By Bill Ellis

**THE CHAMBER OF COMMERCE** has planned another good July 4th program for Friona, and once again, the local Civic Clubs have pitched in, and apparently the area residents will have a worthwhile program here on the nation's birthday.

The fireworks display is the big event, and this has become more popular each year. Having a local display helps keep many people at home, as prior to the time that the chamber-sponsored display was put on, residents had to drive out of town to see a fireworks show.

The fish fry, slated for Friday noon, was a big hit last year in its maiden voyage, and should do well once again. The Friona Noon Lions are to be commended for coming up with this as a project for July 4th. The community center proved to be an ideal place to hold a fish fry.

New events should also spice up the celebration. We refer particularly to the art exhibit, which will be held at the Community Center in conjunction with the fish fry, and the air show.

RECENTLY AN ADVERTISEMENT ran in a Sunday supplement announced that "a government ruling" had extended food stamp coverage to 20 million Americans.

The advertisement stated that to date, more than 15,000,000 of the eligible citizens had not claimed their benefits, stating that they might be "too embarrassed" to apply for the stamps.

We would prefer to believe that most of these Americans, if they really are eligible for the stamps, prefer to earn money for their food and necessities, and not ask for a government handout.

Americans have never been afraid to work, and work hard, for their homes and families. "A decent day's pay for a decent day's work" is not an old fashioned slogan. It should reflect the attitude of most Americans today.

Besides, the average Joe Citizen is not so dumb that he thinks the government is giving him something for nothing. Every dollar handed out by the bureaucracy costs many more dollars in government overhead and costs.

You can bet that the philanthropic distributors of food stamps (such as those represented by the advertisement we refer to) are not contributing their time and efforts for the cause they so nobly espouse. On the contrary, they expect to get paid and paid well for their generous distribution of your and my tax dollars.

IT WAS GOOD NEWS to area farmers that the Federal Power Commission has extended the "Priority number 2" rating for natural gas for irrigation purposes to June 15, 1976.

The extension is called an "emergency interim" extension, and came about following hearings which were conducted by the FPC in Lubbock, Phoenix and Albuquerque.

Farm leaders are hopeful that the extension will result in the "Priority 2" being returned to a permanent basis.

It has been pointed out that if irrigation gas is given a priority 3 rating, this could possibly wreck the entire agricultural and business economy of West Texas.

One farm leader, in a letter to Federal Power Commission chairman John Nassikas, pointed out that 60,000 irrigation pumps in Texas are fueled by natural gas, and that this number represents more than 40 per cent of all the irrigation pumps in the state. However, the majority of the pumps in West Texas are powered by natural gas, it was stated.

THE RECESSION, according to the experts, has hit the bottom and started up in this country. According to one report, retail sales for the month of May were up considerably over April, on a national level.

Automotive sales, hit hard by the downturn in the economy, were up 3.5 per cent, but purchases of 1975 models are still way below the average year. Business at auto parts stores is up, which is further proof that Americans are keeping that old model a little longer than usual. Appearance of the new models is expected to spur auto sales this fall.

The nation's money supply apparently is in much better shape than it has been for some time, and interest rates, both from banks and mortgage companies, appears to be looking better for borrowers.

So, perhaps the worst is over. One thing is encouraging. The national publicity is beginning to give the economy a little of a boost. And if anything needed a little break from the national news media, it is the economy.

Maybe now we can talk ourselves back into prosperous times.

## Twisting Wind Causes Damage In Friona

"I believe it was a combination of straight and twisting wind that caused the damage," said Jake Outland at City Hall about the broken tree branches and collapsed tool building damaged in the June 20th thunderstorm.

