## 1974 Was A Newsy Year In Friona

## Year's Events Summarized

Politics, sports, the weather and a variety of other subjects made the news in Friona during 1974, according to a check of the weekly files of the Friona Star for the calendar year just ended. It was hard to pick a top news story, since the news covered a wide variety of subjects. We have attempted to list the top news-makers, arranged in order of their happening, for the year:

### JANUARY

An all-time record in deposit totals at Friona State Bank was evident as of the close of business on December 31, 1973, when \$22,266,824 was on deposit. The county's total (three banks) was also a record, with \$47,192,862 on deposit.

Cecil Maddox will become principal of Friona Junior High for the 1974-75 term. Maddox will replace Tom Jarboe, who was named to succeed Alton Farr as superintendent.

The Friona Chieftains beat Dimmitt at Dimmitt for the first time in at least 20 years, and downed Morton for the first time in 16 games, to capture the first half championship in basketball for District 3-AA.

Friona's band dominated all-regional tryouts, with 26 members of the junior high band and 17 members of the high school band rating all-regional honors.

### FEBRUARY

Paul Fortenberry filed for the office of county judge on February 4, to assure voters of a choice of candidates for that major county office.

The Friona Chieftains bounced Morton, 69-64 in a game at Morton Feb. 8, to wrap up the District 3-AA championship.

After being closed for the better part of a week due to the nationwide truckers strike, Missouri Beef Packers' Friona plant went back to slaughter operations Friday.

Friona will be headquarters for a Parmer County Outreach clinic of the Central Plains Mental Health and Mental Retardation Center.

The brand new County Showbarn was unveiled February 14-15-16 at the 26th annual Parmer County Junior Livestock Show. Lazbuddie

kept its streak going at 13 consecutive years with the barrow champion, when Charleson Steinbock's Duroc won top honors.

Friona's Chiefs stormed to bi-district and regional tournament wins, and made it to the state basketball tournament for the first time. A large contingent of local fans was on hand to see the team top Bastrop, 73-71, in a thrilling semi-final contest. However, the team ran out of luck in the finals, and Bowie took a 76-66 win for the state championship.

### MARCH

Gene Strickland and Dale Cleveland were both named to the Class AA all-state team following the state meet appearance. Coach Ray DeBord was named "Coach of the Year" by both the Amarillo Daily News and the Lubbock Avalanche-Journal.

A record crowd of 600 persons attended the annual Friona Chamber of Commerce and Agriculture banquet on March 11, staged in the new Community Center-Showbarn for the first time.

John Frazier, 49, was found shot to death on Wednesday, March 20 on the Parmer County Implement Company parking lot. James Leroy Lambert, 33, who had been a co-worker at the implement company's parts department, was charged in the shooting.

The U.S. Postal Service announced that it is interested in obtaining an option on a site in Friona for construction of a new post office building.

### APRIL

Ray DeBord, head coach of the Friona Chieftain basketballers for the past five years, resigned the

## Building Totals Hold Their Own

Although building totals across the country were down for the most part, construction in the City of Friona during 1974 was within \$18,550 of the totals of the previous year, and amounted to \$25,734 more than the average for the preceding three years.

Records released this week by City Manager Jake Outland showed that 33 permits were issued during the year for construction valued at an estimated \$659,750.

The total for the previous year had been \$678,300, and the average for the period 1971-73 had come out to \$634,016.

However, the totals are still more than \$1 million less than the city's all-time record of \$1,780,475, established in 1970.

Figures released by the city manager showed that nine permits were issued for new residence construction, for a total estimate of \$465,500. Two permits were issued for non-residences. Main item on the non-residence list was the new White's Auto Store, built for an estimated \$90,000.

Also, a total of 22 permits were issued for additions or alterations, which added another \$94,250 to the city's total.

January was the biggest month for permits, with permits issued for an estimated \$136,450 in construction. May was a close second at \$135,150. July was also over \$100,000, at \$122,000.

Other totals were: February--\$10,000; March--\$7,000; April--

\$90,000; June--\$90,000; August--\$13,700; September--\$46,000; October--\$5,800; November--\$1,150 and December--\$2,500.

Official records by the city show construction listed as follows for the past 14 years: 1961--\$475,350;

1962--\$725,624; 1963--\$873,475; 1964--\$1,149,040; 1965--\$599,100; 1966--\$339,330; 1967--\$505,810; 1968--\$1,035,200; 1969--\$1,012,900; 1970--\$1,780,475; 1971--\$562,150; 1972--\$661,600; 1973--\$678,300; 1974--\$659,750.

## Friona's S&L Branch Office Opens Monday

Tri-County Savings & Loan Assn. will open its new Friona branch office on Monday, January 6, it was announced this week by Donald W. Harmon, president.

The new office is located at 106 West Ninth. In the location formerly occupied by the Harvey, Messenger & Company.

Managing the Friona office will be Mike Gamble, 27, who comes to Friona from Vernon, where he was associated with the Vernon Savings & Loan Assn. for the past 7½ years.

Gamble attended Texas Tech University, where he was an accounting major. He and his wife Arcina have bought a home at 1301 West Sixth in Friona.

Office hours for the new Savings & Loan office will be 9 a.m. to 3 p.m., 9 a.m. to 5 p.m. Thursdays.

Residents of the Friona area are asked to come by the office and register for \$350.00 in silver dollars which will be given during a January promotion. First prize will be 200 silver dollars. Second prize will be 100 silver dollars, and third will be 50 silver dollars.

Tri-County Savings is observing its tenth anniversary this year.

## Changes Announced By Cable TV Here

Friona Cablevision announced this week two major changes in the local cable television company.

Two new channels are being added this weekend to the cable's bill of fare. One is channel 8, KSWs-TV of Roswell, N.M. Actually, viewers have been receiving this channel for about 10 days.

The other addition is Channel 3 of Portales, N.M., an educational TV channel.

"The educational channel does not have regular hours like other channels. Viewers will need to consult their schedule to see what programs are offered," stated Carl White, manager of the Friona Cablevision.

White said he had some pamphlets concerning the new educational channel at the company's office if anyone cared for one.

At the same time, the company announced that beginning Monday, reception on the cable will be switched to "channel on channel," meaning that channel 10 will be received on 10, channel 7 on 7, etc.

This move was made primarily to improve reception on Channel 10, which had been coming in on Channel 2 on the cable.

Channel 2 is used considerably by citizen's band radio, and causes some interruptions on the cable's channel, it was pointed out.

## Pennies Needed

Friona State Bank announces that it is needing pennies, if anyone has piggy banks they could empty.

Robert Neelley said the penny situation became critical for some merchants prior to Christmas, and the bank had trouble supplying pennies.

## Tickets On Sale For Banquet

Tickets for the 1975 Friona Chamber of Commerce and Agriculture banquet went on sale this week at the chamber office on Main Street.

Tickets are priced at \$6.50 each. The banquet is slated for the night of Monday, January 27, at the Friona Community Center. Speaker for the occasion will be Cavett Robert, a humorist.

Food will be provided by K-Bob's Steak House of Hereford.

## Year's Moisture Above Average After Slow Start

In spite of an extremely dry start which saw only 1.29 inches of moisture measured during the first five months of the year, the total moisture measured locally during the calendar year 1974 was almost two inches above the average for the city.

Total moisture received, according to City Manager A.L. (Jake) Outland, was 17.37 inches. Of this, 13.33 inches fell after the first of August, which made it too late to benefit the 1974 row crops. However, a good supply of ground moisture is now on hand, which the area did not have a year ago.

