SOME PEOPLE ARE WONDERING if the Carter administration's reaction to the current situation in Afghanistan is not merely so much election-year fallerol.

The rhetoric sounds good. We'll admit that even in this space a few weeks back, we supported the threatened Olympic boycott as a means of protesting to the Russians.

It's always good politics for our national leaders to take on the Russians. Nothing makes better headlines.

But some have questioned the logic of our reaction to the Afghanistan situation, especially when viewed in light of our participation in Korea and Vietnam, both of which were very unpopular military involvements for the United States.

Is it not possible that Afghanistan could turn out to be the next Vietnam? And would our fearless leaders risk the lives of thousands of our young citizens, just to get re-elected? It is the thought of many that they are doing just that.

You'll recall that prior to last November, when the Iranian hostage situation developed, that President Carter's popularity was among the lowest ever for a president. Most people weren't about to give him their vote for re-election, and his opponents couldn't wait for the primaries.

But suddenly there was the Iranian situation, which demands a certain amount of national pride, and suddenly Carter's popularity has received a tremendous boost. It is virtually un-American to say anything against the president during a period of crisis.

This over-reaction, though, as it has been termed by some, could get our country into another trouble-spot. And some experts say that Russia is simply doing what one would expect them to do, especially in light of some of the United States' actions, including befriending China, Russia's enemy.

The trade embargo has hurt America, especially its farmers, far worse than it may ever hurt the Soviet Union. And an Olympic boycott could prove to be a devious tactic, besides perhaps sabotaging the modern Olympics' future.

Military "containment" achieved very little for the free world in Korea and Vietnam. In fact, Vietnam was probably the biggest military disaster our nation has ever known. We would hope that our leaders, in particular, the Carter administration, will not stoop so low as to value their political careers so highly that they would create another Korea or Vietnam.

Economic experts have said that nothing picks up the economy more than war, which places demands on all of our resources. But we would hope that our leaders can come up with a program which will be a little more sensible.

DID YOU NOTICE that John Connally came up with a unique campaign idea this week? The Texan seeking the Republican nomination for president bought an hour of prime time on the two "super stations" which are received on cablevision locally, and the commercial played simultaneously on both channels.

Thus, Connally undoubtedly reached a large segment of the nation's TV audience, and no doubt his advertising bill was considerably less than it would have been on CBS, ABC and/or NBC.

Conservatism is just one of the qualities that we have always admired in Big John.

Monday Banquet To Honor Clayton

Bill Clayton, state representative for District 74, and Speaker of the House of Representatives, will be honored with an Appreciation Dinner in Friona Monday night at 7:30 p.m. at the Friona High School Cafeteria.

There will be some tickets available at the door, at \$7.50 each, but those in charge of the dinner urge residents to purchase their tickets in advance.

Originally scheduled simply to allow residents of Parmer and Bailey counties to show their appreciation to Clayton for his work in Austin, the banquet has taken on added significance in recent days.

The dinner is now seen as an opportunity for Clayton, who has come under attack in the so-called "brilab" investigation, to give his side of the story. Brilab has made Clayton the hottest news item in the state during the past week.

Clayton was accused last weekend of accepting \$10,000, in \$100 bills, from an "insurance company representative," as a political contribution. Clayton says he had no intention of accepting the money, and had kept it in his desk drawer to return to the individual.

He did not openly refuse the donation on the spot, he says, out of respect for a longtime friend, L.G. Moore of Houston, who brought the man, Joseph Hauser, to see Clayton. "I did not want to create a scene and embarrass Mr. Moore, so I laid the offered contribution on my desk," Clayton says.

The Brilab incident, which also involved others in Texas, Louisiana and Oklahoma, was a wide-ranging FBI "sting" operation, but has been seen by many of Clayton's supporters

Noland Is

Hospitalized

John Noland of Friona remained in intensive care at St. Anthony's Hospital in Amarillo, following an apparent attempted suicide here Monday.

The Friona Police Department received a call at 12:30 p.m. Monday to go to 921 Pierce, that a "man had shot himself." An ambulance was dispatched, and Noland was found in his bedroom, in an unconscious state.

Chief of Police Bill Denney said Noland had been shot in the head with a .22 calibre pistol.

He was first taken to Parmer County Community Hospital in Friona, and then transferred to St. Anthony's Hospital in Amarillo.

FUND ESTABLISHED

A fund has been established to assist the Noland family with their hospital bills, it was reported by the Friona Ministerial Alliance.

Residents wishing to contribute to the fund may do so at Friona State Bank.

SHOW UNDERWAY....Shown getting ready for the Parmer County Jr. Livestock Show here this weekend is Winfield Davenport, shown giving his steer a bucket of feed. A record number of animals were expected for the show, which was held in Friona Friday. The auction sale is slated for Saturday at 1 p.m.

as an effort to knock Clayton out of his powerful Speaker's seat.

"The big city people don't want a West Texan having that much political power," said one of Clayton's Springlake neighbors this week. The residents of the Springlake area, who know Clayton best, are dismissing the incident as "so much political year hogwash."

Support for Clayton has emerged this week, from his colleagues, and from bi-partisan sources.

We noted the following in the current directory of the Texas House of Representatives, and thought it pertinent to the current situation:

"Over his years of public service, Clayton has earned a reputation as a fair, open and hard-working member of the House, and was the overwhelming choice for Speaker by his fellow House members when elected in 1975, again in 1977, and made history in 1979 as the first Texan to hold the Speaker's position for three consecutive terms.

Claim Fraud Cited In F.B. Shakeup

The manager of the Parmer County Farm Bureau agency, Milton Evans, and his three salesmen, Larry Kennedy, James Williams and Jay Claborn, have been removed from their position due to irregularities involving filing of claims, it was learned this week.

Charles Scruggs, district sales manager for Farm Bureau, said some claims had been filed which were not legitimate. "Farm Bureau felt it was desirable to withdraw the contracts of the men, due to the circumstances," Scruggs said.

Evans, who served as agency manager for Parmer County Farm Bureau for ten years, denied knowledge of the fraudulent claims.

REC Slates Annual Meet

The 42nd annual meeting of the membership of Deaf Smith Electric Cooperative will be held Saturday, February 23, at the Bull Barn in Hereford.

Registration and serving of a barbecue luncheon begins at 5 p.m. A business meeting begins at 6 p.m.

During the business meeting, two directors will be elected to the board. A.W. Anthony, Jr. of Friona will be opposed by Harrell Mays on the ballot. Jerry Roberts of Deaf Smith County is unopposed.

Over \$1,000 in gifts will be given during the meeting. All members are urged to attend.

"As Speaker, Clayton has transcended the usual political boundaries that separate and divide public officials. He is considered a person to be trusted by proponents and opponents on any issue. His major concern is an efficient, economical state government for Texas and a government in which every Texan can be proud."

In his first public appearance since the "Brilab" accusation, at Hereford this past Monday, Clayton had a crowd of 350 supporters, who gave him a ten-minute standing ovation following his remarks.

Since he was first elected Speaker in 1975, Clayton has been the leading voice for trimming size of government while insisting on efficiency in its programs and services.

His hand has guided tax reform legislation, the sunset process, educational upgrading and funding

(Continued on Page 5)

CLAYTON COMING....State Representative Bill Clayton, Speaker of the Texas House of Representatives, and his wife Delma are shown here. The Claytons will be in Friona Monday night for an appreciation banquet sponsored by friends of the Claytons.

