

**Star Lites**  
By  
**Bill Ellis**

**WE WERE EXCITED** this week when Jack Patterson called us about the mysterious rocks that appeared in his wheat field, having all the appearances of being particles of meteorites.

It was a fascinating sight to see the strange black rocks popping out of the wheat rows on Patterson's farm, and even more fascinating to speculate as to where they came from.

We must have felt a little like the archaeologists feel when making an historical discovery.

We thank our friend Jack Patterson for sharing his experience with us, and we join in our expectancy as the team comes from Houston to evaluate the rocks.

+++  
**FORMER FRIONA** resident John Black, who practiced law locally for a couple of years before moving to Amarillo, had a starring role recently in the Amarillo Little Theatre production of "Oliver!"

Black, who you may recall had a solo part in the Bicentennial Choir's production "I Love America," did a great job in his portrayal of Mr. Sowerberry, the undertaker in the "Oliver!" production.

We, along with a group of Joy Morton's Thespian Troupe, enjoyed seeing the production during its first week, and especially enjoyed seeing John Black have a part.

+++  
**SPEAKING OF THE** Bicentennial Choir, a movement is underway to revive the group under the name of Friona's Community Choir, so that singers in the city can come together and enjoy being a part of a larger-than-average choir.

Such plans are moving right along, and in fact a first meeting of the group has been scheduled for next Sunday, October 30.

We will have further information, and invite everyone in the community who likes to sing to plan to join the group. No special requirements go with being a part of the choir, other than enjoying group singing.

+++  
**SAD NEWS DEPT.:** Sometime in November, one of America's favorite cartoon strips, Al Cap's "L'il Abner," will vanish from the nation's newspapers. Capp is 68, in poor health, and apparently prefers to retire the cartoon along with his personal retirement.

Capp began the comic strip in 1934, when the depression-poor country needed a laugh. He has used his cartoons to poke fun at congress, at presidents, and at national figures who tried to disrupt our American way of life.

We were a teenager when Capp introduced such characters as the lovable Shmoos, and detective hero Fearless Fosdick to his popular strip. We doubt that there is anything on the scene today to capture the imagination of youngsters as that strip did for some of us (do teenagers even read comic strips anymore??).

It's hard to imagine the Sunday comics without L'il Abner, Daisy Mae, Mammy and Pappy Yokum, Marryin' Sam and Moonbeam McSwine, etc.

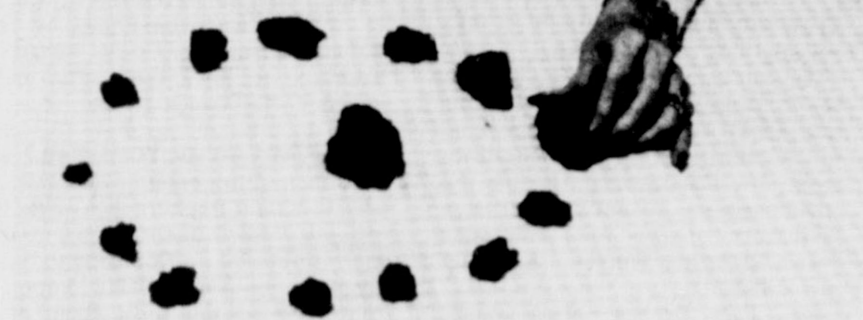

Come to think of it, we don't read the comics that much anymore. But it's still sad to realize that the present generation of comics-readers will be deprived of Capp's genius.

**MYSTERY ROCKS.....**Cynthia McDaniel, the daughter of Mr. and Mrs. Jack Patterson, examines a display of the strange black rocks discovered by her father on his farm northwest of Friona. It was at first

believed that the rocks were meteorites, but investigation proved that they were some sort of natural freak, perhaps caused by extreme heat.

## Officials Probe 'Mystery Rocks'

Adding to the drama of a huge meteor that lighted up the sky in the West Texas-Eastern New Mexico area Tuesday night was the discovery of hundreds of meteor-like particles in a wheat field by Jack Patterson on his place northwest of Friona.

Patterson discovered the porous black rocks while irrigating wheat. He first found them Thursday morning and began to wonder where they had come from.

"I don't think I plowed the rocks up when I planted the wheat. They are not the type of rock you find in our area," Patterson said during an interview with Friona Star representatives Thursday.

The Patterson family also contacted Dr. Everett Gibson, an official with the Johnson Space Center in Houston, who was due to arrive in Friona on Friday and investigate the mysterious discovery.

The rocks are a rusty brown in color, and resemble pumice, although somewhat heavier. They range from pea-sized to about the size of a goose egg. They were clearly visible, strewn about in the edge of the wheat field.

Patterson was speculating as to whether or not the rocks were connected with the Tuesday night meteor, since some of the rocks appeared to have been there longer than just a couple of days. But Dr. Gibson, while conversing with Patterson's daughter, Mrs. Cynthia McDaniel, said that the area is on a direct line with where tracking devices predicted that particles could have landed.

He said he would test the pieces for cosmic rays, and attempt to determine whether the particles were from an earth-launched space vehicle, or whether it may in fact have come from "outer space."

Examining the area where the rocks were found is going to be a problem for a day or two, since Patterson's irrigating caused the field to be a little on the "boggy" side.

The Houston-based officials of NASA were to fly into Lubbock late Thursday, spend the night in Muleshoe, and planned a thorough investigation of the rocks.

The meteor shower of Tuesday evening caused a number of reports from the public, some of which thought an airplane had exploded in the air. Also, a number of airplane pilots witnessed the show, which was visible from Nebraska to Texas, Kansas, Texas.

One eyewitness in the Texarkana area termed the object "as big as a house."

Some have theorized that the meteorite showers were caused by the fact that the earth passed through the tail of a large comet.

"It definitely was a meteor," said Joe Patterson (no relation to the discoverer of the rocks), an astronomer at the McDonald Observatory in Fort Davis. "When one is that large and that bright, it's likely to have reached the ground intact."

However, Col. Gary Gosdin, spokesman for Shepard Air Force Base theorized that the object burned out and exploded in a bright flash in the air.

A Federal Aviation Administration official in Fort Worth said their radar tracked the object across the sky, but said it "fell apart" in the air.

Such an explanation pretty well connects all the small pieces of strange rock on the Patterson farm with the recent meteor shower. At least it made for interesting speculation, and took a portion of the talk away from low farm prices for a while.

### ★ ★ ★ ★

**BULLETIN**  
The special team headed by Dr. Everett Gibson, geochemist for NASA, determined Friday that the rocks discovered on the Jack Patterson farm were not meteorites. The team theorized that the rocks were a result of extreme heat which caused the sand to melt—which may have been caused by lightning, or some other heat force.

## District 3-AA Is Unchanged

The bi-annual realignment announced this week by the University Interscholastic League (UIL) left Friona's District 3-AA unchanged for the next two years.

Continuing to compete athletically and scholastically in the district will be the six AA schools of Friona, Muleshoe, Morton, Littlefield, Olton and Dimmitt.

For athletic purposes, the even number of teams has been a convenience in scheduling, and the six teams are geographically located in close proximity.

## Vital Ag Meeting Set Here Monday

A meeting to organize support for the American Agriculture Movement is slated for Monday, October 24 at 8 p.m. at the Parmer County Community Center in Friona.

Three young farmers from Boise City, Okla., who are active in the movement, will meet with farmers and their wives from our area to discuss all phases of the movement and answer questions.

Proponents of the movement, who have attended other area meetings, have learned that every farmer can in some way support some phase of this movement. All farmers can quit making all unnecessary purchases, cut their acreage, cut production expenses and cancel memberships and insurance in farm organizations that are not helping the farmer.

Farmers and their wives, who attended the rally in Amarillo, heard farmer after farmer from all over the United States attest to the fact that they are in the direst financial circumstances that they have ever been in, and many feel this could be their last year in business if farmers fail with this movement.

All felt the situation would worsen under the new farm bill; especially since this administration seems determined to get the government back into the grain business as deep or deeper than it has ever been.

There are plans for a grain reserve between 1.1 and 1.3 billion bushels of wheat; with this hanging over the farmer's head, prices will be holding at the loan rate for at least two years. Howard Hjort, U.S.D.A.'s Director of Agriculture Economics, told reporters he didn't expect wheat prices to get "appreciably above" the \$2.25 loan rate.

The State Department wanted enough grain on hand so they could rule out embargoes once and for all. In its behalf, the Administration will also ask Congress to create a Special International Emergency Food Reserve of up to 6 million tons of grain. Government owned and controlled, it will be used to meet our Food for Peace commitments, and for whatever other diplomatic maneuvering they may decide on.

The Treasury Department wanted reserves to assure a steady flow of grain exports to earn the dollars needed to pay for oil and other imports.

The Council of Economic Advisors argued for enough grain to avoid the price swings of a few years ago—the \$6 wheat and the \$4 corn. If grain prices remain steady to weak, food prices are less likely to rise and fuel the fires of inflation. "These reserves protect consumers," said Deputy Secretary of Agriculture John White.

One can readily see from the above that the Federal Government and the Agriculture Department,

## Fire Consumes Tagco Truck

The Friona Volunteer Fire Department responded to a call one mile west of Summerfield at 1:55 p.m. Tuesday.