Wettest month was August, when a whopping 6.54 inches were registered locally, 37.6 per cent of the year's total. Driest month was May, when only .09 inch was logged.

The moisture receipts were as follows: January--.54; February--.17; March--.38; April--.11; May--.09; June--1.55; July--1.20; August--6.54; September--2.08; October--3.87; November--.25; December--.59. Total--17.37.

The moisture for 1974 was almost an inch more than was registered here in 1973, when 16.44 inches was the recording. The average since records have been kept by the City of Friona since 1962 is 15.47, ranging from a high of 18.80 inches in 1963 to a low of 9.38 inches in 1968.

## Names Omitted From Card List

It was discovered that two names were omitted from the "Project Christmas Card" list which was published in the Christmas edition of the Star.

Those contributing, and who wanted to wish their friends and neighbors Merry Christmas, were the Percy Parsons family, and Arthur and Luella Drake.

It was announced that the project raised \$3,125.01, which will buy a new anesthetic machine for Parmer County Community Hospital.

## 45 YEARS AGO—JANUARY 10, 1930

In Tuesday's issue of the Daily Journal of Clovis, announcement was made that the company which has the franchise for distribution of gas in Clovis will soon receive gas from the West Texas Gas Co., and that a line will be rushed from its terminus at Hereford to supply gas to Friona, Bovina, Texico, Farwell, Clovis and Portales. This seemed the logical thing to do in the first place, but it took a lot of bickering to get the job accomplished.

## 40 YEARS AGO—JANUARY 4, 1935

J.C. Wilkison of this place, better known as "Wilks" has been busy the past week or more receiving the congratulations of his Friona friends and neighbors on his appointment to the position of office deputy under the new sheriff, Earl Booth.

## 35 YEARS AGO—JANUARY 5, 1940

The Friona alumni and old-timers enjoyed their third annual homecoming banquet this year. The banquet was served by the ladies of the Congregational Church. Because of unfavorable weather, only about half of the usual number expected arrived. The address of welcome was given by Rev. C. Carl Dollar.

Weddings reported in the Star included Frank Truitt and Carmaleet Tims, and Floyd Brookfield-Loretta Griffith.

## 30 YEARS AGO—JANUARY 5, 1945

The opening of the Welch Auto Supply store here on Tuesday has added a progressive step to the business enterprise of Friona. The store is owned, and will be operated, by Nelson Welch, and his brother-in-law, Ralph Miller. The new business brings to Friona a much-needed enterprise of this nature, there having been none that made a specialty of this line of goods.

## 25 YEARS AGO—JANUARY 6, 1950

Dr. H.H. Cooke, who has been head physician and surgeon at Parmer County Community Hospital at Friona has resigned his position with the hospital and he and Mrs. Cooke and their small daughter departed for California Sunday morning.

A deal whereby the Corner Grocery changed ownership was completed last week, when L.M. and W.S. Crow sold the business to Messrs. W.E. McGlothlin and De Wayne Cleveland.

paper of the lease of the Santa Fe Grain Company in Friona to the Continental Grain Company G. (Preach) Cranfill will remain as manager of the local firm. No change in policy or personnel is anticipated.

## 15 YEARS AGO—JANUARY 7, 1960

Interest in stocking Parmer County with pheasants continues to increase, reports Al Kerby of Bovina, who is helping to push the proposed program. A meeting of all people who are interested in the idea will be held Thursday night in the American Legion Hall in Bovina.

## 10 YEARS AGO—JANUARY 7, 1965

Construction in Friona during the calendar year 1964 set a new all-time record for the third straight year, and this time, the mark will be hard to topple. Aided by the figure for the new Friona High School, building was begun in Friona for 1964 for an estimated value of \$1,978,040.

## 5 YEARS AGO—JANUARY 8, 1970

Earl Graham has purchased the Parmer House Restaurant from Mr. and Mrs. Sam Lindley and Christine Shirley, it was announced this week. Graham also announced that his brother, Billy, has joined him and will serve as cook at the new location. He has set up a new "buffeteria line," which will be in operation at noon each day.

## Services Saturday For Otis Edward Massey

Funeral services for Otis Edward Massey, 84, long-time Friona resident, were slated for Saturday afternoon at 2:30 p.m. at the First Baptist Church.

Massey was dead on arrival at Parmer County Community Hospital Tuesday morning after suffering an apparent stroke.

Officiating at the funeral services was to be Rev. Russell Pogue of Stratford, assisted by Bill Penland and Ron Trussler of Friona. Burial will be in Friona cemetery, under the direction of Parsons-Ellis Funeral Home.

Mr. Massey, born at Midlothian, was a retired farmer.

He was a charter member of Woodmen of the World. Survivors include four daughters, Mrs. Elizabeth Ferguson and Mrs. Geneva Williams, both of Friona, Mrs. Frances Baze of Dallas and Mrs. Betty Young of Hereford; four sons, Russell

of 2703 Oak in Amarillo, Stanley of Bellflower, Calif., Wayne of Olympia, Wash., and Marvin of Blunt, S.D.; one sister, Mrs. Beulah Munden of Cleburne; 23 grandchildren and 25 great-grandchildren.

Mr. Massey was preceded in death by his wife, Beulah in 1963, and two sons, Edward (1967) and Gordon (1968).

Pallbearers were to be grandsons, Kenneth Ferguson, Fred Ferguson, Tommy Massey, Eddie Massey, Leon Massey, Weldon Massey, David Massey, Stanley Massey, Jr., Jimmy Young, Teddy Massey, Bary Massey and Matt Massey.

## Rites Held For Castillo

Roque Castillo, 64, of Friona, a laborer, died Tuesday in Parmer County Community Hospital.

The funeral was at 10 a.m. Thursday in St. Teresa Catholic Church with the Rev. Joe Gilligan, pastor, officiating. Burial was in Friona Cemetery by Parsons-Ellis Funeral Home.

Mr. Castillo was born at Rock Springs.

Survivors include his widow, Maria; five daughters, Mrs. Helen Perez, Estella Castillo and Hilda Castillo, all of Friona, Mrs. Rosalinda Gonzales of Junction and Mrs. Eloisa Moore of Amarillo; eight sons, Felix of Wyoming, Domino of Seminole, Thomas of Hobbs, N.M., Robert of Amarillo, Roque Jr., Humberto and Albert, all of Junction and Arthur of Friona; two sisters, Mrs. Inacida Rosas of Menard and Mrs. Casimira Franco of Rock Springs; four brothers, Juan and Jetrudas, both of Rock Springs, Lula of Friona and Domingo Mirales of San Jose, Calif.; 20 grandchildren and one great-grandchild.

**FALL OFFERS** numerous advantages for taking soil samples for testing.

First of all, field conditions are more favorable for doing a thorough job of sampling—the key to a good soil test.

Also, the urgency of having test results back immediately is not as pressing as during the spring rush.

More time is available to study results before purchasing fertilizer, and dealers will have a better selection of fertilizer materials to meet specific needs.

With fertilizer costs rising and some materials in short supply, a current soil test is the best guide for fertilization for 1975 crops.

So, get the jump on next season's production schedule with a soil test. It's a step in the right direction for a profitable crop year.

++++  
A SEARCH for "empty" pesticide containers and proper storage of left-over pesticides are essential practices for pesticide safety both in the home and on the farm.

So-called "empty" containers, although empty for practical purposes, will contain some left-over pesticides. If the container has been rinsed and drained or triple rinsed after use, the amount of pesticide remaining will have been reduced considerably.

