NO. 45

Cold Blast Hits December Low; Harvest Nears Finish

It was colder than Hamarillo in Floydada Wednesday morning. And it seemed even colder than that on Tuesday morning. But Tuesday there was snow and blow. Wednesday the man in charge of the hot and cold just bore down on the cold ruder. Result: Two degrees above zero in Floydada yesterday morning at 6:30, coldest December 6 in many years of weather history on the plains. And while it was 2 above zero in Floydada it was 3 above in Amarillo.

Low registered in Lubbock was 1 degree below, in Plainview 1 above zero.

The cold wave that blew out of the arctic and whipped across the continent from north to south and out into the Gulf of Mexico in 48 hours, brought blowing snow to Floyd county for three or four hours, but it added no appreciable moisture out on the fields. The whole area between the continental divide on the west and the Appalachians on the east was affected by the huge cold front, according to weather bureau reports. In the north plains of Texas and in the lower panhandle there was some more moisture than in Floyd county. Amarillo reported 35-hundredths of an inch of moisture but few other localities reported more than a two inch snow. The moisture content of the snow here was only a trace.

Wednesday temperatures gradually rose up in the day, with clear skies, but the thermometer registered slightly below freezing here in the warmest part of the day.

Wheat Needs Rain

That annual period of the year has come when the wheat crop is lost. Usually it is lost three to five times in a growing season before it finally does or does not make a crop. The Santa Fe crop reporter said whimsically this week in discussing the situation. The Santa Fe crop report said that greenbugs and dry weather have been making inroads. Whether the freeze was deep enough or lasted long enough to dispose of greenbugs is still questionable. Wire worms also have taken a toll in Floyd county. But there is nothing wrong with the wheat crop, taken as a whole, that a good snow or rain would not cure, one extensive wheat grower said here this week. Quite a bit of spot planting has been done over the county where wireworms have cut the young stalks. Live stock handling has become more expensive, especially among small herds, as wheat land has had no moisture since planting time to settle the ground on most of the crop. Grazing cattle would pull up the poorly set plants, the growers say.

40-Pound yellow cat caught by Mr. and Mrs. A. T. Emert at Possum Kingdom. Pictured with the mighty fish is little Miss Janette, daughter of Mr. and Mrs. David N. Sisson.

FARM BUREAU CAMPAIGN

Kick off meeting of the Floyd County Farm Bureau in their annual membership drive was held in the office of Robert Gibson, county Agricultural Agent Tuesday.

Discussion of membership goals and objectives of the Bureau were led by Charley Cravy, State field representative of the bureau, and Bill Tilson, district director from Meadow, Texas.

Members of the Floyd county unit present for the meeting were Ben Quebe, president of the local organization, M. C. Scheele, vice-president, Harry Moreckel and Harmon L. Handley, both directors in the organization.

Mr. Tilson, one of the 13 district directors of Texas, gave a short preview of the national convention to be held in Dallas, Texas, December 12 through December 14, and the first national convention to be held in Texas.

Four-Angled Problems

In this convention, there will be four versions of economic problems in talks scheduled. W. Averell Harriman, assistant to President Truman will discuss the executive approach to the economic problem, Dean W. L. Myers, New York State College of Agriculture, will discuss the farmers problems. James B. Carey, secretary-treasurer, C. I. O., will discuss laborers place in our expanding economy, Henry Ford II will discuss the responsibility of management and from the legislative bodies, Allen W. Ellander, senator from Louisiana will discuss farm legislation in the senate and Congressman William R. Poage of Texas will discuss farm legislation in the House of Representatives.

Mr. Tilson stressed the fact that although there are at the present more than one and one-half million farm families in the farm bureau, fifty two thousand of these families in Texas, a large and more active membership is essential if proper legislation to benefit the farmer is to be forthcoming.

Final Row Crop Round Up

Growers, elevator men and gin men say the harvest of the 1950 row crop, including both cotton and forage feed, has reached the last 20 per cent, and although an occasional harvest still will be under way at Christmas-time, bulk of the harvest will be over and done in another 10 days, weather permitting.

The most unusual market in the history of cotton growing here is encouraging the cotton men to scrap up even their "hickory nut" bolls, put them through some kind of a cracking process, and thence to the gin. The hard freeze cost Floyd county cotton men many a bale of good cotton, but they find it profitable to scabble up the "red fleas."

Floydada Basket's vs. Matador In Cage Tourney Game Tonight

Floydada High school's team will play their first game in the basketball tournament in Matador high gym tonight at 8:45, and the Matador team will be their opponent.

Coach L. P. Gresham did not have the information on what teams have entered and how they are bracketed. Play will continue Friday night and finals will be played Saturday night. The coach did call Matador to learn how he could arrange his team's schedule so it would not interfere with the football banquet on Saturday night in case his team goes into the short-or bracketings. Carey is entered and may be one of the green and white team's opponents, in which case the Floydada quintet either will be eliminated at that point or will be in the finals. Carey always has a strong team in any tournament they enter. Other than Spur and Crowell, in addition to Carey, Matador and Floydada, the coach did not know what schools would send teams to the tournament.

Last week the Whirlwinds jumped on the hapless Slaton Tigers at Slaton and won, going away, 46 to 26. However, Abernathy gave the Slaton quintet an even worse lashing (60 to 31) which is no consolation to the Floydada school. Floydada B squad and Floydada eighth grade squad also won games when the group journeyed to Slaton.

HEARING OF WATER CODE COMMITTEE SET FOR MONDAY

Chairman of the Floyd County Water Users Association Wednesday that no plans were made for a delegation to the county to attend the hearing in Austin Monday, December 11, concerning the water law to be recommissioned by the 52nd Legislature.

It is said, however, that the Plains Water Association will be represented by a sizeable delegation at the hearing.

The hearing will be held in the Chamber in Austin beginning at 9:30 a. m. Monday, and will be conducted by the Water Code Committee which was appointed under authorization of the Legislature.

The Water Code Committee, of which Senator Rogers Kelly is chairman, has recently issued a 73 page report on their study with proposed recommendations which are to be presented for consideration of the legislature on December 11. The hearing on December 11 will give the public an opportunity to present testimony on the study goes into the hands of Texas lawmakers.

The report written for the committee has recommended a number of changes in Texas water laws. If recommendation is approved by legislative action, a three man Water Conservation Commission will replace the present State Board of Water Engineers. This commission will have broad powers over the surface water resources of the state, and will be charged with the responsibility of taking care of the underground water resources.

The Water Code Committee also recommends in their report that authority for the creation of water districts be placed in the hands of the proposed water commission.

TIL Re-Groups Texas Schools For Athletics

Floydada and Lockney High schools are in an entirely new grouping of schools for the coming year of interscholastic athletics, following a drastic re-grouping announced last Friday by the Texas Interscholastic League.

In the re-classification the two Floyd county schools are in District 2-AA, along with Canyon, Hereford and Tulla. From the old eight school District 2A Paducah goes to 3-AA. Spur to District 6-AA, along with Ralls, Crosbyton goes to 2-A.

The new setup abolishes the three-year-old City Conference, creates two new ones to be known as AAAA and AAA. This means a total of six football and basketball conferences. Besides the four A's, the triple A's, the AA, and the A there will be B and six-man conferences.

Enrollment Limits Listed

Rodney Kidd, interscholastic league secretary, said the change would equalize competition and eliminate some inequities that had grown up in the previous school groupings.

No school will be allowed to compete in AAAA if it has less than 750 enrolled in the last four grades. Conference AAA will include schools with enrollment between 450 and 849. Member school may vote in school with enrollment of 375 to 499. Conference AA include schools of 200 through 499 enrollment and voting-in limit extends downward to 175. Conference A will have a 115 to 199 enrollment limit, but schools down to 100 may be voted in. Conference B will include schools with enrollment of 114 and under which wish to play eleven - man football. The six-man conference will retain its top limit of 100 enrollment.

There will be 51 schools in AAAA, 50 in AAA, 172 in AA, 201 in A, and 227 in B, and probably 167 in six-man.

Reaction of local school authorities to the change apparently left an attitude of wait and see. What the reaction of local fans to the change would be is also an unknown quantity. The change puts Floydada in the extreme southeast corner of the district with Lockney almost the same. With present transportation facilities the fact that Canyon and Hereford are both considerably more distant from Floydada than the most distant teams in the old line-up is not expected to make much difference. However, the lack of familiarity with the teams under the new grouping may make a difference in attendance and interest.

BIG ONES, TOO Emerts 'Catch Includes a 45-Pound Catfish

Mr. and Mrs. A. T. Emert caught the big ones while they were biting in mid-November and came home last week from Possum Kingdom dam very well pleased with themselves and the world in general.

They baited trot line hooks with carp eight and nine inches long and got a whopping response from the big catfish. They hauled out one 30-pounder, one thirty-six, one 40, and the most enormous one 45 pounds. The big ones were biting in the period from November 16 through November 23.

The Emerts have their own cabin on Possum Kingdom lake shore, and spent six weeks there, during which time they fished and vacationed. As the accompanying snap shot indicates the big ones didn't get away from them.

Floydada FFA Members Judge Grasses Best

Floydada FFA chapter won all of the prizes at the Floyd County Soil Conservation district grass judging contest held Friday, December 1.

The high individual was James Hucksabee with a score of 233 points out of a possible 240. Terry Julian was a very close second with 232 points. Lavon Shearer was third with 219 points. These boys were also the top team. They won the blue ribbon for high team honor and \$40 to apply on a trip to the Fort Worth Stock show grass judging contest.

The second team honor went to Milton Dunavan, Glenn Brown and Charles Hartman. A. C. Pratt, Bob Hargis and Scott Faulkenberry composed the third team.

There were eighteen boys from Floydada FFA chapter, working under the leadership of Henry Barber, vocational agriculture teacher, and eleven boys from the Lockney chapter. F. L. Montandon heads the vocational agriculture department at Lockney.

Forty plants consisting of dryland grasses, irrigated tame grasses, legumes and forbs were identified and characteristics were marked.

Floydada Day Stock Show

WORTH Dec.—Floydada Day and Southwest Exposition and Stock Show will be Saturday, December 2. The date was suggested by M. M. Stauder, Floydada Chamber of Commerce manager, in a letter accepting a special invitation extended to Floydada by W. R. Wainwright, president-manager of the Stock Show.

Floydada plans to bring an exhibit square dance group and will announce the selection of Cow-Cheerheart.

Bailey C. Barbee Victim When Auto Overturns at Ralls

Bailey C. Barbee, 32, who died in Crosbyton hospital, Thursday following injuries received in an accident, was buried Saturday afternoon, December 2, following funeral rites at 3 o'clock at the First Baptist church here with the Rev. E. A. Powell officiating. Burial was in Floydada cemetery.

The car which overturned and caused the fatal injuries to Barbee was a 1941 Ford, owned and driven by Base Doyle Myrick, 19, also of Floydada. Myrick was only slightly injured.

The automobile overturned on Highway 82, near the southeast corner of Ralls, after having been driven from a dirt road leading to the pavement. Barbee died within about 30 minutes after the crash. The car turned over at least once and came to a stop on its back.

Mr. Barbee was born in Smith County on February 13, 1918, son of the late Mr. and Mrs. C. C. Barbee. His family moved to Floydada from Bailey C. Barbee, back page.

Serious Injuries Result as Vehicles Collide on No. 207

Victims in both vehicles were seriously injured in a collision north of Floydada Thursday afternoon at 5:00 o'clock when a pick-up truck and an automobile collided head on.

R. V. Payne, Floydada resident, suffered a broken arm, and broken leg and head lacerations. He was taken to People's hospital in Floydada by private automobile.

The pick-up was driven by Mrs. Mary O. Roddam, also of Floydada. She reportedly suffered serious leg injuries, but her 4 year old daughter, Jenette was only slightly injured.

Floydada officers and highway patrolmen who investigated the accident said that Mrs. Roddam apparently had been distracted by her daughter and lost control of the car shortly before the collision.

The accident occurred about 2 miles north of Floydada on Highway 207.

Christmas Parcels Being Mailed Early

Christmas parcels are being mailed earlier than usual this year, said Mrs. Barbara H. Smith, postmaster, yesterday. A number were mailed in the last week of November.

Parcels must be wrapped and tied securely and in strong containers, and addressed in ink. It will pay people this year to mail their parcels early, if they want them to reach the addresses before Christmas day because the mail is more congested than usual.

All unsealed Christmas cards will require a 2 cent stamp.

