs held one Muleshoe drive at the 44.

However, midway through the final quarter, a Muleshoe gamble paid big dividends. Facing fourth down and two from their own 40, the Mules elected to go for the yardage, and made it by a foot. This kept a drive going that culminated in the TD that put the game out of reach.

Muleshoe got the score with 2:46 left on the clock, and it became 26-14, favoring the Mules.

Friona didn't quit, and Carthel reeled off a 46-yard run on the final play of the game. Davy had to be caught from an angle after a fine run.

"I thought Davy had a great game. He also was a defensive star. I'd say he was in on at least 15 tackles," Coach Garrison said after the game.

### Statistics

## Boosters To Meet Tuesday

Friona Booster Club will hold its regular meeting at the Friona High School Cafeteria at 8 p.m. Tuesday.

As a highlight of the meeting, Coach Mike Garrison plans to completely dress a high school player in the various gear and equipment that each player uses prior to a game or a practice.

Garrison will make special emphasis on the safety factors included in the equipment.

Also, films of the Friona-Muleshoe game will be shown, and Coach Garrison will make his comments.

## Fourth Quarter Fatal As Tulia Topples JV

The junior varsity team dropped a 20-7 decision in their second outing of the 1975 season Thursday at Tulia.

But the game was not without its bright spots for the Chieftain JV, which in the first quarter staged a brilliant goal-line stand and then turned around to take the lead in the game.

The juniors held Tulia on fourth and goal at the Friona seven, rushing the Tulia quarterback and taking over on their own 18-yard line.

Todd Bandy ran 23 yards on the first play of the second quarter, and two plays later, Kelwin King rambled 63 yards to paydirt, and Edward Castillo booted the extra point for a 7-0 Friona lead.

Late in the second quarter, Friona had apparently stopped another Tulia drive, when Joe Berme intercepted a pass at the Friona three. However, Friona fumbled on the first play, and Tulia got the ball at the Friona two.

### School Lunch

Week of September 22-26

**MONDAY**—steak fingers, mashed potatoes, hot rolls-butter, green beans, chocolate cake, catsup and milk.

**TUESDAY**—creole spaghetti, buttered English peas, hot rolls-butter, buttered beets, cheery cobbler and milk.

**WEDNESDAY**—burritos with chili and cheese, lettuce and tomato salad, pinto beans, cornbread and butter, applesauce and chocolate milk.

**THURSDAY**—smothered steak, mashed potatoes, hot rolls-butter, English peas, pineapple rice pudding and milk.

**FRIDAY**—hamburgers, French fries, catsup, lettuce, tomatoes, pickles, fruit salad and milk.

The Hornets rushed across the TD, but a try for points failed, and Friona held onto a 7-6 lead. This also turned out to be the halftime score.

The two teams battled on even terms in the third quarter without any scoring. However, Tulia used a break in the final quarter to take the lead.

A short punt when Friona was backed up to their goal line gave Tulia great field position, and they scored in only three plays to take a 12-7 lead.

Friona was attempting a pass play with 1:58 left in the game when a Tulia defender batted the ball into the air. A Tulia man was in the right spot to catch the ball, and easily ran

in from eight yards out. Two points running stretched the lead to 20-7.

Friona led in total yardage, 137-98. Neither team had any yards passing. Both teams had six first downs.

### Statistics

| Friona JV | 0                 | 7 | 0 | 0-7   |

| 2-10      | Penalties         |   |   | 4-40  |

## Eighth Grade Falls, 16-8

Friona's eighth grade Braves dropped a game to Tulia here Thursday, by a score of 16-8.

After a scoreless first quarter, Tulia got on the scoreboard first on a running play from two yards out. Extra points running were good, for an 8-0 score.

However, the lead was short lived. Robert Alexander took the ensuing kickoff and raced 80 yards for a touchdown. Friona ran the two points, and the game was tied, 8-8.

However, late in the game, Tulia broke the tie with a touchdown from five yards out, and converted for a final margin of 16-8. The game left the Friona team's record at 1-2 for the season.

## Maloufs Host 11 Families

Eleven families were guests recently at a special Lebanese supper hosted by Mr. and Mrs. Hanna Malouf and family at their new home on West Eighth Street.

