

The Floyd County Hesperian

One Of Floydada's
Oldest Institutions

FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, MAY 16, 1946

NUMBER 15

Youngest Elephant Trainer

At 14, pretty Norma Davenport is acknowledged the world's youngest elephant trainer. Twice daily she directs a herd of 10 huge elephants in an intricate routine as a feature of Dailey Bros. Three-Ring Railroad Circus. The circus, one of America's few large shows traveling aboard its own railroad train, presents performances at 3 and 8 p. m. in Lakeside Addition on Highway 207 in Floydada, Saturday, May 18.

Schools Closing Week Exercises Begin on Sunday

Their baccalaureate set for Sunday evening at the First Methodist church and their final commencement exercise for Friday night of next week at the high school auditorium, 38 girls and 25 boys comprising the graduating class of 1946 this week are making their plans for their final week of high school life.

Valedictorian of the class is Melton Smith, son of Mr. and Mrs. Lambert Smith of Matador. Melton has been making his home here with his grandmother while in school. The salutatorian is Betty Lou Griggs, daughter of Mr. and Mrs. E. R. Griggs of Starkey.

Sunday night's baccalaureate will be featured by an address of Leon England, pastor of the First Christian church of Plainview. In this service Rev. Otto F. Marshall, pastor of the First Christian church and Rev. L. D. Ballard, pastor of the Cumberland Presbyterian church, also will have part. Mrs. G. R. May will play the organ processional and recessional.

Calendar for the Week
Calendar for the school week in the public schools commencement week as announced by W. B. Harris, principal of the high school will be as follows:

Sunday: baccalaureate program;
Monday-Tuesday: Final examinations in both high school and Andrews ward school.

Wednesday-Thursday: Classes at both schools will not be held and pupils of both schools dismissed for two days.
Thursday night: Graduation exercises of graduating class at Andrews Ward school.

Friday morning: Pupils of both schools return for brief schedule;
Friday night: Commencement exercises Floydada High school.

Graduating Class Roster
Nancy Brown, Jean Cardinal, Clara Cozby, June Foster, La Rue Graves, Carlene Garrett, Betty Lou Griggs, Mary Eunice Hennessee, Genell Hambricht, Margaret Hambricht, Bobby Jean Heim Burke, Jimmie Hicks, Myra Nell Hall, Lovene Jones, Geneva Knight, Almarene Lyles, Joy McIntosh, Aris Myrick, Barbara Ann Moss, Marjorie Oden, Thelma Pierce, Syble Roe, Sibyla Russell Latham, Glenna Robertson, Hughetta Smartt, Melba Louise Smalley, Dolores Smalley, Gloria Ann Shultz, Wanda Sue Teague, Margaret Woody, Mary Lou Wise, Jean Warren, Oragene Wilson, Ethel Louise Whitehead, Norma Worsham Ruth Warren, Nanette Bishop, Myrtle Patterson.

Louis Anderson, Tom Ballard Wayne Beedy, Jackie G. Brock, C. L. Berry, Jr., Glenn Carmack, Welton Dunavant, Earl Edwards, Jr., Billy Jack Eady, Wayland Faulkenberry, Robert N. Gatewood, Billy Jack Hambricht.

Claude Gene Hammit, James Jones, James Langley, Edward Landers, John Gordon Mason, Jean Reed, Donny Wiley, Dean Walls, Clarence E. Guffee, John Ray Tribble, and Melton Smith.

Cedar Hill people are rejoicing over their new electric lights and they want the candidates to come out and help them celebrate on Friday night, May 24. J. W. Leach said yesterday, in announcing the date that had been decided upon.

The school building is being wired for electricity and they hope to help pay the bill for the school with the proceeds from a big box supper at which everybody in the community is invited to be present, to take part in the evening and see and hear the candidates make their speeches.

Only other candidate date at the present time, so far as reported, is that at Sterley on the night of June 6.

Rally at Sterley Set For June 6
With the Monday and Tuesday night dates this week at Dougherty and McCoy now history in the 1946 campaign for office in this county, the only date outstanding as of Wednesday morning, so far as this newspaper office knows is at Sterley where the candidates are being asked to attend a rally on June 6—the first Thursday in the month.

Good crowds and jolly ones, who have enjoyed seeing and hearing the candidates, have marked the rallies held to date.

LADELLE D. HOPPER HOME FROM PHILADELPHIA
Ladella D. Hopper, hospital apprentice in SPAN for a year and a half, has returned home following her discharge from the Marines.

Showers Lend Aid To Row Crop Plans

Paul Kropp Pitches No-Hit Game For South Plains in Twilight League to Highlight Softball

First no hit game of the season in the softball league here was pitched Tuesday night by Paul Kropp for South Plains. Kropp blanked the Baptist and the S-P boys won 10 to 0.

Monday night Stansell - Collins won from Phillips 11 to 6; and Haggards won from Starkey 13 to 11. Late afternoon weather has caused some of the scheduled games to be postponed.

Tonight's games will be the Normans vs. Bishop-Mayo-Daniel and the Nazarenes vs. Lakeview.

Next Week's Games
Assuming the weather will be kind following are the games that will be played next week:

Monday night: Normans vs. Haggards; Nazarenes vs. Baptist;
Tuesday night: McCoy vs. B-M-D; South Plains vs. Phillips;
Thursday night: Starkey vs. Oden-Magnolia; Stansell-Collins vs. Lakeview.

Standing of the Teams

TEAM	P	W	L	Per
Normans	2	2	0	1.000
Lakeview	2	2	0	1.000
B-M-D	2	2	0	1.000
Haggards	3	2	1	.667
South Plains	3	2	1	.667
Stansell-Collins	3	2	1	.667
Phillips	3	2	1	.667
McCoy	2	1	1	.500
Oden-Magnolia	2	0	2	.000
Baptist	3	0	3	.000
Starkey	3	0	3	.000
Nazarenes	2	0	2	.000

Annual Audit City's Books Is Under Way

Audit of the books of the City of Floydada for the period from April, 1945, to March 31, 1946, is under way this week at the city hall, where work sheets are expected to be finished this week or the first of next.

Harold B. Shile, of Grogan, Rhea and Shile, public accountants and auditors, Amarillo, is representing the firm here. Their contract calls for the audit to be done at a cost of \$250 to the city.

Cone Graduating Class of Five

Cone Public school is graduating a class of five from the eighth grade this year, the program marking the end of the year due to be held on Monday night, May 20.

Mrs. Edna Phillips (deceased) will present the diplomas to Dean Davis, Daisy Wells, C. H. Verett, Bobby Nell Marshall and Cecil Richardson.

GOING TO SEE FLOYDADA AGAIN IN A SHORT WHILE

Notice that he will be in Floydada within a couple of months or so to look the old home town over once more was had from C. M. Wilson recently in ordering a change in his address. Charles will take a trip into the south and east, he says, and will be here enroute home.

Mr. Wilson has sold his studio at Huntington Park, he says.

Discharges

Discharges recorded in the county clerk's office of Floyd County in the past few days include the following: Randall Paxton King, torpedoman second class USNR, discharged on May 5, 1946, at USN Personnel separation center Bainbridge, Md.

Cecil Darwin Anderson, seaman first class, discharged on May 8, 1946, at USN Personnel separation center Camp Wallace, Texas.

Joe B. Martin, staff sergeant Co A 64th Armored Infantry Bn. 16th Armored Div., discharged on May 6, 1946, at Fort Sam Houston, Texas.

R. L. Knox Jr., corporal 63rd Engineer Sqn. 509th Composite Group Army Air Force, discharged on May 7, 1946, at Fort Bliss, Texas.

Charles Edgar Neil, Coxswain (C-3), discharged on May 10, 1946, at New Orleans, Louisiana.

William O. Clark, corporal 1811th Labor Supervision Co, discharged on April 11, 1946 at Fort Bliss, Texas.

John C. Porter, Second Lieutenant, discharged on January 31, 1945, at Blackland Army Air Field, Waco, Texas.

Vote Will Decide Plan of Trustees In School Affairs

Just how well the taxpayers of the district are going to go along with the school board of Floydada Independent School district in their proposed solution of the district's school operating problems was not clear this week, although it appears on the face of it that general approval of the board's plan is probable.

Response to petitions circulated, resulting in calling the election, indicate that many do favor letting the board go ahead. So far as the board has been able to estimate the future the only way they have of carrying on with a real school is with increased facilities and increased expenses, which the people must provide if they are provided, it was pointed out by the president of the board, Walter G. Collins. The board is unanimous in the belief that their proposals should be adopted, also unanimous in putting the matter up to the people for their final decision.

The propositions on which the voters of the district will pass are as follows:

1. Whether or not the school district maximum tax rate which may be levied shall be raised from the present \$1 limit to \$1.50;

2. Whether the property owners of the district shall authorize a bond issue of \$100,000 for the construction and equipment of a public school building.

Picnic Supper and Dance at Legion For Monday Night

Ladies' Auxiliary of McDermott post, American Legion, is announcing a picnic supper for ex-service men, their wives and girls, on Monday night of next week at the Legion hall.

"Everybody will bring a box and spread together," said Mrs. W. B. Henry, auxiliary president. After the supper there will be dancing.

There are numerous new Legionnaires in the community—new servicemen and their wives as well—and it is hoped to make this a get-acquainted affair, said Mrs. Henry.

W T S T GUEST ON OUTING SPENT AT ROARING SPRINGS

Mr. and Mrs. F. M. Covington had their daughter, Jean, and several friends from WTSC at Canyon, visiting with them last week-end. Among the girls was Betty Boteler of Floydada.

Saturday night Mr. and Mrs. Covington and sons and Jim Morrison and daughter, Bessie Mae, and the group of girls went to Roaring Springs for an outing.

LAMBS NET AIKEN MAN BIG PROFIT ON K. C. MARKET

Floyd county sheepman, who has learned that fattening lambs is a paying proposition for him is L. L. Scott, of Aiken, who recently had 50 milk lambs on the Kansas City market that brought him \$16.50 on the market and a subsidy of \$3.40 per 100, to make his gross receipts \$19.90 per 100 pounds. The lambs averaged 91 pounds, said Edwin Hammonds, of Sand Hill, who also had some fat lambs on the Kansas City market at the same time.

The lambs remarkably had a shrink of only three pounds per head, said Hammonds.

Several Teams Ready to Enter Youngsters Vacant Lot Baseball

The Vacant-lot Baseball league is about ready for organization, Guy Ginn and his committee announce.

Several teams have already made known their plans to participate. Any one wishing to sponsor a team should get the team organized and start practicing, because the competition is going to be tough. The churches are planning to have Sunday School teams or Church teams, and any organization wishing to participate in this league should get the team ready, and turn in the

More local showers throughout the county during the past week, particularly Tuesday afternoon and night, have added materially to the areas of the county and section in which ample moisture for planting is afforded.

