

SEVERAL PEOPLE were nice enough to call, drop a note, or remark about our column award which we told about last week.

But dear sweet Bessie Boatman was the first one to personally call.

"I want to be added to the list that includes your wife, mother-in-law and grandmother. I always enjoy your column," the octogenarian said.

Folks like that are the ones who give us the encouragement to "keep trying" every week.

We figure that our columns are sort of like ball games. We win a few, lose a few, and get a few rained out. (Isn't the latter a happy thought?).

DID YOU NOTICE that the TV networks did it again this past week?

Not content with their reputation of always "stirring the pot" in the homeland, the TV boys had to dig up something controversial while on their junket to Russia, and test the Russians out by attempting to send broadcasts that they know would be stretching relations.

Thereby, they were able to initiate a small hornets nest into what had been intended as a diplomatic trip by the nation's officials.

Some TV people just aren't content unless they're getting people upset—even if it's the Russian people.

ALL THE LIVELONG DAY TAXES

Twenty-three years ago the tax story of Henry Suburban first appeared in a Tax Foundation, Inc. publication. Periodically, requests have been made to update this popular feature. Herewith, the tax story of Henry's son.

"Henry Suburban, Jr., awakes on a dark gray morning in the bedroom of his \$30,000 house (annual property tax, \$700). He turns on the light (monthly electric bill, \$20; taxes over \$1).

"As he enters the kitchen to greet his wife (marriage license \$10), he hears a radio newscaster reporting that Henry's state is considering a hike in its income tax or its sales tax. He eats his breakfast (weekly grocery bill, \$50; plus tax, \$2.50). Henry's older boy in college asks Henry for his plane fare (\$41.67; tax, \$3.33) to go back to school. Henry looks at his checkbook to see what's still left of his pay (\$210 per week; \$26 in Federal and state income taxes; \$8 for social security taxes). While finishing his second cup of coffee, Henry figures out that the new social security tax rate will take \$62 more from his pay next year.

"Henry's wife tells him she had a telephone call (telephone bill, \$18, plus taxes of \$2.25), from her mother about selling the old family home (real estate transfer tax, \$1 per \$1,000). Before Henry leaves for work he checks his wallet to make sure he has enough money for a new pair of tires (price \$52; tax, \$8.30). He sees that his driver's license (\$8) will soon need renewal. As he goes out he reminds his wife to get a license for the dog (\$2). He jumps into his car (\$3,000 cost; plus taxes, \$370), and remembers he has to buy gasoline (37 cents per gallon, including tax of 13 cents) before he reaches the plant.

"A neighbor who rides to work with Henry mooches a cigarette (cost, 45 cents per pack, including 22 cents in taxes).

Scouts Seeking Panelling For New Building

Boy Scout leaders have instigated a drive to raise money to panel the new Boy Scout House.

A representative of the scouts asked that anyone wishing to contribute to the paneling fund please contact Pete Hollis. Contributions may also be left at Rockwell Bros. Lumber.

SWIM PARTY

The Webelos and Cub Scouts of Friona will have a swimming party at the Friona pool on Saturday, July 27, from 6:30 to 8:30 p.m.

City Receives Sales Tax For Quarter

The City of Friona received its quarterly sales tax check this past week, and the check amounted to \$13,157.29.

This was a "good average" check, according to City Manager Jake Outland. The largest check received to date from the one-cent city tax was \$14,526.70, which was received the latter part of March.

The March check represented sales by local businesses during the last quarter of 1973, which includes Christmas shopping, and is traditionally the largest quarter, businesswise, of the year.

Registration Monday For Summer Drama Workshop

Registration will begin on Monday, July 8th for the annual Drama Workshop, sponsored by the Friona Fine Arts Council. Registration will be held at Friona High School Auditorium.

Workshop sessions will be held daily from 9 a.m.-12 noon, 2-5 p.m. and 7-10 p.m.

Del Lewis of Denver, a native of Friona, will be directing the workshop once again.

Fee for the workshop will be \$10.00 per person or \$20.00 per

family. Participants must be at least 13 years of age.

The Fine Arts Council is made up of representatives of Friona's service clubs.

Officers for the Fine Arts Council are Eufaula Ethridge, president; Carrie Tatum, vice president; Lois Norwood, secretary; and Richard Collard, treasurer.

Those interested in taking part in this summer's workshop desiring further information are invited to call Mrs. H.K. Kendrick.

Class To Be Organized

A second session of swimming lessons will be given at Friona's municipal swimming pool beginning Monday, July 8, according to Baker Duggins, supervisor of the lessons.

Enrollment for the lessons will be held on Saturday, July 6 from 9 a.m. to 12 noon at the pool. However, Duggins stresses that anyone unable to enroll on Saturday that wants to have the lessons should report to the pool at 9 a.m. on

Monday, July 8.

All levels and all ages will be taught, if there is a demand, including beginners, advanced beginners, intermediates and life-saving.

A class for adult ladies will be taught if there is a great enough demand, Duggins says.

Price for the series of 15 lessons is \$20.00. The pool is located at 1601 West Fifth Street (adjacent to the Country Club) in Friona.

Friona Man Credited With Saving A Life

A Friona man and a Westway resident were awarded Citizen of the Month honors from the Deaf Smith County's enforcement officers Friday for actions that saved the life of a Hereford resident.

Steve Gregory of Friona and Cecil B. McCullar of Westway were presented certificates for their efforts to save the life of Roger Brown of Hereford. Brown was pinned inside a burning pickup after an accident at Bootleg Corner on May 22.

Brown was the driver of a pickup in collision with a grain truck at the intersection 24 miles west of Hereford. McCullar was feeding some cattle near the intersection, heard the collision, and rushed to the scene to investigate.

