A COUPLE OF CENTURIES ago a fellow named William Congreve made this statement...."Music hath charms to soothe the savage beast." He obviously was not acquainted with today's modern vitamin-enriched, junk food-fed teenager.

They have a new ritualistic rite of youthful exuberance which they call "disco." This seems to require about \$10,000 worth of sound equipment, turntables, tape players, speakers of assorted size and loudness, and an array of flashing colored lights that would put to shame the neon dazzle of the Las Vegas Sunset Strip.

But back to Mr. Congreve's dissertation on the charming abilities of soothing music. The next lines of his poem read... "To soften rocks, or bend a knotted oak. I've read that things inanimate have moved." Oh yes, speaking of "things inanimate," have you tried lately to get your teenager out of bed in the morning or to get him or her to take out the trash in the evening? Now there's an immovable, inanimate object for you!

If you want to see your inanimate heir spring into action, just turn on some of his disco music. It must be loud enough to crack the plaster, mind you...and there, before your very eyes, you'll see the transformation take place. The spine-cracking gyrations that go on to this not-so-soothing music, must keep all the country's chiropractors in the highest income-tax bracket.

When several of our inanimate objects get together in one place it's called a "disco party," and the object seems to be to see who can get one or their joints out of socket first. Or maybe it's to see who can get the most bones out of place without collapsing completely. Who knows!

At least they are polite about it. The boys try to help the young girls all they can by slinging them around the room, bending them over backward, or twisting them totally out of shape.

The girls need all the help they can get when they're wearing those match-stick stiletts they call shoes. After all, you wouldn't want to fall off your shoes and break your ankle before you'd had a chance to get at least one hip out of joint.

Anyway, one night several weeks ago I was just settling down for a nice quiet evening of reading and relaxation when suddenly the foundation of the house began to quiver. I jumped out of my recliner, which is about as active as I'd been all day.

The walls were vibrating, bricks were falling off the outside of the house, and to top it off, five years' worth of black soot came tumbling down from the chimney, out of the fireplace and onto the living room carpet.

First I checked the laundry room to see if the wife's washing machine was hopping up and down with an out-of-synch laundry load. All was quiet there. Then I realized the earthquake was coming from the basement.

First I ran to the bathroom to stuff cotton in my ears. Then I donned my trusty sunglasses and dared to venture into the realms of the teenage disco.

"Couldn't you turn that down a notch?" I screamed. I probably would have gotten the same response if I'd asked "What do you think about Jackson and the PLO?" Ignored!

I trudged slowly back up the stairs, grumbling to myself about the energies of youth being wasted on the young; finally deciding that I was just jealous because no one in my generation ever had that much fun. Then I decided it must be about time to hit the sack.

Climbing up and down those stairs can sure wear a fellow out!

David George Wins Weekly Grid Prize

David George was the winner in the seventh week of the Friona Star's football contest. George was one of two contestants to correctly pick 18 of the 22 contest games.

Sarah Mears, a high school senior, was the other contestant to pick 18 games, and the battle for top spot went down to the tie-breaker score of the Friona-Muleshoe game. George missed the score by 17 points, picking it 28-14, Muleshoe.

Miss Mears missed by 28 points, picking the Mules, 17-14.

George's misses were in picking Olton over Morton, Tulsa over TCU, Texas over Arkansas and Kansas City over the New York Giants. He was awarded the weekly first prize of \$10.00.

Miss Mears missed Olton over Morton, Hart over Farwell, Texas

DR. C.H. MURPHY

C.H. Murphy To Lamesa

Rev. C.H. Murphy, pastor of the First Baptist Church of Friona since February of 1976, has resigned the local pastorate for a similar position with the First Baptist Church of Lamesa.

Rev. Murphy, who received his doctoral degree last May, hopes eventually to teach on the college level.

"We hate to leave Friona, because the people here have really been special to us. It is one of the hardest moves we have had to make," Rev. Murphy said.

A native of Matador, Murphy is married to the former Nita Dunning, and they have three sons, Mike, a student at Hardin-Simmons University, Mark, and Ken.

Prior to coming to Friona, Rev. Murphy served churches in Memphis, Silvertown, Hedley, Soda Springs and Weatherford, Oklahoma.

VANDALISM....Destruction of public property continued to be a problem in Friona this past weekend, when Panhandle Concrete Co.

over Arkansas and Miami over New England. She won \$6 for her efforts.

Seventeen contestants correctly picked 17 games, and from this list the third place contestant was named. Jimmy Walker was the closest to the Friona-Muleshoe score, although being 17 points away. He picked Muleshoe, 28-14.

Other contestants correctly picking 17 games were Shauna Maynard, B.R. Mears of Clarendon, Bruce Patterson, Dianne Morgan, Scot Straw, Sam Drager, Ron Smiley, Don Maynard, Robin Baize, Mike Perez, Richard A. Wilson, Reta Martin, Rosa Lee Parvin, Bob Clark, Floreine White and Donald Dale.

The two co-leaders in the race for grand prize, Jerry Hinkle and Steve Clark, held their position, as each scored a 14. They are still tied for first place with scores of 111 after seven weeks, averaging just under 16 points per week.

Wilson moved into sole possession of second place with his score of 17, giving him 109 for the season.

George's score of 18 moved him up a few notches in the standings, up to 103 for the season and eight points off the pace being set by Clark and Hinkle.

James Clark, Danny Guerra and C.H. Veazey hold down third place with scores of 106. Clay Bandy, Clint Mears and Peggy Pope are next at 105. Don Maynard, Joe Santellana and Ron Smiley have scores of 104.

Contestants are vying for the grand prizes of \$100, \$25 and \$15, in addition to the weekly prizes of \$20 which are awarded in the contest.