Coming on top of last week's showers, also local in nature, the new rains spread out to give some communities the biggest rainfall of the year. In other areas the showers were lighter. An area that covers much of Baker, Campbell, Fairview and Hillcrest was the heaviest recipient Tuesday.

Little rain fell at Floydada, just a light shower to add to last week's fall of upward of an inch. Some hail, enough to be damaging in some fields, is reported by wheat growers this week. Last week a considerable acreage south of Dougherty was beat up by hail more or less. Among the losers were Robt. Hinsley, J. E. Newton, and Russell Crawford.

Mild weather, with temperatures leaning toward the cool side, have prevailed throughout the week.

School Closes At No. Ward Monday Night

The graduating exercise of the North Ward school will be held Friday May 17, at 8 o'clock p. m. Rev. R. C. Barrett, pastor of the Mt. Zion Baptist church in Matador, will deliver the class address. Velma Ruth Campbell is graduating from the eighth grade.

The closing program will be Monday night May 20, 8 o'clock. The public is cordially invited to attend both programs.

Double Capacity for Handling Grain at Boothe Spur

Troy Leonard of Leonard's elevator Boothe spur, announced this week that construction of a new elevator to double the handling capacity of facilities, there has been started, and he anticipates it will be ready by the beginning of harvest.

At the same time the Q A & P is building additional spur track to give greater car capacity at the site. One office and scales will handle the weighing and paper work for both the elevators, said Mr. Leonard.

Bruce Holder is making his home at the elevator in a home recently constructed there, and will help in operating the plants.

Last Rites Held Monday for Mother of Lorin Leibfried

Mrs. H. C. Leibfried, 68, of Decatur mother of Lorin Leibfried, passed away after a six weeks illness, Saturday night May 11. She had been in ill health for several years. Mrs. Leibfried is survived by her husband and four children, three sons, Henry of Handley, Texas; Lloyd of Roby, Texas; Lorin of Floydada and one daughter, Mrs. K. W. Beauchamp of Post, Texas. All the children except Lorin, who was enroute to her bedside, were with their mother at the time of her death.

The funeral was held at the Methodist church in Roby at 4 o'clock Monday afternoon May 13. Rev. E. L. Yeats of Hamlin conducted the funeral. He was assisted by Rev. L. B. Smallwood of Sweetwater and Rev. C. R. LeMond, pastor of Roby Methodist church. Interment was made in the Roby cemetery.

Besides the immediate family, other relatives present for the funeral were Mrs. Leibfried's brothers, Lloyd Dowell of Alamo, Texas; L. A. Dowell of Rotan, Texas and a sister Mrs. R. L. Lovett of Roby.

Friends attending from Floydada were Mr. and Mrs. W. M. Sanders, Mr. and Mrs. E. E. Hinson, and Mrs. G. V. Smith.

Best Collection of Taxes in Years Report Reveals

In the period from October 1, 1945, to May 1, 1946, a total of \$222,554.44 in various forms of taxes poured through the office of Mrs. Ethel Graham, assessor-collector of taxes, into the coffers of the county state and common school districts of the county.

These figures are revealed in the report made by Mrs. Graham last week, which break down into the following divisions:

State taxes,	\$60,832.18
County Taxes,	117,183.12
County occupation,	5.00
Total,	\$178,020.00

To which is to be added automobile license collected -- \$1140 for the state, and \$42,127.34 for the county, state one per cent car use tax \$2,395.43, and car title tax \$304.50, representing 609 titles, to bring the total to the sum of \$222,554.44 from all sources in the six month period.

For Centage is High
Collections as indicated for state and county taxes are from the delinquent as well as the current rolls. Collections from the 1945 assessment rolls represent 94.22 per cent of the taxes levied for the state, county and common school districts, one of the highest records of collections in the history of the county.

Billy Johnston, Carl Jones, Vester Martin, Boyce Mosley, Kenneth Thornton, George Turner, Boyce Vernon, David Williams, Ernest Rodgers, Lyuna Jaye Carter;

Ladine Collins Majorie Cox, Flois Luene Cunningham, Virginia Daniels, Nina Lee Foster, Jeanette Hall, Johnnie Holmes, Irma Horton, Shirley McGhee, Una Wayne McLeod, Billy Jo Preston, Lynn Norman, Laverne Rhine, Juanita Finsley, Dorothy Welland, Kathryn Wisdom, Jewel Dean Wofford.

Key School Commencement Night at City Auditorium

Commencement exercises of the high school will be held to the city auditorium beginning 8:30 o'clock. Thirty six will receive diplomas. West will be guest speaker. From the students of the class, James Thomas, valedictorian; Robert Rigdon, salutatorian; members are Weldon Thomas Davis, Ernest Fanning, Glover, Charlie Gloyna, John Lee Carthel.

Seven Months in Burma Was Toughest for Lost Battalion

Super market and hopes to learn the business. He relates that one of the last jobs he did for the Japs was to help build an air strip about 100 miles out of Bangkok, Thailand. He was liberated and flown out of captivity from the very field.

Webb has two brothers, one J. D. Jr., still in the service, a captain in the Air corps stationed at Sacramento. The other brother is Gorman T. Webb. He was a major when he was separated from the service.

Pachyderm Steal Third in Baseball Under Big Top

It's no small task to train a three-ton pachyderm to balance on a barrel and roll it without losing balance. Take it from Norma Davenport, youngest elephant trainer in the world, who had patience and perseverance and finally accomplished the feat.

Miss Davenport, appearing with Dailey Bros. Big Three-Ring Circus in Lakeside addition on Highway 207 in Floydada Saturday May 18, wasn't discouraged when a member of the herd carried by the circus was dubious at first. Today "Myrtle" is the only elephant with a circus to perform such an act and the feat is greeted with rounds of applause at every performance.

Other members of the herd have been trained to present an outstanding feature exhibited by no other group of pachyderms under the big tops. The huge beasts, under Miss Davenport as umpire, play a realistic game of baseball. The batter strikes out, the runner steals third base and all other details of a major league game are enacted.

Dailey Bros. Circus is one of America's largest circuses traveling by railroad this season. Spectators are invited to witness unloading of the train in the railroad yards and to visit the showgrounds during erection of acres of tents necessary to accommodate such a show. Elephants appearing later in the circus (See Circus Coming, back page)

Capt. Henderson On Assignment For 'Cross Roads'

Captain O. W. Henderson, of Roswell Army Air field, landed May 8 on Kwajalein afloat on a flight from Hamilton field to Honolulu. Mrs. Henderson was advised.

Captain Henderson is in charge of the transport, passenger and freight terminal which operates from Roswell to Washington to Kwajalein in connection with operations "cross-roads". Captain Henderson will be overseas the greater part of the summer until the atomic bomb test has been made.

Mrs. Henderson and small daughter, Mary Kathryn, are visiting her parents, Mr. and Mrs. A. N. Hopper.

The Floyd Co. Hesperian

Established 1896 by Claude V. Hall. Entered as second class mail at the postoffice at Floydada, Texas, April 10, 1907, under the act of Congress of March 3, 1879.

HOMER STEEN, Editor
Published by The Hesperian Publishing Co., Inc., Floydada, Texas.

Subscription Prices: In Floyd and adjoining counties—one year, \$1.50, six months, 75c, four months, 50c; in advance.

Outside Floyd and adjoining counties— one year, \$2.00; six months, \$1.00; four months, 70c; in advance.

DO YOU REALLY DRIVE WELL.

That was an interesting advertisement in The Hesperian from the Light and Power division of the city last week, asking "Are you really a good driver?"

Check, point by point, will tell most any driver who was at home during the war days that he certainly did become a sloppy driver during those days and, in fact, became a dangerous person to be turned loose on the highways and streets with an automobile. Perhaps, the truck boys should be exempted from this statement, but mighty few of the others.

There is a reason for this of course John Citizen, had a good deal more than he could do, and he sure went to cutting corners. Even at that he needed to be two persons instead of one, but he did cut corners. He turned in the streets or on the highway without warning, he didn't see any of the signs. He just did what he wanted to do to save time.

Traffic was light in small towns and on country highways and there wasn't much of a reason why he shouldn't have done about as he liked. But now it is different. John has become a menace to most everybody that ventures out on the streets or highways, including himself. If you think we're all wrong on this or even partly wrong we suggest you stand down-town most any day and any time of day you want.

All we ask for you to watch for is to see drivers doing things they ought not to do that you have done and may still be doing, yourself. You'll be surprised at the sloppy things you see happen. And you will realize that when good, new automobiles get plentiful again, there are going to be plenty of accidents for the newspapers to report.

SEES A STARVING WORLD

Although plenty reigns in America, particularly our only real trouble tracing to bad distribution—men in authority in America see a starving world and are thinking in those terms when they begin again talking rationing of some of the basic commodities and urge a reduction in the number of animals left on farms to consume grains that can be used for food. An incomplete harvest this fall will carry many

millions along for several months but the pinch will be much in evidence again a year hence whilst they await another harvest -- another boat from America.

Whatever your viewpoint, it may be as well to go along with the authorities with a good will. They are going to try to do something about it. And while they are at it may shove people around a bit, with some injustices here and some unfair things there.

Meanwhile, do whatever you can to add to the sum total of feed in the country -- the more there is the fewer the livestock the government is going to insist on being slaughtered at unprofitable weights.

EARLY HARVEST PROBABLE

As early a harvest of small grain as this part of the world has seen in many years is coming up, it seems. And while it will not transpire as soon as some talk there is hardly any reason to doubt that June 10 will see considerable of the crop moving -- possibly the first few loads of undernourished wheat reaching market as early as June 1.

Because the price is going to be big the crop is going to look big. As a matter of fact, wouldn't a 50 percent crop be a good guess on the probable county yield, and place the gross at around two and three quarter million bushels?

The old settlers will just about have time to celebrate their day here on May 28 and get back home and settled before harvesting. That is assuming they took time by the forelock and had their combines and engines put into condition afore time.

PLENTY OF HARVESTERS?

It may be possible, as has been suggested by somebody, that there will be a dearth of harvesting machines in Floyd county when the harvest hits, but we can't help but be inclined to believe that the wheat gathering machines are going to be in reasonable good supply and there will be sufficient number of trucks with good beds to haul it off to market.

What we don't know is what the grain car situation will be. Railway companies certainly are not crowded this year thank goodness, with war business. If they have had time to get their railway cars back home there ought to be enough cars to get the wheat on out of town. Of course, eighty percent of the crop is going to be offered them in two weeks time, if the usual procedure is followed.

THEY'LL STORE SOME WHEAT

We hazard the guess that every farm building of any kind that will do is going to be used this year in storing some wheat on the farm. Neighbors who have watched neighbors take in a cool 30 cents per bushel bonus, plus a storage payment, plus a considerable rise in the price in a year's time are going to wonder, what with all the scar-

city talk, is some more of the same isn't in the offing.

