

Star Lites By Bill Ellis

IF YOU ARE A MEMBER of the generation that grew up reading Life Magazine, then there is good news this week.

Life, which was America's weekly companion before, during and following World War II, only to cease publication in the early 1970s, is returning to the newsstands, except that the magazine will be published monthly instead of on a weekly basis.

Since the demise of Life Magazine, others have emerged, such as "People," which used the same basic format that Life had done so well for so long a time.

And, while Life Magazine returns under a different format, its longtime publishing competitor, Look, is making plans to return, and it plans to use the weekly publishing pattern.

Being a nostalgia buff, we have to applaud the return of these two members of the publishing world. And besides, since we mourned Life Magazine on its death in 1973, it seems only fitting that we recognize its resurrection.

FOR THE SECOND TIME in the early NFL season, the Dallas Cowboys will make an appearance on Monday Night Football this week. It would be presumptuous to expect that the Cowboys will do as well in their second Monday game as the first one, seeing as they made child's play out of Baltimore, something like 38-0 in the earlier game.

This time around, it's the hated Washington Redskins, and the 'Skins are making noises like they might be back in the challenging position for the Dooomsday boys for the NFL's eastern championship.

Even though the Cowboys had a bad game a couple of weeks ago against the Los Angeles Rams, we think they have potentially as good a team as their Super Bowl team of 1977, and maybe even better.

So, I guess you'd say we'll be betting on the Cowboys in Monday night's game.

SPEAKING OF THE Cowboys, we heard an interview this week with Thomas Henderson on one of the radio spots. Henderson was telling the interviewer about a "club" which had been formed by three members of the team.

The club is called the "Three T's," Henderson explained. It consists of Tony Dorsett, Tony Hill and himself, Thomas Henderson.

They call Dorsett the "Beast from the East," he said, and Hill is the "Best from the West." "And I am called the Mouth from the South," Henderson laughs.

BELATED CONGRATULATIONS to the Chamber of Commerce, and especially chairman Jerry Poarch, on a fine Maize Days celebration.

Most of the events held produced record numbers from a participation standpoint, so this should be one indication as to the success of the annual celebration.

And perhaps we should even commend the Chamber for selecting the particular dates of Maize Days. Our first inclination was that the celebration came a bit early from a standpoint of school starting, etc.

But, if it had been held the following week, Maize Days would have been held during a full week of cold and rainy weather. We have had that happen a time or two in the past, and it isn't necessarily conducive to a successful celebration.

So, all in all, everything worked out pretty well. There has been some discussion as to the fact that the carnival rides were not placed in a manner so as to work for the betterment of the local booths, but this was just something that happened due to having a new carnival man here, and can undoubtedly be corrected in the future.

Friona is fortunate, we think, to have an annual celebration the calibre of our Maize Days. Newcomers are always impressed by the work and community spirit exhibited.

This, we maintain, is one of the major side benefits reaped through a celebration of this nature.

Mills Wins Contest

First place in the third week of the Friona Star's football contest was claimed by Wayne Mills, one of three contestants who correctly picked 17 of the 22 contest games.

Mills was the closest on his tie-breaker score than the other contestants, picking it at Friona 20, River Road 7. His misses were Morton over Cooper, Dumas over Tascosa, Alabama over Southern Cal, Baltimore over Buffalo and Oakland over New England. Mills was presented \$10 for having the best entry for the week.

Scott Straw took second place, missing the tie-breaker score by 26 points. He had guessed Friona 14, River Road 6. His misses were Hereford-Borger, Alabama-Southern Cal, Arizona-Texas Tech, San Diego-Green Bay and Oakland-New England. Straw won \$6.00 cash for his entry.

Daniel R. Saiz took third place. He was 27 points away from the Friona-River Road tie-breaker game, with a guess of Friona 17, River Road 10.

Saiz' misses were Tullia-Muleshoe, Hereford-Borger, Notre Dame-Michigan, Baylor-Kentucky and Oakland-New England.

Eleven contestants correctly picked 16 of the games, missing out on a chance for one of the cash prizes by a single point. They were Alex Guerra, Benny Pryor, Mike Maynard, Janice Peak, Judy Martin, Fred Cochran, Darrell Collier, Bernice Buske, John Seright, Jessie Morales, Sr., and Ray D. Fleming.

Twelve other contestants had scores of 15. These were Larry Martin, Bruce Patterson, Reta Martin, Wayne Amstutz, Sam Drager, Clifford McLellan, Greg Hromas, Lenney Petree, Jane Williams, Mrs. H.A. Seright, Kay Nuttall and Paul Melton.

Mitchell Smiley took over sole possession of first place in the contest, with a score of 49 after three weeks. He had been tied for the lead the previous week, but his score of 15 was one better than B.R. Mears and Harry Watkins, who dropped into second place with scores of 48, and two better than Marlene Drake, who is now tied for third place with Benny Pryor and H.W. Roberts.

In fourth place with scores of 46 are Sarah Mears, Bruce Patterson, Jim Pope, Mike Smith, Craig Trim and Wright Williams.