Vandals Hit City Again

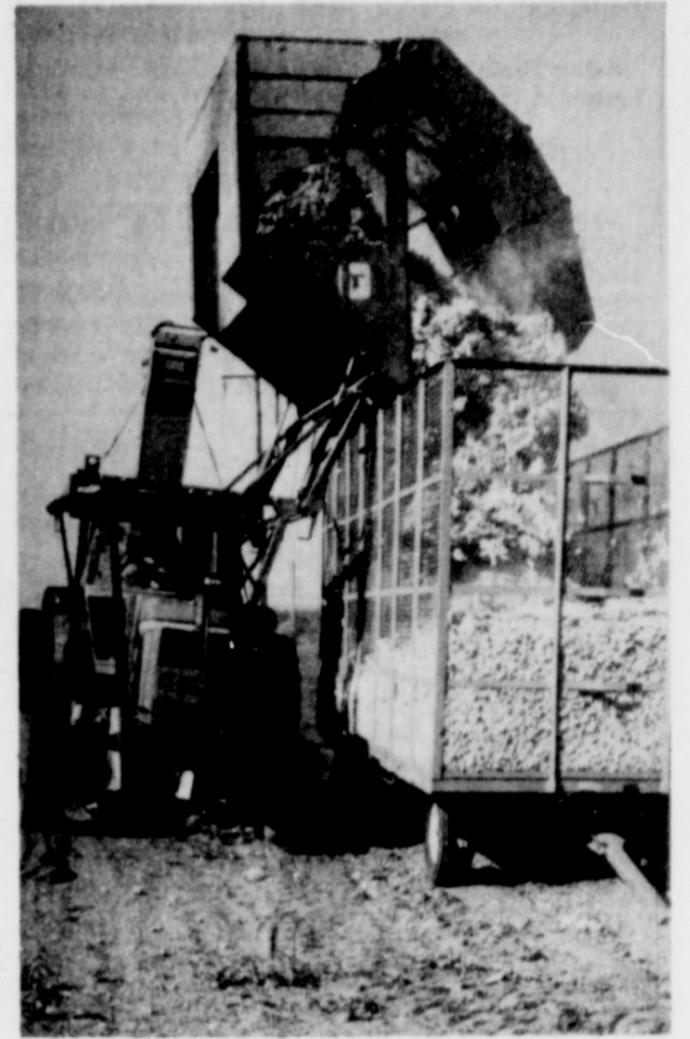

Additional vandalism was noted in Friona last weekend, with the main target being the Panhandle Concrete Co. in southeast Friona.

Manager Terry Copley said that vandals broke out all the windows on two mixer trucks, one flatbed truck and a large front-end loader. At least \$3,000 in damage was estimated.

In addition to the glass breakage, the vandals ruined the radiators on two vehicles, punching 22 holes in the radiator on the loader. The

BEEET TIME....Sugar beet harvest has begun in the Friona area and the local dump has been quite active during the past week. Here, a rail car has just been loaded, and readied for shipment to the Holly Sugar plant in Hereford.

HARVEST BEGINS....Cotton harvest in the Friona area was beginning this week, as indicated by this activity southeast of the city on Thursday. The warm weather of the past month has helped the cotton crop considerably.

Weather Smiles On Harvest Operations

Harvest operations continued practically unabated in the area during the past week, as the weather has been favorable for farming activities.

Temperatures have ranged from the high sixties to the eighties for the high each day, with lows generally in the 40s or 50s.

The low on Sunday night did get down to the freezing mark in the area, as the official low on Monday morning at Friona's recording station

was 32 degrees.

The harvest of the corn crop, the area's number one crop, has been virtually completed, marking one of the most orderly harvest seasons in several years. Yields, where the crops had not been damaged by hail, was much above average.

One Friona elevator indicated that their corn receipts were considerably less than for 1978, but it was expected.

"There were a lot more acres of cotton, soybeans and sunflowers in the area this year, and maybe even more milo," said Ron Smiley, manager of Friona Wheat Growers. This speaks well for the diversification of crops in the Friona area.

Maize, which is later maturing than corn, is now beginning to come in at a pretty good pace, Smiley said.

Cotton farmers are on the verge of their harvest season, with the stripping activities getting underway on a limited basis this week in the area.

Producers southeast of Friona defoliated some 1,000 acres of cotton, and stripping was underway

on those acres on Thursday. Bruegel Bros. Gin had turned out three bales of cotton by mid-afternoon Thursday, and had many more bales on their lot.

One cotton observer said that the light freeze of the past Monday could have been just what was needed, although early appearances might indicate that it was not cold enough to kill the plants. A harder freeze may be needed to get the job done.

"It's remarkable how much progress the cotton has made since the first of August. At that time, the status of our cotton crop was much in doubt, but the weather has really been great. As a result, I feel we have a good crop," said Army Armstrong, manager of the Bruegel Bros. Gin.

Help Friona To Have A Safe And Sane Halloween.

BATTERED WINDOW....Just one of the several windshields and windows which was broken at Panhandle Concrete last weekend is

shown in this photo of the windshield of a front-end loader. Damage at the local concrete plant was expected to be sizeable.

Letter To The Editor

Dear Editor:
The vandalism which has been going on in Friona recently has become serious business, and I wonder if Friona residents are fully aware of just what is going on. If not, they might pay a little more attention to their youngsters, or caution them about participating in such acts of destruction.

For example, what might have been considered as "pranks" by some caused more than \$3,000 in damage to our equipment at the concrete plant last weekend. It put us completely out of business for three days.

As many of you are aware, the construction business hasn't exactly been booming lately, so losses such as this are even harder to make up.

To make matters worse, we did have a job we were to have begun on Monday, but the vandalism to our machines on Saturday night saw to it that we could not get onto this project.

If you've ever had to keep a crew on during a slack period of time, you can see how frustrating it was for us on Monday morning.

We thought the parents in the Friona area should have an idea of the seriousness of the damage which has been done in our city. This is the third time we have been hit, and we know that others have also suffered damage.

If you read the story in last week's paper, you know what offenders can receive in the way of fines and jail sentences.

Sincerely,
Terry Copley, Manager
Panhandle Concrete Co.

