

GOOD FIELD BOOKED

Annual Cage Tourney Here December 5-6-7

One of the strongest fields of boys teams ever lined up locally will be competing in the annual Friona Invitational Tournament next weekend, December 5-6-7.

The teams scheduled are all the way from class B's perennial power, Channing,

to the Estacado Matadors, one of the top class AAA teams in the area.

In between, and in no particular order, are the class AA Morton Indians, picked to fight it out with Friona for the District 3-AA title, last year's District

1-AA champion Spearman, and the neighboring Farwell Steers, pre-season favorite to win District 3-A.

In the girls division, always-tough Spearman heads a group of eight teams who will fight it out for the girls' trophy. Other teams in the girls division are Channing, Farwell, Hart, Muleshoe, Nazareth, Lockney and Friona.

First-round pairings have the Squaws meeting the Lockney girls at 7 p.m. on Thursday, with the Chieftains to meet Muleshoe at 8:30 p.m.

Channing and Spearman will meet at 5:30 p.m. Thursday in a feature game in the boys division. If Friona gets by Muleshoe, and the Chiefs coasted past the Mules, 85-36 here Tuesday, the team would meet the Channing-Spearman winner at 8:30 p.m. Friday.

Channing's spark plug is 6-4 senior Mark Sherrrod, who was a first-team all-state selection in class B last season. Sherrrod can do it all. He combines great leaping ability with a smooth shooting hand. He averaged 20 points as a junior to spark Channing's 31-3 record.

Lubbock Estacado, who

edged the Chieftains in the finals of the tournament here a year ago, drew a bye in the first round. The Matadors will meet the Morton-Farwell winner in the second round at 5:30 p.m. Friday.

Although Morton lost their top seven players by graduation last season, Coach Ted Whillock always has a tough team on the floor. The Indians have a 3-0 record already this season, and have been scoring at a near 90-point scoring average.

On Tuesday of this week, Morton downed Estacado, 69-64 in a game at Morton.

The Spearman girls have been in the playoffs 16 times since 1956, and own the state record for most consecutive appearances, eight. The Lynettes have won three state championships, in 1966, 1971 and 1972.

Spearman's boys lost their bi-district contest last year to Childress, (58-54), the team Friona faced in the first round of the regional tournament at Lubbock.

Local basketball fans should be able to see some good action here next Thursday, Friday, and Saturday.

CHRISTMAS STAMPS...Assistant Postmaster Dewayne Howard shows Maize Queen Amal Malou the attractive new

Christmas stamp issue, available this year in ten-cent denominations. The new stamps are very colorful and attractive.

WEEK'S WINNER...Donita Martin won the first place prize money in the 12th week's competition in the Friona Star's football contest. She was one of three contestants who equalled the high score registered this year with 15 correct games out of the 16-game slate. The contest comes to a close this weekend.

Youngster Takes Lead In Football Contest

Roy Smith, a junior student at Friona High School, forged into the lead in the Friona Star's football contest with only one week remaining.

Smith entered the week tied with Mary Priest for the lead, but took over sole possession by scoring a 13 on the 13th week's slate of games. Smith carries a score of 137 into the final week.

Mrs. Priest, meanwhile, had a 12, and fell into a second-place tie with Donny Carthel with scores of 136.

Charlie Clark, who was the contest's leader for the first ten weeks, fell two points off the pace at 135, and is tied with Joy Morton, Kenny Stowers and Jimmy Walker of Hereford.

Stan Bengel, Cindy Carthel, Larry Johnston and Cindy Means are another point back with scores of 134. A good many contestants are still in the running for one of the contest's top three prizes.

In the weekly contest, three contestants tied the top score for the season by correctly picking 15 of the 16 contest games.

Of these, Donita Martin claimed first place prize money of \$5.00 on the Dallas-Houston tie-breaker score. Maurine Mabry took second, being 31 points off on the score, and Darrell D. Simpson was third, being 50 points off.

Mail Your Santa Letters

The Friona Star wishes to remind all of the youngsters of the Friona area who would like to have their letters to Santa Claus printed in the Star's Christmas issue to send their letters at their earliest convenience.

The letters may be mailed or dropped by the Star office. The Star's football contest mailbox will be converted to a "Letters to Santa" box for those wishing to drop them off.

Fourteen contestants correctly picked 14 games. They were Bill Bailey, Terry Brown, Albert Johnson, Clay Bandy, Movelda Fortenberry, Jessie Morales, Leslie Broadhurst, Doyle Mabry, Lynda Grimsley, Bobby Zetsche, Edward Castillo, Mary L. Collier, Cindy Means and Don Carthel.

Contestants are shooting for two tickets to the 1975 Cotton Bowl football game and \$30.00 expense money. Second prize will be two tickets to this year's Sun Bowl Game and \$25.00 prize money. Third prize will be \$15.00.

The contest is co-sponsored with the Star by

United Fund Drive Is 73% Complete

The United Fund Drive had reached the 73 per cent mark as of Wednesday, it was announced by Don Gatlin, chairman of the Friona Area United Fund Drive.

As of Wednesday, the fund had deposited \$5,279.00 in the bank. The amount deposited represented all of the city drive with the exception of two zones, and the businesses on Highway 60.

The rural chairmen have not reported either, Gatlin said.

The drive official urged those who still had contacts to be made to get their areas canvassed as quickly as possible.

QUITE A SPECIMEN...Stanley Ellis corralled this giant tumble weed, which like most things in Texas was gigantic in proportion. The winds of the past week helped dislodge the "big thistle."

SHOWBARN MONEY...The Friona Lions Club, represented by president Robert Neelley, right, presented the Showbarn-Community Center building fund with a \$1,000 gift--the club's second \$1,000 donation to the fund, following a club board meeting last week. Accepting the check is Jerry Hinkle, one of the fund drive officials. Hinkle reported that only around \$1,800 was owed on the building now, from an original cost of \$86,000.

City Installs 'Project Xmas Card' Kicks Off 19th Year

City of Friona employees were busy installing Christmas lights this week, and they will be turned on Monday evening.

The city did not erect the lights last Christmas, due to the energy crunch, but it was decided to go ahead with the decorations this year.

Members of Modern Study Club are busy this week with the kick-off of the annual Project Christmas Card drive. Mrs. Sloan Osborn heads the committee to sponsor donations to the drive which benefits Parmer County Community Hospital.

Names of all donors to the project will be listed on a full page Christmas greeting to be published in the Friona Star on Dec. 22.

Residents of Friona and the surrounding area have in the past made it a habit to donate to this worthy fund approximately the amount that they would normally spend on Christmas cards and postage in the local area. Then the published greeting in the Star's annual Christmas edition serves as an individual greeting from each donor to local relatives and friends.

Deadline for this year's project is set for December 18 and donation boxes are being placed around town in various public places, stores, Friona State Bank, etc.

Project Christmas Card was started in 1956 and in the 18 ensuing years has contributed to making Parmer County Community Hospital one of the most modern medical facilities in

the area. In recent years the fund has purchased a heart monitoring unit, automatic beds for the new wing, heating and air conditioning for the emergency and surgery rooms and a fire alarm system for the entire building.

"We hope the generous people of Friona will again open their hearts and their billfolds to this worthy cause," states Chairman Mrs. Osborn.

Chamber To Elect Five

Ballots went out in the mail this week to Friona Chamber of Commerce members, who will elect five members to the C-C board of directors.

Names on the ballot are Rev. Bill Penland, Bill Wilshire, Ray Dean Fleming, Ronnie Williams, Jerry Brown, Gary Cook, David Lee Carson, Jim Johnston, Clarence Monroe and Jay Beene.

Five of these men will be elected for two-year terms. Holdover directors are Jerry Hinkle, Jerry London, Dave Thompson and George Rushing.

Ballots are due in by December 2.

POPULATION SAID "DOWN"

Pheasant Season Is Set December 14-29

The 1974 pheasant season will be somewhat later than usual this year--running December 14-29.

However, the word from the game officials in Parmer County is that the pheasant crop will be very "short" this year--with one of the least productive years expected since open seasons have been held in the county.

Reason for the short crop, or at least the explanation given by Parmer County Game Association official Jack Patterson, was that the county's pheasants didn't get a good "hatch" this past spring.

"I personally had 15 to 18 hens in a wheat field near by house, with about eight cocks. The hens should have nested, and there should have been a real good hatch, but we didn't get it," Patterson says.

The county game official

says it's a matter of opinion as to why the hatch was poor. "It might have been caused by the drought. Or, it might have been the spray we had to put on the wheat (because of the extremely dry winter, wheat farmers were obliged to spray their crops two or three times)."

Patterson said that in harvesting his wheat, he saw only seven small pheasants from the new crop, from the 18 hens. "There was one hen with four young ones, another with one, and there were two young birds by themselves. I saw numbers of hens without chicks at all," he says.

It was Patterson's opinion that this year's pheasant crop will be less than half the size it has been in recent years, and estimates that on his own property, the population might be as low as one-fourth normal.