The group was treated to typical Lebanese dishes as well as turkey and dressing, potato salad and lasagne.

Some of the other dishes included rolled grape leaves, cabbage leaves, stuffed zucchini squash with butter-milk sauce, meat pies, kibbe, crushed wheat salad and garabone (a dip).

There were also two pastries, one of which was made with thin slices of pastry filled with honey, nuts, etc., and Lebanese bread.

Those attending the supper were Mr. and Mrs. Clarence Monroe and family; Mr. and Mrs. Howard Fleming and family; Mr. and Mrs. Jerry Hinkle and family; Mr. and Mrs. Ed Clark; Mr. and Mrs. Jerry Brown and family.

Also, Mr. and Mrs. Jackie Hight and family, Percy Parsons and Rhonda; Jan Fleming and children; Mr. and Mrs. Eldon Rape and Amy, and Mr. and Mrs. Doyle Elliott.

## Sr. Citizens

The Friona Senior Citizens will meet Friday, September 26 for their monthly luncheon at the Friona Congregational Church.

The meeting begins at 10:30 a.m., with lunch at noon. Everyone is invited to bring a covered dish for lunch.

Games of dominoes, checkers, "42," etc., will be played.

## City Tables Trash Bagging Proposal

At a meeting of the Friona City Council September 8, action was deferred on the city participating in curbside garbage collection, with residents bagging their garbage.

An Amarillo company, which specializes in collecting garbage for cities had proposed to collect the city's garbage on a once-per-week basis with residents using the plastic bags.

"We received a flood of telephone calls objecting to this method of garbage collection," Mayor R.L. Fleming told the council and the group of citizens attending the meeting.

Due to the outpouring of opposition, it was decided not to consider the proposal at the present.

The city has been in a dilemma for the past two years as to what to do with its solid refuse. The State Department of Health has ruled that the city cannot continue burning trash in the city dump north of town. Meanwhile, the old dump ground is virtually full with very little space left.

"We worked the old site over and gained a little additional space," City Manager Jake Outland told the group.

The city has received title to the piece of land it purchased southwest of town for use as a sanitary landfill. In other business, the council approved a street light for the intersection of Eighth Street and Arrah.

The council discussed the proposed moving of the city library to the former Ben Franklin location on

Main Street. After much discussion as to the pros and cons of the move, with special emphasis on the move being possibly a stop-gap solution, a motion was passed tabling the matter for the present.

In other business, the council authorized the city manager to advertise for bids on a new police car.

## Xmas In November Bazaar Is Slated

The "Christmas in November" Bazaar and Arts & Crafts Show sponsored by the Parmer County Family Living Committee has been scheduled for Friday and Saturday, November 14-15 at the Friona Community Center.

The Bazaar will be open 9:30 a.m. to 6 p.m. Friday and 9:30 a.m. to 5 p.m. on Saturday.

Table spaces will rent for \$10 against the wall, and \$7.50 without wall space.

Those interested may call Jana Pronger, county extension agent, for additional information and an entry blank. Miss Pronger may be reached at 481-3619.

"We welcome all individuals, organizations and businesses to take part in the bazaar," Miss Pronger said.

Approximately 75 exhibitors took part in the 1974 bazaar, which raised in the neighborhood of \$900 for the center's building fund. Proceeds

from the 1975 bazaar will go to add items to the building's kitchen, the county agent indicated.

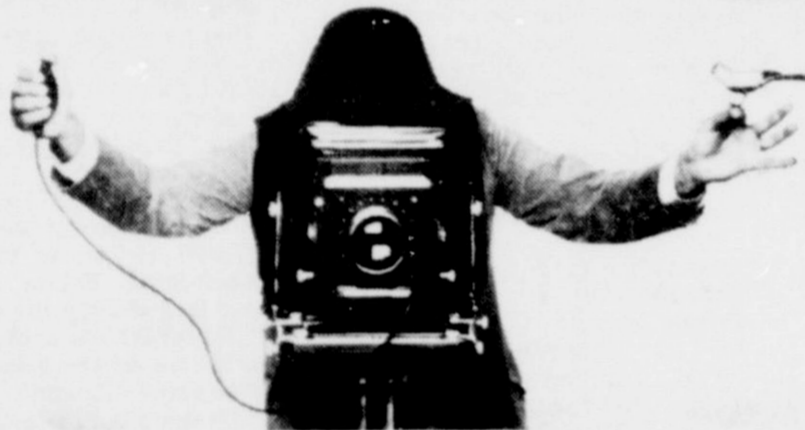

Exhibitors have until November 7 to make provisions for exhibit space. Miss Pronger urged those planning to have exhibits to contact her early, since interest is expected to once again be brisk.