A truck owned by Tagco Industries of Hereford caught fire enroute from Muleshoe to Hereford on U.S. 60. Units from Friona and Hereford arrived at the scene to extinguish the blaze which by then had gutted the contents and the cab of the small work truck driven by Majin Garza, a Tagco employee.

Neither Garza nor his passenger, another Tagco employee, were injured.

## Simpson To Visit City

Supporters of Bob Simpson, candidate for state senator, 31st district, are hosting a coffee in his honor Monday, October 24 from 2:30 to 3:30 p.m.

The meeting will be held at Friona State Bank, Community Room. The public is invited to attend.

which is supposedly to help the farmer, is planning to continue to use and abuse the farmer if he doesn't do something to help his own cause. Here is what the "Kiplinger Agricultural Letter" has to say about Washington's reaction to this movement—we've heard all this before; farmers are such a diverse

group of independents that it's next to impossible for them to put up a united front on something like this.

If the family farm is to survive, we are going to have to hang together or hang separately. Besides farmers and their wives, bankers and all businessmen are urged to attend this meeting.

## Band Picked For Amarillo Festival

The Friona High School band has been chosen to perform at the climax of the 1978 Greater Southwest Music Festival in Amarillo on Saturday, April 29.

Scott Houston, FHS band director, received the invitation recently. It informed him that the board of directors of the Greater Southwest Music Festival had selected the Friona band from among the outstanding bands in the 1977 festival.

Friona's band was chosen for the climatic night of the 1978 festival, and will appear on the program along with the Amarillo High School Orchestra, the Amarillo High School Mixed Choir, the Pampa Junior High boys choir and an added feature, the Amarillo College Jazz Choir.

Signing the invitation was Steve Messenger, president, and Kathryn Jones, executive director of the Greater Southwest Music Festival.

## Two Players Tie In Football Event

The battle for the lead in the Friona Star's football predicting contest tightened somewhat after the seventh week, as R.L. Blakely of Hereford pulled into a first-place tie with Jack Clark, and the two stand as co-leaders going into the current week of predictions.

Blakely had a sterling week, correctly picking 16 games, while Clark fell off to 14. Both had scores of 112 after the smoke had cleared on Sunday evening.

The six professional games included on the list were chosen by the contest chairman thinking they might give contestants some toss-up games to choose between.

These Sunday games gave contestants the biggest amount of trouble. They also were close games for the most part. Games referred to are Buffalo 3, Atlanta 0; St. Louis 21, Philadelphia 17; Cleveland 24, Houston 23 (a field goal winning on the final play of the game); Denver 30, Oakland 7; New England 24, San Diego 20 and Seattle 30, Tampa Bay 23.

One of the high-ranking contestants, Bobby Drake, missed all six of the pro games. His score of 12 dropped him into a third-place tie with Ron Harkey, each having scores of 109. Most of the contestants missed over half of the pro games, with many missing four, five and six of those contests.

Only three of the 182 contestants entering the weekly contest scored as many as 17 correct on the 22-game slate. They claimed the three weekly cash prizes.

Those scoring 17s were Don Maynard, Mark Fuhrmann and Jerry Harrelson. Maynard copped the weekly first prize on the basis of his tie-breaker score prediction on the Morton-Friona game. Maynard missed the actual score by six points, pegging the score at Friona 14, Morton 13.

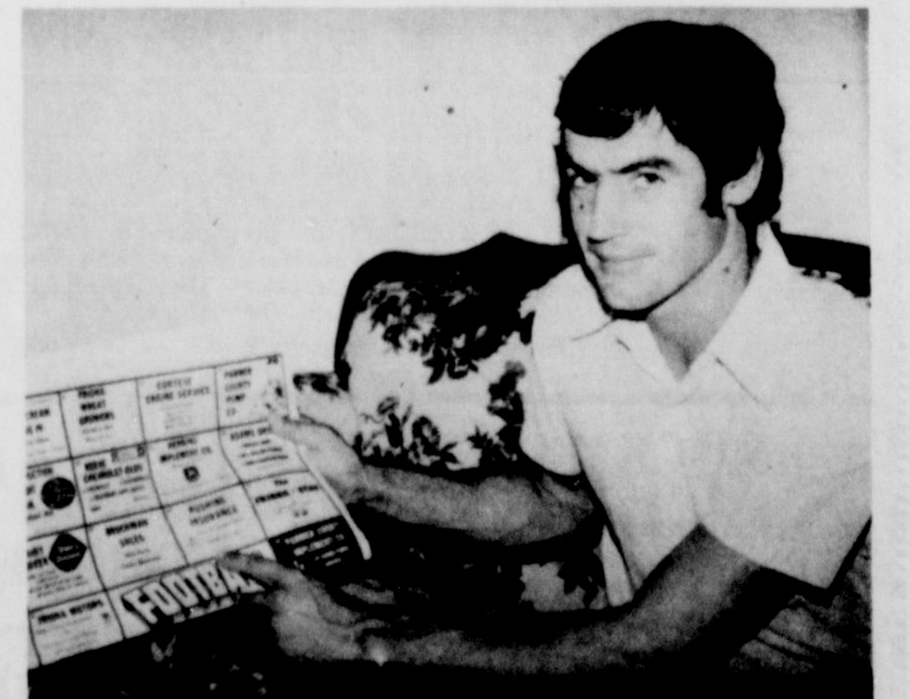

Fuhrmann, who lives northwest of Friona, was second. He was 12 points off on his tie-breaker, picking Friona to win, 14-7.

Harrelson had to settle for third place, after picking the Chiefs to win, 35-7.

All of the three top contestants missed Denver's upset over Oakland and SMU's win over Houston in the Southwest Conference. However, the other misses were split among the Dalhart-Spearman, Hart-Kress, Nebraska-Iowa State, LSU-Kentucky and Atlanta-Buffalo games.

Eight contestants picked 16 games correctly. They were Wesley Barnett, Johnny Curtis of Farwell, Clay Bandy, R.L. Blakely of Hereford, Craig Trimm, Dale Mann, Sam Williams and C.H. Veazey.

Picking 15 games were Eugene Bandy, Robin Baize, Dee King, Rhonda Field, Ron Cain, Mike Field, David Gowens, John Barker, Don Fortenberry, Melody Drake, Terri Giddens, Donavan Ferguson of Stratford, Tim Elmore of Lamesa, Shirley Alvarez, Johnny Alvarez, Edward White, Eldon Rape, Gene Strickland, Frank Truitt, Eddie Mann, Lee Roy Nuttall, Carl Mason, Joe Malouf, Cynthia Smith, Alan Monroe and Wright Williams.

**HERE'S HOW.....**Mark Fuhrmann was one of three contestants to correctly pick 17 games in the Friona Star's football contest last

week, and claimed second place on the basis of his tie-breaker score. Others getting 17 games were Don Maynard and Jerry Harrelson.

# To The Editor

(Editor's note: The following letter was written in response to recent reports indicating that the DHEW will push for more centralized hospital facilities, in an effort to phase out the smaller, community hospitals.)

October 19, 1977

Dear Sir:  
This letter concerns the DHEW proposals published by the Federal Register on September 23, 1977.

I believe in the health, education and welfare of every American citizen and I believe every citizen has the right to determine his own needs.

I believe it is detrimental to human life to control man's environment according to quantity care with the primary purpose of economic expediency.

It was economic expediency, not concern for quality that led to consolidation of schools when the first four years in school could better be taught in small classes near the student's home. We have more cost and less education as a result of this thinking.

The trend in medicine toward large medical centers is said to be for economic expediency. Projecting into the future I see the current proposal to close small hospitals as follows: small community dwellers will be great distance from competent medical facilities for

even minor medical needs. The expenditure involved individually for transportation to and use of these facilities will be prohibitive in many cases. Many may go without any medical care.

Individuals will bear the brunt of these plans for economic savings while still paying their government for cheaper care. The cost will be borne by small communities both financially and spiritually. At a time when many people are trying to escape the strain of city life these proposals hardly make sense to the people who should benefit from such a program.

Quality care and large facilities are not synonymous. Because a hospital delivers five hundred babies in its facility does not mean it can do so better and/or cheaper than a hospital that delivers one hundred fifty. Does the government have the right to deny individual choices of medical care facilities to a community? I think not. The courts need to prove again in America that Americans want the freedom of choice that was bought by our forefathers with their lives.

Our school children are manipulated by politicians to their own advantage by the busing programs. What has been accomplished except waste of human resources and energy?

Our medical profession has rightly resisted government efforts for control of medicine. The physicians who cannot freely practice medicine as his profession to the best of his ability is handicapped in his ability to provide quality medical care. No untrained politician has the critical judgement to pass on the way his practice is carried out.

Friona has a fine hospital with excellent dedicated doctors and would welcome a visit to its facility. Removing the hospital from the community would be extremely foolish.

Please consider the DHEW proposals with the ULTIMATE WELFARE of the people in mind. Sincerely,  
Mary Johnston, R.N.

**NEW SECRETARY...** Yvette Menchaca is the new secretary at the Soil Conservation Service Office. She is being employed by the Parmer County Soil and Water Conservation District under the Distributive Education Program. She recently moved here from Junction, Texas, and is now living with her aunt and uncle Mr. and Mrs. Matilde Castillo of Friona. Miss Menchaca is a senior at Friona High School and active in St. Teresa's Catholic Church in Friona. She is the daughter of Mr. and Mrs. Rojello Menchaca.