Terms Are Expiring For City & School

Two places expire on the Friona School Board of Trustees this year, according to Superintendent of Schools Tom Jarboe.

Terms of Jerry Hinkle and Jerry London are expiring. Both have completed three-year terms, and each has indicated that he will seek a new term, Jarboe said.

Filing deadline for the school board is March 5. The election will be held on April 5, in conjunction with the annual city election.

Last day to register to vote, if a person is not otherwise qualified, is Thursday, March 6.

The absentee voting period will begin March 17, and it was pointed out that the election date this year is on the Easter weekend, in case potential voters plan to be gone that day.

On the city council, terms of mayor B.K. Buske, and two councilpersons are expiring. The council seats are held by Clarence Monroe and Mike Chaney.

Petitions may be secured from the city office or superintendent's office for the elections.

City Gets Packer Unit

The City of Friona received a new trash packer truck this week to supplement the one currently in use.

The truck chassis was purchased through Reeve Chevrolet-Olds Company last September. The packer was manufactured by the Pak-Mor Company of San Antonio.

The truck was delivered to San Antonio in January, and the body was assembled and delivered to the city on February 11. Total cost of the packer truck was \$33,320, with the truck chassis costing \$17,420 and the packer body another \$15,900.

The cost will be underwritten by the city's Revenue Sharing Funds. The additional truck will facilitate better trash service and allow a back-up packer when one is out or order.

G. Williams Will Retire As Manager

It was announced at the annual meeting of the Friona Texas Federal Credit Union that longtime manager and treasurer of the organization, Geneva Williams, would retire as of March 1, 1980.

Moving up to become manager of the Credit Union will be Barbara Maynard, the current assistant manager. Billie Tongate, another staff member, will become assistant manager at that time.

Mrs. Williams has served as manager of Friona Texas Federal Credit Union for the past 12 years, but has been an active member of the organization for its entire history, even attending some of the formative meetings of the organization.

"I appreciate every one of you. I have enjoyed serving in my capacity, and working with the members of the Credit Union. But there comes a time to make a change. I feel like the organization will be in good hands," Mrs. Williams said.

"Each of you, the members, are the most vital ingredient in the Credit Union," she said.

At the conclusion of the annual meeting Tuesday night, Mrs. Williams was presented with a beautiful silver coffee service by the board of directors, and a dozen red roses from the employees of the Credit Union.

HONORED....Geneva Williams, longtime manager of the Friona Texas Federal Credit Union, was honored with a silver tea service during the annual meeting of the Credit Union here Tuesday. Arlen May, president of the Board of Directors, made the presentation. Mrs. Williams is retiring as of March 1. Barbara Maynard, who will be the new manager, presented Mrs. Williams a dozen roses.

FRIONA FLASHBACKS

....from the files of The Friona Star

50 YEARS AGO—FEB. 21, 1930

The building committee of the Methodist Church met Thursday night and adopted plans for the new Methodist Church building. It is to be a three-story brick building, containing 14 rooms besides the auditorium. The auditorium, including the balcony, will seat about 500 people and the general dimensions will be 42 by 74 feet, and the cost will be between \$12,000 and \$14,000.

45 YEARS AGO—FEB. 22, 1935

The Parmer County basketball tournament held here the latter part of last week was, in all respects, the most satisfactory tournament that has ever been held in Parmer County. The local teams, both the Chiefs and the Squaws, won the championship of the county by good safe scores, and will be thus entitled to represent the county in the district tournament.

40 YEARS AGO—FEB. 23, 1940

The local highway leading into Friona from the north on the west side of the city is now receiving a substantial caliche surfacing, the work being done by WPA workers of the county. It is proposed to extend the surfacing to a distance of three miles north. This will be a decided help to traffic from that part of the territory.

35 YEARS AGO—FEB. 23, 1945

The Air Medal and Oak Leaf Cluster has been awarded to Staff Sgt. Roy E. Hughes, and the decorations will be sent to his parents, Mr. and Mrs. Buford Hughes, according to word received here last week from the Air Force.

30 YEARS AGO—FEB. 17, 1950

The \$93,000 sewer system was completed in Friona this week, finishing a project which was started by passage of a bond issue in June of 1946. Completion of the new system should pay big dividends to the estimated 1550 Friona residents.

25 YEARS AGO—FEB. 18, 1955

Construction has commenced on a cotton gin located one-half mile west of Hub, the owners announced this week. To be known as the West Hub Gin, the firm is to be headed by Leo Ruzicka, manager. The gin expects to be completed in March. The project is reported to involve about \$210,000.

20 YEARS AGO—FEB. 18, 1960

Funeral services for Mrs. F.L. Reed, a resident of Parmer County the past 52 years, were conducted from the Friona Methodist Church at 4 p.m. Saturday.

Needing a victory to enter the district playoffs against Tulia, the Friona Squaws soundly defeated the

Canyon girls, 83-48 last Friday night.

15 YEARS AGO—FEB. 18, 1965

A colored man died, apparently from exposure early Sunday morning in a Friona street. Patrolman Travis Clements, who investigated after a call was received by the police department, discovered the man's body at Fourth and Prospect. Officers are investigating.

10 YEARS AGO—FEB. 19, 1970

Members of the Chamber of Commerce, the city manager and publisher of the Friona Star met with representatives of General Telephone Co. of the Southwest Tuesday at noon, and discussed possible additional telephone service for Friona. One of the things discussed was the possibility of connecting Friona and Bovina for dialing purposes, with no toll or long distance charges.

5 YEARS AGO—FEB. 16, 1975

Friona and Dimmitt, each winners of half a district title, go for the whole ball of wax next Thursday in a special playoff game to decide which team will enter the state playoffs. The battle will be played at Levelland's Texan Dome fieldhouse on Thursday, February 20.

James Andrews, assistant band director for the Friona Schools, was named first place national winner in the music composing contest sponsored by the College Band Directors Association and held last week at the University of California in Berkeley.

Rites Held Here For C. Galicia

Funeral services were held last Saturday here for Celestino Galicia, 24, who was found dead in his apartment February 6.

He was born February 11, 1955 in Friona.

Services were conducted Saturday afternoon at St. Teresa's Catholic Church of Friona. Rev. Ronald McGovern, pastor, officiated.

Burial was in the Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

Survivors include his wife, Rosie; two sons, Celestino Galicia, Jr., and Jerry Galicia, both of Friona; two daughters, Christina Galicia and Terry Galicia, of Friona.

Also surviving is his father Camilo Galicia of Modesto, California, and his mother, Mary Galicia of Amarillo. His grandmother, Mrs. Alfonso Aragon, of Friona, also survives.

Five sisters survive: Janie Galicia of Winchester, Ky.; Gloria Galicia, Patsy Galicia, Delores Galicia and Daisy Galicia, all of Friona; one brother, Frank Galicia of Amarillo.

Pallbearers were Tony Romo, Steven McCume, Ramiro Castaneda, Noel Guerra, Raul Brailiff, and John Rando.

Parmer County FmHA Office To Be Closed

The Parmer County office of the Farmers Home Administration will be closed three days from February 19 to February 21 to permit the employees to attend a multi-district FmHA meeting at Lubbock.

