Local Race Adds Spice To Voting

GEORGE MAHON is a remarkable individual. At a time when most folks have already begun their retirement, Mahon is still putting in quite a work day every day.

"You may have heard that I'm 76 years old. That seems to be going around," Mahon quipped to a couple of early visitors at his reception here Monday. The congressman referred to the issue being made concerning his age by his Republican opponent in next Tuesday's election.

He may be 76, but Mahon is still a fighter, as shown by his record the past year or two.

At a time when the old Congressional leaders were being stripped of their power, Mahon managed to hold on to his potent chairmanship of the Appropriations Committee.

Then, drawing a young opponent in the Republican ranks, you might figure that Mahon would just "run on his laurels," in deference to his age.

But that isn't the case at all. Mahon has campaigned hot and heavy during the last month, visiting each of the 17 counties in the 19th Congressional District.

Monday in Parmer County was probably a typical example. The Congressman started out with a 6:30 a.m. breakfast in Farwell. He came to Bovina for the 2 p.m. coffee, and was still at it in Friona until almost 10 p.m.

We're not quite 76 years young, but we would have trouble keeping up with Mahon's pace.

An acquaintance we know who worked in Mahon's office this past year says that Mahon keeps just as stiff a schedule when he's on the job at the nation's capital. So perhaps the age factor isn't much of an issue after all.

"My father lived to be 97," the congressman says, implying that he will be shooting to at least top that mark.

Our contact who worked for Mahon says that he demands the same type of devotion of everyone who is on his office staff. There is no loafing. There is no one on the staff whose position is not justified.

And, while many members of congress might be found on the golf course on the weekend, this district's representative always gathers up a bundle of homework to take with him.

Personally, that's the type of individual we like to have on our payroll. We're going to vote next Tuesday to keep him employed at least another two years. With his record in Congress, we believe Mahon should be the one to make his own decision as to when he retires.

MAHON EXPRESSED a concern this week about voter apathy. It is being predicted that no more than 50 per cent of the eligible voters across the nation may turn out to elect our president and name the officials for our vital offices.

Friona does have a local race, with two men on the ballot in the commissioner's race and another waging an active write-in campaign. This gives the local voters even more of a stake in the election and should insure a good turnout locally.

Your vote always counts, and especially in a local election.

Friona voters will join those across the nation next Tuesday by going to the polls to elect their president for the next four years, along with several other leaders.

In addition to the presidential race, the Congressional race in which longtime representative George Mahon is opposed by Republican Jim Reese, has created some interest among voters.

In Friona, a contested race for the county commissioner's position should help swell the voter turnout. Ernest Anthony is the Democratic nominee, Forrest Osborn is on the Republican ledger, and Raymond Euler has announced he will be a write-in candidate on Tuesday.

Euler was bested by Anthony in the Democratic runoff, but is trying the write-in prerogative.

"There were 164 voters who voted in the Republican primary in May, and as a result did not get to voice their opinion in either my primary race or the runoff," Euler pointed out. Anthony led the four-man ticket in the primary by 47 votes, and won the nomination by 38 votes over Euler in the runoff.

At Bovina, another write-in campaign has added spice to the politics in that precinct, where voters will choose a justice of the peace to fill out the unexpired term of Wilbur Charles, who died recently.

Statewide, a write-in campaign has been started for the Supreme Court seat in which Don Yarbrough, an attorney with a questionable record, won the Democratic nomination.

Poll Sites Are Listed

The polling place in Friona for the general election is the Fire Station, Eighth and Main Streets. The polls will be open from 7 a.m. to 7 p.m.

Voters are asked to bring their registration slips if possible. They may still vote even though they do not have their receipts, however.

At Black, the polling place will be Tri-County Elevator; at Lakeview it is Otho Whitefield's residence; at Rhea it is the Parish Hall, and at Lazbuddie it is the school building.

Spooks Asked To Prowl On Saturday

City officials have asked Friona youngsters to observe their trick or treat activities on Saturday, October 30 rather than on Sunday, which is the calendar date for Halloween.

It is thought that residents would rather have the visitors on Saturday than Sunday evening.

Jim Reese of Odessa is Mahon's Republican opponent. He is a former mayor of that city.

In the U.S. Senate race, Lloyd Bentsen is seeking re-election on the Democratic ticket, after his abortive attempt at the nomination for president. Bentsen's chief opponent is Republican Alan Steelman of Dallas. Marjorie Gallion also is on the ballot for the American Party, and Pedro Vasquez for the Socialist Workers.

In the railroad commissioner's race, Jon Newton, who won the Democratic nomination over several opponents in May, has three names on the ballot opposing him this time around. They are Walter Wendlandt for the Republicans, Fred Rodriguez Garza, Raza Unida and Pat O'Reilly, Socialist Workers Party.

Other state officials, including state senator Max Sherman and

(Continued on Page 5)

Freak Snowstorm Dumps 4" Locally

A freak October snow blanketed the Friona area with an early coat of white on Thursday of this week, with a measurement of four to five inches received in the area.

Friona's official measurement was four inches of snow which yielded .51 inch of moisture, very wet by all standards.

Reports indicated that the snowfall was heavier to the north and west. The Rhea community had received four inches by midmorning on Thursday, and more snow fell during the day. Clovis also was reported to have received more snow, but Amarillo received less than an inch.

The early spell of winter halted harvest operations, which were in

the "stretch" stage for the most part. Estimates from various officials indicate that the corn harvest is from 75 to 90 per cent complete.

One thing the wet spell accomplished was to allow elevators to gain a little on the farmers, who had filled every available space in area facilities early this week. Even the terminals in Amarillo and Plainview were full, and a tremendous bottleneck had developed by last weekend.

Although the overall percentage of grain remaining is small, some farmers have a large quantity still unharvested. One indicated he still had 300 acres of corn to harvest, and that a neighbor had around 1,000 acres left.

Harvest of the area's sugar beet crop likewise was off to a good start prior to the wet weather. No cotton had been harvested in the Friona area. A Bovina man, Nathan Moore, ginned what apparently was the first bale of cotton for 1976 in Parmer County last Saturday, October 23.

Date	Hi-Low
Saturday, October 23	75-41
Sunday, October 24	75-40
Monday, October 25	51-30
Tuesday, October 26	69-30
Wednesday, October 27	66-32
Thursday, October 28	35-31
Friday, October 29	63-31
Moisture: four inches of snow October 28-29. Yield: .51 inch moisture.	

Clocks Turn Back Saturday

Central Standard Time will return to the area on Sunday morning, giving residents an opportunity to gain an hour's sleep Saturday night.

Clocks will need to be set back an hour to conform with standard time.

Folks should have a better opportunity to get to church and Sunday School on time this week with the abrupt change.

GREET MAHON... On the program at the George Mahon reception Monday night were the above men. Left to right are Tom Jarboe, who served as master of ceremonies,

Congressman Mahon, Hollis Horton and A.L. Black. Horton and Black were hosts for the affair, attended by more than 100 supporters of the congressman.

Large Crowd Attends Geo. Mahon Reception

A crowd of over 100 supporters attended a reception for U.S. Congressman George Mahon at the Friona Community Center this past Monday evening.

The venerable legislator told the gathering how he had attempted to represent the 19th Congressional District to the best of his abilities ever since its formation.

"The issue as I see it is which of the two candidates can do the best job, and be the most effective for this district," Mahon said, in reference to his Republican opponent.

The longtime chairman of the appropriations committee explained how important seniority is to a congressman. "When I call the president's office—I talk directly to the president, not just an office assistant," Mahon said.

Mahon defended his voting record, which has come under attack during the campaign. "They say I'm liberal—yet the folks who do the ratings have rated me up to 95 per cent conservative by my votes," Mahon said.

He cited a recent award from the National Federation of Independent Businessmen as an example of the reputation he has with that organization.

"I'm for the Democratic ticket from top to bottom, and I am going to do all I can to support it because I believe it offers the most for the people," Mahon said, declaring that the Democratic party had always been the "party of the people."

Mahon pointed out that Congress will be charged with writing a new farm bill in 1977, and pledged his best efforts on behalf of the area's farmers and cattlemen.

"Is this the time to change your leadership? I think not. A bad farm bill could adversely affect this area for the next 10 years," Mahon said.

Among the guests attending were Charles Lovelace, Ernest Anthony, Mel Phillips, area coordinator for

the Lloyd Bentsen campaign, Carl King of Dimmitt, candidate for District Committeeman, a 25-county position, and Gale and Linda Warren, representing the Carter campaign.

Absentees New Record

Absentee voting for the general election compared favorably to the last two general election years, according to a check with County Clerk Bonnie Warren and the Friona Star files.

As of noon Friday a total of 165 people had voted absentee. This compared to 146 voters in 1972, the last presidential election year, and 160 in 1968.

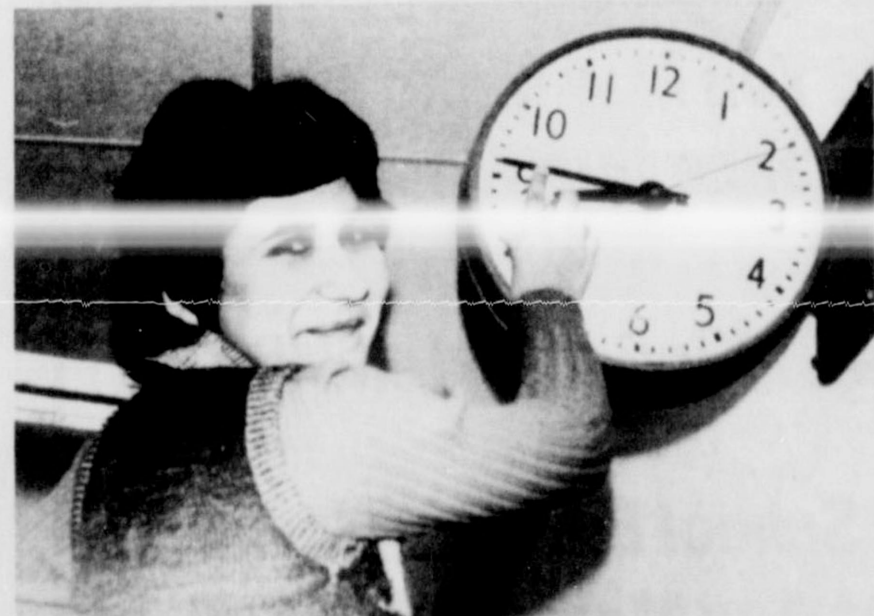

Friday was the last day that absentee ballots could be cast.

Dimmitt Lions Set Supper

The Dimmitt Lions Club will be hosting a Pancake Supper in the Dimmitt High School Cafeteria prior to the Dimmitt-Friona football game next Friday, November 5.