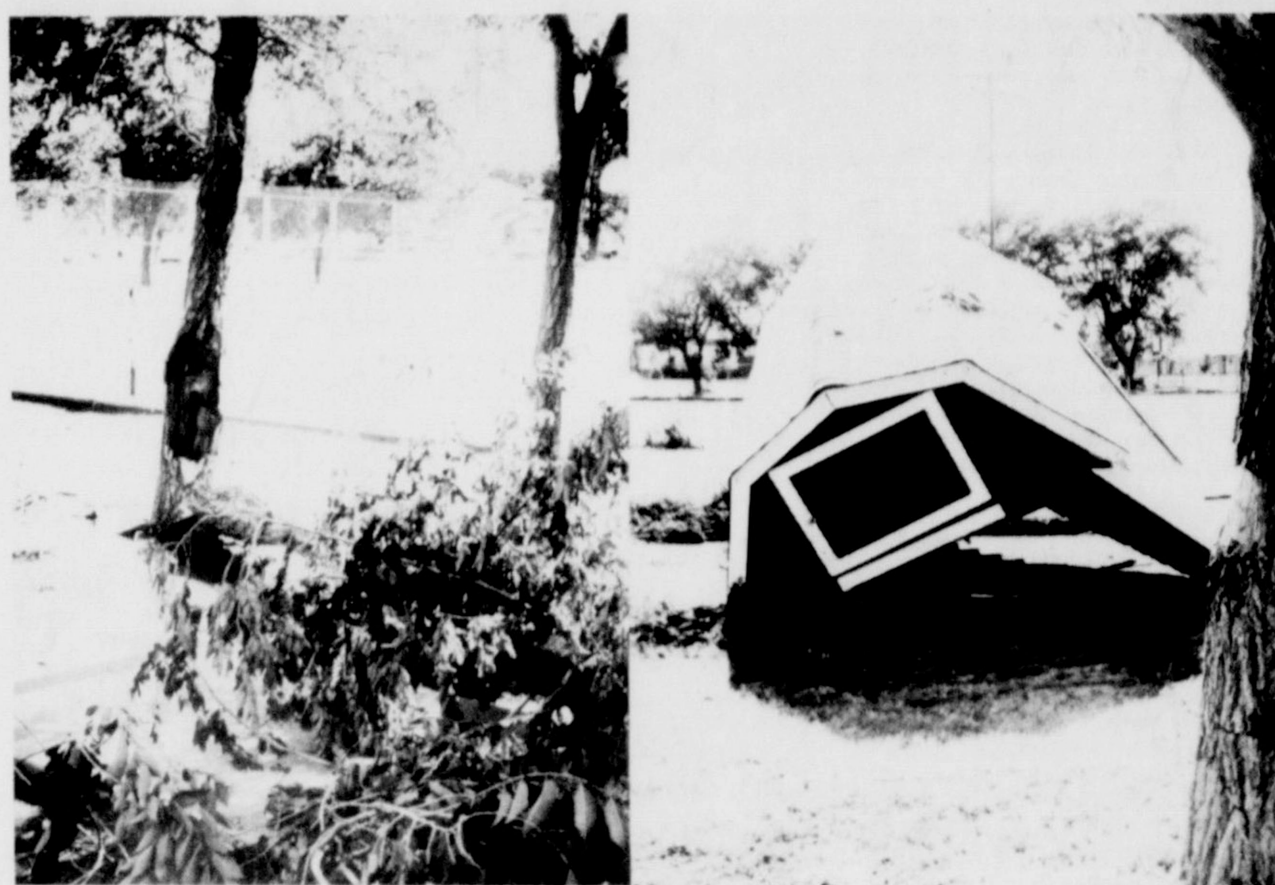

Oddly enough, the damage was only reported to be down Euclid Street. Although no one reported a tornado to officials, whatever the force was, it tore at trees, leaving large branches scattered in the street.

"It was a twisting motion," said Outland. "The branches appeared to

have been twisted from their places on the trees. No ordinary straight wind could have done that."

The twisting wind traveled down Euclid, past the Junior High, and across Highway 60 where it toppled the CVAE tool shed at the corner of Euclid and Highway 60. Elvie Jennings had purchased the small shed only days before the storm.

The Friday, June 20 storm moved into Friona around 10 p.m., bringing pea size to marble size hail to many parts of the city, and heavy, blowing rain.

**WIND DAMAGE OR SMALL TWISTER??...**Most people did not know. Many claim that the damage done to the trees at the Junior High and CVAE tool barn was the work of a small twister that descended from

the storm clouds during the Friday, June 20, late afternoon thunderstorm. If it wasn't a twister, then it must have been very strong winds. The CVAE tool barn withstood high winds throughout the spring. Some

force stronger than straight winds toppled the small structure. Damage to trees and other items was apparent all the way down Euclid Street.

**SUMMER FUN....**Youngsters in the Friona area have been taking advantage of the hot weather recently to cool off at Friona

Municipal Swimming pool. A typical youngster is shown doing the famous "feet first" dive, while another awaits her turn.

## Weather Affects Wheat, Corn Crops

Rains, hail and severe thunderstorms during the month of June have affected wheat and corn crops in Parmer County.

Moisture, as recorded by the City Hall for the month of June was 1.92 inches. Breaking this total down, on June 3, Friona received .03 inches of rain mixed with hail; June 10, .73 inches; June 11, .33 inches; June 21, .64 inches; and June 24, .19 inches. With many of these rainfalls also came hail storms which damaged many corn standings in the Hub vicinity.

Ron Smiley at Friona Wheat Growers said, "The farmers who did receive hail damage from one or more of the storms are trying to get their corn to come on out and make a crop. Some in the Hub area had to replant, though. But I believe that if

the weather stays pretty and the hail stays away, we'll have some good crops around here."

The wheat harvest is well underway. Though the recent rains bleached some of the wheat out, this does not affect the quality of the grain. Of course, where hail was reported, some damage and loss was reported.

Dryland wheat harvest is about 75 to 80 per cent complete. Most elevators in the area report a 30 bushel average. "That's a good crop," says Smiley.

By the end of the week, the irrigated wheat harvest should be in full swing. The dryland wheat harvest will be over by about the time the irrigated wheat harvest begins.

**COURTS COMPLETED...**Re-surfacing of the tennis courts at Friona High School was completed recently, and tennis buffs have

already given the courts a good workout. Workmen are shown lining the courts, which now have a nice green tartan surface.

## NEW EVENTS ON TAB

# Fireworks, Events Set For July 4th

Friona will help celebrate the 199th birthday of our nation with a big program on July 4th, sponsored once again by the Friona Chamber of Commerce and Agriculture.

All events this year will be held at the Community Center.

Back on the schedule will be the catfish fry, sponsored by the Noon Lions. Last year's fish fry was such a success that the club has planned an even bigger turn-out this year.

The Lions will begin serving fish at 11:30 a.m. until 1:30 p.m.

Ticket prices for the fish fry will be \$2.50 for adults, \$1.50 for children 12 and under, and a special family ticket will be offered at \$10.00. Proceeds from the fish fry will go toward the club's many civic projects.

Following the fish fry, at 2 p.m., various games and races for youngsters will begin. Included are foot races, sponsored by Friona Fellowship of Christian Athletes; a sack race, sponsored by the Friona Kiwanis Club; a baseball throw, sponsored by the Friona Jaycees; a bicycle race, sponsored by the Friona Evening Lions; water polo, sponsored by the Friona Volunteer Firemen; and a turtle race, sponsored by the Noon Lions.

The turtle race has proven to be quite a fun event. Youngsters are urged to get their turtle decorated and bring them to the race.

Prize ribbons will be given to the best-decorated turtle, largest and small turtle. Then the turtles will be placed in a small circle, a larger circle drawn around them, and the first turtle to make it out of the large circle will receive the highest prize of the day—the "fastest" turtle.

Youngsters wishing to enter the events are asked to report to the Community Center at 2 p.m. on July 4.

An air show is also scheduled at 2

## Businesses Plan To Close July 4

Several Friona businesses plan to be closed for the July 4th holiday, according to a survey made this week by the Friona Chamber of Commerce and Agriculture.

Those stores planning to close on July 4th include Tri-County Savings & Loan, Ethridge-Spring, Friona State Bank, Rockwell Lumber Company, Ruthie's, Foster's, Claiborn Floral, The Main Place, Production Credit Association.

Also, Central Plains MHMR, Carrol's, Reed's Cleaners, White's Auto, Friona Star, Gib's Cleaners, City Hall, Chamber of Commerce and the post office.

p.m. Glenn Herring and Benger Aero Spraying will sponsor the show.

A band concert, featuring members of the Friona High School Band, will begin at 8:45 p.m. adjacent to the Community Center.

The giant fireworks display will be held the evening of July Fourth adjacent to the Community Center.

The display is free to the public, and everyone is invited to attend.

Carrol Gatlin is this year's July 4th program coordinator and he says it looks like a bigger and more exciting program is in the making.

The Chamber sponsors the annual program to encourage local residents to stay at home on the holiday, rather than adding to holiday traffic.

