

## BIG CROWD ATTENDS

### Gen. Risner Is Big Hit At P-TO Fete

"Faith in my country, faith in our way of life, faith in my family, faith in my commander-in-chief, and faith in God," were cited by Gen. Robinson Risner here Thursday as how he endured seven and one-half years of imprisonment in a communist prison.

"I had faith in the fact that the policy of my country, under which I had gone to fight for the South Vietnamese, would someday return me to freedom, and it did," Gen. Risner said.

The former high-ranking prisoner of war was the main speaker for the annual Teacher Appreciation Night program of the Friona Parent-Teacher Organization.

"We went to Southeast Asia to fight international communism. I had a lot of time to wonder if I had done the right thing. I never felt more strongly that I was right," Gen. Risner said, to an applauding audience.

The large crowd attending the program at the grade school auditorium interrupted the general's speech a number of times with applause, and at the end of the talk gave the Cannon AFB commanding officer a standing ovation.

Being kept in solitary confinement for a number of years was cited by the Air Force officer as the worst part of his long ordeal. He cited the fact that the men invented ways of communicating with each other, and in this manner were able to bolster one another's spirits.

Gen. Risner said he was able to enjoy freedom much more than most people, because of his experience.

"I savor it to the fullest. Just the simple things, like going in and out of a room, seeing the grass and trees—mean so much more to me now," he explained.

The general said he loved to extol the virtues of America, the country he considers the greatest on the face of the earth.

"I get tired of seeing the papers print all of the shabby news about our country, and trying to drag it down," he said.

"America stands between our enemies and our potential enemies and the rest of the world. If we don't stand strong for what we believe, we'll become a second rate power, and the entire world will be in trouble," Risner said.

The guest speaker explained that public sentiment, including some of the letter writing campaigns, bumper stickers, etc., played a major part in his North Vietnamese captors making conditions somewhat better, including a reduction of solitary confinement.

"The Vietnamese think that if you are captured, you are disgraced, and are forgotten about. They thought it was the same way with us, but they didn't know that in America we believe that just one life is worth fighting for—even going to war for," he said.

Gen. Risner described prison life in Vietnam, the type of food and rations the prisoners were given, and also the type of tortures that were used.

Medicine was given only when it was necessary to sustain life—never just to cure ill, he pointed out. There was very little medicine received by the prisoners.

The Vietnamese tried their best to "break" the prisoners, he explained. The Viet Cong fed the prisoners a steady diet of propaganda, trying to break their spirits.

"America is pride. I thank God I'm an American, and that I am able to raise my children in this greatest nation on earth," he stated.

Prior to Gen. Risner's speech, Superintendent of Schools Alton Farr presented tenure awards to Peggy Lindley, Mary Merrill, Kay Neel and Shirley Fangman for five years; Margaret Duggins, Frances Ready and Florene White for 15 years; and Velma Lovett for 20 years of service to the local school system.

Farr was then presented a 15-year award by principal J.T. Gee.

Mrs. Jo Witten, elementary school music teacher and students from the first four grades presented an outstanding patriotic program prior to the speech.

P-TO leaders Janet Woodard and Luann Hough expressed their appreciation to the people of the area for their wonderful turnout and response to the program.

Something over 100 books were sold and personally

THE WINNER...Junior high principal Tom Jarboe, center, acts as judge as Bryan Johnston (left) and Terry Wilcox enact their battle for eighth grade valedictorian, using the old "bat handle" routine. Johnston is the class valedictorian, and Wilcox is the salutatorian.

## BAC Meeting Set Monday

Friona's Business Activities Committee (BAC) will meet Monday evening (May 20) at the Community Room of Friona State Bank at 8 p.m.

Carroll Gatlin, chairman of the committee, said a film, on the subject of "Business Attitudes" will be shown.

"The film is supposed to be an excellent one for employees as well as employers—and all members of the BAC and their employees are urged to attend," Gatlin said.

A final report on the Tom T. Hall Show and its financial standing will be given, Gatlin said.

## Poppy Day

Saturday (May 18) is Poppy Day in Friona.

Members of the American Legion Auxiliary will be at public places all day Saturday offering replicas of the bright red flowers which were so prevalent in France during World Wars I and II.

Betty Smith, Poppy Chairman of Friona ALA Unit 206, says all funds donated for the poppies will be directed toward rehabilitation of veterans.

## BRYAN JOHNSTON LEADS

# Boys Sweep Honors In 8th Grade Class

The boys led the way among eighth grade honor students announced this week by junior high principal Tom Jarboe, as the top five students in the class were boys, and seven of the top eleven.

Bryan Johnston will be the valedictorian of the eighth grade graduating class. Johnston, the son of Mr. and Mrs. Jim Johnston, has an average this year of 95.16.

Terry Wilcox, the son of Mr. and Mrs. V.R. Wilcox, is the salutatorian, with an average of 94.34.

Third-place student, or historian, is Percy Church, just .14 of a point behind Wilcox, with an average of 94.21. Church is the son of Mr. and Mrs. Fred Church.

Fourth place student is Jay Jarboe, the son of Mr. and Mrs. Tom Jarboe, with an average of 93.18. Fifth place student, John Carson, has a 91.39 average. He is the son of Mr. and Mrs. David Carson.

Next, in order, came Diane Westbrook, daughter of Mr. and Mrs. Dale Westbrook, with

a 91.15 average; Holly White, the daughter of Mr. and Mrs. John Fred White, with an average of 90.78.

Jimmy Fallwell, son of Mr. and Mrs. Joe Fallwell, has a 90.68 average. Paige Osborn, daughter of Mr. and Mrs. M.C. Osborn, has a 90.59 average.

Rhonda Parsons, daughter of Mr. and Mrs. Percy Parsons, has a 90.56 average, and Cornelio Salinas, son of Mr. and Mrs. David Salinas, has a 90.05 average.

Jarboe said there would undoubtedly be other students in the class who would have a 90 and above average by the time the semester ended.

Eighth grade graduation is slated for Saturday evening, June 1, at the grade school auditorium, beginning at 8:30 p.m.