BROTHERS MAKE DEER HUNT

Frank L. Moore, Floyd County judge-elect, in company with his brother, Louie Moore, County clerk of Lubbock County, recently returned from McCulloch county, where they were on a deer hunt.

SHOP BRISKLY!

Fourteen actual shopping days until Christmas! That's all, count them yourself.

Three Sundays between this Thursday and the big day, and the last Sunday of the three comes on the day before Christmas, so that actually Saturday, December 23, is the last shopping day. There will be no last-minute Christmas eve shopping for the friend or relative you forgot.

Besides that choosing days and days before Christmas gives so much more satisfaction. Floydada shops and retail establishments are full of good ideas. If you will spend a little time window shopping you are sure to come up with some good ideas, many of them inexpensive, and as important to many you can find the more elaborate things as well.

Organize for January Campaign For March of Dimes in County

W. G. Collins, county chairman of the National Foundation of Infantile Paralysis, J. E. Elza, co-chairman, and Edward Wester, secretary of the county chapter, were in Lubbock last Tuesday, where they attended a meeting of the county chairman of this area of the foundation. There they heard the state chairman, Ed Stewart of Abilene, tell of the needs for the March of Dimes campaign which will be held beginning January 15 and continuing for two weeks. The meeting was held in the Hilton hotel.

Jake Watson, who is the March of Dimes campaign chairman, called a meeting of the members of the county chapter Wednesday night at Stansell-Collins store, for the purpose of perfecting plans for the 1951 campaign.

Members of the committee are Jewel Elza, A. H. Kreis, Dr. C. M. Thacker, Edward Wester, Mrs. Bob McGuire, W. G. Collins, County chairman, and Edgar Hays of Lockney.

New Grain Sorghum Reported Is Gaining Favor

A new grain sorghum called "Redland Kaffir" was planted in Floyd county this past year. Thirty-five hundred pounds of this seed was planted by thirty producers. Results from this grain sorghum experiment reveal that it yielded from 300 to 1200 pounds more per acre than Martin milo and more than Plainsman or Caprock.

This grain sorghum is a cross between milo and kaffir, produced by the Oklahoma Experimental station. It was grown for the first time in Oklahoma in 1949 and has been very productive the past two years. Other desirable characteristics of this grain sorghum, is that it stands up well, in most conditions better than other varieties, it can be combined easily and is semi-resistant to the tungus growth that causes feed to fall and it is resistant to chinch bugs. Yield of this grain sorghum was from 1300 to 2300 pounds per acre on dry land and 3000 to 4400 pounds on irrigated land. It consistently made a greater yield than other varieties wherever comparative plots were made.

Its undesirable characteristics are that it is about 15 days later maturing than Martin, but matures as early as Plainsman and Caprock. Wherever an abundance of moisture was received, it grew six to eight inches taller than other varieties, however never to such an extent to cause trouble in combining.

The seeds are red and sell the same as any other red grain sorghum.

It is believed by the county agent that it is an excellent grain sorghum to plant up to about June 15 and is recommended on both dry land and irrigated land.

Grigsby Milton, Sr., Passes at Lockney

Funeral services for Grigsby Milton, Sr., a resident of the South Plains community for the past 23 years, was held Sunday afternoon in Lockney at the First Church of Christ. Pastor Clyde Sloan and Rev. R. C. Guest of South Plains officiating. Mr. Milton passed away at his home in Lockney, on Saturday after a brief illness.

Mr. Milton was born October 22, 1876 in Ellis county, Texas. He was married to Miss Beulah Witherspoon on December 8, 1897. To this union nine children were born, two sons and one daughter preceding him in death.

Mr. Milton and family lived in the South Plains community for many years. In April of this year he and Mrs. Milton and daughter, Linnie moved to Lockney, where they have since made their home.

Survivors of the deceased are his widow, and the following children: Otto Milton of Albuquerque, New Mexico; Otis Milton of Amarillo, Armon Milton of Denver, Colorado; Doodle Milton of South Plains, Miss Linnie Milton of Lockney and Mrs. Lillian Whiting of Shawmut, Alabama, and 12 grandchildren and six great grandchildren; also three sisters, Mesdames Rosa Penn, Enid, Oklahoma, Maud Reeves, Estancia, New Mexico, and Lettie Teaver of Plainview, and one brother, Eaf Milton, of Cedarvale, New Mexico.

Many friends from this area attended the funeral service Sunday.

November Youths Registration List

Below is a list of Floyd and Motley county boys born in November, 1932, and registered with Local Board No. 45, in November:

Gene William Collis, Route 2, Lockney, Willis Floyd Thurman, Box 554, Lockney;

John Everett Perry, Jr., Floydada, William Copeland, Jr., Route 4, Floydada, Emile Eugene Cardinal, Route 5, Floydada, Willis Keith Stansell, Route 2, Floydada, Harold Douglas Whitfill, Route 1, Floydada;

Jimmy Vanoy Purcell, Box 152, Flomot, Junior L. Thus, Flomot; Albert Campbell Morris, Whiteflat.

Bruce Edgar McCahey, Route 1, Petersburg, also is included in the list of November registrants.

Masons Attending Texas Grand Lodge

An unusually large delegation of Floydada Masons are attending the grand lodge in Waco this week.

Leaving here Tuesday in two parties the delegation included J. A. Patterson, secretary of the lodge, Gerald Lackey, Jim Morrison, J. G. Wood, N. W. Williams, Fred Battey, Roy Patton, Herschell Green, and John E. Smith.

Sessions of the grand lodge opened Wednesday.

R. C. Scott and Jack Stansell, who are also attending grand lodge sessions, left last week and also attended the Grand Council of Royal Arch Masons.

You're Busy Every Minute Roy Lee McNeill 'Had' to Attend Thirteen Banquets in Nine Days

Roy Lee McNeill, home Saturday from Chicago and the 4-H Club press on request wrote the following brief story of the big event in the windy city.—Ed. note)

It would like to tell some of the things that I saw and did while attending the 4-H club congress in Chicago. I consider this the greatest honor and opportunity that I have had in all my club work.

It would like to say this on behalf of all the 4-H Club boys and girls who were at the Congress or have attended it. I want to urge all club boys and girls to keep your eyes up and if some of you get the opportunity to go to Chicago, don't ever forget all the nice things that are not all play to attend the national 4-H club congress, because you have to work to learn the fea-

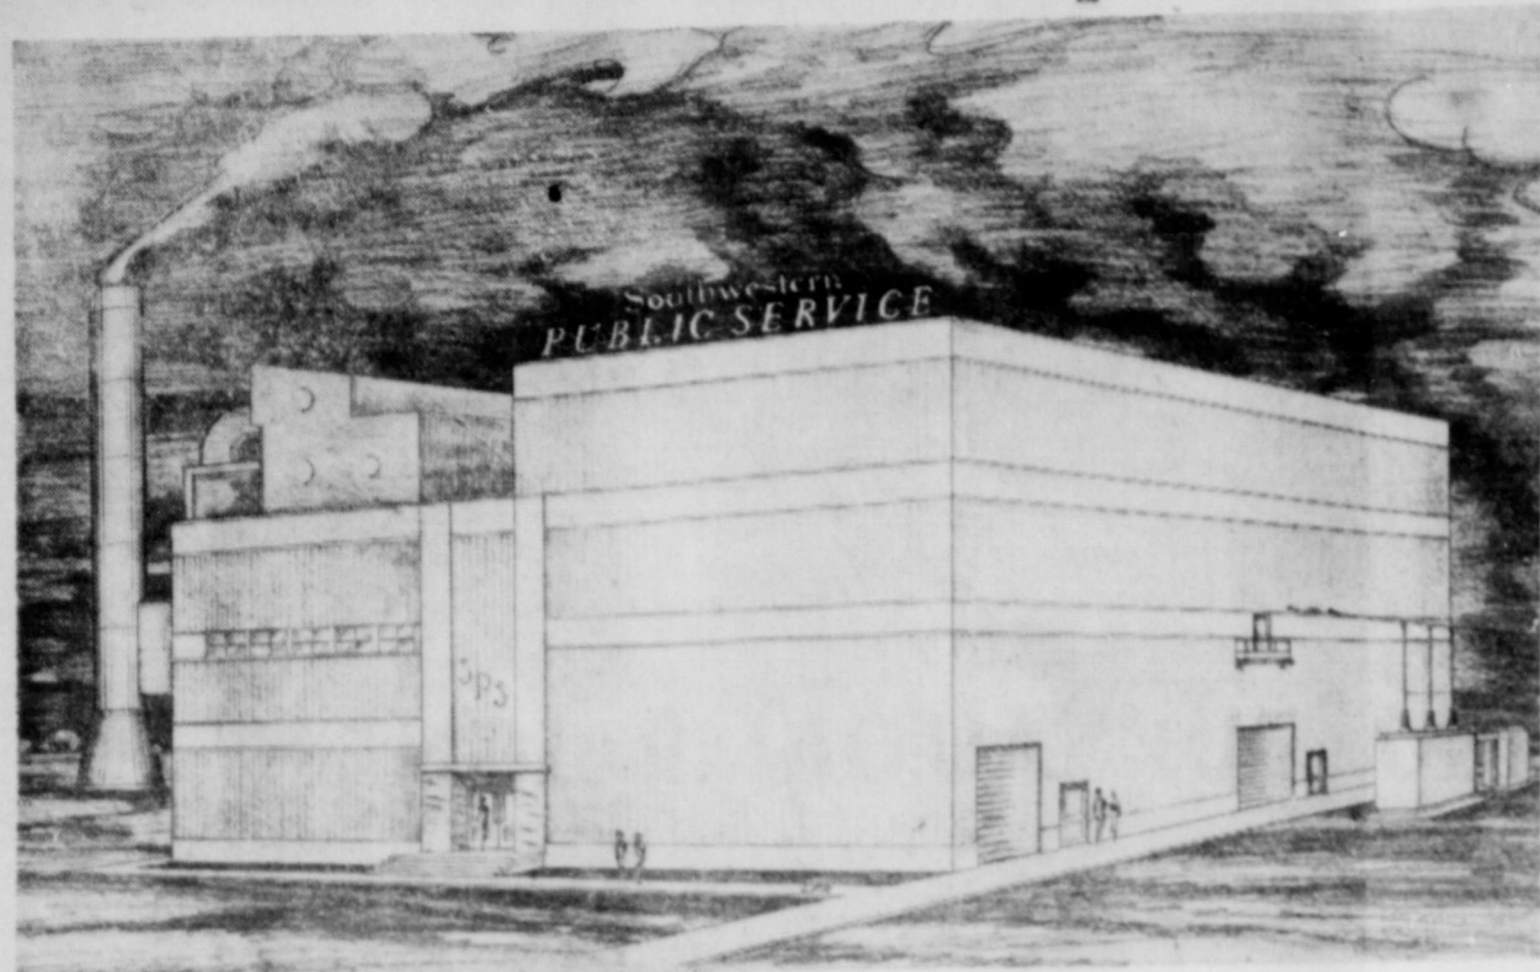

tures and you have to attend all the meetings to know what they are talking about and what is taking place. We had to attend, 13 banquets. I got to meet Johnny Lujack, Ted Williams, "Babe" Dillard, Lujack Zaharias and Dennis Day.

You Really From Texas?

There were boys and girls from eleven countries attending the Congress, besides the 48 states. The boys and people you meet would ask, "Are you really from Texas?" There were nice comments on Texas everywhere. The congress was the best organized and friendliest group in Chicago in a long time. Thirty seven boys and girls were from Texas.

We had so many things to do and so many places to go to, that I got to see our county agent, Robert Gibson, only one time in the nine days we were in Chicago.

Public Service Announces Expansion Plans

NOT A WINDOW IN IT!—This new six million dollar power generating plant of the Southwestern Public Service Company will add thousands of kilowatts to the capacity of the utilities company in serving present and potential customers in Texas, New Mexico and Oklahoma. The illustration is from a drawing of the architect, front elevation. Not a window in it, it will be completely lighted and air-conditioned artificially. It is to be located near Earth, Texas, on a half section of the old Halsell ranch.

Preliminary construction plans for the Southwestern Public Service Company's new electric power generating station to be located on a portion of the Halsell Ranch, 4 miles south of Earth, Texas, and 9.5 miles north of Amherst, were announced today by J. E. Cunningham, company president.

Mr. Cunningham had earlier announced conditional purchase of the proposed site, contingent upon water tests, and the purchase agreement was made final this week at the expiration of the company's option period.

