## RAYMOND TREIDER, JR. R. Treider Announces Candidacy

Raymond Treider, Jr. of Lazbuddie, has authorized the Friona Star to announce his candidacy for County Commissioner, Precinct 4, in the upcoming Democratic Primary, May 1982.

Treider is a Parmer County native and he and his wife, Charleta, have raised their four children in Parmer County.

Treider is a construction foreman, who plans, if elected, to devote his full-time efforts to his county commissioner work.

Not a stranger to previous county service, Treider served Parmer County as a maintainer operator for three years and also worked under the late Sheriff Charles Lovelace as a deputy.

He has also been a past county commissioner for Precinct 4, after having been appointed in 1966 to fill a spot vacated by George Crane. Treider then was re-elected to that position for two terms, thus serving the residents of Precinct 4 for a total of nine years, as a commissioner.

"If elected, I plan to devote my entire time to the position of County Commissioner, and I feel that I am very well qualified to accept the responsibilities that this job requires," commented Treider.

"I would appreciate your vote and influence in the upcoming election in the May primary," he stated.

## Stock Show Sale Hits Record \$120,000

The auction sale at the 1982 Parmer County Jr. Livestock Show capped off a successful show with a record total of \$120,025.47 paid to the young showmen.

Of the auction total amount paid for the animals, \$69,837.90 was in premiums over and above the floor price, and \$50,187.57 was paid by the floor bidders.

"We were thrilled that the sale was as good as it was. We had been concerned that it might not be, due to the farm situation and the depressed economy. But the buyers dug down and did better than they ever had," said John Taylor, assistant show superintendent.

The barrows sold for an average of \$2.00 per pound at the auction. One group, the Friona Livestock Boosters, went back and added to the animals they bought, to assure a minimum of \$2 per pound for each animal.

Steers sold for an estimated \$1.25 per pound, and the sheep sold for \$2.70-\$2.80 per pound on the average.

The auction total compared to \$93,729.47 at last year's sale—a whopping 28 per cent increase for the sale totals.

"We appreciate everyone who supported the sale, and the young showmen by purchasing their animals. It helps them 'come out' on their projects when they can get good prices," Taylor said.

(Names of all the buyers at the 1982 show are listed in a "thank you" advertisement on page 8 of this issue, and those contributing to the Friona

Livestock Boosters are listed on page 9.)

Jeff Lundy, who exhibited the grand champion steer, sold his animal at auction for \$3.00 per pound. Successful bidder on the steer was Ag-Chem Farm Services. Charlie Trimble sold his reserve champion steer for \$1.65, as Bovina Feeders was the buyer.

Danna Ralston's grand champion barrow was sold for \$3.00 per pound, to the Farwell Championship Club, and Vandi Tarter's reserve champion went for \$1.90 to North Lazbuddie Gin.

The top sheep, the grand champion showed by Bret Whitten of Bovina, was purchased by Agri-Sprayers of Bovina at \$3.25 per pound. The reserve champion sheep, owned by Jon Riddle, was bought by First State Bank for \$2.40 per pound.

Floor prices at the 1982 sale were 65 cents per pound on the steers, bought by Leroy Berend; 48.75 cents per hundred-weight on the hogs, bought by Clovis Hog Company, and 48.75 cents per hundred-weight on the sheep, by Lazbuddie Sheep Feeders.

.....

The win by Lundy in the steer show gave his school, Friona, its 17th steer title in the 35 years. It was the sixth time for a crossbred steer to win the county title, and second year in a row for an Angus-Chianina to win. Herb Vogel of Hereford was the breeder of the champion steer for the second straight year.

Lundy's sister Corrie made it a sweep for her family by winning the

first-ever grand champion heifer trophy with her lightweight entry. The heifer was likewise an Angus-Chianina cross.

In the barrow show, completed Friday evening, young Danna Ralston, Farwell 4-H Club member, had the grand champion, a 245-pound barrow which had been earlier judged as the champion in the crossbred division.

