## City's 1981 Building Totals Impressive

**CONGRATULATIONS TO THE** Parmer County Historical Commission, which began just prior to Christmas the distribution of its new book, *Prairie Progress*, a history of Parmer County.

The new, 600-page volume is packed with history, and we guarantee you that you'd better have some extra time on your hands if you pick it up and start to leaf through the book and read it—because it's hard to put down.

The newest county history contains a written history on each community in the county—not just the incorporated cities, but others such as Black, Clay's Corner, Lakeview, Lariat, Lazbuddie, Oklahoma Lane and Rhea.

It also features historical sketches of all the schools in Parmer County, past and present. If you thought you knew all the old schools in the county, did you remember such institutions as Cracker Box, Big Square, Jesko, Old Dobie, Old Dipping Vat, O'Neal, Red Tower, Prytz, State Line and Buckeye?

There is also a section on churches in Parmer County, with 27 local congregations being featured in pictures and print. Also included are articles on cemeteries.

A good section is devoted to agriculture, featuring crops, cattle, the county livestock show, annual pheasant hunt and farm organizations.

Under the section "Community Health" are write-ups and pictures of Parmer County Community Hospital, the Bovina Medical Clinic, the Farwell Clinic and Prairie Acres nursing home.

Celebrations are highlighted also, with historical sketches on Maize Days, Bull Town Days, and Border Town Days. A section is devoted to pictures of notable homes in the county.

A number of old, priceless articles have been re-printed, and preserved for posterity. Among these are such items as "Diary of the 1936 Oklahoma Lane Senior Trip," kept by Harold Carpenter; "My Childhood Recollections of Friona" by Elwin Gishler; "Hog-Killing Time" by Mary Collier and one of the old "Light and Hitch" episodes by Laura V. Hamner, this one dealing on the early-day settlement of Friona.

There is even a section on the weather, showing how our county can feature all extremes. Sections include an article on the "Dust Bowl Days" and longtime weather prognosticator, J.W. "Indian" Crim.

Another section features organizations, such as the various senior citizens groups, Girl and Boy Scouts.

Some 70 pages of the book are devoted to memorial and tribute pages, to loved ones both living and deceased. Another 40 pages contain business histories, as the company write-ups were another way promoters of the book used to help finance the venture.

Of course, the main section of the book—over 300 pages and 869 individual stories, contain family histories of present-day county residents. Scanning the pages of this section enables you to learn a great deal about your friends and neighbors that you did not know previously.

Naturally, there are many families whose write-ups are not in the book. But after many months of pleas by the book committee, a project of this nature has to pick a termination point.

To our way of thinking, "Prairie Progress" is a great success. We commend Grace Whitefield and her hard-working committee on a job well done.

By the way: those needing to pick up their history books may do so on Wednesdays or Thursdays each week from 1:30-4:30 p.m. at the Congregational Church.

The committee says the biggest majority of the local books have already been claimed. A few may still be purchased.

Construction in Friona during 1981 was better than in some cities of the same size, mainly due to the million-dollar renovation at Friona Junior High School.

According to figures compiled by City Manager A.L. (Jake) Outland, there were 40 permits issued during the year calling for construction valued at an estimated \$1,682,833.

Of this total, the school's permit, issued in March, came to \$1.1 million. There were five permits issued for new homes, valued at a total

### Chamber Banquet Slated Jan. 28

Tickets are on sale for the Friona Chamber of Commerce and Agriculture's annual banquet, which will be held on Thursday, January 28.

The tickets are available from any of the Chamber directors or at the office on Main Street, for \$10 each, or \$8 for students.

Speaker for the banquet will be Ray Stone, producer of "Cowboys Football Report," a syndicated network radio program on the Dallas Cowboys.

The program has grown to be one of the largest radio talk programs covering Tom Landry's Dallas Cowboys. Stone produces and narrates the fast-moving daily program which is aired in markets throughout the southwest.