Actual work on the construction of the new generating station, tentatively designated Plant "X", is scheduled to get under way in early 1951. The project, first unit of which will be a 50,000 kilowatt turbo-generator, will be supervised by H. O. Hodson, chief engineer for the Southwestern Public Service Company. Mr. J. B. Bottoms, of Amarillo, will be the resident engineer for the project. Mr. Bottoms

has recently completed additions to Southwestern Public Service Company base load power plants at Roswell and Carlsbad, New Mexico.

Heart of the new \$6,000,000 power station will be the 50,000 kilowatt turbo-generator now being built by the General Electric Company. The tailor made machine is scheduled for delivery in August of 1951. The new plant is expected to go "on the line" in early 1952.

The 50,000 kilowatt generator will be shipped "broken down" because of its huge size. When installed, it will be 53 feet in overall length, 14 feet wide and more than 15 feet high. The entire unit weighs 257,000 pounds when assembled, with the largest single piece weighing just over 199,000 pounds. The turbo-generator and all other equipment necessary for the generating station, will be shipped to Amherst, nearest rail point for the power plant.

The boiler which will manufacture the steam for the turbo-generator will be a product of the Combustion

Engineering Company. It will have a rated capacity of 500,000 pounds of steam per hour at 850 pounds pressure and 900 degrees Fahrenheit temperature. A temperature of 900 degrees is several hundred degrees hotter than molten lead. The boiler will weigh 450,000 pounds and its inside measurements—in the fire box area, that is, are 20 feet deep, 29 feet wide and 46 feet high. In area, this firebox could accommodate a good sized house although it would be a warm place to live.

The Allis Chalmers condenser that will be used will have 42,500 square feet of condensing surface, and 44,000 gallons of water per minute will be circulated through the condenser for condensing steam from the turbine.

389,000 board feet of redwood timber weighing 1,134,900 pounds will be used in the construction of the two cooling towers used to cool the water used by the condenser and other machines in the plant. Cool-

ing towers make it possible to use and re-use water, with a minimum loss. The cooling towers will be of the induced draft type with five huge fans in each tower providing the draft.

The voltage generated at the new

power station will be "stepped up" to 115,000 volts at the substation which will be located at the plant. The new power station will be interconnected to the other 10 base load plants of the company by a 115,000 volt transmission line linking it with the Tucco Plant, near Amherst, and the Clovis, New Mexico, plant.

Choice of the Halsell Ranch site for the new power station, which will eventually be the largest in the system, was based on three main factors:

1. The Sand Hills area, in which the Halsell Ranch is located, is assumed to be a recharge area for underground waters, and consequently should offer the best likelihood of a continued water supply.

2. The proposed site is within 1 mile of a natural gas pipeline of the El Paso Natural Gas Company. Natural gas will be the fuel used in the boilers of the new plant, and at full load, 500,000 cubic feet of gas per hour will be consumed.

3. An analysis of the electric load of the company indicates that the proposed site is close to the load center of the company's 45,000 square mile system. This makes the site the most efficient and economical location from the point of view of cost of transmission of the power.

While water is of prime importance in the operation of an electric power generating station, Mr. Hodson stressed the efforts that are made to conserve water.

"The only water we don't recover to use and re-use again and again is that lost through evaporation and other means over which we have no control," he emphasized.

Mr. Hodson pointed out further that, on an average the plant uses 800 gallons or water a minute while a large irrigation well installation will use as much as 2500 gallons per minute.

The wells which will be drilled on the 10,000 acre tract on which the company acquired water rights as a part of the purchase will be drilled on one mile centers so that no one well will be over used.

Southwestern Public Service Company serves 125,000 customers in a 45,000 square mile area embracing parts of Texas, New Mexico, Oklahoma and Kansas. 10 base load power plants with a present capa-

city of 342,000 kilowatts serve the area. The generating capacity is now more than 3 times what it was in 1943, and with the first unit at Plant "X" will be nearly four times as great as it was then.

The new plant was designed by engineers of the system engineering department at Amarillo. General

contractor for the project was named in the near future.

Pvt. Nolan Arney, was here the week-end visiting with his family. Pvt. Arney is stationed at Fort Hood, Texas.

Mr. and Mrs. Poole Entertain for Group With Turkey Dinner

Mr. and Mrs. W. S. Poole, Dougherty, entertained with a turkey dinner on Friday evening at 6 o'clock, having as their guests several friends who were at Dougherty for a bird hunt.

They were Frank Dougherty, Joe B. Houssett and Guy Price, all of Fort Worth, Bill Alexander of Dallas and Lem Bancroft of Los Angeles, California, and Mr. and Mrs. Joy Ward, Dougherty.

Mr. Bancroft was manager and promoter for Joy Ward when he boxed in California.

PTA Meeting Date

The regular meeting of the Parent-Teachers association will be held Wednesday, December 13, at 3:15 in the music room of the Andrews Ward school, Mrs. Jno. W. Reue announced this week.

Mrs. Carl Minor, Jr., and daughter, Elaine, returned to the home of her parents at Memphis, Texas, Wednesday after visiting in the home of Mr. and Mrs. Carl Minor, Sr., for the past week.

Fine Arts Program at 1934 Study Club

A fine arts program was enjoyed Tuesday night by the 1934 Study club when it held a regular meeting at the home of Mrs. Carl Muench. Members of the club answered roll call with "My favorite artist."

Miss Ruby Lee Bevell was introduced by Mrs. Fred Cardinal, member of the year book committee. Miss Bevell accompanied herself at the piano, assisted by Mrs. L. F. Gresham, and sang the following numbers: "The Mule's Tale", Mrs. Welch; "Sing Ye A Joyful Song", Dvorak; "The Beatitudes", Malatte; "Velvet Shoes", Thompson; "Inventory", Vinnet; "Through the Years", Vincent Youmans; "O Sleep, Why Dost Thou Leave Me", Handel; "The Emperor's Rhyme" and "Twice Times" by Frasier Simpson from "Now We are Six", "Rejoice Greatly" from "The Messiah", Handel; "O Holy Night", Adams.

In a business meeting presided over by Miss Anne Swepton, club president, the club voted to help with the Christmas giving to the needy families. A report was made that the table and bulletin board to be given the colored school were ready to be delivered.

A nomination committee for new

officers was elected, composed of Mrs. H. G. Barber, Mrs. J. S. Hale, Jr., and Mrs. Robert H. Gibson.

The Muench home was beautifully decorated in the holiday mood with the big Christmas tree, the Nativity scene and other seasonal ideas enhanced by the soft playing of Christmas music at intervals.

A dainty refreshment plate was served to Mrs. Earl Allen, a guest, and to the following club members: Misses Ruby Lee Bevell, Leila Petty, and Anne Swepton; Mesdames Glenn Armstrong, H. G. Barber, Fred Cardinal, J. D. Cleveland, Ralph Cogdell, Raymond Evans, Robert H. Gibson, I. T. Graves, L. F. Gresham, J. S. Hale, Jr., John Hoffman, Ralph Johnston, Enox Jones, Jack Lackey, J. P. Moss, Virgie Shaw, John Stapleton, and J. M. Wilson, Jr.

Mrs. Jack Lackey will be hostess to the club at their Christmas party when the club meets on Tuesday evening, December 19.

Needle Club Meeting With Mrs. Newberry

The Sew and So Needle club met Thursday November 30 in the home of Mrs. Orval Newberry.

After a short business meeting, and the drawing of names to exchange gifts at the Christmas party, the afternoon was spent in needlework and visiting.

Mrs. Emory Roberson was elected secretary after the resignation of Mrs. Melvin Ross was accepted. Mrs. Ross is moving from Floydada.

A refreshment plate of mince pie and coffee was served to Mesdames R. C. Bullock, J. W. Walker, Emory Roberson, Milton Harrison, G. W. Switzer, W. F. Bertrand, Willie Bunch, Parnell Powell, G. E. Assister, Bud Sparks, and a visitor, Mrs. Wayne Baiter.

Mrs. Parnell Powell will be hostess at the next meeting in the home of Mrs. Emory Roberson.

To Wed December 27

Mr. and Mrs. R. P. Heinen of New Braunfels, Texas announce the approaching marriage of their

Miss Julianne Heinen, of New Braunfels

daughter, Julianne (Jinx), to Gene Thomas Arwine son of Mr. and Mrs. J. A. Arwine of this city.

Both are students at the University of Texas, and plan to graduate in February. Mr. Arwine is majoring in pharmacy, while Miss Heinen is majoring in speech, and minoring in English, drama, and education.

Miss Heinen has been a cheer leader at the university for the past two years, and is a member of Alpha Delta Pi sorority. Mr. Arwine is a member of Pi Kappa Alpha fraternity.

The wedding is scheduled for December 27 at the Methodist church in New Braunfels, Texas.

Christmas Parties

The 1922 Study club will have their Christmas party on December 15 at the home of Mrs. E. L. Angus, with Mrs. C. A. Caffee and Mrs. W. S. Poole as co-hostesses.

The 1929 Study club will have their Christmas party for their husbands and children at the First Christian church at 7:30 on the night of December 14.

The 1934 Study club will have their Christmas party December 18 at the home of Mrs. Jack Lackey.

The 1950 Study club will have their Christmas party at the American Legion home on December 18 at 7:30 o'clock, with their husbands as honor guests.

The Deress Sunday School class of the First Baptist church, of which Mrs. J. D. McBrien is the teacher, will have their Christmas party at the home of Mrs. Clarence Goin, 719 West California street, on Thursday night, December 21, at 7 o'clock. Each member is to bring gift for tree.

The T. E. L. Sunday school class of the First Baptist church will have their Christmas party at the home of Mrs. E. P. Nelson on December 15, with a covered dish dinner. A Christmas tree will be had during the social hour in the afternoon. Each member bring a gift for the tree.

CHRISTMAS DINNER EARLY

Mr. and Mrs. O. W. Denning had their family Christmas dinner on Sunday, when they had three of their children and their families for the dinner.

Present were Mr. and Mrs. C. A. Denning of Plainview, Mr. and Mrs. Albert Mackins and family of Floydada and Mr. and Mrs. C. O. Denning and family of Ralls.

The Christmas dinner was held early, as Mr. and Mrs. Denning are leaving this week for Houston to visit and spend Christmas with another daughter, Mrs. C. L. Hillian and family.

MRS. KEIM ENTERTAINS WITH COFFEE FOR DAUGHTER

Mrs. A. B. Keim entertained for her daughter, Mrs. Ham Smith, Jr., with a coffee Wednesday morning at her home, 613 South Main street.

Coffee and cookies were served to Mesdames Lon Davis, Jr., Lamar Haines, Carl Minor, Jr., Maurice Steen, Phil Steen, Billy Brown Preston Watson and Ham Smith, Jr.

Mrs. McLain Hostess For 1950 Study Club

Mrs. Hollis McLain was hostess to the 1950 Study club Tuesday evening at the home of Mrs. Baird Bishop, 602 South Main street. The entertaining room was decorated beautifully in the Christmas motif. Mrs. George Mize, program leader, gave an interesting and helpful talk on Christmas decorations and gift wrapping.

During the business meeting in which Mrs. Lane Decker, president, presided, plans were completed for the club Christmas tree and informal dance to be held at the American Legion hall on Monday evening,

December 18. Miss Glenda Hargis was made a member of the club.

Lovely refreshments were served from a lace covered table. Spiced tea was poured by Mrs. McLain from a crystal service. Christmas cookies, nuts, and hard candy were also served.

Members present were Mesdames Russell Looney, Perry Smith, James Bridges, Lane Decker, Watson Jones, Phil Steen, George Mize, Maurice Steen, Lyndell Roberts, Bill Dolbas, Jack Coffman, David Kirk, Hollis McLain, Misses Dorothy Rushing and Edna Muncy, and Mrs. Baird Bishop.

Thagards Entertain For Bob Henningsen

A group of friends of Mrs. Bob Henningsen and Mrs. Thagard Friday evening at the home of Mr. and Mrs. Henningsen for a social afternoon for Mrs. Henningsen to report back to the Air force.

Those present were Mrs. and Phil Steen and daughter, Bob and Mrs. Lon Davis, Jr., Mrs. Maurice Steen, Mrs. Tye, Hubert Bales, Mr. and Mrs. Henningsen, and the hostess, Mr. and Mrs. Thagard.

Dad's a popular guy, he suggested—
home for Christmas!
on the Santa Fe

It's a real gift to the whole family! A Santa Fe trip home is the best of all for Dad, Mom, and the kids too.