Miss Ralston gave her school only its fifth-ever barrow title, first since 1977. It was the seventh time for a crossbred barrow to win the county title. The first crossbred barrow to win was in 1966.

Other breed champion trophies and banners were won by: Yorkshires, Devera Rhodes, Friona 4-H; Chester White, Mark Teague, Bovina FFA; Berkshires, Suzahn Inman, Farwell 4-H; Duroc, Vandi Tarter, Lazbuddie 4-H; Hampshires, David Boozer, Bovina 4-H; and Spots and Polands, Beth Johnson, Friona 4-H.

The lamb judging, held on Thursday, saw Bret Whitten, Bovina FFA, with the Grand Champion

**EMT Course  
Is Offered  
In Bovina**

What would you do if the baby got a toy wedged in his throat and couldn't breathe? What would you do if a child on his way home from school fell off his bike in front of your house and broke an arm or leg? What if you were at the lake and the lady from the next table ran over asking your help because she thought her husband had had a heart attack? What if you were out on a country road and saw a pickup flip over and no other help was in sight?

If you are a parent of small children, if you are a teacher, 4-H leader, Sunday School worker, or anyone else responsible for other people's children; if you are a farmer that comes in contact with chemicals or are around those who have to work with such materials; if you drive on the highways and by-ways of West Texas, there is a good chance that sooner or later you are going to be called on to give first aid.

For this reason, the Bovina Ambulance Service is offering an emergency care attendants course beginning March 9. The class will be held each Tuesday and Thursday nights beginning at 7 p.m. in the Fellowship Hall of First Methodist Church. It will conclude on April 1.

Although this class qualifies a person to work on the ambulance, it also gives anyone willing to take the time a knowledge of first aid that may help to save a life. It will most certainly enable you to prevent further damage to an injury and ease the pain if you are the first one on the scene. You will know what to do until the ambulance arrives.

Cost for the course is \$10.00. In addition, a text book may be purchased for \$15.00. You may take the course without buying the book, but it is recommended that you buy the book for your help in the class as well as to refer to when you need to know what to do in times of emergency.

This class is open to everyone in the Parmer County area, but only persons eighteen or older will be certified by the state. We welcome high school students, but will be unable to certify them at the end of the class.

## Sheriff's Report

In the report from Parmer County Sheriff, Bill Morgan, the following persons were arrested the past week:

Robert Billups, of Carlsbad, N.M. was arrested on charges of DWI, to which he pled guilty and was fined \$150 plus court costs. He was arrested February 17 by DPS Trooper Craig Hunt.

The following cases are pending district court:

Lewis Vasquez, 25, of Friona, and Roque Mendez, 26, of Friona, are both charged with felony theft, in connection with a burglary of a barn on February 18. A search warrant was executed on the home of one of the suspects by members of the sheriff's office and officers of the Friona Police Department, where other items taken from the barn break-in were found.

The pair were arraigned before Judge Albert Smith Tuesday and bond in that case was set at \$5,000 for each of the suspects.

This case is pending further grand jury action, when the grand jury has its next session April 6.

Also reported this week was a break-in of Farwell Fertilizer. The burglary occurred sometime over the past weekend and two tires and wheels were stolen from an ammonia trailer. Also taken was about 20 gallons of gasoline. The estimated value of the missing items was placed at \$225.

Also sometime over the past weekend, Twin Cities Machine Shop in Farwell was broken into, and about \$100 worth of scrap iron was taken.

Saturday, Phil Brockman of Lazbuddie reported that a window in his residence had been broken out and he was missing a 22 calibre pistol, a small AM/FM radio cassette player and seven tapes. A value of the missing items has not yet been determined.

In a case dealt with earlier, William Lee of Albuquerque, N.M. was taken before a visiting district judge in Muleshoe and was charged with violation of probation, after which he was returned to Albuquerque on February 17.