Studies have shown that from 0.8 per cent to as much as 4 per cent of the pesticide material may remain in a five gallon container with a pouring spout. Such "empty" containers pose a considerable potential for accidental poisonings of humans, domestic animals, pets and wildlife unless properly handled and disposed of.

On the farm check barns, machine sheds, farm truck and applicator equipment, fence rows and fields. In the home check the garage, under the sink, in the broom closet and pantry and medicine cabinets. Dispose of all "empty" containers promptly and properly.

Proper storage protects the health and well-being of people, protects against environmental contamination, and often extends the shelf life of the chemical. Pesticides to be reused should be stored in a well-ventilated, dry place away from food, feed, fertilizer or seed. Storage in a separate building is preferable, but isolated storage rooms can be used in certain instances. Store only pesticides that are in the original container with fully legible labels intact. The label may provide special information regarding storage of the product.

**IT'S A NEW YEAR** and time to unwind from the holiday season. We've all overstuffed ourselves with holiday foods, we've overdone on just about everything-including the food budget-and that old inflation problem made those last two months of the year real budget-wreckers with all the giving of gifts and those holiday get-togethers.

When you need to get back to the realities of fixing food for the family on a day-in-day-out basis, and try to make up for all those "holiday extras," it's time to get back to the basic staples. Two such foods are dry beans and dry peas. Harvests of both last fall were exceptionally large, according to marketing specialists with the U.S. Department of Agriculture. Don't forget those black-eyed peas for good luck.

"For luck," many people here, as in many parts of the country serve a traditional helping of black-eyed peas on New Year's Day. It's an old custom, and a good one. The use of dry beans and dry peas, and many of the other minimum processing foods, are good ways to feed the family throughout the year, usually at much less than the "heat and serve" convenience foods, or the usually higher priced sources of protein.

## SWPSC Announces Improvement Plans

More than \$345,000,000 will be invested in new equipment and improvements during the next five years by Southwestern Public Service Company, Roy Tolk, chairman and president of the electric company, announced recently.

The investment for 1975, 62.4-million dollars, will be the largest annual amount ever budgeted for the company, but the record will be short-lived. The projected investment for 1976 is more than 65-million dollars, more than 76-million dollars in 1977, and in 1978, the company expects to spend more than 77-million dollars for the improvements and equipment necessary to continue providing electric service for this growing area.

Three new generating facilities to be installed during this five year period will increase the capability of the SPS system by more than 1-million kilowatts, bringing the total capability to approximately 3 1/2-million kilowatts.

Harrington Station, northeast of Amarillo, will be the site for the first two additional generating units. The first is now under construction and is scheduled for completion in mid-1976 and completion of the second unit is planned for 1978. These two generators will each have a capability of 350,000 kilowatts and will use coal as their primary fuel.

"Construction of the third generating unit will start during the latter part of the five year period and will also use a coal fired boiler," Tolk said.

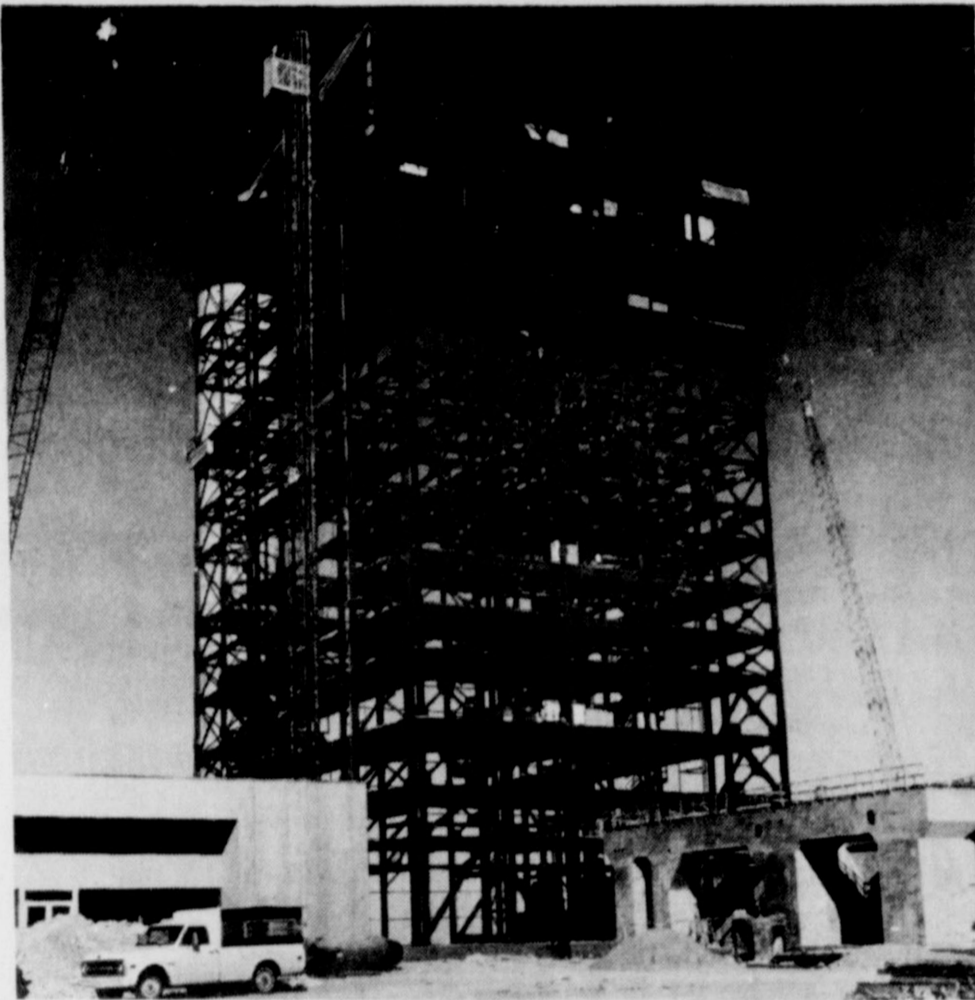

In September of this year, SPS announced its interest in taking a lead role in the construction of the nation's first nuclear power plant using a gas-cooled fast breeder reactor. The company signed a letter of intent with the General Atomic Company of San Diego, California indicating

that SPS would contribute \$100-million to such a project.

Transmission lines and transmission substations to be built during the five year program will represent an expenditure of more than \$50-million. The lines will be 115,000 and 230,000 volt and will serve the major load areas in Southwestern's system.

Construction will start in the near future on a 115,000 volt transmission line from Cunningham Station, near Hobbs, New Mexico, to Carlsbad, New Mexico. This new line will provide additional power for new and existing industrial loads.

"This region can avoid the recession which is gripping much of the nation if the people of the area will continue the planned development program for growth which utilizes all of our assets. Planning is the key word and our area development people are dedicated to helping every community that wants to work at planned progress. Finally, the whole region can count on adequate electric power being one of the assets at work," Tolk concluded.

HARRINGTON STATION, Southwestern Public Service Company's first coal-fired generating station, northeast of Amarillo, is scheduled for completion in mid-1976. The new 350,000 kilowatt generating facility is a part of the \$345-million expansion and improve-

ment program projected for SPS over the next 5 years. The investment for 1975, \$62.4-million, will be the largest annual amount ever budgeted for SPS, but the record will be short-lived, as the projected budget for 1979 will exceed \$77-million.