"We plan to have demonstrations by utility home economists, as well as shows by local merchants," Miss Pronger said.

## Patrol Investigates 22 August Accidents

The Texas Highway Patrol investigated 22 accidents on rural highways in Parmer County during the month of August, 1975, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and eight persons injured.

The rural traffic accident summary for this county during the first eight months of 1975 shows a total of 90 accidents resulting in one persons killed and 48 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for

August, 1975, shows a total of 596 accidents resulting in 16 persons killed and 292 persons injured as compared to August, 1974 with 542 accidents resulting in 30 persons killed and 314 persons injured. This was 54 more accidents, 14 less killed, and 22 less injured in 1975 at the same period of time.

The 16 traffic deaths for the month of August, 1975, occurred in the following counties: three in Castro; two each in Potter, Wheeler, Hale and Palo Pinto; and one each in Archer, Parker, Yoakum, Hardeman and Wilbarger.

## SCS REPORT

The Parmer County Soil and Water Conservation District's Annual Report has been completed. It has been sent to the publishers and will be in district cooperators' hands in the next few weeks, announced Herb Evans.

In the compilation of the report one item stood out above all others in the accomplishments of Parmer County producers. This was minimum tillage. Progressive farmers are making the "big switch." Within the past two years the acreage of minimum tillage has jumped from zero acres to more than three thousand acres. With acceptance like this there must be "something right" with minimum tillage.

A few of the advantages listed by minimum tillage advocates included water savings, fuel savings, and labor saving. The water was saved by the insulating layer of crop residue. This reduced evaporation to practically nothing.

Fuel was saved two ways. Fewer trips across the field reduced tractor fuel. The water saved was water that did not have to be applied through irrigation. This saved irrigation fuel not to mention irrigation water.

Finally, with reduced irrigation needs and reduced field operations it is obvious that labor requirements are reduced.

Watch for the coming annual report. It has some interesting information. For more information on minimum tillage or any other conservation practice contact the Soil Conservation Service in Friona.

How does the cost of life insurance compare now to what it was twenty years ago?

*It is probably the only service-oriented product that serves a long established need and continues to go down in price per thousand at any given age. There are many good reasons... competition being one of the biggest. Contrary to popular belief, life insurance rates are not set by any government regulatory body. As the insurance industry has become more sophisticated with the use of automation and modern business methods, so have the field representatives... a smaller, more professional sales force... helping people simplify their problems. People live longer and insurance companies invest their money more wisely. Therefore, you have a better product at a cheaper price with reduced administration costs.*

With Your News Item

Mrs. W.H. Clements Jr., Dalhart and Mrs. Doug McCloy and sons, Dan and Scott, of Morse, were Thursday guests in the home of Mrs. Lucy McCown.

Mrs. Clements is Mrs. McCown's daughter and Mrs. McCloy is her granddaughter.

Edith Johnson of Friona and Sallie Cole of Clovis spent several days recently visiting in Denver. Mrs. Cole, a former Friona resident, visited her sister, Mrs. Dave Goodman, and Mrs. Johnson visited her daughter, Kay, who teaches in the Mile High City.

Enroute home the two spent one night visiting in the home of Mr. and Mrs. Charles Jolly at Last Chance, Colorado.

Mrs. Decimae Beene spent last weekend in Odessa where she was a guest in the home of Mr. and Mrs. Dale Fisher and children.

Mrs. Fisher, the former Vicky Neal, taught first grade here several years ago.

Visitors in the home of Richard and Billie Vaughan last week were Mr. and Mrs. Tom Sloan of Truth or Consequences, New Mexico.