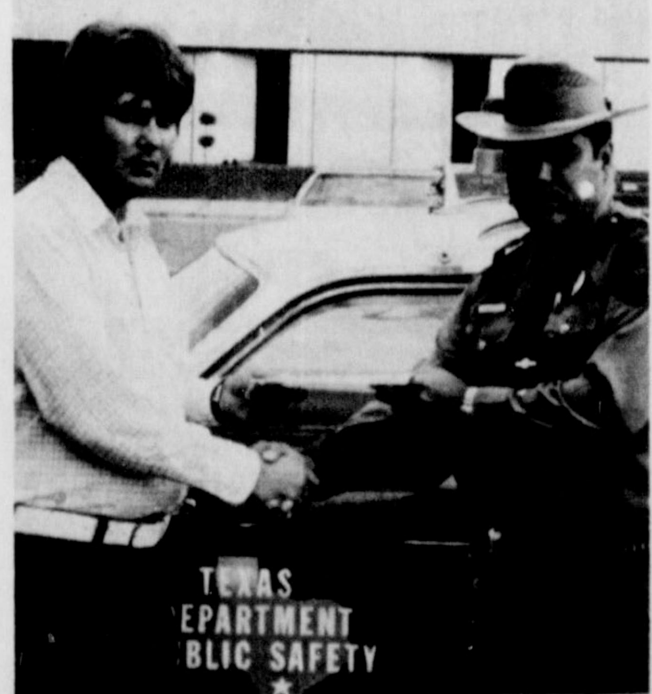

McCullar found the driver of the grain truck, Dan Hall, had been thrown from his vehicle. Brown was pinned inside his pickup, but was still conscious

and yelling for help. As McCullar grabbed a chain from his own truck, Gregory arrived on the scene.

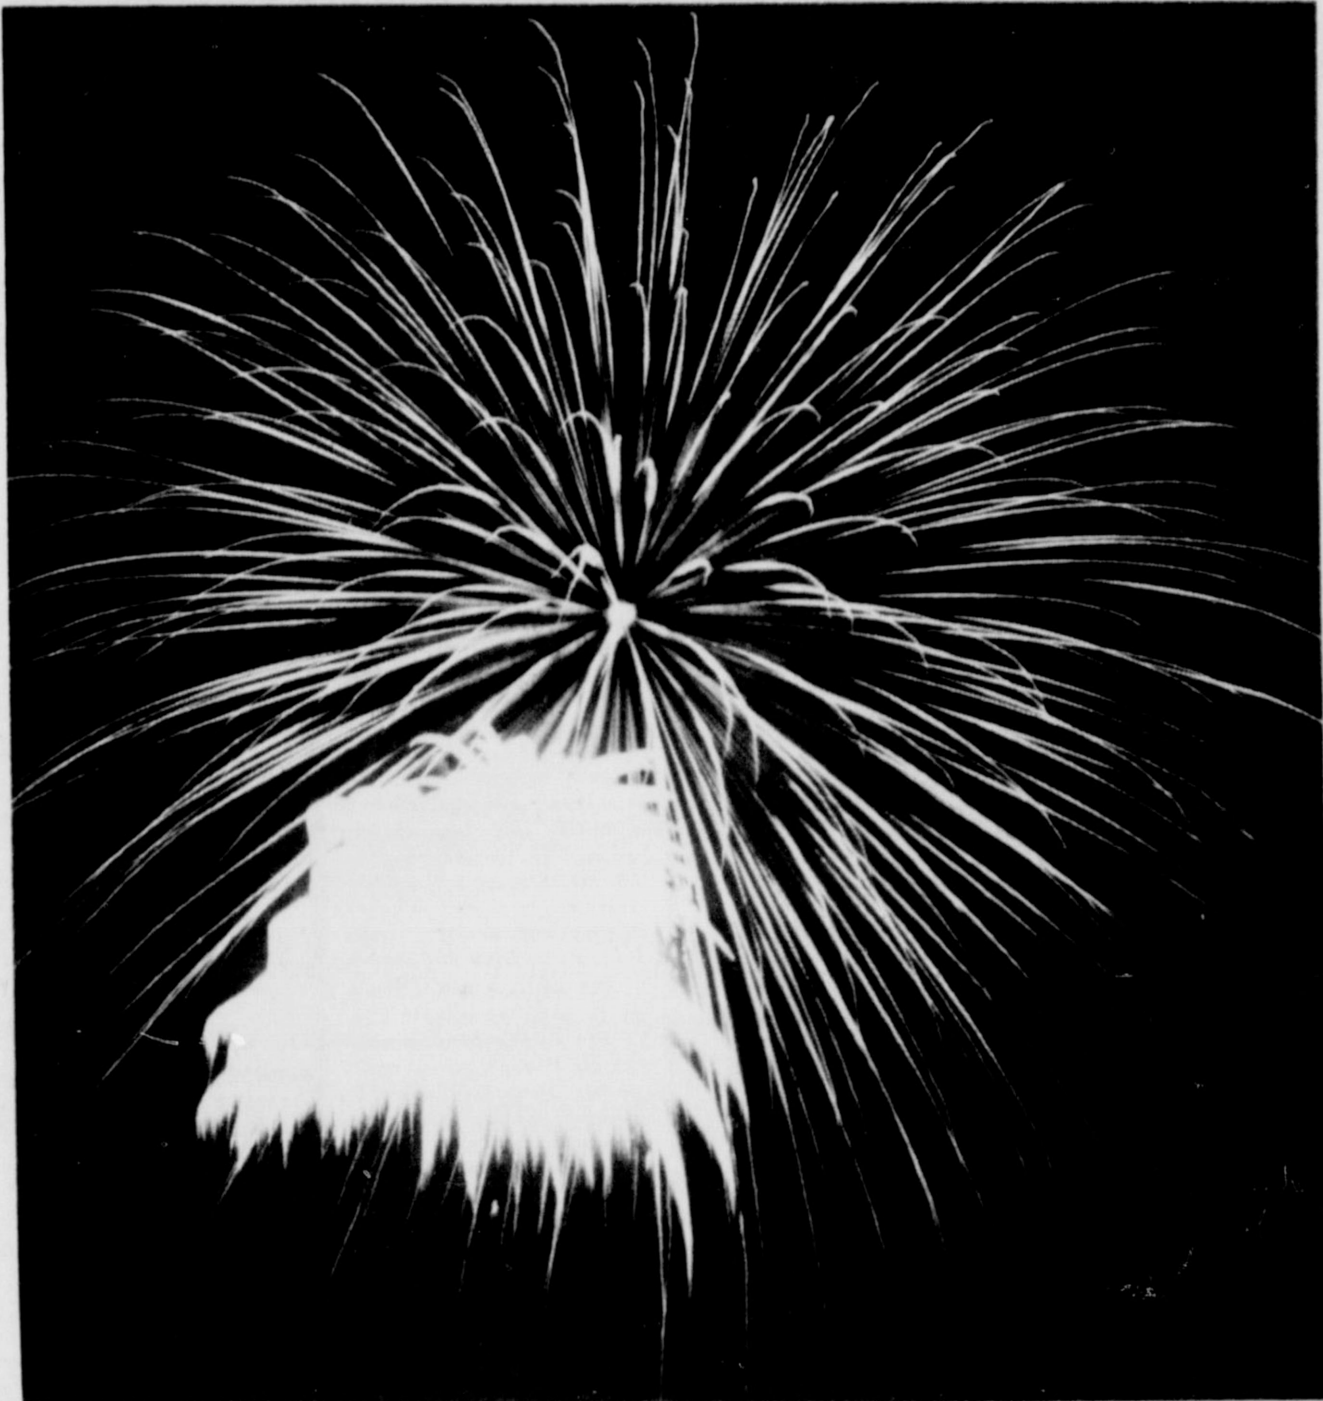

Gregory and McCullar wrapped the chain around the door of the pickup and pulled it open. Brown was then able to free his legs, and got out of the already-burning pickup. Shortly after Brown was moved to a safe place the pickup's gasoline tank ruptured, spreading flames throughout the pickup's body.

