

LEADERS....J.T. Gee and Allo Reeve were honored by the Friona Chamber of Commerce Thursday night as Friona's "Man and Woman

of the Year," for their service to the community. Both have lived in Friona since 1935.

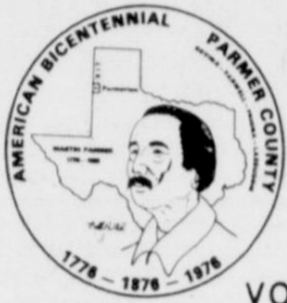

OUTSTANDING....Bill Denney was named Most Courteous Employee, and Virginia Cleveland was picked for Teacher of the Year in awards

presented by the Friona Chamber of Commerce at its annual banquet Thursday night at the Community Center.

OUTSTANDING YOUTH....Joe Lafuente and Jason Widner were chosen by the Friona Chamber of Commerce as "Outstanding Young

People" of the community. Both are seniors at Friona High School, and both are very active in school and community.

Over 600 Attend Chamber Fete

THE PARMER COUNTY Program Building Committee has just published its long-range County Program, a comprehensive analysis of the county, from top to bottom.

According to the committee's report, the county has a fairly young population, with the median age being 24.3 years.

There were 3.47 persons per household in the county, based on the 1970 census. The average Parmer County citizen had attended school 11.5 years. A total of 21 per cent of the population had less than an eighth grade education, while 46.2 per cent are high school graduates.

Breaking the educational figures down even further, it was found that 22.8 per cent of the population attended school from nine to eleven years.

Another 10.3 per cent attended college from one to three years, and only 6.9 per cent had completed four or more years of college.

The median income for Parmer County is \$7,030, which is a little under the state average. The average income bracket was \$6,000 to \$9,999, where 25.7 per cent of the population fell. Another 14.8 per cent came in the \$10,000 to \$14,999 category.

The 1973 employment figures, latest available for the book, showed that 4,110 persons in the county were employed, and only 125 persons were unemployed. Unemployment based on these figures was just under three per cent in Parmer County.

Charts estimating the county's population indicate that our population is changing very slowly. The city of Friona has shown the most growth of any community in the county, from just 803 in 1940 to 1,202 in 1950; 2,048 in 1960; 3,111 in 1970 and an estimated 3,555 in 1976.

Bovina, the charts showed, went from 612 in 1950 to 1,029 in 1960 and 1,428 in 1970 to an estimated 1,550 in 1976.

Figures showed that during the period from 1960 to 1970, there were 2,347 births in the county, and only 588 deaths. This gave the county a natural population increase of 1,759, but census figures showed an increase of only 926. This would indicate an outward migration during this period of 833 persons.

Total land area in Parmer County is 549,760 acres. Of this total, approximately 528,000 acres are considered farm property. And of this latter total, approximately 424,000 acres are subject to irrigation.

(Continued on Page 9)

Over 600 people took part in Friona's "Social Event of the Year" here Thursday evening—the 1977 Chamber of Commerce banquet.

The rib-eye steaks prepared by K-Bob's were delicious, the speaker, "Zig" Ziglar, was one of the best in a series of good speakers, and several local residents received awards from the chamber.

Even the weather cooperated by holding the mild temperatures through the evening of the banquet.

Selected for awards by Chamber committees were J.T. Gee as Man of the Year, Allo Reeve as Woman of the Year, Bill Denney as Most Courteous Employee, Virginia Cleveland as Teacher of the Year, and Joe Lafuente and Jason Widner as Most Outstanding Young People.

Introduced as new president of the Chamber of Commerce was Bill Wilshire. Gale Warren is the new vice president and Charles Caudill is the secretary.

Gee was cited as a past president and director of the Friona Evening Lions, a member and past director of the King's Manor Foundation of Hereford; former Sunday School Superintendent and official board chairman at his church.

He was credited with having a major role in the Parmer County Fairs and Livestock Shows. He retired in 1976 after 41 years in the teaching profession. Most of his career was as a vocational agriculture instructor at Friona

High School, and later as elementary principal.

Mrs. Reeve, the Woman of the Year, moved to Friona in 1935. She has been an active member and supporter of the Parmer County Historical Society, where she had a role in publication of the Parmer County History and the design and issuance of an official Parmer County Bicentennial medal.

She was chairman of the Parmer County Bicentennial Committee. Mrs. Reeve is an active member of the Congregational Church. She has worked with Cub Scouts, Girl Scouts, Band Mothers and athletic organizations.

She is a member of the local square dance club, bridge club, and is secretary of Good Sam's Recreational Vehicle Club for the Amarillo area.

She was president of Modern Study Club for 1974-76. Since 1972, Mrs. Reeve has brought much attention to her community through presentation of her "Brides of the White House" program some 60 times all the way from Clovis, N.M. to Shamrock, and from Pampa to Tahoka.

Denney, Friona's Chief of Police, was called a "Fair and honest man in an extremely sensitive position," as he received the employee award.

"He works for every one of us," said master of ceremonies Cecil Maddox.