Whether wheat has taken all the rise it can stand would be a hard forecast to make. But generally higher price levels for anything that is usable, especially anything eatable can be forecast with almost absolute certainty.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

After reading the interesting column in the Petersburg Journal titled "One Woman's Opinion" by Ann Claitor, and wondering just how she managed to get her son to write it a number of times for her, and he did a swell job, too, I thought I would try to encourage my son, Wilson, to write mine for me. He promised, without hesitating, but the time has come to fill this space, and he has not written a line and besides is in Lubbock. How did you manage it, Ann?

We sat around at mother's yesterday, all of us except Sister Edna. And of course the ones with grandchildren took the floor. It is wonderful how fine grandchildren can get when one tells about them, and smart! My My. Lois said that her little grandson, Charles Henry Graves, went to Sunday school that morning for the first time in Lubbock. He came back and reported that he got a "kick" out of his class. Lois has five grandsons and as there are no granddaughters, she has some kind of record in the family. Edna was having dinner with her two grandchildren at Amarillo. It was delightful to sit around at mother's dinner table again and let the years roll away and remember what we did as children. And our happiness was intensified by knowing that all over America that mothers were being honored and cheered by families coming home again.

Do you remember when a "poor writer" as one would call himself would ask the good penman in the family to "back" a letter for him?

How quickly fear comes into one's heart when mother gets sick! The children are accustomed to her being up and doing as they are to finding a drink in the kitchen. Last week when our good neighbor, Mrs. Jennie Davis was sick in bed, we could not believe it. We all were like her little grandson, Rush, as he is familiarly called. We wanted to say as he did, "Get up, don't stay in the bed." We wanted to see her usual smile instead of the pain on her face, and see the flush of joy instead of the red of fever. We are so happy she is getting well again.

She told me that the old family doctor of the Davis family back at Dawson, Texas, said that he would doctor anyone free in the summer time that ate poke salad in the spring. Come on all you poke greens eaters. Makes sense, doesn't it?

One half inch of rain does not make a crop, but we were very thankful to get that much, but are wishing for more, and we hope it comes and washes off all that red sand left on everything by the sandstorm last week.

Note: Take your old relics to Floydada with you that they will be there for Old Settler's day, thus pleasing Mr. McLain, chairman of that committee, yourself, and all that will go to town that day.

Had such a lovely letter from Mrs. Arthur Cooper, once of Floydada, but now of Goodland, Kansas, and she enclosed such a fine poem that she has written for an old neighbor. I have selected it for the poem of the week.

Portrait of A Neighbor (Written for Mrs. Tom W. Deen)

All afternoon in an easy chair she sits when chores are done, And speaks of friends and times long past; And as she talks the crochet threads of lustrous beauty fly As slender fingers, gnarled by work, the silver needles ply.

She smiles while saying-half in jest and half apology, "I'm just a common person; there's no poetry in me."

Ignoring pain that always stays as uninvited guest, Her hands create the chains and fans, and never seem to rest; As scrolls and shells and diamonds, and popcorns and fillet And snow flakes, clocks and spider-webs appear in her crochet.

Dear Neighbor: Will you see the truth? The smooth clear symmetry And beauty of your handiwork express your poetry.

I should have said, two poems of the week by Ruth Cooper as I like this one she has written for another friend in Floydada, Mrs. Lillie Looney who also writes beautiful poetry:

My friend is a rose; Her selflessness sweet, Like fragrance of flowers, Is given replete. The exquisite petals, Her kind deeds, unfold; And leave all revealed Her heart of pure gold.

Nice poems aren't they? To nice folks.

Sister Lois was telling of going to see a show in a neighborhood that was not noted for the best behavior at shows but as she had missed the special show when it came around was eager to see it! I was reminded of the old woman who went to see a show and sat down near someone whose feet did not smell too sweet. The old lady sat there as uncomfortable as a worm in hot ashes but she said as she had paid her nickel, she intended to stay.

Another note: Don't forget to take your old relics in time for the Old Settler's reunion, May 28 at Floydada.

Typewriter Rooms, Hesperian.

JOHNSONS VISIT HOME

Mr. and Mrs. Kenneth D. Johnson of Dallas was here over last weekend visiting with their parents, Mr. and Mrs. Dee Johnson, of near Lockney, and with Mr. and Mrs. H. N. Powell of Dougherty.

Miss Dorothy Tye, who is employed there, accompanied them to Floydada to spend Mother's day with her parents, Mr. and Mrs. W. O. Tye.

BEGIN TO DREAM OF BETTER LIVING

Electrically

There's plenty of cheap electric power now for you to begin dreaming about living better—Electrically.

Our expansion program is not only for industry, business and better farming... It's for you in your home, too. A new power station, new transmission lines and other necessary facilities are bringing cheap electricity to your home for better lighting, electric cooking, electric refrigeration, and a score of other electrical conveniences. Whether you live in town or on the farm, this efficient electricity will soon be yours at a lower cost than ever before.

WE'RE BUILDING AHEAD OF A FAST-GROWING TERRITORY

No. 18 of a series of advertisements designed to help build this fast-growing territory in which we serve.

SOUTHWESTERN PUBLIC SERVICE COMPANY

21 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

We're doing all we can to serve people waiting for telephones

THE urgent job of getting telephone service to those waiting is going ahead. We are nearing a milestone: Soon everyone who needs only a telephone instrument itself to get service will have it. That shortage is about over.

In the first three months of this year we have installed 150,000 new telephones in the five states we serve. This is as many as we would have installed in six months of a normal year.

Although 170,000 new applicants for service during this time kept the waiting list long (223,000 in the Southwest as April began), we now are getting service faster to those waiting longest. A great many of the people waiting for service on V-J Day now have it.

Two big jobs remain:

1. As quickly as we can get it, we are wiring the precision, intricate machinery that handles your calls at the exchange. This takes time and skill. We must do years of work in the next few months.

2. In a great many places we also need outside cable and wire. We plan to have this in and ready when the new equipment in the telephone office is completed. Where we can, we are wiring homes in advance for telephones, ready to connect them the moment we are able.

Meanwhile, we are trying every way we know to s-t-r-e-t-c-h the service... and we are temporarily squeezing in everyone we can with party lines, hooking more telephones to already loaded switchboards and dial equipment, putting disconnected lines back into service faster. If for a while telephone service is not always as fast as you'd like it, it is because of this crowding.

We repeat: The telephone company is doing all it can to provide service for waiting customers. We're looking forward to the day we get in touch with you to arrange the details of installing your telephone.

Southwestern Bell Telephone Company

THEY'RE HERE! NEW SERVEL GAS REFRIGERATORS

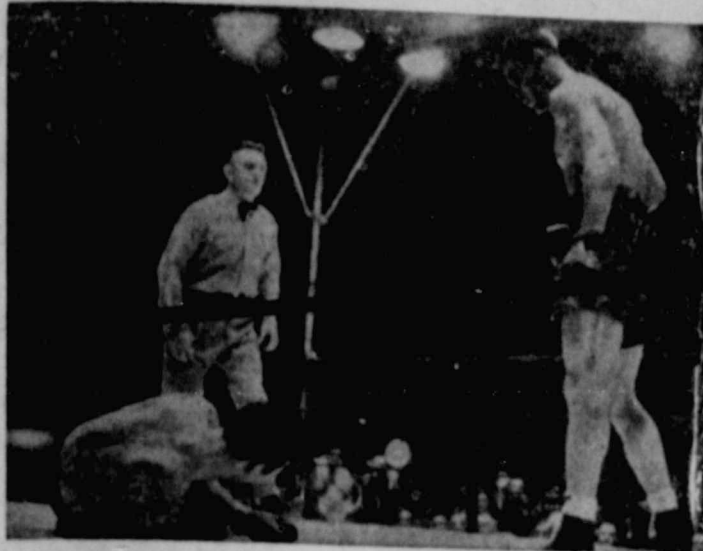

For you'll find the Servel Gas Refrigerator is basically different. It has no moving parts in its freezing system. Just a tiny gas flame keeps the refrigerant circulating—provides unflinching cold and plenty of ice cubes.

This different, simpler operation means it can't get noisy—ever. And it means, too, there's nothing to wear. Nothing to need fixing. You switch to years of silent, trouble-free service when you choose a Servel... You'll find the new Servels are mighty good-looking, too Big and roomy. And planned just right. An extra-cold compartment for meat storage—a place to keep vegetables crisp and unswilted and lots of room for frozen foods! Come in and see them—right now!

Stays silent... lasts longer

"Louis By Kayo" Dempsey

Joe Louis will knock out Billy Conn in their June bout in New York City in shorter time than he turned the trick last time, according to an article by Jack Dempsey in the May issue of Cosmopolitan magazine. Photo above shows the finish of the first Louis-Conn bout.

First Methodist Church Services

Reverend Lloyd H. Jones, pastor, will deliver the message in the 11 o'clock Sunday morning worship service at the First Methodist church in Floydada.

The regular evening worship service of this church will give way to the high school baccalaureate service featuring the graduating class of the Floydada High school. The Methodist people welcomes this group of young citizens and their families and friends to our place of worship for this service.

The pastor, Rev. Jones, expresses regrets at not being able to be present in this service because of his starting a revival meeting at Turkey Texas on Sunday evening.

FLOYDADA HOSPITAL NOTES

Pink Maxwell was admitted May 9 for treatment for pneumonia.

Mrs. Sid Jackson and baby were dismissed May 9.

Jimmy Van Meter, Petersburg, underwent a tonsillectomy May 10.

Tommy Hildreth, Petersburg, underwent a tonsillectomy May 10.

Raymond Smith, Jr., city, underwent a tonsillectomy May 13.

Harvest Legume And Grass Seed

There's never been a better time for farmers to harvest legume and grass seed than this year. Prices for most legume and grass seeds are high, and farmers can depend upon a strong demand, in the opinion of R. R. Lancaster, pasture specialist for the A. and M. College Extension Service. Not only is there a big demand for seed in this country, but also abroad, where farmers are attempting to rebuild their hay and

Floyd County 14 Years Ago

These news items taken from the Floyd County Hesperian published 14 years ago.
(Issue of May 19, 1932)

Baker News
BAKER, May 13—George Owens spent Sunday with Shorty Cardinal. Mrs. C. H. Brown spent the weekend in her home at South Plains. Mr. and Mrs. Hershel Green and family spent Sunday in the home of Mrs. Graves at Floydada.

Mr. and Mrs. Joe Morehead of California, Mr. and Mrs. Marvin Smith and family of Petersburg, and Mr. and Mrs. Harry Reeves and family spent Sunday in the home of Mr. and Mrs. Pratt Huckabay. Mr. and Mrs. Ray Smith and family spent Sunday in the home of Mr. Joe Smith.