## SCHEDULE OF EVENTS Friday, July 4th

- 2:00 p.m. .... Air Show
- 2:00 p.m. .... Foot Races, Sack Race, Baseball Throw, Turtle Race, Bicycle Race, Water Polo
- 8:45 p.m. .... Band Concert
- DARK ..... Fireworks Display

ALL EVENTS WILL BE HELD AT THE COMMUNITY CENTER

## New Job Training Available At FHS

Students at Friona High School will have the opportunity this year to take part in a program which mixes classroom education and on-the-job training in a variety of occupations.

Classes in Home Economics Cooperative Education have been added to the curriculum for junior and senior students.

Typical occupations in the program are art and craft aid, child care aid, companion to the elderly, clothing assistant, consumer aid, dietitian aid, fabric coordinator, fashion coordinator, floral designer, food service employee, home furnishings aid, housekeeping man-

agement assistant, and physical fitness assistant.

The course is set up for one or two years and carries two credits each year. Students will receive pay comparable to that paid beginning workers in the same occupations.

Any business or individual interested in hiring a Home Economics Cooperative Education student for the upcoming school year should contact Mrs. Marian Williams or Friona High School.

....from the files of The Friona Star

**40 YEARS AGO—JULY 5, 1935**  
The contracts of two rural telephone lines out of Friona to the Rhea and Lakeview communities was let last week to R.B. Fairly of Lubbock. The two lines are already under construction and about 12 new subscribers will be connected as soon as the lines are completed and there will be a few other patrons connected soon after they are completed. The Hub community has been offered the same contract, provided they can get the required number of subscribers.

**35 YEARS AGO—JULY 5, 1940**  
The Parmer County Old Settlers Association held its first picnic and program at the high school building at Bovina on Friday of last week. A goodly number of people were present for the program and a basket dinner. Following the program in the afternoon a business session of the Association was held for the purpose of electing new officers and designating the time and place of the next meeting.

**30 YEARS AGO—JULY 6, 1945**  
Beginning July 1, the Friona Post Office is advanced from a third class to a second class post office, according to information received from the Post Office Department by Postmaster Sloan Osborn. The promotion allows Friona to have regular clerks if needed, along with an increase in salaries.

**25 YEARS AGO—JUNE 30, 1950**  
The demolition of the vault at the Old Friona State Bank location, Fifth and Main this week, brought back memories to many pioneers of one of the most colorful banking histories ever recorded in any era, or any locality. The bank has moved into its new location at Sixth and Main. Having survived through the threat of fire, depressions and bank robberies, the vault this week even defied contractors as they began its destruction last Saturday.

**20 YEARS AGO—JUNE 30, 1955**  
O.B. Moyer suffered severe bruises on his right leg early Monday morning when his tractor over-balanced and the front of the implement rose from the ground, pinning him beneath the steering wheel. He was digging a ditch on his farm six miles north and six miles west of Friona. L.D. Chiles, a farmer in a neighboring field, was servicing a combine when he heard the cries for help. Chiles' son, Jerry, took a truck, backed it up to the tractor, and Chiles pulled the injured man free.

**15 YEARS AGO—JUNE 30, 1960**  
Mary Lynne Stephens, seven-year-old daughter of Mr. and Mrs. Bill Stephens of Friona was killed Wednesday morning when her bicycle was struck by a car driven by Mrs. Clyde Sherrieb. The Stephens girl was riding east on Fifth Street and as Mrs. Sherrieb approached, the small girl rode across the street in front of the car. Mary Lynne would have been in the second grade in Friona schools this fall. Friona Lanes, Friona's 12-lane bowling center, will hold its official

grand opening Monday, July 4th, with two championship bowlers as the highlight of the day's activities. These two bowlers, Norm Nichols and Helen Duval, will give personal instructions during the morning, then will give a match bowling contest during the evening with local bowlers.

**10 YEARS AGO—JULY 1, 1965**  
The Friona City Council passed an ordinance calling for the paving of 15 city blocks in newly-annexed areas, primarily in Welch Acres and Western Addition. Added to the six blocks which had already been approved by the Friona Independent School District for paving adjacent to the new high school complex, the action brings to 21 the number of blocks to be paved this summer, and more may be added.

**5 YEARS AGO—JULY 2, 1970**  
Recognizing the need for a baseball park for the older boys in Friona, the Friona Noon Lions Club

adopted a project this summer of building a new park, and the project is making exceptional progress. The Lions have been instrumental in securing a full city block of land at Third and Prospect Streets for the purpose of building a baseball park, and are now proceeding full speed ahead.

### Commission Extends New Speed Limit

The State Highway and Public Transportation Commission recently acted to extend the 55-mile-per-hour speed limit in Texas for another 120 days. The Legislature, in special session in December 1973, required the commission to review circumstances affecting the speed limit each 120 days. An amendment passed by the 64th Legislature this year extended the requirement for as long as the national maximum speed limit of 55 miles per hour is in effect. The commission's action extended the 55-mile-per-hour speed limit in Texas for an additional 120 days beginning July 30.

### Fireworks Can Cause Injuries

Having the 4th of July on a Friday this year gives Texans an extended holiday, but young and old alike may "blow" more than a three-day weekend if they get careless with fireworks. The misuse of fireworks causes injuries ranging from minor burns to fatalities every year, and Texas Safety Association is deeply concerned with this unfortunate statistic.

Although some municipalities have ordinances banning individual use of fireworks, most varieties are still sold in Texas. Legislation is not a solution, because it is usually aimed at so-called "dangerous" fireworks. Many people fail to realize that any variety of fireworks—even the "harmless" sparkler, which burns with the heat of a welding torch, and can leave a brand on the skin more indelible than a branding iron—is dangerous in the hands of a careless individual or a child.

Fireworks have set houses and buildings ablaze after landing on roofs, and can burn off entire fields of crops. Using fireworks anywhere near combustible materials is "playing with fire" in its purest sense. Always use a cleared area, away from structures and free of dry plant life.

Fireworks should always be shot away from spectators, and should never be placed in the hands of practical jokers or people who have been drinking and may throw firecrackers toward people or animals, or into cars or buildings.

The best fireworks display is a supervised one, put on by a civic group, etc. and run in a safe manner by professionals. It will be a quality program far better than what an individual could concoct or afford. But if the only display you attend is the one your family puts on, designate a responsible adult as supervisor. Don't allow a child to maim or blind himself for life because of a moment's carelessness lighting a fuse.

Cartoon quip: one Arab to another, "The Americans have a well that never runs dry...the middle-class taxpayer."