Billy R. Boling, FmHA county supervisor, said the office will re-open for regular business at 9 a.m., February 22.

County Supervisor Billy R. Boling said that FmHA, as the rural credit agency of the U.S. Department of Agriculture, attracts private capital to rural areas as well as makes direct loans to farmers, homeowners and small towns.

E.H. BRADSHAW

E.H. Bradshaw Rites Held Here

Services for E.H. Bradshaw, 75, were conducted Tuesday, February 12 at First United Methodist Church of Friona. Officiating were Rev. Jim Boswell, pastor, and Rev. Wallace Kirby of Hereford, a former pastor.

Bradshaw died Sunday, February 10 at Parmer County Community Hospital.

He was born August 29, 1904 in Bell County, Texas. Mr. Bradshaw was a carpenter by trade. He helped to organize and build the Wesley Methodist Church in Levelland.

A resident of Levelland for ten years, Bradshaw had been a resident of Friona for the past 24 years.

Bradshaw married Eula Elizabeth Cook in McCaulley, Texas, December 24, 1925.

Burial was in Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

He had been a member of the Methodist Church for 45 years.

Survivors include his wife Eula of the home; one daughter, Mrs. Billie Long Homer of Clovis, N.M.; two sisters, Erma Barr and Laura Mae Jones, both of Abilene; two brothers, J.N. Bradshaw of Abilene, and Bill Bradshaw of Wichita Falls. Also surviving are seven grandchildren and seven great-grandchildren.

Pallbearers were Bobby Kindred, Jerry Kindred, Ronnie Kindred, Tommy Long, Bubba Long and Jim Snead.

Honorary pallbearers were Marion Fite, Hilton Wilson, Rene Snead, Volley Hodges, Ralph Taylor, Jerry Fancher, Charles Allen, Arthur Drake and Ralph Shelton.

Myrtle Perry Rites Held In Okla.

Myrtle Perry, 84, passed away Sunday, February 10 at the Deaf Smith General Hospital in Hereford.

Graveside services were held at 2 p.m. Tuesday, February 12 at the Ryan Cemetery, Ryan, Oklahoma under the direction of Parsons-Ellis Funeral Home. Memorial services were conducted at 2:30 p.m. at the Ryan United Methodist Church.

Officiating were Rev. Dick Richards, Bovina, and Rev. Bob Stone.

Mrs. Perry was born June 13, 1895 in Smyrna, Georgia. She married Bertie Perry on August 1, 1920 in Edmond, Oklahoma.

Mrs. Perry was a member of the Bovina Methodist Church since childhood, and belonged to the Order of Eastern Star.

Survivors include two daughters, Eloise Dixon of Bovina, and Elizabeth Carter of Pampa; one son, James Perry of Jacksonville, Texas, nine grandchildren and six great-grandchildren.

Barley Crop Sets Record

Barley production in Texas established a record yield in 1979, with Parmer County leading the state in production, Agriculture Commissioner Reagan V. Brown has announced.

Parmer County led all other counties in barley production with a yield of 330,000 bushels from 4,400 harvested acres, Brown said.

Barley production statewide totaled 2,300,000 bushels, more than doubling last year's total of 1,080,000 bushels. Harvested bushels per acre also registered a dramatic gain, Brown said. In 1978, the average yield per acre was 27 bushels, compared to a 70 per cent increase of 46 bushels in 1979.

Approximately 100,000 acres of barley were planted in the state last season, Brown said, but only "half of that was harvested due to the severe winter that damaged many barley crops."

FRIONA STATE BANK

Two Friona Youths Enter Houston Show

Two FFA members from Friona will be participating in the 1980 Houston Livestock Show and Rodeo, February 20-March 2. With more than 27,000 expected livestock entries, the Houston Show will once again be the largest in the world.

Attending from Friona will be Tim Jones and Shain Rhodes.

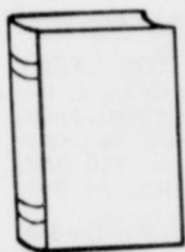

For junior exhibitors throughout the state, the Houston Show is the culmination of a year's hard work of preparing their animals for the toughest of show ring competition. It is hard work that often pays off: open show and junior exhibitors will vie for more than a half a million dollars in prize monies and premium auction prices above market value.

From a spectator's point of view, the young exhibitors are center-stage in a two-week extravaganza that begins when Houston, the fastest growing city in the nation, takes a step backwards in time and brings a bit of western heritage to its busy streets.

Horses, buckboards and stagecoaches take to the concrete and businessmen don western hats and boots to welcome the largest civic event in the history of this bustling oil and space flight capital.

More than 6,000 trailriders journeying as far as 386 miles will join city officials and bands as the annual rodeo parade winds through the canyons of downtown streets at 9:15 a.m. on Friday, February 22.

Following the parade, the action moves farther out Main Street to the Astrodome and the adjoining Livestock Exposition Facilities where the rodeo opens with a matinee performance in the Astrodome at 2 p.m.

Book Talk

By NELSON LEWIS

Attention Junior High students! "The Great Yellowstone Steamboat Race" by Robert J. Steelman is available at Friona Public Library. I don't think Mr. Steelman had young folks in mind when he wrote this thrilling narrative but it seems to me that your age group will appreciate it. It's a good yarn but be prepared; there is a hint of Western History in it.

Now to the parents and grandparents of the above. Want a good laugh? So do I.

Mary Lasswell can deliver it. If she got on the scales her five foot figure would be outweighed by her sense of humor. Last week I asked for some more of her books. Our local library came through with "Suds In Your Eye" and "Let's Go For Broke." The tiny woman is a genius. Just goes to show you what any of us can do if we put our minds to it, everyone has a story.

Do you have a story? Why not write it and send it to the Star or the Parmer County Historical Society. The second book on our county's history is in the making. Mr. Hugh Moseley at the courthouse will welcome your contribution. Give him a call.

During the second World War a young man entered the Army, a few years later he was a major. When asked what was responsible for his rise in rank he said, "It's all in the book."

Can it be that it's all in the book for you?

Give it a chance, support your local library and find out!

Letter To The Editor

Dear Bill:

Many people are wondering about the legality of the questions that will be asked by census takers in 1980. They hear of threats of punishment for those who refuse to answer more than the Constitution requires.

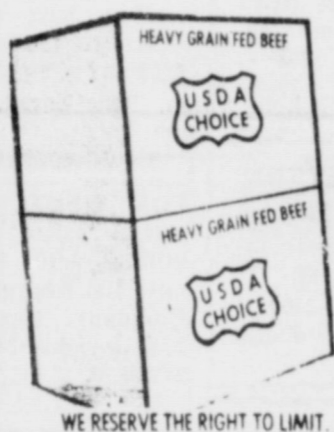

So, in order that people may have an opportunity to get together and share the various answers and alternatives that they have, we have rented the Friona Community Center for an open meeting on the subject, "What to do about the Census." This meeting will be open to anyone interested in the subject. Everyone will be given an opportunity to express their views. The meeting will be February 22 and will start at 8 p.m. We hope there will be a good turn-out.

Sincerely,
Fred & Daisy Beversdorf

WE RESERVE THE RIGHT TO LIMIT.