Next, grouped at 45, come Wayne Amstutz, R.L. Blakely, Myrna Cain, Wade Davenport, Jackie Morgan, Kenneth McLellan and Kay Nuttall.

CONVENTION REPORT

Agriculture Does Well With State Democrats

The Parmer County delegates to the state Democratic convention returned this week, and were enthusiastic about the platform passed, especially in the field of agriculture.

"Texas farmers and ranchers and all rural residents have made tremendous progress on the political scene during the two state party conventions. Now, our number one priority should be to get every person over the age of 18 to the polls in

November, since this will be the measuring-stick for determining the number of delegates to the 1980 conventions," said one of the delegates.

Attending as delegates from the county were Ralph Roming, Jerry McClaran, Jerry Fancher and Mr. and Mrs. Jerry Don Glover of Lazbuddie. All were delegates except Mrs. Glover. Roming served as chairman of the Parmer County group.

Ford To Show Models Friday

Friona Ford Sales, Inc. announces this week that the new 1979 Fords will be on display at the Community Center on Friday, October 6.

Owners V.R. Wilcox, Roger Wilcox and John Baxter invite everyone in the Friona area to visit their new car show, look over the new models, register for door prizes, and enjoy the free favors and refreshments.

Ford LTD and Mustang will have a new look this season, with new sportier colors, trims and accessories.

The LTD has placed the front door lock plungers in the arm-rests for anti-theft protection.

"So don't plan on locking your keys in the car" says Roger Wilcox, "or you'll have a hard time getting back into it."

V.R. Wilcox says he's particularly fond of the high-back bucket seats in the new Mustang and the color-keyed instrument panel.

The new '79 Pinto will feature the new rectangular headlights, stylish new hood and fenders, and extra padding on the dash inside.

The Thunderbird's 6-passenger edition carries on a tradition of style and luxury and comfort. There's just no other car that comes up to the standard of the Thunderbird, according to John Baxter.

The LTD II will give you a choice for '79 of bench, flight bench or split bench seats. Combined with the roominess of a long wheelbase and the Selectshift Automatic Transmission, and you have an automotive product in a class by itself.

Combine beauty with affordability and you have the Granada for '79. The new Granada will feature several new color and tape combinations, vinyl door panels and the efficient electronic voltage regulator.

Fairmont sedans, wagons, and the Futura are cars built for today but designed for the years to come.

The Fiesta three-door hatchback was voted "Most Significant New Import" by Car and Driver Magazine this year.

The public is also invited to look over the new Ford Pickups and vans while you are at the Community Center.

Both the Bronco and the Econoline-Club Wagon are good choices for four-wheel drive vehicle with style and comfort.

If you can't decide between a car or a pickup, but really need both, then the Ranchero is for you.

If you prefer a small pickup with a good ride and a sporty look then you'll want to look over the new revised Courier for '79.

All in all, the new Ford car show for '79 promises to have something for everyone.

September Wet Month For Friona

September has been the wettest month of 1979, according to City Manager A.L. (Jake) Outland, official weather recorder.

As of Friday's weather reading, a total of 4.67 inches had been recorded for the month, exceeding the 3.29 inch total recorded for the month of August. The total moisture recorded for the year now stands at 16.58 inches.

It was a wet week, with moisture recorded on five of the seven dates, making it seven out of eight states that moisture was recorded, beginning on September 19.

The past week's amounts were .08

on Saturday; .05 on Sunday; .40 on Monday; .57 on Tuesday and .01 inch on Wednesday. Readings are made at 8 a.m. each day, and the totals are for the previous 24 hours.

After a week of low temperatures, fair skies returned to the area on Wednesday. The temperature reached a high of 79 on Thursday, and the mercury was approaching a more seasonal 80 degrees as of press time Friday.

Farmers, saddled with a week of cold, wet weather, were hoping the clearing trend continues, so they can get on with harvest operations.

Tax Reform Leader Returns To Friona

A little over a month ago, Dr. A.B. Tibbetts of Amarillo spoke to a standing-room-only crowd of disgruntled Friona taxpayers at the Parmer House Restaurant.

Due to the size of the crowd and the reaction of those attending, Dr. Tibbetts has booked a return lecture, scheduled for next Thursday evening, October 5 at the Community Center beginning at 7 p.m.

The public is invited to hear this lecture on tax reform and learn what they can do to help themselves and the rest of the country's overburdened taxpayers. There will be no admission charge and there will be free refreshments served at the meeting.

"We do not advocate the overthrow of the government or of the nation," says Dr. Tibbetts. "We merely wish to point out the rights of the individual and how those rights are being misused by our government."

A portion of Dr. Tibbetts' talk pertains to the "rip-offs" or the foolish ways the taxpayer's money is being spent, such as the study of the impact of rural road construction on Poland at \$85,000; the study on teaching mothers how to play with their children at the cost of \$576,969; or the publication of a dictionary on witchcraft at a cost of \$46,089; or the study of lizards in Yugoslavia at a cost of \$15,000; plus many many more governmental wastes.

