

Star Lites By Bill Ellis

FARMERS FROM a wide area were in attendance Monday night at the agricultural strike meeting held at the Parmer County Community Center in Friona.

The central message from the meeting was that farmers have got to do something to attempt to control the market situation as pertains to what they will receive for their products.

It has been said that farming is the only industry in which the leaders have absolutely no say-so as to what the prices of their products will be. Farming is the only industry that buys at retail and sells at wholesale.

Agriculture is also the only phase of American production that generates new money every year.

"When you depress the agriculture industry, then our nation had better expect the worst," one of the speakers said Monday.

It was pointed out that the United States began importing goods shortly after World War I to offset the balance of trade with nations who owed money to the U.S. This curtailment of U.S. production was a contributing factor to the Great Depression, it was stated.

Leaders of the farm strike movement warn that if farmers are not able to receive the prices necessary to sustain them in business, a similar depression could be expected.

Americans spend approximately 15.8 per cent of their wages on food, according to a statistic quoted at Monday's meeting. Raising farm prices to 100 per cent parity would raise this figure only to 19 per cent, and that is still lower than the 21 per cent level that food prices hit in 1950, the spokesman said.

The relatively small relationship between farm prices and the price on grocer's shelves was emphasized by one speaker, who noted that farmers could donate the wheat used for baking bread, and that the price of bread would still increase by four per cent in a year's time.

It was stated that it was felt that the trucking industry would be sympathetic to the farm strike, since that industry has been in a depressed situation in recent years.

The "bad public relations" which the farming industry has received in some segments of the press was scored during the meeting. Some city residents apparently think the farmers are frivolous when they have such "luxuries" as air conditioners in their tractors.

"Those with city jobs wouldn't think of not having heaters or air conditioners in their offices, but never mind the fact that a farmer might spend 20 hours some day on his tractor or combine. You have an investment of \$500,000 to \$2 million, and you have every right to be as comfortable as any other worker," said Jerry Wright, spokesman for the strike movement.

"We don't want sympathy....we just want to be able to live like everyone else," was a statement by Vernon Estes, who served as master of ceremonies for the meeting.

The nation's leaders always seem to favor the consumers in matters such as food prices. It was pointed out Monday that farmers are the biggest consumers of steel in America, using over 60 per cent of all the steel produced in our nation.

"If they want to do something for consumers, why don't they do something for us?" was another remark.

Meetings such as the one held in Friona Monday are being conducted all across the nation, particularly in the farm belt. It was pointed out that by coincidence, a similar meeting was being held the same night in President Carter's hometown of Plains, Georgia.

Just how close the Department of Agriculture is to the farming situation was pointed out by a remark made to the WIFE group when it visited Washington, D.C. earlier this year.

"They wanted to know why we needed to heat our irrigation water. They thought that was how we were using natural gas in farming," was the astonishing report.

We have news for you. Secretary of Agriculture Bob Bergland, in an article in the current US News & World Report, referring to the increase in cost of natural gas, says its main use is in making fertilizer.

PROJECT UNDERWAY....An expansion program by the Sixth Street Church of Christ is underway. A new 600-seat auditorium is being built on the north side of the present building. The current auditorium will be made into classrooms. David Carson, elder, is shown with construction supervisor James Lotz.

Senator Tower Visits Thursday

Senator John Tower will make a "town hall" appearance in Friona on Thursday, November 3. Tower will meet with residents of the area in a 45-minute session beginning at 3:30 p.m. that day.

Acting mayor B.K. Buske will introduce the senator, who was first elected in a special election in 1961 to fill the seat of Lyndon B. Johnson who had just assumed the vice presidency.

Tower is presently the senior Republican on the Senate Armed Services Committee and second ranking on the Senate Banking, Housing and Urban Affairs Committee.

He is a member of the newly-formed Senate Ethics Com-

SEN. JOHN TOWER

Run Clocks Back Saturday

Central Standard Time will return to the area on Sunday morning, giving residents an opportunity to gain an hour's sleep Saturday night.

Clocks will need to be set back an hour to conform with Standard Time.

Folks should have a better opportunity to get to church and Sunday School on time this week with the abrupt change. On Monday, it will appear to students that they are getting to school an hour earlier. They will also notice the loss of an hour's daylight at the end of the day.

MEET CANDIDATE....Kent Hance, center, who is seeking Congressman George Mahon's seat, met with a local group of men this week. Two of those were John R. Cook, left, and A.L. Black.

Farmers Urged To Join Strike Effort

Between 400 and 500 area farmers gathered at the Parmer County Community Center in Friona Monday night to hear agricultural leaders from Colorado and Oklahoma explain the proposal being suggested that all of the nation's farmers go on strike until it is guaranteed that the farmers will receive 100 per cent parity for their goods.

The farm leaders are demanding 100 per cent parity by December 14, at which time the farmers will stop production and sales of agricultural goods, it was pointed out.

Making the main address was Jerry Wright of Springfield, Colorado. The former Muleshoe resident told the group that the new farm bill being offered the nation's farmers gives them a guaranteed loss. The strike is basically in protest of this farm bill, Wright pointed out.

He said that the agricultural strike movement is also recommending the curtailing of imports of all agricultural goods. "We are (paying for) developing other countries who compete with us—and this is coming out of our farm program," he said.

Wright said that the American public was not being told the truth by the Agriculture Department, which has published figures showing record harvests in virtually every crop grown in the nation. These reports have an adverse effect on prices at harvest time.

"In my travels across the agricultural areas, I have found only one out of 12 or 13 places I've been where production has been better than average.

"If the United States completely shut down production of food, there would only be a seven-day supply to feed the entire world," Wright proclaimed.

Gin Fire Consumes 70 Bales

Seventy bales of cotton were destroyed by fire in an early-morning blaze Wednesday at the Friona Farmers Co-op Gin. However, gin officials felt they were lucky that the fire was not much worse.

"If the wind had been blowing, we could have lost the gin and everything," said manager Bill Scott.

Scott credited the Friona Fire Department, along with gin employees and Joe Lewellen with helping prevent further fire damage. In addition, Dennis Anthony moved the loaded truck away from the gin, to help prevent the fire from spreading.

Officials blamed the fire on a "hot bale," which must have been in the middle of the loaded trailer. The gin lacked six bales having a full load on the truck when it shut down operations Tuesday evening.

The fire was discovered early Wednesday morning by a gin employee, who turned in the alarm.

Scott said the gin's insurance would pay for the lost cotton, which was worth approximately \$14,000. Also ruined was the trailer on which the cotton was loaded, although the truck was unhooked, and saved from the blaze.

Ag-Chem In HQ Locally

Leroy Lundy has donated the use of his Ag-Chem office on Fifth Street to be used as a strike office. Volunteers are asked to man the office to answer questions over the telephone, take donations, and distribute handbills and bumper stickers. The telephone number is: 247-3233.

The American Agriculture Movement in Friona is getting a charter bus to take at least 39 persons to an American Ag Rally Sunday in Topeka, Kansas. Cost is \$35 per person, and departure is tentatively set at 2 a.m. or 3 a.m. Sunday for the 10-hour trip. The group will immediately return by bus that evening following the Rally Inquire at the Ag-Chem office.

The speakers at Monday night's meeting accused the nation's leaders, particularly President Jimmy Carter and Agriculture Secretary Bob Bergland, of turning a deaf ear to the farmers' plight.

Wright said he had personally presented the farm strike proposals to Bergland, and he (Bergland) doesn't think the farmers are serious. Moreover, Bergland says that farming is a "sub-parity" industry, apparently indicating that farmers should accept their situation and not ever expect it to get any better.

The Colorado resident said the movement has been in contact with all 50 states, and as of Monday, had organizations in 40. "We have the most powerful product in the world....FOOD! All we have to do is unite," he said.

It was pointed out that the action had to be on a voluntary basis, and

that leaders of the movement are not out to force anyone to do anything. No violence is being advocated.

It was suggested that supporters of the strike park their tractors and farm machinery on their property near the highway, with signs

supporting the strike, in order to call attention to the movement.

This has been done in some areas north of here, and has raised some eyebrows, Wright said. "Up in Oklahoma and Colorado, you'll see mile after mile of machinery, and that's impressive," he said.

"We are not asking for a subsidy from the government. We have been subsidizing consumers for long enough. We just want to receive a fair return on our investment," it was stated.

As an alternative, the strike petition suggests that American farmers will produce, supposedly under contract, to foreign countries, in order to get the prices they need for their products.

The visiting speakers suggested that a local office be established, to get out information to area farmers. A temporary office has been set up at the Ag-Chem Farm Services in Friona. Further details on the office will be announced later.

Clark Recaptures Top Spot In Sweepstakes

Jack Clark recaptured the lead in the race for grand prize in the Friona Star's annual football contest following the eighth weekend of games.

Clark scored a 16, to 15 for the former co-leader R.L. Blakely, and edged into a one-point lead, 128-127. With five weeks remaining in the contest, officials remind contestants that there are a potential 110 points yet to be earned.

"So, there is hardly anyone who can be counted out of the race at this point," they say.

In the eighth weekly contest, James Ball of Plainview won the \$10.00 first prize for the second time. He was one of three contestants correctly picking 19 games out of the 22-game slate.

Others correctly picking 19 games were Cynthia C. Smith and Jerry Harrelson.

Ball won first place on the basis of his Friona-Littlefield tiebreaker guess. He had picked the score at 12-26, missing the actual score by 17 points.

Mrs. Smith claimed second place, missing the game score by 22 points, picking Friona 21, Littlefield 20. Harrelson, who was third for the second week in a row, was 29 points off on the required score. He had picked Friona to win, 14-6.

Ball's only misses were Floydada over Tulia, Bovina over Springlake-Earth and Notre Dame over Southern Cal. Mrs. Smith's misses were Floydada-Tulia, Farwell-Kress and Bovina-S-E. Harrelson missed Floydada-Tulia, Bovina-S-E and Baltimore-New England.

Only two other of the 166 contestants entering the eighth week's contest correctly picked 18 (Continued on Page 6)

Christmas Bazaar Slated Next Week

The Christmas in November Bazaar and Arts and Crafts Show, sponsored by the Parmer County Family Living Committee has been scheduled for Friday and Saturday, November 4-5 at the Community Center in Friona.

The bazaar will be open to the public from 10 a.m. until 7 p.m. Friday, and from 9:30 a.m. until 4 p.m. on Saturday. Special demonstrations on crafts and holiday fashion shows are planned for the two-day event.

As of Thursday, a total of 79 spaces had been taken for the bazaar.

Demonstrations are scheduled by

Absentee Voting Ends

Absentee voting will end Friday, November 4 for the special November 8 election, according to Bonnie Warren, Parmer County Clerk.

Voting is underway in the county clerk's office during the regular office hours, 8:30 a.m. to 5 p.m.

In addition to voting on a state senator to replace Max Sherman, voters will decide the fate of seven proposed constitutional amendments.

All registered and qualified voters may participate in the absentee balloting, and also may vote in the regular election on November 8.

6,160

bales of cotton had been ginned in Parmer County as of Friday, October 28.