The meal will be served from 5:30 p.m. until 7:15 p.m. The High School is located just adjacent to the football stadium. Tickets will be on sale at the door and will be \$1.50 for adults and 75 cents for children under 12.

The Dimmitt Lions extend an invitation to all Friona football fans to come and eat with them prior to the big game.

SET IT BACK... Diane Westbrook reminds area residents that Saturday night is the time to cause your clocks to "fall back" to the Central Standard time, after six months of

Daylight Savings Time. For some residents, if you work it right you'll get an extra hour of sleep Saturday night. Diane is the daughter of Mr. and Mrs. Dale Westbrook of Friona.

BEWITCHING TIME... The eerie glow from a jack-o-lantern reveals a ghost just behind the fence, and these characters may be much in evidence this weekend in Friona.

City officials have asked youngsters to observe Halloween on Saturday night instead of Sunday, for their trick or treat activities.

SNOW... An unusual October snowfall dumped more than four inches of snow on the Friona area this week, halting harvest activities but

yielding good moisture to farmland. Typical of the area's trees and shrubs were the above evergreens in a yard in the western part of Friona.

REMEMBERING...

By BILL BROOKS

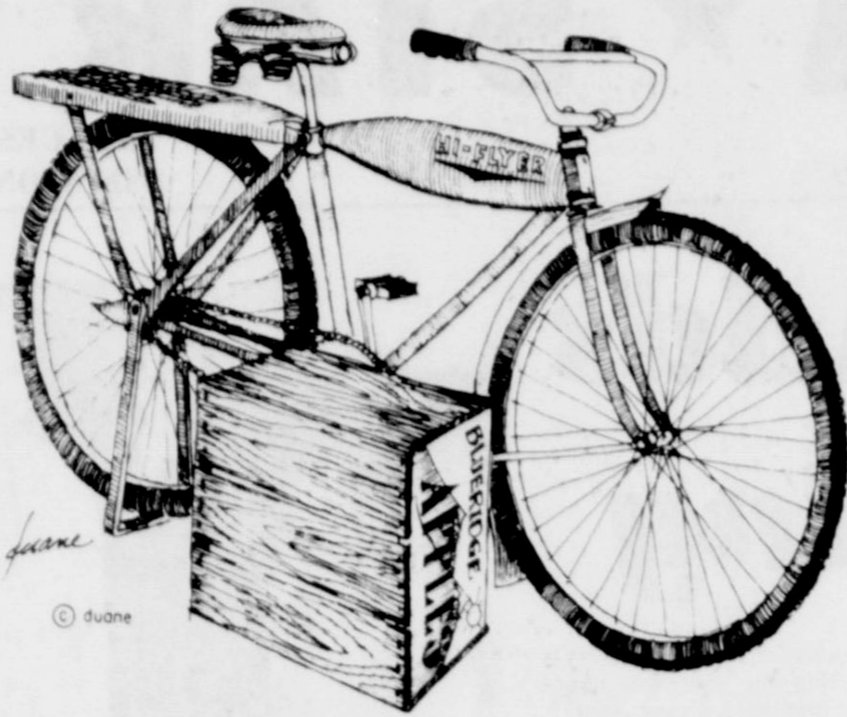

Learning To Ride A Bicycle

When I was growing up I never saw a small bicycle. They were all huge and, unfortunately, no one had invented training wheels at that time.

My first experience with a bicycle was at my brother's friend's house one Sunday afternoon. He had a bike — I guess the first one I ever saw. It was the color of rust. In fact, it was rust and it had no seat, just an old rag wired to where the seat should have been. But he could sure make it fly. We all wanted to ride it but I was afraid. My brother learned sorta how after several spills and spins. Our friend pumped me but I would never try it by myself.

All we could do for the next few days was talk about that bicycle and wish we had one.

To our surprise Dad came home with one about a week later. It was a used one but it looked brand new. Dad had done some work for a man and had taken the bicycle for pay. In no time my brother had mastered it but I was still afraid. It seemed so big! When I stood beside it I used nearly as tall as I was. I used to hold it by the handle bars and push it around the yard, pretending I was riding it.

fast as the wind. But I just knew I would never learn how.

One day brother told me he would hold it up and push it if I wanted to ride on the seat. That was great! He pushed me around the yard a time or two then asked me if I would like to go out on the road. "O.K., if you'll be careful."

On the road he said, "Work the pedals and I'll hold it up

and push you." It was lots of fun as I was pedaling and he was pushing and I was telling him how much fun it was but he wasn't answering.

Then I realized he wasn't back there anymore. He had given me a push and had turned me loose. I was surprised to find I could actually ride it by myself but I knew I was in trouble

because I had no idea how to stop it or get off. I must have ridden a mile or more when out of desperation, I jumped clear of the bike into a deep sand dune. The bike crashed into a barbed wire fence.

My brother ran up to me laughing and yelling, "You did it! You did it!" I spat sand out of my mouth, looked at the bike and nodded. I was pretty proud.

Friona Flashbacks

.....from the files of The Friona Star

45 YEARS AGO—OCTOBER 30, 1931

Friona's new business concern, the Maurer-Gischler Grain Company, is preparing to get into the grain buying business in real earnest. The company is composed of Carl C. Maurer and Reuben T. Gischler, two of Friona's most popular and enterprising young men. The two local products are preparing to erect an elevator, which will enable them to handle two or more grades of wheat at one time.

40 YEARS AGO—OCTOBER 30, 1936

Mr. and Mrs. E.S. White honored their young son, Ed Jr., Tuesday afternoon of last week, with a birthday party at their home in the east part of town.

We cannot resist the opportunity to tell of that fine six-inch snow which fell here on Thursday of last week. It fell so gently and evenly without the accompaniment of the usual north wind, and thus lay smooth all over the ground. The snow was quite moist, and was not accompanied by any severe freezing.

35 YEARS AGO—OCTOBER 31, 1941

Workmen and equipment in the employ of Cook & Ransom, contractors, building of the large Santa Fe Railroad dike here, have built the dike as far as a point opposite the depot building. Wet weather during the past two weeks has hindered the work. Friona Wheat Growers are building suitable approaches from the top of the dike to the elevator doors. The dike itself will be a driveway for the trucks when bringing grain to these elevators.

30 YEARS AGO—OCTOBER 25, 1946

At least one indication of the return of the good old pre-war conditions was manifest in Friona this week when two men spent Tuesday and Wednesday here quite busily employed at their craft or repairing typewriters and adding machines. They seem to have been quite welcome callers for many of our business concerns.

25 YEARS AGO—OCTOBER 25, 1951

The new school building located just north of the grade school has been virtually completed, and occupancy is expected sometime next week. Four classrooms, a study

hall and the high school principal's office will be contained in the new building, Superintendent Caffey said.

20 YEARS AGO—OCTOBER 25, 1956

Now under construction is a new building to house Jones Motor Company in east Friona on Highway 60. Opal Jones, owner, says he hopes to have the building finished by the first of the year. Jones was the Friona Dodge-Plymouth dealer from 1935 to 1938.

15 YEARS AGO—OCTOBER 26, 1961

An English class for Spanish-speaking people who are helping with the harvest in the Friona area will convene Sunday at 5:30 p.m. at the American Legion Hall in Friona. The first session of the year, October 15, drew a total of 92 to try to learn some part of the English language. Wesley Foster is ramrodding the class. The need for a similar class, to teach local businessmen and residents conversational Spanish, was discussed.

10 YEARS AGO—OCTOBER 27, 1966

A total of 783 farms was counted in Farmer County during the 1964 Census of Agriculture, the Bureau of the Census reports. The number was 80, or about one-tenth less than the figure obtained five years earlier, which indicated 863 farms in the

5 YEARS AGO—OCTOBER 28, 1971

Friona's Ken McLellan reigns as world champion in the Super Stock Eliminator class, following the National Hot Rod Association's World Finals of drag racing last weekend in Amarillo. McLellan, who has won a basement full of trophies during the past ten years, called his latest win his "most satisfying," though admitting that he felt little different since notching the world title.

School Lunch Menu

- MONDAY—fish, mashed potatoes, hot rolls-butter, applesauce cake.
- ENGLISH peas, tartar sauce and milk
- TUESDAY—pizza, buttered corn crackers, lettuce and tomato salad peaches and milk.
- WEDNESDAY—frito pie, pinto beans, cornbread-butter, mixed greens, banana nut cake and chocolate milk.
- THURSDAY—hot dogs, potato chips, pork and beans, cookies and milk.

"Y'ALL VOTE NOW, HEAR?"

United Fund Helps Friona 4-H Club

(Editor's note: This is another in the series of articles dealing with the agencies who receive money from the Friona Area United Fund Drive. The drive will kick off on November 8 with a breakfast for leaders at the Girl Scout House.)

For the second year, the Friona 4-H Club will receive money from the United Fund Drive.

Membership in the Friona 4-H Club averages around 25 youngsters per year. There are six 4-H Clubs in Parmer County—Friona, Bovina, Farwell, Lazbuddie, Oklahoma Lane and Rhea. However, the money derived from the United Fund is used only by the Friona club, which is usually the largest in the county.

The money is used for a variety of things. The local 4-H Club has been involved in a rifle safety program, and some of the money has gone to purchase ammunition.

Other programs include field trips. The UF money has also helped pay the way of Friona 4-H youngsters who attend various district contests, and has helped

purchase trophies and awards.

There is also a district leadership lab which Friona representatives attend.

"The assistance from the Friona United Fund is a big help. Otherwise the kids would have to sell merchandise, or make some type of drive to help finance their programs," said one of the adult 4-H Club leaders.

In addition to the programs mentioned, Friona 4-H Club youngsters participate in the county dress revue, the county food show, junior livestock show, the horse show, elimination contests and livestock judging teams.

Adults who serve as organizational leaders in Friona include Mr. and Mrs. Dale Hart, Mr. and Mrs. Johnny C. Miller, Diane Tatum and Johnny Massey. There are approximately 125 4-H Club youngsters in Parmer County this year, along with another 25 adult leaders.

When you contribute to the local United Fund drive in November, you will be helping this organization and its many programs to benefit our young people.

BOO

We don't have any haunted houses but we do have some ghostly buys. We appraise property to sell, not to keep. Come to see us, we promise not to scare you.

Treat or Treat--This home is a double treat, located on a pretty street, 2300 square feet and every inch 100 per cent neat. \$52,500.00.

Bewitching--This home has a frighteningly low price of \$15,000.00, located near schools. Has garage, plenty of storage and a cellar to boot. With 20 per cent down, payments are approximately \$155.00.

