## Ration Plan Begun For Water Problem

**THE CURRENT WATER** problem in Friona could be a blessing in disguise to the residents, if it teaches us to be a little more conservative with our water.

We all know that the time may come when we will have a serious water shortage in this area, unless an import program is achieved. So, it may be a good idea that we become accustomed to cutting down slightly on our water usage.

Most of us have become accustomed to using water as if the "well never will run dry," but with our declining water table, we need to adjust our customs.

Residents need, for example, to figure out other ways of conserving water in addition to curtailing watering of lawns and gardens on the odd or even day schedule. It might be pointed out that just because it is your day to water on such and such a day, we need not rush out and turn on the sprinklers. Letting the lawn or garden go a little longer than we are accustomed to would be another way of cutting back our water consumption.

We are reminded of suggestions we picked up in 1977 while visiting California, which was in the throes of a big water shortage.

We had a reminder that men could save up to 19 gallons of water per day when shaving if they filled their basin, rather than allowing the faucet to run. A similar saving, estimated at nine gallons of water, could be effected by not allowing the tap to run while brushing your teeth.

A saving of around 21 gallons of water could be realized by changing your shower routine, it was pointed out. Instead of letting the water run during your entire shower, the leaflet we saw suggested "wetting down, soaping up and rinsing off," which would use only about four gallons of water. Similar savings were recommended for tub baths, by not filling the tub completely. Putting bricks in the water closet portion of your commode is a practice we had already adopted prior to this week's "crunch."

There are bound to be other ways of saving water. Those with automatic dishwashers could adopt a policy of not starting their machines unless they were completely full of dishes. This will make your water go farther.

A similar practice could be used when washing clothes. For lawn watering, a practice of watering somewhat more often than usual, but for shorter times might be a good idea. Instead of giving the lawn a good soaking once a week, in which case you are apt to have water running down the street, perhaps running your sprinkler for just an hour on two or three days a week would do just as much good.

We commend the people of Friona for the spirit which they have accepted the current shortage. We have heard virtually no griping or complaining, and most folks we have heard comment have been suggesting ways in which they could cut down on their use of water.

.....

**NEXT FRIDAY WILL** be Independence Day, and once again a great program of activities have been coordinated by the Friona Chamber of Commerce and Agriculture.

We commend the chamber for the good program (see story and advertisement elsewhere in this issue). Since gasoline is another commodity we need to conserve (at least we can save a bundle of money by not using it), why not stay at home all day and take part in the local activities? There appears to be something for virtually everyone, young and old.

.....

In an effort to display her business proficiency in running the home, the little woman submitted to hubby a detailed account of expenses for the month. Asked to explain an entry marked, ESP-\$26.98, she replied, "ESP means, 'error some place'."

The City of Friona called on its residents to limit their water usage, after production virtually stopped on two of the city's seven wells earlier this week.

Residents were asked to observe a system of lawn and garden irrigation where those from Grand Street to the west would water on the even-numbered calendar dates, and those to the east will water on the odd-numbered calendar dates.

The water problem has been compounded by a full week of 100-plus temperatures and a near-record volume of usage which saw an average of 2,000,000 gallons of water per day being used by city residents.

The Friona City Council met in a special session on Tuesday to discuss the problem, and decided unanimously to dig a new city water well. The board met again on Wednesday after seeking bids, and awarded the drilling job to Big T Pump Company on a low bid of \$15,000.

Big T said they could move onto the site on Monday, June 30, and that it would require five to six weeks to drill, test, set and pipe in the new well, which will be located at First and Ashland Streets, near the overpass.

The two wells whose production virtually stopped this past weekend are wells number three and eight. Number three is located at the old city water tower site at Sixth and Pierce Streets and is one of the city's oldest wells, having been drilled in 1953. Well number eight was drilled at Ninth and Grand in 1970.

The last city water well, City well number 9, was completed on April 25, 1973. It is located at Fourth and Cleveland.

City Manager Jake Outland said that a submersible pump would be added to well number eight, in an attempt to reclaim the well, but that no efforts would be made on well number three.

"We have had four city wells in the general area where number three is located, which was not good judgment to begin with," said Outland.

Due to the two wells being out of service, the city's other five wells have been pumping non-stop to try to keep pace with the city's water needs.

"The public's participation and cooperation in observing these conservation measures will be appreciated," Outland said.

Outland explained that the city has 800,000 gallons of above-ground storage, including the 500,000-gallon ground-level tank at Sixth and Grand. Thus, during the peak usage periods, the city's wells are hard pressed to keep up with the demand for water.

Last Sunday afternoon, between the hours of 2 and 7 p.m., the water level in the tower on Fifteenth Street dropped from its maximum level of

26 feet to zero, which was the first indication to city officials that there was a problem within the system.

Outland indicated on Thursday that the public's reaction to the need for conservation could already be noticed on the city's water system.

It was expected that the rationing plan would be necessary for three to five weeks in order to allow the system to adjust to the loss of the two wells.

## Area Melts Under 105-Degree Heat

The Friona area, indeed the entire Panhandle and state, have been reeling this week under the first major "heat wave" of the 1980 summer season, with temperatures above the 100-degree mark on several consecutive days.

Friona's high for the week had been 105 degrees on Tuesday. The city had three consecutive days above the 100-degree mark, starting with 103 degrees on Monday. The mercury hit 102 degrees on Wednesday, but on Thursday topped out at 99 degrees.

Even with these soaring temperatures, the immediate area might feel somewhat cool in comparison with others. For instance, at Dallas on Thursday, the temperature reached 113 degrees, and with the added humidity of that area, being out of doors could have been punishing.

On the eastern side of the Panhandle, Childress had been up to 110 degrees this week, while readings in Altus and Hobart, Oklahoma went up to 111. Lubbock also pushed close to the 110 reading, although the Hub City's official high for the week was 108.

Very little relief was being promised by weather forecasters, although the readings for this weekend were supposed to be somewhat lower than the century mark.

Wheat farmers have taken advantage of the dry, hot weather to push ahead with the harvest of their crop, and had made a good dent in the crop by the end of the week. However, row crop farmers were wishing for some rain relief as the hot spell continued.

### Deadline Told For Next Week

Due to the July 4th holiday, the Star will have an early deadline next week.

All news and advertising to be included in next week's issue must be in by Wednesday noon.

We appreciate the attention to this special deadline by our readers and advertisers.

**HEAT INDICATOR...** The thermometer at Friona State Bank has been an item of interest this week, as the mercury climbed above the 100-degree mark three straight days. The reading captured here was 103, and the week's high has been 105 degrees.

## Annual July 4th Program Is Set

Friona's annual July 4th celebration will be held next Friday, under the sponsorship of the Friona Chamber of Commerce.

A number of events and activities, including some new to the schedule, are on tap for the local residents' enjoyment on the 204th birthday of our nation.

Heading the list of activities will be the 12th annual July 4th fireworks display, scheduled for 10 p.m. at Reeve Lake. The display is free of charge to the public, and was funded this year by the Friona Chamber of Commerce, Friona Noon Lions, Friona Evening Lions and Progressive Study Club.

The Chamber announced this week that a slowpitch softball tournament, sponsored by the Friona Softball League, will be held during the holiday activities. The tournament will be for both men and women's teams. Entry fee of \$75 for men and \$60 for women will be charged.