## WITH PATRICK PACE PEOPLE COME FIRST

This week the Friona State Bank proudly salutes Patrick Pace who is our Assistant Vice President. This job has kept him busy the three years he has been with the bank. Patrick has also worked as our field representative in the past. Patrick and his wife, Brenda, have a small son, Joseph James, age 18 months. Brenda is active in the community and was president of Friona Young Homemakers last year. Patrick carries on duties in the community by being a member of the City Council and Kiwanis Club, and coaching the bank's Little League baseball team. The Pace family attends the Sixth Street Church of Christ where Patrick helps in the church bus program. He finds time to fish, hunt, and play golf in his spare time, and says he especially enjoys coaching the Little League baseball boys. Patrick is one of those people at our bank whose motto is "People Come First."

## Funeral Services Conducted Friday

Funeral services were conducted Friday, June 27 in the Lazbuddie Church of Christ for W.H. Gammon, 94.

Andy Rogers, minister of the Lazbuddie Church of Christ and Ebb Randol of Farwell officiated at the services. Burial was in the Lazbuddie Cemetery under

the direction of Parsons-Elis Funeral Home.

Mr. Gammon died at 6:30 a.m. in the Parmer County Community Hospital in Friona Wednesday, June 25, where he had been a patient for the past five weeks.

Born June 7, 1881, in Indian Territory, Oklahoma, he was married to Savannah on January 4, 1904 in Maud, Oklahoma. She preceded him in death in December, 1962.

The Gammons moved to the Lazbuddie Community in 1929 from Maud, and he had lived there for the past 46 years.

He is survived by three daughters, Mrs. Roy Daniel, Friona, Mrs. Garvin Thorn and Mrs. D.B. Ivy, both of Lazbuddie; two sons, John of Willcox, Arizona and J.W. of Lazbuddie; two sisters, Mrs. Della Powell of Ontario, California and Mrs. Belle Rannels of Honey Grove, Texas; fifteen grandchildren, 25 great-grandchildren and two great-great-grandchildren.

Pallbearers were Billy John Thorn, Robert Ivy, Duward Ivy, Jim Roy Daniel, Johnny Gammon and Mark Gammon.

### agri-facts

By Mike Chaney

Mix a little cotton with your orange juice and it nearly equals milk. At least in protein percentage. This is just one of the many possibilities now being considered for the new gossypol-free cottonseed flour produced by what is called the Liquid Cyclone Process. LCP for cotton flour will soon be utilized on a commercial scale by the plains Cooperative Oil Mill at Lubbock. The new food-grade cottonseed flour will have as much as 65 percent protein compared to about 13 percent for wheat flour. Unusually high protein content of the flour was the primary reason for the concentrated research. Scientists say that as much as six percent of the total world supply of protein is in cottonseed, but until LCP was discovered the protein could not be utilized directly by humans because of the toxic gossypol pigment in the cottonseed. LCP's success in making possible the production of the food-grade flour is being hailed as a major achievement by world nutritionists.

## INSUR-MATION

By MILTON EVANS  
Parmer County Farm Bureau Insurance  
Phone 247-3280

Is there an accepted formula for determining how much life insurance I should carry?

There are several... one of which was derived in the Institution of Insurance Marketing: An individual should own from 3 to 5 times his annual income in life insurance and should pay premiums of 5% to 15% of his income. This allows enough flexibility to suit everyone. Once, President Lincoln was asked how long his legs were, he replied, "Just long enough to reach the ground." One should own enough insurance to provide a basic financial foundation for his family in the event of premature death and himself should he live past retirement.

## Services Set Monday For Esther Haws

Esther Minnie Haws, 83, died Thursday morning at Parmer County Community Hospital in Friona.

Funeral services will be conducted Monday at 3 p.m. in the First United Methodist Church in Friona with the Rev. David Crow and Rev. Bobby McMillan of Friona, officiating. Burial will be in Mission Garden of Memories, Clovis, New Mexico.

She was born February 29, 1892 in Woodbine, Kansas. She had been a resident of the Friona area since 1932. She was a member of the Friona United Methodist Church, and the American Legion Auxiliary in Friona.

Survivors are three sons, Leonard Carthage of Missouri, Wesley of Darby, Montana and Alfred of Hamilton, Montana; four daughters, Mrs. Ella C. McDaniel of Clovis, New Mexico, Mrs. Delpha E. Martin of Albuquerque, New Mexico, Mrs. Erma Lee McClatchy of Douglas, Arizona and Mrs. Gladys Wilson of Friona; four sisters, Mrs. Adelaide Pitman, Mrs. Alma Foetisch and Mrs. A.E. Galbreath, all of Medford, Oklahoma and Mrs. Mildred Madin of Wichita, Kansas; one brother, Martin Volkmann of Medford, Oklahoma. Eighteen grandchildren, 43 great-grandchildren and one great-great-grandchild.

She was preceded in death by her husband Grover C. Haws in 1947 and one son, Claude B. Pallbearers will be her grandsons.

# Rain Hinders Play During Fourth Week

By HAL BLACKBURN  
Staff Writer  
SENIOR LEAGUE

The Pioneer Cattle Order Buyers put a real scare into Cattle Town last Thursday night. Pioneer gave the Cattle Town team some of its best competition of the year, before falling 15-14.

Cattle Town's pitcher, Leslie White, held on to take the win. Power-hitter, Jesus Mata, tore apart Pioneer's infield with a single, a double and a triple. Second baseman Joe Bermea also picked up two one-basers and two triples.

Pioneer continues to be impressive even though their record, 0-7, doesn't show it. They are clearly the most improved team in the league, and their record should start improving rapidly. Pioneer possesses a large number of first year players, who will make this team a contender in the future.

Even though the rains came on Friday night, Sherley Grain and Benger Air Park slugged it out anyway. After five complete innings of play, Benger was on top 9-1. Because of excessive rain, the game was stopped.

The Cattle Town-Benger Air Park game of June 23 was called because

of rain.

After recently suffering several losses, Sherley Grain got things going Tuesday night, as they tripped the Pioneer Cattle Order Buyers 14-2. Ronnie Cary pitched his second win of the year for Sherley Grain.

MAJOR LEAGUE

Through this week's major league action, undefeated Friona State Bank added two more wins to their record and now stands at six wins, no losses.