Mrs. Harry Reeves and Mrs. J. R. Vickers gave their daughters, Gail and Aylene a birthday party Wednesday evening. Ice-cream and cake was served.

Mrs. Mary Floyd and son, Truman, Mr. Lynns and son, Mr. and Mrs. Lloyd Murry and Becky spent Saturday in the canyon fishing.

Mr. and Mrs. Bill Dowdy, Mr. and Mrs. G. L. Fawver and daughter, and Mrs. W. A. Colston spent Sunday in the home of Mr. and Mrs. B. A. Colston and J. B.

Mr. and Mrs. L. J. Davis of Hale Center, Mr. and Mrs. Ebert Ardry and girls of Clovis, Mrs. R. W. Pyron of Crosbyton, Miss Gertrude Davis of Clovis, Miss Beatrice Davis spent Sunday in the home of Mr. and Mrs. I. J. Ardry and family.

Mr. and Mrs. Tom Hopper and boys, Mr. and Gene Hopper and family, Mr. and Mrs. Bun Hopper and Mary Lou, Mr. and Mrs. W. J. Gilbreath and family, Mr. and Mrs. N. E. Griggs of Lubbock, and Dale Roberts spent Sunday in the home of Mr. and Mrs. J. M. Hopper.

Mrs. A. N. Bratton and Bob spent Mother's day with Mr. and Mrs. Gerald Lackey. We appreciated the large crowd present to see the ball game Friday. Sorry that Fairview won by one point.

Sunday school was well attended Sunday. The program by primary, intermediate, and adult class was enjoyed very much. Our school program will be Thursday night beginning at 8 o'clock. We will have an all day picnic Friday and a 42 social that night.

Mr. and Mrs. Ted Allen and family, Miss Fern Allen, and Cecil Ferguson of Dallas spent Sunday in the home of Mr. and Mrs. Bill Graham and family.

JETERS LIKE LOCATION OF NEW HOME AT TULARE
A letter was received this week by the Hesperian office from Mrs. W. M. Jeter, formerly of Sandhill, stating that she and her husband are settled in their new home in Tulare, California, and like the location fine. Mrs. Jeter reports cool weather, and that prospects for fruit and cotton are good in their vicinity.

A son, Frank, of the Merchant Marines, is spending a few days with his parents in their new home. He will report back to San Pedro, California, for duty.

Cpl. Flora Jeter, daughter of Mr. and Mrs. Jeter, has received her discharge from the WAC, and is employed in civil service in San Antonio, Texas.

Lt. Charles (Chatty) Johnson, son of Elder and Mrs. Alva Johnson of Turkey, received his discharge recently from the Marine corps in Corpus Christi. His wife, the former Wilene Jennings, has been making her home in Tulsa with her parents during his absence.

Mr. and Mrs. J. L. Nichols of Wichita Falls, Texas, visited over the week-end in the home of Mrs. Nichol's parents, Mr. and Mrs. H. N. Powell, of Dougherty. Mr. Nichols is attending college in Wichita.

Mrs. Joe Inman of Lockney spent last week visiting with relatives in Oklahoma City, Oklahoma. She returned home Monday.

Floyd County 14 Years Ago

These news items taken from the Floyd County Hesperian published 14 years ago.
(Issue of May 19, 1932)

A small cyclone that came from the northeast Sunday evening wrecked the home of John Luttrall, about three miles south of McCoy. H. O. Cline and C. W. Ginn attended an all-day meeting of Magnolia dealers and distributors held Wednesday at the Hilton hotel in Plainview.

Clement B. McDonald, son of Mr. and Mrs. L. C. McDonald, of this city, is in the newspaper business for himself and Quitaque, for the first time in its newspaper history, has a home-owned newspaper.

Preaching a series of 60 sermons in the past three and one half weeks, averaging almost three daily, is the unusual record of service made by the Rev. P. D. O'Brien, pastor of the First Baptist church of this city.

Marvin Shurbet, student flier with his instructor, Herbert Sims, made a trip from Floydada to Lubbock and returned by plane Sunday morning.

Funeral services for E. B. Mayhew, 54, who died suddenly of apoplexy at 9 o'clock Thursday night of last week at his home, 601 S. Main Street, were held Sunday afternoon at 2:30 o'clock at the First Methodist church.

A senior play at Oak Cliff High school, Dallas, presented under the direction of Mrs. Wanda Banker daughter of Mr. and Mrs. N. A. Armstrong, of this city, drew one of the largest crowds ever to attend a similar performance at the school, according to a report appearing in The Dallas News.

Mr. and Mrs. W. R. Dooley made a trip to Lubbock Monday to take their little daughter, Dorothy Ann, to a sanitarium for medical examination.

Mr. and Mrs. Roy L. Snodgrass and son, Tom Roy, in company with Mr. and Mrs. Bob Echols, of Matador spent the week-end at the Echols Ranch near Ft. Sumner, New Mexico.

Mrs. J. C. Parker of Hereford visited Sunday and Monday with Mr. and Mrs. Oliver Allen and family. Mrs. Parker is a sister to Mr. Allen.

Mrs. A. D. White, Mrs. J. F. Pundt, Mrs. R. B. Rosson and Miss Ruby White spent Tuesday in Amarillo on business.

Rev. I. A. Smith went to Wellington last Friday for his daughter, Leah, who has been teaching in the schools there the past year. They returned home Saturday.

Mrs. Juanita King left Friday for Colorado City to spend some two weeks on her vacation. She was accompanied as far as Post by Mrs. Minnie Smartt and baby daughter.

Mrs. C. B. Pope, of Muncy, suffered a deep wound on the chin about 7 o'clock Wednesday when a glass jar filled with peaches exploded.

Guests in the L. A. Moore home last week-end were John and Richard Moore of Carleton, Texas, nephews of Mr. Moore.

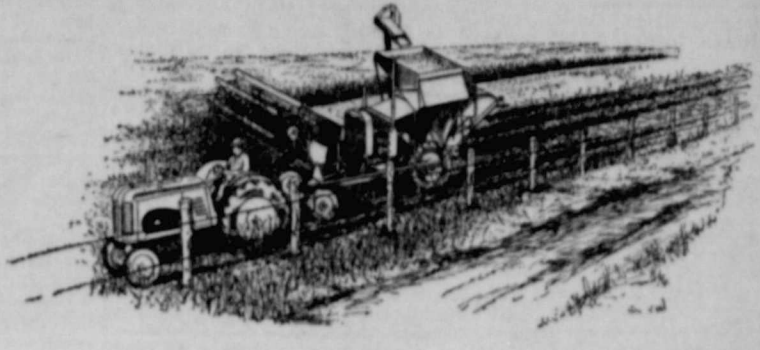

The 1946 swim suits certainly reflect the material shortage. You'll see less suit and more gal at the beach. As some wag said, "The girls are bare-ing up beautifully."

A Vital Message To Men Who Feel Old
Why not regain the vim and vitality you once enjoyed?
If life apparently has lost its zest, you again may be able to enjoy life as you did in your youth. If added years have slowed down your vim, vitality and youthful pleasures, here is a simple method that may change your whole outlook on life. Just ask your druggist for CASELLA stimulating tablets. Take as directed on label. Don't feel old and worn out at 40, 50 or more. Take these tablets regularly until you feel that you have regained the pleasure of living you once enjoyed. Why be discouraged? Why not try CASELLA tablets and regain the verve and zest of a much younger man? There is nothing harmful in these tablets. They contain Celery seed, Thiamin Chloride, Pepsin Flower, Iron. Ask your doctor or druggist about this formula.
Bishop Pharmacy

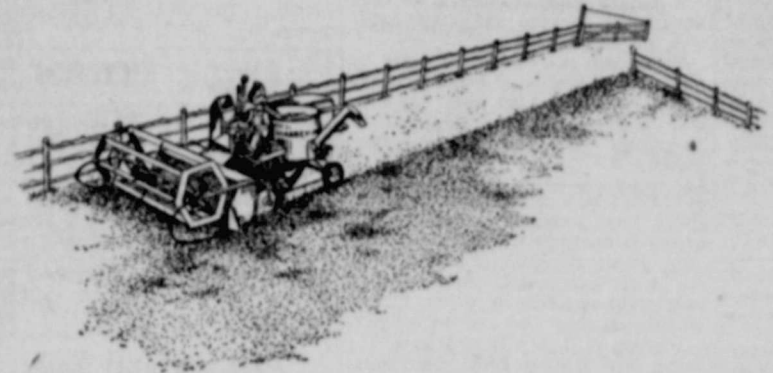

WHICH WILL IT BE?
On your farm — will grain be crushed to the ground and lost while millions starve?

THIS?

Tractor-Drawn Combines lose grain on the opening round. Tractor wheels and Combine wheels crush standing crop.

OR THIS?

Self-Propelled Combines SAVE the grain ordinarily lost on the opening cut. Saves 1/2 bushel per acre and more.

Enlist with the FAMINE FIGHTERS

CALL ON A SELF-PROPELLED COMBINE TO OPEN YOUR FIELDS! EVERY BUSHEL SAVED ON YOUR FARM MEANS ONE DAY'S BREAD SUPPLY FOR 150 STARVING PEOPLE!

Whether your fields are large or small you'll save grain (1/2 bushel per acre and more), realize more profit from your harvest—and help feed America and the world when you have your fields opened by a Self-Propelled Combine. We have a list of Self-Propelled Combine owners who have pledged to open as many fields as possible in this community this year. They're called the Famine Fighters and they aim to save at least 3500 bushels per machine. Some of these bushels can be saved on your farm. There's no time to be lost! Stop in today for full information. Join the fight against world famine!

TROY E. CUMMINGS HOME AFTER 18 MONTHS OVERSEAS

T/S Troy E. Cummings landed in the states last week from Yokohama and arrived in Floydada Wednesday. He had been in service two years, 16 months being spent overseas in the Philippines and Japan. He received his discharge from El Paso Monday.

Cummings served in the Americal Division on Leyte and Cebu. This division is noted for its outstanding record of 85 days in combat. Cummings is the son of Mr. and Mrs. O. P. Cummings of the McCoy community.

Mr. and Mrs. Kyle Holloman of Lubbock were Saturday night guests of Mr. and Mrs. J. C. Odum and family.

Irick News

IRICK, May 13—A Mother's day program was enjoyed by the Sunday school last Sunday. Mrs. McNeil received a corsage for being the oldest mother present. Mrs. John Holmes received one for having the most children present, and Mrs. Andrew Jolly, the youngest mother.

Mr. and Mrs. Dale Lacey and children spent the week-end visiting his parents in Bellevue, New Mexico.

Mr. and Mrs. Travis Dunn and family spent Sunday in the Lakeview community with his parents, H. L. Dunn.