Boxed Beef is only the useable portions of the carcass skillfully trimmed and packaged through ultra-modern processing, then vacuum sealed and boxed for ease of handling. Cutting these portions to desired roasts and steaks does not require a trained butcher. In fact, many housewives across the country prepare the boneless cuts to their own requirements right in their kitchens. What a fine way to get just exactly the cuts you need and save dollars on quality beef at the same time. However, on any Boxed Beef purchase you make with us we gladly cut and wrap it to your own specifications.

Commissioners Have Routine Meeting

Mostly routine matters occupied the regular meeting of the Parmer County Commissioners on Monday, February 11 in Farwell.

Commissioners voted to approve the contract with Tagco Industries of Hereford for the renovation of the Law Enforcement Center. Cost of the work is expected to be in the neighborhood of \$36,000.

Judge Porter Roberts said that Chief Deputy Bill Morgan has been working with Joe Slater, inspector for the Texas Commission on Jail Standards, to bring the Parmer County facility to the point where it can attain a rating of "certified jail," which would make it one of the few in the state so rated.

"As soon as we receive some items which have been ordered, Slater will come back for a followup, and hopefully, our jail will make the elite group," Roberts said.

The general liability insurance policy for county employees, covering them while driving, was approved, at a cost of \$11,000.

The four volunteer fire departments in the county were paid

their annual subsidies of \$2500 each, which partially compensates them for their rural calls during the year.

The court voted to pay an ambulance fee for a county child who is a foster child, and was taken by ambulance from Dimmitt to Amarillo.

Judge Roberts and commissioner Ernest Anthony of Precinct 1 reported on the 22nd annual County Judges and Commissioners' conference, which they attended last week at College Station.

The conference, sponsored by the Agricultural Extension Service of Texas A&M University, was well-attended. "We felt it was well worth our time," Roberts said.

Bill Clayton....

(Continued from Page 1)

of schools and human service programs. He has advocated that taxpayers get full value for each dollar spent.

He was born in Olney, Texas 51 years ago and grew up on a family farm at Springlake on the High Plains. He graduated with a bachelor of science in agricultural economics from Texas A&M in 1950 and in 1979 was named a distinguished alumni. He also received an Honorary Doctors of Laws degree from Texas Wesleyan University in 1979.

He was elected Speaker by the House membership in 1975, 1977, and 1979. He is seeking a fourth term in 1981 and is the first person in the state's history to hold the Speakership three consecutive terms.

In addition to many innovative processes he has brought to the Legislature, Clayton is recognized as a water and conservation expert and a leader in national legislative groups, having served as chairman of several regional and national organizations of the states.

Speaker Clayton and his wife Delma live on their farm in Springlake.

Mr. snowman... Three young Friona residents took advantage of last weekend's snow to make a snowman. Shown are Rob and Angela Dennis and Renae Williams. The city received four inches of snow early last Saturday morning, which added appreciably to the ground moisture in the area. Evidence of the snow was still seen late in the week, due to the large amount received.

Although Marconi is credited with inventing radio, British inventor David Edward Hughes demonstrated in 1879 that radio signals could be received from a spark transmitter located several hundred yards away.

Chiefs Fall To MHS, 'Cats

The Friona Chieftains dropped both of their games during the past week, to district 3-AA contenders Morton and Dimmitt.

The Chiefs fell to Morton, 55-43 in their game last Friday, and then dropped a 78-45 decision to Dimmitt. Both games were played on the road.

Just as in their meeting with the Indians earlier in Friona, the Chiefs were hurt by their free throw shooting. Friona made only one out of eight tries from the foul line. Morton didn't do a lot better, with seven out of 20, but got more attempts.

Friona managed to keep it close during the opening quarter, as the scoring was spread around. Morton had an 11-10 lead at the end of the first quarter. The Indians put a little cushion in their lead in the second, though, outscoring Friona, 14-7.

Randy Kerr sparked a third-quarter rally with four baskets during the period, as Friona tried to cut the lead,

but Morton was equal to the challenge, and matched the Chiefs, point for point.

Kerr was the leading scorer with 15 points. Joe Malouf and Jerry Harrelson both fouled out of the game for Friona.

The Chieftains' game against Dimmitt was fairly close during the first half, in spite of the final outcome. Dimmitt led, 14-11 after one quarter, and had a 33-21 halftime lead. Friona outscored the Bobcats, 18-16 in the third quarter to trail 49-39.

But the fourth quarter was a nightmare, as the 'Cats poured 29 points through the hoop, to only six for the Chiefs. Three starters, Kerr, Malouf and Harrelson, fouled out of the game for Friona.

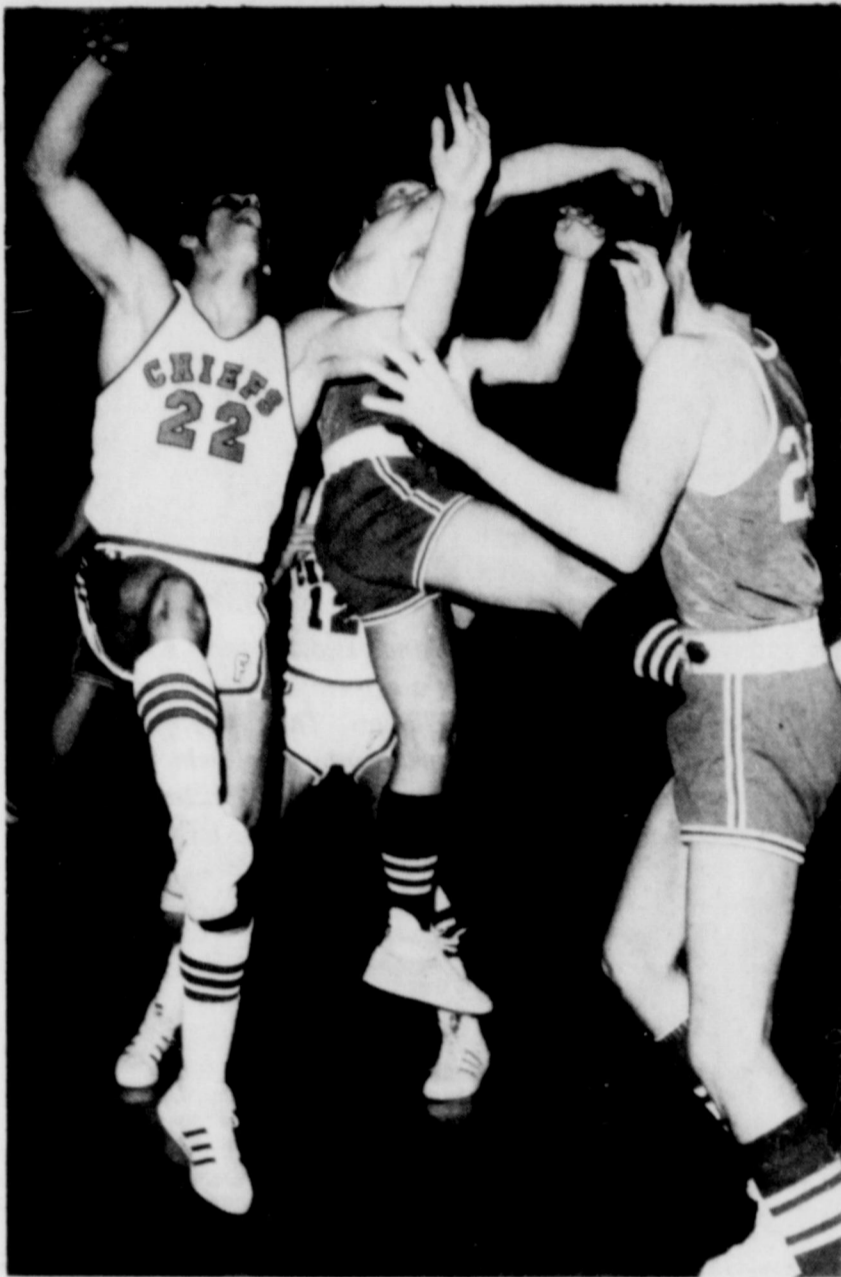

Kerr was high point man with 14 for the Chiefs. The loss left FHS with a 12-16 season record, and 1-2 for the second half of district play.