## Bank Gives Winners In Promotion

The winners of last week's "JUST FOR FUN" contest are: Ruth Terry; Ester Rios and Cindy Weatherly.

In case you couldn't identify the caricatures, here are the answers:  
1. Dale Smith; 2. Harold Branham; 3. Charlene Harper; 4. Joe Mejia; 5. Robert Neelley; 6. Cynthia Bishop; 7. Barbara Forehand.

8. Dorothy Jackson; 9. Peggy Pope; 10. Shirley Ferguson; 11. Reta Booe; 12. Gary Brown; 13. Charles Allen; 14. Teresa Kendrick.

15. Willene Grundy; 16. Ted Procter; 17. Johnnie Walter; 18. Jerry Hinkle; 19. Doris Sears; 20. Lydia Norsworthy; 21. Pete Diaz.

22. Marilyn McMillan; 23. Vernell Cunningham; 24. Katherine Blackburn; 25. Patrick Pace; 26. Loretta Gammil; 27. Gloria Atchley; 28. Cheryl Weatherly; 29. Delphine Wied.

Bank President Robert Neelley said he appreciates the interest shown by the contestants.

## Write Your Congressman

In order that Friona Star readers may write their congressmen, we are presenting their names and addresses herewith:

Senator John Tower  
Senate Office Building  
Washington, D.C.

Senator Lloyd Bentsen  
Senate Office Building  
Washington, D.C.

Congressman George Mahon  
House Office Building  
Washington, D.C.

# Friona Flashbacks

..... from the files of The Friona Star

### 45 YEARS AGO—OCTOBER 21, 1932

During the past ten days or two weeks, cotton has been rolling in to the Friona Gin in a fairly steady stream, to the extent that at least 150 bales will have been ginned by the close of this week. C.S. Waddell, manager of the gin, reports that the crop this season will make an average of one-half a bale or better to the acre. Cotton picking is affording employment to many Friona people who were unemployed.

### 35 YEARS AGO—OCTOBER 16, 1942

Since the armed forces have claimed practically all the eligible young men from this territory, many positions have been taken over by women. Our entire force of rural mail carriers is now composed of ladies. Our local bank is wholly in charge of ladies. Our local drug store is now served by two ladies, where a few months ago, all the employees were men. Another lady, Mrs. Wright Williams, is in charge of Uncle Sam's rationing business at Friona.

### 30 YEARS AGO—

(Entire 1947 issue missing from Star files.)

### 25 YEARS AGO—OCTOBER 16, 1952

Something most unusual in the "Trade at Home" campaign ideas is being launched in the Star this week—that of a page message in which twelve merchants of the town cooperate in sponsoring. Beside the advertisement of each firm is a caricature of the firm manager drawn by Hut Hutson, Amarillo cartoonist.

Mr. Tom Jarboe, sixth grade teacher for the second year in the local schools, left Tuesday for induction into the Armed Forces at Fort Sill, Oklahoma. Mrs. Jarboe accompanied him.

### 20 YEARS AGO—OCTOBER 17, 1957

The Friona city commission Monday night authorized rate increases on two utilities, telephone service and natural gas. Effective date of the phone increase is the "next billing period," according to the ordinance, and the gas rate increase is due December 1, the ordinance is dated.

Easements for a paved farm-to-market road south and east of Friona have been completed, except for one. Clyde Goodwine, just south of town, has asked the county \$1,000 for an easement involving 4.77 acres. He met with the commissioners court in Farwell Monday and made his request. The county seeks easements across the tracts of land he owns for the required right-of-way on the FM project.

### 15 YEARS AGO—OCTOBER 18, 1962

Grain sorghum farmers in Parmer County were all but winding up what had been termed one of the fastest and smoothest grain harvests in the county's history before rains early Wednesday brought an end to the ideal weather which has blessed the season for more than a week.

C.D. Nolan of the Lazbuddie Community, delivered the first bale of cotton ever to be ginned at the Friona Farmers Co-op Gin on Tuesday of this week. The bale weighed 475 pounds.

### 10 YEARS AGO—OCTOBER 19, 1967

Work was progressing smoothly at Missouri Beef Packers this week, as officials hailed the "Indian Summer" weather as a God-send to their construction work. "We hope it continues like this until about next April," jokingly remarked Doyle Elliott, building superintendent.

Elliott pointed out that workmen have finished the floor in the rendering room of the big plant. A

large concrete parking area has been completed at the construction site, and work was progressing on a concrete roadway leading from the railway crossing to the plant proper.

### 5 YEARS AGO—OCTOBER 19, 1972

Plans for the formal Open House of the Friona Texas Federal Credit Union in the new location at the corner of Sixth and Euclid have been finished. October 15-22 is International Credit Union Week. This week marks the 123rd anniversary of the credit union with credit unions for safe investments, financial counseling and equitable loans. Open House will be held from 2 to 5 p.m. Sunday, October 22.

**SCHOOL LUNCH MENU**

**WEEK OF OCTOBER 24-28**

**MONDAY**—corn dogs, corn, hot rolls, green beans, chocolate cake and Borden's milk.

**TUESDAY**—spaghetti and meat balls, English peas, hot rolls, beets, peanut butter cookies and Borden's milk.

**WEDNESDAY**—tacos, pinto beans, cornbread, lettuce and tomatoes, fruit and Borden's milk.

**THURSDAY**—turkey rolls, mashed potatoes, hot rolls, peas, applesauce cake and Borden's milk.

**FRIDAY**—hamburgers, potato chips, buns, lettuce and tomatoes, jello and Borden's milk.

(Menu Sponsored By BORDEN'S MILK)

**NOTICE**  
 Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement a new schedule of rates for sales to certain of its rural special contract industrial customers. Like notice is also given for sales to certain of its rural special contract industrial customers in the Company's cities and towns.  
 Both new schedules are to be effective November 1, 1977.  
 It is anticipated that the new schedules of rates will result in a 57% (fifty-seven hundredths of one percent) increase in the gross revenues of Pioneer Natural Gas Company which increase is not a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S.  
 A Statement of Intent to change rates was filed with appropriate regulatory authorities on or about September 26, 1977, and is available for inspection at the Company's main offices, 301 South Taylor Street, Amarillo, Texas.  
 THE RATE CHANGES DESCRIBED IN THIS NOTICE DO NOT AFFECT RESIDENTIAL COMMERCIAL OR IRRIGATION CUSTOMERS OF PIONEER.

**MAKES GAIN....**Terry Wilcox (44) of the Friona Chieftains get around right end for a good gain in Friona's win over Morton last Friday. Leading the interference is Kevin

Kothmann, while Morton's James Johnson(80) tries to make the tackle. Wilcox gained 118 yards for his night's effort, his first time over 100 yards in a game.

# Absentee Voting Begins This Week

Absentee voting for the special November 8 election began Wednesday, announces Bonnie Warren, Parmer County Clerk.

According to Mrs. Warren, all registered voters are eligible to vote in the election and may do so by casting their absentee ballots at the courthouse between the regular 8:30 to 5 p.m. CDT office hours.

She said the absentee voting will continue until November 4.

amendment increasing the size of the Court of Criminal Appeals to nine judges, and permitting the court to sit in panels of three judges.

No 2: The constitutional amendment to provide for an additional \$200 million in bonds or obligations of the State of Texas for the Veterans' Land Fund and to allow surviving widows of veterans to purchase tracts under certain circumstances.

amendment authorizing tax relief to preserve certain cultural, historical or natural history resources.

No 5: The constitutional amendment authorizing the formation of agricultural or marine associations which may mandate the collection of refundable assessments for improvement of production, marketing, or use of their products.

No 6: The constitutional amendment to give the legislature the power to authorize state and national banks to exercise banking and discounting privileges by use of electronic devices or machines.

No 7: The constitutional amendment changing the name of the State Judicial Qualifications Commission to the State Commission on Judicial Conduct and relating to the commission and the powers and proceedings of the commission, a master, and the Supreme Court, or court of Civil Appeals justices serving in place of the Supreme Court, for the suspension, censure, removal, or involuntary retirement of a justice, judge, or justice of the peace under certain circumstances.

The special election was called for two reasons. First, voters will decide who will fill the state senatorial vacancy created by Max Sherman who recently resigned to assume the presidency of West Texas State University.