Friona Flashbacks

...from the files of The Friona Star

50 YEARS AGO--NOV. 8, 1929
Work on new buildings is progressing nicely this week, thanks to the good weather which has visited the area. O.G. Turner has the walls of his new building on the east side of town up, and the framework on the new Baptist Church has been erected.

Friona grain prices are as good as at any other Panhandle point, it was shown in an investigation on Monday. A false rumor had it that Bovina dealers were paying 15 cents per hundredweight more than local elevators, but the truth of the matter is that local prices were 98 cents on Monday, and had never been as low as the 80 cents, which was rumored.

45 YEARS AGO--NOV. 9, 1934
The members of the Friona PTA held their annual Halloween Carnival at the high school building last Friday night, October 26.

The king and queen were crowned with the usual ceremony. The king was George Taylor of the senior class, and the queen was Lois Pressley of the junior class.

40 YEARS AGO--NOV. 3, 1939
The people of Friona were horrified this week when they learned of the death of R.H. (Reube) Kinsley, who had been terribly burned Wednesday morning in the west part of town. The burning occurred about 10 o'clock when a can of blasting powder exploded in the little workshop where Mr. Kinsley was working. Kinsley had workmen

engaged in building a new garage at his home, and the can of powder had been used the day before in blowing a stump from the ground where the foundation was being built.

30 YEARS AGO--NOV. 4, 1949
Three people were killed and three others critically injured in a head-on collision of a truck and car three miles east of Friona on Highway 60 Thursday morning. Dead are Frank Phillips, 53, of Farwell, Mrs. Loretta Essie Stone, 25 and her infant son, Billy, both of Hereford.

25 YEARS AGO--NOV. 5, 1954
Continued ideal harvest conditions, coupled with the record yields of Parmer maize fields this week, have taxed elevator and shipping facilities to the greatest extent since the early 1930s. Most elevators have experienced temporary shutdowns since the middle of the last week, awaiting cars for shipment. Oscar Hellman, local agent for the Santa Fe, states that some 1100 cars of grain have been shipped this year.

20 YEARS AGO--NOV. 5, 1959
Friona's building boom is still going on. Based on figures from the City Hall, which are complete through October 3, building permits in Friona since January 1 have come to a total of \$506,950.

The total compares with a total of only \$486,895 in building permits issued for the entire year of 1958.

15 YEARS AGO--NOV. 5, 1964
Friona Methodist Church will observe its 50th anniversary as a church Sunday with special services at 11 a.m. and 2-5 p.m. Rev. Lester L. Hill, former pastor of the church, will deliver the Sunday morning sermon.

10 YEARS AGO--NOV. 6, 1969
Deposits at Friona State Bank set a record for the third-quarter "call" date on October 21, when total deposits stood at \$8,096,357.75. This was an increase of \$2,835,984.29 over the statement of approximately a year earlier (October 30, 1968), or 31.6 per cent.

5 YEARS AGO--NOV. 3, 1974
Funeral services for Carl C. Maurer, pioneer Friona resident, were conducted Wednesday morning at the Union Congregational Church.

A 25-year-old man who had lived in Friona only about two months was killed early Friday when he apparently was struck by a freight train near the South Main Street crossing.

A wide assortment of weather--mostly disagreeable--assaulted the Friona area last weekend and the first part of the week, again calling a halt to the corn and maize harvest.

Town Talk

By June Floyd

Call 247-3681 With Your News Item

Friona is fortunate to have an energetic bunch of Cub Scouts who are willing to work for things they need. This group of fine boys are in need of some good used dishes and dish towels, so they've made plans for a drive to secure these items.

Halloween night they're going to be knocking on doors between the hours of six and seven for the benefit of their kitchen. They will be in full uniform and are asking residents to the town to contribute any dishes they no longer need or dish towels that are usable.

If you're not planning to be home Wednesday evening and would like to make a contribution to this worthwhile project, you may call Letha Cunningham, 247-3946; Terry Outland, 247-3655; or Sandra Beavers, 295-6429; and your items will be picked up.

Recent visitors in Friona have been Scott, Susan, Shane and Jeremy Lillard of Midland. They spent several days with Scott's parents, C.L. and Lavelle Lillard.

Ray Scott of Altus, Oklahoma, who is a former Friona resident and Lavelle's father, also visited briefly here and accompanied C.L. and Lavelle to Midland for a few days.

Mrs. Frances Howard, a long time resident of Abernathy, visited local friends and relatives here last week. She's the sister of Arthur and Earl Drake and a former neighbor of the

Vernon Browns, W.F. Buskes, Glenn Floyds and Juanita Wright.

Frances, the daughter of the late Mr. and Mrs. A.O. Drake, is very adept with her hands and plans to return to Friona early in November for our annual early Christmas bazaar at the Community Center.

She and Melody Drake will have a table of handmades for sale. There will be a large collection of handmade articles of every description and residents of the entire area are invited to attend.

Mr. and Mrs. Otis Neel came home Sunday after spending a few days in Central Texas. They went down to Cross Plains for the funeral of one of Athlea's aunts, Mrs. Delilah Teston. They were accompanied by Mr. and Mrs. Gene Bryan of Littlefield.

James and Sue Procter spent the weekend visiting in the home of Wayne and Cheryl Procter and children, who live in Shallowater.

We were also in Shallowater a couple of days early this week. We "campered" off down there Sunday afternoon. Our middle daughter, Frieda--along with her husband, Richard Dickson and son, Brandon--came up from Garland and met us there.

On Monday we visited in the home of Mr. and Mrs. Marvin Floyd, who live in the County Line Community. Then Tuesday afternoon we came

home and brought Frieda and Brandon with us.

Since then, our home has taken on some extra sparkle. Is there anything that brightens things up more than having a two year old grandson around for a few days?

The residents of the Easter Community have planned a Spook House for anyone interested in a fun filled evening. The Lions Club of this enterprising farming community, which is located in Northwest Castro County, is sponsoring the event.

If you're interested in spending a few hours enjoying yourself amongst ghosts and goblins, just drive over to the Easter Community Center and take advantage of some real old fashioned hospitality between the hours of seven and eleven Tuesday or Wednesday evening.