Teams must enter by July 1, and may call Randi Hamilton at 247-3356 to enter.

Other activities planned include a barbecue lunch at noon at the Friona Community Center, sponsored by the Friona Noon Lions. Featured on the menu will be homemade German sausage and barbecued beef, plus all the trimmings. Serving begins at 11:30 a.m.

Tickets to the luncheon are on sale for \$3.50 for adults and \$2.00 for children under 12. Tickets will be on sale at the door. Members of the club will function all the way from cooking the meal to serving, selling tickets, etc.

.....

A number of other activities are also on tap for the local Independence Day celebration.

Activities beginning at 1:30 p.m. will include the bicycle races and turtle race, sponsored by the Friona Evening Lions; the baseball throw, sponsored by the Evening Lions; a "42" tournament will start at 2 p.m., sponsored by the Friona Senior Citizens. A ping-pong tournament also begins at 2 p.m.

A doubles tennis tournament will be in progress during the celebration.

At 8:30 p.m., a community choir will present "I Love America," a John Peterson musical, directed by Geary Broden. This is the musical which was first presented locally

during the community's Bicentennial celebration here in 1976.

Soloists for the musical number include Charles Caudill, Dr. Robert Alexander, Linda Murphree, Stormi Upton, Daylen Gallman, Sherrie Atwell and Sharon White.

The Senior Citizens will be operating a concession stand throughout the day at the Community Center, and also will be selling raffle tickets on a handmade quilt which the organization will give away.

The Chamber invites residents to stay at home during the holiday, and take part in all of the activities which have been planned.

## Fireworks Are Illegal

Friona Police Chief Bill Denney issued a reminder this week that it is against the law to use fireworks in the city limits.

Anyone arrested for illegal use of fireworks could be fined up to \$200, according to the city ordinance.

## Book Group Sets Meeting

The Lazbuddie Parmer County Historical Book field committee will have a work day meeting on July 2 from 10 a.m. to 5 p.m. at the Lazbuddie School.

Anyone needing help in writing their family history is urged to attend. If you have questions concerning the book, please attend the meeting, says Otho Whitefield, book chairman.

## Gym Is Open To Students

All Friona students were advised this week that the gym will be open daily from 5:30 to 10 p.m. Monday through Thursday.

Facilities open: Friona coaches invite the kids to come by and work out on weights or other facilities. All Friona youngsters may participate.

**BATH TIME....** Bitsy, a local canine resident, was given her bath by her young friends this week, and in spite of the hot weather, didn't seem to appreciate the gesture one bit. The

well-meaning dog lovers are Richard Ellis, left, son of Mr. and Mrs. Bill Ellis, Misty and Janet Baxter, daughters of Mr. and Mrs. John Baxter.

# FRIONA FLASHBACKS

....from the files of The Friona Star

## 50 YEARS AGO--JUNE 6, 1930

W.H. Hughes, whose home is in the southwest part of town, had the first tap made in the new water mains of the city at his home last Saturday. Mr. Hughes says he is well pleased with the service and can now supply water to all parts of his garden, which he is treating to a good cool drink each day until it is thoroughly wetted.

## 45 YEARS AGO--JUNE 7, 1935

Much of the news due to appear in the Friona Star today does not appear because a first-class mail sack was stolen from the Santa Fe station in Panhandle Tuesday night, which undoubtedly contained letters from Friona with news, advertisements, as well as hundreds of other pieces of mail.

## 40 YEARS AGO--JUNE 7, 1940

Friona Chiefs won their third game of the season, winning from Texico Sunday in a seven-inning game, 5-4. Dave Hackler and Renner were the hitting stars of the game. Junior Martin, a 16-year-old high school boy, did some fine pitching to win the game.

## 35 YEARS AGO--JUNE 8, 1945

An announcement was made this week that a large building will be

erected in Friona for the equipment and business of the Friona Locker Company. This company has been promoted and organized by A.A. Crow, who will be president and manager of the company. In connection with its cold storage business, the company will conduct a slaughtering, processing and curing plant for meats for the open market as well as custom business.

## 30 YEARS AGO--JUNE 9, 1950

Centering around Friona, general leasing of land by a major oil company is being negotiated this week on a scale not seen here for many years.

## 25 YEARS AGO--JUNE 10, 1955

Friona might well mark the passing of an era this week with the removal of the old windmill tower on the W.E. McGlothlin lot in southwest Friona. The tower had stood for over half a century. The well was the first to furnish water for the city of Friona, being dug by "Uncle Andy" Wentworth. It has been a famous and well-known local landmark.

## 10 YEARS AGO--JUNE 11, 1970

Friona Consumers this week moved their offices and parts department to the former Nunn

Lumber Company, and at the same time announced an expansion program which will include a new 75x100 foot building at their old location. Workmen began the job this week of removing Consumers' old building, which has been the company's home since 1941. The old building will either be torn down or removed. The new building, which will be of steel construction and brick trim, will be constructed in its place at the corner of Eighth and Main. Included in the new building will be office space along with the company's stock, including the tire department.

## 5 YEARS AGO--JUNE 8, 1975

Gibson's Discount Center will open its newest store in Friona on Monday, June 9, and will simultaneously kick off a gala Grand Opening Sale with special prices. The new store is located at 501 West 11th Street (West Highway 60), in the former location of White's Auto Store.

The Community Center-Showbarn has been paid off in full, it was announced last week by Jerry Hinkle of Friona State Bank. The building, which was completed early in 1974, had a final price tag of \$85,875. It was financed completely by donations from area businesses, industries and individuals.

# Residents Are Urged To Write County History

Response is still needed from Parmer County and ex-county families in writing their family history to be published in the Parmer County History Book.

There is no fee charged to have the history published in the book if it does not exceed 500 words. More space will be provided, if needed, at ten cents a word (\$10.00 per hundred words).

Please submit your story preferably typed, double-spaced on 8 1/2 x 11 typing paper with the title of your story at the top and the author's name at the conclusion of the story. And please indicate the number of words in the story in pencil after the author's name.

If no typewriter is available, submit your handwritten copy and the Historical Commission will type it for you.

"We want to impress upon everyone who has ever lived in Parmer County that their story is needed, to make this book the complete history of the county that it should be," says Otho Whitefield.

Field representatives are busy making contacts with county residents encouraging them to write their family history. Anyone who has not been contacted and has questions about how to write their story should contact a field representative in their community or call Otho Whitefield, Friona, phone 265-3542 or write Parmer County Historical Commission, Box 577, Friona, Texas, 79035.

"Remember our deadline is July 20, so start these histories and be a part of this history book," Whitefield says.

He gave these tips in preparing the family histories:

First look up photos of your family and life. Second begin to think about your life and your family and then begin to form a story in your mind. Use the following items to help you:

1. When and why your family came to the county.
1. How old were you?
2. Include all generations

important to your story.

3. Where they learned of the county. Where located in county.

4. Related events and circumstances.

5. Your childhood, health, accidents, playmates, trips, brothers and sisters, unusual happenings, visitors, relatives you remember, finances that influenced your lifestyle.

6. School days: Schools attended, teachers, special activities, achievements, humorous situations, who or what influenced you?