CHIEFS	10	17	31	43
Morton	11	25	39	55

Kyle Barnett 5-0-10; Tony Jackson 1-0-2; Randy Kerr 7-1-15; Joe Malouf 2-0-4; Jerry Harrelson 3-0-6; Scott Fangman 2-0-4; Rod Owen 1-0-2.

CHIEFS	11	21	39	45
Dimmitt	14	33	49	78

Barnett 4-3-11; Jackson 1-0-2; Kerr 7-0-14; Malouf 1-0-2; Harrelson 5-1-11; Fangman 1-1-3; Frye 1-0-2.

IT'S A BIRD, it's a plane, no it's Joe Malouf, (22) battling for the ball in this action shot from a recent game. The Chieftains, who dropped games to Morton and Dimmitt during the past week, will wind up their 1979-80 season by hosting Muleshoe Friday and Littlefield Tuesday.

Purchases Highlight Meeting

Awarding of the bid for a new copying machine for the City of Friona was one of the highlights of the February meeting of the Friona City Council. Low bid was by Business Copy Machine Center of Amarillo at \$2,995, for a Sharp 740 machine.

In other business, the auditor's statement, in the amount of \$4,500, was approved.

A resolution was passed setting the joint election date with the Friona Independent School District for April 5.

Two members are to be elected to the city council, and the mayor's term also is expiring.

Jack Hamil, president of the board of governors of Prairie Acres nursing home, discussed with the council the status of Prairie Acres. He stated that the current population is 51 residents, with the possibility of adding two more shortly.

A statement was presented from Peek Industrial Tractor Company for repairs on the city's Caterpillar bulldozer. The statement amount was \$2,649.

The council voted to purchase a dishing machine from Tab Machine Company. The machine will be used to process the monthly city water bills, and will be a tremendous labor-saver, according to City Manager Jake Outland. Cost of the machine was \$1,654.

A request to locate a mobile home at 304 Ashland was approved, although a second such request was tabled until necessary approval by adjacent landowners could be secured.

Squaws Win Once During Final Week

The Friona Squaws closed out their 1979-80 season the past week, winning one game and losing one.

The team downed Morton, 68-52 in a game at Morton last Friday. But District champion Dimmitt thrashed Friona, 73-34 in their final game of the season at Dimmitt Tuesday.

The Squaws had control of their game with Morton practically from the first. Dana Miller scored a trio of baskets in the opening stages as the team grabbed an early lead.

Morton rallied somewhat during the second quarter, outscoring Friona for the only time span during the night, 16-14, but still trailed the Squaws, 28-24 at the half.

Kenna Noland came out with a hot hand for Friona in the third quarter. She scored four baskets, to pace the team to a 49-37 lead, and the Squaws had the upper hand the rest of the way.

Miss Miller, with ten baskets from the field, led the scoring for Friona with 22 points, Miss Noland added 16 and Jiselle Malouf 15.

Dimmitt put the whammy on the Squaws in their season finale Tuesday. Friona could score only four first period points, on a pair of baskets by Miss Noland, as the Bobbies grabbed an 11-4 lead. Halftime margin was 32-16.

The Squaws had another cold quarter in the third, scoring only one basket, and Dimmitt wrapped up the victory. The Friona girls ended their season with seven wins against 18 losses.

The Bobbies, who won the first half district title but fell to Muleshoe in the second half, beat the Mulettes here Thursday night for District 3-AA playoff rights.

LIFESAVER.

Whether you're lost in a strange neighborhood, or just going to be late for dinner, a telephone booth is a welcome sight. That's why it's important that we keep them in working order. In my job, I do more than collect the change from the coin box. I also make sure that the instrument is working correctly. If it needs minor repairs I do them on the spot. That way, we make sure that you get a working phone when you need it. That's one reason I'm proud to be one of the people General Telephone is talking about when they say "We keep you talking."

Lazbuddie News

By JANET WILKE

JR. HORNS-COTTON CENTER

The Junior High basketball teams hosted Cotton Center here on Thursday, February 8 with the girls winning their game, 38-14.

Scoring for the Lady Horns was Carolyn Nail with 8 points, followed by Becky Schacher with 7, Cynthia Zamora and Sharon Glover each with 6.

The boys game had barely gotten underway with the Elks leading when the electricity went out on the city of Lazbuddie. After a moderate length of time, the officials and coaches decided that it would be best due to the circumstances inside the gym (no lights) and outside the gym (sleet, etc.) to call the game off. As far as we know there will not be a re-match.

In the most recent Junior High games, in which Lazbuddie played Spade, here on Monday, February 12, the Junior High teams ended their season.

The Lady Horns ended their season on a winning streak by besting the Spade girls by six points, 27-21.

Leading scorers for Lazbuddie were Jana Rogers, Sharon Glover and Cynthia Zamora each with 7 points apiece.

In the boys game, the Longhorns just could not muster up enough to get by the Spade boys and fell in their final bid of the year, 40-34.

Scoring for Lazbuddie was Noe

Gonzales with 14 points. Frank Garcia had 8 points and three men, Lee Scott, Saul Garza and Shane Smith all made two.

Varsity Roundballers

The Longhorn varsity teams ended their season in regular play in Cotton Center on Tuesday night. For the varsity girls team, they will continue on and play Sudan for the district crown at a later date. For the Longhorn boys varsity, it was the end of the season, which was unfortunately plagued by injury and illness.

Six senior lettermen will be lost after this year's season ends. For the varsity boys, Quentin Mimms, Reggie Treider, Johnny McDonald and Mickey Powell ended their basketball playing careers at Cotton Center on Tuesday. For senior girls Angela Matthews and Terri Clark, they will be able to play a while longer.

All six of these players will be missed not only for their ability while on the court, but also for their attitudes displayed off of the court. We would like to express our appreciation to these six for their dedicated efforts and their determination to win...a true mark of a Longhorn.

In games played prior to the Cotton Center game, Lazbuddie traveled to Spade to take on the ever tough Longhorns there Friday night.

In the J.V. boys game, Lazbuddie fell by four to the Spade boys, 42-38.

Jeff Jesko led in the scoring with 10 points, and Mark Lust, Terry Steinbock, and Bart Elliott each pitched in 8 apiece for the Horns cause.

In the Lady Longhorns game, Lazbuddie handled their competition with little problems as they blasted Spade, 58-28.

Scoring in this game for the Lady Horns was Barbie Ivy with 19 points.