The program, produced in cooperation with the Dallas Cowboys football club, contains daily interviews with the players and coaches.

Beginning in 1978, Stone's after-dinner speaking, covering the serious as well as the humorous side of the Dallas Cowboys, has been taking place within the eight-state southwest "Cowboy" region.

There are many "inside" stories on this championship team, and Stone does his normal outstanding job of highlighting the oddities, the humor, the unusual, and the many talents of this well-managed organization.

Friona's outstanding citizens for the year will be honored at the banquet, which will be catered by K-Bob's of Clovis. The newly-elected members of the board of directors, and the 1982 officers will also be installed.

Those planning to attend the banquet are urged to get their ticket, as only a limited number of tickets are to be sold.

of \$296,000; six permits for new business buildings, valued at \$210,000, and 29 for additions or alterations, (including the school), valued at \$1,175,833.

The building totals were the most for the city since permits totalled \$1,780,475 in 1970 (which totals did not include a 60-unit apartment complex started that year), and were the third-highest in the city's history.

Thanks to the school's building program, local building was able to top the \$1 million mark for the eighth time in the past 18 years.

The school permit was issued in March, making that month the largest from a dollar standpoint; although the six permits issued in April were the most for a single month. Included in that month were the permits for the new facilities at Friona Ford Sales, and for Friona Cablevision.

By comparison, the permit totals for the 1980 calendar year stood at \$501,150.

## Year's Rain Most Here Since 1969

Rainfall measured in Friona during 1981 was more than six inches above the average for the area, as tabulated for the past 20 years.

Figures compiled by Friona City Manager A.L. (Jake) Outland revealed that a total of 21.58 inches of rain was measured during the calendar year just past. It was the largest total since 1969, when almost exactly an inch more was registered locally: 22.59.

In the 20 years since Outland has been keeping the weather records, an average of 15.44 inches of rainfall has been received per year.

August of the past year proved to be the wettest month of the year, with 5.82 inches of the total coming that month.

Here are the totals for each month in 1981, compiled by Outland: January .28; February .28; March 1.34; April 1.09; May 1.65; June 2.74; July 2.28; August 5.82; September 2.73; October 2.55; November .82 and December, trace.

## Card Project Raises \$4,000

Project Christmas Card raised a total of \$4,004.61 in its 1981 drive, it was reported this week by a spokesman for Modern Study Club, which co-sponsors the project each year with the Friona Star.

Money from the current year's project is to go toward the purchase of a new "call" system for nurses on duty.

The system, which will be used to tell nurses where to go whenever emergencies occur, was expected to cost at least \$4,000.

## Four Killed In Accidents

Four people were killed in two fatal accidents near Friona during the Christmas holidays.

Three people were killed in a two-car smash-up at the Hub intersection on December 26, and a Bovina resident was killed in a car-truck accident near Parmerton Hill on December 29.

These fatal wrecks brought to a grim conclusion a year which saw ten people killed on county roads.

Details on the recent crashes are contained in the Law Enforcement Report inside this issue.

## School Sets Friday Break

Friona schools will dismiss on Friday, January 15 as teachers will have an in-service day, it was announced this week by Superintendent Tom Jarboe.

On Wednesday, January 13 and Thursday, January 14, school will dismiss one hour early, at 2:45 p.m., due to semester examinations.

## Area Gets Cold Snap; Light Snow

The coldest temperatures of the winter season were experienced by area residents this week, although the area missed what looked like an opportunity for a good snow.

The mercury dropped to a low of 12 degrees on Thursday and Friday mornings, but the snow that fell late Wednesday and early Thursday amounted to only a half inch and yielded just a trace of moisture.

Farmers, at least those with wheat, are beginning to need some moisture, as it has now been some time since any measurable rain was received.

## Squaws Capture One-Point Win

The Friona High School Squaws edged Channing, 43-42 Tuesday night at Channing, to post their eighth win of the season.

The Squaws, who were winning their third game in four outings, ran their season record to 8-6.

