## THANKSGIVING

Willard G. Seaman

Perhaps we have not counted  
All our blessings one by one;  
Perhaps we have not bothered  
To remember whence they come;  
And maybe we have taken  
Just for granted all the things  
That the good Lord has created  
And the hand of Nature brings:

*The autumn hills in glory robed,  
A golden field of grain,  
A sunset's dazzling splendor or  
The Milky Way's great plain,  
The starry sky's sublimity,  
The ocean's mighty power,  
The wonder of creation in  
The petal of a flower.*

And so if we have failed to show  
By word or act or deed  
That we are thankful unto Him  
Who fills our daily need,  
May this day show we're grateful  
When we add up all the sum  
Of the blessings we remember,  
As we count them one by one.

### Agri-Business Fete Honors Anthony

A.W. (Dub) Anthony Jr. of Friona, Texas was honored Thursday at the First Annual Golden Spread Agri-Business Seminar by being named as the Outstanding High Plains Farmer and-or Rancher for 1976. Anthony is the first High Plains resident to receive the award.

A total of 26 area counties were invited to submit nominees for the honor. Anthony was the Parmer County designee.

The Golden Spread Agri-Business Seminar is sponsored by the Agri-Business Committee of the Amarillo Chamber of Commerce of which Steve Messenger is Chairman.

According to Messenger, it has long been the desire of the Agri-Business Committee to establish an annual seminar, at which businessmen and agri-businessmen may gather to honor the food and fiber industry and to learn more about the individuals involved in that endeavor. Centered at the Villa Inn Convention Center, the 1976 Seminar is hoped to be the first in a long succession of such yearly events.

As recipient of the award for Outstanding High Plains Farmer and-or Rancher of 1976, Anthony might be described as a farmer-rancher-cow-calf businessman. Presently concerned with a total of 1120

land, Anthony began farming in 1936 in Oklahoma, with 160 acres he rented and using his father's equipment.

By 1941, he had rented more acreage, purchased equipment with a FSA loan, and moved into Hobart, Oklahoma where he also worked as a mechanic to "make ends meet." In 1943, Anthony came to Texas and began the rental and acquisition of land that now comprises his operation at Friona.

Despite drought, hail, set backs and price fluctuations, Anthony has established himself professionally and in his community. He has followed agricultural research through the years, using many of the

developing ideas in the area. As President of Grain Sorghum Producers Association, he helped finance Green Bug resistant work in milo. He has also moved more to minimum tillage practice and has changed and modified some of his machinery, particularly a six-row planter which he built to deliver the job he specifically wanted it to do.

Anthony uses water pits to conserve water on his irrigated land, strives to develop better tillage practices, and rotates crops to prevent water and nutrient loss. He leaves stubble to work into the soil and summer-fallows a portion of land each year. Crop yields, according to Anthony, are above average for his area.

The Anthony cattle operation involves a cow-calf herd which he believes is as good as any Herefords "anywhere." Steers are run on grass in the summer, in New Mexico and are fed in winter.

An Anthony philosophy is an obligation to improve the land and community where he lives. In that vein, he has served the ASCS committee, helmed raise money to

(Continued on Page 6)

A.W. (DUB) ANTHONY JR.

WINTRY SCENE...The Friona area received its second snowfall of the season last weekend, with three to four inches measured locally. The

tree shown, which is in the Grady Dodd yard, shows icicles amidst the ground cover of snow.

### Chamber Members Are Electing Five Leaders

Ballots have been mailed out by the Friona Chamber of Commerce to all members, who are in the process of electing five new members to the organization's board of directors.

Ballots to the Chamber office are reminded that they need to do so by December 1, in order that their votes may be tallied.

Carol Weatherly, Chamber office secretary, said Wednesday that of 191 ballots that the C-C mailed out, 91 had been returned, or just under 50 per cent. She urges all those who still have ballots to mark them and return to the Chamber.

Ten names are on the ballot: John Raymond Cook, JeDon Gallman, Carl McInroe, Mildred Arnold, Ronald SMiley, Gale Warren, Johnny Mars, Travis Graves, Keith Black and Tom Jarboe.

The five to be elected will replace

George Rushing, Jim Johnston, Jay Beene, Gary Cook and David Carson, whose terms are expiring.

Holdover members of the board will be Bill Wilshire, Jerry Brown,

B.K. Buske.

The date for the annual Chamber banquet has been set for Thursday, January 27. The speaker will be "Zig" Ziegler, an author, humorist and a motivational specialist. Ziegler wrote the book "See You At the Top," concerning human motivation.

### Sets Early Date

The Star's deadline will be moved up a couple of days next week, due to the Thanksgiving holidays.

News and advertising deadline will be Tuesday noon for next week's edition.

### Bandy Holds Four-Point Lead

Clay Bandy, although losing a point off his lead, maintained a four-point lead going into the next-to-last weekend of the Friona Star's annual football contest. Bandy now has a total score of 170 to Bobby Wied's 166.

Wied was able to outscore Bandy by a single point in last weekend's contest, but Bandy still held onto a fairly comfortable lead in the race for grand prize.

In third place, a point behind Wied, six contestants are tied with scores of 165, and are waiting for Bandy or Wied to stumble. They are Bobby Drake, Jimmy Evans, Don Fortenberry, Myrna Gatlin, Jerry Hinkle and Michael Means.

In the weekly contest, three players managed scores of 17 for the week, good scores considering that one of the contest games ended in a tie, and another, Muleshoe vs Morton, was cancelled, making the best possible score a 20.

Mary Pryor was awarded the first prize of \$10.00, on the basis of her tie-breaker score on the Friona-Oilton game. Mrs. Pryor was 18 points off on her score, but that was better than the other two contestants with 17s. H.W. Roberts of Bovina was 29 points off, and Wayne Amstutz of Hereford was 33 points

Seven contestants had scores of 16. They were B.K. Buske, Marlene Drake, Mike Field, Dianne Morgan, Benny Pryor, Karla Fleming and Wright Williams.

Contestants scoring 15 correct included Bobby Drake, Lena Thompson, Michael Means, Myrna Baize, Keith Upton, Ruth Smith, Dale Milner, Flossie Rhinehart, Marie Fleming, Buford Hartwick, Ron Davenport, Bob E. Clark, Kyle Barnett, John Bandy, Terri Giddens, Nancy Mingus, Jan Fleming, Frank Truitt and Don Spring.

After the current weekend, just one more week remains in the contest, with the contest form being printed up in this issue of the Star.

If contestants need to check for sure on which teams are playing in the high school playoff games included on the final week's slate, they may call the Star office next week. If any of the playoff games included on the schedule happens to be scheduled on Thanksgiving Day, it will be thrown out of the contest.

### Final Date Set For Flu Shots

Four special clinics, designed to administer the swine flu vaccine, have been scheduled for Sunday afternoon, November 28, it was announced this week.

Clinics will be held at Friona, Bovina, Lazbuddie and Farwell, between the hours of 2 and 5 p.m. that afternoon.

Locations were still being arranged at press time this week. The Friona clinic will be held at the hospital. The Lazbuddie clinic, under the sponsorship of the Young Homemakers of that community, is expected to be at the high school.

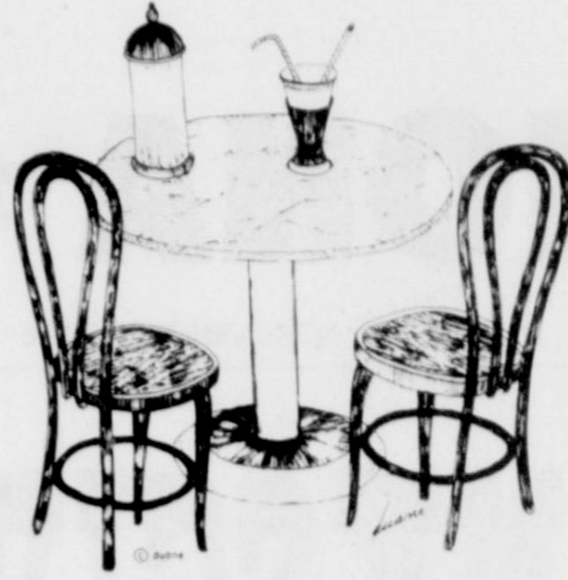

held at the Bovina Medical Clinic. The Jaycees are sponsoring the event there. Dr. Gregory is in charge of the clinic at Farwell.

Dr. Paul Spring said that the state health department has offered the county all the vaccine they wanted, making the extra clinics possible. Previously, the vaccine was available only in a limited supply.

As of Friday, Dr. Spring said that around 2,000 county residents had received the shots. "This isn't too bad, but we had hoped for around 5,000. We're hopeful of getting another 1,000 in the clinics on November 28, which will be the final clinics to be held for the swine flu vaccination," he said.

## REMEMBERING...

By BILL D. BROOKS

### My Sister's First Date

It seemed corny and unimportant to me but Mom and Dad seemed pretty excited about it. It was to be sister's first date. I mean a real date with a real boy! The boy had asked her a week before but she had delayed telling the folks for fear they wouldn't let her go. She finally told them at the supper table the night before the date was to be. Dad got choked but Mom seemed proud to hear it. Sis spoke nervously at first but then blurted it all out and quickly said, "Please, Mama, can I? Can I?"

Dad said, "No, you're too young!" Mom said, "We'll see." At breakfast Mom said, "We've got a lot to do today if you really want to go out with that boy." Dad nodded. Sis was bursting with excitement. "Really — can I — really!"

Her hair had to look just right so they set to work on that, fussing over it for nearly an hour. They rustled in her closet back and forth through the small selection, not coming up with anything

suitable. Tears came, with Sis blubbering, "I don't have a decent stitch to my name." Mom left the room and returned with a box wrapped in plain brown paper.

She laid it on the bed under Sis's downcast gaze. "What's that?" "Open it and see." Her puzzled look turned to joy when she pulled out the prettiest dress imaginable. Even I thought it looked nice.

Mom said, "It was going to be your Christmas present but I reckon it's more appropriate right now. Try it on and let's see how it fits."