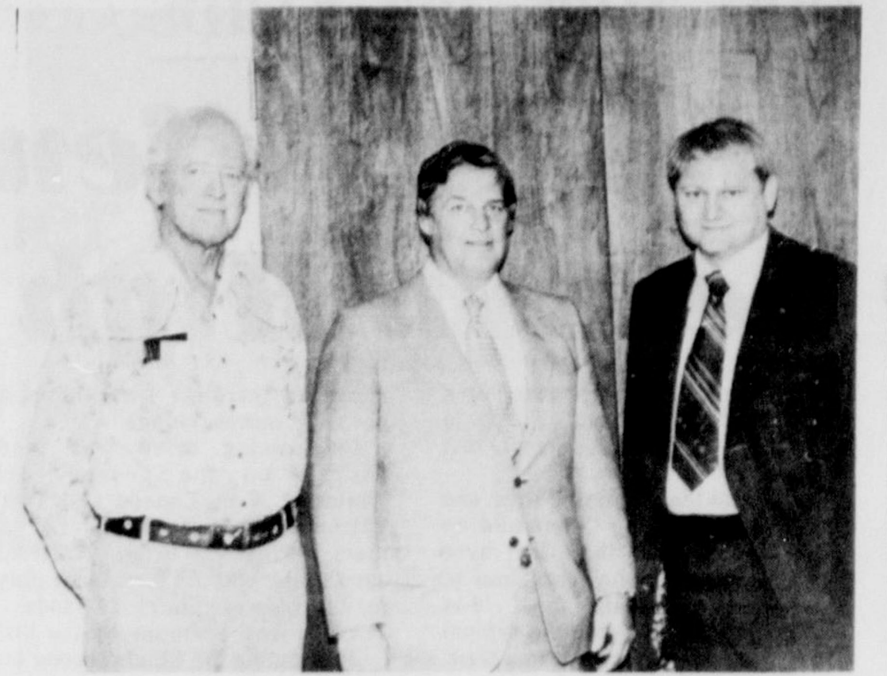

Five candidates are seeking the position, including Democrats Bob Simpson, Burk Whittenburg and Mel Phillips, Jr. The two other candidates are Republicans Bob Price and Jim Brandon.

Voters will also be asked to decide the fate of seven proposed constitutional amendments.

No 1: The constitutional

No 3: The constitutional amendment permitting denial of bail to a person charged with a felony offense who has been theretofore twice convicted of a felony offense, or charged with a felony offense committed while that person was admitted to bail on a prior felony indictment, or charged with a crime involving the use of a deadly weapon where there is evidence such person has been convicted of a prior felony offense; providing for a 60-day limit to that person's incarceration without trial; and providing for that person's right of appeal.

No 4: The constitutional

**PRICE VISITS....**Former congressman Bob Price, center, visited in Friona last Monday with a group of friends and supporters. Shown with

Price, a candidate for the state senate this year, are Ray Landrum and Mike Bruegel.

## Price Discusses Campaign Issues

State Senatorial candidate Bob Price met with county supporters Monday at the Friona State Bank Community Room to listen to local problems and make his stand on issues relevant to the 31st State Senatorial district race.

The vacancy was created when Max Sherman resigned his seat to accept the presidency of West Texas State University.

Price, a Republican from Pampa with eight years service in the U.S. House of Representatives, said he favors working for a federal guarantee of 100 per cent parity for farmers, a cut in state taxes, and a pay raise for state employees and teachers.

Price feels that a tax cut would leave more money in the hands of consumers and their increased spending would generate more sales tax revenue for the state.

Price is alarmed at the number of illiterates graduated from Texas high schools. He feels it is time to "get back to the basics--reading, writing and arithmetic."

On the issue of crime, he said he favors supplying police departments with modern equipment for more effective law enforcement. He also favors rehabilitation for first time offenders and stiff sentences for habitual criminals.

Other topics discussed were states' rights, natural gas deregulation (which he favors), effective water plans for the panhandle, health care for the elderly, and the lowering of the welfare roles.

### BOOSTERS MEET TUESDAY

The Booster Club will meet Tuesday night at 8 p.m. at the Friona High School Cafeteria.

A game film from the Friona-Littlefield game will be shown. Reports from the coaches will be heard. A club official urges all parents and fans to attend.

# Chiefs' Offense Hits Season High In Win

The Friona Chieftains racked up a season high of 413 total yards in their district opener at Morton last Friday.

Looking at the game statistics, one would guess that the Chiefs had an easy time of it in their win over Morton. Actually, the team had to stave off the Indians in a 19-14 cliffhanger that is becoming typical of the type game the two teams play.

Although the Chieftains were in command most of the way, and threatened a few times to blow the game wide open, Morton refused to let them, and kept the pressure on until the final gun sounded.

An unusual performance found three backfield members for the Chieftains all gaining more than 100 yards. Jeff Whiteside ran all over the field while gaining 180 yards; Terry Wilcox added 118 and Glen London 101. All three scored touchdowns during the game.

The game's kickoff was delayed for a few minutes when for some reason or other the stadium lights did not come on.

With the problem solved, the Chieftains took the opening kickoff and put together one of their best sustained drives of the season.

The drive covered 68 yards, and used up 6:32 of the opening period. Friona survived fourth down plays twice during the drive when

necessary yardage was gained to keep the march going.

The scoring drive was made entirely on the ground. Jeff Whiteside, Glen London and Terry Wilcox made first downs for the team during the drive. Whiteside carried the ball the first three plays for the Chiefs, gaining 29 yards.

A five-yard scamper by the little halfback gave the Chiefs second and goal from the Morton one, where quarterback Chris Barnett went over on a quarterback sneak two plays later. Kevin Pope's kick was wide, but Friona had a 6-0 lead.

The Chieftains held Morton, and took over following a fine Morton punt at the Friona 22. However, three plays later, Whiteside burst up the middle, found himself in the secondary, then outran a couple of defenders all the way to the goal-line. The 60-yard run was at that point in time the longest TD run of the season for Friona.

Pope's kick was again wide, but Friona had increased its lead to 12-0 with 1:06 left in the opening quarter.

Things began to look dark for the home team when Friona took over again following a punt, and methodically drove 71 yards to the Morton nine, from where the team seemed a sure bet to score its third touchdown, as they simply could not be stopped.

But on a third down play from the Morton ten, London fumbled after

having made a first down inside the ten, and Morton took over.

Not only did the fumble cost Friona six points, but four plays later Morton's Larry Moore bolted 62 yards to the Friona 28, and this set up a Morton touchdown with 1:54 left in the half. A PAT kick left the Tribe trailing by only 12-7.

Friona fans began to squirm in their seats, remembering the pattern of the team's first five games, in which Friona looked great for the first half, only to fall apart in the latter stages.

Early in the third quarter, the Chiefs again were given a little breathing room when fullback London scored on a nice, 63-yard touchdown run, which broke the 30-minute old season record Whiteside had set in the first half.

London burst up the middle, then headed up the left sideline. One Morton defender had a shot at the Chieftain fullback at about the ten, but Wilcox, who had caught up with the two, managed to get a half-stride ahead of the Morton defender, and then threw a body block to allow London to go in untouched.

This time Pope's kick was good, and Friona had a 19-7 lead. Only 1:11 had elapsed off the clock in the third quarter.

Friona's celebration was short lived. On the second play following London's TD, Morton scored on a dippy-doodle play.

The Indians pretended to huddle, but their center passed the ball directly back to fullback Moore, who gathered in the ball and set sail up the sideline untouched, equalling London's 63-yard run. The Chieftains were caught by surprise, as they hadn't lined up on defense. The kick left Morton trailing by only 19-14.

Both teams had scored touchdowns, there had been three possessions, and yet only two minutes had elapsed in the second half.

Fired up by the trick play, Morton tried to put together another drive, and moved from their own 37 to the Friona 28 late in the third quarter, but a stout Friona defense held the Indians on a fourth and six play, and the Chiefs took over.

Early in the final quarter, Friona, led by the running of Wilcox and Barnett, moved to the Morton 23. Barnett made a nifty 13-yard run on a keeper play, and might have gone all the way except that he stepped out of bounds at the Morton 27.