Cari Hand scored two baskets, and Sherry O'Brian chipped in two more plus a pair of free throws, to pace the Squaws to an early 10-6 lead.

Rene Noland canned three baskets for the Squaws, Cara Brockman added one, and Miss O'Brian's two free throws enabled Friona to take a 21-16 lead into the dressing room at halftime.

Channing challenged the Squaws, coming back to score some points in the third quarter, but Friona responded, on baskets by Misses Hand, O'Brian, Noland and

Brockman, and still had their five-point margin, 33-28, at the end of three quarters.

The home team put on a frantic fourth quarter rally and threatened the Squaws, who were unable to hit crucial free throws which would have padded their lead.

But in the final analysis, Friona held on for a hair-raising 43-42 win. Of the team's eight wins, six have been by four points or less.

Miss O'Brian scored 14 points to pace the Squaws' point-making, and Miss Hand added 11.

## Chiefs Drop Tilt To Channing

The Friona Chieftains, playing their first game since the Christmas holiday break, got the new year off to a less than spectacular start at Channing Tuesday night. The Chiefs fell to the Eagles, 45-34.

Friona suffered only its fourth loss of the season against eleven wins.

Channing was in control virtually all of the way. A very cold first half put the Chiefs in a hole early, and they never were able to recover.

Channing's Dwayne Rickwartz scored five first quarter points to pace his team to an 11-8 lead. Only Mike Neill and Mark Tucker were able to score for the Chieftains. Neill had a pair of baskets and two free throws, and Tucker had a single basket.

The Chieftains' scoring machine was really slowed in the second quarter, when they were able to score only one field goal in the entire period, along with three free throws. Channing meanwhile added 16 points to its total, and held a 27-13 lead at halftime.

Friona's defense was fairly good.

## Winners Are Given In Event

Winners were announced by Kenneth Moore in the grand opening promotion held by Jack & Jill Food Market prior to Christmas.

Grand prize winner of the color console television set was Susie Perez. Second prize winner, a portable black and white television set, was Grace Taylor.

Jean Hollis was the winner of a barbecue grill (third prize); Carlos Padilla won the stereo set (fourth prize) and Rick Springer won the Black & Decker drill.

## JV Squaws Win Game

Friona's JV Squaws downed the Channing junior varsity, 28-10, in a game Tuesday.

Friona increased an 8-2 first quarter lead to a 13-4 lead at the half.

Terri Villalobos was the leading scorer, with eight points, six of them in the final quarter when Friona outscored their hosts, 9-0. Betty Jo Harris was next with six points.

The win hiked the JV Squaws' season record to seven wins, four losses.

## Local Chevrolet-Olds Dealer In Promotion

Reeve Chevrolet-Olds announces it is participating in the giant General Motors 1982 Sweepstakes, which runs from January 11 through February 12. Reeve's is located on West Highway 60.

"Showroom visitors during the Sweepstakes can become eligible to win 1982 GM cars and other valuable prizes just by filling out an entry form," said Glenn E. Reeve, sales manager. "They also can receive a free 96-page Rand McNally Road Atlas if they take a demonstration drive in any of our 1982 models."

Reeve said this is the largest promotional activity of its kind in General Motors history to focus attention on the unparalleled number of new cars its dealers are offering for

1982--particularly the new Chevrolet Celebrity, Oldsmobile Cutlass Ciera and Chevrolet Camaro, which are among the 15 new cars being awarded nationally during the Sweepstakes.

Over 1,300 other Sweepstakes prizes include RCA video cassette recorders, 19-inch Zenith television sets, Atari video computer systems and Polaroid camera kits.

"We're using the Sweepstakes to call the attention of families in Friona to the fuel economy, advanced technology and value of our 1982 models," Reeve said. "Everyone at our dealership is looking forward to welcoming old friends and meeting new ones during the gala month-long event."