Vicky Fairchild of Adrian spent some time in an Amarillo hospital last week. She and a mirror had some kind of a mix-up and she came out loser, so had to have surgery on one hand.

Her maternal grandmother, Mrs. Otis Neel, talked to her later and she was at home and reported, "I'm doing fine."

She's the youngest daughter of Larry and Paula Neel Fairchild.

Roy Lee Taylor of Fort Worth died in a hospital there Tuesday evening following a long illness. His wife, the former Mary Wiley, grew up here.

Watson Whaley and Mr. and Mrs. Dennis Slagle, all of Friona, and Lou Whaley of Amarillo attended funeral services for Taylor in Fort Worth on Wednesday.

His widow is a sister of Alice Whaley.

Mr. and Mrs. Hollis Young and Mr. and Mrs. Bud Fisher, all of Visalia, California, were weekend visitors in the home of Mr. and Mrs. Irvin Henderson. The Youngs and Hendersons were neighbors in Baldwin Park, California, a number of years ago.

Otey Hinds, a former resident of the Black Community, who now lives in Hereford, is at home recuperating from recent surgery in Deaf Smith General Hospital.

Mrs. Eva Wendt visited in the home of Ruby Powell in Oklahoma City recently.

Zola Lee Wiggins, Lucille Collier and Eva Wendt attended funeral services in Clarendon Thursday of last week for Lora Ragen. Mrs. Ragen, a sister-in-law of Mrs. Collier and Mrs. Wendt, lived here during the thirties.

H.D. and Linda Simmons and sons, Dalton and Clint, returned home Wednesday afternoon after spending a couple of weeks or so in the Edna, Texas area. H.D., minister of Sixth Street Church of Christ, held a gospel meeting there.

Then, they visited in the homes of Linda's parents and other relatives and friends.

Mrs. Joe Collier and her daughter, Zola Lee Wiggins, recently visited in the home of Mr. and Mrs. Luther Stroud in Oakarchi, Oklahoma. Enroute home they visited in Burkburnett with Janie McCombs, Mr. and Mrs. Edgar Wiggins, Carla Wiggins and Bobby Wiggins.

Then, in Crowell, they visited with Ricky Wiggins. Janie, Edgar, Carla, Bobby and Ricky are Zola Lee's children.

The local Thespian Troupe and everyone who had a part in the recent production of "Annie Get Your Gun," is to be congratulated on a fine job.

Friona has every right to be proud of the talents of our many many young people and their willingness to spend the time and effort it takes to produce a musical such as "Annie Get Your Gun."

To every member of the cast and crew, the Friona Star crew wants to extend our most sincere congratulations for a job well done.

Guests this week in the home of Mr. and Mrs. Baxter Laymance and Stacy were Baxter's parents, Mr. and Mrs. Jack Laymance of Graham.

Mr. Laymance is a retired Caterpillar diesel mechanic. While here, the elder Laymannces attended "Annie Get Your Gun," in which their grand-daughter Stacy had a part.

Services Held Here For Pioneer Resident

Funeral services for Mary Dixon, 86, were held Monday, October 22 at the First Baptist Church of Friona, with the Rev. C.H. Murphy, Jr., officiating.

Burial was in Castro County Memorial Park, Dimmitt, under the direction of Parsons-Ellis Funeral Home.

Born October 12, 1893 in Powersville, Missouri, she was the eldest daughter of Charles and Rosa McLain. She moved with her family to Dimmitt in 1900. Mary was among the first graduates of West Texas State University in Canyon in 1914. She taught school south of Dimmitt after graduating from college.

On June 22, 1915, she and Clarence W. Dixon were married at the family home. In 1920 the Dixons moved to Parmer County, locating in the Rhea Community. She had been an active member of the First Baptist Church of Friona for 50 years. She was also active in the Friona Woman's Club, the Parmer County Historical Society and the Friona House of Friendship.

Mrs. Dixon has been listed in "Who's Who of Texas Women."

Survivors include one daughter, Mrs. Ray Landrum of Friona; two sons, Clarence E. (Buck) Dixon of Clearwater, Kansas, and James W. Dixon of Friona.

Two sisters, Mrs. Alice Anthony of Dimmitt and Mrs. Helen Tilger of Lubbock also survive, along with 11

MARY DIXON

grandchildren, nine great-grandchildren and one great-great-grandchild.

Pallbearers were Joel Landrum, Milon Dixon, Mendan Dixon, Ben Konis, Ben Landrum, Clark Dixon, Brian Landrum and Jeff Landrum.

The following poem was written by Mrs. Dixon, and expresses her admiration for her beloved West Texas:

"To A Wheat Field"
As you travel along our highways
Seeing beauty in our own land,
Just pause beside a wheat field
And view the glory of God's great hand.
In those nodding heads so yellow,
Health does surely abound,
Food to feed our nation at home,
And all around.

FRIONA PLAQUE...Dawn Gibson, left, presents Robert Neeley the county 4-H high-point club plaque which Friona won for the third straight year. The plaque is to be on display at Friona State Bank for everyone to see.

INTERCEPTION....Bret Moore clutches the football after intercepting a pass intended for Muleshoe's Sam Whalin (46). The interception came at Friona's ten-yard line and prevented a possible Muleshoe score.

Furious Mule Rally Overcomes FHS 36-23

Friona played a "Dr. Jekyll and Mr. Hyde" game at Muleshoe last Friday.

The underdog Chieftains surprised their hosts by jumping out to leads of 17-0 and 23-7 in the first half, before Muleshoe finally got their touted offense to rolling in the second half, coming from behind for a 36-23 win.

It was the district opener for both teams.

Friona took the opening kickoff, and thanks to a 36-yard run by Chuck Nichols, drove to the Muleshoe 15. On fourth down, the Chiefs were to try a field goal, but the snap from center was bad and the kick was never got off.