Dr. Tibbetts represents a fast-growing group known as the United Tax Action Patriots. As a member of the group, he seeks to educate the average tax-payer to the fact that our tax-system is based on individual self-assessment and voluntary compliance.

The vitality of the tax system hinges on the good faith of the American people and their willingness to report their income accurately. In other words, paying your income tax each year is not mandatory, but few people know this.

The Internal Revenue Service has so intimidated the American public over the years, that people no longer know what their rights really are.

Dr. Tibbetts will outline step-by-step methods for dealing with IRS officials.

Anyone who is tired of turning over half their annual income to the government, no questions asked, is urged to attend this important meeting.

SCS Introduces New Seeding

'Aztec' Maximilian sunflower, a native forb relished by livestock and wildlife, has been released by the U.S. Soil Conservation Service. A forb is a herbaceous plant that is not a grass, sedge or rush.

Mack Mauldin, district conservationist for SCS at Friona, said the new variety was selected for use in range seeding.

"A lot of livestock producers in Texas would like to include seed of a native plant used by livestock and wildlife—especially deer and game birds—in range seeding mixtures," Mauldin said. "But seed for such plants simply are not available." "But 'Aztec' Maximilian sunflower will change that," Mack continued. "We anticipate a heavy demand for the seed as soon as it is available."

Mack said that commercial seed growers will be planting 'Aztec' in 1979. A small amount of seed should be available for use in range seeding mixtures in 1979 and 1980.

Maximilian sunflower is native to most of the grasslands of the Southwest, but the plant is so relished by livestock and wildlife that it has been killed out on most rangeland. Seed for the plant has never been grown commercially.

Letter To Editor

Dear Bill,
We would like to express our "Thanks" to you and all the rest of the staff at the Star for all your help with our Little Miss Pageant this year. Your coverage of the event was very gracious, as usual, and we want you to know that we do appreciate you very much. It is such a joy to work with the little girls and share the excitement at being a part of the celebration.

The merchants of Friona are really a great group of people. They are always willing to help in our task of making the pageant a success and we want to thank each and every one of them for sponsoring our "Little Misses." Our little girls were great this year and the mothers were a big help, too.

Joy Morton and her Thespian group are beautiful! Their skill and willingness to help goes unsurpassed. They are truly a great group of kids.

We just want everyone of you to know that you are a great bunch of people to work with and we feel that it is people like you that make "Friona First."

Thank You,
Gayle Tannahill

National 4-H Week Is Slated

Texas 4-H members are observing National 4-H Week October 1-7, 1978. The 1978 theme "Freedom to Be" expresses the thrust of today's 4-H program as it helps young people develop life skills to become better citizens in our changing world.

It is directed at the local level by County Extension Agents who work with volunteer 4-H adult and junior leaders and other local citizens interested in the development of boys and girls.

Texas 4-H members working with educational learning-by-doing projects, apply the latest research and scientific information to their work, keeping records, arranging exhibits, and giving demonstrations to pass the information to others.

The leadership and citizenship training which 4-H members receive in this program is a valuable asset to our State and to our democratic way of life.

THEREFORE, I, as County Judge of Parmer County, do hereby designate the period of October 1-7, 1978, as

Lighter Side

ALBANY, N.Y. (AP) - The state fire prevention agency wants to extinguish Bicentennial fire hydrants. Firefighters, it seems, can't tell if they're pulling up to a hydrant or a miniature statue of a Minuteman, comic strip character or W.C. Fields.

The state Division of Fire Prevention and Control says in the September issue of Newsweek, a state publication, many hydrants have been accidentally camouflaged by the Bicentennial decorations. Thus, it's difficult for fire units to find hydrants in emergencies.

Offense Clicks, FHS Storms To 40-6 Win

The Friona Chieftains "got it all together" in their game against River Road at Amarillo last Friday night. Friona blasted the Wildcats, 40-6 in the first-ever meeting of the two schools in football.

The Chieftains, who had looked good on defense the previous week but had had trouble getting points on the scoreboard. Friona solved this problem last Friday, scoring four touchdowns in the team's first five possessions of the ball, to run up a 27-0 lead early in the first half.

Friona took the opening kickoff, which Joe Malouf returned to the 33, and then marched 67 yards in ten plays to get on the scoreboard.

Rod Owen burst 21 yards up the middle on the first play from scrimmage for the Chieftains, and Chris Barnett hit Kevin Kothmann on a 20-yard gainer which set Friona up with a first down just outside the River Road ten.

It took four plays, but Owen got the touchdown, following a wall of blockers in from the four. Jerry Harrelson's kick made the score 7-0 with just 3:48 gone in the opening quarter.

After Friona's kickoff, River Road ran one play and then fumbled. Joel Hight pounced on the ball at the Wildcat 24, to set Friona up in good field position.

Chuck Nichols took a pitchout on second down, and skirted end for 20 yards and paydirt. Harrelson again kicked true, and the score mounted to 14-0, and the opening period was barely five minutes old.

The home team was managing a creditable drive on their second possession, getting a pair of first downs, and helped by a 15-yard stepoff against the Chiefs, when another fumble stymied their efforts.