# Chieftains Close Season With Victory At Olton

The Friona Chieftains closed out their 1981-82 basketball season at Olton Thursday, February 17, scoring a 58-40 win over the Olton Mustangs.

The win enabled the Chiefs to finish with a 16-10 won-loss record for the season. The team was 2-2 in the second half of district play, losing only to Dimmitt and Littlefield, who met in a playoff for the district title.

Friona was playing with a "magnificent six" roster of players, with some of their squad busy at other activities. But the Chieftains made the most of their talent, and although having just a single substitute, were not troubled after a great second quarter.

Olton held the upper hand in the game during the first quarter, holding a 12-9 lead at the end of the opening

eight minutes.

But the Chieftains came back with a vengeance, outscoring their hosts, 15-3 in the second quarter. Mark Tucker paced the attack, scoring four field goals during the period, and Robert Caballero added three baskets.

In the meantime, the team was really putting on the defense, and limited the Mustangs to just one basket and one free throw during the period.

When the smoke had cleared and the halftime buzzer sounded, the Chieftains had assumed a 30-15 lead, and were well in command of the game.

Friona outscored the Mustangs, 28-25 during the second half.

"We were a bit short-handed, but the players we had played a good game," said Coach Johnson, who had been at the junior livestock show waiting for one of his starters, Mark Tucker, to finish showing his lamb so they could head for Olton.

REASON #6: H&R Block's trained tax preparers.

This year there are 47 different forms and schedules for income tax filers.

Using the wrong form, or omitting one, could cost you money. Or cause an IRS inquiry. H&R Block preparers are trained to know the forms and how to use each of them to your best advantage.

## How Do They Do It?

You often hear of bankers foreclosing on farms and businesses, but you never hear of a farmer or businessman foreclosing on a bank.

How is it that bankers, who produce no useable product, make millions, while farmers and businessmen, who produce the nation's goods and services, are always in debt to the non-producing bankers?

This continues in both good times and bad. For an explanation of this marvelous phenomenon of the producer always owing the non-producer join the Duck Clubs of America.

This club has a plan for blunting the economic impact of foreclosure on a personal basis and a national level.

# Town Talk

By June Floyd  
Call 247-3681

Sarah Dean, Carl and Velma Schlenker and Helen Potts are home following a trip to the West Coast. These four attended funeral services for Oscar Schlenker, 88, at Laverne, California, on Thursday.

Schlenker, the author of "Oscar Remembers" in the new Parmer County History, was the son of the late Mr. and Mrs. Charles Schlenker, pioneers of the Rhea Community.

He and his wife, the former Alice Reeve, sister of the late Floyd Reeve and also a Parmer County pioneer, moved to California many years ago. She preceded him in death.

The Carl Schlenkers, Mrs. Dean and Mrs. Potts also visited in the home of Amelia Schlenker Rankin, who lives in Clairemont, California. Amelia is Carl's and Sarah's sister.

Oscar was the brother of Helen Potts, Louisa Wilson and Mabelle Hartwell and the uncle of Carl, Sarah

and Amelia.

Visitors in the home of Mr. and Mrs. Raymond Hughes last week were Mr. and Mrs. Davey Hughes of Clinton, Oklahoma, and Mr. and Mrs. Elmo Higgins of Sayre, Oklahoma.

Raymond and Davey Hughes are brothers, their wives are sisters and Elmo Higgins is their brother.

Visitors in the home of James and Sue Procter last weekend were Mr. and Mrs. Ross Peterson of Lamesa, Texas. Ross is Sue's brother.

D.P. Mann, a surgical patient at St. Mary's Hospital in Lubbock, is reported to be in satisfactory condition.

One of Friona's new residents is Cheryl Stone. Although she has been employed at Friona State Bank about two years, she has been living northwest of Bovina.