# 1974 Was A Newsy Year In Friona . . . .

first week in April to accept a job as head coach at Bell Hurst High School, a class AAAA school in Fort Worth. DeBord's five-year record was 81 wins, 68 losses. The win total is the most ever by a Friona boys coach. Larry Dyess will be his replacement.

After a 21-year drought for district track championships, the Friona Chieftains took the district title with 131 points and qualified for regional in five events. Event winners were Dave Clark (high jump), Dale Parsons (mile), and the mile relay foursome of Greg Collier, Parsons, Clay Bandy and Ted King.

Friona High School continued its mastery in District 3-AA by winning the district literary meet at Olton on April 8.

Around 1,000 people attended the Tom T. Hall Show, held on April 20 at the Community Center and sponsored by the Business Activities Committee of the Chamber of Commerce.

Carl C. Maurer, owner and operator of Maurer Machinery Company in Friona for the past 45 years, held an equipment auction at the business on April 23, after which the company closed.

Two attorneys were added to Friona's legal profession, with Ronnie Williams joining Doyle Elliott's staff, and Jim Clark joining Richard Collard. Both passed their bar exams the same week.

Hi-Pro Feeds was one of five companies in the state selected to receive the annual Governor's Industrial Expansion Award for 1973.

## MAY

Winning six out of nine voting boxes including the absentees, Paul Fortenberry of Friona turned back County Judge Archie Tarter's bid for re-election May 4 by winning the Democratic nomination, 1107-789.

The FHS boys debate team, Trip Horton and Mickey Harrelson, went to the state finals, losing a split (2-1) decision for the state title.

The Friona Squaws' mile relay team, composed of Terri Patterson, Paula London, Jatón Widner and Lucinda Aguirre, made it to the state meet without losing a race. The team placed fourth, but was disqualified on a technicality.

Annette Reznik, with a four-year average of 97.09, and Beverly

Bailey, at 95.7, were the honor graduates for the FHS class of 1974.

The Friona High School Band was named "Outstanding Band" in its division while performing in the Six Flags Over Mid-America band festival in Missouri in May.

Gen. Robinson Risner, former senior ranking officer in the POW camp at Hanoi, drew a capacity crowd as speaker for the Friona Parent-Teacher Organization May 16.

## JUNE

Rev. Albert Lindley, pastor of the First United Methodist Church of Friona for the past five years, has been nominated for a position as pastor of the First United Methodist Church of Vernon. Rev. Bobby McMillan is the new Methodist pastor.

Rev. Charles Broadhurst, pastor of Friona's First Baptist Church for the past four years, resigned to accept a similar position at the Southcrest Baptist Church in Lubbock.

A contract for the Highway 214 project, to include widening the road to Hub and construction of an overpass at the Santa Fe tracks just south of Friona was awarded on June 1.

Jim Johnston was honored as "Father of the Year" in balloting sponsored by the Friona CowBelles prior to Father's Day.

Mark Blankenship, son of Mr. and Mrs. J.C. Blankenship, was chosen as state mascot of the Texas Fireman and Fire Marshalls Assn.

After a two week delay, Parmer County Commissioners okayed a \$277,715 law center, to be built adjacent to the Court House in Farwell.

## JULY

A former Friona resident, Fleta Terry Blackshear, who taught school here in the 1940s, was killed in Amarillo on July 1 in a domestic quarrel which left both Mrs. Blackshear and her husband shot to death.

A 15-cent increase in the tax rate for Friona Independent School District was announced for 1974-75 taxes.

Dale Cary, immediate past president of the Friona Chamber of Commerce, resigned his position with Production Credit Assn. Cary accepted a position with an Olton bank.

Progressive Study Club sponsored wrestling at the Community

Center on July 22, and a good crowd attended the matches, promoted by Jerry Kozak of Amarillo.

New city pastors include Bill Penland at First Baptist Church; David Plumb at the Congregational Church and Ron Trussier at Calvary Baptist.

## AUGUST

Darrell Simpson, who has been with Production Credit Assn. since June of 1972, was named manager to replace Dale Cary.

A 19-year-old Friona man apparently hanged himself about an hour after being arrested in Dimmitt for drunk driving. Bardemar Barda was the hanging victim at the Castro County Jail.

Some 550 residents of Parmer County and the surrounding area attended a "Doctors' Appreciation Night" banquet at the Community Center on August 13.

A solid week of rainfall in the local area threatened the moisture record for the month of August, and has farmland in the area completely soaked for the first time in more than a year. Friona's official total was 6.54 inches during the month, just .29 inch short of the record.

## SEPTEMBER

Grand opening for Friona's newest retail store, White's Auto, was held September 5-6-7 at the company's new location on West Highway 60.

Virginia Jennings, secretary to Friona school superintendents for 23 years, retired on September 6.

A cold Canadian air mass dropped temperatures to a low of 43 degrees on September 3, lowest on record for that date in Friona.

Gibson's Discount Stores plan to open a location in Friona. It was announced on September 15. Due to other expansion underway in the company, no definite date was given by Jerry C. Wilson of Pampa. Gibson's has leased the former White's Auto building on Highway 60.

Charles Caudill was named the new associate at Ethridge-Spring Agency, with the retirement of Bill Stewart, agency partner for 26 years.

A "first" for Friona was held on September 27, when an Auto Show was held at the Community Center-Showbarn.

After disposing of Farwell 44-0, the Chiefs downed Muleshoe 13-0 and Tulia 6-0 for three straight shut

out wins in their first three football games.

## OCTOBER

Amal Malouf was crowned Maize Queen to reign over the 1974 Maize Days celebration. Judy Mallett, Miss Texas of 1973 and a Miss America finalist, served as emcee of the contest.

Two Liberal, Kansas men were jailed October 5 after an attempted break-in at Bi-Wize Drug.

Gene Snyder, 21, was found dead October 11 in a jail cell at Farwell. He had been jailed on a DWI charge.

Although finally allowing their

goal to be crossed for the first time, the Chieftains continued unbeaten with wins over Hart, 14-6, Dalhart, 19-2, and Abernathy, 28-13. However, in their district opener October 25, Olton scored a 6-0 win in a tough defensive struggle to hand the Chiefs their first loss of the season.

Funeral services for Carl C. Maurer, pioneer Friona resident, were held on October 30. Maurer and his wife Luella had observed their 50th Wedding Anniversary some two weeks before--on October 12.

## NOVEMBER

Weather continued to plague the area's harvest operations. Farmers, who couldn't get a drop of rain back in the spring and summer, had the corn and milo harvest stopped just when it was about to reach its peak.

After battling back for a thrilling 21-14 win at Littlefield on November 1, the Chieftains dropped a hard-luck 10-7 contest to Dimmitt here November 8, which knocked the Chiefs out of the district title chase.

# Chieftains Repeat As Amarillo Champions

Running their season record to 15-1, Friona High School's Chieftains won the championship of the Amarillo Christmas Holiday Basketball Tournament for the second straight year last weekend, scoring three fairly easy wins in the process.

The Chiefs were threatened only briefly in the semi-finals, in disposing of three formidable class AA opponents in the tournament's Division I (larger schools). Last year, Friona scored four wins in taking the title in the first-ever Amarillo Holiday tournament. In that one, all schools played in one division.

The opening game found Friona coasting past Spearman, 70-51. The Lynx, who were making their first basketball start due to being in the state football finals, raised some eyebrows by coming back to win the division's consolation crown with wins over Dumas and Canyon.