Mr. and Mrs. Jack Dollar spent the week-end in Amarillo visiting relatives.

Mr. and Mrs. Wade Kurfess spent Sunday with Mr. and Mrs. Wilburn Dollar.

Those visiting in the John Holmes home Sunday were Rev. and Mrs. Van Landingham and children and Mr. and Mrs. Farrell Dollar and children.

Mrs. McNeil and her son, Volle, are now staying with her daughter Mrs. B. A. Robertson. We regret to say their home was destroyed by fire last week-end.

Mr. and Mrs. Oliver Holmes spent Sunday with her mother, Mrs. West, of Floydada.

Mr. and Mrs. Melvin Potts and children took Sunday dinner with Mr. and Mrs. Becton Potts. In the afternoon they visited Mr. and Mrs. Johnnie Terrell.

Mr. and Mrs. Bascom Baxter took Sunday dinner with Mr. and Mrs. J. H. Baxter of Lockney. In the afternoon they visited in the Lone Star community.

Mr. and Mrs. Andrew Jolly have as their guests her mother and sister.

Mr. and Mrs. B. A. Robertson visited Mr. and Mrs. Walter Robertson Sunday afternoon.

Mr. and Mrs. Atkins Phillips of Plainview visited Mr. and Mrs. Geo. Graham Sunday.

C. A. Purnell visited Mr. and Mrs. Harrell Dollar Monday.

Mr. and Mrs. Milton Ashton and children, visited his parents near Floydada Sunday.

Mr. and Mrs. George Stiles and Mrs. Mary Smith were in Lubbock Saturday on business.

Mr. and Mrs. B. Hunt of Vernon spent Mother's day in Floydada visiting Mrs. Hunt's sister, Mrs. Hubert Davis and family.

F. C. Harmon is in Galveston, attending the annual Undertaker's convention. Mr. Harmon left last Saturday and is expected home this Saturday.

J. H. Poore, Mrs. J. C. Odum and Mary Ann visited in Tahoka on Wednesday of last week. Mrs. Poore stopped in Lubbock to visit with Mr. and Mrs. Kyle Holloman.

Mrs. S. H. Lanier and son Richard have moved to Fort Worth to make their home with their husband and father, who has returned from overseas.

Miss Peggy McKinney of Lubbock, Margaret McKinney of Amarillo, and Mr. and Mrs. Ben Whitaker of Big Springs visited their parents, Mr. and Mrs. J. J. McKinney.

Rev. and Mrs. Lloyd Jones and daughter went to Seymour Wednesday morning to attend to business and visit Rev. Jones' parents. They plan to be gone about two days.

Mr. and Mrs. B. W. Snell of Lubbock, spent the week-end visiting their parents, Mr. and Mrs. J. McKinney and Mr. and Mrs. Will Snell and other relatives.

Mr. and Mrs. Nelson Miller, of Dumas, with their sons, John and Joe, spent Wednesday here visiting Mrs. Miller's parents, Mr. and Mrs. S. H. Horn.

Mr. and Mrs. O. E. Poore and children of Amarillo, Macey Thornton, and Mrs. Lou Boston and daughter Gay of Ft. Worth visited in the Weldon Thornton home Saturday night.

PITTS HOSPITAL NOTES

Mrs. Grady Harris underwent an appendectomy this week.

Mrs. J. N. Johnston is in the hospital receiving medical treatment.

W. A. Kirk's son was discharged yesterday after receiving medical treatment.

Mrs. Edd Robinson underwent surgery.

FRED GROSS BROUGHT HOME FROM HOSPITAL YESTERDAY

Fred Gross, who has been in Baylor hospital in Dallas for the past two weeks, was brought home yesterday by the Harmon ambulance. Mr. Gross underwent a spinal operation in the Dallas hospital.

Raymond Rucker of Lockney soled this week at the Floydada Air Port.

Jake Chanslor of Borger, who was enroute to Big Spring, stopped at the Floydada Air Port and while on the field his plane was blown over by the wind.

Week-end guests in the J. H. Poore home included Mr. and Mrs. O. E. Poore and family of Amarillo, Mr. and Mrs. Kyle Holloman of Lubbock, Dave Odum, Mr. and Mrs. Wayde Roberts and children of Spur Cpl. and Mrs. D. G. Odum and daughter of Devine, Texas and Mr. and Mrs. J. C. Odum and daughters.

Adam Draze, of Hot Springs, New Mexico, returned to his home Friday after spending some two months in Floydada visiting his niece, Mrs. Bob Smith, and other relatives.

Mr. and Mrs. A. J. McKinnon of El Paso were Mother's Day guests in the home of Mr. McKinnon's mother, Mrs. A. P. McKinnon.

Cpl. Edwin K. Kiker visited a few days in April with his parents, Mr. and Mrs. L. E. Kiker of Starkey. Cpl. Kiker is stationed at Camp Chaffee, Arkansas.

Mrs. George E. VanWickel and little daughter, Frances, left from Amarillo by plane Monday for New York where they will join Mr. Van Wickel to make their home. They will be at home at 1462 Bushwick Avenue, Brooklyn, New York.

Rural Electric Coop Is Making Steady Growth

The eleventh anniversary of the Federal rural electrification program on May 11 finds REA-financed Floyd County Rural Electric Coop, which serves this area, making steady progress with its postwar activities despite handicaps to line building, according to an anniversary report by Mr. J. S. Callihan, president of the coop.

usually to an additional 1000 consumers in this area.

The cooperative obtained its first loan of \$100,000 from REA in 1935 and built its original 175 miles of power line in Floyd and Hale counties. These lines were energized in May 1939 and served 219 consumers. Today, the system consists of 445 miles of line serving 977 consumers in Floyd, Hale, Crosby, Dickson, Briscoe and Swisher counties.

When REA was established 11 years ago, only approximately 700,000 of this country's farms had power line electric service. Today, about 2,700,000 American farms, or nearly 45 percent of the total are electrified. More than half of those electrified since 1935 are served by REA-financed lines. On February 1, 1946, REA borrowers were operating 452,423 miles of rural power lines in 46 States, Alaska and the Virgin Islands and serving 1,420,486 power consumers. Most of these are farms, but also included are many non-farm rural homes, rural schools, churches, stores, factories and other rural establishments, the electrification of which contributes greatly to the more effective use of rural community facilities and to rural community improvements.

Side Lights From Washington

(By George Mahon)

On Wednesday of last week our seven-man Subcommittee on Military Appropriations began hearings on the Military Appropriations Bill to meet the needs of the Army for the fiscal year beginning July 1, 1946.

We are being asked to appropriate the money for an Army which will number 1 1/2 million men on July 1, 1946, and shrink to 1 million by June 30, 1947. The huge sum of 7 1/2 billion dollars is being requested for this one-year period. This is a vast sum of money, but it is quite a come-down from the peak annual appropriation for the Army of \$12 billion dollars in 1944. The money requested for next year, the first post-war year, is one-third of the sum which was appropriated for the year just prior to the outbreak of the war.

In our democracy the Army makes available for publication many facts which no other nation would think of publishing. The Russians, and even the British, do not make public detailed figures about their military strength.

On July 1st we will have 402,000 men in the Pacific area, 338,000 in Europe, and 270,000 in Continental United States. The Army proposes that by June 30, 1947, the numbers will be reduced to 270,000, 180,000 and 147,000 respectively. These figures do not take into account the men we have in Alaska, Newfoundland, the North Atlantic and the Caribbean areas.

General Eisenhower will not appear before us until early in June, as he is now in the Pacific, but he left word with us that his request for men and money is a "rock bottom" request. The Secretary of War approved before in his position and we assured him that we would not withhold the appropriation of any sum that was clearly needed. I became a member of the War Subcommittee in 1940 and have always followed the policy of supporting necessary military appropriations.

The Air Force are requesting funds for the purchase of 1,000 new planes of the very latest type. Aviation development moves very rapidly and many of the planes which were built a couple of years ago are now outmoded.

For the atomic bomb development the sum of 200 million dollars is being requested. A short time ago I spent a day in Los Alamos, New Mexico, where the atomic bomb is made. The substance for the bomb is made in Tennessee and in the state of Washington, but the bomb itself is made in Los Alamos. That is the final process as completed there.

Starting spent a couple of days at Tennessee. In May of last year and the atomic bomb plant in Oak Ridge, observed the gigantic proportions of the project. I was struck by the contrast when I saw the relatively small and unimpressive lay-out at Los Alamos, residing in the mountains northwest of Santa Fe, about 40 miles by auto. Los Alamos is 7,000 feet above sea level and the terrain is such that the place is relatively easy to guard and it is far enough from any city so that experimental explosions do not present a hazard.

Most of the buildings are quite temporary in character. The money which we provided for construction at the project was relatively small when compared to the big plants in Tennessee and Washington State—less than 20 million dollars. Now that the work is to go forward on an experimental basis as a permanent thing, many additional provisions will have to be made.

"I really look 30 instead of my true age, 48..."

From many, many thousands of statements such as that above which have come to us over the last 5 years from women in middle life, we give you this assurance—ENDOCRINE has no equal in the way it can help many women to recapture firmness, freshness, softness, vibrant youthful charm for the skin of face and throat. It contains that scientific beauty-blessing, ACTIVOL™, an effective replacement for woman's own natural, skin-beautifying substance. Absorbed by the skin, it helps restore normal growth to aging cells and tissues. Always ask for and insist upon ENDOCRINE. Many report marked results in only 30 days.

Also, try the new ENDOCRINE Hand Lotion.

32 oz. jar \$3.50 plus tax.

a HOME of their own

That's the dream of every couple, young or old—a home of their own. Jack and Sue started theirs. In fact, they've practically built it themselves watching the work with tender vision, from sidewalks to roof. They watched the stone-masons, the carpenters, the plumber electrician. They poured a lot of dreams into that home—why they want to make sure that it will be theirs, "title clear," day, regardless of what comes. So, they are protecting their investment with a Southwestern Life Mortgage Cancellation contract.

Jack and Sue know that through Southwestern Life Mortgage Cancellation Insurance they can provide a sound savings program to supplement any plan of future income that fortune may bring as twenty years, should death interrupt Jack's work.

Through Southwestern Life Mortgage Cancellation Insurance you can make sure that the end of the story of your planning savings will be what it should. Through it, you can accomplish multiple purpose of protecting family, property and income, leave those you love living in the neighborhood where they want to live, in the way they should. Get a detailed description of contract today. It is a plan you can afford to own.

They do tap-natch work, using quality tools, quality parts, quality materials. See us for repairs or adjustments today... members of America's finest automotive service organization.

Save your car with skilled service

ODEN CHEVROLET COMPANY

Our dealers join us in making this frank report to THE FARMERS OF AMERICA

INTERNATIONAL HARVESTER is getting back into production with all possible speed. Extra shifts are being employed wherever conditions permit, to try to overcome the production losses of the recent strike. Everything is being done to get parts and machines to you.