They had to take some tucks and stuff but when it was all fixed Mother said she looked just like a princess.

Dad moped around all day with a concerned look on his face but no one paid him any mind. Finally Mom ran us all out of the room and shut the door. They were in there for about an hour but I never knew what they did.

The date was at seven but Sis was ready by four. She made a thousand trips to the

front window to look out.

Promptly at seven there was a knock and Sis ran to her room and shut the door. Dad let him in, looking him over critically. Mom said, "She's not quite ready yet. Would you care to have a seat? Can I get you something to drink? It's been an unusually cool day today, don't you think? How are your folks?" He said, "Thank you, no ma'am, yes ma'am, fine, thank you ma'am."

There was a long silence then and Mom said, "I just can't imagine what's keeping her. I had better check."

I had never realized how much Sis favored Mom till they came out of the room together. They both looked as pretty as I had ever seen them. I didn't realize until then how important all this was. Why, before long she'd be married and moving away from home, maybe even out of the state. Then I might not ever see her again and — For a moment I thought, "Dad might be right, maybe she is too young!"

## Friona Flashbacks

.....from the files of The Friona Star

**45 YEARS AGO—NOV. 20, 1931**  
O.F. Lange, manager of Rockwell Bros. & Company lumber dealers at this place, received a telegram Tuesday morning informing him of the peaceful passing away of Mr. J.M. Rockwell at an early hour that morning at his home in Houston. Rockwell was president of Rockwell Bros. & Co., which has had business interests in Friona almost from the time of the founding of the town.

**40 YEARS AGO—NOV. 20, 1936**  
About 16 Friona people took advantage of the Santa Fe Railroad's extremely low round trip rates from the various points in Parmer County to the Centennial grounds at Dallas last week. Two whole days were allowed for visiting the centennial, and the roundtrip fare from Friona was \$4.75.

A few coops of turkeys have arrived on the Friona market within the past ten days.

**35 YEARS AGO—NOV. 21, 1941**  
The collapse of a large water supply tank at the Blackwell Hardware and Furniture Store Tuesday night caused severe damage to a transformer bank on the lines of the Texas-New Mexico Utilities Co. and shattered some boards on the rear wall of the Rockwell Bros. Lumber shed. The tank and tower, one of the landmarks of Friona, was constructed by Logan Sympton and Fred White some time in the early twenties.

**30 YEARS AGO—NOV. 15, 1946**  
E.L. Price, one of Friona's pioneer barbers, who, some time ago sold his shop here to Ralph Taylor, and has recently been working in a shop at Hereford, has purchased a shop at McLean and has taken charge of it.

Mr. and Mrs. Carl C. Maurer, who flew to Colorado City, Colo. about two weeks ago, to visit their daughters who are attending college there, became snowbound and were forced to remain several days, returned home the latter part of last week.

**25 YEARS AGO—NOV. 15, 1951**  
A large group of citizens of Precinct 1 met with the County Commissioners Court today for the second time this week, asking audience to hear the plea for an independent road district to follow

the boundaries of the precinct. The proposed district would in no way be detrimental to the county road program, rather enabling state-approved construction and releasing local road funds for additional road work in other precincts.

**20 YEARS AGO—NOV. 15, 1956**  
For the first time in several months, Friona has a telephone service man. Since Everett Talley moved away early in the summer, efforts have been made by the Chamber of Commerce to get someone to replace him. Many Friona residents will welcome D.G. McClellan, who moved to Friona from Littlefield last week.

**15 YEARS AGO—NOV. 16, 1961**  
Funeral services for Samuel J. Green, 34, junior high teacher and coach, were conducted at the First Baptist Church at 10 a.m. Tuesday, Mr. Green, who moved to Friona from the Three Way community in Bailey County, was in his sixth year of teaching here.

Blowing snow and sleet began falling late Monday afternoon and in addition to stopping combines, most cars, pickups and other vehicles either stopped or had to proceed at a slow pace.

**10 YEARS AGO—NOV. 17, 1966**  
Official steps were taken the past week, by city and county governments in seeking highway improvements for State Highway 214 south of Friona, and District Highway Engineer, O.L. Crain indicates that the road will be considered in next year's program for the district. Both bodies submitted resolutions; the city's asked that an overpass be constructed across the railroad, linking the highway into Grand Avenue.

**5 YEARS AGO—NOV. 18, 1971**  
The Hub Exchange (265) of the West Texas Rural Telephone Exchange was converted to Direct Distance Dialing (DDD) on Monday morning of this week, making both of the Hub and Parmer exchanges available for "One Plus" dialing. The completion of the Hub system sets the stage for the conversion in Friona, which is scheduled for Saturday, December 4, making all of the immediate Friona area on the DDD system.

Dan Ethridge Says . . .

### GIVE THANKS

As we re-dedicate this day first celebrated by our forefathers over 300 years ago, we would like to include our personal thanks for the countless blessings afforded to all of us. It is our sincere hope that we can accept the challenges extended to us . . . and in some small way . . . make the future brighter and happier for our many-many friends.

## WELCOME TO FRIONA

Kim Gober is a new teacher in the Friona School System. She teaches science at Friona Junior High School. She is a Parmer County native, is single, and graduated from Texas Tech University this year. The businesses listed below are happy to join with the Friona Star in welcoming Miss Gober to Friona.

## Give thanks

Pause to reflect upon the symbolic meaning behind the traditional Thanksgiving feast. Give thanks for the bounties of the past year — a plentiful food supply, good health, adequate shelter from nature's elements, an America rich in resources and opportunity, and the many luxuries we take for granted in our daily life.

We are grateful to have helped make your year both pleasant and prosperous, and in the year to come, we will continue to professionally serve your family's financial needs.

# Roads Face Traffic Increase

More than 70,000 main roads and streets will wear out in the next ten years because of a 24 per cent increase in traffic, says a new study.

Three-fourths of the state's 94,198 miles of major traffic arteries should be resurfaced or rebuilt by 1986 to handle an estimated 2.2 million more vehicles, according to The Road Information Program (TRIP) of Washington, D.C.

The research and information agency predicts that by 1986:

- Texas drivers will log a total of 100 billion miles per year, compared with 80.6 billion miles driven in 1975.
- The number of cars, trucks and buses will increase by 23 per cent, from 9.7 million to 11.9 million.
- Those 94,198 miles of major arteries (intercity, urban and farm-to-market roads) will carry nearly 75 per cent of all Texas traffic, even though they represent only 37 per cent of the total state mileage.

The report attributes the large traffic increase to population growth, economic expansion and the continued exodus of industry and workers to the suburbs.

"Unless road work is accelerated, Texas roads and streets will not be able to handle future traffic volume efficiently and economically," said TRIP state chairman J.C. Dingwall of Austin, who announced the study findings. He is a former Texas state highway engineer.

Dingwall emphasized that the State Department of Highways and Public Transportation, and county and local highway departments are doing an excellent job of maintaining and upgrading Texas roads within present budget limitations, but that additional funds are urgently needed.

TRIP estimates it would cost \$4.2 billion to resurface 65,703 miles of arterial and connecting roads between now and 1986. Also, 4,879 miles of worn out major traffic routes now need to be rebuilt at a cost of \$1.4 billion, the study says.

TRIP's total 10-year road renewal program would cost an average of \$564 million

per year. Resurfacing and renewing the state's substandard road pavement would help reduce fatalities, injuries and property damage from accidents where poor road surface is a contributing factor, says the study.

## SCS Report

The Board of Directors of the Parmer County Soil and Water Conservation District has asked the Soil Conservation Service to inform the public about cost share assistance on tailwater return systems.

There is cost share assistance for underground irrigation pipeline from a tailwater pit up to an existing irrigation distribution system. This assistance is available under the ACP and GPCP programs. There is assistance for digging tailwater pits under the GP program.

Under both programs all the land draining into a tailwater system and the land to which the return water is pumped, must meet a conservation irrigation system.

Under the GPCP program an application for assistance for just irrigation practices is considered law priority.

No funding has been provided for law priority contracts.

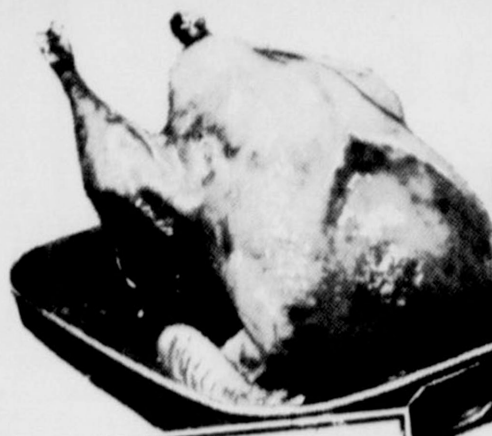

If you have any questions on the above information contact the Soil Conservation Service, Friona.

## Briscoe Okays

### \$44,311 Grant

Governor Dolph Briscoe has approved a criminal justice planning grant of \$44,311 for the Panhandle Regional Planning Commission, which serves 25 counties.

The local grant was among 101 approved by Governor Briscoe from Law Enforcement Assistance Administration (LEAA) funds under the Crime Control Act of 1973.

# Garvin Thorn Gets American Farmer Degree

Garvin Thorn of Friona, Texas received the American Farmer Degree November 11 at special ceremonies held during the 49th National Convention of the Future Farmers of America, in Kansas City, Mo.

## Coffee Honors Betty Smith

A reception Monday at the City Hall honored Betty Smith, employee of the City of Friona for the past nine years.

Mrs. Smith retired from her position on Monday. A short coffee and social was held in the coffee room, with city employees and Mayor R.L. Fleming attending.

Sue Rector, former employee in the dental office, has been employed to replace Mrs. Smith.

## Girl Is Added

Mr. and Mrs. Chris Forrester of Friona became parents of a baby girl born November 10 at 6:14 in the Parmer County Community Hospital.

Christy Anne weighed in at eight pounds, nine ounces and was 20 1/2 inches long at birth.

Older children of the couple are Michael 12, and McChelle, six.