He said he had visited in the quail areas in New Mexico, and apparently the quail crop has been affected in much the same manner as the 1974 pheasant crop.

Recalling the tremendous pheasant crop of last year, Patterson pointed out that this followed the "big, bad" winter of 1972-73, which was one of the wettest in recent history.

Patterson said he didn't think the open season would further hurt the pheasant situation.

"There are always plenty of cocks for breeding stock. You only need one for every eight hens or so."

However, he reminded area farmers of their need to leave some cover for the birds, to help them through the winter.

"A lot of fellows apparently forget to do this, whether they plan to use their land the following

spring or not, many go ahead and clear it. If they would leave the cover for the birds to use, it would be a big help in their survival," he points out. The ardent game fan stated that the critical months for the birds are January, February and March. After that, they begin to move into the wheat fields.

"If we'll leave more cover, we'll have more birds," Patterson says.

The later season for hunting pheasants should prove popular with college-age hunters, who can be home for a portion of the season. The season is set by the Texas Parks and Wildlife Department, and the local association has nothing to do with the season, unless it should determine that the county should have a closed season. This has to be done some months ahead of the season.

Friona Flashbacks

...from the files of The Friona Star

45 YEARS AGO--DECEMBER 6, 1929

It was stated in last week's issue of the Star that J.R. Roden had leased the W.H. Warren building and would move his drug store to that place as soon as it was vacated by the R.B.R. Implement Co.

It's a fact that Mr. Roden has leased the Warren building, and will establish a drug store therein, but it will be a completely new store in every respect, with all-new stock.

Mr. Roden has sold a half-interest in his present drug store to his brother Ralph Roden, who will have charge of it after the new store is established.

+++

40 YEARS AGO--DECEMBER 7, 1934

Friends of Mr. R.F. Fleet were considerably surprised to learn of the sale last Saturday of the grocery store and meat market operated here under his management for the past five years.

L.M. Crow has purchased the business, and will be in complete charge tomorrow. Mr. Fleet expressed himself as having no definite plans for the immediate future.

+++

35 YEARS AGO--DECEMBER 8, 1939

Currently showing at the Regal Theatre: "Confessions of a Nazi Spy," with Edward G. Robinson. Coming: "Thunder Afloat," with Wallace Berry. Also, "Dark Victory," with Bette Davis, along with "The Lone Ranger," and "Robin Hood Makes Good."

+++

30 YEARS AGO--DECEMBER 1, 1944

The football game here last Thursday to decide the District championship between the Hereford Whitefaces and the Friona Chiefs had a hairbreath ending, with Hereford winning, 14-13.

Hereford scored first and added an extra point for a 7-0 lead. Friona followed soon with a touchdown, but missed the extra point, to trail at the half, 7-6.

During the last half, the Chiefs scored a touchdown and an extra point, taking the lead, 13-7. The score was held at that point until two minutes before the end of the game, when their opponents rushed in for a touchdown and took the win, 14-13.

+++

25 YEARS AGO--DECEMBER 2, 1949

A partial list of the Friona young people who are away attending college this term, and who were home for Thanksgiving is as follows:

Betty Louise McLellan, Peggy Mayfield, Charles Osborn, Mr. and Mrs. Louis Welch, Treva Jean Rolan, James Smith and wife, Murna Welch, Jean Crawford, Doris Ann Lange, Lila and Wanda Robason, Lloyd Messenger and Stephen Messenger.

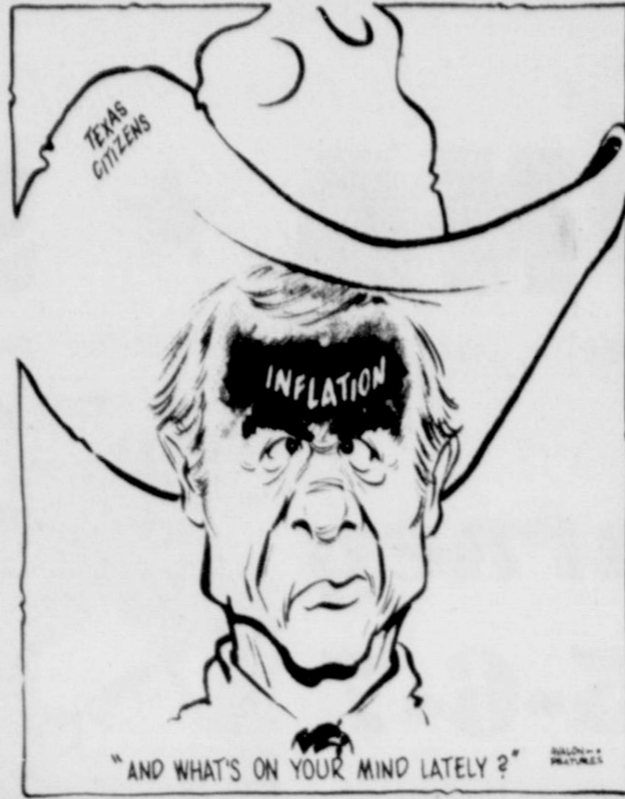

+++

20 YEARS AGO--DECEMBER 2, 1954

Gins in the Friona area are operating around the clock to accommodate cotton growers. A picture on the front page of the Star shows the gin yard at the Mills & Fleming Gin at Hub, where some 700 bales were waiting in trailers on the gin yard and along the highway.

The gins of the area, including the North Plains Gin, L. & H. Gin and Mills & Fleming Gin have ginned a total of 12,510 bales to date, with some 1500 still on trailers in the gin yards.

Members Honored At 4-H Banquet

Outstanding members of Parmer County 4-H Clubs were among 42 special guests of honor at the District 1 Gold Star Award Banquet Saturday, Nov. 16, at the Hilton Inn in Amarillo.

A boy and girl from each of the 22 counties in the district receives the highest county award each year. The Gold Star Award is based on outstanding achievement, leadership and contribution to the county 4-H program.

Receiving the awards from Parmer County were Rocky Bartlett of the Bovina 4-H Club and Susan Mimms of the Lazbuddie 4-H Club.

Bill Sarpalus, vocational agriculture teacher at Boys Ranch, was the speaker at the banquet. He spoke on the theme of the banquet—"The Impossible Dream."

Leslie Garnett, chairman of the District 1 4-H Council, was mistress of ceremonies. The district Gold Star committee directed the program. Each award winner told of the highlights of his or her 4-H career with views on leadership development, management of personal resources and personal satisfaction.

Guests at the banquet

included parents, adult leaders, Extension Service officials, representatives of electric cooperatives, county judges, county commissioners and other friends of 4-H.

The banquet was sponsored by electric cooperatives in Deaf Smith, North Plains, Rita Blanca, Hall and Swisher counties.

To qualify for the special award, a 4-H'er must be at least 13, must have completed at least three years of club work and must be currently active in the club. A member can receive the award only one time.

According to Paul Gross and Mrs. Sue Farris, District Extension Agents, the Gold Star Award is intended to stimulate winners toward higher achievements and to encourage other young people to participate in the county 4-H program.

SCS Report

Hooray, let's go, it's pheasant hunting season! It should be easy to spot a pheasant this year—all the stubble has been burned and all the grass has been turned under for crop production. We should be able to bag our limit in about 15 minutes. Where were all the birds?

This little story is not the case this year, but it could be next year. Pheasants provide pleasure for everyone. Even if you are not a hunter chances are that your heart speeds up a little when one of these beautiful birds files up.

But these hearty birds have to eat every day. During cold weather they have to be protected from freezing to death. Every day of their lives they have to hide from predators.

Where can they go to have all these necessities? About the only place they have on these barren winter plains is stubble fields. Standing stubble provides camouflage and protection from the elements.

Waste grain is their main source of food. Everyone knows the value of stubble in protecting the land from erosion so this added value should be considered before stubble is burned.

For more information, contact the Soil Conservation Service in Friona.

W.E. WILLIAMS

IN BOVINA

W.E. Williams Buried Monday

Funeral services for William Elmer (Willie) Williams, 79, of Bovina were held Monday afternoon in the First United Methodist Church of Bovina.

Officiating were Rev. Howard Marcom, pastor, and Rev. L.L. Hill, associate pastor of Polk Street United Methodist Church in Amarillo and brother-in-law of Mr. Williams. Burial was in Bovina Cemetery under direction of Parsons-Ellis Funeral Home of Friona. Mr. Williams died at 3 a.m. Saturday in Veterans Hospital in Amarillo after a two-month illness.

A native of Johnsville, Okla., Mr. Williams moved to Bovina in 1920. He owned and operated a grocery store from 1921 until the early 1930s. He established Williams Mercantile Co. in 1932 and sold the firm in Nov. 1964 when he retired.

Mr. Williams began writing "Willie's Weather" for The Bovina Blade on Oct. 9, 1957, and his weather predictions had been a regular Page One feature from that time until his recent illness.

A member of the Bovina United Methodist Church, Mr. Williams was active in church affairs and was a long-time member of the

choir there. He was a member of the board of trustees of Bovina Schools for 19 years. He also helped form the first chamber of commerce in Bovina.