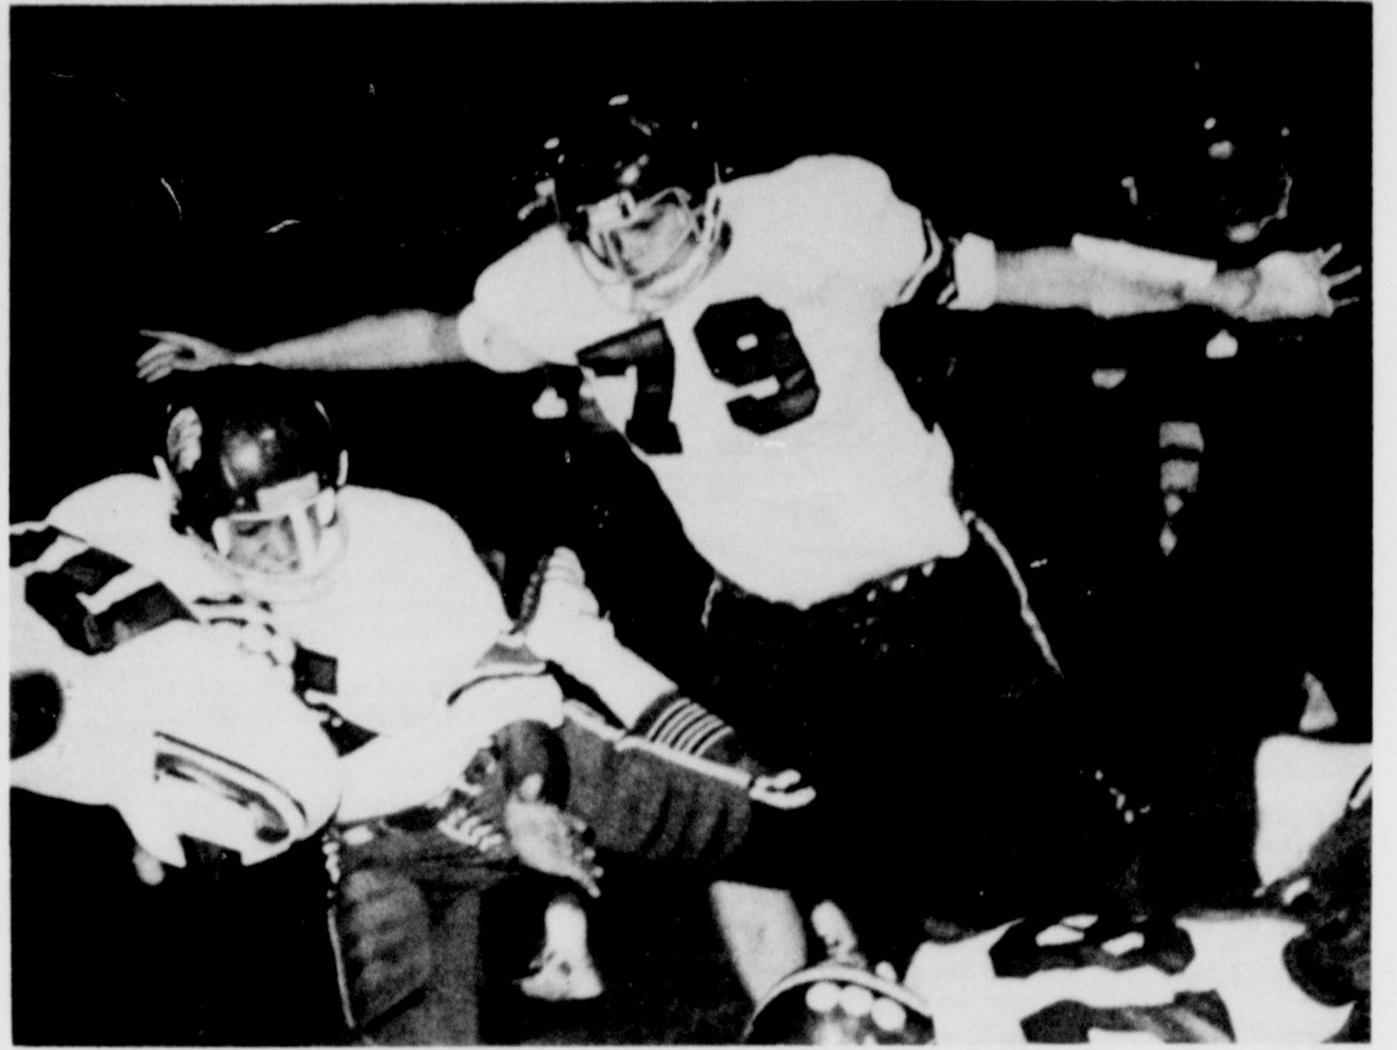

However, a bad exchange between Barnett and Whiteside lost six yards, and Morton took over moments later on the Indian 37.

Friona's defense remained fired up. Morton completed one pass out to near midfield, but later a fourth down pass fell incomplete with 2:51 left in the game and Friona took over.

Wilcox almost got the clincher on a 35-yard dash to the Morton 17, but was caught from behind. Chuck Nichols made five yards to the 14, but one play lost a yard and Barnett's fourth down pass was incomplete in the end zone with 1:17 left in the game.

Morton managed five plays in the remaining clock time, and aided by pass interference and one pass that did click, moved to their 49. On the final play of the game, the Chieftain defense swarmed quarter-back Monty Hodge and preserved the win.

Moore, the hard-running fullback, gained over 200 yards for Morton, but his performance was overshadowed by the three-pronged attack fielded by the Chieftains.

BIG BIRD???...No, it's actually Jeff Whiteside (10) and (Train) Peak (79), shown swooping another unidentified Chieftain down on a Morton backfield man, player. (Photo by Stanley Ellis)

## Eighth Grade Tops Morton Team, 26-8

The eighth grade Braves traveled to Morton last Thursday and came home with their third victory of the year. They overpowered the Indians 26-8.

Also for the third time, Tony Rios rushed or over 100 yards, this time he had teammate Robert Caballero join him in the 100 yard club.

The Braves' first touchdown came early in the first quarter on their first possession. Rios carried the ball three straight times and on the third one, he went into paydirt. The PAT failed and the Braves led 6-0.

Morton failed to move the ball at all during the first half; in fact, they had a minus 28 yards offensively.

The second touchdown was also made by Rios from six yards out. The extra points were added by a nifty run by Nelson Jackson and now it was 14-0. In the second quarter Friona scored again, guess who, Tony Rios ripped off 30 yards and another touchdown, but the PAT failed leaving it 20-0. The Braves' last TD of the game came as the time ran out in the first half. Robert Caballero threw a bomb to "Sticky-fingers" Jackson and the play covered 37 yards and resulted in a TD.

Morton scored their lone touch-

down in the third quarter and were successful on the PAT. The final score was 26-8.

## Lubbock Guest Presents Program

The Lazbuddie 4-H Club met Monday, October 10 after school in the Lazbuddie School Cafeteria with Frank Jesko, president, leading the meeting.

Carlton Jacops led the members in the 4-H Club pledge and motto, Lisa McGehee read the 4-H prayer, and Joe Dan Tarter read the meaning of the 4-H colors of green and white.

Maureen Jesko, secretary, called the roll and new members were accepted. Enrollment cards were passed to new members to be sent to the Extension Agents' Office in Farwell.

Minutes of the first meeting were read by Maureen, and they were

approved as read. Mrs. Pete Jesko presented a bill to the club for their part in the farewell gift that was presented to Miss Jana Pronger by Parmer County 4-H Clubs at the 4-H Achievement Banquet in September.

Gary Callaway of Tandy Leathercraft of Lubbock presented the program. He showed a movie and gave each of the members a key chain they designed and tooled during the program.

Refreshments were served by Mrs. Darrell Mason to Sue Collins, Traci Elliott, Kevin Fuqua, Stacy Ivy, Carlton Jacops, Wendy Jar-

man, Frank Jesko, Maureen Jesko, Sean Mason, Shane Mason, Lisa McGehee, Shonda Mitchell, Clinton Russell, Vandi Tarter, Joe Dan Tarter, Casey McBroom, Danny Powell, Terry Steinbock, Wanetta Templar, Mark Lust and Randy Jacops.

Also, Mrs. Beanie Ivy, Mrs. Ken Russell, Mrs. Pete Jesko, Mrs. Darrell Mason, Mack Heald and Gary Callaway.

All members and new members are invited and urged to attend the next meeting Monday, November 14 after school in the Cafeteria. Program on CPR (Cardio Pulmonary Resuscitation) will be presented by Mrs. Kenneth (Joyce) McGehee.

Tell Your Friends...October Is

# NATIONAL COOPERATIVE MONTH

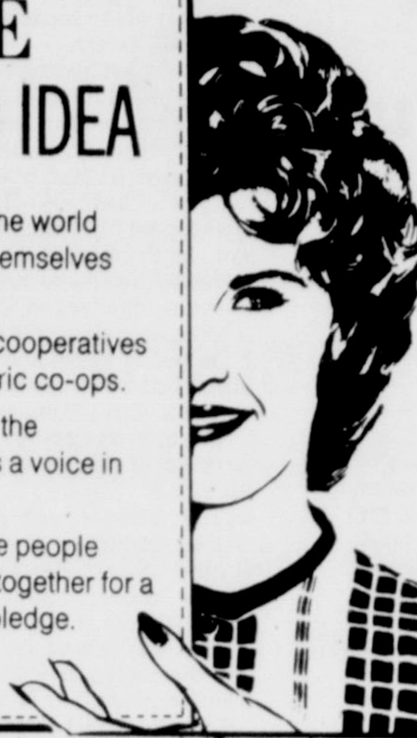

## COOPERATIVE a good word for a GOOD IDEA

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.

### A COOPERATIVE IS: PEOPLE HELPING PEOPLE!

People Working Together... Accomplishing Common Goals Through Cooperatives — — MEMBER-OWNED BUSINESSES!

★ COOPERATIVES Raise The Standard Of Living — Lower Costs Of Living.

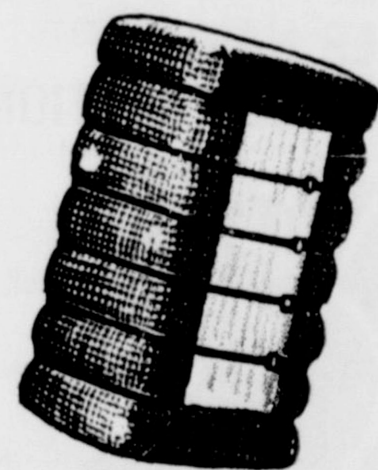

★ Being A Cooperative Does Make A Difference!

COOPERATIVE PEOPLE ARE PARTNERS,  
SHARING RESPONSIBILITIES AND BENEFITS ...  
WORKING FOR THEIR OWN AND THE COUNTRY'S WELL BEING!

WE'RE PROUD TO DO BUSINESS THE COOPERATIVE WAY

This Special Recognition Is Sponsored By The Following Area Cooperatives.

**Friona Consumers**

**Friona Co-op Gin**

**Friona Wheat Growers**

**West Texas Rural Telephone Co-op, Inc.**

We Are Pleased That We Have Had A Part In Making Rural Life In This Fine Area More Enjoyable

And More Profitable, And Join With Our Member Families In Observing National Cooperative Month During October.

CLINT FORMBY

# Hereford Man Wins Broadcaster Award

A Hereford broadcaster who has held some of his industry's highest offices for his leadership in quality, responsible use of the air waves, has been named to receive the 1977 Texas Baptist Communications Award.