 The Family of Sally Stevick

**Like A Fragile Prairie Flower**  
 (In memory of Sally Stevick)  
 Sally was like a fragile prairie flower,  
 Whose tender petals never could not take flight,  
 Or like a bird whose wings could not unfurl,  
 A delicate, but precious little girl.

So loved-so gently cared for these few years,  
 With innocence and sweetness all her own,  
 She left intangible serenity and peace,  
 Without whose touch we might have never known.

But, while her petals never reached full bloom;  
 Life's sweet fulfillment Sally never shared,  
 Yet, sheltered in the hollow of God's hand,  
 What great complexities of life Sally was spared!

How comforting-this deep abiding faith,  
 A beam of light that rends the darkest night,  
 Touching the broken hearts and promising  
 That someday everything will be alright.

So, while she softly slept, the angels came  
 To bear her far beyond the twilight sky,  
 Where, like a prairie flower in full bloom,  
 Sally awaits-and none shall ever die.

 The City of Friona failed to collect at least four bacteriological samples during the month of October, 1981, in compliance with the Texas Department of Health's "Drinking Water Standards," which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-523. The Texas Department of Health requires all systems to sample the water in the distribution system monthly to insure that the water is of acceptable bacteriological quality. We have now made arrangements to insure that the required number of bacteriological samples will be collected monthly. Samples collected in November and December, 1981, were satisfactory. We do not believe October would have been any different. ### DPS REPORT

Troopers of the Texas Department of Public Safety were kept busy over the holidays as there were four traffic fatalities reported from accidents in Parmer County alone.

The first of these accidents occurred December 26, 1981 at approximately 5:20 p.m. at the intersection of Texas Highway 214 and Texas Highway 86 south and east of Friona.

Vehicle one was a 1976 Mercury two door with Arizona license plates driven by William J. Huffman of Lawton, Oklahoma. There were three other occupants in the Huffman car and they were: Huffman's wife, Dorothy M. Huffman, 46, Arlene Stamper, 61, and Dorothy Stamper, 55, all of Lawton, Oklahoma.

The second vehicle involved was a 1980 Buick Century, driven by Sheree Hilliard, 22, of Lubbock.

The Huffman vehicle was traveling east on Highway 86 and was in excess of 20 mph when it failed to stop at the Hub intersection, which is marked by a sign and flashing red lights. The second vehicle was travelling southbound on Highway 214 and

broad-sided the Huffman car, when it failed to stop at the intersection.

The driver of the first vehicle, William Huffman, Arlene Stamper, and Dorothy Stamper died from the accident.

The driver of the second car had only facial injuries.

In the second accident in the county, which occurred December 29 at approximately 6:45 a.m. at Parmerton Hill, the driver of the first vehicle, Merle Ross McPherson of Bovina, was operating a two door Dodge car.

Driver of the second vehicle was Brent T. Beske of Albuquerque, N.M. He was driving a truck with two trailers.

Vehicle one was west bound on US 60 and vehicle two was eastbound on US 60 when vehicle two crossed the center stripe and collided head-on with vehicle one, killing the driver of the car at the scene. Neither of the vehicles was speeding at the time of the accident.

McPherson, the accident victim, was employed by Barrett and Crofoot Feed Yards at Summerfield at the time of his death.

Brant Beske was treated and released from Parmer County Community Hospital in Friona following the accident.

Several arrests were made for DWI by troopers over the holidays.

Trooper Art Lopez arrested the

following persons for DWI: Manuel Villa Morales of Hereford, December 20, 1981; Francisco Vascas, of Farwell, December 20, 1981; Korby Lee Hawkins, Bovina, December 19, 1981; and Charles Manuel Martin, Muleshoe, December 19, 1981.

Arrested for DWI by Trooper Steve Talkington were: Todd Wayne Meeks, of Farwell, January 1, 1982; and Gene Michael Taylor, of Yukon, Oklahoma, December 31, 1981.