Denney was born and raised in

Bovina. He was cited as being well respected by the youth of Friona, which was "probably the highest compliment that we can pay him."

Mrs. Cleveland, who teaches business classes at Friona High School and sponsors publication of the school yearbook, is active in church work at First Baptist Church.

An avid sports fan, she has a son Dale who is a former all-state high school performer for the Friona Chieftains now starting at Amarillo College, and a daughter Cindy who excels in athletics at Friona High School as a junior.

Miss Widner, a senior, has been active in athletics, the National Honor Society, FHA, Student Council, has been a cheerleader and is an active member in youth activities at her church.

She has participated in the state track meet three years, and also excels at the piano. Her parents are Mr. and Mrs. Dale Widner.

Joe Lafuente, student of the year, moved to Friona in 1969 from Hereford, entering the fourth grade. He has been active in football and band, currently serving as band president.

He is a member of the stage band, is a Future Teacher, a member of Fellowship of Christian Athletes, and has been nominated most handsome, best citizen, friendliest and best personality.

He is the son of Mr. and Mrs. Alfredo Lafuente.

"It's not our lack of resources that's a problem, but our lack of resourcefulness."

"You have to believe in yourself and your fellow man. You have to have a big goal in life. You cannot hit a target you do not have," Ziglar said.

Arrest To Clear Air

The arrest of an adult, Jose Villarreal of Hereford, and statements by two juveniles, one from Hereford and one from Friona have virtually cleared up all three break-ins at the Gibson's Discount Center in Friona since last November.

All three individuals are also involved on burglary charges in Hereford. Villarreal is awaiting action by the Parmer County Grand Jury. The juveniles will be turned over to juvenile authorities.

Chief of Police Bill Denney said local officers were still investigating other local burglaries.

City Anticipates Ambulance Service

Plans are in motion for the City of Friona to take over the ambulance duties for Parmer County that are now being performed by Parsons-Ellis Ambulance Service.

No date has been set for the

ordered by the city. Percy Parsons indicated to city officials some 18 months ago that he was going to have to get out of the ambulance business, due to regulations, spiraling costs, the need for additional personnel, etc.

The City of Friona, City of Bovina and Parmer County have been for a number of years paying a monthly subsidy to the ambulance service which was to defray costs of providing ambulance service locally and throughout the county.

The city expects to continue to service the same area currently being serviced by Parsons-Ellis.

The City of Friona placed an order for a van-type ambulance last July. Cost of the vehicle was \$16,435, with

a federal program paying \$9,861 of the cost and the city picking up the tab on the remaining portion, \$6,744.

Anticipating the change-over in ambulance service, City Manager Jake Outland says that tentative

full-time ambulance operator, with members of the fire department serving as assistants.

Members of the fire department attended a course in Hereford last week on extricating victims from wrecked vehicles. A representative from the Panhandle Regional Planning Commission (PRPC) was in Friona this week to discuss setting up a training course which ambulance attendants could attend.

While the exact date of the proposed change-over is not known, Parsons-Ellis is expected to continue with the service at least through February. The plans will be further discussed at the next meeting of the Friona City Council on February 7.

WIN HONORS....Excelling at the Dalhart Forensics tournament were the above foursome. Phillip Hand won first place in extemporaneous speaking. Coach Joy Morton

received a special award for "excellence in forensics," Sharla Bengel and Cris Beck reached the finals in duet acting. (See Story, Page 10)

Credit Union Sets Annual Meeting

The annual meeting of the Friona Texas Federal Credit Union will be held on Thursday, February 3 at the Friona High School Cafeteria.

Three directors are to be elected during the course of the meeting, along with one member of the organization's loan committee.

A barbecue supper will be served to all attending, beginning at 8 p.m. Registration starts at 7:30 p.m. Door prizes will be awarded.

The annual meeting is for all members of the Credit Union and any other interested persons who might like to know more about the Credit Union and how it works.

Guest speaker for the meeting will be Paul Mason, manager of the Hereford, Texas FCU.

Girl Scout troops 84 and 352 of Friona will be in charge of the flag program and also will present a program.

The Friona Texas FCU continues to show progress, according to Geneva Williams, treasurer. Mrs. Williams pointed out that total assets of the Credit Union on December 31, 1976 were \$1,573,259.39 compared to \$1,438,368.54 on the same date in 1975.

The Credit Union paid a total of \$8,276.33 in dividends to its members during 1976. "We are proud of our current dividend rate of five and one-half per cent, compounded quarterly. We believe this is the highest dividend rate to be obtained on passbook deposits," says Charles Scales, president of the Credit Union's board of directors. Officers up for re-election this

year are Mrs. Williams, Don Gatlin and Lois Norwood, who has chosen not to seek re-election. The member of the loan committee whose term is expiring is Leonard Coffey.

Other members of the board of directors are John Baca, Arlen May and Jerry Zachary. Members of the loan committee in addition to Coffey are Alvin Gaines, Glenn Evan Reeve, J.R. Cocannouer and Ralph Roden. Allen Stewart is the membership chairman and Don Gatlin is the chairman of the supervisory committee.