II. Activities:

1. Vacations

2. Jobs: What did you or your parents do for a living? What businesses and neighbor problems affected you?

3. Sports

4. Tasks at home

5. Fun and funny situations

6. Transportation

7. Courtship and marriage: Where you met proposal, wedding, parties, honeymoon, meeting your in-laws.

8. Married life: Settling down, your new home, housekeeping, joys and sorrows.

9. Vocation: Training promotions, achievements, etc.

III. Avocations:

1. What did you do for recreation?

2. Civic and political activities.

3. Church: Activities, influence.

4. Hobbies

5. Travels

6. Family landmarks and historical sites.

IV. Remembrance of unique family experiences.

1. Special celebrations

2. Holidays: Christmas, birthdays, etc.

3. Ancestors: Impressions of those you knew and others you heard about.

4. Hardships

5. Remembered impressions of the land and people.

6. Problems: Water? Dirt? Animals?

7. Humorous incidents. Frightening experiences.

8. Recollections that are unique to your family.

V. Writing tips:

1. If you tell what is interesting and meaningful to you, it will be more than adequate.

2. You will not be graded. This is not a test.

3. Any story that does not embarrass or hurt someone is acceptable.

4. If your story is not included, the history of the county will not be complete.

5. Do it now.

## Holiday Plans

The Texas Department of Public Safety will conduct "Operation Motorcade" for the 1980, 4th of July. It will begin at 6 p.m. July 3 and end midnight July 6.

The most tragic part of a National Holiday, such as the Fourth of July, is the wasteful loss of human life upon our highways. The Department of Public Safety predicts 47 persons will die in fatal traffic accidents during this period in Texas.

The two most dangerous things the driver can do is speed and drink. Each driver should be aware of both the condition of the road and vehicle, as well as his personal condition before he gets behind the wheel. Drive as if your life depends on it--because it does!

The Texas Department of Public Safety urges each and every driver to do his part this holiday period by "Driving Friendly" and practicing defensive driving to stay alive.

## County CDs Re-Invested

Re-investing of \$80,000 in county right of way funds and awarding of a contract for a new tractor and shredder for Precinct 3 highlighted the regular meeting of the Parmer County Commissioners on Monday, June 23.

County Treasurer Benna Felts discussed the standing of several Certificates of Deposit belonging to the county.

The court passed a motion to reinvest an \$80,000 certificate from the county's right of way fund for a period of four months. Another \$10,000 was invested in a CD, from money which had been set aside for Social Security payments. The certificate will mature on September 26, 1980.

Bids were opened from Peek Industrial Tractor Parts Co. of Amarillo and Massey-Ferguson Inc. of Clovis. The bid was awarded to Peek Industrial Tractor Parts, on a low bid of \$24,540.

Conservation work was approved for the following projects and amounts: Ralph Roring, \$100; Jack D. Turner, \$25; Cash Richards, \$25; Owen Seamands, \$100 and L.D. Knight, \$200.

Also, Jim Curtis, \$25; Mack Haseloff, \$25; Bill Martin, \$25; Bruce Billingsley, \$25; Joe White, \$50; Don Gerles, \$25; Gene Hardage, \$25; James Haseloff, \$37.50; Adolph Haseloff, \$12.50; Richard Haseloff, \$25 and Dee Pearson, \$37.50.

After a discussion of Parmer County foster children, the court approved payment of \$50 to Maxine Short to purchase clothing for George Lancaster, Jr., and voted to send \$100 to the Waco Center for Youth, to purchase clothing for Jarrell Schuler.

Laura Jacobs reported on behalf of the conference she and County Agent Seth Ralston attended in College Station. A fashion review will be held in Farwell on July 1, and a district horse show is slated for July 2-3 in Lubbock.

John Copeland and Duval Burton of the SWCD met with the commissioners concerning work which is needed at the Bovina damsite on Running Water Draw.

Steve Willingham of Blue Cross met with the court and explained the increase in insurance premiums for county employees.

Approval was granted to Robert Ruiz, Inc., to cross a county road with a natural gas pipeline.

## Almo Team Ends Season

The Almo League baseball season came to an end Tuesday, June 24, when Friona went up against Dimmitt.

On Thursday, June 19, Friona went to Olton to once again outscore the opponents by a five-run margin. Mark Tucker was the winning pitcher in the game, and Randy Kerr, relief pitcher. In the second inning the team scored nine runs. Tony Rios was the outstanding batter of the game, hitting a triple and a home run.

Martin Mercado, Mark Tucker and Ben Landrum all hit doubles to help bat in some runs. Kerr hit two singles.

Friona	1-9-0	0-0-4	0-14
Olton	0-0-4	4-1-0	0-9

Dimmitt scored six runs in the second and four in the fourth and held on to edge the Friona team, 10-8 in their season finale.

Mark Tucker hit a single, a double, and a home run to be Friona's outstanding batter of the game. Martin Mercado hit a triple and Randy Kerr and Robert Caballero hit doubles. All together, Friona had a total of twelve hits to Dimmitt's four.

Friona	1-0-5	0-1-1	0-8
Dimmitt	0-6-0	4-0-0	0-10

Although the team has no more season games, they will be participating in a tournament in Muleshoe July 3-8.

Boxed Beef is only the useable portions of the carcass skillfully trimmed and packaged through ultra-modern processing, then vacuum sealed and boxed for ease of handling. Cutting these portions to desired roasts and steaks does not require a trained butcher. In fact, many housewives across the country prepare the boneless cuts to their own requirements right in their kitchens. What a fine way to get just exactly the cuts you need and save dollars on quality beef at the same time. However, on any Boxed Beef purchase you make with us we gladly cut and wrap it to your own specifications.

### ADVANTAGES:

1. Boxed Beef is naturally aged, thanks to its patented vacuum wrapping.
2. More sanitary-less bacteria.
3. You buy meat without the surplus waste fat and bone.
4. You save money in buying meat instead of bone, fat, and trimmings.
5. Quality controlled beef. Only the best beef is selected to go in the Boxed Beef program.
6. You can buy only the part of the beef that you want

Combine ingredients for Basting Sauce in a saucepan and heat. Split chickens into halves, wash and dry chickens well. Sprinkle generously with salt and pepper. Place on grill, skin side up. Baste with Basting Sauce, turning broiler halves often. Halves will be done in 1 1/2-2 hours. During second hour of cooking time, combine all ingredients for Barbecue Sauce in saucepan, heat and stir until well blended. During last 30 minutes of cooking time, baste cooking chickens with Barbecue Sauce, if desired; serve Barbecue Sauce as a condiment with finished chicken. To test chicken for doneness, grasp end of drumstick bone and twist. Meat is done if drumstick is loose. With a sharp knife, open meat and tissue down to the joint where thigh and drumstick meet. If the moisture in the joint runs clear, the meat is done.

4-H youth from 9 to 19 will have an opportunity to "expand their horizons through camping" at the Texas 4-H Center this summer. And the 1980 summer camping program is better than ever.

Seven camps are planned from July 6 to August 2, points out Laura Jacobs, County 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System.

Activities include living and learning in the outdoor environment that encompasses 78 acres of wooded land on the shores of Lake Brownwood in Central Texas. Skills training will be offered in such subjects as canoeing, archery, handicrafts, swimming, shooting sports and ground sports. Youth can participate in all activities.