In the varsity boys game, Lazbuddie lost 67-47 to the Spade Horns.

Scorers for Lazbuddie were Steffan Moore with 14 and Reggie Treider with 13 to lead the pack.

Spring Sports Around Corner

Tennis, golf, and track seasons are upon us and everybody who is anybody at LJH and LHS will be involved in one or more of these sports. So, keep your eyes open for the headline makers in each of the spring sports coming soon.

Valentine Book Talk

If some of you in the Lazbuddie area are looking for a good book to read, especially in this Valentine season, one I recommend highly is "I Play To Win" by Fred Steinmark. It is the autobiography of the UT football player who lost his leg to cancer just prior to the Texas-Notre Dame game that decided the 1969 national championships for the NCAA. It is an uplifting book, with much warmth and humor, told by a young man whose zest for life would not even be stifled by a killer. Available through the Muleshoe Public Library.

School Lunch Menu

WEEK OF FEBRUARY 18-22
MONDAY--Fish, corn, green beans, hot rolls, cake and milk.
TUESDAY--Meat loaf, potatoes, peas, hot rolls, cookies and milk.
WEDNESDAY--Tacos, pinto beans, lettuce, tomatoes, cornbread, pudding and milk.
THURSDAY--Chili hot dogs, potato chips, beans, buns, fruit and milk.

Thomas Jefferson is said to have invented the lever-operated double-door opener seen today on buses.

DO YOU KNOW A CHILD WITH A HANDICAP?

In One Minute You May Change a Lifetime

Every handicapped child, from ages 3 through 21, has the right to a free public education. It's a state law, but many people are unaware of this fact.

If you know a handicapped child who is NOT receiving appropriate educational services:

Call Collect **806-376-5521**

or complete & return the Referral Form below.

Region XVI Education Service Center can assist in obtaining the appropriate services for a handicapped child. Referral & Resources can be provided through the Director Service Component. Certain Supportive Services in cooperation with your local school district can be provided by the Direct Service Component.

Please take one minute of your time to either fill out the attached form, call the above phone number, or contact the Special Education Director of your local school.

INTERVIEWS HOPE....Ben McCain, reporter for station KBMT-TV in Beaumont, recently had the opportunity of interviewing longtime star of

stage, screen and TV, Bob Hope, who was in Port Arthur for the dedication of Bob Hope High School for Crippled Children. Hope has been

supporting the education of crippled children for a number of years. McCain is a Bovina native.

Desert plant produces rubber

COLLEGE STATION — A dowdy little desert shrub that grows wild in the Southwest produces, once it's processed, a rubber chemically identical to that of the Asian rubber tree.

It is known in scientific circles as guayule (we-OO-lee).

The problem is converting the plant from its current wild state to one that could be commercially produced in mass quantities.

"We are only beginning to investigate this plant," said Dr. Jimmy Tipton, Texas Agricultural Experiment Station scientist headquartered at the Texas A&M University Agricultural Research Center at El Paso.

Guayule has great economic potential for the arid areas of the Southwest in addition to its rubber-making capabilities. It is one of the few agricultural crops that is perfectly suited to a desert environment.

Texas State Education of the Handicapped Act

Growers To Elect Rep.

Cotton growers in Parmer County will meet March 7 to elect a businessman director to the Plains Cotton Growers board. The meeting will be held at the Friona State Bank Community Room, starting at 7:30 p.m. The term of Wade Wright is expiring.

Coffee To Fete Clayton

Representative Bill Clayton and his wife Delma will be honored with a coffee in Bovina on Monday, February 18 at 3 p.m. at First State Bank. The event is being hosted by friends of the Claytons, and all residents of the area are invited. Clayton is to be honored that evening with an appreciation dinner, at Friona.

CU Marks 25 Years Of Growth

The Friona Texas Federal Credit Union celebrated 25 years of service to residents of Parmer County, at its 26th annual meeting February 12.

Those attending were treated to a meal of barbecued hot links, potato salad, beans, rolls and cake.

In addition, each one in attendance was presented with a Susan B. Anthony silver dollar as a personal door prize.

Treasurer Geneva Williams presented a list of citations for those who had official connections with the Credit Union.

Annual reports were presented by Arlen May (board of directors), Alvin Gaines (credit committee), Carl Mason (supervisory committee), and Mrs. Williams (treasurer's and membership committee).

During the business session, Mrs. Williams, Carolyn Dement and Pat Wright were re-elected to the board of directors. Leonard Coffey and Carl White were elected to the credit committee.

Mrs. Williams presented highlights of the 25-year history of the organization which she compiled, showing a growth from 55 members to 2,181 at the current time.

During the opening ceremony, Webelo Pack 56, under the leadership of Darrell Collier and Pete Hollis, presented the colors, and led the audience in the Pledge of Allegiance.

Correction

In last week's report on the results of the Friona junior livestock show, one of the participants was listed as Ashley Weatherley. The name should have been Ashlee Gee. We apologize for carrying the name the way it was turned in to us.

TSTI Sets Career Day

Judith Kolander, Recruiter for Texas State Technical Institute in Amarillo, will be in Lazbuddie, Tuesday, February 19, to participate in the co-op career day for Lazbuddie, Bovina, and Farwell high school students. Kolander will talk to the students about the programs and training offered at TSTI-Amarillo.

Those programs include: Auto Body Repair, Aircraft Mechanics, Auto Mechanics, Boot and Shoe Operations, Commercial Art in Advertising, Construction Technology, Cosmetology, Drafting and Design Technology, Diesel Mechanics Technology, Electronics, Interior Design Technology, Industrial Maintenance Technology, Meat Processing and Marketing, Printing Technology, Professional Truck Operations, Saddle and Tack Making, Technical Office Training, and Welding and Fabrication.

St. John's Church, where in 1775 Patrick Henry gave his stirring "Give me liberty..." speech, still stands in Richmond, Virginia.

RE-ELECTED...Three were re-elected to the board of directors by the Friona Texas Federal Credit Union. Left to right are Geneva Williams, Carolyn Dement and Pat Wright. Carl White was elected to the organization's credit committee. Leonard Coffey, not shown, was re-elected to the committee.

New tax laws help homeowners

COLLEGE STATION — Homeowners and potential homeowners may be losing money by not taking advantage of new tax laws, says Dr. Jack Friedman of the Texas Real Estate Research Center at Texas A&M University.

Friedman cites the little known tax advantage of home ownership that allows the individual buying water and sewage services from a township or municipality to deduct a portion of the monthly bill from income tax. The portion of the bill which represents assessment for maintenance, repairs or interest is deductible. Friedman suggests municipal services users contact the billing authority for information.

Another tax savings the homeowner might consider is the reduction of fuel costs through improvements. Energy laws allow tax credits for money spent on insulation, storm windows, caulking and other energy-saving features. This would result in lower utility costs as well as allow partial recovery of costs through tax credits.

Club Discusses Role At District Meet

Modern Study Club members met February 5 at the Women's Club House with nineteen members present. Faye Reeve, president, called the meeting to order. The roll call was answered by giving a favorite author.