Ushers for the exercises will be Renae Monroe, Debbie Menefee, Kim Frye, Bobby Davis, Darcy Renner and Mike Hutson. Pianist will be Linda Anthony.

## Businesses To Close On Monday, May 27

Several Friona businesses plan to close on Monday, May 27, in observance of Memorial Day.

The traditional Memorial Day is Thursday, May 30, but a majority of businesses surveyed this week by the Friona Chamber of Commerce indicated they would close on Monday, May 27, in order to take advantage of the three-day weekend.

Those contacted, who indicated they would close on the 27th, included the following: Friona State Bank, the Post Office, Production Credit Assn., Southwestern Public Service Co., Pioneer Natural Gas, City Hall, Foster's, The Hut, Ruthies and The Main Place.

Also, Nellie Jane's, Ben Franklin, Carrol's Printing & Office Supply, Gib's Cleaners, Reed's Cleaners, Walt's Quality Printing, Plains Hardware, Rockwell Bros. Lumber, Rushing Insurance, Ethridge-Spring Agency, Chamber of Commerce office, Friona Consumers and Friona Star.

These were the only businesses contacted as of press time this week.

HERO IS SURROUNDED...Gen. Robinson Risner, center left, is shown as he was "mobb'd" by well-wishers following his Friona speech Thursday night at the Parent-Teachers Organization program. That's Ray Landrum attempting to help the general down the aisle. Risner gave an inspiring talk to a packed auditorium.

## Elect Five Delegates

Five delegates to the state Democratic convention in Austin next September 17 were elected during the Farmer County Democratic Convention held in Bovina last Saturday, May 11.

Delegates named were Wendol Christian, Hugh Moseley, Richard Collard, Paul Fortenberry and Troy Young.

Ten alternates were named. They are Mrs. Richard Collard, Mrs. Paul Fortenberry, Mrs. Troy Young, Hollis Horton, Clarence Martin, Raymond Schueler, Johnnie Horn, Richard Vaughn, Wyle Bullock and W.L. Edelman.

Three resolutions were passed by the county convention. One asked that governor Dolph Briscoe lead the Texas delegation to the 1974 conference on Democratic party organization and policy.

A second resolution asked the continued support for the Texas Water Plan, which would furnish a future water supply for this area.

A third resolution sought to abolish any and all provisions for the use of state funds to finance the primary elections in the state.

A good crowd of some 35 persons attended the meeting at the First State Bank of Bovina. H.H. Horton, Jr. of Friona, County Democratic chairman, served as permanent chairman of the convention, and Lois Norwood was secretary.

## FCA Sets Car Wash

Friona High School's Fellowship of Christian Athletes will stage a car wash on Saturday, May 25 to raise money to send delegates to the summer conference in Estes Park, Colo.

The car wash will be held from 8 a.m. to 6 p.m. at Houlette Mobil. Those wanting their cars washed are asked to call 247-3834.

The local FCA chapter plans to send 11 delegates to the summer conference. It costs

## Activities Given For End Of School Year

End of school activities are scheduled during the next two weeks in the Friona School system.

The school's annual awards programs will be held on Thursday and Friday, May 23-24. On Thursday at 1 p.m., awards assembly will be held for grades three and four. At

2:45 p.m., awards will be given for the junior high (grades five-eight).

On Friday, May 24, the awards program for kindergarten and grades one and two will be held at 1 p.m. At 2:30 p.m., the high school awards will be given.

The baccalaureate sermon for the high school seniors will be held Sunday, May 26 at the grade school auditorium, beginning at 8:30 p.m.

Senior graduation will be held at 8:30 on Friday, March 31, and eighth grade graduation will be held the following night, June 1, also at 8:30 p.m.

### 45 YEARS AGO—MAY 23, 1929

The newest thing in the business development of Friona is the announcement by Carl C. Maurer of plans to build a large two-story brick building on the corner of Fifth and Main, the lower story of which will be used as a hardware and machinery store by the Maurer Hardware and Machinery Company.

The roofers and metal workers were here the greater part of this week putting the roof and metal ceiling on the new Turner-Parr building on Main Street. At the present rate, the building will soon be ready for occupancy. So far, it is only conjecture as to what line of business will occupy the building.

### 35 YEARS AGO—MAY 26, 1939

E.W. Boedecker, principal of Friona High School, announces that the coveted Reader's Digest Award for scholastic achievement has been won by the valedictorian of the class of 1939, Martin Todd.

Dan Ethridge has had the north half of the office which he has occupied for the past two years handsomely decorated and has his office arranged there. The other half has been leased by Smiley Fulks for his cafe, which has been for several years located in the O.G. Turner building on Main Street, two doors north of the Friona State Bank.

### 25 YEARS AGO—MAY 20, 1949

On Saturday, May 28, voters of Parmer County will go to the polls and approve or reject the recommendation of the county road committee to approve \$1,150,000 in bonds for construction of an additional 165 miles of paving in the county. There are currently 105 miles of pavement in the county.

### 20 YEARS AGO—MAY 21, 1954

In a recent ceremony in Korea, Charles E. Osborn, son of Mr. and Mrs. Sloan Osborn of Friona, received his promotion to First Lieutenant. A graduate of Friona High School, Lt. Osborn graduated from Texas A&M in May of 1962 with a rank of 2nd Lieutenant. He was sent to Korea in October of 1953.

### 15 YEARS AGO—MAY 21, 1959

Southwestern Public Service Company will hold its official opening Tuesday in their new home, while carpenters are working next door on the construction of the new home of the Friona office of the Plainview Production Credit Association.

Colie Huffman, head football coach at Friona the past three years, has resigned to accept a position at White Deer, it was announced this week. Huffman's teams won one district championship while he was here (1957), and compiled 6-3-1 records in 1957 and 1958.

### 10 YEARS AGO—MAY 21, 1964

Friona Feed Yard will be host to more than 100 cattlemen, feedlot operators and packers next Wednesday as the group makes a "feedlot tour" of the West Texas-Eastern New Mexico area. The tour is sponsored by the Western Livestock Journal of Denver.