While we and our dealers would like to tell you that this means an immediate end to the shortage of service parts and machines, it is more accurate to say that it means the beginning of the end of it. If illness or bad weather delays you seriously in the Spring, you know how much it throws you off your schedule. The strike has thrown our schedules of deliveries, too. There are many "blames" we must do before new machines reach you.

Material shortages

The preliminary chores of getting our plants back in to shape for full production are finished. But disturbances in other industries and resulting material shortages may affect our plans. Light gauge steel sheets, brass and copper, fractional horse power motors, and many other items are all very short. The real situation may also prove serious.—we hope not.

Refilling the well

Both our dealers and our branches have run dry on parts and new machines. So the biggest get there is to get their working stocks back to normal. It will take time to fill the pipeline to dealers—just as it takes time for you to refill a well or cistern after it has run dry.

Stock and shipping means of our dealers represent real ones, but less discussed reserves which must be refilled. The most basic pro-

duction efforts will mean that your local dealer can expect only a small number of parts and machines at a time. Since we must play fair with all our customers, there will be a sprinkle of parts and machines all over the country—not a downpour in any one section.

You will be glad to know that all repair parts production schedules are far beyond normal.

No hoarding

You may be sure that every machine will be shipped to dealers as soon as completed. We do not and will not hold machines off the market.

At the start of the strike we had on hand at all our factories and branches just 837 tractors of all kinds—less than two days' production—and 400 of these were not completed. Many of those on hand had one or more important parts missing—principally radiator cores. Most of the rest represented the normal daily "flow" between the end of the assembly line and the shipping platform. Naturally no tractors were made during the strike.

What dealers may have for you

We can report to you that our current production on TRACTORS is good and we are shipping at a normal rate. Even so, there will not be enough to go around. The situation on FLOWS

and DISK HARROWS is reasonably good. On COMBINE MOWERS, HAY RAKES, ONE MAN HAY BALERS, CORN PICKERS and many other items our schedules have been seriously disrupted. We must in fairness say that many of our customers are likely to be disappointed delivery of these machines. MILKING MACHINES, STATIONARY ENGINES, and other small units we are hopeful of making practically normal delivery.

We know you will understand the reasons why your dealer can not fill your orders overnight. We would like to give you the kind of delivery on machines you would like to get, but his situation is difficult one and not of his own making. He is doing the best he can.

No cutting corners on quality

There is one thing you can be absolutely certain about: you will NOT cut corners on quality in order to increase production in this emergency. For years we have had "QUALITY IS THE FOUNDATION OF OUR BUSINESS." Today we say it—and mean it as much as ever.

We know you need new machines—and need them badly. But we believe it will pay you to wait just a little while longer; you cannot get all you want immediately. By waiting you can be sure your new equipment will have the quality so rightly associated with INTERNATIONAL HARVESTER for so many years.

Reads in Memorial

for Lt. Ramsey

Memorial services for Lt. Ray
Ramsey conducted Sunday, May
13 at Carr's chapel, Rev.
Robinson, pastor of the Lub-
bock First Methodist church, led
the service with Rev. C. A. Hartley,
pastor of Carr's Chapel church, as-
sisting. Mrs. Peterson of Plain-
view sang with Mrs. Ruben Ruth-
erford, also of Plainview, at the

services. Many people present
were out of the community were
Mrs. Zoe Ramsey's widow, Mrs. Zoe Ram-
sey and two daughters, Wynona
and Betty Faye and Norma Ship-
pock; Mr. and Mrs. Perry Tip-
ple; Mr. and Mrs. Bert High-
land; Mrs. Best Bowman; Mr. and Mrs.
F. Smith; Mrs. Olive Nutt; Mrs.
M. and Mrs. R. B. Nutt
and Miss Smith of Amarillo;

Mr. and Mrs. Rube Grey, Cone;
Mrs. Peterson, Mr. and Mrs. Ruben
Rutherford and son Wright, Plain-
view; Mr. and Mrs. Joe Dunn and
his daughters, Mrs. Floyd Puga
and Miss son, Mr. and Mrs. L. C.
Donald and Mrs. Alma Finkner,
Floydada; Mr. and Mrs. Erv Williams
and the Earnest Gary family of
Pembury.

Mr. and Mrs. Oleff Hamblin of
Floydada spent Saturday night and
Sunday with Mrs. Hamblin's niece,
Mrs. Wade Warren and family.

Center News

CENTER, May 13—School closed
last Tuesday with a ball game and
dinner on the ground. The previous
Friday night the youngsters put on
a delightful literary program, typi-
cal of Center. So another school
year has passed into history.

Edwin Anderson arrived at the
home of his parents, Mr. and Mrs.
A. W. Anderson, Saturday morning
after serving in Uncle Sam's army
for two years, with some fourteen
months spent overseas, mainly Lu-
son and Japan.

Mrs. J. L. Montgomery, Mrs. C.
J. McClure and son, Weaver, went
shopping in Plainview Friday after-
noon.

Mr. and Mrs. Floyd Montgomery
of Lubbock dined with his mother,
Mrs. J. L. Montgomery, last Sat-
urday.

Mr. and Mrs. J. B. Jordan spent
Mother's Day in Levelland visiting
Mrs. Jordan's parents.

Center H. D. club met with Mrs.
J. E. Green Monday. Miss Wilson
gave two demonstrations, one on
foods and one on reconditioning
clothing, both of which were ap-
preciated very much. Refreshments
were served to Mrs. Flora McNeill,
Mrs. Jackson, Mrs. Hamilton, Mes-
dames C. J. McClure, J. L. Montgo-
mery, W. B. Jordan, J. B. Jordan,
R. C. Ross, Claud Carpenter, A. L.
Spence, Tom Noland, Travis Light-
foot, C. M. Meredith, O. C. Vinson,
Oliver Allen, Mrs. Heim, Mrs. Rhod-
des, Mrs. Hartsell, Miss Edith Wil-
son and a half a dozen kiddies and
the hostess, Mrs. Green and Mar-
garet.

Mrs. Walter Sims is papering her
house.

All the Anderson children and
their families, except Roy, were
home for Mother's Day.

Donald Clark Green spent the
week-end with his parents, J. T. and
Mrs. J. E. Green and Margaret.

Social Events, Clubs

SAND HILL CLUB PLANS AID IN CLOTHING RELIEF FOR PHILIPPINE ISLANDS

Mrs. Arlon Miller was hostess to the Sand Hill Demonstration club which met May 8. Miss Edith Wilson gave two demonstrations, one on dyeing and finishing and the other on making collared blouses.

Miss Wilson told the club that the Home Demonstration clubs are sending summer clothing for the Philippine relief. Each member is to donate one cotton garment which need not be new but in serviceable condition, two feed sacks, either printed or white, and one spool of thread for the sacks. These items are to be sent the latter part of June. You are urged to keep this in mind and have them ready.

The menu for the Old Settlers lunch was given and final plans will be made at the next meeting. Tentative plans were made for the Homecoming celebration to be held July 4 for returned servicemen.

Refreshments were served to the following: Mesdames W. W. Knight, Jack Brock, A. V. Womack, Jeff Michael, Albert Prosser, Jim Hillman, Wayne Billington, Eddie King, Miss Edith Wilson, and the hostess.

The next meeting will be held May 22 in the club room with Mrs. Lynn Miller as hostess. The topic for discussion is "Health".

Mr. and Mrs. Earl Edwards have had as their guests this week Mrs. Edwards' parents, Mr. and Mrs. H. N. Potterfield of Springer, New Mexico, and her sister-in-law, Mrs. Fred Potterfield and son of Santa Fe. Capt. Fred Potterfield is with the army of occupation in Germany.

Mrs. J. C. Sparks of Lubbock is visiting in the home of Mr. and Mrs. Alva Sparks this week.

BLUE BONNET CLUB TO HAVE PICNIC THURSDAY, MAY 23

The Bluebonnet Needle club met Thursday, May 8, with Mrs. Lloyd Murry. A lovely refreshment plate was served to the following members: Mesdames Oliver Allen, Leither Dorrell, Layton Dorrell, Peggy Roberts, Everett Collier, Pete Kendrick, Wayne Finley, Everett Perry, John Eld Smith, Orver Christian, Duncan Hollums, Ernie Widmer, and the hostess, Mrs. Murry.

At the next meeting on May 23, the club will have a picnic at Plainview in the park for the members and their children. The ladies are to bring a picnic lunch and meet at the home of Mr. Pete Kendrick by 10 a. m.

HUBERT BARTLETT MUENCH HAS FOURTH BIRTHDAY PARTY

Mrs. Carl Muench honored her little son Hubert Bartlett (Pete) with a birthday party Monday afternoon at 4 o'clock at her home 411 W. Tenth St. Pete was celebrating his fourth birthday. Mrs. Muench was assisted by Mrs. Bob Crowell, Mrs. W. B. Harris, and Mrs. Charles Wright.

Ice cream and cakes were served to the following guests: Leora King, Ray McDonald, Billy Crowell, Sylvia and Jay Wiman, DeVone Rea McKeith, Nancy Sue Watson, Jerry Lee Solomon, Wren Patterson, Connie Wright, Carol Potts, Roy and Summie Harris, David Terrell, Linda Hull, Sandy Spears, Frelia Cathel, Ruth Muench and the hostess, Pete.

Miss Joe Powell left Wednesday for Wichita Falls, Texas, where she plans on working. Her mother, Mrs. H. N. Powell, and brother, Jimmie, took her down.

June Bride-Elect

Mr. and Mrs. D. W. Burke announce the engagement of their daughter, Jonelle, to Leslie Fawver, son of Mr. and Mrs. Roy Fawver. The wedding is to take place on June 2

SCS FORCE AND FAMILIES ENJOY PICNIC FRIDAY EVENING

The S. C. S. force and families enjoyed a picnic at the home of Mr. and Mrs. Numan Hamilton Friday evening at 6 o'clock.

Several pictures of the group were taken. The food was spread, and after the supper games were played and enjoyed by everyone.

Those present were Mr. and Mrs. Jim K. Wiman and daughters, Joy Judie and Silvia; Mr. and Mrs. Carl Muench and children, Ruth and Mary; Mr. and Mrs. Guy N. Smith, Mr. and Mrs. Bob Crowell and son Billy; Mr. and Mrs. Numan Hamilton and daughter, Norma Lee; Wiman Stokes; Mr. and Mrs. Charles Wright and daughter, Charlene; and Mr. and Mrs. James Burke.

MRS. G. K. MAY HOSTESS MOTHER'S DAY AT DINNER

Mrs. G. K. May enjoyed the company of all of her family on Mother's day at her home near Baker at a family dinner, at which also were present Mr. and Mrs. J. N. Gullion of Floydada. Children at home for the event were:

Dr. Willie B. May and family, of Colorado City, Texas; Mr. and Mrs. Fred Cardinal and George Bert May of Slason, Mr. and Mrs. John Smith, city.