Like 4-H, camping is "learning by doing." 4-H'ers will develop skills and will grow into more productive citizens as a result of their camping experiences.

Additional information about summer camping at the Texas 4-H Center, is available from the county Extension office, adds Laura Jacobs, Box 285, Farwell, Texas. The county Extension office is located on the second floor of the courthouse and the phone number is 481-3619.

# Double Ring Ceremony Unites Laura Staggs, Michael Murphy

Laura Lee Staggs and Michael James Murphy exchanged double ring wedding vows Friday evening, May 16, in the Highland Hills Baptist Church of San Antonio. Dr. C.H. Murphy, Jr., father of the groom, performed the ceremony.

## Local Couple Has Baby Girl

Mr. and Mrs. Ruben Gomez became the parents of a baby girl at the Parmer County Community Hospital at 9:37 p.m. Wednesday, June 11.

Named Rebecca Ann, she weighed six pounds, 12½ ounces and was 18½ inches long. Rebecca Ann is the first child for the couple.

Paternal grandparents are Mr. and Mrs. Adam Gomez of Bovina. Maternal grandparents are Mr. and Mrs. Joe Guerra of Friona.

Great-grandparents are Mr. and Mrs. Longino Rubio of Lyford, Mrs. Geronima Perez of Muleshoe and Mr. and Mrs. Higinio Guerra of El Ranchito.

Parents of the couple are Mr. and Mrs. Leo Edwin Staggs of San Antonio and Dr. and Mrs. C.H. Murphy, Jr. of Lamesa.

Traditional wedding selections were provided by Kathy Leak, organist. Judy McCullough and Teri Poe sang "Starting Here Starting Now" and "Time For Joy."

Vows were exchanged before an archway covered with ivy and yellow daisies. Yellow candelabras, baskets of yellow daisies and large potted green plants in brass urns flanked the altar area.

Escorted to the altar by her father, the bride wore a floor length gown of white chiffon. The long sleeves and princess style bodice were appliqued with tiny seed pearls. The shirred skirt fell into a chapel length train. Her veil was attached to a headpiece of seed pearls. She carried a cascade of yellow and white daisies and baby's breath. The traditional something old, new, borrowed and blue were carried out.

The groom was attired in a tuxedo of white talls.

Ken Murphy, brother of the groom, lighted the candles. Radar

Gilliland and Joshua Staggs, nephews of the bride, served as ring bearers.

Mrs. Melody Tate of Abilene attended the bride as matron of honor. Bridesmaids were Debbie Leissner, Tammy King, Michele Neis of San Antonio, and Linda Gilliland, of Uvalde, sister of the bride. They wore yellow organza formal length gowns with yellow picture hats. They each carried a long stemmed yellow rose.

Bobby Price of Kermit served as best man. Groomsmen were Mike Price of Houston, Rene Maciel of New Mexico and Mark Murphy of Lamesa, brother of the groom. They were attired in chocolate brown tuxedos.

Bruce Gilliland, brother-in-law of the bride, and Kerry Staggs, brother of the bride, served as ushers.

The mother of the bride wore a formal length gown of brown crepe and lace.

The groom's mother wore a yellow floral gown of pleated organza with sheer long cape.

Following the ceremony, a reception was held in the Fellowship Hall of the church.

The bride's table was covered with a white floor length cloth. Centering the table was an arrangement of fresh

yellow and white spring flowers. The six tiered wedding cake was decorated with small yellow roses and topped with the traditional bride and groom. A silver punch bowl with crystal serving dishes completed the service.

The groom's table was covered with a yellow linen cloth. Chocolate cake and coffee were served from a silver service.

After a wedding trip to Corpus Christi, the couple will be at home at 750 Judge Ely Boulevard No. 222 in Abilene.

The bride is a junior student at Hardin-Simmons University, where she is a member of Tri Delta Sorority.

The groom also attends Hardin-Simmons University where he is a senior student and a member of Tau Alpha Phi fraternity.

### REHEARSAL DINNER

Dr. and Mrs. C.H. Murphy, Jr., Mark and Ken, hosted a rehearsal dinner in honor of their son and brother, Michael, and his bride-elect, Laura Lee Staggs, on Thursday evening, May 15.

Thirty-two guests enjoyed steak, baked potatoes and salad at The Little Red Barn Steak House in San Antonio. Gifts were presented to the wedding party.

Mr. and Mrs. Michael Murphy

## Team Honored At Hot Dog Supper

Players and coaches of the Parmer County Implement Company baseball team were honored with a hot dog supper following their last season game June 24.

Hot dogs, chips, Kool Aid, homemade ice cream and watermelon were served to Kevin Zachary, Stephen Smith, Coy Jarrett, Cody Bracken, Alberto Gomez, Daniel Ramirez, Jerry LaFuente, Arturo Gomez, Joe Trevino, Jackie LaFuente, Jeff Procter,

Benny Trevino, Greg Koelzer, Bernie Trevino and Mark Coleman, coach.

Coleman was also presented with an autographed baseball in appreciation of his work with the team.

Host couples for the supper held at the David Smith home were David and Betty Smith, assisted by the Gene Zacharys, the Ron LaProcters, Mr. and Mrs. Gomez and the Rex Brackens.

Pat and Junior Martin are in for a treat in the form of an extended visit with their granddaughter, Laura Wetmore, and daughter, Carolyn. Dave, Carolyn and Laura, who have been living in Port Arthur about a year, drove in late last week.

Then, on Monday Dave flew to the East Coast and planned to fly from there to Venezuela for a job assignment. Carolyn and Laura will remain in Friona for awhile.

Friona had at least three delightful young ladies visiting relatives here last week. Stacy and Vicky Rolan of Stratford, Texas, accompanied their mother, the former Dorothy Vaughn, down for a visit in the home of her father, Elwood Vaughn.

The girls are very attractive and have such pleasant dispositions. They are eleven and nine and right now are interested in playing ball and learning to do things with their hands.

They brightened my week by allowing me to assist them in learning to knit and crochet and were eager beavers when it came to helping me and running errands for me.

Another charming young lady, who has been here several weeks and plans to spend the rest of the summer here, is Lisa Coffman. She's the daughter of Cliff and Carol Coffman, former Friona residents.

When Cliff and Carol moved from Friona to Dardanelle, Arkansas, they had one son, Jeff, who is now 19. He is married and still lives in Arkansas.

The Coffmans moved to the River Oaks Addition to the city of Fort Worth a year or so ago. They have another son, Clifford, who is six.

Lisa is visiting in the homes of her paternal grandparents, Mrs. Arma Coffman; and aunts and uncles, Dean and Anna Jo Blackburn and Oneida and Frankie Allen.

Loy and Vuthill Loafman spent several days last week in Cool, Colorado. They must have had some pressing duties at home or they would have stayed longer.

They were accompanied to Del Norte by John Taylor on Sunday. Then, on Monday he drove his mother, Anita Taylor, back to Friona. She had spent ten weeks in St. Joseph's Hospital there.

Later in the week her daughter, Diana Tutor, who lives in Roswell, New Mexico, and her son, Jeffrey, came to Friona for a visit. They returned home Saturday.