Mr. Williams became a member of the Farwell Masonic Lodge No. 977 A.F.&A.M. in January 1924. He was honored by the lodge in February for 50 years continuous service. He was a 32nd Degree Mason and a KCCH. He had been active in Masonic civic affairs in West Texas since 1919. He was a veteran of World War I.

He was married to the former Miss Leola Denney Aug. 30, 1922, at Farwell.

Survivors include his wife; two daughters, Mrs. Willie Small of Austin and Mrs. Jack Barnett of Dallas; a son, Charles Williams of Allen; two sisters, Mrs. Maude Brown of Amarillo and Mrs. Ona Hampton of Borger; and six grandchildren.

Palbearers were Vernon Estes, H.J. Charles, J.T. Hammonds, Bedford Cald-

well, Billie Sudderth and Robert E. Wilson.

Members of the Farwell Masonic Lodge conducted graveside services.

MBP Votes

Extra Share

Dividend

The Board of Directors of MBPXL Corporation voted a \$20 per share special year end dividend payable on January 10, 1975 to holders of record on December 10, 1974.

MBPXL Corporation was formed last September by the merger of Kansas Beef Industries, Inc. and Missouri Beef Packers, Inc. MBPXL Corporation is traded on the New York Stock Exchange under the symbol MXL. It has slaughtering and fabricating facilities in Missouri, Kansas, Idaho and Texas, a feedlot in Kansas and a distribution center in Philadelphia.

**Program Provides
Cleaning Ideas**

Local homemakers will learn how to make and use low-cost cleaners during this week's "You Can Do It!" television program at 1 p.m. on KAMR-TV, Channel 4.

Featuring hostess Cindy Kidwell, the educational program will teach viewers how to make cleaning products for windows and mirrors, porcelain, furniture, and general household uses.

"Cleaning on a Shoestring," this week's lesson, also will feature ideas for cleaning marble, tile, aluminum, and chromium, according to Miss Jana Pronger, Parmer County Extension Agent.

"You Can Do It!" is a 6-part educational television series, which will run through December 28. It is sponsored locally by the

Parmer County Family Living Committee and KAMR-TV.

It was created and produced by home economics specialists with the Texas Agricultural Extension Service, The Texas A&M University System, through a special United States Department of Agriculture grant.

Programs in upcoming weeks will include lessons on repairing leaky faucets,

toilet repairs and adjustments, caulking and weatherstripping.

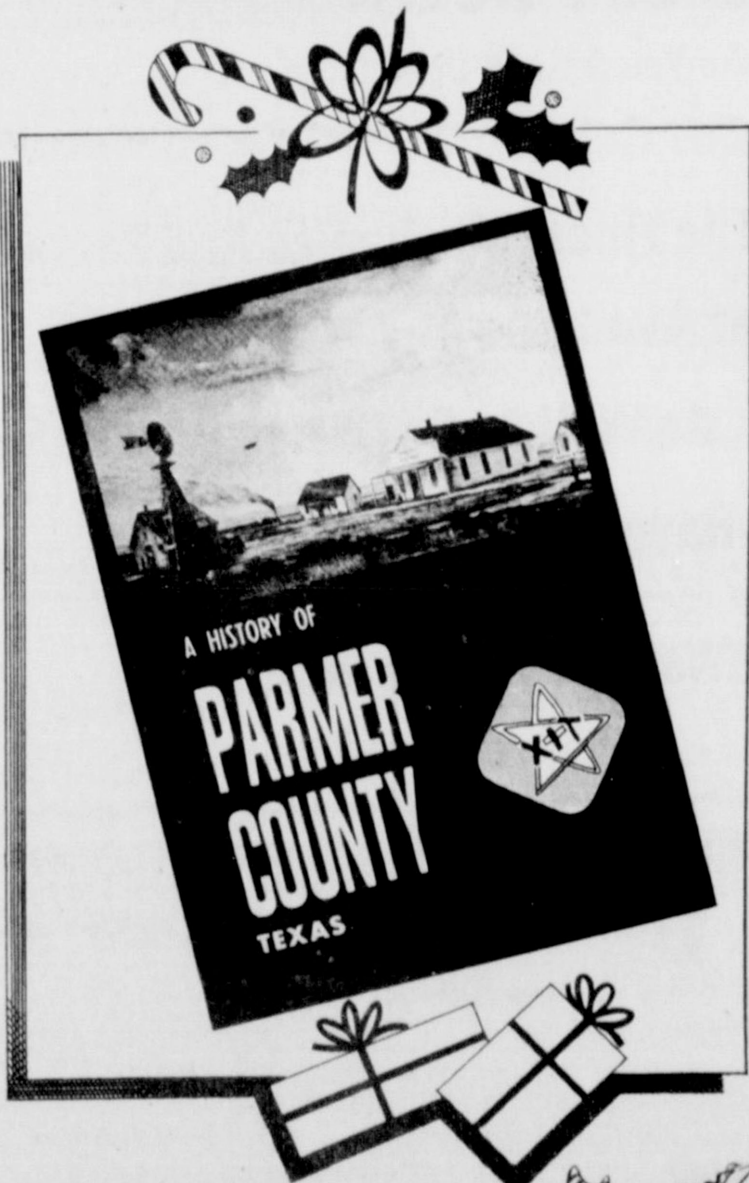

Bulletins on any of the projects taught during the series are available at no charge through the County Extension Office, at 481-3619 or Box 683, Farwell, Texas 79325.

Next week's program will teach leaky faucet repairs, the agent said.

The Arctic fox has thick hair on the bottom of its feet.

Frosh Lose First Tilt

The Freshman Chiefs lost their first game of the season here, Monday, November 25, by a 53-51 margin, after leading 48-24 with 2:49 in the third quarter.

Friona took the lead early in the game but Muleshoe came back to tie it up and then go ahead 3-2 on a free throw, but 15 seconds later Friona had the lead at 4-3 and was never headed until the final quarter when reserves were being used almost altogether.

Friona was leading 48-30, going into the final quarter, which saw Muleshoe hit two field goals before Friona made a free throw making it 49-34.

From here on in, it was all Muleshoe as they hit seven field goals making the score 49-48 with 1:35 left in the game. Friona finally called time with 42 seconds left on the clock and put the starters back in who were pretty cold at this point. Friona fouled with 39 seconds left and Muleshoe tied it up 49-49.

Muleshoe hit a field goal with 30 seconds left making it 51-49. Friona missed their opportunity to score and fouled with 17 seconds left, also getting a technical.

Muleshoe made two of their three free shots, making it 53-49, and got the ball out of bounds. Friona stole the ball and Edward Castillo went in for two points with thirteen seconds left but that was all for Friona as the final score stood at 53-51 for Muleshoe.

Friona 20 34 48 51

Todd Bandy 4-0-8; Raul Brailiff 3-0-6; Terry Wilcox 2-0-4; Ernest Mills 2-1-5; Kody Kothmann 1-0-2; Jay Jarboe 0-2-2; Jeff Whiteside 1-0-2; Perry Church 1-0-2; Eddie Brailiff 1-0-2.

Freshman Girls Win Meet Title

The freshman girls took second place in the Canyon tournament last weekend. Friona downed Vega, 38-33 in their Thursday game. They then defeated Canyon "Purple," 35-33 on Friday, but fell victim to Canyon "White," 51-28 in the finals.

The tournament opened the season for the freshman girls.

On Monday, the girls travelled to Muleshoe, and pulled out a thrilling 52-50 win over the Muleshoe team.

Rhonda Parsons connected on 11 field goals and

TOP MULESHOE, 85-36

Chiefs Blitz Mules; Run Record To 4-0

Friona's Chieftains ran their season record to 4-0 with a pair of wins Monday and Tuesday.

The Chiefs ran past Vega, 60-34 in a game at Vega Monday night. Then the team returned home on Tuesday to blitz visiting Muleshoe, 85-36.

Although just playing "average" ball in the first and third quarters in the Muleshoe game, the Chiefs bombed the nets in the second and fourth quarters for a total of 53 points in the Muleshoe win.

Gene Strickland penetrated the Muleshoe defense for 25 points in the game here Tuesday, and Dave Clark came up with his best scoring night of the season with 14 points for runnerup honors. Dale Cleveland scored 13 points, and David Hutson 10.

Two early baskets by Strickland and one by Hutson sent the team winging with a 6-0 lead before Muleshoe scored. After the Mules cut Friona's lead to 8-4, Hutson got a jump shot and a tip-in, to run the lead to 12-4.

After holding a 15-7 quarter lead, the Chiefs really went to work. Dave Clark's layin gave the team a 21-11 lead, and he and Strickland traded out on four Friona baskets that sky-rocketed the Chiefs into a 31-13 lead with 3:30 left in the half.