Bobby Thompson recovered this bobbie, and it was a costly one for the Wildcats, as they could have gotten back into the game at this point. They had driven to the Friona 31.

The Chieftain offense was clicking on all cylinders. Owen and Nichols picked up good gains, and Barnett hit Kothmann for a 16-yard gain to

keep the drive going.

Then on third down, from the Wildcat 41, Barnett lofted a spiral which Kothmann caught at about the River Road 20, making a nifty catch and then a good run, snaking his way into the end zone for his first touchdown of the year.

Harrelson kicked the equivalent of a 25-yard field goal after Friona was penalized prior to the PAT try, and Friona's lead had become 21-0. The first quarter still had 46 seconds to run.

Friona's momentum was broken only slightly, following a high River Road punt that gave the ball to Friona at midfield. A bobbled handoff gave the Wildcats the ball at their own 45, but on the next play Brett Moore intercepted a River Road pass and ran it back to the Wildcat 28. He almost got away for the touchdown.

The Chieftains converted the opportunity into points. Coach Lonnie Phillips began shuffling his lineup, with Mike Hutson taking a turn at quarterback.

Hutson passed 14 yards to Malouf, moving the ball to the five, and then ran it in himself on the quarterback option play, going five yards.

The kick was a shade wide, but Friona's lead was ballooned to 27-0 with 8:25 yet to play in the half.

The plucky Wildcats again mounted a threat, and again aided by a personal foul penalty against the Chiefs, moved to the Friona 31. But Friona met the challenge and held on downs.

Friona almost had a fifth touchdown before halftime, as Jeff Peak intercepted a pass and ran it 55 yards for an apparent touchdown, but Friona was called for a clipping penalty, and the run was nullified.

After the halftime break, Friona continued its onslaught. The Chiefs scored quick touchdowns on their first two possessions, to rack up their point total of 40.

Sophomore Chitto Caballero got the first one, from three yards out following another fumble recovery by the Chieftains. Harrelson's kick made the score 33-0, as only 2:54 had been played in the third quarter.

The Chieftains got the ball back

after River Road couldn't move, and Hutson hit Moore on a 50-yard pass play for six points. Kothmann was all alone in the end zone, and gathered in the ball for the touchdown. That made the score 40-0 with 6:20 left in the third quarter.

Early in the final quarter, River Road got cranked up, and drove for their only touchdown of the game. The score came on a 64-yard pass and run play, in which the receiver got behind the Friona defenders, and caught the ball, and took it in for the score.

That one play accounted for over half of River Road's yardage for the game, as Friona for the second straight week had an outstanding defensive performance.

For his outstanding play, which also included making 12 tackles and two interceptions on defense, Brett Moore was singled out as the "Player of the Week" for Class AA teams by the Amarillo Daily News this week.

"We still made a few fundamental mistakes, but overall, it was the kind of game we were needing, to build up our confidence. We just got them 'down' in a hurry, and after that, it seemed we could do no wrong," said Coach Lonnie Phillips.

In all, the team recovered five River Road fumbles, including two by Hutson, and one each by Rod Owen, Bobby Thompson and Joel Hight.

Phillips said he was pleased with the way Hutson came in at the quarterback position and ran the team. Mike guided the team to three touchdowns, scoring one himself and passing for another on a 50-yard play.

"I feel we're real solid at the quarterback position. And our passing game was super. This is definitely the best passing team I have ever coached, and it's not just one or two boys who can catch the ball," Phillips said.

The Chiefs gained 158 yards passing, on seven completions out of nine attempts. "The front wall did a great job of protecting the quarterbacks, giving them time to throw," he said.

Chiefs, Vega Renew Dormant Grid Series

The Vega Longhorns will provide the opposition for Friona's final non-district game on Friday, October 6. The game will be played in Vega, beginning at 8 p.m.

The Longhorns were picked, along with Kress, to win their district

(3-A). They are district mates of Farwell, so make two straight of the neighboring class A district for the Chieftains to meet.

Quarterback Randel Galbraith is an all-state candidate in Class A for the Longhorns. He is a passing

specialist, and had more completions in 1977 than any other quarterback in recent Vega history.

John Ferguson, a returning starter at tackle, along with Gary Cannon, center-tackle who was all-district a year ago, anchor an adequate Vega line.

The Longhorns also have an experienced secondary, with the likes of Rob Groves, Jesse Rodriguez, Les Newbill and Joe Rodriguez in the lineup.

Vega's early schedule has been a tough one. They opened with a win against White Deer, then suffered losses to Sunray and Boys Ranch.

It's the first time in 23 years for the two neighboring schools to be on each other's football schedule. However, the schools have met on the gridiron a number of times, and as early as 1927, when such players as Otho Whitefield, Glenn Reeve, Sr., Frank Truitt and J.G. McFarland were in the lineup for Friona.