Remember, Santa Fe is the economical way to travel. Children under five ride free with an adult passenger, and big sister or brother, under twelve years, ride for half fare.

Make your plans now. Santa Fe will take you home and bring you back in any kind of weather. See your Santa Fe ticket man for full information on schedules and fares.

Gift Tickets! It's easy to send a Santa Fe gift ticket to a relative or friend. Ask the Santa Fe ticket man for details.

Liberal trade-in allowances will give you this value-packed Dodge at the lowest total cost of any time this year! Spend just 5 minutes with us and we will prove: You could pay \$1,000 more and not get the extra room, flashing performance, ease of handling and rugged dependability of Dodge! Don't delay! Come in today!

GET PROOF! SPEND 5 MINUTES WITH US!

PRICES SLASHED ON USED CARS

We have late model sedans, convertibles and coupes. Come in today—while prices are lowest... selection is best!

HENS

We need hundreds of Big ones at once. We sold hundreds during Thanksgiving. Most housewives prefer to cook hens dressed here rather than buy cold storage hens killed way off toward Korea.

TURKEYS

We will have some of the Best June hatched turkeys you ever saw. They have been fed right. You must place your order in advance.

EGGS

We have a few cases of eggs per week. They will be candled.

FEED

Most of the time it pays to save \$1.00 per sack. Our feed is fresh.

Christmas Tree Party Held at Keim Friday Night

Mrs. A. B. Keim was the hostess for the Christmas tree party held at her home Friday night. The party was given in honor of her grand-children and for their parents and husband, Mr. and Mrs. Ham Smith, Jr.

Christmas presents were distributed and the beautiful Christmas tree had a big time with the gifts. The Smiths leave Saturday for San Diego, California. Mr. Smith will take his family for re-entry in the active

armed forces. He is a first lieutenant in the Marine Corps.

Attending the party Friday night were Messrs. and Mesdames Ham Smith, sr., Bob Smith, and Mrs. J. E. Laughlin and Grover Smith.

On Sunday Mr. and Mrs. Keim had the family Christmas dinner. Mrs. Keim's brother and wife, Mr. and Mrs. Harry Laughlin and daughter of Waco, were present, also Mrs. J. E. Laughlin and Mr. and Mrs. Ham Smith, sr., Mr. and Mrs. Bob Smith, and Mr. and Mrs. Ham Smith, jr., and daughter Vicky.

Sunday night, Mr. and Mrs. Dennis Zimmerman and Mr. and Mrs. John Keim of Tulsa visited in the Keim home.

Lee Ozbrin of Oklahoma City, Oklahoma, visited in the home of Mr. and Mrs. Bill Norman last week.

Needle Club Husbands To Be Entertained

The Blue Bonnet Needle club met Thursday afternoon, November 30, with Mrs. John Edwards Smith. A short business meeting, presided over by Mrs. Floyd Fuqua, the president, was held at which time it was decided to have a Christmas turkey dinner at the American Legion hall on Wednesday night, December 13, at 7 o'clock, honoring their husbands.

The afternoon was spent in needlework.

A refreshment plate was served the members: Mesdames, Poynor Roberts, Floyd Fuqua, Layton Dorrell, Luther Dorrell, Oliver Allen, Wayne Finley, Ernie Widener, Pete Kendrick, Woodrow Wilson, and Everett Collier.

Club Has Christmas Party Saturday Night

Mr. and Mrs. Phil Steen were host and hostess to their bridge club Christmas party at their home Saturday night. The party was given in advance of Christmas in order that Mr. and Mrs. Ham Smith, Jr., who are leaving for California this week, could be present. The club members exchanged Christmas gifts and enjoyed a buffet style supper.

Those present were Messrs. and Mesdames Ham Smith, Jr., Lon Davis, Jr., George Mize, Preston Watson, Maurice Steen, Phil Steen and guests, Miss Dorothy Tye of Dallas, and Hubert Bales of Fort Worth.

MRS. HUCKABEE HOSTESS FOR MEETING OF WSCS

The Womens Society of Christian service of the Methodist church met at the home of Mrs. R. N. Huckabee Tuesday afternoon for a Christmas party and white elephant gift distribution. Regular members were present and enjoyed the afternoon. Owing to the inclement weather the attendance was not as large as was expected. The assisting hostesses were Mesdames E. J. Barker and W. E. Grimes.

The home of Mrs. Huckabee was artistically decorated with Christmas holiday decorations, and refreshments carried out the holiday theme.

Games were enjoyed, also pertaining to the Christmas theme.

WEDNESDAY LUNCHEON CLUB

The Wednesday Luncheon club met at the Hotel Coffee shop Wednesday noon. After the luncheon the members proceeded to the home of Mrs. Carl Minor where games were enjoyed by the members. Mid-afternoon refreshments were served by the hostess.

County - Wide 4-H Club Holds Meeting

The County wide 4-H club members held their regular monthly meeting in the office of Miss Lella Petty, County Home Demonstration agent on Monday night. Troy Lee McNeill, vice-president, presided at the meeting. Troy Lee told of some of the happenings on his trip to the national 4-H congress at Chicago.

Plans were discussed for the county-wide 4-H club Christmas party for the county-wide 4-H boys and girls. The adult 4-H club leaders, and the 4-H club junior leaders, will have charge of the arrangements. Gifts will be brought for the Milam Orphans home in Lubbock.

After the business meeting light refreshments were served and the group visited the three girls.

Present were Lavon Shearer, and Janice Shearer, Alice Latta, Dorothy Hargis, Marcelita and Wilton Green Johnny B. Griffin, Weldon Pickens, Margaret Lovell, Troy Lee McNeill, Mrs. S. J. Latta, Miss Petty and County Agent Robert Gibson.

NEW MALT BAR OWNERS ARE MR. AND MRS. W. H. DUKE

Mr. and Mrs. W. H. Duke, of the Barwise community, have recently bought the Malt Bar and are personally managing the cafe and wish their friends to call on them. Mr. and Mrs. Duke moved to Floyd county about three years ago from Spur and have been making their home near Barwise, until recently. They had a cafe in Spur before moving here and are experienced in cafe work.

GUESTS IN HALL HOME

Mrs. R. R. Hall had her sister, Mrs. Nettie Ledbetter, of Ranger and a friend, Mrs. Mary Hancock of Los Angeles, California, visiting her the past week.

Mrs. Hall's grandson, Bill Jackson and Mrs. Jackson and son, Bill, and Mr. and Mrs. Floyd Wilkerson and daughter of Fort Worth were week-end visitors in Mrs. Hall's home this week-end.

Mrs. Ella Carnes, nurse at the Guthrie hospital for the past several months, whose home is in Paducah, left Saturday for Temple to go through Scott & White clinic. Mrs. Winnie Brown is at the hospital in place of Mrs. Carnes.

Mr. and Mrs. Lovell Jones, accompanied by their daughter and husband, Mr. and Mrs. Lane Decker, left Thursday for Rochester, Minnesota, where Mr. and Mrs. Jones both will undergo surgery at Mayo clinic. They expect to be gone about two months.

Jean Cummings Is Beauty Nominee

DENTON, Tex., Dec.—Miss Lera Jean Cummings, daughter of Mr. and Mrs. Z. C. Cummings of Lockney, has been selected as beauty nominee of the Senior class at Texas State College for women.

Sixteen students, four from each class, were nominated recently by their classmates. The beauty of each class will be selected by a judge not yet named. All nominees will be presented at an all-college dance December 9.

Beauty pictures will appear in a special section of the Daedalian annual, college yearbook. The final choices will not be announced until the annuals are distributed in May.

Miss Cummings is a senior student at the Denton college, majoring in business with a minor in English.

ROSCOE RIGGLE VISITOR FROM HAYS, SO. DAKOTA

Mr. and Mrs. W. U. Riggle had their son Roscoe Riggle from Hays, South Dakota, from Sunday till Wednesday visiting them. Roscoe came down here for a load of cotton seed cake for his cattle there.

Dick Riggie of Yakima, Washington, visited his brother, W. U. Riggle and family last week. A sister, Mrs. G. W. Falls of Littlefield was also a guest in the Riggle home last week.

SECOND SUNDAY SINGING

The Second Sunday evening singing will be Sunday at The Nazarene Church at 2:00 o'clock. Out of county singers are expected. Everyone is invited to attend.

Mr. and Mrs. Harold Sparks and daughter, Pam, of Abernathy, visited in the home of Mr. and Mrs. Alva Sparks over the week-end.

Hubert Bales of Fort Worth, Texas, was guest of Mr. and Mrs. Lon Davis, jr., over the week-end.

We'd like to demonstrate this tractor on your farm

We'll bring a Ford tractor out to your place, without any obligation. And with it, one or two of those good Dearborn Implements, specially made for the Ford tractor. We'll put this Ford tractor through its paces, then let you take the wheel.

You'll find out how easily Ford Hydraulic Touch Control lifts and lowers implements and controls their depth. You can hold your watch while we demonstrate Triple-Quick Attaching of implements. You can get the feel of the easy Ford steering and positive brakes.

Then you'll know why Ford production . . . over 400 tractors a day . . . still can't keep up with demand. See this great Ford! Whatever tractor you own, you owe yourself this Ford tractor demonstration. When can we make it?

Sinkers Cotton Seed

Due to an unusual amount of rainfall through the maturing season over the entire cotton growing section, the cotton farmer is confronted with the problem of a nation wide shortage of Planting Seed.

We ran Germination tests on several lots of Cotton seed the last few days. These tests have shown a germination of from 6 to 40%, in most instances less than 20%. One test has shown above 70%.

The Sinkers are acid delinted, which makes it necessary that they be washed in water. The sinkers only are offered for sale. This system eliminates disease and possible infestation through planting in your next year's crop.

This is possibly the only system of cleaning by which all light seed with little or no germination are entirely eliminated.

We feel that we have been very fortunate to be able to get a few hundred sacks of this seed. We are now offering them for sale with free storage accomodation until planting season. A considerable amount of these seed have been sold. These seed have a germination of 90 to 100% and are available in the following varieties: Hi-bred, Half and Half, Northern Star, Macha No. One and Improved. Also a small amount of Locket.

Suggestion — buy your seed now.

Methodist Men Hear Nichols

Methodist men of the First Methodist church, Floydada, with nearly a score of visiting churchmen from over the area heard Ray H. Nichols in an inspiring address Monday night when the local churchmen's organization was presented its charter.

The charter night observance was enjoyed around a banquet table spread in the basement of the church. John W. Reue presided.

Group singing was led by Myron Kattner and a male quartet composed of E. B. Chesnut, A. R. Fuchs, Fay Hart and C. M. Lyles sang numbers.

Nichols, the speaker, whose home is at Vernon, had just reached Texas from Ohio the day previous. He had been snow-bound in that state. He is national president of the fellowship organization, Methodist men.

District Superintendent Here

Among the out-of-town Methodist men here were Rev. Marvin Boyd of Plainview, Methodist district superintendent, and Joe T. Salem, district lay leader, of Sudan. Others attending from out-of-town included:

Jack W. Edwards, Slaton; Albert Miller, Frank Beauchamp, Marshall W. Howard, and Bob Crowell, Littlefield; W. L. Messimer and Bailey Hill Silverton; H. S. Walker, D. A. Barnhart, Rev. L. J. Helm, F. A. Dunn, and Chester Parrish, Cone; George Hainkle, Wichita, Kansas; Elmer L. Kimball and A. Dooley, Sudan; and Joe Bailey and Gay Weise, Petersburg.

Jerry Thomas Gets Sharpshooter's Award

CAMP CARSON, Colorado—Jerry T. Thomas, son of Mr. and Mrs. L. R. Thomas, 429 West Mississippi street has been awarded the sharpshooter's award with the army rifle.

In a brief ceremony at the office of the battalion commander, Lt. Colonel Wythe Peyton, Jr., he and twenty-five other men were presented their awards.

While Recruit Thomas was in basic, he competed in the annual boxing carnival, staged every year by the 1st battalion of the 14th Regimental Combat team, and made a very impressive record for himself and his company.

Prior to enlistment in the service, Thomas was attending the Floydada High school, being active in athletics, acting as captain of the basketball team.

At the present time, Recruit Thomas is a member of the 51st MM mortar platoon of company "D".

Bailey C. Barbee

(Continued from first page)

ada in 1925 and since that time he had made Floydada his home. On October 14, 1939, in Crosbyton, he was married to Miss Velma Banks, who with four children survive him. The children are Neida June, Donald Ray, Johnnie Wayne, and Larry Paul.