Mrs. Bula Forrester of Marlow, Oklahoma, is the child's grandmother.

City, Mo. He was one of 748 FFA members selected to receive the American Farmer Degree, highest degree of membership in the FFA. As a holder of the American Farmer Degree, he joins a select group representing about one per cent of all FFA members.

Garvin is the son of Mr. and Mrs. Billy John Thorn of Friona. He is attending Texas Tech University.

The American Farmer Degree is presented only by the National Organization of the Future Farmers of America to members who have demonstrated exceptional agricultural and leadership ability. State FFA Associations may submit candidates for the American Farmer Degree based on total FFA membership in the state. The 748 members awarded the American Farmer Degree this year represent the highest achievement of more than 500,385 FFA members now enrolled in the nation's 8,072 high school vocational agriculture departments.

All the FFA members who receive the American Farmer Degree begin as "Greenhands." After at least one semester of vocational agriculture, members may be advanced by the local chapter to the degree of "Chapter Farmer." The third degree, that of "State Farmer" is presented by the State FFA Association and is limited to no more than two per cent of the State's FFA membership in any one year. Only students who have earned the State

Farmer Degree are eligible for the American Farmer Degree.

In addition to having earned the State Farmer Degree, candidates for the American Farmer Degree must have been active members of the FFA continuously for at least three years. They must have a record of participation in local and state FFA activities and they must have completed all of the vocational agriculture instruction offered in their high school. American Farmer applicants must have earned at least \$1,000 by their own efforts through their occupational experience program and must have their earnings productively invested or deposited in a bank. Finally, the American Farmer candidates must have demonstrated outstanding ability through their leadership and cooperation in student, chapter, and community activities.

Each American Farmer Degree recipient is presented a gold key and certificate by the Future Farmers of America. Recipients who attend the Convention are presented a check from the Future Farmers of America Foundation to help pay their travel expenses.

The National FFA Convention is an annual event of the Future Farmers of America and is carried out in cooperation with the U.S. Office of Education, of the Department of Health, Education and Welfare. This year over 20,000 FFA members, vocational agriculture teachers, parents, and guests

are taking part in the 49th National FFA Convention.

The Convention is conducted entirely by student members all between the ages of 14 and 21. The six National FFA Officers take charge of all business sessions and 121 official delegates represent the membership in voting on all issues of business.

In addition to the American Farmer Degree many other FFA awards are presented during the Convention. Contests are held in dairy, livestock, poultry, meats, horticulture, milk quality and dairy foods, farm business management, public speaking, and agricultural mechanics. Several guest speakers of national prominence address the Convention audience and entertainment is interspersed with the business. The Convention is the largest annual youth convention in the nation. It closed on Friday evening with the installation of six new National FFA Officers.

THORN EARNS....Bobby Tucker, left, National President of the Future Farmers of America, presents the American Farmer Degree to Garvin B. Thorn of Friona, Texas. The American

Farmer Degree is the highest degree of membership in the FFA. It was presented to 748 FFA members during the 49th National FFA Convention held in Kansas City, Missouri, November 9-12.

## Welch Auto Named Carquest Distributor

Carquest Auto Parts Stores will hold Grand Opening promotions in the Friona area, November 8 through November 20.

Auto parts stores displaying the red, white and blue Carquest emblem symbolize professional advice, courteous service and brand-name parts. The professional knowledge of Carquest counterpersonnel supports Carquest's unique philosophy: "We know what you mean when you're talking parts."

Opening, customers will receive a free Carquest cap with each \$10 purchase.

Specials featured during the Grand Opening include a Valvoline Motor Oil one cent sale, buy four quarts of Valvoline and an oil filter at the regular low price and get the fifth quart for only one cent.

A Challenger six-piece wrench set for only \$10.65 will be offered at a 50 per cent savings, retail value is \$24.65. Other outstanding offers include Monroe Shock Absorbers

from \$5.50 each, Delco "Z" Batteries as low as \$27.95 and Chemtool B-12 for \$1.69.

The Carquest auto parts stores serviced by Straus-Frank will have the opportunity to participate in additional promotions as a result of its membership in the Carquest marketing program. All Carquest promotions feature national brand parts at a substantial savings to the consumer.

The Carquest auto parts store in the Friona area is Welch Auto Supply, Inc. at 508 Main Street.

## NOTICE OF PUBLIC HEARING

Under the Housing and Community Development Act of 1974, Federal funds are available to the City of Friona through the Department of Housing and Urban Development, for particular community development needs.

A public hearing will be held by the City of Friona at the City Hall, 623 Main Street, on the 29th day of November, 1976, at 1:00 P.M. The hearing will be for the purpose of obtaining citizen views of particular community needs for the City's Preapplication for a grant under the Housing and Community Development Act. Some of the eligible activities under this program include (1) sanitary sewers, (2) water lines, (3) park improvements, (4) street paving, (5) drainage, (6) clearance of dilapidated structures and (7) rehabilitation of structures located in low to moderate income areas. The City will be eligible for a grant of approximately \$50,000 to \$150,000; however, all Pre-applications for funding may not be approved by the Department of Housing and

Urban Development. Citizens are encouraged to attend to express needs, preferences and priorities of eligible projects.

The hearing is being held prior to submission of the Preapplication for Community Development Funds. Citizen participation is encouraged so that development of a Housing Assistance Plan can be made to meet the pressing needs of the City of Friona.

R. L. Fleming, Mayor  
Arley L. Outland  
City Secretary

## Rites Held For J.C. Wilkison

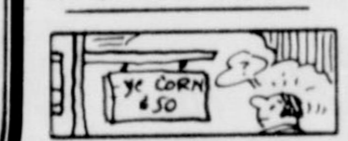

J.C. Wilkison, known in Friona to many people as "Wilks", 83, of Laguna Park, Texas, died Monday, November 8, in Whitney, Texas. He was born December 1, 1892 at Wills Point, Texas, and lived in Friona for many years before moving to Lake Whitney in 1954.

Funeral services were held at 10 a.m. Wednesday, November 10 at Marshall and Marshall Chapel in Whitney with Rev. John F. Kennedy officiating. Interment was in Hillcrest Garden of Memory.

He moved to Friona in 1915 and was Agent at the Santa Fe Depot for many years. He was also Deputy Sheriff and Tax Collector-Assessor in Parmer County for a number of years. Wilkison also worked for Santa Fe Grain Company in Friona. He married Miss Winnie Warren in Friona in 1917.

After moving to Lake Whitney in 1954, he worked in real estate until his retirement. He was a member of the Masonic Lodge, Shriners and Karem Temple of Waco at the time of his death.

Wilkison is survived by his wife; one daughter, Mrs. John C. Dickey, Jr., of Laguna Park, Texas (formerly Jacquelyn Wilkison); two grandchildren, Miss Carla Jo White and Mrs. Jon Clark, both of Lubbock.

In 1933, the per bushel prices of wheat and corn in America were lower than they had been 300 years before.

**IN THIS BICENTENNIAL** year of American Heritage, a few interesting facts about "Turkey Day" may provide some extra meaning to the holiday.

Surprisingly, America was not the first country to celebrate some form of Thanksgiving. They also observed it in China, Greece, Russia, Norway, Poland and Lithuania.

When the Pilgrims first came to this country, they knew very little about farming, but an Indian named Squanto helped and they were able to harvest some corn and barley. To celebrate their first success, Governor Bradford named a date in late 1621 as a day of thanks. Hunters scoured the woods and returned with turkeys, wood pigeons, partridges, geese and ducks, while the women prepared puddings and hockcakes. Because the Indians had been so helpful, the Pilgrims invited them to join their celebration—and it was a good thing, for the Indians contributed five deer.

It was also the Indians who first introduced eating oysters to the settlers. During the three-day feast, they even set a precedent for our Thanksgiving holidays today—they participated in races, and athletic events. Just think of how many big athletic events are held in the U.S. that weekend.

Thanksgiving in 1621 was largely a social occasion, but the second Thanksgiving in 1623 was probably the real start of our present holiday, for it was religious as well as social.

During the next 200 years, Thanksgiving was not celebrated on any one special day, until September 1863, when President Abraham Lincoln proclaimed that Thanksgiving be celebrated on the last Thursday in November. The menu of that day was much like the one used widely today—cranberry juice, roast turkey with dressing, sweet potatoes, creamed onions, cranberry sauce, squash, pumpkin pie, plum pudding, mince pie, milk and coffee.

Like Christmas, Thanksgiving brings out the altruism and generosity in people. For 200 years, Americans have helped the less fortunate by providing

them with food, clothing, and other necessary items. For many, it is also a time families reserve for being together. In a country where families are so geographically separated, it may be a hard thing to manage. But since traditions die hard, this is one family unifier well worth keeping alive.

Since the stuffed turkey is traditional in most homes on "Turkey Day" I thought you might like a new twist to that old favorite—Stuffing. Here are 3 recipes from one of our Extension Bulletins—"All Time Favorites—Chicken & Turkey" which can be obtained through our office for 30 cents.

**RICE STUFFING**  
2 cups cooked rice  
2 tablespoons butter or margarine

2-3 cup chopped celery  
1/2 cup chopped onion  
1/2 cup chopped green pepper

2 chicken livers, diced  
1 No. 2 can tomatoes  
1 teaspoon salt  
1 teaspoon monosodium glutamate

1/4 teaspoon curry powder  
1/4 teaspoon pepper  
1 egg, well beaten

Mix rice lightly with butter or margarine; add celery, onion, green pepper, chicken livers and tomato broken into pieces with a fork. Combine seasonings; add to mixture. Mix in eggs, lightly. Spoon stuffing lightly into chicken. Makes enough for 5 pound chicken.