**THE KLANSMAN...** With just a little imagination one can see the reason for the name of this huge formation in New Cave in Carlsbad Caverns National Park. Resembling a hooded rider, the robe portion is white while the rest of the figure is a startling flesh color. The formation was used as a pagan god in the movie, "King Solomon's Mine," which was partially filmed in New Cave in 1950. Discovered in 1937 by a goatherder and visited by less than 2000 people since that time, regular public tours began for the first time this week. Advance reservations are required. Four trips per day with 25 in each group are scheduled throughout the summer. The National Park Service plans to keep the trail and cave in its natural primitive state and those who wish to take the tour should be prepared for a rugged three and one-half mile journey.

I SUPPOSE someone thought I needed another cookbook for my wife, or at least what would be termed the equivalent.

This happens to be a set of "cookery cards" that I received in the mail—at least I received the ad. I remember when you could just get a cookbook to look at—we still ate about the same but the cookbook did lead into a whole field of imagination....

Then we progressed to a file index of cards that not only had the recipe but also a picture of what it was supposed to look like in the finished product.

Now that was a healthy purchase because we threatened the little wife then. It either had to look like the picture or we said something about it! (We still ate it!...)

Now here is a whole new set of "cookery cards" and we haven't eaten all of the last batch yet.

It offers a "free \$5 gift" if I purchase the whole set. How 'bout that? The free gift will only cost me \$3 a month plus postage and handling from now on. I guess I miss the idea about how "free" it is....

The box is the free gift as I read the ad now and I can keep it even if I never get any more "cookery cards," but what good is it without the cards it holds?

I remember a power gun that I saw advertised one time that would drive a spike into a masonry wall. The spike of such shape and size that it was good for little else than to hang the power gun on...Imagine that? \$29.95 to get a spike to hang the power gun on that drove the spike in...sounds like some other deals I've been in....

Well, I'm really not trying to sell you the "cookery cards" but I do hope that you get my idea that everything that calls itself free, isn't....

For instance, Speech, freedom, worship of God, public school, just lots of things that we had better be happy that we even have the chance to pay for...you are willing to pay the price, are

**Letters  
To The Editor**

Dear Bill,  
I wanted to share with the folks of Friona the greatest experience the band and I had in Missouri. We saw some very beautiful country, became acquainted with some very kind and helpful people in Sullivan, Missouri, and had the opportunity to compete in a very prestigious band festival. We would like for all of those that made donations and supported us in our fund raising to feel that they had a hand in winning the Outstanding Band Trophy.

I truly wish that I could give a detailed report on the trip, but it would probably take up a full page of the paper. High points included: a tour of Meramee Caverns, the St. Louis Zoo, Gateway to the West, the Mississippi River and Six Flags Over Mid-America.

I could write a full letter just about the great folks in Sullivan, Missouri. They "took us under their wing" when some of our plans were rained out and made our day a success. Their friendliness and help were the high points of the trip for me personally.

However, the band and I know, if it were not for the fantastic folks from Friona, that helped us financially, this trip would never have been possible. I wish I could list every donor here, but the list is very extensive. I am going to make a list of those that donated to our cause, frame it, and display it in our band hall as "Friends of the Band."

There are so many to thank for efforts other than direct donations - yourself for calling attention to our needs; Ray Dean Fleming, who also pointed out the need for support through his ads; and all of the band parents that helped in various ways, especially with the band contest; and certainly Betty Louise Rector for her efforts as a fund raiser and as a sponsor on the trip.

The trip was successful, enjoyable and educational. The Chieftain Band and directors are grateful that we had the opportunity to represent our school and city in Missouri. We hope that we can continue to represent Friona well in the future.

Sincerely,  
Charles Faulkner

# Committees, Projects Discussed

Naming of standing committees for the 1974 program of work highlighted the monthly meeting of the Friona Chamber of Commerce board of directors Tuesday morning at Earl's Parmer House Restaurant.

Dale Cary and George Rushing were named co-chairmen for the 1974 Maize Days celebration. Others on the committee include Jerry London, Bernard Gowens and Bill Wilshire.

Wendell Gresham reported about the difficulty he is experiencing in lining up the carnival for this year's celebration. Because of the fuel shortage, the carnival that has appeared for the last two years will apparently not be able to be here. Gresham is seeking to locate another operator.

It was reported that the women's clubs are interested in sponsoring the Friday luncheon during Maize Days. This luncheon has been sponsored by the Chamber of Commerce, but had not been held for the past couple of years.

President Percy Parsons discussed his reluctance to sign the bond which is a requirement for the July 4th fireworks display, citing the dangers involved and possibility of an accident. Board members discussed holding the annual display at Reeve Lake, instead of at the football stadium, to allow more room for the big display.

Other items discussed included a personal membership

drive. A raise for chamber secretary Peggy Bryant was approved.

The chamber's complete standing committees for 1974 are as follows.

President Percy Parsons announced the following committees for the Chamber of Commerce:

**Transportation**-Hollis Horton, Glen Reeve, Jr. and John Blackburn. **Community Action**-Baker Duggins, Dr. Paul Spring and Robert Neelley.

**Agriculture**-M.C. Osborn, A.L. Black and Clarence Martin. **Finance**-Carroll Gatlin,

Bernard Gowens and Peggy Bryant.

**Texas Industrial**-Ralph Shirley, Charles Allen, Andy Hurst, H.K. Kendrick and Ron Davenport.

**Membership**-George Rushing, Jerry Hinkle, Jerry London and Dave Thompson.

**Maize Days**-Dale Cary and George Rushing, co-chairmen; Jerry London, Bernard Gowens and Bill Wilshire.

**July 4th**-Robert Neelley and Ralph Shirley. **1974 Banquet**-Dave Thompson and Jerry Hinkle.

**Fine Arts**-Deke Kendrick,

H.K. Kendrick and Eufaula Ethridge.

**Board of City Development**-Wm. Doyle Elliott, H.K.

Kendrick, Raymond Cook (2 year term), Robert Neelley and Dale Cary, chairman.

**Showbarn**-Carroll Gatlin.

## Hospital Board Endorses Concept

The Texas Hospital Association (THA) Board of Trustees, with a full understanding that health care in Texas must progress in every possible way, has officially endorsed the concept of Health Maintenance Organizations.