Brown was treated and released that day at the Deaf Smith County General Hospital. Hall, the driver of the grain truck in the collision, underwent surgery in Amarillo last Thursday for a broken neck, and is reported recovering slowly.

McCullar was in Colorado at the time of the presentation, but the award was accepted by his wife. Gregory was married Friday night after receiving the award.

HEROISM REWARDED... Former Friona Teacher Killed

A domestic quarrel between an estranged Amarillo couple Monday afternoon erupted into a shooting which left Fleta and Willie Blackshear both dead in her home at 2023 Terrace.

Mrs. Blackshear, 60, was the former Fleta Terry. She taught in the Friona schools from 1943 to 1949, and then later taught at Bovina in the 1950s and 1960s.

Police arrived at the scene shortly after the shooting and the couple was taken to Northwest Texas Hospital where they were both pronounced dead on arrival.

Blackshear was shot three times, once in the lower jaw and twice in the chest. Mrs.

Blackshear was shot one time in the center of her chest. The rifle barrel was also apparently bent on her head.

Mrs. Blackshear, a native of Tangier, Okla., had been an Amarillo resident 10 years. She was a school teacher and member of the Polk Street Methodist Church in Amarillo.

Survivors include one son, Lee Terry of Amarillo; two sisters, Mrs. Clea Robison of Benton, Ark., and Mrs. Walter Parks of Woodward, Okla.; one brother, Fred Baker Jr. of Lancaster, Calif.; her parents, Mr. and Mrs. Fred Baker of Amarillo; and one grandchild. She was preceded in death by a husband, Ernest Terry.

Police Chief Denny Is Jaycee Speaker

Friona Chief of Police Bill Denny was the guest speaker for the Friona Jaycees at their regular meeting Tuesday at Friona State Bank's Community Room.

Denny presented a program on the need for conducting a bicycle safety program in Friona.

"Due to the increased number of bicycles, we need some type of program to inform bicycle riders of the laws and safety precautions which pertain to bicycles," Chief Denny told the Jaycees.

A spokesman for the Jaycees said that the club would conduct such a program in Friona in the near future.

The Jaycees also discussed plans for working with the

Friona Fire Department on a project "Operation Red Ball." This is a system of identifying the rooms in homes containing invalids, and young children, for the benefit of firemen in case of fire.

Also, the possibility of working with the Friona Police Department on a crime prevention program was discussed.

Les Fithea reported that the new Boy Scout building was nearing completion. The building has been the Jaycees' largest project.

The Jaycees meet each Tuesday at 8:30 at the Bank's Community Room. They invite all young men of the Friona area to meet with them and consider joining Jaycees.

A \$90,000 building permit issued by the City of Friona for a new residence was the lone permit issued during the month of June.

Figures released by Friona City Manager A.L. (Jake) Outland showed that construction, as indicated by permits issued during the first six months of 1974, amounted to a total of \$458,600.

This is an increase of 20 percent, or \$77,300 over the total for the same period in 1973, when building totals amounted to \$381,300.

One of the larger permits issued during the first six months of the year was a \$90,000 permit for a new commercial building, the new White's Auto building on West Highway 60.

Another large figure was \$60,000 for an addition to the Mexican Baptist Church.

Largest month to date for building permits has been January, when residential construction amounted to \$135,500, and additions/alterations came to \$950.

May rates a close second. The total for May was \$135,150. This amounted to \$75,000 in residential construction, and \$60,150 in additions, including the church figure.

Slowest month to date has been February, when nary a permit was issued.

Following are the permit totals for the first six months of 1974:

Month	Total Est.
January	\$136,450
February	-0-
March	7,000
April	90,000
May	135,150
June	90,000
6-mo. Totals	\$458,600

Council To Air Cable Rate Hike

On the agenda for the monthly meeting of the Friona City Council Monday evening (July 8) will be the announced price increase for users of Friona Cablevision service.

Although the cable company is like utility companies in that it pays an annual franchise to the city, it does not have to have rate increases approved by the council, Mayor R.L. Fleming pointed out.

Among other items on the monthly meeting agenda will be the adoption of Ordinance 438, adjusting the electrical rates for city residents. This question was approved last month by the council.

Also, representatives of the Friona Boy Scouts will request that the city underwrite the cost of putting water and sewer service to the new Boy Scout House.

The meeting will begin at 7:30 p.m. at the City Council meeting room.

Ginger Murphree Suffers Injury In Boat Accident

Ginger Murphree, daughter of Mr. and Mrs. Ray Murphree of 901 Sixth Street, was injured last Friday in a boating accident near Abilene.

Ginger and her father were thrown from the boat, and Ginger was struck by the propeller from the motor, severely lacerating her leg.

She was taken to an Abilene hospital, where surgery was performed to close the wound.

Mrs. Murphree was also in the boat, but was not thrown out.

Ginger was back in Friona recuperating this week.

1974 Rain Total Lag Behind Avg.

Rainfall measured at the official gauge by the City of Friona amounted to only 2.84 inches for the first six months of 1974, it was announced this week.