While the frost is on the pumpkin, let your next door neighbor make those \$400 a month payments while you're relaxing and just paying \$167.00 a month when you assume the loan on this home. Three bedroom, brick with double car garage. Total consideration, \$32,000.00.

Virginia Martinez

Former Friona Resident Buried

Mrs. Virginia Martinez, 44, of Portales, died Sunday after a long illness.

Services were held at 2 p.m. Tuesday in Wheeler Starlight Chapel with David Cox, Church of Christ minister, officiating. Burial was in Portales Cemetery.

Mrs. Martinez was born in Detroit, Michigan. She married Marty Martinez in 1950 in Las Vegas, Nevada. She had lived in Portales four years. She was a member of the Methodist Church and Epsilon Sigma Alpha Sorority.

Survivors include her husband, Marty; three daughters, Mrs. Nancy Lees of Alpine, Peggy and Connie, both of the home; her mother, Mrs. Loretta Spangler of Norco, California; and two brothers.

Marty and Virginia lived in Friona

for several years where Marty worked as a pharmacist at the Parmer County Community Hospital.

Pallbearers were Jay Claborn, Cotton Renner, Hoyt Smith, Terry Cone, John Henderson and Mick Trujillo.

Mamie L. Vaughn Buried

Funeral services for Mamie L. Vaughn, 72, of Friona, were conducted Monday at 2 p.m. in Calvary Baptist Church with the Rev. Ron Trusler, pastor, officiating.

Burial was in the Friona Cemetery under the direction of Parsons-Ellis Funeral Home.

Mrs. Vaughn was dead on arrival at Parmer County Community Hospital at 5 a.m. Saturday following an apparent heart attack. She was born Mamie Lorena Wood

on April 21, 1904, in Waxahachie and married Elwood Vaughn in Waxahachie on March 22, 1928. She had lived in Friona for 31 years.

Survivors include her husband, two sons, Haywood of Friona and Odell of Waxahachie; one daughter, Mrs. Dorothy Rolan of Stratford; a sister, Mrs. Edna Weaver of Tucson, Arizona; and nine grandchildren.

Pallbearers were Owen Drake, Bob Finley, Elroy Wilson, Bill McGlothlin, Carl Osborn and Johnny Brand.

MEETS MAHON...Sharla Benge, Friona's Maize Queen, was among those who met Congressman George Mahon Monday evening at the reception held at Friona Community Center. A number of Democratic officials were on hand, along with over 100 supporters and friends of the longtime Lubbock legislator.

Elections ...

(Continued from Page 1)

County officials unopposed in the general election are Sheriff Charles Lovelace, tax assessor-collector Hugh Moseley, county attorney Johnny Actkinson.

DA Jack Young, who like Lovelace and Actkinson turned back challengers in the Demo primary, is unopposed.

state representative Bill Clayton, are unopposed. A full copy of the ballot, presented courtesy of Friona State Bank, appears on Page 7 of section 2, so voters may acquaint themselves with the ballot prior to going to the polls.

County officials unopposed in the general election are Sheriff Charles Lovelace, tax assessor-collector Hugh Moseley, county attorney Johnny Actkinson.

DA Jack Young, who like Lovelace and Actkinson turned back challengers in the Demo primary, is unopposed.

VOTE REPUBLICAN

How President Gerald Ford Stands On The Issues

On jobs: "The best way to get jobs is to expand the private sector where 5 out of 6 jobs today exist in our economy. We can do that by reducing federal taxes, as I proposed about a year ago when I called for a tax reduction of 28 billion dollars—three quarters of it to go to private taxpayers and one quarter to the business sector. . . . The private sector . . . where you have permanent jobs, with the opportunity for advancement, is a better place than make-work jobs under the program recommended by the Congress."

Gun control: "I don't believe in the registration of handguns or the registration of the handgun owner. That has not proven to be effective. And therefore I think the better way is to go after the criminal—the individual who commits a crime in the possession of a gun."

**Stay With
The Conservative
Party --
DON'T Go Out
On A
Limb!**

On taxes: "I think the way to get tax equity in this country is to give tax relief to the middle-income people who have an income from roughly \$8,000 up to \$25,000 or \$30,000. They have been shortchanged. . . . Mr. Carter wants to increase taxes for roughly half of the taxpayers of this country. Governor Carter talks about the tax bills and all of the inequities that exist in the present law. I must remind him the Democrats have controlled the Congress for the last 22 years, and they wrote all the tax bills. . . . We feel that you can hold the line and restrain federal spending, give a tax reduction and still have a balanced budget by 1978."

On inflation: "We've brought inflation down to under 6 per cent. . . . What we have done is to hold the lid on spending in an effort to reduce the rate of inflation, and we have proven—I think very conclusively—that you can reduce the rate of inflation and increase jobs. . . . We have added some 4 million jobs in the last 17 months. . . . Inflation is the quickest way to destroy jobs."

On new federal programs: "Rather than spend . . . money for all the new programs that Governor Carter recommends and endorses. . . . I think the American taxpayer ought to get an additional tax break. . . . He endorses the Democratic platform, which, as I read it, calls for approximately 60 additional programs. We estimate that those programs would add 100 billion dollars minimum, and probably 200 billion dollars maximum, each year to the federal budget."

On trust: "One of the major issues in this campaign is trust. A President should never promise more than he can deliver, and a President should always deliver everything that he's

promised. . . . President should be the same thing to all people. . . . I think the real issue in this campaign . . . is whether you should vote for his [Carter's] promises or my performance in two years in the White House."

On the future: "We must make this next century the century of the individual. We should never forget that a Government big enough to give us everything we want is a Government big enough to take from us everything we have."

Diane Bim To Present Program

DIANE BIM

Diane Bim, home service advisor for Southwestern Public Service Company, will present a "Festive Foods" demonstration Tuesday, November 9, at the Friona State Bank.

The program will be open to all homemakers and interested persons with no admission charge and the demonstration starting at 7 p.m.

Mrs. Bim will discuss the conservation of energy and the homemaker's time through the proper use of the electric range, portable electric appliances, and the microwave oven.

Foods will be prepared from recipes found in the 1976 edition of the "Festive Foods" recipe booklet and each person attending will receive a copy of the booklet.

A "taster" of the foods prepared will follow each program.

Lazbuddie Voters OK Bond Issue

Voters in the Lazbuddie school district passed a \$575,000 bond issue for construction of new facilities in a bond election Tuesday of this week.

Voter turnout for the election was determined "very good." Three hundred persons cast votes in the election, with 193 votes cast in favor of the proposal, and 107 against it.

The bonds will provide funds for construction of a new physical education center and gymnasium, the addition of a band hall to the existing auditorium, a new industrial arts shop and classroom, a bus repair shelter, duplex housing for teachers and a concession stand and restroom facilities for the football and track field.

Superintendent Sam Barnes says the district will accept bids on the bonds Dec. 6 and said construction should start sometime in January.

It has been approximately 11 years since any major work has been done at the Lazbuddie school system. The approval of the bond issue is expected to increase school taxes in the district by 18.7 per cent.

Members Of Society Report On Convention

Tuesday evening in the Parish Hall, Angela Bermea, president of St. Teresa's Ladies Society, opened the meeting with a prayer. Sylvia Roth gave the Senior Citizens' report and reminded members to visit their Senior Citizens at Prairie Acres.

Angela Bermea and Evelyn Ball gave a report on the Diocesan Council of Catholic Women's Convention they attended two days last week in Plainview. At the convention, Evelyn was installed as treasurer of the Diocesan group. They reported members should write the F.C.C. expressing their feelings on Madilyn Murry O'Hara's latest exploit trying to get gospel programs off television and radio. They also reported how the candidates stand on the abortion issue.

C.C.D. coordinator, Sylvia Roth, reported teachers had asked for a Parent's Day to give parents a chance to visit with teachers and look over work being done in class. The first Sunday in December was set for this.

Evelyn Ball, dinner chairman, reported on the results of the sausage dinner. She and Angela Bermea, co-chairman, thanked all who helped make the dinner a success.

The members decided that the \$15 given by the Chamber of Commerce as a prize for their float should go into the building fund.

The members voted to sponsor a retreat for ladies of the parish. Father Ray Crozier from Amarillo has volunteered to present it.

The president appointed Pat

Brockman and Mary Lou Venhaus as church cleaners for November. Toni Castillo and Isidra Villalobos are to serve as hostesses.

Those present were Angela Bermea, Olivia Ortiz, Matilda Caballero, Hortencia Bermea, Helen Fangman, Matilda Baca, Mary Lou Venhaus, Sylvia Roth, Evelyn Ball and Susie Perez.

Hostesses for the meeting were Matilda Baca and Stella Shirley.

It's A Boy For Wayne Taylors

Mr. and Mrs. Wayne Lee Taylor of Layton, Utah, became the parents of a baby boy on Monday, October 4.

The baby was named Brian Lee. He was born at 12:28 a.m. in the L.D.S. Hospital in Salt Lake City, Utah. He weighed six pounds, six and one-half ounces and was nineteen and one-half inches long.

He is the second child for the couple. They have a daughter Brandy Kay, who is 2½ years old. Mrs. Taylor is the former Linda Huffstickler of Friona.

Maternal grandparents are Mr. and Mrs. J.W. Huffstickler of Friona. Paternal grandparents are Mr. and Mrs. Karl W. Taylor of Salt Lake City, Utah. Great-great-grandparents are Mr. and Mrs. Thornton A. Jones of Cedar City, Utah.

Jaime and I have lived and raised our family here in West Texas. We love this country but we're afraid our children won't have the kind of opportunity we have had if Congress continues to allow big government to grow unchecked. The bigger the government—the less freedom we leave to our children.

The future of America is bright—if we make it so... and the future of America is now.

Muleshoe Friona

Littlefield Farwell

Jayvees Top Portales

Friona JV got off to a bad start in their game at Portales last Thursday, but at least the ending was good. Friona won the game, 20-7.

On the first play of the game, Friona fumbled, and Portales grabbed the ball. It took just three plays for the home team to score, and kicked a PAT for a 7-0 lead.

Friona came back on their series of downs and went all the way for their first TD with Raul Bralliff going over from the one. The PAT try was no good.

Both teams settled down to defensive play until nearly the end of the half when Alan Monroe caught a pass on a 20 yard play for Friona's second TD. Eddie Bralliff ran for the PAT. The halftime score was Friona 14, Portales 7.

The second half was a repeat of the defensive play of the first half with Friona getting their final TD near the end of the game. This came on a pass play to Joe Bermea good for nine yards. The PAT try was no good. The final score was Friona 20, Portales 7.

A little added attraction to the game was that rules are a little different between Texas and New Mexico. This added more spice to the game.