Mrs. Sloan will be remembered here as Millie Holden, who formerly lived at Bovina.

The Paul Griders of Melrose, New Mexico, have a new baby girl. She was born September 6 in Clovis and was named Kimberly Gwen.

Mrs. Grider, the former Vicky Osborn, lived in the Friona area a few years ago and was employed by Walt's Quality Printing.

Mrs. Rosa Ivy of Romayor, Texas, is visiting in the home of Mr. and Mrs. J.C. Beck and Cris. Mrs. Ivy is Mrs. Beck's mother.

Work has begun on the future home of the Tasty Cream Drive in at the corner of Highway 60 and Main. Lee and Sylvia Gibson, owners of the drive in, have purchased the former Gulf station location and are building a new home for their business.

HELP WANTED!!!! Local Girl Scouts and Boy Scouts need help from any individual who has time to contribute to a very worthwhile project.

Whatever talent you may have can be put to good use if you are willing

to give your time and effort to the training of young boys and girls.

Anyone wishing to volunteer to help with Girl Scouts is asked to call Mrs. Ralph Wilson or Mrs. R.E. Snead. Mrs. Ron Davenport will be very happy to have volunteers for Cub Scouts or Boy Scouts call her.

Bill and Mary Sheehan of Dumas were weekend visitors in Friona. They lived here a number of years before moving to the Moore County capital.

Their daughters, Mary Margaret and Kathleen, both live in the Dallas area; John, the oldest Sheehan boy, attends Baylor University at Waco; and Jack, the youngest, is a senior at Dumas High School.

Hap and Julia Fairchild have moved to town. They moved their furniture from the farm southeast of town to the house they bought from Bob and Ouida Jones at the corner of Austin and West Tenth several weeks ago.

Then off for a fall vacation. They drove as far as somewhere in Minnesota, fished at Lake Navajo and took in the New Mexico State Fair before finally returning home.

Hap says, "Moving into town and quitting work is a myth." Then adds, "There's more for me to do here than I've had to do in a long long time."

The Ralph McBrooms have been to Odessa to visit Jesse, Kay, Jason and Jeremy Moore for a few days. Then when they came home, they brought Jeremy home with them.

They have also had company from Tennessee. They were Mr. and Mrs. Thomas Shirley and Mrs. Thomas Moore of Readyville and Betty Carter of Nashville. The women are sisters and cousins of Ralph's.

DO NOT LET YOURSELF- Worry--when you are doing your best.

Hurry--when success depends upon your accuracy.

Think evil--of a friend till you have the facts.

Believe--a thing is impossible without trying it.

Trust--an elastic conscience.

Waste--time on peevish and peevish matters.

Imagine--that good intentions are satisfying excuses.

Harbor--bitterness in your heart toward God or man.

LOCAL GIRL EARNS SCHOLARSHIP...Friona High School graduate, Hope Mays, has been awarded one of ten Campus Services scholarships at West Texas State University for the academic year of 1975-76. The students received a \$400 scholarship each semester while service as official hosts and hostesses for the University and

working ten hours assisting admissions advisors and directing campus tours. The WTSU Director of Development Keith Winter is in charge of the Campus Services. Admissions advisors are Jan McKenzie and Chales Smallwood, both WT graduates. Hope, seated on the ground far right, is the daughter of Mr. and Mrs. W.H. Mays of

Friona. Student recipients of Campus Services scholarships are chosen on the merits of scholastic achievements and participation in extracurricular activities. In high school, Miss Mays was active in National Honor Society, Thespians, band and served on the Student-Faculty Congress.

## Beef Fiesta Set Thursday

Friona will be included in a series of three "Beef-Fiestas" scheduled for next week in the Texas Panhandle.

A special two-hour program, featuring two of the nation's top experts in the field of beef, will be held at the Community Center in Friona on Thursday, September 25, beginning at 1:30 p.m.

The two days previous, the beef fiesta program will be given in Dalhart and in Canyon.

Residents of the Friona area will have a chance to get some tips on selecting, buying and preparing beef during the special program, sponsored by the county's Family Living task force.