She recently moved into Mabelle Hartwell's apartment on Eighth Street. Miss Stone, who grew up in Missouri, is the granddaughter of Lawrence and Esther McKillip and a great-granddaughter of Mrs. Orma Coffman.

Mrs. Rosco Ivie returned home Saturday afternoon after spending several days as a medical patient at

High Plains Baptist Hospital, Amarillo.

The most interesting Texas license plate I observed last week was lettered "OICU2."

The following typographical error caught my attention. The story had to do with an organization's budget increase and one sentence read: "Every member needs to keep the cost of to-day's inflation in mind and c u t accordingly."

Sometimes having transposed letters in a three letter word makes a lot of difference.

Rene and Jinx Snead took off a few days for a trip to the Houston area. They visited Jinx's mother, Mrs. Ivan Gray, a former Parmer County resident, and other relatives in Port Arthur, Texas.

Enroute home they detoured by way of Paar, Texas, where J.B. and Edna Snead of Sunray are on vacation; and Carlsbad, New Mexico, where they attended a reunion of some of Jinx's cousins. J.B. is Rene's brother and he and Edna are also former Friona residents.

They returned home Saturday and on Tuesday Howard and Evelyn Gray of Neptune, New Jersey, who had been with the Sneads part of the time while they were gone, came by and spent the night.

Howard is Jinx's brother and he and Evelyn visit the Sneads often.

Lea Hunt, daughter of Dr. and Mrs. Don Hunt of Midland, and Steve Holt, son of Mr. and Mrs. L.J. Holt of Wichita Falls, were married Saturday, February 6, in Midland.

Honor attendants were Dr. Lyn Goggin, Fort Worth, sister of the bride, and Lt. Rodney Holt, El Paso, brother of the groom.

The snow and ice in our area last weekend prevented her maternal grandmother, Mrs. Lessie Watson, and other Friona kith and kin from attending the wedding.

Mrs. Holt's mother is the former Macie Kathryn Watson, who taught in the local school system before her marriage.

The Floyds have been having a fun time. Friday we met one of my aunts, Stella Brown, who lives in Wichita, Kansas, in Amarillo. Then Saturday afternoon we drove

to Denver City and visited my mother, Lucy McCown, who lives at Chaparral Lodge there.

After spending Saturday night with Glenn's brother and sister-in-law, Mr. and Mrs. Russell Floyd in Seminole, we came back to Denver City for the Golden Wedding Anniversary reception honoring one of my sisters and brothers-in-law, Ola and J.C. Bowers.

More than 100 other persons...many of them kinfolks...were there, too.

Other Frionans attending were Randol and Peggy Allen. We came home Sunday night.

Earl Drake, who is a patient at Bivins Rehabilitation Center in Amarillo, is showing steady improvement.

Flossie Brown of Duncan, Oklahoma, who was a surgical patient at Bethania Hospital in Wichita Falls, has been dismissed and is recuperating at the home of her son and daughter-in-law, Matt and Betty Brown, who live there.

Mrs. Brown and her late husband, Jack, lived here several years before moving to Duncan. Matt and Betty are also former Friona residents.

If you want others to remember you, forget yourself.

## Zacharys Are Honored For Year's Service

Jerry and Patsy Zachary, managers of the Sonic Drive-In in Friona, were voted the outstanding managers of the year for 1981.

The local couple was awarded a fourteen day trip to Williamsburg, Virginia recently at the annual convention held in Las Cruces, New Mexico, January 28, 29 and 30.

SCOUT OFFICIALS....Pete Hollis, Friona Scoutmaster, left, is shown visiting with Kurt Claussen, district scout executive, at Thursday night's Blue & Gold Scout Banquet. Friona's Cub Scouts and Webelos were given awards at the banquet.

## Scouts Hold Banquet

Friona Cub Scouts and Webelos, their parents and friends enjoyed the annual Blue and Gold Banquet Thursday night at the Elementary School Cafeteria.