BEET HARVEST...The harvest of sugar beets is underway in the area, as indicated by this photo taken at the local beet dump just west of Friona. No word has been received on how the beet crop is yielding.

Verda Cooper Buried In Jonesboro, La.

Verda Arville Cooper, 64, died Tuesday morning, October 26 in Parmer County Community Hospital.

Funeral services were held in Edmons Funeral Home Chapel, Thursday, October 28 in Jonesboro, Louisiana.

Burial was in Antioch Cemetery in Jackson Parish, Louisiana.

Mrs. Cooper was born September 21, 1912 in Quitman, Louisiana. She was married to W.D. Cooper on October 15, 1954 in Pueblo, Colorado. They had been residents of Friona since 1957. She had been a member of the Baptist Church for fifty years.

Survivors are her husband, W.D. Cooper of the home; two daughters, Mrs. J.B. Vails of Bossier City, Louisiana and Mrs. J.D. Gilbert of Quitman, Louisiana; one son,

Donald L. Cox of San Francisco, California; five sisters, Mrs. Lucille Porter of Quitman, La., Mrs. S.H. Daughtery of Omaha, Nebraska, Mrs. E.L. Cathey of Creston, La.,

Mrs. Adell Nazworth of Denver, Colo., and Mrs. M.L. Law of Orange, Texas. Ten grandchildren and five great-grandchildren also survive.

Turkey Dinner Scheduled

Mrs. Gene Brito, publicity chairman, has announced that St. Ann's Catholic Church in Bovina will have a turkey dinner in the Parish Hall, Sunday, November 7 from 11:30 a.m. to 2 p.m. Tickets will be \$2.50 for adults and \$1.50 for children under ten.

The menu will consist of turkey and dressing, cranberry sauce, mashed potatoes and gravy, home canned green beans, French bread, and a choice of pumpkin or chocolate cake with tea or coffee. Everyone is invited to come.

Hub Ladies Club Has Program

The Hub Ladies Club took a trip back into early Friona history recently when they met in the home of Clyde Goodwine.

Clyde told the ladies the fascinating story of early Friona, and then took them on a tour of his home. Sharing tour guide duties with Clyde were Orma Flippin and Grace Whitefield.

A short business meeting was held and refreshments were served by Babe Robinson, Bobbie Gilliam and Pat Fleming to the following club members: Dorothy Ingram, Dorothy Ellis, Billie Jo Hand, Gail Hand, Joyce Broyles, Mary Rose Brito, Mildred Walters, Betty Wiseman, Dolly Wenner, Lunie Fleming and Terri Sue Carthel.

On The Farm In Parmer County

Mack Heald County Agent

ANY TIME after crops mature in the fall is an ideal time to take soil samples.

Once plants reach maturity, they virtually stop taking up nutrients. Therefore, the soil's nutrient state will remain about the same until planting time next spring.

There are many advantages to soil testing at this time. For one thing, you can now readily identify problem acres in a field. If you think fertility caused reduced yield or unusual symptoms in some areas, sample these areas separately so that a comparative evaluation can be made.

Other reasons for soil testing this time of year include pleasant weather and more favorable soil conditions.

Although overall shortages of fertilizer are not anticipated, there can be a big advantage in having time to make plans with your dealer for the material needed.

The possibility of fall application of all or part of next year's fertilizer soon after harvest is another important consideration.

Information on how to collect representative samples can be obtained from my office.

It is important to provide

the soil chemist with information about your land use plans for next year so that fertilizer-use suggestions can be made on your soil test report. A choice can be indicated on the information sheet accompanying soil samples whether regular tests or regular tests plus the micronutrients iron, zinc and manganese are desired.

COTTON PROSPECTS LOWERED, MARKET STRONG--Prospects for the Texas cotton crop have been lowered by some 250,000 bales due to recent freezing temperatures and frost in the Texas High Plains. This would leave U.S. production at about 10 million bales and the Texas crop at 2.8 million bales. Market conditions remain strong as both foreign and domestic mills need cotton and will compete for it. World consumption should exceed world production by about 2 million bales this year.

AGRICULTURE EXEMPT FROM OSHA FOR A YEAR--As of Oct. 1, farms, ranches and other enterprises defined as "agricultural operations" who have 10 or fewer employees at any one time are exempt from all requirements under the Occupational Safety and Health Act (OSHA) for one year. The change resulted from amendments to the appropriations bill for the Departments of Labor and Health, Education and Welfare; all OSHA operating funds for fiscal 1977 are in that bill.

PORK TO BE PLENTIFUL--There will be plenty of pork available for the dinner table the remainder of the year. The pork supply has been boosted by increased farrowings, thus upping the number of hogs moving to market. Market barrows should bring \$32-\$37 per hundredweight for the remainder of the year provided other meat situations remain similar to last year. Some 16-18 per cent more hogs will be marketed during the last quarter of this year than a year ago.

"A" is the first letter of every alphabet except the old German, in which it is the fourth, and the Ethiopian, in which it is the 13th!

WINNERS...Two students brought home trophies from the Muleshoe Speech Tournament last weekend. Charles Fleming, left, won first

place in persuasive speaking. Phillip Hand placed second in informative speaking.

Rudolph Renners Mark Anniversary

Mr. and Mrs. Rudolph Renner Sr., 200 East Eighth, observed their 55th wedding anniversary with a family dinner in their home Sunday, October 24.

Rudolph Renner and Clara Baker were married in Shattuck, Okla-

homa, in 1921 and moved to Parmer County a few years later.

The couple's six children and their spouses were present. They are Mr. and Mrs. John Renner, Mr. and Mrs. Billy Baxter, Mr. and Mrs. Junior Renner and Mr. and Mrs. Doyce Barnett, all of Friona.

Also, Mr. and Mrs. Lee Renner of Willcox, Arizona, and Mr. and Mrs. Cotton Renner of Jal, New Mexico.

Grandchildren and great-grandchildren attending were Mr. and Mrs. Gary Renner and daughters, Jana and Krista, all of the Oklahoma Lane Community; Mr. and Mrs. Ted Renner and Annie, Mr. and Mrs. Conrad Renner, Brandon and Misty; Mr. and Mrs. Johnny Barker and Michelle and Robin Renner, all of Friona.

Also Mr. and Mrs. Duane Bender of Clovis; David Barnett, Plainview; Blayne Baxter, Okmulgee, Oklahoma; Darcy Renner, Jal, New Mexico; Jody Lee Renner, Willcox, Arizona; and Debbie Baxter, Amarillo.

Mr. and Mrs. Johnny Appel of Shattuck, Oklahoma, who were weekend guests in the Renner home, and Bunny Lupton, Lubbock, were special guests.

Afternoon callers were Mr. and Mrs. Frank Griffith, Mrs. Selma Habbinga, Mrs. Ruby Barnett and Mrs. Olive Rector.

Troop 325

Met Monday

Troop 325 met Monday, October 25. Refreshments were served by Kim Eustace.

Three girls were present and two leaders. One visitor, Cathy Chester, was present.

The girls made plans for upcoming events. They planned a party for their parents, an overnight and plan to do lots of crafts for gifts.

KENNA MOORE AND BOBBY ZETZSCHE...Mr. and Mrs. Kenneth Moore and Mr. and Mrs. Robert Zetzsche, all of Friona, announce the engagement and approaching mar-

riage of their children, Kenna and Bobby. The couple plans to exchange wedding vows on Friday, December 31 at the Sixth Street Church of Christ.

FHS Forensics Group Takes Second In Tournament

Members of Friona High School's Forensics organization went to Muleshoe for a Speech Tournament Saturday, October 23 and came home with second place. Amarillo High, which is a 4-A school, took the Sweepstakes trophy.

Other schools which participated in the tourney were Brownfield, Clovis, Tulia, Amarillo Caprock, Denver City, Monahans, Levelland, Hereford, Dumas, Canyon, Floydada and Big Spring.

Charles Fleming took first in persuasive speaking. Phillip Hand brought home a second in informative speaking and Sharla Benge went to the semi-finals in prose.

The debate teams have a 2-1 record. At Muleshoe the teams just missed the semi-finals by a few speaker points. Members of the debate team are Bryan Johnston and John Carson, Mark Edelman and Jay Jarboe.

"We had a good total team effort.

The new people in our group are coming along well," states Joy Morton, who is faculty sponsor of the speech and debate group.

Other students who were involved in this tournament were: Donice Glover-David Merrell, debate; Cris Beck, Sheri Noah, Shannon Taylor,

Sharla Duggins, Connie Merrell, prose; Holly White, Barbara Rhodes, Holli Hudson, poetry; Larry Gore, Shae Dodson, Tammy Schmidt, persuasive; Laura Ellis, Tracy Horton, Mark Bavousett and David Conway, informative speaking.

Gary White Member Of Lubbock Chorus

Gary White, son of Mr. and Mrs. Carl White, 1115 Walnut Street, Friona, is a member of the 70-voice Lubbock Christian College A Cappella Chorus for the 1976-77 school year.

Under the direction of Dr. B. Wayne Hinds, head of the college's Music Department, the group includes freshmen through seniors who are majoring in everything from agriculture to education.

The A Cappella Chorus was formed in 1957, the same year Lubbock Christian College was founded. The chorus performs many times each year, at special occasions on the college campus, before Lubbock-area church groups and during three tours the group takes annually.

Tours this year will include a January trip to California and an April trip to northeast Texas. The group has already returned from a September tour of Colorado.

Located on the high plains of west Texas, Lubbock Christian College is a fully accredited four-year institution offering degree programs in 23 fields. This fall the college boasts a record enrollment of 1,589.

White sings second tenor in the A Cappella Chorus. He is also a member of Koinonia social club and a 1975 graduate of Muleshoe High School.

First Child Born To Schuelers

Mr. and Mrs. Dale Schueler of Coleman are the parents of a baby boy born Wednesday, October 20 at 5:53 p.m. in Brownwood Community Hospital.

Named Monty Ray, he weighed seven pounds, one ounce and was twenty and one-half inches long.

He is the first child for the couple.

Grandparents are Mr. and Mrs. Delton Lewellen and Mr. and Mrs. Raymond Schueler, all of Friona. Great-grandparents are Mr. and Mrs. Harvey Shapley of Guymon, Oklahoma, Mrs. Robert Schueler and Mrs. Elva Lou Lewellen, both of Friona. Great-great-grandparents are Mr. and Mrs. E.D. Matlock of Friona.

Bovina Principal To Direct Spelling Bee

Herman Connor, principal of Bovina Junior High School, will be the Spelling Bee Director for Parmer County for 1977.

The 29th Regional Spelling Bee, co-sponsored by the Amarillo Globe-News and West Texas State University, Canyon, will be held in Amarillo on April 23, 1977.