**CRANBERRY STUFFING**  
3 cups fresh cranberries, 3/4 Lb.

1/4 cup sugar  
1/4 cup butter or margarine, melted

3 quarts small bread cubes  
1 1/2 cups raisins  
1 tablespoon salt  
3/4 teaspoon cinnamon  
grated rind of 2 lemons  
3/4 cup broth or water

Chop cranberries and blend in the sugar. Blend butter or margarine and bread cubes. Combine the two mixtures with the remaining ingredients. Mix well. Makes enough for a 10 to 12 pound turkey. Note: 1 1/2 cans of whole cranberry sauce and 1-3 cup sugar may

be substituted for the fresh cranberries and 3/4 cup of sugar. Break up cranberry sauce with fork, add sugar and proceed as above.

**SHRIMP STUFFING**  
1/2 pound shrimp fresh or frozen

1/4 cup chopped onion  
2 tablespoons chopped parsley

3 tablespoons butter or margarine, melted

1 egg, beaten  
2 tablespoons milk  
1/2 teaspoon thyme  
1 teaspoon salt  
dash pepper  
3 cups soft bread cubes

Peel shrimp and remove sand veins. Wash and cut into small pieces. Cook onion, parsley and shrimp in butter or margarine until tender. Combine egg, milk and seasonings. Mix all ingredients together including bread crumbs until well moistened. Makes enough for a 4 pound bird.

**SURVEY SHOWS**

**Local Areas Get \$212 Million**

Comptroller Bob Bullock said Thursday that an analysis by his office shows that Texas cities and counties spent a combined total of \$212.2 million in federal revenue sharing funds during federal fiscal year 1975, which ended June 30, 1975.

Bullock said cities spent 72 per cent of their \$132.3 million in revenue sharing allotments for capital improvements and the remaining 28 per cent for operating expenses.

Counties, he said, spent 62 per cent of their \$79.9 million in allotments on capital improvements and 38 per cent on operating expenses.

The analysis of local government use of federal revenue sharing funds was contained in the Comptrol-

ler's September monthly financial statement.

The analysis also showed that the biggest single use of revenue sharing money by local governments was transportation, which accounted for \$56.1 million or 26 per cent of all revenue sharing funds spent by cities and counties during the year.

Bullock said August state expenditures of \$408.4 million ended the state's 1976 fiscal year for total expenditures of \$6.2 billion, an increase of \$826.4 million over the previous year.

Revenues for August were \$633.5 million, he said, closing out the fiscal year with total revenues of \$6.6 billion—a healthy 16 per cent or \$917.1 million gain over the previous fiscal year.

# MBPXL Makes Change In Corporate Setup

MBPXL Corporation announces a reorganization of its corporate structure under four group vice presidents. President David J. La Fleur stated: "The new organization will simplify MBPXL's communications and improve its ability to make fast, effective decisions." The four group vice presidents will be responsible respectively for slaughter, fabrication, cows and administration.

Bill Nicholson is the Group Vice President for Slaughter. He is responsible for cattle procurement, slaughter operations, and the sales of carcasses and by-products. Bill Nicholson has been with MBPXL or its predecessors since 1972, first as plant manager of the Rock Port, Missouri plant and subsequently as vice president for cattle procurement. He was previously employed as vice president for procurement and production at Mid State Packers Company.

Howard McLean is the Group Vice President for Fabrication. He is responsible for the production and sales of boxed beef, including MBPXL's "Excel" and "Circle E" brands. McLean has been employed by MBPXL or its predecessors since 1971 as general manager of the slaughter and fabrication plants in Texas and as vice president for slaughter operations. He was previously the manager of the slaughter division of the Emporia plant of Iowa Beef Processors.

Howard Marcus is the Group Vice President for Cow Operations of MBPXL. He is in charge of the slaughter, the fabrication and the sale of grass-fed carcasses and fabricated products. Howard Marcus has been employed by MBPXL and its predecessor companies since 1964. Since the formation of MBPXL he has been Vice President in charge of the Cow Division.

**JUMP BALL....** Paul Ortiz of Friona (30), battles for the ball against the Vega Longhorns. Ortiz scored only four points, but was credited with cage coach James Pope as playing an excellent game in the Friona win.

# City Applies For Free Paving Grant

Possibility of securing 24 blocks of paving for the City of Friona, at a cost to the city of around \$500,000 was discussed at the regular meeting of the Friona City Council on November 8.

Mayor R.L. Fleming and City Manager Jake Outland were authorized to solicit federal funds through a community development program for paving 24 blocks in the city's minority housing districts.

The estimated cost of the program would be around \$200,000, with the city paying only the administrative costs.

The city's consulting engineers are to make application for the funds to be used locally.

Bids were opened for purchase of a new police patrol car. Two bids each were received from Friona Motors and Reeve Chevrolet-Olds. Friona Motors' low bid of \$4,024.46, with exchange of the present patrol car, was accepted.

Fire Chief Ralph Shirley presented to the council a negotiated bid for a Plectron alert system consisting of a base and 33 receiver stations for the fire department. This system has been used in other cities, and has proven reliable. Cost is to be approximately \$4,860. Council approved purchasing the equipment.

The city manager had solicited quotes on construction of a machinery shed to be built at the new sanitary landfill site to provide protection for the equipment against the weather. Contract with Lewellen Construction Co. at a bid price of \$6,177 was approved.

Merv Noah, nursing home administrator, presented the council with a monthly financial statement, showing the number of residents at the present time to be 24. Noah explained that Prairie Acres is beginning to receive some payments from Medicare for its residents, but that other welfare payments are still outstanding.

Noah said that if the home could secure approximately eight additional residents, he felt the home would become self-sufficient.

George Taylor appeared before the council, asking that the city install a block of sewer line to an area he proposes to develop for building purposes.

The council pointed out that the request would be against the city's present policy in regard to new developments, and the request was denied by a 4-1 vote.

Miscellaneous discussion included the possible purchase of a future library building site.

## Dub Anthony...

(Continued from Page 1)

build a hospital, rest home and other community centers.

He is a life-long member of the Methodist Church and has served in the following capacities: Friona Chamber of Commerce and Agriculture Committee; Agriculture Advisor to Senator Lloyd Bentsen, two years; Agriculture Committee Advisor to Federal Energy Office, three years; Secretary, Board of Directors, Parmer County Hospital, thirty years.

Also, President, Grain Sorghum Producers Association, eight years; Director, Grain Sorghum Producers Association, twenty years; Director, U.S. Feed Grain Council, eight years; Director, Secretary, Deaf Smith Rural Electric Board, eleven years; Director, Plainview Production Credit Board, four years; President, Friona Farmers Co-op Gin Board, fourteen years; and Director, Friona Wheat Growers, six years.

Anthony and his wife, Irene, are the parents of three children. In 1976, Anthony and his son formed a partnership which now operates the family holdings.

Trophy for the Outstanding Farmer and Rancher recipient is a Cowboy sculpture work by Garland Weeks.

## Letters To The Editor

Dear Mr. Ellis:

Those of us with the Running Water Draw Arts and Crafts Festival would like to thank you and the Friona Star staff for the publicity you gave our festival this year. Your paper's printing our advertising slick and news release we sent you is indicative of the constant support Plainview's annual festival receives from area news media and residents.

We look forward to working with you and the Friona Star staff next October on the third annual Running Water Draw Arts and Crafts Festival.

Sincerely,  
Beverly Case  
Publicity Director

CARL EVANS

### Carl Evans Named In "Who's Who"

Carl Robert Evans of Friona is among 49 West Texas State University students named to Who's Who Among American Universities and Colleges.

The senior pre-med major was selected from 160 nominees for his scholarship, leadership, involvement in campus life and potential for achievement.

Evans has served Phi Mu Alpha Sinfonia music fraternity as vice-president and treasurer, and Beta Beta Beta biology society as president. A member of Alpha Chi honor society, he has been named to the dean's and president's honor rolls.

Evans is the son of Herbert Evans of Friona.

Carl is a 1973 graduate of Friona High School where he was active in the Thespians, Band, National Honor Society and played on the golf team.

He has performed in the "Texas" production in Palo Duro Canyon for two summers following High School graduation.

## Rainbows Present Gift To P. Acres

On Tuesday, November 16, two members of the Friona Assembly No. 275 of the Order of the Rainbow for Girls presented an oil painting, purchased from Carol Ellis, to hang in the foyer of Prairie Acres.

Lisa Buchanan and Marsha Carlan made the presentation on behalf of the girls, as they each sold over \$90.00 of candy. The next highest four sellers were Treva Bridgeman, Bonnie Fallwell, Reva Kelley and Delia Snyder who each sold \$30.00 to \$40.00 worth. All together 25 members took some part in this "Rainbow Girls Candy Sale" held between February and May of this year, when Marsha was Worthy

Advisor and it was a term project "to do something for Prairie Acres."

The Friona Rainbow Girls Assembly is part of the International Order of the Rainbow for Girls, sponsored by Friona Chapter No. 990 of the Order of Eastern Star and it is one purpose of the girls to do charitable community service.

Lisa and Marsha both expressed gratitude to those who helped and bought and said "This was a team effort. We just wish our assembly was larger so that we could accomplish more! And we are delighted to be able to present this painting to help beautify Prairie Acres for its residents and guests."

PRESENT PAINTING...The Friona Rainbow Assembly presented a painting to Prairie Acres Nursing Home this week. Shown presenting

the gift are Lisa Buchanan and Marsha Carlan. Administrator Merv Noah accepts the gift.

### Jones Hosts Antique Club

The Friona Antique Club met Monday, November 15 in the home of Mr. and Mrs. Tommy Jones.

The evening was spent visiting by the members. Refreshments consisting of chocolate cake, pumpkin bread, cokes and coffee were served by the host and hostess.

Attending were Mr. and Mrs. Raymond Adams, Mr. and Mrs. O.C. Jones, Mrs. Selma Habbinga, Mrs. Orma Flippin, Mr. and Mrs. Jerry Zachary and Mr. and Mrs. Elvie Jennings, and the host and hostess, Mr. and Mrs. Tommy Jones.

The club will not meet during December.

## Library Report

"Conversations With Kennedy" by Benjamin C. Bradlee is available at Friona Public Library.

For the first time, all the conflicting elements that created the JFK personality are seen at the closest possible range. His conversations were salty, to say the least, yet without malice. The mavy was in his language, but it was mental and physical energy being released and somehow never vulgar.

