

# The FRIONA STAR

**Star Lites**  
By **Bill Ellis**

## Dan Reeves Is All-Sports Guest

DAN REEVES

Dan Reeves, former star running-back for the Dallas Cowboys, will be the principal speaker Tuesday night, March 22, at Friona's All-Sports Banquet which will be held at the Community Center beginning at 6 p.m.

Tickets are on sale at \$6.00 each, and are available at Bi-Wize Drug and Carrol's Printing. Also, Peggy Monroe, 247-3028 or Donna Mears, 247-3456 may be contacted for tickets, which will not be sold at the door.

A steak dinner, catered by K-Bob's Steakhouse, will be the menu highlight.

Athletes from all sports at Friona High School will be recognized at the event.

Reeves was a Cowboys running back for seven seasons (1965-71) and, despite a series of knee injuries, rose to the fifth spot among all-time Dallas rushing leaders. He

was a player-coach in '70 and '71 and coached the offensive backfield in 1972. Dan spent a year in private business before rejoining the Cowboys staff in 1974.

Dan is a native of Rome, Georgia who quarterbacked South Carolina for three years and was recently inducted into the Gamecocks' Hall of Fame. He signed with the Cowboys as a free agent in 1965.

Dan and his wife Pam have two daughters and a son.

## Contracts Renewed By Board

Teacher contracts consumed the bulk of the discussion time by the Friona School Board during their March business session.

Following the discussion, all classroom teachers in the local system have been offered contracts for the 1977-78 school term.

In other business, the school calendar for 1977-78 was adopted. The calendar is virtually identical to the 1976-77 calendar. Holidays will be as follows:

September 5: Labor Day; November 24-25: Thanksgiving; December 23 through January 2: Christmas Holidays; February 23-27: Early Spring Break; March 23-27: Easter break.

Tax Assessor-Collector Porter Roberts reported to the board that delinquent taxes for the 1976 tax year stands at \$40,322.71. Total delinquent taxes for all past years comes to \$70,367.51.

Superintendent Tom Jarboe gave reports on all school funds.

## New Family Enjoys Our Hospitality

They weren't coming to Friona on purpose, but they seem to have found a home.

Back in early January, Gilbert Holford, 35, his wife Nellie and their nine-year-old son Mike left their former home in Grand Rapids, Michigan, in search of something better.

"The job situation up there is terrible," says Holford, "and I'm against welfare." He explained that most of his family, and his wife's family has been on welfare for a number of years, but they had decided there had to be a better life.

The Holfords were enroute to Arizona, where he had a brother. But on January 6 they arrived in Friona, having exhausted their money, and low on gasoline.

(SEE PHOTO, PAGE 2)

They decided to stop in Friona, and began to encounter helpful people. They found a place to stay, and the next day, Holford found a job as a roughneck at Parmer County Pump Company.

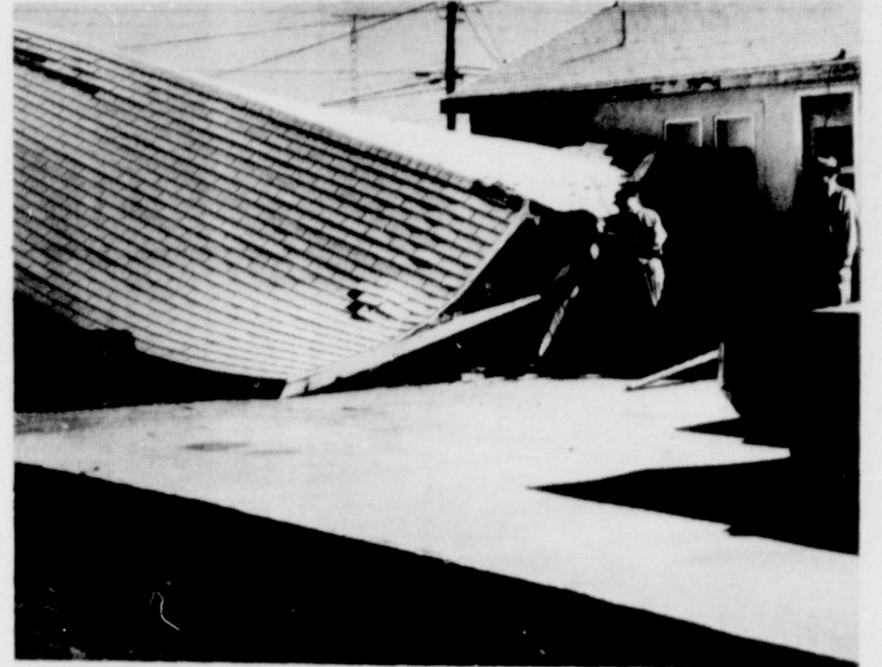

In his former position, Holford was employed by General Motors' Fisher Body Plant in Grand Rapids, but the job ended after only 33 days due to a strike.

"I love it here. I get to work as much as I want to. Let's face it, I have a family to support. We don't even mind the wind and dust. It's better than five feet of snow and 13 degrees below zero," Holford says.

Since settling in Friona, the brother that Holford had intended to visit in Arizona has been killed in a car wreck.

The Holfords say the people of Friona have been exceptionally friendly. They are having to get accustomed to this type of atmosphere. "You don't just stop anyone on the street and talk to them (back home). They'd think you were gonna mug them," Holford explains.

So, Friona has a new family. They didn't come here intentionally, but they talk like they'll stay.

**STORM DAMAGE....**This series of photos gives an indication of the damage suffered by the local area during the windstorm of Friday, March 11. At the top, a garage belonging to Troy Hutson at 302 E. 12th was destroyed. In the center photo, a shed on the old Herring

Implement property on Highway 60 was damaged. Workmen are shown making repairs. At the bottom, all that is left of a small metal storage building is shown after it had been partially wrapped around a street marker at Virginia and 14th Street.

## C-C BANQUET

## Leaders Honored At Bovina Fete

The Bovina Chamber of Commerce and Agriculture honored its leading citizens Thursday night at the city's 17th annual C-C&A Banquet at the Bovina Schools Cafeteria.

Kenneth Cary was named Man of the Year. Karen Kirkpatrick was singled out as Woman of the Year. Tammi Christian and Larry Sides were chosen as outstanding young people.

Lawrence Widner, vo-ag instructor, was presented a special award for his work with the youth in Bovina.

Cary was also cited for this work with young people, which includes Little League Baseball, Little Dribblers, 4-H, Boy Scouts and other activities. He is an active Lions Club member, and is manager of Bovina Pump Co.

Mrs. Kirkpatrick is president of the Bovina Young Homemakers chapter, and has served as co-chairman of the Bull Town Days committee. She and Cary are ex-Chamber presidents, and serve as youth directors at the Methodist Church.

Larry Sides, the son of Mr. and Mrs. Henry Minter, is a senior and student council officer. Tammi, daughter of Mr. and Mrs. Wendol Christian, is a senior, a band member, a former Bull Town Days Queen, and is involved in a number of school activities.

Speaker for the occasion was Jimmy Morrison of Amarillo. Ben McCain of KVII-TV, Amarillo, a native of Bovina, served as master of ceremonies.

Morrison admonished the crowd to consider getting themselves some "faith tonic." "You need to have faith in your country, faith in your fellow man, faith in yourself, and faith in your God," Morrison said.

Over 350 people attended the annual banquet, which was appropriately decorated for a St. Patrick's Day theme.

New officers of the chamber were introduced: Gaylon Rhodes, president; Ken Horn, vice president; Mrs. Ralph Roming, recording secretary; and Mrs. Jack Kassahn, manager.

New directors are Dale Guber, Mrs. Grady Sorley, Jimmie Cockerham, Kregg Wilson, Dickie Clayton and Tom Bonds. Holdovers are Steve Sherrill, George Powell, Mrs. Jay Harris, Oakley Stevenson, Kenneth Cary and J.T. Hammonds.

## Temperatures

Date	Hi-Low

Sunday, March 13	64-26
Monday, March 14	78-40
Tuesday, March 15	74-32
Wednesday, March 16	63-31
Thursday, March 17	55-36
Friday, March 18	69-20

## Electric Company To Have Outage

Southwestern Public Service Company announced this week that in order to upgrade service, electric power to certain areas of Friona will be interrupted for a short time early next Saturday morning, March 26.

Bill Wilshire, local manager for the electric company, said that service will be interrupted from five to eight minutes only, between 6:30 and 7 a.m. that morning.

"We regret this interruption, but it is necessary in order to repair a regulator," Wilshire said.

The areas to be affected are generally south of Seventh Street, west of Grand Avenue, plus areas on Ashland, Woodland and Prospect Avenues. Also included will be residences or businesses on Euclid and Main Streets, from Seventh Street north to Highway 60, and on Washington and Pierce, from Seventh Street north to the highway.

If anyone's service is not restored by 7:30 a.m. on March 26, they are asked to call the Southwestern Public Service Company office at 247-2221.

## Water, Inc. Leader Gives Lions Program

Duncan Ellison, executive secretary for Water, Inc., presented the program for the Friona Noon Lions on Thursday.

Ellison presented a slide program that traced the role water plays on the High Plains of Texas and Eastern New Mexico.

"It formerly was the thought that a water import plan was needed just to salvage this area. This isn't true. It is needed if our nation is to continue to have the food and fiber it needs," Ellison said, pointing out that the High Plains area produces

more than one-fourth of the nation's cotton and grain, plus a good portion of the nation's beef.