Dr. Frank Orts, Texas Agricultural Extension Service meats specialist from College Station, and Miss Jayne Hager of the National Livestock and Meat Board, Chicago, will conduct the sessions.

The family living task force operate under the auspices of the Extension Service-sponsored Panhandle Economic Program.

The program will deal with characteristics of grass-fed and grain-fed beef and baby beef, the selection and preparation of beef

cuts, how to stretch the beef dollar and preparation and serving of beef.

According to County Extension Agent Jana Pronger, the two meat experts will use demonstrations, slides and film in presenting the topics. Guests will get an opportunity to whet their appetite for beef cookery by sampling choice pieces during the two-hour session.

The CowBelles and the local Home Demonstration Clubs will serve as hostesses for the program.

Main dishes with "S-t-r-e-t-c-h-i-n-g Your Beef Dollar" as a basis will be featured including beef round steak recipes, new ideas for ground beef and a marinated beef blade steak that can be broiled instead of braised. By sharpening the shopping and cooking skills of the audience, Miss Hager hopes to increase the table demand for this fine meat, so vital to our immediate area's economy.

Details of the meat industry's new standardized meat cut labeling system-which has been spearheaded by the Meat Board-will be

highlighted at the meat meetings, along with other information on the complex industry which moves meat from farm, ranch and feedlot to the homes of America.

"Beef dollars can be stretched in a dozen or more different ways," says Miss Hager. "Each one will help you build appetizing, nutritious satisfying--and economical--meals with beef."

Miss Hager, a native of Wilmette, Illinois, combines a background in radio and television with a natural enthusiasm for fashioning a meal around meat. Besides her role as a spokeswoman for the livestock and meat industry, Miss Hager is a specialist in consumer education.

She says that despite the bad weather, market disruptions and price fluctuations of the past year, the livestock and meat industry of the United States still has the production efficiency and capacity to meet the demand for increased supplies of high quality beef, veal, pork and lamb in this country and abroad.

## Arnold Daileys

### Have Baby Boy

Mr. and Mrs. Arnold Dailey are the parents of a baby boy born Saturday, August 30 at 1:35 p.m. in Clovis Memorial Hospital.

He was named Jeffery Glenn and weighed nine pounds, five and one-half ounces and was twenty-two and one-half inches long at birth.

He has one sister, Jennifer, 5½ years old.

Grandparents are Mr. and Mrs. Doug Frye of Friona and Mr. and Mrs. Ray Dailey of Maryville, Tennessee. Great-grandparents are Mr. and Mrs. Raleigh Self of Maryville, Tennessee.

## GS Troop 325

### Makes Plans

### For 1975-76

Girl Scout Troop 325 had their first regular meeting Tuesday, September 9.

Nine girls and two leaders were present. Mrs. Janet Hand is the new assistant leader.

Badges and crafts were discussed. The girls need to complete several badges this year and they chose the crafts they wanted to do.

The troop was divided into patrols. Patrol leaders and assistants were elected.

Girl Scout Troop 325 met Tuesday, September 16. Twelve girls were present.

The troop hiked to the Friona Depot where J.C. Beck gave the troop a history of the depot and many interesting things about trains and the Santa Fe Railroad Co.

Beck also gave a report on the recent derailment at Summerfield.

Cresencio Velasquez, Hereford; Mrs. John Reed and baby boy, Las Vegas, N.M.; Mrs. Owen Drake and baby girl, Friona; M.A. Black, Friona; Charley A. Morrison, Friona; Cynthia Harris, Muleshoe; Kenneth Stowers, Friona; Mrs. Lenney Petree and baby boy, Friona; Jovita Hernandez, Friona; C.L. McDaniel, Bovina; Mrs. Guadalupe Maya and baby girl, Friona; Edgar Bogges, Friona; Mrs. Eric V. Rushing and baby girl, Friona; and Billie Sue Tedford, Friona.

**DISMISSALS—**  
Refugia Moya, Johnny Howard, Barron Acy, E.H. Bradshaw, Lacy M. Hardage, Cresencio Velasquez, Mrs. Kent Stanberry and baby boy, Nina D. Watkins, Bula Bearden, Mrs. Owen Drake and baby girl, Charley A. Morrison, Cynthia Harris and Jovita Hernandez.