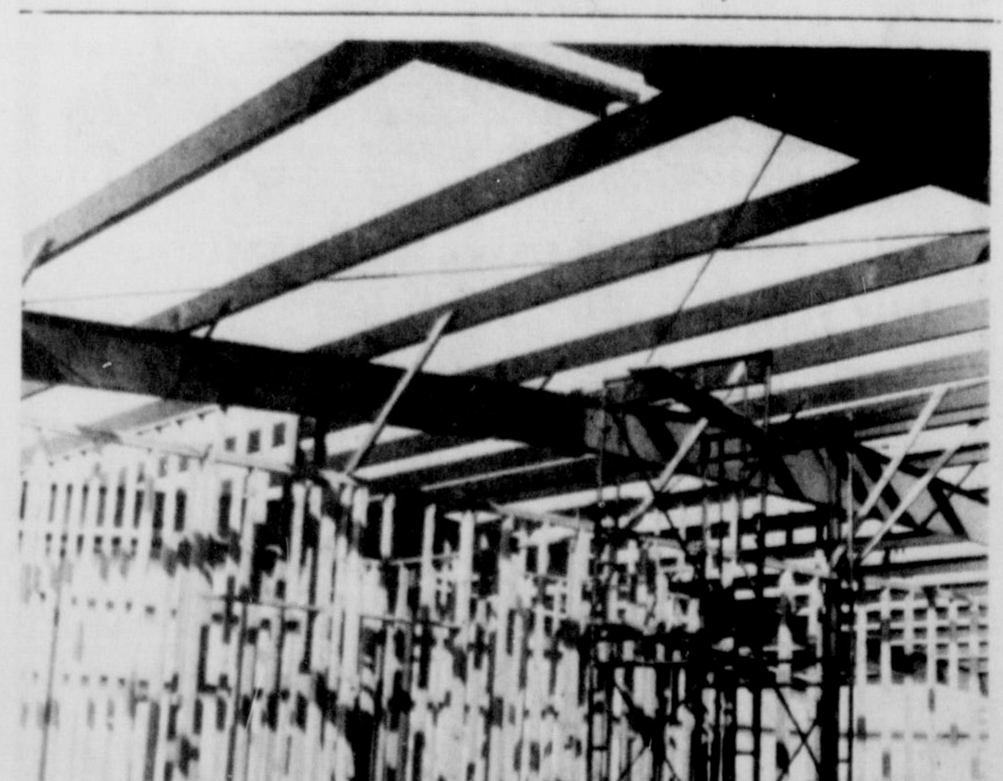

Over half of this total, 1.55 inches, fell during the month of June.

The 1974 rainfall total is 6.66 inches below that received during the same period in 1973, and probably is about the same amount below average. The rainfall received through June in 1973 amounted to 9.5 inches.

Official rainfall logged at Friona so far in 1974 has been as follows: January, .54 inch; February, .17 inch; March, .38 inch; April, .11 inch; May, .09 inch and June, 1.55 inches.

WELCOME TO FRIONA

Our newcomers to Friona this week are Mr. and Mrs. David Hahn, who moved here recently from Conroe. The Hahns moved to Friona on their first anniversary. He is

employed at City Body Shop. The Hahns are related to the Edgar Fletchers of Friona. The couple lives at 808 Prospect, and attend the Church of Christ.

Benefits To Be Increased

The second part of a two-step increase in monthly social

security benefits will be included in checks delivered in July, according to William Ent, social security field representative in Clovis, N.M.

A seven per cent increase was included in checks beginning in April. Since the total increase over the amounts received before April is no more than 11-per cent of which seven-per cent has already been applied, the amount of the increase to appear in the July 3 checks will be slightly less than four-per cent of the benefits received on May 3 and June 3.

"The increase will enhance the financial security of over 1,035 Parmer County residents, Ent said. "People getting social security checks don't have to do anything to get the higher payments. The increase will be added automatically."

For 1974 the amount of yearly earnings subject to social security deductions has been increased from the first \$10,800 to the first \$13,200, but there is no increase in the contribution rate. Employees and employers will continue to pay 5.85 per cent each on covered earnings, and the rate for self-employed people drops to 7.9 per cent.

SCS Report

Dry, hot weather continues in Parmer County. This is not news. It does make us all more conscious of how much irrigation means to each of us.

Native grass pastures in the northern half of the county are still as brown as they were after frost last fall. There has not been enough rainfall to green up even careless weeds or Johnson grass.

Irrigation water management is very necessary right now because our crops are using maximum amounts of water. Good management is needed to apply an adequate amount of water on each crop at the right time. Tail water systems are proving their worth during this peak water use season. Some producers would not be able to keep up with their irrigation without tailwater pits.

City dwellers are also finding it is necessary to manage the water on their lawns and gardens. Good, uniform, thorough grass waterings create beautiful lawns and save money on water, too.

Friona Flashbacks

... from the files of the Friona Star

45 YEARS AGO—JULY 5, 1929

Building operations on the Turner theatre building and on the Maurer store building which has been at a standstill for several days were renewed the latter part of last week. The cessation in the work was occasioned by a lack of materials which have been ordered but failed to arrive on time to keep the work going.

Reports revealed from different parts of the Friona territory indicated that the average yield for this year's wheat crop is twenty bushels per acre. On Wednesday, the price locally was 92 cents.

40 YEARS AGO—JULY 6, 1934

On Monday morning of this week the two Star routes leading from Friona to Lazbuddie and Brown's Corner, respectively, changed hands. Everett Harry and J.A. Mincher, the former carriers, released their jobs to Clarence and Lewis Baxter, the two low bidders in the bidding contest held last spring.

Friona High School will add a vocational agriculture class to its course of study for the coming term. A special instructor was named for the branch.

35 YEARS AGO—JULY 7, 1939

Twenty-one cases have been listed on the docket of the Parmer County district court, which will open its first session in the local court house on Monday morning, July 10, at nine o'clock, it was learned this week from County Clerk E.V. Rushing.

30 YEARS AGO—JULY 7, 1944

Mrs. Ocoee Warden, Elementary Supervisor of the Friona Schools, has been selected as president of the Graduate Club of the West Texas State College.

Sam L. Cunningham, who has served the Santa Fe Railroad here for the past two years as third trick man, recently bid in the second trick position with the railroad at Higgins, and moved his family to that city last week.

20 YEARS AGO—JULY 2, 1954

Tragedy struck swiftly and surely on Highway 60 in Parmer County yesterday to snuff out the lives of three members of the best known families in the county. Dead from a car-truck collision halfway between Bovina and Farwell at 4:15 p.m. Thursday afternoon are Mrs. G.D. Anderson, Jr., 32; a little son, John Hillard, age 4; and Mrs. A.G. White, 54, all of Bovina.

Progress has been noted on the new, modern elementary school building under construction in Friona

15 YEARS AGO—JULY 2, 1959

A wheat fire at 12:15 p.m. Sunday on the Dalton Caffey farm four miles west and three miles south of Friona destroyed approximately 5 acres of wheat and a 1958 International 1 1/2 ton truck. Friona's Volunteer Fire Department answered the call and damage was estimated to both wheat and truck in the amount of \$5,000.