The THA Board endorsed the concept as "one method of health care delivery which should be explored and used in those areas where citizens desire such a system and share the delivery resources and where the actual capabilities are sufficient to support quality care."

In addition, the THA Board expressed the belief that "ownership and/or control of HMOs should be vested in no specific professional group or organization and that governing bodies of HMOs should be

composed of representative members of the population to be served."

The hospital association is encouraging such pilot projects as HMOs so that the health needs of the state may be better served, and it stands ready to assist in any project or study which falls within this purpose of improvement.

Generally speaking, the HMO concept is a prepaid, comprehensive health care program for a specific geographic population.

As opposed to the traditional fee-for-service system in which the patient is charged for each separate item of care, an HMO member pays a fixed annual fee, usually on a monthly basis, and in return receives outpatient and inpatient care ranging from routine check-ups to major surgery.

## WTSU Offers Financial Aid

The federally-funded Basic Opportunity Grant applications are now available through the West Texas State University Student Financial Aids offices and other public institutions.

"We hope that individuals who qualify will take the time to apply for the financial assistance they are entitled to receive," said Keith Winter, WTSU director of development. "West Texas State University and other institutions of higher learning are marvelous places for the development of their own potential."

"WT will have administered over \$1 million in financial

assistance this year to people anxious to improve both their life-styles and economic opportunities through post-high school work," he continued. For the Opportunity Grant, "all the student has to do is meet certain criteria and he is 'entitled' to a designated amount."

The Basic Educational Opportunity Grant Award is a grant and, unlike a loan, does not have to be repaid. It is estimated that during the 1974-75 academic year the awards will range between \$50 and \$800. They are available to students who began their post-high school education after April 1, 1973, and are attending on a full-time basis.

Eligibility for and the amount of the grant is based entirely on the financial resources of the applicant and his family need, which is determined through the submission of the financial statement application to the grant program.

The student should receive the results of his application within four weeks upon submission. The notification should be sent to West Texas State University or to any other school he wishes to attend. There, WTSU will calculate the amount of the Basic Grant and will attempt to put together a package of additional grant, loan and work assistance funds to meet the individual's needs.

## If you can't get PIONEER Brand 8311

here are some excellent alternative hybrids for High Plains farmers.

Pioneer Brand 8311, the "Golden Bronze Yield Leader," has been our most popular hybrid this year — so popular, in fact, that it may be in short supply in some areas. One reason is that the demand has been so great downstate where 8311's disease tolerance is so important. Fortunately, there are several other Pioneer Brand hybrids that are proven top performers on the High Plains. If you can't get 8311, ask your dealer about these.

**PIONEER Brand 8417**  
This versatile yellow endosperm sorghum is a champion yielder in the medium-late maturity class, for irrigated or non-irrigated land. It has large open heads, uniform head height, strong stalks for easy threshing, good tolerance to smut and anthracnose.

**PIONEER Brand 820**  
This top-notch full-season hybrid, is a consistently high yielder. Excellent drought resistance and standability plus good roots and stalks make it a good choice for irrigated or non-irrigated farming on the plains.

**PIONEER Brand 828**  
One of the highest yielding sorghums you can plant, this full-season hybrid responds well to good management on good land with plenty of water. Plains growers like it because it holds its quality and threshes well even after an early freeze. It produces sturdy stalks with semi-compact heads of dark red grain.

**PIONEER Brand 846**  
Famous for its versatility and adaptability, this medium maturity hybrid yields along with the full-season varieties. Resistant to smut, rust and MDM, its outstanding hybrid vigor and excellent drought resistance help it turn in consistently high yields even under stress.

**PIONEER BRAND SEEDS**  
PIONEER HI-BRED INTERNATIONAL, INC.  
Southwestern Division

### Flying Queens Play Russians

When the Russian National Team comes to Plainview Tuesday, May 28, for an 8 p.m. game in Hutcherson Center, the starting lineup could stand 6-9, 6-6, 6-4, 6-2 and 6-2.

And that's women, not men. The Russians will be taking on the Hutcherson Flying Queens in the Tuesday night event. Tickets are priced at \$2 per person with children under 12 admitted for \$1. All seats are general admission.

Brenda Moeller, a junior All-American for the Queens, not only will play in that game but also with the U.S. All-Stars in games against Russia at Madison Square Garden in New York City, Des Moines, Ia., Nashville, Tenn., Kansas City, Mo., Albuquerque, N.M., and San Antonio.

Another familiar name in the All-Stars lineup will be Cheri Rapp, three-time All-American

from Estelline who played for the Queens from 1968-72.

Russia won the 1972 Women's World Basketball Jamboree in Lima, Peru, and last August captured the World University Games in Moscow, blitzing the United States team 92-53 and 81-44. The Soviets also defeated France, Mexico, Bulgaria, Romania and Cuba.

The Queens hope their emphasis on speed will help wear down the bigger Russians. The Queens were 37-4 and won two national titles in 1973-74.

### Rush Forum Slated At Amarillo College

All high school senior girls and their mothers from this area are invited to attend the annual Panhellenic Rush Forum scheduled at 2 p.m. Saturday, May 25, in the College Union Building at Amarillo College.

The Forum is co-sponsored by the local sororities at AC and the Amarillo City Panhellenic, which is composed of representatives from the 16 national Greek sororities.

The seniors and their mothers, as well as college girls interested in pledging a sorority, will hear general

information on rush, costs, and the benefits of being in a sorority. Group sessions will also be held for individual schools.

The Forum will also feature coeds from Texas Tech, West Texas State University, Amarillo College, the University of Texas and other schools in a style show of campus and rush fashions.

Refreshments will be served, and the girls may visit tables displayed by each sorority, and ask questions.

If a girl wishes to register

with the Amarillo City Panhellenic, she should bring information about her grade average, activities, honors, and names of personal references. All girls except those going to Texas Tech (who must send pictures directly to the Tech Panhellenic) are also asked to bring pictures of themselves—five pictures if they are going to WTSU and 16 (one for each sorority) for any other college. This information and the pictures assist sorority alumnae in filling out recommendations on individual girls.