Also arrested on charges of possession of marijuana, less than two ounces were the following: Joe Andrew Costello of Farwell, on January 1, 1982; Willie Windom, Jr. and Oscar L. Stevenson on December 31, 1981. These subjects were arrested by Troopers Talkington and Lopez.

Expenses of a visiting District Judge were approved. Expenses of a psychiatrist, used in a recent hearing was also approved.

At the suggestion of Benna Felts, County Treasurer, a motion was passed to invest \$28,500 in right of way funds in a certificate of deposit, to mature on April 30, 1982.

Hugh Moseley, president of the Parmer County Historical Commission, made his annual report on the progress and cost of the new county history book, which has been published.

The special meeting December 31 was necessary due to action in the legislature dealing with the jury wheel method of jury selection.

It was necessary for the commissioners to pass a special resolution in order to continue the county's present method, where the list is reconstituted annually and each used for a period of one year only, rather than going through the entire jury list until such list is exhausted.

A motion was also passed to amend the county's 1982 budget to include the expenditure of \$10,000 for the county's portion of the budget for the Parmer County Tax Appraisal office.

Mrs. Paul Wilshire

# Deborah Bush, Paul Wilshire United In Church Ceremony

Deborah Ruth Bush of Lubbock and Paul Ray Wilshire of Guymon, Oklahoma exchanged wedding vows Saturday, December 5 at 3:30 p.m.

The bride is the daughter of Mr. and Mrs. Walter N. Bush of Kalona, Iowa. The bridegroom is the son of Mr. and Mrs. Bill Wilshire of Friona.

The ceremony was performed in the Hodges Chapel, First Christian Church, Lubbock, by the bride's father, Brother Walter N. Bush. He was assisted by Brother David Fink, pastor of the Church of the Living Word, Lubbock.

The church altar was decorated with two large, white wicker baskets holding peach and white carnations, baby's breath and leather leaves. A tall brass stand held an ivory unity candle. Family pews were marked with peach ribbon bows and greenery.

As the bride was presented in marriage by her brother, David Bush

of Anaheim, California, she wore a formal length gown of ivory satin with gathered skirt and fitted bodice with spaghetti straps. The skirt held an overlay of ivory silk eyelet which fell into a short chapel length train in the back. An ivory silk eyelet jacket with long sleeves and high round neckline completed the dress.

She wore a small pillbox hat covered with silk flowers in peach and brown tones. Long ribbon streamers of peach, brown and ivory fell from the back.

The bride carried a basket filled with peach and brown silk flowers and ribbons cascading from the side.

The groom was attired in a tuxedo featuring an ivory jacket, dark brown trousers and peach ruffle trimmed shirt and a peach rose boutonniere.

Julie Wyrick of Lubbock, organist, and Page White of Lubbock, pianist, accompanied David Fink, also of Lubbock, as he sang "Annie's Song," "How Great Thou Art" and "The Lord's Prayer."

Melissa Bush of Kalona, Iowa assisted her sister as maid of honor. Nancy Scott of Lubbock was the bridesmaid.

The feminine attendants wore gowns of peach quiana knit with matching peach lace jackets styled after the bride's gown. They wore peach silk flowers in their hair and carried baskets of peach and brown silk flowers.

Charles Fleming of Gouldbusk, Texas served as best man. Max White of Lubbock was the groomsman.

Serving as ushers were Larry Gore of Midland and Mark Edelman of Friona.

The best man and groomsman wore dark brown tuxedos with white shirts and peach ruffled trim. They wore peach rose boutonnieres.

The bride's mother wore a floor length dress of dark teal blue chiffon. The dress featured long sleeves and a full pleated skirt. She wore a matching blue lace jacket and a corsage of peach roses.

The groom's mother wore a floor

length dress of mauve pink chiffon with long sleeves and a full length pleated panel down the front. She wore a corsage of dark mauve mums.

The reception was held in the Green Room of Hodges Chapel.

Julie Wilshire, sister of the groom, presided at the guest registry.