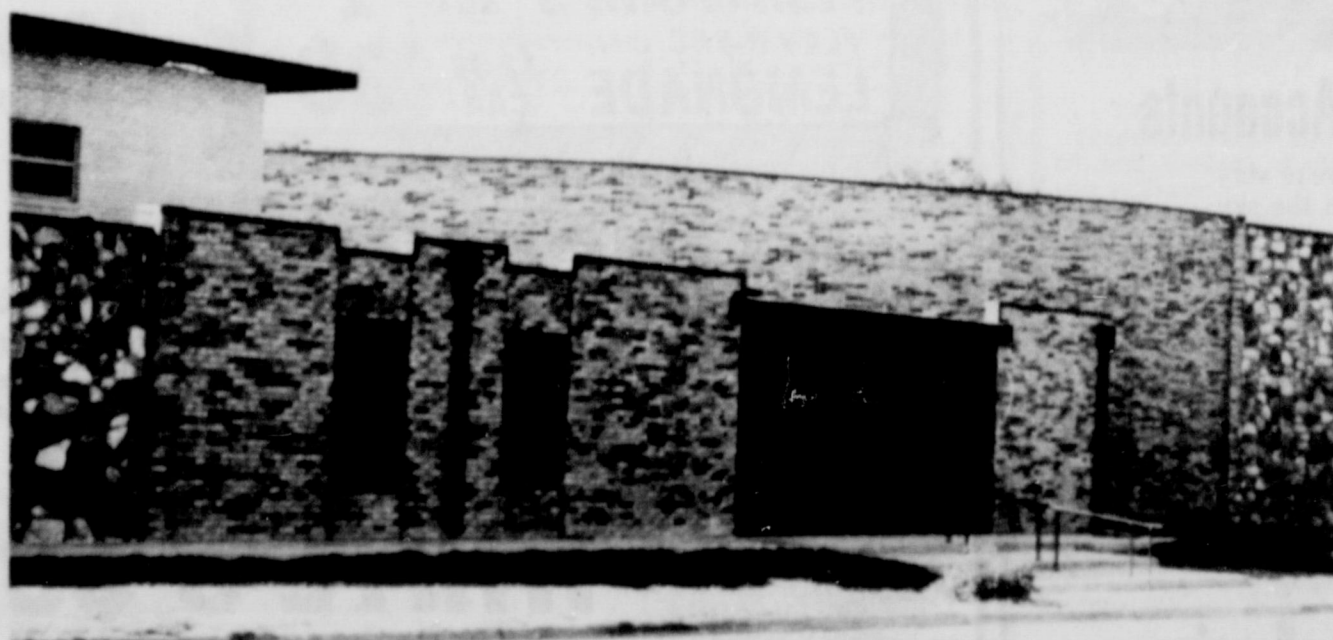

Vega won that 1927 game, 16-12, so perhaps the 1978 Chieftains can help "even the score" for this former group.

Carmichael, Monroe To Head Sorghum Producers

Members of Grain Sorghum Producers Association recently cast ballots to select their county president and vice president. The farmers elected to these positions serve as "policy making" representatives from their county to the Grain Sorghum Producers Association.

D.L. Carmichael was elected as Farmer County President and

Clarence Monroe will serve as vice president.

The new GSPA directors will take office for a two year term on October 1.

Grain Sorghum Producers Association represents grain sorghum farmers in legislation at the state and national levels. GSPA's goal is to speak in behalf of sorghum producers on all farm policy

decisions and to see that they get the best deal possible.

Grain sorghum targets were set at \$4.07 per hundred weight in the 1977 Agricultural Act, while corn targets were set at \$3.57 per hundred weight for the 1977 crop. The increase in grain sorghum targets was the result of Grain Sorghum Producers Association working to establish a Nationwide Cost of Production Study in 1973, and getting Congress to set the targets of sorghum in relation to corn based upon the cost of production rather than the nutritional value.

Deficiency payments were made to grain sorghum farmers on 1977 allotted acres in production. This payment was 68 cents per hundred weight times the normal farm yield on allotted acres. Amounts ranging up to \$20,000 per farmer were paid to grain sorghum producers on their 1977 crop, as a result of this GSPA provision. It could be as much as \$40,000 on the 1978 crop for producers complying with the feed grains program.

Other activities of GSPA include foreign markets sales promotion. It is estimated that each additional million tons of feed grains exported will increase the producer's income by 8 cents per bushel.

The newly elected GSPA Directors will be supervising these activities and they invite every sorghum producer to join this worthwhile program.

FORMER RESTAURANT...Demolition work was completed this week at the former location of the Holiday

House Restaurant on Highway 80. The property is being cleared for construction, as the site will be the future home of Tri-County Savings and Loan Assn.'s Friona branch.

and Mrs. Riethmayer closed the meeting with a prayer.

Those attending were Jenette Spencer, Lacye Osborn, Denae Reeve, Deanna Poarch, Karla Skipworth, Isabel Madrid, Beth Johnson, Dodi Jones, Erma Granada and Stacie Dodson.

P,P,&K Contest Set

The Punt, Pass & Kick contest for Parmer County will be held Saturday, September 30 at Chieftain Field in Friona.

Competition will be held for youngsters aged eight through 13, with handsome trophies awarded to the top three placers in each age group.