In answer to a question, Ellison said that the major obstacle to the water import program was apathy, "and strangely enough, there is a lot of apathy right here in the area where the water is needed."

Ellison said that Friona was an "oasis" in the water program, thanks largely to such leaders as A.L. Black, who he referred to as "Mr. Water" in the state of Texas.

**CONTINUES STREAK....**Bryan Johnston, right, was named winner, and John Carson first alternate, of the Washington Youth Tour, sponsored by Deaf Smith Electric

Cooperative. The win by the Friona youth kept a streak going for the locals, who have fared consistently well in the event.

AN ARTICLE we saw this week really caught our fancy. It was about a new club that we've just got to join. It's the Procrastinators' Club of America.

National Procrastinators Week is proclaimed as the first week in March, but members of the club traditionally wait until the second week to observe it. Being experienced at the art, we waited until the third week of March to kick off our personal observation.

The president of the club, Les Waas, says there are some 2,000 dues-paying members. "I really think we have close to a half million members. They just haven't gotten around to joining," he said. Paying dues on time calls for a five per cent penalty.

To join the club, it was pointed out that prospective members fill out a form which is then sent in an envelope marked "open later." Currently, the club's 1973 membership drive is in full swing.

We agree with one statement that the head of the procrastinators made. "People who rush around and never relax and get all worried about being on time are the people who die early. It's surprising how many problems become less important, even disappear, if you postpone them."

Members of the Procrastinators' Club celebrate New Year's Eve sometime in June. That way, they know whether or not the year is even worth celebrating.

One of the club's favorite subjects is the War of 1812.

"That was a real procrastinator's war," the club president points out. "It began after England had corrected the conditions that caused it, and its last battle was fought after the treaty was signed. That's our kind of war."

THE COUNTY ASCS committee's monthly newsletter gives some space-age news this month.

It appears that the committee's age-old problem of measuring acreage has taken on a new look.

Prentice Mills, executive director of the ASCS, says that a few months ago, his organization began measuring land through aerial observation. The new method is less costly, quicker, and much more effective, he says.

The ASCS has rigged a camera in an airplane in such a manner that it can photograph up to a quarter-section of land at one time. Slides are taken of each farm. The slide can then be projected onto the farm's aerial map and focused to the point that the permanent points (county roads, wells, buildings, etc.) on the aerial map and slide match up.

It is then a simple matter to draw the crop and field lines in on the aerial map as pictured on the slide. The aerial map is drawn to exact scale. After drawing the lines on the aerial map, the ASCS computes the acreages for each crop.

"Pictures do not lie," says Mills. "We have measured acreages on more than 1,000 farms on the High Plains by this method in the past few months, and we believe that we have the acreages right on the money. We have ground checked about five per cent of these, and have found no errors."

"The truth is, when it comes to measuring contoured fields, terraces, sprinkler circles, lake areas, etc., we do it much better and much cheaper than can be done on the ground. Actually, this method costs us and you about one-half as much as measuring from the ground," Mills says.

The ASCS official says that in many cases, farmers have odd-shaped fields that may have never been accurately measured previously. These fields can now be measured, and give the farmer an exact acreage.

In fact, any farmer that has an acreage that he wants measured may make a special request for this aerial observation, and the ASCS will be happy to comply. The acreage measured will become the farmer's official acreage report to the ASCS.

After the ASCS has finished working on a particular farm, the farm owner may have the slide to keep if they wish.

## Friona Flashbacks

....from the files of The Friona Star

### 45 YEARS AGO—MARCH 18, 1932

Many of the people were surprised and saddened Friday morning when they awoke to learn that the Friona Gin had been consumed by fire while they slept. According to the best reports obtainable, the fire originated at 3:30 in the morning and the gin building was almost entirely enveloped in flames when first discovered. There was no clue as to the fire's origin.

++++

### 35 YEARS AGO—MARCH 13, 1942

At a regular meeting of the Friona School Board Monday night, W.L. Edelman, superintendent of schools for the past four years, resigned effective July 1, 1942, at which time he plans to enter the military or defense service of the Federal Government.

Ralph Miller took over active ownership Monday of the Rushing Junior Department Store, which he purchased last week from Eric Rushing.

++++

### 30 YEARS AGO—

(Entire 1947 file missing from Star files.)

++++

### 25 YEARS AGO—MARCH 13, 1952

Janice Miller, 12, Parmer County representative in the area Spelling Bee held in Amarillo last Saturday, competed with students from 41 counties that sent the winner on an all-expense paid trip to Washington, D.C. Though Janice didn't win the contest, she reported it was a big experience. She is in the seventh grade, and is the daughter of Mr. and Mrs. Roy V. Miller.

++++

### 20 YEARS AGO—MARCH 7, 1957

A third quarter scoring rally that carried over into the beginning minutes of the fourth quarter caused some anxious moments for the Friona Squaws and fans supporting them Thursday night, but the home team rebounded to win 50-41 and clinch the District 3-A championship. A large number of basketball fans

were on hand at the Dimmitt Gym Monday evening to see the Friona Squaws and the girls from Hale Center compete for regional honors. The Squaws were nosed out by three points, 47-44.

Twenty-seven civic workers present at a meeting of the Hub Community Association Tuesday night decided to purchase a 40x100 steel building to be used as a center for the community. It will be located south of the Fleming and Son Gin on the east side of the Muleshoe-Friona highway.

++++

### 15 YEARS AGO—MARCH 15, 1962

Standing a little over a head taller than her Hereford steer, 10-year-old Risa Howell walked off with the Grand Champion steer banner at the Parmer County Junior Livestock Show last Saturday. Theresa Seaton of Lazbuddie exhibited the Grand Champion barrow, a Hampshire. Stinging wind and dust made the show disagreeable from a spectator's standpoint.

++++

### 10 YEARS AGO—MARCH 9, 1967

The Friona City Council, taking the initial step toward assuming financial responsibility for operation of the Friona Library, passed a motion Monday night that would lead to making the library a department under the city government.

++++

### 5 YEARS AGO—MARCH 16, 1972

Parmer County has been scheduled for highway construction work totaling \$2,173,000 in the two-year consolidated highway program for Texas, announced the past week by O.L. Crain, District Highway Engineer.

Clyde Hays was presented a plaque and a pin last Friday in observance of his 50 years as a Mason. Thomas C. Yantis of Brownwood, the Grand Orator of the Grand Lodge of Texas, made the presentation and spoke at the meeting, which also honored all past masters of Friona Lodge No. 1332.

## SCHOOL LUNCH MENU

### WEEK OF MARCH 21-25

**MONDAY**—baked turkey roll, mashed potatoes, cranberry sauce, green beans, chocolate cake and milk.

**TUESDAY**—soup, chili and sandwiches, cookies, crackers and milk.

**WEDNESDAY**—tacos, cornbread-butter, pinto beans, lettuce and tomato salad, applesauce cake and chocolate milk.

**THURSDAY**—fried chicken, hot rolls-butter, mashed potatoes, buttered carrots, fruit and milk.

**FRIDAY**—hamburgers, potato chips, fruit jello, lettuce, tomatoes, pickles, mustard and milk.

# Cattle Statistics Increase For '76

The production of fat cattle in the Panhandle-Plains during the past year has resulted in a \$1.75 billion contribution to area businesses, according to a recent survey conducted by Southwestern Public Service Company.

The fed cattle output totaled 4,286,629 head for the calendar year 1976 and represents a 31 per cent increase over 1975 production. It is the third largest number produced in any one year and ranks behind the highest year 1973 with 5 million head and 1972 with 4.7 million.

The survey, released by Sam Thomas, SPS manager of Agriculture Development, is quoted throughout the United States as the most authoritative source as to production of fat cattle in the southern great plains area.

"This production was accomplished during a time when cattle feeding profits were minimum and cattle livestock losses over a three year period were in excess of \$30-billion," Thomas said. "The total business generated from this volume of cattle can be calculated by multiplying the estimated sales value by 3.86 with a \$6.75 billion result. When the impact of the slaughter industry is calculated, another \$7 billion can be added for a total contribution of \$13.5 billion to area business."

The survey also revealed that the one-time feedlot capacity in use increased by two per cent and reversed a two year downward trend from the peak year of 1974 when the feedlot capacity in use at the beginning of the year was 2.7 million head. Thomas reports that there is an additional 223,000 capacity standing idle with 153,000 of this capacity in units large enough to be in commercial production.

Thomas also says that there was a one per cent loss in the number of feedlots of 1,000 head capacity and above, but there was an increase of 2.5 per cent in the total number of feedlots producing fat cattle. Feedlots of 1,000 head and above numbered 146 and the total number of yards reporting cattle fed was 158. The total number of feedlots producing fat cattle have been steadily declining up to now since 1967 while the average size has been increasing sharply.

"Feedlot companies that are apart from the profit or loss situation of the cattle are generally

in good shape," Thomas says, "but those that are involved in the cattle ownership could be in better shape. Also, the older feedyards that are not faced with the necessity of retiring extremely high capital investment as a result of the recent high building costs, seem to be in a more desirable position."