Contest Standings

Friona Flashbacks

..... from the files of The Friona Star

45 YEARS AGO—OCTOBER 21, 1932
Plans for the annual Halloween carnival to be held at the school buildings Friday night, October 28, are progressing rapidly. Each grade will have a booth with something to sell or some form of entertainment. The crowning of the King and Queen, followed by an excellent program under the direction of Mr. Eubanks, will be held in the auditorium at 8 p.m.

35 YEARS AGO—OCTOBER 23, 1942
Creation of County Farm Transportation Committees in Texas' 254 counties was announced this week by B.F. Vance, chairman, Texas USDA War Board. The first job of the new committee will be to assist farmers and truckers hauling farm products and supplies filling out applications for Certificates of War Necessity during national farm truck registration days, October 22-24, the chairman explained.

proportion of 25.6 per cent, considered an epidemic. School Superintendent Dillie Kelley announced the dismissal Tuesday afternoon after finding 261 students absent, out of the enrollment of 1019.

15 YEARS AGO—OCTOBER 25, 1962
Candidates for Homecoming Queen to be chosen at the halftime of the Friona-Dimmitt game Friday night are Kay Burleson, Janet Buckley, Sandra Hoover, Marca Lynn Massie and May Ethel Wilson. Students from Friona Schools will go trick-or-treating Halloween night for a worthy cause once again this year. As was the case last year, students in the first eight grades will collect wrapped candy to be shipped to the Abilene State Hospital.

10 YEARS AGO—OCTOBER 26, 1967
Maron Finley and Dave Hutson, winners in the Zone competition for Pass, Punt and Kick, advanced to the district contest at Phoenix,

Arizona, this week. They were two of six local winners. Hutson is the 10-year-old son of Mr. and Mrs. Leland Hutson and Maron Finley is the 13-year-old son of Mr. and Mrs. Bob Finley.

With near-perfect harvest conditions, adding to an already good year weather-wise, the maize harvest in the Friona area was progressing nicely this week, prospects pointing more and more to a record year. Jack Tomlin at West Friona Grain said many who have finished with the harvest have averaged 8,000 pounds per acre.

5 YEARS AGO—OCTOBER 26, 1972
The Friona Area United Fund drive for 1972 had reached 89.65 per cent of its goal as of Tuesday of this week, according to Cecil Maddox, general chairman. As of Tuesday, a total of \$5200.00 had been deposited for the 1972 fund drive, just \$600.00 short of the goal of \$5800.00.

WEEK OF OCT. 31-NOV. 3
MONDAY—fish, macaroni and cheese, hot rolls-butter, buttered English peas, banana nut cake and Borden's milk.
TUESDAY—meat loaf, English peas, pineapple rice pudding, mashed potatoes, hot rolls and Borden's milk.
WEDNESDAY—frito pie, pinto beans, cornbread, greens, applesauce cake and Borden's milk.
THURSDAY—bar-b-q on bun, potato chips, peanut butter cookies and Borden's milk.

(Menu Sponsored By BORDEN'S MILK)

Another champion comes through: Roth Acres Victor's Pride III, milking shorthorn belonging to Eugene Boggess of Friona, added to his laurels this month, copping the grand championship in the Milking Shorthorn division at the State Fair in Dallas.
- 20 YEARS AGO—OCTOBER 24, 1957**
Announcement was made this week by Sheriff Chas. Lovelace that Jim Roberts has been hired as a full-time deputy sheriff for the county. He is to begin his new duties on November 1 and will be stationed in Friona.

To The Editor

Dear Friona,

Last week in this paper was a notice that we would have a meeting of the Boy Scout Committee and all parents of boys interested in becoming members of the Boy Scouts.

The response to this meeting was so poor that it makes me wonder how any organization in Friona can succeed.

The people and business community dug down and financed the buildings of a very fine meeting place, we have men who are willing to meet with your boys and help them learn skills that can be used all through life.

What we lack in Friona is the backing of the parents to do their obligations, mainly supporting with time, skills and financing.

The Boy Scout organization is not

a charity or child care type thing. Each troop has a sponsoring organization, but financing must come from the boys and their parents.

In a recent survey at school, about thirty-five boys said they were interested in becoming Scouts. Are these boys to be left out because the parents don't care?

This makes me wonder why people have children, we expect babysitters, Sunday School teachers, school teachers, clergy and Scout leaders to be responsible for their education. When this group of people, many of whom have no children of their own fall, then we raise hell because the police either do or don't do their job in controlling what we failed with.

With All Sincerity,
Billy G. Zachary

People Are... the Friona State Bank

This week the Friona State Bank proudly salutes Delphine Wied who is one of our tellers. In this capacity she is in charge of the money in the vault and night deposits. Also, she waits on the in-bank customers. Mrs. Wied has been with us for 7 years having started in the bookkeeping department and worked her way up with a little time out to raise her family. She and her husband, Bobby, have two daughters, Kelly, age 9 and Karen, age 7. The family is active in the Redeemer Lutheran Church. Delphine spends most of her time keeping house, sewing, and being a mother. Delphine is one of those people whose motto is "People Come First."

MR. & MRS. CARROLL WEBB

Couple Relives Plane Crash

By JAN U. TURNER

"I'm okay! I'm okay! Both my legs are broken, but I'm okay!"

Those were the first words of Dimmitt businessman Carroll Webb to his wife, Waldine, after a nightmarish escape from a blazing DC8 jetliner.

"He sounded cheerful!" marveled Mrs. Webb. "He must've been glad just to be alive," she added.

The Webbs were among 249 other travelers mostly from Texas and Oklahoma, aboard a chartered jet returning home from an eight-day vacation in Rome, sponsored by Bull Parts Co. in San Antonio.

The Capitol International Airways jet made a refueling stop at Shannon, Ireland, shortly before midnight, Oct. 27, on the last leg of its flight home to New York.

"We had about an hour at Shannon," Webb said, "and we went into the shops at the airport. They rushed us back onto the plane because if we didn't get off the ground in 20 minutes we would have to stay for hours because of FAA regulations," Webb explained.

"We were taxiing to the runway when we heard something pop...it was awful loud and all the passengers commented on it," he said, adding, "FAA later told us the pilot was unable to hear it, and that the noise was a blowout in one of the tires."

"The pilot pulled onto the runway and stopped, and I thought he was gonna see what the noise was, but he started taking off," Webb said. "My wife and I were seated over the wings in the aisle seats across from one another, and we could feel excessive vibration...the FAA told us the wheel came off...and we could see sparks flying. A metal fragment sheared off the wheel and punctured the 5000-gallon fuel tank on the right side of the plane, causing it to rupture."

"A fella sitting about two seats behind us shouted, 'We're on fire', and I looked over my shoulder at the right wing and saw the flames," Webb said.

Mrs. Webb commented, "That was one of the worst moments for

me when I looked out the window and saw those flames."

Webb continued, "The pilot must've realized something was wrong and he threw the engines into reverse and put on the brakes. We later learned we were three seconds from lift off. My worry was he wasn't going to have enough runway to stop...at 170 m.p.h. it takes a lot to stop that silly thing."

"I was looking out the window to see the end of the runway...I kept thinking he was gonna go through a fence or something and it was gonna be curtains," he stated, adding, "I didn't know it then, but the Concorde lands at that airport and it has an extra long runway."

"We stopped about 100 yards from the end, and the stewardesses kept running through saying, 'Don't panic, don't panic'. I was trying to open one of the emergency exits over the left wing which was jammed, and a fella came by and pushed me out of the way, saying, 'Let me try'. I grabbed my wife's hand and we went out the exit over the right wing since there weren't many people going out that side because of the fire," Webb said.

"We climbed out onto the wing, and the flames behind us were about 30 or 40 feet high. There were other people jumping off the high edge of the wing and running away like they weren't hurt. I looked down and it didn't look too far...it was about 20 feet, I imagine," he said.

"I jumped off and broke my legs and hollered back to my wife, 'Don't jump! It's too far!'"

Mrs. Webb added, "I was glad when he told me not to jump. I didn't want to...it looked too high...but I guess I was going to because I already threw my jacket down and it seemed to be the only plan."

She laughed, "I say I always wait for my husband to tell me what to do!"

"I went back into the plane and the crowd was gone," she said with a trace of the surprise she felt at the time still lingering. "I went forward to go down the chute, but a stewardess was helping a half-blind old man in the chute on the right side

where Carroll was, and I had to go down the chute on the left side. I looked at the chute and thought, 'This is easy!', and I hit the ground running. I wanted to go to Carroll, but I would have had to go underneath the jet, and at the time the only thing to do seemed to be to join the crowd in the grass on the left side of the runway."

She added, "Some people have said they wouldn't have left their husband, but you never know what you're going to do at a time like that."

"I found a crew member...the flight engineer...and pleaded with him to go with me to find my husband...Carroll had already been dragged to the other side of the runway, and the man willingly went with me to find him," she said. Webb added, "The next thing I remember is my wife walking up to me."

"Then, the same stewardess that helped the man on the plane joined us, and stayed with us. She was so nice and took a personal interest in us. She was the one who called home from Ireland for us," Mrs. Webb added.

Webb was painfully injured in the jump. Upon impact, one of the bones in his left leg fractured and punctured the side of his western style leather boot. The heel in his right foot was crushed. His left ankle was also broken.

Describing the moments following the jump from the flaming wing, Webb said, "When I looked back, fuel was pouring off like a waterfall for 10 or 12 feet along the back of the wing, and the fuel on the ground was on fire too. I started crawling on my hands and knees until my knees got to hurting so bad I couldn't crawl, and then I laid down and rolled like a barrel. Two men came and got on each arm and dragged me into the grass on the right side of the runway."

Webb told that firetrucks reached the scene very shortly and extinguished the fire before the plane could blow up.

Webb said it took only 90 seconds

to evacuate the plane, explaining that no one seemed to panic.

Of the 249 passengers and 11 crew members, 36 were injured: 12 seriously enough to require hospitalization at nearby Limerick. Webb was hospitalized for six days with both legs in casts to the knees. "When I felt my ankle, it felt like a sack of ice cubes," Webb said, describing his crushed ankle.

He added, "Most of the injuries were broken bones: legs, arms, feet, hip," he said. "The worst injury was a woman who suffered a crushed pelvis."

The hospital at Limerick was Webb's first encounter with socialized medicine, which is free. He was highly complimentary of the staff, but said the building and equipment were antiquated. "Like a lot of our hospitals here 30 or 40 years ago. Socialized medicine is probably why they don't have better facilities."

The Webbs returned to their home in Dimmitt Oct. 8, and Webb has had surgery on his legs since then at Methodist Hospital at Lubbock. He was released to go home Monday, and since then has been deluged with friends and telephone calls.

"We needed that," smiled Mrs. Webb. "Especially me, after those six days at the hospital in Ireland."

"Going through something like that changes your values," Webb said as he carefully readjusted one of his bandaged legs on the sofa. "Things I took for granted before, such as people's concern, are a lot more important than they were before. And I used to think that I was indispensable and the store (Dimmitt Equipment Co.) couldn't get along without me, but it got along pretty good," he said with a smile.

"I can't say exactly how...I just feel differently about different things," he said.

Mrs. Webb added with her face alight, "Carroll didn't mention it, but one of the greatest reasons we're happy to be alive and home is because our daughter, Diane, is going to have a baby in December, and it will be our first grandchild!"