## Insurance Reform Under Discussion

"Texas lawmakers should take a long hard look at the U.S. Senate's passage of the national standards no-fault auto insurance measure and realize that the time of 'foot dragging' has come to an end."

Frank G. Tucker, regional vice president of the American Insurance Association, added that not only Texas, but all states without a meaningful no-fault law must recognize that "S. 354 could well be the beginning of uniform, equitable and comprehensive auto insurance reform for the residents of every state."

The no-fault auto insurance concept provides that a person be reimbursed by his own insurance company for such as medical expenses, wage loss, funeral expenses, and death benefits no matter who was at fault in the accident.

By a 53 to 42 vote, the Senate Wednesday, May 1, passed S. 354 which would require all states to meet minimum federal no-fault standards. The measure now goes to the House.

The federal proposal calls for full payment of all medical costs, reimbursement of lost wages up to \$15,000, a maximum payment of \$1,000 for funeral expenses and up to \$5,000 for death benefits paid to members of the victim's family.

"When meaningful no-fault reform was discussed during the last Texas legislative session, it was blocked by the trial lawyers. They also attempted to block the passage of S. 354 in Washington."

"While the trial lawyers were unsuccessful in their attempts in the U.S. Senate, they were able, however, to stop the good faith efforts in Texas and bring about the enactment of a phony no-fault law modest both in benefits and scope," Mr. Tucker added.

"S. 354 would require Texas as well as all other states to offer a mobile society such as ours well-constructed no-fault laws with a high degree of uniformity. The no-fault laws to date unfortunately do not fit that description. National standards as outlined in S. 354 would eliminate the inadequate, hodge-podge collection of laws developing at the state level," he added.

"During the last session in Texas, a meaningful no-fault measure was blocked. In its place was passed an 'add-on' law which only forces motorists to pay for a second insurance policy without correcting any of the inequities, abuse and waste of the present law suit system. On many auto insurance policies this added a cost of approximately \$23 to the consumer."

"However, with the Senate passage of S. 354, the public may soon realize a sound, comprehensive no-fault program not only in Texas, but in every state," concluded Mr. Tucker.

## Survey Conducted By Census Bureau

Data on workers holding more than one job and on high school seniors and recent graduates will be collected in a survey here conducted by the Bureau of the Census.

Percy R. Millard, Director of the Bureau's Data Collection Center in Dallas, announced that Census interviewers will visit households in this area the week of May 20-24.

Mrs. Laura Hart of Friona, will be the interviewer visiting households in this area.

## DPS Investigates Ten Accidents

The Texas Highway Patrol investigated ten accidents on rural highways in Parmer County during the month of April, 1974, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and three persons injured.

The rural traffic accident summary for this county during the first four months of 1974 shows a total of 36 accidents resulting in no persons killed and 20 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for April, 1974, shows a total of 390 accidents resulting in 19 persons killed and 218 persons injured as compared to April, 1973, with 544 accidents resulting in 24 persons killed and 283 persons injured. This was 154 less accidents, five less killed, and 65 less injured in 1974 at the same period of time.

The 19 traffic deaths for the month of April, 1974, occurred in the following counties: three in Palo Pinto; two each in Moore, Terry, Wilbarger and Lynn; and one each in Gray, Hutchinson, Randall, Swisher, Jack, Lynn, Stonewall and Wise counties.

## Jr. Rodeo Proclaimed "Highly Successful"

The second annual Friona Junior Rodeo, sponsored by the Friona Riding Club, was held last Friday, Saturday and Sunday at the Friona Roping Arena.

The event was proclaimed highly successful by all of those who were connected to the rodeo.

"I want to give a big Texas THANKS to all who had a part, in any way, in making this rodeo our best," said Curtis Butler, president of the Friona Riding Club.

Excellent crowds attended the three rodeo performances, in spite of the fact that the concluding day came on Mother's Day.

Eddy Mardis of Muleshoe was named "Best All-Around Cowboy," and Kay Halliday of Clovis was the "Best All-Around Cowgirl."

The Palo Duro Rangers Riding Club was chosen winner of the first place trophy in the

### On The Farm In Parmer County

By R. MACK HEALD  
County Agent

BOTH FOREIGN and domestic wheat supplies should increase substantially as this year's crop hits the market, and the result may be a drop in prices to producers to below \$3 a bushel. New crop wheat from South Texas is already moving to market.

Despite earlier forecasts of tight wheat supplies, record harvests are now expected in the United States as well as in Australia, Canada and Argentina—this nation's chief competitor in the export market.

Total wheat acreage in the United States is up 20 percent over a year ago, and over a

two-billion-bushel crop is expected, despite an anticipated short crop in the Texas and Oklahoma Plains. This would be an increase of 300 million bushels from last year.

Add this to the expected increase in wheat production in the Southern Hemisphere and you have an increase in world carryover stocks of almost 20 percent.

As far as the U.S. situation is concerned, it is expected that we'll export about half of the 1974 wheat crop, despite increasing competition from other countries in the export market. Our own wheat stocks should increase to near 500 million bushels by mid-1975, a substantial increase over the 180-million-bushel carryover estimated this year.

So, the wheat supply situation is heading for an "about face" if the record harvests do come about. And prices to wheat producers could take a significant fall under current conditions.

THE SUPPORT of all cattle producers in Parmer County as well as those throughout the state is needed if the current brucellosis eradication program is to be effective.

All breeding cattle two years of age and over should now be tested for brucellosis when ownership of the cattle changes. Testing may be done on the ranch or farm or at an auction market. A test is good for 30 days if the animal is ear tagged and the owner has a test certificate.

Texas leads the nation in the number of brucellosis infected herds. It has 26 percent of all the infected herds in the United States. Oklahoma, Louisiana and Mississippi account for 37 percent of the infected herds.

Testing programs are moving forward in other states and the action has been effective. 37 percent of all the counties in the nation are now "modified-certified" brucellosis free and 63 percent are "certified" free of infected cattle.