We see President Kennedy as a family man, worried about his wife's charge accounts while wrestling the giants of the steel industry, taking time out to relax at a shoot-em-up movie while dealing with Russia and

ballistic missiles.

Here was a politician of the South Boston stripe who also was at home among the WASP intellectuals he brought into government, who loved the sick old tiger who was his father and yet would not be dominated by him, who understood his brothers' every quirk and strength, admired women, had few illusions about human nature but nursed dreams all the same.

## Rhea HD Club Met In Smith Home

The Rhea Home Demonstration Club met Monday, November 8 in the home of Mrs. Shirley Smith.

The group was served at a Mexican food smorgasbord. They were entertained with a home decor exhibit displayed by Mrs. Sue Cornish and her assistant Debbie. A surprise "Grandma" shower was given to Mrs. Raymond Schueler and Mrs. Delton Lewellen in honor of their new grandson, Monty Ray, son of Dr. and Mrs. Dale Schueler of Coleman, Texas.

Visitors were Mrs. Opal Potts, Mrs. Walter Potts, Mrs. Donnie Lewellen, Mrs. Raymond Schueler, Mrs. Raymond Hamilton, Mrs. Delton Lewellen, Mrs. Elaine Cain, Mrs. Jim Dixon, Mrs. Clint Schueler, Mrs. Ronnie Armstrong, Also, Mrs. Joe Fallwell, Mrs.

Mary Lou Collier, Mrs. Kelly Harrelson, Mrs. Sue Cornish, Mrs. Jody Fallwell, Miss Tammy Smith, Miss Melodi Dixon and Miss Jana Pronger.

Members present were: Mrs. Floyd Schlenker, Mrs. Cordie Potts, Mrs. Keith Stevens, Mrs. Houston Bartlett, Mrs. Herman Grissom, Mrs. Chris Drager, Mrs. Jay Potts, Mrs. Raymond Drager, Mrs. Floyd Schlenker, Mrs. Jack Patterson, Mrs. Norman Taylor.

Also, Mrs. Larry Potts, Mrs. Carol DeLeon, Mrs. Shirley Smith, Mrs. Herbert Schueler, Mrs. Walter Schueler, Mrs. Elmo Dean, Mrs. Andy Anderson and Mrs. Norbert Schueler.

A bake sale will be held at the Fall Bazaar and lunch will be served at the Mears' farm sale.

# There's more to Asgrow hybrids than just high yields. Asgrow resistant hybrids meet head smut head-on.

Corn growers in this area have learned that head smut means sizable losses in yield and profit.

That's why next planting season you need more than hybrids with just claims for

high yields. You need the complete performance of Asgrow hybrids...with head smut resistance...with harvestable high yield potential.

Now's the time to make plans to protect corn yield and profit

next time you plant. See your Asgrow dealer and reserve head smut resistant hybrids while supplies last. Because Asgrow resistant hybrids meet head smut head-on.

## Asgrow hybrids resistant to head smut. new RX 90 RX 100 RX 4589

These corn growers meet head smut head-on with Asgrow hybrids.

**James Cook - Olton, Texas**  
In 1975, Mr. Cook used RX 100 for the first time on 50 acres and had a yield of 10,640 lbs. dry corn. In '76, he expanded use of RX 100 to 120 acres. "I like RX 100 better than anything I've planted. I like the way it stands—good stalk with no lodging. I have no head smut in my fields."

**Paul Chisholm - Sudan, Texas**  
Over the past three years, Mr. Chisholm averaged over 10,000 lbs. on 310 acres of RX 100. Much of this was grown under stress conditions including hail damage and minimum irrigation. "This RX 100 has the ability to pollinate under adverse conditions. This is particularly important under stress conditions like this year. And, they

because it's such a clean corn to bring in. Head smut has been observed in this area, but I've had absolutely none."

**Bob Jones - Muleshoe, Texas**  
This is Mr. Jones's fourth year with RX 100. He reports, "My yields

have been good and consistent. Last year, even with hail damage, it made just over 8,000 lbs., but '76 looks like it's going to be my best year ever. It stands well, too—no

head smut whatsoever."

**Dale Widner - Friona, Texas**  
Mr. Widner was one of the first on the High Plains to plant RX 90, and he also uses RX 100. "This year I had eleven different hybrids on my farm for testing, but I keep coming

back to proven winners like RX 90 and RX 100. RX 100 has consistently yielded in the 9,500 to 10,000 lb. range. There's no comparison to other hybrids in grain quality. This year I have 120 acres of RX 100 and 40 acres of RX 90. I have no head smut that I know about."

**O.L. (Mac) McMurtrey - Manager, Hub Grain Company - Hub, Texas**  
Mr. McMurtrey sees a lot of corn during a year's harvest and is a good judge of quality. "Of all the grain that comes across our scales, I've never seen better than RX 100. It's always of consistent good quality."

**Jim Clements - Dumas, Texas**  
Mr. Clements is a cash grain farmer. In 1976 he planted 200 irrigated acres of RX 90 in 40 inch rows at a population of 24,000 plants per acre. Average yield per acre was 13,552 lbs. dry weight. "This was the best corn I've ever planted, and no head smut!"

**Jerry Goheen - Fieldton, Texas**  
Mr. Goheen is a user of both RX 90 and RX 100. "Last year my RX 90

ings. That was a good year. This year it looks like it's doing just as good and this is a bad growing year. It stands good and has no head smut. The grain quality of my RX 100 is so good that I got a 40¢ premium from the grain buyer. And, I had no head smut."

**Texico Club  
Re-Schedules  
Art Fair**

Due to the snow storm on November 13, the Texico Woman's Club had to cancel their annual Art-Craft-Jewelry Affair scheduled that day. It has now been rescheduled for December 4 from 8 a.m. to 5 p.m. at the South gym of the Texico School Campus.

The organization still has some booths available and can be reserved by calling Margie Crooks, 482-3690. They encourage everyone to come to the affair as there will be a lot of items to buy and just in time for Christmas. The concession stand will be open.

The proceeds from this affair are used for projects such as: sending a girl to Girls State each year, a college scholarship award presented to a graduating senior, community improvement projects, aiding the elderly and youth of the community. Your support of the Affair is needed.

**Prairie Acres  
Party Line**  
By June Floyd

Hello Central!  
This week has really been an exciting one for residents of Prairie Acres. Ruth Edelman, who spent a few days in the hospital last week, is back and she had a November birthday.

So did Jennie King, Ethel Adams, Ann Martin, Calla Sparkman. Monday afternoon Mrs. Sparkman was honored with a party in her room. Friona State Bank sent roses to each one who had a birthday. Tuesday afternoon ladies from First Baptist Church came and brought gifts for each of our birthday girls.

Then Wednesday morning ladies from Sixth Street Church of Christ came and after a sing song served

birthday cake and coffee to all the residents in the dining room.

The cake was beautifully decorated and had the names of each of the ladies with November birthdays inscribed on top in lacy scroll interlaced with flowers and leaves.

Another much appreciated gift came from local Rainbow Girls and is an original painting by Carol Ellis. It is hanging in the front entrance hall.

Other paintings adorning our walls are by Billie Long Homer, Laverna Brock Parr and Kitty Gallman. These are on loan and may be purchased if anyone desires to do so.

Then, we have two lovely framed prints through the courtesy of the Splatter Shack and the Pudge Kendricks.

We have two new residents. They are Mrs. Annie Scott and M.A. Black.

Four representatives of Texas Department of Health Resources re-inspected our facilities early this week and gave us a good report.

**DEKALB HYBRIDS**  
**FIGHT  
SMUT**

**Proven In 1976  
University Test**

The best answer to the head smut problem is simple. But, it's hard to come by. That's corn hybrids with head smut resistance.

DEKALB's got'em. Hybrids with top yield potential and head smut resistance. It's proven.

A 1976 Texas A&M University Test showed DEKALB can deliver head smut re-

sistance. And better yet, the DEKALB hybrids that demonstrated the most head smut resistance are also delivering top yields to local farmers. That means no yield sacrifice for head smut resistance.

There's no question that there is a difference among corn hybrids when it comes to head smut resistance. So see your DEKALB dealer today. Put in your order for the DEKALB Smut Fighters:

**XL-75**

DEKALB XL-75... It stands great, yields big and fights head smut. Here's the new leader in Texas Corn Country. XL-75 produces big, hefty ears packed with quality grain. It has an outstanding record in DEKALB Performance Tests and in farmers' fields. And, it was found to be extremely resistant to head smut in a 1976

**XL-372**

DEKALB XL-372... It's a big eared beauty that fights head smut. A top-performing hybrid with high head smut resistance ratings in a 1976 university trial. Produces large, girthy ears at high or low populations. Excellent stalks, strong shanks. DEKALB XL-372 has an attractive field appearance with its semi-upright leaves

**Way Ahead With Research**

"DEKALB" is a registered brand name. Numbers designate hybrids.

# Chieftains, Olton Fight To Draw In 'Snow Bowl'

In a game marred by the weather, the Friona Chieftains could not take advantage of their breaks, and had to settle for a scoreless tie with the Olton Mustangs in the 1976 season opener in football.

The game was played in bitter cold 19-degree weather, with snow falling constantly during the contest. Snow had started falling in Friona about 5 p.m. Friday, and by the time the game was over, some four-inches had covered the playing field and everything else in sight.

The snow hampered the style of play for both teams. Friona couldn't get its wide option play to work, although the Chiefs never gave up trying, and Olton was hampered on its passing game.

Friona had three or four good opportunities to register a score, but each time something would break for the Mustangs and the chance would be aborted.

Olton fumbled on the third play from scrimmage, with Jeff Peak claiming the pigskin for Friona, to give the Chieftains their first break.

Kelwin King ran ten yards to the Olton 36, and a couple of plays later, an offside penalty against the Mustangs gave Friona a first down at the Olton 25. It looked like the Chiefs might march in for a score on their first possession.