Monday of this week Anita's brother, Charles Kirk, flew her back to Del Norte, where she was readmitted to St. Joseph's Hospital.

Sunday guests in the home of Ted, Glenda and Charlotte Procter, were Lanny, Lenda, Mickey and Christa Trussell of Muleshoe. The Trussells are former Friona residents and Glenda and Lenda are twins.

The Procters honored Jill Grimsley with a birthday Sunday evening. Others present, besides the host couple and the Trussells, were Jayson Grimsley, Bob and Terri Welch, Linda Gromowsky, Lenney and Jan Petree and Fred and Cindy Cook.

Our neighborhood had a fun party Monday evening of last week. We surprised Ann Martin, who was having a birthday, with an ice cream supper in the home of Randy and Wessie Weatherley and children.

Others attending were the Glenn Floyds and one of our grandsons, Joel Osborn, who lives in Garland; Calvin Martin; Mr. and Mrs. Irvin Henderson; and Mr. and Mrs. Luther Stroud and one of their grandsons, Jeff Hall, who lives in Harlingen, Texas.

Weekend visitors in the home of Mr. and Mrs. Haywood Vaughn were Mrs. W.C. Williams and Mr. and Mrs. W.D. Floyd of Weatherford, Oklahoma.

Lt. Commander Jim Stokes of the United States Navy was recently chosen to represent the nurses of the Subic Bay Naval Hospital at a

national nurse's convention in Houston.

Stokes was granted an extra week leave of absence so that he could visit his mother, sisters and other relatives in Friona before he returned to the Philippines.

While he was here, Mr. and Mrs. Bill Horton and children, Maelyn and Brad, of Amarillo, came down for a visit in the home of Mrs. Lucy Mae Stokes, Carol and Alayna Maree.

Stokes, who is the assistant supervisor of nurses at the Subic Bay Naval Hospital, has been overseas about a year and expects to be back in the states by the end of the year.

Paula Beasley of San Diego, California, is a houseguest in the Stokes home. She is a former resident of Amarillo.

One of Friona's newest residents isn't really new here. She is Casey O'Reilly. She has purchased a home where she and her Irish Setter, Fraulein, will soon be living.

Casey has spent a great deal of time travelling for the past several years and has toured most of the continental United States. She has been employed by Richard Collard and will begin work in his office next month.

Casey is the former Kay Coffey and is a 1964 graduate of Friona High School. She has been gone from Friona most of the time since then.

The Rhea Community has three new residents. Boonie and Lisa Cummings and their young son, John Paul, have recently moved into the house on the Mears farm, which is about two miles east of the Immanuel Lutheran Church.

Wilma Johnston spent one day last week in Amarillo, where one of her sons, Dale Johnston of that city, had knee surgery. He called Saturday to report that he was out of the hospital and doing fine.

Saturday guests in the home of Mr.

and Mrs. Roscoe Parr Sr. were Bill and Ozell Williams Landrum and Rose Williams Brasier and daughter, Linda, all of Tulsa, Oklahoma.

The Oklahomans were enroute from Tulsa to Las Vegas in a private plane and stopped off in Amarillo. They were brought to Friona by Arleen Shivers, who lives there.

Ozell was a first grade student in the King School near Pampa in the late twenties while Mrs. Parr was teaching there. She and her sister, Rose, are both former Friona residents.

Opportunities always look bigger coming than going.

## Mrs. Moseley Attends TSTA Celebration

Mrs. Jeanne Moseley attended the Texas State Teachers Association's centennial observance June 22 at the First Presbyterian Church in Mexia.

That is where TSTA originated, at a three-day meeting of about 40 educators which began June 29, 1880. Mexia is about 40 miles east of Waco on U.S. 84, and 80 miles south of Dallas.

Active and retired members of TSTA from around the state joined with Mexia citizens in dedicating an official Texas historical marker denoting the time and place of TSTA's origin.

Mrs. Moseley is president of TSTA's District XVI. Accompanying her to the dedication were Mrs. Eula Sharp of Tulia who is District XVI secretary, and Mrs. Treasure Brasher of Canyon, who is past-president of District XVI.

The 100-year history of TSTA also includes the 82-year history of the Teachers State Association of Texas, the organization for black Texas educators which began in 1884 and ended in 1966 when members voted to disband and join TSTA.

## Showers Honor Melodi Dixon

Melodi Jane Dixon, bride-elect of Tommy Richard Woosley, was honored with a bridal luncheon on June 7.

The luncheon was hosted by Mrs. Carolyn Sherrod of Canyon and Mrs. Helen Childers of Dalhart.

The hostess gift was a Hoover vacuum cleaner.

Hostesses were Ann Osborn, Helen Potts, Wynell Ruszenas, Carmaleet Truitt, Virginia Cleveland, Nellie Shelton, Ona Patterson, Lynn Gowens, Ann Kelley, Betty Wiseman, Louise Widner and Mildred Mings.

Also, Cecelia Schueler, Lorna Schueler, Betty Lewellen, Martha Schueler, Rita Stephenson, Diane White, Othelia Bennett, Linda Anthony, Irene Anthony, Mary Joyce Barnett, Gay Taylor and Donna Mears.

A miscellaneous bridal shower was held in Ann Osborn's home.

The table was covered with a white tablecloth and was decorated with a silver punch bowl. Various types of cookies, blue and yellow mints were served to the guests. Fresh flowers decorated the house.

# Prairie Acres Party Line

By June Floyd

Hello Central!

We have several new residents at Prairie Acres. Rufus Vinson of Bovina is back with us, but since he has been here before, we don't really number him with the newcomers.

Those we do number are Bird Hutson and Pearl Hand, Friona; Barbara Logan, Arthur Tiefel, Erbet (Ozo) Palmer, Ida Clay, Hazel McCutcheon, all of Hereford; Isaac Quickel, Bovina; Marcelino Mitchell from New Mexico; and Alonzo Ramirez, Amarillo.

Our July birthday people are Pearl Hastings, who will be marking her birthday July 15; Olga Weaks, who will observe hers July 25 and Floy Cottingham will celebrate hers July 26.

Janie London is still enjoying going to Girl Scout meetings and has recently spent one week at Camp New Dawn in Ceta Canyon.

Olive Lawrence has been hospitalized at Deaf Smith General in

Hereford, but is back with us now.

Mrs. C.A. Paul has had company from Venezuela recently. Her grandson, Billy Don Wigley and his wife have been here.

Claude and Katie Osborn have received a large number of cards in marking their Golden Wedding Anniversary.

Arthur Dettman has been a patient in the local hospital, but has returned to Prairie Acres.

Nellie Palmer is a patient at High Plains Baptist Hospital in Amarillo.

Our special thanks go to members of Calvary Baptist Church for presenting our Sunday afternoon services during the month of June.

Our July services will be under direction of members of Union Congregational Church.

It is good to have Dora Nittler back. She has been ill and then went

to Red River for a brief rest after being dismissed from the hospital.

She came home with a broken arm, so is working with a cast on her left arm.

We've had a lot of fun socials, parties, etc. recently.

There was a staff party Friday, June 13; a Family Night Friday, June 27 with 150 persons attending; and an ice cream social Tuesday afternoon with women from First Baptist Church as hostesses.