Mr. Barbee was a member of the First Christian church, and served 20 months in the navy during World War II.

Also surviving Mr. Barbee are four sisters, Mesdames O. T. Sison, Floydada; T. B. Wilkinson, Al Rogers and John Hoffman all of Fort Worth; and two brothers, Ellis of Floydada and Calvin of Cisco.

Pallbearers for Mr. Barbee's funeral were John and Kinder Farris, Pete Hickerson, Bud Queen, Glen Amburn and Clifford Warren.

Mr. Barbee was in the employ of Lon Davis Gin and had worked for the gin and the Davis elevator for a number of years.

TWIN CALVES

The Monroe Shult's have twin calves on their farm west of town. Although calving on the year's coldest morning Wednesday the new bovines are off to a good start.

Mr. and Mrs. Mal Jarboe visited their son Tom Bob, who is a student at West Texas State college in Canyon over the week-end, and relatives in Amarillo.

J. M. Jeffcoat, 79 Passes at Lockney

J. M. Jeffcoat, 79, who passed away at his home in Lockney on Friday morning, December 1, was buried in the Lockney cemetery on Saturday afternoon. The Carter Funeral Home had charge of arrangements.

The funeral service was held in the Methodist church, of which Mr. Jeffcoat was a member, with the pastor, Rev. N. S. Daniel officiating.

Mr. Jeffcoat was born November 29, 1871, in Alabama and came to Texas with his parents in early childhood, having lived in Blue Ridge, Texas, until six years ago, when he moved to Lockney.

Mr. Jeffcoat is survived by his widow, Mrs. J. M. Jeffcoat of Lockney, and three sons, George and Cleatus of Lockney and Elgie of Commerce; and by five daughters, Mesdames H. E. Truett of Lamesa, Katie Rhodes, Greenville, Beulah Clark, Lockney, Ada Riddle, Farmerville, and Dasha Huffman, Cooksville, Texas, and three sisters, Miss Mae Jeffcoat and Mesdames Lucy Roberts and Luis Thompson and two brothers, H. E. and Otis Jeffcoat all of Davidson, Oklahoma; also 46 grandchildren and 48 great grandchildren.

SINCERE THANKS

We wish to express our sincere thanks and deep heartfelt appreciation for every deed of kindness, every sympathetic word and the lovely spacious floral offering from friends and neighbors during the illness and departure of our beloved husband, father, and brother.

Mrs. O. Milton and family
Mrs. Rosa Penn
Mrs. Maud Reeves
Eaf Milton
Mrs. Lettie Teaver

Mr. and Mrs. Clay Willis and son, Bobby Clay, of Amarillo, were here Sunday, guests of Mr. Willis' mother, Mrs. R. H. Willis.

WANTED — Large round dining room table in good condition. Ph. 433-J. James F. Potts. 451tc.

FOR SALE—Two football suits, in good condition. Ph. 658-J2 451tc.

Interest Continues in Lighting Contest

Much interest is being shown in the Christmas lighting contest for homes, yards and windows, according to A. H. Rainer, member of the contest committee from the Jaycee organization, which is sponsoring this contest.

Business houses will be judged, but no prizes will be given for them. The last entry date for the home lighting contest is December 18 at 6 p. m., and the judging will be on December 22, in the evening. Please call number 24 and leave your name and address, if you are planning to enter this contest.

The prizes are \$25.00 for first, \$15.00 for second and \$10.00 for third.

PONTIAC FIRES BIG GUNS

Pontiac Motors Division, which this year celebrates its Silver Anniversary, will announce its 1951 models with the great and most diversified advertising campaign in its 25 years history, according to H. J. Klingler, general manager of Pontiac Motors Division.

Newspapers again will form the backbone of the Pontiac announcement campaign with top-size advertisements, in many cases 24 pages, in 4,000 daily and weekly newspapers. These will be followed by more large semi-announcement type advertisements.

Mrs. Lewis Norman and Mrs. Glad Snodgrass left Tuesday morning for Dallas and Mineral Wells. They plan to be gone the remainder of this week.

Mrs. Obin Lee, Jr., and family, San Antonio, are visiting Mrs. Lee and family and other relatives.

Deputy May Att'nds Step-mother's Rites

Alton May, deputy sheriff, and family returned home Monday from Rogers community, south of Abilene, where they attended the funeral of Mr. May's stepmother, Mrs. J. W. May, who passed away Saturday and was buried Sunday. The funeral was conducted in the Methodist church in the Rogers community.

Mrs. May is survived by her husband, J. W. May, three sons, a daughter by a previous marriage and by three stepsons.

Her sons are, Weldon May and Jack May of the Rogers community and Oma May of Lamy, New Mexico and the daughter is Miss Minta Keeton of Rogers. The stepsons are Alton, of Floydada, Gillis of San Angelo, and J. W. May, Jr., of Lawn, Texas.

South Plains News

(By Mrs. Raymond Upton)

SOUTH PLAINS, Dec. 5-1 am sure this white world looks good to everyone. It makes us believe that maybe we are about to get some moisture, which is needed very much.

Church and Sunday school was well attended Sunday. Mrs. McKenzie of Portland was one of our visitors in the adult class. Mrs. McKenzie is the mother of Mrs. John Smitherman. Billy Jackson of Lubbock was also present Sunday. We welcome all visitors and ask them to join us again when possible.

The South Plains Home Demonstration club meet Wednesday, December 13 in the home of Mrs. E. P. Smitherman, with Mrs. H. S. Calahan, Jr., acting as co-hostess. All members are urged to be present as this will be the last meeting this year. We will plan our Christmas party at this meeting.

Quite a few of our people attended the Santa Claus parade in Floydada on Friday, December 1.

Mr. and Mrs. Lee Pearson spent the weekend visiting relatives and friends in Amarillo. The Pearsons are driving a new car, which they purchased while in Amarillo.

Community Club Party

The Community club "42" party was well attended Friday night. Several games of 42 were played and while the coffee perked, a business meeting was held. A motion was made and seconded that we meet every two weeks, each 1st and 3rd Friday night. It was also voted that each person carry a gift to the

next meeting which will be Friday, December 15. This is the last meeting before Christmas.

H. B. Thornton was appointed vice-president and a program committee was appointed to plan the next program. On the committee are L. T. Wood, John K. West and Mrs. George Beedy.

It was decided to have some kind of an entertainment every three months. It was also voted that we buy some folding steel chairs for the recreation room.

After the meeting adjourned, coffee, cocoa and doughnuts were served Messrs. and Mesdames John K. West, John Smitherman, L. T. Wood, Will Sims, George Beedy, E. P. Smitherman, Mrs. H. R. Hartman and Bob Hartman, Mrs. Art Willis, Mrs. Ralph Childress, Mrs. Raymond Upton, Mr. and Mrs. Rex Smitherman, and Mr. and Mrs. H. L. Marble and Dick Guest.

W. M. U. Meeting Held

The ladies of the W. M. U. met Monday, December 4, in the home of Mrs. Gilbert Bean. This was an all-day meeting and a quilt was quilted for the new Baptist orphans home. The blocks which made up

the quilt were pieced by the girls of the Junior Sunday school class and their teacher, Mrs. Bean. An enjoyable day was reported by those present.

H. R. Hartman is a patient in the Amarillo Osteopathic hospital, where he is receiving treatments. We hope Mr. Hartman will be home again soon.

Billy Jackson of Lubbock spent Saturday night visiting Mr. and Mrs. Arby Mulder.

Grigsby Milton Rites

A large number from our community attended the funeral of Grigsby Milton, Sr., which was held at the First Christian church at Lockney Sunday afternoon, at 2:30 o'clock. Mr. Milton had been a resident of the South Plains community for about 33 years. In April of this year, Mr. and Mrs. Milton and Linnie moved to Lockney, where Mrs. Milton and Linnie now live. Our deepest sympathy goes out to the Milton family in the loss of their husband and father.

with 43 "Look Ahead" features

HERE ARE A FEW:

Ford's New Key-Turn Starting turns on your engine when you turn the ignition key past "ON". No more reaching for buttons or pedals!

New Automatic Ride Control... a unique springing system which automatically adjusts spring reactions to road conditions. You get an easy ride... a level ride... no pitch, no bounce, no roll.

Ford's "Luxury Lounge" interiors are designed to stay in style... to last through the years ahead. You'll find a new "Safety-Glow" Control Panel. You'll find a whole new selection of beautifully woven Fordcraft fabrics that are matched to Ford's exterior colors. And Ford's interiors are built for the years ahead.

built for the years ahead!

In this '51 model, Ford has built a car, with 43 new "Look Ahead" features, that's as fine as the finest—yet priced with the lowest... a car that's built to last, not just for a year or two, but for the years ahead!

In addition to the "Look Ahead" features pictured on this page, Ford offers you a more rugged chassis frame box-sectioned back to the stiffer rear cross member for greater rigidity. For safety you get new Double-Seal King-Size Brakes... sealed against the weather. For quick, all-weather starts Ford offers you a new Waterproof Ignition System. And best of all, Ford brings you Fordomatic Drive*... the newest, finest, most flexible of all automatic transmissions. *Optional at extra cost.

Come in for the "LOOK AHEAD" facts on the

EDITORIALS

The time for the winter migration of country dogs to town and town dogs to country is here. Gentle people with kind hearts so hate to destroy pretty little puppies that would make some little boy happy they have no stomach for putting an end to the litter, but neither do they have a place for a litter of pups nor the food nor time to waste on them. Result, little town dogs go to the country, probably passing enroute a litter of about the same kind, coming to town, each to be lucky and find a good home where they'll be cared for, and make some boy or boys happy. Town people who take their dogs to the country are sure that the pups are going to grow up into fine, useful animals that will prove invaluable to some farmer who really needed a good dog all the time. They bring this happy happenstance right to the back of his field and gently push the happenstance out of the door -- and drive off wistfully, sorter guilty-like. All of this is all wrong. It is where the stray originates to plague the neighbors and run in droves around so the neighborhood until some fellow, not so chicken-hearted is compelled to quit what he would like to be doing and destroy the dogs in the second place that the neighbor hauled in or out to him in the first place.

A story this week from a large farmers wool marketing association makes a bid to interest more farmers in raising sheep. The outlook for profits was never better says the bulletin. World population of sheep has been allowed to drop tremendously. For what reason sheep raising areas have allowed this to happen is not indicated. There may be a reason associated with lack of profit, but all the sheep raisers say the profit is there. A man who believes he can handle sheep and can make money out of them could "give it a whirl." Some people just cannot handle sheep to make a profit out of them. They don't have the savvy for that kind of business. But the report and the claims made for sheep raising profits might well be considered by the man who can make a beginning without too great an expense for a sheep-raising layout.

If sheep raising should come into the local picture as a major industry the stray dog, of which we sometimes write, would really get to be an unpopular animal. Nothing that will create more alarm and action on a sheep farm than the sight of a stray dog off down in the wheat field or pasture. Sharp eyes will find him. The sheep owner has learned he had better drop everything else he is doing and destroy that stray dog. Often a bit of ill-feeling results when the wrong dog is the offender.

The important thing to remember about building farm fences is to build a good one. The use of posts treated with a preservative, well-braced corner posts and the use of quality fencing plus a good construction job will add years to the life of the fence.

Charlie Spence and others say the fact that cattle have not done too good on pasture since the hard early-November freeze is that the freeze somewhat soured the grass instead of curing it. The ideal fall for grass to be good and good for live stock is for a few nippy mornings to start the grass to curing and gradually work up to the hard freeze. Cattle do twice as well on it in falls when that occurs.

Ordinary people of America for sure, possibly the others too, were sorely disappointed in Secretary of State Acheson's talk last week in connection with the Korean crisis. The right word to describe the speech may be dehydrated. Perhaps the speech might have been worked out for sixty days earlier and went un-revised after world-shaking affairs were already a matter of fact. Maybe that style is just characteristically the style of a cultured person. To brand the speech as Harvardian would only make it the more evident that the writer is provincial. At any rate, that speech could not have been made under the circumstances that prevailed by any Texan, any southwesterner for that matter.

The Water Code committee, appointed by the legislature, after many hearings, has come up with its report. As was said would not happen but as anticipated by us the committee has come up with a report that is unsatisfactory to the high plains water associations which have been watching (and testifying whenever they had a chance). Should the legislature follow the recommendations made it seems not at all doubtful that a plains farmer who wants to dig himself an irrigation well is going to have to get a permit from a state board.