Friday, the Chieftains scored a 79-48 win over Abernathy in the semi-finals, in a game that was razor-close for the better part of three quarters before Friona blew things wide open with a 40-point explosion, in the last ten minutes of the game.

Abernathy, which has a 14-4 season record, proceeded to win third place on Saturday over Alamo Catholic of Amarillo, so that all three teams played by the Chiefs turned out to be trophy winners.

The championship came after a 63-41 win over the Childress Bobcats in the finals on Saturday. It marked the second straight year for the Chieftains to down Childress in the tournament.

The Chiefs are probably not winning any friends in the Childress area, since it was Friona that eliminated the Bobcats from the state title chase with a 65-48 victory in the regional semi-finals last February at Lubbock.

Childress came out scrapping, and carried the fight to the favored Chieftains in the opening quarter. After Friona took an early 6-2 lead, the Bobcats rebounded to tie the count at 10-all with 3:05 remaining in the quarter. The Cats took their first lead at 12-10 25 seconds later.

## Kenny Taylor Is Champion

Kenny Taylor was the tailfeather champion in the Friona area for the 1974 pheasant hunting season. Taylor's winning entry, turned in at Friona Consumers, was a 25-inch feather.

Second place was won by Kelvin King, who had an entry measuring 24 1/2 inches. Third place went to Ted Lindeman, with a 24 1/2 inch feather.

Taylor's entry will be submitted for judging for the county championship. The top three winners will receive checks for \$15, \$10 and \$5.

Gene Strickland tied the count for Friona, and Childress' Mark Lanham put his team back in front at 14-12.

However, Dale Cleveland's turning jump shot tied it back up for Friona, and Strickland's jumper gave Friona a 16-14 lead that the Chiefs would not surrender.

The score at the first intermission was 20-16 in a hard-fought quarter.

Childress continued to apply pressure as the second quarter began, pulling to within two points at 22-20, 24-22 and 26-24. However, a rash of Friona baskets, by David Hutson, Strickland and Cleveland shot Friona into a 34-24 lead just before halftime and the Bobcats were never that close again.

Dusty Peters, who didn't have a real high-scoring tournament, came in to score three baskets in the third quarter, and Cleveland, having his best game of the meet, added three more, as Friona stretched its lead to 16 points, 50-34, and began to salt the game away.

Less than three minutes into the final quarter, Friona opened up a 21-point lead, on a three-point play by Cleveland, and it was all over but the shouting. Coach Larry Dyess began to sprinkle his lineup generously with reserves at this point.

Cleveland led all scorers with 29 points, and had complete control of the boards, with an eye-popping 31 rebounds for the game.

The most interesting game from a spectator standpoint was the semi-finals' win over Abernathy. In that one, fans really watched two different ball games. One lasted until 2:30 remained in the third quarter, with Friona nursing only a three-point lead at 36-33.

The other "game" came in the final 10:30 of play, when Friona bombed the nets for 43 points while

holding Abernathy to only 15.

The first quarter started slowly, with each team feeling the other out. Friona held a 12-6 lead at the buzzer.

Abernathy fell behind by nine points as the second quarter opened (19-10), but rallied on the shooting of Artis Betts (number 42), and trimmed Friona's lead to only two at the half, 26-24.

As the third quarter unreeled, Friona fans began to hope they weren't about to watch an upset, as Abernathy finally tied the game at 30-all 2:30 deep in the period.

But the Antelopes never were able to take the lead. Strickland's jump shot from the side sent Friona back into the lead at 32-30, and a pair of baskets by Peters gave Friona a 36-32 lead.

Leading by only three points (36-33), Friona called time out. Chieftain fans hope that Coach Dyess remembers whatever it was he told the team, because when they hit the floor, they were a different team.

The Chiefs were fast-breaking, stealing the ball, causing Abernathy to make several costly mistakes, and hitting just about every shot they took.

At one stretch in the fourth quarter, Friona reeled off 19 straight points without Abernathy scoring, and the lead went from 46-36 to 65-46. It was an unbelievable rally for the Chieftains, but one the Antelopes would just as soon forget.

Abernathy came back on Saturday for a 70-45 win over Alamo Catholic, a team that had played Childress to within two points in the semi-finals.

In the Abernathy game, the team had four players in double-figure scoring, and would have had five if Peters had had one more point.

## AFTER 16 GAMES

# Four Players Share Team Stat Leadership

Four players are dividing up statistical honors on the 1974-75 Friona Chieftain basketball team, according to statistics compiled on the team through its first 16 games.

Gene Strickland leads the team in scoring, with 376 points, an average of 23.5 points per game. Dale Cleveland is runnerup, with 279 points for a 17.4 average.

Cleveland is the team's leading rebounder, with 258 rebounds, an average of 16.1 per game. In the finals of the Amarillo tournament, Cleveland raked off 31 rebounds while scoring 29 points.

Dusty Peters is the leading field goal shooter, hitting 54.8 per cent of his shots, 57 of 104. Peters is good from inside, and usually plays for the good shot.

Another senior, Dave Clark, is the leading free throw shooter, with a torrid 93.7 per cent of his shots, making 15 of 16 he has tried this season. Clark had not missed a shot until the Amarillo tournament, when his streak was snapped at 15 straight.

As a team, the Chiefs are averaging 74.8 points per game through 16 games, to 47 for the opponents.

# Star's Files Give Variety Of Events

(Continued from Page 1)

Tri-County Savings & Loan Assn., with main offices in Muleshoe, announced early in November that the savings & loan association would open a branch office in Friona around the first of the year.

Three people were injured November 5 when a car hit two children and the school's crossing guard, Newman Jarrell, in the Main Street crossing.

The Chieftains blanked Morton, 30-0 for their eighth win in the season finale November 15, and four nights later in their basketball suits for the first time, whopped Farwell, 92-52 in the cage season opener.

Lazbuddie voters turned thumbs down on a proposed \$380,000 school bond issue on November 19, by a vote of 139-81.

Excellent weather finally smiled on area farmers, who had their grain crops out for the most part by Thanksgiving.

## DECEMBER

Schoolboy Roy Smith won the Friona Star's annual football

contest and tickets to the Cotton Bowl Game. Mary Priest, who had been runnerup in the 1973 contest as well, finished as grand prize runnerup.

Grant Teaff of Baylor, the Southwest Conference's Coach of the Year, will be the speaker at Friona's athletic banquet next March, it was announced.

A "hung jury" ended the trial of Leroy Lambert, charged with murder in connection with the shooting of John Frazier last March. The trial was heard December 9-10-11 in District Court at Farwell.

Five new directors were elected in balloting by the Friona Chamber of Commerce, with George Rushing selected by the new board as its president for 1975.

Thomas L. (Buddy) Lloyd is retiring as manager of Friona Consumers as of January 1, it was announced. Lloyd has been with the company since 1941, and has been its manager for 24 years.

Over \$3100 was raised by Project Christmas Card for equipment for Parmar County Community Hospital.

FEATHER CHAMP...Kenny Taylor, right, had the winning tailfeather in the Friona area during pheasant season. He is shown with Sam Williams at Friona Consumers, contest headquarters.

# Teams Win Two In Muleshoe Tourney Play

Friona basketball teams both scored wins in the opening round of the Muleshoe Invitational Tournament Thursday afternoon.

The Chiefs blasted Crosbyton, 92-51, and the Squaws topped Lockney, 54-34.

The Chiefs were to play Lockney Friday in the semi-finals, with the Squaws meeting Olton.

Finals in the tournament are set for 6:30.