Friona got the ball back, and set out on another drive. Mike Hubbard ran 13 yards, Rod Owen 12 and 17 for first downs as Friona ran to the Muleshoe nine. Again, the drive bogged down, and this time freshman Mark Montoya booted a 26-yard field goal to get Friona on the scoreboard with a 3-0 lead.

Muleshoe received the kickoff, but the fielding back stepped out with the ball at his 14, and on the first play from scrimmage, the Mules fumbled the ball. Friona hopped on it.

Four plays later, Owen scored, and Montoya's kick made it 10-0, Friona, with 56 seconds left in the quarter.

Muleshoe's comedy of errors continued, as the Mules put the ball in play at their 16, only to fumble again, with Friona obliging with a recovery.

Three plays later, Owen again scored. He fumbled after crossing the goal-line, but the six-pointer was good. Montoya's kick made the score 17-0, and Muleshoe fans couldn't believe it.

Muleshoe quarterback Mike Northcutt sent Jim Norman down the sidelines, where he got behind the Friona defense and completed a 75-yard scoring pass play to get Muleshoe on the scoreboard at 17-7.

But Friona responded. Running the option to perfection, Chieftain quarterback Joe Malouf galloped 60 yards to the Muleshoe eight, being caught from behind. He went the last six yards two plays later, and the score became 23-7 with 8:32 left in the half.

Muleshoe again took to the air, getting 51 yards in two plays, and speedy Charles Walker gained 18 yards rushing. Northcutt scored the TD, which made the score 23-14 with 5:25 left before halftime.

Friona's only fumble of the night proved costly. Muleshoe had not stopped the Chieftain running game up to this point, but a fumble at the Friona 37 gave the Mules good field position.

The Mules converted the break into a TD in seven plays, and the score became 23-21, Friona, with 1:15 left in the half.

After an offensive display that saw Friona gain 250 yards to Muleshoe's 213 in the first half, the teams played better defense in the second half.

In fact, after that 34-point second quarter, neither team was able to put points on the board in the third quarter, but it took a pass interception by Bret Moore to stall a Muleshoe bid at the Friona ten.

The first punt in the game was by Friona, with 4:21 left in the third quarter.

Friona had a good play by Malouf and Hubbard late in the quarter. Malouf ran about 10 yards, then pitched back to Hubbard who was trailing and Mike made another 14

yards, moving the ball to the Muleshoe 38.

Malouf made another gain, and then gave the team a big first down at the Muleshoe 25, with a sneak for four yards. Bad luck set in, however, as Hubbard and Owen were stopped for no gain.

On fourth and six from the 21, Malouf was back to pass, then decided to run, and had an open field. A lone Muleshoe defender made a shoestring tackle at the line of scrimmage, otherwise the Friona quarterback might have scored. As it was, the Mules took over.

They proceeded to drive 77 yards in 12 plays which ate up most of the clock in the fourth quarter. Northcutt passed to Sam Whalin for the TD from eight yards out, and the Mules took the lead for the first time in the game at 29-23 with 3:53 left to play.

Friona tried a razzle-dazzle play

which resulted in an eight-yard loss, and Muleshoe got the ball back at the Friona 39 with 2:16 to play.

Due to an injury to a Friona player, Ben Landrum, causing the clock to be stopped, Muleshoe was able to score its last TD, which came with one second left, and brought the final margin of 36-23.

It was a great spectator's game, with some wild offense and some timely defense by the winning Mules.

It was a cleanly-played game, with Friona not drawing a single penalty (the only time in memory for a Chieftain team to play an entire game without penalty), and Muleshoe had only two flags for ten yards.

Friona produced its biggest offense of the season, and best balance, led by quarterback Malouf who led with 107 yards, helped by his 60-yard sprint. Every member of the starting backfield gained at least 60 yards.

Freshmen Chiefs Top Mules, 14-6

Friona's freshman football team scored a 14-6 win over the Muleshoe freshmen last Thursday in a hard-fought game.

Mike Neill scored Friona's first touchdown in the second quarter on a seven-yard pass from Bruce Patterson. The PAT try failed, for a 6-0 score.

In the third quarter, Pilo Castillo scored for Friona on a three-yard run and Friona converted the PATs for a 14-0 lead.

Friona played a good defensive game, as Muleshoe was not able to drive for a touchdown. The freshman Mules' only score came in the fourth quarter when they blocked a Friona punt and fell on the ball in the end zone for a TD. That brought the final margin of 14-6.

The freshmen had seven first downs, gained 86 yards rushing and seven yards passing. They also recovered two fumbles.

JVs Drop 21-14 Tilt To Mules

The Chieftain Junior Varsity dropped a 21-14 decision to the Muleshoe JV last Thursday night.

Muleshoe's first touchdown was set up by a Friona fumble. The Mules led 14-8 at the end of the first quarter. Friona's score came on a 26-yard run by Robert Caballero, and Michael Leal ran for two points.

Both teams' offenses moved the ball well during the second half, which ended with Muleshoe ahead, 21-8.

Friona got the only points of the second half when Nelson Jackson ran it in from the one-yard line.

Robert Caballero was the leading ground-gainer for Friona with 67 yards on 15 carries. Jackson added 18 yards; Robert Osborn 11; Craig Lookingbill 17 and Michael Leal 11.

Marciano Escalante had two fumble recoveries for Friona, Rudy Mendoza and Mark Osborn had one each.

Taylor's Warehouse Foods

105 Park Avenue--Hereford 1012 E. 10th--Amarillo 2827 S. Western--Amarillo

We have cut the frills to cut your total food bills! You will discover many exciting low-low everyday shelf prices on all your food items. Examples of more frequently-purchased item prices are shown below.

Check Our Regular, Every Day Shelf Prices.

You are able to save by shopping at Taylor's Warehouse Foods because:

1. We purchase in truck-load and boxcar load quantities and pass the savings on to you, the consumer.
2. Store hours have been reduced, consequently fewer employees are required and this saves on overhead.
3. We do not give trading stamps.
4. We do not have "loss leaders," consequently we do not have to overcharge you on other items.
5. There are many other reasons that our prices are lower, but the important thing is that you are able to trim your food bill expense while enjoying the high quality of name brand items.