"Carroll's comment about his legs

CARROLL WEBB shows the hole in his western style leather boot made when it was pierced by his legbone upon impact when he jumped from

the wing of a firey jetliner. His wife, Waldine, was with him in the mishap as they were returning from a European holiday.

when I walked up to him after the accident seems to sum up his whole attitude about it," his wife said. "He hasn't complained at all, and has even gone down to the store every

day this week." Webb smiled and grumbled, "I haven't missed a day of work from being sick in 15 to 18 years, and I'm not about to be tied down now!"

How many pivot companies tailor lease payments to crop prices?

A New Lease from Lindsay.

Lindsay's Zimmatic Crop Lease is a revolutionary leasing program. If you don't take a long, hard look at it, you'll be shortchanging yourself. The Zimmatic Crop Lease is unique in the industry. When you study this offer you'll see that Lindsay is ready to go the distance with you and share some of the same risks you face every year.

Here are the details:

- Term: 12 years
- Payment: Arrears
- Security Deposit: 5% of equipment cost
- Rate: Depends on corn price
- Option: Conversion to standard 10-year lease

Consider the features of the Zimmatic Crop Lease. First of all, if corn prices plunge, so does your lease payment. But also consider the low security deposit (lowest in the industry) and the fact that it's a 12-year lease (longest in the industry)... both features improve your cash flow each year of the lease. Your Zimmatic is out there raising your first year's crop before your first payment is due. And you'll be getting an annual interest payment on your security deposit to use as you wish. Whether you raise corn, alfalfa, wheat, sugar beets, potatoes,

soybeans or whatever, the Zimmatic Crop Lease can work for you. Although the lease payment is based on the changing price of corn, Lindsay designed the program considering that over the long-term other crop prices generally fluctuate with corn. Come in and see us soon. When we put a pencil to this program, you'll see that no other center pivot irrigation company has a finance program that can compete with the Zimmatic Crop Lease.

THIS PROGRAM WILL BE ENDING SOON

Legal Notice

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF ISABEL DELP ZETZSCHE, DECEASED:

Notice is hereby given that original Letters Testamentary upon the Estate of ISABEL DELP ZETZSCHE were issued to me, the undersigned, on the 24th day of October, 1977, in the proceeding indicated below my signature hereto, which is still pending, and that I now hold such Letters. All persons having claims against said Estate, which is being administered in the County below named, are hereby required to present the same to me, respectively, at the address below given, before suit upon same is barred by the Statute of Limitations, before such Estate is closed, and within the time prescribed by law.

My post office address is 804 Austin Street, Friona, Texas 79035.

DATED this 24th day of October, 1977.

JAMES BEDFORD ZETZSCHE, Independent Executor of the Estate of Isabel Delp Zetzsche, Deceased, No. 1418 in the County Court of Parmer County, Texas.

Club Met In Renner Home

The Friona Antique Club held their regular meeting in the home of Mr. and Mrs. Rudolph Renner. After a short business meeting conducted by the president, Elvie Jennings, the time was spent in discussion and visiting.

Refreshments of sweet rolls, chips, dips, coffee and Cokes were served to the members.

Those present were Mr. and Mrs. Raymond Adams, Mr. and Mrs. Leo Bails, Mrs. Hazel Baxter, Mrs. Orma Flippin, Mrs. Selma Habbinga, Mr. and Mrs. Elvie Jennings, Mr. and Mrs. Opal Jones, Mr. and Mrs. Tommie Jones and the hosts, Mr. and Mrs. Rudolph Renner.

Boosters Want Old Batteries

The Friona Boosters Club will meet next Tuesday night, November 1 for their meeting and viewing film of the Muleshoe game.

The Boosters Club is collecting old discarded batteries for resale to help raise money to finance their activities. If anyone has any old batteries that they would like to donate for this purpose, please call or notify Coach Phillips, phone number 247-3862.

Arrangements can be made to pick them up. We would like to encourage members to attend Tuesday night's meeting.

GO ON SALE...The 1978 Friona Chieftain yearbooks will go on sale Monday. Representatives of the yearbook staff will be at the various schools to make the sales. Yearbook editor Paige Osborn poses with one of the several posters which have been placed around town advertising the sales.

Annual Sales Slated

The Chieftain Annual Staff announced this week that the 1977-78 Chieftain Annuals will go on sale Monday, October 31 through November 3.

This year, the annuals will be \$8.40 in advance or a deposit of \$4.00 and the balance on delivery. The annuals will be on sale in each of the school buildings or from a member of the Annual Staff.

Both semesters of kindergarten students will be included again this year.

7th Grade Defeated

The seventh grade Braves suffered their worst defeat of the year when they took on the undefeated Littlefield Wildcats last week.

Littlefield got started quick when they scored on an off-tackle play which went for 50 yards, Friona then got the ball and started a drive which stalled on the 40 yard line.

Both teams then battled back and forth. The score at halftime was 8-0 in favor of Littlefield.

In the second half Littlefield only ran four offensive plays: one was an incomplete pass, one a TD, and the other two extra point tries. Littlefield's other score came when Bruce Patterson's pass was intercepted and returned 43 yards for a TD.

Commissioners Have Routine Business

Mostly routine business was transacted by the Parmer County Commissioners at their regular meeting Monday in Farwell.

The court approved a resolution modifying contractual agreements for right of way procurement. Under the new agreement, the state will participate at the rate of 90 per cent instead of 50 per cent as it has done in the past.

Rhea Bradley, Littlefield, resident engineer for the Department of Highways and Transportation, gave the commissioners a report on the highway situation as he saw it.

At the conclusion of his report, Bradley was presented a letter of appreciation from the county for his many years of service and guidance, along with a pen and pencil set. Commissioner Jimmy Briggs

pointed out that the county might save some money by securing certain surplus properties from the Texas Surplus Property Agency. It was voted to execute the necessary papers and check into the matter further.

Paul Catoe, representing the Panhandle Community Action, met with the court and reviewed the fiscal plan for 1977-78, as pertaining to Parmer County. A resolution was passed approving the plan as presented.

County Judge Paul Fortenberry reported that a letter had been received from Glen Williams, Bailey County Judge, relating to the continuation of the Bookmobile program, with financing to remain as it has since its beginning. It appears that the Bookmobile program will remain in force.

The heat pump

"THE ELECTRIC SAVINGS MACHINE"

HOW MUCH HEAT DOES THE HEAT PUMP PUMP?

Neither glacial January winds nor a simmering August sun can affect the heat pump's year-round circulation of air, at just the right temperature.

Now you can stop fussing with the thermostat on those in-between days, too. The heat pump is an automatic climate control system that switches from heating to cooling to maintain the precise temperature you want. On very cold days, resistance heating coils (installed with the heat pump) automatically supplement the heat extracted from outside air. THE HEAT PUMP IS AN ELECTRIC SAVINGS MACHINE. LOW ON COST. HIGH ON COMFORT!

HAPPY WINNER....Cynthia Smith is awarded second place check in the Friona Star's football contest by Gary Stone, Star staff member. Mrs. Smith was one of three contestants who correctly picked 19 games right for the week.

GIN FIRE....Seventy bales of ginned cotton were consumed by an early-morning fire at Friona Farmers Co-op Gin on Wednesday. Members of the Friona Fire Department are shown battling the blaze in its final stages.

Team Comes To Examine Rocks

By GARY STONE
Staff Writer

Members of a geological team from N.A.S.A., Lockheed Electronics Company, Inc., and the University of Houston visited the Friona area last week to help determine what the mysterious rocks were that were found in the field of Jack Patterson in the Rhea Community.

The rocks were first believed to have been possible meteorite fragments from the recent meteor showers. Upon investigation, however, the "rocks" were determined to be a freak of nature caused by extreme heat.

The scientists stated that the High Plains region is an ideal region to look for meteorites because of the lack of natural rocks.

When asked why meteorites were important enough to travel from Houston to Friona to look at rock that might not be a meteorite, Dr. Everett Gibson of the Johnson Space Center replied that because of the

rarity of meteorite finds (20-25 per year) every report that sounds authentic must be investigated. He further stated that other than man-made space probes, the meteorites are the only record we have of space and the origin of the universe.

He labeled meteorites "poor men's space probes." Furthermore, he explained that the oldest rocks on earth are about 3.7 billion years old. Meteorites are old as the solar system (4.6 billion years old).

After investigating the strange phenomenon on the Patterson farm, the team left the Panhandle for Southeastern Oklahoma where the large meteor is rumored to have landed.

Before leaving, however, they requested that farmers and ranchers be on the lookout for rocks in their fields. They requested that farmers watch for rocks when they deep plow their land or rocks thrown out on fence rows from years gone by.

A finder's fee is paid by certain companies or organizations to anyone finding a meteorite. Dr. Gibson said, "If anyone finds a rock that could possibly be of meteorite origin, they are asked to contact the Geochemistry branch of the Johnson Space Center, Houston, Texas."

Members of the geological research team were Dr. Everett K. Gibson, Jr. from the Johnson Space Center, Dr. Elbert A. King, Professor of Geology, University of Houston, and Rand Schaal, Lockheed Electronics Company Incorporated.

HELPS GIRLSTOWN....Marshall Cooper, right, administrator for Girlstown, USA, accepted gifts to the organization from the Friona Noon Lions Club, represented by Baker Duggins. In all, the club donated \$334 to Girlstown.

Tax Offices Are Combined

The school tax office is moving into a new location at City Hall, it was announced this week. The office will open in its new location on Monday morning.

This is the first step toward combining the tax assessor-collector position for the city and school, and in the process centralize the payment office for the convenience of taxpayers.

David Cooper, the tax assessor-collector for the school, will be the new collector for both governmental entities. A contract has been worked out whereby the city will pay the school for collection of the taxes, as well as providing office space.

The office to be used is the one which formerly was used by Dale Smith's installment loan department when the city hall building was occupied by Friona State Bank.

Clark Captures ..

(Continued from Page 1)

games. They were Donita Harkey and Bobby Wied.

Fourteen contestants picked 17 games. They were Mike Martin, Charlie Clark, Wright Williams, Linda Drake, Marie Fleming, Keith Upton, Marlene Drake, Lena Thompson, Martha Clements, Larry Johnston, Robin Baize, Joe Bob Mann, Dianne Morgan and Scott Fangman.

A total of 35 contestants picked 16 games correctly; another 36 had scores of 15; 37 more had scores of 14, 22 correctly picked 13 games; ten had 12 correct, five managed to get half of the games right (11), and two contestants had only 10 right.

Scores of all the leading contestants appear elsewhere in this edition. Another weekly contest appears on Page 9 of this issue. Readers are urged to pull out that page, and try their luck. Even if they haven't entered every week, you might win one of the weekly prizes, contest officials remind.

Lions Present Gift

Baker Duggins of the Friona Noon Lions Club presented a donation of \$334 to Marshall Cooper, Executive Director of Girlstown, Inc. Tuesday, October 25, at the Federated Women's Club in Friona. Cooper spoke before a joint meeting of the Friona Women's Study Club, the Modern Study Club and the Progressive Study Club.

The Lions' contribution consisted of three separate funds: the Noon Lions Community Luncheon, the Coat and Shoe Fund, and personal contributions of the Lions themselves.