Cleveland scored, Strickland scored four points, Dusty Peters made a nice reverse lay-in, and Clark a pair of free shots, to move the home team into a 41-13 lead, a 28-point edge, just before halftime. Muleshoe's Carey Sudderth scored a long jump shot to trim the margin to 41-14 at intermission.

After a so-so third quarter, the Chiefs began to hit the basket again in the fourth. Strickland and Cleveland scored to make the count 66-27, and reserve Kent Miller's basket gave Friona a 41-point bulge at 68-27.

Reserves took over the action midway through the final quarter, and Davy

Carthel's shooting sparked the team past the 80-mark. Sophomore Mark Neill, up from the B-team, scored a pair of baskets and a charity toss, during the 27-point fourth quarter spree that saw the team lead by 51 points before the Mules scored another last second goal.

Neill's 20 Points Sparks B-Team Win

A sparkling 20-point performance by Mark Neill guided the Friona B team to its second win of the season in as many starts here last Friday, when the B-Chiefs outscored the Tullia junior varsity, 49-42.

The game was razor close for three quarters. Tullia had leads of 4-2 and 8-6. But Neill's basket with 3:17 left in the quarter tied the score at 8-8, and David Barnett's basket gave Friona a 9-8 lead.

Neill got two more baskets to spark Friona to a 15-11 lead, as the second quarter started, but Tullia fought back to tie the score at 15-15. Neill's free throw with 2:52 left in the half gave Friona its longest lead of the first half, 22-16.

Rusty Patteson scored with two minutes left for a 26-18 edge, but Tullia scored the last two baskets of the half to trim the margin to 26-22.

The third quarter was closely played. Tullia pulled to within two points at 26-24 by scoring the first basket, and were only three down at 30-27. However, Neill got a basket with 1:29 left in the third to open a six-point lead again at 37-31.

Keith Martin started the fourth period scoring with a basket, and Neill got one to give Friona a ten-point lead, 41-31. Jimmy Murphree made a free throw to give Friona its longest lead at 45-37.

It was still a 12-point game at 45-42 with less than a minute to play, but Tullia got the last five points to trim the margin of victory to seven, 49-42.

FRIONA	13	26	37	49

No wonder they never got anywhere! In the dark ages, the study of geography was forbidden!

JV Wins Pair To Keep Record Clean

The Friona boys B-team basketballers won a pair of games on Monday and Tuesday to push their 1974-75 record to 4-0, matching that of their older brothers on the varsity.

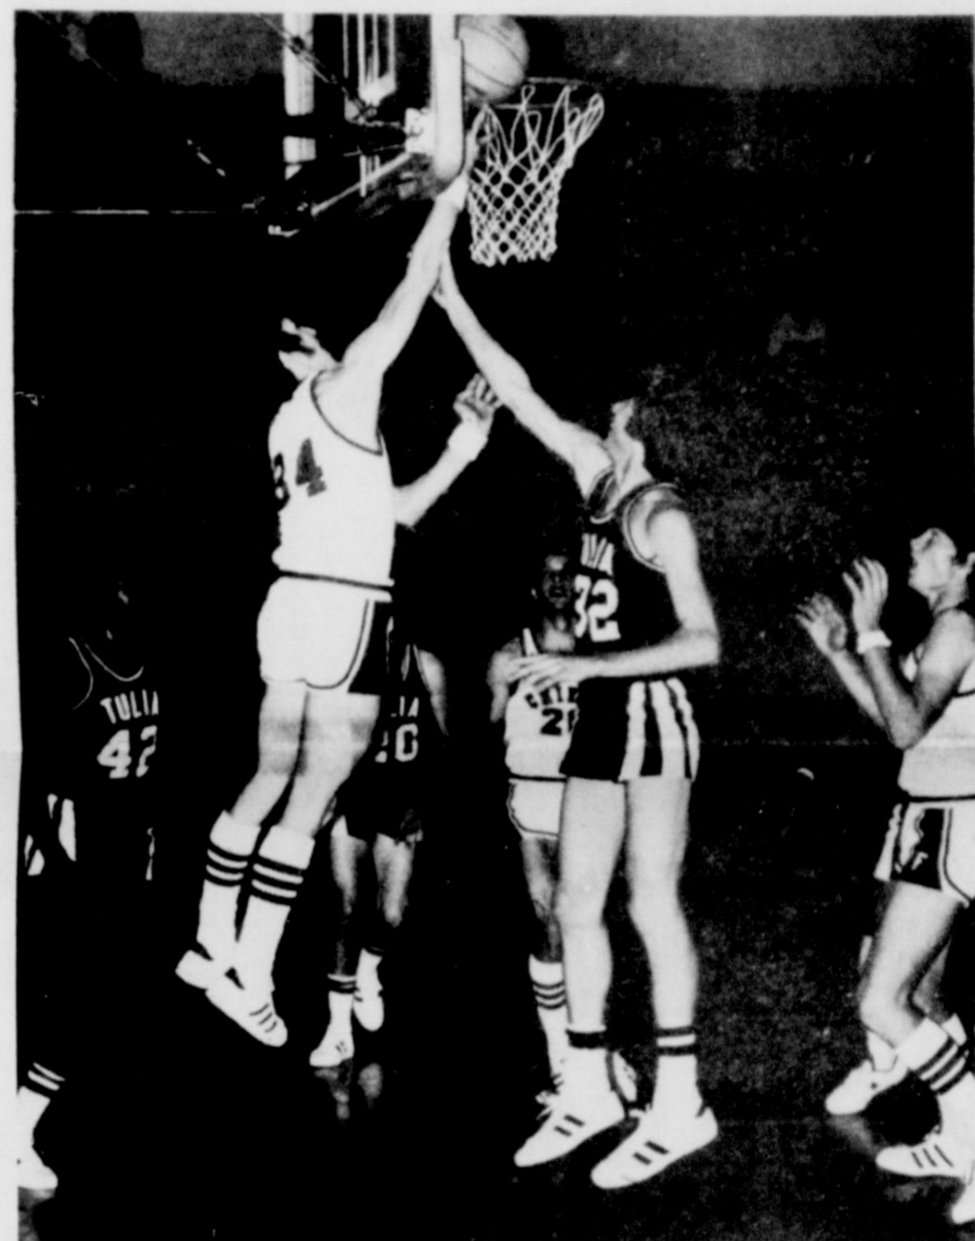

Friona downed the Vega B team at Vega Monday night, 42-20, and followed that up with a 47-20 win over the Muleshoe JV here Tuesday.

Roy Smith was the leading scorer for the team at Vega, with 10 points. In the Muleshoe game, David Barnett scored 15 points and Rusty Patteson scored 12. The team lost a pair of players, Mark Neill and Jimmy Murphree, to the varsity this week.

At Vega on Monday, the team trailed the home team by 6-2 before baskets by Barnett and Smith tied the count at 6-6. Keith Martin sank a goal with 23 seconds left in the opening period to push Friona into an 8-6 lead and Friona had the lead to stay.

Smith, Patteson and Barnett scored baskets to run the count to 14-8 with 5:10 to play in the half. Martin got another basket to allow Friona to double the score at 18-9, and the halftime score was 22-11.

Friona got the first four points of the third quarter,

EASY DOES IT....Gene Strickland (34), comes in from the "wrong" side of the basket for a reverse layup shot against the Tullia Hornets. At left is Tullia's Paul Williams. At right is Dale Cleveland. Strickland came up with 27 points, and that is his average for the Chiefs, who have bolted to a 4-0 start for the season.

Cleveland. Strickland came up with 27 points, and that is his average for the Chiefs, who have bolted to a 4-0 start for the season.

HOOK SHOT....Amanda Mason (in white) takes a hook shot in the game against Muleshoe here Tuesday. The Squaws outscored the Mulettes, 45-35, handing Muleshoe their first loss after three wins, and making their own record 3-1.

Squaws Impressive In Splitting Two Games

Friona's Squaws, who are gaining poise with each game, played a pair of strong games on Monday and Tuesday.

Monday, the team came within an ace of upsetting the Vega Longhornettes in a game at Vega, falling by one point, 58-57. The Vega girls are defending District 3-A champions, and had a big nucleus of their team returning.

Then on Tuesday, the Squaws downed the Muleshoe Mulettes, 45-35, four days after the Mulettes had manhandled district mate

Dimmitt in a game at Dimmitt.

A bad first quarter cost the team in its game at Vega, with the hosts getting off to a 25-6 lead at the end of the first period.

The Squaws began to whittle away at the Vega lead, trailing 29-19 at halftime, and still by eleven, 43-32 after three quarters.

Sparked by the shooting of Terri Patterson, the team put on a 25-point fourth quarter scoring spree, and it was almost enough to pull the game out of the fire.

Miss Patterson connected on an eye-popping 22 of 26 free throw attempts—84.6 per cent, and took game scoring honors with 36 points.

Against Muleshoe on Tuesday, the team fell behind again in the early going, trailing by three, 15-21 after the first quarter. However, the team hooked up and took the lead to stay in the second quarter, leading at the half, 26-20. The Squaws had a 12-point edge going into the final quarter.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

Teams Sweep Pair Of Games From Tulians

A large turnout of Friona fans were on hand here last Friday, when both the Chieftains and Squaws recorded convincing wins over the visiting Hornets and Hornettes.