In addition, the winner of each age bracket will be eligible to compete in the "zone" competition the following week, and attempt to move on up the ladder in the national contest.

Friona Ford Sales, Inc. is the local sponsor for the contest, and Roger Wilcox, spokesman for the sponsor, says contestants have until 12 noon to sign up for the competition.

Wilcox says he is expecting a number of youngsters to enter the contest from Farwell and Bovina, and urges the kids from the local area to take part.

ROAD WORK...A crew from the highway department was in Friona this week making repairs to the roadway to the east of the Main Street intersection.

Scout News

National 4-H Week Celebrated Locally

The 144 4-H members in Parmer County will be among 5.5 million across the United States celebrating National 4-H Week, October 1-7.

A number of special activities are planned in relation to this national observance, which has as its 1978 theme, "4-H—Freedom to Be."

This year's National 4-H Week is designed to reflect on the fact that 4-H offers youth of all backgrounds an opportunity for personal growth and development and, at the same time, to broaden their interests and concern for others.

In Texas, the 4-H program is conducted by the Texas Agricultural Extension Service of the Texas A&M University System.

4-H continues to be a highly flexible program and continues to

expand and adapt to the changing needs and interests of young people. Project areas continue to expand, providing youth with many "learning-by-doing" experiences that will help them grow into productive, contributing members of society. 4-H helps youth learn skills to cope with real-life situations today as well as to prepare for the years ahead.

"Hats off!" to all 4-H members, their parents, volunteer leaders and businesses for making the 4-H program what it is today—a dynamic, action-oriented program for action-oriented youth.

For more information about 4-H, contact Laura Jacobs or Seth Ralston at the Extension office in the County Courthouse in Farwell or call 806-481-3619.

Church Ceremony Unites Mandi Lee, Rickie Seaton

Miss Mandi Kay Lee of Wilson and Rickie B. Seaton of Lazbuddie were united in marriage August 26 at 3 p.m. at St. Joseph's Catholic Church in Slaton. Monsignor Peter Morsch, priest of the church, officiated.

Parents of the couple are Mr. and Mrs. Bobby Lee of Wilson and Mr. and Mrs. Jimmie Seaton of Lazbuddie.

The bride, given in marriage by her father, wore a formal length gown of white organza fashioned with a Victorian neckline of scalloped chantilly lace, full length bishop sleeves with a deep cuff. The empire bodice had a sheer yoke accented with lace and pearls. The full a-line skirt consisted of lace edged with tiers that cascaded into a chapel length train.

The headpiece was a Juliet cap of matching lace holding a lace edged veil of illusion. Her bouquet was a cascade of white and mauve silk roses and leaves.

For something old the bride had a penny minted in her birth year in her shoe. Something new was her gown and something borrowed was a silk handkerchief from Japan, borrowed from the groom's mother. She wore a pearl necklace, a gift from the groom, and wore the traditional blue garter.

Decorating the church were two spiral candelabras and an archway entwined with greenery. The pews were marked with white bows.

Miss Tracy Lee of Wilson served her sister as maid of honor. Miss Kerrie Lee of Wilson, sister of the bride, and Miss Sherrie Seaton of Lazbuddie, niece of the groom, were bridesmaids.

The maid of honor and bridesmaids wore formal length gowns of dusty rose quiana. They were a-line dresses fashioned with an elasticized ruffled neckline. Each carried a single long-stemmed silk burgandy rose accented with dusty rose and burgandy ribbon.

Best man was the groom's brother, Jimmie Dale Seaton of Lazbuddie. Russell Windham and Scotty Windham, also of Lazbuddie, served as groomsmen.

Serving as ushers were Terry Hill of Hart, Mike Windham of Lazbuddie, and Harrol Redwine, brother-in-law of the groom, from Lazbuddie.

Candlelighters were Ty Mayfield and Tod Mayfield, cousins of the bride from Panhandle.

The groom, his attendants and the ushers wore dusty rose tuxedos with white ruffled shirts. The groom had a white rose bud boutonniere and the

others wore white carnation boutonnières.

Jill Mayfield, cousin of the bride from Panhandle, and Susan Redwine, niece of the groom from Lazbuddie, served as flower girls. The flower girls wore floor length dresses of beige and rose colored shades. They featured high waistlines, with a drawstring scoop neckline and short sleeves. They carried white straw baskets with rose colored ribbons.

Mrs. Harrol Redwine, sister of the groom from Lazbuddie, was organist. She accompanied Mrs. Danny O'Donald, sister of the groom from Canyon, who sang "If" and "The Wedding Song."

The bride's mother wore a formal length gown of mauve knit. It was a blouson fashion with tie belt and cap sleeves.

The groom's mother wore a formal length powder blue gown. Each added a white orchid to their gowns.

Miss Becky Verkamp of Wilson registered the guests.

A reception followed the ceremony in the Catholic Hall.

Laid with a white lace tablecloth, the bride's table featured silver and crystal appointments. The four-tiered white wedding cake was

decorated with dusty colored roses and bells with lace and bows accented the border of the cake. Banana slush punch and mints completed the table decor. Presiding at the table and serving the wedding cake and punch were Misses Becky and Charmone Mears of Wilson and Miss Joyce Candler of Monahans.