### Campaign Gains New Supporters

House Speaker candidate Bill Clayton said Monday the Texas electorate had "clearly established" him as the "leading candidate for Speaker" by electing a large number of candidates who favor him for Speaker in the May 4th primary elections.

"As a result of the primary election, my campaign for Speaker gained at least 12 new supporters, and I am assured of several more during and after the runoff," Clayton said.

The winner of a three-to-one re-election victory himself, Clayton said he felt confident he has enough pledges from members or members-elect, who will be voting in the Speaker's race next January, to clearly establish him as the leading candidate. As long as things continue to progress as well in my Speaker's race," Clayton stated, "I should be able to declare victory in the race in the near future."

### SWCD Report

The Parmer County Soil and Water Conservation District held its regular meeting last Tuesday. Leon Grissom, chairman, was in charge. Others attending were Jimmie Cokerham, Dan Smith, Dick Rockey, Herb Evans of the SCS and Albert Cupell, district bookkeeper.

Routine business was taken care of and eight conservation plans were approved.

Evans reported that final inspection and acceptance was made of Site #2 (Bovina Dam Site) of the Running Water Draw Watershed Project. The board was informed that vegetating the dam would be taking place over the next year or 18 months.

The board decided to offer a scholarship to a teacher from each school district to the Environmental Workshop at W.T. this summer if such a course is offered.

A.L. Black was the board's representative at the State Soil Conservation Board election in Plainview last Tuesday night. The election was held and Frank Gray of Lubbock was elected to another five year term on the State Board.

## Bad Luck Strikes Squaw Relay Team

The Friona Squaws mile relay team, which had had good fortune all season long, ran into a raft of bad luck at the state track and field meet last weekend in Austin.

The team had evidently placed fourth, with their season best time of 4:05.1, but the team was disqualified for running out of their lane.

"We knew right away that we had lost our rabbit's foot when we drew lane 8 (the outside lane), Coach F.G. Crofford said.

The Squaw coach said the team started out by leaving its "lucky" baton at home. In addition, Terri Patterson

was taken to a hospital at Brownwood and treated for a cold. Despite all of this, the team still turned in a school record in the state finals.

"We were right with the leaders most of the way. I was proud of the kids. They have worked hard all year," Crofford said.

Five national marks were set at the girls state meet. Waco Robinson won the mile relay in the time of 4:02.4

## Injury Clinic Slated At Amarillo College

A seminar on the prevention of sports injuries will be held at Amarillo College May 25 for interested coaches, trainers, student trainers, physicians and all athletes in the Panhandle area.

The free, non-credit clinic will be instructed by Lynn Laird and Larry Gardner and five Amarillo physicians from 10 a.m. until 4 p.m. in Badger Gym on the Washington Street campus.

"The seminar topics will provide information concerning athletic injuries, both prevention and care," said Laird.

Laird is a physical therapist at Medical Drive Physical Therapy clinic and was previously employed by the West Texas State University athletic department seven years.

Gardner is a therapist at the Sports Injury Clinic in Dallas, a private athletic problems clinic. He was co-trainer seven years with the Dallas Cowboys and was formerly head trainer with the Miami Dolphins the past two years.

Laird will demonstrate various correct taping methods. Gardner will discuss stretching and conditioning programs. The clinic is co-sponsored by the Amarillo College Community Service program and the Texas Society of Team Physicians, a special group formed in the Texas Medical Association.

Those interested in the clinic may enroll at 8:45 a.m. May 25 in Badger Gym.

Additional information may be obtained from Laird at the Medical Drive clinic.

## Mrs. Glenn Reeve Presents Program

The Riata CowBelles met Thursday, May 9 at the Friona City Council meeting room.

A special guest was Mrs. Glenn Reeve, Sr., who gave a program on "Brides of the White House."

The organization's contest for "Father of the Year" was discussed. Nominees and a ballot will be printed in next week's edition of the Friona Star.

Mrs. Lee Britting gave a program for home and family classes, on beef production, cuts of meat and hints on buying and cooking.

Next meeting of the organization will be a cookout for Father's Day, June 13.

The recipe entered this week was for "Tostado Casserole," entered by Mrs. Clarence Martin.

### TOSTADO CASSEROLE

By Mrs. Clarence Martin

1 pound ground beef  
1-15 oz. (2 cups) tomato sauce  
1 envelope taco seasoning mix  
2 1/2 cups corn chips  
1-15 1/2 ounce can refried beans  
2 oz. (1/2 cup) shredded natural cheese

Brown beef and add 1 1/2 cups of the tomato sauce, and the taco seasoning and mix well. Line bottom of 11 1/4 x 7 1/2 x 1 1/4 inch baking dish with 2 cups of corn chips.

Crush remaining corn chips and set aside. Spoon meat mixture over corn chips in baking dish. Combine the remaining tomato sauce and the beans; spread over meat mixture. Bake in 375 degree oven for 25 minutes or until mixture is heated through.

Sprinkle with cheese and crushed chips. Bake 5 minutes or until cheese is melted. Makes 6 servings.

## Engagements Announced

**ANN CARRASCO**...Rev. and Mrs. Donny Carrasco of Friona are announcing the engagement and approaching marriage of their daughter, Ann, to Rudy Trevino, of Plainview. He is the son of Mr. and Mrs. Jose Trevino of Friona. Miss Carrasco is currently a senior at Friona High School and plans to graduate on May 31. Rudy was a 1972 graduate of Friona High School and is a sophomore at Wayland Baptist College. The couple plans to exchange wedding vows on Friday, June 7 at 7 p.m. at the First Baptist Church in Friona.

**CAROLYN HUTSON**...Mr. and Mrs. Troy Hutson of Friona announces the engagement and approaching marriage of their daughter, Carolyn to Jackie Locke, son of Mrs. Frank Locke of Seagraves, Texas. The couple will exchange wedding vows on Saturday, June 22 at 7 p.m. at the Monterey Baptist Church of Lubbock, Texas. Miss Hutson is a 1969 graduate of Friona High School and attended Amarillo College of Vocational Arts and is an L.V.N. employed at the Lubbock Osteopathic Hospital. The prospective bridegroom is a 1965 graduate of Seagraves High School and is employed at the International Automotive at Lubbock, Texas.