But three running plays gained only three yards, and then Keith Martin made his first attempt at the option play, only to find the footing too insecure to make the necessary cuts. Olton took over on their own 21-yard line.

Of course, the yard lines were covered up by the accumulation of snow, and the yard lines mentioned throughout the game are merely estimates arrived at by the press box corps, using the sideline chain and marker on which to base their estimates. The goal-line and end zone indicators were the only things clearly visible on the field.

The Chieftains missed perhaps their best chance to score the next time they had the ball. Olton drove from their 21 for two first downs, and had the ball near midfield, before Kevin Kothmann intercepted a pass on third down to give it back to Friona at about their own 28.

Glen London barreled for a first down to the Friona 39 on the first play of the second quarter. The Chiefs then pulled a daring play, considering the elements, and their own field position.

They sent Kelwin King wide, and Martin pitched the ball, running laterally at about the Friona 20. King controlled the pitch, miraculously turned the corner, and in the wink of an eye found himself in the Olton secondary and past midfield.

For an instant, it appeared that he was "gone," with just one defender having even a shot at the fleet-footed Chieftain back. But this defender did the trick, tripping up King, who went sprawling at the Olton 25.

From the press box, it appeared that the defender had actually tripped King with his feet, which ordinarily would have called for a 15-yard penalty, but the officials didn't see it. In defense of the officials, it appeared that considering the elements, they called a fairly good game.

At any rate, after London gained to the Olton 20, Ernest Mills was called on. He couldn't hold onto the cold and slippery ball when he was tackled, and Olton recovered at their 18. Scratch opportunity number two for the Chiefs.

Friona got out of what looked like a jam toward the end of the period, as Olton drove inside the Chieftains' 35. The Mustangs were flagged for a personal foul, which would have set them back to near midfield, but the fired-up Chieftains refused the penalty, to bring up fourth and one at the Friona 30.

Luckily, the defense held, and Friona took over. This was one of the visitors' more serious drives, and came after Friona had failed to convert a fourth down gamble from their own 40.

With conditions like they were, both teams shunned punting situations in several instances when, given other weather conditions, a punt would have been the natural choice.

Early in the second half, a partially blocked Olton punt set up what looked at the time to be a "can't miss" scoring opportunity for

the Chiefs, but Olton escaped miraculously.

Friona received the second half kick, as Olton tried an onside attempt, hoping to recover, but Friona managed to corral the ball.

The team couldn't move, however, and on fourth down Edward Castillo punted to the Olton 29.

The Chiefs got a good break on Olton's third down when the Mustangs apparently had completed a long pass for a first down. A 15-yard penalty against the Mustangs brought the ball back to their own 16, instead of near midfield, where the pass had carried.

Ram Randolph caught the Olton quarterback for an eight-yard loss to his own eight, and set up poor field position for the visitors on fourth and 32.

Olton had to send the punter deep into the end zone, and Friona was after the block. A Chieftain defender did partially block the kick, but instead of bouncing right for Friona, it squibbed out to the Olton 23.

Just another inch could have meant either two points or six points for the Chiefs.

As it was, the team fumbled the ball on their second play from the Olton 21. Scratch another scoring chance.

Late in the third quarter, Friona took over the ball at their own 35. A 15-yard flag against Olton gave the Chiefs a little field position into enemy territory.

King ran for six yards as the period ended, and Friona faced fourth and one from the Mustang 41 as the final quarter began. Martin rolled out (or slid out to be more proper), and flooded a pair of receivers into Olton's secondary.

It would have been a great call, if Olton hadn't been rushing Martin, who had to throw hurriedly. He had to throw off balance, and a driving catch try went incomplete. If he could have floated the ball, it might have been six points for Friona.

That was about it for the Chieftains' chances to score, as they spent the rest of the game stopping Olton and protecting the tie. Olton drove to the Friona 31 on a sustained drive which ate up five minutes of playing time in the final quarter.

Friona held, but it was too late to get anything going, although Martin did complete a pass to Mills to near midfield as time was running out.

# Chiefs Lead In Grid Statistics

Season statistics compiled this week by the Friona Star reveal that the Friona Chieftains may have been one of the best 3-6-1 teams in this part of the state.

In spite of the won-lost record, which figures out to only 35.0 per cent wins, the team held leads in virtually every statistical category over their ten opponents.

Friona had 11 more first downs than their opponents, 115-104. The Chieftains gained 260 more yards rushing than their season opponents, 1,685 to 1,423. Opponents held a lead in the passing department, 457 yards to 326, but Friona led in total yardage, 2,011 to 1,880.

One department that Friona led may have been the ultimate drawback to a winning season. Friona had more turnovers than their opponents, 28 to 22. The Chiefs had five passes intercepted and lost 23 fumbles, while opponents lost four passes and 18 fumbles.

The Chiefs received an average of 41 yards per game in penalties, to 56

for their opponents.

Senior tailback Kelwin King was the team's leading rusher, with 713 net yards on 150 trips through the enemy line. Fullback Glen London, who had led the team in rushing as a sophomore, was second with 475 yards.

London was injured to start the season, and was fighting an uphill battle in the yardage department. Third place went to quarterback Keith Martin, who likewise missed considerable action the first part of the year. Martin rushed for 320 yards.

In addition to his rushing, Martin passed for 231 yards, completing 14 of 34 passes, including three for touchdowns.

Ernest Mills was the leading receiver, with seven catches for 118 yards and one touchdown.

London was the team's leading scorer, with 30 points. Martin added 30, Mills 12 and King ten.

Edward Castillo punted 45 times for an average of 34.8 yards per kick.

# The Friona Chieftains --

THE CHIEFTAINS...The Friona Chiefs, having all the bad luck possible, got off to a terrible start for the 1976 season, being 0-5 at midseason, but came back to finish second in District 3-AA play, and gave Dimmitt a run for the title. Team members are, back row,

left to right, Chris Beck, Kevin Kothmann, Ram Randolph, Jeff Peak, Glen London, Larry Broyles and Koty Kothmann. Third row, left to right: coach Teddy Giddens, coach Gary Jones, Mark Lunday, Ricky White, Benito Castillo, Keith Martin, Todd Bandy, Kelwin King,

Mike Murphy, coach Jimmy Pope and coach Al Lemons. Second row, left to right: Perry Church, Raul Brailiff, Jesus Mata, Clifford McLellan, Terry Wilcox, Chris Ingram, Joe Menefee, Bryan Landrum, Paul McNeely and coach Wes Bradshaw. Bottom row, left to

right: coach Gary Rambo, Ernest Mills, Edward Castillo, Joe Lafuente, Mitchell Smiley, Clint Mears, Jerry Martin, Manuel Rodriguez, manager Terry Sharrock and manager Bobby Davis. Not shown is Eddie Brailiff.

# PUBLIC AUCTION **Chiefs Top Vega In Opener**

**OWNER:**  
Mrs. C.M. Phipps:  
Due to the death of my husband I will offer for sale the following equipment:  
**TUESDAY, NOV. 23, 1976 1:00 p.m.**  
Located: From Friona Texas 6 miles north  
3 1/2 miles west on highway 214 then 1/2 mile south

## BARTLETT & POTTS AUCTION SERVICE

### FARMING EQUIPMENT - CONT.

- 1 JD 6-row 3-point Rotary Hoe
- 1 IHC 3 Section Harrow
- 1 4-Row Bed Packer
- 1 Evalsman V Ditcher (drag type)
- 1 JD 7 Blade
- 1 28 Rail Road Iron

### IRRIGATION EQUIPMENT

- 50 30' Joints & Flow Line
- 2 292 Chevrolet Irrigation Motors
- 1 Lot 1 1/2" and 2" Tubes
- 1 4" Tail Water pump with Chevrolet 6 cylinder Motor

### MISCELLANEOUS

- 1 1000 Gal. Propane Tank
- 1 500 Gal. Propane Tank on 4-Wheel Trailer
- 1 Butane Filler Hose
- 1 500 Gal. Water Tank
- 1 530 Gal. Diesel Tank on Trailer
- 1 Forney Electric Welder
- 1 A Frame Hoist for pickup
- 1 Lot Cylinders
- 1 40' Mayrath Grain Auger
- 1 Baker Built Calf creep Feeder
- 1 Rolling Shop A Frame
- 1 Combine Hitch
- 1 Set 18-4-34 Snap on Duals
- 1 32 Gal. Butane Tank for Pickup
- 1 Barrel Stand

### MISCELLANEOUS

- 1 Lot Electric Fence Post & Wire
- 1 Set of Stock Racks 16'
- 2 Sets of Spacers 4"x7" Bar to 2 1/2" Bar
- 1 Lot of Tires & Wheels
- 1 Lot of Saws, Spacers and Chisels
- Many Other Items too Numerous To Mention

### TRACTORS And TRAILERS

- 1 1970 JD 4020 Tractor, Diesel Cab, Dual Hydraulics & Fully Weighned (Extra Clean)
- 1 14 Stock Trailer
- 1 30 Pipe Trailer (Good)
- 1 3 & 4 Bale Cotton Trailers (all Factory Chases)
- 1 30 Donalut Implement Trailer with Sliding Axle

### TRUCKS & PICKUPS

- 1 1964 Chevrolet Truck with steel bed & Hoist
- 1 1966 Chevrolet - Ton-Pickup

### FARMING EQUIPMENT

- 2 JD 20x8" Wheel Drills
- 1 JD 16x10" Wheel Drill
- 2 Big Ox 9 Chisel Plows
- 1 Big 12 6-row Cultpacker
- 1 JD 20' Tandem Disc with foldup wings
- 1 Case 14' Tandem Disc with 24" Disc
- 1 21' Double Tool Bar Rig
- 1 Lilliston 8 row Rolling Cultiva-tor with Disc & Knives (like new)
- 1 6-Row Bed Shaper (Good)
- 1 JD 7-row Litter with Dual Gauge Wheels & Mills Machine foldup Markers (Good)
- 1 JD 3x16" Spinner Plow
- 1 JD 9' Drag Tandem Disc
- 1 JD 2-row Shredder with 3 point
- 1 JD 2x16" Breaking Plow
- 1 JD V Ditcher, Cylinder Type
- 1 36"x14" Wooden Box Floor
- 1 28"x12" Metal Box Floor

The Friona Chieftains took their basketball season opener, as they out-shot the Vega Longhorns by a score of 53-42 here Tuesday. The closest the Longhorns were able to get to the Chiefs was a three point spread early in the first quarter. "I was very pleased with our first game," said Friona's new head basketball coach Jimmy Pope. "We got a lot out of it and feel we had a very good team effort."