# 72-71 Loss Ruins Squaws' Title Bid

After lacking just one point being in the tournament finals, the Friona Squaws dropped their third place battle against district mate Dimmitt, 39-33, in the second annual Christmas Holidays Basketball Tournament.

In one of the tournament's most hotly-contested games, the Squaws dropped a thrilling 72-71 game to McLean in an overtime battle in the semi-finals, to knock the team out of a chance to defend the title it had won a year earlier.

That semi-final game produced a record of sorts when officials called 63 fouls on the two teams. McLean lost four players due to fouls, and the Squaws lost three.

Friona's loss proved more costly, as high-scoring Terri Patterson fouled out of the game just two minutes into the third quarter. However, Myrna Phipps, Terri's replacement, played a stellar game, and the Squaws could have won the contest if they could have hit their free shots.

Even with three starters on the bench, the Squaws battled back from a six-point deficit to tie the score and take the lead on two separate occasions in the second half.

Leading by 65-64 with 50 seconds left in the game, the Squaws missed a golden opportunity to sack up the game when a technical foul was called against the McLean coach. Amanda Mason, the Squaws' high-point girl, made only one of three free shots to increase the lead to two, 66-64.

Myrna Phipps then missed the first of a 1-1 free throw attempt with 15 seconds left and McLean tied it up on a shot with only one second showing to force the overtime.

McLean took two leads in the overtime period, but baskets by Misses Phipps and Connie Lindeman pulled the team back into a tie. Miss Lindeman completed a three-point play with 1:25 left to play, to give Friona a 71-70 lead, and the Squaws attempted to freeze out the clock.

However, a travelling violation in the last 30 seconds foiled the bid,

and a jump shot by McLean's star forward Sherri Haynes (21) with seven seconds ruined Friona's sterling effort.

Miss Haynes, a super-star selection, scored 48 points in spite of sitting out the entire third quarter with four fouls. She came back in to score her last 22 points still carrying four fouls.

Fouls again proved costly to the Squaws on Saturday, as Miss Patterson again fouled out, this time in the first half. However, Dimmitt equalized things a bit as their usual leading scorers, Cindy Dyer and Beth Cleveland, both fouled out of the game.

The Squaws had led, 8-4, after one quarter, but fell behind at the half, 21-14. They were trailing 30-21 entering the final quarter.

The Squaws advanced with an easy first-round win over Dumas, 70-30. This is only the second year for Dumas to field a varsity girls team.

Against McLean, the team hit only 21 free shots out of 35 attempts, and this cost them the game. However, the team managed to have four players in double figure scoring, led by Amanda Mason's 21.

**IN GRAIN**

**GSPA Executive Predicts Deficit**

The tightest grain supply in recent history is forecast for the southwestern part of the United States in the spring and summer of 1975. That is the prediction of Grain Sorghum Producers Association Executive Director Elbert Harp "if the present rate of consumption continues."

Harp points out that, although the number of cattle on feed is down, the number of cattle currently on feed is higher in relation to the feed supply a year ago.

The USDA cattle on feed report for November, 1974,

showed the cattle on feed number about 71 per cent of the level of the previous year.

The total 1974 production of corn and grain sorghum for the Southwestern United States is only 68 per cent of 1973. With the heavier weight cattle going into the feedlots, the average daily consumption may be higher, adding additional stress to the figures.

The exports of grain sorghum for the last six months of 1974 are running about 86 per cent of 1973. In comparison to the production of 1974 the export

market is using a larger percentage. The exports for the last six months of 1973 were 3.75 per cent of the crop that year. The relationship was 4.95 per cent for 1974.

"Under present consumption trends, it appears that grain will have to be shipped into the southwestern feedlots from the corn belt by late spring and summer," Harp predicted. "We encourage all cattle feeders to study these figures while grain is still available, in order to avoid the additional freight expenses."

**Natural Gas for the Future**

I'm pleased to report to our customers that Pioneer purchased more gas during 1974 than we used. This new gas will be available for future use, of course.

As you know, Pioneer is having to pay more for new gas than we've ever paid before. The competition for the gas produced in our area has never been so fierce. But the higher prices are resulting in lots of new exploration and production. I know of numerous wells which could not have been drilled at prices prevailing three years ago.

The increase in field prices means that our customers will have to pay more for the energy they use in their homes — gas and electricity — but, more important, it means he'll have the gas he needs.

All energy will cost more in the future but gas will remain your best energy buy.

**ASK ABOUT OUR BRIGHT STAR IN THE GALAXY OF ELECTRIC HEAT!**

It's called the heat pump . . . because it actually pumps heat . . . "in" your home in the winter . . . "out" of your home in the summer . . . That's really quite an oversimplification . . . but, quite simply, that's just what the heat pump does . . . using otherwise wasted heat and electricity in cooling and heating your home. In fact, in heating the heat pump actually produces more energy than it uses. For more information on the heat pump . . . call us . . . we'll give you all the facts in a free personalized electric heat cost survey!

Electric heat, a wise use of precious energy is a clean, quiet, economical and efficient means of heating your "inner space" . . . Electric heat is 100% efficient at the point of use. Like to know how you can have the space heating of the future, today?

Call us this week for a free personalized electric heating cost survey.

## Farmers Are Eligible For FHA Loans

Farmers and ranchers in Parmer County, Texas, who sustained production losses as a result of the drought during the period August 14, 1974 through October 1, 1974 may be eligible to receive an emergency loan from the Farmers Home Administration.

Those who have not received an emergency loan to assist them in recovering from their loss may apply for such a loan at the Farmers Home Administration county office at 207 Avenue D, Farwell, Texas, before close of business September 15, 1975.

These loan applications will be taken under the terms of a new law (P.L. 93-237) enacted January 2, 1974. Individual examination will be made of each application to determine date of the disaster occurrence and emergency loan benefits for which the applicant is eligible.

Loans based on qualifying production losses may include funds to reimburse applicants for production expenses which went into damaged or destroyed crop and livestock enterprises, but not to produce new crops during 1975. Payment terms depend on the purposes for which the loan is used and the applicant's payment ability. No loan may exceed the actual loss sustained. The interest rate for these loans is 5 per cent and there will be no principal cancellation. These loans must be secured by crops, livestock, farm machinery, or real estate.

## Water District Sets Election

The High Plains Underground Water Conservation District No. 1 will conduct an election on January 14, 1975, to name a director to represent Director's Precinct 3—that part of the District situated in Bailey, Castro and Parmer Counties—and two Parmer County Committeemen.

A.W. Gober, Route 1, Farwell, the incumbent Director, and Bob Anthony, Route 4, Dimmitt, are candidates for the position of Director of Precinct 3.

Seeking election to the County Committee are Floyd Reeve, Friona (Commissioner's Precinct 1), and Ralph Roming, Bovina (Commissioner's Precinct 2).

Polling places for Parmer County are the County Courthouse, Farwell; Horn Insurance Agency, Bovina, and City Hall, Friona.

Absentee balloting will be conducted December 26 through January 10 in the Parmer County Clerk's Office.

Any person possessing a valid voter registration certificate and residing within the delineation of the District and within the county where a vote will be taken is qualified to vote in the District's 1975 election.

The Water District urges every eligible voter to do his part in selecting the District's governing board. The foundation for equitable groundwater conservation is public participation.