During the banquet, the Cubs and Webelos were given their merit awards.

Awards were presented to these members of Den 7 (bear badges) Michael Mann, John Ed Duke, Brian Osborn and David Reed; Den 2 (bear) Toby Brito, James Perez, Michael Reyes, Sammy Rando and T.J. Sanchez.

Den 4 (wolf badges) David Barnett, Nathan Brockman, Wade Carson, Steven Dickson, Wes Drake, Glen Shirley and Kyle Wilkins.

Den 8 (wolf badges) Cris Hamil, Jeremiah Norwood, Lance Outland, Brian Walker, Joel Venhaus and Dan Neelley. The following received progress beads toward their wolf badges: Bryan Campbell, Latigo Dutton, Richard Ellis, Jason Jass, James Pitts and Russell White.

The following Webelos were honored with traveler badges: Chad Beavers, Daylen Gallman, Ricky Rando, Nito Perez, Stuart Walker, Max Reed and Jerry LaFuente. Corey

Cunningham received the citizen badge.

Kevin Zachary received the aquanaut and traveler badges; James Monk got the forester, scholar and traveler badges; Lon Outland the citizen, scholar and traveler badges, and Louis Dunnam received the citizen, forester, scientist and aquanaut awards.

A covered dish buffet was served to those attending. Kurt Claussen, district Boy Scout Executive, Hereford, presented the awards. Scoutmaster Pete Hollis served as master of ceremonies.

## YH's Meet

The Friona Young Homemakers met on December 7. Martha Schueler gave a candy demonstration.

Members brought their mothers as special guests. Gifts were exchanged and refreshments were served.

The club met on January 7 in the home of Cris Alexander.

The program was a tour of the B.K. Buske's new home. Janet and Lindsey Buske allowed the club to ask about and admire their home.

Refreshments were served and the stock show was discussed.

DEBBIE WILCOX

JULIE WILSHIRE

## Debbie Wilcox Is State Officer

The Area 1 Future Homemakers of America meeting was held in Amarillo February 19 and 20.

Friona FHA members attending were Sherri Brown, Darla Butler, Dawn Gibson, Sheila Gresham, Shawn Osborn, Erika Pope, Debbie Wilcox, Julie Wilshire and Faith Wright. Sponsors attending were Gayle Murdock, Valoris Osborn and Sheryl Salyer.

Debbie Wilcox was elected as a state officer representing Area 1 and will give up her area office of parliamentarian. Julie Wilshire was elected as Area 1 vice president of Encounter for 1982-83.

Sherri Brown, Erika Pope and Debbie Wilcox were awarded their Encounter Three Level certificates during the program Saturday.

**At General Telephone... We're Not Simply Talking About Service Improvements We're Making Them In Friona**

At General Telephone, better service isn't just a goal, it's a solid commitment. General Telephone spent over 354 million dollars in 1981 on capital expenditure projects (i.e. new electronic switches, expanded cable projects, modernization), and GTE will spend over 410 million dollars in 1982 to provide you the best telecommunications available.

For Friona this investment in service improvement is working as shown below. General Telephone is working hard to continually provide you with the best of service.

The Texas Public Utilities Commission (PUC) has established certain standards in public hearings, and our service results are listed against those standards.

## Diet facts & fallacies

These nutritional tips brought to you by **DIET CENTER**

Whether you are obese or not still depends on the relationship between the amount of food you eat and the energy you use. Actually, the major factors are not hormones or heredity, but physical activity. For the control of food intake to work normally, there must be a certain amount of activity. If you are more active, then you eat more, but if you are less active, you usually don't eat less. It has been discovered that physical exercise actually

tends to decrease the appetite. A short period of exercise or a brisk walk before a meal will help reduce the appetite. A program of regular exercise is recommended.

Diet Center Program includes good nutrition, exercise, and behavior modification. Our counselors support you through every phase to a successful and permanent weight loss.