In a lopsided game played last Thursday, the Bankers easily handled second place Reeve Chevrolet by a score of 13-1. Bank hurler Tony Rios did a great job on the mound as he allowed only one base hit, however, he did issue several walks. Rios narrowly missed pitching a no-hitter. Besides being the man of the hour on the mound, he was also pretty big at the plate. He got three hits, including a third inning double.

This week saw Friona Feed Yard come out of their shell and defeat the Friona Star, 14-6. Mark Tucker was credited with a win as his team picked up their first victory of the year. The Feed Yard team whacked nine hits during the contest and knocked Kirk Wright, the Star

pitcher, out of the box after two innings. Wright was relieved by Pilo Castillo.

The Friona Feed Yard-Reeve Chevrolet game scheduled for June 23 was rained out.

In a fine game played Tuesday night, the Friona Star gave Friona State Bank a very tough contest, finally getting stopped by a score of 5-4. Tony Rios won his second game of the week for the Bank, as Star hitters could only come up with five hits. As the score shows, J. Fuentes pitched a good game for the Star team.

Friona State Bank is now the only undefeated team in this year's summer baseball program!

MINOR LEAGUE

Throughout the season, we have been impressed with the overall play of the minor leaguers. Although these kids aren't quite up to the Major League caliber of play, they display a lot of enthusiasm as they hit the field. Just look at the standings, each team is still in the running for the pennant. The balance of the teams in this league is really something.

With two and one-half weeks left on the schedule, the last place team, Hi-Pro is only two games away from being tied for first place. It's a really tight race.

On Thursday, June 19, the first place BJ Bees moved higher in the win column with a 20-10 victory over Hi-Pro. Pitcher Tony Lafuente had a big night, as he collected five hits, including three doubles and two singles. He was also recognized as the winning pitcher. Keith May, Richard Malouf and Vonya Tongate also had hits for the winners. His

first time at bat, Hi-Pro's Max Perea belted a triple and his team went on to score four runs in the top half of the inning, however, it just didn't turn out to be enough.

On Friday evening, rainfall put an end to the Ethridge-Spring-Parmer County Implement game, as the game was called after one-half inning of play. The contest will be replayed at a later date.

Ag-Chem upped their mark to three wins, three losses, as they eked out a win over Hi-Pro, 14-13. Ag-Chem's Jeff Lundy and Jessie Gonzales used the wood effectively, as they picked up six hits between them.

In a protested game played

Tuesday night, Ethridge-Spring defeated the league-leading BJ Bees, 16-15. Although the outcome is still being studied, we have included the game in our standings.

T-BALL LEAGUE

Riding high on the totem pole, the undefeated Tasty Creamers came up with yet another win as they overwhelmed the Friona Credit Union team, 35-19. Tasty Cream almost matched their score with the number of hits they had, as they socked 33 hits by the bewildered Credit Union team. The batting percentage for these boys would probably really shock everyone!

The United Commercial Travelers-Piggly Wiggly game of June 20

was called after one inning of play.

That extra day of rest must have really fired Piggly Wiggly up because they came back on Monday evening and handed Tasty Cream their first loss of the year. After five very tight innings of baseball had been played, Piggly Wiggly crossed home plate with the winning run in the bottom half of the sixth inning. By taking this 24-23 win, Piggly Wiggly moves into third place, and stands at two wins, and three losses.

On Tuesday, June 24, the Friona Credit Union team whipped the United Commercial Travelers by a 27-13 count. Female lead-off batter, Wendy Gresham, had three base hits for the winners.

Fleming, Morris Garza, Robert Alexander and Rod Owen. They along with Mark Fancher, who is not pictured, captured two firsts, two seconds and one fourth place.

## Junior Tracksters Place At Hereford

Several young men from Friona recently participated in a West Texas AAU Junior Olympics Warm-up Track Meet. The meet was held Saturday, June 15 in Hereford.

290 entrants took part in the contests. Five boys from Friona entered the Junior division. These boys were Rod Owen, Morris Garza, David Fleming, Robert Alexander and Mark Fancher.

All in all, the kids made a fine showing as they captured two first places, two seconds and a fourth.

Robert Alexander was a double winner, winning both the 220 and the 440. He was clocked at 25.7 seconds in the 220. He won the 440 in a record time of 63.3.

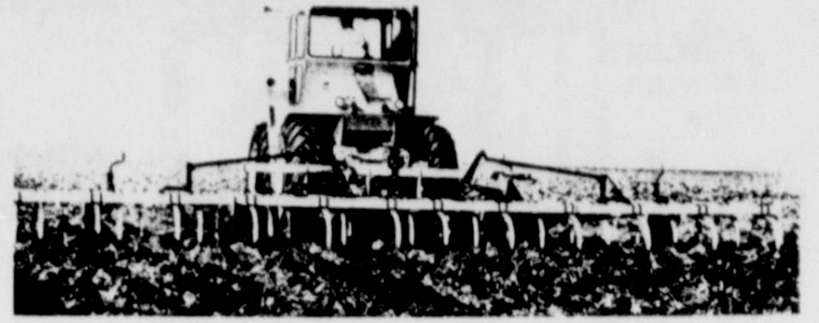

David Fleming was nipped at the tape as he was

clocked at 0.5 of a second behind the winner of the 100 yard dash. David's time was 11.9. A 440 yard sprint relay team consisting of David Fleming, Robert Alexander, Morris Garza and Mark Fancher took second place in that event. Mark Fancher was fourth in the 880 with a time of 2.55.

Several of the Friona youngsters plan to compete in the preliminary meet, which is scheduled for this Saturday in Borger. The three top places in each event will be able to compete in the regional meet, to be held in Mississippi.

The 440 yard sprint relay team will be without the services of Morris Garza, who had an appendectomy last Monday.

Usability of certain pieces of glassware or pottery for microwave cooking can be tested in a simple manner. Mrs. Lillian Chenoweth, family resource management specialist, said recently,

"Place the dish in the oven along with a cup of water in a glass cup. Heat for 15-30 seconds. If the glassware in question has not become warm, it is suitable for microwave use," the specialist with the Texas Agricultural Extension Service, Texas A&M University System, said.

"If the glassware feels warm or hot, it is best not to use in a microwave oven

Phone 247-2211  
with your news item

Summer officially began this week. June 21 was the Summer Solstice, and with that day came many visitors into Friona. There are so many that I hope I didn't leave anyone out.

Mrs. Amelia Ranking of Claremont, California, is visiting her mother, Mrs. Floyd Schlenker. While here, Mrs. Ranking got together with some of her classmates. They had an ice cream social and really enjoyed reminiscing.