Then, Thursday evening we had a cook out.

We have enjoyed movies each Wednesday afternoon and want to thank Billie Fairchild, local librarian, for arranging these movies through the Amarillo library for us.

Some of our residents are participating in a woodworking project and are making articles, which will be sold during Maize Days.

Plans are being formulated for the organization of an auxiliary for Prairie Acres. There will be more information in Prairie Acres Party Line later.

Nettie Rhinehart had a very pleasant surprise Tuesday afternoon. Just as she was going out of her room to the dining room for the ice cream social, she had two unexpected visitors.

A brother, E.M. Harrell of Medford, Oregon; and a sister, Okla Champ from Fresno, California, walked in. This was the first time Nettie had seen Okla in more than four years.

We are deeply grateful to our neighbors and friends for the many kindnesses which are extended to us and invite any of you to visit us any time you can.

Mrs. William Christman, Jr.

# Wedding Vows Are Exchanged

Sharon Diane Jones of Lockney, Texas and William E. (Chris) Christman, Jr. of Dumas, exchanged wedding vows June 14.

The wedding ceremony was performed in the Calvary Baptist Church of Canyon.

The bride is the daughter of Mr. and Mrs. Aubrey L. Carlton, Jr. of Lockney, Texas, and Wayne A. Jones of Friona. She is the granddaughter of George A. Jones and A.L. Carlton, Sr. of Friona and Mr. and Mrs. Eldon Towry of Olton.

The bridegroom is the son of Mrs. Jean Christman of Dumas, Texas.

Rhonda Hayes of Lockney, Texas was the maid of honor. Serving as best man was Stephen Dortch of Canyon.

The bride is a 1979 graduate of Lockney High School and is attending West Texas State University.

The groom is a 1978 graduate of Dumas High School.

The couple plans to reside in the Coed Apartments, Canyon, Texas.

# Melodi Dixon, Tommy Woosley Exchange Vows

Melodi Jane Dixon of Canyon and Tommy Richard Woosley of El Paso, Illinois exchanged wedding vows June 7 at 7 p.m. in the Calvary Baptist Church of Canyon. Reverend Robert Ward, pastor, officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. James W. Dixon of Route 2, Friona.

The bridegroom is the son of Mr. and Mrs. Lyle R. Woosley of El Paso, Illinois.

The church was decorated with an archway covered with greens accented with ribbons flanked by two nine branch candelabras covered with greens. Matching altar bouquets contained a mixture of roses, carnations, spider mums and gladiola. A heart-shaped candelabra with a hogarth arrangement of flowers, set off by white candles, was arranged beyond the archway. Blue and yellow ribbons marked the family pews.

Musical selections were presented by Edwina Collier of Canyon, cousin of the bride. She sang "Longer" after the mothers and grandmother were seated. When the unity candle was lit by the bride and groom, she sang "Walk Hand In Hand." As roses were presented to the mothers at the closing of the ceremony, "The Twelfth Of Never" was sung. Verna Kay Crist of Wildorado accompanied her at the piano.

The bride was presented in marriage by her parents. She wore a formal length gown featuring Queen Anne neckline, bishop styled sleeves, a bell skirt and chapel length train. Chantilly lace and seed pearls accented the bodice and lace

decorated the bottom of the dress. The lace edging on the bottom of the dress was decorated with three small arrangements of roses and flowers decorated the bride's shoes.

She wore a picture hat embellished with lace and seed pearls. A fingertip length veil fell from the hat.

Following bridal tradition, she wore a gold chain bracelet belonging to her mother for something borrowed. Her wedding outfit was new. For something old she borrowed diamond earrings worn by her matrons of honor in their own weddings and wore pennies minted in the years of the couple's births in her shoes. She wore the traditional blue garter.

The bride carried a bouquet of silk roses, wild roses, lily-of-the-valley and bell flowers. She designed her own bouquet.

The groom wore a black western cut tuxedo and white ruffled shirt.

Janice Hales, cousin of the bride, and Connie Dickerson, both of Canyon, were the matrons of honor. Linda Anthony of Friona was the maid of honor.

Bridesmaids were Edwina Collier of Canyon, cousin of the bride, and Milli Dixon of Friona, sister of the bride.

The feminine attendants wore blue formal length gowns. The gowns were pleated from the bodice to the hemline and were accented with sheer knit jackets. Each wore a brimmed spring hat with yellow ribbon framing the crown and blue silk roses at the back with yellow and blue streamers.

They carried silk floral arrangements in lace baskets arranged by the bride.

Serving as flower girls were Kendra Hammons of Canyon, daughter of Mr. and Mrs. Kenneth Hammons and Kristy Dugan, also of Canyon, daughter of Mr. and Mrs. Alan Dugan.

They wore yellow cotton dresses with flocked white daisies and matching bonnets. They carried lace baskets of silk flowers arranged by the bride.

Willie Hales of Canyon was the best man. Groomsmen and ushers were Alan Dugan of Canyon, Milton and Mendan Dixon of Friona, brothers of the bride, and Rusty Dickerson of Canyon.

The groomsmen and fathers of the couple wore black western cut tuxedos and blue and white ruffled shirts.

Candles were lit by Mendan Dixon of Friona, brother of the bride, and Rusty Dickerson of Canyon.

The bride's mother wore a formal length dress in shades of pink and rose colors accented by a rose and carnation corsage.

The groom's mother wore a formal length light blue dress with matching lace jacket accented by a corsage of carnations and roses.

Wedding programs were presented to the guests as they entered the church. Marla Collier of Canyon, cousin of the bride, presided at the guest register.

A reception followed the wedding ceremony. Serving at the reception were Carla Collier of Canyon, cousin of the bride, Terry Phillips and Melinda Houdashell, both of Amarillo.

Lotte Collier, cousin of the bride, passed out rice bags of yellow net tied

with blue ribbon and wedding bells.

The table was covered with a white lace tablecloth over blue with yellow net swags as edging.

Four heart-shaped cakes formed the base of the wedding cake situated around a fountain completed with three upper tiers above the fountain. Yellow roses and blue sugar bells decorated the cake. The cake was topped with three yellow bells with blue accents. The wedding cake was highlighted with three votive candles and greenery.

For a wedding trip to Ruidoso, New Mexico, the bride wore an off-white wrap-around skirt appliqued with orange butterflies with an orange shirt. She wore a hat of tan straw with an orange and white scarf and matching tan shoes.