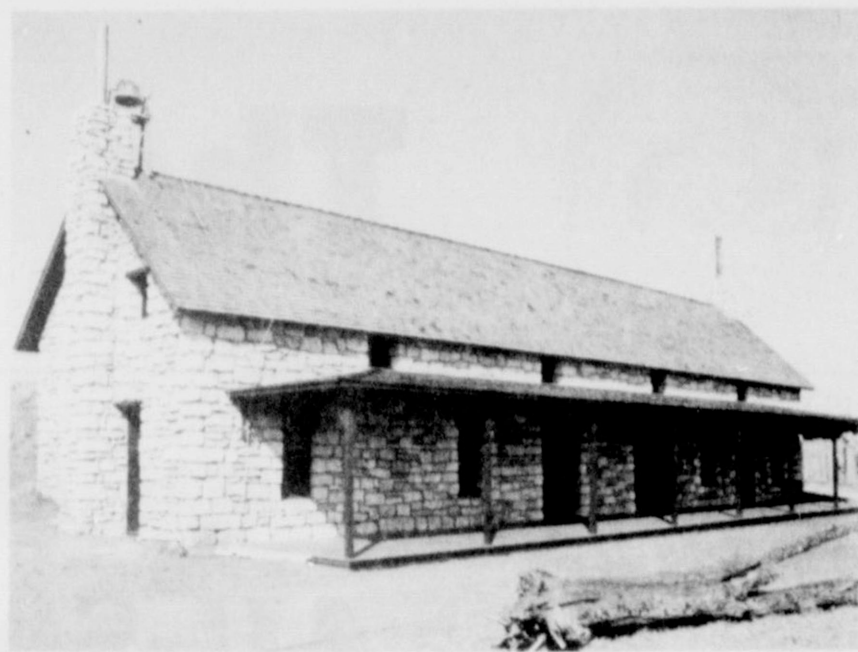

The survey points out that the trend towards commercial feedlots getting into the hands of fewer companies is continuing. As to whether this is good or bad for the industry, Thomas says that the greater financial stability of the new owners should be helpful and their ability to find expert management will give the industry a firmer base.

"We expect to see a greater integration between farming units and feed units," Thomas says, "and we believe the cost price squeeze facing farmers will mean a greater reliance on marketing by grazing rather than by combining. We feel that more silage will be put down both by farmers and feedyards, and that there will be a greater reliance on growing cattle as well as feeding high grain rations that were feasible in previous years."

"Present market conditions make it very difficult for farmers to make a profit producing grain. Integrating into the livestock industry is one way they can improve their profit picture," Thomas continues. "This will not hamper the big commercial feedlots, but we do believe that the cattle expertise and financial ability in the commercial yards is an essential part of the future of farming."

Thomas concluded by saying that the fed cattle output from the yards should increase as a greater number of feeder cattle become eligible for a grain finish. "This will not be a permanent change, but as the cattle cycle bottoms out and the supply of calves and grain come into balance with the market demand, then we should see a reoccurrence of high grain feeding."

"There is very little that is new in the livestock industry, other than the people in it. At the present time, about 7 million cattle can be produced in this area, but when we learn to feed 'stalk and all', we will produce about 12 million."

LAS ESCARBADAS....Dedication of Las Escarbadas, once a division headquarters of the vast XIT Ranch, will take place at 2:30 p.m., Sunday, March 27, at the Ranching Heritage Center of The Museum of Texas Tech University. The day's festivi-

ties will be open to members and guests of the Ranching Heritage Association, which anyone may join. Original location of the old ranch house was about 25 miles northwest of Friona. For additional information call (806) 742-2498.

## Voting Slow For Absentees

Voters are reminded that the period for voting absentee in either the school board or city council election will terminate on Tuesday, March 29.

A check with officials at the City Hall and Superintendent Tom Jarboe's office this week indicated

that only one person had voted absentee at both the school and city location.

Those who believe they will be gone on election day, which is April 2, may make provisions to cast an absentee ballot.

Wendell Gresham Says...

Windstorms and hail can cause damage to buildings and property. Now's the time to check your fire and windstorm insurance policies — be sure that you have adequate protection for your home, farm or business.

Ethridge-Spring Agency Inc.

## County Fund

### Raises \$4,566

Since October 1, 1976, Parmer County has raised a total of \$4,566.80 for the American Heart Association. This figure tops the Parmer County goal of \$3,000 by \$1,566.80.

The \$4,566.80 is the total Heart Fund monies raised through special funds and memorials.

Parmer County donated enough money to purchase the needed mannequins to train people in the county on the proper procedures in CPR.

Break-down of final figures in each community included: Bovina, \$1,316; Oklahoma Lane, \$357.50; Lazbuddie, \$150; and Rhea, \$187. The totals for Farwell and Friona are incomplete.

The square dance, which has a county-wide project, brought in approximately \$1,600.

# Patrol Investigates Accidents

The Texas Highway Patrol investigated ten accidents on rural highways in Parmer County during the month of February, 1977 according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in one person killed and one person injured.

The rural traffic accident summary for this county during the first two months of 1977 shows a total of 22 accidents resulting in one person killed and eleven persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for February, 1977 shows a total of 414 accidents resulting in 13 persons killed and 275 persons injured, as compared to February, 1976, with 416 accidents resulting in 17 persons killed and 243 persons injured. This was two less accidents, four less killed, and 32 more injured in 1977 at the same period of time.

The 13 traffic deaths for the month of February, 1977 occurred in the following counties: two each in Lubbock and Randall; and one each in Archer, Wichita, Carson, Deaf Smith, Foard, Hall, Ochiltree, Oldham and Parmer.

# SCS Report

The biggest news this week as far as Soil Conservation is concerned is that the Soil Conservation Service is advertising for bids to construct Site No. 3 (Lazbuddie Dam) on Running Water Draw.

Conservationists have been looking for this Invitation For Bids for two years or more. Due to environmental statements and changes in design specifications, the dam construction has been delayed.

Now that the invitation for bid is out we should see results in the near future.

All bids are to be in Temple, Texas on April 1, 1977 for opening. Construction should start within 45 days of the opening.

## Agriculture Day

### Slated March 21

March 21 is Agriculture Day in Texas, and Parmer County farmers and ranchers can be proud of the \$149,002,000 contribution they make to the economy of their area and the state, according to Agriculture Commissioner John C. White.

That figure is the amount of cash receipts and government payments in 1975, the most recent figures published by the Texas Crop and Livestock Reporting Service.

"Though 1977 may prove to be one of lower profits for agriculture, cash receipts during this year should be

substantial," White stated.

"Production costs have doubled for many regions in the state in the past two years, but several commodities have been able to stay even with these costs."

State totals for 1975 were \$5.9 billion with livestock bringing in \$3,060,908,000 and crops \$2,785,683,000. Total cash receipts for 1976 are estimated to be more than \$6 billion.

Livestock and products in Parmer County were valued in 1975 at \$48,394,000. Crops totaled \$99,465,000.

## Records Listed For Girls Track

The school record for girls track at Friona High School have been compiled ever since the girls track was instigated in the spring of 1972.

Four of the records have been on the books since that 1972 season. The

newest record, for the mile run, was set by Dana Miller in the first running of the event last week at Abernathy. The mile run is a new event for the girls this spring.

Here are the records as they have been compiled:

EVENT	RECORD	RECORDHOLDER, YEAR
100 Yard Dash	11.5	Cindy Cleveland, 1976
220 Yard Dash	25.7	Janice Peak, 1976
440 Yard Dash	59.8	Jaton Widner, 1976
880 Yard Dash	2:30.2	Bonnie Fallwell, 1975
Mile Run	8:18.6	Dana Miller, 1977
440 Yard Relay	51.2	Paula London, Amanda Mason, Lucinda Aguirre, Terri Patterson, 1974
880 Yard Relay	1:44.4	Cindy Cleveland, Paige Osborn, Jaton Widner, Janice Peak, 1976
Mile Relay	4:00.2	Paige Osborn, Jaton Widner, Lucinda Aguirre, Terri Patterson, 1975
90 Yard Hurdles	11.0	Vickie Ulen, 1972
Shot Put	35-5	Vickie Ulen, 1972
Discus	91-1 1/2	Sharon Smith, 1973
Long Jump	17-8	Sylvia Malouf, 1976
High Jump	5-1/2	Diane Day, 1972
Triple Jump	33-7	Janice Milner, 1972

**CARROTHERS ATTENDS...** Jack Carrothers, cattle industry leader from Friona, addresses the general session of the Beef Industry Council of the National Live Stock and Meat Board at the Meat Board's Midyear Meeting, held February 21-22 in St. Petersburg Beach, Florida. At the meeting, BIC directors approved plans for 1977-78 advertising campaign centered on beef's nutritional benefits. The industry leaders also re-emphasized the need for a "yes" vote in the upcoming Beef Research and Information Order referendum. Carrothers is a BIC director and Chairman of the Communications Committee.

## Muleshoe Wins Friona Tournament

Twenty-two women's teams competed in the Friona Volleyball Tournament held here last weekend. Winning the championship was the Wilson Drilling team from Muleshoe, with Carrol Gatlin Land Co. of Friona runnerup. Third place was nailed down by Nazareth Welding. The consolation title was won by the Friona Star, who won over Bruegel Bros Gin, Gin & Elevator. Proceeds from the tournament went to buy patio furniture for Prairie Acres Nursing home. Handsome trophies were presented to the winning teams. Other teams entered included Oglesby Equipment of Hereford, Green Butane of Muleshoe, First National Bank of Muleshoe, United Beef of Hereford, The Tidettes of Lazbuddie, Umbarger Co-op, Crim Seed of Lazbuddie, Clovis National Bank, the Chaneyettes, the Dilleys of Umbarger, Big Nick's of Bovina, Ketchersid of Plainview and the Rounders of Olton.