The Chiefs lifted the boom on the District 4-AA title hopefuls, 69-49, while the Squaws turned in an equally convincing 67-39 win.

Except for the first three minutes of the contest, and for a brief flurry in the second quarter, the boys game failed to be the tight battle that had been expected for two teams expected to win their respective district titles.

In defense of Tulla, it might be pointed out that the Hornets were opening their season, while Friona was coming off a rousing 92-52 win over Farwell the previous Tuesday.

The visitors managed only two leads, at 2-0 30 seconds into the game, and at 4-2 a minute later when 6-2 post man Raymond Williams put in a basket.

However, David Hutson put in a jump shot from the corner, and Dale Cleveland a shot from the side only 1:53 into the game, and Friona had the lead for good at 6-4.

In fact, when Gene Strickland completed a three-point play at 5:57, the Chiefs had a five point lead at 9-4 and that was as close as Tulla ever would be again.

Hutson, who turned in a great scoring game with 22 points, hit his favorite jumper with 16 seconds left in the opening period to send the Chiefs to the quarter break leading, 18-10.

After Strickland made it a ten-point lead at 20-10, the Hornets threatened to make a game of it when star David Zuniga (number 22) hit a pair of quick baskets to cut the lead to 20-14.

However, the Chieftains responded with baskets by Cleveland, Hutson and two by Dusty Peters, and Friona opened up a 13-point lead at 29-16 halfway through the quarter. By halftime, the lead was 15 points, 39-24.

The scoring pace fell off some in the third quarter, and Coach Larry Dyess experimented to some extent with his lineup. Hutson's free shot with a minute left in the quarter gave Friona a 19-point edge, at 52-33, but Tulla scored the last four points of the quarter to trim that to 52-37.

Strickland, who was not quite as sharp as he had been in the season opener against Farwell, sat out part of the third quarter. He returned in the fourth period, to have a hot streak that included five points in a three-minute spell. Cleveland also chipped in a pair of baskets during the rally, to give Friona a 20-point lead at 61-41.

Although reserves took over the last three minutes, the teams traded out the rest of the way, and the 20-point margin held up.

The hot-shooting Squaws ran up one of their largest victory margins ever against their old rivals, the Hornets. The Tulla girls, like Friona, are rebuilding this year, with only two starters back from last year's team that posted a 25-6 record.

After a slow-starting first quarter that saw the Squaws take an 11-7 lead, the hosts began to pull away in the second quarter, and by halftime, the lead had been stretched to 29-18.

After a slow-starting first quarter that saw the Squaws take an 11-7 lead, the hosts began to pull away in the second quarter, and by halftime, the lead had been stretched to 29-18.

Tulla scored the first basket of the third quarter to pull to within nine points at 29-20, but two quick field goals by Terri Patterson and another pair by Myrna Phipps shot Friona into a 39-22 lead and the visitors never recovered.

In all, the Squaws outscored the Hornets, 20-9 in the third quarter, to take a 49-27 lead at the quarter's end.

Nor did the influx of reserves slow down the scoring pace. With reserves taking over for most of the final quarter, Friona still managed to outscore their guests, 18-12 for the final margin of 67-39.

Miss Patterson took scoring honors for the second straight game with 27 points, and Miss Phipps added 16. Amanda Mason also was in double figures with 11 points.

BASKET-BOUND....Rhonda Parsons (in white) takes a shot for the Squaws' B-team in a game here Tuesday. A freshman, Miss Parsons was moved up to the B-team after a 32-point performance at Muleshoe Monday night, in a game won by Friona, 52-30.

Star Lites . . .

(Continued from Page 1)

The once great hopes for the United Nations now lie in ruins. The "majority" rules. The result is a nauseous travesty where gross hypocrisy and the double standard have been enshrined as the highest standards of international behaviour.

The best service which the U.S. can render to the U.N. is to give it the back of our hand.

FHS Principal Releases Roll

Twenty-six Friona High School students were listed on the All A Honor Roll for the first quarter of the 1974-75 school year. The honor roll was released this week by Principal Raymond Cook.

The grades are an average of the first two six weeks and the quarter examination.

Students and their grade categories are as follows:

ALL A'S

Carol Bavousett, Hal Blackburn, Danny Campbell, John Carson, Perry Church, Patti Crump, Lisa Edelman, Michelle Essary, Charles Fleming, Johnny Gonzales, Don Howard, David Hutson and Jeanine Jarboe.

Also, Bryan Johnston, Connie Lindeman, Hope Mays, Clint Mears, Terri Patterson, Donna Ruzicka, Pattijon Talley, Pam Veazey, Becky Walker, David Whitaker, Jason Widner, Pam Wilcox and Mitchell Wiseman.

A'S WITH ONE B

Linda Anthony, Clay Ban-

Residents

Attend

Dinner

Residents of the Black community held their annual Thanksgiving meeting and dinner at the Black Community House on Sunday, November 24.

About ninety people attended the dinner and fellowship.

Rev. Bill Broxson of the Summerfield Baptist Church gave the invocation followed by the turkey and ham dinner.

Mr. and Mrs. Gene Welch, Mr. and Mrs. Troy White, Mr. and Mrs. Tommy Tatum and Mr. and Mrs. D.L. Carmichael served as hosts for the occasion.

dy, Diane Bennett, Dale Cleveland, Cathy Cunningham, Nell Fults, Cindy Gammon, Susan Garner, Diane Hamilton, Tamela Hassenpflug and Janice Hayes.

Also, Vickey Jackson, Julie Johnson, Veronica LaFuente, Ronald Land, Amal Malouf, Keith Martin, Amanda Mason, Ronnie McLellan, Judy Melton, Dusty Peters, Sandy Peters, Ruede Rule, Gary Stone, Johnnie Walter, Terry Wilcox and Debbie Wilkerson.

A'S WITH TWO B'S

Randy Boeckman, Mark Brunson, Kim Bryant, Dorette Carlton, Patti Cole, Lisa Cummings, Holly Hart, Mark Hawkins, Jay Jarboe, Marilyn Jones, Dee King, Cindy Lundy and Darla McClellan.

Also, Karen Merrell, Rhonda Parsons, Myrna Phipps, Keith Pryor, David Ramas, Jackie Rando, Mona Reed, John Seright, Denise Shipp, Audrey Sprouse, Garvin Thorn, Kevin Welch and Tammy Williams.

A'S WITH THREE B'S

Lucinda Aguirre, Richard Anderson, David Barnett, Cris Beck, Jerri Benge, David Blackburn, Jimmy Burns, Davy Carthel, Ernie Chavira, Bob Clark, Tom Davis, Debra Dorrell, Phillip Duggins and Johnny Esquivel.

Also, Danny Hand, Phillip Hand, Danny Holley, Ronnie Hudson, John Jones, Alan Monroe, Roy Don Rector, Cornelio Salinas, Mitchell Smiley, Gene Strickland, Rhonda Webster, Paul Wilshire and Robert Zetsche.

A'S WITH FOUR B'S

Tim Boeckman, Larry Broyles, Marsha Carlan, Phillip Chambers, Jim Fallwell, Larry Gore, Curt Miller and Kent Miller.

Also, Jim Murphree, Janice Peak, Manuel Rodriguez, Gary Self, Johnna Thorn, Sherri Thorn, John White and Robin Zetsche.

A'S WITH FIVE B'S

Brad Beene, Glen Schueler and Gigi Spring.

November 16, 1924

WESTBROOKS HONORED...Mr. and Mrs. Bee Westbrook were honored at a 50th Wedding Anniversary reception on Sunday, November 17 in the home of their son and daughter-in-law, Mr. and Mrs. Dale Westbrook,

November 17, 1974

1208 Virginia. The couple were married on November 16, 1924 in Haskell, Texas. Lucy Lewis, daughter of the couple, assisted with the reception.

Reception Honors

Bee Westbrooks

Mr. and Mrs. Bee Westbrook of Friona were honored with a reception on the occasion of their 50th Wedding Anniversary on Sunday, November 17.

The reception was held in the home of their son, Dale, at 1208 Virginia.

Assisting with the reception was Lucy Lewis, daughter of the couple, and Mrs. Dale Westbrook.

Dinner was served with cake and punch being served in the afternoon.

Mrs. T.J. Bevel of Ralls, Mrs. Westbrook's mother, was a special guest.

Bee Westbrook and Ledonia Bevel were married on November 16, 1924 at Haskell, Texas.

Out-of-town guests attending the reception were: Mrs. Janie Tidwell and Dee Dee Scrivner of Vallejo, California; Mr. and Mrs. L.E. Bevel, Mr. and Mrs. Leon Bevel, Galen Bevel, and Mr. and Mrs. J.H. Westbrook, all of Lubbock.