As a result of a recent service wide examination Delmer Earl (Cotton) Renner, son of Mr. and Mrs. Rudolph Renner Sr., was promoted to the rating of aviation electrician, second class petty officer.

10 YEARS AGO—JULY 2, 1964

Parmer County Community Hospital's board of directors met Tuesday night and awarded a contract for construction of a 10-room addition to the hospital. The bid was awarded to Taylor Construction Company of Friona, at \$104,000.

5 YEARS AGO—JULY 3, 1969

Mrs. Carl Fairchild has been employed as librarian at Friona Public Library.

Mary Rando, 1969 graduate of Friona High School, returned this week from South Texas, where she appeared on two county Farm Bureau Citizenship Seminar programs in McAllen and San Benito.

Hi-Plains, Sherley Clash For Sr. Lead

A climax of sorts was due in the Senior League on Friday (July 5), when Hi-Plains Feed Yard and Sherley Grain of Bovina meet in a game that will determine the league champion.

Both teams go into the game with identical 6-1 records, and the winner will then just have

to keep from losing during the final week to salt away the league championship.

Sherley Grain won a pair of two-run games during the past week to maintain their share of the lead. They scored early and then held off Pioneer Cattle, 6-4 in a game last Thursday, and

followed the same format on Tuesday in their 7-5 win over Cattle Town Feed Yard.

In their only action this week so far, Hi-Plains scored 24 runs in the third inning to bomb Pioneer Cattle, 30-9.

The only other meeting between Sherley Grain and

Hi-Plains saw Sherley take a 17-9 win. That was Hi-Plains' only loss to date. Sherley has lost an 8-7 decision to Pioneer Cattle.

Cattle Town came to life during the past week, winning a 14-2 game over Benger Air Park on Friday, and then a 17-7 win over Pioneer on Saturday in a make-up game. Then on Tuesday, Cattle Town pressed Sherley Grain before losing, 7-5.

In the Major League, Friona Star fell out of the lead, dropping a 14-10 game to Friona Feed Yard in a contest that rocked back and forth on Friday night.

Friona State Bank then edged past the Feed Yard, 7-5 in an important game on Monday, to climb back into the league lead. Friona Star continued its tailspin by falling

to Reeve Chevrolet-Olds, 14-4 on Tuesday.

In the Minor League, Parmer County Implement Co. has been the hottest team lately. The Implement boys have won four straight games going into Friday's contest, including a 21-6 win over the league-leaders, Ethridge-Spring, on Tuesday.

In the game against Ethridge-Spring, Parmer County Implement socked out ten hits, and combined that with 14 walks. A big 17-run second inning wrapped up the ball game.

Bill's TV, in the T-Ball League, has already clinched the championship, being the only one of the 17 teams to have a title locked up.

The TV-men downed Friona Parts, 26-23 and Piggly Wiggly, 18-13 during the past week to wrap up the title.

SIX PACKS

Friona Rallies For Pair Of Close Wins

The Friona Six Packs scored a pair of come-from-behind victories here last Sunday afternoon, to preserve their unbeaten record at home and run their season mark to 14 wins and only two losses.

The Six Packs scored three runs in the eighth inning to edge the Dimmitt Aces, 8-7, and avenge one of their two season losses.

Then in the nightcap, the

team scored four runs in a wild bottom of the ninth, to come from behind and defeat the Clovis Chicanos, 12-11.

In the first game, Friona came from behind three times, finally to stay when they batted around in the eighth inning.

Manuel Quintana, whose only season loss was at Dimmitt June 16 when errors cost him an 11-10 decision, gained credit for both wins Sunday, coming in relief of Chacho Arce.

A three-base throwing error by the Clovis catcher allowed the winning run to score in the second game, when Friona rallied for four runs.

Friona loaded the bases with no outs in the bottom of the ninth. Quintana's high bouncer went for a hit and scored a run, but Lupe Ruiz was out at home trying to score on a low pitch.

and Juan Fuentes singled home the winning run.

Fuentes and Rick Royal each had doubles in Friona's three-run fifth. Both of those hits narrowly missed being out of the park for home runs. Delgado had a double in the fourth inning which scored Royal and Ismael Iglesias who were on base.

Manuel Quintana went five-for-five in the second game.

The team continued its late-inning magic here Wednesday, scoring a run in the eighth inning of a scheduled seven-inning game to top Springlake-Earth by a score of 2-1 for their 15th win of the season.

David Davila doubled with the bases loaded in the eighth inning for the winning run.

Corn Borer alert!

southwestern corn borers are threatening your corn crop

Stop southwestern corn borers before they can cause profit-robbing damage to your corn fields. Use dependable, economical SEVIMOL® 4 carbaryl insecticide... a free-flowing liquid blend of molasses and SEVIN featuring simple measurement and no pre-mixing. It's ideal for ground or air application.

SEVIN carbaryl is biodegradable, and compared with other agricultural insecticides it ranks low in toxicity to people, farm animals, birds and fish. Chances of illegal residues occurring on adjacent crops are less with broadly registered SEVIN carbaryl than with insecticides registered on fewer crops. See bee caution on label. SEVIMOL 4 should be your choice. It lets you get tough on southwestern corn borers... and get tough sensibly.

STOP! All pesticides can be harmful to health and the environment if mis-used. Read the label carefully and use only as directed.

OMER HYDE

Friona Missionary Accepts New Position In Oregon

Rev. Omer Hyde, former Friona resident who has served as a Baptist missionary in Washington for the past 17 years, will begin a new assignment in Oregon in August, it was announced recently.

Rev. Hyde has served as missionary in the Tacoma-Olympia area since 1957. In his new capacity, he will be missionary to four Oregon associations: the Central, Cascade, Douglas and Siskiyou.

A Friona native, Rev. Hyde is a graduate of Friona High School (1937), and received his college training at Hardin-Simmons University, Abilene, and attended Southwestern Baptist Theological Seminary, Fort Worth.

His parents, Mr. and Mrs. H.A. Hyde, live at 410 West Ninth in Friona.

The longtime Baptist missionary was ordained as a minister at Friona's First Baptist Church, when he was 17.

He is married to the former Neva Ruth Hayes of Electra, and they have three children. A son Richard, is a student at the University of Washington.

Daughters are Treva Hall, who lives in California, and Paula Price, of Norman, Oklahoma. Her husband is employed at Tinker Air Force Base.