Clint Formby, partner and manager of four Texas radio stations, will be honored at the annual Convention of the 2-million-

member Baptist General Convention of Texas in Fort Worth Nov. 1-3.

The award is given annually by the BGCT's public relations advisory committee for outstanding contributions to Christian causes through media, said Richard T. McCartney, director of public relations for the denomination.

Formby's contributions to broadcasting were recognized by his fellow broadcasters when they named him president of the Texas Association of Broadcasters and chairman of the radio board of directors of the National Association of Broadcasters.

Formby got his start in radio when he was asked to build Station KPAN in Hereford while a junior in Texas Tech University, Lubbock.

Initially, he had planned to be a lawyer, but World War II interrupted his education. After the war, he decided to study communications. Radio, which was beginning to boom, challenged him.

After opening KPAN, Formby went on to build and become the "first voice" of stations in Snyder, Colorado City, Tulia and Seminole.

Now he is a partner and managing director of Radio Station KPAN, Hereford; KLVT, Levelland; KTEM, Temple; and KTBB, Tyler.

Doug Manning, Formby's pastor at First Church, Hereford, describes him as "a Christian gentleman who bears witness wherever he goes."

Men like Formby are needed "who give themselves to making the world a better place," said Manning.

Formby served as chairman of the Texas Tech board of regents while the school was going through the

building of a medical school, the hiring of a new football coach and the appointment of a new University president.

Last year he was named "Panhandle Citizen of the Year" by the Amarillo Chamber of Commerce. He served four years on the advisory committee of the Southern Baptist Radio and Television Commission. Also, he has served on the panel of judges selecting broadcasters to receive the Radio-TV Commission's annual Abe Lincoln Awards.

KPAN, which has twice been named the outstanding public service station in Texas by the Texas Association of Broadcasters, reflects Formby's conviction that media should deal with key public issues. "Let's make people think about it," he says.

For 20 years, KPAN has featured the "Day by Day Philosopher," a five-minute program in which Formby gives lines for living, reads poetry and seeks to provide his listeners with inspirational thoughts.

The station once sponsored a "Good News" day during which nothing but good news was carried all day long.

Formby, whose stations have received numerous broadcasting awards, believes he has "one of the greatest opportunities for involvement any job could have."

"It keeps you in close contact with the community in which you live and provides you with opportunities to work with people in so many walks of life."

ZONE WINNER....Kevin Frye, left, was the zone winner in the eight-year-old division of the Punt, Pass & Kick competition last week. He is shown with Steve Grundy of

Friona Motors, the local PP&K sponsors. Kevin, the son of Mr. and Mrs. Charles Frye, is to compete in the area contest this weekend in Phoenix, Arizona.

## Lazbuddie To Host County Food Show

Nine Lazbuddie 4-H Club boys and girls have completed a series of the 4-H Foods Program workshops in the second and third year level of training.

Workshops were held in the home of Mrs. Pete Jesko, adult leader, who worked with Sue Collins, Stacy Ivy, Lisa McGehee, Vandi Tarter, Maureen Jesko, Sean Mason, Carlton Jacobs, Randy Jacobs, and Frank Jesko.

These 4-H Club members will enter the Parmer County 4-H Foods Show, Saturday, October 22 beginning at 9 a.m. in the Lazbuddie School Cafeteria. Theme for this year is "Conservation Cooks."

These future cooks may enter foods in main dishes, side dishes,

bread and desserts, or snacks and beverages. A nutritional day's menu including the chosen foods and recipe will be submitted for judging Wednesday, October 19 in the Extension Office in Farwell. Each contestant will be judged October 22 on his or her knowledge of nutrition, cost, preparation, and taste of the food prepared.

During the series of workshops after school the group reviewed the needs of fruits and vegetables for healthy skin, eyes, hair and body tissues. Meats, eggs, and dry beans help to build and repair the body. Milk and milk products supply the body with minerals and riboflavin for strong bones and teeth. Breads and cereals regulate and protect the body.

Snacks should be part of the nutritional needs of each day. All the group prepared carrot and celery sticks to dip into a chili con queso dip. A cost comparison was made with the chili con queso prepared with separate ingredients and with premixed cans of ingredients.

In food buying a study was made in comparing costs of a whole chicken and an average price of separate prices per pound. Each of the group learned to cut up a whole chicken and also made and cooked chicken and dumplings.

During the last lesson the boys and girls helped can pears using the water bath method of canning fruits. Cooked and seasoned carrots were sealed in bags and frozen to be heated in hot water and served from the bag in later months.

## Reception

## Fetes Prices

Mr. and Mrs. E. L. (Smokey) Price of Needville, Texas, were honored on the occasion of their 50th Wedding Anniversary on Sunday, October 16.

The reception was held in the home of their son and his family, Mr. and Mrs. Neil Price, Ronald, Kathy and Janie in San Antonio, Texas.

Smokey and Katie were married on October 16, 1927. They were former Friona residents. Smokey owned a barber shop in Friona.

Attending the reception from Friona were Mr. and Mrs. Ralph Smith, Mrs. Myrl Buske and Mrs. Mae Magness.

## Census To Tabulate Education Levels

A sample of households in this area will take part in an annual survey on education to be taken the week of October 17-22, by the Bureau of the Census.

Percy R. Millard, director of the Bureau's Regional Office in Dallas, says that interviewers will visit homes to obtain information about the number of school years completed by household members. There will also be questions about current school enrollment at all levels from nursery school through college. This information is used to measure current trends in education and to determine the need for additional or expanded educational facilities. The questions on education will be in addition to those asked regularly in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U.S. Department of Labor.

Results of the monthly employ-

ment survey provide data on conditions in the labor force, prime indicators of the economic health of the country. For example, in August the survey indicated that of the 97.7 million men and women in the civilian labor force, 90.8 million were employed. The Nation's unemployment rate was 7.1 per cent, up from 6.9 per cent in July but substantially below the recession peak of 8.9 per cent reached in the second quarter of 1975.

About 70,000 households across the country, scientifically selected to represent a cross section of American households, take part in this monthly survey. All information provided the Bureau is confidential by law and can be published only as statistical totals in which no individual or household can be identified.

## During the PIONEER HARVEST VICTORY CELEBRATION

... with

Again this year PIONEER® brand corn and sorghum and certified Lankart and Lockett cotton varieties from Pioneer turned in great yields. Your Pioneer dealer is celebrating! And he's eager to help you Plan for Profit in '78 with the right seed for your needs. See your Pioneer Hi-Bred dealer today, and get in on these exciting bonuses. . . .

### FREE CAP for Yield Reports.

Each farmer who makes an accurate yield report on his Pioneer crop will receive a good-looking gabardine cap. Warm ear flaps keep out winter's wind.

### FREE JACKET for Early Orders.

Place your seed order now and get this sturdy, permanent pressed jacket. Rich green color coordinates with free cap for yield reports.

# Jerri Walter, Brian Landrum United In Church Ceremony

Jerri Lyn Walter and Joel Brian Landrum, both of Friona, were united in marriage on Friday, October 7 at 5 p.m.

The wedding ceremony was performed in the Congregational Church in Friona by Rev. C.H. Murphy of Friona's First Baptist Church.

The bride's parents are Mr. and Mrs. John D. Walter of 1503 Columbia, Friona.

The bridegroom's parents are Mr. and Mrs. Gaylord Maurer and Mr. and Mrs. Joe Landrum, all of Friona.

The church was decorated with a matched pair of spiral candelabra entwined with greenery, a large candelabra in the background

entwined in greenery and a unity candle.

Miss Debbie Menefee of Friona presented musical selections. She was accompanied by Eva Miller of Friona, organist. They presented "Wedding Prayer" and "We've Only Just Begun."

As the bride was presented in marriage by her parents, she wore a formal length wedding gown of candlelight quiana. The neckline of the gown was v-necked both in the front and in the back. The sleeves of the gown were made of English lace that was enhanced by delicately placed alencon lace. The bodice of the gown was quiana covered with English lace and alencon lace. The gown had an empire waistline and

the skirt was a-lined made from plain quiana. The hemline of the gown was edged with alencon lace which swept to back fullness of a chapel length train.

The bride wore a veil of matching candlelight bridal illusion. The three-tiered veil was edged with matching lace and was attached to a knit cap trimmed with lace and simulated seed pearls.

She carried a bouquet of white and yellow silk baby roses with baby's breath, entwined with net and candlelight ribbon streamers, decorated with little simulated pearl hearts.

The bride wore a pearl necklace borrowed from her aunt which was 40 years old and her mother's diamond earrings.

Johnnie Walter of Friona, sister of the bride, served as maid of honor. Barbara Rhodes of Friona was the bridesmaid.

The feminine attendants wore floor length gowns of yellow crepe satin with short yellow lace jackets. Each gown was fashioned with halter-style v-necklines and a-line fully flared skirts. The long sleeved jackets with v-necklines were trimmed with a bow at the waist closure.

They each carried a long stemmed yellow rose decorated with yellow ribbon.

Curt Miller of Friona served as best man. Todd Bandy of Friona was the groomsmen.

Serving as ushers were Ben and Jeff Landrum of Friona, both brothers of the groom.

A reception in the Fellowship Hall

of the church followed the ceremony.