MRS. HOPKINS IS HONOREE AT BIRTHDAY DINNER

Mrs. E. A. Hopkins, 214 West Houston street, was honored at a surprise birthday dinner on Mother's day, when children gathered at the home of Dr. and Mrs. Hopkins with a beautiful lunch which they enjoyed together. Later in the day several friends called.

Present for the dinner were Mr. and Mrs. C. D. Hopkins and son, Joe, of Artesia, New Mexico; Mr. and Mrs. John Herd, of Post, and Mr. and Mrs. Jack Henry and son, Jackie; Mr. and Mrs. W. L. Fry and Joseph McPeak, all of Floydada.

PASTORS HELPERS MEET WITH MRS. ADDIE THAGARD

The Pastor's Helper's Sunday school class met Tuesday, May 14, at the home of Mrs. Addie Thagard. Those present for the meeting included the following members and visitors:

Mesdames W. H. Alexander, O. B. Olson, P. M. Peltun, D. D. Shipley, George Dicker, Lillie Britton, Lela A. Slaughter, E. C. Henry, A. P. McKinnon, E. M. McCauley, W. M. Culville, W. E. Walker, Lillie Henry Will Steel and the visitors were Rev. and Mrs. Lloyd E. Jones and Marion and Bobbie; Mrs. J. A. Grigsby; Mrs. L. L. Coppard, and Mrs. Dena Resgan.

MRS. ROBERT SMITH HOSTESS AT MCCOY CLUB MEETING

Mrs. Robert Smith was hostess to an all day meeting of the McCoy Home Demonstration club. Quilting and a program on health, was enjoyed during the day. Two quilts were finished.

Those present for the meeting included Mesdames George Smith, Bill Hubley, L. E. Smith, Claud Payne, H. A. Tandy, Griggs Hubley, O. F. Cummings, J. J. Smith, and Ray Giddens.

The next club meeting will be with Mrs. George Smith at May 28. All ladies are invited to come.

Typewriter Missions, Hesperian.

Help Pledged to Famine Fighters In Saving Grain

"The world faces a food crisis far worse than anything experienced during the war, and it is important that farmers not only plant every acre possible, but also that they prevent waste and harvest every bushel." J. W. Garner of Wason & Garner Machinery company stated today at the launching of the "Famine Fighting" program in Floyd county.

"One of the greatest sources of waste is the tramping down of grain in the opening of fields," Mr. Garner says. The loss to the nation's food supply from this single practice alone averages 20 bushels of wheat for every 40-acre field. The aggregate this is enough to feed 42,000,000 for 100 days. That grain can be saved.

Because the self-propelled combine prevents this waste, Mr. Garner is pledging the operators of self-propelled combines in this vicinity to give extra attention to the opening up of fields. He states that if the 8,000 self-propelled combines of all makes in the United States were to go into the 1946 harvest specializing in opening up fields and letting the conventional combines cut out the centers, a very large contribution of grain can be made to the stricken world. On the basis of just 50 extra hours of work, or five days during the entire harvest season, this plan would yield 28,000,000 bushels of grain worth \$30,000,000.

This Famine Fighting plan is a nation-wide movement. Wason & Garner are cooperating with it in this vicinity. They have the names of all the self-propelled operators who have pledged themselves to cooperate with this humanitarian work and will be glad to give you all details. Farmers are urged to contact self-propelled combine owners at once and arrange to have their fields opened.

The saving of grain on the opening out is only one way in which the farmer could save grain. There is also the matter of the tight wagon boxes, proper handling of bundles, timely harvesting. The important thing is that not a single bushel of grain be wasted.

Mr. and Mrs. W. J. Smith and family and Ronnie Payne visited Sunday in Dickens in the home of Mr. and Mrs. S. H. Howley.

Pvt. James Trutt Payne of the Amarillo Army Air field visited over the week-end with his parents, Mr. and Mrs. Cecil Payne of Dougherty.

Mrs. Ray Horn, and son, Lubbock, were here for a short time this week, guests in the home of Mr. and Mrs. S. H. Horn.

INSURANCE FIRE

V. L. McNeill's home (1 Mi. West of Floydada) was a total loss from fire last week. (Watch those oil stoves). He had \$1,500.00 on the house and \$1,000.00 on his furnishings. Within 48 hours after I got the word of the loss, he had his Texas Farmers Union check for \$2,500.00. This is payment in full—no depreciation. This is possible because the money is there to pay losses and none to money lending stock holders in this or any other state.

Action speaks louder than words and that's why hundreds of farmers in Floyd County have insured in their own Texas company at the rate of \$6 per year per \$1,000.00. More are insuring every week as their other and "Double Rate" policies expire.

Don't let 'em kid you! The Federal Land Bank and all other Loan companies HAVE accepted our policies. So insure with your own Texas Farmers Union—keep half your money in your own pocket and the other half in your own company. You just can't get the most for your money in companies operated for profit where not even half your money comes back as losses! Now check the record! There is nobody against you but the man living off you.

You are welcome—and safe—and building something for you and yours when you insure in your own Texas Farmers Union company.

FHS Seniors Have Picnic at Roarin' On 'Senior Day'

Friday was Senior day at school and the Seniors enjoyed a wonderful picnic at Roaring Springs. Leaving about 9:30 Friday morning on one of the school buses and on Betty's truck, we started for Roaring Springs. We arrived some time after ten, and everyone ran for the swimming pool.

The morning was spent either wading or swimming in the surrounding water. About twelve the preparation for our lunch was begun. The chicken was fried, the potato salad made, and the beans warmed. About three we started eating. Everyone was hungry so it didn't take long for the food to disappear.

After lunch everyone was lazy and lay around for a while. Then the swimming started again, much fun being had by everyone.

About five the ice cream arrived, and then we again walked away tired and full. After the ice cream we started back home. Those on the truck nearly froze, for there was only one blanket and a few coats for all of them. We arrived back about 7:30 tired and sunburned but happy. Monday at school most of us were limping around, and we did not dare touch each other for fear of jumping out of our skin because of our sunburns.

Louis Lloyd, and Leonard Grigsby. The sponsors—Mrs. Chowning, Mrs. Moss, Mrs. Abbott, and Mr. Teague.

THIS WEEK'S PERSONALITY

For this week's personalities, we have decided to give the brains of Floydada high a break, so we are going to write up both the valedictorian and salutatorian.

Our valedictorian is Melton Smith, who isn't here to defend himself. In case you are wondering where these few facts that I do have come from, I twisted the arm of the kids he used to run around with and found out a surprising number of facts, some printed, and some not.

Melton was born on November 14, 1928, in Tahoka, Texas. He is about 5 feet, 11 inches tall, with brown hair and green eyes. He had round ears and a nose that is just about anything, and one of his favorite pastimes is reading. His favorite sports are swimming and tennis, and his main topic of conversation is girls, past and present. His secret ambition has always been to be a woman killer, and his worst habit is using words a mile long and then wondering why everybody always just looks at him in a wondering way, and doesn't seem to understand just what he is talking about. Wonder why?

Melton is now finishing a semester's work at N. T. S. T. C., at Denton, Texas. He finished his high school work here at mid-term and he is coming back to get his diploma with the remainder of the class here. He is majoring in psychology and making excellent grades as usual. His high school average was 96 11/16, and that is much easier said than made. In case you want to hear his version of it, just come up here the night of graduation and hear one of his super-delux speeches.

Seniors Who Were There

The Seniors enjoying the day were Marjorie Oden, Geneva Knight, Mary Lou Wise, Genell Hambricht, Margaret Hambricht, Joy McIntosh, Dolores Smalley, Mary Eunice Hennessee, Melba Smalley, Margaret Woody, Aris Myrick, Sylba Russell Sue Teague, Hughetta Smart, Ruth Warren, Gloria Shultz, Glenn Robertson, Oragene Willson, Barbara Ann Moss, Nanette Bishop, Jimmie Hicks, Lovene Jones, Myra Nell Hall, Nancy Brown, La Rue Graves, Bobye Helm, Sybil Roe Jean Cardinal, Norma Worsham June Foster, and Martha Cudd; Kenneth Bishop, Bruce Womack John Mason, J. B. Colston, James Jones, Robert Gatewood, Claudie Hammit, Earl Edwards, Wayland Faulkenberry, Welton Dunavant Dale Sims, Wayne Beedy, Corkey Guffee, Tom Ballard, Glenn Carmack, Dean Walls, Edward Landers, and Bill Womack.

Give Casualty List

The casualties from the Senior Picnic were:
Barbara Moss—fell off the car;
Tom Ballard—shoe size now "27" due to blistered feet;
Oragene Willson and Marjorie Oden—stiff legs and tender backs;
La Rue Graves—well done back;
Lovene Jones—weighted down with freckles;
Mary E. Hennessee—chilled body;
Margaret Woody—too many laughs;
Hughetta Smart—sore and blistered body;
June Foster—peeling nose.

"Smitty's" favorite color is green, and he had just about rather go boating than just about anything else. His favorite song is "Sentimental Journey", and his favorite class is Chemistry. He had much rather wear sport clothes than anything else, and he is always one of the neatest looking boys that ever roamed the halls of FHS. His pin-up-girl is June Allyson, too.

In case any of this is kind of mixed up, I apologize, but this much I know! The students of FHS and the faculty all send Melton their sincerest congratulations, and we are expecting much more from him in the future.

Now the Salutatorian

Our salutatorian this year is Betty Lou Griggs with an average of 94 4/16. She was born on January 8, 1929, in Alvarado, Texas. She is 5' 6 1/2" tall, with blue eyes and hair that is "Just plain red", as she puts it. Her favorite foods are ice cream and fried chicken. Her favorite pastime is reading and just doing nothing. The sport that she likes the very best is baseball, and she had rather talk about people than just about anything else. Her ambition in life is to be a surgeon but she used to think a school teacher would be her destination in life.

Betty says that her worst habit is putting off things, and her favorite color is blue. She is lazy sometimes, and her nickname is "Brains". If you were ever around her in class sometimes, you would see why. When all the rest of the kids are sitting around about nine-tenths asleep, Betty will be there answering questions just about as fast as the teacher can fire them.

Betty is getting her diploma in music this year, and she says she had rather play the piano than anything else, too. Her main dislike is making speeches, and she will also get some good practice on graduation night. Her favorite song is "Some Sunday Morning". Her most embarrassing moment was one day when she ate a little too much before she went to church. You can guess the rest.

Betty plans to go to Baylor to college, and her favorite class is Chemistry now. Her main pin-up-boy is Lon McAllister. Her favorite entertainment is listening to the radio, and the most likeable person she knows is Dolores Smalley, because she always has a smile for everybody.