**SWORN IN....** Recently elected Parmer County officials were sworn in Thursday, Jan. 2 at Farwell. From left are Johnny Actkinson, newly appointed county attorney, Bonnie Warren, county clerk; Paul Fortenberry, county

judge; benna Felta, county treasurer; Ray Mears, JP; Jimmy Briggs, Lazbuddie commissioner; Dorothy Quicquel, district clerk, and Charlie Jefferson, Bovina and Rhea commissioner.

You are cordially invited to an art showing of the works of Jon Birdsong Sunday January 5, 1975 from 2 til 5 p.m. in the Friona State Bank Community Room. Jon will also be conducting a water color workshop of night and day classes January 6 thru 10 at Country Crafts, 615 Main, Friona. Call 247-3282.

### Ceremony Unites Rundell, Sides

Mr. And Mrs. Billy Sides

Tina E. Rundell, daughter of Mrs. Johnnie Rundell of Farwell, Texas and James E. Sides, son of Mr. and Mrs. Billy B. Sides of Route 1, Farwell, were united in marriage on Saturday, December 14, at the Oklahoma Lane United Methodist Church.

The bride is a graduate of Farwell High School and is a 1974 graduate of West Texas State University in Canyon. Sides is a graduate of Friona High School and is a 1971 graduate of West Texas State University, Canyon.

The couple will be living in the Oklahoma Lane Community where he is engaged in farming and she is employed at the First State Bank of Bovina.

### Beene Listed In "Who's Who"

Bradley Beene, a senior at Friona High School, was recently notified that he was featured in the Eighth Annual Edition of "Who's Who Among American High School Students, 1973-74," the largest student award publication in the nation.

Students from over 20,000 public, private and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the books. Less than three per cent of the junior and senior class students nationwide are awarded this recognition.

Beene is the son of Dr. and Mrs. William Beene of 301 West 13th Street in Friona. He was selected by Friona High School to attend the 14th Texas Nuclear Science Symposium in Austin at the University of Texas held this past summer.

In addition to having his biography published in the book, Beene will also compete for one of ten scholarship awards of \$500 to \$1,000 funded by the publishers and will be invited to participate in the firm's annual "Survey of High Achievers."

He plans to enter college in the fall of 1975 as a pre-medical student.

**Bates Certified As Commander**

U.S. Air Force Captain Phillip D. Bates, son of Mrs. Martha E. Bates of 1002 Maple, Friona, has been certified as a missile combat crew commander at Malmstrom AFB, Montana.

Captain Bates, a missile launch officer with ten years service, was recommended for upgrading by his wing commander after meeting all training and evaluation requirements.

Captain Bates, a 1959 graduate of Sunray High School, Sunray, Texas, received his B.S. degree from Abilene Christian College. He was commissioned in 1964 through Officer Training School at Lackland AFB, Texas.

### LIBRARY CORNER

Friona Public Library has many books concerning religions and religious subjects.

"One Man's Way" by Author Gordon is the story and message of one of the world's most famous ministers, Dr. Norman Vincent Peale.

Peale is the author of the best selling, "The Power of Positive Thinking" and appears on television each Sunday with a sermon from Marble Collegiate Church in New York City.

The book is the very human story of a young boy from a small Ohio town, his adventures as a cub reporter, and struggles as a young minister following in his father's footsteps.

When called to New York's Marble Collegiate Church in the depths of the depression, Norman Vin-

cent Peale began by preaching to empty pews. Within a few years, his parish members numbered in the thousands, and before long worshippers had to be turned away at the door. While there he wrote his most famous book, "The Power of Positive Thinking," which has been translated into 33 languages and has sold over three million copies.

"One Man's Way" was made into a movie in which Don Murray portrayed Dr. Peale. Peale's wife has written books about her marriage to the famous minister in an effort to help young wives understand how a successful union may be accomplished.

You'll enjoy this and other books available for your enjoyment at your library.

## Souad Malouf Weds Paul Douglas Stark

Mrs. Paul Douglas Stark

Souad Malouf of Lubbock, and Paul Douglas Stark, also of Lubbock, exchanged double ring wedding vows on Friday, December 27.

The twilight ceremony was conducted in St. Anthony's Church in Hereford by Rev. Bernard McGory, pastor of the church.

The bride is the daughter of Mr. and Mrs. Hanna Malouf of 1402 8th Street, Friona. The groom is the son of Mr. and Mrs. Mark X. Stark of 128 Elm Spring, San Antonio, Texas.

Wedding music was presented by Miss Sherry White, vocal soloist, and Mrs. Jim Cramer, organist. Songs presented were "Ave

Maria," "More," and "The Lord's Prayer."

Church altars were decorated with Christmas decorations of evergreen branches and blooming poinsettias.

The bride's sisters served as bridal attendants. Mrs. Eldon Rape of Friona served as matron of honor with Miss Georgette Malouf of Canyon as maid of honor. Bridesmaids were Amal and Sylvia Malouf, both of Friona.

Tommy Stark of San Antonio served as his brother's best man.

Groomsmen who also served as ushers were Scott Fleming, James Sneed and Capt. Robert Patrick Jones, all of San Antonio.

The bride was presented in marriage by her parents. She wore a floor length gown of starlight peau de soie with bands of lace outlining a V-shaped sheer yoke, forming a wedding ring collar and extending the length of sheer sleeves which were gathered to lace cuffs. The carpet length skirt was cut in semi-A-line style.

A jeweled headpiece held her veil of illusion. The veil was edged with a lace banding, which flowed into a chapel train. The bridal bouquet of red roses and white carnations had accents of blue in strawflowers and baby's breath.

Following tradition, the bride wore the wedding dress belonging to her sister, Mrs. Rape for something borrowed and she wore the traditional blue garter.

The bridal attendants wore floor length gowns of shimmering jersey in forget-me-not blue. The dresses featured long sleeves and V-necklines. Ruffles of the fabric trimmed the necklines and cuffs.

They carried nosegays of handmade silk flowers in matching blue and wore silk flowers in their hair. The bride's mother wore a floor length gown with

matching coat. She wore a corsage of white carnations.

The groom's mother wore a floor length gown with a corsage of white carnations.

Following the ceremony, a reception was held at the Knights of Columbus Hall in Hereford.

Mrs. Daniel Koenig registered guests. Mrs. Lyndall Forney and Miss Sara Saucier of Borger served wedding cake. They were assisted by Mrs. Roy Kuper.

With a base of four heart-shaped layers, the three-tiered cake was ornamented with wedding bells and dove figurines and iced in a floral design touched with blue.

For a trip to Mexico City, the bride wore a brown and white belted dress with a scarf at the neck. She wore matching accessories.

The couple will make their

home in San Antonio after January 5.

Wedding guests were Mr. and Mrs. George Farhat of Eagle Pass; Mr. and Mrs. Charles Isaac of Muleshoe; Mr. and Mrs. Francis Saucier of Borger; Mr. and Mrs. Eli Masso of Lubbock; Mr. and Mrs. Joe Masso of Brownfield; Mr. and Mrs. Bob Swayden of Amarillo; and Mrs. Robert Patrick Jones of San Antonio.

The bride is a 1971 graduate of Hereford High School and is presently attending Texas Tech University in Lubbock, where she is a junior student.

The groom graduated from Texas Tech University in December.

**REHEARSAL DINNER**  
The rehearsal dinner was a sit-down dinner catered by K-Bob's Steak House in Hereford.

## Stephens, McFarland United In Double Ring Ceremony

Mrs. John Bill McFarland

A Sunday afternoon wedding was read at 4:30 p.m. in the St. Stephens Episcopal School Chapel in Austin for Jill Johnstone Stephens and John Bill McFarland. Officiant was the Rev. Robert Phipps.