Easter Lions To Operate Spook House

The Easter Lions Club's "Spook House" will be open for its annual Halloween scare session from 7 to 11 p.m. Tuesday and Wednesday nights, with the public invited to purchase tickets at \$1.50 each.

Attendance of small children is not encouraged. Mrs. Clarence Behrens said in making the announcement, since the spook house visit begins with a ride in an actual hearse and grows more gruesome.

Tickets must be purchased at the Easter Community Building, then the hearse will take the visitors to the building where the spook house is set up. Easter Lions use proceeds of the Halloween event for various service projects.

Walcott School Sets Carnival

The Walcott School will be sponsoring their annual Halloween Carnival this Saturday, October 27, starting at 6:30 p.m.

If you enjoy a good old fashioned carnival then this would be a fun place to go and take the children. There will be games, bingo, prizes and all the usual carnival booths.

Walcott is located 25 miles north of Friona on Highway 214.

We are so pleased to have Alice Whaley back with our weekly devotionals. She was out several weeks following surgery.

Talk about "the Lord always provides." He certainly does. For various reasons not one of our girls from Rhea could come for hair care Tuesday. It was "panic at 10:00." Then through the door came Betty Reeve, Beth Smith and Ruth Brown. They had decided to help the girls from Rhea with hair care. Marca Herring and Margaret Parsons arrived shortly after.

They managed to do nearly every one's hair and nails which is quiet an accomplishment and a full day's work. We really appreciate these girls. Ruth has been helping the Rhea girls regularly. A special thanks to each.

Lucy Welch and Authur Dettman have returned from Parmer County Community Hospital. Malinda Schlenker is still a patient in the hospital.

Mr. and Mrs. Raymond Adams

Reception Honors Raymond Adamases

Mr. and Mrs. Raymond Adams were honored with a reception at their home on Sunday, October 21, on the occasion of their 50th wedding anniversary.

The reception was hosted by Mr. and Mrs. Casey Adams of Amarillo, Mr. and Mrs. Floyd Brookfield, Mr. and Mrs. Calvin Ulen, Mr. and Mrs. Lloyd Rector and Mr. and Mrs. Floyd Wilkins of Friona.

Nola Griffith and Raymond Adams were married October 19, 1929 at Clovis, N.M., and have been residents of Friona ever since their marriage.

The serving table held a four-tiered cake, topped with a "50th," in honor of the occasion. The cake was baked by Mrs. Lloyd Rector. The table was decorated with a white lace cloth over gold. A centerpiece consisted of gold silk flowers. Crystal serving appointments were used.

Between 50 and 60 guests were registered.

A special guest was Mrs. Ethel Adams, mother of Raymond Adams.

Nola Adams wore a corsage of gold roses. He wore a gold rose, with baby's breath boutonniere.

A pre-anniversary luncheon honoring Mr. and Mrs. Raymond Adams was held Sunday, October 21

in the home of Mr. and Mrs. Floyd Brookfield, 1208 W. 7th in Friona.

Those enjoying the special occasion for the honored couple were Mrs. Ethel Adams, Raymond's mother, Mr. and Mrs. Casey Adams of Amarillo, Mr. and Mrs. Frank Griffith, Paul Griffith, Mrs. Zaydee Griffith, Mr. and Mrs. Lloyd Rector, Mr. and Mrs. Floyd Rector, all of Friona and Mr. and Mrs. Tom Griffith of Bovina.

Lazbuddie News

By JANET WILKE

By JANET WILKE

The Lazbuddie Longhorns came away victorious last Friday night as they made a big impression on the Roughnecks of Sudan, 35-0 in the Longhorns' Homecoming game.

Quarterback Andy Rogers scored four of the Longhorns' touchdowns single-handedly as he made good on attempts from the 35, 21, one and eight yard lines and rushed for over 200 yards in the game.

Apolonio Sanchez added the Longhorns' final TD by carrying it over from the two yard line in the fourth period.

The victory was a sweet one for the Longhorns and the second win in District. It was a pleasurable sight for Homecoming Longhorn fans.

In a pre-game ceremony, Miss Terri Clark and Mr. Apolonio Sanchez were crowned as the Homecoming Queen and Football Hero for 1979. Others in the

Homecoming Court were Miss Kim Gregory and Miss Trestia Moore as Queen candidates, and Dennis Steinbock and Keim Smith as Football Hero candidates.

PCTA Has Meeting At Lazbuddie

The Parmer County Teachers Association met Monday, October 15 at the Lazbuddie School District. A ham dinner was served.

The group was entertained with a short skit depicting what schools would be like in the year 2000. The skit was presented by a group of Friona teachers under the direction of Jeanne Moseley.

Mrs. Moseley also gave a report on the NEA Convention she attended in Detroit. The Association elected their delegates to the Texas State Teachers Convention to be held in March. Patricia Turner, third grade teacher in Bovina, was selected as the alternate.

The next meeting will be in Bovina in January.

Art Sale To Benefit Charities

The works of local artists, as well as artists throughout Texas and Oklahoma, will be featured at a Starving Artist Sale November 16-18.

Sponsored by the Lubbock Jayceettes, the exposition will be held at the former TG&Y Building in Monterey Center. Nancy Morgan, publicity chairman for the sale, said "many kinds of art, such as jewelry, oil paintings, ceramics, macrame, and wire sculpture will be featured."

The sale will be open Friday, November 16 and Saturday, November 17 from 10 a.m. until 8 p.m. and Sunday, November 18 from 12 noon until 5 p.m.

Proceeds from the sale will go to charities. Last year's proceeds from the sale went to the March of Dimes, Multiple Sclerosis Society, Family Services of Lubbock, Lubbock Area Foster Parents Association, Lubbock Area Children's Shelter, Lubbock Jaycee's Children's Shopping Tour and the Texas Jaycee Campus.

This will be the eighth annual sale the Lubbock Jaycee-ettes have sponsored.