Happy Birthday To Friona Folks

WEEK OF FEBRUARY 17-23
Friona residents having birthdays next week are:

- Allo Reeve, February 17
- Little Francis Saiz, February 17
- Louis Welch, February 18
- Ginger Stephens, February 18
- Dean Lovelady, February 18
- Rex Nelson, February 19
- Paige Cook, February 19
- Minnie Knight, February 19
- Kathy Martin, February 19
- Larry Potts, February 20
- Jerry Brownd, February 20
- Clint Hurst, February 20
- Kyle Barnett, February 21
- Joe Moyer, February 21
- Arnold Schueler, February 22
- Bobby McMillan, February 22
- Stanley Benge, February 22

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

Listening is sometimes smarter than talking.

It's easy to find an excuse for delaying hard work.

The minutes were read by Winifred Hurst, secretary, and were approved.

Lora Mae McFarland presented the devotional. Old business was called for by the president. Beth Thompson reported that all yearly reports had been turned in.

Lora Mae McFarland, chairman of the library committee, reported that 1688 books had been checked out the past month and that 43 new readers had been added to the library readers. She also stated that Beverly Morris, head of the reading hour at the library, had asked for helpers to read to groups during the reading hour. A new book had been ordered, "His Royal Highness," but had not been received. She encouraged members to take advantage of the good reading material in the local library. Linda Murphree had an interesting display

of books and posters from the library.

Allo Reeve and Beth Thompson gave a report of the planning session they had attended in Lubbock for the 1980 Cap Rock Convention to be held in Lubbock March 28-29. Modern Study Club will be responsible for the devotional and are to help with the entertainment.

Mary Johnston was elected as delegate to the Convention and Linda Murphree is to be the alternate.

Linda Murphree introduced Rhea Foster who presented the interesting and humorous book, "A Walk Across America," by Peter Jenkins.

In closing, Estelle Caffey led the group in reading the club collect. Refreshments were served by the hostesses, Mary Moseley and Linda Murphree.

HARDWOOD IN THE GREAT ROOM

A new direction in home design is heading our way. It's called "The Great Room" and it's a combination of what used to be separate living/dining/family rooms. The great room is all of these. In most new homes, it's a large spacious room somewhere near the kitchen and patio or porch. It can accommodate seating arrangements for both family and company, dining table and chairs, a corner for a play or game area for both children and adults, and a place for the TV and stereo equipment.

In some homes a part of the great room might be sunken to form a conversation pit, or raised for the dining area. Many builders are installing built-in bookshelves and storage space and most have fireplaces. It seems to be one answer to the space inflation problem that has become so prevalent. Housing costs are up and space is shrinking. So get yourself a great room and forget about unnecessary rooms that don't get used much anyway.

The great room doesn't have to be casual either. You can furnish it in any decor you want. Just remember, when you're dealing with large spaces (as many one-room apartment dwellers have discovered) you must make the space fit the activities you want to include in the room. If you do a lot of dinner and food-oriented entertaining, you'll want plenty of space devoted to the dining area, and the type of table and chairs you buy will be of utmost importance. A good hardwood table will be beautiful and easy-to-care for, and it can take lots of punishment from a busy family, too.

If your family likes to sit around and watch TV or listen to music, then perhaps a pit area with modular seating is the answer. If you're game-oriented, a good-sized game table with comfortable chairs is a must. All these can be accommodated in the great room. And if the furniture you buy is hardwood, you'll be a step ahead again. All it ever needs is a semi-annual waxing and a weekly dusting to keep its glow.

Hardwood is beautiful, durable, and fits any decor. You'll never find a natural contributor to your great room like the warmth and beauty of hardwood.

Any questions on hardwood? Write to Linda Forrest, Hardwood Institute, Suite 1920, 230 Park Ave., New York, N.Y. 10017.

Investigate before investing

COLLEGE STATION — In playing the market of hard money investments — rare stamps, coins, antiques, art and precious metals — a little homework goes a long way, says an investment expert at Texas A&M University.

"You've got to be careful," warns accounting professor Dr. Larry Crumbley. "There is a great deal of fraud edging up these days."

The number one investment buy last year came in the little-known oriental ceramics market, indicated a rating report from a New York investment firm. Other leaders on the list were diamonds, paintings by old masters and gold. Stocks and bonds were rated well down the list, behind farmland, housing and silver.

Wilcox On Honor Roll

Pamela Wilcox, daughter of Mr. and Mrs. V.R. Wilcox of 1208 West 5th in Friona, has been named to the dean's honor roll for the 1979 fall semester at Abilene Christian University with a perfect 4.00 grade average.

Miss Wilcox, a 1975 graduate, is a freshman psychology major. While in Friona High School, she was a member of the National Honor Society, the Student Congress, and was class historian.

A total of 611 students were named to the dean's list by enrolling in at least 12 semester hours and achieving a grade point average of 3.45 or above on a scale of 4.00.

Prairie Acres Party Line

Hello Central:

Dora Nittler attended a school of instruction on goal directed therapy in Lubbock recently.

Adolph Knabe is a patient at Veteran's Hospital in Amarillo.

Sharon Armstrong, one of our nurse's aides, is a surgical patient at Deaf Smith General Hospital in Hereford. Her condition is satisfactory.

Another of our nurse's aides, Lupe Guerra, is attending Amarillo College at the present time. She is enrolled in a medication administration class.

Two new nurse's aides on our staff are Katie Collins and Maria Bautista.

We have one new resident this week. Frieda Sherman of Hereford moved in early this week.

SPECIAL THANKS THIS WEEK GO TO:

BOVINA CHURCH OF CHRIST LADIES, who visited us and toured our facilities Tuesday. This group will be helping with our hair and nail care program on a regular basis.

GEORGE RUSHING for the time he spends doing things our staff and residents need and are unable to do. We may just adopt the motto, "Let George do it."

ROCKIN' & ROLLIN'....Residents of Prairie Acres geared up for the Rock 'n Roll Jamboree here Thursday to benefit the American Heart Assn. Shown are Bessie

Boatman, Clemenc Ozuna, Susie Farris, Minta Robbins, Julia Garrett, and Drucilla Paul. Those standing include Madie Schmidt, Debbie Shirley and Dora Nittler.

Laura Jacobs Presents Program

The Rhea Extension Homemakers Club met February 12 in the home of Sue Smith. Roll call was answered with "My favorite memory of my grandparents."

Members present were Sarah Dean, Shirley, Donna and Cecelia Schueler, Velma and Judy Schlenker, Gay Taylor, Sue Smith and guest, Laura Jacobs.

Sue Smith, secretary-treasurer, read the minutes of the previous meeting and gave the treasurer's report.

Council Delegate, Cecelia Schueler, reported on the two council meetings in January and February and the training meeting she and Laura Jacobs attended in Lubbock on January 15.

The District T.E.H.A. meeting will be held April 10 at Denver City. Cecelia will be the delegate and Martha Schueler, alternate from Rhea.

Laura Jacobs presented a program on "Funerals and Alternative Arrangements." She stressed that funerals are a fact of life. Everyone has to face one at some time or another. Preplanning a funeral or alternative arrangements help family members make decisions that are appropriate and affordable. The alternative arrangements mentioned were cremation, donation of the body to medical schools and memorial services.

Sue Smith and her co-hostess Sarah Dean served heart-shaped cakes decorated with roses, nuts, coffee and spiced tea.

The March meeting will be held at the Old House March 11 at 7:30 p.m. The program will be "Medicine Mix-ups"--information on how some drugs do not mix with others and some foods and medicine do not mix well.