Four states—Texas, Oklahoma, New Mexico and Oklahoma—will be represented and there will be 46 finalists.

The Bee is open to any student in a public or parochial school. The rules, established by the national sponsors (Scripps-Howard Newspapers, New York City) state that any student who has not reached his (or her) 16th birthday or gone beyond the eighth grade at the end of the current school term, will be eligible to enter any school contest and participate in county eliminations.

The top district winner, when he (or she) is named on April 23, 1977, will take part in the 50th National

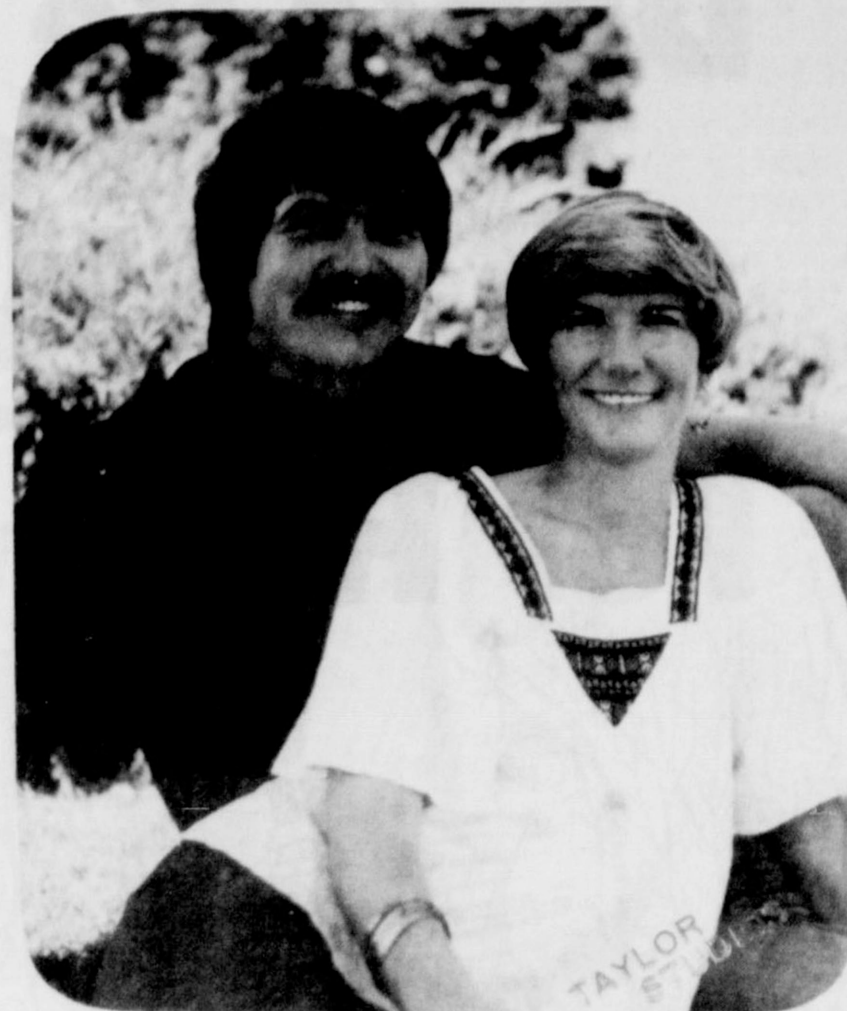

Spelling Bee in Washington, D.C. early in June. The champion will be representing the regional sponsors and the expenses will be courtesy of the Amarillo Globe-News.

The national sponsors, under the supervision of the director, Jim Wagner, annually prepare a study booklet used in most school and county eliminations. It is "Words of the Champions." The 1977 issue will contain more than 500 new words and is available from the Amarillo Globe-News for 30 cents per copy.

To obtain the booklet, please write to: Spelling Bee Editor, Amarillo Globe-News, Post Office Box 2091, Amarillo, Texas 79166.

The 1976 champions from Parmer County were: Senior Winner: Michael Bolling, a student in the Farwell Junior High School; and Doug Cole, Junior winner, a student in the Farwell Grade School.

The AGN-WTSU offers a unique opportunity to the elementary students by promoting a Junior Bee. Boys and girls in the sixth and lower grades may compete in a "Junior Division" contest. Each county may select a champion in this division. The elementary winners will not take part in the regional bee unless they, by chance, have won both divisions in their respective counties.

PAMELA DARLENE BURNS and LARRY ROY MEADOWS...Mr. and Mrs. T.L. Pete Burns of Andrews, Texas and Mr. and Mrs. Roy Meadows of Briscoe, Texas, announce the engagement and approaching marriage of their children, Pamela Darlene and Larry Roy. The couple will exchange wedding vows in the First Baptist Church of Amarillo, at 6:30 p.m. on January 15, 1977. The bride-elect is a 1971 graduate of Andrews High

School and attended West Texas State University, Canyon. She is a former employee of Leon L. Hoyt & Co., CPA Firm in Amarillo. The prospective bridegroom is a 1966 graduate of Briscoe High School and a 1970 graduate of Texas Tech University, Lubbock. He is a meat grader at Missouri Beef Packers in Friona. The couple will make their home at 605 Greene in Friona following the ceremony.

IF DID IT...Buford Hartwick was the first place winner in the Friona Star football contest. He shows his

winning check to fellow postal worker Martha Clements.

Buford Hartwick Named Grid Contest Winner

Hartwick claimed the weekly first prize of \$10.00 for his good job of picking upsets. The reason he was lucky to be the only one at 18 was that he missed the Friona-Littlefield tiebreaker score by a total of 38 points.

If Hartwick had been one score

less, it would have dropped him all the way to third for the week, because Ruth Smith, who picked 17 games, was 24 points off the game score, and Myrna Phipps Baize, who also picked 17, was 28 points off.

Mrs. Smith claimed second place money of \$6.00 in the weekly contest,

and Myrna took third prize of \$4.00.

Fourteen contestants had scores of 16 for the week, barely missing out on a shot at the cash prizes. These included Barbara Armstrong, Mal Manchee, Leslie Broadhurst, Dale Milner, Kay Nuttall, Raymond Milner, Kyle Barnett, Jim Johnston, Patrick Pace, Jerry L. Shelton, Jimmy Walker, Mike Field, Dale Cleveland and Larry White.

Hartwick's four misses were Morton over Olton, Springlake over Bovina, Missouri over Nebraska and Arkansas over Houston.

Asked about his system in getting a good score, he said "I just looked at how Jean (his wife) picked hers, and went the opposite." Hartwick, a regular in the contest, said he last won first place about this time in 1962, which gives an idea of how competitive the event actually is.

In the race for grand prize, Clay Bandy and Bobby Wied each scored 14 for the week, and hung onto a two-point lead over the rest of the field. Wied and Bandy each have scores of 124.

Tied for second behind the leaders are Don Fortenberry of Lubbock and Dale Milner. Another point back are Edward Castillo, Bobby Drake and Myrna Gatlin.

The contest is about two-thirds completed in the race for grand prize, which has a \$100 cash value to the winner. In addition, contestants shoot for \$20.00 in weekly prizes.

Twins Born To Knowings

Mr. and Mrs. Douglas Knowing of Liberal, Kansas, are the parents of twin boys born August 7, in Liberal. Douglas Ralee weighed three pounds, twelve ounces, and was seventeen inches long at birth.

Edward Radean weighed four pounds, eight ounces and was seventeen and one-half inches long. Ernest Mingus of Friona is the grandfather.

Mr. and Mrs. E.T. Dement of Canyon are great-grandparents. Mrs. Knowing is the former Tammy Mingus of Friona.

Hospital Aux.

Meets Tuesday

The Hospital Auxiliary will meet Tuesday, November 2, in the Sun Room of Parmer County Community Hospital at 2 p.m.

All members or interested persons are urged to attend.

Black Study Club

Met In Carthel Home

The Black Study Club met in the home of Ann Carthel, Thursday, October 21. The opening exercise was led by Helen Fangman. Roll call was answered with "Collector Items."

Ruby Stone was in charge of the business meeting. Ann Carthel reported that the club was invited to see a film about Girlstown to be shown October 28, at 2:30 p.m. in the Federated Club House in Friona.

Officers were elected. They are: Ruby Stone, president; Diane Tatum, vice president; Martha Hamilton, secretary-treasurer; Ann

Kelley, parliamentarian; Lucille Rockey and Genevieve Ivie, reporters.

Ann Carthel showed the club her collection of about 200 miniature pianos and told about the collection.

Refreshments were served to two guests, Mrs. Ralph Guthrie and Mrs. Irene Pope, and members, Ruby Stone, Mildred Barnett, Lois Weatherly, Reba Allmon, Ann Kelley, Veva White, and Helen Fangman.

The next meeting will be November 4 in the home of Helen Fangman.

Guest Presents Program

At Joint Club Meeting

Mrs. Jack Akin of Denver City was guest speaker at a joint meeting of the Federated Clubs of Friona at the Clubhouse on Tuesday, October 19.

The Modern Study Club was host to the Woman's Club and the Progressive Study Club. The devotional was given by Luella Maurer. Janet Lloyd sang "Time To Pray" and "I'm A Flag Waving American."

Mrs. Maxine Loafman introduced Mrs. Akin who gave an illustrated talk on the history of federation. The meeting closed with the club collect. Twenty-five members were present and one guest, Mrs. Peggy Bickley of Denver City.

Mrs. Dave Thompson was hostess at a dinner in her home prior to the meeting. Attending were Mrs. Ilene Osborn, Mrs. Maxine Loafman, Mrs.

Winifred Hurst, Mrs. Luella Maurer, Mrs. Jack Akin and Mrs. Peggy Bickley.

John Allen's Have Visitors

Mr. and Mrs. Louis Parsons, and daughter Holly, nine years old, of Illinois, will be in Friona next week to visit his parents Mr. and Mrs. John Allen, Jr. The Parsons are being transferred to the Navy base in Little Creek, Virginia and will be visiting here while in the process of moving.

Louis attended Friona High School before entering the Navy and has served in the Navy for six years.

Thespians' "Oklahoma!" Biggest Musical For FHS

CUTE COUPLES... "Gertie Cummings," played by Laura Ellis, takes a shine to that city slicker, "Ali Hakim," played by Jay Jarboe, while "Ado Annie," the girl who just "Can't say no," played by Sharla

Benge, poses pertly on the knee of her best beau, "Will Parker," played by Cris Beck. Laura also doubles as "Laurey" in the dream-dance sequence of the play.

HE'S TOUGH... Bad guy "Jud Fry," played by Phillip Hand, gets a bit of admiration from a couple of the cast's dancing girls, Barbara Rhodes and Karen Edelman.