Mrs. Williams says that quarterly statements mailed recently should be used for tax purposes. Any member having questions about their statements are asked to call the office.

The Friona Texas Federal Credit Union was chartered in 1964 and later was expanded in order to serve all residents of Parmer County.

Timing Is Important In Foliar Feeding

BY PREACHELDMON
To correct a statement in last week's article on cotton, the additional check-off for research and product development voted in 1976 was not four (4) per cent but .4 of 1 per cent. This will be in addition to the \$1.00 per bale which Cotton Inc. has been using to promote cotton.

Thus the check-off formula for 1977 will be \$1.00 per bale plus .4 x 1 per cent x \$200 equals \$1.80 if the bale is valued at \$200.00. This was voted by 67 per cent of the cotton producers of the nation. This program is considered very important to an improving cotton industry. An understanding of the effect of residual herbicides may help to grow cotton again in Parmer County. The herbicides which control broad leaf weeds—and cotton as well—tend to stop the chlorophyll process causing stress and finally plant destruction. When this is working on the weeds or cotton plants all the plant food is coming from the roots which are in the herbicide treated soil.

Now if the cotton plant could get some food other than through the roots it could overcome some of the stress it is in. Not specifically designed for the above condition foliar feeding has been used to offset plant damage from many causes. An application of micro-nutrients by air may be the quickest to help when damage is first seen, but ground rigs using larger amounts of water while banding the spray on a six to eight inch strip directly on drill row of cotton can be much more effective as well as more economical than aerial spraying.

The timing of the foliar feeding can be very important. The first application soon after a leavable stand has emerged. The second

application—if needed—should be made when some plants show some yellowing instead of a dark rich green which healthy cotton plants should have. The addition of insect control material may be added for a small cost to give the cotton the earliest possible start for best production.

Some of the problems of getting the cotton crop to the stage of foliar feeding include the land preparation, seed selection, determination of plant population most desirable, preplant irrigation and time and method of planting. Remembering that cotton is a deep rooted plant it is well to have a deep seed bed to plant in. Deep planting, bedding, and pre-watering is considered a good beginning.

A choice of single or double rows per bed may well determine the plant population best suited. Plants two or three per foot in each drill seem to produce the best results for a high quality early crop.

Discussion of seeds and planting will follow next week.

Mahon Is Speaker On Inauguration

Congressman George Mahon, representative of the 19th District, was designated to act as speaker pro tempore of the House of Representatives on Inauguration Day. Mahon, dean of the Congress in point of service, will preside over the House and will lead the members of the House to the inauguration ceremony.

Earlier this week, Mahon was re-elected by the Democratic caucus as chairman of the House Committee on Appropriations, the largest committee in the House.

50 YEARS AGO—JANUARY 28, 1927

Friona and Farwell are to engage in a basketball game Friday, January 28. If the weather is good, the game will be played at Farwell on their outdoor court. If the weather is bad, the game will be played in the Friona High gym.

45 YEARS AGO—JANUARY 29, 1932

Ralph Roden, who has been assisting his brother, J.R., at the City Drug Store, departed early in the week for Fort Worth, where he will enter a school of pharmacy.

Mr. Roden has attended this school previously, and goes back to complete his course, after which he will become a full-fledged pharmacist and will very likely return to Friona to again assist in the work at City Drug Store.

35 YEARS AGO—JANUARY 30, 1942

Measles and mumps are now epidemic in Friona, it was reported this week by health authorities, who suggest some precautions to prevent further spread of the diseases. Children should not be taken to the doctor's office for diagnosis of possible contagious disease, it is pointed out, as this might expose other children to the diseases. Parents are asked to call the physician to the car, or have him visit the child in the home when any contagious disease is expected.

30 YEARS AGO

REMEMBERING...

By BILL BROOKS

Dipping Snuff

My great-grandmother had the habit, though she never acknowledged it as such, as taking a dip of snuff on occasion. Though most folks of that day and time would have been appalled at the thought of a woman smoking, snuff dipping was alright if you didn't go around telling everybody. Gramma did it openly most of the time but was very discreet when company came, especially if the company was the preacher.

She did her dipping with a mesquite root brush. With her grubbing hoe she would dig down beside a young mesquite bush to find a root a little smaller than a pencil, from which she would cut a section three, four inches long. After the bark was stripped off she would chew on one end until the fibers were separated and the thing resembled a brush. The moistened brush was dipped into the snuff tin and stuck back in the cheek for what appeared to be an enjoyable experience. After dipping, the brush was used to clean the teeth much the same way we'd use a toothbrush today.

Us kids were never allowed near Grandma's snuff tins but once when we were visiting our cousin, he took us out to the barn where he dug down in the hay in the loft and pulled out a can. He said he's swiped it from his dad. We were excited but kinda scared. "I didn't that stuff had for you?" "Naw, it's good; here, just hold it up to yer nose and take a deep whiff."