The bride's table was covered with a candlelight satin cloth with matching lace overskirt. Peach ribbon bows held each corner of the cloth. The bride's floral basket served as the centerpiece. A silver punch bowl and silver compotes filled with nuts and peach mints completed the table decor.

The four-tiered octagon-shaped wedding cake was decorated with ivory icing. The top tier was covered with peach and brown silk flowers. The cake was made and decorated by Nancy Scott, bridesmaid.

The groom's table was covered with an ivory lace cloth with brown ribbon trim. German chocolate cake and coffee, served from a silver coffee service, were served from the groom's table.

Roseanne Fink, Julie White and Beth Fleming served the cake. Punch and coffee were served by Kenda Maxwell and Page White.

For a wedding trip to Ruidoso, New Mexico, the bride chose a blue and gray plaid wool skirt, off-white sweater and gray velvet blazer.

The couple will reside in Guymon, Oklahoma.

The bride is a 1976 graduate of Wynne High School, Wynne, Arkansas and is employed at Pool Well Service, Guymon, Oklahoma.

The bridegroom is a 1977 graduate of Friona High School and a 1981 graduate of Texas Tech University, Lubbock, where he earned a B.S. degree in animal science. He is currently enrolled at Panhandle State University, Goodwell, Oklahoma, and is employed by H.C. Hitch Cattle Enterprises at Guymon, Oklahoma.

Special guests at the wedding and reception were Francie Thompson of Anaheim, California, sister of the

bride; David Bush of Anaheim, California, brother of the bride; Melissa Bush, sister of the bride and Mr. and Mrs. Walter N. Bush, parents of the bride, all of Kalona, Iowa; Mr. and Mrs. K.J. Moore, Mrs. J.C. Wilshire, grandparents of the groom, all from Amarillo; Mr. and Mrs. Woodrow Davis, Mr. and Mrs. Ben Thompson, Amarillo; Mr. and Mrs. Howard Fleming, Mr. and Mrs. Von Edelman, and Mr. and Mrs. Lewis Gore, all of Friona.

SPS works with other electric utilities to guarantee that its customers will have adequate power even in emergency situations. SPS is a member of the Southwest Power Pool, which is made up of electric utilities in parts of Texas, Oklahoma, Louisiana, Arkansas and Missouri. These utilities work together in planning and operations to keep down operating costs, conserve fuel and increase the reliability of their systems.

Preheat your oven for no longer than 10 minutes for most efficient use. To conserve energy while cooking, cook the entire meal or several foods at the same time and temperature setting. And don't keep peeking to see if your foods are cooked, since the temperature inside an oven drops 25 to 50 degrees every time the oven door is opened.

*Vivian Limer, Home Service Advisor, Lubbock*

Southwestern's efficiency is 99.978 percent. This means that our customers can be sure of all the electricity they need. SPS has nine active power plants, interconnected by more than 5,000 miles of power lines to guarantee that customers in our 45,000-square-mile service area will always have access to the electricity they need for their homes and businesses.

# Town Talk

By June Floyd  
Call 247-3861

Andy and Leona Powell reversed the order this holiday season. Instead of having their children home, they went to see the children.

They made one trip to Dumas, where they were guests in the home of Mr. and Mrs. Jack Powell; and several to Olton, where they visited in the home of Don and Nita Powell, who formerly lived here.

Mrs. Powell said, "We spent the holidays sleeping, eating and driving."

Mrs. Rosco Ivie returned home Sunday after spending several days as a medical patient in Deaf Smith General Hospital at Hereford.

Lori Euler of Amarillo came down to Hereford for Christmas Eve dinner in the home of her maternal grandmother, Mrs. J.E. Young. She was accompanied by a friend, Bill Fredrick, also of Amarillo.

Other guests in the Young home that evening were Mr. and Mrs. Raymond Euler and son, Bron, and Mrs. Martha Euler.