"Christmas is a good time for anyone to donate to Girlstown," said Baker Duggins. "Lions throughout Texas would encourage anyone to donate through a Lions Club or through Cooper."

"STRIKE" SPEAKER

Farmer's Situation Described By Wright

(Editor's note: Jerry Wright was the main speaker at a meeting in Friona this past Monday sponsored by the American Agriculture Movement. The gist of his remarks were captured by staff writer Jan Turner in the following article.)

By JAN U. TURNER

"I've been hailed out before," stated Jerry Wright, American Agriculture Movement organizer. "It wasn't a problem going and facing my banker. It was a problem going home and facing my wife and kids. That's who I had to face."

"When you get hailed out it's a gut feeling," he continued. "Well, fellas, I've got the same feeling right now. I might last one more year and then that's it. If I go out and farm I know I'll be farming at another loss that's finally eaten up everything I've worked for for 13 years. It did it in 3 years."

Wright, a Springfield, Colo., farmer, was addressing a crowd of 400 farmers and their wives Monday night at an organizing meeting for American Agriculture held at the Farmer County Community Center.

"We are not asking for a subsidy from the government," Wright stated. "We are wanting an equal price for one product...100 per cent parity."

"Fellas," he continued, "Right now you are still looking at losing a dollar a bushel with that subsidy as they call it. We are not being subsidized. We are subsidizing the American and world consumer out of our own pockets. This is why we're getting in the shape we're in."

"Some farmers will go broke this year," he said. "Older farmers have their land and machinery paid for and now they're looking at the possibility of operating at a loss...you're guaranteed a loss under this farm program they passed on for this year and the next three years. That's the kind of insurance policy Secretary of Agriculture Bergland told us at Pueblo we're gonna get."

"This eventually is gonna eat up everybody's equity in their farm machinery and their land, and this really concerns me because what we are gonna do whenever four years from now...counting this year...it's all gonna be gone," Wright pointed out.

"Our Secretary of Agriculture has stated that if you go out of business there will be somebody else to take your place. Fellas, you're looking at corporate government farming. You're not gonna have any new farmers who are going to be able to stay in business due to the fact that you are guaranteed a loss with this farm bill, and this is why American Agriculture is concerned."

"It is a rejection of this farm bill, simply said," Wright stated, referring to the December 14 strike planned by all areas of American Agriculture.

"Like I said, we didn't want a subsidy payment," he said. "They say: Where is this coming from? Who is gonna pay 100 per cent parity for our products? This is gonna come from the consumers themselves."

"First of all, let me tell you who

FARM MEETING...A group of farmers are shown visiting following the agricultural meeting held at the community center Monday night. In

the left center is Jay Boston of Hereford. Jerry Wright of Springfield, Colorado, principal speaker, is in the right center of the photo.

the consumers are," Wright pointed out. "Approximately 40 per cent of our gross national product is strictly from agriculture, and 60 per cent from your other areas. Right now, the average family spends approximately 16.8 per cent of their income for food. If we get our price tomorrow, that would only raise that to about 19 per cent. Tomorrow."

"In 1950, the American people paid 20-21 per cent of their income for food, and 100 per cent parity for the farmers today would still be less than 27 years ago," Wright pointed out.

He added, "Farmers have said that if we get our price tomorrow everybody else will get theirs. Right now, some of the middlemen get from 100-140 per cent parity," he said, referring to price-fixing. "They don't need anymore. Matter of fact, a lot of them should be investigated, and this is in every segment."

"This is why the farmers could give away their wheat, and next year the cost of a loaf of bread would go up four cents anyway."

"Parity is already a law in this country," he said. "They can act on that any time they care to do it, but this is not our problem. The farmers need control of their own farm program," Wright emphasized.

"You should be able to vote on the people that sit on this farm program...administration. We need a say-so, fellas. They've got people on there who don't have any conception of agriculture. Some of the wives went to Washington and talked to one of the agriculture department assistants, and he couldn't figure out on this natural gas how come the farmers out in the Panhandle of Texas are using natural gas to heat the water that comes out of the ground. Now this is how much he knew of your farming," Wright blasted.

"After World War I farm prices were up. To offset the balance of deficit of trade the government

started importing raw agricultural products. This, in turn, put a strain on American agriculture. This, in turn, brought the Depression, and we're faced with the same situation today," Wright warned.

"There's only one raw product that generates new money every year, and this is agricultural products...they're regenerated each year, and this is where you get new money into the economy," he said. "Believe me, when you depress your agricultural end of it...look out."

Wright pointed out that part of the \$11 billion farm bill is being used to finance research and development in foreign countries for direct competition with American agriculture.

"Now this is what Big Money in our government is doing to us," Wright charged. "Very few people control the money in this country and that's part of the trouble. The dollar needs to be poured back into the country, and how you do this is raw agricultural products."

Stressing the importance of individual effort, Wright urged farmers to seek support from farm organizations. He suggested dropping memberships and cancelling insurance with those organizations, which refuse support.

"What are we gonna do to change what's going on, and how are we gonna change it?" he continued. "Well, first of all, fellas, I guess we're gonna have to strike. We've got to fight these people on their own level in terms they understand. They understand the word strike."

"Everybody won't be able to participate 100 per cent, but there's one thing you can do, and this comes down to non-production," Wright said. "We've got the most powerful product in the world, fellas and that's food. This is where we've got control. All we have to do is unite."

He continued, "The strike date of December 14 means all shipping and processing of food will shut down. The teamsters have made a statement that they will honor our picket lines. The independent truckers we have talked to have agreed to go along with us and will not haul agricultural materials," he said. "Fellas, they're broke as we are, and don't think for a minute they won't stop this pipeline of food."

He added, "The public has warning of this, that's why we've set the date in December. We won't let any babies go hungry, but we do have control of the most precious commodity in the world."

"A lot of farmers are worried if they go on strike the bankers will cut them off, and they're worried about their landlords taking the land away from them," he said.

"First of all, many landlords have land payments to make, and I know they've got taxes to pay," Wright added. "If your landlord insists on your planting, go ahead and plant their part if you can."

"And can your lending institutions lend money to someone else to farm the land of a farmer that went out of business? You're guaranteed a loss with this farm bill, and the banker's gonna look at that and say, 'You barely paid out this year, or 'You didn't pay out this year. No, I can't lend the money'," Wright pointed out.

Speaking then to the feedlot industry, Wright said, "First of all, the cattle on full feed on the strike date will not be put back, but will be kept on until they're finished out.

We're just asking them not to put any back in."

"Fellas, we're gonna have plenty of wheat pasture. The farmers aren't going to harvest that wheat. If I don't pasture my wheat, come spring I'm plowing mine up."

To the dairy industry he said, "The dairy people can put some of

their milk into hard dairy products like cheese, butter, and yogurt. Use the milk if you can, but find ways to keep it off the market for a few days."

"We feel like when we cut off the food supply in this country, it will only take seven days and they'll be saying, 'What are we gonna do? Fellas, we're ready to get with you!'" Wright stated.

Wright asked the cattle industry not to import beef after the striking date and asked that beef grading be standardized. He further stated that consumers should be told whether or not they are buying foreign beef.

He read the course of action in the strike handbill, saying, "Unless our demands are met by midnight, December 13, 1977, we will be forced to implement the following measures:

1. We will not sell any farm products.
2. We will not produce any more agricultural products.
3. We will not buy any agricultural equipment or production supplies."

Referring to the non-purchasing act, Wright said, "Right now our dealers have told us we're already on strike as far as they're concerned. First of all," he continued, "These people are our friends. We're not trying to put anyone out of business...no way. It's just due to the fact that we can't afford the machinery and we'd like their support to get this over with as soon as possible."

"We're gonna need that farm machinery. We don't want to put them out of business."

Wright pointed out that 1,017,000 farmers produce 90 per cent of our farm products, and the American farmer consumes 60 per cent of the U.S. steel in this country. "I, myself, want my tractors made of American steel. I want my grain shipped in American ships," he said.

"To let everybody know what's

HEADQUARTERS SET UP...A group of farmers and businessmen are shown at the farm Strike Headquarters set up at Ag-Chem

Farm Services this week. They are displaying bumper stickers in support of the agricultural strike.

going on, set up strike offices. I want to emphasize again that all this is individual effort," he said. "Bergland is saying this isn't serious and that we're sub-parity people. I presented our proposals to him myself, and right now they think you carry a pig under one arm and clean the chickens off the table before you sit down for supper. They do not think of you as businessmen."

"What are you gonna do about this situation?" he challenged. "If you're sub-parity people you won't do anything. This is all over the country. We're not trying to destroy

the community...we're trying to hold it together by doing this."

Vernon Estes, Bovina farmer, stood up from his seat on the speaker's platform and added, "Bergland said the American consumer spent more in June 1977 on the family car than they spent on food, and this is a sad state of affairs..."

Wright concluded, "Fellas, I come from Muleshoe, and when things get a little tough the neighbors pitch in and help each other. Right now you're asking the same thing because right now 25 per cent of the farmers are being forced out of business. What are you gonna do?"

Rites Conducted For Farwell Oldtimer

Windbourn Hardage of Farwell died at 5:45 a.m. Wednesday, October 26, at Parmer County Community Hospital from an illness after being hospitalized three days.

Hardage, 68, was a resident of Farwell for 47 years and was a member of the First Baptist Church of Farwell. He was also the past president of the Parmer County Historical Society, a member of the Eastern New Mexico Antique Auto Club, a member of the Woodmen of the World, and a veteran of World War II.

Hardage married the former Miss Gladys Smith December 16, 1933, in Clovis, New Mexico. The couple had no children.

He is survived by his wife Gladys of Farwell, four brothers, Lacy Hardage of Muleshoe, Willie Hardage of Farwell, Edgar Hardage of Lubbock, five sisters, Mrs. Fairy Stovall of San Antonio, Mrs. Lela Douglas of Farwell, Mrs. Flora Edwards of Clovis, New Mexico, Mrs. Frances Billingsley of Texico, New Mexico and Mrs. Lucille Schmalz of Vernon.

Services were conducted at 2:30 p.m. Friday at the First Baptist Church of Farwell with the Reverends Dudley Bristow, J.L. Bass, Ron Trusler and J.J. Terry officiating. Interment was at Sunset Memorial Gardens in Farwell.

Military gravesite rites will be performed by Cannon Air Force Base in Clovis, New Mexico. Parsons-Ellis Funeral Home of Friona was in charge of arrangements.

Pallbearers were R.L. Douglas, Gerald Hardage, Truitt Hardage, Gene Hardage, Wayne Hardage, Dwayne Billingsley, nephews of the deceased.

Honorary pallbearers were Ricky Stewart, Randy Johnson, Doyle Johnson, Errol Johnson, Curtis Smith, Mike Hanna, Glyn Hardage, Gary Williams, Billy Hardage, Jackie Billingsley, Danny Billingsley, Jerry Bradford, Jimmy Hardage and the Eastern New Mexico Antique Auto Club.

GIRL SCOUTS....The Friona Girl Scouts have a number of activities during the year. Above, they are shown lining up for a local parade.

UF Drive Benefits Local Girl Scouts

(Editor's note: Following is another in the series of articles dealing with agencies who benefit from the Friona Area United Fund drive, which will kick off on November 7.)