### SQUAW RELAY RECORDS

440 Relay: Borger, 32.9.  
880 Relay: Spann, Panhandle, 2:38.8.  
440 Dash: Williams, Canyon, 61.2.  
220 Dash: Coker, Springlake, 26.3.  
80 Hurdles: Dyer, Hart, 11.3.  
100 Dash: Coker, Springlake, 11.1.  
Mile Relay: Gruver, 4:16.1.  
Shot Put: Weeks, Claude, 34-6.  
Discus: Durham, Littlefield, 97-9.  
High Jump: Massie, Hale Center, 5-0.  
Long Jump: Melton, Panhandle.  
Triple Jump: McKee, Gruver, 32-9.  
Mile Run record will be held by the winner of this year's race.

## Friona To Host Gals Track Meet

Friona will host the Squaw Relays next Friday and Saturday, with some 17 teams entering in high school and junior high school competition.

Preliminaries will begin in the field events on Friday at 1 p.m. Running event prelims will start at 3 p.m. Friday.

On Saturday, junior high preliminaries will begin at 9 a.m.

The finals for both divisions will start at 1 p.m. Saturday for the field events, and 2 p.m. for the races.

Seventeen high schools have entered the meet, including Friona, Littlefield, Post, Nazareth, Bovina, Vega, Tulia, Muleshoe, Dimmitt, Olton, Kress, Cooper, Farwell, Morton and Roosevelt. Some other teams are also expected for the meet.

**\$1,000  
FACTORY  
REBATE.**  
(through participating dealers)

Order a Zimmatic® quarter-section center pivot after February 15, take delivery by April 1—and Lindsay will give you a \$1,000 factory rebate. The offer is good only through participating Lindsay dealers and the number of Zimmatics that can be shipped by April 1 will be limited, so order now.

If your land is rough and rolling, order a Zimmatic 410, the hillclimber. The less expensive Zimmatic 307 will meet your needs if your land is level—it was the first successful long-span center pivot.

Whichever Zimmatic you choose, remember that the only thing being cut is your cost. You still get all of Zimmatic's idea-leading features. Like the Uni-Knuckle™ and flex feature to ease stress on the line. Patented heavy-duty gearboxes, electric control panel with pivot and tower read-out meters and an external collector ring for dependable operation. Hot-dip galvanizing that adds years to the life of the system.

Under this program you can order a Zimmatic already adapted for the new Zimmatic Corner Pivot—to be installed now or ordered and installed at a later date. The Zimmatic Corner Pivot allows you to irrigate 150 acres on a quarter-section and is available for immediate shipment in limited quantities.

This is a limited offer so act now and have a Zimmatic for this year. Save \$1,000—and maybe your crop. Come in and see us for further details on Lindsay's factory rebate program.

AT ABERNATHY

# Squaws Second In Meet

The Friona Squaws finished second in their first track meet of the season at Abernathy March 12. The Squaws scored a whopping 155 points, but were outpointed by host Abernathy, who had 191. There were eight teams in the meet.

The Squaws had wins by their 880-yard and mile relay teams, each of which posted fine times for early season, and by Paige Osborn in the 440-yard dash and Janice Peak in the 220-yard dash.

The 880-yard relay team, which went to the state finals last year, won their first outing in the fine time of 1:49.1. Members of the relay team are Cindy Cleveland, Paige Osborn, Jason Widner and Janice Peak.

The mile relay, in which Sylvia Malouf replaces Cindy Cleveland and joins Misses Widner, Peak and Osborn, won its first test of the season in an equally brilliant 4:10.5.

The Squaws placed 1-2 in the 440-yard dash. Miss Osborn won with a time of 62.0. Jason Widner placed second.

Janice Peak won her specialty, the 220-yard dash, in 26.3. Kimber Britting scored points for the Squaws by placing fourth in the event behind Miss Peak.

The Squaws' 440-yard relay team finished third with a time of 54.0. Team members are M'Lynda London, Julie Owen, Jerri Walter and Cindy Cleveland.

Complete results from the Abernathy meet were as follows:

- 440 Relay-(3) M'Lynda London, Julie Owen, Jerri Walter, Cindy Cleveland.
  - 880 Run (2) Veronica Lafuente, (3) Karen Patterson.
  - 440 Dash-(1) Paige Osborn, 62.0, (2) Jason Widner.
  - 220 Run-(1) Janice Peak, 26.3, (4) Kimber Britting.
  - Hurdles-(3) Rosemary Acy; (4) Renae Monroe, (5) Julie Owen.
  - 880 Relay-(1) Cindy Cleveland, Paige Osborn, Jason Widner, Janice Peak, 1:49.1.
  - 100 Yard Dash-(3) Cindy Cleveland.
  - Mile Run-(2) Dana Miller, (4) Robin Zetsche.
  - Mile Relay-(1) Jason Widner, Sylvia Malouf, Janice Peak, Paige Osborn, 4:10.5.
- FIELD EVENTS**
- Discus-(3) Gay Clark, (4) Jerri Walter.
  - High Jump-(5) Linda Nelson.
  - Long Jump-(2) Sylvia Malouf, (3) Cindy Cleveland.

JV SQUAWS...Friona's Junior Varsity girls basketball team had a successful season, winning their district race. The team members are, back row, left to right: Coach Gary Rambo, Julie Owen, Varla

Welch, Stephanie Schueler, Paige Osborn, Alesia Tucker, Kim Frye, Cristy Cunningham. Middle row: Cynthia Bermea, Robin Martin, Karen Stevick, Kathy Martin, Gay Clark, Rosemary Acy, Rosa

Esquivel, and Gennie Scott, manager. Bottom row, Veronica Lafuente, Robin Zetsche, Debbie Menefee, Jerri Walter, Vickie Smiley and M'Lynda London.

## Chiefs Have Good Marks At Abernathy

The Friona Chieftains competed well in the Abernathy Meet last weekend.

The Chiefs scored 49½ points to place fourth in the meet.

Mark Neill was high point man for the Chieftains. He won the long jump event with a leap of 19-3, placed sixth in the high jump at 5-6, and ran on Friona's mile relay team which placed fourth.

Neill's win was the only first place for Friona in the event, but the team performed well overall. "Every boy competed very well. Todd Bandy had the fastest qualifying time in the intermediate hurdles, but he fell in the finals, where he had a good chance of winning," said Coach Gary Jones.

Following are the top times turned in by the Chieftains in each event, with their place indicated if they placed in the meet:

- 440-yard relay: 4. (Larry Walker, Ram Randolph, Todd Bandy, Eddie Brailiff), 46.0.
- 880-yard dash: Glenn London, 2:19.0.
- 120-yard high hurdles: Todd Bandy, 17.8.

- 440-yard dash: 4. David Fleming, 54.0; 6. Robert Alexander, 55.4.
- 220-yard dash: Eddie Brailiff, 24.7.
- 100-yard dash: 5. Eddie Brailiff, 10.5; 6. Larry Walker, 10.7.
- 330-yard intermediate hurdles: Todd Bandy, 42.5.

- Mile run: 6. John Ingram, 5:09.
- Mile relay: 4. (Neill, Jeff Landrum, Hutson, Fleming), 3:41.5.
- Long jump: 1. Mark Neill, 19-3; 6. Jeff Whiteside, 17-9.
- High jump: 3. Hutson, 5-10; 6. Neill, 5-6.
- Discus: 4. Koty Kothmann, 109-0.
- Shot put: 6. Kothmann, 39-0.

Only one opinion poll (Gallup's) correctly forecast President Roosevelt's re-election in 1936.

March 20, 1977

Dear Friends:

As you have been reading in the newspaper, it has become necessary that we must give up the operation of our ambulance service.

This has been brought about by continuing skyrocketing of our cost, along with more and more government requirements and low percentages of collections. As of January 1, 1977 we were brought under Federal Wage and Hour requirements. Making it mandatory that we pay overtime to our men for operating the ambulance and with them on duty 24 hours a day we can't live with it.

Our ambulance service will be phased out as of April 1, 1977 and our ambulance will be disposed of. The City and Fire Department of Friona are working diligently together to train men for the operation of this service. The new ambulance will be in operation April 1, and will be fully equipped with the latest in equipment for proper emergency care while a patient is being transported.

The service provided by the City and Fire Department will continue to serve Friona, Bovina and Farmer County, just as we have been doing. The phone number for all ambulance calls will be (247-2711). This phone is located in the Friona Police Department where they have a dispatcher on duty 24 hours a day. Any calls for ambulance service that we receive, because of people being used to calling here, will be relayed to the ambulance dispatcher.

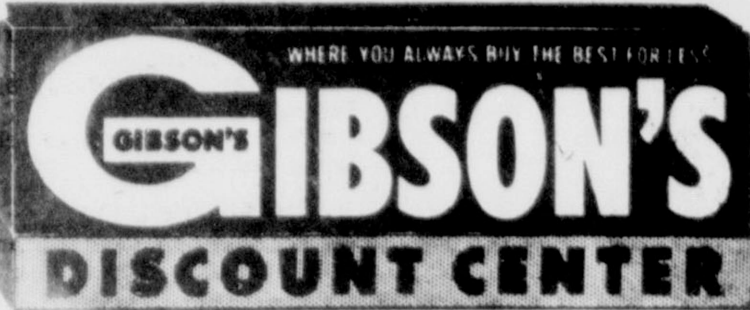

We regret that we have to take this step, but have known for some time that it was coming. Ten years ago 85% of the Funeral Homes in Texas operated ambulance service. Now less than 15% do so, because of spiraling cost and government requirements.