I must have coughed and choked for half an hour while my brother and my cousin were rolling in the hay laughing their heads off. My eyes watered and my nose ran and for the life of me I couldn't see how anybody could take a liking to that stuff.

An old retired grocer told me this. A certain brand of snuff was packaged in small square brown bottles. On the bottom of the bottles were markings in the form of dots. Some had one dot, some two dots, some three and some four. It was generally acknowledged that the one-dot bottles contained the weakest snuff and the four-dot bottles contained the

strongest snuff. Since most people liked their snuff either weak or strong not very many two-dot and three-dot bottles were sold. In fact the grocer could only sell them if he was out of the one-dot and four-dot snuff. He asked the supplier not to leave him any more of the two and three dot because he had trouble selling it

whereupon the supplier laughed and laughed. "It's all exactly the same snuff, there is no difference in the strength of it." "The dots are simply mold marks left by the bottle mold." The grocer was relieved and began telling his customers the truth about the dots but few believed him and most still bought their own kind—one dot or four dots. Once something gets fixed in a person's mind it's hard to change.

Snuff dipping has once again become popular with several new brands on the market while many of the old names are still around. But I've never had the urge to try any since that day in the hay loft.

Squaws Suffer Disastrous Week

The Friona varsity Squaws, who have been struggling through one of their worst seasons in recent history this season, really had a disastrous week of games during the past week.

The team was bombed by the Dimmitt Bobbies, 86-35 in a game that saw nothing go right for the Squaws. Then on Tuesday, the visiting Muleshoe Mulettes stung the Squaws, 51-23.

The victory margins by both the Bobbies and Mulettes were believed the largest ever against a Friona team for both Dimmitt and Muleshoe. This is definitely the case as far as the record book shows for the past 25 years.

In the game at Dimmitt, the score wasn't that bad for the better part of two quarters. Dimmitt took a 5-0 lead in the first 1:30 of play, but Friona rallied on baskets by Diane Bennett and Cindy Cleveland to trail by only three, 11-8, with 3:31 left in the opening period.

However, Dimmitt scored six of the last eight points of the quarter for a 17-10 lead.

It was still an eight-point game, at 24-16, when Miss Cleveland scored with 5:18 left in the first half. But the Bobbies came on like gangbusters, and outscored the Squaws 24-6 during the final five minutes of the half, and led at intermission, 48-22.

The second half was a nightmare

for the Squaws, especially the fourth quarter, when the team could score only two points—and that didn't come until the final minute of the quarter, when Miss Cleveland broke the goose-egg. Her basket "trimmed" the Dimmitt lead, which had reached a high of 53 points, to a final margin of 51 points, 86-35.

Miss Cleveland's 17 points paced the Squaws' scoring. Fouls plagued the Squaws, as two starters, Sylvia Malouf and Linda Lee both fouled out, and Jaton Widner finished with four.

The team's game against Muleshoe here Tuesday likewise was fairly close for the first half.

Muleshoe scored first, but Miss Cleveland gave Friona a tie at 2-2 with a pair of free shots. After the Mulettes took a 4-2 lead, Diane Bennett canned a set shot to tie the score at 4-4 with 4:15 left in the quarter.

But Muleshoe scored the next eight points and had a 14-6 lead at the quarter.

Muleshoe grabbed a ten-point lead in the second quarter, and the Squaws couldn't hang on. Baskets by Miss Cleveland and Rhonda Parsons cut the lead to 20-14, but Miss Parsons missed a 1-1 free throw attempt 1:15 ahead of the buzzer that could have brought the team even closer.

The second half resembled the Dimmitt game as far as Friona's offense was concerned. This time, however, the team managed only nine points for the half and closed with 23, their low score of the season.

+++

Cindy Cleveland 2-2-6; Renae Monroe 1-0-2; Rhonda Parsons 2-0-4; Diane Bennett 4-1-9; Janice Peak 1-0-2; Donna McBroom 0-0-0. Guards: Jaton Widner, Cindy Smiley, Sheri Rector, Linda Lee, Sylvia Malouf, Johnna Thorn.

UP FOR TWO....Jeff Whiteside of the Friona Chieftains drives in for a basket against the Muleshoe Mules here Tuesday, as Danny Wislan (15)

comes up too late to cut off Whiteside. The Chiefs won, 54-48 in a great come-from-behind effort. (Photo by Stanley Ellis)

It Was Basketball: Friona 8, Dimmitt 6!

The seventh grade Maidens did an excellent job of ball control to outlast the Dimmitt Bobbies 8-6 Monday night.

Cara Hand, who had missed a few days due to illness, was high pointer with four points. Erin Davila had two points and Lesa Bermea and Sunny Horton each had one point. Even though the Friona girls were pretty well outsize, the defense,

which consisted of Rene Noland, Penni Wetherly, Joann Flores and Gwen Maurer did an outstanding job of rebounding.

This brings their district record to 4-2.

+++
Erin Davila 1-0-2; Cara Hand 2-0-4; Sunny Horton 0-1-1; Lesa Bermea 0-1-1.