## LIBRARY CORNER

"We feel that the library is a very important part of the town and our family uses it quite regularly," said Faye Simpson when commenting on her families' reading habits.

The Darrell Simpsons were the Friends of the Library Family of the Year in 1972, attesting to the fact that each member reads and finds reading an enjoyable habit.

Tera Simpson is a sixth grader and lists any Louisa May Alcott book as a favorite. She has read "Little Women" and "Little Men."

Nancy Drew mysteries by Carolyn Keene are also favorites and she especially liked "The Hidden Staircase" and "The Secret of the Old Clock."

Tera is a member of the Girl Scouts, the children's choir at the United Methodist Church and plays in the sixth grade band at school.

Danny, a senior at Friona High School, enjoys adventure stories, westerns and Gothic mysteries. He lists Zane Grey as his favorite author.

Other activities in which Danny is involved include the marching band, stage band and concert band, Forensic and Thespian groups. He is a member of the young people's choir and the United Methodist Youth.

Books with mystery and suspense and historical novels are picked by Faye, mother of Danny and Tera. Some of her favorite authors are Victoria Holt, who wrote "The Curse of the Gods" and Norah Loft's books which include "How Far to Bethlehem," "Lovers All

Untrue" and others.

"I really enjoyed a new novel the library has received called "They Came To A River" by A. McKay," continues Faye. "This historical novel tells about Washington state's vast rich apple country on the upper reaches of the Columbia River—its pioneer orchard communities that today are the hub of the apple industry of the Pacific Northwest. The reader follows the life of Chris Hollowell and I found it a fast moving novel of great interest."

Faye is a member of the Hospital Auxiliary and of United Methodist Women.

Darrell Simpson lists adventure books as those most enjoyed for moments of relaxation. One in particular he found he liked was "The Salzbury Connection" by Helen McInnes.

Darrell is employed at Production Credit Association and is an officer in the Noon Lions, and sponsors an Explorers Group of Scouts. The family is a member of the Friona United Methodist Church where Darrell is a member of the official board.

"We pick books we like by authors," Faye relates. "Much of the time the librarian, Billie Fairchild, will refer to books the library receives which she thinks we might enjoy and we appreciate that."

Members of the family read "anytime the opportunity presents itself," according to Faye. But most of the reading at the Simpson household is done at bedtime.

Friona Public Library invites you to come in and take advantage of the facilities offered. Let reading be your worst habit.

## Friona Man Remains On Library Council

Grace M. Scott of Tulia and Frances A. Ferrell of Panhandle were elected recently as new members of the Texas Panhandle Library System Council. Their 3-year terms will begin in September 1974.

Mrs. Scott, representing the Swisher County Library and Mrs. Ferrell for the Carson County Library will replace Mrs. John Gramstorff, Farnsworth, and O.D. Riggs, Panhandle.

Mrs. B.L. Morgan, Amarillo, is chairman of the 6-member council of lay representatives from the member libraries of the Texas Panhandle's 25 counties.

Terms expiring in 1975 are those of Mrs. Morgan and Mrs. Jim Taylor of Stratford; in 1976, those of Steve Messenger, Friona and Mrs. Peyton Gibner, Spearman.

The Council serves as a liaison agency between the member libraries and their

governing bodies and library boards to: (1) Advise in the formulation of an annual plan for service to be offered by the system. (2) Recommend policies appropriate for services needed. (3) Evaluate services received. (4) Counsel with administrative personnel. (5) Recommend functions and limitations of contract between cooperating agencies.

Present benefits of system membership are full participation in the interlibrary loan communication network with actual costs paid by the system, centralized book purchasing and catalog card reproduction, and a reciprocal borrowing program. Several other benefits are proposed for 1974-75 if possible funding develops.

Members are public libraries in Amarillo, Canyon, Panhandle, Hereford, Friona, Spearman, Canadian, Borger, Dumas, McLean, Pampa, Perryton, Dimmitt, Shamrock, Stratford and Tulia.

## Golden Years Mothers Honored At Luncheon

Golden Years Mothers of the Sixth Street Church of Christ were honored at a luncheon in Room #2 of that building, Thursday, May 9.

**CONTEMPORARY**—The coat dress takes on after-five elegance in richly woven cotton brocade. Worn by Maid of Cotton Susan Holder. The Gino Charles design is set off with sparkling rhinestone buttons.

Hostesses for the occasion were Mesdames Raymond Fleming, David Grimsley, Loy Loanman and Hardy May.

Table decorations carried out the golden theme with a broad streamer centering the length of the table, matching bows and streamers attached to each corner. Floral arrangements were yellow and gold to match corsages presented to each guest as she arrived.

Entertainment included humorous readings by Mrs. Fleming, Mrs. Grimsley and Mrs. May.

A sextet composed of Mrs. John Hays, Mrs. Weldon Emerson, Mrs. Ross Miller, Mrs. Terry Brown, Mrs. Eugene Bandy and Mrs. Hardy May presented a program of choral music, and Mrs. Loanman displayed a scrapbook she had made from snapshots, clippings and other mementos from these annual Mother's Day courtesies dating back to 1970.

Mrs. Loanman also recorded the entire program on tape.

## Golden Age Citizens Honored At Social

St. Teresa's Ladies Society entertained their "Golden Age Citizens of Friona" with a social Sunday afternoon, May 5, at 2 p.m. at the Parish Hall.

Sylvia Roth gave the welcome, and asked those present to introduce themselves, and share some incident of the past.

The program consisted of a reading, "A Grand Person Is..." by Mrs. Roth; a song, "And They'll Know We Are Christians By Our Love," led by Karen Britting; and a reading, "Grandmother's Perfect Day,"

by Evelyn Ball.

Refreshments were served to Father John, Ima Coker, Rita Agee, Mr. and Mrs. A.W. Anthony Sr., Mr. and Mrs. W.P. Woodruff, Mr. and Mrs. Walter Loveless, Olive Reeter, Howard Mayfield, O.F. Lange, Mr. and Mrs. James Shaffer, Orma Flippin, Lola Goodwine, Nelda Bragg and Clyde Goodwine, guests, and 13 members of the society.