Coach Pope cited Jeff Whiteside for his outstanding offensive effort. "Jeff had a very good night on offense. He scored 18 points in all and shot 40 per cent from the floor and 100 per cent on his free throws." Pope also named Paul Ortiz for his defensive work. "Paul did an outstanding job on defense. He blocked about three shots and deflected two or three passes," concluded coach Pope.

Keith Martin, Jeff Whiteside, Mark Neill and Jon Jarecki carried most of the load, playing most of all four quarters, while Paul Ortiz, and Koty and Kevin Kothmann were all in for parts of three quarters.

The Chieftains managed to take a 13-10 lead at the end of the first quarter, but were held down some by the Vega defense and ended the second quarter with both teams standing even scoring 11 points each, giving the Chiefs a three point advantage going into the locker room at the half.

The second half, the defense got tougher and the offense got hotter as the Chiefs outscored the Longhorns 14-8 in the third quarter and 15-13 in the fourth stanza.

The most impressive factor about the second half was the quality of play produced by the boys that came in off the bench. Coach Pope played his whole team and the action never once slowed down.

Martin and Whiteside showed good quickness and ball handling ability, while Mark Neill showed promise of greater things to come with his rebounding and general leadership. Others to watch closely include Paul Ortiz, Jon Jarecki, Koty and Kevin Kothmann.

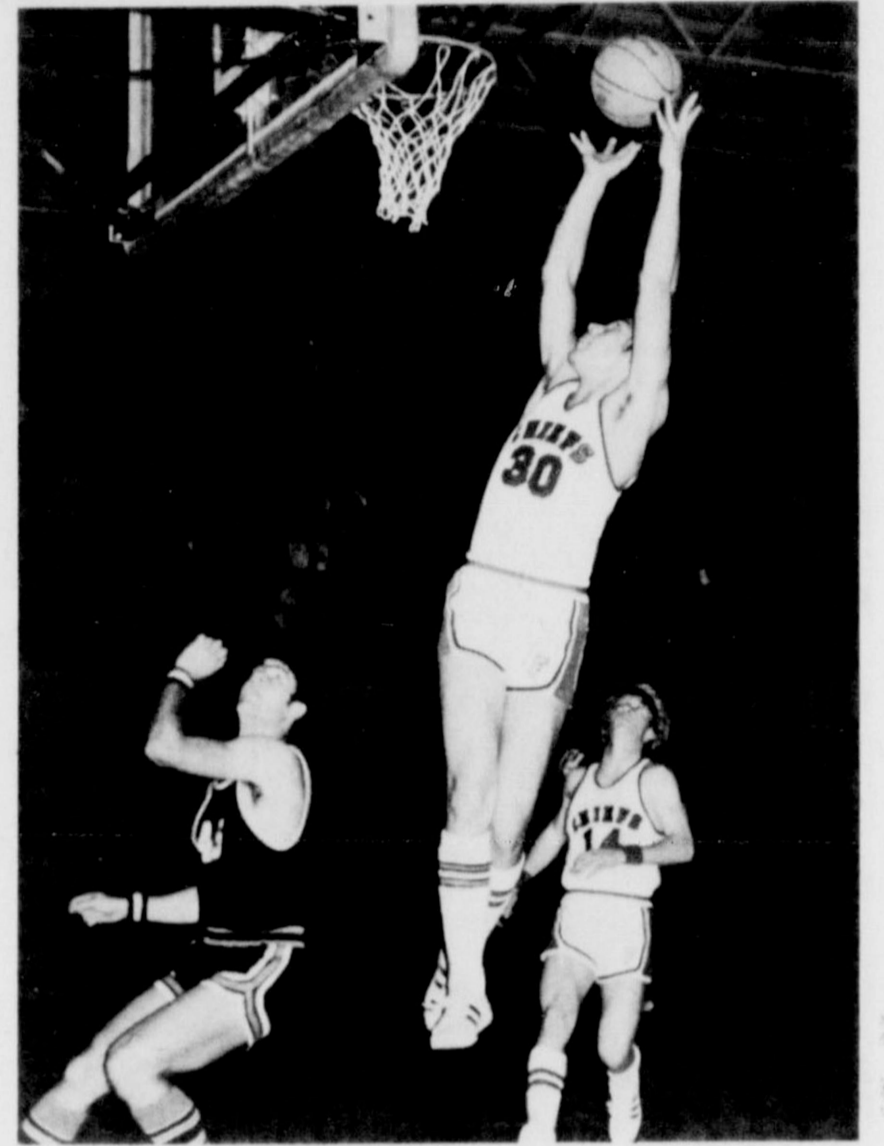

Friona 13 11 14 15-53  
Vega 10 11 8 13-42  
Keith Martin, 1-4-6; Jeff Whiteside, 6-6-18; Mark Neill, 6-0-12; Paul Ortiz, 2-0-4; Jon Jarecki, 3-0-6; Todd Bandy, 0-0-0; Larry Broyles, 0-1-1; Koty Kothmann, 1-0-2; Jeff Peak, 1-2-2; Kevin Kothmann, 0-0-0; Clint Mears, 0-2-2; Cliff McLellan, 0-0-0.

## 7th Girls Win, 8th Defeated

The Friona seventh grade girls opened their basketball season on a winning note Monday, beating the Canyon seventh graders by 24-19 on the home court. The team is still in the formative stage and Coach Buck is trying girls at different positions to see where they will be the best suited. Lesa Bermea scored 17 of the 24 points for Friona.

The Canyon eighth graders handed the eighth grade Maidens a loss in their opening game on the home court, 34-24. Canyon pulled ahead considerably in the second quarter, but the Maidens came back to within ten points by the end of the game.

Lynn Blackburn had nine points for the Maidens and Teresa Bermea had seven to lead Friona scoring in the game.

(Photo by Rick Luther)

UP FOR TWO...Paul Ortiz (30) is shown going up for a two-point play for the Chieftains in their basketball opener here against Vega Tuesday night. On the right is Chieftain Keith Martin. Friona won the game, 53-42.

## JOIN JACKPOT DAY FREE CASH

REGISTER NOW

### NEW NEW EXCITING WEEKLY CONTEST AT

NOTHING TO BUY! YOU DO NOT HAVE TO BE PRESENT TO WIN! REGISTER JUST ONCE... AND GET YOUR JACKPOT CARD PUNCHED EACH WEEK AND YOU CAN WIN EXCITING CASH DOLLARS FREE! FREE! DRAWINGS ARE HELD AT EACH SATURDAY...

**RULES**

Q—How do I participate?  
A—Fill in and deposit Registration Card and then sign and punch your Jackpot Day Card for first award which is \$50.00.

Q—How do I continue to participate?  
A—Punch your Jackpot Day Card at our store each week thereafter for each new award.

Q—How big is each award?  
A—Never below \$50.00. Award increases \$50.00 each week until won, then reverts back to \$50.00.

Q—Do I have to buy anything to punch my Jackpot Day Card?  
A—No. There is no charge or obligation of any kind.

Q—Do I have to be present to win?  
A—No. Winner will be notified and name posted in our window and newspaper ad.

Q—How many times can I register?  
A—One time. Your Registration Card remains in our JACKPOT DAY container.

Q—Who is qualified to register and obtain a Jackpot Day Card?  
A—Any adult person.

Q—Where will drawings be held?  
A—At our store each Saturday at 2 p.m.

Q—If my name is drawn and my card is punched for week before but not for week of drawing, can I win?  
A—No. Your CARD MUST BE PUNCHED FOR WEEK YOUR NAME IS DRAWN.

Q—Can card be punched in advance or ahead of time?  
A—No. Cards punched in advance are VOID.

Q—Can one person punch Jackpot Day Card for another person?  
A—No. Each person MUST punch his own card.

Q—Who does the drawing?  
A—Some disinterested party not connected with the store.

Q—If I lose my card, or if it gets ruined, can I get another one?  
A—Yes, but it is not necessary to register again. We do not pay on card that has been punched ahead or name erased.

Q—Is this program a secret?  
A—No. Please tell everyone.

Q—How long do I have to claim award?  
A—Until Tuesday 12 noon.

# Squaws Stumble In First Game

The varsity girls opened the season against the tough Vega team Tuesday, losing 36-55. Vega had virtually their same team back from last year while the Squaws are rebuilding due to graduation. Vega boasts one forward at 6-0 and another at 5-8 that are going to give opponents a tough job guarding.

Friona stayed with Vega until midway in the first quarter, then Vega slowly started pulling away with the quarter ending 18 to 8 in favor of Vega. Halftime score was 29-18.