8th Grade

Girls Fall

The eighth grade Maidens had a hard time finding the basket Monday night against Dimmitt, shooting only twenty per cent of their field goals and 33 per cent of their free shots.

The Maidens dropped to Dimmitt by a score of 23-15. Myra Veazey was high point with eight, followed by Jiselle Malouf with five and Lynn Blackburn with two.

Doing a good job on the defensive end was Kenna Noland, Pam Perez, Kayle Britting and Jeanette Reed. This brings their district record to 3-3.

+++
Myra Veazey 4-0-8; Lynn Blackburn 1-0-2; Jiselle Malouf 2-1-5.

Officers Named For County Heart Assn.

Twenty-six people met Thursday night, January 20, at the Bovina State Bank to organize and elect board members for the Parmer County Heart Association, Texas Affiliate, Inc.

Sydney Baker, Region 2 director, Amarillo, remarked that she was "extremely pleased with the enthusiasm and interest shown in Parmer County for the Heart Association." Ms. Baker spoke about goals for the Parmer County Association and then turned the meeting over to Bill Pope, manager of Southwestern Public Service in Levelland, who is a volunteer on the State Board of the Heart Association. Pope discussed the need for training in Cardiopulmonary Resuscitation, CPR, for Parmer County.

The meeting was then turned over to Joe Buchanan, campaign chairman for Parmer County, who chose representatives from each community in the county. These representatives then elected Mrs. Buchanan president of the Heart Association board in Parmer County, Jimmy Mabry was named vice president; Arlene McCallum, campaign chairman; Joyce McGehee, secretary-treasurer; Jana Pronger, program chairman; Raymond Schueler, chairman of the Satellite Club, a satellite of the Open Hearts of the Southwest and Rose Mabry, publicity chairman.

Other members on the board are Dr. Lee Clayton and Delton Wilhite, Farwell, Bob Owen and Jesse Morales, Jr., Friona, Doris Sides, Oklahoma Lane, and Dean McCal-

lum, Bovina. Other persons present at the meeting were L.F. Jacobs, Larry Mitchell, Radford Venable, Nancy Sudderth and Bess and Carl Rea from Bovina. Also, Terry Constancio and Alex and Angie Guerra, Friona, and Lorna, Martha and Walter Schueler from the Rhea Community.

Riding Club Makes Plans For Year

The Friona Riding Club met in the Community Room of the Friona State Bank on Saturday night, January 15 and elected new officers for the year. There was a motion made to re-elect the same slate of officers that the club had last year with the one exception being that of reporter.

Officers are: Robert Zetsche, president; Estis Bass, vice president; Frances Parvin, secretary; J.C. Parvin, pens overseer; Floyd Rector, parade marshal; Carol Zetsche, reporter; and Faith Mays, queen.

A discussion was held about the Junior Rodeo sponsored each year by the club. This year there will be a change as a new association, The High Plains Junior Rodeo Assn. based in Clovis, N.M., will have jurisdiction over the show.

This association is to coordinate the records of junior cowboys and cowgirls so that they can stay within the Interscholastic League rules and remain eligible for other school sports.

For the information of students this association is in addition to the Tri-State Rodeo Assn.

Next meeting for the Riding Club is scheduled for Saturday night, February 5.

ON COMMITTEE....Jesse Morales, Jr., left, and Bob Owen have been named to the board of directors for the Parmer County Heart Assn. chapter which is newly formed. Joe Buchanan is county chairman.

Services Held In Oregon

For Elwin Gischler

Funeral services were held last Saturday in Oak Ridge, Oregon for Elwin Gischler, 77, a former Friona resident and brother of two local residents.

Gischler passed away January 18 of a heart attack.

He was born in North Dakota, and came to Friona in 1909. He helped his father with their mercantile store, attended school locally, and later worked for the Santa Fe Railroad for a number of years.

He also had careers with the Los Angeles Times and Oregonian newspapers, and formerly owned restaurants and worked as a chef. He was a veteran of World War I,

he was commander of the American Legion Post at the time of his death, and was a member of the Pioneer Museum Assn.

He was a member of the Oak Ridge First Christian Church.

Survivors include his wife, Marcelle, three children, Gayle Johnson of Santa Cruz, Calif., Earlene Gasper of Astoria, Oregon and Rickey Daniels of Kansas City, Kansas; sisters Luella Maurer and Viola Treider of Friona and Constance Walker of Los Gatos, California, and a brother, Reuben Gischler of Eugene, Oregon.

Mrs. Maurer and Mrs. Treider made the trip to Oregon following the death of their brother.

High Blood Pressure

Clinic Scheduled Here

Saturday, February 19, there will be a screening for hypertension (high blood pressure) at the Parmer County Community Center during the stock show. There will be no charge so please take advantage of this service.

We all like to eat. In fact, eating is one of life's great pleasures. As a result, Americans think of "diet" as a bad word. But Dr. Robert A. Alexander, physician at the Parmer County Community Hospital, wants to share this secret: "Everyone is on a diet whether he likes it or not."