**PATIENTS IN HOSPITAL—**  
Alvarado Domingo, M.A. Black, Edgar Bogges, Lola Goodwine, P.W. Hughes, Charles McDaniel, Refugia Maya and baby girl, Mrs. Lenney Petree and baby boy, Mrs. John Read and baby boy, Mrs. Eric Rushing and baby girl, Kenneth Stowers and Billie Sue Tedford.

## First Child Born

### To Scott Lillard's

A baby boy was born on Wednesday, September 10 to Mr. and Mrs. Scott Lillard of Lubbock. The baby was born in Lubbock's Methodist Hospital.  
The new arrival was named Shane Leslie, and weighed eight pounds, 4½ ounces. He was born at 4:50 a.m., which was exactly the time of day that his father had been born.  
Grandparents are Mr. and Mrs. C.L. Lillard of Friona and Mr. and Mrs. C.W. Snow of Fritch. Great-grandparents are Ray Scott of Altus, Okla., Carrie Lillard of Hereford; and Mr. and Mrs. W.R. Snow of Bowie.

**HIGHWAY WEEK...Weldon Moody, maintenance foreman for the Texas Highway Department facility in Bovina, displays a poster proclaiming Sept. 21-27 as Texas Public Highways and Transportation Week. The week will be observed in Parmer County with an open house at the warehouse and office in Bovina from noon until 6 p.m. Thursday of next week.**

## Women's Club

### Met Wednesday

The Friona Women's Club held their first fall meeting on Wednesday, September 10 at the Friona Women's Club House.

The new yearbooks were given to the members. Plans for the new club year were discussed.

Mrs. Martha Russell was elected secretary to fill the vacancy after Mrs. Roy Daniel resigned. Mrs. Addie Moyer was the hostess. She served fresh peach cobbler and ice cream to the members present.

Those attending were Mrs. Ethel Bengner, Mrs. Bessie Boatman, Mrs. Mary Dixon, Mrs. Anna Mae Hayes, Mrs. Luella Maurer, Mrs. Lillian McLellan, Mrs. Juanita Reed, Mrs. Martha Russell, Mrs. Malinda Schlenker, Mrs. Annis Turner and Mrs. Vela Wood.

The next meeting will be September 24 at 2:30 p.m. at the club house. Kent Miller will report on his trip to Boys State. Denise Shipp will report on her trip to Girls State. Richard Collard will give a program on the Opportunity Plan.

## IN BOVINA

# Highway Department Slates Open House

Open house will be held from noon until 6 p.m. Thursday of next week at the Texas Department of Highways and Public Transportation maintenance warehouse and office in Bovina, according to Weldon Moody. The Bovina facility is one of 17 county offices in Lubbock District Five.

The open house is being held in conjunction with Highway and Transportation Week in Texas Sunday through Saturday.

Raymond Fleming, mayor of Friona, and Governor Dolph Briscoe this week signed official proclamations proclaiming the week long event.

By that action, Texas joins with the remaining 49 states in a national observance, the theme of which will be "Transportation, America's Lifelines."

"Transportation services and facilities are vital to the social and economic well-being of all citizens and their institutions in the State of Texas," the memorandum noted.

The governor noted the new State

## It's A Girl

### For Drakes

Mr. and Mrs. Owen Drake of Friona became the parents of a baby girl at 3:28 a.m. Saturday, September 13.

The baby girl was named Misty Jayne. She weighed seven pounds, four and one-half ounces and was twenty inches long at birth.

Grandparents are Mr. and Mrs. Earl Drake of Friona and Mr. and Mrs. Weedy Coffman of Farwell.

Great-grandparents are Mrs. Irma Coffman of Friona and Mrs. Charles Parker of Houston.

Misty Jayne is the first girl for the couple. She has an older brother, Wes, three years old.

Department of Highways and Public Transportation—a merger of two state agencies—faced "great challenges...for providing good transportation to the people of Texas."

The 64th Legislature merged the Mass Transportation Commission and the Texas Highway Department to form a new agency charged with responsibility for developing a comprehensive total transportation program.

Special events are planned throughout Texas during the Highway and Transportation Week, including dedications of new transportation facilities, speeches, receptions and programs for civic organizations.