Charles Fleming as "Ike" and John Carson as "Slim" spark the lineup of dancing and singing cowboys in the play. Charles also doubles as "Jud" in the dream-dance sequence.

The largest, most ambitious, musical production ever put on at Friona High School is now in the final stages of rehearsal. The FHS Thespians will ring up the curtain on "Oklahoma!" at the High School Auditorium next Monday and Tuesday evenings at 7:30 p.m. November 8 and 9. Admission will be \$1.50 for adults and \$1.00 for children ages 12 and under.

This popular Rodgers and Hammerstein musical play is involving a large cast and stage crew of over 60 people.

There are fourteen musical and dance numbers in the show. Some of these numbers which are well known to the public are "O, What A Beautiful Morning," "Surrey With The Fringe On Top," "I'm Just A Girl Who Can't Say No," "Kansas City," "Many A New Day," "People Will Say We're In Love," "Pore Jud," "Out Of My Dreams," "The Farmer And The Cowman Should Be Friends," "All 'Er Nuthin'," and the ever-popular title song, "Oklahoma!"

The cast consists of: Aunt Eller-Gigi Spring; Curly-Bryan Johnston; Laurey-Tracy Horton; Ike Skidmore-Charles Fleming; Fred-Ricky Taylor; Slim-John Carson; Will Parker-Cris Beck; Jud Fry-Phillip Hand; Ado Annie-Carnes-Sharla Benge; Ali Hakim-Jay Jarboe.

Gertie Cummings-Laura Ellis; Ellen-Sharla Duggins; Kate-Diane Westbrook; Sylvie-Barbara Rhodes; Armina-Shannon Taylor; Aggie-Holly White; Mary Lou-Sheri Noah; Andrew Carnes-Mark Edelman; Cord Elam-Larry Gore.

Jess-David Merrell; Chalmers-Manuel Rodriguez; Mike-David Conway; Joe-Mark Bavousett; Sam-Stanley Fithen; Pete-Lawrence Fithen; Carl-Paul Wilshire; Amy-Jerri Walters; Betty-Karen Edelman; Cathy-Treva Bridgeman.

Also, Pigtales-Doris Hough; Dot-tie-Diane Glover; Hattie-Connie Merrell; Louise-Sonya Gore; Martha-Patti Cole; Peggy-Janice Coffey and Rachel-Regina Walters.

The faculty advisor and sponsor for the Thespians, Miss Joy Morton, says a special "thanks" should go to the production staff.

"Without the gracious help of these behind-the-scenes people, we could not put on a big musical production such as this," Miss Morton stated.

Members of the production staff for "Oklahoma!" are as follows:

Music Director: Deke Kendrick; helping Ann Graves and Johnny Walters; Choreographer: Betsy Cook; Directors: Deke Kendrick and Joy Morton; Stage Manager: Charles Fleming; Sets: Charles Fleming, Philip Hand, Cris Beck, Paul Wilshire, Mark Bavousett, Ricky Taylor, David Merrell, Randy Boeckman, and Mark Edelman; Scenery: Linda cord and Ann Graves; Lights: Donice Glover, Holli Hudson, Shae Dodson and Tammy Schmidt.

Make-up: Martha Mendoza, Annette Garcia, and Peggy Morrison; Publicity: Sheri Noah, Mark Edelman, John Carson, Donice Glover, Shae Dodson, Tammy Schmidt, Justin McNeeley and Barbara Rhodes; Props: Peggy Hamil; Tickets: Jan Mason and Cindy Chesher. Ushers are Johnna Thorn, Janice Peak, Linda Anthony, Rhonda Parsons, M'Lynda London and Donnie Gustin.

An evening of fine entertainment is promised for all who attend the play. Advance tickets are available from all members of the Thespians and tickets will also be on sale at the door on both nights of the production.

Letter To The Editor

Dear Editor:

The Friona Little League met Monday night and discussed with representatives from Hereford a proposed new baseball program for Friona. It is called Boys Baseball.

Due to other conflicts, there weren't too many people at the meeting, but a lot of things were discussed. We will be having another meeting on Monday, November 29, to talk further about this.

We need your support and backing as mothers and dads, as citizens of Friona, to help with this summer baseball program.

We are talking about having baseball for boys and a softball program for the girls. I believe this is the cheapest way to help keep our youth off the streets, looking for something to do, while teaching them a sport, sportsmanship and making new friends.

Sincerely,
Carl White

Chiefs Tame 'Cats; Take District Lead

The Friona Chieftains continued their new-found winning ways in District 3-AA last Friday as they rolled over the Littlefield Wildcats 26-6.

The Chieftains captured their second big district win in two tries and marched into first place by one-half game over the Dimmitt Bobcats.

The team held the potent Wildcats' attack to only six points (they were averaging 23), and 126 total yards, well below their average, in a super defensive effort.

"We feel extremely happy with the victory because this is probably the closest we've come to getting everything together and playing nearly flawless football this year," said Chieftain head coach Lonnie Phillips. "We need some more defense and a little more running game, but all-in-all, our defense played the best game they've played all season."

The Chieftains looked like a completely different team as they moved into the number two spot in total offense in District 3-AA with 43 points, a 21.5 points per game average.

The defense took over the number one spot with only 18 points scored against them in two district confrontations.

Coach Phillips could not say enough about his defense in a recent Friona Star interview. "I was very pleased with the defense," he commented. "They held Littlefield to six points, and they (Littlefield) have been scoring over 20 points a game this year."

"Our interior linemen and defensive ends put good pressure on the quarterback, and when he did get a chance to pass our secondary did an excellent job of covering receivers, especially Ralph Mendes, who is as fine a receiver as there is in this part of the country," he added.

His praise was also high for the Chieftain offense. "We felt the offense's effort was extremely good also, because we controlled the tempo of the game with time-consuming drives."

Glen London rushed for 82 yards and two touchdowns to help pace the Chieftains in their winning effort.

Friona was also honored by having the Amarillo Globe-News "player of the week" for the second week in a row after the Littlefield game. After the Morton game, it was center Perry Church and this week it was Friona quarterback Keith Martin who turned in his best night of the season with 94 yards on 13 carries to lead the team with a 7.2 yards per carry average.

The Chieftains' first touchdown came with 24 seconds left in the first quarter. Quarterback Martin handed off to Glen London with second and goal from the one yard line. London slipped in for the TD and a 6-0 lead. Edward Castillo kicked the point after, but it was called back on an illegal motion penalty against Friona. Castillo kicked again and this time it was good with Friona ahead 7-0.

On their next possession, the Chiefs took over the ball on the Wildcat 30 after a fumble recovery by Terry Wilcox. It only took seven plays for a score on a Martin pass to Ernest Mills from five yards out.

The PAT was partially tipped and was no good, leaving the score 13-0, Friona.

Not to be outdone, the Wildcats rushed in to score on their next possession via a 26 yard pass play. The PAT failed and the score stood 13-6 with 5:48 left in the first half.

The Chieftains could not be stopped once they were rolling and they drove to the Littlefield two yard line where London scored his second touchdown of the night on a two yard burst. The kick was low and the Friona Chieftains took a 19-6 lead with them into the locker room at the half.

The third quarter was a supreme defensive struggle between both teams as neither was able to sustain a scoring drive. In fact, neither offense scored again the rest of the night.

Midway through the final quarter, punter Edward Castillo came up with the play that clinched the game for the Chieftains and sealed Littlefield's doom.

Facing a punting situation, Friona sent Castillo deep. However, the snap almost sailed over the punter's head. Edward was able to barely tip

the ball and haul it down. Then he found himself being rushed by a pair of Wildcat linemen.

Castillo started to run. He headed right, several yards behind the line of scrimmage, then suddenly kicked the ball while on the dead run. Miraculously, the kick was a good one. It bounced and rolled to the Littlefield nine-yard line.

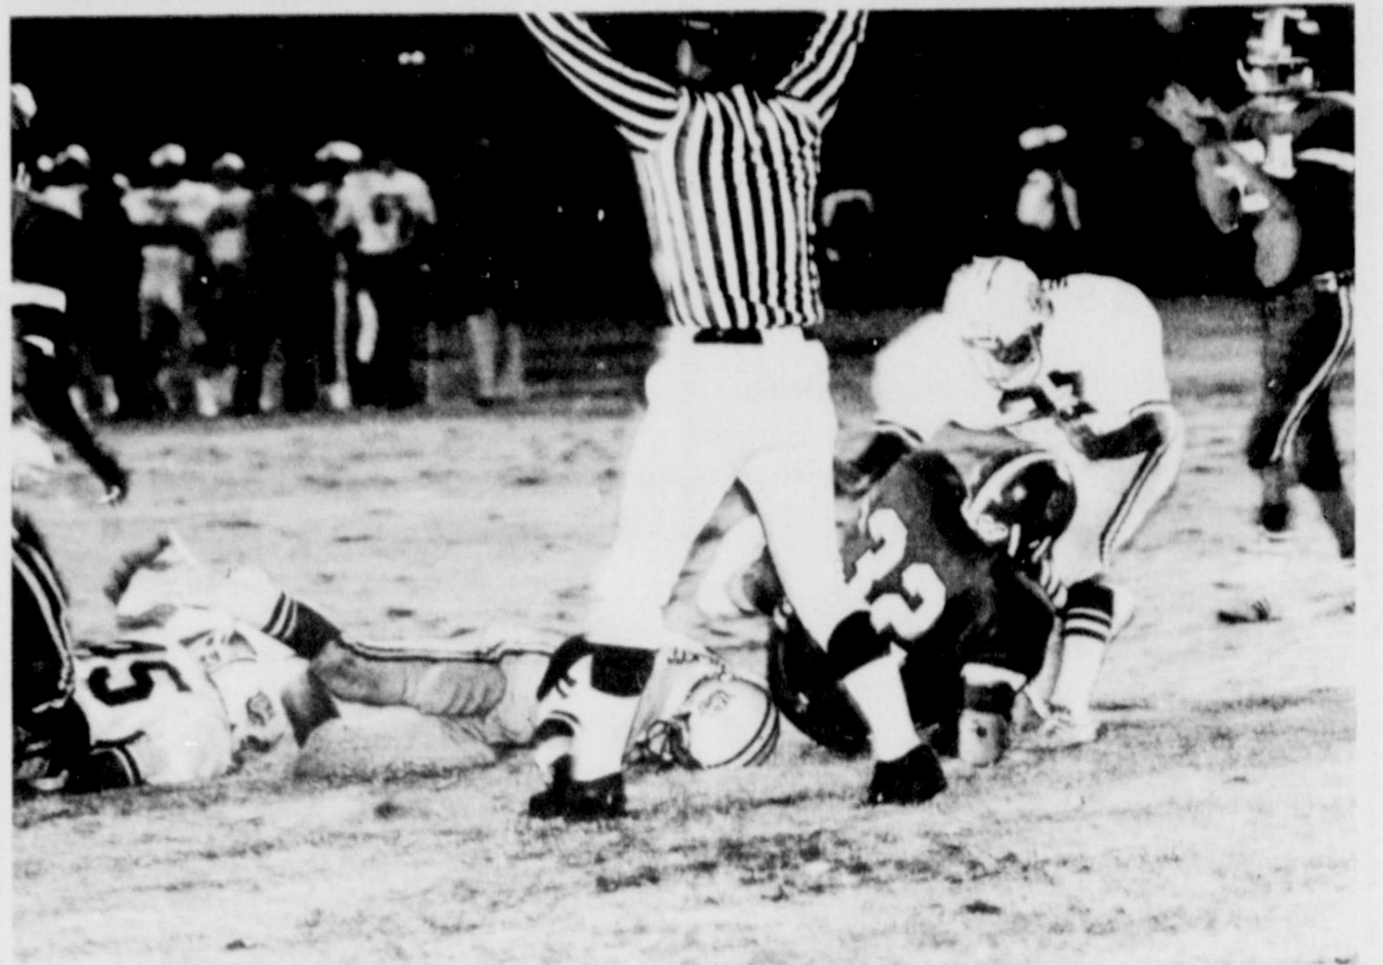

Thus, instead of setting the potent Wildcats up in good field position and perhaps giving them momentum, the quick thinking of Castillo and his kick under tremendous pressure had placed Littlefield back in a hole from which they did not recover.