We will assist in anyway that we can to get the new service off to a good start and operating smoothly. So the people of our area will have the quality service they are entitled to.

Sincerely,  
*Ray Parsons*

## Council Kicks Off Contest

Texas cities and communities interested in participating in the Governor's Community Achievement Awards Program have until March 23 to enter.

All cities, towns and communities in the state are eligible to enter, announces Mrs. Vernon Jackson of Grand Prairie, president of the Beautify Texas Council. The Council jointly sponsors the awards program along with four regional Chambers of Commerce, The Texas Department of Community Affairs, and the Texas Agricultural Extension Service of the Texas A&M University System.

Winners will be selected from six population categories--0 to 2,500; 2,501 to 5,000; 5,001 to 10,000; 10,001 to 20,000; 20,001 to 60,000; and more than 60,000.

According to Mrs. Jackson, an entry should be in the form of a typed report based on community-wide cleanup projects conducted from March 1976 through March 1977. The report should outline the following--citizen participation, community-wide beautification, property improvement, economic development, theme or slogan, committee coordination and summary.

The report should be mailed to the Beautify Texas Council, Drawer CS, College Station, Texas 77840.

Plaques will be presented to the six winning entries by Gov. Dolph Briscoe at the annual meeting of the Beautify Texas Council June 22 in El Paso. An additional Award of Excellence will be given to one of the six winners with the best overall program of community beautification.

"The Governor's Community Achievement Awards Program is an opportunity for Texas communities and cities to develop a coordinated program for community improvement and beautification and at the same time compete for a number of awards," points out Mrs. Jackson.

## Bond Sales Released

December sales of Series E and H United States Savings Bonds in Parmer County were reported today by County Bond Chairman Frank A. Spring. Sales for the twelve-month period totaled \$91,689 for 92 per cent of the 1976 sales goal of \$100,000.

Texas sales during the month amounted to \$33,348,746, while sales for the first twelve months of 1976 totaled \$288,236,151 with 106 per cent of the yearly sales goal of \$272.4 million achieved.

If fuel costs are squeezing the profit out of your corn crop, plant

# The Cost Cutter

One Less Irrigation • Lower Harvest and Hauling Costs • Less Moisture Dockage • Lower Drying Cost • More Income and Profit per Acre

Pioneer brand 3780 improves corn profits four ways. It is an early hybrid that takes one less watering than the hybrids you've been planting. It also dries faster after maturity than other corns. Since it has good standability and ear retention, you can leave it in the field to dry. This means you harvest less moisture, haul less moisture, and have little or no dockage and drying cost.

the higher dry yield, it made a difference of \$20 to \$30 net income per acre.

This hybrid matures 11 to 13 days earlier than our famous 3369A but it doesn't concede yield for its earliness. Under most growing conditions, it will yield pretty close to the full-season varieties and harvest several points drier.

### SINCE IT DOESN'T COST AS MUCH TO GROW, IT CAN MAKE MORE MONEY

In 1976, farmers found that "Cost Cutter" 3780 produced significantly more net income per acre than competitive corns of much later maturity. Though the green weight yield of later maturity corns was greater, 3780 was usually much lower in moisture and thus higher in dry yield per acre. When the saving in irrigation fuel cost was added to

### TOUGH ENOUGH TO TAKE IT

3780 is also a tough little hybrid that can take some stress. Head smut didn't bother it in 1976. It has good roots and stalks and holds its ears well. It is sensitive about getting pre-tassel water right on time, however. That critical irrigation time is fairly short since it passes quickly through each stage of growth.

Here are actual examples of 3780's ability to make more profit than later maturing, high yielding competitors:

	Yield wet weight lbs/acre	% Moisture at Harvest	Pay Weight after drying 1	Gross return per acre 2	Harvest and hauling cost 3	Difference in irrigation cost 4	Gross return per acre for each hybrid	Dollar per acre advantage for 3780
Oklahoma Panhandle and West Texas seven locations for 1976: Hereford, Muleshoe, Boise City, Dalhart, Shallowater, Paterburg and Oklahoma Lane	PIONEER brand 3780	8,788	14.6	8,788	\$ 351.52	\$ 43.94	\$ 307.58	\$ 22.47
	VS.							
	M17N28* Station Cross	10,729	25.1	8,669	\$ 346.76	\$ 53.65	\$ 285.11	
Oklahoma Panhandle and West Texas six locations for 1976: Muleshoe, Stinnett, Guymon, Hereford, Black and Dalhart	PIONEER brand 3780	8,156	13.6	8,156	\$ 326.24	\$ 40.78	\$ 285.45	\$ 26.37
	VS.							
	M17N28* Station Cross	8,661	20.7	7,760	\$ 310.40	\$ 43.31	\$ 259.09	

\*The most widely sold station cross on the Plains. It is sold under several different brand names and variety designations.  
 1: Drying and dockage charge was 2% per point of moisture above 15.5%. 2: Returns figured with corn at \$4.00 per cwt. 3: Harvest and hauling costs at 50¢ per cwt. 4: The savings of one irrigation by 3780 at an estimated cost of \$8.00 per acre.

**STAGGERED MATURITY**

If you're farming big acreage, 3780 is the perfect hybrid to use with Pioneer brand 3306 and 3195 in a Staggered Maturity planting program. This new Pioneer program allows you to:

- Hedge against weather problems.
- Use water, labor and machinery more efficiently.
- Harvest each variety at the optimum time.

Your Pioneer dealer has a brochure which gives you the whole Staggered Maturity story. Talk to him right away.

# ERA Opponent Says New Law "Risky"

By JAN U. TURNER

"Women are being led along blindly thinking they are helping the cause of womanhood," said Mrs. Leon (Patricia) Vogler Tuesday morning to a group of local women at the First Baptist Church of Friona.

Mrs. Vogler, an opponent of the Equal Rights Amendment and president of the nationally affiliated Hereford chapter of the Association of the W's, spoke out against the ERA, urging involvement in an effort to get the Texas State Legislature to rescind the amendment when it meets in 1979.

"The Equal Rights Amendment is unnecessary because women's rights are already protected by the Fifth and Fourteenth Amendments, the Equal Pay Act of 1963, the Education amendments of 1972, the Health Manpower Training Act of 1971, Title VII of the Civil Rights Act of 1964, the Equal Employment Opportunity Act of 1972, and by the Fair Labor Standards Act," she pointed out.

"The problem is not one of lack of laws, but one of enforcement," she said.

"Under the ERA, enforcement would be taken out of the hands of the states and the Congress and would be in the hands of the Federal courts," she said, adding, "The greatest danger of the Equal Rights Amendment is Section II which is one of the biggest grabs for Federal power ever attempted."

"States would have no rights either to legislate or enforce the ERA once it is locked into the Constitution, and Section II will give Federal jurisdiction over all laws involving men and women," Mrs. Vogler said.

She quoted Senator Sam Ervin, one of the nation's most noted and respected constitutional authorities, as saying, "The ERA is the most destructive measure in Senate history because it strikes at the foundation of our entire social structure."

On March 22, 1972, Congress sent the Equal Rights Amendment to the States for rejection or approval. If 38 states should ratify by March 22, 1979, ERA will become the 27th Constitutional Amendment.

It contains three sentences:  
Section I: Equality of rights under the law shall not be denied or

abridged by the United States or by any State on account of sex.

Section II: The Congress shall have the power to enforce by appropriate legislation, the provisions of this article.

Section III: The amendment shall take effect two years after the date of ratification.

Mrs. Vogler noted that Congress could only enforce the amendment through the Federal courts, should it be ratified. Explaining its present status, she explained, "34 states have ratified the ERA, including Texas. Two states, Tennessee and Nebraska, have rescinded, bringing the count to 32 states. 16 states have rejected the ERA, and rescinding efforts are underway in more than a dozen states, including Texas."

"Whether Texas rescinds is now up to the state legislators, not the voters," she pointed out, strongly urging a letter writing campaign to elected officials at Austin and Washington.

"In writing your Congressman," she suggested, "handwritten letters are preferable, and if on colored paper, will more likely come to his attention. Keep your letters brief, sticking to one main point. Identify yourself as a constituent, and as housewife, teacher, banker, whatever. Be sure to give your address and ask him for a definite yes or no commitment concerning what you're writing about. And don't threaten him with your vote or you will only irritate him and weaken your cause," she added.

One of the effects of the Equal Rights Amendment would make it unconstitutional to exempt women from the draft up to age 35.

"People say that is a scare tactic, that there is no draft," Mrs. Vogler said, "but the draft has not been repealed, merely deactivated, and mothers and fathers of young children would both be required to serve in the military, including combat, should the draft be reactivated."

"ERA will abolish private facilities in government-related establishments," she said, "and separate but equal facilities will be unconstitutional in military establishments, public schools, college dorms, hospital rooms, fire stations, jails and penitentiaries, government buildings and all businesses sub-

sized by the government."

"That means wives, sisters and daughters would bunk and shower along with the men in military barracks with no facilities for privacy," she said.

Explaining how the Equal Rights Amendment will affect wives, and subsequently husbands and children, she cited four major points affected by the ERA:

1) Wives will have equal legal responsibility for family support. They will lose their right to credit based on their husband's income. Since husbands will no longer be legally liable for the debts of their wives, what business would give credit to an unemployed housewife?