Everyone wishes the best of luck to the quiet little red-head who doesn't talk much, but who is always smiling. Betty, we are all betting on you.

GAMMA SIGMA KAPPA NEWS

The members of the Gamma Sigma were quite thrilled when they heard that the club pins had arrived. The pins are very beautiful with gold mountings, and a black face with the gold Greek letter on it standing for Gamma Sigma Kappa. On each pin is the chain and guard with the initials of the last name except for the officers and sponsor and their guards vary according to the office which each holds.

The girls are very proud of their pins.

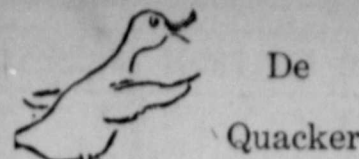

OUTSTANDING SENIORS

In checking the scholastic records of the graduating seniors, we find that there are nine students who have made very good records and who deserve special recognition. These students who have an average of 90 or above for the past two years' work are:

Melton Smith, Betty Lou Griggs Oragene Willson, Welton Dunavant, Joy McIntosh, Billy Jack Eady, La Rue Graves, Margaret Hambricht, and Dean Walls.

We offer congratulations to you—the intellectuals of the class of '46.

One of our soldier-boy friends tells us he likes the shy, demure type of girl—the kind you have to whistle at twice.

De Quacker

Her first husband was a millionaire; the second was an actor; the third was a preacher; the fourth was an undertaker. It was a plain case of:

- One for the money
- Two for the show
- Three to make ready
- And four to go.

Note the big smile on Carlee Garrett's face every time a certain boy's name is mentioned 'bout like Claudie Hammit.

Nancy and Earl seem to be progressing nicely in their little affair but she sorta made him mad being with Sterling Cummings Saturday night.

Why wuz Almarene so anxious to invite a Silverton boy to her party? Isn't his name Welton Whitehead?

The picnic seemed a gala affair for Dean and Lovene we hear.

James Langley seems to think Marjorie Whitehead is about the ideal girl.

La Rue and C. L. sure seem to believe in that old custom of holding hands in the movies, but that's not all they do.

Hums—did someone say Welton was bashful? Just ask that blonde from West Texas State!

Is there any significance in Dean's sending La Rue notes? It looks fishy to me. "Does she catch on quick?"

Bill Hale has been making eyes at Dorothy Cantrell in 5th period study hall.

Short and sweet is the romance of Jack Hugh and Francis Pratt.

What is the big secret? Louis is trying to keep about a certain Sunday afternoon and De Lola Huckabee? We see that Louis was waiting for Marjorie and Squirt when the seniors got back on the picnic.

Norma, who were you with Saturday night? It sure looked like Melvin. Still can't decide—huh??

Roberta sure must have enjoyed the show Thursday night with Donald Ray, for she was there Friday night with Jo Dan.

SENIORS, let's have more gossip for next Thursday. Hand it in today—please. Save this reporter lots of work.

To make it official Senior Day Glenn cooperated and went with Nanette.

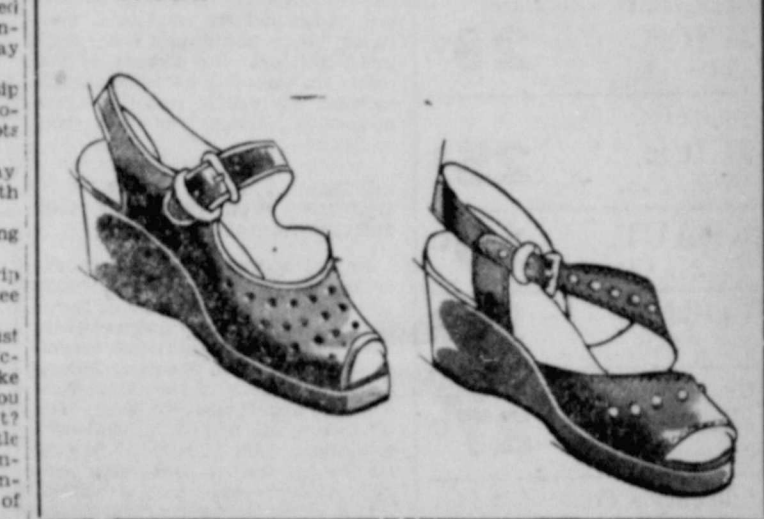

Dean and Bill had fun throwing everybody in the water.

Locals—Clara Cozby made a trip to Canyon over the week-end to see Junita Meredith.

It is unbelievable but it's not just hearsay about how bad he'd like to go with Beth Hinson. Can you imagine the two together. I can't!

Oh! How thrilled The True Little Irishman was the 7th period Monday when Beth's name was mentioned. He practically fell out of his seat.

They used to refer to them as money to buy an elephant. Not that we've always wanted enough money to buy an elephant. Not that here, because they will strike any, we want an elephant, we just want that much money.

The menfolk will brag about your baking more than ever. At your grocer's.

Maybe you aren't this big a nut about cars

Maybe you're able to resist taking your engine apart—as long as it runs swell. That's generally enough for most anybody—no matter how curious he is to see Conoco Nth motor oil in the act of OIL-PLATING the engine's insides.

OIL-PLATED engines aren't forever having the top opened up to see about carbon—nor having the bottom opened up to see about sludge. Carbon and sludge are the camp-followers of wear. But OIL-PLATING is in the best position to oppose wear—because it is fastened and held direct to inner surfaces. This is accomplished by the magnet-like action of an added material in Conoco Nth oil—patented.

OIL-PLATING is an addition—a durable protection—to the engine's fine inner finish. Ask new car owners and you'll find them widely adopting OIL-PLATING. This time, with this new car, they want to start out right... And should an older car logically have anything less than the safeguard of OIL-PLATING! Then get Conoco Nth motor oil—at Your Mileage Merchant's Conoco station—now. Continental Oil Company

Lamb County Judge Makes Announcement

I. B. Holt, county judge of Lamb county, recently reported in this newspaper as a candidate for Representative of the 130th Legislative district of Texas, this week makes his formal announcement in The Hesperian.

A statement to the voters of this section of the district will be forthcoming from the judge, and meanwhile he asks that voters do not make up their minds until he has an opportunity to present his claims. Judge Holt's candidacy will be subject to the Democratic primary. (Political advertisement)

Mr. and Mrs. James W. Anderson of Amarillo and Miss Roberta Medlen of Canyon visited in the home of Mr. and Mrs. Robert Medlen last week-end.

HELICOPTERS TO FLY FROM SHANGRI-LA AT BIKINI

WINDMILL OVER A FLATTOP—One of the helicopters that will be used by Joint Army-Navy Task Force One at Bikini hovers just above the deck of its mother ship, the carrier USS Shangri-la. When this photograph was taken the Shangri-la was headed through the Panama Canal en-route to the Pacific. Helicopters will be used to make radiological reconnaissance patrols in the lagoon after the blast.

Circus Coming—

(Continued from First page)
cus ring will be seen assisting in pulling the heavy wagons, pulling up the canvas and doing many other tasks aside from their intricate ring routine.
Performances will be presented at 3 and 8 p. m. and the doors will be open an hour earlier to allow ample time for inspection of a large menagerie which includes elephants, lions, tigers, bears, zebras and other animals from the far corners of the earth. An elaborate horse fair which includes many blue ribbon winners is another feature of the free menagerie.

SEVERAL ATTEND FIFTIETH WEDDING DAY OF JUDGE AND MRS. WILLIAM McGEHEE

Several Floyd county people attended the Golden wedding of Judge and Mrs. William McGehee at Hereford, when the couple renewed their vows at the First Methodist church at 2:30 Sunday afternoon. Among those were Mr. and Mrs. E. P. Nelson, Mr. and Mrs. S. W. Ross, Mrs. Lula Slaughter, Mrs. R. M. McCauley and Mrs. Will Walker. Several friends and relatives from other portions of the county also attended.
The couple were married at Lockney on May 19, 1896, and lived the major portion of their married life in this county. The couple have lived at Hereford the past several years.

CHILDREN HOME MOTHERS' DAY WITH G. C. HILLBURN

Mr. and Mrs. G. C. Hillburn were fortunate in having all their children home for Mother's Day.
Children present were Mr. and Mrs. Garnet Hillburn of Lubbock, Mr. and Mrs. Gene Smith and daughter, Fleeta, of Lubbock, and Mr. and Mrs. Norman Hillburn of Floydada.

TO BROADCAST ON MAY 15

COMMERCE, Texas. The Friar boys' social club of East Texas State will broadcast their annual spring formal dance May 15 from the Library building over station KGVJ, Greenville.

Music for the dance will be furnished by the school orchestra, the East Texans.
Joe Looney, son of Mr. and Mrs. J. W. Looney, sr., 515 North First street Floydada is a member of the East Texans.

R. C. Covington and grandson, Bob Covington, left Wednesday for Kentucky where they plan to be for several weeks visiting with relatives, among them will be Mrs. Gene White of Auburn, Kentucky.

PERFECT FINGER PRINT SPOILS PERFECT CRIME

The only perfect finger print in the history of crime detection spoiled what had been planned as the perfect crime.

Salvatore Gatti and Charles Sherman, paroled convicts, had planned their crime the moment the American Legion announced its annual convention would wind up in New York City September 23, 1937.

They figured, and rightly, that most of New York's police would be concentrated in midtown and there would be little chance of them being recognized in the jewelry district below New York's famous dead line.

Their calculations were almost mathematically perfect, according to

an article in the May issue of Cosmopolitan magazine, but when they stuck up a gold-refining company they failed to notice an employee slip out and give the alarm.

When Patrolman John H. A. Wilson responded, there was a struggle and the policeman was shot and killed. In the struggle a pot of boiling liquid was overturned. Gatti reached for the policeman's gun but changed his mind when his hand came in contact with the boiling liquid.

That slip cost the lives of the two convicts. The hot liquid was jeweler's wax, which retained the perfect imprint of Gatti's thumb. Both men were speedily arrested, convicted and executed, thanks to the incontrovertible evidence of the only perfect finger print ever to figure in crime detection.

TRAFFIC WINNERS

The state of Iowa and the city of Wichita, Kan., were grand prize winners in the National Traffic Safety Contest conducted annually by the National Safety Council.

All 48 states and 1,382 cities participated in the contest.
A special award went to Oak Ridge, Tenn., home of the atomic bomb for holding down traffic accidents despite mushroom growth and large traffic volumes.

States which won first place in their divisions were Texas, southern; Connecticut, eastern; Utah, western; and Iowa, midwestern.

FIRST AIDS to GOOD EATING

Our variety of quality foods is the first aid to good eating—"just what the doctor ordered" for appetites suffering from monotonous. Every department offers an eye-filling array of taste-thrilling foods to put zing into appetizing meals. And our every price is right!