Just two plays later, Littlefield tried to pass. Terry Wilcox was not the intended receiver, but he played the ball perfectly. Wilcox snagged the ball at about the Littlefield 20, and had clear sailing to the Wildcat goal, for a defensive touchdown that broke the visitors' back. Castillo's kick made it 26-6, as the excited Friona fans went wild.

The Chieftains' third district game will be played Friday at Muleshoe. It will be homecoming for the Mules, who are winless in district play.

TOUCHDOWN...Friona fullback (32) Glen London is shown scoring the first touchdown of last week's game against Littlefield, as the

official goes up with his hands. Cliff McClellan (84) is shown in the right background applauding his approval. (Photo by Rick Luther)

Eighth Graders Top Littlefield By 8-6

The Friona eighth graders played the Littlefield eighth grade on the home field here in Friona last Tuesday afternoon.

The game started off with a bang, as on the first play from scrimmage Friona intercepted a Littlefield pass. Two plays later Chitto Caballero ran off tackle for 35 yards for Friona's first TD. Rondee Clark ran for the PAT and Friona led 8-0.

On the kickoff after the touchdown, Littlefield took the ball on their own 25 yard line and ran it all the way back for a TD. Friona held on the PAT attempt to keep the lead, 8-6.

The rest of the half both teams could not keep sustained drives going. The second half also started with a

bang. Friona's Martin Mercado took the ball in the end zone where it had rolled after about 20 yards, and ran it all the way to the Littlefield 1/2 yard line.

It took two downs for Mercado to take the ball over. On the try for PAT, Littlefield held, with Friona also getting a flag for off-sides. Littlefield took the play making the score 14-6.

In the fourth quarter Friona got its only other sustained drive going.

This was the second game in five days for the eighth graders and it was not their best played game. These boys may feel just a little like we hear the pros do about the Monday night games and then come back for a Sunday game.

DISTRICT STANDINGS

(Through Games of Oct. 22)

KING GAINS...Kelwin King, who was the leading rusher for the Chieftains against Littlefield al-

though he didn't score a touchdown, is shown making a good gain as his teammates opened up a nice hole.

The Chieftains had three backfield men who gained 101, 94 and 82 yards against the Wildcats.

Chiefs Vs Mules In Vital Clash

Friona's third district game will be against the Muleshoe Mules. It will be their homecoming and they may have something to kick about. The Mules are a strong team in spite of their 1-6 season record and 0-2 in district.

"Muleshoe is a very tough team even though they have lost all but one of their games," said Chieftain head coach Lonnie Phillips. "We will not take them lightly. They've played some very tough opponents and played them closely. They also have a very big advantage in the fact that it will be their homecoming," he added.

So far the Chieftains have really made believers out of Morton and Littlefield as they make district look easy compared to pre-district games. The Chieftains now hold down first place with their 0-2 record.

The Muleshoe game could possibly be the first game this year in which the Chieftains have been favored to win. Leading the district in total defense and holding down second place in total offense, looks as though Friona's motto "We believe" is starting to pan out.

The Muleshoe game is very important as a halfway point for the Chiefs. If they can win against Muleshoe, and Olton the following week, they can claim the district title by tying Dimmitt. If they lose to Muleshoe, they must beat Olton and Dimmitt. If they lose to Olton, they must beat Dimmitt to take the title...That's a lot of "ifs."

The Mules are strong and have good size. Top-O-Texas high school football magazine picked them to capture second in District 3-AA at the beginning of the season.

They have fifteen returning lettermen to a team that has dropped from AAA to AA just this season. Among returners were six offense starters and four defensive starters.

Three of the defensive veterans are backfield specialists—fullbacks Tony Vela and Julian Dominguez and tailback Dean Northcutt. Vela

doubles as a linebacker.

The Mules were mauled by the Dimmitt Bobcats last week 45-14. The Mules turned the ball over three times in both the first and second halves. Their two touchdowns came on Dean Northcutt's runs. Northcutt had 138 yards on 24 carries for an average of 5.75, very strong against a tough Dimmitt defense.

Coach Phillips is not underestimating the Muleshoe Mules. "They're very tough. We'll have to play better football than we did a week ago to bet them," he commented.

Another factor which weighs in Muleshoe's favor is the fact that they always seem to come up with their top effort against Friona.

In 1965, for example, the Mules were floundering in a winless season, and had lost 14 consecutive games going into their battle with Friona, which incidentally was a homecoming affair for the Mules. Muleshoe won the game 21-0 to salvage an otherwise dismal year.

Historically, Muleshoe holds the edge in games that date all the way back to 1926. Muleshoe has won 16 games to eight for Friona and there has been one tie.

So it behooves the Chieftains to be on their toes Friday. It's getting close to the bewitching season. And beware if a black Mule crosses your path.

Frosh Suffer 20-0 Setback

The Freshmen Chieftains traveled to Littlefield and dropped a 20-0 decision last Thursday, October 21. The team suffered six fumbles which kept the offense from moving the football.

It was hoped that Friona could come back in the second half as Littlefield only held a 12-0 lead.

The Freshmen stand 4-3 for the season after their loss.

ROBERT ALEXANDER

MICHAEL LEAL

Friona Duo In Marathon

Two Friona youths, Michael Leal and Robert Alexander, participated in the Clovis Marathon on October 16, and fared real well for themselves.

Leal, who is an eighth grade student at Friona and the son of Mr. and Mrs. Seferino Leal, Jr., placed tenth in the half marathon in the time of 1:43.3. He also had the honors of being the youngest entrant in the event.

The half marathon amounts to 13 miles.

Alexander, the son of Dr. and Mrs. Robert Alexander, also finished, and along with young Leal received a gold medal for finishing the event.

Martin Picked For Player Honors

Again this week the Friona Star is proud to add its congratulations to the Friona Chieftains on another player getting the Globe-News player of the week award.

This week's honor goes to Keith Martin.

We quote the Globe-News, "Friona upset its second District 3-AA foe in as many weeks last Friday night and quarterback-safety Keith Martin earned the Globe-News area Class AA player of the week honors to keep the Chieftains in the limelight for the second week in a row."

"Martin, whose teammate center Perry Church claimed this award last week, carried the pigskin 11 times for 84 yards (a 7.6 average), completed two of the three passes for 56 yards and one touchdown and had 10 tackles as Friona stunned Littlefield, 26-6."

"Keith just had a super ball game for us both offensively and defensively," coach Lonnie Phillips said of his senior standout.

"Our defensive ends (Eddie Bermea and Ram Randolph) kept us in the ball game," Phillips said. "Phillips also praised backs Glen London and Kelwin King."

STAR PLAYERS...For the second straight week, a member of the Friona Chieftain team has been honored as the class AA Player of the Week by the Amarillo

Globe-News. Keith Martin, left, was honored for his play against Littlefield, after Perry Church was chosen for his role in the 17-12 win over Morton.

Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future.

During the past two years, the middle class has paid far too dear a price for a President lacking that ability.

Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans.

Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth 57¢.

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history.

Real GNP has actually declined during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American.

Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."

Economy: "We'll never have a balanced budget nor an end to the unemployment problem as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."

Efficiency in Government: "We now have in the

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."

Housing: "No government neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer

cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."

Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people."

strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.

FRIONA, TEXAS

TWO ON BALLOT

Amendments Termed Vital To Cities

Unless voters approve the water development funding amendment at the November 2 general election, "scores of Texas cities could find themselves forced to the brink of financial insolvency trying to comply with new federal standards on drinking water," according to Texas Municipal League President Lila Cockrell.

Cockrell, who as mayor of San Antonio heads TML, said the federal government "revolutionized" the municipal water industry by approving the U.S. safe drinking water law, which will become applicable to Texas next year.

"Passage of the national act means that we will be in desperate need of the additional loan funds provided under proposition 1 on the November 2 ballot." She noted that

the proposition authorizes the Texas Water Development Board to issue \$400 million in bonds to finance the construction of water supply facilities by cities and other local governments. "Without this long-term assistance, it will be impossible for local taxpayers in many places to immediately raise the millions of dollars necessary to provide sufficient safe drinking water for households—much less industrial and recreational uses," she continued.

Responding to charges made by opponents of proposition 1 who claim the Water Board's current \$170 million loan balance is sufficient to finance Texas' future water supply requirements, Cockrell asserted that emerging facts "don't square" with this allegation. "If present

conditions were to remain unchanged," she said, "opponents of the \$400 million proposition could very well be accurate," when they say that the foreseeable needs of the state can be financed through existing Water Board resources.

Amendment Okay Is Urged Here

Editorial—

Residents are urged to vote in favor of the two constitutional amendments being offered in conjunction with the general election ballots.

Very little publicity has been given to the amendments, which are seeking to increase the amount of money available to the Texas Water Development Board, one of the organizations which is working to solve water problems in our state and area.

The proposed bond increase, if approved by Texas voters, would still require a two-thirds vote by members of the state legislature.

In our immediate area, water is getting to be more precious with each passing year.

Also facing Texas cities is the compliance with the U.S. safe drinking water law, passed by Congress in 1974. This law will cause more than 500 Texas cities to make improvements to their water treatment facilities to bring them up to standards imposed by the Environmental Protection Agency.