The proclamation, signed by Fleming, reads as follows: Whereas, the State Department of Highways and Public Transportation system encompasses more than 70,000 miles of the nation's finest roads and highways in 1975; and

Whereas, these vital travelways are essential to the continued growth of the Texas economy and for the "Backbone of Total Transportation" in the Lone Star State; and

Whereas, beauty and safety, as well as service and efficiency, are factors that govern the construction and maintenance of the highways of Texas; and

Whereas, for more than 43 years the Texas Highway Department, now the State Department of Highways and Public Transportation has taken a leading role nationally in highway beautification; and

Whereas, there are approximately 1,100 safety rest areas, roadside parks, and scenic turnouts on the Texas Highway System, all designed to make driving a pleasurable experience; and

Whereas, erosion control and drainage projects not only prevent pollution, but also protect the taxpayers' investment in their highway programs;

Now, therefore, I, Raymond Fleming, Mayor of the City of Friona, Texas, do hereby proclaim September 21-27, 1975, as National Highway and Transportation Week in Friona, Texas, and urge all citizens to lend their support to the State Department of Highways and Public Transportation.

**DATES WILL NOT GROW IN FRIONA!** Who said? Mrs. Ella Dukes, who has lived at the corner of Main Street and Fourteenth Avenue longer than there has been a Fourteenth Avenue, has a Chinese Date tree in her front yard which yields dates nearly every year. Mrs. Dukes said, "The tree was put out by O.A. Newman before we bought this property about 30 years ago." She further reported that for a number of years she didn't know what kind of tree it was. Then, when her son,

Bryant, was a vocational agriculture student, Mr. Gee looked at it and identified it as a Chinese date. Since that time several trees have grown and some have been transplanted. One of Mrs. Duke's sisters, Mary Taylor, first transplanted one in Oklahoma City then a few years later moved it to Fort Worth, where it is flourishing. Another offspring of the tree was transplanted by Jack Brown on Summit Street, where the Noah Youngs live now.

## Study Club Has Patriotic Program

Modern Study Club members met in regular session Tuesday, September 16 with the president presiding. The meeting was opened with club members repeating the Pledge to the Flag led by Estelle Caffey.

A vocal trio, Sharla Duggins, Sarah Mears and Dana Miller, sang a medley of patriotic songs, accompanied by Eva Miller.

Mrs. Ross Miller and Mrs. Baker Duggins were guests. The program topic was "Americanism—Look To

Individual Enterprise."

Eufaula Ethridge gave a report on the "National Federation of Independent Business Conference." She and her husband, Dan, attended the conference in Washington, D.C.

The meeting was adjourned by the club members repeating the club collect in unison.

Refreshments were served to seventeen members by the hostesses, Melba Allen and Louisa Wilson.

## Open House Set

The Board of Directors of the High Plains Underground Water Conservation District No. 1 will conduct an open house of its new office building, 2930 Avenue Q, Lubbock, Saturday from 1 p.m. until 6 p.m. All interested persons are invited to meet with the Directors, County Committeemen and staff at that time and to tour the headquarters facility.

The new District offices, prepaid without increasing the District's tax rate, selling bonds or borrowing any money, was designed to accommodate the many diverse programs and functions of the District and to provide facilities for other water-oriented activities, such as meetings by industrial, civic, governmental and educational groups.

Although this building was designed specifically to provide efficient facilities for the accomplishment of the functions required of the District by State law, and as deemed necessary and beneficial by the District's Directors, it is emphasized that it was also designed to better serve the water conservation and development needs of the entire populace of the District, and it is hoped that such public use is made of the building as can be accommodated.

Special features of the 7,724-square-foot building are a 30-foot by 40-foot Board of Directors room, slide-sound-film projection facilities, a photography-reproduction laboratory and a basement for storage and mailing of the District's monthly publication, "The Cross Section."

As a part of the open house, the District has published a brochure entitled, "Office of the High Plains Underground Water Conservation District No. 1," which explains in detail the design and construction, intended use and financing of the new facility. Anyone interested in obtaining a copy of the publication may receive one, free of charge, by contacting the District's Lubbock office.