By MARCA LYNN HERRING

Girl Scouts have been in Friona since 1935 when Pearl Kinsley and Winnie Wilkison started meeting with a small group of girls in Mrs. Kinsley's basement. Thanks to willing and dedicated adult leaders and parents, a Girl Scout is what most second grade girls want to become.

Why would any adult want to set aside a few hours from her busy week to meet with a roomful of noisy, giggly and sometimes "wound up" girls? As one leader put it, "When I see a shy child make a special friend and begin to blossom, or feel my troop finally congeal as a caring unit, then I know the sheer joy of being a Girl Scout leader." And now with all the talk of "alternate life styles," referring to the gay liberation movement, we feel even more the importance of stressing the purpose of Girl Scouts, which is, "to inspire girls with the highest ideals of character, conduct, patriotism, and service so that they may become happy, resourceful citizens."

Friona has had some Girl Scouts who have been councilors at camp and Debbie Baxter was the director of the Girl Scout Camp in Hawaii this past summer. We've had at least two Girl Scouts, Jill Riethmayer and Vicky Flores, who have attended "Our Cabana in Mexico" which is a gathering of Girl Scouts from all over the world. Kay and Jill Riethmayer and Shirley Johnson have attended national meetings in Pennsylvania and Washington, D.C. Some of the leaders of our Friona Girl Scouts were themselves Girl Scouts so that should tell us what they think of the organization. When

Friona is producing girls like these we have every right to be proud.

Some of the troop projects include visits to Prairie Acres, the making of tray favors for patients in our hospital, and the planting of flowers and shrubs at different sites in Friona. We were responsible for the table decorations at the Chamber of Commerce banquet four years ago. We support our city's annual celebration by having a float in the Maize Days parade and by having a bake sale in the park after the barbeque. Every troop has had some type of clean up campaign to beautify Friona. One troop called our citizens of Friona during an election year to remind them to vote. Rhett Hand's seventh grade troop last year painted our city's fire hydrants to help celebrate our nation's bicentennial. Up until this past summer we have had a week long day camp. But because Girl Scouts are adaptable and are willing to try changes in our program for the betterment of our girls, we had a day long "play day" for all the Friona Girl Scouts. It was well attended and considered a great success.

Where does the United Fund fit in all of this? The money set aside for Girl Scouts (unless otherwise designated) goes to our council office in Lubbock. They in turn furnish us with materials and a counseling person who meets with the leaders once a month to pass along ideas, new songs and games, and to tell us of training opportunities coming up in our area. (They also conduct these training centers.) The council office also staffs our Camp Rio Blanco near Crosbyton where approximately 15 of our Friona Girl Scouts attended camp this summer. This camp is financed by our cookie sale.

So, even though indirectly, when you give to the United Fund you are helping our Friona Girl Scouts!

Happy Birthday To Friona Folks.....

WEEK OF OCT. 30-NOV. 5

Friona residents having birthdays next week are:

Letters to Editor

Friona Star
Box 789
Friona, Texas 79035

Thank you for the assistance you gave us on publicity for the Festival. We appreciate your willingness to print our news releases about the Festival itself and the articles in your area.

The response we received indicates to us that many people did read about the Festival in their local newspaper. We recognize the importance of the print media in disseminating information and we appreciate your giving our stories such good coverage.

We look forward to working with you again next year.

Sincerely,
Rob Strong
Director

County Red Cross Based In Friona

The Parmer County Chapter of the American Red Cross is based in Friona. The entire support from the Friona area of the County comes from the United Way Campaign. Local chapter officers are: Steve Bavousett, chairman; Lois Norwood, treasurer; and Marlene Drake, Service to Military Families.

The Chapter's primary activity is service to military families. Many contacts are made for service men and their families in time of need—usually in times of illness or death of some member of the family.

The local Chapter has also helped many children obtain eye glasses, or other needed medical and dental help when no other source of funds was available. Funds for medical help for adults have also been furnished when no other help was available.

Friona, and Parmer County, have

been very fortunate that no disaster, such as tornado, has occurred; but should such happen, the local Chapter would be on the job to help, along with the National organization.

The American Red Cross has many programs that would be available for the Friona area if needed, such as first aid courses, civil defense help and training, water safety, etc. If a need arises, or exists, for any program offered, just call one of the officers, and every attempt will be made to obtain the needed service.

Public

AUCTION

★ Thursday, November 3, 1977 - 10:00 a.m. CST

Deborah Boerschinger, Tim Elmore Exchange Vows In Church Ceremony

Miss Deborah Boerschinger of Dallas, Texas and Tim Elmore of Avery, Texas exchanged wedding vows on Friday, August 5 at 7:30 p.m.

The wedding ceremony was performed in the Avery Church of Christ by Charles R. Fuller, minister of the church.

The bride is the daughter of the late Myron Boerschinger and Dorothy Bailey of Dallas, Texas.

The bridegroom is the son of Mr. and Mrs. W.V. Elmore of Friona.

The church was decorated with a centerpiece of yellow gladioli surrounded on each side by seven white candles.

A singing group from E.T.S.U. Bible Choir presented the musical selections. They sang "More," "Let It Be Me," "Twelfth of Never," "Sunrise Sunset," "Evergreen,"

"Be With Us Lord" and "The Lord Bless You And Keep You."

The bride was presented in marriage by Wiley Perry of Quitman, Texas. She wore a chapel length white gown featuring long sleeves and a fitted bodice covered in lace. The sleeves had cuffs of lace and the bottom of the dress was trimmed in lace.

She wore a caplet with long veil of nylon trimmed in lace. She carried a bouquet of yellow daisies with baby's breath and small white carnations with long light blue and yellow ribbon streamers.

Carolyn Cantrell of Wills Point, Texas served as the maid of honor. Inge Harris of Corsicana, Texas was the bridesmaid.

The feminine attendants wore floor length yellow v-necked dresses with caplet sleeves. They carried

bouquets of blue carnations surrounded by yellow daisies and white carnations with baby's breath and long light blue and yellow ribbon streamers.

Serving as best man was Ray Hawkins of Kilgore, Texas. Mike De Fratus of Pottsboro, Texas was the groomsmen. Benton Griggs of Avery, Texas served as usher.

Candlelighters were Kenny Duncan and Jeff Hembree of Avery.

The groom's mother wore a floor length peach and white print dress featuring a v-neckline.

A reception was held in the Avery High School Homemaking Room following the ceremony.

Deena Spring of Comanche presided at the guest register.

The table was covered with a tablecloth belonging to the groom's grandmother. The centerpiece was a white candle with blue and white ring.

The four-tiered wedding cake was decorated with yellow roses, light blue sweet peas and green leaves.

The second and third layers were separated by columns. The wedding cake was topped with a bride and groom figurine.

Cake was served by Anne Marshall of Kilgore and Marquita Steerman of Commerce, Texas.

Yellow punch was served by

Melea Goodroe of Talco and Regina Spivey of Comanche.

For a wedding trip to points of interest in East Texas, the bride wore a maroon and white pants suit.

The couple made their home at Lamea Villa in Lamesa, Texas.

Out-of-town guests attending the wedding ceremony were Mr. and Mrs. J.T. Goodroe of Talco, Texas; Mr. and Mrs. Bob Middleton of Fort Worth; Diane and Al Clark of Bedford, Texas; Delores Spivey of Hasse, Texas; Mr. and Mrs. Charles Sparks and Mr. and Mrs. John Cook, all of Alvarado, Texas.

The bride graduated with honors from David W. Carter High School in Dallas in 1976, and attended Mountain View Junior College in Dallas and E.T.S.U.

The bridegroom attended Friona public schools and received his bachelor's and master's degrees from E.T.S.U. He is employed as media director at Lamesa High School.

REHEARSAL DINNER

The rehearsal dinner was held in the back yard of the home of Mr. and Mrs. J.E. (Pete) Medford of Avery.

In attendance were the ushers, groomsmen, bridesmaid, groom's parents, Mr. and Mrs. Medford.

The dinner was hosted by Mr. and Mrs. W.V. Elmore of Friona.

Mr. and Mrs. Tim Elmore

Dianne Tatum Gives Study Club Program

The Black Study Club met Thursday, October 20 in the home of Mrs. Bill Carthel.

Mrs. Ethel Bengler conducted the opening exercise.

Roll call was answered with "Hints on How To Take Off Pounds."

Dianne Tatum presented a program on water color painting and showed several of her paintings. She

also gave a demonstration on weaving with wheat straw.

Mrs. Helen Fangman and Mrs. Ann Kelley had been to Girlstown and gave a report on their trip.

Members present were Mrs. Bill Carthel, Mrs. Fern Barnett, Mrs. Gene Welch, Mrs. Clifford Allmon, Mrs. T.A. Kelley, Mrs. Ethel Bengler, Mrs. Helen Fangman, Mrs. Harry Lookingbill, Mrs. Glyn Hamilton, Mrs. Tommie Tatum and Mrs. Roscoe Ivie.

Prairie Acres Party Line

By June Floyd

Hello Central:
Our shortage of nurses has been eased somewhat by the addition of several local RNs and LVNs joining our staff on a part time basis. We appreciate their interest in our welfare very much.

Merv says, "We still need at least one LVN on a full time basis."

Another of our needs according to Merv is for some person or persons to volunteer for a program dubbed "Adopt A Plant For The Winter." We would like a winter home for our lovely geraniums which were given to us last summer by Mrs. Lewis West of Hereford, and her daughter, Odie Claborn of Friona. It will be necessary for these plants to have winter homes before we have a killing freeze.

New residents at Prairie Acres include John Stengel, Nellie Oldham and Nina Lee McBrayer, all of Hereford; and Dru Paul of Friona.

SPECIAL THANKS this week go to Gertrude Murphree and Mary Joyce Barnett and all the

other ladies who volunteered for hair dressers for us on Fridays. Mrs. Murphree and Mrs. Barnett are coordinating the project and we're deeply grateful to everyone who has a part in it.

Interest is growing in our Reading Circle, which meets each Monday. We're grateful to Mrs. Joe Talley and Mrs. O.C. Rhodes, who direct this activity.

Women from the Sixth Street Church of Christ hosted the October birthday party. Included in the program were several musical numbers by a kitchen band with Glenda Procter accompanying at the piano.

Our November birthday people are Jennie King, 11-1; Ora Massie, 11-2 and Edna Kelly, 11-30.

We've been enjoying cook-outs and patio meals on Thursday evenings. The residents are grateful to the employees for their thoughtfulness in this area.

A NEW CONCERN ABOUT ENERGY

The U.S. Government has announced the following home insulation statistics: Of the homes built during past years:

- 1/3** have no insulation
- 1/3** have disastrously inadequate insulation
- 1/3** are just inadequately insulated

The cost of home heating and energy has soared, and no relief for America's "energy crunch" is in sight. Experts predict the cost of energy will continue to rise. Because of this problem, recent studies have been made on the most efficient method to aid the current crisis.

These studies have proved that a properly insulated home will save 20-50% in heating costs over a non-insulated home.

Because of this the insulation business has tripled over the past two years, and the market for "cellulose," the best type of insulation has increased more than 10 times in 1 year alone!