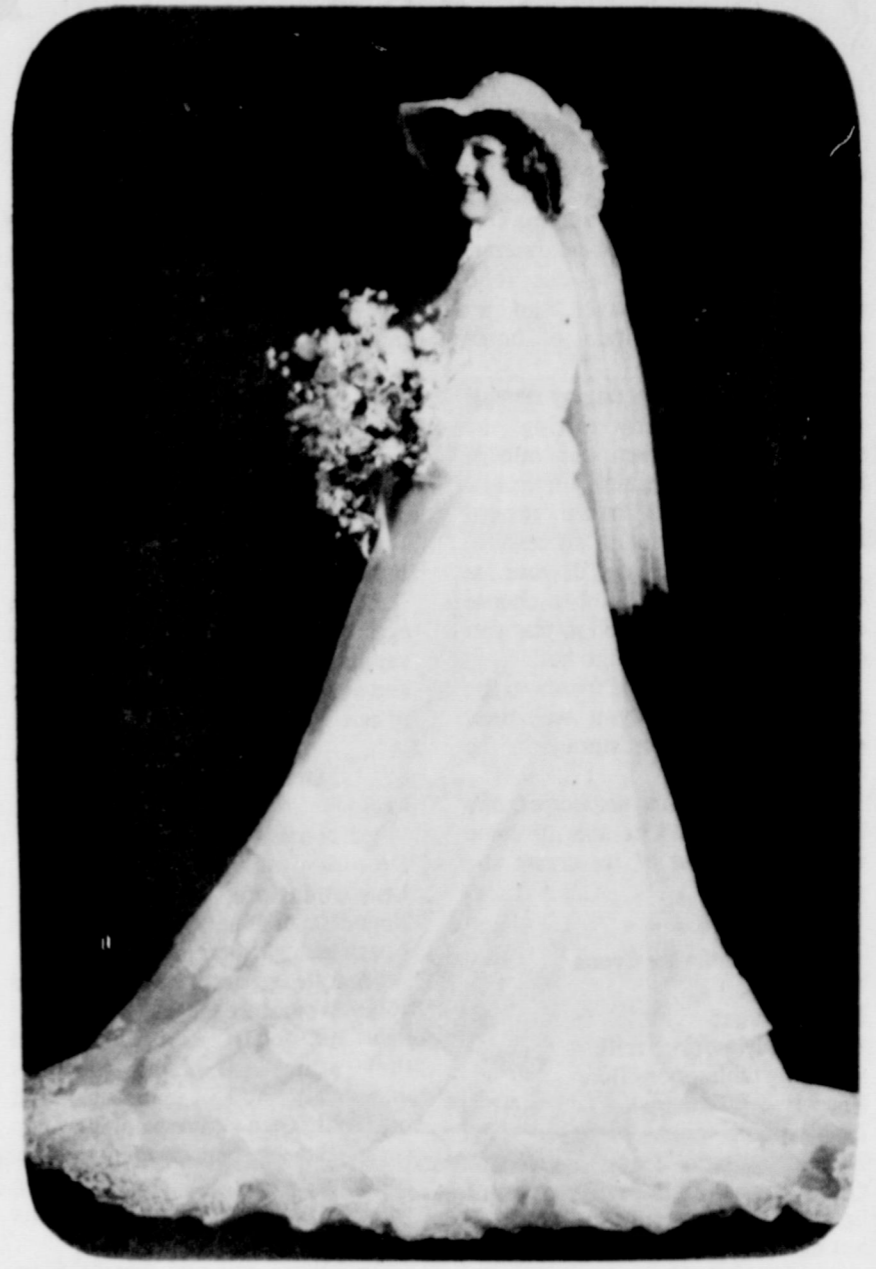

The couple will reside in Canyon during the summer months and will move to Arlington in the future.

The bride is a 1977 graduate of Friona High School and Cliff Mann Floral School and a 1980 graduate of West Texas State University, Canyon.

The bridegroom is a 1972 graduate of El Paso High School in El Paso, Illinois, and is currently employed in the accumulations department of Iowa Beef Processors.

## REHEARSAL DINNER

The rehearsal dinner was given by the bride's parents at the Railroad Crossing in Canyon. Along with the meal, a miniature chocolate wedding cake, designed by the bride, was served.

# The Happy Homemaker

By June Floyd

For a happy homemaker, happiness is a well stocked freezer. What nicer addition to our food supply could we have than an assortment of containers of home made ice cream.

Of course, this is good any time of year, but especially during the summer months when our outside temperature registers ninety-five plus.

If you plan to freeze several freezers of ice cream in succession, you can make better use of your ice and salt. It is a good idea to choose early morning for this job so that you can finish before it gets too hot.

After the ice cream is frozen to the proper consistency, you will need plastic containers for storage in the deep freezer.

From the following six recipes, any homemaker should be able to come up with the kind of ice cream she prefers.

\*\*\*\*\*  
**Vanilla Ice Cream**

1 quart milk  
2 1/2 cups sugar  
1 tall can evaporated milk  
4 heaping tablespoons flour  
4 eggs  
2 tablespoons vanilla  
Scald milk in heavy sauce pan. Cream sugar, flour and eggs until light and fluffy. Gradually add 3 cups hot milk; mix thoroughly; then pour egg mixture into sauce pan with remaining milk. Heat until thick and creamy.

Just before removing from heat, add canned milk. Return to large bowl of electric mixer; beat to remove

She is the daughter of Mr. and Mrs. Leroy Lundy of Friona.

any lumps that may have appeared during cooking; cool; add vanilla and pour into 1 gallon freezer. Fill to within two inches of top with whole milk.

\*\*\*\*\*  
**Quick Ice Cream**

5 eggs, well beaten  
1 cup sugar  
2 cups white Karo  
pinch of salt  
1 pint whipping cream  
1 tablespoon vanilla

Add sugar and Karo to well beaten eggs. Mix well. Add salt, cream and vanilla. Pour into gallon container and add whole milk until 2" from top of can. Freeze as usual.

\*\*\*\*\*  
**Strawberry Ice Cream**

4 eggs  
1/4 teaspoon salt  
1 1/2 cups sugar  
1 cup white Karo  
7 ounces marshmallow cream  
1 package strawberry Jello

Separate eggs and beat whites and yolks separately. Beat yolks until light and fluffy. Beat whites until they stand in peaks (do not underbeat). Add 1/4 cup sugar and beat well. Then add remaining 1/4 cup sugar and beat again. Thoroughly combine beaten yolks with beaten whites and sugar. Add Jello. Mix well.

Add Karo, salt and marshmallow cream and mix thoroughly. Pour into one gallon freezer can and add enough whole milk to fill to within 2" of top.

Freeze. Let set one hour before serving or dip into containers and place in deep freezer.

\*\*\*\*\*  
**Banana Nut Ice Cream**

7 eggs  
1/4 teaspoon salt  
1 1/2 cups sugar  
1 tablespoon vanilla  
1 cup white Karo  
1 cup pecans  
1 pint whipping cream  
2 ripe bananas, mashed fine

Beat yolks and whites separately. Beat yolks until light in color. Beat whites until they hold standing peaks (this is important). Add half of sugar

and beat well.

Then add rest of sugar and beat again. Combine beaten egg mixtures and blend together. Add Karo, cream, salt and vanilla. Pour into freezer. Add bananas and nuts. Add enough milk to fill freezer. Freeze and let set one hour. Makes one gallon.

\*\*\*\*\*  
**Cherry-Walnut Ice Cream**

6 eggs

2 cups sugar  
1 can Eagle Brand milk  
1 pint coffee cream  
1/4 teaspoon red food coloring  
6 tablespoons cherry juice  
1 No. 2 can Bing cherries  
1 1/2 cups black walnuts  
1 tablespoon vanilla

Beat eggs until lemon colored. Add sugar; beat until blended. Add remaining ingredients and enough

milk to fill gallon freezer can. Freeze as usual.

\*\*\*\*\*  
**Basic Ice Cream**

This recipe may be used for any kind of fresh fruit, vanilla or other flavors.