Right now local egg prices are relatively high, but egg dealers say the high market is only local and results from the logical circumstances of the past summer when egg prices were extremely low. Poultry raisers either quit pushing their fowls for egg production or quit raising them, mostly the former, since there still seems to be plenty of chickens in this area. No doubt about it, the commercial feeds may not justify their high costs but they do greatly increase the egg production of a flock of fowls. When it ceases to pay to feed it the production goes off, then the shortage, then the return of high prices. Bad weather last week in a large part of the nation may have an upward influence on the price of eggs temporarily. But the forecast for next year is lower prices for eggs, according to USDA slide rules, and the decision of the same authority to quit underwriting the price and buying up surpluses.

One of the heaviest expenditures in the clothing budget goes for hosiery. The reason may be due to the fact that not enough attention is given by the buyer to the size and kind of hosiery bought nor to proper care and handling.

The Floyd County HESPERIAN

HOMER STEEN, Editor
 Established 1896 by Claude V. Hall
 Entered as second class mail at the post office at Floydada, Texas April 10, 1907, under the act of Congress of March 3, 1897.

Published by The Hesperian Publishing Co., Inc., at 212 South Main St., Floydada, Texas.
 Subscription Prices: In Floyd and adjoining counties — one year, \$2.00; six months, \$1.00; four months, 70c; in advance.

Floyd County 14 Years Ago

(Taken from the files of the Hesperian issue dated December 10, 1936)

The Christmas season is here and Old Santa is planning a trip to Floydada, arriving here on Saturday morning by the Q. A. & P. passenger train, and remaining on the streets of Floydada to talk to the boys and girls all afternoon. The Floyd County Home Economics training project was reopened Thursday by the district office of the WPA, and will be under the direction of Miss Wilma Spikes as project superintendent. The training rooms will have the same location, in the Surginer building. Members of the 1936 Floydada High school football team, the Whirlwinds and Coaches Winters and Stephenson were guests of the Floydada Rotary club Wednesday afternoon.

Floyd County Democrats are being asked to contribute to a fund of \$122.00 from this county to be applied to the national organization campaign deficit of about \$500,000.00. Request that action be taken was received this week by Homer Steen, county committee chairman, and W. H. Henderson, manager of the Roosevelt-Garner campaign in this county.

J. M. Willson was honored by being elected district committeeman of the Nineteenth district of the American Legion, at the district meeting in Lubbock Sunday. Funeral services were held this morning at 10 o'clock for Mrs. Emma Louise Cardinal, 78, from the St. Alice Catholic church in Plainview. Interment was in the Plain-

view cemetery under the direction of the Harmon Funeral home. Mrs. Cardinal died early Tuesday morning of burns received late Monday afternoon at her home in the Pleasant Hill community.
 Common battery telephone system will be installed in Floydada by the Southwestern Bell Telephone company. When the new system is installed a light will flash on the switchboard as a user lifts the receiver, and it will not be necessary to use the crank before or after making a call.
 Mrs. J. E. Eldridge, wife of the pastor of the First Methodist church

who is a director of the children's work in the Northwest Texas Methodist conference, left Sunday afternoon for Nashville, Tennessee, to attend a meeting of the general education council of the Methodist Church, south.
 The annual Christmas program of Andrews Ward Parent-Teachers association will be held on Wednesday afternoon of next week, as announced by the president, Mrs. E. L. Norman.
 The Sans Souci Bridge club will be guests of Mrs. Looe Miller in Silverton on Wednesday for their Christmas party.
 Announcement that Miss Ade-

laide Scott will succeed Mrs. Collins recently resigned, as the ready-to-wear department of the Martin Dry Goods company was made this week, by J. O. senior member and manager of the firm.
 Louise Harris entertained a ray evening with a surprise party for her friend, Doris Lee at the home of her parents, Lee street.
 The 1934 Study club will be having their Christmas party on Wednesday at the home of Alice Pyffe, with Maurine Hay and Fred Olson as assisting hosts.

Santa's Visit Early Reminder Yule Days

Christmas came to Floydada this morning on Friday afternoon with a surprise visit from Santa Claus riding on the big red fire truck of the Floydada Fire Department. He made his pre-official visit to the school band playing and about 100 children in town down to the school.

The Lions club, under the direction of G. W. Mayo, president, assisted by Marvin Standfer, secretary of the Chamber of Commerce, furnished Santa with about 300 pounds of candy to throw to the kiddies. Other down-town features of the Yule Days has been Christmas music in the good office of the Junior Chamber of Commerce, over a public address system, with Rainer in charge.

THREE SICK BOYS

Santa Claus remembered three boys who were ill and he went by to see them. Silas Duncan, 9, who has been a patient in the Guthrie hospital for the past several weeks with an infection in his leg, was wheeled out on the porch of the hospital in a wheel chair, and Santa gave him candy and told him he would be back to visit him Christmas.

Billy Henry, Jr. who is ill at his home with the mumps, and Mike Matzler, who fell from his father's car last week and was injured, were the other two boys, whom Santa visited. Both were happy to see him.

Community Service For Thanksgiving Attendance is Large

The Thanksgiving service held at the First Christian church was well attended. A large crowd gathered to give thanks.

Ray McEntire rendered organ numbers and congregational singing was led by Myron Kattner. Rev. R. N. Huckabee led in prayer, after which Rev. E. A. Powell read scripture. A girl sextet of the First Baptist church sang, with Mrs. Carl Muench at the piano. The girls were Beth Walker, Barbara Hart, Fern Patterson, Ann Welborn, Jean Porter and Janet Lloyd.

R. Earl Allen, pastor of the First Baptist church brought the message, and was well received by the large audience. The service ended by the congregation singing "America the Beautiful."

The Thanksgiving service was planned and announced by the pastors of the First Methodist, First Christian and First Baptist churches.

Florida and Cuba Seen by Chapmans

Mr. and Mrs. J. W. Chapman, former Floydada residents, but now of Lubbock, returned to their home last week from an extended trip to Miami, Florida, and Cuba. From Florida they took a boat to Cuba for three days. Took a tour around Havana, looking over industry and one immense estate.

On the return trip, they came by St. Augustine and Jacksonville and visited points of interest. The trip took six days going down and 7 coming back. Besides the boat trip, they traveled 4213 miles in their car. The trip was recorded on a movie camera and they used 750 feet of film to record it.

Their daughter, June and granddaughter Doris Ann, flew down and made the return trip from Florida with the Chapmans.

Small Cost, little space, but power to burn—the Want Ads.

Crosby Man Posts Bond In Shooting

CROSBYTON—Bond of \$5,000 has been posted here by W. R. Dunlap, 41, principal of the Farmer community school, on charge of murder, in connection with the gunshot death of Willie Viney, Crosbyton negro.

County Attorney Lloyd A. Wicks said the shooting followed an automobile collision, in which Mrs. Dunlap was injured.

The case will be brought before the next session of the 72nd District court grand jury, which convenes here in May.

Hilton Jones, who has been parts man at Daniel Automotive here for several years, moved to Matador, December 1, to take a position with the Matador Auto company as parts man. Mr. and Mrs. Jones and family left Thursday for their new home.

Lower Cotton Figure

MATADOR—Early estimates and guesses of Motley county's 1950 cotton crop being in the neighborhood of 10,000 bales, were too high, according to County Agent Rufus Emmons.

Yesterday the county total for this season in eight gins was 5,181 bales and most ginner believe 80 or 85 percent of the gin crop is harvested. Mr. Emmons declares.

Ginning by communities is as follows:
Flomot, 816, Matador, 2644, Roaring Springs 1,682 and Joe Bloedworth private gin, 993.

NEW ARRIVAL

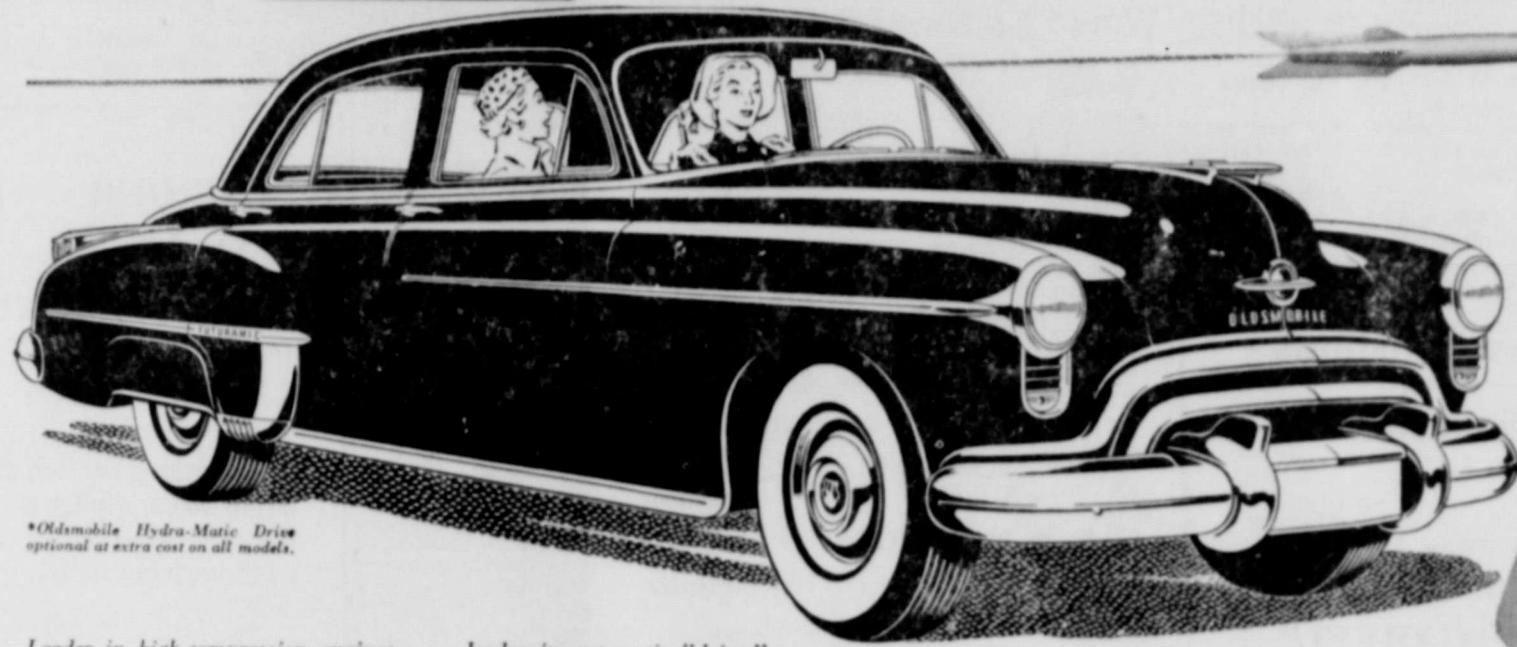

Mr. and Mrs. J. T. Spears announce the arrival of their daughter November 24 at the Hale County Cooperative Hospital in Hale Center. The daughter has been named Janis Diane and weighed 7 pounds and 14 ounces.

Mr. and Mrs. G. A. McMillan of Yakima, Washington are here for a three weeks visit, with her daughter and family, Mr. and Mrs. J. T. Huckabee, and her cousin G. E. Fuller and Mrs. Fuller.

DECEMBER 7, 1941

On December 7, 1941, Japanese planes bombed Pearl Harbor and Manila. On the following Monday morning, early Christmas shoppers heard President Roosevelt's indignant and solemn declaration of war being broadcast.

World War II had begun for a peace loving people.

It was a bitter struggle, but ended with the victories of V-E Day in Germany and V-J Day in the Pacific in 1945.

The war left to the world the atomic bomb and the U. N. court. Today, early Christmas shoppers, listening to broadcasts from Korea, are hoping that these legacies may prevent World War III.

EDITORIAL

THE VALUE OF FAILURE

Failure usually causes a person to realize his mistakes. It makes him realize that he should do better in order to be a success. This realization makes him try harder and really work to do better.

Upon realizing his faults and the necessity of doing better, he must decide upon ways of improvement. The methods of improvement depend upon the types of failure that have to be improved.

Success is helped by the encouragement of others. Everyone should realize that encouragement and moral support are needed by all who fail.

One should recognize that he also may need help in time of failure. No one can fail so dully that he can not be helped by someone.