The Leo Bails of Hub have their relatives, Mr. and Mrs. C.B. Hanson and Mr. and Mrs. Jon Pugh of Athens, Texas, visiting. They are also visiting Mr. and Mrs. A.H. Hadley while here.

The Ralph Taylors have had several visitors lately. Neil Price, son of Mr. and Mrs. Smokey Price, formerly of Friona, dropped by. Price is living in Chicago and working for IBM in that city. Also at the Ralph Taylors are their granddaughters, Tracee and Stacey Bennett, daughters of Mr. and Mrs. D.J. Bennett of Copperas Cove, Texas.

Visiting the A.C. Nittlers and Leroy Lundy are Mrs. Glen Gernert and her children, Nanette, 16, Natalie, 14, Shon, 10, and Derrick, 3 months, all of Edinburg, Texas. Mrs. Gernert is the Nittlers' daughter and Mrs. Lundy's sister.

Mrs. Ken White and daughters, Becky and Joanna, of Santa Fe, are

### Shower Honors Bride-Elect

A miscellaneous bridal shower honored Cecie Carson, bride-elect of Bill Bailey, Jr., Saturday, June 21 from 4 to 6 p.m. in the home of Mrs. Hoyt Smith, 1216 White Avenue.

Hostesses were Mrs. Earl Drake, Mrs. Andy Hurst, Mrs. Tom Pruett, Mrs. Pearl McLean, Mrs. Raymond Cook, Mrs. Buddy Wiseman, Mrs. Lois Weatherly, Mrs. Kenneth Williams.

Also, Mrs. Paul Fortenberry, Mrs. George Patterson, Mrs. Norman Kothmann, Mrs. Herschel Johnson, Mrs. Ernest Anthony, Mrs. Doyle Elliott, Mrs. W.S. Ingram, Mrs. Lewis Gore and Mrs. Hoyt Smith.

visiting in the home of her sister, Mrs. Lavon Kirk. Mrs. White is the former Sherry Dean. Sherry will meet her husband in Tucumcari Saturday and she and the girls will return home with him.

The Roy Millers are being visited by their grandchildren, Ben Miller, son of Mr. and Mrs. Roy V. Miller of San Marcus, and Terri and Angela Glass, children of Mr. and Mrs. Dale Glass of McClain.

Mr. and Mrs. Ralph Wilson have their nephew and his family, Richard Burns and his children, visiting this week from San Diego, California.

Traveling out-of-town and coming home to tell about their wonderful trip were Mr. and Mrs. Dan Ethridge.

The Ethridges went to Washington, D.C., for the convention for the National Federation of Independent Businesses. The conference was a three day affair and Mrs. Ethridge had only good things to relate to me about the trip.

The convention, held at the Washington, D.C. Hilton Hotel, hosted many speakers including John Tower, Hubert Humphree, George Wallace, Ronald Reagan and President Ford. The Ethridges were taken on a special tour that took them over the Capital grounds and Capital Hill.

Seeing the beautiful country, Mr. and Mrs. Ethridge also took a bus trip through Virginia. They enjoyed the trip very much and spoke highly of their good times upon arriving back in Friona.

Remember, if you have had visitors from out of town or have gone on a vacation, please call me at 247-2211. I will be glad to put it in my column where other people may read about it.

**GROUP LEAVES....**A group of teenagers and their sponsors left Tuesday afternoon at 4:30 to attend a National Aetna Convention in Memphis, Tennessee. The group will arrive back in Friona on Monday. ## Church Ceremony Unites Susan Floyd, Wes Phillips

In a candlelight ceremony at Sixth Street Church of Christ at 6:30 p.m. Saturday, May 17, Susan Elaine Floyd became the bride of Wesley Jay Phillips.

An arched candelabra holding white tapers with bouquets of spring flowers and baskets of palms formed the setting for the double ring vows, which were read by D.L. Harguess, minister of the church.

Parents of the couple are Mr. and Mrs. Glenn Floyd, 1301 Columbia, and Mr. and Mrs. Robert K. Phillips, Route 3, Lewistown, Montana.

As the bride was escorted down the aisle by her father and presented in marriage by her parents, she wore a formal wedding gown of white Venice lace, taffeta and organza.

It was designed with an empire bodice of taffet and organza with lace appliques. The long sleeves of organza were re-embroidered with lace motifs and gathered onto fitted cuffs. Lace motifs were repeated on the sleeves and encircled the hem of the organza over skirt.

Her chapel length veil of imported nylon illusion was held in place with a headpiece of braided white velvet ribbon with seed pearl trim.

She wore a diamond necklace borrowed from her sister, Mrs. John Osborn of Garland; an heirloom gold wedding band, which originally belonged to one of her great-grandmothers; the traditional blue garter; and pennies minted in the year of the birth of the bridal couple in her shoes.

She carried a nosegay of sweetheart roses, daisies and gypsophylla tied with lace streamers.

Mrs. Richard Dickson of Garland, Texas, was her sister's matron of honor. She wore a green and white check formal designed with an empire waistline, short puffed sleeves and a v-neckline and carried a cloud of yellow carnations and baby's breath.

Bridesmaids were Cindy King of Albuquerque and Karen Potts of Lubbock. They wore formals

designed identical to the one worn by Mrs. Dickson in pink and white and blue and white and carried identical flowers.

Heather Osborn, niece of the bride from Garland, Texas, and Julie Phillips, sister of the groom from Lewistown, Montana, were the flower girls. Their dresses were similar to the ones worn by other bridal attendants in orange and white and yellow and white. They carried baskets of fabric flowers in assorted colors.

Jim Phillips, brother of the bride, Billings, Montana, was the best man. Groomsmen were Bob Coble, Seminole, Oklahoma, and Gary Lehnen, Lubbock. Junior groomsmen and candlelighters were Joel Osborn, Garland, Texas, and Jason Floyd, Elkhart, Kansas, nephews of the bride.

Guests were seated by Todd Phillips, cousin of the groom, Tim Gill, Tim Jimmerson and Bob Butcher, all of Lewistown, Montana.

"Wedding Song," "Annie's Song," and "Faithful and True," were sung by Mr. and Mrs. Carl White, Mrs. Ross Miller, Mrs. Ronnie Procter, Mrs. Lanny Trussell, Mrs. Jon Lin Riddle, Mrs. Ted Procter, Charles Caudill, John Osborn, V.R. Wilcox and John Black, an a 'cappella chorus.