The Friona physician explains, "for better or worse, we all maintain dietary patterns that affect our lives...simply by eating the same kinds of foods every day. Studies show that Americans eat too many foods high in saturated fats and cholesterol and that such a diet may lead to heart disease."

In terms of heart-health, our diet can be either a help or a hindrance. Medical experts have identified excess fat and cholesterol in the diet as a major risk factor of heart attack and stroke.

Dr. Alexander says that excess levels of cholesterol in the blood can contribute to atherosclerosis, a form of hardening of the arteries. In this disease, cholesterol and other fatty deposits gradually build up inside the walls of the arteries. Over the years, the substances continue to accumulate and the channels grow narrow, cutting down blood flow. In the coronary arteries supplying the heart muscle, this process sets the stage for a heart attack, where heart cells die from lack of enough oxygen.

Fortunately, Dr. Alexander adds, it may be possible to reduce one of the risks of heart disease through

dietary control. "As a matter of fact, you can be a gourmet and conscious of your heart-health at the same time. The new edition of "The American Heart Association Cookbook" is dedicated to the pleasures of eating well while eating right."

The new edition has over 500 low-fat, low-cholesterol recipes. The cookbook isn't a diet book, but is designed for persons who want to lose weight as well as those who wish to maintain their same weight. Each recipe lists an approximate calorie value per serving.

"Besides helping your heart and your waistline, low-fat, low-cholesterol cooking also benefits your pocketbook," Dr. Alexander asserts. "Poultry and vegetable proteins are generally less expensive than meats."

Rich, heavy desserts and whole milk products are in the same category as fatty meats, in Dr. Alexander's opinion. Fancy cakes and sundaes are also high priced and low in nutritional value.

He recommends substitutes for these foods, such as skim milk and its by-products, fresh fruit for dessert and snacks, and fish, poultry and vegetable proteins in place of red meats.

Dr. Alexander also cautions that no more than 3 egg yolks should be consumed in a week, since they are high in cholesterol.

The Parmer County Heart Association offers free nutrition information as one of its many programs supported by Heart Fund contributions. Dr. Alexander urges Parmer County residents to give generously when a Heart volunteer calls during February-American Heart Month.

Forensics Team

Scores At Dalhart

Rites Held

For Ramirez

Funeral services were held in Hereford this week for Antonio L. Ramirez, 49, a cement contractor who has done construction work in Friona.

Ramirez had lived in Hereford for the past ten years. Survivors include his wife Consuelo, six sons, three daughters, five brothers, three sisters and 10 grandchildren.

Ramirez did contract work for J.T. Stone and Ray Fleming in Friona.

Friona High School's Forensics team participated in the Dalhart Invitational Tournament last Saturday.

Philip Hand won the first place trophy in extemporaneous speaking. Sharla Bengel and Cris Beck were in the finals in duet acting.

Advancing to the semi-finals were Charles Fleming in oratory; Tammy Schmidt in extemporaneous speaking and Gigi Spring in poetry reading.

In addition, Joy Morton, team coach, received an attractive award, which was engraved "To Joy Morton for dedication and excel-

lence in Forensics."

Other students participating were John Carson-Bryan Johnston; Mark Edelman-Jay Jarboe and Mark Bavousett-David Merrell, debate.

Also, Shannon Taylor, Sheri Noah, Linda Miller and Connie Merrell, prose reading; Barbara Rhodes, Holly White and Holli Hudson, poetry; Robert Alexander, Larry Gore, Tracy Horton, Laura Ellis and Karen Edelman, extemporaneous speaking.

The next tournament for the FHS team will be at Texas Tech University February 11-12.

ALL-REGION...Members of the Friona High School band who earned all-regional or alternate designation during recent tryouts are shown above. Standing are Debbie Parker,

Dwight Whitaker, Joe Malouf, Burk Vestal, Charlene Seale, Donna Rector, Lynn Welch, Roger Coffey and Laura Ellis. Seated are Denae

Vera, Janice Coffey, Cheriee Paker, Diane Westbrook, Barbara Rhodes, Patti Cole, Deann Shipp, Vickie Florez and Regina Walters.

Fourteen Bandsmen Make All-Regional

Fourteen members of the Friona High School Band made the All-Regional Band in tryouts at Floydada January 15. Four others were named as alternates. Two of the Friona musicians, Diane Westbrook and Barbara Rhodes, received "first chair" honors.

The All-Regional Band is to perform in Lubbock on Saturday, January 29. The clinic will be held January 27-28.

Those making the All-Regional designation and their chair position included:

Flutes: Diane Westbrook, first; Donna Rector, third and Regina Walters, eighth.

Clarinet: Cheriee Parker, eighth; Janice Coffey, eleventh; and Debbie Parker, 15th.

Alto clarinet: Barbara Rhodes, first and Patti Cole, second.

Bass clarinet: Vickie Flores, sixth.

Cornet: David Whitaker, second.

Trombone: Lynn Welch, third.

Baritone: Charlene Seale, second;

Joe Malouf, fifth.

Tuba: Burk Vestal, second.