Prior to moving to the Northwest, Bro. Hyde pastored churches in Oklahoma (Tipton,

Blair and Watonga). He left Oklahoma in 1955, and preached in Candada (Vancouver, B.C.) for about a year. He then moved to Oregon, and to Washington in 1955.

In his early years as a young Baptist pastor, Rev. Hyde served churches in Ranchvale, N.M., the Flagg community (Castro County), and near Electra, Tex.

The Hyde daughters were born while he was pastoring in Oklahoma. The son was born in Wichita Falls, while they were in that area.

The Hyde family moved to Friona from Oklahoma in 1929. They have lived here ever since, except for a time while they lived in Lubbock while children attended college. Mr. Hyde is a retired farmer.

Other Hyde children are Maxine Bolding of West Palm Beach, Fla., Eva Dean Kimbrough, Vernal, Utah;

Omer Hyde

Truell W. Hyde of Killeen. The Truell Hydies are in the midst of a tour of Europe this summer.

There are 13 grandchildren and two great-grandchildren.

PLANS YOUTH RALLY...Rev. James Robinson, pastor of Friona's United Pentecostal Church, stands beside a banner

he plans to use during a parade next Friday heralding the "Youth ACTSion Rally" to be held at the City Park on July 13.

"Of course I spend more than you make, dear! I have confidence in you!"

AT STATE CONVENTION

Six Friona FFA Boys To Get State Degrees

Ten students from Friona High School will attend the State FFA Convention in San Antonio July 10-12. The convention will be under the direction of state president Bobby Tucker from Mineola, Texas.

A highlight of the convention will be the awarding of State Farmer Degrees to six local boys. This is the highest award that a student may earn for FFA work in the State of Texas.

Those to receive the Degree from Friona are: Garvin Thorn, Mitchell Wiseman, Keven Welch, Gene Schueler, David Blackburn and Ronnie McLellan.

Others to attend the convention are Cindy Gammon, chapter sweetheart, Vicki Pryor, chapter plowgirl, Davy Carthel and Keith Pryor.

The group will be sponsored by Mr. and Mrs. Benny Pryor.

The chapter scrapbook that was prepared by the sweetheart and plowgirl placed ninth in state competition.

The six students to receive the State Farmer Degrees have had a variety of supervised farming programs which include:

Beef cattle projects-242 head; milo-10 acres; wheat-242 acres; corn-250 acres; cotton-113 acres.

Also, soybeans-100 acres; breeding swine-5 head; show and feeding swine-7 head.

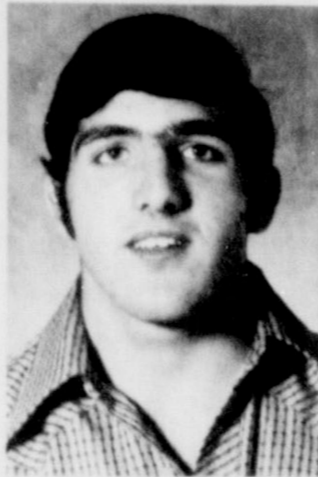

Combined, they have had a net farm income of \$22,389.45. All have had outstanding leadership activities in their school, community and church.

WT Schedules Seminar For City Officials

A three-day seminar on municipal government for newly elected city officials in the Panhandle and South Plains area will be conducted next spring by West Texas State University as a newly funded community service project, administered through the Coordinating Board, Texas College and University System.

Director of the project is Dr. Walter L. Shelly, assistant professor of political science. He will be assisted by Dr. J. Pat Stephens, a Canyon city commissioner, former city commissioner George Ritter, and city attorney Elton Cox, each of whom is a member of the WTSU political science department faculty.

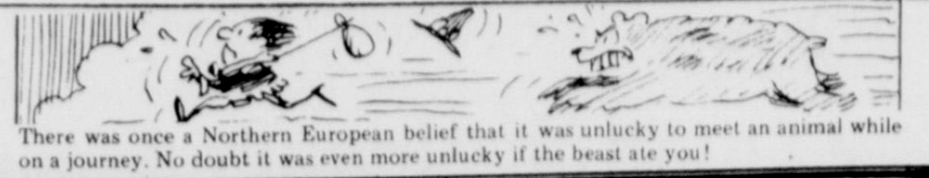

The seminar will be held May 8-10, 1975.

WTSU is matching \$1,500 of its own funds with a \$2,000 federal grant from the higher education Title I Community Service and Continuing Education Program to conduct the project. The Coordinating Board administers Title I community service grants for public and private colleges in Texas.

Morrow Gets Coaching Job

It was announced this week that John Morrow, a former coach in the Friona school system who has been assistant coach at Canyon during two state championship seasons, has accepted the head job as girls' basketball coach at Post High School.

Morrow will replace Jay Wilson, who also formerly coached at Friona. Besides Friona, Morrow has coached in the Midland system. This will be his first head coaching assignment.

International Harvester Has Meeting In Amarillo

U.S. farm income will level off "at a good high level," an International Harvester Co. executive predicted recently in Amarillo.

And crop prices should remain strong "at a slightly lower level" that will benefit livestock feeders "who are having a rough time right now." J.P. (Pat) Kaine, president of the IH's Agricultural/Industrial Equipment Division, told 400 IH dealers and customers at a meeting at Villa Inn.

Twenty-one Friona men attended the meeting. They were: Dub Anthony, Raymond Schueler, A.L. Black, Deon Awtry, Clarence Martin, Lawrence Martin, Jerry Brown, Robert Neelley, Darrel Simpson and Harry Hamilton.

Also, Bert Williams, Clarence Monroe, Gary Brown, Dale Cary, D.L. Carmichael, Leon Ware, Bill Carthel, Jerry Cass, Andy Hurst, Travis Graves and Ron Cain.

"We see a continuing and increasing demand for U.S. meat both here and abroad," Kaine said as he expressed optimism about the future of the U.S. agricultural economy because of population growth, particularly overseas where millions of new customers will have increasing purchasing power.

This year, he said, International Harvester is producing 15 to 20 per cent more finished machines and 50 per cent more service parts than last year, but is still faced with "serious shortages" of both.

To help alleviate the situation, Kaine said, his company has recalled IH people from retirement to expedite parts from suppliers, is buying components all over the world at premium prices to keep assembly lines going, is restricting exports to only 1.8 per cent of total production, and is increasing capital expenditures for expanded production. He cited a \$14 million investment, announced just last week, which would increase Farmall tractor production by one-third.

The U.S. will export \$20 billion worth of agricultural products this year, nearly 20% of the nation's total exports, Kaine said, and "that's going to buy us a lot of petroleum and other products we must import to sustain our high standard of living."