Methodist Youth To Take Donations

The Friona United Methodist Youth Fellowship will be "Trick-or-Treating" for UNICEF this Sunday night, October 30, beginning at 6 p.m. The UMYs will make collections door-to-door until the whole town has been covered. Following the "Trick-or-Treating" there will be food and refreshments served at the United Methodist Church as the youth share in a time of fellowship.

UNICEF has been striving to improve the condition of children in the world's most deprived areas for 30 years. Not just an emergency relief organization, UNICEF assists governments in developing lasting services for children and furnishes supplies and equipment to help children in over 100 countries. A contribution of eight cents can provide a vial of penicillin to cure a child's infection. Vaccine to immunize five children against polio can be supplied by giving 45 cents. A junior-size rake for a school vegetable garden can be provided through a gift of \$1.06. Five dollars

can stock a village pond with baby fish for potential protein supply.

UNICEF is non-political. It helps children throughout the world, regardless of race, religion or nationality, and is financed entirely by voluntary contributions from governments and concerned people in more than 120 countries. You can help give children a better start in life by participating in a unique program that is being powered through your local youth.

Children are the most precious resource the world possesses. Yet hundreds of millions of children are living in areas where the basic services need to turn them into healthy, productive adults are lacking. Many feel that programs for children are the most worthwhile investment we can make in future peace and prosperity, and that is why many are dedicating time and money to support UNICEF this Halloween. We hope the community of Friona will respond to the need for investment in the world's future peace and prosperity by supporting UNICEF with their contributions Sunday night.

Bridal Shower Held For Mrs. Landrum

A miscellaneous bridal shower was held in honor of Mrs. Brian Landrum, the former Miss Jerri Walter at the home of Mr. and Mrs. Danny Black Thursday, October 20 from 3:30 til 5:30 p.m.

Cookies, punch and mints were served on a beige lace tablecloth with a brown candle adorned with yellow and white silk daisies and baby's breath for a centerpiece.

Guests of honor were Mrs. John

Walter, Mrs. Gaylord Maurer, Mrs. Joel Landrum, Mrs. C.W. Dixon, and Mrs. Ray Landrum.

Hostesses were Mesdames Joe Reeve, George Frye, Danny Murphree, Delton Lewellen, Charles Hough, Eugene Bandy, Dwain Menefee, O.C. Rhodes, Sam Mears, Ross Miller, Clarence Monroe, Bill Weatherly, Joe Boeckman, Wayne Rhodes and Danny Black.

JUNIOR WINNERS.... These 4-H'ers were first place winners in the junior division of the Parmer County 4-H Food Show. The show was held Saturday, October 22 at the Lazbuddie School Cafeteria. Front row, left to right, Lisa McGehee of Lazbuddie, Wendy Jarman of

Lazbuddie, Vandl Tarter of Lazbuddie and Devera Rhodes of Friona. Back row, left to right are: Dawn Gibson of Friona, Frank Jesko of Lazbuddie; Maureen Jesko of Lazbuddie and not pictured was Sean Mason of Lazbuddie.

Winners Listed In County Food Show

The Parmer County 4-H Food Show was held Saturday, October 22, at the Lazbuddie School Cafeteria. Twenty-six junior and senior 4-H members from Bovina, Friona, Farwell and Lazbuddie participated in this annual event.

The theme for this year's food show was "Conservation Cooks" with each participant emphasizing a method to conserve energy in food preparation.

Decorations provided by the Lazbuddie club carried out the theme. Yellow and black streamers divided each contestant's display space. Placed in the middle of each streamer was a yellow and black cardboard light bulb that said "Energy Conservation 1977." Reddy Kilowatt posters were hung around the room.

Judges for the contest were: Claudette Mitchell, assistant County Extension Agent in Deaf Smith County; Becky Hughes, a junior leader from Deaf Smith County; Jessie Robinson, an adult leader from Bailey County; and Mrs. Rusty Martin of Parmer County.

Food show participants are divided into junior and senior divisions.

Junior winners were: snacks and beverages, first, Devera Rhodes, daughter of Mr. and Mrs. Gaylon Rhodes. Alternate is Sean Mason, son of Mr. and Mrs. Darrell Mason. Breads and desserts, first, Wendy Gay Jarman, daughter of Mr. and Mrs. Gene Paul Jarman. Alternate is Dawn Gibson, daughter of Mr. and Mrs. Billy Jack Gibson. Main dish, first, Frank Jesko, son of Mr. and Mrs. Pete Jesko. Alternate is Lisa McGehee, daughter of Mr. and Mrs. Kenneth McGehee. Side dish, first, Maureen Jesko, daughter of Mr. and Mrs. Pete Jesko. Alternate is Vandl Tarter, daughter of Mr. and Mrs. Joe Tarter.

Senior winners were: main dish, first, Lisa Darby, daughter of Mr. and Mrs. Jerry Darby. Breads and desserts, first, Joan Carson, daughter of Mr. and Mrs. Marion Carson. Snacks and beverages, first, Johanna Mesman, daughter of Mr. and Mrs. Ben Mesman.

First place winners will compete in the District II Food Show on the Texas Tech campus on November 12.

Food project leaders this year were: Diane Tatum, Dixie Carson, Mrs. Pete Jesko and Joyce McGehee.

Ribbons were presented to each participant on the basis of their total score. Blue ribbon winners had a score of 90-100. They were: Frank Jesko, Lisa McGehee, Stanley Miller, Gail Turner, Donnell Garner, Wendy Jarman, Dawn Gibson, Sue Collins, Shane Mason, Wendy Tatum, Maureen Jesko, Devera Rhodes, Sean Mason, Clinton Russell, Shonda Mitchell, Terry Moore, Johanna Mesman and Joan Carson.

Red ribbon winners had a score of 80-89. They were: Tracey Moore, Shain Rhodes, Vandl Tarter, Deirdre Miller, Holly Tatum, Melissa Glasscock, Stacey Ivy and Lisa Darby.

There were no scores below 80. Thanks to every leader and

Villalpando Listed In Good Condition

Reymundo Villalpando of Plainview was reported in good condition in Parmer County Community Hospital after a 30 ft. fall from a ladder on the property of Friona Wheat Growers Elevator at 12:45 p.m. Wednesday.

Villalpando suffered a fractured shoulder blade and collar bone, and scalp lacerations in the fall.

Thespian Troupe To Present Musical

"Guys & Dolls"—a musical fable of Broadway based on stories and characters of Damon Runyon—winner of: Best Musical-Tony Award and Drama Critics Circle Award—Music and Lyrics by Frank Loesser, will be presented by Thespian Troupe 1379 on Monday, November 7 and Tuesday, November 8, at the Friona High School Auditorium at 7:30 p.m.

Admission will be \$1.50 for adults and \$1.00 for all students.

"Behind every great production is even a greater production holding the show together," and the production staff are as follows: stage manager, Gary Stone; music, Deke Kendrick and Ann Graves; design and publicity, Linda Cord; choreography, Betsy Cook; director, Joy Morton; student director, Janna Reeve; lights, Donice Glover and Kim Beavers; follow spot, Cindy Auburg and Allison McMillan; stage crew, Rod Straw, Mike Blankenship, Tommy Young, Tammy Richards, Susan Hill and Donnie Star.

Ushers are John Ingram, Rhonda Parsons, Sylvia Malouf, Jennie Scott, M'Lynda London, Pam London; sets—Mark Edelman, Gary Stone, Jay Jarboe, John Carson, Sheri Noah, Susi Noah, Mark Bavousett and Davy Howard.

Members of the cast are: feature dancers, Laura Ellis and Tracy Horton; bobby soxers, Delinda

Shipp and Sydonia Tongate; Kayo Kidd, Dale Merrell; Kidd's manager, Davy Howard; waiter-officer Murphy, Mark Zachary; photographer, Kenny Walter; Texan, Johnny Spring; Mrs. Texan, Shae Dodson; actress, Kipi Fleming; street vendor-officer Callahan, Dennis Morgan; actor, society Max, Mark Bavousett; pickpocket, Liver Lips Louie, Jimmy Evans; waitress—New York City guide, Connie Merrell.

Sightseers, Norma Barlow, Margaret Ramirez, Dora Constanancio, Martha Mendoza; blind man, Rudy Orta; apple vendor, Anita Perkins, drunk, Edward Castillo. Hot Box Girls include: Cindy Alexander, Susi Noah, Rosa Garza, Holli Hudson, Diane Glover, Tracy Horton, Laura Ellis, Shannon Parr, Dana Smith, Karen Edelman.

Cuban Dancers are: Edward Castillo, Jesse Bermea, Rudy Orta, Luis Rodriguez, Rosa Garza, Martha Mendoza, Dora Constanancio, Margaret Ramirez; Nicely-Nicely Johnson, John Carson; Benny Southstreet, Joe Bermea; Rusty Charlie, Lynn Welch; Sarah Brown; Sharla Duggins; Arvide Abernathy; Sheri Noah.

Playing the parts of the Mission Band are: Martha, Gigi Spring; Calvin, Mark Blankenship; Priscilla, Sonya Gore; Agatha, Holly White; Fredrick, Jesse Bermea; Gwendolyn, Monique Osborn.

Also in the cast are: Harry the Horse, Ricky Taylor; LT. Brannigan, Mark Edelman; Nathan Detroit, Jay Jarboe; Angie the Ox, Luis Rodriguez; Miss Adelaide, Sharla Benge; Mimi, Karen Edelman; Sky Masterson, Bryan Johnston; Joey Biltmore, Gary Wright; General Matilda B. Cartwright, Tammy Schmidt; Big Jule, David Merrell.

Come and watch the fun! Will Adelaide end her 14 year engagement to Nathan by getting him to the altar? Will Sarah convert the long-time gambler Sky Masterson? Will Nathan find a place for his dice game? Come see the 40's magic of Thespian Troupe 1379's production of "Guys & Dolls" and find out for yourself.

Town Talk

By June Floyd

Phone 247-3681 With Your News Item

Oscar and Opal Baxter recently observed their fortieth wedding anniversary. They were honored with a dinner in the home of Mr. and Mrs. Troy Young.

Others present were Mr. and Mrs. Boyd Pipes and children of Bovina; Mr. and Mrs. Steve Grundy and children; Mr. and Mrs. John Baxter and daughters; Mr. and Mrs. J.D. Spencer and son, David; Mr. and Mrs. Roger Head and Farron and Denny Young.

Funeral services for Elton Williams of Beaver, Oregon, were conducted there Wednesday afternoon. He died Sunday following a hunting accident.

Williams is a former Friona resident and is the brother of Arvilla E. more.

Carrie Tatum was home last weekend. She and her granddaughter, Mary Beth Houlette of Dumas, were here for several days. Then they had to go back to Dumas for Mary Beth to go to school.

Her mother, Mary Tatum Houlette, is in Korea with a mission group from First Baptist Church, Dumas. During her absence, Carrie and Mary Beth will be spending school days in Dumas and weekends in Friona.

Incidentally, Mary is a very talented artist and has done a number of interesting things in different mediums. An article relating her handiwork was supposed to have appeared in the November issue of Woman's Circles, but I couldn't find it in the issue I picked up at the grocery store this week.

The first day Carrie was at Dumas she received word that an aunt, Mrs. Bertha Dalton of Albany, a long time resident of Littlefield, was buried, so Mary Beth had to miss a couple of days of school.