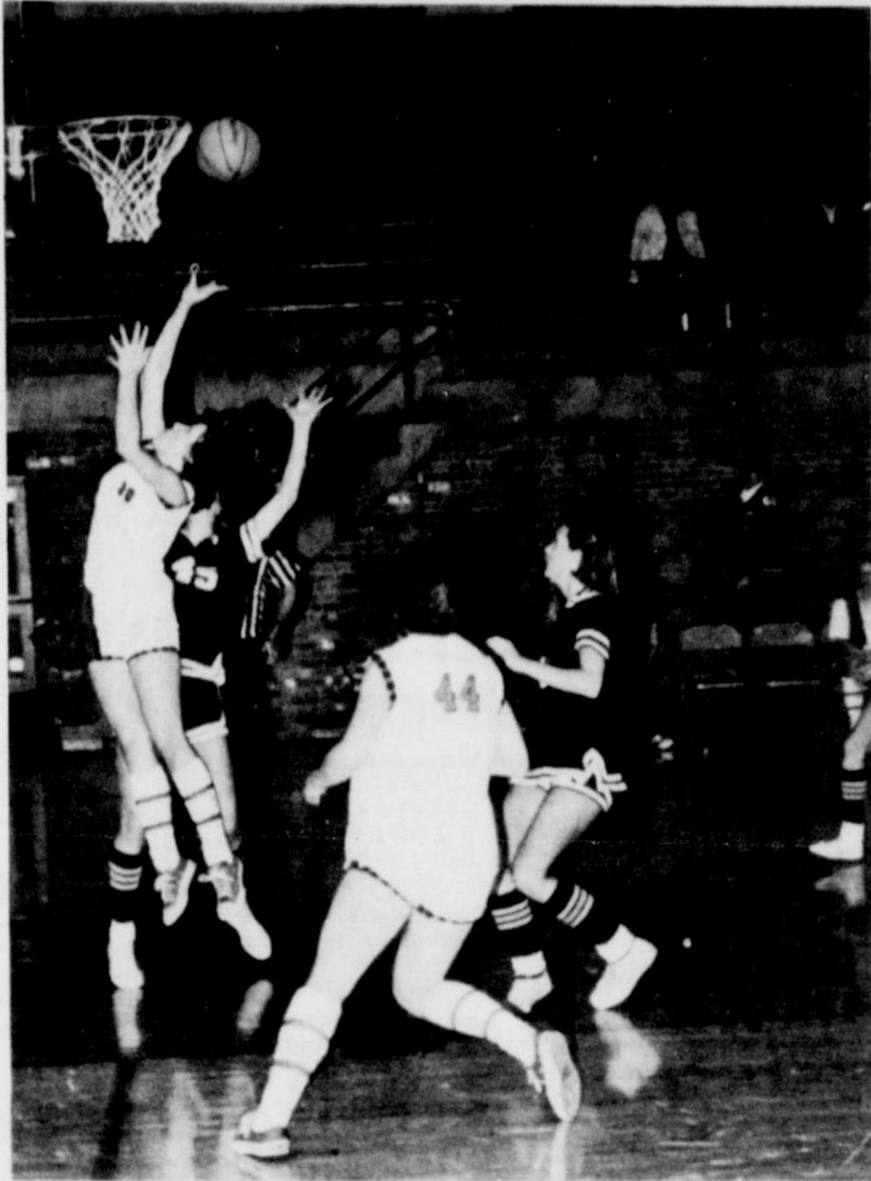

The third quarter saw the Squaws come within five of tying but Vega came on again. The quarter ended 40-30.

Vega put it on in the final quarter to end the game on top, 55-36.

### BOX SCORES

Forwards: Rhonda Parsons, 6-4-16; Cindy Cleveland, 3-0-6; Janice Peak, 3-0-6; Donna McBroom, 1-0-2; Renae Monroe, 1-2-4; Diane Bennett, 1-0-2; Melodi Dixon.

Guards: Linda Lee, Jatou Widner, Cindy Smiley, Sylvia Malouf, Sherri Rector, Linda Anthony, Johnna Thorn.

BATTLE FOR BALL...Diane Bennett (30) and an unidentified Vega player battle for possession of the ball in Tuesday's basketball action. In the foreground is Janice Peak (44).

# Freshmen Win, Tie In Windup Game

On Thursday, November 4, the Freshmen Chieftains played Dimmitt home winning 14-8 in their second encounter of the season. The Chieftains won the first game at Dimmitt 14-0.

In this game Dimmitt scored first on a 60 yard drive. The PAT was a power sweep and was good for two.

Friona scored in the second quarter but the PAT was not good. The halftime score was Dimmitt 8, Friona 6.

Friona received the kickoff and drove the ball 75 yards for a TD by Chuck Nichols. Joel Hight caught the pass for the PAT.

Robert Alexander, Chuck Nichols, Dean Church, and Bobby Thompson had a good game on offense. Jerry Harrelson, Joel Hight, Ben Landrum and David Fleming had a good defensive ball game.

On November 11 the Freshman Chieftains traveled to Olton for their

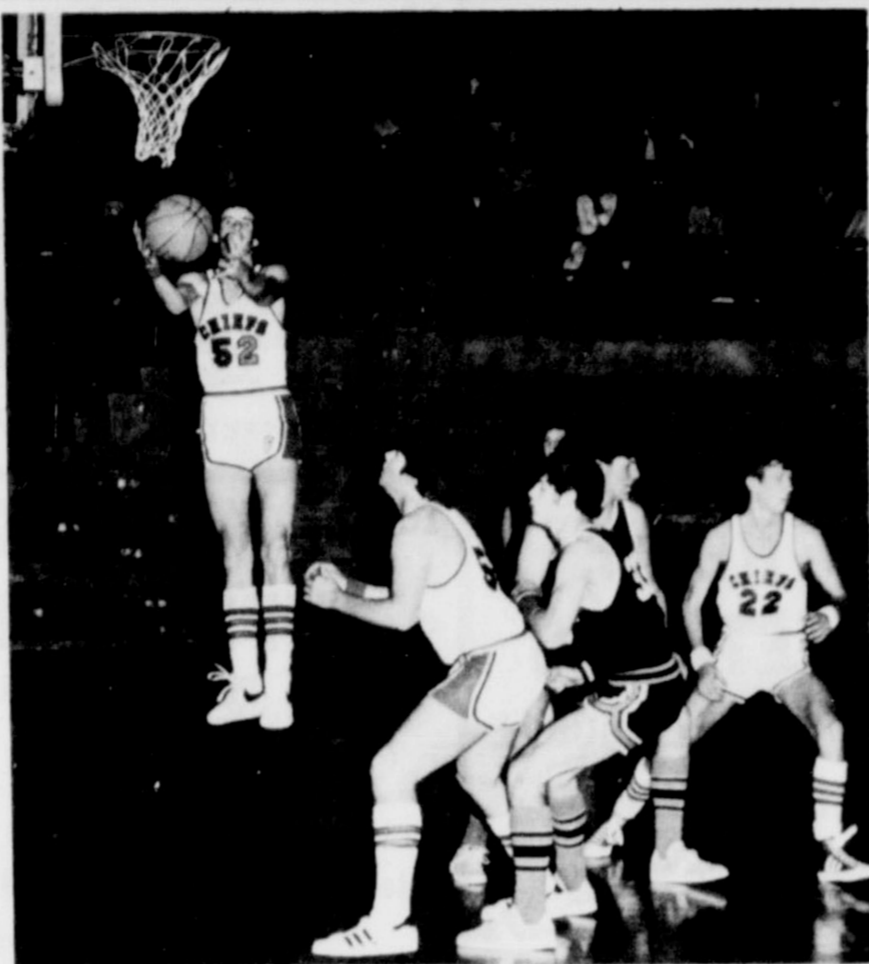

final game of the season. This game ended in a 6-6 tie.

Friona scored in the first quarter with a fullback dive, but the PAT was no good. For the rest of the ball game Friona dominated both offensive and defensive play.

Olton's score came with two minutes left in the game when Friona fumbled on their own 30. Olton scored their TD on a power sweep. Ben Landrum blocked the PAT try.

In this game Landrum recovered two fumbles, Rod Owen one fumble, and Bobby Thompson one fumble.

The freshmen's final record was 5-4-1 which included playing two junior varsity teams as well as this Olton team which had five sophomores on it. Coach Pope and coach Jones expressed pleasure in working with these young men and say they look forward to working with them in the future.

**JUMPING JACK....**Mark Neill, Chieftain basketball star, is shown taking a rebound against the Vega Longhorns Tuesday, and caught the other players flat-footed. Neill

scored 12 points, and the Chiefs took a 53-42 win in their cage opener here. After playing at Lubbock Cooper Friday, the team hosts Slaton on Tuesday.

# Freshman Squaws Win Opener, 39-36

The Freshmen Squaws opened their season with a win over the Canyon Purple team on the home court Monday night, 39-36.

The Canyon team took the lead the first quarter and held it until the third quarter when Friona took over. In the fourth quarter, Canyon got ahead by two and then again by one, but the Friona team kept coming back to take the game.

Karen Patterson kept Friona from being shut out in the first quarter. In the second, Dana Miller, Sarah Mears and Karen added to Friona's score but at half Canyon was ahead 24-12.

The third quarter was the turning point when Dana hit a hot streak and sank six baskets plus two free shots. Aided by points from Sarah the quarter ended 29-27 in favor of Friona.

The final quarter saw Shannon Parr come up with some good shots.

### BOX SCORE

Dana Miller, 11-3-25; Sarah Mears 2-2-6; Karen Patterson, 2-0-4; Shannon Parr, 2-0-4; Kimber Britting, Guards--Minnie Aragon, Penny Whiteside, Laticia Riveria, Diane Gustin, Beck, McLellan, Pam Lollan, Rosa Garza, Jeanette Gilliam.

# JV Girls Win Opener

The Junior Varsity girls basketball team won their first game of the season over the Vega JV's by a score of 37 to 22.

Friona had a 10-2 lead at the end of the first quarter on the scoring of Linda Nelson, Vickie Smiley and Varla Welch.

The same three kept the pace up in the second quarter with the half showing Friona 20 to Vega's eight.

Vega did some fast shooting to start the third quarter but slowed down after the first couple of minutes. In the meantime Linda and Varla just kept putting the ball in the

basket for Friona to lead 29 to 15 going into the final quarter.

This quarter saw most of the scoring coming from the free throw line for both teams.

### BOX SCORES

Forwards: Linda Nelson, 7-4-18; Varla Welch, 5-1-11; Vickie Smiley, 3-0-6; M'Linda London, 1-0-2; Julie Owen, Robin Zetzsche, Cynthia Bermea, Alesia Tucker, Sandy Schmidt, Guards--Veronica LaFuenta, Debbie Menefee, Kathy Martin, Christie Cunningham, Jerri Walters, Kim Frye, Karen Stevick, Stephanie Schueler, Rosemary Acv, Robin Martin, Teresa Clark.