Susie Spring, Lubbock, presided at the guest register.

Special guests were Mrs. Florence Taylor, Roundup, Montana; Mrs. Cora Phillips, Lewistown; and Mrs. Lucy McCown, Friona, grandmothers of the couple.

Hostesses for the reception were Mrs. Bill Wooley, Muleshoe, Mrs. Gary Snead, Mrs. James Procter and Mrs. Louis Welch.

The serving table was centered with an arrangement of spring flowers. A three-tiered wedding cake with white decorations and topped with wedding bells and love birds and a silver punch service completed the table setting.

Cake, mints, nuts and punch were served by Mrs. John Osborn, Mrs. Gerald Floyd, Elkhart, Kansas,

Mr. and Mrs. Wes Phillips

sister-in-law of the bride, Ginger Murphree and Susie Spring.

### REHEARSAL DINNER

A rehearsal dinner at Friona Country Club the evening preceding the wedding was hosted by the groom's parents.

The table was centered with a votive candle arrangement and decorated with garlands of English Ivy, white wedding bells and spring flowers.

Following a wedding trip to New Orleans, Mr. and Mrs. Phillips are at home on a ranch near Lewistown. They are both spring graduates of Abilene Christian College and former students of Lubbock Christian College.

## Miscellaneous Shower

### Honors Local Bride

A bridal shower honoring Susan Floyd, bride-elect of Wes Phillips, was held Saturday, April 26 from 3 to 5 p.m. in the home of Mrs. Louis Welch.

Punch and cookies were served to those present.

The table was covered with a white hand made lace cloth and centered with a bouquet of spring flowers.

Out-of-town guests were Mrs. John Osborn and Heather, Garland, Texas; Mrs. Gerald Floyd and Sarah Joan, Elkhart, Kansas; Mrs.

Gerald Wright and Marsha, Clovis; Susie Spring and Ginger Murphree, Lubbock.

Hostesses were Mrs. Hershel Johnson, Mrs. Gary Snead, Mrs. Loy Loafman, Mrs. Eric Rushing, Mrs. Paul Spring, Mrs. Lynn Phipps, Mrs. J.C. Beck, Mrs. Eric V. Rushing, Mrs. James Procter, Mrs. Rene Snead, Mrs. Tom Lewellen, Mrs. Louis Welch, Mrs. Ray Murphree, Mrs. Rosco Ivie, Mrs. Richard Collard and Mrs. Tom Shelton.

## Engagement Tea

### Fetes Mary Rando

Mary Rando, bride-elect of Earl Baca, was honored with an engagement tea from 3 to 5 p.m. Friday, June 20 in the Aubrey Rhodes' home.

The serving table was covered with a white linen cloth and was centered with a white and blue floral arrangement in a crystal compote surrounded by a candle arrangement and ribbon streamers.

Hostesses served white cake squares decorated with blue flowers and green leaves with nuts, punch

and mints. Lisa Sanchez registered guests. The registration table was covered with a red floor length cloth and was centered with spring flowers.

Mrs. Mary Rando, mother of the honoree, assisted her daughter in greeting guests.

Betty and Jackie Rando, sisters of the honoree, sang several songs.

Hostesses, along with Mrs. Rhodes, were Mrs. Alton Farr, Mrs. D.L. Carmichael, all of Friona and Helen Reed of Hereford.

# Donna Schumann, Blanton Christesson United In Double Ring Ceremony

Donna Gayle Schumann and James Blanton Christesson, Jr., both of Friona, exchanged double ring wedding vows on Saturday, June 21 at 7 p.m.

The ceremony was performed in St. Teresa's Catholic Church in Friona by Father John Coppinger, pastor, and Rev. Duane Kirchner, pastor of Friona's Redeemer Lutheran Church.

Parents of the bride are Mr. and Mrs. Dan Schumann of Friona. The

groom's parents are Mr. and Mrs. J.B. Christesson of Clovis, New Mexico.

The altar was decorated with a unity candle and a bouquet of blue mums accented by white daisies, baby's breath and greenery. A seven-branched candelabra stood on either side of the altar setting. Pews were marked for the family by white and blue bows.

Mrs. Eva Miller of Friona,

organist, accompanied Doug Lane of Hereford, cousin of the groom. He sang "Lord's Prayer," "Twelfth of Never" and "Walk Hand In Hand."

Given in marriage by both her mother and father, the bride wore a floor length white gown of silk organza over bridal satin. The neckline was trimmed with Alencon lace and tiny pearl buttons. The gown featured an empire waistline, flared skirt with a ruffle around the bottom and long lace sheer sleeves with lace trimmed cuffs.

The veil of bridal illusion, trimmed with lace, formed a train in the back. She carried a bouquet of white and blue satin roses atop a white Bible, given to the bride by Mr. and Mrs. O.C. Hall of Sudan, Texas. She wore a white gold cross with a diamond in the center, which was a gift from the groom. Her gown was borrowed from Mrs. Joyce Garner of Bovina.

Mrs. Edith Kubicek of Vernon, Texas, was her sister's matron of honor. She wore a white cinderella styled floor length dress with blue and white inlaid lace on the sleeves, bodice and gathered skirt. She carried a single long stemmed white rose.

Glenn Schumann of Electra, Texas, brother of the bride, served as best man.

Ushers were Burl Miller of Hereford, cousin of the groom and Eldon Long of Friona.

Loren McCoy of Friona was flower girl. Her gown was a white a-line dress accented with a high waistline with blue ribbon on the waistline, neckline and puffed sleeves. She carried a white basket with blue and white roses, greenery and ribbon streamers.

Robby Kubicek of Vernon, Texas, nephew of the bride, was ring bearer.

The bride presented a long stemmed white rose to her mother as she entered the church. As the bride and groom were leaving, she gave the groom's mother a white long stemmed rose.

Carrying out bridal tradition, the bride wore a sixpence in her shoe for something old. Something new was a diamond necklace, which was a gift from the groom. She borrowed her wedding gown and wore the

traditional blue garter.

Rhonda Richards of Friona registered the guests.

Mrs. Schumann wore a pink princess styled double knit dress with a square neckline accented by white accessories. She wore a corsage of white sweetheart roses with blue ribbons.

Mrs. Christesson wore a pink floral chiffon floor length sheath dress with matching jacket. White accessories accented her ensemble. She wore a corsage of white sweetheart roses with blue ribbons.

The reception was held in the Community Room of Friona State Bank.