Recently Lori changed jobs. She is now employed by Energas in the Amarillo office. She was pleasantly surprised to learn that her immediate supervisor, Mamie Bussey, had Friona connections.

Mamie is the daughter of Garland and Ima Freeman, who lived here several years. Garland was a Farmer County Deputy Sheriff and Ima was secretary of Friona United Methodist Church.

If you are a school taxpayer, you need to remember that there have been some changes made for 1982.

It is now possible to sign permanent tax exemption forms thus eliminating the necessity of signing one each year.

For more information go by the tax office at 623 Main Street, or call and talk to Ron Procter.

Mr. and Mrs. Lonnie Phillips and son, Lonnie Ray Jr., spent several days during the holiday season visiting in the home of her parents,

Mr. and Mrs. Walker Jordan, who live on a ranch near Mason, Texas.

During their visit Lonnie Ray, who is 12, killed his first deer, a four point buck.

Mr. and Mrs. George Larke were holiday visitors in the Friona area. Mrs. Larke is the former Marian O'Brian. The couple were enroute home from Austin, where they had seen their first grandson for the first time.

Thursday evening a large group of O'Brian kin met in the home of Russel and Nora O'Brian for a family get together.

Then Friday evening the Senior Citizens of the family, Kenneth, Russel and Nora and Tom and Norene, got together at the home of Hap and Julia Fairchild.

Others present were Mary Kate James of Dimmitt and Mrs. Glenn Floyd of Friona.

Lucille Collier and Evelyn Wendt drove to Clarendon for a Christmas Day dinner in the home of their brother, Clarence Reagan.

They were joined by Zola Lee Wiggins of Burkburnett. She is Lucille's daughter and a former Friona resident.

Mr. and Mrs. Luther Stroud returned home Friday after spending the holidays in the home of Dr. and Mrs. W.W. Follett in El Paso. Dr. Follett is Mrs. Stroud's son.

Mrs. Hattie Anderson, who has been visiting in the home of her daughter, Mary Jo Costolow and family in Pasadena, Texas, fell and broke her hip Thursday of last week. She is hospitalized in Houston and is reported to be making satisfactory progress.

Mr. and Mrs. Neal Dunn of Rocky, Oklahoma, visited in Friona recently. They spent some time in the homes of Mr. and Mrs. Ernest Anthony and Mrs. Lucille Rocky and were overnight guests in the home of Mr.

and Mrs. Bud Elmore.

Mr. and Mrs. Charles Bass and daughters, Terri, Robbi and Conni, of Rogers, Arkansas, visited Friona with and kin during the holidays.

Charles is the son of Mr. and Mrs. Estis Bass and Mrs. Bass is the daughter of Mr. and Mrs. Charles Myers.

Recent out-of-town visitors in the Glenn Floyd home have been Mr. and Mrs. Gerald Floyd, Jason and Sarah, who live in Elkhart, Kansas, and Mr. and Mrs. John Osborn, Joel and Heather of Garland, Texas.

Lee and Sylvia Gibson and children, Mitch, Tresha and Tracey, hosted a Gibson family Christmas party in their home on Christmas Eve.

Others present were Mr. and Mrs. Tom Gibson and Mr. and Mrs. Carl Osborn and children, Randy, Cassie and D.L., all of Friona.

Also Mr. and Mrs. Glen White and Sandra, Farwell; Mr. and Mrs. Thomas Gibson, Ronnie, Debbie, Richard and Melissa, Copeland, Kansas; and Mr. and Mrs. Elmo Barrett and Starla; Curtis Nazworth; Mr. and Mrs. Doyle Goebel and Laurin and Mr. and Mrs. Danny Bexler and Taylor, all of Amarillo.

Mr. and Mrs. Joe Boggess and daughter, Dusty, who live in White Fish, Montana, are visiting in the home of Joe's parents, Mr. and Mrs. Eugene Boggess.

Other weekend visitors in the Boggess home were Mrs. Robbie Rucker and children, Lisa and Mitch, who live in Midland, Texas.