Recent visitors in the home of Mr. and Mrs. J.G. McFarland have been their oldest son, John, and his wife, Jill, who live in Dallas.

One of the young men who died following an accident involving a float and some electric wires prior to the Homecoming activities of Oklahoma State University at Stillwater earlier this month, Randy Logan, was related to Mrs. Oscar Baxter.

The Baxters and their oldest daughter, Gladys Young, attended funeral services for Logan, who was

a freshman at OSU, at Elk City, Oklahoma, one day last week.

None of us who are generally considered in the "senior citizen" group really enjoy admitting our age, but all of us are more than happy to reap the benefits of that age group.

The possibility of a building especially for "senior citizens" is growing each day. Funds are being raised to meet the quota necessary to enable us to qualify for a grant to be used for this purpose.

Anyone who is interested in making a contribution to this fund is invited to contact Taft and Velma Lovett.

When our building is completed, it will not be necessary for Pat Fallwell and Thelma Jones to drive to Texico for art lessons on Thursday afternoons, as they have been doing for a long time.

There are so many interesting and useful things which will be available when the building is completed.

Let's all put our shoulders to the wheel and finish the task which has been begun.

Mr. and Mrs. Sam Holden of Lake Charles, Louisiana, have been visiting their Friona kin folks—the Anthony families and Ralph and Beulah McBroom.

Mrs. A.W. Anthony Sr. and Mrs. Holden are sisters and Beulah McBroom is their niece.

The McBrooms took the Holdens to Amarillo, where they enlivened for Lake Charles on Tuesday.

Special guests in our home this week are Clint Phillips and Brandon Dickson. They're our newest grandsons. Clint is four months. He and his daddy and mother, Wes and Susan Phillips, live on a cattle ranch in Central Montana.

Brandon is the three month old son of Richard and Frieda Dickson and lives in Garland. Of course, the grandsons were accompanied to Friona by their mothers.

This is Clint's first trip to Texas and Brandon's first to Friona. We're having lots of fun spoiling them.

Looks like the "ailment bug" may be contagious at the Howard Fleming home. Howard, Charles and Pat have all been hospitalized at different times for different causes and now it looks as if David may have to have surgery on one limb.

They must have an interesting collection of get well cards as well as a not so interesting collection of

medical and surgical bills.

Special bumper stickers are now on sale at the Friona Star office and The Main Place. If you are a farmer's or rancher's wife and proud of the fact and your husband doesn't object to bumper stickers, you will want to go by and purchase one that fits your category.

One reads, "I'm proud to be a farm wife." The other reads, "I'm proud to be a rancher's wife." They're unique and will also be on sale at the November Christmas Gift Fair, which will be held in Friona's Community Center.

One of the greatest acts of daring a man can perform is to be himself.

Library Report

"Past Forgetting My Love Affair With Dwight D. Eisenhower" by Kay Summersby Morgan is available at Friona Public Library.

Here is the true story of the passionate, moving, secret love affair between General Dwight D. Eisenhower, Supreme Commander of the Allied Forces in Europe, and Kay Summersby, the beautiful English fashion model who became his driver in wartime London, his staff aide, by his side through every crisis and high-level meeting of the war—and the woman he loved.

Written by Kay Summersby Morgan herself, is the intimate account of a relationship that began, haltingly, in 1942, when Kay was assigned to drive a then unknown two-star general named Dwight David Eisenhower, and ended in heartbreak when Ike, victor and war hero, returned home to face a disapproving General Marshall, the adoring American public, Mrs. Eisenhower—and the possibility of becoming President of the United States.

Yet this is never a bitter or malicious book; it is the story of two people deeply in love, sharing together the great experiences of the Second World War. Here are intimate accounts of Ike at play and at work; raging against Field Marshal Montgomery; displaying his famous temper against Patton; occasionally revealing to Kay the lonely responsibility of a commander who must send his men into battle to die, and sharing the tense hours before D-Day.

Above all the Eisenhower who

GARY RECTOR, son of Mr. and Mrs. Floyd L. Rector of Friona, recently graduated from Spartan School of Aeronautics in Tulsa, Oklahoma. Gary completed requirements for airframe and powerplant mechanics along with ratings of Commercial, Instrument and Certified Flight Instructor. Gary is presently employed at Hank's Flight Training Center at Midland-Odessa.

HONORED....Rhea Bradley, left, resident engineer for the Department of Highways and Transportation, was honored by the Parmer County Commissioners' court for his many years of service to the county,

and was presented a pen and pencil set at the commissioners' meeting Monday in Farwell. Making the presentation is longtime county commissioner Charlie Jefferson of Bovina.

4-H Leaders To Meet November 5

"4-H adult and teen leaders, interested in 4-H Method Demonstration and Woodworking Projects, will be welcomed by the Texas 4-H Center training staff on November 5 and 6, 1977," says Assistant County Extension Agent, Laura Jacobs. Leaders who choose Method Demonstration training will be led by Mr. George McArthur, 4-H and Youth Specialists, College Station, and Miss Georgia Doherty, Assistant County Extension Agent, Lubbock. Miss Jacobs also notes that for those who elect to receive 4-H Woodworking Project instruction, Mr. Wayne Keese, Extension

Agricultural Engineer, College Station, will provide training. A general session for all week-end workshops participants on how youth in 4-H can learn with fun will be led by Ms. Carolyn Gilbert, Assistant 4-H and Youth Specialist, Lake Brownwood. Parmer County Extension Agent, Laura Jacobs has information and registration details available for local 4-H Club and project leaders interested in these training opportunities. She may be contacted by phone at 481-3619 or at the Parmer County Extension Office located in Farwell at the Courthouse.

Plea Results In Sentence

Robert McCormick was sentenced to a total of 17 to 65 years in the New Mexico state penitentiary last Thursday afternoon for shooting to death his wife, Betty, at the Levi Strauss plant in Clovis, last May 26.

The Bovina man pleaded nolo contendere (no contest) to second degree murder with a firearm and to aggravated battery. He was originally indicted by a grand jury for first-degree murder. He admitted he has been an alcoholic for many years.

A friend of Mrs. McCormick, Judy Page, was wounded in a shoulder by McCormick as she fled.

McCormick was sentenced by District Judge Fred T. Hensley to not less than 15 nor more than 55 years in prison on the second-degree murder-with-a-firearm charge, and not less than two nor more than 10 years on the aggravated battery count involving the wounding of Ms. Page. He will be eligible for parole after serving a minimum of five years and eight months.

After the court accepted the amended charge, District Attorney Bill Bonem emphasized it has been the policy of his office not to engage in charge reduction, or plea bargaining, but said in the case of McCormick, the results of testing by two psychiatrists and two psychologists "almost uniformly" provided firm grounds for an insanity defense.

A psychologist, Dr. Thomas M.

Cannon, Jr. of Amarillo, testified he examined McCormick for four hours on Oct. 3 and found him of lost-average mental ability but functioning in the "dull normal" range. He described the defendant as a chronic severe alcoholic of long standing "with almost no control over the problem."

Cannon also stated, "It is my opinion he could not form a deliberate intent to take the life of another person."

Assistant District Attorney Les Williams outlined for the court the evidence the prosecution had gathered concerning the slaying of Mrs. McCormick.

Thomas Harden, representing McCormick, said his client has been in institutions for alcoholics several times and explained, based on information from other family members, he "worshipped his wife, adored her. She was a god-figure."

Before sentence was pronounced, Bonem said his office felt that no less than the maximum sentence should be passed.

The district attorney commented on the question of the defendant's sanity, as of follows:

"It is sad that a system of law so perfect in many respects allows itself to be reduced to conjecture and speculation in inquiring into a man's mental condition. There are those that will say the defendant's pronouncements were evidence of premeditation and others will say they are evidence he was crazy."

"Perhaps in the future the legislature or the public will give us some relief from this dilemma, and allow a man to be tried on objective physical facts, then consider his mental condition for sentencing."

SIMPSON VISITS....State senate candidate Bob Simpson was guest of honor at a coffee Monday at Friona

State Bank. Shown visiting with the candidate and his wife Linda during his stop is A.L. Black, left.

Simpson Visits Friona Monday

State senatorial candidate Bob Simpson visited Friona Monday to campaign for the state's 31st district senatorial seat. The seat was vacated when Max Sherman accepted the presidency of West Texas State University at Canyon.

Simpson, a Democrat and lifelong resident of Amarillo, is presently the State Representative for District 65 (includes Randall, Carson, and a portion of Potter Counties). He points out that he is also the only state senatorial candidate with experience in state government.

The informal meeting was conducted over coffee, and a short speech was given by Simpson. Simpson is for reorganizing the state government to make it more responsive to citizens and wants to give more authority to the Governor of Texas; thus cutting out needless

red tape in executive decisions. Also mentioned was a state income tax which Simpson strongly opposes. He feels we need no new taxes but we do need tax reform to ease the burden of rural land owners.

Simpson is expecting a low voter turnout for the special election November 8 and emphasized the importance of every vote.

"Those who vote," says Simpson, "will have a larger say about who their next State Senator will be."

FHA Girls Begin Drive

Friona Future Homemakers of America held their monthly meeting on October 18. Diane Tatum demonstrated how to weave wheat. Three wheat weaving items that Diane had already made were given away in a drawing.

The group will hold a weiner roast and hay ride on October 29.

The FHA girls are now selling Foreign Foods cookbooks and popcorn. If you would like to buy any one of these items, contact an FHA member or home economics teacher.

The organization appreciates the support everyone has given them in their money making projects. The money goes for projects that extend throughout the year.

Community Choir To Reorganize

Friona's Community Choir will hold a reorganizational meeting Sunday afternoon, October 30, at the Friona Woman's Clubhouse, 9th and Pierce, beginning at 3 p.m.

All singers living in the area wishing to be a part of the choir are invited and urged to attend the session. Plans are being formulated for the group to present a Christmas concert. Other musical activities will also be discussed.

Details for the reorganized choir were discussed at a committee meeting last week at Carl's Parmer House Restaurant. Attending were Danny and Linda Murphree, Mary Johnson, Charles Caudill, Lois Norwood, Bill Ellis, Geary Brogden and Sharon White.

Youth Center Schedule

The schedule for the new Friona Youth Center was announced this week by officials. It was announced that there is plenty of parking at the rear of the building, and entrance may be made through the back.

The youth center is located just east of E&M Supermarket, 116 East Ninth Street.

Chiefs Win Battle But Lose The War

The Friona Chieftains led the Littlefield Wildcats in first downs, in total yardage, and virtually every statistical department except the one that counted most.

Littlefield led that category, 21 points to none, and it cost the Chieftain their first district loss after opening the previous week with a win.

Two numbers in the statistical department cost Friona dearly. That was in turnovers, where Littlefield used two early breaks to grab a 14-0 lead, and that gave the Wildcats the momentum, and eventually the win.

Field position also was a big factor. Friona hardly ever had decent field position. That might explain how they were able to outgain the Wildcats, 251-203 in yardage and 14-8 in first downs, and yet suffer their first shutout of the season.

Friona started out in a hole, when Jeff Whiteside fielded the opening kickoff with his knee on the ground at the Friona six. The Chieftains never overcame the situation, as on the sixth play of the game Littlefield intercepted a Friona pass and ran it to the Chieftains' 19.