Sandy Schmidt of Friona presided at the guest register.

The registration table was enhanced by two crystal floating candles made in yellow, matching the bride's chosen colors.

The serving table was covered in yellow lace over white satin trimmed with yellow bows. The centerpiece was a silver epergne with yellow cathedral tapers and large bronze mums and yellow daisy mums.

The three-tiered white heart-shaped cake with crystal cake dividers, was decorated with yellow roses and brown trim on the leaves.

Punch was served from a crystal punch bowl and matching cups. Nuts and yellow rose and brown leave mints were served.

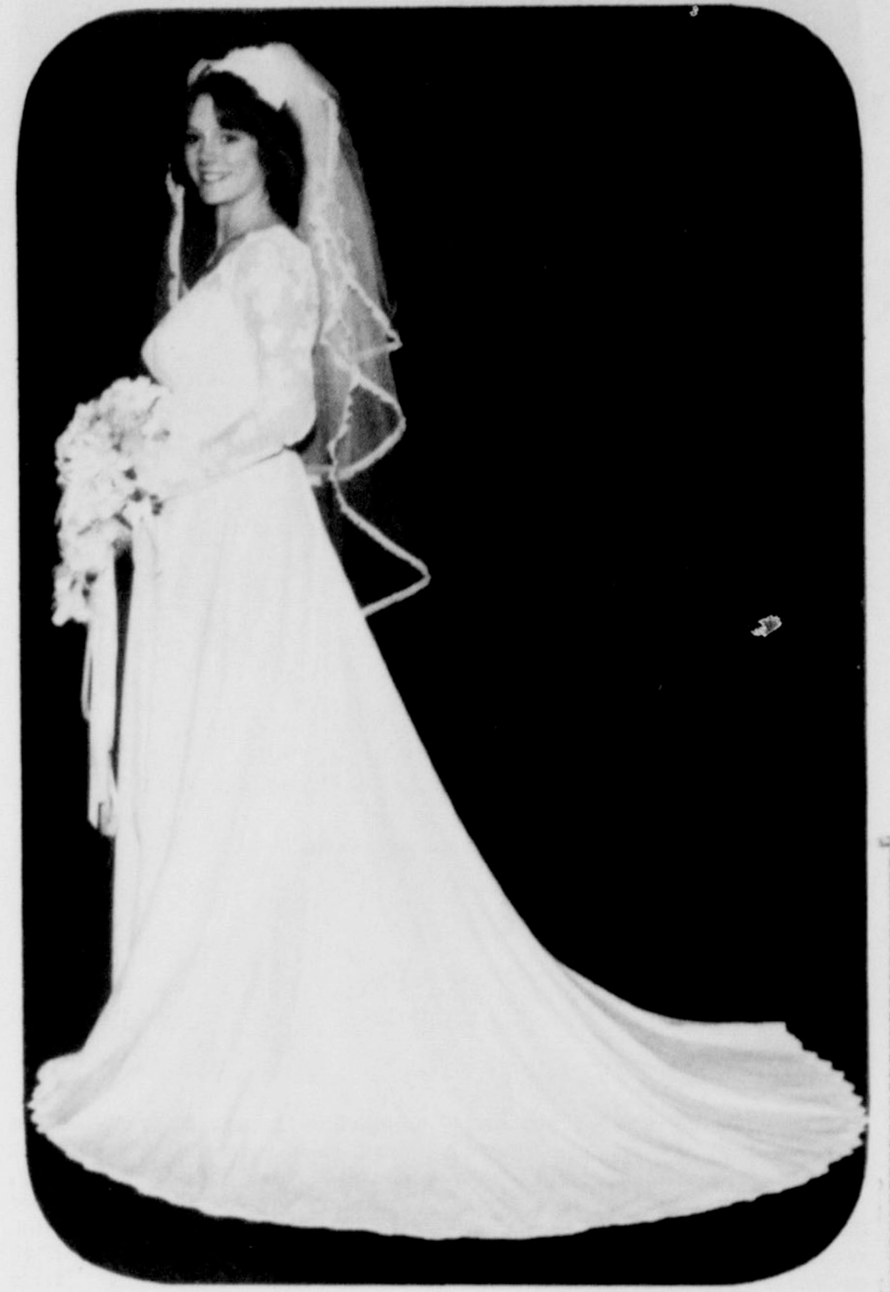

Julie Owens, Gwendolyn Maurer and M'Lynda London, all of Friona, served the cake and punch.

Candles were lit by Gwendolyn Maurer and Jessica Maurer, stepsisters of the bridegroom.

Out-of-town guests attending the wedding and reception were Mr. and Mrs. Ronnie Callaway of Texhoma, Mrs. Jinni Konis, Kelly and Jade of Amarillo, Mrs. Leo Ohlig of Hereford and Mrs. Barnes of Clovis, New Mexico.

For a wedding trip to Ruidoso, New Mexico, the bride wore a brown princess style dress with v-neckline of polyester interlock knit. She wore a corsage of yellow silk baby roses lifted from her bridal bouquet.

The couple made their home at 706 Summitt, Friona.

Mrs. Brian Landrum

## Mary Moseley Gives Report On Library

The Modern Study Club met Tuesday, October 18 for a called meeting in the home of Beth Thompson. Mrs. Thompson, president, called the meeting to order and sixteen members answered roll call.

A motion was made and carried that each club member write our elected officials opposing the H.E.W. hospital plans.

Mary Moseley, library representative, gave a report on the building

project for a new library. She also gave a report on the sale of the C.B. tickets during Maize Days and on the new cook book project of Friends of the Library.

A note from our adopted girl at Girls Town was read and one from Debbie Menefee, the club's entry in Maize Days.

Refreshments of dips, crackers, nuts and cookies were served by the hostess.

# How to avoid sumburn

Sumburn can usually be avoided by very keen and intensive planning before an investment is made with a sum of money. Some people suffer from Sumburn every year because of a bad investment. Avoid getting burned ... Before making an investment speak with one of our Financial Specialists about a high yield, safety insured program.

# Betty Lessert, David Fritts Wed In Home Ceremony

Elizabeth Anne (Betty) Lessert, a former Friona resident, and David Lynn Fritts of Houston exchanged wedding vows at 7 p.m. on Saturday, September 3.

The Rev. Lyman Paul Wood of the First United Methodist Church of Borger performed the wedding ceremony in the Garland Cartwright home, 131 Broadmore in Borger.

The bride is the daughter of Mrs. Walter Esty Lessert of Borger.

The bridegroom is the son of Mrs. Floydie Moore of Dumas and Mr. A.J. Fritts of Dallas.

A mirrored room was decorated with two brass piano candelabras

with fresh flowers and greenery with a brass kneeling bench. Bouquets of white daisies, mums, gladiolas and roses were placed around the home, following the house decor of brass and gold leaf.

The bride wore a formal length gown with sheer challis skirt with mauve, pink and blue flowers on a mauve background trimmed with matching silk. Her mauve blouse was pure silk.

She carried a nosegay of sonja roses and baby's breath.

For something old, she wore old diamond earrings. She borrowed a diamond drop from her mother.

The bride's mother, Mrs. W.E. Lessert of Borger, was the maid of honor. She wore a long blue dress of quiana nylon. She wore a double orchid corsage.

Gary Cartwright of Borger served as the best man.

Candlelighters were Mrs. James W. Carter of Borger and Mrs. C.F. Harris of Wichita, Kansas.

The reception was held at the Cartwright home. Champagne and hor d'oeuvres were served. After the reception, the entire wedding party went to Borger Country Club where they were served dinner and cake.

Mrs. Bobby Stewart, sister of the groom, presided at the guest register.

Mrs. J.W. Carter of Borger served cake. Mrs. C.F. Harris of Wichita, Kansas served punch and coffee.

Other assisting in the houseparty were Mr. and Mrs. Garland

Mr. and Mrs. David Fritts

Cartwright. They served the champagne and hor d'oeuvres.

The table was decorated with a silver coffee service and silver candelabra with fresh daisies, mums and sonja roses in the center. The three tiered heart shape cake topped with wedding bells was made and decorated by Mrs. Bobby Stewart, sister of the groom from Dumas.

The wedding was a small home wedding with only twelve people in attendance.

The couple made their home at 9240 Nathaniel Apt. 959, Houston, Texas.

The bride graduated from Texas Tech University, Lubbock, and has taught eight years with the last three

years being in Friona teaching elementary physical education.

The bridegroom graduated from Amarillo College and is employed by Southwest Fabricating and Welding as a pipe fitter in Houston.

Out-of-town guests attending the wedding ceremony were Mr. and Mrs. D.L. Carmichael of Friona, Mr. and Mrs. Bobby Stewart of Dumas and Mrs. C.F. Harris of Wichita, Kansas.

TERRI LYNN WILSON....Mr. and Mrs. Elroy Wilson of Friona announce the engagement and approaching marriage of their daughter, Terri Lynn, to Leroy Cox, son of Mrs. Ralph H. Cox of Farwell, and the late Mr. Cox. The couple will exchange wedding vows on Friday, December 2 at 8 p.m. in the Chapel of the First Baptist Church of

Amarillo, Texas. Miss Wilson, a graduate of Friona High School and Eastern New Mexico University, Portales, New Mexico, is a teacher at Caprock High School in Amarillo. Cox, a graduate of Lazbuddie High School and West Texas State University, is employed by the brokerage firm of Shearson Hayden Stone Inc. in Amarillo.