Also, Mr. and Mrs. Ray Beard and Wade, Amarillo; Mr. and Mrs. Neil Fulfer

and children, Mr. and Mrs. Charles Westbrook and Cheryl, and Mr. and Mrs. J.W. Brown, all of Idalou; Mr. and Mrs. Ronnie Altman and Shad of Oklahoma; and Al Reznik of Willcox, Arizona.

Friona guests attending the reception were Mr. and Mrs. Leon Coffey, Roger and Janice, Mr. and Mrs. Ed Hicks, Mr. and Mrs. Jack Patterson, Mr. and Mrs. Walter Broadhurst, Mr. and Mrs. Bill McGlothlin, Mrs. Dimple Hand, Mr. and Mrs. G.E. Reed, Mrs. Marvin Jordan, Gale and Tamora Hand, Mr. and Mrs. Allen Stewart, Mr. and Mrs. Frank Truitt, Mr. and Mrs. Melvin Hassenpflug, Mr. and Mrs. Wendell Westbrook, Diane, Jon Paul, Wesley, Ricky, Tomorrow, Natasha and Christene.

Girl Scouts

Met Tuesday

Girl Scout Troop 83 met Tuesday, November 26 at Girl Scout House.

Refreshments were served by Torrance Acy.

Patty Hinton completed work on two badges, "My Home" and "Housekeeping." Work on the "Indian Folklore" badge was continued.

The girls brought things to show, sang Indian songs and started work on their Indian dresses.

Arthritis Sufferers:

WAKE UP WITHOUT ALL THAT STIFFNESS!

New formula for arthritis minor pain is so strong you can take it less often and still wake up in the morning without all the pain's stiffness. Yet so gentle you can take this tablet on an empty stomach. It's called *Arthritis Pain Formula*. Get hours of relief. Ask for *Arthritis Pain Formula*, by the makers of *Anacin* analgesic tablets.

Eighth Grade—Chris Barnett, Fred Garza, Jan Mason, Julie Owen, Donna Rector and Criss Wily.

Seventh Grade—Robert Alexander, Kyle Barnett, Mark Fancher, David Fleming, Joel Hight, Sarah Mears and Dana Miller.

Sixth Grade—Cindy Alexander, Susan Anderson, Kipi Fleming, Becky Jones, Tommie Nelson and Mike Schueler.

Fifth Grade—Trent Johnson, Jim Mabry, Amber Smith and Penni Weatherly. Students having A's With One B were:

It's A Boy For

Mike Wilsons

Mr. and Mrs. Mike Wilson are the parents of a baby boy born at 7:39 p.m. on Monday, November 25 in Parmer County Community Hospital.

He weighed seven pounds, two ounces and was twenty inches long. The baby was named John Edward and is the first child for the couple.

Grandparents are Mr. and Mrs. Melvin Hassenpflug and Mr. and Mrs. John T. Wilson, all of Friona.

Great-grandparents are Mr. and Mrs. Myron Hart, Lubbock, and Mrs. John M. Wilson, also of Lubbock.

Eighth Grade—Mark Gammon, Kevin Kothmann, Tami McMaster, Stephanie Schueler, Ricky Taylor and Varla Welch.

Seventh Grade—Shae Dodson, Sharla Duggins, Maria Escalante, Jaime Fulks, Mike Gowens, Josie Jalomo, Rod Owen, Tera Simpson and Pepper Weatherly.

Sixth Grade—Lynn Blackburn, Victoria Chavira, Mike Fortenberry, Carlos Garza, Larry Jalomo, Tim Mercer, Pam Perez, Margaret Ramirez, Janette Reed, Lilia Rodriguez, Dana Smith and Dianna Wright.

Fifth Grade—Kim Barnett, Christy Benge, Andy Fleming, Sunny Horton, Chris Mabry, Regina Priest, Jay Norsworthy and Noni Ruzicka.

Making A's And Two B's were:

Eighth Grade—Teresa Clark, Roger Coffey, Dianna Dandridge, Kim Frye, Ky Graham, Terri Kindler, Debbie Menefee, Charlene Seale and Max White.

Seventh Grade—Tammy Anderson, Kimber Britting, Stanley Fithen, Pat Fortenberry, Alex Garza, Diana Glover, Sonya Gore, Joe Malouf, Deena Mason, Karen Patterson and Burk Vestal.

Sixth Grade—Janie Aguirre, Norma Barlow, Theresa Bermea, Kayle Britting, Kelly Caudill, Dora Constanancio, Maria Gonzales, Shawna Hadley, Tony Jackson, Allison McMillan, Jimmy Menefee, Robert Ortiz, Deon Robinson, Ricky Roden, Elvira Samarron, Brent Self and Kim Taylor.

Fifth Grade—Karla Fleming, Francis Guerra, Tawnya Hand, Diana Hayes, Shawn Osborn, Oralia Rodriguez and Sandy Spring.

LEAKY FAUCET REPAIRS...This week's series for local do-it-yourselfers will teach leaky faucet repairs. The program will be aired Saturday at 1 p.m. on KAMR-TV, Channel 4. Cindy Kidwell is shown with a diagram of a typical

faucet. The series is a six-part educational television series of 30-minute programs, sponsored by the Parmer County Family Living Committee and KAMR-TV.

PRETTY FEET
a unique beauty cream... that changes those dry & rough areas of skin into baby softness. Try it - you'll find PRETTY FEET is like no other. Go On... pamper yourself.

Special Program

To Be Presented

A television series for local do-it-yourselfers will teach viewers how to repair leaky faucets this week.

"You Can Do It!" with hostess Cindy Kidwell will be aired Saturday at 1 p.m. on KAMR-TV, Channel 4.

The 6-part educational television series of 30-minute programs is sponsored locally by the Parmer County Family Living Committee and KAMR-TV, according to Miss Jana Pronger, County Extension agent.

It was created and produced by home econo-

mics specialists with the Texas Agricultural Extension Service, The Texas A&M University System, through a special United States Department of Agriculture grant.

Bulletins on any of the projects taught during the series are available through the County Extension Office, at 481-3619, or Box 683, Farwell, Texas 79325. There is no charge for the bulletins.

Next week's program will discuss toilet repairs and adjustments, the agent said.

At Home In Parmer County Jana Pronger

WITH THE HOLIDAY baking season beginning, homemakers are searching for ways to substitute other sweets for expensive cane sugar.

Honey, molasses or sorghum, corn syrup and cane syrup are sweetening agents that will work as well as white sugar in baking.

Some general guidelines for these substitutions will help homemakers achieve economical—and high quality—baked goods.

—Honey. For one cup of sugar in baking, use one cup honey and reduce liquid one-fourth cup for each cup of honey used.

If about half the sugar is retained in a recipe and honey substituted for the other half, a better quality product will result.

In baking, use one-fourth

teaspoon soda for each cup of honey. This is in addition to baking powder in the recipe when honey is substituted for sugar.

—Molasses or sorghum. For one cup sugar, use one and one-half cups molasses and sorghum used.

—Corn syrup. For one cup of sugar, use two cups corn syrup and reduce liquid one-fourth cup for each cup of corn syrup used.

—Cane syrup. One and one-half cups of cane syrup is equal in sweetness to one cup of cane sugar.

In cakes and cookies, replace sugar with syrup, measure for measure, and reduce liquid one-third. Cakes and cookies made with corn and cane syrups are not as sweet as when sugar is used.

Girl Born To Constancios

Mr. and Mrs. Ezequiel Constanancio became the parents of a baby girl on Friday, November 22. The baby was born at 6:49 p.m. at Parmer County Community Hospital.

The new arrival was named Elizabeth M. She weighed seven pounds, four ounces and was twenty inches long.

This is the first child for the couple.

Grandparents are Mr. and Mrs. Jessie Morales Sr., and Mr. and Mrs. Fred Constanancio, all of Friona.

Carol Bavousett Gets Scholarship Award

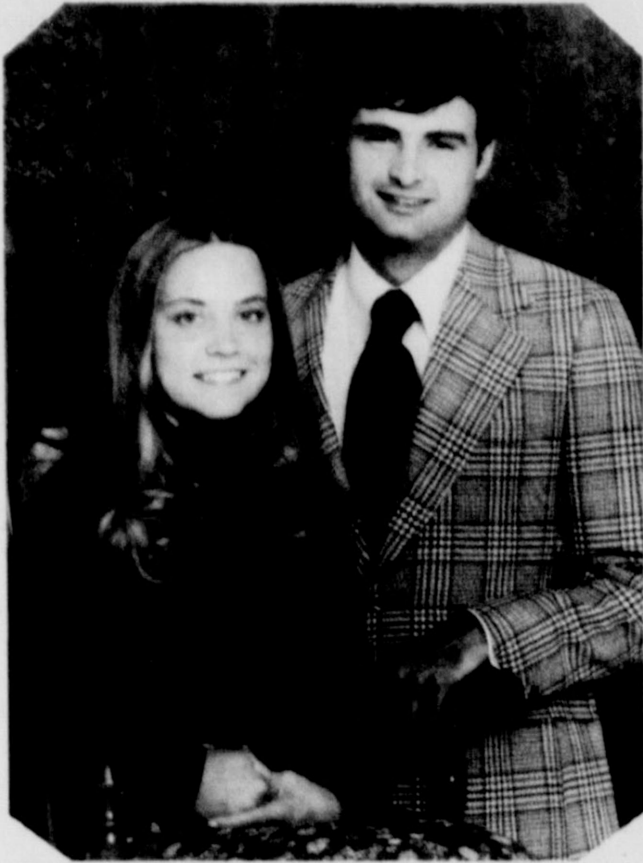

Carol Ann Bavousett, daughter of Mr. and Mrs. Steve H. Bavousett of 407 West 15th Street, has been awarded a \$600 Faculty Scholarship from the University of Denver.