The groom's table, laid with a beige cloth from Mrs. E.A. Seaton, grandmother, featured a centerpiece of silk flowers in shades of yellow, apricot and orange blossoming from a chocolate covered ceramic spittoon. The groom's cake was a round chocolate cake accented on top with a spray of roses and forget-me-nots in colors coordinating with the centerpiece. The centerpiece and cake were made by a friend, Mrs. Jim Collum of Lazbuddie. Serving at the groom's table were Miss Barbie Seaton, niece of the groom, and Miss Kathy Menefee, second cousin of the groom, both of Lazbuddie.

Serving as rice girls were Miss Mandi Mouser of Wilson and Miss Susan Redwine, niece of the groom, from Lazbuddie.

Members of the houseparty were Mrs. Glynn Moore, Mrs. Walter

Steen, Mrs. Sylvester Verkamp, Mrs. Tommy Bednarz and Mrs. Gilbert Steinhouser, all of Wilson, and Mrs. Scotty Windham of Lazbuddie.

As her going away ensemble, Mrs. Seaton wore an outfit of dusty rose quiana. It was a blouse with a gathered neckline and short sleeves. The skirt was an a-line style gathered on a waist. She accented her garment with a white silk corsage and pearl necklace.

The bride is a graduate of Wilson High School and will graduate from Texas Tech University in December.

The groom is a graduate of Lazbuddie High School and attended Texas Tech University. He now farms near Lazbuddie.

After a wedding trip to Ruidoso, New Mexico, the couple will make their home in Lazbuddie.

Out-of-town guests included Mr. and Mrs. Willie Zinnani, grandparents of the bride from Greenville, Mr. and Mrs. Bill Mayfield, aunt and uncle of the bride from Panhandle; Dr. and Mrs. Bill McKenzie, Jason and Jeni, aunt and uncle of the bride from Sherman; Mrs. Iona Bilbrey, aunt of the bride from Sundown; Mrs. A.H. Skinner, aunt of the bride from Billett, Wyoming; Mrs. Joe Korus, great-aunt of the bride from Leming; Mrs. Arthur Eichman, great-aunt of the bride from Pleasanton.

From Lazbuddie were Mrs. Jimmie Dale Seaton, Russell Redwine, Beth Windham, Judy Lust, Kim Gregory, Mrs. Lillian Smith and Mr. and Mrs. Robert Gallman and Joanna; Danny O'Donald and Melissa from Canyon; Mr. and Mrs. Joe Scott Menefee, aunt and uncle of the groom from Friona; Mr. and Mrs. R.B. HEAT PUMP

"THE ELECTRIC SAVINGS MACHINE"

SAVING FOR THE FUTURE

Coin banks help teach children how to save for the future. You can save for the future, too, with the electric heat pump. That's why we call it the electric savings machine. This efficient heating/cooling system can deliver as much as two units of heat for every one heat unit of electricity it uses. But the savings don't stop there. With fuel costs expected to rise during the next two decades, the electric heat pump is a smart investment that will save energy today and in the future.

It's never too soon to start saving... with the electric heat pump. Start today before your future gets here. You'll be glad you did.

Town Talk

By June Floyd Phone 247-3681 With Your News Item

The rains last week were very nice. As far as I've heard, there was no hail damage and that's something farm folks are always anxious about when we have fall rains.

Several corn farmers are claiming credit for the fine rain. However, they always qualify their actions by saying the rains were ordered earlier and got put on "back order" somewhere down the line.

All of us know that back ordered things never arrive at the proper time.

Little Logan Bingham had his first birthday Wednesday. He and his parents, Johnny and Gay, now live in Amarillo, so it was real convenient for his maternal grandparents, Louis and Mamie Lou Welch, to go up for the day. Then, Logan came home with them for a few days.

The paternal grandparents, John and Mary Bingham, have gone to the Phoenix due to the illness of Mary's mother.

+++

Before too long, there will just be one vacant lot left on Columbia between Fourteenth and Sixteenth. That means that Welch Acres is just about filled up. There are probably three lots left on Jackson.

Henry and Paula London Clark are building a new home at the corner of Sixteenth and Columbia. They will be facing the east and will be next door neighbors to the John Bacas and across the street neighbors of the Jack Hamils.

+++

J.G. and Irene McFarland are home. They went to Albuquerque for the New Mexico State Fair. They were accompanied, as usual, by Lonnie and Jewel Baxter of Clovis. The McFarlands and Baxters nearly always attend New Mexico's State Fair together.

+++

There's an oddity in the H.A. Hyde family—they have a daughter, granddaughter and great-granddaughter who have a mutual birthday. Their daughter, Eva Dean Kimbrough of Othella, Washington; her daughter, Phyllis Sandoval and her daughter, Drianna, of Albuquerque, were all born on August 23.

The Hydes' other daughter, Maxine Bolding of West Palm Beach, visited in their home about a month. While she was here, one of her sons, Mark Bolding of Pineville, Kentucky, was also here.