WARNING

Would Be Nice If

No one ever worried like Nancy Buchanan.
Everyone could play the piano like Ann Weiborn.

Everyone enjoyed themselves like Don and Dan.
Everyone were as sweet as Nita Jo Day.

Everyone could be as smart as Walter Anderson.
Everyone were as co-operative as Nancy Goughly.

All the girls had long natural curly hair like Billee.
The boys didn't get crew cuts and proside their hair.
We could win all the basketball games.

The new gym were finished.
All the boys could sing like Jackie.
All people were as friendly as Barbara Perry.

The seniors didn't have to write term themes.
We had three weeks for Christmas holidays.

Whirlwinds Shine In Cage Opener

The Floydada Whirlwinds basketball team won its first game of the season by out-pointing the Slaton Tigers at Slaton last Thursday night 47-25.

The Whirlwinds were badly organized at the first of the game, but they got along fine during the second half and snowed under the Tigers. Slaton held the height margin over the Floydada quintet by at least a three inch average per man.

The Whirlwinds were experimenting and ran three different defenses. They played every man on the squad, trying to find out which defense and what man were the most effective.

Guthrie was the high point man for the night, tossing in thirteen points. Stovall and Helms tied for second with seven points each. The starting five for the night were Guthrie, Stovall, Teague, Helms, and Carmack.

"B" Squad Also Wins
The "B" squad stayed up to par with the "A" boys by winning their game at Slaton 18-13. This game was a little more evenly matched than the "A" game. In fact the Slaton boys were ahead at the half 9-7.

In the second half, the Winds had the game completely in their favor. Jackie Hutchinson was the high point man for the "B" game with 11 points.

Every School Has One

A boy that flirts.
A smart alec.
A girl who giggles.
A boy who talks without permission.
A girl who kows "all."
A boy who has a good alibi when he fails to get his lessons.
A teacher who gives loads of homework.
A person that's always tardy.

MONEY

Workers earn it.
Spendthrifts burn it.
Bankers lend it.
Women spend it.
Foggers fake it.
Taxes take it.
Dying leaves it.
Heirs receive it.
Misers save it.
Robbers seize it.
Rich increase it.
Gamblers lose it.
I could use it.

—The Northwestern Colt, Northwestern High School, Detroit, Mich.

DE 'QUACKER

Important to boys! With Christmas season coming on soon, now would be the time to break with your "one and only" and look over the field until after Christmas. The idea is that it saves you money.

Seems as if Ronnie and Jo Beth are getting along just fine. Keep it up! You make a very cute couple.

It appears that John Hinsley and Betty Hall have a lot of fun in 5th period study hall. Could this be a new romance?
Jackie and Keith seemed to enjoy watching basketball practice Monday night.
Speaking of basketball practice, could the reason Barbara Dutton

is so interested, be the fact that Billy usually comes?

Roy K. and Donice T. seem to be having lots of fun riding around every day at noon. "Kinda thick," aren't they?

Mary W. doesn't seem to be doing so well with Clint T. Seems as though Winnie L. is beating her time.

Dorothy Holmes and Troy M. surely have a good time together. Keep it up, kids! You make a cute couple.

Is this true about Johnny Sue and Betty Hall going steady? Better watch this, Frances!

Gwen! Benita! What could you have been doing Sat. night after the show? Well, anyway I heard you had a good time.

Barbara McAda, what's this I hear about Roy B. wanting to go with you? Come on and give the poor boy a chance.

Heard tell about three out-of-town boys who made themselves very unpopular Monday night. But they didn't stay long.

What's this about Patsy G. flirt-

ing with a certain boy from Slaton? Was his name Bob Anderson? Say! Joyce, what happened next? Tut! Tut!
So Kenneth King and Bob Pratt broke up. Tough luck. Wonder who Dale G. Roberts latest is? Dale, why you try a senior??

to have fun when she brings her pick-up to school. She even lets him drive!!! Be careful, Norma! Some of the girls in play practice seem to think it is much more interesting with the football boys there. What about this, boys? Jimmy Derryberry and Eddie Lynne seemed to be having a good time the other night. What about this, Dorothy? Well, well, a new romance! Ann Deakins and Jerry Oden! Whom will Troy go with next? First it was Ann, then Karen, then Mildred, and Francis. Keep up the good work, Troy. Who are these three little girls who feed the can in Mr. Baker's office? You should be ashamed! Did I see Frank Capshaw with someone Sat. night or not? Looks as though Peggy Taylor and Glen Brown are going strong. She has his Ag ring and pencil. Is this a new romance? What about this, kids? Did I hear right about June H. and David R.? Well, good luck kids. You're both swell. Whom was Clara with Sunday night? (Floy and Dub were with them). What happened to Don Probasco and Jean Owens? Could it be that Don is interested in someone else? Tell us more, Don. Franklin seems to enjoy going with freshman girls, but Myrna seems to be doing all right for herself, too. Well, did I actually see Hershel Irwin driving Katie's car around for her after the game Friday night? From what I hear, they had a good time. What will "T" say, Katie, or do you care? ? ? Connie and Ray Nell weren't looking unhappy Wednesday night. Keep it up! Travis and Jo Beth surely do have a good time the 3rd period. How about this, Jo Beth? What happened between you and Glen. What's this about Norman Muncy and Barbara P. going steady? It's about time! Bert doesn't seem to mind. Could it be Denny Smalley whose smile and dimples send Karen B. into a dream world? That's all for this week, kids! Be good observers and put your observations in the De Quacker can!

Aggies Spend Day In Tulia Saturday

Floydada Chapter of Future Farmers and Billee Newberry, the Aggie sweetheart, went to Tulia last Saturday. Billee entered the chapter sweetheart contest in which there were nine entries. Yvonne Ragle from Plainview won first place and Billee Newberry won second place. The junior chapter outstanding teams placed as follows: Plainview — first, Tulia — second, Floydada — third, Kress — fourth, and Silverton — fifth. The senior chapter conducting teams placed as follows: Plainview — first, Floydada — second, Quitaque — third, Tulia — fourth, Lockney — fifth, and Silverton — sixth. The junior farm demonstration teams placed as follows: Lockney — first, Plainview — second, and Tulia — third. The senior farm demonstration teams placed as follows: Plainview — first, Kress — second, Tulia — third, Floydada — fourth, Lockney — fifth, and Silverton — sixth. The junior quiz placed as follows: Tulia — first, Petersburg — second, Plainview — third, Hale Center — fourth, Kress — fifth, Silverton — sixth, Quitaque — seventh, and Happy — eighth. The senior quiz placed as follows: Petersburg — first, Hale Center — second, Quitaque — third, Tulia fourth, Kress — fifth, and Silverton — sixth. The group enjoyed the day very much even though they did not bring back any first place banners.

The senior quiz placed as follows: Petersburg — first, Hale Center — second, Quitaque — third, Tulia fourth, Kress — fifth, and Silverton — sixth. The group enjoyed the day very much even though they did not bring back any first place banners.

The senior quiz placed as follows: Petersburg — first, Hale Center — second, Quitaque — third, Tulia fourth, Kress — fifth, and Silverton — sixth. The group enjoyed the day very much even though they did not bring back any first place banners.

Senior Celebrities

Here's a list of limericks about people in the senior class. I'm sure you can guess them all. Try your luck!
Here is a plump and grinning lad,
Who leads his class through good and bad;

He has sandy hair, and played football too.
Who is this celebrity? I ask you!

Here's a gal with dark brown curls,
For friends she has about 13 girls;
As head cheer leader she is "hep",
Believe me, she is full of pep!

The next is Don's blond vice,
Who hates studying worse than vice;
In love he's a man; the girls think he's swell,
Now who is this? Can you tell?

This gal is a pep leader too,
Her eyes are of the deepest blue;
Her hair is gold and her teeth are pearly
And when "T" isn't around, she goes home early.

This boy wears glasses and his hair is unruly,
But he makes excellent grades, I tell you truly;
He's honest and tall and really a good guy,
When we speak of seniors, we can't pass him by.

This boy is president, and how,
Of the class that learns about the cow;
His hair is curly, and he hates to study,
If you can't guess him, better quit, buddy!

Daffy - Nitions

Misfortune—the kind of fortune that never misses.
Racketeer—a man who's in right with the wrong people.
Appointment—boring end of a thumb-tack.
Gossip—one who doesn't believe everything he hears, but does repeat it.

Cinder—one of the first things to catch one's eye in traveling.
Women—a species that never lets ideas interrupt the easy flow of conversation.
Hero—a man who sees his duty and overdoes it.
Cargo—what a mechanic says after he has overhauled your car.
Cynic—one who looks down on those above him.
Diplomacy—the art of convincing someone that he's a liar without actually saying so.
Promoter—a man who will furnish the ocean if you will furnish the ships.
Movies—the only place where you

can applaud safely without fear of an encore.

Candid Camera

The personality for this week is one of the most capable boys in F. H. S. He is Walter Wiley Anderson. Walter was born 16 years ago on a very cold night in November, in the little community of Lakeview, Texas.

Walter is now a senior in F. H. S. and quite a brilliant one, because if any good grades are made in any of his classes, he is usually the one who makes them. Walter likes everyone of his teachers and his favorite subject is geometry.

Walter likes baseball better than any other sport. His favorite song is "The Eyes of Texas," and his favorite movie is "Stars in My Crown."

Walter does not like spinach, unfriendly people, careless people, and long assignments.

Walter's ideal girl should have brown hair and brown eyes. She should be 5 ft. 7 in. height and weigh about 120 pounds. She should be beautiful and have a sweet personality. By the way, he hasn't found her.

Walter, you are a very nice person to know. May you have many more good times here in F. H. S.!

Mrs. W. A. Amburn has returned from a visit at Friona with her daughter and family, Mrs. Leon Hart. While there she was treated at the Friona hospital. Enroute home she also was guest of her daughter, Mrs. B. B. Carter in Amarillo.

'51 Chevrolets Go on Display Next Saturday

Added safety, greater driving ease and fresh re-styling highspot the 1951 Chevrolet which goes on display nationally at dealer showrooms Saturday, December 9.

Improvements and changes are featured in both chassis and body. These changes range from the "biggest brakes in the low-price field" to extensive design innovations that make the car much longer and lower than any previous model.

The Powerglide automatic transmission, Chevrolet's sensational driving advance, has been refined for the latest models although remaining fundamentally the same flexible driving control. It will again be optional on De Luxe models only.

Fourteen passenger body types are included in the 1951 line. The new "Jumbo Drum" brakes headline the qualities of the car directed toward safer operation. Quicker emergency stops are assured by a brake which involves considerable departure from past design.

New brakes also qualify as an aid to driving ease. Tests show 25 per cent less pedal pressure required in stopping at given rates of speed. Better brake seals and virtual elimination of the possibility of brake grabbing are other advantages.

Of almost equal interest among safety features are recessed control knobs in the driver's compartment. All protrusions are now set below the smooth contours of the instrument panel.

Important as it will affect parking is an increase in steering gear ratio.

Appearance-wise the radiator grille has been restyled and simplified. The design now consists of three horizontal bars, the lower two extending further across the fenders to form a circular frame for parking lamps.

Frontal beauty is additionally embellished by new bumper guards emblem and hood ornament which carries a jet-craft form.

The crown of the rear fenders has been raised to increase the sleek, flowing lines of the body.

Interiors of the De Luxe bodies are treated in two-tone gray, a styling feature carried by both seat cushions and instrument panels.

Due to expand production, Chevrolet is able to introduce in rear seats the flat S-type springs used in the front seats of the 1950's.

For 1951 Chevrolet offers economical valve-in-head engines. The standard engine develops 92 horsepower while the optional power plant, available on Le Luxe models with Powerglide, develops 105 horsepower.

Showing 1951 Trucks, Too. New 1951 Chevrolet trucks go on display at dealer showrooms Saturday, also.

Offering a wide variety of sizes and designs for jobs ranging from fast metropolitan delivery service to rugged cross-country hauls, the new models list many advances over the previous series.

Comfort benefits by better cab ventilation and new seat construction. Safety profits by newly developed brakes. Increased durability has been engineered into the chassis through a number of improvements which extended throughout the line.

In its 1951 models Chevrolet will make available trucks in 10 wheelbases, including the 179-inch chassis added late this year. Gross vehicle

weights range from 4,000 to 16,000 pounds.

Braking improvement is noteworthy on light and heavy-duty trucks. While the hydraulic principle has been retained, the design of light truck brakes is entirely new.