Commenting on foreign tractors being sold in the U.S., Kaine said his company has never sought import restrictions as protection against foreign competition.

"If we can't build a better machine and provide better service to the U.S. farmer than they can, we don't deserve your business," he declared.

Despite the fact that

Americans spend a smaller proportion of their income on food than any other people in the world, Kaine pointed out, "there is a furor over increases in food prices."

He said price controls on food would be "ill-advised" and would "discriminate against the producers of vital food and fibers who have not shared fully in the economic advances of other segments of the economy."

The IH executive criticized "self-appointed defenders of the public good who seek to manipulate our business and personal lives," and "articulate headline grabbers" who seek to destroy American business.

Citing the vital importance of agriculture and agri-business, Kaine said "no single industry has made a more significant contribution to the socio-economic well-being of civilization."

The American farmer, he added, provides the food and fiber that are "the basic needs which must be filled if civilization is to advance. There can be no lasting peace in the world if the hungry remain unfed. A world society of haves and have-nots is unacceptable and immoral."

TAKE THE HIGH COST out of cleaning rugs and upholstered furniture by making your own shampoo.

A quart of cleaning shampoo at the store costs about \$2, but you can make the same cleaner for less than 10 cents.

Use a rotary egg beater to whip one-fourth cup of light-duty detergent with one pint of warm water into a stiff foam.

To prepare the upholstery or rug for cleaning, first thoroughly vacuum any dust and ground-in dirt. Then clean a small area at a time with a soft brush or mechanical shampoo applicator, using only the dry suds.

It's a good idea to try this first on an inconspicuous area of the item to make sure none of the colors bleed.

If the colors don't run, continue rubbing the suds into a little area at a time in overlapping circles. Remove the soiled lather with a spatula from each small area before going on to the next. Rinse each time with a clean, slightly damp cloth or sponge.

If the suds begin to break down before the job is done, beat them up to a stiff dry foam again.

Speed drying of the surface by using an electric fan or reverse warm air blast from your vacuum cleaner.

Exchange Double Ring Vows

Mrs. Jackie Locke

Carolyn Hutson and Jackie Locke exchanged double ring wedding vows Saturday, June 22 at 7 p.m. They are both residents of Lubbock, Texas.

The ceremony was performed by Rev. Bill Hindman, Lubbock, in Monterey Baptist Church.

Parents of the couple are Mr. and Mrs. Troy Hutson of 302 East 12th Street in Friona and Mrs. Frank Locke, Seagraves, Texas.

The archway was decorated with greenery with silver and white wedding bells. A pair of spiral candelabra were on each side. Two vases of white gladiolas completed the church decorations.

Traditional wedding music was presented by soloist, Randy Pierce, Lubbock, with Margueta Billup, also of Lubbock, accompanying at the organ. They presented "We've Only Just Begun" and "The Twelfth Of Never."

As the bride was presented in marriage by her mother and father, she wore a formal length white satin dress covered with white taffeta and accented with eyelet lace. The dress featured a high neckline with lace trim, short puff sleeves and a long train. Her headpiece was a large white hat trimmed with white ribbon. She carried a bouquet of

white carnations on a white lace covered Bible with streamers of Forget-Me-Nots.

Carrying out bridal tradition, she wore a 1950 penny in her shoe for something old. Something new was a pair of earrings given her by a friend. Something borrowed was a string of pearls belonging to her mother and she wore the traditional blue garter.

Couple Exchanges Double Ring Vows

Alma Joe Springs of Sherman, became the wife of Timmy Weldon Skipworth of Tom Bean, in the Howe Methodist Church, Saturday, June 22.

Rev. Johnny Johnson of the Howe and Tom Bean Methodist Churches, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Edward White of Sherman. The groom's parents are Mr. and Mrs. Weldon D. Skipworth of Tom Bean.

The bride was given in marriage by her father. She wore a formal gown of blue chiffon over satin, with white lace accenting the high bodice. The sash and back bow trim were blue velvet. Her three tiered veil was attached to a camelot cap of chantilly lace.

She carried a bouquet of white and blue carnations centered with a white orchid with blue and white streamers tied in love knots.

The bride's attendants were

Mrs. Patsy Rust, Lubbock, was matron of honor.

Mrs. Fred Ferguson, sister of the bride from Friona, served as bridesmaid. Flower girl was Tracy Rust of Lubbock.

The feminine attendants wore floor length dresses made of lavender and white checked polyester cotton trimmed with white lace. They wore large

lavender hats trimmed with ribbon and flowers. They carried bouquets of spring flowers.

The flower girl was attired identical to the other attendants. She carried a basket of spring flowers.

Mike Zahn, Lubbock, served as best man. Ross Ritz, also of Lubbock, was groomsmen.

Gary Ferguson, nephew of the bride from Friona, was ring bearer. Ushers were Steve Holton and Alan Clenny, both of Lubbock.

Mrs. Locke wore a dark pink three-piece double knit suit. She wore white accessories and wore a lavender orchid.

The bride's mother wore a peach colored double knit two-piece suit with white accessories. She wore a lavender orchid.

Following the ceremony, a reception was held in Fellowship Hall of the church.

The table was covered with a white lace tablecloth over lavender. A spring bouquet of carnations with candies accented the table setting.

The three-tiered wedding cake was decorated with lavender roses and three white satin wedding bells on top.

Cake, punch, nuts and mints were served by Mrs. Louise Locke, sister-in-law of the groom and Mrs. Harold Hammonds, cousin of the bride.