The Wildcats scored in four plays, assuming a quick 7-0 lead, and the pattern of the game was established. The teams exchanged punts, with Friona taking over following a Littlefield punt that rolled to the Chieftains' nine yard line. On the first play from scrimmage, Chris Barnett and Glen London failed to make connections on a handoff, and Littlefield recovered at the five.

Two plays later, the 'Cats had scored again, and led by 14-0, with less than eight minutes gone from the first quarter.

Friona's main threat to score was at the beginning of the second half. The Chieftains took the ball at their own 20, and marched to the Wildcat 18 before surrendering the ball.

Runs by Terry Wilcox sparked the drive, with Eddie Brailiff almost cracking the scoring ice for Friona when he shook loose for a 34-yard burst around right end. He was caught from behind by Littlefield's Rudolph Smith at the Wildcat 18.

Brailiff tried again on first down but was stopped for no gain. Quarterback Barnett then tried a bootleg play, but was trapped for a loss back to the 20. On third down, Barnett was sacked by Lewis Willey for a four-yard loss, and Barnett's fourth down pass fell incomplete and Littlefield took over.

Littlefield then drove to the Friona 25, but likewise came away empty-handed. Nice passes from Eddie Gregory to Mark Watts paced the drive. However, Kevin Kothmann threw a roadblock in the Wildcat drive by sacking Gregory for a seven-yard loss and on fourth down from the Friona 37, the 'Cats elected to punt.

The punt shoved Friona back to the Chieftains' four-yard line, and again the visitors were deep in their own territory. When Friona punted moments later, Littlefield got the ball across the midfield stripe on Friona's end of the field.

The Wildcats then put together an 11-play drive, sparked by the running of Raymond Baiza and Rudolph Smith. Baiza got his third touchdown with 6:45 left in the quarter, and two attempts at the PAT gave Littlefield a 21-0 advantage.

Friona threatened to score late in the game, after recovering a Littlefield fumble at the Wildcat 44. Barnett hit Curt Miller with a 21-yard strike to the Littlefield 21.

On the final play of the game, Whiteside went wide on a run-pass option. Receivers covered, Jeff thought he saw an opening. He dashed for the right flag, but was pushed out of bounds at the Littlefield eight and that was the game.

Freshman Chiefs Defeat Morton

The Freshmen Chieftains were victorious against the Morton freshmen Thursday, October 13, here in Friona.

The young Chiefs' offensive and defensive efforts were exceptional. Game saving defensive plays seemed to be major factors in the game with intercepted passes by Michael Leal and Craig Lookingbill. The Indians fumbled the ball several times in the game. Recovering for the Chiefs were Denny Young, James Clark and Craig Lookingbill each recovering one fumble each. David Bermea and Ernie Aguirre recovered two fumbles each.

Offensively, in the first quarter, the Chiefs got on the scoreboard with

a three yard run by Craig Lookingbill. Morton followed with TDs in the first and second quarters leaving the Chiefs behind at the half, 12-6.

The second half was dominated by the Chiefs with a third quarter TD from three yards by Martin Mercado followed by two fourth quarter TDs from two yards and five yards out by Craig Lookingbill and yet another TD from four yards out by Tony Jackson. No extra points were scored by either team.

The final score was Friona 30, Morton 12.

8th Graders Win Third In A Row

For the third week in a row the eighth grade Braves traveled out of town and was victorious. Last week they beat previously undefeated Littlefield.

The first quarter was a pretty even battle on the scoreboard since neither team scored. The second quarter went to Friona. They scored late in the half on a ten yard run by Tony Rios. Rios also plowed over for the extra points, making it 8-0.

Littlefield's drive on the next series was stopped when Nelson Jackson intercepted a pass on the Brave 48 yard line and returned 20 yards as the half ended.

In the third quarter, Rios had runs

of 18, 2, 4, 10, that resulted in another TD.

Littlefield's touchdown came in the final period and their extra points failed. The Braves made two goal line stands in the game to hold out the Wildcats. Outstanding defensive play was turned in by Caballero, Salas, Mabry and Robert and Mark Osborn. Much of Tony Rios' 108 yards came behind the fine blocking of Trent Johnson and Rudy Mendoza. The final score was 14-6 with the Braves on top.

Littlefield

Downs Frosh

The freshmen Littlefield Wildcats wumped the freshmen Chiefs, 18-0 Thursday, October 20, here in Friona.

The Wildcats set the pace of the game with a score from a pass interception followed by another TD in the first quarter, leaving the score at the half, 12-0.

The Wildcats scored once more in the second half and held the Chiefs scoreless the entire game.

This loss gives the freshmen Chiefs a season record of 2-3-2.

HALLOWEEN SAFETY

Keeping kids safe on Halloween doesn't have to be such a difficult trick if you treat them right and follow these six suggestions.

1. Use only fireproof paper or cloth for their costumes.
2. If your children will be out trick-or-treating after dark, be sure they're wearing light clothing or have some reflective tape on their costumes.

TREAT CHILDREN WITH CARE on Halloween

3. Use flashlights, not candles, to light jack-o-lanterns.
4. Give trick-or-treaters at your door individually wrapped snacks such as Planters® Peanuts and Baby Ruth® and Butterfinger® snack bars. Factory-wrapped treats let you know no one could have tampered with them.
5. Make sure children travel in groups, and that the younger ones go out with an adult supervisor.
6. Keep corn husk decorations away from any fires and spray them with fireproofing liquid.

These simple precautions can help your entire neighborhood have a happy Halloween.

NEW PROMOTION....David Peters, Gibson's manager, displays one of the new bumper stickers which will be the basis of a new "lucky

number" promotion being kicked off by Gibson's this week. See details in their advertisement on Page 7.

Gibson's Kicks Off Lucky Number Promo

David Peters, manager of Friona's Gibson Discount Center, a division of the Sandra Corporation, this week announced a new shopping promotion for the store.

Gibson's has printed up a number of eye-catching bumper stickers, proclaiming "I shop at Gibson's--Do You?"

Each sticker has an individual number stamped in the lower left-hand corner, and these numbers will be worth merchandise to Gibson shoppers, Peters says.

The discount center will draw lucky numbers from among those issued, and award attractive prizes to those displaying the bumper

stickers. The first prize, to be awarded in two weeks, will be a ladies' Waltham wrist watch, with a retail value of \$50.00.

Peters emphasized that in order to be eligible to win a prize, the bumper stickers must be displayed on the shopper's automobile.

"Some stores give savings stamps as a shopper incentive, and others have a Jackpot Day. We decided to try the bumper sticker promotion, as it was a different type from the others. It will not cost shoppers any money. In fact, they can still enjoy the everyday low prices, plus sales discounts as we have always offered," Peters said.

LEARN TECHNIQUES....Joyce McGehee of Lazbuddle, instructor, shows Harold Reed some of the basics involved in Cardiological

Pulmonary-Resuscitation (CPR), which were taught in a series of classes locally this week.

Old, New Foes Inked For '78

With District 3-AA settled for another two years, Friona High School was able to complete its football schedule for 1978 during the past week, and the schedule will feature two old foes returning, plus a brand new face.

Returning to Friona's grid schedule will be Farwell, after an absence of two years. Vega, which has been a scrimmage foe but not on the regular schedule since the 1950s, is on the 1978 lineup, and River Road, the "new" Amarillo school, will be met in Amarillo next September 22.

In addition to those three teams, non-district opponents retained from

the 1977 schedule are Tulla and Lockney. There will be five home games and five away contests. It looks like a much more favorable schedule than the one faced by the Chieftains the past two years.

Here's the way the 1978 football schedule shapes up, as released by head coach Lonnie Phillips:

1978 Football Schedule

Date	Opponent, Place	Time
September 8	Tulla, there	8 p.m.
September 15	Lockney, here	8 p.m.
September 22	River Road, there	8 p.m.
September 29	Farwell, here (H.C.)	8 p.m.
October 6	Vega, there	8 p.m.
October 13	Open Date	
October 20	+Muleshoe, here	7:30 p.m.
October 27	+Morton, here	7:30 p.m.
November 3	+Littlefield, there	7:30 p.m.
November 10	+Olton, here	7:30 p.m.
November 17	+Dimmitt, there	7:30 p.m.

+District 3-AA games

Store Wins In Contest

The Country Store of Friona was notified recently that it placed in the top 35 stores nationwide in the "Hallmark Country Store Promotion," a contest among Hallmark retailers throughout the nation for the introduction of a new line of Hallmark products.

The Country Store, former Carrol's, used the contest and promotion as a way to change the image of the store. Using the Hallmark Country Store theme, owner-operator Don Gatlin and his employees changed the name of the store, redecorated the store to

conform to the theme, ran a series of ads, offered specials to customers to emphasize the change, opened a Country Store Post Office in which a person may buy and file his greeting cards for later seasonal use, and wore Country-like attire for two weeks.

Pictures of the "new" store and copies of ad campaigns were sent to various levels of competition. Friona's Country Store won the area and also the regional contests.

Every Hallmark outlet was eligible to enter the contest. News of the achievement of Friona's Country Store was spread nationally

Zacharys New Owners Of Drive-In

Jerry and Patsy Zachary of Friona have recently purchased the Mustang Drive-In Restaurant at 602 Third Street in Bovina.

The Zacharys bought the drive-in from Mr. and Mrs. Howard Kelso, who had owned it since 1962.

The Zacharys are featuring sandwiches, short orders, drinks and ice cream products at their place of business.

They emphasize that Jerry will maintain his carpet business. At the present time, Patsy is driving back and forth to Bovina each day to oversee operations at the restaurant.

The Zacharys invite their friends

from the Friona area to visit their place when they are in Bovina.

Church Sets Dinner

St. Ann's Catholic Church of Bovina, is sponsoring their Annual Turkey & Trimmins' Dinner, Sunday, November 6, 11:30 a.m. til 2 p.m.

The menu will be turkey and dressing, homemade cole slaw, home-canned green beans, cranberry sauce, mashed potatoes and gravy, chocolate and pumpkin cakes and coffee or tea.

Donations will be \$2.50 per adult plate, \$1.50 for children under ten. Door prizes will be awarded.

Wow! Those '78 models are coming in fast!

Our selection of new 1978 Chevrolet cars and trucks is growing every day, and we want to move them as fast as they're coming in.

In Chevrolet's wide range of models, there's a car, pickup or specialty vehicle—in just the right size, with the right options, at the right price—to make you feel it was custom-designed just for you! That's a big statement, but if you don't believe it, come to Reeve Chevrolet and see for yourself.

At Reeve we care about you BEFORE the sale by trying to stock a large selection of models for you to choose from. And we care about you AFTER the sale by providing follow-up service and friendly, professional care for your **Chevrolet or Oldsmobile.**

We also have some REAL BARGAINS in new 1977 models and demonstrators!

WHITES HOME & AUTO ADVERTISING POLICY

Our every intention is to have all advertised items in stock and on our shelves. If, for any unforeseen reason, an advertised item is not available, Whites will cheerfully issue a RAIN CHECK on request, for the merchandise at the sale price when it becomes available, or Whites will offer a comparable item at a similar reduction in price.

If a stock item is not advertised as reduced or as a special purchase, it is at its regular White's low price. A special purchase item, though not at a reduced price, represents an exceptional value.