Those named as alternates on the All-Region Band were Laura Ellis, clarinet; Deann Shipp, alto clarinet; Roger Coffey, cornet and Denae Vera, cornet.

Scott Houston is director of the FHS band.

Eleven members of the Friona Junior High School band earned All-Regional honors in contests at Littlefield on January 22. The bandsmen are taking part in the All-Regional clinic and concert at Lubbock this weekend.

Those making the band were Kipi Fleming, Diana Wright, Dana Smith, and Delinda Shipp, flutes; Pam Perez, clarinet; Terri Lloyd, bass clarinet; Sandy Spring, bassoon; Mark Blankenship and Tim Mercer, trombone; Jim Mabry, saxophone and Mark Zachary, baritone.

Named as alternates on the junior high all-regional band were Sydonia Tongate, flute; Myra Veazey, clarinet; Lynn Blackburn, saxophone; Cindy Alexander, cornet and Jeff Landrum, trombone.

HERMAN SCHUELER...A reception honoring Herman Schueler on his 82nd birthday will be held Saturday, January 29 at his home in the Rhea Community from 2-5 p.m. Hosting the reception are his children, Mr. and Mrs. Gilbert Schueler of Alamosa, Colorado, Franklin Bauer of Everton, Missouri, Mr. and Mrs. Carl Schlenker, Mr. and Mrs. Walter Schueler and Mr. and Mrs. Herbert Schueler, all of the Rhea Community.

JUNIOR BANDSMEN who made all-regional or alternate honors are shown above. Back row, left to

right: Sandy Spring, Terri Lloyd, Tim Mercer, Mark Blankenship, Mark Zachary and Jim Mabry. In

the front are Cindy Alexander, Delinda Shipp, Sydonia Tongate, Diana Wright and Dana Smith.

Town Talk

By June Floyd

Phone 247-3681

With Your News Item

Probably the most frustrated person at Parmer County Community Hospital Monday night was Jerry Spencer of the Black Community.

Jerry's young grandson, Jason Spencer, was admitted to the hospital Sunday evening. After spending most of Monday with him, Jerry went home and told his mother, Diann, that she and J.D. would return after supper.

They returned, but not in the conventional way Jerry had planned. Before supper J.D. pulled onto the highway near Black Farm Center with a tank behind his pickup and collided with a truck.

J.D. came to the hospital in an ambulance and Jerry followed later in the car. J.D.'s injuries were not as serious as they were first reported. Thursday morning Jerry said, "We were so very lucky and were all back home Wednesday evening." Then added, "Monday night was the worst night I've ever had."

Roxanne and Bob Hurst and young son, Clint, were in Amarillo Sunday for an awards dinner during which Bryan Hall, Roxanne's brother, was honored as Southwest Conference Football Player of the Year.

Bryan has been the kicker for Texas Tech Red Raiders for the past several years.

Immediately following the dinner, Bryan left Amarillo by plane for New York City, where he was to appear on Gary Moore's show, "To Tell The Truth."

Bryan's parents, Paul and Doris Hall of Dalhart, were there, too, of course.

Eight Frionans took advantage of some plane trouble to spend an extra day in Hawaii. D.L. and Ruth Harguess, Burke and Retta Hand and Eugene and Doris Bogges planned to spend a week vacationing on the islands together, and left Friona Tuesday of last week.

Bill and Ann Carthel had made similar plans without knowing about plans of the other group. So what had been planned for a six man crew from Friona turned into an eight man crew.

Original plans were for the group to arrive back in Dallas Wednesday, but due to some mechanical difficulty, persons scheduled for that particular flight stayed over an extra day.

All eight of them got back to Friona Thursday morning and anyone hearing about the trip will probably start planning one for the

near future.

We're losing four of our residents to East Texas. Mr. and Mrs. Grover Goggans are moving to Paris, where they have purchased farm and ranch land.

Glenn and Georgia are moving down there, too. Grover plans to see after the farming end of the business while Glenn looks after the cows. The Goggans moved from that section of the state to Friona when their children, Janis and Glenn were small.

Moving back when they were ready to retire has been a long range plan for the family. It will soon be gardening time down there. Mrs. Goggans reports that her mother, who lives in Sulphur Springs, has already set out her onions.

Mrs. Norman Rogers of Fort Gibson, Oklahoma, and Mrs. Eddie Bryan and son, Darren, of Happy, were visitors in Friona Wednesday. Mrs. Rogers is the former Peggy Holcomb and Mrs. Bryan is the former Phyllis Holcomb.

Gary and Karen Renner and daughters, Jana and Crista, who have been living near Lariat for a couple of years or so, are moving back to Friona. They have already sold their farm and are in the process of re-establishing residence here.

One of the new things 1977 is going to bring to Friona is a professional photographic shop.

Rick and Jo Luther purchased the former Pete Collins home at 814 Washington Street and are remodeling a building, which will house the shop.

The Luthers have lived here several months and he is a former Friona Star employee. Rick holds a bachelor's degree from Texas Tech and is presently enrolled in some photographic and journalism classes at West Texas State University, Canyon.