Other guests included Faye Rodriguez, Patsy Salas, Sylvia Bermea and Lester Roth.

MR. AND MRS. NEWMAN JARRELL, SR.

## Reception Honors Newman Jarrells

A reception honoring Mr. and Mrs. Newman Jarrell Sr. on their fiftieth wedding anniversary was held Tuesday evening, May 14 in the home of Mr. and Mrs. Ross Miller.

The serving table, covered in white lace, was centered with a floral arrangement of roses, honeysuckle and snapdragons, a gift from Mrs. Sam Mears. Lighted yellow tapers in silver holders complemented the gold table decor.

New Mexico. Newman Jarrell and Beulah Shotts were married May 14, 1924 in Chickasha, Oklahoma. They made their home in Snyder, Oklahoma, where Mr. Jarrell was established as a partner in the dry goods business. Later, he bought the other interest, a business they operated until they sold the store to move to West Texas in 1950.

After buying a farm one mile south of Hub, the Jarrells lived there until moving to their present home at 804 W. 5th in 1956. After suffering a heart attack in 1962, Mr. Jarrell retired, however, for the past several years, he has been employed as patrol to assist school children across Main Street twice daily, a position he still maintains.

The couple have two children, Mrs. Smith Treadwell, Atlanta, Georgia, and Newman Jr., Clovis, New Mexico, four grandchildren and two great-grandchildren.

MARY ELLEN SCALES

## Mary E. Scales Earns Degree At University

Mary Ellen Scales, a former Friona student, will receive her master's degree in commencement exercises at the University of Arkansas, at Little Rock, Arkansas.

The ceremony will be performed in the auditorium on the campus Sunday, May 19.

Miss Scales is the daughter of Mr. and Mrs. Charles Scales of Friona and is a 1969 graduate of Friona High School.

Mr. and Mrs. Scales will attend the graduation exercises.

## Friendly Texan Week Scheduled

Texans are known far and wide for their friendliness. In fact, the Texas motto is "The Friendship State." Of the many "attractions" offered visitors, friendliness is one of the most important.

To bring to the attention of all Texans the importance of this commodity, Governor Dolph Briscoe has proclaimed May 20-26 as "FRIENDLY TEXAN WEEK."

The Texas Tourist Council wants this message to be brought to the attention of all Texans prior to the big influx of the 23 million visitors we expect to host this year.

Robert W. Kneebone, president of the Council, has announced that 22.7 million out-of-state visitors came to Texas last year and they spent \$2.1 billion. There are only three states which attract more—Florida, New York and California, he reported.

Governor Briscoe said, "An important part of the heritage of Texas includes hospitality and friendliness. This friendliness has been a major influence in attracting many visitors to Texas and bringing them back for further visits. I urge all citizens of Texas to show sincere friendliness and helpfulness to our visitors and I hereby designate the week of May 20-26 as FRIENDLY TEXAN WEEK."

## Road Program Set In Parmer County

The Texas Highway Commission has approved development of 5.3 miles of Farm to Market Roads in Parmer County as a part of the 1974 Texas Farm to Market Road Program.

District Engineer George C. Wall, Jr., of the Texas Highway Department said estimated cost of the work in Parmer County is \$232,000 for construction and \$600 for relocation assistance.

Projects involved in Parmer County are:

A new Farm to Market Road from FM 1731, 5.0 Mi. S. of Bovina, East a distance of 4 miles.

A new Farm to Market Road from FM 2290, 0.3 Mi. W. of Bovina, S. to U.S. 60, a distance of 1.3 miles.

Across the state, the program includes work on 565.9 miles at an estimated cost of \$21.4 million.

Projects in the program were proposed by counties in consultations with district

engineers of the Texas Highway Department. The program is a partnership effort between the counties and the Highway Department with the counties providing necessary right of way and the Highway Department providing for construction and maintenance.

Texas now has some 40 thousand miles of paved Farm and Ranch to Market Roads, probably the most highly developed system of secondary roads in the nation.

Originally conceived to get the farmer out of the mud, the FM system provides all-weather roads for agriculture in the state. Now, FM roads also serve many recreational areas in the state as well as providing access for new industrial development in many smaller cities and towns.

The 1974 program provides additional financing for previously initiated projects totaling 392.8 miles. New construction in the program accounts for 173 miles.

Of that total, 154.1 miles are newly designated roads. These new roads include 106.4 miles which are on rural mail routes and 104.5 miles which are school bus routes.

Most Farm and Ranch roads are not "new" routes, they represent roads which were transferred from county or other local road systems to the state-maintained system, said Wall.

## Three Friona Men Arrested

Three Friona men were arrested and charged with possession of less than two ounces of marijuana, a Class B misdemeanor, about 1 a.m. Sunday two miles east of Bovina on Highway 60.

Arrested were Kenneth Lee Bails, 22; Byron Harlow Grant, 23; and Jodean Harrelson, 20. Appearing before Judge Archie Tarter in county court Monday morning, the three men were fined \$150 each plus costs and sentenced to 30-days in the county jail.

Grant, driver of the late model Ford sports car, was also issued a speeding ticket. Arresting officers were Texas Highway Patrolmen Bob Dorris and Royce Keck and City Marshal Ronald Mitchell.

A break-in at the Fantasy Beauty Salon on Third Street sometime Thursday night netted a burglar some \$75 in cash, according to investigating officers from the county sheriff's office and Mitchell.

Entry was gained into the building by breaking in a glass door at the front of the shop, which is operated by Mrs. Dorothy Stowers.

Officers said the money was not in the cash register at the time, but hidden in another container elsewhere in the shop.

## Trap Shoot Scheduled

The Bovina-Friona Knights of Columbus will sponsor a trap shoot Sunday, May 19.

The shoot will begin at 2 p.m. and will continue until dark around 7 p.m.

There will be a variety of shoots with cash prizes awarded. Ammunition will be available at the site.

The shooting range is located three miles East of Bovina South of U.S. 60. Directional signs will be posted along the highway.

Everyone is invited to take part in this activity.