Miss Bavousett is a senior at Friona High School. She plans to enter the University next fall, in the College of Arts and Sciences.

Her activities include participation in Thespian Troupe 1379, Forensics, Trebelaries female choral

and band. She is also a member of National Honor Society, Future Teachers of America, Girl Scouts and U.M.Y. Christian fellowship.

The Faculty Scholarship is awarded on the basis of high school academic performance and potential for college success. It is renewable each year of a student's four years at DU, provided a 3.00 (B) average is maintained.

DEBORAH SUE CLARK AND JOHN WINSLOW SNYDER....Mr. and Mrs. Bob R. Clark of 500 E. 14th Street, Friona and Mrs. Lenore B. Snyder of Tall Oak Drive, Oklahoma City, Oklahoma, announce the engagement and approaching marriage of their children, Deborah and John. The couple will exchange wedding vows on Saturday, January 4 at 2 p.m. in First Church of the Nazarene, Enid, Oklahoma. Dale O. Barnes, pastor of Grace Chapel in Enid will perform the ceremony. Miss Clark is a 1970 graduate of Hereford High School and is presently employed by Chaple Play School in Enid. Snyder is a 1965 graduate of Enid High School and a 1969 graduate of Phillips University, Enid. He is presently employed by D.C. Bass & Sons, Enid.

SCHOOLS IN!—Fashion combined with neatness adds up to one of the prettiest looks of fall for the young schoolgirl. The high-yoked dress with contrasting collar and cuffs is in a brown and aqua paisley print of durable press all-cotton. It can be machine-washed, spin-dried, and then it's off to another busy school day with no ironing needed. From Cinderella's "Stop the Press" collection.

ELEMENTARY FASHION—A Sherlock Holmes flavor characterizes this dashing ensemble of cotton pique in brown and white houndstooth checks. Exemplifying fashion's new total look, the double-breasted cape coat and Sherlock cap are worn over a matching sleeveless dress. By Cinderella.

STUDENT OF WEEK..... Chosen as Friona High School's D-E student of the week this week was Harvey Burnett, FHS senior, who is employed at Brockman Sales. Burnett is shown with his employer, Tommy Brockman, who moved to Friona recently from Nazareth.

FFA Chapter Captures District Meet Title

Friona's FFA chapter was host last week to the Littlefield district's leadership contests, which drew approximately 300 FFA members from ten area schools. Some 16 schools are in the district, but only ten participated in the contests.

Local FFA teams participated in all six divisions of competition, and won a first place, three seconds and two thirds.

The senior farm skills team, composed of Davy Carthel, Kent Miller, Jimmy Murphree and David Barnett and Mitchell Smiley as alternates, won the district's first place banner.

Friona teams placed second in junior farm skills demonstration; FFA Quiz and junior chapter conducting. Teams were third in radio broadcasting and senior chapter conducting.

Members of the junior farm skills team were Tommy Schilling, Ted Lindeman, Johnny Jarecki and Todd Bandy.

Those on the FFA Quiz team were Jay Jarboe, Kirk Miller and Jimmy Fallwell. The junior chapter conducting team was made up of Bryan Johnston, Danny Hand, Dennis Morgan, Sandy Peters, Brian Landrum, Brett Beavers, Alan Monroe, Jody Lewellen, Brian Gore and Chuck Essary.

The senior chapter conducting team was composed of Gary Self, Danny Campbell, Keith Pryor, Tim Boeckman, Bobby Zetsche, Phillip Schueler and Ronnie Williams.

The radio broadcasting team was made up of Kevin Welch, Roy Don Rector and Gene Strickland.

The senior farm skills demonstration team competed in the Area I contest at Plainview last Saturday, and placed second in the contest, with the team from Boys Ranch winning and advancing to the state meet. Benny Pryor and Paul J. Smith were in charge of the Friona teams.

BANNER WINNERS..... Friona High School's senior farm skills team won the district championship, and then placed second in Area I last Saturday at

Plainview. From left to right are Mitchell Smiley, Davy Carthel, David Barnett, Kent Miller and Jimmy Murphree.

New Xmas Stamps Are Offered This Season

Two 10-cent traditional Christmas postage stamps are presently on sale at the Friona post office.

This year's Christmas Masterpiece stamp is based upon a detail from "The Perussis Altarpiece," a large oil painting which hangs in the Metropolitan Museum of Art in New York. Deisinger of the stamp is Bradbury Thompson of Riverside, Connecticut.

The stamp features an angel taken from the central of the five panels making up the large altarpiece painting. The angel is one of two in the center panel—one is depicted in flight on either side of the upright portion of the cross that dominates the panel.

The identity of the artist who painted the altarpiece is unknown. The painting is known to have been done in

1480, although it is not known where it was hung upon completion.

The second Christmas stamp is taken from an 1853 lithographic print, "The Road, Winter," by the firm Currier and Ives. The drawing was done on the lithography stone by Otto Knirsch, one of the celebrated American artists Nathaniel Currier employed to produce drawings that were to be colored on an assembly line of girls, each of whom applied a single color.

The stamp was designed by Steven Dohanos of Westport, Connecticut. The design shows a man and a woman in a horsedrawn sleigh moving through a wintry landscape.

A French train has been clocked at 205.6 mph.

Home, School Costs Spiral

BY LLOYD BENTSEN
United States Senator

As of last month, five and a half million Americans were out of work as the unemployment rate soared to six per cent. And inflation continues to drive the value of the dollar down, at the rate of twelve cents a year.

The implications of a recession coupled with a staggering inflation have not all made themselves known yet. But, two areas in which the threat is clear and immediate are in the ability of middle-income Americans to own their own homes and send their children to college.

The homebuilding industry is in a depression, and the soaring costs of higher education are pricing middle-income families out of the market.

What do we do about it? I recently introduced legislation which would pump up to \$9 billion of sorely needed money into the nation's housing industry even as it helps some 15 million families save money for their children's education.

IT OFFERS immediate relief for the economically-stricken homebuilding industry. And, it provides long-term benefits for middle-income Americans seeking to meet their family's educational needs.

Its effects are far reaching. Basically, I am proposing a \$100 tax credit to a family that saves at least \$500 a year in a special educational savings plan for two children.

Between 1962 and 1972, the cost of tuition, room and board at public universities and colleges increased 58 per cent compared to a 38 per cent rise in the consumer price index. Similar costs at private institutions climbed 80 per cent and vocational education programs also became increasingly expensive.

Those who have suffered most from all this are middle-income families, those forgotten Americans who are neither very rich nor very poor, who cannot fully meet the high cost of tuition nor qualify to total scholarship assistance.

By Treasury Department estimates, over 15 million families — 33 million students — would take advantage of my proposal.

Their money would go into special educational savings plans at institutions that invest at least 50 per cent of their holdings in the housing industry.

UNEMPLOYMENT for construction workers is over double the national rate, with more than 567,000 persons out of work. Housing starts are down from 2.5 million to 1 million over the last two years. Homebuilders are filing for bankruptcy. Carpenters, plumbers and cement finishers have turned to unemployment compensation.

The homebuilding industry, which has suffered seven recessions since World War II, is in a state of virtual depression today. My legislation would help assure it of a stable source of financing to prevent these recurrent periods of instability. It would mean as many as 300,000 new housing starts a year.

It would mean jobs for construction workers and a new lease on life for many contractors. But it would mean more than this. It would mean homes.

It would help end the housing shortage that is preventing a growing number of Americans from owning their own homes. The Treasury estimates my proposal would mean a yearly tax loss to the government of \$1.7 billion. This loss, however, would be more than made up in other ways.

It would be made up through taxes on increased homebuilding wages and profits. It would be made up through decreased payments for unemployment compensation.

Incentives such as this, which work through our free enterprise system, are much less costly to taxpayers than direct government subsidies.

Pretty things top lists of career gals

Picking gifts for career gals isn't as difficult as it may seem. The 40 million women in the nation's work force utilize their shopping time for necessities, although they long for the pretty things in life.

Lovely handkerchiefs are always welcome. She may always use tissues in the office, but when she goes out she likes to carry a real hankie.

No woman ever has enough note paper, and she needs different types for her busy days. Little notes for a quick "thank you" and exciting paper that reflects her personality.