Parents of the bride are Mr. and Mrs. Jack H. Stephens and the bridegroom is the son of Mr. and Mrs. J.G. McFarland.

Vocalist was Beth Cranfill, who sang "Entreat Me Not to Leave Thee." Beth is a niece of the groom.

Maid of honor was Miss Katherine Kerr of Dallas. Also attending the bride were Miss Diane Dodson of Washington, D.C., and Mrs. Michael Holloway of McKinney, Texas, both cousins of the bride.

Serving as best man was Clarke Heidrick of Dallas. Groomsmen were David McFarland of Friona, brother of the groom; Brocton Brown of Sulphur, Oklahoma; W. Dale Dodson of Austin, cousin of the bride;

and Jack H. Stephens, Jr. of Arlington, brother of the bride.

The bride wore a gown of ivory neyesta crepe fashioned with a fitted bodice, a mandarin collar and long sleeves. Braided self fabric with loops of pearls belted the natural waistline. The softly gathered skirt fell to a chapel train. She wore a turban of matching fabric with wide side streamers of chiffon. Her bouquet was of cascading English ivy with roses and baby's breath.

The maid of honor and bridesmaids wore gowns of copin blue neyesta crepe fashioned with fitted bodices, mandarin collars with long sleeves and softly gathered skirts. They carried bouquets of cascading English ivy with yellow roses and baby's breath.

The bride was graduated from the Shipley School, Bryn Mawr, Pennsylvania and from the University of Texas. She is currently enrolled in the graduate School of Business at the University of Texas in Austin.

The groom was graduated from St. Stephens School in Austin and from Yale University. He is currently enrolled in the University of Texas School of Law.

Following the ceremony, a reception was held at the Onion Creek Country Club of Austin after which the couple left for a honeymoon on the Yucatan Peninsula in Mexico.

Members of the house-party assisted at the reception. Serving the bride's cake were Mrs. Herschel Witherspoon of McKinney, Texas; Mrs.

Richard Isenhauer of Del Rio, Texas; Mrs. Aric Samuelson of Austin, Texas; and Mrs. Thomas Wilson of Del Rio, Texas.

Serving the groom's cake were Mrs. Hollis Horton and Miss Kathryn Horton of Friona and Mrs. Lee Cranfill and Miss Beth Cranfill of Dumas, Texas.

At the punch bowl was Mrs. Lucille Clark of Narbeth, Pennsylvania, and serving coffee was Mrs. John T. Mayfield of Del Rio, Texas.

Presiding at the wedding book was Mrs. Wesley Barnett of Friona and Mrs. John L. Dodson, Jr. of Del Rio.

### Local Group

#### Stages Rally

A lot of Airstream trailers rolled into Friona Friday afternoon.

The Friona Airstreamers are having a rally on January 10, 11 and 12 in Friona at the Community Center. This rally includes the Texas Plains Unit of Lubbock and Top-of-Texas Unit of Amarillo.

Saturday will be a busy day starting with a pancake and sausage breakfast and followed by other activities during the day. Saturday evening activities will consist of a potluck supper followed by some good local talent.

#### Typing Class

#### To Be Offered

An adult typing class will be offered through Amarillo College. The class will be open to area residents as a night class with registration on January 6, 1975 at the Friona High School Room 2 at 7:30 p.m.

Anyone needing more information can call 247-2878.

### Club Donates To Hospital

Progressive Study Club donated \$300 this week to Palmer County Community Hospital. The check was the club's proceeds from sale of tickets to its annual "money doll" during Maize Days.

Mary Reed, representing the club, pointed out that since 1962, the club has raised \$2,866, most of which has gone as gifts to the hospital.

### Ladies Society Elects Officers

St. Teresa's Ladies Society met in the parish hall on Thursday, December 19, after the evening liturgy.

Sylvia Roth, president, conducted the meeting, and reported on the Christmas party for the members and their husbands. Fourteen couples attended the party.

After lunch, gifts were exchanged and games were played. Father John Coppinger was given a set of luggage.

Helen Fangman gave the names of the Golden Age Citizens having birthdays and anniversaries in January. Cards to be given the children who attended CCD classes were shown by Sylvia Roth.

Helen Fangman and Sylvia Roth will clean the church during January. Hostesses for the January meeting will be Toni Castillo and Olivia Ortiz. Due to injuries sustained by Ramiro Caballero, the society decided to buy the Christmas dinner and all the trimmings for the family

and relatives. Esidra Villalobos and Evelyn Ball purchased the food for the dinner.

Father John Coppinger stated that if anyone knew of a needy family he would report it to the ministerial alliance.

New officers were elected for the society. New officers are Angelia Bermea, president; Sylvia Roth, vice president; Mary Lou Venhaus, secretary; Evelyn Ball, treasurer; and Helen Fangman, reporter.

Refreshments were served to Father John Coppinger, two new members, Bunny Buchholz and Ann Mesza and two visitors, Darlene Cole and Carman Rodriguez.

Members present were Sylvia Roth, Evelyn Ball, Angelia Bermea, Mary Lou Venhaus, Toni Castillo, Esidra Villalobos, Irene Bermea and Helen Fangman.

A film "It Began In Bethlehem" was shown by Sylvia Roth.

### H. A. Hydes Have

#### Holiday Guests

The H.A. Hydes had Christmas guests during the month of December.

Rev. Omer Hyde and his wife, Neva, and their son, Richard, stayed four days with the couple and traveled on to Electra, Texas to visit Neva's mother, Mrs. Rozella Hayes and other relatives and their daughter, Paula Price and her husband who are moving to Oklahoma City from Norman, Oklahoma.

The other visitors came on December 27. Rev. Don and Eva Kimbrough and son, Kris, came from El Paso after having Christmas with their daughter and family from Germany, Tom and Sharolyn Cline and two small boys. Don Kimbrough was to supply for the Texico N.M. Baptist Church, and was going by Glorietta, N.M. after their sons, Kip and Tip, were on their way to Vernal, Utah.

Professor Truell and Erdeene Hyde and two sons, Treaan and Brad, came from Killeen, Texas. The Hydes were on their way to

Columbus, Georgia, to visit a friend they had stayed with last summer while in Germany.

#### Mabry Assigned

#### To Dyess AFB

U.S. Air Force Captain Johnny D. Mabry, son of Mr. and Mrs. James D. Mabry of 1704 W. 10th, Friona, graduated from the Strategic Air Command's combat crew training course at Carswell AFB, Texas.

Captain Mabry, a B-52 St-atofortress aircraft commander, is being assigned to the 337th Bomb Squadron at Dyess AFB, Texas.

The captain, a 1965 graduate of Lazbuddie High School, received his B.A. degree in psychology in 1969 from Texas Tech University in Lubbock. He was commissioned in 1970 upon completion of Officer Training School at Lackland AFB, Texas.

Captain Mabry's wife, Carole, is the daughter of Mr. and Mrs. Oris Higgins of Walsh, Colorado.

ONLY TRUE UNITY CAN RESTORE THE CROSS!

TRUE-based on fact, not opinion  
UNITY-a quality of being one in spirit

What makes unity and traditions for the cross? Unity means love. It is the only standard for belief. The Bible. Where there is divided there are broken hearts. These cannot be seen like this for the Apostle Paul wrote to Timothy in 1 Cor. 1:10 speaking of us: "I beseech you, my dear brethren, to be of one mind and of the same opinion." You can have the opportunity to know what the Bible teaches.