Study Club

Members Met

In Stone Home

Members of Black Study Club met October 18 in the home of Ruby Stone.

The roll call was answered with "Your Hobby." The members made Halloween favors for residents of Prairie Acres.

After refreshments of salad, nuts, candy, cake, hot apple cider and coffee were served by the hostess, Mrs. Melody Drake demonstrated Tupperware Products.

Members present were Mrs. T.A. Kelley, Mrs. Fern Barnett, Lucille Rockey, Mrs. Rosco Ivie, Mrs. Ellis Tatum, Mrs. Gene Welch, Mrs. Harry Lookingbill, Mrs. Tommy Tatum, Mrs. T.J. Preley, Ethel Benger and Helen Fangman.

Also prior to the game, the Lazbuddie Seniors hosted a barbecue supper in the school's cafeteria.

Thursday night, October 18, LHS students set ablaze a bonfire which was constructed of wood gathered by the various classes in junior high and high school. Gathering the most amounts of wood were the junior class and the eighth grade class.

Mickey Wilson, High School principal, served as judge for the event. As an incentive for the winners, the two classes will be awarded a free period in the Activity Room of the Gym.

Winners in the door decorating contest were the sixth grade class and the juniors. For their hard work, they each will have a free period in the Activity Room of the Gym.

Mr. and Mrs. Flame were selected also at the Thursday night bonfire. They were Earlene Burton and Mickey Powell.

Band Boosters Meet Mon., Oct. 15

The band aides, booster organization of the Lazbuddie Longhorn band, met in a regular meeting on October 15 in the Band Hall. Mrs. Joyce McGehee presided over the meeting. Several items of business were discussed with the members present. Band director Carl Wilke discussed plans for marching contest, which will be held on Nov. 6 in Lubbock.

Members of the Longhorn band are currently selling stadium seat cushions for \$5.00 apiece. These are constructed of high quality vinyl and have "Lazbuddie Longhorn Band" imprinted on them. Proceeds from the sales of the cushions will go toward the purchase of cushions for the band members to protect their new uniforms. Cushions may be purchased from any band member or by calling Carl Wilke, the band's director, at 965-2963.

News From The Little People

Mrs. Ann Faver's class welcomed her back to school on Monday after she had been out for surgery the past few weeks.

Lazbuddie Elementary students are geared up for Halloween, as evidenced by passing down the halls in their part of the building. Mrs. Adenna Carlyle's first graders have

made pictures of witches for the halls, and Mrs. Becky Noland's third grade has made pictures of murder, massacre, and mayhem for their part of the hall. Mr. David Faver's class is named on a full moon as bats flying into the night sky. More to come as October 31 approaches.

Longhorn Boosters Have Supper

Longhorn athletic boosters had a salad supper in the school cafeteria on Tuesday, October 23. Each family brought a salad for the get together, and then all attending were shown films of the Longhorn's victory over Sundown. Quite a good turn out was there.

Halloween Party Honors Cub Scouts

Den 1 Cub Scouts had their regular meeting Monday, October 22 at the Scout Hut. Arrow points were earned by James Monk, Jesse Ramon, Cody Bracken, John Stephens and Benny Vasquez.

The boys made Halloween tag tray favors for Prairie Acres' residents and their den grandparents, posters for the "trick or treat" project, and decorations for their game chest.

Highlight of the meeting was a pirate treasure hunt followed by special Halloween refreshments served by Benny Vasquez. Den leaders furnished party decorations and favors to complete the fun.

The "Trick or Treat" project is to help restock Scout Hut household supplies lost in recent vandalism. Special thanks to Houser's and Piggly Wiggly for allowing us to place boxes for these donations in their stores.

The next meeting will be November 12.

GINA LYNN ANGELEY and RONNIE LYNN WILKERSON.... Mr. and Mrs. Ken Angeley of Muleshoe announce the engagement and approaching marriage of their daughter, Gina Lynn to Ronnie Lynn Wilkerson, the son of Mr. and Mrs. Junior Wilkerson of the Hub Community. The bride-elect is a senior at Muleshoe High School. The prospective bridegroom is a 1978 graduate of Friona High School and is employed with his father in cattle and farming. The couple will exchange wedding vows on December 1 at 7:30 p.m. at the First Baptist Church of Muleshoe.

Program Highlights

Study Club Meeting

Modern Study Club members met in regular session October 16 at the Women's Club House for a program on "Solar Energy."

Faye Reeve called the meeting to order and Janet Buske led the group in the Pledge of Allegiance followed by the singing of "The Star Spangled Banner."

Roll call was answered by naming ways to use the sun at home. Minutes of the last meeting were read and approved. Committee reports were called for. Rhea Foster gave a report for the finance committee. Lora Mae McFarland, chairman of the library committee, reported that two new best sellers had been ordered for the library.

Linda Murphree made a motion that the club time be changed from 7:30 to 7 p.m. The motion carried. Winfred Hurst read a "Thank You" card from Dana Miller, the club's

Maize Days queen contestant, thanking the club for the gifts given her and for the honor of representing the club as a contestant.

Allo Reeve gave a report on the T.F.W.C. meeting held in Dallas. Beth Thompson brought a report on the workshop on "Home and Life" presented at the district meeting held in Levelland. Faye Reeve pointed out the fact that the speaker emphasized women's role and opportunities in America. She reported that Friona, Farwell and Bovina will be host for the 1981 District Meeting, with the theme to be on "Expanding."

Beth Thompson, program director, presented Vera Beil who gave a discussion on "Solcost," bringing out what solar energy is and emphasizing that the sun won't run out of energy for another several billion years. She presented the facts

that using solar energy can help our nation by conserving the conventional sources that we already have and by helping to control much of the pollution in the air. She stated that there are many questions to be answered before solar energy can be installed in a home and these questions can only be answered by a mechanical engineer.

Linda Murphree told how solar energy can be used for heating and cooling. By a drawing, she illustrated how the energy from the sun can be converted and stored for use in the home.