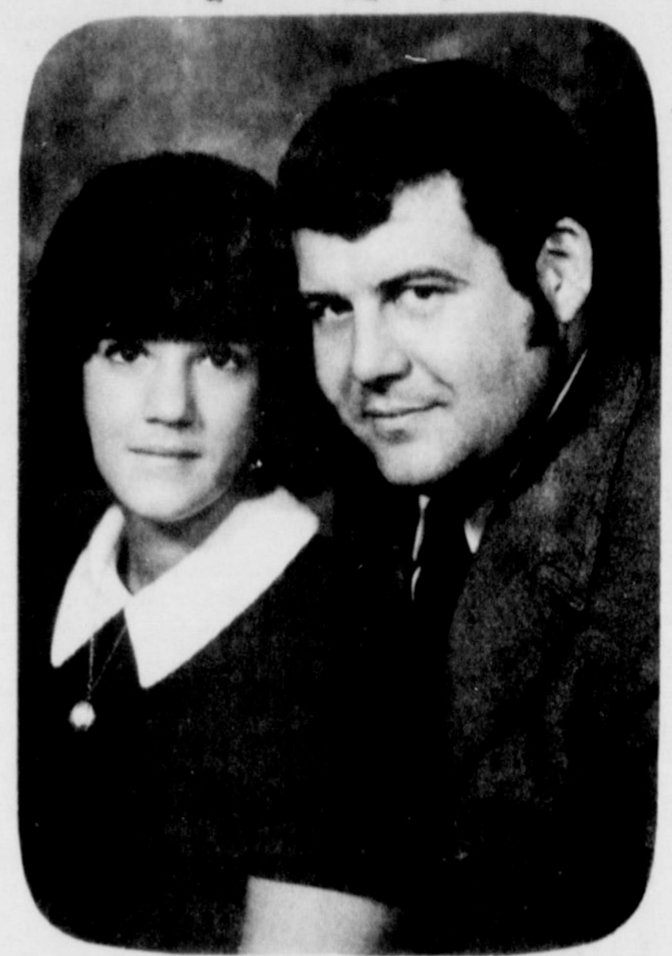

Kathy Riebold, niece of the groom, registered the guests.

For a wedding trip to Ruidoso, New Mexico, the bride wore a light blue and white three-piece double knit suit with white accessories and a corsage lifted from her bridal bouquet.

The couple resides in Town Plaza Apartments in Lubbock.

The bride is a 1969 graduate of Friona High School and attended Amarillo College of Vocational Arts. She is an LVN employed at the Osteopathic Hospital in Lubbock.

The groom is a 1965 graduate of Seagraves High School and is employed at the International Air Port.

BARBARA LYNN ALLMON AND CLAY KENT DUKE...Mr. and Mrs. Clifford E. Allmon of the Black Community and Mr. and Mrs. A.C. Duke of Vernon announce the engagement and approaching marriage of their children, Barbara Lynn Allmon and Clay Kent Duke, both of Amarillo. The couple plans to exchange wedding vows on Saturday, August 3 in Tascosa Baptist Church in Amarillo. Rev. Clayton Watkins, former pastor of the Summerfield Baptist Church, will officiate at the services. They plan to live in Amarillo where Miss Allmon is employed as a secretary in the auditing division for the Texas Alcoholic Beverage Commission. He is a graduate of Amarillo College and is employed as an inspector with the law enforcement division of the Texas Alcoholic Beverage Commission.

Michael A. Mills Makes Dean's List

Honor rolls for the spring semester at Southwestern State College at Weatherford, Oklahoma, have been announced and 199 students made straight-A grades.

The achievement qualified that elite group for the President's List, while several hundred others with grade point averages of at least 3.0, or B, and no grade below C have been named to the Dean's List.

Michael A. Mills of Friona, made the Dean's List. He is the son of Mr. and Mrs. Wayne Mills. His wife is the former Sharon Crofford, also of Friona.

Only those students who were enrolled in 12 semester hours or more are considered for either honor list at Southwestern.

Mrs. Mabry Heads Local Campaign

Mrs. Jimmie Mabry has been named chairman of the Breath of Life Campaign to fight children's lung diseases, according to Mrs. J.H. Grizzard, president of the Lone Star Chapter, National Cystic Fibrosis Research Foundation.

Mrs. Mabry of Friona, will lead local volunteers in raising funds to support research and care programs for children affected by lung-damaging diseases like cystic fibrosis, severe asthma, chronic bronchitis, bronchiectasis, and a condition called "childhood emphysema."

Cystic fibrosis, an incurable genetic disease, is inherited when both parents carry the recessive gene for C/F. It is believed that one in twenty persons or 10 million Americans may carry the C/F gene, usually without knowing it. Current research funded by the National Cystic Fibrosis Research Foundation is seeking a practical test to identify these carriers.

Because of improved therapy and constant research, many C/F patients are living beyond infancy to their teens and into young adulthood. That same kind of therapy is relieving and often curing children suffering from other respiratory afflictions whose symptoms resemble those of C/F.

"Most people don't realize that there are six million children in the U.S. affected by pulmonary illness," said Mrs. Mabry. "For some of these children, breathing is not the natural function we, who are lucky, take for granted."

Youth Rally

Planned Here

A Youth ACTS-ion Rally is planned by the United Pentecostal Church for the evening of Friday, July 12. This Rally is scheduled to be held in the City Park, beginning at 7:45 p.m. A short parade will precede the event.

A Youth ACTS-ion Rally emphasizes the Book of Acts, revitalizing the precepts of the Early Church. The central theme of the ACTS-ion Rally will be presented by a short drama entitled "Fire!" Also included in the Rally will be special singing and several instrumental numbers. Featured guests will be the Youth Choir from Peace Tabernacle of Lubbock.

Pastor Jim Robinson invites everyone to "bring a folding chair and enjoy it."

Parmer County

4-Hers Attend Horse Show

Seven 4-H members from Parmer County participated in the District 1 4-H Horse Show in Amarillo last week. These were: Robin Zetsche, Lezi Williams, Kim Naegle, Lee Ann Williams, Brenda Jones, Terri Clark and Russell Windham.

Halter and showmanship classes were conducted on June 28th and all performance classes on June 27th. Lezi Williams' registered mare placed second in her class. Lee Ann Williams' mare placed tenth in the grade mare class. Lee Ann was also selected as one of the showmanship finalists.

Russell Windham won ninth place with his registered gelding. This was the qualifying show for the state show later this summer.

Crop Outlook

"High Plains crops have been well seasoned this year—peppered with hail, salted with isolated floods and baked to a crisp by the driest year in recent history. They lack the important topping of anhydrous ammonia," said Elbert Harp, executive director of Texas Grain Sorghum Producers Board in Lubbock, Texas.

"To make matters worse," he continued, "area crops are being sampled by grub worms and spider mites, with midge and greenbugs standing by awaiting their turn."

Harp painted a dismal picture of crop conditions in an area that normally produces 25 percent of the nation's grain sorghum. He said that much of the dryland area has not yet been planted and is now crowding the planting deadline.

Harp said, "Unless crop conditions improve throughout the entire area, even irrigated crops will produce far below their normal averages."

"With fertilizer prices up 300% over the same time last year, and fuel up 100%, farmers were never in a worse price cost squeeze. We would have been better off by far to never have planted a row in 1974," stated A.W. Anthony, Jr. of Friona, a GSPA official.