2) ERA will eliminate a wife's right to draw Social Security based on her husband's earnings. For a wife to receive benefits the husband would have to pay Social Security taxes on the assumed value of her work, an estimated \$960.00 per year extra, according to columnist Sylvia Porter.

3) ERA will eliminate lower life and auto accident insurance rates for women.

4) Necessity will force many mothers to place their children in child care centers, as they assume the extra legal responsibilities of ERA.

Mrs. Vogler warned that ERA will also change sex crime laws, including laws against prostitution, sodomy and adultery. "It would not permit such laws which contain sex discriminatory provisions," she said.

She added, "Once the ERA becomes the 27th Constitutional Amendment, all existing rights, benefits, or exemptions for women by law will be invalidated and will disable Congress and the 50 state legislatures from enacting future laws granting protections to women."

"People are calling, writing, and making trips to legislators to tell them this is not what the people want," she said.

To write your elected officials in Texas and Washington write: The Hon. Bill Clayton, House of Representatives, Capitol Station, Austin, Tx. 78711. Senator Max Sherman, the State Senate, Capitol Station, Austin, Tx. 78711. The Hon. George Mahon, U.S. House of Representatives, Washington, D.C. 20515. Senator Lloyd Bentsen, U.S. Senate Office Building, Washington, D.C. 20510, and Senator John G. Tower, Old Senate Building, Washington, D.C. 20510.

# Members Plan To Attend Convention

Mrs. Bobby Hicks

Friona Woman's Club held their regular meeting on Wednesday, March 9 with Luella Maurer, president, in charge. Mrs. Carrie Tatum served as secretary.

A variety program was given. Roll call was answered by each one in regard to "Nutrition" and "Prevention". Topics stressed were nutritional meals, homegrown meats, breakfasts, snacks, flu, foot reflexology, massage and the seven habits of good health in relation to the aid and care of the middle aged and older groups.

Plans were completed in regard to

the District Convention at Lubbock. Mrs. Moyer brought a windmill plaque, made and decorated by Joe Moyer, to be sold. Mrs. Boatman had made a pie carrier. Others donated money and other articles for the State Federated Building.

Mrs. Shackelford, hostess, served refreshments.

Mrs. Maurer, president, Mrs. Benger, delegate and Mrs. Dixon, committee member, were to attend the District Convention March 11-12.

# Susan Garner, Bobby Hicks Exchange Wedding Vows

Susan Garner, daughter of Mr. and Mrs. Wendell Garner of Bovina, and Bobby Hicks of Eunice, New Mexico, were married at 7:30 p.m. on Saturday, March 12.

Rev. James Putnam, pastor of the First United Methodist Church of Bovina officiated at the ceremony.

The groom's parents are Bob Hicks of Farwell Convalescent Home and Mrs. Wayne Walker of Eunice, New Mexico.

The matron of honor was Donna Mitchell, sister of the bride. Kent Shirley of Eunice served as best man.

Mrs. Hicks is a 1976 graduate of Friona High School. The bridegroom is employed at Shamrock Oil Company in Eunice, N.M. The couple will reside at 406 Avenue G in Eunice.

Mr. and Mrs. Jim Cary were hosts at the wedding reception.

CINDY CAISON ROBERTS

# Shower Honors Mrs. Roberts

Cindy Caison Roberts and new daughter, Gwindolyn were honored with a baby shower on Monday, March 14, in the Community Room of Friona State Bank.

Special guests were Mary Lou Taylor, Gwindolyn's grandmother and Eunice Crume of Farwell, the great-grandmother.

Hostesses were Martha Upton, Cindy Simmons, Vonita Drager, Jesse Sisk, Christine Mann and Minnie Knight.

Cake, punch, nuts and mints were served to twenty guests. The hostess gift was a stroller.

# HOSPITAL REPORT

## ADMISSIONS-

Twenty-one High School students were listed on the All A honor roll. Students having All A's were: Chris Barnett, Kyle Barnett, Melodi Dixon, Sharla Duggins, Phillip Hand, Tracy Horton, Jan Mason, Harrell Mays, Clint Mears, Sarah Mears, Dana Miller.

Also, Julie Owen, Janice Peak,

## David Mays Have Girl

Mr. and Mrs. David C. May of Amarillo announce the arrival of a baby daughter, Jaime Yvonne on Friday, March 11 at 11:35 p.m.

She weighed seven pounds, eight ounces and was twenty inches long at birth.

The child's maternal grandmother is Mrs. Ann Meyers of Amarillo.

Paternal grandparents are Mr. and Mrs. Robert H. Trowbridge of Hereford.

The late Mrs. Olive Rector of Friona was the child's great-grandmother.

Donna Rector, Donna Ruzicka, Stephanie Schueler, Terry Self, Diane Westbrook, David Whitaker, Jason Widner and Terry Wilcox.

Students making All A's with one B were: Linda Anthony, Randy Boeckman, Perry Church, Charles Fleming, David Fleming, Jamie Fulks, Larry Gore, Libby Huffstickler, Bryan Johnston.

Also, Veronica Lafuente, Keith Martin, Paul McNeely, Linda Miller, Sheri Noah, Rhonda Parsons, Sami Rector, Tammy Schmidt, Paul Wilshire and Criss Wylie.

Those making A's with two B's were: John Carson, Janice Coffey, Linda Duke, Maria Escalante, Mark Gammon, Scotty Gilliam, Donnie Gustin, Joel Hight, Jay Jarboe, Tim Lyons.

Also, Charity Mays, Joe Menefee, Karen Patterson, Kevin Pope, Oralia Ramirez, Manuel Rodriguez, Sandy Schmidt, Charlene Seale, Shannon Taylor and Robin Zetsche.

Making A's with three B's were: Cindy Cleveland, Mike Gowens, Danny Hand, M'Lynda London, Joe Malouf, Deena Mason, Faith Mays.

Also, Mike Murphy, Paige Osborn, Cornelio Salinas, Cindy Smiley, Ricky Taylor, Pepper Weatherly, Varla Welch and Ricky White.

# Susan Farley, Al Kerby, Jr.

## United In Church Ceremony

Susan Denise Farley of Muleshoe and Al Kerby, Jr. of Bovina exchanged wedding vows on February 4.

The double ring ceremony was performed by Rev. Frank Matthews in the home of Mr. and Mrs. Joe Tarter at Lazbuddie.

The bride is the daughter of Mr. and Mrs. Roy L. Farley of Muleshoe. The bridegroom is the son of Mr. and Mrs. A.L. Kerby of Bovina.

The ceremony was performed in front of the fireplace. The fireplace was flanked on either side by large wicker baskets filled with arrangements of white gladiolus, blue killion daisies, and yellow daffodils with large blue ribbon bows. The mantle was decorated with a five candle wrought iron holder with blue votive cups, decorated with greenery, yellow ribbon loops and acacia.

Mrs. James Kinard of Muleshoe, presented traditional wedding music during the ceremony.

As the bride was presented in marriage by her mother and father, she wore a formal gown fashioned by her mother. The gown was white peau de soie satin. The bodice of the gown was overlaid with re-embroidered lace featuring a scooped neckline with a pointed collar and long lace sleeves. The chapel length train of re-embroidered lace was enhanced by lace scallops around the edge. The waist length veil of illusion was three-tiered and accented by lace flowerettes and fell from a bandeau of ribbon and lace.

She carried a cascading bouquet of miniature blue carnations, miniature fuji poms and acacia. The entire bouquet was enhanced by blue

and cream satin loops and white velvet roping.

Carrying out bridal tradition, she wore a gold wedding band belonging to the groom's maternal grandmother for something old. The wedding band had been worn by his sister at her wedding and many of her other grandchildren. Something new was her bridal attire. She borrowed a strand of pearls from Spain belonging to the bride's maternal grandmother, Mrs. Henry Bass of Muleshoe and wore the traditional blue garter.

The bride wore pennies minted in the years of their births in her shoes.

Mrs. David Gallman of Muleshoe, sister of the bride, was matron of honor.

She wore a formal gown of polyester blue floral print with scooped necklines and a lace edged midriff band.

She carried a nosegay of miniature blue carnations, fuji poms, and acacia with satin ribbon loops of blue and cream.

Joe Clay of Canyon was best man.

The best man wore a black tuxedo with a pale blue ruffled shirt and a miniature blue carnation boutonniere.

Ushers were Scottie Farley of Muleshoe, brother of the bride, and Gary Gober of Bovina.

The groom wore a pale blue tuxedo trimmed in navy blue with a pale blue ruffled shirt and navy trousers. He wore a boutonniere of miniature blue carnations and acacia.

The bride's mother wore a formal gown of yellow polyester knit with an over jacket of yellow re-embroidered lace. She wore a corsage of yellow fuji poms.

The groom's mother wore a formal gown of ecru polyester featuring a lace patchwork skirt trimmed with gold velvet and a gold velvet tie at the waistline, and sheer lace long bell sleeves. She wore a corsage of yellow fuji poms.

A reception followed the ceremony.

The table was covered with a white polyester cloth with wide lace border edging around the bottom. The bride's bouquet, placed in an arrangement, served as the centerpiece. The traditional three-tiered wedding cake was made by Mrs. Ed Clark of Friona, aunt of the bride. The cake was decorated with pale blue roses, sugar doves and wedding bells topped with a miniature bride and groom standing in front of a lace heart.