Those of you who know Dave McReynolds of Stratford can take his word for Rick's ability. He said, "He's one of the best with a camera and in the dark room."

Rick holds a membership in the Texas Professional Photographer's Association.

IT'S REALLY TRUE:
A nickel goes a long long way,
I'll tell you the reason why.
To-day it takes a long long time
To find something it will buy.
—Walter E. Johnson

Mr. and Mrs. Johnny Broyles

Robin Taylor, John Broyles

Exchange Wedding Vows

Nuptial vows were read Friday, January 7 at 7:30 p.m. for Robin Kay Taylor and Johnny Dean Broyles, both of Friona.

The ceremony was performed in the home of Mr. and Mrs. L.D. Taylor, parents of the bride. The Rev. Ron Trusler of Calvary Baptist Church officiated at the ceremony.

Parents of the groom are Mr. and Mrs. Ralph Broyles of Friona.

Mrs. Rene Jarecki, cousin of the bride, served as matron of honor.

Jimmy Broyles of Friona, brother of the groom, served as best man.

Tory Taylor, nephew of the bride, served as usher.

Mark Anthony, nephew of the bride, was in charge of the music and songs played on the stereo.

Lauri Anthony, niece of the bride, registered guests.

A reception followed the ceremony. Kim Taylor, niece of the bride and Mrs. Ron Stephenson served at the reception.

Out-of-town guests attending the

ceremony were Mr. and Mrs. L.D. Gonsler of Friona, grandparents of the groom; Mr. and Mrs. J.L. Brooks of Hereford, grandparents of the bride; Mr. and Mrs. Floyd Long of Clovis, N.M.; Mr. and Mrs. Roy M. Miller of Lazbuddie; Mr. and Mrs. Dee Taylor, Laurie and Mark of Hereford; Mrs. Delvin Brookfield of Amarillo; and Mrs. Troy Scott of Muleshoe.

The couple traveled to Red River, New Mexico for their wedding trip.

The bride is a 1974 graduate of Friona High School and is employed at Perry's in Friona.

The bridegroom is employed at Friona Parts and Service.

Library Report

"The Invisible Cord" by Catherine Cookson is available at Friona Public Library.

A strong, ambitious woman, Annie through her energy and intelligence, brings her family economic success. But her unwise attachment to her oldest son Rance spells tragedy.

Annie was not yet married when she became pregnant with Rance during the darkest days of World War II and was forced to marry the father good-natured but slow-witted Georgie. With her good looks and brains Annie's parents and friends had expected her to do better, but then, in her working class neighborhood people are resigned to settling for less. Annie however, is not. She determines to "make something" out of Georgie, and she does.

To the list of Catherine Cookson's heroines, add the name of Annie McCabe. Her story is the story of every woman who has ever let love for a child blind her to reality.

Club Members Present Program

The Progressive Study Club met at the club house for their program entitled "Putting Your Best Foot Forward." Roll call was answered by members with "I Wish I Could....."

Mary Eckols presented an inspirational poem to get the evening started. Tracy Horton and Sunny Horton provided entertainment with piano solos.

The program, "A Light and Lively Review of Essential Foot Care" was presented by Betty Mabry and Roxanne Hurst, with all members participating.

The fun evening ended with hostesses, Lois Norwood and Mary Reed, serving refreshments.

CARROL'S

Prairie Acres Party Line

By June Floyd

Hello Central!

Our new residents are Bill Cogdill, long time farmer in the Friona area, who retired a few years ago and moved into town. He is the father of Billie Fairchild of Friona and Helen Haws, who lives in Missouri; Felipe Hidalgo of Eagle Pass, Texas, and Mr. and Mrs. Lewis West of Hereford.

Mr. and Mrs. West are also farm people. They have lived in the Westway Community of Deaf Smith County for many years. Their daughters Odie Claborn and Elsie Lloyd are both Frionans.

Odie lives here now and Elsie and her husband, Bill, lived here before moving to a farm near Adrian a few years ago.

Our February birthday people and the dates of their birthdays are: Arthur Gaines, February 2; Maggie Miller, February 29; Nettie Rhinehart, February 26; Felipe Hidalgo, February 5; and Bill Cogdill, February 4.

Most of us have been enjoying the warm sunny days. We like to look out the windows and see our neighbors on the north cutting stalks and getting land ready for another crop.

Mrs. Lena Bracken was taken to Parmer County Community Hospital Wednesday.

Our most sincere appreciation goes to a group of singers from Sixth Street Church of Christ, who came and sang for us again Sunday afternoon.

Four brighteners in our midst Wednesday afternoon were young visitors of Lucy Welch. Four of her great-grandchildren were here. Mende, Melanie and Brandon Petree were accompanied by their mother, Mrs. Lenney Petree; and Ben Welch was accompanied by his mother, Mrs. Bob Welch and grandmother.

Mrs. Nelson Welch.

Valentine's Day will soon be here and we're doing our own decorating for this holiday. Debbie Shirley directed some Valentine making Wednesday afternoon.

How long has it been since you've made a Valentine? It is a fun thing to do.