2 cups powdered milk  
2 1/4 cups water  
1 large can milk  
3 tablespoons Karo  
1 1/2 cups sugar

2 pints coffee cream  
Mix above ingredients in freezer can. Add peaches, strawberries, bananas, apricots, vanilla or other flavors.

Pour into freezer can and add enough whole milk to fill can to within 2" of top. Freeze.

Happy is the homemaker who serves homemade ice cream to her family and guests.

## Memorial Is Named For F. Rierson

Officials at Clovis High Plains Hospital today announced that the hemodialysis unit at the hospital has been named as a memorial for the late Frank Rierson.

"Frank Rierson was the motivating force behind establishing a hemodialysis unit in Clovis," according to Bob Brooks, Associate Administrator at Clovis High Plains Hospital. "We felt it would be a fitting tribute to designate the unit as the Frank Rierson Hemodialysis Unit in his memory."

Rierson, a long-time Clovis resident and auto dealer, was diagnosed as having end-stage renal disease in 1971. He initially underwent dialysis treatments in Albuquerque but subsequently worked with his Albuquerque nephrologist and officials of Memorial Hospital to make the dialysis treatments available in Clovis.

Together with the other auto dealers in Clovis, Rierson raised funds to send nursing personnel from Memorial to Albuquerque for the special training required and for purchase of the first dialysis equipment.

From that initial machine, the unit grew to a six-station facility that has provided life-saving treatments for as many as 15 patients. Currently, 12 patients are scheduled for treatments three days each week. Albuquerque nephrologists provide the specialized consulting needed by local physicians.

"Frank Rierson's enthusiasm for the Clovis dialysis unit was shared by everyone associated with the project," Brooks said. "Having the treatment available locally drastically reduces the disruption to the patient's lifestyle by eliminating long trips to distant dialysis facilities. This is especially important when you remember how frequently patients must undergo dialysis treatments."

Frank Rierson died in a Lubbock medical facility on June 14 of an illness unrelated to his kidney disease. The Clovis High Plains Hospital will place a memorial plaque with the hemodialysis unit's new designation in the near future.

## Church Sets Schedule For Sunday, 29th

The worship services for Immanuel and Redeemer Lutheran Churches will be at the regular times this week, according to pastor Reuben Haase.

Sunday morning worship services at Rhea are at 9 a.m., and will include the baptism of infant Kevin Dale Schueler, son of Dr. and Mrs. Dale Schueler.

Kevin has two brothers, Monty and Wade. Grandparents are Mr. and Mrs. Raymond Schueler and Mr. and Mrs. Delton Lewellen of Rhea and Friona.

Service time at Redeemer Lutheran Church is at 11 a.m. Bible Class is at 10 a.m.

Pastor Haase said his sermon this Sunday will be based on a portion of Paul's letter to the Galatians, 3:28. Pastor Haase will deliver the same message to both congregations.

says that work is available immediately for all interested persons who qualify for the positions. Pay for the census takers averages \$4.00 per hour and reimbursement for use of a personal car on the job. Census takers work a 40-hour week, including some evenings and Saturdays.

With school out, Soule says he is hoping school teachers, high school graduates and college students, along with others interested in temporary work, will begin to apply for these

essential positions. Anyone over the age of 18 is eligible to be a census taker. Applicants must pass a written test on such basic skills as ability to follow printed instructions, do simple arithmetic and read maps.

To obtain more information and to arrange to take the qualifying test for a census job, interested applicants should call the District Census Office for this area as soon as possible. Calls may be made collect to (806) 335-1656 between 8 a.m. and 4:30 p.m. on weekdays.

## County's Cotton Figures Released

Cotton production from the 25 High Plains counties represented by Lubbock-based Plains Cotton Growers, Inc. in 1979 came to 2,750,600 bales of 480 pounds net weight, according to figures just released by the Texas Crop & Livestock Reporting Service (TCLRS), Austin.

The total was the third highest on record, trailing the 1977 crop of 3,215,400 bales and the 2,888,700 bales produced in 1973.

Planted acreage according to TCLRS was a record 4,565,800, over a half million acres above the 4,043,000 seeded in 1978, which was the previous high. But adverse weather, including one of the most severe hailstorms ever seen in August, cut 1979 harvested acres by 17 per cent to 3,789,250. Yield per harvested acre for the 25 counties averaged 348.4 pounds, up from the 274.4 pounds harvested in 1978 but far below the area high of 513.2 pounds

set in 1965. The 10-year High Plains average yield per harvested acre, 1970 through 1979, now comes to 356.3 pounds.

Dawson County, with 243,800 bales, led the area in total 1979 production. In second, third and fourth places were Lubbock (240,600), Gaines (228,700)

Per-acre yield leaders on the Plains in 1979 were Martin (552 pounds), Howard (525), Midland (510) and Garza (505).

# An Open Letter To All Savers!

The U.S. Treasury Department is asking Congress to pass a law requiring that 15% of the interest you can earn on your savings account be withheld and sent to the Government before you ever see it.

If the savers of this nation let Congress know—without delay—that they oppose this proposal, then Congress will kill it. Otherwise, it is expected to become law this year.

We urge you to write to your Congressman and Senators without delay and object to this ill-advised proposal.

This proposal would saddle you (and also people who receive other forms of interest and dividend income, including earnings from stocks and bonds) with new tax forms, procedures and requirements. In millions of instances the tax sums involved would be inconsequential.

It would work a special hardship on the millions of people on fixed incomes who depend on interest from their savings accounts to help meet living expenses.

It would reduce the total return on your savings because when interest is withheld and sent to the government, you would lose part of the compounding effect that helps your savings account return a higher yield.

Though the Treasury Department says it will develop an exemption plan for some taxpayers, you would be required (if eligible) to file an exemption form with each bank and savings and loan association and with every other source of your interest and dividend income and keep that paperwork current.

The Treasury claims this withholding is needed to cut tax evasion through failure to declare interest and dividends. We know that you pay taxes on the interest you earn. None of us condones evading our fair share of taxes. But withholding on savings interest is unnecessary because the Treasury's Form 1099 system—the Information Return sent to you at the end of each year with a copy to the IRS—already gives the government the means for checking on those who don't pay their taxes.

Rather than impose a tax withholding plan on savings, and reduce the interest your deposits will earn, our nation needs further incentives to build savings—to provide the capital and jobs for a sound non-inflationary economic future. A recent law will let you exclude \$200 from interest and dividend income (for single people) or \$400 (for married couples) starting next year. That Congressional action is a sound first step toward encouraging savings.

We urge that you write your members of Congress—your representative in the U.S. House and your two U.S. Senators—now. Ask them not to complicate further our already over-complicated tax system. Ask them to vote against the withholding proposal.

Your Congressmen may be addressed:

Hon. Kent Hance  
1610 Longworth Building

Washington, D. C. 20515

Your Senators may be addressed:

Hon. John Tower  
Old Senate Office Building

Hon. Lloyd Bentsen  
Old Senate Office Building

Washington, D. C. 20510

Dear Senator or Congressman:

I am unalterably opposed to any form of withholding of interest or dividend income. The U.S. Treasury in particular and the U.S. government in general already penalizes savings and thrift and rewards spenders and non-savers. We sincerely request that you use your influence and position to defeat this proposal.