The cake and white pineapple punch in a crystal and silver punch bowl were served by Diana Clark

and Teresa Clark of Friona, cousins of the bride.

Others in the houseparty were Mrs. Ed Clark, Mrs. Joe Tarter, sister of the groom, Mrs. Gary Albertson, Mrs. Robert Gallman, Mrs. Frank Matthews and Mrs. Loraine Gallman.

Guests were registered by Joanne Harvey of Muleshoe. The round table was covered with a floor length white cloth edged with lace. It was decorated with a blue and white memory candle featuring one of their wedding announcements.

For a wedding trip to points of interest in New Mexico, the bride wore a gold, blue and orange polyester knit pant suit. The top was styled in a bandana design and was accented at the neckline with a gold tie scarf.

### REHEARSAL DINNER

A rehearsal dinner was held Thursday evening, February 3, at Leal's Mexican Restaurant in Muleshoe. The supper was hosted by Mr. and Mrs. A.L. Kerby, parents of the groom.

The centerpiece was an arrangement of white pampas grass and dried blue flowers centered with a blue candle. The centerpiece was presented to the bride.

**TAKING COURSE....**Four of the students taking the Emergency Medical Service (EMS) course are shown with Instructor David Farmer, who is demonstrating how

to affix a splint on the "broken leg" of Royce Hume. Watching, from the left, are Stanley Varner, Larry Mitchell of Bovina and Beamon McDonald.

**MONTHLY SUBSIDY**

**County Approves Ambulance Change**

Among items considered at the regular meeting of the Parmer County Commissioners Court this week was approval of transfer of the monthly subsidy payment for ambulance service from Parsons-Ellis Funeral Home to the City of Friona.

"Since the City of Friona has procured an ambulance and will employ one full-time operator, and since it is felt by the Commissioners Court that continued ambulance service is needed in Parmer County, it is hereby RESOLVED that a subsidy payment in the amount of \$800.00 per month be paid to the City of Friona for ambulance service to Parmer County, the first payment to be made to the City of Friona will be the first regular meeting in April, 1977." was the way the official court minutes read.

In other business, the court approved employment of Lee Webster of Amarillo to prune the trees around the Courthouse and dispose of the pruned substance, at a bid of \$1250.00.

The court approved the designation of Friona State Bank as depository for county funds and county school funds for the ensuing two years.

The court approved a resolution endorsing the need for a centralized comprehensive alcohol-drug abuse treatment and rehabilitation system in the Panhandle, and acknowledged the county's need to continue to support such services.

Herb Evans of the Parmer Soil and Water Conservation District met with the commissioners and presented specifications and plans for damsite No. 3 on running Water Draw, to be constructed near Lazbuddie. Evans informed the court that bidders have inspected the site, and that bids are to be opened and awarded on April 1 in Temple.

Construction time is expected to require 467 days on the project.

The court also approved payment of a \$52.06 medicine bill for a woman and her child who were unable to pay.

**Teresa Cortez Wins Writing Scholarship**

Teresa Cortez, 17-year-old daughter of Mr and Mrs. Conrado Cortez, has been selected as the Friona winner of the Loula Grace Erdman scholarship to the Writer's Roundup at West Texas State University.

The scholarship is given by the Panhandle Penwomen in memory of Miss Erdman, well-known Amarillo writer, who died last year. The author was instrumental in starting the annual writer's meeting which attracts participants from as far away as Canada, California and Chicago. Many of Miss Erdman's novels were for young girls and one of her great interests was fostering the careers of youthful writers.

Miss Cortez was chosen as the local winner by her English teacher because of her interest in writing poetry and other assignments. Twelve scholarships to the three-day meeting have been given to students in Amarillo, Canyon, Borger, Dumas, Pampa and Groom as well as Friona.

Writer's Roundup this year will be held March 24 through 26 in the Activities Center of WTSU. Principal speakers will be Elsa Russell of Reader's Digest, Lois Duncan noted children's author and short story writer, Elmer Kelton Editor of "West Texas Livestock Weekly" and author of many Westerns and Al Dewlin, formerly of Amarillo, novelist. There will be other workshops on photo-journalism, poetry, research at the Cornette Library and Panhandle Plains

TERESA CORTEZ

Museum, writing for other media and how to prepare a manuscript.

Fifteen other high school students who have an interest in writing will spend Friday, March 25 at the Roundup accompanied by their sponsors, Mrs. Jack Hamil and Mrs. Hollis Horton.

They are: Dexter Allen, Robert Alexander, Janice Coffey, Charles Fleming, Jamie Fulks, Sonya Gore, Phillip Hand, Tracy Horton, Ronnie Hudson, Charity Mays, Susi Noah, Juana Perez, Monty Rule, Gigi Spring and Lex Stanfield.

**WINNERS....**Three FHS students won first place in a practice literary meet at Tulla this week. Larry Gore, left, was first in slide rule competition. Jan Mason was first in

headline writing. Charles Fleming was first in editorial writing. Also placing were Cris Beck, third in editorial writing, and Mark Edelman, third in headlines.

**Sr. Citizens To Meet**

The Friona Senior Citizens will meet on Friday, March 25, at the Congregational Church.

Another fine program is on tap, with John and Nelda Flanagan, musicians appearing at a local gospel meeting, to entertain. Clyde Goodwine will present an outline of the history of Parmer County.

The Senior Citizens have been having marvelous crowds at their

meetings this year. A spokesman for the organization invited everyone to "Come and bring a friend, and enjoy fine food and fellowship" with the local organization.

The Senior Citizens have been having marvelous crowds at their meeting this year. A spokesman for the organization invited everyone to "Come and bring a friend, and enjoy fine food and fellowship" with the local organization.

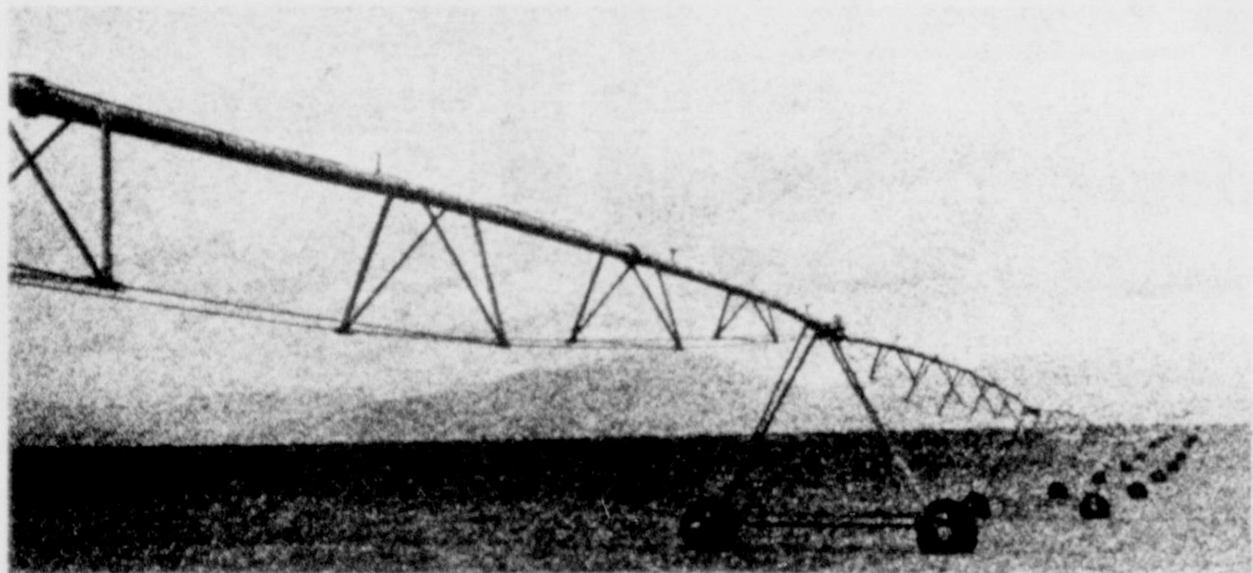

**Explorers Meet Monday**

Exploring can serve the needs of young adults at a time in their lives when there are nagging doubts, a feeling of extreme isolation, a searching for identity, a reaching for independence, and a groping for religious and moral values.

Participation in the Explorer Program provides young adults the group acceptance they require. It helps to meet that need in an adultlike setting where honor and achievement are the accepted standards.

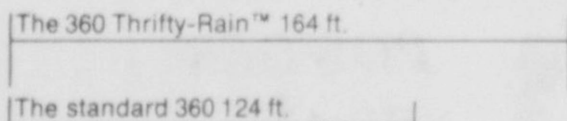

Plan to meet with the group March 21 at 7:30 p.m. at the Friona State Bank. For further information call Gary Weber, 247-3906.

**IRRIGATE YOUR WIDE OPEN SPACES WITH OUR 360 THRIFTY-RAIN PIVOTAL SPRINKLER SYSTEM.**

If you have relatively level land, and you've been putting off buying an electric-drive pivotal system because of price, we've got just what you've been waiting for. The new Gifford-Hill 360 Thrifty-Rain™

Finally, there's an electric-drive system that's within the budget reach of farmers who would ordinarily buy either hydraulic or water-drive systems. The 360 Thrifty-Rain™ is a "long span" version of our classic 360. The basic difference being the distance between towers (164 ft. on the Thrifty-Rain™ 124 ft. on the standard 360).