Young Homemakers Discuss Club Awards

The Friona Chapter of Young Homemakers met February 7 in the home of Mrs. Bob Alexander.

Final plans were made for the concession stand at the Friona Stock Show held February 14, 15 and 16. A committee consisting of members, Jayn Looper, Keri Jack, Cindy Simmons, Carolyn Buchanan and Connie King, met January 14 in the High School living room. A menu of spoon burgers and hot dogs was decided upon. This menu was then presented to the club. The club was also reminded to bring two recipes of brownies or cookies to sell.

The club also voted on several projects for this year and next.

Club members drew names for secret pals. It was voted that the Young Homemakers would go on the points system beginning August 1980. It was also decided a door prize would be given away at each meeting.

"Most Outstanding Young Homemaker" and "Most Willing Worker" was voted on, and a new honorary member was voted on.

A menu was also voted upon for the March meeting, which will be the Awards Luncheon. A decoration committee of Beverly Elam, Keri Jack, Cindy Simmons, Paula Wilson and Carolyn Buchanan were selected.

It was also voted that the club would publish a cook book. This would include recipes for past and present members.

Refreshments were then served. Greek pastries, nuts and red punch were served. The serving table was decorated for Valentine's Day. The hostesses were Mrs. Bob Alexander, Mrs. Jim Taylor and Mrs. Gary Elam.

Members present were Mrs. Bob Alexander, Mrs. Clay Bandy, Mrs. Troy Bass, Mrs. Chief Buchanan, Mrs. Randy Campbell, Mrs. Gary Elam, Mrs. Galen Jack, Mrs. Dee King, Mrs. C.B. Looper, Mrs. Conrad Renner, Mrs. Jerry Simmons, Mrs. Jim Taylor and Mrs. Mike Wilson.

Band Boosters Met February 11

The Friona Band Boosters met at 8 p.m. on February 11 in the High School Band Hall to discuss several items of business.

A report concerning profits from the Christmas dinner was given by Band Director, Scott Houston. Also the total cost of the April band trip to Six Flags was discussed.

Subject to approval by the Band Council, band members who wish to order band t-shirts for the Six Flags trip, can do so.

Mr. Houston showed the film of the November marching contest in which the band received a J rating.

Friona Industries Gives Quarterly Statement

Friona Industries, Inc. had net income of \$1.8 million, or 82 cents per share, on revenues of \$92.9 million for the first half of its 1980 fiscal year.

This compared with net income of \$2.7 million, or \$1.21 per share, on revenues of \$74.9 million for the same six months of fiscal 1979.

"All segments of our agribusiness and meat processing operations reported about comparable or higher gross profits than in the same period of the prior year, with the exception of the sale of Company-owned cattle," said Ron Davenport, president.

"Profit margins on the sale of Company-owned cattle declined considerably in the second quarter of our current fiscal year when compared with the second quarter of last year," he stated. "The higher prices paid for cattle placed in our feedyards and increases in the cost of custom feeding operations were

primarily responsible for the lower profits."

Total corporate net income for the second quarter ended December 31, 1979, was \$751,000, or 34 cents per share, on revenues of \$51.1 million, compared with net income of \$1.3 million, or 58 cents per share, on revenues of \$40.3 million for the same three months of the prior year.

Financial results for the first half of this fiscal year and the preceding year have been restated to reflect the acquisition of Village Meats, Inc. in December of 1979 and a 5-for-4 stock split effected as a 25 per cent stock dividend in April of 1979.

"On this basis, Village's meat processing operations contributed gross profits of almost \$1.5 million to the corporate total in the first half of fiscal 1980, second only to the \$1.9 million in gross profits generated by the Custom Feeding segment," he said.

Average occupancy at the

Company's feedyards in the first half of the fiscal year was 86 per cent, which was about the same as during the first half of fiscal 1979.

Animal Health operations produced gross profits of \$1.1 million, a 14 per cent gain over the first six months of last year.

Commercial Feeds gross profits were very nearly the same on a year-to-year basis (\$954,000 in the first half of this year and \$949,000 in the first half of last year).

Gross profits from the sale of Company Cattle amounted to \$991,000, a decline from the record \$2.5 million in the same six months of fiscal 1979.

The Grain and Other segments registered a substantial increase in gross profits (\$581,000 versus \$222,000). The increase was attributable to the transportation and steel fabrication segments as well as the grain segment.

"We are most optimistic about the acquisition of Village and believe that it will have both an immediate and long-range beneficial impact on our operations," said Davenport.

Highway Sets Work On '60'

Bids for the resurfacing of some 25 miles of US Highway 60 in Parmer County are scheduled to be received in February by the State Department of Highways and Public Transportation.

The work will be accomplished in sections along US 60 from the New Mexico state line northeastward to Friona.

Lubbock District Engineer George Wall said Rhea Bradley of Littlefield is the department's engineer supervising the project.

"No man who knows aught, can be so stupid to deny that all men naturally were born free." John Milton

BILL CLAYTON

Clayton To Speak For SWCD District Meeting

"Bill Clayton, Speaker, Texas House of Representatives, will be the principal speaker at the Panhandle Association of Soil and Water Conservation Districts meeting February 20 in Dimmitt, Texas," announced Willard McCloy, chairman of the organization.

The meeting will begin at 10 a.m. in the Castro County Exposition Building on the fairgrounds added McCloy.

Clayton, a farmer-businessman from Springlake, is a long time supporter of the Texas soil and water conservation district program and is considered an expert on water legislation.

Others expected to participate on the program are Frank Gray of Lubbock, member, Texas State Soil and Water Conservation Board; W.Q. Richards of Paducah, director, Association of Texas Soil and Water Conservation Districts and John Millican of Temple, assistant

Cattle Producers Are Urged To OK Plan

There's been a lot of talk about the Beferendum being a government program that cattlemen should turn down. Fact is, cattlemen had better recognize the realities of government and its involvement with agriculture and quit being naive. Like it or not, the U.S. Federal Government now sets meat import quotas, inspects

your product, regulates the use of animal pharmaceuticals and even taxes you for income you make on the cattle you produce. Cattlemen and the beef industry are already caught up in the government tangle.

Passage of the Beferendum would at least give cattlemen some clout as they bump heads with government-funded consumer groups, government-funded anti-beef nutrition groups, and others who threaten our industry.

Yes, there are some individual farm and ranch organizations who make some effort to promote beef and protect the interests of cattlemen as best they can. But no single group now in existence has enough money to do the job that needs to be done. The Beef Board, created by passage of the Beferendum, will have enough money to expand foreign markets, promote the nutritional value of beef, combat beef substitutes, fight anti-beef propaganda and counter the extreme highs and lows in the cattle cycle. The Beef Board will be made up of cattlemen, and they'll have the kind of power it takes to meet the opposition head-on.

Whether you think the Beferendum is government or not doesn't really matter. The important thing is to recognize that cattlemen don't have enough force now to influence factors that affect them. It's important that they take advantage of this opportunity to put some power behind their punch. If the Beferendum fails, cattlemen will have to admit that they were too scared of power to grab hold of some when it was offered to them.

Block will pay any interest and penalty if we make an error.

We're only human and once in a while we make a mistake, but if we should make an error that costs you additional tax, you pay only the tax. Block pays any penalty and interest. We stand behind our work.