Then Eva Dean and her three sons Kip, Tip and Chris were all here. The Kimbrough boys are college students. Kip is in Edmond, Oklahoma; Tip is in Utah; and Chris is at Oklahoma Baptist University, Shawnee, Oklahoma.

+++

James and Taleta Mabry of Grants, New Mexico, visited briefly in Friona last week. They had been to Oklahoma to visit relatives and were on their way home.

They stopped long enough to exchange "Hellos" with Terri Sue, Mal, Kim and Tracy Carthel.

+++

Paul Griffith had his 73rd birthday recently. Local members of his family honored him with a birthday party at Prairie Acres.

Cake, punch and ice cream were served. Family members attending included Laurretta Brookfield, Frank and Goldie Griffith and Nola Adams.

+++

Mrs. Maggie Tims has had an unusual treat. Mr. and Mrs. E.C. Marsalis and Mr. and Mrs. C.R. Smith, all of Silsbee, Texas, came to visit her. They also visited in the home of Carmaleet and Frank Truitt.

Mrs. Smith and Marsalis are the sister and brother of Mrs. Tims and she rarely gets to see them. The group spent their time reminiscing and making pictures.

+++

J.B. Taylor of Center, Colorado is hospitalized at North Fork, Colorado, following a heart attack. He is a former Friona resident and is the father of John and Jim Taylor, who both live here now.

Latest reports indicate that his condition has stabilized.

+++

Bobby Moore, the oldest son of Kenneth and Lawanda Moore, has been around more than usual in recent weeks. Since he enrolled at Lubbock Christian College, Friona folks have seen very little of him.

During the summers he worked in the southeastern part of the United States and has been in Florida since his graduation from LCC.

Recently he accompanied his parents, brother and sisters to the Moore family cabin near Red River for some rest and relaxation.

+++

Our "most gadding about" neighbors, Ann and Calvin Martin, arrived home late last week. They had been gone since early September and had driven more than 4500 miles.

First they went to Santa Anna, California, where they spent a week with Mr. and Mrs. Dick Smith and daughter—Dick is Ann's son, then

they drove through central California until they were nearly across the state of Oregon.

In Oregon they visited Salem, Portland and Pendleton, then went to Salt Lake City, where they spent a couple of days or so.

From Salt Lake City they drove south to about the center of the state, then headed east for Pueblo, Colorado.

Enroute they visited an aunt and cousin of Calvins in Southern California; one of his cousins and his family in Oregon and the Eugene Nideys in Campo, Colorado.

Mrs. Nidey is the former Marilyn Martin.

+++

Melodi Dixon is becoming quite an accomplished young lady in the cake decorating field. She's a sophomore at West Texas State University, Canyon; is a graduate of Cliff Mann's Floral Design Institute in Denver; and is the oldest daughter of Jim and Jane Dixon, who farm and ranch in the Rhea Community.

Recently she made a birthday cake for her mother and decorated it to resemble a fountain scene. Then she and Tim Boeckman met Jim, Jane, Milon, Milli and Mendan at a Hereford restaurant for dinner.

Others present were Mrs. D.E. Collier, Canyon; Mr. and Mrs. Jack Collier, Carla, Edwina and Lottie of Wildorado; and Mr. and Mrs. Willie Hales of Canyon.

Then Friday evening Jane honored Milli with a pre-teen slumber party in observance of her birthday.

Jim, Jane and Mendan took the pre-teens to Clovis for dinner and a show. Melodi made Milli's cake and decorated it to look like a rural scene complete with a mirror for a pond, miniature farm animals and forest folk.

Guests were Debbie Reeve, Stacy Loftis, Nikki Osborn, Kristi Herring, Sarita Ellis, Teresa Wilcox, Tammi Kelley, Wendy Tatum and Shannon Allen.

"And even more passenger room inside!"

Ford LTD Squire Wagon in Medium Blue Glow
*Per R. L. Poll, registration data through May 1978

"It's America's best-selling wagon..."

"I can see why they call Ford the Wagonmaster!"

Fairmont Squire Wagon in White
*Per R. L. Poll, registration data through May 1978

LTD Here's a new wagon for the American Road from the Wagonmaster. Ford's all-new 6-passenger LTD for 1979 (eight passengers with optional dual-facing rear seats). A wagon with more handling ease, more window area, more passenger room than last year's Ford Country Squire. That's efficient design! That's riding in comfort! Try it.

FAIRMONT America's favorite... the best-selling 1978 wagon in the country.* Fairmont is trim, sleek and easy to handle, with plenty of room and comfort for five and a generous cargo area. Try this one on for size.

"This is your Captain speaking!"

Captain's Club Wagon in Walnut Glow/Light Sand

CAPTAIN'S CLUB The new 7-passenger model (shown above) has quad swivel/reclining seats and a seat-bed combo. Other Captain's Club models seat up to 15

"We'll be needing the room."

Pinto Squire Wagon in Tangerine

PINTO Since its introduction in 1972, Pinto Wagon has been a sales success. It has room, surprising cargo space, sporty good looks and many standard features for added comfort and convenience.