## Girl Born To L. Fallwells

Mr. and Mrs. Larry Fallwell are the parents of a baby girl born Sunday, September 18, at 2:20 p.m. in Deaf Smith County Hospital, Hereford, Texas.

Named Kelli Lynn, the new arrival weighed seven pounds, eight ounces and was twenty-one inches long. She is the first child for the couple.

Grandparents are Mr. and Mrs. Buddy Fallwell and Mr. and Mrs. Calvin Ulen, all of Friona.

Great-grandparents are Mrs. Pat Fallwell of Friona and Mr. and Mrs. Joe Wilkins of Olivehurst, California.

Mrs. Ethel Adams of Friona is the great-great-grandmother.

## Shower Fetes Grandmothers

Martha Schueler of the Rhea Community and Frances Kube of Farwell, were given a surprise 'Granny' Shower Thursday afternoon, October 13 in the home of Velta Anderson. Twenty-eight guests attended.

It is the first grandchild for Frances Kube and the second for Martha Schueler. The son and daughter of the grandparents are Wayne and Vicki Kube of Germany. Angela Dawn is the new grandchild.

The guests of honor were presented yellow and pink sock corsages. The table was decorated with a pastel patchwork tablecloth covered with a lace cloth. The guests were served Tahitian punch and

cake. Napkins folded like diapers held the mints and nuts. Wynell Ruszenas and Debbie Lewellen baked and decorated the two cakes.

Hostesses were Velta Anderson, Donna Schueler, Wynell Ruszenas and Debbie Lewellen.

Both Semesters Of Kindergarten Will Be Pictured In The Annual.

Contact Any Member Of The Annual Staff.

# Town Talk

By June Floyd

Phone 247-3681 With Your News Item

The Floyds are home again after a two week visit in the homes of our Garland daughters and their families. Other visitors in the Osborn and Dickson homes were Wes, Susan and Clint Phillips, who live near Lewistown, Montana.

On the way down we stopped in Wichita Falls and spent one night with Matt and Betty Brown formerly of Friona. Matt has been working for Pittsburg Plate Glass there for two years and enjoys his work very much.

Their daughter, Gio, also lives in Wichita Falls and works for the same company her dad is employed by. When Matt has a long break as he does each time he changes shifts, he goes fishing - there are lots of lakes in the area.

Betty is attending a vocational school and taking courses which will equip her for a Licensed Vocational Nurse's degree. Think it is a two year course and she began in September.

++++

Any Texan who has never attended a State Fair at Fair Park in Dallas should do so. We had been to Oklahoma State Fairs and New Mexico State Fairs, but never to a Texas State Fair before.

The number of categories was impressive as well as the number of entries in each category. I didn't see a tally sheet on the number of rabbits entered or the number of different breeds. There were rabbits

of every size, color and description. Had there been a "favorite rabbit" poll, I would have voted for a small red velvet. There were about six which must have been about half grown that were the most adorable rabbits I've ever had the privilege of seeing.

Then, in the cattle division we saw several exotic breeds which were new to us, as well as a large number of Jerseys, Guernseys, Holsteins, Herefords, Charolais and other more or less standard breeds.

They were all so pretty after they had been bathed and groomed for show.

The Woman's Building of any fair always gets more of my time and attention than any other attraction. There were canned foods, jellies, jams, and pickles; oil paintings; macrame articles; hand knitted, crocheted and tatted articles and many many patchwork quilts, place mats, pot holders, purses and table cloths.

Many antique collector's items were on display, too. The cast iron, needle point, cut glass and hand painted china exhibits were fantastic.

If the champion whittler of all times wasn't there, then the second best must have been. He was a retired welder who was confined to a wheel chair. His endless chains, hammers, monkey wrenches and many other articles were so exact and were numberless it seemed.

Many of the exhibits in the Food

and Fiber building were super. I hadn't really thought of the scientific progress that is being made in that area until I listened to some of the recordings given along with exhibits.

No fair would be complete without its midway and the music and color of prizes to be won added to the gaiety of the occasion. However, my favorite midway attractions were a trained monkey and a Fletcher's Corny Dog.

I'm anxious to see the total number of persons who attended this year's Fair. There were wall to wall people every where we went every time we went.

The final attraction for us was attending an evening performance of Debbie Reynolds in "Annie Get Your Gun" in Fair Park Music Hall. Just seeing the hall was a pleasure and the musical was real good.

++++

Ann and Calvin Martin have been visiting. They spent a few days with Marilyn and Eugene Nidey and family at Campo, Colorado, then went on to Elk City, Oklahoma, where they visited relatives and friends for a few days.

++++

Lois Weatherly is home from Central Texas, too. She went down a couple of weeks ago for the funeral of a sister-in-law, Mrs. Chester Phillips of Greenville, then stayed for the 85th birthday party of her brother, Chester.

She also visited her sister, Arvis Phillips, and a sister-in-law and brother-in-law, Frances and James Hamilton, who used to live here, and other relatives and friends.

Philip and Phila May Weatherly and Jerry and Celia Dee Loflin also attended the funeral, Saturday, October 8.

++++

Some of our corn farmers took time off for a big game hunt in Colorado. This week they're hunting Elk near Creede.

Philip Weatherly, John Taylor, Jerry Loflin and Tommy Tatum, all of Friona, Dale Christie of Summerfield and Redge Priest of Roanoke, Texas are "packed in" in the higher elevations somewhere in the Wolf Creek Pass area.

The group planned to visit briefly with John's parents, J.B. and Anita Taylor on the way up. Then John and Philip planned to spend one night with the Taylors at Center, Colorado on their way home.

++++

Geneva Riethmayer was a weekend visitor in Abilene, where she attended Abilene Christian University festivities. Her youngest daughter, Jill, is a graduate student there this year.

++++

Mrs. Elmer Euler returned home Friday after spending one week in Deaf Smith General Hospital, where she was a surgical patient.

She was able to return to her home and is making satisfactory progress.

++++

God gives every bird his food, but he does not throw it into his nest.

# Double Ring Ceremony Unites Kathy Caughey, Johnny Claborn

In a double ring ceremony in the chapel of St. Luke's Methodist Church in Houston Saturday, August 27, Kathy Lynn Caughey of Houston became the bride of Johnny Edward Claborn.

LuAnn Caughey, sister of the bride, was the maid of honor. Bridesmaids were Kathy Tansil and Nancy Chappell, both of Conroe, Texas.

The bride's attendants wore pale yellow quinnana formals designed with scooped necklines enhanced with swooping bias ruffles.

Jay Claborn, father of the groom, was the best man. Groomsmen and ushers were Carl Hinden and Danny McMichaels, both of Dallas, and Mike Baldrige of Houston.

As the bride was escorted to the altar and presented in marriage by her father, she wore a formal gown by Christos of Galina.

The graceful princess lines of her gown were fashioned out of a single piece of imported white venise lace. Long slender leaf motifs of the lace accented cap sleeves, a portrait neckline and a dainty silhouette flowing into an A-line skirt, which swept into a court length train in back.

Completing this elegant picture was a court length tier of illusion attached to a beaded lace tiara.

The bride's bouquet was a long cascade of gardenias, white roses, stephanotis and English ivy decorated with white satin ribbon streamers and ropes of tiny pearls. Seed pearls sprigs were scattered throughout.

Sally Smith, Conroe, was the soloist.

A reception in the church reception room followed the ceremony. Those in the houseparty were Mrs. Claudia Brown, Dallas; Carol Monroe, Spring; and Gail Lewis and Mrs. Cindy Reissig of Conroe.

Maternal grandmothers of Sherman attended. Other out-of-town guests were from Austin, Dallas, Denton and Friona.

Parents of the couple are Mr. and Mrs. Doyle R. Caughey, Houston,

Mrs. Johnny Claborn

and Jay Claborn and Odie Claborn, Friona.

Following a wedding trip to Mexico, Mr. and Mrs. Claborn are at home in Houston, where they are both employed.

She is a graduate of Conroe High School and attended Southwestern State University in San Marcos, Texas. He is a graduate of Friona High School and attended DIMS in Dallas and ACC in Austin.

## COOPERATIVES- They're What's Happening

Co-ops are really in style these days. Very possibly a group may be starting up a cooperative right this minute to obtain goods and services to help them live better, more economically.

To some 50 million consumer-members of the nation's 40 thousand cooperatives, this new-old way of doing business is the way to go. Cooperatives have been successful business enterprises for more than a century.

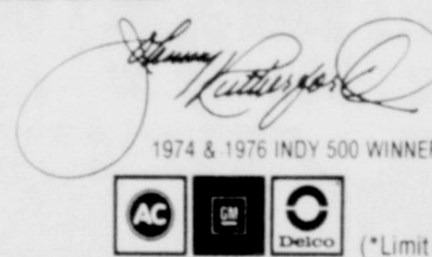

Cooperatives meet many people's needs efficiently and thriftily. They market and purchase farm products and supplies, lend money, help people save money, provide health care, legal aid, electric and telephone service. There are food and furniture cooperatives, housing, student and nursery school co-ops, cooperative insurance companies, credit unions, funeral societies, TV and auto repair shops.

There's probably a co-op or two or three in your life, whether you're a member or not. They're good for you!