The serving table was covered with a white lace cloth with blue underlining. A century old candelabra was flanked by a bouquet of blue carnations, white daisies, baby's breath and greenery.

Punch, nuts and mints were served from silver appointments. The three-tiered Roman stacked cake was decorated with blue roses and a miniature bride and groom. Servers were Mrs. Josie Long of Friona, Anita Zipperle of Vernon, cousin of the bride, and Carolyn Zipperle, also of Vernon, cousin of the bride.

The groom's round champagne table was covered with a blue satin cloth and accented with a blue floral arrangement. Serving champagne was Mrs. Vera Tidwell of Vernon, cousin of the bride.

Others in the houseparty were Mrs. Bill McCoy, Mrs. Royce Hume, Mrs. Selma Habbinga, all of Friona, Mrs. Carl Zipperle of Vernon and Mrs. Clarence Schwede of Canadian, Texas, aunts of the bride.

For a wedding trip to Dallas, the bride chose a blue three-piece pant suit with white accessories and wore a corsage lifted from her bridal bouquet.

The couple will reside at Friona Mobile Estates.

The bride was a 1975 graduate of Friona High School. The groom graduated from Clovis High School. He attended college at New Mexico State University in Las Cruces, New Mexico and is presently employed at Brookfield Drilling Company in Friona.

#### REHEARSAL DINNER

The rehearsal dinner was hosted by the groom's parents at Earl's Farmer House Restaurant in Friona.

Mrs. Blanton Christesson

## Bridal Shower Honors Donna Gayle Schumann

Donna Schumann, bride-elect of Blanton Christesson, Jr., was honored with a bridal shower on Wednesday, June 18 at the Friona State Bank Community Room.

The serving table was laid with a white lace cloth over blue. The centerpiece was an artificial blue carnation arrangement, which was presented to the bride-elect by the hostesses.

The hostess gift was a set of cookware.

Special guests were Mrs. Dan Schumann, mother of the bride and Mrs. Blanton Christesson, Sr., mother of the prospective bridegroom, and Mrs. Miller, grandmother of the groom.

Hostesses were Mrs. Vicki Bell, Mrs. Shirley Morgan, Mrs. Loune White, Mrs. Barbara McCoy, Mrs.

Paula White, Mrs. Selma Habbinga, Mrs. Jewel Carey, Mrs. Elaine White, Mrs. Bonnie Dutton, Mrs. Joyce Garner, Mrs. Billie Homer, Mrs. Josie Long and Mrs. Sylvia Gibson.

#### Howard Denney

#### Gets Promotion

Marine Corporal Howard R. Denney Jr., son of Mr. and Mrs. Howard R. Denney Sr. of 1212 Columbia, Friona, has been promoted to his present rank while serving with the 2d Marine Division at the Marine Corps Base, Camp Lejeune, North Carolina.

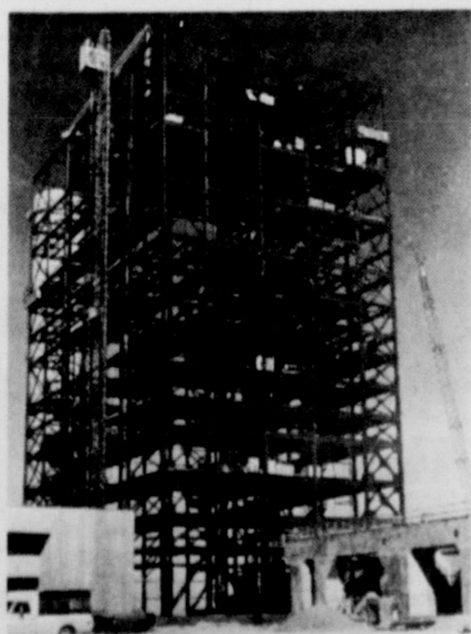

A 1973 graduate of Friona High School, he joined the Marine Corps in June 1973.

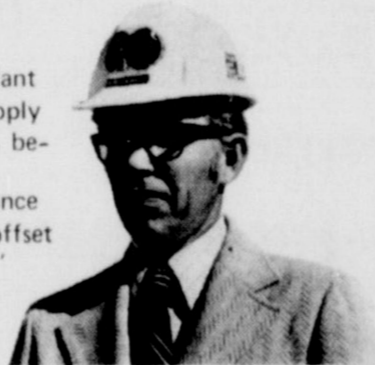

MARY RANDO and EARL A. BACA...Mary Rando of 222 Hickory Street, Hereford, and Earl A. Baca of 1633 N. Manhattan, Amarillo, announce their engagement and approaching marriage. Their parents are Santos Rando, Sr. and Mary Rando of Friona and Mr. and Mrs. Louis A. Baca of Amarillo. The couple plans to exchange wedding vows on Saturday, July 12 at 11 a.m. in Friona's First Baptist Church. Miss Rando is a 1969 graduate of Friona High School and attended West Texas State University in Canyon and New Mexico State University, Alamogordo Branch. She was a former employee of Congressman Bob Price in Washington and Amarillo and is presently a curator for the National Cowgirl Hall of Fame in Hereford. Baca is a 1965 graduate of Palo Duro High School in Amarillo and is presently employed at Pantex in Amarillo.

## fuel to keep you moving

No matter what type of equipment you operate, your double-circle Co-op has a fuel to power it.

High-quality petroleum products for mammoth four wheel drive tractors, wheat trucks, pick-ups, combines, silage cutters, and even your riding lawn mower. And, we are doing our level best to maintain adequate fuel supplies to have agricultural fuel when you need it.

There are 45 years of petroleum experience behind your local co-op working with farmers and ranchers. Your local co-op and Farmland realize the importance of providing fuel for food.

You can help us make our present fuel go farther by continuing to observe good energy practices. And, to

help you, we offer some fuel tips to help you conserve this valuable energy.

#### FUEL TIPS FOR THE MONTH

1. Tune up all your equipment on a regular basis: Get the jump on any upcoming work or harvest season by tuning up your engines. A well tuned engine is a fuel saver and your plus is less downtime and an efficient, smooth running engine.

2. Replace dirty air filters: Dirt, as you know, is an engine killer and a clean air filter greatly improves your engine's performance. Farming and country driving is severe in terms of dust and dirt.

3. Lubricate often: Under plow down and harvest conditions with excessive loads and heat, your best protection is lubrication. A well lubricated piece of equipment creates less pull and friction to deliver more with less fuel.