Mary Johnston showed how solar energy can be used for agriculture and industry. She stated that solar energy in agriculture is not new for the sun has been in use for drying foods, growing crops and even in the evaporation of salt. Farmers use about 30 calories of heat energy to produce every food value calorie. The annual consumption is equivalent to 258 million barrels of oil each year. Industry uses more than five

million barrels of oil each year, half of which is process heat; which could easily be supplied by solar energy.

A basic solar thermal conversion system would have these basic elements: (1) a concentrator, (2) a receiver to absorb radiant energy, (3) means for transmitting heat to a storage facility or directly to the turbogenerator, (4) means for storing heat when the sun is not shining, and (5) a turbogenerator that converts heat energy into mechanical energy and in turn into electricity. She also said that there are many different methods of using solar energy and each can supply a special need. America with its resourceful people will probably never go back to a dark cold existence. It will be necessary to rethink our methods of keeping the symbolic "candle in the dark burning."

Refreshments were served to nineteen members and one visitor, Mrs. Louise Dunham, by the hostesses, Martha Mars and Beth Thompson.

MISS WAYLAND ENTRIES....These three Friona coeds are among 26 young ladies who will be vying for the title of Miss Wayland Baptist College 1980 during the College's annual beauty pageant this Friday and Saturday, October 26-27, in Plainview's Haral Memorial Auditorium. They are, left to right, sophomore Cindy Cleveland, daughter of Mr. and Mrs. W.L. Cleveland; sophomore Barbara Rhodes, daughter of Mr. and Mrs. O.C. Rhodes; and freshman Renae Monroe, daughter of Mr. and Mrs. Clarence Monroe. The Pageant is scheduled to begin at 7:30 p.m. each evening, with the winner earning a ticket to the 1980 Miss Texas Pageant next July in Fort Worth.

Director Named For County Spelling Bee

For the 32nd year, the Amarillo Globe-News and West Texas State University, Canyon, joined together in sponsoring the National Spelling Bee.

The director for Parmer County is Don Malone, principal of the Farwell Elementary School.

The county bee director is totally responsible for planning and directing the county event. He may conduct the Spelling Bee in an oral or written competition. However, the 1980 county winner will spell orally in regional competition in Amarillo on April 12.

This year's Regional Spelling Bee will be held earlier than in past years because the National Spelling Bee is now scheduled for the week of May 25, rather than the first week in June.

8th Grade Braves Top Mules 9-6

Robert Escalante kicked a 26-yard field goal for the Friona eighth grade Braves, and the three-pointer was the difference in Friona's 9-6 win over Muleshoe's eighth graders.

The Braves scored first on a five-yard run by Reese Fleming. The PAT try failed.

In the third quarter, Muleshoe ran a 27-yard touchdown, and their PAT try also failed.

The big play of the game for Friona was when Kevin Brogden recovered a fumbled Muleshoe punt in the fourth quarter, as this led to Escalante's winning field goal.

Fleming intercepted a Muleshoe pass late in the game to halt a drive.

Brogden caught two passes for a total of 32 yards, and Escalante caught one for 19 yards.

The Friona backs had a great night, led by Charlie Morgan, Reese Fleming, Johnny Gomez, Eloy Caballero and Matt Loftis. They ran for a total of 211 yards.

"The entire line blocked extremely well, and the defense was great. Overall, it was our best game of the year," said Coach Hand.

The Braves were playing at Morton on Thursday.

This came about because the National Spelling Bee is moving to new headquarters in Washington, D.C. and the new facility cannot accommodate the Bee group the first week in June. In all future years the Bee will move again to the first week in June.

The top county winner in area competition in Amarillo on April 12, 1980, will receive the all-expense paid trip to Washington, D.C. to represent the area in national competition. The Amarillo Globe-News awards this trip to the district champion and one escort.

Numerous other prizes will be given with approximately the top 12 receiving special awards. Every school boy or girl who competes, beginning at the classroom level, will be given a certificate, suitable for framing.

Copies of the new 1980 "Words of the Champions" are now available from the Amarillo Globe-News at 30 cents each. To obtain this practice booklet, containing more than 500 changes, students, teachers and/or principals may order direct from the newspaper by writing the Spelling Bee Editor, Amarillo Globe-News, P.O. Box 2091, Amarillo, Texas 79166.

Rules, established by the national sponsors, the Scripps-Howard Newspapers, allow any student who has not reached his/her 16th birthday or gone beyond the eighth grade at the end of the current school term, to compete. Public, private and parochial students may enter.

The AGN-WTSU area promotes a Junior Bee for boys and girls in grades four, five and six. These county Junior winners do not compete in the district event unless the student wins both divisions. They are special guests at a luncheon preceding the April 12 spelldown at the Amarillo Country Club and will be given special trophies during the afternoon activities.

The luncheon will be given in honor of the Senior County winners. The 1979 Regional Winner, Rick Stout, will be guest speaker. He is from Dumas.

Additional information may be obtained from Mrs. Jeane Bartlett, the newspaper spelling bee editor, or Gene Parker, director of placement, WTSU, Canyon.

Book Talk

By NELSON LEWIS

In one respect the book world is like the stock market--there are peaks and depressions. I won't say that The Stone Bull by Phyllis Whitney is a depression but I did find the story line hard to follow.

Many popular writers are said to have written 20 or 30 books. In my opinion they have written one story 20 or 30 times.

One of the peaks is "Dateline America" by former newsman Charles Kuralt. Here we have a delightfully entertaining book of photographs and concise script that may occupy five minutes or five hours.

....

The Writer's Roundup in Canyon was a wonderful experience. The Panhandle Penwomen deserve everyone's thanks for keeping literary fires burning in our area.

In case you don't know--books are not a happenstance affair. Long hours of hard work on the part of writers, publishers and distributors are needed before a book appears on the library shelves. Then the librarians must process, check out, check in and handle Federal, State and Local regulations.

It is mostly a labor of love. Enjoy it!

Olton Club Sets Dinner

Olton Women's Clubs will be serving their 13th annual Community Turkey Dinner just prior to the Friona-Olton football game.