The bond increase would make the money available to cities needing to borrow money for such improvements. Without the available money, some cities could find their water systems in jeopardy.

Those interested in positive action can help their cause by voting favorably on the two amendments next Tuesday.

"But," she said, "the hard truth is that conditions in the water arena definitely will not remain the same—and, in fact, they will be revolutionized next year when Texas becomes subject to the multibillion dollar requirements of the national safe drinking water law passed by Congress in 1974."

According to Cockrell, water bond opponents likely ignored the significance of the U.S. safe water act in their haste to kill proposition 1. Cockrell said the new act, which is designed to upgrade the quality of water consumed by all Americans, will require more than 500 Texas cities to make extensive capital improvements in their water treatment facilities to bring them up to standards imposed by the U.S. Environmental Protection Agency. "Nationwide," she said, "the safe water act will require capital investments of up to \$2 billion—and, while specific statistics are not available for Texas, it is clear that the financial demands city governments must shoulder to conform to the new requirements will be staggering."

She said it is conceivable that numerous local governments will simply be unable to conform to national water purity standards if additional water loan funds are not approved on November 2.

"Up to this point," Cockrell said, "Texans have every reason to be pleased with the performance of local and state officials responsible for assuring the proper provision of water to all citizens." But, she added, "the national safe water act has added an enormous new dimension to our water supply problems, and the people of this state cannot reasonably expect the challenge to be effectively dealt with unless proposition 1 on the November 2 ballot is approved."

Mayor Cockrell also urged voters to approve proposition 2 on the same ballot. She noted that this proposal would authorize the Texas Water Development Board to issue \$100 million in water quality enhancement bonds to assist city governments with the construction of local sewage collection and treatment facilities.

"People generally are surprised to learn that discharges from municipal sewer systems are more detrimental to the quality of water in our rivers and streams than discharges from other sources," Cockrell said. "Texas' industrial complexes certainly have contributed their share," she added, "but on a statewide basis, it is our cities which must come to town if the state's water resources are to continue to be improved. And in this case, tax

means dollars."

Cockrell pointed out that the water quality enhancement program that will be continued under proposition 2 is a revolving fund from which cities may borrow, on a pay-back basis, money to improve or rebuild local sewerage facilities when financing is not available from other sources. No new taxes are involved, she said, since the fund is self-liquidating.

Originally established as a \$100 million bond program, an additional \$100 million is currently needed to keep the fund solvent, since resources have dwindled to \$25 million. To keep these dollars in perspective, Cockrell noted, it is important to remember that the cost of sewerage facilities for even a small town can exceed \$4 million.

"Since 1971, when the state's water enhancement financing program was first begun," she said, "\$75 million in these funds have provided more than 100 clean water loans to city governments across Texas. The past success of this optimistic program speaks for itself, and we now have an opportunity to continue the good work made possible by the Water Enhancement Fund. I urge all voting Texans to exercise their choice on behalf of better water quality, and to vote 'yes' on proposition 2 on November 2."

DPS Reports 13 Accidents

The Texas Highway Patrol investigated 13 accidents on rural highways in Parmer County during the month of September, 1976 according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and four persons injured.

The rural traffic accident summary for this county during the first nine months of 1976 shows a total of 93 accidents resulting in two persons killed and 49 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September 1976, shows a total of 567 accidents resulting in 15 persons killed and 306 injured, as compared to September 1975, with 551 accidents resulting in 29 persons killed and 314 persons injured. This was 16 more accidents, 14 less killed, and eight less injured in 1976 at the same period of time. The 15 traffic deaths for the month

of September, 1976, occurred in the following counties: three each in Potter; two each in Wise; one each in Donley, Deaf Smith, Lubbock, Dallam, Gray, Moore, Wilbarger, Knox, Parker, Wichita.

Bookmobile Schedule

The High Plains Bookmobile will be in your area on the following dates: Thursday, November 4—Oklahoma Lane, 9-10 a.m.; Rhea Community, 10:45-11:45 a.m.; Friona, 1-1:15 p.m.; and Hub, 1:30-2:30 p.m.

Friday, November 5—White's Elevator, 10-11 a.m.; Lazbuddie, 12 noon-1 p.m.; and Clay's Corner, 1:15-2:15 p.m.

Saturday, November 6—Farwell, 8:55-11:50 a.m.; and Friona, 1-3:45 p.m.

Texas farmers and ranchers have had too few friends in Washington in recent years. Now, it's time to support a friend who's fought for us, Senator Lloyd Bentsen.

Beef Price Ceiling. Bentsen opposed Nixon's beef price ceiling, successfully fought for exemption for Texas cattle buyers and voted against controls.

Grains and Oilseeds. Bentsen vocally opposed the Administration's export embargos and introduced legislation to create a process to avoid the controls in the future.

Beef and Dairy Imports. Bentsen has repeatedly called for restrictions on the increasing imports of beef and dairy products and has introduced legislation to reduce imports.

Cotton. Bentsen has supported higher loan and target prices, strongly opposed cotton export controls and stood up against the payment limitations.

Agricultural Research. Bentsen launched a two-year effort to reverse the decline in Ag research funding and is credited with an \$11 million increase.

Federal Land Use Planning. Bentsen is fighting against the bill his Republican opponent has authored — the Steelman-Udall Land Use Planning Act.

Federal Permits. Bentsen fought to protect farmers and ranchers from bureaucratic red tape in making ponds and landfills.

Personal Experience. Bentsen understands the problems of the farmer and rancher; he has personally engaged in row crop, cattle and citrus production.

Let's keep our Democrat in the U.S. Senate. Vote for the winning combination . . . Texas and Lloyd Bentsen.

Jim Reese Believes

1 too many freeloaders have muscled in on welfare.

We must decentralize welfare programs — get control of welfare out of Washington so that Congressmen can't buy their own re-election by giving away our tax money to those who won't work. We should help the needy, not the greedy!

2 national defense is our most important domestic program. In many areas now the Russians are ahead. If present trends continue, the United States will be subject to the threat of "nuclear blackmail." To be second in national defense is to be last!

3 all of us are drowning in a sea of government regulations and red tape. It's tough for a small businessman to survive the costs imposed by OSHA and all the other government agencies. We should repeal OSHA, eliminate the FEA, and place end-dates on all bureaus and agencies with the "sunset" provision.

4 the cornerstone of our "farm policy" should be to guarantee free access to world markets. Protection against natural disasters should be available, but agriculture should be allowed to operate without government interference. Washington bureaucrats couldn't run a fruit stand in West Texas if the highway patrol flagged down the traffic and gave them the watermelons.

5 the liberal Congress has done for the energy problem what Evel Knievel did for the space program. If we had strong free enterprise leadership in the House of Representatives, we could be solving the supply situation instead of distributing the shortage.

6 too many of our present laws seem to protect the criminals instead of the victims. I oppose the liberal suggestions of gun registration or confiscation. A better solution is to provide for mandatory prison sentences for anyone convicted of committing a crime while having a gun in his possession.

7 forced busing to achieve racial balance in schools is both a fraud and a failure. Parents and children of all races resent the dehumanizing influence of loading up the yellow buses in an attempt to pursue a social experiment which doesn't work. Congress should limit the power of the courts to impose forced busing. No judge or court should be telling us how to raise our children.

8 we must protect the future of those who have invested in social security and who now rely upon it for their livelihood. We should remove the earnings limitation so that an individual can continue to earn and be productive without fear of having his payments cut. Congress has treated the social security system like a political football for too long.

9 we should limit the terms of those serving in Washington — ten years for a Congressman, two 6-year terms for a Senator, and one 6-year term for the President. Then, perhaps those elected to these offices would think more about how their actions will affect the next generation rather than their own next election.

10 inflation slowly is crushing us all. The primary cause of inflation is deficit spending by the reckless Congress . . . but asking a professional politician serving in the Congress to balance the budget is like asking Typhoid Mary to stop the epidemic. Congress will not change — we must change the Congress!

JIMMY CARTER & WALTER MONDALE

LEADERS FOR A CHANGE. VOTE DEMOCRATIC NOVEMBER 2ND

Political Advertising Paid For By Parmer County Texans In Agriculture For Carter Committee, Gale Warren, Chairman. Unauthorized By The 1976 Democratic Presidential Campaign Committee, Inc.

Table with columns: NEW HIGHS, etc. for various stocks.

JIMMY CARTER AND A DEMOCRATIC ADMINISTRATION ARE PLEDGED TO BRING ABOUT THE CHANGES WE NEED

- **THE ECONOMY:** To get the economy moving again by providing a job for every American who wants to work and by bringing inflation under control.
- **ENERGY:** To establish a coherent energy policy, and to increase emphasis on coal production and increased research on renewable sources of energy such as solar, wind and geothermal. To lead in directing a voluntary conservation program.
- **WELFARE REFORM:** To establish a streamlined, simplified welfare system with strong work incentives that promote family stability. To take those able to work out of the system and provide them job training and a job. To give those who cannot work because of age or disability nationwide, fairly uniform benefits varying only according to the cost of living from area to area.
- **ENVIRONMENT:** To maintain strong environmental protection laws. To protect against relaxation of our current standards for air quality, water quality or other emissions. To preserve the natural heritage of America, and to turn over to future generations a country that is environmentally sound.
- **EDUCATION:** To increase the federal share of the total cost of education. To assure that the average American family can afford to send their children to college.
- **AGRICULTURE:** To develop an agriculture policy which insures farmers a predictable and fair return for their labor, and aggressively develop our farm products, and aggressively develop our export markets abroad.
- **TAX REFORM:** To move toward a truly progressive and simplified tax system, with reduced tax rates for the average American.
- **THE ELDERLY:** To recognize that the elderly constitute one of our most precious resources. To insure adequate income upon retirement; to increase housing for the elderly. To relax mandatory retirement laws. To work for subsidies for reduced fare on public transportation for the elderly.
- **HEALTH CARE:** To establish a comprehensive national health program which will make adequate health care a right for all people, be uniform in scope, and preserve the private relationship between doctor and patient.
- **DEFENSE:** To guarantee the security of our nation—a guarantee of freedom from the threat of successful attack or blackmail and the ability with our allies to maintain peace.
- **FOREIGN POLICY:** To stop treating our allies as if they were our adversaries. To make it clear that détente is a two-way street, affirmatively with the social and economic commitments of the developing world. To make our total commitment to the security of Israel as a Jewish state absolutely clear.
- **REORGANIZATION:** To reorganize completely the executive branch of government, making it fair, efficient, effective and responsive to our people's needs.

ON TUESDAY, NOVEMBER 2nd VOTE FOR A CHANGE VOTE FOR JIMMY CARTER AND WALTER MONDALE