Men are welcome in lingerie departments, and women welcome gifts of lacy slips they wouldn't buy themselves, or frilly nightgowns that tell her how he feels.

Most women have gloves to ward off the cold, but they always need some "nice" ones for evenings. Suede, leather (lined or unlined), cotton — gloves to fill in her wardrobe.

In China, gongs were beaten to cure children of convulsions.

People once believed that fern seeds would make them invisible.

THE SCIENTISTS TELL ME ...

By Robert L. Haney, Science Writer
The Texas Agricultural Experiment Station

Bacon Buyers Selection Aid

When you buy bacon, do you get what you want or is it often a "surprise"?

Consumer preference studies made to find out what kind of bacon Texas buyers really want turned up some interesting facts, say Experiment Station researchers. One of these was the discovery that many buyers are unaware of a relatively new regulation in bacon packaging that is designed to help consumers.

Federal Meat Inspection Regulations now require that the transparent opening in a bacon package show 70% of a representative slice of bacon. This change was brought about by consumer complaints of being unable to tell what bacon was really like before it was bought.

But some buyers don't know that on many packages the window that complies with this law is on the back of this package. So whether you like your bacon fatty or lean, doublecheck for the window that shows 70% of a representative slice.

Station marketing research that uncovered this interesting observation was being done to find out the amount of muscle, and the distribution of muscle and fat, that buyers want in bacon.

"Bacon is considered by many to be a specialty product, and many buyers prefer bacon that is not overly lean," says one of the Station researchers, Dr. Gary Smith, a meat

specialist. "While it is well known that this specialty product has a low lean-to-fat ratio, it is bought because of its desirability as a breakfast item, and because of its unique characteristics."

"Buyers recognize and accept that even the best of our bacon is still an extremely fatty cut. Bacon brings a premium price largely as a result of the ingenuity of pork processors in manufacturing an extremely palatable product and because of the expertise of marketing specialists in creating a very favorable image for the cooked product."

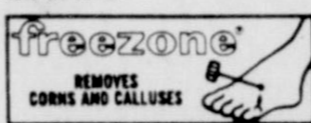

"With bacon prices of \$0.89 to \$1.09 per pound, the muscle costs at the rate of \$1.48 per pound in very lean bacon but \$3.89 per pound in very fat bacon."

"When buyers were asked to list factors they considered in buying bacon, 86.9% of them listed lean-to-fat ratio. This, and at least three other factors they mention (color of lean, of fat, or both; width of slices; and distribution of lean and fat) are visible to consumers through the transparent windows which comply with the revised packaging regulations."

"Since price was way down the list of what buyers consider, it's obvious that bacon with less than 30% muscle will be increasingly discriminated against. The careful shopper is now able to get the type bacon her family prefers," concluded Smith.

FREEZONE IS FOR CORNS THAT HURT.

Why fool around with painful corns, when Freezone can help you remove them. Try it. You'll see, in just days, the corn will be gone... the hurt will be gone. Painlessly. No dangerous cutting. No ugly pads or plasters. Drop on Freezone—take off corns.

Xmas Sale Slated To Benefit Orphans

The Friends of the Vietnamese American Children are sponsoring a pre-Christmas sale at the home of Mrs. Nettie Collier, 1108 west 5th Street, it was announced this week by Mrs. Leon Smith.

"The Vietnamese-American Children's Fund is a

very personal way to directly show your love and concern for an orphan left in the ashes of the Vietnam War. There are thousands of such children," Mrs. Smith stated.

Christmas decorations will be the sale specialty.

"ARE YOU READY FOR CHRISTMAS?"

For the next four weeks, everyone will be getting ready for Christmas. As we celebrated "Thanksgiving Day this past week, many of us watched the Macy's Thanksgiving Day Parade on our T.V. sets. We were reminded in a rather spectacular way of the coming of Christmas, and already our thoughts were directed to the necessity of preparing for Christmas.

Since the early 4th century A.D. the Christian Church has observed a special season of preparation for Christmas, known as Advent. The word Advent, comes from two Latin words, "Ad" and "Venire"—meaning "to come." For the Christian, the season of Advent, reminds us to get ready for the coming of Christ at Christmas. Advent, then, is a time which calls us to get things in order for the Coming of our Lord. This is the cry which comes to us from the prophets and also from the forerunner of our Lord, John the Baptist. In the third chapter of Luke's gospel, we read that John was he who fulfilled the prophecy of Isaiah which proclaimed: "A Herald's voice in the desert, crying, 'Make ready the way of the Lord.'

Clear Him a straight path.

It was customary in the East for a visiting dignitary such as a King to send before Him a courier, who would announce to the people that they were about to be visited by a King. This gave the people an opportunity to prepare the roads over which this King would travel into their city. Thus, John the Baptist, was announcing to the people, the need for them to prepare the way for the Lord, Jesus the Christ, to enter their lives.

We also read of this preparation in the prophecy of Malachi: "Behold, I send my messenger to prepare the way before me—behold, he is coming says the Lord of Hosts." For you and me, the next four weeks, will be time for us to prepare in our own way for the coming of our Lord. The season of Advent announces to us all: "Get Ready! The King is coming! Get things in order. Mend not your roads, but your lives!"

Ten Men Arrested In Parmer County

Ten men, six of whom were from out-of-state, were charged with possession of marijuana last week by law enforcement officers in Parmer County.

On Wednesday last week, a collision between a 1972 Cadillac with New York license plates and a 1974 Chevrolet truck, owned by C.E. Trimble and A.L. Nuttall of Bovina, led to the arrest of three men on charges of possession of less than two ounces of marijuana.

The accident occurred about 3 p.m. at Sherley Grain Co. on Highway 60 when the driver of the Cadillac attempted to pass the loaded grain truck as it was making a left turn into the elevator driveway. Arrested on possession charges were Brock Estes and Lance Estes of Connecticut and Wayne Urbanak of Arizona. The three men were fined \$200 and costs each in the Justice of the Peace Court at Farwell. Highway Patrolman Glen Fant and City Marshal

Ronald Mitchell worked the accident.

Highway Patrolman Royce Keck and Jimmy Humphries arrested three out-of-state men Friday night about three miles east of Bovina on U.S. Highway 86 on possession of two to four ounces of marijuana, a Class A misdemeanor. Mitchell Jorgenson, 21, of Montana, Herman J. Hebert Jr., 24, of Louisiana, and Robert L. Alexander, 19, of Ft. Worth were fined \$150 plus court costs each at Farwell.

On Saturday night, Mitchell, Humphries and Keck arrested three Bovina men near the bridge on U.S. Highway 60 east of Bovina on charges of possession of under two ounces of marijuana. Alvin Hernandez, 20, Alfonso Delgado, 21, and Zeferino Villareal, 21, were fined \$100 plus court costs each at Farwell.

Humphries and Keck arrested Terry Lee Thompson, 18, of Friona Sunday on charges of possession of under two ounces. He was fined \$100 and court costs.

Indoor ball games take safe bounce

There was a time not long ago when all a youngster had to do if he wanted to "end it all" was to throw a baseball, football or basketball around inside the house. Lamp, window or head breakage was certain to occur, and severe chastisement, at the very least, resulted for the culprit.

For almost three years, however, those days have been over. It was back in 1970 when the first symptoms of "Nerfmania" were discovered in various parts of the country.

The Nerf ball by Parker Brothers, the first truly safe indoor ball, is now available in a new basketball edition. Nerfoop includes a 4-inch seamed Nerf ball, a bracketed rim and net and a template for constructing a backboard. The bracket fits easily on doors or in bureau drawers.

A template is printed on the package for constructing a backboard. The Nerfoop ball has seam markings just like the kind of basketball that breaks the things it hits.

An outdoor teammate of the Nerf products is the Nerf football. Made of a denser synthetic foam than the rest of the Nerf group, this three-quarter size football is easier for youngsters to grip, throw and catch, yet handles like a real pigskin. It comes in three colors: "Orange Squeezer," "Lime-backer" and "Purple Passer."

There is no question that the epidemic of "Nerfmania" that has been with us for almost three years is far from over.

First indoor ball "Nerfmania" was characterized by a sudden and overwhelming desire to throw a Nerf ball at furniture and windows just to prove that they would be none the worse for the experience. The Nerf ball, introduced by Parker Brothers, was the world's first indoor ball.

Made of soft, spongy, lightweight synthetic foam, the Nerf ball can be thrown, batted or kicked indoors with no danger of breaking furniture, windows or fixtures. The four-inch diameter ball won't hurt people either.

Shortly after "Nerfmania" took a firm hold on the country, a new strain was discovered in Salem, Massachusetts (headquarters of Parker Brothers). It involved the introduction of the Super Nerf ball, a seven-inch diameter version of the original, made of the same safe foam material.

Runs rampant With the Nerf "germ" running rampant across the country, the Nerfoop and Nerf football have made their appearances. The Nerfoop includes a miniature four-inch basketball made of the same Nerf material and a metal hoop and net complete with bracket for mounting on doors without marring the surface.