As a year ago Chevrolet will make available two engines of the economical valve-in-head design. They are the Leadmaster of 105 horsepower and the Thriftmaster which develops 92 horsepower.

Visiting in the home of Mr. and Mrs. W. H. Bunch over the Thanksgiving holidays were their daughter, Joy, a student at Texas State college for Women at Denton, and Mrs. Bunch's parents, Mr. and Mrs. J. C. Raley of El Paso, who also visited in the home of their other children, Mr. and Mrs. Jim Elliott and Mr. and Mrs. M. W. Raley.

Mrs. L. H. Smith, sr., of McCoy fell Friday at her home and broke her arm. She has been in the West Texas hospital at Lubbock for a few days.

Joe Walker, a student at West Texas State college at Canyon spent Thanksgiving with his parents, Mr. and Mrs. John Walker.

Mr. and Mrs. William Carrol of Lubbock spent the past weekend with her grandparents, Mr. and Mrs. A. C. Collins.

Mrs. A. R. Cardinal Rites Last Friday; Burial at Plainview

Mrs. A. R. Cardinal, 50, a former Floydada resident, passed away in the Plainview hospital on Wednesday morning, November 29, after several months illness.

Mrs. Cardinal is survived by her husband, Armand Cardinal, one son, Armand L. of Amarillo and a daughter, Annette Cardinal of Plainview; two brothers, Emmett Tice of Lockney and Earley Tice of Rio Prio; two sisters, Mrs. Henry Wittie of Plainview and Mrs. Frank Whitfill of Lockney.

Mrs. Cardinal was a native of Floyd County. Her maiden name was Anne Lee Tierce, daughter of the late Mr. and Mrs. George Tierce. She and Armand Cardinal were married on April 29, 1921, in Slaton.

They moved from Floydada to Plainview in 1945, where Mr. Cardinal is night officer with the Plainview police force. They made their home at 1204 Milwaukee street.

The funeral for Mrs. Cardinal was held Friday morning at 10 o'clock at St. Alice Catholic church, and interment was in the Plainview cemetery.

Attending the funeral from Floyd-

ada were the following relatives: Louis Cardinal; T. J. Cardinal and sons, Fred and Shorty; Messrs. and Mesdames, A. O. Cardinal and Miron; Gerald Cardinal, and Jerry and Marquitta; George Cardinal; S. L. West and Mrs. Adrian Fields and a friend of the family, Mrs. Henry Edwards.

Mr. and Mrs. James Manning of Petersburg are the parents of a son, born at the Pitts hospital on November 23, weighing 8 pounds and 11 ounces.

Bob Cline, a student at Tech college in Lubbock, spent the Thanksgiving holidays with his parents, Mr. and Mrs. H. O. Cline.

DUB HODGE IN NAVY

George Woolsey (Dub) Hodge, joined the navy in Lubbock last Saturday, and went from there to Albuquerque, New Mexico, for his physical, and from there he was sent to San Diego, California.

Dub is the son of Mr. and Mrs. Tom Hodge. He worked for the Patterson Phillips 66 station, and for the Panhandle Service station, before joining the navy.

Miss Ivy Pearl Simmons, Wayland college student at Plainview and Miss Roberta Garrett, from Wayland, spent the Thanksgiving holidays with their parents, Mr. and Mrs. W. S. Simmons and Mr. and Mrs. Bob Garrett.

Mr. and Mrs. C. L. Hagood were in Austin last week, visiting their son, Kelly Hagood and Mrs. Hagood. They attended the University of Texas and Texas A. & M college football game on Thursday.

Sheep Raising Promises This Area

Sheep raising for this area holds promise for greater profits than most any other endeavor in which the operator can engage, according to a Midwest Wool Growers' association bulletin out of Kansas. What this marketing authority thinks of the future for sheep production in the area is outlined in a marketing bulletin issued last week. After reciting

progress in the marketing of 1950 wools to date, the association bulletin says:

Wool is assuming more importance to producers of this area. A large proportion of the sheep are grown as small farm flocks, the farmers raising from forty to several hundred ewes. More and more growers are getting small bands as the income from their lambs and wool have increased in proportion to other operations.

Feeding of lambs also has become more important. This area annually feeds and finishes many thousands of lambs and the sheep are shorn here. Returns from these operations have been excellent.

Mr. Rice points out that the sheep population has been allowed to recede to the lowest levels since records have been kept and that now growers are bringing in ewes

from the west in considerable numbers.

Wool Market Shows Increase

Grease prices vary greatly in the area, but prices on a clean or scoured basis have shown a great increase these past years. Long staple fine wools increased from about \$1.55 to \$2.20 clean basis. Other grades have increased in proportion. Contracts now are being made in the west for the 1951 clip for as high as \$2.30 and \$2.40 for fine wools.

Sheep Population Down

Prospects appear excellent for the future of sheep and wool in this area. In 1942 there were 46,000,000 sheep and now the number is down to about 26,000,000. In 1942 the U. S. produced about 210,000,000 pounds. World wool production is also down greatly. Consumption of wool world wide is about 500,000 pounds per year greater than production.

Sheep Build Up Soil

The growing of sheep means more grass which is beneficial both as it prevents erosion induced by row crops and sheep and grass add greatly to the fertility and productivity of the soil. With the breeding up of many of the large ranches in the west and with profits of sheep operations at a good level, this means real opportunity for midwestern farmers.

J. M. Jackson Funeral Rites Last Friday

Funeral service for John M. Jackson, 81, of Matador, was conducted in Matador on Friday afternoon at the First Baptist church.

Mr. Jackson, former superintendent of the Matador ranch, died in a Hot Springs, New Mexico hospital, Wednesday morning, from injuries received in an automobile accident on November 21, about 40 miles from Hot Springs, New Mexico, when the car which he was riding overturned and plunged into an irrigation ditch.

Mr. Jackson, who was born in Georgia on March 16, 1866, went to Matador in 1888, before the county was organized and went to work for the Matadors as a regular cowhand. In 1892 he was promoted to trail boss and three years later he was made range boss. He was made superintendent of the ranch in 1908 and served in that capacity until 1924, when he resigned. Since that time he has conducted extensive business and financial dealings and possessed holdings in New Mexico, and Matador, besides farm and ranch property over a large territory. Mr. and Mrs. Jackson and family made their home in Uvalde, where he had large holdings for a time until 12 years ago, when they moved back to Matador.

He is survived by his widow, Mrs. Annie Jackson, and four daughters, Mesdames Pat Sheridan, Matador, Mary Rogers of Hot Springs, New Mexico, Lois Hunter, of Freeport and Miss Annie Mae Jackson of Matador and Miss Marjorie Jackson of Long Beach, California; two sons, Gordon Jackson of San Francisco, California, and John Jackson of Raymondville, Texas.

CARD OF THANKS

WHITE DRUG CO.

116 W. California Phone 202

How can you pass up our prices?

As we've been saying for quite a spell—"Whatever your price range—Better buy Buick."

But maybe we'd better get down to brass tacks, as to just what this suggestion means.

In the lower-price field, this has been happening:

Four out of ten Buick SPECIALS—bought by people with a car to trade in—have been bought by folks who formerly drove one of the so-called "low-priced three." They found they could afford a Buick!

In the fine-car field, something even more impressive has happened:

Four out of five people who looked at a ROADMASTER and another very distinguished automobile decided in favor of ROADMASTER!

So—whatever your price range, take a look at our prices—and at what you get for your money.

What you get is the thrill of owning the greatest Buick of all time—as registered by record-breaking sales.

What you get is power and style and comfort and performance that are hard to match in any other automobile.

More specifically—you get the power-with-thrill of Buick's famous Fireball high-compression engine—a style that stands out in any company—a ride with the comfort of coil springs on every wheel—and performance that makes you feel like the head man on any highway.

Better come in today—and see what can be done about getting quick delivery.

Only BUICK has
Dynaflow drive*
and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING**, with **MULTI-GUARD** fenderant, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

YOUR KEY TO GREATER VALUE

GRAVESIDE RITES SAID FOR SHEILA KAYE SCOTT

AMARILLO.—Graveside rites for Sheila Kaye Scott, infant daughter of Mr. and Mrs. Hubert Scott, 917 Lamar, were to be held at 3 o'clock Saturday afternoon in Llano Cemetery.

Officiating was to be Dr. Newton J. Robinson, minister of First Christian Church. Burial was to be under direction of Boxwell Brothers Funeral Home.

The infant died Friday afternoon in Amarillo Osteopathic Hospital.

Mr. Scott is a bookkeeper with Southwestern Public Service Company.

Survivors, other than the parents, are the maternal grandparents, Mr. and Mrs. M. C. Fuqua, Floydada.

The man who is down on everything is usually up on nothing.

Dr. K. O. Crum To Head Staff Coop Hospital

Lockney—Dr. Kenneth O. Crum of Leonard, Texas, last week signed a contract with the directors of the Floyd county Co-Operative hospital here to come to Lockney not later than December 15 to head the staff of the hospital. The local hospital has been without a head physician since the resignation of Dr. D. R. Poester several weeks ago.

Dr. Crum has been practicing in Leonard for the past four years. He is a graduate of Rawlins, Wyoming high school, Colorado A. & M. college with a bachelor of science in Chemistry, a graduate of Baylor Medical school in 1943, interned at the Denver General hospital, Denver, Colorado, and 39 months in the army Medical corps. He was stationed most of that time in France.

Dr. Crum is a member of the American Legion, at present is surgeon for the MK&T railways; is public health officer at Leonard, a member and past president of the Leonard Lions club.

Mt. Blanco News

(Written by Aliene Brown)

MT. BLANCO, Dec. 4.—The news this week will be kinda short because of the sickness in the community. On this list are Dale Hill, who is in the hospital following a tonsilectomy, C. A. McClure, Shirley Bishop, Mrs. Charlie Gipson, and little Buster Stroud and Mrs. Gene Brown. To these we send the wish that they will be feeling better soon.

The Mt. Blanco church had a study course this last week. The theme of the course was "Building a Standard Sunday School". Brice Allen taught the course, and everyone that attended learned many new things necessary for a standard Sunday school.

We wish to extend our sincere sympathy to Mrs. Betty Sue Belt, sister of Mrs. A. L. Smith, whose husband was killed in a car wreck last week. Those from this community that attended the funeral in Lubbock were Mr. and Mrs. Alvin Smith, Scarlett and Choise, Edmund and Aliene Brown, and Rev. Alvin Hamm.

Friday evening supper guests of Mr. and Mrs. Holt Bishop and Shirley were Mr. and Mrs. Riley Teague and boys of Floydada.

Rev. and Mrs. Alvin Hamm and M. J. Mosley were Monday shoppers in Lubbock.

Mrs. Mary Kirk was an all-day guest of Mrs. L. L. McClintock last Wednesday.

Mrs. Holt Bishop and Shirley visited with Mrs. Alvin Hamm Friday afternoon.

Saturday overnight guests of Mr. and Mrs. S. G. Appling and Catharine were Miss Alice Latta of Floydada and Judy and Jean Appling.

Mr. and Mrs. C. E. Lamb and Linda and Dale were Sunday afternoon visitors with Mr. and Mrs. J. W. Robinson.

Mr. and Mrs. Frank B. Smith and Frances Kay of Lubbock and Miss Mary Lou Ford of Ralls were Sunday dinner guests of Mr. and Mrs.

E. H. Brown, Edmund and Aliene. Mr. and Mrs. Earl Bishop and Mrs. Gertie Elder of Floydada were Sunday dinner guests of Mr. and Mrs. Holt Bishop and Shirley.

Rev. and Mrs. Alvin Hamm and children were Sunday dinner guests of Mr. and Mrs. M. J. Mosley.

Floyd, Stamey, and Frank Jr. Smith of Lubbock visited Sunday with Choise Smith.

Mr. and Mrs. Pete Belt of Borger and Mrs. Betty Sue Belt and Pat and "Perk" were Sunday dinner guests of Mr. and Mrs. A. L. Smith and family.

Mrs. Mary Kirk was a Saturday overnight and Sunday dinner guest of Mr. and Mrs. Clay Campbell and Billy of Ralls.

The W. O. Baker family have moved back to Floydada from St. Joseph, Missouri, and Mr. Baker is again associated with the management of Floydada theatres. He sold his business in the Missouri city before returning to this state.

Mr. and Mrs. G. E. Fuller visited with Mr. Fuller's cousin, Bobby G. Crockett of Columbus, Georgia, at Sheppard Air Base Saturday at Wichita Falls.