By using longer spans, we reduced the number of towers necessary to cover the same

acreage. That means less cost to manufacture. And less cost to you!

The 360 Thrifty-Rain™ is also equipped with heavy duty drive systems. Both the original 360 and the 360 Thrifty-Rain™ feature a unique computer-designed sprinkler head spacing and nozzle concept that provides uniform water distribution and reduced pumping costs. Both systems use heavy-walled 6" O.D. pipe for extra strength.

Consequently, the 360 Thrifty-Rain™ is structurally stronger than other "long span" systems on the market today. It operates efficiently even under high wind conditions, and can handle up to 10% grades.

Standard 360 spans are interchangeable with 360 Thrifty-Rain™ spans. That means you can use standard spans to allow flexibility of tower location and accommodate special terrain problems.

So if you've got wide open spaces to irrigate, and you don't want to pay for capabilities you don't need, get a Gifford-Hill 360 Thrifty-Rain™. And save yourself some money to boot.

FRIONA, TEXAS

DECA CONTESTANTS.....Mary Schilling, left, of Friona, Jeff Inman of Rider High in Wichita Falls, and Tracie Dowell of Dumas won honors at the recent Distributive Education

Clubs of America competition at South Plains College. Misses Schilling and Dowell both placed second in display while Inman finished third in the event and was

first in area of distribution manual. Nearly 90 contest winners will compete in the state DECA meet in Fort Worth.

### Friona Team

#### Won Second

Nearly ninety members of Distributive Education Clubs of America (DECA) from 26 Area VI high schools have won the right to compete March 11-12 in the state DECA conference in Fort Worth.

In district competition recently at South Plains College in Levelland, the students placed first in a variety of events such as sales demonstration, job interview, public speaking and advertising and will advance to state competition.

Friona High School had a team that took second place honors.

TONYA CUPELL

### Tonya Cupell Chosen First Runner-Up

Tonya Cupell, the six year old daughter of Albert and Pat Cupell of Odessa, Texas, was chosen first runner-up in the La Petit division of the Little Miss Contest held in Odessa Saturday, March 5.

Tonya was one of twenty-one contestants entered in this division for girls ages 3-6 years old.

The Cupells are former Friona residents.

Tonya has one sister, April, who is eleven months old.

Grandparents are Mr. and Mrs. Joe Bowers and Mr. and Mrs. Jo Ed Cupell, all of Hereford.

### Ladies Society Makes Plans For Dinner

The Ladies Society of St. Teresa's Parish met in the Parish Hall this week to make tamales for their annual Mexican dinner to be held Sunday, March 27 from 11:30 a.m.-2 p.m. at the Parish Hall.

The menu will consist of enchiladas, tacos, tamales, Spanish rice and frijoles. Adult tickets will be \$2.50 and children 12 and under will be served for \$1.75.

## Friona To Hold Music Festival

Friona will be host to a Texas Federated Music Club Festival for vocal and piano students on Monday, March 21 at 9 a.m. at the Friona Baptist Church.

Piano judges will be Mary Thompson from ENMU, Farrell Roberts from Clovis and Linda Murphree of Friona will judge voice.

There will be a luncheon honoring judges and teachers at noon.

Pupils of Johnnie Walters, Phyllis Newell and Eva Miller will be participating in the Festival.

Local music students were unable to attend the Music Festival held in Hereford last Friday, March 11, due to bad weather conditions.

MR. and MRS. J.E. (JIM) McDOWELL.....Mr. and Mrs. J.E. (Jim) McDowell of Friona will celebrate their 50th Wedding Anniversary on Saturday, March 26. The reception will be held from 2 to 4:30 p.m. at the Community Center. Children of the couple will host the reception. They are: James McDo-

well of Roll, Arizona, Claude McDowell of Plainview, Texas, Mrs. T.R. (Vivian) Moore of Levelland, Mrs. Kenneth (Lynn) Hines of Clarksville, Texas, and Gerald McDowell of Paris, Texas. Jim McDowell married the former Irene Melton on March 26, 1927 at Annona, Texas.

## Library Report

"A Game Of Wits" by John J. Healy is available at Friona Public Library.

Joseph Healy has probed many bizarre attempts at fraud during his career as one of America's top insurance investigators. He tells about his most fascinating cases, such as that of the well-known New York lawyer whose wife was brutally killed in their home. Healy's suspicions were aroused by a subtle deviation from normal patterns—a slip the greedy lawyer had never considered.

"The greater percentage of subjects I deal with are upper middle class people who command above-average incomes and work at white-collar jobs."

Healy works with a side of human nature we rarely see. "Believe it or not, time and time again, I have found that a person in the process of mutilating himself for profit will carefully take off his wristwatch. Why anyone might jeopardize his alleged accident claim to save a thirty or forty dollar watch has always been beyond me."

This modern-day Sherlock Holmes views his job as that of a puzzle-solver; he works at slowly collecting information of the accidents, life-styles, habits, until he can finally piece together what has actually occurred and dig up enough evidence to deny payment and sometimes take the guilty party to court.

## Modern Study Club

### Recognizes Allo Reeve

Seventeen members were present at the regular meeting of Modern Study Club Tuesday evening, March 15.

Melba Allen and Irene McFarland were hostesses. During the business meeting, Allo Reeve was presented with a book and rose corsage. Her name, as an outstanding club woman, has been placed in the Golden Book, display at the Federated Club House in Austin, Texas. She was also nominated for the West Texas State University award to women for distinguished service.

The club also voted to purchase a best seller book each month for the Friona Public Library.

A letter from Claudia Breaux, thanking the club for her graduation dress was read. Claudia, from Girlstown, is the portege of the Modern Study Club.

Rhea Foster, Ilene Osborn, Allo Reeve and Beth Thompson reported on the District Convention of Federated Clubs which they attended.

The program on physical fitness was directed by Winifred Hurst. She based her program on West Points

Cadet Program for physical fitness, and led the group through the beginner's exercises used by the West Point Cadets.

## Weatherlys

### Have Girl

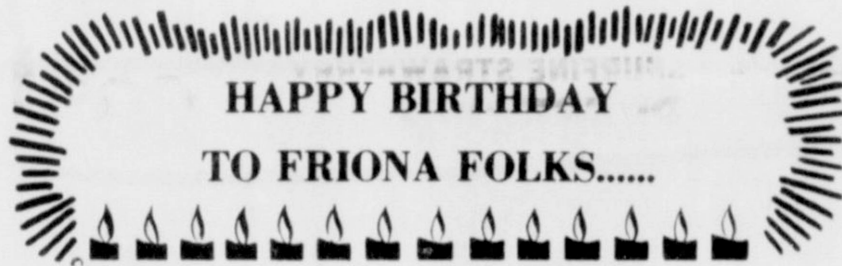

Mr. and Mrs. Bill Weatherly of Friona, are the parents of a baby girl born Friday, March 18 at 9 a.m. in Parmer County Community Hospital.

Named Amy Beth, the new arrival weighed nine pounds, 10½ ounces and was twenty-one inches long.

Beth has one brother, Ben, three years old and one sister, Brook, two years old.

Grandparents are Mr. and Mrs. Leonard Coffey and Mrs. Lois Weatherly, all of Friona.

Great-grandparents are Mr. and Mrs. Floyd Skeen and Mrs. Clare Coffey, all of Melrose, New Mexico.

### HAPPY BIRTHDAYS MARCH 20-26

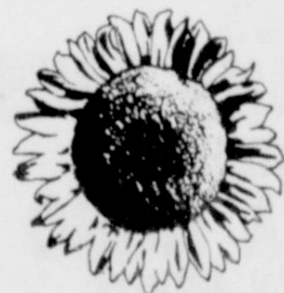

The following local residents have birthdays coming up next week.

- Joyce Wells-March 20
- Doris Barnett-March 20
- Penny Stowers-March 22
- Jim Dixon-March 23
- Julie Reeve-March 23
- Judy Potts-March 23
- Susan Vestal-March 23

- Carl Schlenker-March 24
- Matt Osborn-March 24
- Johnny Brand-March 22
- Madge Lofin-March 20
- Derek Dunn-March 22
- Frank Griffith-March 24
- Elton Wyly-March 25

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 and let them know about it.

# OIL MASTER Sunflowers!

## WHY SUNFLOWERS?

- **RESEARCH**—Dahlgren and Company of Crookston, Minn., have been conducting extensive research on hybrid sunflowers since 1962 and have maintained nurseries in Florida for 13 years. Who does more?
- **DISEASE RESISTANCE**—The new, oil-type hybrid sunflower seeds now being offered have total resistance to all known strains of rust—tolerance to verticillium wilt—resistance to downy mildew.
- **ADAPTABILITY**—Can take 11 months of frost and still produce a crop. Has excellent seedling vigor and superb stability and drought resistance. Sunflowers can and should be your best crop on good ground and certainly have the ability to produce a profitable crop where most people wouldn't expect one.
- **QUALITY**—Sunflowers produce a new quality of edible oil with substantially higher polyunsaturates along with a higher smoke point which is quite superior to soybean oil, corn oil, cottonseed oil and peanut oil . . . and vastly superior to palm oil, coconut oil, olive oil and lard.
- **MATURITY on "Oil Masters"**—This season through Dahlgren's extensive research program the "Oil Master" sunflowers were 7-8 days earlier maturing than any other hybrid sunflower on the market. The new "Oil Master" also has a higher yield potential than all competitive sunflowers sold today.
